[47] [1] Τελευτήσαντος δ' Ἀντιγόνου, καταφρονήσαντες Αἰτωλοὶ τῶν Ἀχαιῶν διὰ τὴν ῥαθυμίαν - ἐθισθέντες γὰρ ἀλλοτρίαις σῴζεσθαι χερσὶ καὶ τοῖς Μακεδόνων ὅπλοις αὑτοὺς ὑπεσταλκότες, ἐν ἀργίᾳ πολλῇ καὶ ἀταξίᾳ διῆγον - [2] ἐπέθεντο τοῖς κατὰ Πελοπόννησον πράγμασι· καὶ τὴν μὲν Πατρέων καὶ Δυμαίων λεηλασίαν ὁδοῦ πάρεργον [3] ἐποιήσαντο, τὴν δὲ Μεσσήνην ἐμβαλόντες ἐπόρθουν. ἐφ' οἷς ὁ Ἄρατος ἀγανακτῶν, καὶ τὸν στρατηγοῦντα τότε τῶν Ἀχαιῶν Τιμόξενον ὁρῶν ὀκνοῦντα καὶ διατρίβοντα τὸν χρόνον, ἤδη τῆς στρατηγίας αὐτῷ τελευτώσης, αὐτὸς ᾑρημένος ἄρχειν μετ' ἐκεῖνον προέλαβεν ἡμέραις πέντε [4] τὴν ἀρχὴν ἕνεκα τοῦ βοηθῆσαι Μεσσηνίοις. καὶ συναγαγὼν τοὺς Ἀχαιούς, τοῖς τε σώμασιν ἀγυμνάστους ὄντας καὶ ταῖς διανοίαις ἐκλελυμένους πρὸς τὸν πόλεμον, ἡττᾶται [5] περὶ Καφύας· καὶ θυμικώτερον ἐστρατηγηκέναι δόξας, οὕτως αὖ πάλιν ἀπημβλύνθη καὶ προήκατο τὰ πράγματα καὶ τὰς ἐλπίδας, ὥστε πολλάκις

λαβὴν τοὺς Αἰτωλοὺς παρασχόντας ἀνέχεσθαι καὶ περιορᾶν ὥσπερ κωμάζοντας ἐν τῇ Πελοποννήσῳ μετὰ πολλῆς ἀσελγείας καὶ θρασύτητος.

[6] αὖθις οὖν τὰς χεῖρας ὀρέγοντες εἰς Μακεδονίαν, ἐπεσπῶντο καὶ κατῆγον ἐπὶ τὰς Ἑλληνικὰς πράξεις τὸν Φίλιππον, οὐχ ἥκιστα διὰ τὴν πρὸς τὸν Ἄρατον εὔνοιαν αὐτοῦ καὶ πίστιν ἐλπίζοντες εὐκόλῳ περὶ πάντα χρήσεσθαι καὶ χειροήθει.

[48] [1] Καὶ τότε πρῶτον Ἀπελλοῦ καὶ Μεγαλέου καί τινων αὐλικῶν ἄλλων διαβαλλόντων τὸν Ἄρατον, ἀναπεισθεὶς ὁ βασιλεὺς καὶ συναρχαιρεσιάσας τοῖς ἀπὸ τῆς ἐναντίας στάσεως, ἐσπούδασε τοὺς Ἀχαιοὺς ἑλέσθαι [2] στρατηγὸν Ἐπήρατον. ὡς δ’ ἐκείνου μὲν καταφρονουμένου τελέως ὑπὸ τῶν Ἀχαιῶν, τοῦ δ’ Ἀράτου παραμελοῦντος, ἐγίνετο τῶν χρησίμων οὐδέν, ἔγνω διαμαρτάνων [3] τοῦ παντὸς ὁ Φίλιππος. καὶ ἀνακρουσάμενος αὖθις ἐπὶ τὸν Ἄρατον, ὅλος ἦν ἐκείνου, καὶ τῶν πραγμάτων αὐτῷ πρός τε δύναμιν καὶ πρὸς εὐδοξίαν ἐπιδιδόντων, ἐξήρτητο τοῦ ἀνδρός, ὡς δι’ ἐκεῖνον εὐδοκιμῶν καὶ [4] αὐξόμενος· ἐδόκει τε πᾶσιν ὁ Ἄρατος οὐ μόνον δημοκρατίας, ἀλλὰ καὶ βασιλείας ἀγαθὸς εἶναι παιδαγωγός· [5] ἡ γὰρ προαίρεσις αὐτοῦ καὶ τὸ ἦθος ὡς χρῶμα ταῖς πράξεσι τοῦ βασιλέως ἐπεφαίνετο. καὶ γὰρ ἡ πρὸς Λακεδαιμονίους ἁμαρτόντας μετριότης τοῦ νεανίσκου, καὶ ἡ πρὸς Κρῆτας ὁμιλία δι’ ἧς ὅλην προσηγάγετο τὴν νῆσον ἡμέραις ὀλίγαις, ἥ τε πρὸς Αἰτωλοὺς στρατεία γενομένη θαυμαστῶς ἐνεργός, εὐπειθείας μὲν τῷ Φιλίππῳ δόξαν, [6] εὐβουλίας δὲ τῷ Ἀράτῳ προσετίθει. καὶ διὰ ταῦτα μᾶλλον οἱ βασιλικοὶ φθονοῦντες, ὡς οὐδὲν ἐπέραινον κρύφα διαβάλλοντες, ἀναφανδὸν ἐλοιδοροῦντο καὶ προσέκρουον αὐτῷ παρὰ τοὺς πότους μετὰ πολλῆς ἀσελγείας καὶ βωμολοχίας· ἅπαξ δὲ καὶ λίθοις βάλλοντες ἀπιόντα εἰς τὴν [7] σκηνὴν μετὰ τὸ δεῖπνον κατεδίωξαν. ἐφ’ οἷς ὁ Φίλιππος ὀργισθείς, εὐθὺς μὲν αὐτοὺς ἐζημίωσεν εἴκοσι ταλάντοις, ὕστερον δὲ λυμαίνεσθαι τὰ πράγματα καὶ ταράττειν δοκοῦντας ἀπέκτεινεν.

[49] [1] Ἐπεὶ δὲ τῆς τύχης εὐροούσης ἐπαιρόμενος τοῖς πράγμασι πολλὰς μὲν ἀνέφυε καὶ μεγάλας ἐπιθυμίας, ἡ δ’ ἔμφυτος κακία, τὸν παρὰ φύσιν σχηματισμὸν ἐκβιαζομένη καὶ ἀναδύουσα, κατὰ μικρὸν ἀπεγύμνου καὶ [2] διέφαινεν αὐτοῦ τὸ ἦθος, πρῶτον μὲν ἰδίᾳ τὸν νεώτερον Ἄρατον ἠδίκει περὶ τὴν γυναῖκα καὶ πολὺν χρόνον ἐλάνθανεν, ἐφέστιος ὢν καὶ ξενιζόμενος ὑπ’ αὐτῶν· ἔπειτα πρὸς τὰς Ἑλληνικὰς ἐξετραχύνετο πολιτείας, καὶ φανερὸς [3] ἦν ἤδη τὸν Ἄρατον ἀποσειόμενος. ἀρχὴν δ’ ὑποψίας τὰ Μεσσηνιακὰ παρέσχε. στασιασάντων γὰρ αὐτῶν, ὁ μὲν Ἄρατος ὑστέρει βοηθῶν, ὁ δὲ Φίλιππος ἡμέρᾳ μιᾷ πρότερον ἐλθὼν εἰς τὴν πόλιν, εὐθὺς οἶστρόν τινα κατ’ [4] ἀλλήλων ἐνέβαλε τοῖς ἀνθρώποις, ἰδίᾳ μὲν ἐρωτῶν τοὺς στρατηγοὺς τῶν

Μεσσηνίων, εἰ νόμους κατὰ τῶν πολλῶν οὐκ ἔχουσιν, ἰδίᾳ δὲ πάλιν τοὺς τῶν πολλῶν προεστῶτας, εἰ χεῖρας κατὰ τῶν τυραννούντων οὐκ ἔχουσιν.

[5] ἐκ δὲ τούτου θαρρήσαντες, οἱ μὲν ἄρχοντες ἐπελαμβάνοντο τῶν δημαγωγῶν, ἐκεῖνοι δὲ μετὰ τῶν πολλῶν ἐπελθόντες τούς τ' ἄρχοντας ἀπέκτειναν καὶ τῶν ἄλλων ὀλίγον ἀπολείποντας διακοσίων.

[50] [1] Οὕτω δὲ δεινὸν ἔργον ἐξειργασμένου τοῦ Φιλίππου καὶ συγκρούοντος ἔτι μᾶλλον ἑαυτοῖς τοὺς Μεσσηνίους, ἐπελθὼν ὁ Ἄρατος αὐτός τε δῆλος ἦν φέρων βαρέως, καὶ τὸν υἱὸν ἐπιτιμῶντα πικρῶς τῷ Φιλίππῳ καὶ λοιδορούμενον [2] οὐκ ἐκώλυσεν. ἐδόκει δ' ὁ νεανίσκος ἐρᾶν τοῦ Φιλίππου, καὶ τότε λέγων εἶπε πρὸς αὐτόν, ὡς οὐδὲ καλὸς ἔτι φαίνοιτο τὴν ὄψιν αὐτῷ τοιαῦτα δράσας, ἀλλὰ πάντων [3] αἴσχιστος. ὁ δὲ Φίλιππος ἐκείνῳ μὲν οὐδὲν ἀντεῖπε, καίπερ ἐπίδοξος ὢν ὑπ' ὀργῆς καὶ πολλάκις ἐξυλακτήσας λέγοντος αὐτοῦ, τὸν δὲ πρεσβύτερον, ὡς ἐνηνοχὼς πράως τὰ λεχθέντα καί τις ὢν μέτριος καὶ πολιτικὸς τὴν φύσιν, ἀνέστησεν ἐκ τοῦ θεάτρου τὴν δεξιὰν ἐμβαλὼν καὶ προῆγεν εἰς τὸν Ἰθωμάταν, τῷ τε Διὶ θύσων καὶ [4] θεωρήσων τὸν τόπον. ἔστι γὰρ οὐχ ἧττον εὐερκὴς τοῦ Ἀκροκορίνθου, καὶ λαβὼν φρουρὰν γίνεται χαλεπὸς καὶ [5] δυσεκβίαστος τοῖς παροικοῦσιν. ἀναβὰς δὲ καὶ θύσας, ὡς προσήνεγκεν αὐτῷ τὰ σπλάγχνα τοῦ βοὸς ὁ μάντις, ἀμφοτέραις ταῖς χερσὶν ὑπολαβὼν ἐδείκνυε τῷ τ' Ἀράτῳ καὶ τῷ Φαρίῳ Δημητρίῳ, παρὰ μέρος ἀποκλίνων εἰς ἑκάτερον καὶ πυνθανόμενος, τί καθορῶσιν ἐν τοῖς ἱεροῖς, κρατοῦντα τῆς ἄκρας αὐτὸν ἢ τοῖς Μεσσηνίοις [6] ἀποδιδόντα. γελάσας οὖν ὁ Δημήτριος εἰ μὲν ἔφη μάντεως ἔχεις ψυχήν, ἀφήσεις τὸν τόπον· εἰ δὲ βασιλέως, ἀμφοτέρων τῶν κεράτων τὸν βοῦν καθέξεις, αἰνιττόμενος τὴν Πελοπόννησον, ὡς, εἰ προσλάβοι τὸν Ἰθωμάταν τῷ Ἀκροκορίνθῳ, παντάπασιν ἐσομένην ὑποχείριον [7] καὶ ταπεινήν. ὁ δ' Ἄρατος ἐπὶ πολὺ μὲν ἡσύχαζε, δεομένου δὲ τοῦ Φιλίππου τὸ φαινόμενον λέγειν, πολλὰ μὲν εἶπεν ὦ Φίλιππε Κρητῶν ὄρη καὶ μεγάλα, πολλαὶ δὲ Βοιωτῶν ἄκραι καὶ Φωκέων ἐκπεφύκασι τῆς γῆς· εἰσὶ δέ που πολλοὶ καὶ τῆς Ἀκαρνάνων, τοῦτο μὲν χερσαῖοι, τοῦτο δ' ἔναλοι τόποι, θαυμαστὰς ὀχυρότητας [8] ἔχοντες. ἀλλ' οὐδένα τούτων κατείληφας, καὶ πάντες ἑκουσίως σοι ποιοῦσι τὸ προστασσόμενον. λῃσταὶ γὰρ ἐμφύονται πέτραις καὶ κρημνῶν περιέχονται, βασιλεῖ δὲ πίστεως καὶ χάριτος ἰσχυρότερον οὐδὲν οὐδ' ὀχυρώτερον.

[9] ταῦτά σοι τὸ Κρητικὸν ἀνοίγει πέλαγος, ταῦτα τὴν Πελοπόννησον, ἀπὸ τούτων ὁρμώμενος σὺ τοσοῦτος ἡλικίαν τῶν μὲν ἡγεμών, τῶν δὲ κύριος ἤδη καθέστηκας.

[10] ἔτι ‹δὲ› λέγοντος αὐτοῦ, τὰ μὲν σπλάγχνα τῷ μάντει παρέδωκεν ὁ Φίλιππος, ἐκεῖνον δὲ τῆς χειρὸς ἐπισπασάμενος δεῦρο τοίνυν ἔφη τὴν αὐτὴν ὁδὸν ἴωμεν, ὥσπερ ἐκβεβιασμένος ὑπ’ αὐτοῦ καὶ τὴν πόλιν ἀφῃρημένος.

[51] [1] Ὁ δ’ Ἄρατος ἀπορρέων ἤδη τῆς αὐλῆς καὶ κατὰ μικρὸν ἑαυτὸν ἀνακομιζόμενος ἐκ τῆς πρὸς τὸν Φίλιππον συνηθείας, διαβαίνοντος εἰς Ἤπειρον αὐτοῦ καὶ δεομένου συστρατεύειν, ἀπείπατο καὶ κατέμεινε, δεδιὼς ἀναπλησθῆναι δόξης πονηρᾶς ἀφ’ ὧν ἐκεῖνος ἔπραττεν.

[2] ἐπεὶ δὲ τάς τε ναῦς ὑπὸ Ῥωμαίων ἀπολέσας αἴσχιστα καὶ ὅλως ἀποτυχὼν ταῖς πράξεσιν ἐπανῆλθεν εἰς Πελοπόννησον, καὶ τοὺς Μεσσηνίους αὖθις ἐπιχειρήσας φενακίζειν καὶ μὴ λαθὼν ἠδίκει φανερῶς καὶ τὴν χώραν [3] αὐτῶν ἐπόρθει, παντάπασιν ὁ Ἄρατος ἀπεστράφη καὶ διεβλήθη πρὸς αὐτόν, ἤδη καὶ τῶν περὶ τὴν γυναικωνῖτιν ἀδικημάτων αἰσθόμενος, καὶ φέρων ἀνιαρῶς αὐτός, ἀποκρυπτόμενος δὲ τὸν υἱόν· εἰδέναι γὰρ ὑβρισμένον [4] περιῆν, ἄλλο δ’ οὐδέν, ἀμύνασθαι μὴ δυναμένῳ. μεγίστην γὰρ ὁ Φίλιππος δοκεῖ καὶ παραλογωτάτην μεταβαλέσθαι μεταβολήν, ἐξ ἡμέρου βασιλέως καὶ μειρακίου σώφρονος ἀνὴρ ἀσελγὴς καὶ τύραννος ἐξώλης γενόμενος. τὸ δ’ οὐκ ἦν ἄρα μεταβολὴ φύσεως, ἀλλ’ ἐπίδειξις ἐν ἀδείᾳ κακίας, πολὺν χρόνον διὰ φόβον ἀγνοηθείσης.

[52] [1] Ὅτι γὰρ ἦν μεμειγμένον αἰσχύνῃ καὶ φόβῳ τὸ πρὸς τὸν Ἄρατον αὐτοῦ πάθος ἀπ’ ἀρχῆς συντεθραμμένον, [2] ἐδήλωσεν οἷς ἔπραξε περὶ αὐτόν. ἐπιθυμῶν γὰρ ἀνελεῖν τὸν ἄνδρα, καὶ νομίζων οὐδ’ ἂν ἐλεύθερος ἐκείνου ζῶντος εἶναι, μή τί γε τύραννος ἢ βασιλεύς, βίᾳ μὲν οὐδὲν ἐπεχείρησε, Ταυρίωνα δὲ τῶν στρατηγῶν τινα καὶ φίλων ἐκέλευσεν [ἐν] ἀδήλῳ τρόπῳ τοῦτο πρᾶξαι, μάλιστα διὰ [3] φαρμάκων, αὐτοῦ μὴ παρόντος. ὁ δὲ ποιησάμενος τὸν Ἄρατον συνήθη, φάρμακον αὐτῷ δίδωσιν, οὐκ ὀξὺ καὶ σφοδρόν, ἀλλὰ τῶν θέρμας τε μαλακὰς τὸ πρῶτον ἐν τῷ σώματι καὶ βῆχα κινούντων ἀμβλεῖαν, εἶθ’ οὕτως [4] κατὰ μικρὸν εἰς φθόαν περαινόντων. οὐ μὴν ἔλαθέ γε τὸν Ἄρατον· ἀλλ’ ὡς οὐδὲν ἦν ὄφελος ἐλέγχοντι, πράως καὶ σιωπῇ τὸ πάθος ὡς δή τινα νόσον κοινὴν καὶ συνήθη νοσῶν διήντλει· πλὴν ἑνός γε τῶν συνήθων ἐν τῷ δωματίῳ παρόντος, ἀναπτύσας δίαιμον, ἰδόντος ἐκείνου καὶ θαυμάσαντος, ταῦτα εἶπεν ὦ Κεφάλων τἀπίχειρα τῆς βασιλικῆς φιλίας.

[53] [1] Οὕτω δ’ αὐτοῦ τελευτήσαντος ἐν Αἰγίῳ, τὸ ἑπτακαιδέκατον στρατηγοῦντος, καὶ τῶν Ἀχαιῶν φιλοτιμουμένων ἐκεῖ γενέσθαι ταφὰς καὶ μνήματα πρέποντα τῷ βίῳ τοῦ ἀνδρός, Σικυώνιοι συμφορὰν ἐποιοῦντο μὴ [2] παρ’ αὐτοῖς τεθῆναι τὸ σῶμα. καὶ τοὺς μὲν Ἀχαιοὺς ἔπεισαν ἐφιέναι, νόμου δ’ ὄντος ἀρχαίου μηδένα θάπτεσθαι τειχῶν ἐντός, ἰσχυρᾶς τε τῷ νόμῳ

δεισιδαιμονίας προσούσης, ἔπεμψαν εἰς Δελφοὺς ὑπὲρ τούτων ἐρησόμενοι τὴν Πυθίαν. ἡ δ’ αὐτοῖς ἀναιρεῖ τὸν χρησμὸν τόνδε (150 Hendess)·

[3] βουλεύῃ Σικυὼν ζωάγριον αἰὲν Ἀράτου
ἀμφ’ ὁσίῃ θαλίῃ τε κατοιχομένοιο ἄνακτος;
ὡς τὸ βαρυνόμενον τῷδ’ ἀνέρι καὶ τὸ βαρῦνον
γαίης ἔστ’ ἀσέβημα καὶ οὐρανοῦ ἠδὲ θαλάσσης.

[4] κομισθείσης δὲ τῆς μαντείας, οἵ τ’ Ἀχαιοὶ σύμπαντες ἥσθησαν διαφερόντως, καὶ οἱ Σικυώνιοι μεταβαλόντες εἰς ἑορτὴν τὸ πένθος εὐθὺς ἐκ τοῦ Αἰγίου τὸν νεκρὸν ἐστεφανωμένοι καὶ λευχειμονοῦντες ὑπὸ παιάνων καὶ χορῶν εἰς τὴν πόλιν ἀνῆγον, καὶ τόπον ἐξελόμενοι περίοπτον ὥσπερ οἰκιστὴν καὶ σωτῆρα τῆς πόλεως ἐκήδευσαν.

[5] καὶ καλεῖται μέχρι νῦν Ἀράτειον, καὶ θύουσιν αὐτῷ θυσίας, τὴν μέν, ᾗ τὴν πόλιν ἀπήλλαξε τῆς τυραννίδος, ἡμέρᾳ πέμπτῃ Δαισίου μηνός, ὃν Ἀθηναῖοι καλοῦσιν Ἀνθεστηριῶνα, καὶ τὴν θυσίαν ἐκείνην Σωτήρια προσαγορεύουσι, τὴν δὲ τοῦ μηνὸς ἐν ᾧ γενέσθαι [6] τὸν ἄνδρα διαμνημονεύουσι. τῆς μὲν οὖν προτέρας ‹ὁ› τοῦ Διὸς τοῦ Σωτῆρος κατήρχετο θυηπόλος, τῆς δὲ δευτέρας ὁ τοῦ Ἀράτου, στρόφιον οὐχ ὁλόλευκον, ἀλλὰ μεσοπόρφυρον ἔχων· μέλη δ’ ᾔδετο πρὸς κιθάραν ὑπὸ τῶν περὶ τὸν Διόνυσον τεχνιτῶν, καὶ συνεπόμπευεν ὁ γυμνασίαρχος, ἡγούμενος τῶν τε παίδων καὶ τῶν ἐφήβων, εἶτ’ ἐφείπεθ’ ἡ βουλὴ στεφανηφοροῦσα, καὶ τῶν [7] ἄλλων πολιτῶν ὁ βουλόμενος. ὧν ἔτι δείγματα μικρὰ ταῖς ἡμέραις ἐκείναις ἐξοσιούμενοι διαφυλάττουσιν· αἱ δὲ πλεῖσται τῶν τιμῶν ὑπὸ χρόνου καὶ πραγμάτων ἄλλων ἐκλελοίπασιν.

[54] [1] Ἀλλὰ γὰρ ὁ μὲν πρεσβύτερος Ἄρατος οὕτω βιῶσαι [2] καὶ τοιοῦτος γενέσθαι τὴν φύσιν ἱστορεῖται. τὸν δ’ υἱὸν αὐτοῦ μιαρὸς ὢν φύσει καὶ μετ’ ὠμότητος ὑβριστὴς ὁ Φίλιππος οὐ θανασίμοις, ἀλλὰ μανικοῖς ἐξέστησε [3] τοῦ λογισμοῦ φαρμάκοις, καὶ παρέτρεψεν εἰς δεινὰς καὶ ἀλλοκότους ἐπιφοράς, πράξεων ἀτόπων καὶ σὺν αἰσχύνῃ παθῶν ὀλεθρίων ὀρεγόμενον, ὥστε τὸν θάνατον αὐτῷ, καίπερ ὄντι νέῳ καὶ ἀνθοῦντι, μὴ συμφοράν, ἀλλ’ ἀπόλυσιν κακῶν καὶ σωτηρίαν γενέσθαι.

[4] Δίκας γε μὴν ὁ Φίλιππος οὐ μεμπτὰς Διὶ ξενίῳ καὶ [5] φιλίῳ τῆς ἀνοσιουργίας ταύτης τίνων διετέλεσε. καταπολεμηθεὶς μὲν γὰρ ὑπὸ Ῥωμαίων, ἐπέτρεψεν ἐκείνοις τὰ καθ’ αὑτόν, ἐκπεσὼν δὲ τῆς ἄλλης ἀρχῆς καὶ τὰς ναῦς πλὴν πέντε πάσας προέμενος καὶ χίλια προσεκτείσειν ὁμολογήσας τάλαντα καὶ τὸν υἱὸν ὁμηρεύσοντα παραδούς, δι’ οἶκτον ἔτυχε Μακεδονίας καὶ τῶν συντελούντων.

[6] ἀποκτείνων δ’ ἀεὶ τοὺς ἀρίστους καὶ συγγενεστάτους, φρίκης ἐνέπλησε καὶ μίσους ὅλην τὴν βασιλείαν πρὸς αὑτόν.

[7] ἓν δὲ μόνον ἐν τοσούτοις κακοῖς εὐτύχημα κτησάμενος, υἱὸν ἀρετῇ διαφέροντα, τοῦτον φθόνῳ καὶ ζηλοτυπίᾳ τῆς παρὰ Ῥωμαίοις τιμῆς ἀνεῖλε, Περσεῖ δὲ θατέρῳ τὴν ἀρχὴν παρέδωκεν, ὃν οὐ γνήσιον, ἀλλ’ ὑπόβλητον εἶναί [8] φασιν, ἐκ Γναθαινίου τινὸς ἀκεστρίας γενόμενον. τοῦτον Αἰμίλιος ἐθριάμβευσε· καὶ κατέστρεψεν ἐνταῦθα τῆς Ἀντιγονικῆς βασιλείας ἡ διαδοχή. τὸ δ’ Ἀράτου γένος ἔν τε ‹τῇ› Σικυῶνι καὶ τῇ Πελλήνῃ διέμεινε καθ’ ἡμᾶς.

Artaxerxes

[1] [1] Ὁ μὲν πρῶτος Ἀρτοξέρξης, τῶν ἐν Πέρσαις βασιλέων πραότητι καὶ μεγαλοψυχίᾳ πρωτεύσας, Μακρόχειρ ἐπεκαλεῖτο, τὴν δεξιὰν μείζονα τῆς ἑτέρας ἔχων, Ξέρξου δ' ἦν υἱός· ὁ δὲ δεύτερος, περὶ οὗ τάδε γράφεται, Μνήμων [2] ἐπικληθείς, ἐκ θυγατρὸς ἦν ἐκείνου. Δαρείου γὰρ καὶ Παρυσάτιδος παῖδες ἐγένοντο τέσσαρες, πρεσβύτατος μὲν Ἀρτοξέρξης, μετ' ἐκεῖνον δὲ Κῦρος, νεώτεροι [3] δὲ τούτων Ὀστάνης καὶ Ὀξάθρης. ὁ μὲν οὖν Κῦρος ἀπὸ Κύρου τοῦ παλαιοῦ τοὔνομα ἔσχεν, ἐκείνῳ δ' ἀπὸ τοῦ ἡλίου γενέσθαι φασί· Κῦρον γὰρ καλεῖν Πέρσας τὸν [4] ἥλιον. ὁ δ' Ἀρτοξέρξης Ἀρσίκας πρότερον ἐκαλεῖτο· καίτοι Δείνων (FGrH 690 F 14) φησὶν ὅτι Ὀάρσης· ἀλλὰ τὸν Κτησίαν (FGrH 688 F 15a), εἰ καὶ τἆλλα μύθων ἀπιθάνων καὶ παραφόρων ἐμβέβληκεν εἰς τὰ βιβλία παντοδαπὴν πυλαίαν, οὐκ εἰκός ἐστιν ἀγνοεῖν τοὔνομα τοῦ βασιλέως, παρ' ᾧ διέτριβε θεραπεύων αὐτὸν καὶ γυναῖκα καὶ μητέρα καὶ παῖδας.

[2] [1] Ὁ μὲν οὖν Κῦρος ἔντονόν τι καὶ σφοδρὸν εὐθὺς ἐκ πρώτης ἡλικίας εἶχεν, ἅτερος δὲ πραότερος ἐδόκει περὶ πάντα καὶ ταῖς ὁρμαῖς φύσει μαλακώτερος εἶναι. [2] γυναῖκα δὲ καλὴν καὶ ἀγαθὴν ἔλαβε μὲν τῶν γονέων κελευόντων, ἐφύλαξε δὲ κωλυόντων. τὸν γὰρ ἀδελφὸν αὐτῆς ἀποκτείνας ὁ βασιλεὺς ἐβουλεύετο κἀκείνην ἀνελεῖν· ὁ δ' Ἀρσίκας τῆς μητρὸς ἱκέτης γενόμενος καὶ πολλὰ κατακλαύσας, μόλις ἔπεισε μήτ' ἀποκτεῖναι μήτ' αὐτοῦ [3] διαστῆσαι τὴν ἄνθρωπον. ἡ δὲ μήτηρ ὑπῆρχε τὸν Κῦρον μᾶλλον φιλοῦσα καὶ βουλομένη βασιλεύειν ἐκεῖνον. διὸ καὶ τοῦ πατρὸς νοσοῦντος ἤδη μετάπεμπτος ἀπὸ θαλάσσης γενόμενος, παντάπασιν ἀνέβαινεν εὔελπις ὤν, ὡς κατειργασμένης ἐκείνης διάδοχον αὐτὸν ἀποδειχθῆναι [4] τῆς ἀρχῆς. καὶ γὰρ εἶχεν εὐπρεπῆ λόγον ἡ Παρύσατις, ᾧ καὶ Ξέρξης ὁ παλαιὸς ἐχρήσατο Δημαράτου διδάξαντος, ὡς Ἀρσίκαν μὲν ἰδιώτῃ, Κῦρον δὲ βασιλεύοντι [5] Δαρείῳ τεκεῖν. οὐ μὴν ἔπεισεν, ἀλλ' ὁ πρεσβύτερος ἀπεδείχθη βασιλεύς, Ἀρτοξέρξης μετονομασθείς, Κῦρος δὲ Λυδίας σατράπης καὶ τῶν ἐπὶ θαλάσσῃ στρατηγός.

[3] [1] Ὀλίγῳ δ' ὕστερον ἢ τελευτῆσαι Δαρεῖον, ἐξήλασεν εἰς Πασαργάδας ὁ βασιλεύς, ὅπως τελεσθείη τὴν βασιλικὴν [2] τελετὴν ὑπὸ τῶν ἐν Πέρσαις ἱερέων. ἔστι δ' ‹ἐκεῖ› θεᾶς πολεμικῆς ἱερόν, ἣν Ἀθηνᾷ τις ‹ἂν› εἰκάσειεν. εἰς τοῦτο δεῖ τὸν τελούμενον παρελθόντα τὴν μὲν ἰδίαν ἀποθέσθαι στολήν, ἀναλαβεῖν δ' ἣν Κῦρος ὁ παλαιὸς ἐφόρει, πρὶν ἢ βασιλεὺς γενέσθαι, καὶ σύκων παλάθης ἐμφαγόντα τερμίνθου κατατραγεῖν, καὶ ποτήριον ἐκπιεῖν

ὀξυγάλακτος· εἰ δὲ πρὸς τούτοις ἕτερ’ ἄττα δρῶσιν, ἄδηλόν ἐστι τοῖς [3] ἄλλοις. ταῦτα δρᾶν Ἀρτοξέρξου μέλλοντος, ἀφίκετο Τισσαφέρνης πρὸς αὐτὸν ἄγων ἕνα τῶν ἱερέων, ὃς ἐν παισὶ Κύρου τῆς νομιζομένης ἀγωγῆς ἐπιστάτης γενόμενος καὶ διδάξας μαγεύειν αὐτόν, οὐδενὸς ἧττον ἐδόκει Περσῶν ἀνιᾶσθαι, μὴ ἀποδειχθέντος ἐκείνου βασιλέως· διὸ καὶ [4] πίστιν ἔσχε κατηγορῶν Κύρου. κατηγόρει δ’ ὡς μέλλοντος ἐνεδρεύειν ἐν τῷ ἱερῷ, καὶ ἐπειδὰν ἐκδύηται τὴν ἐσθῆτα [5] ὁ βασιλεύς, ἐπιτίθεσθαι καὶ διαφθείρειν αὐτόν. οἱ μὲν ‹οὖν› ἐκ ταύτης τῆς διαβολῆς τὴν σύλληψιν γενέσθαι φασίν, οἱ δὲ καὶ παρελθεῖν τὸν Κῦρον εἰς τὸ ἱερὸν [6] καὶ παραδοθῆναι κρυπτόμενον ὑπὸ τοῦ ἱερέως. μέλλοντα δ’ αὐτὸν ἤδη [ἀπο]θνῄσκειν ἡ μήτηρ περισχοῦσα ταῖς ἀγκάλαις καὶ τοῖς βοστρύχοις περιελίξασα καὶ συλλαβοῦσα τὸν ἐκείνου τράχηλον πρὸς τὸν αὑτῆς ὀδυρομένη πολλὰ καὶ ποτνιωμένη παρῃτήσατο, καὶ κατέπεμψεν αὖθις ἐπὶ θάλατταν, οὐκ ἀγαπῶντα τὴν ἀρχὴν ἐκείνην, οὐδὲ μεμνημένον τῆς διέσεως, ἀλλὰ τῆς συλλήψεως, καὶ δι’ ὀργὴν σπαργῶντα μᾶλλον ἢ πρότερον ἐπὶ τὴν βασιλείαν.

[4] [1] Ἔνιοι δέ φασιν οὐκ ἀρκούμενον οἷς ἐλάμβανεν εἰς τὸ καθ’ ἡμέραν δεῖπνον ἀποστῆναι βασιλέως, εὐήθη λέγοντες. εἰ γὰρ ἄλλο μηδέν, ἀλλ’ ἡ μήτηρ ὑπῆρχε, χρῆσθαι καὶ λαμβάνειν ὅσα βούλοιτο τῶν αὑτῆς παρέχουσα [2] καὶ διδοῦσα. μαρτυρεῖ δὲ τῷ πλούτῳ καὶ τὸ μισθοφορικόν, πολλαχόθι διὰ τῶν φίλων καὶ ξένων αὐτῷ παρατρεφόμενον, [3] ὡς Ξενοφῶν (an. 1, 1, 611) εἴρηκεν. ἀθρόους μὲν γὰρ οὐ συνῆγεν, ἔτι τὴν παρασκευὴν ἐπικρυπτόμενος, ἀλλαχόθι δ’ ἄλλους ἐπὶ πολλαῖς προφάσεσι ξενολογοῦντας εἶχε. βασιλέως δ’ ἥ τε μήτηρ παροῦσα τὰς ὑποψίας ἀφῄρει, καὶ Κῦρος αὐτὸς ἀεὶ θεραπευτικῶς ἔγραφε, τὰ μὲν αἰτούμενος παρ’ αὐτοῦ, τὰ δὲ Τισσαφέρνους ἀντικατηγορῶν, ὡς δὴ πρὸς ἐκεῖνον αὐτῷ ζήλου καὶ ἀγῶνος ὄντος.

[4] Ἦν δέ τις καὶ μέλλησις ἐν τῇ φύσει τοῦ βασιλέως, ἐπιείκεια φαινομένη τοῖς πολλοῖς. ἐν ἀρχῇ δὲ καὶ πάνυ ζηλοῦν ἔδοξε τὴν Ἀρτοξέρξου τοῦ ὁμωνύμου πραότητα, ἡδίω θ’ ἑαυτὸν παρέχων ἐντυγχάνεσθαι, καὶ περὶ τὸ τιμᾶν καὶ χαρίζεσθαι τὸ κατ’ ἀξίαν ὑπερβάλλων, κολάσεως δὲ πάσης ἀφαιρῶν τὸ ἐφυβρίζον καὶ ἡδόμενον, ἐν ‹δὲ› τῷ δέχεσθαι χάριτας οὐχ ἧττον τοῖς διδοῦσιν ἢ τοῖς λαμβάνουσιν ἐν [δὲ] τῷ διδόναι φαινόμενος εὔχαρις [5] καὶ φιλάνθρωπος. οὐδὲν γὰρ ἦν οὕτω σμικρόν τι τῶν διδομένων, ὃ μὴ προσεδέξατο προθύμως, ἀλλὰ καὶ ῥόαν μίαν ὑπερφυῆ μεγέθει προσενέγκαντος Ὠμίσου τινὸς αὐτῷ, νὴ τὸν Μίθραν εἶπεν οὗτος ὁ ἀνὴρ καὶ πόλιν ἂν ἐκ μικρᾶς ταχὺ ποιήσειε μεγάλην πιστευθείς.

[5] [1] Ἐπεὶ δ’ ἄλλων ἄλλα προσφερόντων καθ’ ὁδὸν αὐτουργὸς ἄνθρωπος οὐδὲν ἐπὶ καιροῦ φθάσας εὑρεῖν τῷ ποταμῷ προσέδραμε, καὶ ταῖν χεροῖν

ὑπολαβὼν τοῦ ὕδατος προσήνεγκεν, ἡσθεὶς ὁ Ἀρτοξέρξης φιάλην ἔπεμψεν [2] αὐτῷ χρυσῆν καὶ χιλίους δαρεικούς. Εὐκλείδᾳ δὲ τῷ Λάκωνι πολλὰ παρρησιαζομένῳ πρὸς αὐτὸν αὐθαδῶς ἐκέλευσεν εἰπεῖν τὸν χιλίαρχον ὅτι σοὶ μὲν ἔξεστιν εἰπεῖν ἃ [βασιλεῖ] βούλει, ἐμοὶ δὲ καὶ λέγειν καὶ ποιεῖν.

[3] ἐν δὲ θήρᾳ τινὶ Τιριβάζου δείξαντος αὐτῷ τὸν κάνδυν ἐσχισμένον, ἠρώτησεν ὅ τι δεῖ ποιεῖν. ἐκείνου δ' εἰπόντος ἄλλον αὐτὸς ἔνδυσαι, τοῦτον δ' ἐμοὶ δός, οὕτως ἐποίησεν εἰπών· δίδωμι μὲν ὦ Τιρίβαζε σοὶ τοῦτον, [4] φορεῖν δ' ἀπαγορεύω. τοῦ δὲ Τιριβάζου μὴ φροντίσαντος, - ἦν γὰρ οὐ πονηρός, ὑπόκουφος δὲ καὶ παράφορος - , ἀλλὰ τόν τε κάνδυν εὐθὺς ἐκεῖνον ἐνδύντος καὶ δέραια χρυσᾶ [καὶ γυναικεῖα] τῶν βασιλικῶν περιθεμένου, πάντες μὲν ἠγανάκτουν· οὐ γὰρ ἐξῆν· ὁ μέντοι βασιλεὺς κατεγέλασε καὶ εἶπε· δίδωμί σοι καὶ τὰ χρυσία φορεῖν [5] ὡς γυναικὶ καὶ τὴν στολὴν ὡς μαινομένῳ. τραπέζης δὲ τῆς αὐτῆς μηδενὸς μετέχοντος ἀλλ' ἢ μητρὸς βασιλέως καὶ γαμετῆς γυναικός, καθεζομένων τῆς μὲν ὑπ' αὐτόν, τῆς δὲ μητρὸς ὑπὲρ αὐτόν, Ἀρτοξέρξης καὶ τοὺς ἀδελφοὺς ἐπὶ τὴν αὐτὴν ἐκάλει τράπεζαν, Ὀστάνην καὶ Ὀξάθρην, [6] νεωτέρους ὄντας. ἐν δὲ τοῖς μάλιστα κεχαρισμένην ὄψιν παρεῖχε τοῖς Πέρσαις ἡ τῆς γυναικὸς Στατείρας ἁρμάμαξα, γυμνὴ τῶν παραπετασμάτων ἀεὶ προφερομένη καὶ διδοῦσα ταῖς δημότισιν ἀσπάσασθαί ‹τ'› αὐτὴν καὶ προσελθεῖν· ὅθεν ἠγαπᾶτο τοῖς πολλοῖς ἡ βασίλεια.

[6] [1] Τὸν μέντοι Κῦρον οἱ νεωτερισταὶ καὶ πολυπράγμονες ὡς λαμπρὸν ἄνδρα τῇ ψυχῇ καὶ πολεμικὸν διαφερόντως καὶ φιλέταιρον ᾤοντο τὰ πράγματα ποθεῖν, καὶ τὸ μέγεθος τῆς ἡγεμονίας βασιλέως δεῖσθαι φρόνημα καὶ φιλοτιμίαν [2] ἔχοντος. οὐχ ἧττον οὖν τοῖς ἄνω πιστεύων ὁ Κῦρος ἢ τοῖς [3] περὶ αὐτόν, ἐπεχείρει τῷ πολέμῳ· καὶ Λακεδαιμονίοις ἔγραφε, παρακαλῶν βοηθεῖν καὶ συνεκπέμπειν ἄνδρας, οἷς ἔφη δώσειν, ἂν μὲν πεζοὶ παρῶσιν, ἵππους, ἂν δ' ἱππεῖς, συνωρίδας· ἐὰν δ' ἀγροὺς ἔχωσι, κώμας· ἐὰν δὲ κώμας, πόλεις· μισθοῦ δὲ τοῖς στρατευομένοις οὐκ ἀριθμόν, [4] ἀλλὰ μέτρον ἔσεσθαι. μεγαληγορῶν δὲ περὶ αὐτοῦ πολλά, καὶ καρδίαν ἔφη τοῦ ἀδελφοῦ φορεῖν βαρυτέραν, καὶ φιλοσοφεῖν μᾶλλον, καὶ μαγεύειν βέλτιον, οἶνον δὲ πλείονα πίνειν καὶ φέρειν· ἐκεῖνον δ' ὑπὸ δειλίας καὶ μαλακίας ἐν μὲν τοῖς κυνηγεσίοις μηδ' ἐφ' ἵππου, ἐν δὲ τοῖς κινδύνοις μηδ' [5] ἐπὶ τοῦ θρόνου καθῆσθαι. Λακεδαιμόνιοι μὲν οὖν σκυτάλην πρὸς Κλέαρχον ἀπέστειλαν, ὑπηρετεῖν Κύρῳ πάντα κελεύοντες. ὁ δὲ Κῦρος ἀνέβαινεν ἐπὶ βασιλέα, βαρβαρικήν τε πολλὴν ἔχων δύναμιν καὶ μισθοφόρους Ἕλληνας ὀλίγῳ τρισχιλίων καὶ μυρίων ἀποδέοντας, ἄλλας ἐπ' ἄλλαις ποιούμενος [6] προφάσεις τῆς στρατείας. οὐ μὴν ἔλαθέ γ' εἰς πολὺν χρόνον, ἀλλ' ἧκε βασιλεῖ Τισσαφέρνης αὐτάγγελος, καὶ πολὺς θόρυβος εἶχε τὰ βασίλεια, τῆς τε

Παρυσάτιδος τὴν πλείστην αἰτίαν τοῦ πολέμου φερομένης, καὶ τῶν φίλων [7] αὐτῆς ἐν ὑποψίαις ὄντων καὶ διαβολαῖς. μάλιστα δ’ ἠνία τὴν Παρύσατιν ἡ Στάτειρα, τῷ πολέμῳ περιπαθοῦσα καὶ βοῶσα· ποῦ νῦν αἱ πίστεις ἐκεῖναι; ποῦ δ’ αἱ δεήσεις, αἷς ἐξελομένη τὸν ἐπιβουλεύσαντα τῷ ἀδελφῷ πολέμου [8] καὶ κακῶν ἐμπέπληκας ἡμᾶς; ἐκ δὴ τούτων μισοῦσα τὴν Στάτειραν ἡ Παρύσατις, καὶ φύσει βαρύθυμος οὖσα καὶ βάρβαρος ἐν ὀργαῖς καὶ μνησικακίαις, ἐπεβούλευεν [9] αὐτὴν ἀνελεῖν. ἐπεὶ δὲ Δείνων (FGrH 690 F 15a) μὲν ἐν τῷ πολέμῳ συντελεσθῆναι τὴν ἐπιβουλὴν εἴρηκε, Κτησίας (FGrH 688 F 29a) δ’ ὕστερον, ὃν οὔτ’ ἀγνοεῖν τὸν χρόνον εἰκός ἐστι παρόντα ταῖς πράξεσιν, οὔθ’ ἑκὼν αἰτίαν εἶχεν ἐκ τοῦ χρόνου μεταστῆσαι τὸ ἔργον ὡς ἐπράχθη διηγούμενος - οἷα πάσχει πολλάκις ὁ λόγος αὐτοῦ, πρὸς τὸ μυθῶδες καὶ δραματικὸν ἐκτρεπόμενος τῆς ἀληθείας - , τοῦτο μὲν ἣν ἐκεῖνος ἀπέδωκε χώραν ἕξει (c. 19).

[7] [1] Κύρῳ δὲ προιόντι φῆμαι καὶ λόγοι προσέπιπτον, ὡς οὐ μάχεσθαι βασιλέως εὐθὺς ἐγνωκότος οὐδὲ συνδραμεῖν εἰς χεῖρας αὐτῷ σπεύδοντος, ἀλλ’ ἐν Πέρσαις ὑπομένειν, ἄχρι ἂν αἱ δυνάμεις ἐκεῖ πανταχόθεν συνέλθωσι.

[2] καὶ γὰρ τάφρον εὖρος ὀργυιῶν δέκα καὶ βάθος ἴσων ἐπὶ σταδίους διὰ τοῦ πεδίου τετρακοσίους ἐνέβαλε· καὶ ταύτης τε περιεῖδε τὸν Κῦρον ἐντὸς παρελθόντα, καὶ [3] Βαβυλῶνος αὐτῆς οὐ μακρὰν γενόμενον. Τιριβάζου δ’ ὥς φασι πρώτου τολμήσαντος εἰπεῖν, ὡς οὐ δεῖ φυγομαχεῖν οὐδὲ Μηδίας ἐκστάντα καὶ Βαβυλῶνος ἅμα καὶ Σούσων ἐνδύεσθαι τῇ Περσίδι, πολλαπλασίαν μὲν ἔχοντα δύναμιν τῶν πολεμίων, μυρίους δὲ σατράπας καὶ στρατηγούς, Κύρου καὶ φρονεῖν καὶ μάχεσθαι βελτίονας, ὥρμησε [4] διαγωνίσασθαι τὴν ταχίστην. καὶ τὸ μὲν πρῶτον ἐξαίφνης καταφανεὶς ἐνενήκοντα μυριάσι στρατοῦ διακεκοσμημέναις λαμπρῶς, τοὺς πολεμίους ἀσυντάκτους καὶ ἀνόπλους διὰ τὸ θαρρεῖν καὶ καταφρονεῖν ὁδοιποροῦντας ἐξέπληξε καὶ συνετάραξεν, ὥστε σὺν θορύβῳ καὶ βοῇ πολλῇ μόλις εἰς τάξιν [5] καθίστασθαι τὸν Κῦρον· ἔπειτα σιγῇ καὶ σχέδην ἐπάγων θαῦμα τοῖς Ἕλλησι τῆς εὐταξίας παρεῖχε, κραυγὰς ἀτάκτους καὶ σκιρτήματα καὶ πολὺν τάραχον αὐτῶν καὶ [6] διασπασμὸν ἐν πλήθει τοσούτῳ προσδεχομένοις. εὖ δὲ καὶ κατὰ τοὺς Ἕλληνας ἀντέταξε τῶν δρεπανηφόρων τὰ ῥωμαλεώτατα πρὸ τῆς ἑαυτοῦ φάλαγγος, ὡς πρὶν ἐν χερσὶ γενέσθαι διακόψοντα τὰς τάξεις βίᾳ τῆς εἰσελάσεως.

[8] [1] Τὴν δὲ μάχην ἐκείνην πολλῶν μὲν ἀπηγγελκότων, Ξενοφῶντος (an. 1, 8) δὲ μονονουχὶ δεικνύοντος ὄψει καὶ τοῖς πράγμασιν ὡς οὐ γεγενημένοις, ἀλλὰ γινομένοις ἐφιστάντος ἀεὶ τὸν ἀκροατὴν ἐμπαθῆ καὶ συγκινδυνεύοντα διὰ τὴν ἐνάργειαν, οὐκ ἔστι νοῦν ἔχοντος ἐπεξηγεῖσθαι, πλὴν ὅσα τῶν ἀξίων

λόγου παρῆλθεν εἰπεῖν [2] ἐκεῖνον. ὁ μὲν οὖν τόπος ἐν ᾧ παρετάξαντο Κούναξα καλεῖται καὶ Βαβυλῶνος ἀπέχει σταδίους πεντακοσίους. Κῦρον δὲ πρὸ τῆς μάχης Κλεάρχου παρακαλοῦντος ἐξόπισθε τῶν μαχομένων εἶναι καὶ μὴ κινδυνεύειν αὐτόν, εἰπεῖν φασι· τί λέγεις ὦ Κλέαρχε; σὺ κελεύεις με τὸν [3] βασιλείας ὀρεγόμενον ἀνάξιον εἶναι βασιλείας; ἁμαρτόντος δὲ Κύρου μέγα τῷ δῦναι προπετῶς εἰς μέσα τὰ δεινὰ καὶ μὴ φυλάξασθαι τὸν κίνδυνον, οὐχ ἧττον ἥμαρτεν εἰ μὴ καὶ μᾶλλον Κλέαρχος, ἀντιτάξαι κατὰ τὸν βασιλέα μὴ θελήσας τοὺς Ἕλληνας, ἀλλὰ προσμείξας τῷ ποταμῷ [4] τὸ δεξιόν, ὡς μὴ κυκλωθείη. τὸν γὰρ ἀσφάλειαν ἐξ ἅπαντος διώκοντα καὶ πλεῖστον λόγον ἔχοντα τοῦ μηδὲν παθεῖν οἴκοι μένειν ἦν κράτιστον. ὁ δὲ μυρίους σταδίους ἀπὸ θαλάσσης ἐν ὅπλοις ἀναβεβηκώς, μηδενὸς ἀναγκάζοντος, ἀλλ᾽ ὅπως Κῦρον εἰς τὸν θρόνον καθίσῃ τὸν βασίλειον, εἶτα περισκοπῶν χώραν καὶ τάξιν, οὐκ ἀφ᾽ ἧς σώσει τὸν ἡγεμόνα καὶ μισθοδότην, ἀλλ᾽ ἐν τίνι θέμενος ἑαυτὸν ἀσφαλῶς μαχεῖται καθ᾽ ἡσυχίαν, ὅμοιος ἦν ὑπὸ δέους τῶν παρόντων ἐκβεβληκότι τοὺς περὶ τῶν ὅλων λογισμοὺς [5] καὶ προιεμένῳ τὴν τῆς στρατείας ὑπόθεσιν. ὅτι γὰρ οὐδεὶς ἂν ὑπέμεινε τῶν τεταγμένων περὶ βασιλέα τοὺς Ἕλληνας ἐμπεσόντας, ὠσθέντων δ᾽ ἐκείνων καὶ βασιλέως φυγόντος ἢ πεσόντος ὑπῆρχε Κύρῳ νικῶντι σῴζεσθαι καὶ βασιλεύειν, ἐκ τῶν πεπραγμένων δῆλόν [6] ἐστι. διὸ τὴν Κλεάρχου μᾶλλον εὐλάβειαν ἢ τὸ Κύρου θράσος αἰτιατέον ὡς τὰ πράγματα καὶ Κῦρον ἀπολέσασαν.

[7] εἰ γὰρ αὐτὸς ἐσκόπει βασιλεύς, ὅπου τάξας τοὺς Ἕλληνας ἀβλαβεστάτοις χρήσεται πολεμίοις, οὐκ ἂν ἑτέραν ἐξεῦρεν ἢ τὴν ἀπωτάτω χώραν ἑαυτοῦ καὶ τῶν περὶ ἑαυτόν, ἀφ᾽ ἧς οὔτε νικηθεὶς αὐτὸς ᾔσθετο καὶ Κῦρος ἔφθη κατακοπεὶς ἢ χρησάμενός τι τῇ Κλεάρχου [8] νίκῃ. καίτοι Κῦρος τὸ συμφέρον οὐκ ἠγνόησεν, ἀλλ᾽ ἐκεῖ Κλέαρχον ἐκέλευε τάττεσθαι κατὰ μέσον. ὁ δ᾽ αὐτῷ μέλειν εἰπὼν ὅπως ἕξει κάλλιστα, τὸ πᾶν διέφθειρεν.

[9] [1] Οἱ μὲν γὰρ Ἕλληνες ὅσον ἐβούλοντο τοὺς βαρβάρους ἐνίκων καὶ διώκοντες ἐπὶ πλεῖστον προῆλθον· Κύρῳ δὲ γενναῖον ἵππον, ἄστομον δὲ καὶ ὑβριστὴν ἐλαύνοντι, Πασακᾶν καλούμενον, ὡς Κτησίας (FGrH 688 F 19) φησίν, ἀντεξήλασεν ὁ Καδουσίων ἄρχων Ἀρταγέρσης, [2] μέγα βοῶν· ὦ τὸ κάλλιστον ἐν Πέρσαις ὄνομα Κύρου καταισχύνων, ἀδικώτατε ἀνδρῶν καὶ ἀφρονέστατε, κακοὺς μὲν Ἕλληνας ἔρχῃ κακὴν ὁδὸν ἄγων ἐπὶ τὰ Περσῶν ἀγαθά, δεσπότην δὲ σεαυτοῦ καὶ ἀδελφὸν ἐλπίζων ἀναιρήσειν, ὃς σοῦ μυριάκις μυρίους δούλους ἔχει κρείσσονας. αὐτίκα δὲ πειράσῃ· πρότερον γὰρ ἀπολεῖς ἐνταῦθα τὴν σεαυτοῦ κεφαλὴν ἢ θεάσασθαι τὸ βασιλέως πρόσωπον.

[3] ταῦτ᾽ εἰπὼν ἐξηκόντισεν ἐπ᾽ αὐτόν. ὁ δὲ θώραξ στερεῶς ἀντέσχε, καὶ οὐκ ἐτρώθη μὲν ὁ Κῦρος, ἐκραδάνθη δὲ τῆς πληγῆς ἰσχυρᾶς προσπεσούσης.

ἀποστρέψαντος δὲ τὸν ἵππον τοῦ Ἀρταγέρσου, βαλὼν ὁ Κῦρος ἔτυχε καὶ διήλασε παρὰ τὴν κλεῖδα διὰ τοῦ τραχήλου τὴν αἰχμήν.

[4] Τὸν μὲν οὖν Ἀρταγέρσην ἀποθανεῖν ὑπὸ Κύρου σχεδὸν ἅπαντες ὁμολογοῦσι· περὶ δὲ τῆς αὐτοῦ Κύρου τελευτῆς ἐπεὶ Ξενοφῶν (an. 1, 8, 26 sq.) ἁπλῶς καὶ συντόμως, ἅτε δὴ μὴ παρὼν αὐτός, εἶπεν, οὐδὲν ἴσως κωλύει τὰ Δείνωνος ἰδίᾳ καὶ πάλιν τὰ Κτησίου διελθεῖν.

[10] [1] Φησὶν οὖν ὁ μὲν Δείνων (FGrH 690 F 17), ὅτι τοῦ Ἀρταγέρσου πεσόντος εἰσελάσας βιαίως ὁ Κῦρος εἰς τοὺς προτεταγμένους τοῦ βασιλέως κατέτρωσεν αὐτοῦ τὸν ἵππον, ὁ δ' ἀπερρύη· Τιριβάζου δ' ἀναβαλόντος αὐτὸν ἐπ' ἄλλον ἵππον ταχὺ καὶ εἰπόντος ὦ βασιλεῦ, μέμνησο τῆς ἡμέρας ταύτης· οὐ γὰρ ἀξία λήθης ἐστί, πάλιν ὁ Κῦρος [2] ἐνσείσας τῷ ἵππῳ κατέβαλε τὸν Ἀρτοξέρξην. πρὸς δὲ τὴν τρίτην ἐπέλασιν δυσανασχετήσας ὁ βασιλεὺς καὶ εἰπὼν πρὸς τοὺς παρόντας ὡς βέλτιόν ἐστι μὴ ζῆν, ἀντεξήλαυνε τῷ Κύρῳ, προπετῶς καὶ ἀπερισκέπτως εἰς ἐναντία βέλη φερομένῳ. καὶ βάλλει μὲν αὐτὸς ἀκοντίῳ, [3] βάλλουσι δ' οἱ περὶ αὐτόν. πίπτει δ' ὁ Κῦρος, ὡς μὲν ἔνιοι λέγουσι, πληγεὶς ὑπὸ τοῦ βασιλέως, ὡς δ' ἕτεροί τινες, Καρὸς ἀνθρώπου πατάξαντος, ᾧ γέρας ἔδωκε τῆς πράξεως ταύτης ὁ βασιλεὺς ἀλεκτρυόνα χρυσοῦν ἐπὶ δόρατος ἀεὶ πρὸ τῆς τάξεως ἐν ταῖς στρατείαις κομίζειν· καὶ γὰρ αὐτοὺς τοὺς Κᾶρας ἀλεκτρυόνας οἱ Πέρσαι διὰ τοὺς λόφους οἷς κοσμοῦσι τὰ κράνη προσηγόρευον.

[11] [1] Ἡ δὲ Κτησίου (FGrH 688 F 20) διήγησις, ὡς ἐπιτεμόντι πολλὰ συντόμως ἀπαγγεῖλαι, τοιαύτη τίς ἐστι. Κῦρος ἀποκτείνας Ἀρταγέρσην ἤλαυνεν εἰς αὐτὸν βασιλέα τὸν ἵππον, καὶ αὐτὸς εἰς ἐκεῖνον, ἀμφότεροι σιωπῇ. φθάνει δὲ βαλὼν Ἀριαῖος ὁ Κύρου φίλος βασιλέα, καὶ οὐκ ἔτρωσε.

[2] βασιλεὺς δ' ἀφεὶς τὸ δόρυ Κύρου μὲν οὐκ ἔτυχε, Σατιφέρνην δὲ πιστὸν ἄνδρα Κύρῳ καὶ γενναῖον ἔβαλε καὶ κατέκτεινε. Κῦρος δ' ἐπ' αὐτὸν ἐξακοντίσας διὰ τοῦ θώρακος ἔτρωσε τὸ στῆθος, ὅσον ἐνδῦναι δύο δακτύλους τὸ ἀκόντιον, πεσεῖν [3] δ' αὐτὸν ὑπὸ τῆς πληγῆς ἀπὸ τοῦ ἵππου. φυγῆς δὲ καὶ ταραχῆς τῶν περὶ αὐτὸν γενομένης, ὁ μὲν ἀναστὰς μετ' ὀλίγων, ἐν οἷς καὶ Κτησίας ἦν, λόφον τινὰ πλησίον καταλαβὼν ἡσύχαζε· Κῦρον δὲ τοῖς πολεμίοις ἐνειλούμενον ὁ ἵππος ἐξέφερεν ὑπὸ θυμοῦ μακράν, ἤδη σκότους ὄντος ἀγνοούμενον ὑπὸ τῶν πολεμίων καὶ ζητούμενον ὑπὸ τῶν [4] φίλων. ἐπαιρόμενος δὲ τῇ νίκῃ καὶ μεστὸς ὢν ὀργῆς καὶ θράσους, διεξήλαυνε βοῶν ἐξίστασθε πενιχροί. τοῦτο δὲ περσιστὶ πολλάκις αὐτοῦ βοῶντος, οἱ μὲν ἐξίσταντο προσκυνοῦντες, ἀποπίπτει δὲ τῆς κεφαλῆς ἡ τιάρα τοῦ [5] Κύρου. καὶ παρατρέχων νεανίας Πέρσης ὄνομα Μιθριδάτης ἀκοντίῳ βάλλει τὸν κρόταφον αὐτοῦ παρὰ τὸν ὀφθαλμόν, ἀγνοῶν ὅστις εἴη. πολὺ δ' αἷμα τοῦ

τραύματος ἐκβαλόντος, [6] ἰλιγγιάσας καὶ καρωθεὶς ὁ Κῦρος ἔπεσε. καὶ ὁ μὲν ἵππος ὑπεκφυγὼν ἐπλάζετο, τὸν δ' ἐφίππειον πῖλον ἀπορρυέντα λαμβάνει τοῦ τὸν Κῦρον βαλόντος ἀκόλουθος [7] αἵματος περίπλεω. τὸν δὲ Κῦρον ἐκ τῆς πληγῆς ἀναφέροντα χαλεπῶς καὶ μόλις εὐνοῦχοί τινες ὀλίγοι παρόντες ἐπεχείρουν ἐπ' ἄλλον ἵππον ἀναθέσθαι καὶ σῴζειν.

[8] ἀδυνάτως δ' ἔχοντα καὶ δι' αὑτοῦ προθυμούμενον βαδίζειν ὑπολαβόντες ἦγον, τῷ μὲν σώματι καρηβαροῦντα καὶ σφαλλόμενον, οἰόμενον δὲ νικᾶν, ἀκούοντα τῶν φευγόντων ἀνακαλουμένων Κῦρον βασιλέα καὶ φείδεσθαι δεομένων.

[9] ἐν δὲ τούτῳ Καύνιοί τινες ἄνθρωποι, κακόβιοι καὶ ἄποροι καὶ ταπεινῶν ὑπουργημάτων ἕνεκα τῇ τοῦ βασιλέως στρατιᾷ παρακολουθοῦντες, ἔτυχον συναναμειχθέντες ὡς φίλοις τοῖς περὶ τὸν Κῦρον. ὡς δὲ μόλις συνεῖδον τὰ ἐπιθωρακίδια φοινικᾶ, λευκοῖς χρωμένων τῶν βασιλικῶν [10] ἁπάντων, ἔγνωσαν πολεμίους ὄντας. εἷς οὖν ἐκείνων ἐτόλμησεν ἀγνοῶν ἐξόπισθεν βαλεῖν τὸν Κῦρον ἀκοντίῳ. τῆς δὲ περὶ τὴν ἰγνύαν φλεβὸς ἀναρραγείσης, πεσὼν ὁ Κῦρος ἅμα παίει πρός τινι λίθῳ τὸν τετρωμένον κρόταφον, [11] καὶ ἀποθνῄσκει. τοιοῦτος μὲν ὁ Κτησίου λόγος, ᾧ καθάπερ ἀμβλεῖ ξιφιδίῳ μόλις ἀναιρῶν τὸν ἄνθρωπον ἀνῄρηκεν.

[12] [1] Ἤδη δ' αὐτοῦ τεθνηκότος, Ἀρτασύρας ὁ βασιλέως ὀφθαλμὸς ἔτυχεν ἵππῳ παρεξελαύνων. γνωρίσας οὖν τοὺς εὐνούχους ὀλοφυρομένους, ἠρώτησε τὸν πιστότατον αὐτῶν· τίνα τοῦτον ὦ Παρίσκα κλαίεις παρακαθήμενος; ὁ δ' εἶπεν· οὐχ ὁρᾷς ὦ Ἀρτασύρα Κῦρον [2] τεθνηκότα; θαυμάσας οὖν ὁ Ἀρτασύρας τῷ μὲν εὐνούχῳ θαρρεῖν παρεκελεύσατο καὶ φυλάττειν τὸν νεκρόν, αὐτὸς δὲ συντείνας πρὸς τὸν Ἀρτοξέρξην, ἀπεγνωκότα μὲν ἤδη τὰ πράγματα, κακῶς δὲ καὶ τὸ σῶμα διακείμενον ὑπό τε δίψης καὶ τοῦ τραύματος, χαίρων [3] φράζει, ὡς αὐτὸς ἴδοι τεθνηκότα Κῦρον. ὁ δὲ πρῶτον μὲν εὐθὺς ὥρμησεν αὐτὸς ἰέναι, καὶ τὸν Ἀρτασύραν ἄγειν ἐκέλευσεν ἐπὶ τὸν τόπον· ἐπεὶ δὲ πολὺς ἦν λόγος τῶν Ἑλλήνων καὶ φόβος, ὡς διωκόντων καὶ πάντα νικώντων καὶ κρατούντων, ἔδοξε πλείονας πέμψαι τοὺς κατοψομένους, καὶ τριάκοντα λαμπάδας ἔχοντες ἐπέμφθησαν.

[4] αὐτῷ δὲ μικρὸν ἀπολείποντι τοῦ τεθνάναι διὰ τὸ διψῆν Σατιβαρζάνης ὁ εὐνοῦχος περιθέων ἐζήτει ποτόν· οὐ γὰρ εἶχε τὸ χωρίον ὕδωρ, οὐδ' ἦν ἐγγὺς τὸ στρατόπεδον.

[5] μόλις οὖν ἐπιτυγχάνει τῶν Καυνίων ἐκείνων τῶν κακοβίων ἑνὸς ἐν ἀσκίῳ φαύλῳ διεφθαρμένον ὕδωρ καὶ πονηρὸν ἔχοντος, ὅσον ὀκτὼ κοτύλας· καὶ λαβὼν τοῦτο [6] καὶ κομίσας τῷ βασιλεῖ δίδωσιν. ἐκπιόντα δ' ἅπαν ἠρώτησεν, εἰ μὴ πάνυ δυσχεραίνει τὸ ποτόν. ὁ δ' ὤμοσε τοὺς θεοὺς μήτ'

οἶνον ἡδέως οὕτως πώποτε πεπωκέναι μήθ᾽ ὕδωρ τὸ κουφότατον καὶ καθαρώτατον, ὥστ᾽ ἔφη τὸν δόντα σοι τοῦτ᾽ ἄνθρωπον, ἂν ἐγὼ μὴ δυνηθῶ ζητήσας ἀμείψασθαι, τοὺς θεοὺς εὔχομαι ποιῆσαι μακάριον καὶ πλούσιον.

[13] [1] Ἐν δὲ τούτῳ προσήλαυνον οἱ τριάκοντα λαμπροὶ καὶ περιχαρεῖς, ἀναγγέλλοντες αὐτῷ τὴν ἀνέλπιστον εὐτυχίαν. ἤδη δὲ καὶ πλήθει τῶν συντρεχόντων πάλιν πρὸς αὐτὸν καὶ συνισταμένων ἐθάρρει, καὶ κατέβαινεν [2] ἀπὸ τοῦ λόφου, φωτὶ πολλῷ περιλαμπόμενος. ὡς δ᾽ ἐπέστη τῷ νεκρῷ, καὶ κατὰ δή τινα νόμον Περσῶν ἡ δεξιὰ χεὶρ ἀπεκόπη καὶ ἡ κεφαλὴ τοῦ σώματος, ἐκέλευσε τὴν κεφαλὴν αὐτῷ κομισθῆναι, καὶ τῆς κόμης δραξάμενος οὔσης βαθείας καὶ λασίας, ἐπεδείκνυε τοῖς ἀμφιδοξοῦσιν [3] ἔτι καὶ φεύγουσιν. οἱ δ᾽ ἐθαύμαζον καὶ προσεκύνουν, ὥστε ταχὺ μυριάδας ἑπτὰ περὶ αὐτὸν γενέσθαι καὶ συνεισελάσαι πάλιν εἰς τὸ στρατόπεδον. ἐξεληλάκει δ᾽, ὡς ὁ Κτησίας (FGrH 688 F 22) φησίν, ἐπὶ τὴν μάχην τεσσαράκοντα μυριάσιν. οἱ δὲ περὶ Δείνωνα (FGrH 690 F 16) καὶ Ξενοφῶντα (an. 1, 7, 11. 12) πολὺ πλείονας [4] γενέσθαι λέγουσι τὰς μεμαχημένας. ἀριθμὸν δὲ νεκρῶν ὁ Κτησίας (F 22) ἐνακισχιλίους ἀνενεχθῆναί φησι πρὸς τὸν Ἀρτοξέρξην, αὐτῷ δὲ δισμυρίων οὐκ ἐλάττους φανῆναι τοὺς κειμένους. ταῦτα μὲν οὖν ἔχει διαμφισβήτησιν· [5] ἐκεῖνο δὲ τοῦ Κτησίου (F 23) λαμπρὸν ἤδη ψεῦσμα, τὸ πεμφθῆναι φάναι πρὸς τοὺς Ἕλληνας αὐτὸν μετὰ Φαλλύνου [6] τοῦ Ζακυνθίου καί τινων ἄλλων. ὁ γὰρ Ξενοφῶν ἠπίστατο συνδιατρίβοντα βασιλεῖ Κτησίαν· μέμνηται γὰρ αὐτοῦ (an. 1, 8, 26. 27), καὶ τοῖς βιβλίοις τούτοις ἐντετυχηκὼς δῆλός ἐστιν· οὐκ ἂν οὖν ἐλθόντα καὶ λόγων τοσούτων ἑρμηνέα γενόμενον παρῆκεν ἀνώνυμον, Φαλῖνον [7] δὲ τὸν Ζακύνθιον ὠνόμαζεν (an. 2, 1, 723). ἀλλὰ δαιμονίως ὁ Κτησίας ὡς ἔοικε φιλότιμος ὤν, καὶ οὐχ ἧττον φιλολάκων καὶ φιλοκλέαρχος, ἀεί τινας ἐν τῇ διηγήσει χώρας ἑαυτῷ δίδωσιν, ἐν αἷς γενόμενος πολλὰ καὶ καλὰ μεμνήσεται Κλεάρχου καὶ τῆς Λακεδαίμονος.

[14] [1] Μετὰ δὲ τὴν μάχην δῶρα κάλλιστα μὲν ἐξέπεμψε καὶ μέγιστα τῷ Ἀρταγέρσου παιδὶ τοῦ πεσόντος ὑπὸ Κύρου, καλῶς δὲ καὶ Κτησίαν καὶ τοὺς ἄλλους [ἐπ]ἐτίμησε.

[2] τὸν δὲ Καύνιον ἐκεῖνον ἐξανευρών, ὃς ἐπέδωκε τὸ ἀσκίον, ἐξ ἀδόξου καὶ πένητος ἔντιμον καὶ πλούσιον [3] ἐποίησεν. ἦν δέ τις ἐπιμέλεια καὶ περὶ τὰς τῶν ἐξαμαρτόντων δικαιώσεις. Ἀρβάκην μὲν γάρ τινα Μῆδον, ἐν τῇ μάχῃ πρὸς Κῦρον φυγόντα καὶ πάλιν ἐκείνου πεσόντος μεταστάντα, δειλίαν καὶ μαλακίαν καταγνούς, οὐ προδοσίαν οὐδὲ κακόνοιαν, ἐκέλευσε γυμνὴν ἀναλαβόντα πόρνην περιβάδην ἐπὶ τοῦ τραχήλου δι᾽ ἡμέρας ὅλης ἐν ἀγορᾷ [4] περιφέρειν. ἑτέρου δὲ πρὸς τῷ μεταστῆναι ψευσαμένου καταβαλεῖν δύο τῶν

πολεμίων, προσέταξε διαπεῖραι τρισὶ [5] βελόναις τὴν γλῶτταν. οἰόμενος δὲ καὶ βουλόμενος δοκεῖν καὶ λέγειν πάντας ἀνθρώπους, ὡς αὐτὸς ἀπεκτόνοι Κῦρον, Μιθριδάτῃ τε τῷ βαλόντι πρώτῳ Κῦρον ἐξέπεμψε δῶρα καὶ λέγειν ἐκέλευσε τοὺς διδόντας ὡς τούτοις σε τιμᾷ [ὁ] βασιλεύς, ὅτι τὸν ἐφίππειον Κύρου πῖλον εὑρὼν [6] ἀνήνεγκας, τοῦ τε Καρός, ὑφ' οὗ τὴν ἰγνύαν πληγεὶς ὁ Κῦρος ἔπεσε, καὶ αὐτοῦ δωρεὰν αἰτοῦντος, ἐκέλευσεν εἰπεῖν τοὺς διδόντας ὅτι σοὶ ταῦτα δίδωσι βασιλεὺς εὐαγγελίων δευτερεῖα· πρῶτος γὰρ Ἀρτασύρας, μετ' [7] ἐκεῖνον δὲ σὺ τὴν Κύρου τελευτὴν ἀπήγγειλας. ὁ μὲν οὖν Μιθριδάτης ἀπῆλθε σιωπῇ λυπούμενος· τὸν δ' ἄθλιον [8] Κᾶρα κοινόν τι πάθος ἐξ ἀβελτερίας κατέσχε. διαφθαρεὶς γὰρ ὑπὸ τῶν παρόντων ὡς ἔοικεν ἀγαθῶν, καὶ ἀναπεισθεὶς εὐθὺς ἀντιποιεῖσθαι τῶν ὑπὲρ αὐτόν, οὐκ ἠξίου τὰ δοθέντα μισθὸν εὐαγγελίων ἔχειν, ἀλλ' ἠγανάκτει μαρτυρόμενος καὶ βοῶν, ὅτι Κῦρον οὐδεὶς ἕτερος ἀλλ' αὐτὸς ἀπεκτόνοι καὶ τὴν δόξαν ἀδίκως ἀποστεροῖτο.

[9] ταῦτα δ' ἀκούσας ὁ βασιλεὺς σφόδρα παρωξύνθη, καὶ τὴν κεφαλὴν ἐκέλευσεν ἀποτεμεῖν τοῦ ἀνθρώπου. παροῦσα δ' ἡ μήτηρ μὴ σύ γε εἶπεν οὕτω τὸν Κᾶρα τοῦτον ὦ βασιλεῦ τὸν ὄλεθρον ἀπαλλάξῃς, ἀλλὰ παρ' ἐμοῦ τὸν ἄξιον [10] ἀπολήψεται μισθὸν ὧν τολμᾷ λέγειν. ἐπιτρέψαντος δὲ τοῦ βασιλέως, ἐκέλευσε τοὺς ἐπὶ τῶν τιμωριῶν ἡ Παρύσατις λαβόντας τὸν ἄνθρωπον ἐφ' ἡμέρας δέκα στρεβλοῦν, εἶτα τοὺς ὀφθαλμοὺς ἐξορύξαντας εἰς τὰ ὦτα θερμὸν ἐντήκειν χαλκὸν ἕως ἀποθάνῃ.

[15] [1] Κακῶς δ' ἀπώλετο καὶ Μιθριδάτης μετ' ὀλίγον χρόνον ἐκ τῆς αὐτῆς ἀβελτερίας. κληθεὶς γὰρ ἐπὶ δεῖπνον, ἔνθα καὶ βασιλέως καὶ τῆς μητρὸς εὐνοῦχοι παρῆσαν, ἧκεν ἐσθῆτι καὶ χρυσῷ κεκοσμημένος οἷς ἔλαβε παρὰ [2] βασιλέως. ἐπεὶ δ' εἰς τὸ πίνειν ἀφίκοντο, λέγει πρὸς αὐτὸν ὁ μέγιστον δυνάμενος τῶν Παρυσάτιδος εὐνούχων· ὡς καλὴν μὲν ἐσθῆτά σοι ταύτην ὦ Μιθριδάτα [ὁ] βασιλεὺς δέδωκε, καλὰ δὲ στρεπτὰ καὶ ψέλια, πολλοῦ δ' ἄξιος ὁ ἀκινάκης. ἦ μακάριόν σε καὶ περίβλεπτον [3] ἅπασι πεποίηκεν. ἤδη δὲ μεθύων ὁ Μιθριδάτης τί δὲ ταῦτ' ἔστιν εἶπεν ὦ Σπαραμίζη; μειζόνων γὰρ ἐγὼ καὶ καλλιόνων βασιλεῖ τὴν ἡμέραν ἐκείνην ἄξιον [4] ἐμαυτὸν παρέσχον. καὶ ὁ Σπαραμίζης ἐπιμειδιάσας φθόνος μὲν οὐδεὶς ὦ Μιθριδάτα εἶπεν· ἐπεὶ δέ φασιν Ἕλληνες οἶνον καὶ ἀλήθειαν εἶναι, τί λαμπρὸν ὦ τᾶν ἢ μέγα, πῖλον εὑρεῖν ἵππου περιρρυέντα καὶ τοῦτον [5] ἀνενεγκεῖν; ταῦτα δ' οὐκ ἀγνοῶν τὸ ἀληθὲς ἔλεγεν, ἀλλὰ βουλόμενος ἐκκαλύψαι πρὸς τοὺς παρόντας ὑπεκίνει τὴν κουφότητα τοῦ ἀνθρώπου, λάλου καὶ ἀκρατοῦς [6] γεγονότος διὰ τὸν οἶνον. εἶπεν οὖν μὴ κατασχών· ὑμεῖς μὲν ὅ τι βούλεσθε πίλους λέγετε καὶ φλυάρους· ἐγὼ δ' ὑμῖν λέγω διαρρήδην ὑπὸ ταύτης ἀνῃρῆσθαι Κῦρον τῆς

χειρός. οὐ γὰρ ὡς Ἀρταγέρσης ἠκόντισα κενὸν καὶ μάταιον, ἀλλὰ τοῦ μὲν ὀφθαλμοῦ μικρὸν ἥμαρτον, τοῦ δὲ κροτάφου τυχὼν καὶ διελάσας κατέβαλον τὸν ἄνδρα καὶ τέθνηκεν ὑπ' [7] ἐκείνου τοῦ τραύματος. οἱ μὲν οὖν ἄλλοι τὸ τέλος ἤδη τοῦ Μιθριδάτου καὶ τὴν κακοδαιμονίαν ὁρῶντες, εἰς τὴν γῆν ἔκυψαν. ὁ δ' ἑστιῶν αὐτούς ὦ τᾶν ἔφη Μιθριδάτα, πίνωμεν ἐν τῷ παρόντι καὶ ἐσθίωμεν, τὸν βασιλέως δαίμονα προσκυνοῦντες, λόγους δὲ μείζους ἢ καθ' ἡμᾶς ἐάσωμεν.

[16] [1] Ἐκ τούτου τῇ μὲν Παρυσάτιδι φράζει τὸν λόγον ὁ εὐνοῦχος, ἐκείνη δὲ βασιλεῖ· βασιλεὺς δ' ἠγανάκτησεν ὥσπερ ἐξελεγχόμενος καὶ τὸ κάλλιστον καὶ ἥδιστον [2] ἀπολλύων τῆς νίκης. ἐβούλετο γὰρ βαρβάρους ἅπαντας πεπεῖσθαι καὶ Ἕλληνας, ὡς ἐν ταῖς ἐξελάσεσι καὶ συμπλοκαῖς δοὺς καὶ λαβὼν πληγήν, ἐτρώθη μὲν αὐτός, ἔκτεινε δ' ἐκεῖνον. ἐκέλευσεν οὖν τὸν Μιθριδάτην ἀποθανεῖν [3] σκαφευθέντα. τὸ δὲ σκαφευθῆναι τοιοῦτόν ἐστι· σκάφας δύο πεποιημένας ἐφαρμόζειν ἀλλήλαις λαβόντες, εἰς τὴν [4] ἑτέραν κατακλίνουσι τὸν κολαζόμενον ὕπτιον· εἶτα τὴν ἑτέραν ἐπάγοντες καὶ συναρμόζοντες, ὥστε τὴν κεφαλὴν καὶ τὰς χεῖρας ἔξω καὶ τοὺς πόδας ἀπολαμβάνεσθαι, τὸ δ' ἄλλο σῶμα πᾶν ἀποκεκρύφθαι, διδόασιν ἐσθίειν τῷ ἀνθρώπῳ, κἂν μὴ θέλῃ, προσβιάζονται κεντοῦντες τὰ ὄμματα· φαγόντι δὲ πιεῖν μέλι καὶ γάλα συγκεκραμένον ἐγχέουσιν εἰς τὸ στόμα καὶ κατὰ τοῦ προσώπου καταχέουσιν.

[5] εἶτα πρὸς τὸν ἥλιον ἀεὶ στρέφουσιν ἐναντία τὰ ὄμματα, καὶ μυιῶν προσκαθημένων ‹ὑπὸ› πλήθους πᾶν ἀποκρύπτεται [6] τὸ πρόσωπον. ἐντὸς δὲ ποιοῦντος ὅσα ποιεῖν ἀναγκαῖόν ἐστιν ἐσθίοντας ἀνθρώπους καὶ πίνοντας, εὐλαὶ καὶ σκώληκες ὑπὸ φθορᾶς καὶ σηπεδόνος ἐκ τοῦ περιττώματος ἀναζέουσιν, ὑφ' ὧν ἀναλίσκεται τὸ σῶμα [7] διαδυομένων εἰς τὰ ἐντός. ὅταν γὰρ ἤδη φανερὸς ᾖ τεθνηκὼς ὁ ἄνθρωπος, ἀφαιρεθείσης τῆς ἐπάνω σκάφης ὁρῶσι τὴν μὲν σάρκα κατεδηδεσμένην, περὶ δὲ τὰ σπλάγχνα τοιούτων θηρίων ἑσμοὺς ἐσθιόντων καὶ προσπεφυκότων. οὕτως ὁ Μιθριδάτης ἑπτακαίδεκα ἡμέρας φθειρόμενος μόλις ἀπέθανε.

[17] [1] Λοιπὸς δ' ἦν τῇ Παρυσάτιδι σκοπὸς ὁ τὴν κεφαλὴν ἀποτεμὼν καὶ τὴν χεῖρα τοῦ Κύρου Μασαβάτης βασιλέως [2] εὐνοῦχος. ὡς οὖν αὐτὸς οὐδεμίαν καθ' ἑαυτοῦ λαβὴν παρεδίδου, τοιοῦτον ἐπιβουλῆς τρόπον ἡ Παρύσατις [3] συνέθηκεν. ἦν τά τ' ἄλλα θυμόσοφος γυνὴ καὶ δεινὴ κυβεύειν· διὸ καὶ βασιλεῖ πρὸ τοῦ πολέμου πολλάκις [4] συνεκύβευε· μετὰ δὲ τὸν πόλεμον διαλυθεῖσα πρὸς αὐτόν, οὐκ ἔφευγε τὰς φιλοφροσύνας, ἀλλὰ καὶ συνέπαιζε καὶ τῶν ἐρωτικῶν ἐκοινώνει συμπράττουσα καὶ παροῦσα, καὶ ὅλως μικρότατον αὐτοῦ τῇ Στατείρᾳ μετεδίδου χρῆσθαι καὶ συνεῖναι, μισοῦσά τε

μάλιστα πάντων [5] ἐκείνην καὶ μέγιστον αὐτὴ βουλομένη δύνασθαι. λαβοῦσα δή ποτε τὸν Ἀρτοξέρξην ὡρμημένον ἀλύειν σχολῆς οὔσης, προὐκαλεῖτο περὶ χιλίων δαρεικῶν κυβεῦσαι· καὶ κυβεύοντα περιεῖδε νικῆσαι καὶ τὸ χρυσίον ἀπέδωκε. προσποιουμένη δ' ἀνιᾶσθαι καὶ φιλονικεῖν, ἐκέλευσεν αὖθις ἐξ ἀρχῆς περὶ [6] εὐνούχου διακυβεῦσαι, κἀκεῖνος ὑπήκουσε. ποιησάμενοι δὲ συνθήκας, πέντε μὲν ἑκάτερον ὑπεξελέσθαι τοὺς πιστοτάτους, ἐκ δὲ τῶν λοιπῶν, ὃν ἂν ὁ νικῶν ἕληται, [7] δοῦναι τὸν ἡττώμενον, ἐπὶ τούτοις ἐκύβευον. σφόδρα δὴ γενομένη πρὸς τῷ πράγματι καὶ σπουδάσασα περὶ τὴν παιδιάν, εὖ δέ πως αὐτῇ καὶ τῶν κύβων πεσόντων, νικήσασα λαμβάνει τὸν Μασαβάτην· οὐ γὰρ ἦν ἐν τοῖς ὑπεξῃρημένοις. καὶ πρὶν ἐν ὑποψίᾳ γενέσθαι βασιλέα τοῦ πράγματος, ἐγχειρίσασα τοῖς ἐπὶ τῶν τιμωριῶν προσέταξεν ἐκδεῖραι ζῶντα, καὶ τὸ μὲν σῶμα πλάγιον διὰ τριῶν σταυρῶν ἀναπῆξαι, τὸ δὲ δέρμα χωρὶς διαπατταλεῦσαι.

[8] γενομένων δὲ τούτων, καὶ βασιλέως χαλεπῶς φέροντος καὶ παροξυνομένου πρὸς αὐτήν, εἰρωνευομένη μετὰ γέλωτος ὡς ἡδύς ἔφασκεν εἶ καὶ μακάριος, εἰ χαλεπαίνεις διὰ γέροντα πονηρὸν εὐνοῦχον, ἐγὼ δὲ χιλίους [9] ἐκκυβευθεῖσα δαρεικοὺς σιωπῶ καὶ στέργω. βασιλεὺς μὲν οὖν ἐφ' οἷς ἐξηπατήθη μεταμελόμενος ἡσυχίαν ἦγεν, ἡ δὲ Στάτειρα καὶ πρὸς τἆλλα φανερῶς ἠναντιοῦτο, καὶ τούτοις ἐδυσχέραινεν, ὡς ἄνδρας εὐνοϊκοὺς καὶ πιστοὺς βασιλεῖ διὰ Κῦρον ὠμῶς καὶ παρανόμως ἀπολλυούσης αὐτῆς.

[18] [1] Ἐπεὶ δὲ Κλέαρχον καὶ τοὺς ἄλλους στρατηγοὺς Τισσαφέρνης ἐξηπάτησε καὶ παρεσπόνδησεν ὅρκων γενομένων, καὶ συλλαβὼν ἀνέπεμψεν ἐν πέδαις δεδεμένους, δεηθῆναί φησιν αὐτοῦ τὸν Κλέαρχον ὁ Κτησίας (FGrH 688 [2] F 28), ὅπως κτενὸς εὐπορήσειε. τυχόντα δὲ καὶ τημελήσαντα τὴν κεφαλήν, ἡσθῆναί τε τῇ χρείᾳ καὶ τὸν δακτύλιον αὐτῷ δοῦναι σύμβολον φιλίας πρὸς τοὺς ἐν Λακεδαίμονι συγγενεῖς καὶ οἰκείους· εἶναι δὲ γλυφὴν ἐν τῇ σφραγῖδι [3] Καρυάτιδας ὀρχουμένας. τὰ δὲ πεμπόμενα σιτία τῷ Κλεάρχῳ τοὺς συνδεδεμένους στρατιώτας ἀφαιρεῖσθαι καὶ καταναλίσκειν, ὀλίγα τῷ Κλεάρχῳ διδόντας ἀπ' αὐτῶν. ἰάσασθαι δὲ καὶ τοῦτό φησιν ὁ Κτησίας, πλείονα τῷ Κλεάρχῳ πέμπεσθαι διαπραξάμενος, ἰδίᾳ δ' ἕτερα τοῖς στρατιώταις δίδοσθαι· καὶ ταῦτα μὲν ὑπουργῆσαι καὶ [4] παρασχεῖν χάριτι καὶ γνώμῃ τῆς Παρυσάτιδος. πεμπομένου δὲ καθ' ἡμέραν τῷ Κλεάρχῳ κωλῆνος ἐπὶ τοῖς σιτίοις, παρακαλεῖν αὐτὸν καὶ διδάσκειν, ὡς χρὴ μικρὸν εἰς τὸ κρέας ἐμβαλόντα μαχαίριον ἀποκρύψαντα πέμψαι, καὶ μὴ περιιδεῖν ἐν τῇ βασιλέως ὠμότητι τὸ τέλος αὐτοῦ [5] γενόμενον· αὐτὸν δὲ φοβούμενον μὴ ἐθελῆσαι. βασιλέα δὲ τῇ μὲν μητρὶ παραιτουμένῃ μὴ κτεῖναι τὸν Κλέαρχον ὁμολογῆσαι καὶ ὀμόσαι· πεισθέντα δ' αὖθις ὑπὸ τῆς [6] Στατείρας, ἀποκτεῖναι πάντας πλὴν

Μένωνος. ἐκ δὲ τούτου τὴν Παρύσατιν ἐπιβουλεῦσαι τῇ Στατείρᾳ καὶ συσκευάσασθαι τὴν φαρμακείαν κατ' αὐτῆς, οὐκ εἰκότα λέγων ἀλλὰ πολλὴν ἀλογίαν ἔχοντα τῆς αἰτίας, εἰ δεινὸν ἔργον οὕτως ἔδρασε καὶ παρεκινδύνευσεν ἡ Παρύσατις διὰ Κλέαρχον, ἀνελεῖν τολμήσασα τὴν γνησίαν βασιλέως γυναῖκα καὶ τέκνων κοινωνὸν ἐπὶ βασιλείᾳ [7] τρεφομένων. ἀλλὰ ταῦτα μὲν οὐκ ἄδηλον ὡς ἐπιτραγῳδεῖ τῇ Κλεάρχου μνήμῃ. καὶ γὰρ ἀναιρεθέντων φησὶ τῶν στρατηγῶν τοὺς μὲν ἄλλους ὑπὸ κυνῶν σπαράττεσθαι καὶ ὀρνέων, τῷ δὲ Κλεάρχου νεκρῷ θύελλαν ἀνέμου γῆς θῖνα πολλὴν φέρουσαν ἐπιχῶσαι καὶ ἐπικρύψαι [8] τὸ σῶμα· φοινίκων δέ τινων διασπαρέντων, ὀλίγῳ χρόνῳ θαυμαστὸν ἄλσος ἀναφῦναι καὶ κατασκιάσαι τὸν τόπον, ὥστε καὶ βασιλεῖ σφόδρα μεταμέλειν, ὡς ἄνδρα θεοῖς φίλον ἀνῃρηκότι τὸν Κλέαρχον.

[19] Ἡ δ' οὖν Παρύσατις, μίσους τε πρὸς τὴν Στάτειραν ἐξ ἀρχῆς ὑποκειμένου καὶ ζηλοτυπίας, ὁρῶσα τὴν μὲν αὑτῆς δύναμιν αἰδουμένου βασιλέως καὶ τιμῶντος οὖσαν, τὴν δ' ἐκείνης ἔρωτι καὶ πίστει βέβαιον καὶ ἰσχυράν, ἐπεβούλευσεν, ὑπὲρ τῶν μεγίστων ὡς ᾤετο παραβαλλομένη.

[9] θεράπαιναν εἶχε πιστὴν καὶ δυναμένην παρ' αὐτῇ μέγιστον ὄνομα Γίγιν, ἣν ὁ μὲν Δείνων (FGrH 690 F 15b) ὑπουργῆσαι τῇ φαρμακείᾳ φησί, συγγνῶναι δὲ μόνον ἄκουσαν ὁ Κτησίας (FGrH 688 F 29b)· τὸν δὲ δόντα τὸ φάρμακον οὗτος μὲν ὀνομάζει Βελιτάραν, ὁ δὲ Δείνων [10] Μελάνταν. ἐκ δὲ τῆς πρόσθεν ὑποψίας καὶ διαφορᾶς ἀρξάμεναι πάλιν εἰς τὸ αὐτὸ φοιτᾶν καὶ συνδειπνεῖν ἀλλήλαις, ὅμως ‹διὰ› τὸ δεδιέναι καὶ φυλάττεσθαι τοῖς [11] αὐτοῖς σιτίοις καὶ ἀπὸ τῶν αὐτῶν ἐχρῶντο. γίνεται δὲ μικρὸν ἐν Πέρσαις ὀρνίθιον, ᾧ περιττώματος οὐδὲν ‹ἔν›εστιν, ἀλλ' ὅλον διάπλεων πιμελῆς τὰ ἐντός, ᾗ καὶ νομίζουσιν ἀνέμῳ καὶ δρόσῳ τρέφεσθαι τὸ ζῷον· ὀνομάζεται [12] δὲ ῥυντάκης. τοῦτό φησιν ὁ Κτησίας (FGrH 688 F 29b) μικρᾷ μαχαιρίδι κεχρισμένῃ τῷ φαρμάκῳ κατὰ θάτερα τὴν Παρύσατιν διαιροῦσαν, ἐκμάξαι τῷ ἑτέρῳ μέρει τὸ φάρμακον· καὶ τὸ μὲν ἄχραντον καὶ καθαρὸν εἰς τὸ στόμα βαλοῦσαν αὐτὴν ἐσθίειν, δοῦναι δὲ τῇ Στατείρᾳ [13] τὸ πεφαρμαγμένον· ὁ δὲ Δείνων (FGrH 690 F 15b) οὐ τὴν Παρύσατιν, ἀλλὰ τὸν Μελάνταν τέμνοντα τῷ μαχαιρίῳ τὰ φαρμασσόμενα τῶν κρεῶν τιθέναι κατὰ τὴν [14] Στάτειραν. ἀποθνῄσκουσα ‹δ'› οὖν ἡ γυνὴ μετὰ πόνων μεγάλων καὶ σπαραγμῶν, αὐτή τε συνῃσθάνετο τοῦ κακοῦ, καὶ βασιλεῖ παρέσχεν ὑποψίαν κατὰ τῆς μητρός, [15] εἰδότι τὸ θηριῶδες αὐτῆς καὶ δυσμείλικτον. ὅθεν εὐθὺς ἐπὶ τὴν ζήτησιν ὁρμήσας, τοὺς μὲν ὑπηρέτας καὶ τραπεζοκόμους τῆς μητρὸς συνέλαβε καὶ κατεστρέβλωσε, τὴν δὲ Γίγιν ἡ Παρύσατις πολὺν χρόνον εἶχεν οἴκοι μεθ' αὑτῆς, καὶ βασιλέως ἐξαιτοῦντος οὐκ ἔδωκεν, ἀλλ' ὕστερον αὐτῆς δεηθείσης

εἰς τὸν οἶκον ἀφεθῆναι νυκτός, αἰσθόμενος καὶ λόχον ὑφεὶς συνήρπασε καὶ κατέγνω θάνατον.

[16] ἀποθνῄσκουσι δ’ οἱ φαρμακεῖς ἐν Πέρσαις κατὰ νόμον οὕτως· λίθος ἐστὶ πλατύς, ἐφ’ οὗ τὴν κεφαλὴν καταθέντες αὐτῶν ἑτέρῳ λίθῳ παίουσι καὶ πιέζουσιν, ἄχρι οὗ [17] συνθλάσωσι τὸ πρόσωπον καὶ τὴν κεφαλήν. ἡ ‹μὲν› οὖν Γίγις οὕτως ἀπέθανε, τὴν δὲ Παρύσατιν ὁ Ἀρτοξέρξης ἄλλο μὲν οὐδὲν οὔτ’ εἶπε κακὸν οὔτ’ ἐποίησεν, εἰς δὲ Βαβυλῶνα βουλομένην ἐξέπεμψεν, εἰπὼν ἕως ἐκείνη περίεστιν αὐτὸς οὐκ ὄψεσθαι Βαβυλῶνα. τὰ μὲν οὖν κατὰ τὴν οἰκίαν οὕτως εἶχεν.

[20] [1] Ἐπεὶ δὲ τοὺς Κύρῳ συναναβάντας Ἕλληνας σπουδάσας λαβεῖν ὁ βασιλεὺς οὐδὲν ἧττον ἢ Κύρου περιγενέσθαι καὶ τὴν βασιλείαν κατασχεῖν, οὐκ ἔλαβεν, ἀλλὰ Κῦρον τὸν ἡγεμόνα καὶ τοὺς αὑτῶν στρατηγοὺς ἀποβαλόντες, ἐξ αὐτῶν μονονουχὶ τῶν βασιλείων ἐσώθησαν, ἐξελέγξαντες καὶ ἀποφήναντες τὰ Περσῶν καὶ βασιλέως πράγματα χρυσὸν ὄντα πολὺν καὶ τρυφὴν καὶ γυναῖκας, [2] τὰ δ’ ἄλλα τῦφον καὶ ἀλαζονείαν, πᾶσα μὲν ἡ Ἑλλὰς ἐξεθάρρησε καὶ κατεφρόνησε τῶν βαρβάρων, Λακεδαιμονίοις δὲ καὶ δεινὸν ἐφαίνετο, μὴ νῦν γε δουλείας ἐξελέσθαι τοὺς τὴν Ἀσίαν κατοικοῦντας Ἕλληνας μηδὲ παῦσαι [3] προπηλακιζομένους ὑπ’ αὐτῶν. πρότερον δὲ διὰ Θίμβρωνος, εἶτα διὰ Δερκυλλίδου πολεμοῦντες, οὐδὲν δὲ πράττοντες ἀξιόλογον, Ἀγησιλάῳ τῷ βασιλεῖ τὸν πόλεμον ἐπέτρεψαν. ὁ δὲ περαιωθεὶς ναυσὶν εἰς Ἀσίαν, εὐθὺς ἦν ἐνεργὸς καὶ δόξαν εἶχε μεγάλην, καὶ Τισσαφέρνην [4] παραταξάμενος ἐνίκησε καὶ τὰς πόλεις ἀφίστη. τούτων δὲ γενομένων, συμφρονήσας ὁ Ἀρτοξέρξης ὃν τρόπον αὐτοῖς ἐστι πολεμητέον, ἔπεμψε Τιμοκράτην τὸν Ῥόδιον εἰς τὴν Ἑλλάδα χρυσίον πολὺ κομίζοντα, διδόναι καὶ διαφθείρειν τοὺς πλεῖστον ἐν ταῖς πόλεσι δυναμένους κελεύσας καὶ πόλεμον Ἑλληνικὸν κινεῖν ἐπὶ τὴν Λακεδαίμονα.

[5] τοῦ δὲ Τιμοκράτους ταῦτα πράσσοντος, καὶ τῶν μεγίστων πόλεων συνισταμένων, καὶ τῆς Πελοποννήσου διαταραττομένης, μετεπέμποντο τὸν Ἀγησίλαον ἐκ [6] τῆς Ἀσίας οἱ ἄρχοντες. ὅτε δὴ καί φασιν αὐτὸν ἀπιόντα πρὸς τοὺς φίλους εἰπεῖν, ὡς τρισμυρίοις τοξόταις ἐξελαύνοιτο τῆς Ἀσίας ὑπὸ βασιλέως· τὸ γὰρ Περσικὸν νόμισμα τοξότην ἐπίσημον εἶχεν.

[21] [1] Ἐξέβαλε δὲ καὶ τῆς θαλάττης Λακεδαιμονίους, Κόνωνι τῷ Ἀθηναίῳ μετὰ Φαρναβάζου στρατηγῷ χρησάμενος. ὁ γὰρ Κόνων διέτριβε μὲν ἐν Κύπρῳ μετὰ τὴν ἐν Αἰγὸς ποταμοῖς ναυμαχίαν, οὐ τὴν ἀσφάλειαν ἀγαπῶν, ἀλλὰ τὴν τῶν πραγμάτων μεταβολὴν ὥσπερ ἐν πελάγει [2] τροπὴν περιμένων. ὁρῶν δὲ καὶ τοὺς ἑαυτοῦ λογισμοὺς δυνάμεως καὶ τὴν βασιλέως δύναμιν ἀνδρὸς ἔμφρονος δεομένην, ἔπεμψεν ἐπιστολὴν βασιλεῖ περὶ ὧν διενοεῖτο.

[3] καὶ ταύτην ἐκέλευσε τὸν κομίζοντα μάλιστα μὲν ἀποδοῦναι διὰ Ζήνωνος τοῦ Κρητὸς ἢ Πολυκρίτου τοῦ Μενδαίου· τούτων δ’ ἦν ὁ μὲν Ζήνων ὀρχηστής, ὁ δὲ Πολύκριτος ἰατρός· ἂν δ’ οὗτοι μὴ παρῶσι, διὰ Κτησίου τοῦ ἰατροῦ.

[4] λέγεται δ’ ὁ Κτησίας τὴν ἐπιστολὴν λαβὼν παρεγγράψαι τοῖς ὑπὸ τοῦ Κόνωνος ἐπεσταλμένοις, ὅπως καὶ Κτησίαν ἀποστείλῃ πρὸς αὐτόν, ὡς ὠφέλιμον ὄντα ταῖς ἐπὶ θαλάσσῃ πράξεσιν· ὁ δὲ Κτησίας (FGrH 688 F 32) αὐτὸν ἀφ’ ἑαυτοῦ βασιλέα φησὶ προσθεῖναι τὴν λειτουργίαν αὐτῷ ταύτην.

[5] Ἀλλ’ ἐπεὶ κρατήσας τῇ περὶ Κνίδον ναυμαχίᾳ διὰ Φαρναβάζου καὶ Κόνωνος ἀφείλετο τὴν κατὰ θάλατταν ἀρχὴν Λακεδαιμονίους, ἐπέστρεψε πᾶσαν ὁμοῦ τὴν Ἑλλάδα πρὸς αὑτόν, ὥστε καὶ τὴν περιβόητον εἰρήνην βραβεῦσαι τοῖς Ἕλλησι τὴν ἐπ’ Ἀνταλκίδου προσαγορευομένην.

[6] ὁ δ’ Ἀνταλκίδας Σπαρτιάτης ἦν Λέοντος υἱός, καὶ ‹συ›σπουδάσας βασιλεῖ διεπράξατο τὰς ἐν Ἀσίᾳ πόλεις Ἑλληνίδας ἁπάσας καὶ νήσους, ὅσαι προσκυροῦσιν Ἀσίᾳ, παρεῖναι Λακεδαιμονίους αὐτῷ κεκτῆσθαι φόρων ὑποτελεῖς, εἰρήνης γενομένης τοῖς Ἕλλησιν, εἰ δεῖ τὴν τῆς Ἑλλάδος ὕβριν καὶ προδοσίαν εἰρήνην καλεῖν, ἧς πόλεμος οὐδεὶς ἀκλεέστερον ἤνεγκε τέλος τοῖς κρατηθεῖσι.

[22] [1] Διὸ καὶ τοὺς ἄλλους Σπαρτιάτας ἀεὶ βδελυττόμενος ὁ Ἀρτοξέρξης, καὶ νομίζων, ὥς φησι Δείνων (FGrH 690 F 19), ἀνθρώπων ἁπάντων ἀναιδεστάτους εἶναι, τὸν [2] Ἀνταλκίδαν ὑπερηγάπησεν εἰς Πέρσας ἀναβάντα. καί ποτε λαβὼν ἕνα τῶν ἀνθινῶν στεφάνων, καὶ βάψας εἰς μύρον τὸ πολυτελέστατον, ἀπὸ δείπνου ἔπεμψε τῷ [3] Ἀνταλκίδᾳ, καὶ πάντες ἐθαύμασαν τὴν φιλοφροσύνην. ἦν δ’ ὡς ἔοικεν ἐπιτήδειος οὗτος ἐντρυφηθῆναι καὶ τοιοῦτον λαβεῖν στέφανον, ἐξορχησάμενος ἐν Πέρσαις τὸν Λεωνίδαν [4] καὶ τὸν Καλλικρατίδαν. ὁ μὲν γὰρ Ἀγησίλαος ὡς ἔοικε πρὸς τὸν εἰπόντα· φεῦ τῆς Ἑλλάδος ὅπου μηδίζουσιν ἡμῖν οἱ Λάκωνες οὐ μᾶλλον εἶπεν οἱ Μῆδοι λακωνίζουσι; [5] τοῦ δὲ ῥήματος ἡ κομψότης τὴν τοῦ πράγματος αἰσχύνην οὐκ ἀφεῖλεν, ἀλλὰ τὴν μὲν ἡγεμονίαν ἀπώλεσαν ἐν Λεύκτροις ἀγωνισάμενοι κακῶς, ἡ δὲ δόξα τῆς Σπάρτης [6] προαπώλετο ταῖς ὁμολογίαις ἐκείναις. ἄχρι μὲν οὖν ἐπρώτευεν ἡ Σπάρτη, ξένον ἐποιεῖτο καὶ φίλον ὠνόμαζεν ἑαυτοῦ τὸν Ἀνταλκίδαν· ἐπεὶ δ’ ἡττήθησαν ἐν Λεύκτροις, ταπεινὰ πράττοντες ἐδέοντο μὲν χρημάτων καὶ τὸν Ἀγησίλαον εἰς Αἴγυπτον ἐξέπεμψαν, ὁ δ’ Ἀνταλκίδας ἀνέβη πρὸς τὸν Ἀρτοξέρξην, παρακαλῶν ἐπαρκέσαι τοῖς [7] Λακεδαιμονίοις. ὁ δ’ οὕτως ἐξημέλησε καὶ παρεῖδε καὶ ἀπέρριψεν αὐτόν, ὥστε καταβάντα καὶ χλευαζόμενον ὑπὸ τῶν ἐχθρῶν, φοβούμενον δὲ καὶ τοὺς ἐφόρους, ἀποκαρτερῆσαι.

[8] Ἀνέβη δὲ πρὸς τὸν βασιλέα καὶ Ἰσμηνίας ὁ Θηβαῖος καὶ Πελοπίδας, ἤδη τὴν ἐν Λεύκτροις μάχην νενικηκώς. ἀλλ' οὗτος μὲν οὐδὲν αἰσχρὸν ἐποίησεν· Ἰσμηνίας δὲ προσκυνῆσαι κελευόμενος ἐξέβαλε πρὸ αὐτοῦ χαμᾶζε τὸν δακτύλιον, εἶτα κύψας ἀνείλετο καὶ παρέσχε δόξαν [9] προσκυνοῦντος. Τιμαγόρᾳ δὲ τῷ Ἀθηναίῳ, διὰ Βηλούριδος τοῦ γραμματέως εἰσπέμψαντι γραμματίδιον ἀπόρρητον, ἡσθεὶς μυρίους τε δαρεικοὺς ἔδωκε, καὶ γάλακτος βοείου δεομένῳ δι' ἀσθένειαν ὀγδοήκοντα βοῦς ἀμέλγεσθαι [10] παρηκολούθουν· ἔτι δὲ κλίνην καὶ στρώματα καὶ τοὺς στρωννύντας ἔπεμψεν, ὡς οὐ μεμαθηκότων Ἑλλήνων ὑποστρωννύναι, καὶ φορεῖς τοὺς κομίζοντας αὐτὸν μέχρι [11] θαλάσσης μαλακῶς ἔχοντα. παρόντι δὲ δεῖπνον ἐπέμπετο λαμπρότατον, ὥστε καὶ τὸν ἀδελφὸν τοῦ βασιλέως Ὀστάνην ὦ Τιμαγόρα φάναι μέμνησο ταύτης τῆς τραπέζης· οὐ γὰρ ἐπὶ μικροῖς οὕτω σοι κεκοσμημένη [12] παράκειται. τοῦτο δ' ἦν ὀνειδισμὸς εἰς προδοσίαν μᾶλλον ἢ χάριτος ὑπόμνησις. Τιμαγόρου μὲν οὖν διὰ τὴν δωροδοκίαν Ἀθηναῖοι θάνατον κατέγνωσαν.

[23] [1] Ὁ δ' Ἀρτοξέρξης ἓν ἀντὶ πάντων ὧν ἐλύπει τοὺς Ἕλληνας ηὔφραινε, Τισσαφέρνην τὸν ἔχθιστον αὐτοῖς καὶ δυσμενέστατον ἀποκτείνας· ἀπέκτεινε δὲ ταῖς διαβολαῖς [2] αὐτοῦ τῆς Παρυσάτιδος συνεπιθεμένης. οὐ γὰρ ἐνέμεινε τῇ ὀργῇ πολὺν χρόνον ὁ βασιλεύς, ἀλλὰ διηλλάγη τῇ μητρὶ καὶ μετεπέμψατο, νοῦν μὲν ὁρῶν ἔχουσαν καὶ φρόνημα βασιλείας ἄξιον, αἰτίας δὲ μηδεμιᾶς οὔσης ἐμποδὼν ἔτι δι' [3] ἣν ὑπόψονται συνόντες ἀλλήλους ἢ λυπήσουσιν. ἐκ δὲ τούτου πάντα πρὸς χάριν ὑπουργοῦσα βασιλεῖ, καὶ τῷ πρὸς μηδὲν ὧν ἐκεῖνος ἔπραττε δυσκολαίνειν ἔχουσα τὸ δύνασθαι παρ' αὐτῷ καὶ τυγχάνειν ἁπάντων, ᾔσθετο τῆς ἑτέρας τῶν θυγατέρων Ἀτόσσης ἐρῶντος ἔρωτα δεινόν, ἐπικρυπτομένου δὲ δι' ἐκείνην οὐχ ἥκιστα καὶ κολάζοντος τὸ πάθος ὥς φασιν ἔνιοι, καίτοι γεγενημένης ἤδη πρὸς τὴν [4] παρθένον ὁμιλίας αὐτῷ λαθραίας. ὡς οὖν ὑπώπτευσεν ἡ Παρύσατις, τὴν παῖδα μᾶλλον ἢ πρότερον ἠσπάζετο, καὶ πρὸς τὸν Ἀρτοξέρξην ἐπῄνει τό τε κάλλος αὐτῆς καὶ τὸ [5] ἦθος, ὡς βασιλικῆς καὶ μεγαλοπρεποῦς. τέλος δ' οὖν γῆμαι τὴν κόρην ἔπεισε καὶ γνησίαν ἀποδεῖξαι γυναῖκα, χαίρειν ἐάσαντα δόξας Ἑλλήνων καὶ νόμους, Πέρσαις δὲ νόμον αὐτὸν ὑπὸ τοῦ θεοῦ καὶ δικαιωτὴν αἰσχρῶν καὶ [6] καλῶν ἀποδεδειγμένον. ἔνιοι μέντοι λέγουσιν, ὧν ἐστι καὶ Ἡρακλείδης ὁ Κυμαῖος (FGrH 689 F 7a), οὐ μίαν μόνον τῶν θυγατέρων, ἀλλὰ καὶ δευτέραν Ἄμηστριν γῆμαι τὸν Ἀρτοξέρξην, περὶ ἧς ὀλίγον ὕστερον ἀπαγγελοῦμεν [7] (c. 27, 7). τὴν δ' Ἄτοσσαν οὕτως ἠγάπησεν ὁ πατὴρ συνοικοῦσαν, ὥστ' ἀλφοῦ κατανεμηθέντος αὐτῆς τὸ σῶμα, δυσχερᾶναι μὲν ἐπὶ τούτῳ μηδ' ὁτιοῦν, εὐχόμενος δὲ περὶ αὐτῆς τῇ Ἥρᾳ προσκυνῆσαι μόνην θεῶν ἐκείνην,

ταῖς χερσὶ τῆς γῆς ἁψάμενος, δῶρά τε τῇ θεῷ τοσαῦτα πέμψαι τοὺς σατράπας καὶ φίλους αὐτοῦ κελεύσαντος, ὥστε τὰ μεταξὺ τοῦ ἱεροῦ καὶ τῶν βασιλείων ἑκκαίδεκα στάδια χρυσοῦ καὶ ἀργύρου καὶ πορφύρας καὶ ἵππων ἐμπλησθῆναι.

[24] [1] Πόλεμον δὲ πρὸς μὲν Αἰγυπτίους διὰ Φαρναβάζου καὶ Ἰφικράτους ἐξενεγκὼν ἀπέτυχε, στασιασάντων [2] ἐκείνων. ἐπὶ δὲ Καδουσίους αὐτὸς ἐστράτευσε τριάκοντα μυριάσι πεζῶν καὶ μυρίοις ἱππεῦσιν. ἐμβαλὼν δ' εἰς χώραν τραχύτητι χαλεπὴν καὶ ὁμιχλώδη καὶ τῶν ἀπὸ σπόρου καρπῶν ἄγονον, ἀπίοις δὲ καὶ μήλοις καὶ τοιούτοις ἄλλοις ἀκροδρύοις τρέφουσαν ἀνθρώπους πολεμικοὺς καὶ θυμοειδεῖς, ἔλαθε μεγάλαις ἀπορίαις καὶ [3] κινδύνοις περιπεσών. οὐδὲν γὰρ ἐδώδιμον ἦν λαμβάνειν οὐδ' ἔξωθεν ἐπεισάγεσθαι, τὰ δ' ὑποζύγια μόνον κατέκοπτον, ὥστ' ὄνου κεφαλὴν μόλις δραχμῶν ἑξήκοντα ὤνιον εἶναι. τὸ δὲ βασιλικὸν δεῖπνον ἐξελείφθη, καὶ τῶν ἵππων ὀλίγοι περιῆσαν ἔτι, τοὺς δ' ἄλλους ἐσθίοντες [4] κατανηλώκεσαν. ἐνταῦθα Τιρίβαζος, ἀνὴρ πολλάκις μὲν ἐν πρώτῃ δι' ἀνδραγαθίαν τάξει γενόμενος, πολλάκις δ' ἀπορριφεὶς διὰ κουφότητα, καὶ τότε ταπεινὰ πράττων καὶ [5] περιορώμενος, ἔσωσε βασιλέα καὶ τὸν στρατόν. ὄντων γὰρ δυεῖν ἐν τοῖς Καδουσίοις βασιλέων, ἑκατέρου δὲ χωρὶς στρατοπεδεύοντος, ἐντυχὼν τῷ Ἀρτοξέρξῃ, καὶ φράσας περὶ ὧν διενοεῖτο πράττειν, ἐβάδιζεν αὐτὸς πρὸς τὸν ἕτερον τῶν Καδουσίων, καὶ πρὸς τὸν ἕτερον κρύφα τὸν [6] υἱὸν ἔπεμπεν. ἐξηπάτα δ' ἑκάτερον ἑκάτερος, λέγων ὡς ἅτερος ἐπιπρεσβεύεται πρὸς τὸν Ἀρτοξέρξην, φιλίαν μόνῳ πράττων ἑαυτῷ καὶ συμμαχίαν· οὐκοῦν εἰ σωφρονεῖ, χρῆναι πρότερον ἐντυγχάνειν ἐκείνῳ, αὐτὸν δὲ συμπράξειν [7] ἅπαντα. τούτοις ἐπείσθησαν ἀμφότεροι, καὶ φθάνειν ἀλλήλους νομίζοντες, ὁ μὲν τῷ Τιριβάζῳ συνέπεμψε [8] πρέσβεις, ὁ δὲ τῷ παιδὶ τοῦ Τιριβάζου. διατριβῆς δὲ γενομένης, ὑποψίαι καὶ διαβολαὶ κατὰ τοῦ Τιριβάζου τῷ Ἀρτοξέρξῃ προσέπιπτον· αὐτὸς δὲ δυσθύμως εἶχε καὶ μετενόει πιστεύσας τῷ Τιριβάζῳ, καὶ τοῖς φθονοῦσιν [9] ἐγκαλεῖν παρεῖχεν, ἐπεὶ δ' ἧκεν ὁ Τιρίβαζος, ἧκε δ' ὁ υἱὸς αὐτοῦ, τοὺς Καδουσίους ἄγοντες, ἐγένοντο δὲ σπονδαὶ πρὸς ἀμφοτέρους καὶ εἰρήνη, μέγας ὢν ὁ Τιρίβαζος ἤδη καὶ λαμπρὸς ἀνεζεύγνυε μετὰ τοῦ βασιλέως, ἐπιδεικνυμένου πᾶσαν τὴν δειλίαν καὶ τὴν μαλακίαν οὐ τρυφῆς καὶ πολυτελείας - ὥσπερ οἱ πολλοὶ νομίζουσιν - ἔκγονον οὖσαν, ἀλλὰ μοχθηρᾶς φύσεως καὶ ἀγεννοῦς καὶ δόξαις [10] πονηραῖς ἑπομένης. οὔτε γὰρ χρυσὸς οὔτε κάνδυς οὔθ' ὁ τῶν μυρίων καὶ δισχιλίων ταλάντων περικείμενος ἀεὶ τῷ βασιλέως σώματι κόσμος ἐκεῖνον ἀπεκώλυε πονεῖν καὶ ταλαιπωρεῖν ὥσπερ οἱ τυχόντες, ἀλλὰ τήν τε φαρέτραν ἐνημμένος καὶ τὴν πέλτην φέρων αὐτὸς ἐβάδιζε πρῶτος ὁδοὺς ὀρεινὰς καὶ προσάντεις, ἀπολιπὼν τὸν ἵππον,

ὥστε τοὺς ἄλλους πτεροῦσθαι καὶ συνεπικουφίζεσθαι, [11] τὴν ἐκείνου προθυμίαν καὶ ῥώμην ὁρῶντας· καὶ γὰρ διακοσίων καὶ πλειόνων σταδίων κατήνυεν ἡμέρας ἑκάστης πορείαν.

[25] [1] Ἐπεὶ δ' εἰς σταθμὸν κατέβη βασιλικόν, παραδείσους ἔχοντα θαυμαστοὺς καὶ κεκοσμημένους διαπρεπῶς ἐν τῷ πέριξ ἀδένδρῳ καὶ ψιλῷ χωρίῳ, κρύους ὄντος ἐπέτρεψε τοῖς στρατιώταις ἐκ τοῦ παραδείσου ξυλίζεσθαι τὰ δένδρα κόπτοντας, μήτε πεύκης μήτε κυπαρίττου [2] φειδομένους. ὀκνούντων δὲ καὶ φειδομένων διὰ τὰ κάλλη καὶ τὰ μεγέθη, λαβὼν πέλεκυν αὐτὸς ὅπερ ἦν μέγιστον καὶ κάλλιστον τῶν φυτῶν ἔκοψεν. ἐκ δὲ τούτου ξυλιζόμενοι [3] καὶ πολλὰ πυρὰ ποιοῦντες εὐμαρῶς ἐνυκτέρευσαν. οὐ μὴν ἀλλὰ πολλοὺς καὶ ἀγαθοὺς ἀποβαλὼν ἄνδρας, ἵππους δ' ὁμοῦ τι πάντας, ἐπανῆλθε, καὶ δόξας καταφρονεῖσθαι διὰ τὴν ἀτυχίαν καὶ τὴν ἀπότευξιν τῆς στρατείας, ἐν ὑποψίαις εἶχε τοὺς πρώτους· καὶ πολλοὺς μὲν ἀνῄρει δι' ὀργήν, [4] πλείονας δὲ φοβούμενος. ἡ γὰρ δειλία φονικώτατόν ἐστιν ἐν ταῖς τυραννίσιν, ἵλεων δὲ καὶ πρᾶον καὶ ἀνύποπτον ἡ θαρραλεότης. διὸ καὶ τῶν θηρίων τὰ ἀτιθάσσευτα καὶ δυσεξημέρωτα ψοφοδεῆ καὶ δειλά, τὰ δὲ γενναῖα πιστεύοντα μᾶλλον διὰ τὸ θαρρεῖν οὐ φεύγει τὰς φιλοφροσύνας.

[26] [1] Ὁ δ' Ἀρτοξέρξης ἤδη πρεσβύτερος ὢν ᾐσθάνετο τοὺς υἱοὺς ἀγῶνα περὶ τῆς βασιλείας ἐν τοῖς φίλοις καὶ τοῖς δυνατοῖς ἔχοντας. οἱ μὲν γὰρ εὐγνώμονες ἠξίουν, ὡς ἔλαβεν αὐτός, οὕτως ἀπολιπεῖν πρεσβεῖα Δαρείῳ τὴν [2] ἀρχήν. ὁ δὲ νεώτατος Ὦχος ὀξὺς ὢν καὶ βίαιος, εἶχε μὲν καὶ τῶν περὶ τὸ βασίλειον οὐκ ὀλίγους σπουδαστάς, ἤλπιζε δὲ μάλιστα κατεργάσεσθαι τὸν πατέρα διὰ τῆς Ἀτόσσης.

[3] ἐκείνην γὰρ ἐθεράπευεν ὡς γαμησομένην καὶ συμβασιλεύσουσαν αὐτῷ μετὰ τὴν τοῦ πατρὸς τελευτήν. ἦν δὲ λόγος ὅτι καὶ ζῶντος ἐλάνθανεν αὐτῇ πλησιάζων· ἀλλὰ [4] τοῦτο μὲν ἠγνόησεν ὁ Ἀρτοξέρξης· ταχὺ δὲ βουλόμενος ἐκκροῦσαι τῆς ἐλπίδος τὸν Ὦχον, ὅπως μὴ τὰ αὐτὰ Κύρῳ τολμήσαντος αὐτοῦ πόλεμοι καὶ ἀγῶνες αὖθις καταλάβωσι τὴν βασιλείαν, ἀνέδειξε τὸν Δαρεῖον βασιλέα πεντηκοστὸν ἔτος γεγονότα, καὶ τὴν καλουμένην κίταριν ὀρθὴν φέρειν [5] ἔδωκε. νόμου δ' ὄντος ἐν Πέρσαις δωρεὰν αἰτεῖν τὸν ἀναδειχθέντα, καὶ διδόναι τὸν ἀναδείξαντα πᾶν τὸ αἰτηθὲν ἄνπερ ᾖ δυνατόν, ᾔτησεν Ἀσπασίαν ὁ Δαρεῖος τὴν μάλιστα σπουδασθεῖσαν ὑπὸ Κύρου, τότε δὲ τῷ βασιλεῖ παλλακευομένην. ἦν δὲ Φωκαῒς τὸ γένος ἀπ' Ἰωνίας, ἐλευθέρων [6] γονέων καὶ τεθραμμένη κοσμίως. ἐπεὶ δὲ Κύρου δειπνοῦντος εἰσήχθη μεθ' ἑτέρων γυναικῶν, αἱ μὲν ἄλλαι παρακαθεζόμεναι, προσπαίζοντος αὐτοῦ καὶ ἁπτομένου καὶ σκώπτοντος, οὐκ ἀηδῶς ἐνεδέχοντο τὰς φιλοφροσύνας, [7] ἐκείνη δὲ παρὰ τὴν κλίνην εἱστήκει σιωπῇ, καὶ Κύρου καλοῦντος οὐχ

ὑπήκουε· βουλομένων δὲ προσάγειν τῶν κατευναστῶν οἰμώξεται μέντοι τούτων εἶπεν ὃς ἂν ἐμοὶ προσαγάγῃ τὰς χεῖρας. ἔδοξεν οὖν [8] ἄχαρις τοῖς παροῦσιν εἶναι καὶ ἄγροικος. ὁ δὲ Κῦρος ἡσθεὶς ἐγέλασε καὶ εἶπε πρὸς τὸν ἀγαγόντα τὰς γυναῖκας ἆρ' ἤδη συνορᾷς ὅτι μοι μόνην ταύτην ἐλευθέραν [9] καὶ ἀδιάφθορον ἥκεις κομίζων; ἐκ δὲ τούτου προσεῖχεν ἀρξάμενος αὐτῇ, καὶ μάλιστα πασῶν ἔστερξε καὶ σοφὴν προσηγόρευσεν. ἑάλω δὲ Κύρου πεσόντος ἐν τῇ μάχῃ καὶ διαρπαζομένου τοῦ στρατοπέδου.

[27] [1] Ταύτην ὁ Δαρεῖος αἰτήσας, ἠνίασε τὸν πατέρα· δύσζηλα γὰρ τὰ βαρβαρικὰ δεινῶς περὶ τὸ ἀκόλαστον, ὥστε μὴ μόνον τὸν προσελθόντα καὶ θιγόντα παλλακῆς βασιλέως, ἀλλὰ καὶ τὸν ἐν πορείᾳ παρεξελθόντα καὶ διεξελάσαντα τὰς ἁμάξας ἐφ' αἷς κομίζονται θανάτῳ [2] κολάζεσθαι. καίτοι τὴν μὲν Ἄτοσσαν εἶχεν, ἔρωτι ποιησάμενος γυναῖκα παρὰ τὸν νόμον, ἑξήκοντα δὲ καὶ τριακόσιαι παρετρέφοντο κάλλει διαφέρουσαι παλλακίδες.

[3] οὐ μὴν ἀλλὰ καὶ αἰτηθεὶς ἐκείνην ἐλευθέραν ἔφησεν εἶναι, καὶ λαμβάνειν ἐκέλευσε βουλομένην, ἄκουσαν δὲ μὴ βιάζεσθαι. μεταπεμφθείσης δὲ τῆς Ἀσπασίας, καὶ παρ' ἐλπίδας τοῦ βασιλέως ἑλομένης τὸν Δαρεῖον, ἔδωκε μὲν ὑπ' ἀνάγκης τοῦ νόμου, δοὺς δ' ὀλίγον ὕστερον [4] ἀφείλετο. τῆς γὰρ Ἀρτέμιδος τῆς ἐν Ἐκβατάνοις, ἣν Ἀναῖτιν καλοῦσιν, ἱέρειαν ἀνέδειξεν αὐτήν, ὅπως ἁγνὴ διάγῃ τὸν ἐπίλοιπον βίον, οἰόμενος οὐ χαλεπήν, ἀλλὰ καὶ μετρίαν τινὰ καὶ παιδιᾷ μεμειγμένην ταύτην λήψεσθαι [5] δίκην παρὰ τοῦ παιδός. ὁ δ' ἤνεγκεν οὐ μετρίως, εἴτ' ἔρωτι τῆς Ἀσπασίας περιπαθὴς γεγονώς, εἴθ' ὑβρίσθαι καὶ κεχλευάσθαι νομίζων ὑπὸ τοῦ πατρός.

[6] Αἰσθόμενος δ' αὐτὸν οὕτως ἔχοντα Τιρίβαζος ἔτι μᾶλλον ἐξετράχυνεν, ἐν τοῖς ἐκείνου συνιδὼν τὰ καθ' αὑτόν.

[7] ἦν δὲ τοιαῦτα. πλειόνων οὐσῶν βασιλεῖ θυγατέρων, ὡμολόγησε Φαρναβάζῳ μὲν Ἀπάμαν δώσειν γυναῖκα, [8] Ῥοδογούνην δ' Ὀρόντῃ, Τιριβάζῳ δ' Ἄμηστριν. καὶ τοῖς μὲν ἄλλοις ἔδωκε, Τιρίβαζον δ' ἐψεύσατο, γήμας αὐτὸς τὴν Ἄμηστριν, ἀντ' ἐκείνης δὲ τῷ Τιριβάζῳ τὴν νεωτάτην [9] Ἄτοσσαν ἐνεγύησεν. ἐπεὶ δὲ καὶ ταύτην ἐρασθεὶς ἔγημεν ὡς εἴρηται, παντάπασι δυσμενῶς πρὸς αὐτὸν ὁ Τιρίβαζος εἶχεν, οὐδ' ἄλλως στάσιμος ὢν τὸ ἦθος, ἀλλ' ἀνώμαλος [10] καὶ παράφορος. διὸ καὶ νῦν μὲν εὐημερῶν ὅμοια τοῖς πρώτοις, νῦν δὲ προσκρούων καὶ σκορακιζόμενος, οὐδεμίαν ἔφερεν ἐμμελῶς μεταβολήν, ἀλλὰ καὶ τιμώμενος ἦν ἐπαχθὴς ὑπὸ χαυνότητος, καὶ τὸ κολουόμενον οὐ ταπεινὸν οὐδ' ἡσυχαῖον, ἀλλὰ τραχὺ καὶ ἀγέρωχον εἶχε.

[28] [1] Πῦρ οὖν ἐπὶ πῦρ ἐγένετο τῷ νεανίσκῳ προσκείμενος ὁ Τιρίβαζος ἀεὶ καὶ λέγων, ὡς οὐδὲν ὀνίνησιν ἡ κίταρις περιεστῶσα τῇ κεφαλῇ τοὺς ὑφ' αὑτῶν μὴ ζητοῦντας ὀρθοῦσθαι τοῖς πράγμασι, κἀκεῖνον ἀβέλτερα φρονεῖν,

‹εἰ› τοῦ μὲν ἀδελφοῦ διὰ τῆς γυναικωνίτιδος ἐνδυομένου τοῖς πράγμασι, τοῦ δὲ πατρὸς οὕτως ἔμπληκτον ἦθος καὶ ἀβέβαιον ἔχοντος, οἴεται βέβαιον αὐτῷ τὴν διαδοχὴν [2] ὑπάρχειν. ὁ γὰρ Ἑλληνικοῦ χάριν γυναίου τὸν ἄψευστον ἐν Πέρσαις ψευσάμενος νόμον οὐ δή που πιστός ἐστι [3] τὰς περὶ τῶν μεγίστων ὁμολογίας ἐμπεδώσειν. οὐ ταὐτὸ δ' εἶναι τὸ μὴ τυχεῖν Ὤχῳ κἀκείνῳ τὸ στέρεσθαι τῆς βασιλείας· Ὦχον μὲν γὰρ οὐδὲν κωλύσειν ἰδιώτην βιοῦν μακαρίως, ἐκείνῳ δ' ἀποδεδειγμένῳ βασιλεῖ βασιλεύειν [4] ἀνάγκην ἢ μηδὲ ζῆν εἶναι. καθόλου μὲν οὖν ἴσως, τὸ Σοφόκλειον (fr. 786 N. [2]),

ταχεῖα πειθὼ τῶν κακῶν ὁδοιπορεῖ·

λεία γάρ τις ἡ πορεία καὶ κατάντης ἐπὶ τὸ βουλόμενον· βούλονται δ' οἱ πλεῖστοι τὰ φαῦλα δι' ἀπειρίαν τῶν καλῶν [5] καὶ ἄγνοιαν. οὐ μὴν ἀλλὰ τὸ μέγεθος [τὸ] τῆς ἀρχῆς καὶ τὸ πρὸς τὸν Ὦχον τοῦ Δαρείου δέος ὑπόθεσιν τῷ Τιριβάζῳ παρεῖχε, Κυπρογένεια δ' οὐ πάμπαν ἀναίτιος, ἡ τῆς Ἀσπασίας ἀφαίρεσις.

[29] [1] Ἐπέδωκεν οὖν ἑαυτὸν τῷ Τιριβάζῳ· καὶ πολλῶν ἤδη συνισταμένων, εὐνοῦχος ἐδήλωσε τῷ βασιλεῖ τὴν ἐπιβουλὴν καὶ τὸν τρόπον, εἰδὼς ἀκριβῶς ὅτι νυκτὸς ἐγνώκασιν ἐν τῷ θαλάμῳ κατακείμενον ἀναιρεῖν αὐτὸν [2] ἐπεισελθόντες. ἀκούσαντι δὲ τῷ Ἀρτοξέρξῃ καὶ τὸ παριδεῖν κίνδυνον τηλικοῦτον ἀμελήσαντα τῆς διαβολῆς δεινὸν ἐδόκει, καὶ τὸ πιστεῦσαι μηδενὸς ἐλέγχου γενομένου [3] δεινότερον. οὕτως οὖν ἐποίει· τὸν μὲν εὐνοῦχον ἐκείνοις ἐκέλευσε παρεῖναι καὶ παρακολουθεῖν, αὐτὸς δὲ τοῦ θαλάμου τὸν ὄπισθεν τῆς κλίνης τοῖχον ἐκκόψας καὶ [4] θυρώσας, κατεκάλυψεν αὐλαίᾳ τὰς θύρας. ἐνστάσης δὲ τῆς ὥρας καὶ φράσαντος τοῦ εὐνούχου τὸν καιρόν, ἐπὶ τῆς κλίνης ὑπέμεινε καὶ οὐκ ἐξανέστη πρότερον ἢ τῶν ἐπ' αὐτὸν ἐρχομένων τὰ πρόσωπα κατιδεῖν καὶ γνωρίσαι [5] σαφῶς ἕκαστον. ὡς δ' εἶδεν ἐσπασμένους τὰ ἐγχειρίδια καὶ προσφερομένους, ταχὺ τὴν αὐλαίαν ὑπολαβὼν ἀνεχώρησεν εἰς τὸ ἐντὸς οἴκημα, καὶ τὰς θύρας ἐπήρραξε [6] κράζων. ὀφθέντες δ' οὖν οἱ σφαγεῖς ὑπ' αὐτοῦ, πράξαντες δὲ μηθέν, ἀπεχώρουν φυγῇ διὰ θυρῶν, καὶ τοὺς περὶ τὸν Τιρίβαζον ἐκέλευον ἀποχωρεῖν ὡς φανεροὺς γεγονότας.

[7] οἱ μὲν οὖν ἄλλοι διαλυθέντες ἔφυγον· ὁ δὲ Τιρίβαζος συλλαμβανόμενος πολλοὺς ἀπέκτεινε τῶν βασιλέως δορυφόρων, [8] καὶ μόγις ἀκοντίῳ πληγεὶς πόρρωθεν ἔπεσε. τῷ δὲ Δαρείῳ μετὰ τῶν τέκνων ἀναχθέντι καθίσας τοὺς βασιλείους δικαστάς, οὐ παρὼν αὐτός, ἀλλ' ἑτέρων κατηγορησάντων, ἐκέλευσεν ὑπηρέτας τὴν ἑκάστου [9] γραψαμένους ἀπόφασιν ὡς αὐτὸν ἐπανενεγκεῖν. ἀποφηναμένων δὲ πάντων ὁμοίως καὶ καταγνόντων τοῦ Δαρείου θάνατον, οἱ μὲν ὑπηρέται συλλαβόντες αὐτὸν εἰς οἴκημα πλησίον

ἀπήγαγον, ὁ δὲ δήμιος κληθεὶς ἧκε μὲν ξυρὸν ἔχων ᾧ τὰς κεφαλὰς ἀποτέμνουσι τῶν κολαζομένων, ἰδὼν δὲ τὸν Δαρεῖον ἐξεπλάγη καὶ ἀνεχώρει πρὸς τὰς θύρας ἀποβλέπων, ὡς οὐ δυνησόμενος οὐδὲ τολμήσων [10] αὐτόχειρ γενέσθαι βασιλέως. ἔξωθεν δὲ τῶν δικαστῶν ἀπειλούντων καὶ διακελευομένων, ἀναστρέψας καὶ τῇ ἑτέρᾳ χειρὶ δραξάμενος τῆς κόμης αὐτοῦ καὶ καταγαγών, [11] ἀπέτεμε τῷ ξυρῷ τὸν τράχηλον. ἔνιοι δέ φασι τὴν κρίσιν γενέσθαι βασιλέως αὐτοῦ παρόντος, τὸν δὲ Δαρεῖον, ὡς κατελαμβάνετο τοῖς ἐλέγχοις, ἐπὶ στόμα πεσόντα δεῖσθαι καὶ ἱκετεύειν· τὸν δ’ ὑπ’ ὀργῆς ἀναστάντα καὶ σπασάμενον [12] τὸν ἀκινάκην τύπτειν ἕως ἀπέκτεινεν· εἶτ’ εἰς τὴν αὐλὴν προελθόντα τὸν Ἥλιον προσκυνῆσαι καὶ εἰπεῖν· εὐφραίνεσθ’ ἀπιόντες ὦ Πέρσαι, καὶ λέγετε τοῖς ἄλλοις, ὅτι τοῖς ἄθεσμα καὶ παράνομα διανοηθεῖσιν ὁ μέγας Ὠραμάζης δίκην ἐπιτέθεικεν.

[30] [1] Ἡ μὲν οὖν ἐπιβουλὴ τοιοῦτον ἔσχε τέλος, ὁ δ’ Ὦχος ἤδη μὲν ἦν ταῖς ἐλπίσι λαμπρός, ὑπὸ τῆς Ἀτόσσης ἐπαιρόμενος, ἔτι δ’ ἐφοβεῖτο τῶν μὲν γνησίων τὸν [2] ὑπόλοιπον Ἀριάσπην, τῶν δὲ νόθων Ἀρσάμην. ὁ μὲν γὰρ Ἀριάσπης οὐ διὰ τὸ πρεσβύτερος εἶναι τοῦ Ὤχου, πρᾶος δὲ καὶ ἁπλοῦς καὶ φιλάνθρωπος, ἠξιοῦτο βασιλεύειν ὑπὸ τῶν Περσῶν· ὁ δ’ Ἀρσάμης καὶ νοῦν ἔχειν ἐδόκει, καὶ μάλιστα τῷ πατρὶ προσφιλὴς ὢν οὐκ ἐλάνθανε [3] τὸν Ὦχον. ἐπιβουλεύων οὖν ἀμφοτέροις, καὶ δολερὸς ὢν ὁμοῦ καὶ φονικός, ἐχρήσατο τῇ μὲν ὠμότητι τῆς φύσεως πρὸς τὸν Ἀρσάμην, τῇ δὲ κακουργίᾳ καὶ δεινότητι [4] πρὸς τὸν Ἀριάσπην. ὑπέπεμψε γὰρ πρὸς αὐτὸν εὐνούχους καὶ φίλους βασιλέως, ἀπειλάς τινας ἀεὶ καὶ λόγους φοβεροὺς ἀπαγγέλλοντας, ὡς τοῦ πατρὸς ἐγνωκότος [5] ἀποκτιννύειν αὐτὸν ὠμῶς καὶ ἐφυβρίστως. οἱ δὲ ταῦτα καθ’ ἡμέραν ἐκφέρειν δοκοῦντες ὡς ἀπόρρητα, καὶ τὰ μὲν μέλλειν, τὰ δ’ ὅσον οὔπω πράσσειν βασιλέα λέγοντες, οὕτως ἐξέπληξαν τὸν ἄνθρωπον, καὶ τοσαύτην ἐνέβαλον πτοίαν αὐτῷ καὶ ταραχὴν καὶ δυσθυμίαν εἰς τοὺς λογισμούς, ὥστε φάρμακον σκευάσαντα τῶν θανασίμων [6] καὶ πιόντα τοῦ ζῆν ἀπαλλαγῆναι. πυθόμενος δ’ ὁ βασιλεὺς τὸν τρόπον τῆς τελευτῆς, ἐκεῖνον μὲν ἀπέκλαυσε, [7] τὴν δ’ αἰτίαν ὑπώπτευεν. ἐλέγχειν δὲ καὶ ζητεῖν ἐξαδυνατῶν διὰ γῆρας, ἔτι μᾶλλον ἠσπάζετο τὸν Ἀρσάμην καὶ δῆλος ἦν μάλιστα πιστεύων ἐκείνῳ καὶ παρρησιαζόμενος.

[8] ὅθεν οἱ περὶ τὸν Ὦχον οὐκ ἀνεβάλοντο τὴν πρᾶξιν, ἀλλ’ Ἀρπάτην υἱὸν Τιριβάζου παρασκευάσαντες, ἀπέκτειναν δι’ ἐκείνου τὸν ἄνθρωπον.

[9] Ἦν μὲν οὖν ἐπὶ ῥοπῆς μικρᾶς ὁ Ἀρτοξέρξης διὰ τὸ γῆρας ἤδη τότε· προσπεσόντος δ’ αὐτῷ τοῦ περὶ τὸν Ἀρσάμην πάθους, οὐδ’ ὀλίγον ἀντέσχεν, ἀλλ’ εὐθὺς ὑπὸ λύπης καὶ δυσθυμίας ἀπεσβέσθη, βιώσας μὲν ἐνενήκοντα καὶ τέσσαρ’ ἔτη, βασιλεύσας δὲ δύο καὶ ἑξήκοντα, δόξας δὲ πρᾶος εἶναι καὶ

φιλυπήκοος οὐχ ἥκιστα διὰ τὸν υἱὸν Ὦχον, ὠμότητι καὶ μιαιφονίᾳ πάντας ὑπερβαλόμενον.

[2] [1] Νυμφίδιος γὰρ Σαβῖνος ὢν ἔπαρχος, ὥσπερ εἴρηται, μετὰ Τιγελλίνου τῆς αὐλῆς, ἐπεὶ τὰ Νέρωνος ἀπέγνωστο παντάπασι καὶ δῆλος ἦν

ἀποδρασόμενος εἰς Αἴγυπτον, ἔπεισε τὸ στρατιωτικόν, ὡς μηκέτι παρόντος, ἀλλ’ ἤδη πεφευγότος, [2] αὐτοκράτορα Γάλβαν ἀναγορεῦσαι, καὶ δωρεὰν ὑπέσχετο κατ’ ἄνδρα τοῖς αὐλικοῖς καὶ στρατηγικοῖς προσαγορευομένοις δραχμὰς ἑπτακισχιλίας πεντακοσίας, τοῖς δὲ ἐκτὸς στρατευομένοις πεντήκοντα καὶ διακοσίας ἐπὶ χιλίαις, ὅσον ἀμήχανον ἦν συναγαγεῖν μὴ πλείονα μυριάκις κακὰ παρασχόντα [3] πᾶσιν ἀνθρώποις ὧν Νέρων παρέσχε. τοῦτο γὰρ εὐθὺς μὲν ἀπώλεσε Νέρωνα, μετ’ ὀλίγον δὲ Γάλβαν· τὸν μὲν γὰρ ὡς ληψόμενοι προήκαντο, τὸν δὲ μὴ λαμβάνοντες ἀπέκτειναν. εἶτα τὸν τοσοῦτον δώσοντα ζητοῦντες ἔφθησαν ἐν ταῖς ἀποστάσεσι καὶ προδοσίαις ἀναλώσαντες αὑτοὺς ἢ τυχόντες ὧν ἤλπισαν. τὰ μὲν οὖν καθ’ ἕκαστα τῶν γενομένων ἀπαγγέλλειν ἀκριβῶς τῆς πραγματικῆς ἱστορίας ἐστίν, ὅσα δὲ ἄξια λόγου τοῖς τῶν Καισάρων ἔργοις καὶ πάθεσι συμπέπτωκεν, οὐδὲ ἐμοὶ προσήκει παρελθεῖν.

[3] [1] Γάλβας Σουλπίκιος ὅτι μὲν ἰδιώτης πλουσιώτατος ἁπάντων εἰς τὸν Καισάρων παρῆλθεν οἶκον, ὁμολογεῖται· μέγα δὲ ἔχων εὐγενείας ἀξίωμα τὸν Σερουΐων οἶκον, αὐτὸς ἐφρόνει μεῖζον ἐπὶ τῇ Κάτλου συγγενείᾳ, πρωτεύσαντος ἀνδρὸς ἀρετῇ καὶ δόξῃ τῶν καθ’ ἑαυτόν, εἰ καὶ τὸ δύνασθαι [2] μᾶλλον ἑκὼν ἑτέροις παρῆκεν. ἦν δέ τι καὶ Λιβίᾳ τῇ Καίσαρος γυναικὶ κατὰ γένος προσήκων ὁ Γάλβας, καὶ διὰ τοῦτο Λιβίας παρασχούσης ὕπατος ἐκ Παλατίου προῆλθε. λέγεται δὲ καὶ στρατεύματος ἐν Γερμανίᾳ καλῶς ἄρξαι καὶ Λιβύης ἀνθύπατος γενόμενος σὺν ὀλίγοις ἐπαινεθῆναι. τὸ δὲ εὔκολον αὐτοῦ τῆς διαίτης καὶ φειδωλὸν ἐν δαπάναις καὶ ἀπέριττον αἰτίαν ἔσχεν αὐτοκράτορος γενομένου μικρολογίας, ἣν ἕωλόν τινα δόξαν εὐταξίας ἔφερε καὶ σωφροσύνης.

[3] ἐπέμφθη δὲ ὑπὸ Νέρωνος Ἰβηρίας ἄρχων, οὔπω δεδιδαγμένου φοβεῖσθαι τοὺς ἐν ἀξιώμασι μεγάλους τῶν πολιτῶν. ἐκείνῳ δὲ καὶ φύσει δοκοῦντι πρᾴῳ γεγονέναι προσετίθει πίστιν εὐλαβείας τὸ γῆρας.

[4] [1] Ἐπεὶ δέ, τῶν ἀλιτηρίων ἐπιτρόπων ὠμῶς καὶ ἀγρίως τὰς ἐπαρχίας ἐκείνῳ διαφορούντων, ἄλλο μὲν εἶχεν οὐδὲν βοηθεῖν, αὐτῷ δὲ τῷ φανερὸς εἶναι συναλγῶν καὶ συναδικούμενος ἁμῶς γέ πως ἀναπνοήν τινα καὶ παραμυθίαν τοῖς καταδικαζομένοις καὶ πωλουμένοις παρέσχε· καὶ ποιημάτων εἰς Νέρωνα γινομένων καὶ πολλαχοῦ περιφερομένων καὶ ᾀδομένων, οὐκ ἐκώλυεν οὐδὲ συνηγανάκτει τοῖς ἐπιτρόποις· ἐφ’ οἷς ἔτι μᾶλλον ἠγαπᾶτο ὑπὸ [2] τῶν ἀνθρώπων. καὶ γὰρ ἦν ἤδη συνήθης, ἔτος ὄγδοον ἐκεῖνο τὴν ἀρχὴν ἔχων ἐν ᾧ Ἰούνιος Οὐίνδιξ ἐπανέστη Νέρωνι, Γαλατίας ὢν στρατηγός. λέγεται μὲν οὖν καὶ πρὸ τῆς ἐμφανοῦς ἀποστάσεως γράμματα πρὸς αὐτὸν ἀφικέσθαι παρὰ τοῦ Οὐίνδικος, οἷς μήτε πιστεῦσαι μήτε μηνῦσαι καὶ

κατειπεῖν, ὡς ἕτεροι τῶν ἡγεμονικῶν ἐπιστολὰς αὐτοῖς γραφείσας ἔπεμψαν πρὸς Νέρωνα καὶ διέφθειραν ὅσον ἐπ’ αὐτοῖς τὴν πρᾶξιν, ἧς ὕστερον μετασχόντες ὡμολόγησαν αὑτῶν οὐδὲν ἧττον ἢ ἐκείνου [3] προδόται γεγονέναι. ἀλλ’ ἐπειδὴ λαμπρῶς τὸν πόλεμον ἐκφήνας ὁ Οὐίνδιξ ἔγραψε τῷ Γάλβᾳ παρακαλῶν ἀναδέξασθαι τὴν ἡγεμονίαν καὶ παρασχεῖν ἑαυτὸν ἰσχυρῷ σώματι ζητοῦντι κεφαλήν, ταῖς Γαλατίαις δέκα μυριάδας ἀνδρῶν ὡπλισμένων ἐχούσαις ἄλλας τε πλείονας ὁπλίσαι δυναμέναις, προὔθηκε βουλὴν τοῖς φίλοις. ὧν οἱ μὲν ἠξίουν περιμένειν καραδοκοῦντα τίνα κίνησιν ἡ [4] Ῥώμη καὶ φορὰν ἕξει πρὸς τὸν νεωτερισμόν· Τίτος δὲ Οὐίνιος ὁ τοῦ στρατηγικοῦ τάγματος ἡγεμὼν αὐτοῖς εἶπεν· “Ὦ Γάλβα, τίνα τρόπον βουλεύεσθε; τὸ γὰρ ζητεῖν Νέρωνι εἰ πιστοὶ μενοῦμεν, οὐκ ἤδη μενόντων ἐστίν. ὡς οὖν ὑπάρχοντος ἐχθροῦ Νέρωνος οὐ δὴ προετέον τὴν τοῦ Οὐίνδικος φιλίαν, ἢ καὶ κατηγορητέον εὐθὺς αὐτοῦ καὶ πολεμητέον, ὅτι σὲ βούλεται Ῥωμαίους ἔχειν ἄρχοντα μᾶλλον ἢ Νέρωνα τύραννον.”

[5] [1] Ἐκ τούτου προγράμματι μὲν ἐδήλωσεν ὁ Γάλβας ἡμέραν ἐν ᾗ τὰς κατὰ μέρος ἐλευθερώσεις ἀποδώσει τοῖς δεομένοις, λαλιὰ δὲ καὶ φήμη προεκπεσοῦσα πλῆθος ἀνθρώπων ἤθροισε προθύμων ἐπὶ τὸν νεωτερισμόν. οὐκ ἔφθη γοῦν φανερὸς ἐπὶ τοῦ βήματος γενόμενος, καὶ πάντες [2] αὐτὸν ὁμοφώνως αὐτοκράτορα προσεῖπον. ὁ δὲ ταύτην μὲν εὐθὺς οὐ προσεδέξατο τὴν προσηγορίαν, κατηγορήσας δὲ τοῦ Νέρωνος, καὶ τῶν ἀνῃρημένων ἀνδρῶν ὑπ’ αὐτοῦ τοὺς ἐπιφανεστάτους ὀλοφυράμενος, ὡμολόγησεν ἐπιδώσειν τῇ πατρίδι τὴν ἑαυτοῦ πρόνοιαν, οὔτε Καῖσαρ οὔτ’ αὐτοκράτωρ, στρατηγὸς δὲ συγκλήτου καὶ δήμου Ῥωμαίων ὀνομαζόμενος.

[3] Ὅτι δ’ ὀρθῶς ὁ Οὐίνδιξ καὶ λελογισμένως ἐξεκαλεῖτο τὸν Γάλβαν ἐπὶ τὴν ἡγεμονίαν, ἐπιστώσατο μάρτυρι τῷ Νέρωνι. προσποιούμενος γὰρ ἐκείνου καταφρονεῖν καὶ παρ’ οὐδὲν ἡγεῖσθαι τὰ Γαλατῶν, ἅμα τῷ πυθέσθαι τὰ περὶ Γάλβαν (ἔτυχε δὲ λελουμένος καὶ ἀριστῶν) ἀνέτρεψε τὴν [4] τράπεζαν. οὐ μὴν ἀλλὰ συγκλήτου ψηφισαμένης πολέμιον τὸν Γάλβαν αὐτός τε παίζειν καὶ θρασύνεσθαι πρὸς τοὺς φίλους βουλόμενος, οὐ φαύλην ἔφη πρόρρησιν ἐμπεπτωκέναι λογισμοῦ δεομένῳ χρημάτων αὐτῷ· καὶ τὰ μὲν Γαλατῶν, ὅταν ὑποχείριοι γένωνται, λαφυραγωγήσεσθαι, ἡ δὲ Γάλβα πάρεστιν οὐσία χρῆσθαι καὶ πωλεῖν ἤδη πολεμίου πεφηνότος. οὗτός τε δὴ τὰ Γάλβα πιπράσκειν ἐκέλευε, καὶ Γάλβας ἀκούσας, ὅσα Νέρωνος ἦν ἐν Ἰβηρίᾳ κηρύττων εὕρισκε πολλοὺς προθυμοτέρους ὠνητάς.

[6] [1] Ἀφισταμένων δὲ πολλῶν τοῦ Νέρωνος καὶ πάντων ἐπιεικῶς τῷ Γάλβᾳ προστιθεμένων, μόνος Κλώδιος Μάκρος ἐν Λιβύῃ καὶ Οὐεργίνιος Ῥοῦφος ἐν Γαλατίᾳ τοῦ Γερμανικοῦ στρατεύματος ἡγούμενος αὐτοὶ καθ’ ἑαυτοὺς

ἔπραττον, οὐ τὴν αὐτὴν [2] αἵρεσιν ἔχοντες. ἀλλ᾽ ὁ μὲν Κλώδιος, ἐν ἁρπαγαῖς πραγμάτων γεγονὼς καὶ φόνοις ἀνδρῶν δι᾽ ὠμότητα καὶ πλεονεξίαν, δῆλος ἦν ἐν τῷ μήτε κατέχειν μήτε ἀφιέναι τὴν ἀρχὴν δύνασθαι περιφερόμενος, Οὐεργίνιος δὲ ταγμάτων ἐπιστατῶν δυνατωτάτων πολλάκις αὐτὸν ἀναγορευόντων αὐτοκράτορα καὶ βιαζομένων οὔτε αὐτὸς ἔφη λήψεσθαι τὴν ἡγεμονίαν οὔτε ἄλλῳ περιόψεσθαι διδομένην, ὃν ἂν μὴ ἡ [3] σύγκλητος ἕληται. ταῦτα τὸν Γάλβαν οὐ μετρίως ἐθορύβει τὸ πρῶτον· ἐπεὶ δὲ τὰ Οὐεργινίου καὶ Οὐίνδικος στρατεύματα τρόπον τινὰ βίᾳ τοὺς ἡγεμόνας, ὥσπερ ἡνιόχους κρατῆσαι χαλινῶν μὴ δυνηθέντας, εἰς μάχην ἐξενεγκόντα μεγάλην συνέρραξαν, καὶ Οὐίνδικος ἑαυτὸν ἀνελόντος ἐπὶ δισμυρίοις Γαλατῶν πεσοῦσι, διῆλθε λόγος ὡς βουλομένων πάντων ἐπὶ νίκῃ τοσαύτῃ τὸν Οὐεργίνιον ἀναδέξασθαι τὴν ἡγεμονίαν ἢ πάλιν [4] μεταβαλουμένων πρὸς Νέρωνα, τότε δὴ παντάπασι περίφοβος γενόμενος ὁ Γάλβας ἔγραψε τῷ Οὐεργινίῳ, παρακαλῶν κοινοπραγεῖν καὶ διαφυλάσσειν ἅμα τὴν ἡγεμονίαν καὶ τὴν ἐλευθερίαν Ῥωμαίοις· αὖθις δὲ μετὰ τῶν φίλων εἰς Κλουνίαν, Ἰβηρικὴν πόλιν, ἀναχωρήσας ἐν τῷ μετανοεῖν περὶ τῶν γεγονότων καὶ ποθεῖν τὴν συνήθη καὶ σύντροφον ἀπραγμοσύνην μᾶλλον ἢ πράττειν τι τῶν ἀναγκαίων διέτριβεν.

[7] [1] Ἦν δὲ θέρος ἤδη, καὶ βραχὺ πρὸ δείλης ἧκεν ἀπὸ Ῥώμης Ἴκελος ἀνὴρ ἀπελεύθερος ἑβδομαῖος. πυθόμενος δὲ τὸν Γάλβαν ἀναπαύεσθαι καθ᾽ ἑαυτὸν ἐβάδιζε συντόνως ἐπὶ τὸ δωμάτιον αὐτοῦ, καὶ βίᾳ τῶν θαλαμηπόλων ἀνοίξας καὶ παρελθὼν [2] ἀπήγγειλεν ὅτι καὶ ζῶντος ἔτι τοῦ Νέρωνος, οὐκ ὄντος δὲ φανεροῦ, τὸ στράτευμα πρῶτον, εἶτα ὁ δῆμος καὶ ἡ σύγκλητος αὐτοκράτορα τὸν Γάλβαν ἀναγορεύσειεν, ὀλίγον δὲ ὕστερον ἀπαγγελθείη τεθνηκὼς ἐκεῖνος· οὐ μὴν αὐτός γε πιστεύσας ἔφη τοῖς ἀπαγγέλλουσιν, ἀλλὰ ἐπελθὼν τῷ νεκρῷ καὶ κείμενον θεασάμενος, οὕτως ἐξελθεῖν. [3] ταῦτα ἀπαγγελλόμενα λαμπρὸν ἦρε τὸν Γάλβαν, καὶ συνέδραμε πλῆθος ἀνδρῶν ἐπὶ θύρας ἐκτεθαρρηκότων ὑπ᾽ αὐτοῦ βεβαίως. καίτοι τὸ τάχος ἦν ἄπιστον. ἀλλὰ καὶ δυσὶν ἡμέραις ὕστερον Οὐίνιος Τίτος ἀπὸ στρατοπέδου μεθ᾽ ἑτέρων ἀφίκετο τὰ δόξαντα τῇ συγκλήτῳ καθ᾽ ἕκαστον ἀπαγγέλλων. οὗτος μὲν οὖν εἰς τάξιν ἔντιμον προήχθη· τῷ δ᾽ ἀπελευθέρῳ δακτυλίους τε χρυσοῦς ἔδωκε καὶ Μαρκιανὸς ὁ Ἴκελος ἤδη καλούμενος εἶχε τὴν πρώτην ἐν τοῖς ἀπελευθέροις δύναμιν.

[8] [1] Ἐν δὲ Ῥώμῃ Νυμφίδιος Σαβῖνος, οὐκ ἠρέμα καὶ κατὰ μικρόν, ἀλλὰ συλλήβδην ὁμοῦ, πάντα πράγματα φέρων περιήνεγκεν εἰς ἑαυτόν, ὡς Γάλβαν μὲν ὄντα πρεσβύτην καὶ μόλις εἰς Ῥώμην ἐξαρκέσοντα φοράδην κομισθῆναι διὰ γῆρας· ἦν γὰρ ἐτῶν τριῶν καὶ ἑβδομήκοντα· τὰ δὲ αὐτόθι στρατεύματα,

καὶ πάλαι πρὸς αὐτὸν εὐνόως ἔχοντα καὶ νῦν ἑνὸς ἐξηρτημένα μόνου, διὰ τὸ τῆς δωρεᾶς μέγεθος εὐεργέτην ἐκεῖνον ἡγεῖσθαι, [2] Γάλβαν δὲ χρεωφειλέτην. εὐθὺς οὖν Τιγελλίνῳ μὲν τῷ συνάρχοντι προσέταξεν ἀποθέσθαι τὸ ξίφος, ὑποδοχὰς δὲ ποιούμενος ἐδείπνιζε τοὺς ὑπατικοὺς καὶ τοὺς ἡγεμονικούς, ἔτι τὸ Γάλβα προστιθεὶς ὄνομα ταῖς κλήσεσιν, ἔν τε τῷ στρατοπέδῳ πολλοὺς παρεσκεύασε λέγειν ὡς πεμπτέον ἐστὶ πρὸς Γάλβαν αἰτουμένους ἔπαρχον εἰσαεὶ Νυμφίδιον ἄνευ συνάρχοντος.

[3] Ἃ δὲ ἡ σύγκλητος εἰς τιμὴν ἔπραττεν αὐτοῦ καὶ δύναμιν, ἀνακαλοῦσα εὐεργέτην καὶ συντρέχουσα καθ' ἡμέραν ἐπὶ θύρας καὶ παντὸς ἐξάρχειν δόγματος ἀξιοῦσα καὶ βεβαιοῦν, ἔτι περαιτέρω τόλμης ἀνῆγεν αὐτόν, ὥστε ὀλίγου χρόνου τοῖς θεραπεύουσι μὴ μόνον ἐπίφθονον, ἀλλὰ καὶ φοβερὸν [4] εἶναι. τῶν δ' ὑπάτων οἰκέτας δημοσίους προχειρισαμένων τὰ δόγματα κομίζοντας τῷ αὐτοκράτορι, καὶ τὰ καλούμενα διπλώματα σεσημασμένα δόντων, ἃ γνωρίζοντες οἱ κατὰ πόλιν ἄρχοντες ἐν ταῖς τῶν ὀχημάτων ἀμοιβαῖς ἐπιταχύνουσι τὰς προπομπὰς τῶν γραμματηφόρων, οὐ μετρίως ἠγανάκτησεν ὅτι μὴ παρ' αὐτοῦ καὶ σφραγῖδα καὶ στρατιώτας λαβόντες ἀνέπεμψαν, ἀλλὰ λέγεται καὶ βουλεύσασθαι περὶ τῶν ὑπάτων, εἶτα τὴν ὀργὴν ἀπολογησαμένοις καὶ δεηθεῖσιν [5] ἀνῆκε. τῷ δὲ δήμῳ χαριζόμενος οὐκ ἐκώλυε τὸν παραπίπτοντα τῶν Νέρωνος ἀποτυμπανίζειν. Σπῖκλον μὲν οὖν τὸν μονομάχον ἀνδριάσι Νέρωνος ἑλκομένοις ὑποβαλόντες ἐν ἀγορᾷ διέφθειραν, Ἀπόνιον δέ τινα τῶν κατηγορικῶν ἀνατρέψαντες ἁμάξας λιθοφόρους ἐπήγαγον, ἄλλους δὲ διέσπασαν πολλούς, ἐνίους μηδὲν ἀδικοῦντας, ὥστε καὶ Μαύρικον, ἄνδρα τῶν ἀρίστων καὶ ὄντα καὶ δοκοῦντα, πρὸς τὴν σύγκλητον εἰπεῖν ὅτι φοβεῖται μὴ ταχὺ Νέρωνα ζητήσωσιν.

[9] [1] Οὕτω δὲ προσάγων ὁ Νυμφίδιος ἐγγυτέρω ταῖς ἐλπίσιν οὐκ ἔφευγε Γαΐου Καίσαρος υἱὸς λέγεσθαι τοῦ μετὰ Τιβέριον ἄρξαντος. ἐγνώκει γὰρ ὁ Γάϊος, ὡς ἔοικε, τὴν τεκοῦσαν αὐτὸν ἔτι μειράκιον ὢν οὐκ ἀειδῆ τὴν ὄψιν οὖσαν, ἐκ δ' ἀκεστρίας ἐπιμισθίου Καλλίστῳ, Καίσαρος ἀπελευθέρῳ, [2] γεγενημένην. ἀλλ' ἦν ἡ πρὸς Γάϊον ἔντευξις αὐτῆς, ὡς ἔοικε, νεωτέρα τῆς Νυμφιδίου γενέσεως, αἰτίαν δὲ ἔσχεν ἐκ Μαρτιανοῦ τοῦ μονομάχου γεγονέναι, τῆς Νυμφιδίας ἐρασθείσης διὰ δόξαν αὐτοῦ, καὶ μᾶλλον ἐδόκει καθ' ὁμοιότητα [3] τῆς ἰδέας ἐκείνῳ προσήκειν. ἀλλ' ὁμολογῶν γε Νυμφιδίας εἶναι μητρὸς ἔργον μὲν αὐτοῦ μόνου τὴν Νέρωνος ἐποιεῖτο κατάλυσιν, ἆθλα δὲ αὐτῆς οὐ νομίζων ἱκανὰ καρποῦσθαι τὰς τιμὰς καὶ τὰ χρήματα καὶ τὸ Σπόρῳ τοῦ Νέρωνος συγκαθεύδειν, ὃν εὐθὺς ἀπὸ τῆς πυρᾶς ἔτι καιομένου τοῦ νεκροῦ μεταπεμψάμενος ἐκεῖνος ἐν γαμετῆς εἶχε τάξει καὶ Ποππαίαν προσηγόρευεν, ἐπὶ τὴν διαδοχὴν παρεδύετο [4] τῆς ἡγεμονίας. καὶ τὰ μὲν

αὐτὸς ἐν Ῥώμῃ διὰ τῶν φίλων ὑπειργάζετο, καὶ γυναικῶν τινων αὐτῷ καὶ συγκλητικῶν ἀνδρῶν κρύφα συλλαμβανομένων, ἕνα δὲ τῶν φίλων, Γελλιανόν, εἰς Ἰβηρίαν ἔπεμψεν κατασκεψόμενον.

[10] [1] Τῷ δὲ Γάλβᾳ μετὰ τὴν Νέρωνος τελευτὴν ἐχώρει πάντα. Οὐεργίνιος δὲ Ῥοῦφος ἀμφίβολος ὢν ἔτι φροντίδα παρεῖχε, μὴ τῷ δυνάμεως πολλῆς καὶ μαχιμωτάτης ἄρχειν προσειληφὼς τὸ νενικηκέναι Οὐίνδικα καὶ κεχειρῶσθαι μέγα μέρος τῆς Ῥωμαίων ἡγεμονίας, ἐν σάλῳ γενομένην ἀποστατικῷ Γαλατίαν ἅπασαν, ὑπακούσαι τοῖς παρακαλοῦσιν [2] αὐτὸν ἐπὶ τὴν ἀρχήν. οὐδενὸς γὰρ ἦν ὄνομα μεῖζον, οὐδὲ εἶχε δόξαν οὐδεὶς ὅσην ὁ Οὐεργίνιος, ὡς μεγίστη ῥοπὴ τοῖς Ῥωμαίων πράγμασι τυραννίδος ὁμοῦ χαλεπῆς καὶ Γαλατικῶν πολέμων ἀπαλλαγῇ γενόμενος. ἀλλ’ ἐκεῖνος τότε τοῖς ἐξ ἀρχῆς ἐμμένων λογισμοῖς ἐφύλαττε τῇ συγκλήτῳ τὴν αἵρεσιν τοῦ αὐτοκράτορος. καίτοι φανερᾶς γε τῆς Νέρωνος τελευτῆς γενομένης τό τε πλῆθος ἐνέκειτο τῷ Οὐεργινίῳ πάλιν, καὶ τῶν χιλιάρχων τις τῶν ἐν τῇ σκηνῇ σπασάμενος τὸ ξίφος ἐκέλευε τὸν Οὐεργίνιον δέχεσθαι τὴν ἡγεμονίαν [3] ἢ τὸν σίδηρον. ἐπεὶ δὲ Φάβιος Οὐάλης ἄρχων ἑνὸς τάγματος ὥρκωσε πρῶτος εἰς Γάλβαν, καὶ γράμματα ἧκεν ἀπὸ Ῥώμης περὶ ὧν ἡ σύγκλητος ἐψηφίσατο, χαλεπῶς μὲν καὶ μόλις, ἔπεισε δ’ οὖν τοὺς στρατιώτας αὐτοκράτορα τὸν Γάλβαν ἀνειπεῖν· καὶ πέμψαντος αὐτοῦ διάδοχον Φλάκκον Ὁρδεώνιον ἐδέξατο. καὶ παραδοὺς ἐκείνῳ τὴν δύναμιν αὐτὸς ἀπήντησε τῷ Γάλβᾳ πρόσω χωροῦντι, καὶ συνανέστρεφεν, οὔτε ὀργῆς οὔτε τιμῆς [4] ἐπιδήλου τυγχάνων. αἴτιος δὲ τοῦ μὲν αὐτὸς ὁ Γάλβας αἰδούμενος τὸν ἄνδρα, τοῦ δὲ οἱ φίλοι καὶ μάλιστα Οὐίνιος Τίτος, ὑπὸ φθόνου τὸν Οὐεργίνιον οἰόμενος μὲν κολούειν, ἠγνόει δὲ ἄρα τῷ Οὐεργινίου χρηστῷ δαίμονι συνεργῶν, ἤδη τὸν ἄνδρα πολέμων καὶ κακῶν, ὅσα τοὺς ἄλλους ἡγεμόνας κατέσχεν, ἐκτὸς εἰς βίον ἀκύμονα καὶ γῆρας εἰρήνης καὶ ἡσυχίας μεστὸν ὑπεκτιθεμένῳ.

[11] [1] Γάλβαν δὲ περὶ Νάρβωνα, πόλιν Γαλατικήν, οἱ παρὰ τῆς συγκλήτου πρέσβεις ἐντυχόντες ἠσπάζοντο, καὶ παρεκάλουν ἐπιφανῆναι τῷ δήμῳ ποθοῦντι ταχέως. ὁ δὲ τάς τε ἄλλας παρεῖχεν ἐντεύξεις καὶ συνουσίας αὐτοῖς φιλανθρώπους καὶ δημοτικάς, πρός τε τὰς ἑστιάσεις πολλῆς κατασκευῆς καὶ θεραπείας βασιλικῆς παρούσης, ἣν ἐκ τῶν Νέρωνος ὁ Νυμφίδιος αὐτῷ προσέπεμψεν, οὐδενὶ χρώμενος ἐκείνων, ἀλλὰ τοῖς ἑαυτοῦ πᾶσιν, εὐδοκίμει, μεγαλόφρων ἀνὴρ καὶ κρείττων ἀπειροκαλίας [2] φαινόμενος. ταχὺ μέντοι τὰ γενναῖα ταῦτα καὶ ἄτυφα καὶ πολιτικὰ δημαγωγίαν Οὐίνιος ἀποφαίνων καὶ κομψότητα μεγάλων ἀπαξιοῦσαν αὑτήν, ἔπεισε χρήμασί τε χρῆσθαι τοῖς Νέρωνος καὶ περὶ τὰς ὑποδοχὰς μὴ φείδεσθαι τῆς βασιλικῆς πολυτελείας. καὶ

ὅλως αἴσθησιν αὐτοῦ κατὰ μικρὸν ὑπὸ τῷ Οὐινίῳ γενησομένου παρεῖχεν ὁ πρεσβύτης.

[12] [1] Ἦν δὲ Οὐίνιος ἀργυρίου μὲν ἐσχάτως καὶ παρ’ ὁντινοῦν ἥττων, ἔνοχος δὲ καὶ τοῖς περὶ γυναῖκας ἁμαρτήμασιν. ἔτι γὰρ ὢν νέος καὶ στρατευόμενος ὑπὸ Καλβισίῳ Σαβίνῳ τὴν πρώτην στρατείαν ἀκόλαστον οὖσαν τὴν γυναῖκα τοῦ ἡγεμόνος παρεισήγαγε νύκτωρ εἰς τὸ στρατόπεδον ἐν ἐσθῆτι στρατιωτικῇ καὶ διέφθειρεν ἐν τοῖς [2] ἀρχείοις, ἃ πριγκίπια καλοῦσι Ῥωμαῖοι. ἐπὶ τούτῳ δὲ Γάϊος Καῖσαρ ἔδησεν αὐτόν· ἐκείνου δὲ ἀποθανόντος εὐτυχίᾳ χρησάμενος ἀπελύθη. δειπνῶν δὲ παρὰ Κλαυδίῳ Καίσαρι ποτήριον ἀργυροῦν ὑφείλετο· πυθόμενος δὲ ὁ Καῖσαρ τῇ ὑστεραίᾳ πάλιν αὐτὸν ἐπὶ δεῖπνον ἐκάλεσεν, ἐλθόντι δὲ ἐκέλευσεν ἐκείνῳ μηδὲν ἀργυροῦν, ἀλλὰ κεράμεα πάντα προσφέρειν καὶ παρατιθέναι τοὺς ὑπηρέτας.

[3] τοῦτο μὲν οὖν διὰ τὴν Καίσαρος μετριότητα κωμικωτέραν γενομένην γέλωτος, οὐκ ὀργῆς ἄξιον ἔδοξεν· ἃ δὲ τὸν Γάλβαν ἔχων ὑφ’ αὑτῷ, καὶ δυνάμενος μέγιστον ἐπὶ χρήμασιν, ἔπραττε, τραγικῶν παθῶν καὶ συμφορῶν μεγάλων τοῖς μὲν αἰτίαν, τοῖς δὲ πρόφασιν παρέσχεν.

[13] [1] Ὁ γὰρ Νυμφίδιος εὐθὺς ἐπανελθόντος τοῦ Γελλιανοῦ πρὸς αὐτόν, ὃν ἔπεμψε τοῦ Γάλβα τρόπον τινὰ κατάσκοπον, ἀκούσας τῆς μὲν αὐλῆς καὶ τῶν δορυφόρων ἔπαρχον ἀποδεδεῖχθαι Κορνήλιον Λάκωνα, τὸ δὲ σύμπαν εἶναι τοῦ Οὐινίου κράτος, αὐτῷ δὲ μηδέποτε τοῦ Γάλβα στῆναι πλησίον ἐγγεγονέναι μηδὲ ἐντυχεῖν ἰδίᾳ, πάντων αὐτὸν ὑφορωμένων καὶ διαφυλαττόντων, ἐθορυβήθη· [2] καὶ συναγαγὼν τοὺς ἡγεμόνας τοῦ στρατεύματος ἔφη Γάλβαν μὲν αὐτὸν εἶναι πρεσβύτην ἐπιεικῆ καὶ μέτριον, ἐλάχιστα δὲ τοῖς αὑτοῦ χρώμενον λογισμοῖς ὑπὸ Οὐινίου καὶ Λάκωνος οὐκ εὖ διοικεῖσθαι. πρὶν οὖν λαθεῖν αὐτοὺς ἣν ἔσχε Τιγελλῖνος ἰσχὺν ἐν τοῖς πράγμασι κτησαμένους, πεμπτέον εἶναι πρὸς τὸν ἡγεμόνα πρέσβεις ἀπὸ στρατοπέδου τοὺς διδάξοντας ὅτι τῶν φίλων δύο μόνους τούτους ἀποσκευασάμενος ἡδίων παρέσται [3] πᾶσι καὶ ποθεινότερος. ἐπεὶ δὲ ταῦτα λέγων οὐκ ἔπειθεν, ἀλλ’ ἄτοπον ἐδόκει καὶ ἀλλόκοτον ἡγεμόνα πρεσβύτην, ὥσπερ ἄρτι γευόμενον ἐξουσίας μειράκιον, οἷς χρήσεται φίλοις ἢ μή, ῥυθμίζειν, ἑτέραν ὁδὸν τραπόμενος ἔγραφε τῷ Γάλβᾳ δεδιττόμενος, νῦν μὲν ὡς ὕπουλα καὶ μετέωρα πολλὰ τῆς πόλεως ἐχούσης, νῦν δὲ Κλώδιον Μάκρον ἐν Λιβύῃ τὰ σιτηγὰ κατέχειν, αὖθις δὲ παρακινεῖν τὰ Γερμανικὰ τάγματα, καὶ περὶ τῶν ἐν Συρίᾳ καὶ Ἰουδαίᾳ δυνάμεων ὅμοια πυνθάνεσθαι. [4] τοῦ δὲ Γάλβα μὴ πάνυ τὸν νοῦν προσέχοντος αὐτῷ μηδὲ πιστεύοντος ἔγνω προεπιχειρεῖν· καίτοι Κλώδιος Κέλσος Ἀντιοχεύς, ἀνὴρ ἔμφρων, εὔνους δὲ ἐκείνῳ καὶ πιστός, ἀπηγόρευε, λέγων οὐκ ἂν οἴεσθαι μίαν ἐν Ῥώμῃ συνοικίαν

Καίσαρα προσειπεῖν Νυμφίδιον. ἀλλὰ πολλοὶ κατεγέλων, καὶ Μιθριδάτης ὁ Ποντικὸς ἐπισκώπτων τὴν φαλακρότητα καὶ ῥυσσότητα τοῦ Γάλβα νῦν ἔφη τινὰ δοκεῖν εἶναι Ῥωμαίοις, ὀφθέντα δὲ φανεῖσθαι τῶν ἡμερῶν τούτων ἃς καλεῖται Καῖσαρ, ὄνειδος.

[14] [1] Ἔδοξεν οὖν περὶ μέσας νύκτας εἰς τὴν παρεμβολὴν παραγαγόντας ἀναδεικνύειν αὐτοκράτορα τὸν Νυμφίδιον. πρῶτος δὲ τῶν χιλιάρχων Ἀντώνιος Ὀνωράτος ἑσπέρας γενομένης τοὺς ὑφ' ἑαυτῷ στρατιώτας συναγαγὼν ἐκάκιζε μὲν αὑτόν, ἐκάκιζε δὲ ἐκείνους ἐν ὀλίγῳ χρόνῳ τροπὰς τοσαύτας τρεπομένους κατ' οὐδένα λογισμὸν οὐδὲ αἵρεσιν ἀμεινόνων, ἀλλὰ δαίμονός τινος αὐτοὺς ἐκ προδοσίας εἰς προδοσίαν ἐλαύνοντος.

[2] καὶ τὰ μὲν πρῶτα προφάσεις ἔχειν τὰ Νέρωνος ἐγκλήματα· νῦν δὲ Γάλβαν προδιδόναι, τίνα φόνον μητρὸς ἐγκαλοῦντας ἢ σφαγὴν γυναικός, ἢ ποίαν αἰδουμένους θυμέλην ἢ τραγῳδίαν τοῦ αὐτοκράτορος; "Ἀλλ' οὐδὲ ἐκεῖνον ἐπὶ τούτοις ὑπεμείναμεν ἐγκαταλιπεῖν, ἀλλὰ Νυμφιδίῳ πεισθέντες ὅτι πρῶτος ἡμᾶς ἐγκατέλιπε καὶ πέφευγεν εἰς [3] Αἴγυπτον. πότερον οὖν Νέρωνι Γάλβαν ἐπιθυσώμεθα, καὶ τὸν ἐκ Νυμφιδίας ἑλόμενοι Καίσαρα τὸν ἐκ Λιβίας ἀνέλωμεν, ὡς τὸν ἐξ Ἀγριππίνης ἀνείλομεν; ἢ τούτῳ δίκην ἐπιθέντες ὧν δέδρακε, τιμωροὶ μὲν Νέρωνος, Γάλβα δὲ φύλακες ἀγαθοὶ καὶ πιστοὶ φανῶμεν;"

Ταῦτα λέγοντι τῷ χιλιάρχῳ προσέθεντο πάντες οἱ στρατιῶται, καὶ τοὺς ἄλλους προσιόντες ἐμμένειν παρεκάλουν τῇ πρὸς τὸν αὐτοκράτορα πίστει· [4] καὶ τοὺς πλείους μετέστησαν. ἀρθείσης δὲ βοῆς, εἴτε πεισθεὶς ὁ Νυμφίδιος, ὥς φασιν ἔνιοι, καλεῖν αὐτὸν ἤδη τοὺς στρατιώτας, εἴτε προλαβεῖν σπεύδων τὸ θορυβοῦν ἔτι καὶ διστάζον, ὑπὸ φωτὶ πολλῷ προῄει, λόγον τινὰ κομίζων ἐν βιβλίῳ γεγραμμένον ὑπὸ Κιγγωνίου Βάρρωνος, ὃν ἐκμεμελετήκει [5] πρὸς τοὺς στρατιώτας εἰπεῖν. ἰδὼν δὲ κεκλεισμένας τοῦ στρατοπέδου τὰς πύλας καὶ περὶ τὰ τείχη πολλοὺς ὡπλισμένους ἔδεισε· καὶ προσιὼν ἠρώτα τί βούλονται καὶ τίνος κελεύσαντος ἐν ὅπλοις γεγόνασιν. ἀπαντώσης δ' αὐτῷ παρὰ πάντων μιᾶς φωνῆς, Γάλβαν αὐτοκράτορα γινώσκειν, κἀκεῖνος ὁμόσε χωρῶν ἐπευφήμει καὶ [6] τοὺς ἑπομένους ἐκέλευε. τῶν δὲ παρὰ τὰς πύλας παρέντων αὐτὸν εἰσελθεῖν μετ' ὀλίγων αὐτὸς ἀκοντίζεται λόγχῃ· καὶ ταύτην μὲν ἐδέξατο πρὸ αὐτοῦ θυρεῷ Σεπτίμιος, ἄλλων δὲ γυμνοῖς ξίφεσιν ἐπιφερομένων φυγὼν καὶ διωχθεὶς ἐν οἰκήματι στρατιώτου σφάττεται. καὶ τὸν νεκρὸν εἰς μέσον ἑλκύσαντες καὶ περιβαλόντες κιγκλίδα θέαμα τοῖς βουλομένοις μεθ' ἡμέραν παρέσχον.

[15] [1] Οὕτω δὲ τοῦ Νυμφιδίου καταστρέψαντος ὁ Γάλβας πυθόμενος, καὶ τῶν συνωμοτῶν αὐτοῦ κελεύσας ἀποθανεῖν ὅσοι μὴ δι' αὐτῶν εὐθὺς

ἀπέθανον, ἐν οἷς ἦν καὶ Κιγγώνιος ὁ τὸν λόγον γράψας καὶ Μιθριδάτης ὁ Ποντικός, ἔδοξε μὴ νομίμως, εἰ καὶ δικαίως, μηδὲ δημοτικῶς ἀνῃρηκέναι πρὸ κρίσεως ἄνδρας οὐκ ἀσήμους. ἕτερον γὰρ ἡγεμονίας σχῆμα προσεδέχοντο πάντες, ἐξαπατώμενοι [2] συνήθως ὑπὸ τῶν ἐν ἀρχῇ λεγομένων. ἔτι δὲ μᾶλλον ἠνίασεν αὐτοὺς ἀνὴρ ὑπατικὸς καὶ Νέρωνι πιστὸς ἀποθανεῖν κελευσθείς, Πετρώνιος Τουρπιλιανός. Μάκρον γὰρ ἐν Λιβύῃ διὰ Τρεβωνίου καὶ Φοντήϊον ἐν Γερμανίᾳ διὰ Οὐάλεντος ἀνελὼν πρόφασιν εἶχεν ἐν ὅπλοις καὶ στρατοπέδοις ὄντας φοβηθῆναι. Τουρπιλιανὸν δέ, γέροντα γυμνὸν καὶ ἄνοπλον, λόγου μεταλαβεῖν οὐδὲν ἐκώλυεν, εἴ τις ἣν ἐπαγγέλλεται μετριότητα τοῖς πράγμασιν ἔργῳ φυλάξειν ἔμελλε.

[3] Ταῦτα μὲν οὖν τοιαύτας ἔχει μέμψεις. ἐπεὶ δὲ προσιὼν ἀπεῖχε τῆς πόλεως περὶ πέντε καὶ εἴκοσι σταδίους, ἐνετύγχανεν ἀκοσμίᾳ καὶ θορύβῳ τῶν ἐρετῶν τὴν ὁδὸν προκατεχόντων καὶ περικεχυμένων πανταχόθεν. οὗτοι δὲ ἦσαν οὓς εἰς ἓν τάγμα [4] ὁ Νέρων συλλοχίσας ἀπέφηνε στρατιώτας· καὶ τότε παρόντες ἐκβεβαιώσασθαι τὴν στρατείαν οὔτ᾽ ὀφθῆναι τοῖς ἀπαντῶσιν οὔτ᾽ ἀκουσθῆναι παρίεσαν τὸν αὐτοκράτορα, ἀλλ᾽ ἐθορύβουν βοῇ σημεῖα τῷ τάγματι καὶ χώραν αἰτοῦντες. ἐκείνου δὲ ὑπερτιθεμένου καὶ πάλιν εἰπεῖν κελεύσαντος, ἀρνήσεως σχῆμα τὴν ἀναβολὴν εἶναι φάσκοντες ἠγανάκτουν καὶ παρείποντο μὴ φειδόμενοι βοῆς. ἐνίων δὲ καὶ τὰς μαχαίρας σπασαμένων, ἐκέλευσε τοὺς ἱππεῖς ἐμβαλεῖν αὐτοῖς ὁ Γάλβας. ὑπέστη δὲ οὐδεὶς ἐκείνων, ἀλλ᾽ οἱ μὲν εὐθὺς ἀνατραπέντες, οἱ δὲ φεύγοντες διεφθάρησαν, οὐ χρηστὸν οὐδὲ αἴσιον ποιοῦντες τῷ Γάλβᾳ τὸν οἰωνὸν εἰσιόντι διὰ πολλοῦ φόνου καὶ νεκρῶν τοσούτων εἰς τὴν πόλιν. ἀλλ᾽ εἰ καί τις αὐτοῦ κατεφρόνει πρότερον ἀσθενοῦς καὶ γέροντος ὁρωμένου, τότε πᾶσι φρικώδης καὶ φοβερὸς ἐγένετο.

[16] [1] Βουλόμενος δὲ τῆς περὶ τὰς δωρεὰς ἀμετρίας καὶ πολυτελείας τοῦ Νέρωνος ἀποδεικνύναι μεγάλην μεταβολήν, ἀστοχεῖν ἐδόκει τοῦ πρέποντος. Κάνου γὰρ αὐλήσαντος αὐτῷ παρὰ δεῖπνον (ἀκρόαμα δὲ ἦν ὁ Κάνος εὐδοκιμούμενον) ἐπαινέσας καὶ ἀποδεξάμενος ἐκέλευσεν αὑτῷ κομισθῆναι τὸ γλωσσόκομον· καὶ λαβὼν χρυσοῦς τινας ἐπέδωκε τῷ Κάνῳ, φήσας ἐκ τῶν ἰδίων, οὐκ [2] ἐκ τῶν δημοσίων χαρίζεσθαι. τὰς δὲ δωρεὰς ἃς Νέρων ἔδωκε τοῖς περὶ σκηνὴν καὶ παλαίστραν, ἀπαιτεῖσθαι συντόνως κελεύσας πλὴν τοῦ δεκάτου μέρους, εἶτα μικρὰ καὶ γλίσχρα κομιζόμενος (ἀνηλώκεσαν γὰρ οἱ πλεῖστοι τῶν λαβόντων, ἐφήμεροι καὶ σατυρικοὶ τοῖς βίοις ἄνθρωποι) τοὺς πριαμένους παρ᾽ αὐτῶν ἢ λαβόντας ὁτιοῦν [3] ἀνεζήτει καὶ παρ᾽ ἐκείνων ἐξέπραττε. τοῦ δὲ πράγματος ὅρον οὐκ ἔχοντος, ἀλλὰ πόρρω νεμομένου καὶ προϊόντος ἐπὶ πολλούς, αὐτὸς μὲν ἠδόξει, φθόνον δὲ καὶ μῖσος εἶχεν Οὐίνιος, ὡς τοῖς μὲν ἄλλοις ἅπασιν ἀνελεύθερον παρέχων τὸν ἡγεμόνα καὶ

μικρολόγον, αὐτὸς δὲ χρώμενος ἀσώτως καὶ λαμβάνων πάντα καὶ πιπράσκων.

[4] ὁ μὲν γὰρ Ἡσίοδος

ἀρχομένου τε πίθου καὶ λήγοντος κορέσασθαι

φησὶ δεῖν, ὁ δὲ Οὐίνιος ὁρῶν ἀσθενῆ καὶ γέροντα τὸν Γάλβαν ἐνεπίμπλατο τῆς τύχης, ὡς ἅμα μὲν ἀρχομένης, ἅμα δὲ φθινούσης.

[17] [1] Ὁ δὲ πρεσβύτης ἠδικεῖτο τὰ μὲν πρῶτα τοῦ Οὐινίου κακῶς διοικοῦντος, ἃ δὲ αὐτὸς ὀρθῶς προῃρεῖτο διαβάλλοντος ἢ κωλύοντος· οἷον ἦν τὸ περὶ τὰς κολάσεις τῶν Νερωνιανῶν.

[2] ἀπέκτεινε γὰρ τοὺς πονηρούς, ἐν οἷς ἦν ὁ Ἥλιος καὶ Πολύκλειτος καὶ Πετῖνος καὶ Πατρόβιος. ὁ δὲ δῆμος ἐκρότει, καὶ δι' ἀγορᾶς αὐτῶν ἀγομένων ἐβόα καλὴν μὲν εἶναι καὶ θεοφιλῆ πομπήν, ἀπαιτεῖν δὲ καὶ θεοὺς καὶ ἀνθρώπους τὸν διδάσκαλον καὶ παιδαγωγὸν τῆς τυραννίδος Τιγελλῖνον. ἐφθάκει δὲ ὁ γενναῖος προειληφὼς ἀρραβῶσι [3] μεγάλοις τὸν Οὐίνιον. εἶτα Τουρπιλιανὸς μέν, ὅτι μὴ προεδίδου μηδὲ ἐμίσει τὸν ἡγεμόνα τοιοῦτον ὄντα μισούμενος, ἄλλο δὲ μηδὲ ἓν μέγα συναδικήσας, ἀπέθανεν· ὁ δὲ καὶ ποιήσας ἄξιον θανάτου Νέρωνα καὶ γενόμενον τοιοῦτον ἐγκαταλιπὼν καὶ προδοὺς περιῆν, μέγα δίδαγμα τοῦ μηδὲν ἄπρακτον εἶναι παρὰ Οὐινίῳ μηδὲ [4] ἀνέλπιστον τοῖς διδοῦσιν. οὐδενὸς γὰρ οὕτω θεάματος ἐρασθεὶς ὁ Ῥωμαίων δῆμος ὡς τοῦ Τιγελλῖνον ἰδεῖν ἀπαγόμενον, οὐδὲ παυσάμενος ἐν πᾶσι θεάτροις καὶ σταδίοις αἰτούμενος ἐκεῖνον, ἐπεπλήχθη διαγράμματι τοῦ αὐτοκράτορος Τιγελλῖνον μὲν οὐ πολὺν ἔτι βιώσεσθαι φάσκοντος χρόνον ὑπὸ φθινάδος νόσου δαπανώμενον, ἐκείνους δὲ παραιτουμένου μὴ διαγριαίνειν [5] μηδὲ τυραννικὴν ποιεῖν τὴν ἡγεμονίαν. ἀχθομένου δὲ τοῦ δήμου καταγελῶντες ὁ μὲν Τιγελλῖνος ἔθυσε σωτήρια καὶ παρεσκεύασε λαμπρὰν ἑστίασιν, ὁ δὲ Οὐίνιος ἀναστὰς παρὰ τοῦ αὐτοκράτορος μετὰ δεῖπνον ἐκώμασεν ὡς ἐκεῖνον, ἄγων τὴν θυγατέρα χήραν οὖσαν. καὶ προὔπιεν ὁ Τιγελλῖνος αὐτῇ πέντε καὶ εἴκοσι μυριάδας ἀργυρίου, καὶ τῶν παλλακίδων τὴν ἀγελαρχοῦσαν ἐκέλευσε τὸν περιδέραιον κόσμον ἀφελομένην ἐκείνῃ περιάψαι, πεντεκαίδεκα μυριάδων εἶναι λεγόμενον.

[18] [1] Ἐκ δὲ τούτου καὶ τὰ μετρίως πραττόμενα διαβολὴν εἶχεν, ὡς τὰ πρὸς τοὺς Γαλάτας Οὐΐνδικι συναραμένους. ἐδόκουν γὰρ οὐ φιλανθρωπίᾳ τοῦ αὐτοκράτορος, ἀλλὰ ὠνούμενοι παρὰ Οὐινίου τυγχάνειν ἀνέσεώς τε δασμῶν καὶ [2] πολιτείας. οἱ μὲν οὖν πολλοὶ διὰ ταῦτα πρὸς τὴν ἡγεμονίαν ἀπηχθάνοντο, τοὺς δὲ στρατιώτας τὴν δωρεὰν μὴ κομιζομένους ἐν ἀρχῇ μὲν ἐλπὶς παρῆγεν ὡς, εἰ καὶ μὴ τοσοῦτον, ἀλλ' ὅσον Νέρων ἔδωκεν, ἀποδώσοντος. ἐπεὶ δὲ μεμφομένους ἀκούσας ἀφῆκε φωνὴν ἡγεμόνι μεγάλῳ

πρέπουσαν, εἰπὼν εἰωθέναι καταλέγειν στρατιώτας, οὐκ ἀγοράζειν, πυθομένοις τοῦτο δεινὸν εἰσῆλθε μῖσος καὶ ἄγριον πρὸς αὐτόν. ἐδόκει γὰρ οὐκ αὐτὸς ἀποστερεῖν μόνος, ἀλλὰ νομοθετεῖν καὶ διδάσκειν τοὺς μεθ’ αὑτὸν αὐτοκράτορας.

[3] Ἀλλὰ τὸ μὲν ἐν Ῥώμῃ τυφλὸν ἦν ἔτι κίνημα, καί τις αἰδὼς ἅμα πρὸς παρόντα τὸν Γάλβαν ἀμβλύτητα καὶ μέλλησιν ἐνεποίει τῷ νεωτερισμῷ, καὶ τὸ μηδεμίαν ἀρχὴν ἐμφανῆ μεταβολῆς ὁρᾶσθαι συνέστελλε καὶ συνέκρυπτεν ἁμῶς γέ πως τὴν δυσμένειαν αὐτῶν. οἱ δὲ πρότερον ὑπὸ Οὐεργινίῳ γενόμενοι, τότε δ’ ὄντες ὑπὸ Φλάκκῳ περὶ Γερμανίαν, μεγάλων μὲν ἀξιοῦντες αὑτοὺς διὰ τὴν μάχην ἣν ἐμαχέσαντο πρὸς Οὐΐνδικα, μηδενὸς δὲ τυγχάνοντες, ἀπαρηγόρητοι τοῖς [4] ἄρχουσιν ἦσαν. αὐτὸν δὲ τὸν Φλάκκον ὑπὸ συντόνου ποδάγρας ἀδύνατον ὄντα τῷ σώματι καὶ πραγμάτων ἄπειρον ἐν οὐδενὶ λόγῳ τὸ παράπαν ἐποιοῦντο. καί ποτε θέας οὔσης, καὶ τῶν χιλιάρχων καὶ λοχαγῶν τὸ Ῥωμαίοις σύνηθες εὐτυχίαν ἐπευχομένων τῷ αὐτοκράτορι Γάλβᾳ, διεθορύβησαν οἱ πολλοὶ τὸ πρῶτον, εἶτα ταῖς εὐχαῖς ἐπιμενόντων ἐκείνων ἀντεφώνουν “Εἰ ἄξιος.”

[19] [1] Τοιαῦτα δὲ ἕτερα καὶ τῶν ὑπὸ Τιγελλίνῳ ταγμάτων ὑβριζόντων πολλάκις, ἐπέμπετο γράμματα τῷ Γάλβᾳ παρὰ τῶν ἐπιτρόπων· ὁ δὲ φοβηθεὶς ὡς μὴ μόνον διὰ τὸ γῆρας, ἀλλὰ καὶ διὰ τὴν ἀπαιδίαν καταφρονούμενος, ἐβουλεύετο παῖδα θέσθαι τῶν ἐπιφανῶν τινα νεανίσκον καὶ [2] διάδοχον ἀποδεῖξαι τῆς ἀρχῆς. ἦν δὲ Μάρκος Ὄθων, ἀνὴρ γένει μὲν οὐκ ἀφανής, τρυφῇ δὲ καὶ φιληδονίαις εὐθὺς ἐκ παίδων ἐν ὀλίγοις Ῥωμαίων διεφθαρμένος. ὡς δὲ τὸν Ἀλέξανδρον Ὅμηρος “Ἑλένης πόσιν ἠϋκόμοιο,” μηδὲν ἔχοντα πρὸς δόξαν ἄλλο σεμνύνων ἀπὸ τῆς γυναικός, ὀνομάζει πολλάκις, οὕτως γεγονὼς περιβόητος ἐν Ῥώμῃ διὰ τὸν Ποππαίας γάμον, ἧς ἤρα μὲν ὁ Νέρων Κρισπίνῳ συνούσης, ἔτι δ’ αἰδούμενος τὴν ἑαυτοῦ γυναῖκα καὶ τὴν μητέρα φοβούμενος ὑφῆκε τὸν [3] Ὄθωνα πειρῶντα τὴν Ποππαίαν. φίλῳ δὲ τῷ Ὄθωνι καὶ συμβιωτῇ διὰ τὴν ἀσωτίαν ἐχρῆτο, καὶ σκωπτόμενος ὑπ’ αὐτοῦ πολλάκις εἰς μικρολογίαν καὶ ἀνελευθερίαν ἔχαιρε. λέγεται δέ ποτε μύρῳ τῶν πολυτελῶν χρισαμένου τοῦ Νέρωνος καὶ τὸν Ὄθωνα καταβρέξαντος, ἐκεῖνος πάλιν τῇ ὑστεραίᾳ δεχόμενος αὐτὸν ἅμα πολλαχόθεν ἀργυροῦς καὶ χρυσοῦς προβαλεῖν ἄφνω σωλῆνας, ὥσπερ ὕδωρ τὸ μύρον ἐκχέοντας καὶ [4] κατακλύζοντας. ἀλλὰ τήν γε Ποππαίαν προμοιχεύσας τῷ Νέρωνι, καὶ διαφθείρας ταῖς εἰς ἐκεῖνον ἐλπίσιν, ἔπεισεν ἀποστῆναι τοῦ ἀνδρός. ἐλθούσης δὲ παρ’ αὐτὸν ὡς γαμετῆς οὐκ ἠγάπα μετέχων, ἀλλ’ ἤσχαλλε μεταδιδούς, οὐδὲ αὐτῆς ἀχθομένης, ὥς φασι, τῇ ζηλοτυπίᾳ τῆς Ποππαίας.

[5] καὶ γὰρ ἀποκλεῖσαι τὸν Νέρωνα λέγεται μὴ παρόντος τοῦ Ὄθωνος, εἴτε τῆς ἡδονῆς ἀφαιροῦσα τὸ πλήσμιον, εἴτε, ὥς φασιν ἔνιοι, βαρυνομένη τὸν Καίσαρος γάμον, ἐραστῇ δὲ μὴ φεύγουσα χρῆσθαι διὰ τὸ φιλακόλαστον. ἐκινδύνευσεν οὖν ὁ Ὄθων ἀποθανεῖν· καὶ παράλογον ἦν ὅτι τὴν γυναῖκα καὶ ἀδελφὴν ἀποκτείνας διὰ τὸν Ποππαίας γάμον ἐφείσατο τοῦ Ὄθωνος.

[20] [1] Σενέκαν δὲ εἶχεν εὔνουν· κἀκείνου τὸν Νέρωνα πείσαντος καὶ παραινέσαντος ἐξεπέμφθη Λυσιτανῶν στρατηγὸς ἐπὶ τὸν Ὠκεανόν. καὶ παρέσχεν ἑαυτὸν οὐκ ἄχαριν οὐδὲ ἐπαχθῆ τοῖς ὑπηκόοις, εἰδὼς φυγῆς ὑποκόρισμα καὶ παρακάλυμμα [2] τὴν ἀρχὴν αὐτῷ δεδομένην. ἀποστάντος δὲ Γάλβα πρῶτος αὐτῷ προσεχώρησε τῶν ἡγεμόνων, καὶ φέρων ὅσον εἶχεν ἐν ἐκπώμασι καὶ τραπέζαις ἄργυρον καὶ χρυσὸν ἔδωκε κατακόψαι ποιουμένῳ νόμισμα, καὶ τῶν οἰκετῶν ἐδωρήσατο τοὺς εἰθισμένους περὶ δίαιταν ἡγεμόνι ἐμμελῶς ὑπουργεῖν. καὶ τὰ ἄλλα πιστὸς ἦν αὐτῷ, καὶ διδοὺς πεῖραν οὐδενὸς ἧττον ἐδόκει πραγμάτων ἔμπειρος εἶναι· καὶ βαδίζοντι τὴν ὁδὸν ἅπασαν ἐφ’ ἡμέρας πολλὰς συνοχούμενος διετέλεσεν.

[3] ἐν δὲ τῇ συνοδίᾳ καὶ τῇ συνηθείᾳ τὸν Οὐίνιον ἐξεθεράπευσεν ὁμιλίᾳ καὶ δώροις, μάλιστα δὲ τῶν πρωτείων ὑφιέμενος αὐτῷ τό γε μετ’ ἐκεῖνον δύνασθαι δι’ ἐκεῖνον εἶχε βεβαίως. τῷ δὲ ἀνεπιφθόνῳ περιῆν, προῖκα συμπράττων πάντα τοῖς δεομένοις, καὶ παρέχων ἑαυτὸν εὐπροσήγορον καὶ φιλάνθρωπον ἅπασι. πλεῖστα δὲ τοῖς στρατιωτικοῖς συνελάμβανε καὶ προῆγε πολλοὺς ἐφ’ ἡγεμονίας, τὰ μὲν αἰτούμενος ἀπὸ τοῦ αὐτοκράτορος, [4] τὰ δὲ τὸν Οὐίνιον καὶ τοὺς ἀπελευθέρους παρακαλῶν Ἴκελον καὶ Ἀσιατικόν· οὗτοι γὰρ ἦσαν ἐν δυνάμει μάλιστα τῶν περὶ τὴν αὐλήν. ὁσάκις δὲ τὸν Γάλβαν εἱστία, τὴν παραφυλάττουσαν ἀεὶ σπεῖραν ἐδέκαζε χρυσοῦν ἑκάστῳ διανέμων, οἷς τιμᾶν αὐτὸν ἐδόκει καταπολιτευόμενος καὶ δημαγωγῶν τὸ στρατιωτικόν.

[21] [1] Ἀλλ’ οὖν βουλευομένου γε τοῦ Γάλβα περὶ διαδόχου τὸν Ὄθωνα παρεισῆγεν ὁ Οὐίνιος, οὐδὲ τοῦτο προῖκα πράσσων, ἀλλ’ ἐπὶ γάμῳ τῆς θυγατρός, ὁμολογίας γενομένης γαμεῖν αὐτὴν τὸν Ὄθωνα παῖδα τοῦ Γάλβα καὶ διάδοχον ἀποδειχθέντα τῆς ἡγεμονίας. ὁ δὲ Γάλβας ἀεὶ μὲν ἦν δῆλος πρὸ τοῦ ἰδίου τὸ κοινὸν τιθέμενος καὶ ζητῶν οὐχ αὑτῷ θέσθαι τὸν ἥδιστον, ἀλλὰ Ῥωμαίοις [2] τὸν ὠφελιμώτατον. δοκεῖ δὲ μηδ’ ἂν ἐπὶ τοῖς ἰδίοις χρήμασι μόνον ἑλέσθαι τὸν Ὄθωνα κληρονόμον, ἀκόλαστον εἰδὼς καὶ πολυτελῆ καὶ πεντακισχιλίων μυριάδων ὀφλήμασι βεβαπτισμένον. ὅθεν ἀκούσας τοῦ Οὐινίου σιωπῇ καὶ πρᾴως ὑπερέθετο τὴν διάθεσιν. ἀποδείξας δ’ αὑτὸν ὕπατον καὶ συνάρχοντα τὸν Οὐίνιον ἐπίδοξος ἦν ἔτους ἀρχῇ τὸν διάδοχον

ἀναγορεύσειν· καὶ τὸ στρατιωτικὸν ἡδέως εἶχε τὸν Ὄθωνα παρ᾽ ὁντινοῦν ἄλλον ἀναγορευθῆναι.

[22] [1] Καταλαμβάνει δ᾽ αὐτὸν ἔτι μέλλοντα καὶ βουλευόμενον ἐκραγέντα τὰ Γερμανικά. κοινῇ γὰρ ἅπαντες οἱ στρατευόμενοι τὸν Γάλβαν ἐμίσουν οὐκ ἀποδιδόντα τὴν δωρεάν, ἰδίας δὲ ἐκεῖνοι προφάσεις ἐποιοῦντο Οὐεργίνιόν τε Ῥοῦφον ἀπερριμμένον ἀτίμως καὶ Γαλατῶν τοὺς πολεμήσαντας [2] αὐτοῖς δωρεῶν τυγχάνοντας, ὅσοι δὲ μὴ προσέθεντο Οὐΐνδικι κολαζομένους, ᾧ μόνῳ τὸν Γάλβαν χάριν εἰδέναι καὶ τιμᾶν τεθνηκότα καὶ γεραίρειν δημοσίοις ἐναγισμοῖς, ὡς ὑπ᾽ ἐκείνου Ῥωμαίων [3] ἀποδεδειγμένον αὐτοκράτορα. τοιούτων ἀναφανδὸν ἤδη λόγων ἐν τῷ στρατοπέδῳ περιφερομένων ἐπῆλθεν ἡ νουμηνία τοῦ πρώτου μηνός, ἣν καλάνδας Ἰανουαρίας καλοῦσι· τοῦ δὲ Φλάκκου συναγαγόντος αὐτοὺς ἐπὶ τὸν ὅρκον ὃν ἔθος ἐστὶν ὀμνύειν ὑπὲρ τοῦ αὐτοκράτορος, τὰς μὲν εἰκόνας τοῦ Γάλβα προσελθόντες ἀνέτρεψαν καὶ κατέσπασαν, αὐτοὶ δὲ ὀμόσαντες ὑπὲρ συγκλήτου καὶ [4] δήμου Ῥωμαίων διελύθησαν. εἶτα τοῖς ἡγεμονικοῖς παρίστατο δεδοικέναι τὴν ἀναρχίαν ὡς ἀπόστασιν. λέγει δέ τις ἐν αὐτοῖς· “Τί πάσχομεν, ὦ συστρατιῶται, μήτ᾽ ἄλλον ἡγεμόνα ποιούμενοι μήτε τὸν νῦν ὄντα φυλάττοντες, ὥσπερ οὐ Γάλβαν, ἀλλ᾽ ὅλως ἄρχοντα καὶ τὸ ἄρχεσθαι [5] φεύγοντες; Φλάκκον μὲν οὖν Ὁρδεώνιον οὐδὲν ἄλλο ἢ σκιὰν ὄντα Γάλβα καὶ εἴδωλον ἐατέον, ἡμέρας δὲ μιᾶς ὁδὸν ἀφέστηκεν ἡμῶν Οὐϊτέλλιος, ὁ τῆς ἑτέρας Γερμανίας ἡγούμενος, πατρός τε τιμητοῦ καὶ τρὶς ὑπάτου γενομένου καὶ Κλαυδίῳ Καίσαρι τρόπον τινὰ συνάρξαντος, αὐτός τε τὴν λοιδορουμένην ὑπ᾽ ἐνίων πενίαν δεῖγμα λαμπρὸν ἔχων χρηστότητος καὶ μεγαλοφροσύνης. φέρε, τοῦτον ἑλόμενοι δείξωμεν ἀνθρώποις πᾶσιν ὡς Ἰβήρων καὶ Λυσιτανῶν ἀμείνους ἐσμὲν αὐτοκράτορα αἱρεῖσθαι.”

[6] Ταῦτα τῶν μὲν ἤδη προσιεμένων, τῶν δ᾽ οὐ προσιεμένων, εἷς ὑπεξελθὼν σημαιοφόρος ἀπήγγειλε τῷ Οὐϊτελλίῳ νυκτός, ἑστιωμένων πολλῶν παρ᾽ αὐτῷ. τοῦ δὲ λόγου διαπεσόντος εἰς τὰ στρατεύματα πρῶτος Φάβιος Οὐάλης, ἡγεμὼν ἑνὸς τάγματος, τῇ ὑστεραίᾳ μετὰ ἱππέων συχνῶν ἐλάσας αὐτοκράτορα τὸν Οὐϊτέλλιον προσεῖπεν.

[7] ὁ δὲ τὰς μὲν ἔμπροσθεν ἡμέρας ἐδόκει διωθεῖσθαι καὶ ἀναδύεσθαι, τὸ μέγεθος τῆς ἀρχῆς φοβούμενος, τότε δέ φασιν οἴνου διάπλεων καὶ τροφῆς ὄντα μεσημβρινῆς προελθεῖν καὶ ὑπακοῦσαι Γερμανικὸν ὄνομα θεμένων αὐτῷ, τὸ δὲ Καίσαρος [8] οὐ προσδεξάμενον. εὐθὺς δὲ καὶ τὸ μετὰ Φλάκκου στράτευμα τοὺς καλοὺς ἐκείνους καὶ δημοκρατικοὺς εἰς σύγκλητον ὅρκους ἀφέντες ὤμοσαν Οὐϊτελλίῳ τῷ αὐτοκράτορι ποιήσειν τὸ προστασσόμενον.

[23] [1] Οὕτω μὲν ἀνηγορεύθη Οὐϊτέλλιος αὐτοκράτωρ ἐν Γερμανίᾳ. πυθόμενος δὲ τὸν ἐκεῖ νεωτερισμὸν ὁ Γάλβας οὐκέτι τὴν εἰσποίησιν ἀνεβάλλετο. γινώσκων δὲ τῶν φίλων ἐνίους μὲν ὑπὲρ Δολοβέλλα, τοὺς δὲ πλείστους ὑπὲρ Ὄθωνος ἀρχαιρεσιάζοντας, ὧν οὐδέτερον ἐδοκίμαζεν αὐτός, ἄφνω μηδὲν προειπὼν μετεπέμψατο Πείσωνα, Κράσσου καὶ Σκριβωνίας ἔκγονον, οὓς Νέρων [2] ἀνῃρήκει, νεανίαν ἐν τῇ πρὸς πᾶσαν ἀρετὴν εὐφυΐᾳ τὸ κόσμιον καὶ αὐστηρὸν ἐμφανέστατα ἔχοντα· καὶ κατέβαινεν εἰς τὸ στρατόπεδον ἐκεῖνον ἀποδείξων Καίσαρα καὶ διάδοχον. καίτοι μεγάλαι μὲν εὐθὺς ἐξιόντι διοσημίαι παρηκολούθουν, ἀρξαμένου δὲ τὰ μὲν λέγειν ἐν τῷ στρατοπέδῳ, τὰ δὲ ἀναγινώσκειν, τοσαυτάκις ἐβρόντησε καὶ κατήστραψε, καὶ τοσοῦτος ὄμβρος καὶ ζόφος ἐξεχύθη εἰς τὸ στρατόπεδον καὶ τὴν πόλιν, ὡς κατάδηλον εἶναι μὴ προσιέμενον μηδὲ ἐπαινοῦν τὸ δαιμόνιον γινομένην οὐκ ἐπ᾽ ἀγαθῷ τὴν εἰσποίησιν.

[3] ἦν δὲ καὶ τὰ τῶν στρατιωτῶν ὕπουλα καὶ σκυθρωπὰ μηδὲ τότε δωρεᾶς αὐτοῖς δοθείσης.

Τοῦ δὲ Πείσωνος οἱ παρόντες ἐθαύμασαν τῇ τε φωνῇ τεκμαιρόμενοι καὶ τῷ προσώπῳ τὸ τηλικαύτην χάριν ἀνεμπλήκτως, οὐ μὴν ἀναισθήτως δεχόμενον, ὥσπερ αὖ τοῦ Ὄθωνος ἐπεφαίνετο πολλὰ σημεῖα τῇ μορφῇ πικρῶς καὶ σὺν ὀργῇ τῆς ἐλπίδος τὴν ἀπότευξιν φέροντος, ἧς πρῶτος ἀξιωθεὶς καὶ τοῦ τυχεῖν ἐγγυτάτω γενόμενος τὸ μὴ τυχεῖν ἐποιεῖτο σημεῖον ἔχθους ἅμα καὶ κακονοίας [4] τοῦ Γάλβα πρὸς αὐτόν. ὅθεν οὐδὲ ἄφοβος ἦν περὶ τοῦ μέλλοντος, ἀλλὰ καὶ τὸν Πείσωνα δεδιὼς καὶ τὸν Γάλβαν προβαλλόμενος καὶ τῷ Οὐινίῳ χαλεπαίνων ἀπῄει πολλῶν παθῶν πλήρης. οὐδὲ γὰρ τὸ ἐλπίζον ἐκλιπεῖν οὐδὲ ἀπαγορεῦσαι παντάπασιν εἴων οἱ περὶ αὐτὸν ὄντες ἀεὶ μάντεις καὶ Χαλδαῖοι, εἰς τὰ μάλιστα δὲ Πτολεμαῖος ἰσχυριζόμενος τῷ προειπεῖν πολλάκις ὡς οὐκ ἀποκτενεῖ Νέρων αὐτόν, ἀλλὰ τεθνήξεται πρότερος, αὐτὸς δὲ περιέσται καὶ ἄρξει Ῥωμαίων (ἐκεῖνο γὰρ ἀληθὲς ἀποδείξας ἠξίου μηδὲ ταῦτα ἀπελπίζειν)· οὐχ ἥκιστα δ᾽ οἱ συναχθόμενοι κρύφα καὶ συνεπιστένοντες ὡς ἀχάριστα πεπονθότι. πλεῖστοι δὲ τῶν περὶ Τιγελλῖνον καὶ Νυμφίδιον ἐν τιμῇ γεγονότων ἀπερριμμένοι τότε καὶ ταπεινὰ πράττοντες ἐφθείροντο πρὸς αὐτὸν καὶ συνηγανάκτουν καὶ παρώξυνον.

[24] [1] Ἐν δὲ τούτοις Οὐετούριος καὶ Βάρβιος, ὁ μὲν ὀπτίων, ὁ δὲ τεσσεράριος· οὕτω γὰρ καλοῦνται οἱ διαγγέλων καὶ διοπτήρων ὑπηρεσίας τελοῦντες. μεθ᾽ ὧν Ὄθωνος ἀπελεύθερος Ὀνόμαστος ἐπιφοιτῶν τοὺς μὲν ἀργυρίῳ, τοὺς δὲ ἐλπίσι διέφθειρεν ἤδη σαθροὺς ὄντας καὶ δεομένους προφάσεως. οὐ γὰρ ἦν ἡμερῶν τεσσάρων ἔργον ὑγιαίνοντος στρατοπέδου

μεταστῆσαι πίστιν, ὅσαι μεταξὺ τῆς εἰσποιήσεως ἐγένοντο καὶ τῆς σφαγῆς. ἕκτῃ γὰρ ἀνῃρέθησαν, ἣν ἄγουσι Ῥωμαῖοι πρὸ δεκαοκτὼ καλανδῶν Φεβρουαρίων.

[2] Ἐκείνῃ γὰρ ἕωθεν εὐθὺς ὁ μὲν Γάλβας ἔθυεν ἐν Παλατίῳ τῶν φίλων παρόντων, ὁ δὲ θύτης Ὀμβρίκιος ἅμα τῷ λαβεῖν εἰς τὰς χεῖρας τοῦ ἱερείου τὰ σπλάγχνα καὶ προσιδεῖν οὐ δι’ αἰνιγμῶν, ἀλλ’ ἄντικρυς ἔφη σημεῖα μεγάλης ταραχῆς, καὶ μετὰ δόλου κίνδυνον ἐκ κεφαλῆς ἐπικείμενον τῷ αὐτοκράτορι, μονονουχὶ τὸν Ὄθωνα τοῦ θεοῦ [3] χειρὶ ληπτὸν παραδιδόντος. παρῆν γὰρ ὄπισθεν τοῦ Γάλβα, καὶ προσεῖχε τοῖς λεγομένοις καὶ δεικνυμένοις ὑπὸ τοῦ Ὀμβρικίου. θορυβουμένῳ δὲ αὐτῷ καὶ χρόας ἀμείβοντι παντοδαπὰς ὑπὸ δέους παραστὰς Ὀνόμαστος ἀπελεύθερος ἥκειν ἔφη καὶ περιμένειν αὐτὸν οἴκοι τοὺς ἀρχιτέκτονας. ἦν δὲ σύμβολον καιροῦ, πρὸς ὃν ἔδει ἀπαντῆσαι [4] τὸν Ὄθωνα τοῖς στρατιώταις. εἰπὼν οὖν, ὅτι παλαιὰν ἐωνημένος οἰκίαν βούλεται τὰ ὕποπτα δεῖξαι τοῖς πωληταῖς, ἀπῆλθε, καὶ διὰ τῆς Τιβερίου καλουμένης οἰκίας καταβὰς ἐβάδιζεν εἰς ἀγοράν, οὗ χρυσοῦς εἱστήκει κίων, εἰς ὃν αἱ τετμημέναι τῆς Ἰταλίας ὁδοὶ πᾶσαι τελευτῶσιν.

[25] [1] Ἐνταῦθα τοὺς πρώτους ἐκδεξαμένους αὐτὸν καὶ προσειπόντας αὐτοκράτορά φασι μὴ πλείους τριῶν καὶ εἴκοσι γενέσθαι. διό, καίπερ οὐ κατὰ τὴν τοῦ σώματος μαλακίαν καὶ θηλύτητα τῇ ψυχῇ διατεθρυμμένος, ἀλλὰ ἰταμὸς ὢν πρὸς [2] τὰ δεινὰ καὶ ἄτρεπτος, ἀπεδειλίασεν. οἱ δὲ παρόντες οὐκ εἴων, ἀλλὰ τοῖς ξίφεσι γυμνοῖς περιϊόντες αὐτοῦ τὸ φορεῖον ἐκέλευον αἴρεσθαι, παραφθεγγομένου πολλάκις ἀπολωλέναι καὶ τοὺς φορειαφόρους ἐπιταχύνοντος. ἐξήκουον γὰρ ἔνιοι θαυμάζοντες μᾶλλον ἢ ταραττόμενοι διὰ τὴν ὀλιγότητα τῶν ἀποτετολμημένων. φερομένῳ δὲ οὕτω δι’ ἀγορᾶς ἀπήντησαν ἕτεροι τοσοῦτοι, καὶ πάλιν κατὰ τρεῖς καὶ τέτταρας ἄλλοι προσεπέλαζον.

[3] εἶτα συνανέστρεφον ἅπαντες ἀνακαλούμενοι Καίσαρα καὶ γυμνὰ τὰ ξίφη προϊσχόμενοι. τῶν δὲ χιλιάρχων ὁ τὴν φυλακὴν ἔχων τοῦ στρατοπέδου Μαρτίαλις, ὥς φασι, μὴ συνειδώς, ἐκπλαγεὶς δὲ τῷ ἀπροσδοκήτῳ καὶ φοβηθεὶς ἐφῆκεν εἰσελθεῖν. γενομένῳ δὲ ἐντὸς οὐδεὶς ἀντέπεσεν. οἱ γὰρ ἀγνοοῦντες τὰ πραττόμενα τοῖς εἰδόσι καὶ συνεστῶσιν ἐκ παρασκευῆς ἐμπεριεχόμενοι καθ’ ἕνα καὶ δύο σποράδες, ὑπὸ δέους τὸ πρῶτον, εἶτα πεισθέντες ἐπηκολούθησαν.

[4] Εἰς δὲ τὸ Παλάτιον εὐθὺς μὲν ἀπηγγέλη τῷ Γάλβᾳ παρόντος ἔτι τοῦ θύτου καὶ τῶν ἱερῶν ἐν χερσὶν ὄντων, ὥστε καὶ τοὺς πάνυ πρὸς τὰ τοιαῦτα δυσπειθῶς καὶ ἀτενῶς ἔχοντας ἐκπλήττεσθαι καὶ θαυμάζειν τὸ θεῖον· ὄχλου δὲ παντοδαποῦ συρρέοντος ἐξ ἀγορᾶς, αὐτῷ μὲν Οὐίνιος καὶ Λάκων καὶ τῶν

ἀπελευθέρων ἔνιοι γυμνὰ τὰ ξίφη προϊσχόμενοι παρέστησαν, ὁ δὲ Πείσων προελθὼν τοῖς φυλάττουσι τὴν αὐλὴν δορυφόροις [5] ἐνετύγχανε. τοῦ δ' Ἰλλυρικοῦ τάγματος ἐν τῇ καλουμένῃ παστάδι Βιψανίᾳ στρατοπεδεύοντος ἀπεστάλη Μάριος Κέλσος, ἀνὴρ ἀγαθός, προκαταληψόμενος.

[26] [1] Βουλευομένου δὲ τοῦ Γάλβα προελθεῖν, καὶ Οὐινίου μὲν οὐκ ἐῶντος, Κέλσου δὲ καὶ Λάκωνος παρορμώντων καὶ σφοδρότερον τοῦ Οὐινίου καθαπτομένων, θροῦς διῆλθε πολὺς ὡς ἀνῃρημένου τοῦ Ὄθωνος ἐν τῷ στρατοπέδῳ· καὶ μετὰ μικρὸν ὤφθη Ἰούλιος Ἄττικος τῶν οὐκ ἀσήμων ἐν τοῖς δορυφόροις στρατευόμενος γυμνῷ τῷ ξίφει προσφερόμενος καὶ βοῶν ἀνῃρηκέναι τὸν Καίσαρος πολέμιον· ὠσάμενος δὲ διὰ τῶν προεστώτων [2] ἔδειξε τῷ Γάλβᾳ τὸ ξίφος ᾑμαγμένον. ὁ δὲ βλέψας πρὸς αὐτόν, "Τίς σε," εἶπεν, "ἐκέλευσε;" τοῦ δὲ ἀνθρώπου τὴν πίστιν εἰπόντος καὶ τὸν ὅρκον ὃν ὤμοσε, καὶ τοῦ πλήθους ἐπιβοῶντος ὡς εὖ, καὶ κροτοῦντος, ἐμβὰς εἰς τὸ φορεῖον ἐκομίζετο τῷ τε Διῒ θῦσαι καὶ φανῆναι τοῖς πολίταις βουλόμενος. ἐμβαλόντος δὲ εἰς τὴν ἀγοράν, ὥσπερ τροπαία πνεύματος, ἀπήντησε φήμη κρατεῖν [3] τὸν Ὄθωνα τοῦ στρατεύματος. οἷα δὲ ἐν πλήθει τοσούτῳ, τῶν μὲν ἀναστρέφειν, τῶν δὲ προϊέναι, τῶν δὲ θαρρεῖν, τῶν δὲ ἀπιστεῖν βοώντων, καὶ τοῦ φορείου, καθάπερ ἐν κλύδωνι, δεῦρο κἀκεῖ διαφερομένου καὶ πυκνὸν ἀπονεύοντος, ἐφαίνοντο πρῶτον ἱππεῖς, εἶτα ὁπλῖται διὰ τῆς Παύλου βασιλικῆς προσφερόμενοι, μιᾷ φωνῇ μέγα [4] βοῶντες ἐκποδὼν ἵστασθαι τὸν ἰδιώτην. τῶν μὲν οὖν πολλῶν δρόμος ἦν, οὐ φυγῇ σκιδναμένων, ἀλλ' ἐπὶ τὰς στοὰς καὶ τὰ μετέωρα τῆς ἀγορᾶς, ὥσπερ θέαν καταλαμβανόντων. Ἀτιλλίου δὲ Βεργελίωνος εἰκόνα Γάλβα προσουδίσαντος, ἀρχὴν τοῦ πολέμου ποιησάμενοι περιηκόντισαν τὸ φορεῖον· ὡς δ' οὐκ ἔτυχον αὐτοῦ, προσῆγον ἐσπασμένοις τοῖς ξίφεσιν. ἤμυνε δὲ οὐδεὶς οὐδὲ ὑπέστη πλὴν ἑνὸς ἀνδρός, ὃν μόνον ἥλιος ἐπεῖδεν ἐν μυριάσι τοσαύταις ἄξιον τῆς Ῥωμαίων ἡγεμονίας· [5] Σεμπρώνιος ἦν Δῆνσος ἑκατοντάρχης, οὐδὲν ἰδίᾳ χρηστὸν ὑπὸ Γάλβα πεπονθώς, τῷ δὲ καλῷ καὶ τῷ νόμῳ βοηθῶν προέστη τοῦ φορείου. καὶ τὸ κλῆμα πρῶτον, ᾧ κολάζουσιν ἑκατοντάρχαι τοὺς πληγῶν δεομένους, ἐπαράμενος τοῖς ἐπιφερομένοις ἐβόα καὶ διεκελεύετο φείδεσθαι τοῦ αὐτοκράτορος. ἔπειτα συμπλεκομένων αὐτῷ σπασάμενος τὸ ξίφος ἠμύνατο πολὺν χρόνον, ἕως τυφθεὶς τὰς ἰγνύας ἔπεσε.

[27] [1] Τὸν δὲ Γάλβαν, ἀποκλιθέντος τοῦ φορείου περὶ τὸν Κουρτίου καλούμενον λάκκον, ἐκκυλισθέντα τεθωρακισμένον ἔτυπτον ἐπιδραμόντες. ὁ δὲ τὴν σφαγὴν προτείνας, "Δρᾶτε," εἶπεν, "εἰ τοῦτο τῷ δήμῳ Ῥωμαίων ἄμεινόν ἐστι."

[2] πολλὰς μὲν οὖν ἔλαβε πληγὰς εἴς τε τὰ σκέλη καὶ τοὺς βραχίονας, ἀπέσφαξε δὲ αὐτόν, ὡς οἱ πλεῖστοι λέγουσι, Καμούριός τις ἐκ τοῦ πεντεκαιδεκάτου τάγματος. ἔνιοι δὲ Τερέντιον, οἱ δὲ Λεκάνιον ἱστοροῦσιν, οἱ δὲ Φάβιον Φάβουλον, ὃν καί φασιν ἀποκόψαντα τὴν κεφαλὴν κομίζειν τῷ ἱματίῳ συλλαβόντα, διὰ τὴν ψιλότητα δυσπερίληπτον [3] οὖσαν· ἔπειτα τῶν σὺν αὐτῷ κρύπτειν οὐκ ἐώντων, ἀλλ’ ἐκφανῆ πᾶσι ποιεῖν τὴν ἀνδραγαθίαν, περιπείραντα περὶ λόγχην καὶ ἀναπήλαντα πρεσβύτου πρόσωπον, ἄρχοντός τε κοσμίου καὶ ἀρχιερέως καὶ ὑπάτου, δρόμῳ χωρεῖν, ὥσπερ αἱ βάκχαι, πολλάκις μεταστρεφόμενον, καὶ κραδαίνοντα τὴν λόγχην αἵματι καταρρεομένην.

Τὸν δ’ Ὄθωνα, τῆς κεφαλῆς κομισθείσης, ἀνακραγεῖν λέγουσιν· “Οὐδέν ἐστι τοῦτο, ὦ συστρατιῶται, [4] τὴν Πείσωνός μοι κεφαλὴν δείξατε.” μετ’ ὀλίγον δὲ ἧκε κομιζομένη· τρωθεὶς γὰρ ἔφευγεν ὁ νεανίσκος, καὶ καταδιωχθεὶς ὑπὸ Μούρκου τινὸς ἀπεσφάγη πρὸς τῷ ἱερῷ τῆς Ἑστίας. ἀπεσφάττετο δὲ καὶ Οὐίνιος ὁμολογῶν κοινωνὸς γεγονέναι τῆς ἐπὶ τὸν Γάλβαν συνωμοσίας· ἐβόα γὰρ ἀποθνήσκειν παρὰ τὴν Ὄθωνος γνώμην. ἀλλὰ γὰρ καὶ τούτου τὴν κεφαλὴν ἀποτεμόντες καὶ Λάκωνος ἐκόμισαν πρὸς τὸν Ὄθωνα δωρεὰς αἰτοῦντες.

[5] ὡς δέ φησιν Ἀρχίλοχος,

ἑπτὰ γὰρ νεκρῶν πεσόντων, οὓς ἐμάρψαμεν ποσίν,

χίλιοι φονῆες ἐσμέν,

οὕτως τότε πολλοὶ τοῦ φόνου μὴ συνεφαψάμενοι, χεῖρας δὲ καὶ ξίφη καθαιμάσσοντες ἐπεδείκνυντο καὶ δωρεὰς ᾔτουν βιβλία διδόντες τῷ Ὄθωνι. εἴκοσι γοῦν καὶ ἑκατὸν εὑρέθησαν ὕστερον ἐκ τῶν γραμματίων, οὓς ὁ Οὐϊτέλλιος [6] ἀναζητήσας ἅπαντας ἀπέκτεινεν. ἧκε δὲ καὶ Μάριος Κέλσος εἰς τὴν παρεμβολήν. καὶ πολλῶν αὐτοῦ κατηγορούντων ὅτι τοὺς στρατιώτας ἔπειθε τῷ Γάλβᾳ βοηθεῖν, καὶ τοῦ πλήθους ἀποκτιννύειν βοῶντος, Ὄθων οὐκ ἐβούλετο· φοβούμενος δὲ ἀντιλέγειν οὐχ οὕτως ἔφη ταχέως ἀποκτενεῖν αὐτόν· εἶναι γὰρ ἃ δεῖ πρότερον ἐκπυθέσθαι παρὰ τοῦ ἀνδρός. ἐκέλευσεν οὖν δήσαντας φυλάττειν, καὶ παρέδωκε τοῖς μάλιστα πιστευομένοις.

[28] [1] Εὐθὺς δὲ βουλὴ συνεκαλεῖτο. καὶ καθάπερ ἄλλοι γεγονότες ἢ θεῶν ἄλλων γεγονότων συνελθόντες ὤμνυον ὅρκον ὑπὲρ τοῦ Ὄθωνος, ὃν αὐτὸς ὀμόσας οὐκ ἐτήρησε· καὶ Καίσαρα καὶ Σεβαστὸν ἀνηγόρευον, ἔτι τῶν νεκρῶν ἀκεφάλων ἐν ταῖς ὑπατικαῖς ἐσθῆσιν ἐρριμμένων ἐπὶ τῆς [2] ἀγορᾶς. ταῖς δὲ κεφαλαῖς ὡς οὐδὲν εἶχον ἔτι χρῆσθαι, τὴν μὲν Οὐινίου τῇ θυγατρὶ δισχιλίων καὶ πεντακοσίων δραχμῶν ἀπέδοντο, τὴν δὲ Πείσωνος ἡ γυνὴ

ἔλαβεν Οὐερανία δεηθεῖσα, τὴν δὲ Γάλβα τοῖς Πατροβίου δούλοις ἐδωρήσαντο.

[3] λαβόντες δὲ ἐκεῖνοι καὶ πάντα τρόπον αἰκισάμενοι καὶ καθυβρίσαντες ἔρριψαν ᾗ τοὺς ὑπὸ τῶν Καισάρων κολαζομένους θανατοῦσιν· ὁ δὲ τόπος Σεσσώριον καλεῖται. τὸ δὲ σῶμα τοῦ Γάλβα Πρίσκος Ἑλβίδιος ἀνείλετο, τοῦ Ὄθωνος ἐπιτρέψαντος· ἔθαψε δὲ νυκτὸς Ἀργεῖος ἀπελεύθερος.

[29] [1] Τοιαῦτα τὰ κατὰ τὸν Γάλβαν, ἄνδρα μήτε γένει μήτε πλούτῳ πολλῶν ἀπολειφθέντα Ῥωμαίων, ὁμοῦ δὲ πλούτῳ καὶ γένει πρωτεύσαντα πάντων τῶν καθ’ αὑτόν, πέντε αὐτοκρατόρων ἡγεμονίαις ἐμβιώσαντα μετὰ τιμῆς καὶ δόξης, ὥστε τῇ δόξῃ μᾶλλον ἢ τῇ δυνάμει καθελεῖν [2] Νέρωνα. τῶν γὰρ συνεπιτιθεμένων τότε τοὺς μὲν οὐδεὶς ἠξίωσε τῆς ἡγεμονίας, οἱ δ’ ἑαυτοὺς ἀπηξίωσαν, Γάλβας δὲ καὶ κληθεὶς καὶ ὑπακούσας αὐτοκράτωρ καὶ τῇ Οὐΐνδικος ἐμπαρασχὼν ὄνομα τόλμῃ, κίνημα καὶ νεωτερισμὸν αὐτοῦ λεγομένην τὴν ἀπόστασιν ἐποίησε πόλεμον [3] ἐμφύλιον, ἀνδρὸς ἡγεμονικοῦ τυχοῦσαν. ὅθεν οὐχ ἑαυτῷ τὰ πράγματα λαμβάνειν, ἀλλὰ μᾶλλον. ἑαυτὸν οἰόμενος διδόναι τοῖς πράγμασιν, ἄρχειν ἠξίου τῶν ὑπὸ Τιγελλίνου καὶ Νυμφιδίου τετιθασευμένων ὡς Σκηπίων ἦρχε καὶ Φαβρίκιος καὶ [4] Κάμιλλος τῶν τότε Ῥωμαίων. ὑπερειπόμενος δὲ τῷ γήρᾳ, ἄχρι τῶν ὅπλων καὶ τῶν στρατευμάτων ἄκρατος ἦν καὶ ἀρχαῖος αὐτοκράτωρ, Οὐινίῳ δὲ καὶ Λάκωνι καὶ τοῖς ἀπελευθέροις πάντα τὰ πράγματα πωλοῦσι παρέχων ἑαυτόν, οἷον Νέρων παρεῖχε τοῖς ἀπληστοτάτοις, οὐδένα ποθοῦντα τὴν ἀρχήν, οἰκτείραντας δὲ τοὺς πολλοὺς τὸν θάνατον ἀπέλιπεν.

Otho

[1] [1] Ὁ δὲ νεώτερος αὐτοκράτωρ ἅμ᾽ ἡμέρᾳ προελθὼν εἰς τὸ Καπιτώλιον ἔθυσε· καὶ κελεύσας Μάριον Κέλσον ἀχθῆναι πρὸς αὐτὸν ἠσπάσατο καὶ διελέχθη φιλανθρώπως, καὶ παρεκάλεσε τῆς αἰτίας ἐπιλαθέσθαι μᾶλλον ἢ τῆς ἀφέσεως μνημονεύειν. τοῦ δὲ Κέλσου μήτ᾽ ἀγεννῶς ἀποκριναμένου μήτ᾽ ἀναισθήτως, ἀλλὰ φήσαντος αὐτὸ τοῦ τρόπου διδόναι τὸ ἔγκλημα πίστιν, ἐγκεκλῆσθαι γὰρ ὅτι Γάλβᾳ βέβαιον ἑαυτὸν παρέσχεν, ᾧ χάριν οὐδεμίαν ὤφειλεν, ἠγάσθησαν οἱ παρόντες [2] ἀμφοτέρων καὶ τὸ στρατιωτικὸν ἐπῄνεσεν. ἐν δὲ συγκλήτῳ πολλὰ δημοτικὰ καὶ φιλάνθρωπα διαλεχθείς, ὃν μὲν αὐτὸς ὑπατεύειν χρόνον ἤμελλε, τούτου μέρος ἔνειμεν Οὐεργινίῳ Ῥούφῳ, τοῖς δὲ ἀποδεδειγμένοις ὑπὸ Νέρωνος ἢ Γάλβα πᾶσιν ἐτήρησε τὰς ὑπατείας. ἱερωσύναις δὲ τοὺς καθ᾽ [3] ἡλικίαν προήκοντας ἢ δόξαν ἐκόσμησε. τοῖς δὲ ἐπὶ Νέρωνος φυγοῦσι καὶ κατελθοῦσιν ἐπὶ Γάλβα συγκλητικοῖς πᾶσιν ἀπέδωκεν ὅσα μὴ πεπραμένα τῶν κτημάτων ἑκάστου ἐξεύρισκεν. ὅθεν οἱ πρῶτοι καὶ κράτιστοι πεφρικότες πρότερον ὡς οὐκ ἀνδρός, ἀλλά τινος ἢ Ποινῆς ἢ παλαμναίου δαίμονος ἄφνω τοῖς πράγμασιν ἐπιπεπτωκότος, ἡδίους ἐγένοντο ταῖς ἐλπίσι πρὸς τὴν ἡγεμονίαν ὥσπερ διαμειδιῶσαν.

[2] [1] Ὁμοῦ δὲ Ῥωμαίους πάντας οὐδὲν εὔφρανεν οὕτως οὐδὲ ᾠκειώσατο πρὸς αὐτὸν ὡς τὰ περὶ Τιγελλῖνον. ἐλελήθει μὲν γὰρ ἤδη κολαζόμενος αὐτῷ τῷ φόβῳ τῆς κολάσεως ἣν ὡς χρέος ἀπῄτει [2] δημόσιον ἡ πόλις, καὶ νοσήμασιν ἀνηκέστοις σώματος, αὐτάς τε τὰς ἀνοσίους καὶ ἀρρήτους ἐν γυναιξὶ πόρναις καὶ ἀκαθάρτοις ἐγκυλινδήσεις, αἷς ἔτι προσέσπαιρε δυσθανατοῦντος αὐτοῦ τὸ ἀκόλαστον ἐπιδραττόμενον, ἐσχάτην τιμωρίαν ἐποιοῦντο καὶ πολλῶν ἀντάξια θανάτων οἱ σωφρονοῦντες. ἠνία δὲ τοὺς πολλοὺς ὅμως τὸν ἥλιον ὁρῶν μετὰ τοσούτους καὶ τοιούτους δι᾽ [3] αὐτὸν οὐχ ὁρῶντας. ἔπεμψεν οὖν ἐπ᾽ αὐτὸν ὁ Ὄθων εἰς τοὺς περὶ Σινόεσσαν ἀγρούς· ἐκεῖ γὰρ διῃτᾶτο, πλοίων παρορμούντων, ὡς φευξόμενος ἀπωτέρω. καὶ τόν γε πεμφθέντα χρυσίῳ πολλῷ πείθειν ἐπεχείρησε παρεῖναι· μὴ πεισθέντι δὲ δῶρα μὲν ἔδωκεν οὐδὲν ἧττον, ἐδεήθη δὲ ὑπομεῖναι ἕως ἂν ἀποξύρηται τὸ γένειον· καὶ λαβὼν αὐτὸς ἑαυτὸν ἐλαιμοτόμησεν.

[3] [1] Οὕτω δὲ τῷ δήμῳ τὴν δικαιοτάτην ἡδονὴν ἀποδοὺς ὁ Καῖσαρ, αὐτὸς ἰδίας ἔχθρας οὐδενὶ τοπαράπαν ἐμνησικάκησε, τοῖς δὲ πολλοῖς χαριζόμενος οὐκ ἔφευγε τὸ πρῶτον ἐν τοῖς θεάτροις Νέρων προσαγορεύεσθαι· καί τινων εἰκόνας Νέρωνος εἰς τοὐμφανὲς προθεμένων οὐκ ἐκώλυσε.

[2] Κλούβιος δὲ Ῥοῦφος εἰς Ἰβηρίαν φησὶ κομισθῆναι διπλώματα, οἷς ἐκπέμπουσι τοὺς γραμματηφόρους, τὸ τοῦ Νέρωνος θετὸν ὄνομα προσγεγραμμένον ἔχοντα τῷ τοῦ Ὄθωνος. οὐ μὴν ἀλλὰ τοὺς πρώτους καὶ κρατίστους αἰσθόμενος ἐπὶ τούτῳ δυσχεραίνοντας ἐπαύσατο.

Τοιαύτην δὲ τῆς ἡγεμονίας κατάστασιν αὐτῷ λαμβανούσης, οἱ μισθοφόροι χαλεποὺς παρεῖχον ἑαυτούς, ἀπιστεῖν παρακελευόμενοι καὶ φυλάττεσθαι καὶ κολούειν τοὺς ἀξιολόγους, εἴτ᾽ ἀληθῶς φοβούμενοι δι᾽ εὔνοιαν, εἴτε προφάσει χρώμενοι [3] ταύτῃ τοῦ ταράττειν καὶ πολεμοποιεῖν. Κρισπῖνον δὲ πέμψαντος αὐτοῦ τὴν ἑπτακαιδεκάτην σπεῖραν Ὠστίας ἀπάξοντα, κἀκείνου νυκτὸς ἔτι συσκευαζομένου καὶ τὰ ὅπλα ταῖς ἁμάξαις ἐπιτιθέντος, οἱ θρασύτατοι πάντες ἐβόων οὐδὲν ὑγιὲς τὸν Κρισπῖνον ἥκειν διανοούμενον, ἀλλὰ τὴν σύγκλητον ἐπιχειρεῖν πράγμασι νεωτέροις, καὶ τὰ ὅπλα [4] κατὰ Καίσαρος, οὐ Καίσαρι παρακομίζεσθαι. τοῦ δὲ λόγου πολλῶν ἁπτομένου καὶ παροξύνοντος, οἱ μὲν ἐπελαμβάνοντο τῶν ἁμαξῶν, οἱ δὲ τοὺς ἐνισταμένους ἑκατοντάρχας δύο καὶ τὸν Κρισπῖνον αὐτὸν ἀπέκτειναν, πάντες δὲ διασκευασάμενοι καὶ παρακαλέσαντες ἀλλήλους Καίσαρι βοηθεῖν ἤλαυνον εἰς τὴν Ῥώμην· καὶ πυθόμενοι παρ᾽ αὐτῷ δειπνεῖν ὀγδοήκοντα συγκλητικούς, ἐφέροντο πρὸς τὰ βασίλεια, νῦν καιρὸν εἶναι λέγοντες ἐν ταὐτῷ [5] πάντας ἀνελεῖν τοὺς Καίσαρος πολεμίους. ἡ μὲν οὖν πόλις ὡς αὐτίκα διαρπαγησομένη θόρυβον εἶχε πολύν, ἐν δὲ τοῖς βασιλείοις ἦσαν διαδρομαί, καὶ τὸν Ὄθωνα δεινὴ κατελάμβανεν ἀπορία. φοβούμενος γὰρ ὑπὲρ τῶν ἀνδρῶν αὐτὸς ἦν φοβερὸς ἐκείνοις, καὶ πρὸς αὑτὸν ἀνηρτημένους ἑώρα ταῖς ὄψεσιν ἀναύδους καὶ περιδεεῖς, ἐνίους καὶ μετὰ [6] γυναικῶν ἥκοντας ἐπὶ τὸ δεῖπνον. ἅμα δὲ τοὺς ἐπάρχους ἀπέστελλε τοῖς στρατιώταις διαλέγεσθαι καὶ πραΰνειν κελεύσας, ἅμα δὲ τοὺς κεκλημένους ἄνδρας ἀναστήσας καθ᾽ ἑτέρας θύρας ἀφῆκε· καὶ μικρὸν ἔφθησαν ὑπεκφυγόντες, διὰ τῶν μισθοφόρων ὠθουμένων εἰς τὸν ἀνδρῶνα καὶ πυνθανομένων τί γεγόνασιν οἱ Καίσαρος πολέμιοι.

[7] τότε μὲν οὖν ὀρθὸς ἀπὸ τῆς κλίνης πολλὰ παρηγορήσας καὶ δεηθεὶς καὶ μηδὲ δακρύων φεισάμενος μόλις ἀπέπεμψεν αὐτούς· τῇ δ᾽ ὑστεραίᾳ δωρησάμενος ἅπαντας κατ᾽ ἄνδρα χιλίαις καὶ διακοσίαις καὶ πεντήκοντα δραχμαῖς εἰσῆλθεν εἰς τὸ [8] στρατόπεδον, καὶ τὸ μὲν πλῆθος ἐπῄνεσεν, ὡς πρὸς αὐτὸν εὔνουν καὶ πρόθυμον, ὀλίγους δέ τινας οὐκ ἐπ᾽ ἀγαθῷ φήσας ὑποικουρεῖν, διαβάλλοντας αὐτοῦ τὴν μετριότητα καὶ τὴν ἐκείνων εὐστάθειαν, ἠξίου συναγανακτεῖν καὶ συγκολάζειν. ἐπαινούντων δὲ πάντων καὶ κελευόντων, δύο μόνους παραλαβών, οἷς οὐδεὶς ἔμελλεν ἄχθεσθαι κολασθεῖσιν, ἀπηλλάγη.

[4] [1] Ταῦτα οἱ μὲν ἀγαπῶντες ἤδη καὶ πιστεύοντες ἐθαύμαζον τὴν μεταβολήν, οἱ δ' ἀναγκαῖα πολιτεύματα πρὸς τὸν καιρὸν ἡγοῦντο, δημαγωγοῦντος αὐτοῦ διὰ τὸν πόλεμον. ἤδη γὰρ ἠγγέλλετο βεβαίως Οὐϊτέλλιος ἀξίωμα καὶ δύναμιν αὐτοκράτορος ἀνειληφώς· καὶ πτεροφόροι συνεχῶς ἐφοίτων ἀεί τι προσχωρεῖν ἐκείνῳ φράζοντες, ἕτεροι δὲ τὰ Παννονικὰ καὶ τὰ Δαλματικὰ καὶ τὰ περὶ Μυσίαν στρατεύματα δηλοῦντες [2] ᾑρῆσθαι μετὰ τῶν ἡγεμόνων Ὄθωνα. ταχὺ δὲ ἀφίκετο καὶ παρὰ Μουκιανοῦ γράμματα καὶ παρὰ Οὐεσπεσιανοῦ φίλια, τοῦ μὲν ἐν Συρίᾳ, τοῦ δὲ ἐν Ἰουδαίᾳ μεγάλας δυνάμεις ἐχόντων. ὑφ' ὧν ἐπαιρόμενος ἔγραψεν Οὐϊτελλίῳ παραινῶν στρατιωτικὰ φρονεῖν, ὡς χρήματα πολλὰ δώσοντος αὐτοῦ καὶ πόλιν, ἐν ᾗ βιώσεται ῥᾷστον καὶ ἥδιστον [3] βίον μεθ' ἡσυχίας. ἀντέγραψε δὲ κἀκεῖνος αὐτῷ κατειρωνευόμενος ἡσυχῇ πρῶτον· ἐκ δὲ τούτου διερεθιζόμενοι πολλὰ βλάσφημα καὶ ἀσελγῆ χλευάζοντες ἀλλήλοις ἔγραφον, οὐ ψευδῶς μέν, ἀνοήτως δὲ καὶ γελοίως θατέρου τὸν ἕτερον ἃ προσῆν ἀμφοτέροις ὀνείδη λοιδοροῦντος. ἀσωτίας γὰρ καὶ μαλακίας καὶ ἀπειρίας πολέμων καὶ τῶν πρόσθεν ἐπὶ πενίᾳ χρεῶν πλήθους ἔργον ἦν εἰπεῖν ὁποτέρῳ μεῖον αὐτῶν μέτεστι.

[4] Σημείων δὲ καὶ φαντασμάτων πολλῶν λεγομένων, τὰ μὲν ἄλλα φήμας ἀδεσπότους καὶ ἀμφιβόλους εἶχεν, ἐν δὲ Καπιτωλίῳ Νίκης ἐφεστώσης ἅρματι τὰς ἡνίας πάντες εἶδον ἀφειμένας ἐκ τῶν χειρῶν, ὥσπερ κρατεῖν μὴ δυναμένης, καὶ τὸν ἐν μεσοποταμίᾳ νήσῳ Γαΐου Καίσαρος ἀνδριάντα μήτε σεισμοῦ γεγονότος μήτε πνεύματος ἀφ' ἑσπέρας [5] μεταστραφέντα πρὸς τὰς ἀνατολάς· ὅ φασι συμβῆναι περὶ τὰς ἡμέρας ἐκείνας ἐν αἷς οἱ περὶ Οὐεσπεσιανὸν ἐμφανῶς ἤδη τῶν πραγμάτων ἀντελαμβάνοντο. καὶ τὸ περὶ τὸν Θύμβριν δὲ σύμπτωμα σημεῖον ἐποιοῦντο οἱ πολλοὶ μοχθηρόν. ἦν μὲν γὰρ ὥρα περὶ ἣν μάλιστα οἱ ποταμοὶ πλήθουσιν, ἀλλ' οὔπω τοσοῦτος ἤρθη πρότερον, οὐδὲ ἀπώλεσε τοσαῦτα καὶ διέφθειρεν, ὑπερχυθεὶς καὶ κατακλύσας πολὺ μέρος τῆς πόλεως, πλεῖστον δὲ ἐν ᾧ τὸν ἐπὶ πράσει διαπωλοῦσι σῖτον, ὡς δεινὴν ἀπορίαν ἡμερῶν συχνῶν κατασχεῖν.

[5] [1] Ἐπεὶ δὲ τὰς Ἄλπεις κατέχοντες ἤδη προσηγγέλλοντο Κεκίνας καὶ Οὐάλης Οὐϊτελλίῳ στρατηγοῦντες, ἐν Ῥώμῃ Δολοβέλλας, εὐπατρίδης ἀνήρ, ὑποψίαν παρεῖχε τοῖς μισθοφόροις νεώτερα φρονεῖν. ἐκεῖνον μὲν οὖν, εἴτε αὐτὸν εἴτε ἄλλον δεδοικώς, εἰς πόλιν Ἀκύνιον παρέπεμψε παραθαρρύνας. καταλέγων δὲ τῶν ἐν τέλει συνεκδήμους ἔταξεν ἐν τούτοις καὶ Λεύκιον τὸν Οὐϊτελλίου ἀδελφόν, οὔτε προσθεὶς οὐδὲν οὔτε ἀφελὼν ἧς [2] εἶχε τιμῆς. ἰσχυρῶς δὲ καὶ τῆς μητρὸς ἐπεμελήθη τοῦ Οὐϊτελλίου καὶ τῆς γυναικός, ὅπως μηδὲν φοβήσονται περὶ αὐτῶν. τῆς δὲ Ῥώμης φύλακα Φλαούιον Σαβῖνον,

ἀδελφὸν Οὐεσπεσιανοῦ, κατέστησεν, εἴτε καὶ τοῦτο πράξας ἐπὶ τιμῇ Νέρωνος (παρ’ ἐκείνου γὰρ εἰλήφει τὴν ἀρχὴν ὁ Σαβῖνος, ἀφείλετο δὲ Γάλβας αὐτόν), εἴτε μᾶλλον εὔνοιαν ἐνεδείκνυτο Οὐεσπεσιανῷ καὶ πίστιν αὔξων Σαβῖνον.

[3] Αὐτὸς μὲν οὖν ἐν Βριξίλλῳ, πόλει τῆς Ἰταλίας περὶ τὸν Ἠριδανὸν ἀπελείφθη, στρατηγοὺς δὲ τῶν δυνάμεων ἐξέπεμψε Μάριόν τε Κέλσον καὶ Σουητώνιον Παυλῖνον ἔτι τε Γάλλον καὶ Σπουρίναν, ἄνδρας ἐνδόξους, χρήσασθαι δὲ μὴ δυνηθέντας ἐπὶ τῶν πραγμάτων ὡς προῃροῦντο τοῖς ἑαυτῶν λογισμοῖς δι’ ἀταξίαν καὶ θρασύτητα τῶν [4] στρατιωτῶν. οὐ γὰρ ἠξίουν ἑτέρων ἀκούειν, ὡς παρ’ αὐτῶν τοῦ αὐτοκράτορος τὸ ἄρχειν ἔχοντος. ἦν μὲν οὖν οὐδὲ τὰ τῶν πολεμίων ὑγιαίνοντα παντάπασιν οὐδὲ χειροήθη τοῖς ἡγεμόσιν, ἀλλ’ ἔμπληκτα καὶ σοβαρὰ διὰ τὴν αὐτὴν αἰτίαν. οὐ μὴν ἀλλ’ ἐκείνοις ἐμπειρία γε παρῆν τοῦ μάχεσθαι [5] καὶ τὸ κάμνειν ἐθάδες ὄντες οὐκ ἔφευγον, οὗτοι δὲ μαλακοὶ μὲν ἦσαν ὑπὸ σχολῆς καὶ διαίτης ἀπολέμου, πλεῖστον χρόνον ἐν θεάτροις καὶ πανηγύρεσι καὶ παρὰ σκηνὴν βεβιωκότες, ὕβρει δὲ καὶ κόμπῳ ἐπαμπέχειν ἐβούλοντο, προσποιήσασθαι τὰς λειτουργίας ὡς κρείττονες ἀπαξιοῦντες, οὐχ ὡς ἀδύνατοι φέρειν. ὁ δὲ Σπουρίνας προσβιαζόμενος αὐτοὺς ἐκινδύνευσε μικρὸν ἐλθόντας ἀνελεῖν [6] αὐτόν. ὕβρεως δὲ καὶ βλασφημίας οὐδεμιᾶς ἐφείσαντο, προδότην καὶ λυμεῶνα τῶν Καίσαρος καιρῶν καὶ πραγμάτων λέγοντες. ἔνιοι δὲ καὶ μεθυσθέντες ἤδη νυκτὸς ἦλθον ἐπὶ τὴν σκηνὴν ἐφόδιον αἰτοῦντες· εἶναι γὰρ αὐτοῖς πρὸς Καίσαρα βαδιστέον, ὅπως ἐκείνου κατηγορήσωσιν.

[6] [1] Ὤνησε δὲ τὰ πράγματα καὶ Σπουρίναν ἐν τῷ παραυτίκα λοιδορία περὶ Πλακεντίαν γενομένη τῶν στρατιωτῶν. οἱ γὰρ Οὐϊτελλίου τοῖς τείχεσι προσβάλλοντες ἐχλεύαζον τοὺς Ὄθωνος ἑστῶτας παρὰ τὰς ἐπάλξεις, σκηνικοὺς καὶ πυρριχιστὰς καὶ Πυθίων καὶ Ὀλυμπίων θεωρούς, πολέμου δὲ καὶ στρατείας ἀπείρους καὶ ἀθεάτους ἀποκαλοῦντες, καὶ μέγα φρονοῦντας ἐπὶ τῷ γέροντος ἀνόπλου κεφαλὴν ἀποτεμεῖν, τὸν Γάλβαν λέγοντες, εἰς δὲ ἀγῶνα καὶ μάχην ἀνδρῶν οὐκ ἂν ἐκφανῶς [2] καταβάντας. οὕτω γὰρ ἐταράχθησαν ὑπὸ τούτων τῶν ὀνειδῶν καὶ διεκάησαν ὥστε προσπεσεῖν τῷ Σπουρίνᾳ, δεόμενοι χρῆσθαι καὶ προστάττειν αὐτοῖς, οὐδένα κίνδυνον οὐδὲ πόνον ἀπολεγομένοις. ἰσχυρᾶς δὲ συστάσης τειχομαχίας καὶ μηχανημάτων πολλῶν προσαχθέντων ἐκράτησαν οἱ τοῦ Σπουρίνα, καὶ φόνῳ πολλῷ τοὺς ἐναντίους ἀποκρουσάμενοι διετήρησαν ἔνδοξον πόλιν καὶ τῶν Ἰταλῶν οὐδεμιᾶς ἧττον ἀνθοῦσαν.

[3] Ἦσαν δὲ καὶ τὰ ἄλλα τῶν Οὐϊτελλίου στρατηγῶν οἱ Ὄθωνος ἐντυχεῖν ἀλυπότεροι καὶ πόλεσι καὶ ἰδιώταις· ἐκείνων δὲ Κεκίνας μὲν οὔτε φωνὴν

οὔτε σχῆμα δημοτικός, ἀλλ’ ἐπαχθὴς καὶ ἀλλόκοτος, σώματος μεγάλου, Γαλατικῶς ἀναξυρίσι καὶ χειρῖσιν ἐνεσκευασμένος, σημείοις καὶ ἄρχουσι [4] Ῥωμαϊκοῖς διαλεγόμενος. καὶ τὴν γυναῖκα παρέπεμπον αὐτῷ λογάδην ἱππεῖς ὀχουμένην ἵππῳ κεκοσμημένην ἐπιφανῶς. Φάβιον δὲ Οὐάλεντα τὸν ἕτερον στρατηγὸν οὔτε ἁρπαγαὶ πολεμίων οὔτε κλοπαὶ καὶ δωροδοκίαι παρὰ συμμάχων ἐνεπίμπλασαν χρηματιζόμενον, ἀλλὰ καὶ ἐδόκει διὰ τοῦτο βραδέως ὁδεύων ὑστερῆσαι τῆς προτέρας [5] μάχης. οἱ δὲ τὸν Κεκίναν αἰτιῶνται, σπεύδοντα τὴν νίκην ἑαυτοῦ γενέσθαι πρὶν ἐκεῖνον ἐλθεῖν, ἄλλοις τε μικροτέροις περιπεσεῖν ἁμαρτήμασι καὶ μάχην οὐ κατὰ καιρὸν οὐδὲ γενναίως συνάψαι, μικροῦ πάντα τὰ πράγματα διαφθείρασαν αὐτοῖς.

[7] [1] Ἐπεὶ γὰρ ἀποκρουσθεὶς τῆς Πλακεντίας ὁ Κεκίνας ἐπὶ Κρεμώνην ὥρμησεν, ἑτέραν πόλιν εὐδαίμονα καὶ μεγάλην, πρῶτος μὲν Ἄννιος Γάλλος πρὸς Πλακεντίαν Σπουρίνᾳ βοηθῶν, ὡς ἤκουσε καθ’ ὁδὸν τοὺς Πλακεντίνους περιγεγονέναι, κινδυνεύειν δὲ τοὺς ἐν Κρεμώνῃ, μετήγαγεν ἐκεῖ τὸ στράτευμα καὶ κατεστρατοπέδευσε πλησίον τῶν πολεμίων· ἔπειτα καὶ τῶν ἄλλων [2] ἕκαστος ἐβοήθει τῷ στρατηγῷ. τοῦ δὲ Κεκίνα λοχίσαντος εἰς λάσια χωρία καὶ ὑλώδη πολλοὺς ὁπλίτας, ἱππεῖς δὲ προεξελάσαι κελεύσαντος, κἂν συνάψωσιν οἱ πολέμιοι κατὰ μικρὸν ἀναχωρεῖν καὶ ἀναφεύγειν, ἄχρι ἂν ὑπάγοντες οὕτως ἐμβάλωσιν αὐτοὺς εἰς τὴν ἐνέδραν, ἐξήγγειλαν αὐτόμολοι τῷ Κέλσῳ. καὶ οὗτος μὲν ἱππεῦσιν ἀγαθοῖς ἀντεξελάσας, πεφυλαγμένως δὲ χρώμενος τῇ διώξει καὶ τὴν ἐνέδραν περισχὼν καὶ συνταράξας, ἐκάλει τοὺς ὁπλίτας ἐκ τοῦ στρατοπέδου.

[3] καὶ δοκοῦσιν ἂν ἐπελθόντες ἐν καιρῷ μηδένα λιπεῖν τῶν πολεμίων, ἀλλὰ πᾶν τὸ μετὰ Κεκίνα στράτευμα συντρῖψαι καὶ ἀνελεῖν ἐπισπόμενοι τοῖς ἱππεῦσι· νυνὶ δὲ ὁ Παυλῖνος ὀψὲ καὶ σχολῇ προσβοηθήσας αἰτίαν ἔσχεν ἐνδεέστερον [4] τῆς δόξης στρατηγῆσαι δι’ εὐλάβειαν. οἱ δὲ πολλοὶ τῶν στρατιωτῶν καὶ προδοσίαν ἐνεκάλουν αὐτῷ, καὶ παρώξυνον τὸν Ὄθωνα, μεγαληγοροῦντες ὡς νενικηκότων αὐτῶν, τῆς δὲ νίκης οὐκ ἐπὶ πᾶν προελθούσης κακίᾳ τῶν στρατηγῶν. ὁ δὲ Ὄθων οὐχ οὕτως ἐπίστευεν αὐτοῖς ὡς ἐβούλετο μὴ δοκεῖν ἀπιστεῖν. ἔπεμψεν οὖν Τιτιανὸν ἐπὶ τὰ στρατεύματα τὸν ἀδελφὸν καὶ Πρόκλον τὸν ἔπαρχον, ὃς εἶχεν ἔργῳ τὴν πᾶσαν ἀρχήν, [5] πρόσχημα δὲ ἦν ὁ Τιτιανός. οἱ δὲ περὶ τὸν Κέλσον καὶ Παυλῖνον ἄλλως ἐφείλκοντο συμβούλων ὄνομα καὶ φίλων, ἐξουσίαν καὶ δύναμιν ἐν τοῖς πράγμασι μηδεμίαν ἔχοντες. ἦν δὲ θορυβώδη καὶ τὰ παρὰ τοῖς πολεμίοις, μάλιστα δὲ τοῖς ὑπὸ τῷ Οὐάλεντι· καὶ τῆς περὶ τὴν ἐνέδραν μάχης ἀπαγγελθείσης ἐχαλέπαινον ὅτι μὴ παρεγένοντο μηδὲ ἤμυναν ἀνδρῶν

τοσούτων ἀποθανόντων. μόλις δὲ πείσας καὶ παραιτησάμενος ὡρμημένους αὐτοὺς βάλλειν ἀνέζευξε καὶ συνῆψε τοῖς περὶ Κεκίναν.

[8] [1] Ὁ δὲ Ὄθων παραγενόμενος εἰς Βητριακὸν εἰς τὸ στρατόπεδον (ἔστι δὲ πολίχνη πλησίον Κρεμώνης τὸ Βητριακόν) ἐβουλεύετο περὶ τῆς μάχης. καὶ Πρόκλῳ μὲν ἐδόκει καὶ Τιτιανῷ, τῶν στρατευμάτων ὄντων προθύμων καὶ προσφάτου τῆς νίκης, διαγωνίσασθαι καὶ μὴ καθῆσθαι τὴν ἀκμὴν ἀμβλύνοντα τῆς δυνάμεως καὶ περιμένοντα Οὐϊτέλλιον αὐτὸν ἐκ Γαλατίας ἐπελθεῖν· [2] Παυλῖνος δὲ τοῖς μὲν πολεμίοις ἔφη πάντα μεθ᾽ ὧν μαχοῦνται παρεῖναι, καὶ μηδὲν ἐνδεῖν, Ὄθωνι δὲ τῆς ἤδη παρούσης οὐκ ἐλάττονα προσδόκιμον εἶναι δύναμιν ἐκ Μυσίας καὶ Παννονίας, ἂν τὸν αὑτοῦ περιμένῃ καιρόν, ἀλλὰ μὴ στρατηγῇ πρὸς [3] τὸν τῶν πολεμίων. οὐ γὰρ ἀμβλυτέροις γε χρήσεσθαι τότε τοῖς νῦν θαρροῦσιν ἀπ᾽ ἐλαττόνων, ἂν πλείονας τοὺς ἀγωνιζομένους προσλάβωσιν, ἀλλ᾽ ἐκ περιουσίας ἀγωνιεῖσθαι· καὶ χωρὶς δὲ τούτου τὴν διατριβὴν εἶναι πρὸς αὐτῶν ἐν ἀφθόνοις πᾶσιν ὄντων, ἐκείνοις δὲ τὸν χρόνον ἀπορίαν παρέξειν τῶν ἀναγκαίων ἐν πολεμίᾳ καθεζομένοις.

[4] ταῦτα λέγοντι Παυλίνῳ Μάριος Κέλσος ἐγένετο σύμψηφος. Ἄννιος δὲ Γάλλος οὐ παρῆν μέν, ἀλλ᾽ ἐθεραπεύετο πεπτωκὼς ἀφ᾽ ἵππου, γράψαντος δὲ Ὄθωνος αὐτῷ συνεβούλευσε μὴ σπεύδειν, ἀλλὰ τὴν ἐκ Μυσίας περιμένειν δύναμιν ἤδη καθ᾽ ὁδὸν οὖσαν. οὐ μὴν ἐπείθετο τούτοις, ἀλλὰ ἐκράτησαν οἱ πρὸς τὴν μάχην παρορμῶντες.

[9] [1] Αἰτίαι δὲ πλείονες ἄλλαι ὑπ᾽ ἄλλων λέγονται· προδήλως δὲ οἱ στρατηγικοὶ προσαγορευόμενοι καὶ τάξιν ἔχοντες δορυφόρων, τότε μᾶλλον ἀληθινῆς γευόμενοι στρατείας καὶ τὰς ἐν Ῥώμῃ διατριβὰς καὶ διαίτας ἀπολέμους καὶ πανηγυρικὰς ποθοῦντες, οὐκ ἦσαν καθεκτοὶ σπεύδοντες ἐπὶ τὴν μάχην, ὡς εὐθὺς ἐξ ἐπιδρομῆς ἀναρπασόμενοι [2] τοὺς ἐναντίους. δοκεῖ δὲ μηδὲ αὐτὸς Ὄθων ἐξαναφέρειν ἔτι πρὸς τὴν ἀδηλότητα μηδὲ ὑπομένειν ἀηθείᾳ καὶ μαλακότητι τοὺς περὶ τῶν δεινῶν λογισμούς, ἐκπονούμενος δὲ ταῖς φροντίσι σπεύδειν ἐγκαλυψάμενος, ὥσπερ ἀπὸ κρημνοῦ, [3] μεθεῖναι τὰ πράγματα πρὸς τὸ συντυχόν. καὶ τοῦτο μὲν διηγεῖτο Σεκοῦνδος ὁ ῥήτωρ ἐπὶ τῶν ἐπιστολῶν γενόμενος τοῦ Ὄθωνος. ἑτέρων δὲ ἦν ἀκούειν ὅτι τοῖς στρατεύμασιν ἀμφοτέροις παρίσταντο ὁρμαὶ πολλαὶ ὡς εἰς ταὐτὸ συνελθεῖν· καὶ μάλιστα μὲν αὐτοὺς ὁμοφρονήσαντας ἐκ τῶν παρόντων ἡγεμονικῶν ἑλέσθαι τὸν ἄριστον, εἰ δὲ μή, τὴν σύγκλητον ὁμοῦ καθίσαντας ἐφεῖναι τὴν [4] αἵρεσιν ἐκείνῃ τοῦ αὐτοκράτορος. καὶ οὐκ ἀπεικός ἐστι, μηδετέρου τότε τῶν προσαγορευομένων αὐτοκρατόρων εὐδοκιμοῦντος, ἐπιπίπτειν τοιούτους διαλογισμοὺς τοῖς γνησίοις καὶ διαπόνοις καὶ σωφρονοῦσι τῶν στρατιωτῶν, ὡς ἔχθιστον εἴη καὶ δεινόν, ἃ πάλαι διὰ Σύλλαν καὶ Μάριον, εἶτα Καίσαρα

καὶ Πομπήϊον ᾠκτείροντο δρῶντες ἀλλήλους καὶ πάσχοντες οἱ πολῖται, ταῦτα νῦν ὑπομένειν ἢ Οὐϊτελλίῳ λαιμαργίας καὶ οἰνοφλυγίας ἢ τρυφῆς καὶ ἀκολασίας Ὄθωνι τὴν ἡγεμονίαν [5] χορήγημα προθεμένους. ταῦτ᾽ οὖν ὑπονοοῦσι τούς τε περὶ τὸν Κέλσον αἰσθανομένους ἐμβαλεῖν διατριβήν, ἐλπίζοντας ἄνευ μάχης καὶ πόνων κριθήσεσθαι τὰ πράγματα, καὶ τοὺς περὶ τὸν Ὄθωνα φοβουμένους ἐπιταχῦναι τὴν μάχην.

[10] [1] Αὐτὸς δὲ πάλιν εἰς Βρίξιλλον ἀνεχώρησε, καὶ τοῦτο προσεξαμαρτών, οὐχ ὅτι μόνον τὴν ἐν ὀφθαλμοῖς αὐτοῦ παρόντος αἰδῶ καὶ φιλοτιμίαν ἀφεῖλε τῶν ἀγωνιζομένων, ἀλλὰ καὶ τοὺς ἐρρωμενεστάτους καὶ προθυμοτάτους δι᾽ αὐτὸν ἱππεῖς καὶ πεζοὺς ἀπαγαγὼν φυλακὴν τοῦ σώματος ὡσπερεὶ στόμωμα τῆς δυνάμεως ἀπέκοψε.

[2] Συνέβη δὲ ταῖς ἡμέραις ἐκείναις καὶ περὶ τὸν Ἠριδανὸν ἀγῶνα γενέσθαι, τοῦ μὲν Κεκίνα ζευγνύντος τὴν διάβασιν, τῶν δὲ Ὄθωνος εἰργόντων καὶ προσμαχομένων. ὡς δὲ οὐδὲν ἐπέραινον, ἐνθεμένων εἰς τὰ πλοῖα δᾷδα θείου καὶ πίττης ἀνάπλεων, διὰ τοῦ πόρου πνεῦμα προσπεσὸν ἄφνω τὴν παρεσκευασμένην ὕλην ἐπὶ τοὺς πολεμίους [3] ἐξερρίπιζε. καπνοῦ δὲ πρῶτον, εἶτα λαμπρᾶς φλογὸς ἐκπεσούσης, ταραττόμενοι καὶ ἀποπηδῶντες εἰς τὸν ποταμὸν τάς τε ναῦς ἀνέτρεπον καὶ τὰ σώματα τοῖς πολεμίοις μετὰ γέλωτος παρεῖχον. οἱ δὲ Γερμανοὶ τοῖς Ὄθωνος μονομάχοις περὶ νησῖδα τοῦ ποταμοῦ προσμίξαντες ἐκράτησαν καὶ διέφθειραν αὐτῶν οὐκ ὀλίγους.

[11] [1] Γενομένων δὲ τούτων, καὶ τῶν ἐν Βητριακῷ στρατιωτῶν τοῦ Ὄθωνος ἐκφερομένων μετ᾽ ὀργῆς ἐπὶ τὴν μάχην, προήγαγεν αὐτοὺς ὁ Πρόκλος ἐκ τοῦ Βητριακοῦ, καὶ κατεστρατοπέδευσεν ἀπὸ πεντήκοντα σταδίων οὕτως ἀπείρως καὶ καταγελάστως ὥστε, τῆς μὲν ὥρας ἐαρινῆς οὔσης, τῶν δὲ κύκλῳ πεδίων πολλὰ νάματα καὶ ποταμοὺς [2] ἀεννάους ἐχόντων, ὕδατος σπάνει πιέζεσθαι. τῇ δὲ ὑστεραίᾳ βουλόμενον προάγειν ἐπὶ τοὺς πολεμίους ὁδὸν οὐκ ἐλάττονα σταδίων ἑκατὸν οἱ περὶ τὸν Παυλῖνον οὐκ εἴων, ἀλλ᾽ ᾤοντο δεῖν περιμένειν καὶ μὴ προπονεῖν ἑαυτούς, μηδὲ εὐθὺς ἐκ πορείας μάχην τίθεσθαι πρὸς ἄνδρας ὡπλισμένους καὶ παρατεταγμένους καθ᾽ ἡσυχίαν, ἐν ὅσῳ χρόνῳ προΐασιν αὐτοὶ τοσαύτην ὁδὸν ἀναμεμιγμένων [3] ὑποζυγίων καὶ ἀκολούθων. οὔσης δὲ περὶ τούτων ἀντιλογίας ἐν τοῖς στρατηγοῖς ἦλθε παρ᾽ Ὄθωνος ἱππεὺς τῶν καλουμένων Νομάδων γράμματα κομίζων κελεύοντα μὴ μένειν μηδὲ διατρίβειν, ἀλλ᾽ ἄγειν εὐθὺς ἐπὶ τοὺς πολεμίους. ἐκεῖνοι μὲν οὖν ἄραντες ἐχώρουν, ὁ δὲ Κεκίνας πυθόμενος τὴν ἔφοδον αὐτῶν ἐθορυβήθη, καὶ κατὰ σπουδὴν ἀπολιπὼν τὰ ἔργα καὶ τὸν ποταμὸν [4] ἧκεν εἰς τὸ στρατόπεδον. ὡπλισμένων δὲ ἤδη τῶν πολλῶν, καὶ τὸ

σύνθημα παραλαμβανόντων παρὰ τοῦ Οὐάλεντος, ἐν ὅσῳ τὴν τάξιν διελάγχανε τὰ τάγματα, τοὺς ἀρίστους τῶν ἱππέων προεξέπεμψαν.

[12] [1] Ἐμπίπτει δὲ τοῖς προτεταγμένοις τῶν Ὄθωνος ἐκ δή τινος αἰτίας δόξα καὶ λόγος ὡς μεταβαλουμένων τῶν Οὐϊτελλίου στρατηγῶν πρὸς αὐτούς. ὡς οὖν ἐγγὺς ἦσαν, ἠσπάσαντο φιλίως συστρατιώτας προσαγορεύσαντες. ἐκείνων δὲ τὴν προσαγόρευσιν οὐκ εὐμενῶς, ἀλλὰ μετὰ θυμοῦ καὶ φωνῆς πολεμικῆς ἀμειψαμένων, τοῖς μὲν ἀσπασαμένοις ἀθυμία, τοῖς δὲ λοιποῖς ὑπόνοια κατὰ τῶν ἀσπασαμένων ὡς προδιδόντων [2] παρέστη. καὶ τοῦτο πρῶτον αὐτοὺς ἐτάραξεν ἤδη τῶν πολεμίων ἐν χερσὶν ὄντων. εἶτα τῶν ἄλλων οὐδὲν ἦν κόσμῳ γινόμενον, ἀλλὰ πολλὴν μὲν ἀταξίαν τὰ σκευοφόρα τοῖς μαχομένοις ἐμπλαζόμενα παρεῖχε, πολλοὺς δὲ τὰ χωρία διασπασμοὺς ἐποίει τάφρων ὄντα μεστὰ καὶ ὀρυγμάτων, ἃ φοβούμενοι καὶ περιϊόντες ἠναγκάζοντο φύρδην καὶ κατὰ μέρη πολλὰ συμπλέκεσθαι τοῖς [3] ἐναντίοις. μόναι δὲ δύο λεγεῶνες (οὕτω γὰρ τὰ τάγματα Ῥωμαῖοι καλοῦσιν), ἐπίκλησιν ἡ μὲν Οὐϊτελλίου Ἅρπαξ, ἡ δὲ Ὄθωνος Βοηθός, εἰς πεδίον ἐξελίξασαι ψιλὸν καὶ ἀναπεπταμένον, νόμιμόν τινα μάχην, συμπεσοῦσαι φαλαγγηδόν, ἐμάχοντο πολὺν χρόνον. οἱ μὲν οὖν Ὄθωνος ἄνδρες ἦσαν εὔρωστοι καὶ ἀγαθοί, πολέμου δὲ καὶ μάχης τότε πρῶτον πεῖραν λαμβάνοντες· οἱ δὲ Οὐϊτελλίου πολλῶν ἀγώνων ἐθάδες, ἤδη δὲ γηραιοὶ καὶ παρακμάζοντες.

[4] Ὁρμήσαντες οὖν ἐπ' αὐτοὺς οἱ Ὄθωνος ἐώσαντο καὶ τὸν ἀετὸν ἀφείλοντο, πάντας ὁμοῦ τι τοὺς προμάχους ἀποκτείναντες· οἱ δὲ ὑπὸ αἰσχύνης καὶ ὀργῆς ἐμπεσόντες αὐτοῖς τόν τε πρεσβευτὴν τοῦ τάγματος Ὀρφίδιον ἔκτειναν καὶ πολλὰ τῶν σημείων ἥρπασαν. τοῖς δὲ μονομάχοις ἐμπειρίαν τε καὶ θάρσος ἔχειν πρὸς τὰς συμπλοκὰς δοκοῦσιν ἐπήγαγεν Οὔαρος Ἀλφῆνος τοὺς καλουμένους [5] Βατάβους. εἰσὶ δὲ Γερμανῶν ἱππεῖς ἄριστοι, νῆσον οἰκοῦντες ὑπὸ τοῦ Ῥήνου περιρρεομένην. τούτους ὀλίγοι μὲν τῶν μονομάχων ὑπέστησαν, οἱ δὲ πλεῖστοι φεύγοντες ἐπὶ τὸν ποταμὸν ἐμπίπτουσιν εἰς σπείρας τῶν πολεμίων αὐτόθι τεταγμένας, ὑφ' ὧν ἀμυνόμενοι πάντες ὁμαλῶς διεφθάρησαν.

[6] αἴσχιστα δὲ ἠγωνίσαντο πάντων οἱ στρατηγικοί, μηδὲ ὅσον ἐν χερσὶ γενέσθαι τοὺς ἐναντίους ὑπομείναντες, ἀλλὰ καὶ τοὺς ἀηττήτους ἔτι φόβου καὶ ταραχῆς ἀνεπίμπλασαν φεύγοντες δι' αὐτῶν. οὐ μὴν ἀλλὰ πολλοί γε τῶν Ὄθωνος νενικηκότες τοὺς καθ' αὑτοὺς ἐβιάσαντο καὶ διεξέπεσον διὰ τῶν πολεμίων κρατούντων εἰς τὸ στρατόπεδον.

[13] [1] Τῶν δὲ στρατηγῶν οὔτε Πρόκλος οὔτε Παυλῖνος συνεισελθεῖν ἐτόλμησαν, ἀλλ' ἐξέκλιναν φοβούμενοι τοὺς στρατιώτας ἤδη τὴν αἰτίαν ἐπὶ τοὺς στρατηγοὺς τρέποντας. Ἄννιος δὲ Γάλλος ἀνελάμβανεν ἐν τῇ πόλει καὶ

παρεμυθεῖτο τοὺς ἐκ τῆς μάχης συλλεγομένους, ὡς ἀγχωμάλου γεγενημένης καὶ πολλοῖς κεκρατηκότας μέρεσι [2] τῶν πολεμίων. Μάριος δὲ Κέλσος τοὺς ἐν τέλει συναγαγὼν ἐκέλευσε σκοπεῖν τὸ κοινόν, ὡς ἐπὶ συμφορᾷ τηλικαύτῃ καὶ φόνῳ τοσούτῳ πολιτῶν μηδὲ Ὄθωνος, εἴπερ ἀνὴρ ἀγαθός ἐστιν, ἐθελήσοντος ἔτι πειρᾶσθαι τῆς τύχης, ὅπου καὶ Κάτων καὶ Σκηπίων, Καίσαρι κρατοῦντι μετὰ Φάρσαλον εἶξαι μὴ θελήσαντες, αἰτίαν ἔχουσιν ὡς πολλοὺς καὶ ἀγαθοὺς ἄνδρας ἐν Λιβύῃ παραναλώσαντες οὐκ ἀναγκαίως, καίπερ ἀγωνιζόμενοι περὶ τῆς [3] Ῥωμαίων ἐλευθερίας. τὰ γὰρ ἄλλα κοινὴν ἡ τύχη παρέχουσα πᾶσιν ἑαυτὴν ἓν οὐκ ἀφαιρεῖται τῶν ἀγαθῶν, τὸ κἂν πταίσωσιν εὐλογιστεῖν πρὸς τὰ συντυγχάνοντα.

Ταῦτα λέγων ἔπειθε τοὺς ἡγεμονικούς. ἐπεὶ δὲ πειρώμενοι τοὺς στρατιώτας ἑώρων εἰρήνης δεομένους καὶ Τιτιανὸς ἐκέλευε πρεσβεύειν ὑπὲρ ὁμονοίας, ἔδοξε Κέλσῳ καὶ Γάλλῳ βαδίζειν καὶ διαλέγεσθαι τοῖς περὶ τὸν Κεκίναν καὶ Οὐάλεντα.

[4] βαδίζουσι δὲ αὐτοῖς ἀπήντησαν ἑκατοντάρχαι τὴν μὲν δύναμιν ἤδη κεκινημένην λέγοντες ἐρχομένην ἐπὶ τὸ Βητριακόν, αὐτοὶ δὲ ὑπὸ τῶν στρατηγῶν ἀπεστάλθαι περὶ ὁμονοίας. ἐπαινέσαντες οὖν οἱ περὶ τὸν Κέλσον ἐκέλευσαν αὐτοὺς ἀναστρέψαντας πάλιν ἀπαντᾶν μετ’ αὐτῶν τοῖς περὶ τὸν Κεκίναν. ἐπεὶ δὲ ἐγγὺς ἦσαν, ἐκινδύνευσεν ὁ Κέλσος. ἔτυχον γὰρ οἱ περὶ τὴν ἐνέδραν ἡττημένοι [5] πρότερον ἱππεῖς προεξελαύνοντες. ὡς οὖν προσιόντα τὸν Κέλσον κατεῖδον, εὐθὺς βοήσαντες ὥρμησαν ἐπ’ αὐτόν. οἱ δὲ ἑκατοντάρχαι προέστησαν ἀνείργοντες· καὶ τῶν ἄλλων λοχαγῶν φείδεσθαι βοώντων οἱ περὶ τὸν Κεκίναν πυθόμενοι καὶ προσελάσαντες τὴν ἀκοσμίαν ταχὺ τῶν ἱππέων ἔπαυσαν, τὸν δὲ Κέλσον ἀσπασάμενοι φιλοφρόνως ἐβάδιζον μετ’ αὐτῶν εἰς τὸ Βητριακόν.

[6] ἐν δὲ τούτῳ μετάνοια Τιτιανὸν ἔσχεν ἐκπέμψαντα τοὺς πρέσβεις· καὶ τῶν στρατιωτῶν τοὺς θρασυνομένους αὖθις ἀνεβίβαζεν ἐπὶ τὰ τείχη καὶ τοὺς ἄλλους παρεκάλει βοηθεῖν. τοῦ δὲ Κεκίνα προσελάσαντος τῷ ἵππῳ καὶ τὴν δεξιὰν ὀρέγοντος οὐδεὶς ἀντέσχεν, ἀλλ’ οἱ μὲν ἀπὸ τῶν τειχῶν ἠσπάζοντο τοὺς στρατιώτας, οἱ δὲ τὰς πύλας ἀνοίξαντες ἐξῄεσαν καὶ ἀνεμίγνυντο τοῖς προσήκουσιν.

[7] ἠδίκει δὲ οὐδείς, ἀλλὰ καὶ φιλοφροσύναι καὶ δεξιώσεις ἦσαν, ὤμοσαν δὲ πάντες περὶ τοῦ Οὐϊτελλίου καὶ προσεχώρησαν.

[14] [1] Οὕτω μὲν οἱ πλεῖστοι τῶν παραγενομένων ἀπαγγέλλουσι γενέσθαι τὴν μάχην, οὐδὲ αὐτοὶ σαφῶς ὁμολογοῦντες εἰδέναι τὰ καθ’ ἕκαστα διὰ τὴν ἀταξίαν καὶ τὴν ἀνωμαλίαν. ἐμοὶ δὲ ὕστερον ὁδεύοντι διὰ τοῦ πεδίου Μέστριος Φλῶρος, ἀνὴρ ὑπατικὸς τῶν τότε μὴ κατὰ γνώμην, ἀλλ’ ἀνάγκῃ

μετὰ τοῦ Ὄθωνος γενομένων, νεὼν ὄντα παλαιὸν ἐπιδείξας διηγεῖτο μετὰ τὴν μάχην ἐπελθὼν ἰδεῖν νεκρῶν σωρὸν τηλικοῦτον ὥστε [2] τοὺς ἐπιπολῆς ἅπτεσθαι τῶν ἀετῶν. καὶ τὴν αἰτίαν ἔφη ζητῶν οὔτε αὐτὸς εὑρεῖν οὔτε παρ' ἄλλου του πυθέσθαι. θνήσκειν μὲν γὰρ παρὰ τοὺς ἐμφυλίους πολέμους, ὅταν τροπὴ γένηται, πλείονας εἰκός ἐστι, τῷ μηδένα ζωγρεῖν, χρῆσθαι γὰρ οὐκ ἔστι τοῖς ἁλισκομένοις, ἡ δ' ἐπὶ τοσοῦτο σωρεία καὶ συμφόρησις οὐκ ἔχει τὴν αἰτίαν εὐσυλλόγιστον.

[15] [1] Τῷ δὲ Ὄθωνι πρῶτον μὲν ἀσαφής, ὥσπερ εἴωθε περὶ τῶν τηλικούτων, προσέπεσε λόγος· ἐπεὶ δὲ καὶ τετρωμένοι τινὲς ἧκον ἐκ τῆς μάχης ἀπαγγέλλοντες, τοὺς μὲν φίλους ἧττον ἄν τις ἐθαύμασεν οὐκ ἐῶντας ἀπαγορεύειν, ἀλλὰ θαρρεῖν παρακελευομένους, τὸ δὲ τῶν στρατιωτῶν πάθος ἅπασαν ὑπερέβαλε πίστιν. ὡς οὐδεὶς ἀπῆλθεν, [2] οὐδὲ μετέστη πρὸς τοὺς κρατοῦντας, οὐδ' ὤφθη τὸ καθ' αὑτὸν ζητῶν ἀπεγνωσμένου τοῦ ἡγεμόνος, πάντες δ' ὁμαλῶς ἐπὶ θύρας ἦλθον, ἐκάλουν αὐτοκράτορα, προελθόντος ἐγίνοντο προστρόπαιοι, μετὰ βοῆς καὶ ἱκεσίας χειρῶν ἥπτοντο, προσέπιπτον, ἐδάκρυον, ἐδέοντο μὴ σφᾶς ἐγκαταλιπεῖν, μὴ προδοῦναι τοῖς πολεμίοις, ἀλλὰ χρῆσθαι μέχρι ἂν ἐμπνέωσι καὶ ψυχαῖς καὶ σώμασιν ὑπὲρ [3] αὐτοῦ. ταῦτα ὁμοῦ πάντες ἱκέτευον. εἷς δὲ τῶν ἀφανεστέρων ἀνατείνας τὸ ξίφος καὶ εἰπών, "Ἴσθι, Καῖσαρ, οὕτως ὑπὲρ σοῦ παρατεταγμένους ἅπαντας," ἀπέσφαξεν ἑαυτόν.

Ἀλλὰ τούτων οὐδὲν ἐπέκλασε τὸν Ὄθωνα, φαιδρῷ δὲ καὶ καθεστῶτι προσώπῳ πανταχόσε τὰς ὄψεις περιαγαγών, "Ταύτην," εἶπεν, "ὦ συστρατιῶται, τὴν ἡμέραν ἐκείνης, ἐν ᾗ με πρῶτον ἐποιήσατε αὐτοκράτορα, μακαριωτέραν ἡγοῦμαι, τοιούτους ὁρῶν ὑμᾶς καὶ τηλικούτων [4] ἀξιούμενος. ἀλλὰ μὴ μείζονος ἀποστερεῖτε, τοῦ καλῶς ἀποθανεῖν ὑπὲρ τοσούτων καὶ τοιούτων πολιτῶν. εἰ τῆς Ῥωμαίων ἡγεμονίας ἄξιος γέγονα, δεῖ με τῆς ἐμῆς ψυχῆς ὑπὲρ τῆς πατρίδος ἀφειδεῖν. οἶδα τὴν νίκην τοῖς ἐναντίοις οὔτε βεβαίαν οὔτε ἰσχυρὰν οὖσαν. ἀπαγγέλλουσι τὴν ἐκ Μυσίας ἡμῶν δύναμιν οὐ πολλῶν ἡμερῶν ὁδὸν ἀπέχειν, [5] ἤδη καταβαίνουσαν ἐπὶ τὸν Ἀδρίαν. Ἀσία καὶ Συρία καὶ Αἴγυπτος καὶ τὰ πολεμοῦντα Ἰουδαίοις στρατεύματα μεθ' ἡμῶν, ἥ τε σύγκλητος παρ' ἡμῖν καὶ τέκνα τῶν ἐναντίων καὶ γυναῖκες. ἀλλ' οὐκ ἔστι πρὸς Ἀννίβαν οὐδὲ Πύρρον οὐδὲ Κίμβρους ὁ πόλεμος ὑπὲρ τῆς Ἰταλίας, ἀλλὰ Ῥωμαίοις πολεμοῦντες ἀμφότεροι τὴν πατρίδα καὶ νικῶντες ἀδικοῦμεν καὶ νικώμενοι. καὶ γὰρ τὸ ἀγαθὸν τοῦ [6] κρατοῦντος ἐκείνῃ κακόν ἐστι. πιστεύσατε πολλάκις ὅτι δύναμαι κάλλιον ἀποθανεῖν ἢ ἄρχειν. οὐ γὰρ ὁρῶ τί τηλικοῦτον Ῥωμαίοις ὄφελος ἔσομαι κρατήσας, ἡλίκον ἐπιδοὺς

ἐμαυτὸν ὑπὲρ εἰρήνης καὶ ὁμονοίας, καὶ τοῦ μὴ πάλιν ἡμέραν τοιαύτην ἐπιδεῖν τὴν Ἰταλίαν."

[16] [1] Τοιαῦτα διαλεχθείς, καὶ πρὸς τοὺς ἐνίστασθαι καὶ παρακαλεῖν ἐπιχειροῦντας ἀπισχυρισάμενος, τούς τε φίλους ἐκέλευεν ἀπαλλάττεσθαι καὶ τῶν συγκλητικῶν τοὺς παρόντας· τοῖς δὲ μὴ παροῦσιν ἐπέστελλε καὶ γράμματα πρὸς τὰς πόλεις, ὅπως παρακομισθῶσιν ἐντίμως καὶ μετὰ [2] ἀσφαλείας. προσαγόμενος δὲ τὸν ἀδελφιδοῦν Κοκκήϊον, ἔτι μειράκιον ὄντα, θαρρεῖν παρεκάλει καὶ μὴ δεδιέναι Οὐϊτέλλιον, οὗ καὶ μητέρα καὶ γενεὰν καὶ γυναῖκα αὐτός, ὥσπερ οἰκείων κηδόμενος, διαφυλάξαι. διὰ τοῦτο γὰρ οὐδὲ θέσθαι παῖδα βουλόμενος αὐτόν, ἀλλ' ἀναβαλέσθαι τὴν εἰσποίησιν, ὅπως συνάρχοι κρατήσαντος αὐτοῦ, μὴ προσαπόλοιτο πταίσαντος· "Ἐκεῖνο δέ," εἶπεν, "ὦ παῖ, παρεγγυῶμαί σοι τελευταῖον, μήτε ἐπιλαθέσθαι παντάπασι μήτε ἄγαν μνημονεύειν ὅτι Καίσαρα θεῖον ἔσχες."

[3] Γενόμενος δὲ ἀπὸ τούτων μετὰ μικρὸν ἤκουσε θορύβου καὶ βοῆς ἐπὶ θύραις. οἱ γὰρ στρατιῶται τῶν συγκλητικῶν τοῖς ἀπιοῦσι διηπείλουν ἀποσφάξειν, εἰ μὴ παραμενοῦσιν, ἀλλὰ οἰχήσονται τὸν αὐτοκράτορα καταλιπόντες. πάλιν οὖν προῆλθεν ὑπὲρ τῶν ἀνδρῶν φοβηθείς, καὶ τοὺς στρατιώτας, οὐκέτι δεητικὸς οὐδὲ πρᾷος, ἀλλὰ τραχὺς ὀφθείς, καὶ μετ' ὀργῆς εἰς τὸ θορυβοῦν μάλιστα διαβλέψας, ἀπελθεῖν ἐποίησεν εἴξαντας καὶ διατρέσαντας.

[17] [1] Ἤδη δὲ ἑσπέρας οὔσης ἐδίψησε, καὶ πιὼν ὀλίγον ὕδατος, δυεῖν ὄντων αὐτῷ ξιφῶν, ἑκατέρου κατεμάνθανε τὸ σπάσμα πολὺν χρόνον, καὶ τὸ ἕτερον ἀπέδωκε, θάτερον δὲ εἰς τὰς ἀγκάλας ἀναλαβὼν τοὺς οἰκέτας προσεκαλεῖτο. καὶ φιλοφρονούμενος διένεμε τῶν χρημάτων τῷ μὲν πλέον, τῷ δὲ ἔλαττον, οὐχ ὥσπερ ἀλλοτρίων ἀφειδῶν, ἀλλὰ τὸ κατ' ἀξίαν καὶ τὸ μέτριον [2] ἐπιμελῶς φυλάττων. ἀποπέμψας δὲ τούτους ἤδη τὸ λοιπὸν ἀνεπαύετο τῆς νυκτός, ὥστε τοὺς κατευναστὰς αἰσθάνεσθαι βαθέως αὐτοῦ καθεύδοντος. ὄρθρου δὲ καλέσας ἀπελεύθερον ᾧ συνδιῴκησε τὰ περὶ τοὺς συγκλητικούς, μαθεῖν προσέταξε· καὶ πυθόμενος γεγονέναι τοῖς ἀπερχομένοις ὧν ἕκαστος ἔχρῃζεν, "Ἴθι τοίνυν," ἔφη, "σύ, καὶ ποίει τοῖς στρατιώταις ἐμφανῆ σεαυτόν, εἰ μὴ θέλεις κακῶς ὑπ' αὐτῶν ἀποθανεῖν ὡς ἐμοὶ [3] συμπράξας τὸν θάνατον." ἐξελθόντος δὲ τοῦ ἀνθρώπου τὸ ξίφος ὑποστήσας ὀρθὸν ἀμφοτέραις ταῖς χερσί, καὶ περιπεσὼν ἄνωθεν, ὅσον ἅπαξ στενάξαι μόνον ᾔσθετο τοῦ πόνου καὶ τοῖς ἐκτὸς αἴσθησιν παρέσχεν. ἀραμένων δὲ τῶν παίδων οἰμωγὴν εὐθὺς ἅπαν τὸ στρατόπεδον καὶ τὴν πόλιν ἐπεῖχε κλαυθμός· καὶ μετὰ βοῆς οἱ στρατιῶται εἰσέπεσον ἐπὶ τὰς θύρας καὶ ὠλοφύροντο, περιπαθοῦντες καὶ λοιδοροῦντες ἑαυτοὺς μὴ φυλάξαντας τὸν

αὐτοκράτορα μηδὲ κωλύσαντας ἀποθανεῖν [4] ὑπὲρ αὐτῶν. ἀπέστη δὲ οὐδεὶς τῶν κατ’ αὐτόν, ἐγγὺς ὄντων τῶν πολεμίων, ἀλλὰ κοσμήσαντες τὸ σῶμα καὶ πυρὰν κατασκευάσαντες ἐξεκόμιζον ἐν τοῖς ὅπλοις οἱ φθάσαντες ὑποδῦναι καὶ βαστάσαι τὸ λέχος ἐπιγαυρούμενοι. τῶν δὲ ἄλλων οἱ μὲν τὸ τραῦμα τοῦ νεκροῦ κατεφίλουν προσπίπτοντες, οἱ δὲ ἥπτοντο τῶν χειρῶν, οἱ δὲ προσεκύνουν πόρρωθεν. ἔνιοι δὲ τῇ πυρᾷ λαμπάδας ὑφέντες ἑαυτοὺς ἀπέσφαξαν, οὐδὲν ἐκδήλως οὔτε πεπονθότες χρηστὸν ὑπὸ τοῦ τεθνηκότος οὔτε πείσεσθαι δεινὸν ὑπὸ τοῦ κρατοῦντος δεδιότες.

[5] ἀλλ’ ἔοικε μηδενὶ τῶν πώποτε τυράννων ἢ βασιλέων δεινὸς οὕτως ἔρως ἐγγενέσθαι καὶ περιμανὴς τοῦ ἄρχειν, ὡς ἐκεῖνοι τοῦ ἄρχεσθαι καὶ ὑπακούειν Ὄθωνος ἠράσθησαν· οὕς γε μηδ’ ἀποθανόντος ὁ πόθος προὔλιπεν, ἀλλὰ παρέμεινεν εἰς ἀνήκεστον ἔχθος Οὐϊτελλίῳ τελευτήσας.

[18] [1] Τὰ μὲν οὖν ἄλλα καιρὸν οἰκεῖον ἔχει λεχθῆναι· κρύψαντες δὲ τῇ γῇ τὰ λείψανα τοῦ Ὄθωνος οὔτε μεγέθει σήματος οὔτ’ ἐπιγραφῆς ὄγκῳ τὸν τάφον ἐποίησαν ἐπίφθονον. εἶδον δὲ ἐν Βριξίλλῳ γενόμενος καὶ μνῆμα μέτριον καὶ τὴν ἐπιγραφὴν οὕτως ἔχουσαν, εἰ μεταφρασθείη· “Δηλώσει Μάρκου Ὄθωνος.”

[2] Ἀπέθανε δὲ Ὄθων ἔτη μὲν ἑπτὰ καὶ τριάκοντα βιώσας, ἄρξας δὲ τρεῖς μῆνας, ἀπολιπὼν δὲ μὴ χείρονας μηδ’ ἐλάττους τῶν τὸν βίον αὐτοῦ ψεγόντων τοὺς ἐπαινοῦντας τὸν θάνατον. βιώσας γὰρ οὐδὲν ἐπιεικέστερον Νέρωνος ἀπέθανεν εὐγενέστερον.

[3] Οἱ δὲ στρατιῶται Πολλίωνος τοῦ ἑτέρου τῶν ἐπάρχων ὀμνύειν εὐθὺς εἰς τὸν Οὐϊτέλλιον κελεύσαντος ἐδυσχέραινον· καὶ πυθόμενοι τῶν συγκλητικῶν ἐνίους ἔτι παρεῖναι τοὺς μὲν ἄλλους ἀφῆκαν, Οὐεργινίῳ δὲ Ῥούφῳ πράγματα παρεῖχον ἅμα τοῖς ὅπλοις ἐλθόντες ἐπὶ τὴν οἰκίαν καὶ κατακαλοῦντες αὖθις καὶ κελεύοντες ἄρχειν ἢ [4] πρεσβεύειν ὑπὲρ αὐτῶν. ὁ δὲ τὴν ἡγεμονίαν ἡττωμένων παραλαβεῖν, νενικηκότων πρότερον μὴ θελήσας, μανικὸν ἡγεῖτο· πρεσβεύειν δὲ πρὸς τοὺς Γερμανοὺς δεδιώς, πολλὰ βεβιάσθαι παρὰ γνώμην ὑπ’ αὐτοῦ δοκοῦντας, ἔλαθε δι’ ἑτέρων θυρῶν ἐκποδὼν ποιήσας ἑαυτόν. ὡς δὲ τοῦτο ἔγνωσαν οἱ στρατιῶται, τούς τε ὅρκους ἐδέξαντο καὶ τοῖς περὶ τὸν Κεκίναν προσέθεντο συγγνώμης τυχόντες.

Κλεόφαντον γοῦν τὸν Θεμιστοκλέους πολλάκις λέγουσι φάναι καὶ πρὸς πολλοὺς ὡς ὅ τι ἂν αὐτὸς βούληται, τοῦτο καὶ τῷ δήμῳ συνδοκεῖ τῷ τῶν Ἀθηναίων· ἃ μὲν γὰρ αὐτὸς ἐθέλει, καὶ ἡ μήτηρ· ἃ δ' ἂν ἡ μήτηρ, καὶ [d] Θεμιστοκλῆς· ἃ δ' ἂν Θεμιστοκλῆς, καὶ πάντες Ἀθηναῖοι. πάνυ δ' ἄξιον ἐπαινεῖν καὶ Λακεδαιμονίους τῆς μεγαλοφροσύνης, οἵτινες Ἀρχίδαμον τὸν βασιλέα ἑαυτῶν ἐζημίωσαν χρήμασιν, ὅτι μικρὰν τὸ μέγεθος γυναῖκα γάμῳ λαβεῖν ὑπέμεινεν, ὑπειπόντες ὡς οὐ βασιλέας ἀλλὰ βασιλείδια παρασχεῖν αὐτοῖς διανοοῖτο.

Ἐχόμενον δ' ἂν εἴη τούτων εἰπεῖν ὅπερ οὐδὲ τοῖς πρὸ ἡμῶν παρεωρᾶτο. τὸ ποῖον; ὅτι τοὺς ἕνεκα παιδοποιίας πλησιάζοντας ταῖς γυναιξὶν ἤτοι τὸ παράπαν ἀοίνους ἢ μετρίως γοῦν οἰνωμένους ποιεῖσθαι προσήκει τὸν συνουσιασμόν. φίλοινοι γὰρ καὶ μεθυστικοὶ γίγνεσθαι φιλοῦσιν ὧν ἂν τὴν ἀρχὴν τῆς σπορᾶς οἱ πατέρες ἐν μέθῃ [2] [a] ποιησάμενοι τύχωσιν. ᾗ καὶ Διογένης μειράκιον ἐκστατικὸν ἰδὼν καὶ παραφρονοῦν "νεανίσκε" ἔφησεν, "ὁ πατήρ σε μεθύων ἔσπειρε." καὶ περὶ μὲν τῆς γενέσεως τοσαῦτ' εἰρήσθω μοι, περὶ δὲ τῆς ἀγωγῆς καὶ δὴ λεκτέον.

Καθόλου μὲν εἰπεῖν, ὃ κατὰ τῶν τεχνῶν καὶ τῶν ἐπιστημῶν λέγειν εἰώθαμεν, ταὐτὸ καὶ κατὰ τῆς ἀρετῆς φατέον ἐστίν, ὡς εἰς τὴν παντελῆ δικαιοπραγίαν τρία δεῖ συνδραμεῖν, φύσιν καὶ λόγον καὶ ἔθος. καλῶ δὲ λόγον μὲν τὴν μάθησιν, ἔθος δὲ τὴν ἄσκησιν. εἰσὶ δ' αἱ μὲν ἀρχαὶ τῆς φύσεως, αἱ δὲ προκοπαὶ τῆς μαθήσεως, αἱ δὲ [b] χρήσεις τῆς μελέτης, αἱ δ' ἀκρότητες πάντων. καθ' ὃ δ' ἂν λειφθῇ τούτων, κατὰ τοῦτ' ἀνάγκη χωλὴν γίγνεσθαι τὴν ἀρετήν. ἡ μὲν γὰρ φύσις ἄνευ μαθήσεως τυφλόν, ἡ δὲ μάθησις δίχα φύσεως ἐλλιπές, ἡ δ' ἄσκησις χωρὶς ἀμφοῖν ἀτελές. ὥσπερ δ' ἐπὶ τῆς γεωργίας πρῶτον μὲν ἀγαθὴν ὑπάρξαι δεῖ τὴν γῆν, εἶτα δὲ τὸν φυτουργὸν ἐπιστήμονα, εἶτα τὰ σπέρματα σπουδαῖα, τὸν αὐτὸν τρόπον γῇ μὲν ἔοικεν ἡ φύσις, γεωργῷ δ' ὁ παιδεύων, σπέρματι δ' αἱ τῶν λόγων ὑποθῆκαι καὶ τὰ παραγγέλματα.

[c] ταῦτα πάντα διατεινάμενος ἂν εἴποιμ' ὅτι συνῆλθε καὶ συνέπνευσεν εἰς τὰς τῶν παρ' ἅπασιν ᾀδομένων ψυχάς, Πυθαγόρου καὶ Σωκράτους καὶ Πλάτωνος καὶ τῶν ὅσοι δόξης ἀειμνήστου τετυχήκασιν.

Εὔδαιμον μὲν οὖν καὶ θεοφιλὲς εἴ τῳ ταῦτα πάντα θεῶν τις ἀπέδωκεν. εἰ δέ τις οἴεται τοὺς οὐκ εὖ πεφυκότας μαθήσεως καὶ μελέτης τυχόντας ὀρθῆς πρὸς ἀρετὴν οὐκ ἂν τὴν τῆς φύσεως ἐλάττωσιν εἰς τοὐνδεχόμενον ἀναδραμεῖν, ἴστω πολλοῦ, μᾶλλον δὲ τοῦ παντὸς διαμαρτάνων. φύσεως μὲν γὰρ ἀρετὴν διαφθείρει ῥᾳθυμία, φαυλότητα δ' ἐπανορθοῖ διδαχή· καὶ τὰ μὲν ῥᾴδια τοὺς ἀμελοῦντας φεύγει, τὰ δὲ χαλεπὰ ταῖς ἐπιμελείαις [d] ἁλίσκεται. καταμάθοις δ' ἂν ὡς ἀνύσιμον πρᾶγμα καὶ τελεσιουργὸν ἐπιμέλεια καὶ πόνος ἐστίν, ἐπὶ πολλὰ τῶν γιγνομένων ἐπιβλέψας. σταγόνες μὲν γὰρ ὕδατος πέτρας κοιλαίνουσι, σίδηρος δὲ καὶ χαλκὸς ταῖς ἐπαφαῖς τῶν χειρῶν ἐκτρίβονται, οἱ δ' ἁρμάτειοι τροχοὶ πόνῳ καμφθέντες οὐδ' ἂν εἴ τι γένοιτο τὴν ἐξ ἀρχῆς δύναιντ' ἀναλαβεῖν εὐθυωρίαν· τάς γε μὴν καμπύλας τῶν ὑποκριτῶν βακτηρίας ἀπευθύνειν ἀμήχανον, ἀλλὰ τὸ παρὰ φύσιν τῷ πόνῳ τοῦ κατὰ φύσιν ἐγένετο κρεῖττον. καὶ μόνα ἆρα ταῦτα τὴν τῆς ἐπιμελείας ἰσχὺν διαδείκνυσιν; οὔκ, ἀλλὰ καὶ μυρί' ἐπὶ μυρίοις.

[e] ἀγαθὴ γῆ πέφυκεν· ἀλλ' ἀμεληθεῖσα χερσεύεται, καὶ ὅσῳ τῇ φύσει βελτίων ἐστί, τοσούτῳ μᾶλλον ἐξαργηθεῖσα δι' ἀμέλειαν ἐξαπόλλυται. ἀλλ' ἔστι τις ἀπόκροτος καὶ τραχυτέρα τοῦ δέοντος· ἀλλὰ γεωργηθεῖσα παραυτίκα γενναίους καρποὺς ἐξήνεγκε. ποῖα δὲ δένδρα οὐκ ὀλιγωρηθέντα μὲν στρεβλὰ φύεται καὶ ἄκαρπα καθίσταται, τυχόντα δ' ὀρθῆς παιδαγωγίας ἔγκαρπα γίγνεται καὶ τελεσφόρα; ποία δὲ σώματος ἰσχὺς οὐκ ἐξαμβλοῦται καὶ καταφθίνει δι' ἀμέλειαν καὶ τρυφὴν καὶ καχεξίαν; τίς δ' ἀσθενὴς φύσις οὐ τοῖς γυμνασαμένοις καὶ καταθλήσασι πλεῖστον εἰς ἰσχὺν ἐπέδωκε; τίνες [f] δ'

ἵπποι καλῶς πωλοδαμνηθέντες οὐκ εὐπειθεῖς ἐγένοντο τοῖς ἀναβάταις; τίνες δ’ ἀδάμαστοι μείναντες οὐ σκληραύχενες καὶ θυμοειδεῖς ἀπέβησαν; καὶ τί δεῖ τἄλλα θαυμάζειν, ὅπου γε τῶν θηρίων τῶν ἀγριωτάτων ὁρῶμεν πολλὰ καὶ τιθασευόμενα καὶ χειροήθη γιγνόμενα τοῖς πόνοις; εὖ δὲ καὶ ὁ Θετταλὸς ἐρωτηθεὶς τίνες εἰσὶν οἱ ἠπιώτατοι Θετταλῶν, ἔφη “οἱ παυόμενοι πολεμεῖν.” καὶ τί δεῖ τὰ πολλὰ λέγειν; καὶ γὰρ τὸ ἦθος ἔθος ἐστὶ [3] [a] πολυχρόνιον, καὶ τὰς ἠθικὰς ἀρετὰς ἐθικὰς ἄν τις λέγῃ, οὐκ ἄν τι πλημμελεῖν δόξειεν. ἑνὶ δὲ περὶ τούτων ἔτι παραδείγματι χρησάμενος ἀπαλλάξομαι τοῦ ἔτι περὶ αὐτῶν μηκύνειν. Λυκοῦργος γὰρ ὁ τῶν Λακεδαιμονίων νομοθέτης δύο σκύλακας τῶν αὐτῶν γονέων λαβὼν οὐδὲν ὁμοίως ἀλλήλοις ἤγαγεν, ἀλλὰ τὸν μὲν λίχνον ἀπέφηνε καὶ σινάμωρον, τὸν δ’ ἐξιχνεύειν καὶ θηρᾶν δυνατόν. εἶτά ποτε τῶν Λακεδαιμονίων εἰς ταὐτὸ συνειλεγμένων, “μεγάλη τοι ῥοπὴ πρὸς ἀρετῆς κύησίν ἐστιν, [b] ἄνδρες,” ἔφησε, “Λακεδαιμόνιοι, καὶ ἔθη καὶ παιδεῖαι καὶ διδασκαλίαι καὶ βίων ἀγωγαί, καὶ ἐγὼ ταῦθ’ ὑμῖν αὐτίκα δὴ μάλα ποιήσω φανερά.” εἶτα προσαγαγὼν τοὺς δύο σκύλακας διαφῆκε, καταθεὶς εἰς μέσον λοπάδα καὶ λαγωὸν κατευθὺ τῶν σκυλάκων. καὶ ὁ μὲν ἐπὶ τὸν λαγωὸν ᾖξεν, ὁ δ’ ἐπὶ τὴν λοπάδα ὥρμησε. τῶν δὲ Λακεδαιμονίων οὐδέπω συμβαλεῖν ἐχόντων τί ποτ’ αὐτῷ τοῦτο δύναται καὶ τί βουλόμενος τοὺς σκύλακας ἐπεδείκνυεν, “οὗτοι γονέων,” ἔφη, “τῶν αὐτῶν ἀμφότεροι, διαφόρου δὲ τυχόντες ἀγωγῆς ὁ μὲν λίχνος ὁ δὲ θηρευτὴς ἀποβέβηκε.” καὶ περὶ μὲν ἐθῶν καὶ βίων ἀρκείτω ταῦτα.

[c] Περὶ δὲ τροφῆς ἐχόμενον ἂν εἴη λέγειν. δεῖ δέ, ὡς ἐγὼ ἂν φαίην, αὐτὰς τὰς μητέρας τὰ τέκνα τρέφειν καὶ τούτοις τοὺς μαστοὺς ὑπέχειν· συμπαθέστερόν τε γὰρ θρέψουσι καὶ διὰ πλείονος ἐπιμελείας, ὡς ἂν ἔνδοθεν καὶ τὸ δὴ λεγόμενον ἐξ ὀνύχων ἀγαπῶσαι τὰ τέκνα. αἱ τίτθαι δὲ καὶ αἱ τροφοὶ τὴν εὔνοιαν ὑποβολιμαίαν καὶ παρέγγραπτον ἔχουσιν, ἅτε μισθοῦ φιλοῦσαι. δηλοῖ δὲ καὶ ἡ φύσις ὅτι δεῖ τὰς μητέρας ἃ γεγεννήκασιν αὐτὰς τιτθεύειν καὶ τρέφειν· διὰ γὰρ τοῦτο παντὶ ζῴῳ τεκόντι τὴν ἐκ τοῦ γάλακτος τροφὴν ἐχορήγησε. σοφὸν [d] δ’ ἄρα καὶ ἡ πρόνοια· διττοὺς ἐνέθηκε ταῖς γυναιξὶ τοὺς μαστούς, ἵνα, κἂν εἰ δίδυμα τέκοιεν, διττὰς ἔχοιεν τὰς τῆς τροφῆς πηγάς. χωρὶς δὲ τούτων εὐνούστεραι τοῖς τέκνοις γίγνοιντ’ ἂν καὶ φιλητικώτεραι. καὶ μὰ Δί’ οὐκ ἀπεικότως· ἡ συντροφία γὰρ ὥσπερ ἐπιτόνιόν ἐστι τῆς εὐνοίας. καὶ γὰρ τὰ θηρία τῶν συντρεφομένων ἀποσπώμενα ταῦτα ποθοῦντα φαίνεται. μάλιστα μὲν οὖν ὅπερ ἔφην αὐτὰς πειρατέον τὰ τέκνα τρέφειν τὰς μητέρας· εἰ δ’ ἄρ’ ἀδυνάτως ἔχοιεν ἢ διὰ σώματος ἀσθένειαν (γένοιτο γὰρ ἄν τι καὶ τοιοῦτον) ἢ πρὸς ἑτέρων τέκνων σπεύδουσαι γένεσιν, ἀλλὰ τάς γε τίτθας καὶ τροφοὺς οὐ τὰς τυχούσας ἀλλ’ ὡς ἔνι μάλιστα [e]

Οὐ τοίνυν οὐδὲ τοῦτο παραλιπεῖν ἄξιόν ἐστιν, ὅτι καὶ τὰ παιδία τὰ μέλλοντα τοῖς τροφίμοις ὑπηρετεῖν καὶ τούτοις σύντροφα γίγνεσθαι ζητητέον [4] [a] πρώτιστα μὲν σπουδαῖα τοὺς τρόπους, ἔτι μέντοι Ἑλληνικὰ καὶ περίτρανα λαλεῖν, ἵνα μὴ συναναχρωννύμενοι βαρβάροις καὶ τὸ ἦθος μοχθηροῖς ἀποφέρωνταί τι τῆς ἐκείνων φαυλότητος. καὶ οἱ παροιμιαζόμενοι δέ φασιν οὐκ ἀπὸ τρόπου λέγοντες, ὅτι "ἂν χωλῷ παροικήσῃς, ὑποσκάζειν μαθήσῃ."

Ἐπειδὰν τοίνυν ἡλικίαν λάβωσιν ὑπὸ παιδαγωγοῖς τετάχθαι, ἐνταῦθα δὴ πολλὴν ἐπιμέλειαν ἑκτέον ἐστὶ τῆς τούτων καταστάσεως, ὡς μὴ λάθωσιν ἀνδραπόδοις ἢ βαρβάροις ἢ παλιμβόλοις τὰ τέκνα παραδόντες. ἐπεὶ νῦν γε τὸ γιγνόμενον πολλοῖς ὑπερκαταγέλαστόν ἐστι. τῶν γὰρ δούλων [b] τῶν σπουδαίων τοὺς μὲν γεωργοὺς ἀποδεικνύουσι, τοὺς δὲ ναυκλήρους τοὺς δ᾽ ἐμπόρους τοὺς δ᾽ οἰκονόμους τοὺς δὲ δανειστάς· ὅ τι δ᾽ ἂν εὕρωσιν ἀνδράποδον οἰνόληπτον καὶ λίχνον, πρὸς πᾶσαν πραγματείαν ἄχρηστον, τούτῳ φέροντες ὑποβάλλουσι τοὺς υἱούς. δεῖ δὲ τὸν σπουδαῖον παιδαγωγὸν τοιοῦτον εἶναι τὴν φύσιν οἷόσπερ ἦν ὁ Φοῖνιξ ὁ τοῦ Ἀχιλλέως παιδαγωγός.

Τὸ δὲ πάντων μέγιστον καὶ κυριώτατον τῶν εἰρημένων ἔρχομαι φράσων. διδασκάλους γὰρ ζητητέον τοῖς τέκνοις, οἳ καὶ τοῖς βίοις εἰσὶν ἀδιάβλητοι καὶ τοῖς τρόποις ἀνεπίληπτοι καὶ ταῖς [c] ἐμπειρίαις ἄριστοι· πηγὴ γὰρ καὶ ῥίζα καλοκαγαθίας τὸ νομίμου τυχεῖν παιδείας. καὶ καθάπερ τὰς χάρακας οἱ γεωργοὶ τοῖς φυτοῖς παρατιθέασιν, οὕτως οἱ νόμιμοι τῶν διδασκάλων ἐμμελεῖς τὰς ὑποθήκας καὶ παραινέσεις παραπηγνύουσι τοῖς νέοις, ἵν᾽ ὀρθὰ τούτων βλαστάνῃ τὰ ἤθη. νῦν δέ τις κἂν καταπτύσειε τῶν πατέρων ἐνίων, οἵτινες πρὶν δοκιμάσαι τοὺς μέλλοντας διδάσκειν, δι᾽ ἄγνοιαν, ἔσθ᾽ ὅτε καὶ

Ζεῦ καὶ θεοὶ πάντες, πατήρ τις καλούμενος πλείω λόγον τῆς τῶν δεομένων ποιεῖται χάριτος ἢ τῆς τῶν τέκνων παιδεύσεως; εἶτ’ οὐκ εἰκότα πολλάκις Σωκράτης ἐκεῖνος ὁ παλαιὸς ἔλεγεν, ὅτι εἴπερ ἄρα δυνατὸν ἦν, ἀναβάντα ἐπὶ τὸ μετεωρότατον τῆς πόλεως ἀνακραγεῖν μέρος “ὦ ἄνθρωποι, ποῖ φέρεσθε, οἵτινες χρημάτων μὲν κτήσεως πέρι πᾶσαν ποιεῖσθε σπουδήν, τῶν δ’ υἱέων, οἷς ταῦτα καταλείψετε, μικρὰ φροντίζετε;” τούτοις δ’ ἂν ἔγωγε προσθείην ὅτι οἱ τοιοῦτοι πατέρες παραπλήσιον ποιοῦσιν, οἷον εἴ τις τοῦ μὲν ὑποδήματος [f] φροντίζοι, τοῦ δὲ ποδὸς ὀλιγώρως ἔχοι. πολλοὶ δ’ εἰς τοσοῦτο τῶν πατέρων προβαίνουσι φιλαργυρίας ἅμα καὶ μισοτεκνίας, ὥσθ’ ἵνα μὴ πλείονα μισθὸν τελέσειαν, ἀνθρώπους τοῦ μηδενὸς τιμίους αἱροῦνται τοῖς τέκνοις παιδευτάς, εὔωνον ἀμαθίαν διώκοντες. ᾗ καὶ Ἀρίστιππος οὐκ ἀκόμψως ἀλλὰ καὶ πάνυ ἀστείως ἐπέσκωψε τῷ λόγῳ πατέρα νοῦ καὶ φρενῶν κενόν. ἐρωτήσαντος γάρ τινος αὐτὸν πόσον αἰτοίη μισθὸν ὑπὲρ τῆς τοῦ τέκνου παιδεύσεως, “χιλίας” ἔφησε “δραχμάς.” τοῦ δ’ “Ἡράκλεις” εἰπόντος, “ὡς ὑπέρπολυ τὸ αἴτημα· [5] [a] δύναμαι γὰρ ἀνδράποδον χιλίων πρίασθαι,” “τοιγαροῦν” εἶπε “δύο ἕξεις ἀνδράποδα, καὶ τὸν υἱὸν καὶ ὃν ἂν πρίῃ.” τὸ δ’ ὅλον πῶς οὐκ ἄτοπον τῇ μὲν δεξιᾷ συνεθίζειν τὰ παιδία δέχεσθαι τὰς τροφάς, κἂν εἰ προτείνειε τὴν ἀριστεράν, ἐπιτιμᾶν, μηδεμίαν δὲ ποιεῖσθαι πρόνοιαν τοῦ λόγων ἐπιδεξίων καὶ νομίμων ἀκούειν;

Συνελὼν τοίνυν ἐγώ φημι (καὶ χρησμολογεῖν

μᾶλλον ἢ παραινεῖν δόξαιμ' ἂν εἰκότως) ὅτι ἓν πρῶτον καὶ μέσον καὶ τελευταῖον ἐν τούτοις κεφάλαιον ἀγωγὴ σπουδαία καὶ παιδεία νόμιμός ἐστι, καὶ ταῦτα φορὰ καὶ συνεργὰ πρὸς ἀρετὴν καὶ πρὸς εὐδαιμονίαν φημί. καὶ τὰ μὲν ἄλλα τῶν ἀγαθῶν ἀνθρώπινα καὶ μικρὰ καὶ οὐκ ἀξιοσπούδαστα [d] καθέστηκεν. εὐγένεια καλὸν μέν, ἀλλὰ προγόνων ἀγαθόν. πλοῦτος δὲ τίμιον μέν, ἀλλὰ τύχης κτῆμα, ἐπειδὴ τῶν μὲν ἐχόντων πολλάκις ἀφείλετο, τοῖς δ' οὐκ ἐλπίσασι φέρουσα προσήνεγκε, καὶ ὁ πολὺς πλοῦτος σκοπὸς ἔκκειται τοῖς βουλομένοις βαλλάντια τοξεύειν, κακούργοις οἰκέταις καὶ συκοφάνταις, καὶ τὸ μέγιστον, ὅτι καὶ τοῖς πονηροτάτοις μέτεστι. δόξα γε μὴν σεμνὸν μέν, ἀλλ' ἀβέβαιον. κάλλος δὲ περιμάχητον μέν, ἀλλ' ὀλιγοχρόνιον. ὑγίεια δὲ τίμιον μέν, ἀλλ' εὐμετάστατον. ἰσχὺς δὲ ζηλωτὸν μέν, ἀλλὰ νόσῳ εὐάλωτον καὶ [e] γήρᾳ. τὸ δ' ὅλον εἴ τις ἐπὶ τῇ τοῦ σώματος ῥώμῃ φρονεῖ, μαθέτω γνώμης διαμαρτάνων. πόστον γάρ ἐστιν ἰσχὺς ἀνθρωπίνη τῆς τῶν ἄλλων ζῴων δυνάμεως; λέγω δ' οἷον ἐλεφάντων καὶ ταύρων καὶ λεόντων. παιδεία δὲ τῶν ἐν ἡμῖν μόνον ἐστὶν ἀθάνατον καὶ θεῖον. καὶ δύο τὰ πάντων ἐστὶ κυριώτατα ἐν ἀνθρωπίνῃ φύσει, νοῦς καὶ λόγος. καὶ ὁ μὲν νοῦς ἀρχικός ἐστι τοῦ λόγου, ὁ δὲ λόγος ὑπηρετικὸς τοῦ νοῦ, τύχῃ μὲν ἀνάλωτος, συκοφαντίᾳ δ' ἀναφαίρετος, νόσῳ δ' ἀδιάφθορος, γήρᾳ δ' ἀλύμαντος. μόνος γὰρ ὁ νοῦς παλαιούμενος ἀνηβᾷ, καὶ ὁ χρόνος τἆλλα πάντ' ἀφαιρῶν τῷ [f] γήρᾳ προστίθησι τὴν ἐπιστήμην. ὅ γε μὴν πόλεμος χειμάρρου δίκην πάντα σύρων καὶ πάντα παραφέρων μόνην οὐ δύναται παιδείαν παρελέσθαι. καί μοι δοκεῖ Στίλπων ὁ Μεγαρεὺς φιλόσοφος ἀξιομνημόνευτον ποιῆσαι ἀπόκρισιν, ὅτε Δημήτριος ἐξανδραποδισάμενος τὴν πόλιν εἰς ἔδαφος κατέβαλε καὶ τὸν Στίλπωνα ἤρετο μή τι ἀπολωλεκὼς εἴη. καὶ ὅς "οὐ δῆτα," εἶπε, "πόλεμος γὰρ οὐ λαφυραγωγεῖ ἀρετήν." [6] [a] σύμφωνος δὲ καὶ συνῳδὸς καὶ ἡ Σωκράτους ἀπόκρισις ταύτῃ φαίνεται. καὶ γὰρ οὗτος ἐρωτήσαντος αὐτόν μοι δοκεῖ Γοργίου ἣν ἔχει περὶ τοῦ μεγάλου βασιλέως ὑπόληψιν καὶ εἰ νομίζει τοῦτον

Ὥσπερ δὲ παραινῶ τῆς παιδείας τῶν τέκνων μηδὲν ποιεῖσθαι προὐργιαίτερον, οὕτως αὖ πάλιν φημὶ δεῖν τῆς ἀδιαφθόρου καὶ ὑγιαινούσης ἔχεσθαι, τῶν δὲ πανηγυρικῶν λήρων ὡς πορρωτάτω τοὺς [b] υἱεῖς ἀπάγειν. τὸ γὰρ τοῖς πολλοῖς ἀρέσκειν τοῖς σοφοῖς ἐστιν ἀπαρέσκειν. μαρτυρεῖ δέ μου τῷ λόγῳ καὶ Εὐριπίδης λέγων

δεσμῶν συνηθείας οὐ δυνάμενοι βαδίζειν ὑποσκελίζονται, τὸν αὐτὸν τρόπον οἱ πολλῷ χρόνῳ τὸν λόγον σφίγξαντες, κἂν εἴ ποτε ἐκ τοῦ παραχρῆμα δεήσειεν εἰπεῖν, οὐδὲν ἧττον τὸν αὐτὸν τῆς ἑρμηνείας χαρακτῆρα φυλάττουσι. τὸ δ' ἔτι παῖδας ὄντας ἐᾶν ἐπὶ καιροῦ λέγειν ματαιολογίας τῆς ἐσχάτης αἴτιον καθίσταται. [7] [a] ζῳγράφος φασὶν ἄθλιος Ἀπελλῇ δείξας εἰκόνα "ταύτην," ἔφη, "νῦν γέγραφα," ὁ δὲ "καὶ ἢν μὴ λέγῃς" εἶπεν "οἶδ' ὅτι ταχὺ γέγραπται· θαυμάζω δὲ πῶς οὐχὶ τοιαύτας πλείους γέγραφας."

Ὥσπερ τοίνυν (ἐπανάγω γὰρ πρὸς τὴν ἐξ ἀρχῆς τοῦ λόγου ὑπόθεσιν) τὴν θεατρικὴν καὶ παρατράγῳδον, οὕτως αὖ πάλιν καὶ τὴν σμικρολογίαν τῆς λέξεως καὶ ταπείνωσιν παραινῶ διευλαβεῖσθαι καὶ φεύγειν· ἡ μὲν γὰρ ὑπέρογκος ἀπολίτευτός ἐστιν, ἡ δ' ἰσχνὴ λίαν ἀνέκπληκτος. καθάπερ δὲ [b] τὸ σῶμα οὐ μόνον ὑγιεινὸν ἀλλὰ καὶ εὐεκτικὸν εἶναι χρή, καὶ τὸν λόγον ὡσαύτως οὐκ ἄνοσον μόνον ἀλλὰ καὶ εὔρωστον εἶναι δεῖ. τὸ μὲν γὰρ ἀσφαλὲς ἐπαινεῖται μόνον, τὸ δ' ἐπικίνδυνον καὶ θαυμάζεται. τὴν αὐτὴν δὲ τυγχάνω γνώμην ἔχων καὶ περὶ τῆς ἐν τῇ ψυχῇ διαθέσεως. οὔτε γὰρ θρασὺν οὔτ' ἄτολμον καὶ καταπλῆγα προσῆκεν εἶναι· τὸ μὲν γὰρ εἰς ἀναισχυντίαν, τὸ δ' εἰς ἀνδραποδωδίαν περιίσταται· ἔντεχνον δὲ τὸ τὴν μέσην ἐν ἅπασι τέμνειν ἐμμελές τε.

Βούλομαι δ', ἕως ἔτι μέμνημαι τῆς παιδείας ὡς ἔχω δόξης περὶ αὐτῆς, εἰπεῖν ὅτι τὸν μονόκωλον λόγον πρῶτον μὲν ἀμουσίας οὐ μικρὸν ποιοῦμαι τεκμήριον· ἔπειτα δὲ καὶ πρὸς τὴν ἄσκησιν ἁψίκορον καὶ πάντη ἀνεπίμονον εἶναι νομίζω. μονῳδία γὰρ [c] ἐν ἅπασίν ἐστι πλήσμιον καὶ πρόσαντες, ἡ δὲ ποικιλία τερπνόν, καθάπερ κἀν τοῖς ἄλλοις ἅπασιν, οἷον ἀκούσμασιν ἢ θεάμασιν.

Δεῖ τοίνυν τὸν παῖδα τὸν ἐλεύθερον μηδενὸς μηδὲ τῶν ἄλλων τῶν καλουμένων ἐγκυκλίων παιδευμάτων μήτ' ἀνήκοον μήτ' ἀθέατον ἐᾶν εἶναι, ἀλλὰ ταῦτα μὲν ἐκ παραδρομῆς μαθεῖν ὡσπερεὶ γεύματος ἕνεκεν (ἐν ἅπασι γὰρ τὸ τέλειον ἀδύνατον), τὴν δὲ φιλοσοφίαν πρεσβεύειν. ἔχω δὲ δι' εἰκόνος παραστῆσαι τὴν ἐμαυτοῦ γνώμην· ὥσπερ γὰρ [d] περιπλεῦσαι μὲν πολλὰς πόλεις καλόν, ἐνοικῆσαι δὲ τῇ κρατίστῃ χρήσιμον· ἀστείως δὲ καὶ Βίων ἔλεγεν ὁ φιλόσοφος ὅτι ὥσπερ οἱ μνηστῆρες τῇ Πηνελόπῃ πλησιάζειν μὴ δυνάμενοι ταῖς ταύτης ἐμίγνυντο θεραπαίναις, οὕτω καὶ οἱ φιλοσοφίας μὴ δυνάμενοι κατατυχεῖν ἐν τοῖς ἄλλοις παιδεύμασι τοῖς οὐδενὸς ἀξίοις ἑαυτοὺς κατασκελετεύουσι. διὸ δεῖ τῆς ἄλλης παιδείας ὥσπερ κεφάλαιον ποιεῖν τὴν φιλοσοφίαν. περὶ μὲν γὰρ τὴν τοῦ σώματος ἐπιμέλειαν διττὰς εὗρον ἐπιστήμας οἱ ἄνθρωποι, τὴν ἰατρικὴν καὶ τὴν γυμναστικήν, ὧν ἡ μὲν τὴν ὑγίειαν, ἡ δὲ τὴν εὐεξίαν ἐντίθησι. τῶν δὲ τῆς ψυχῆς ἀρρωστημάτων καὶ

παθῶν ἡ φιλοσοφία μόνη φάρμακόν ἐστι. διὰ γὰρ ταύτην ἔστι καὶ μετὰ ταύτης γνῶναι τί τὸ καλὸν τί τὸ αἰσχρόν, τί τὸ δίκαιον τί τὸ ἄδικον, τί τὸ συλλήβδην αἱρετόν, [e] τί τὸ φευκτόν· πῶς θεοῖς πῶς γονεῦσι πῶς πρεσβυτέροις πῶς νόμοις πῶς ἀλλοτρίοις πῶς ἄρχουσι πῶς φίλοις πῶς γυναιξὶ πῶς τέκνοις πῶς οἰκέταις χρηστέον ἐστί· ὅτι δεῖ θεοὺς μὲν σέβεσθαι, γονέας δὲ τιμᾶν, πρεσβυτέρους αἰδεῖσθαι, νόμοις πειθαρχεῖν, ἄρχουσιν ὑπείκειν, φίλους ἀγαπᾶν, πρὸς γυναῖκας σωφρονεῖν, τέκνων στερκτικοὺς εἶναι, δούλους μὴ περιυβρίζειν· τὸ δὲ μέγιστον, μήτ' ἐν ταῖς εὐπραγίαις περιχαρεῖς μήτ' ἐν ταῖς συμφοραῖς περιλύπους ὑπάρχειν, μήτ' ἐν ταῖς ἡδοναῖς ἐκλύτους εἶναι μήτ' ἐν ταῖς ὀργαῖς ἐκπαθεῖς καὶ θηριώδεις.

[f] ἅπερ ἐγὼ πάντων τῶν ἐκ φιλοσοφίας περιγιγνομένων ἀγαθῶν πρεσβύτατα κρίνω. τὸ μὲν γὰρ εὐγενῶς εὐτυχεῖν ἀνδρός, τὸ δ' ἀνεπιφθόνως εὐηνίου ἀνθρώπου, τὸ δὲ τοῖς λογισμοῖς περιεῖναι τῶν ἡδονῶν σοφοῦ, τὸ δ' ὀργῆς κατακρατεῖν ἀνδρὸς οὐ τοῦ τυχόντος ἐστί. τελείους δ' ἀνθρώπους ἡγοῦμαι τοὺς δυναμένους τὴν πολιτικὴν [8] [a] δύναμιν μεῖξαι καὶ κεράσαι τῇ φιλοσοφίᾳ, καὶ δυεῖν ὄντοιν μεγίστοιν ἀγαθοῖν ἐπηβόλους ὑπάρχειν ὑπολαμβάνω, τοῦ τε κοινωφελοῦς βίου πολιτευομένους, τοῦ τ' ἀκύμονος καὶ γαληνοῦ διατρίβοντας περὶ φιλοσοφίαν. τριῶν γὰρ ὄντων βίων ὧν ὁ μέν ἐστι πρακτικὸς ὁ δὲ θεωρητικὸς ὁ δ' ἀπολαυστικός, ὁ μέν, ἔκλυτος καὶ δοῦλος τῶν ἡδονῶν ὤν, ζῳώδης καὶ μικροπρεπής ἐστιν, ὁ δὲ θεωρητικός, τοῦ πρακτικοῦ διαμαρτάνων, ἀνωφελής, ὁ δὲ πρακτικός, ἀμοιρήσας φιλοσοφίας, ἄμουσος καὶ πλημμελής. πειρατέον οὖν εἰς δύναμιν καὶ τὰ κοινὰ [b] πράττειν καὶ τῆς φιλοσοφίας ἀντιλαμβάνεσθαι κατὰ τὸ παρεῖκον τῶν καιρῶν. οὕτως ἐπολιτεύσατο Περικλῆς, οὕτως Ἀρχύτας ὁ Ταραντῖνος, οὕτω Δίων ὁ Συρακόσιος, οὕτως Ἐπαμεινώνδας ὁ Θηβαῖος, ὧν ἅτερος Πλάτωνος ἐγένετο συνουσιαστής.

Καὶ περὶ μὲν παιδείας οὐκ οἶδ' ὅ τι δεῖ πλείονα λέγοντα διατρίβειν· πρὸς δὲ τοῖς εἰρημένοις χρήσιμον, μᾶλλον δὲ ἀναγκαῖόν ἐστι μηδὲ τῆς τῶν παλαιῶν συγγραμμάτων κτήσεως ὀλιγώρως ἔχειν, ἀλλὰ καὶ τούτων ποιεῖσθαι συλλογὴν κατὰ τὸ γεωργῶδες. τὸν γὰρ αὐτὸν τρόπον ὄργανον τῆς παιδείας ἡ χρῆσις τῶν βιβλίων ἐστί, καὶ ἀπὸ πηγῆς τὴν ἐπιστήμην τηρεῖν συμβέβηκεν.

[c] Οὐ τοίνυν ἄξιον οὐδὲ τὴν τῶν σωμάτων ἀγωνίαν παρορᾶν, ἀλλὰ πέμποντας ἐς παιδοτρίβου τοὺς παῖδας ἱκανῶς ταῦτα διαπονεῖν, ἅμα μὲν τῆς τῶν σωμάτων εὐρυθμίας ἕνεκεν, ἅμα δὲ καὶ πρὸς ῥώμην· καλοῦ γὰρ γήρως θεμέλιος ἐν παισὶν ἡ τῶν σωμάτων εὐεξία. καθάπερ οὖν ἐν εὐδίᾳ τὰ πρὸς τὸν χειμῶνα προσῆκε παρασκευάζειν, οὕτως ἐν νεότητι τὴν εὐταξίαν καὶ τὴν σωφροσύνην ἐφόδιον [d] εἰς τὸ γῆρας ἀποτίθεσθαι. οὕτω δὲ δεῖ ταμιεύεσθαι

τὸν τοῦ σώματος πόνον, ὡς μὴ καταξήρους γινομένους πρὸς τὴν τῆς παιδείας ἐπιμέλειαν ἀπαγορεύειν· κατὰ γὰρ Πλάτωνα ὕπνοι καὶ κόποι μαθήμασι πολέμιοι. καὶ τί ταῦτα; ἀλλ’ ὅπερ πάντων ἐστὶ κυριώτατον τῶν εἰρημένων σπεύδω λέγειν. πρὸς γὰρ τοὺς στρατιωτικοὺς ἀγῶνας τοὺς παῖδας ἀσκητέον ἐν ἀκοντισμοῖς αὐτοὺς καταθλοῦντας καὶ τοξείαις καὶ θήραις. “τὰ” γὰρ “τῶν ἡττωμένων” ἐν ταῖς μάχαις “ἀγαθὰ τοῖς νικῶσιν ἆθλα πρόκειται.” πόλεμος δ’ ἐσκιατραφημένην σωμάτων ἕξιν οὐ δέχεται, ἰσχνὸς δὲ στρατιώτης πολεμικῶν ἀγώνων ἐθὰς ἀθλητῶν πιμελώδων φάλαγγας διωθεῖ.

[e] Τί οὖν; ἄν τις εἴποι, σὺ δὲ δὴ περὶ τῆς ἐλευθέρων ἀγωγῆς ὑποσχόμενος παραγγέλματα δώσειν ἔπειτα φαίνῃ τῆς μὲν τῶν πενήτων καὶ δημοτικῶν παραμελῶν ἀγωγῆς, μόνοις δὲ τοῖς πλουσίοις ὁμολογεῖς τὰς ὑποθήκας διδόναι. πρὸς οὓς οὐ χαλεπὸν ἀπαντῆσαι. ἐγὼ γὰρ μάλιστ’ ἂν βουλοίμην πᾶσι κοινῇ χρήσιμον εἶναι τὴν ἀγωγήν· εἰ δέ τινες ἐνδεῶς τοῖς ἰδίοις πράττοντες ἀδυνατήσουσι τοῖς ἐμοῖς χρῆσθαι παραγγέλμασι, τὴν τύχην αἰτιάσθωσαν, οὐ τὸν ταῦτα συμβουλεύοντα. πειρατέον μὲν οὖν εἰς δύναμιν τὴν κρατίστην ἀγωγὴν ποιεῖσθαι τῶν παίδων καὶ τοῖς πένησιν· εἰ δὲ μή, τῇ γε δυνατῇ [f] χρηστέον. καὶ ταῦτα μὲν δὴ τῷ λόγῳ παρεφορτισάμην, ἵν’ ἐφεξῆς καὶ τἄλλα τὰ φέροντα πρὸς τὴν ὀρθὴν τῶν νέων ἀγωγὴν συνάψω.

Κἀκεῖνό φημι, δεῖν τοὺς παῖδας ἐπὶ τὰ καλὰ τῶν ἐπιτηδευμάτων ἄγειν παραινέσεσι καὶ λόγοις, μὴ μὰ Δία πληγαῖς μηδ’ αἰκισμοῖς. δοκεῖ γάρ που ταῦτα τοῖς δούλοις μᾶλλον ἢ τοῖς ἐλευθέροις πρέπειν· ἀποναρκῶσι γὰρ καὶ φρίττουσι πρὸς τοὺς πόνους, τὰ μὲν διὰ τὰς ἀλγηδόνας τῶν πληγῶν, τὰ δὲ καὶ διὰ τὰς ὕβρεις. ἔπαινοι δὲ καὶ ψόγοι πάσης [9] [a] εἰσὶν αἰκίας ὠφελιμώτεροι τοῖς ἐλευθέροις, οἱ μὲν ἐπὶ τὰ καλὰ παρορμῶντες οἱ δ’ ἀπὸ τῶν αἰσχρῶν ἀνείργοντες.

Δεῖ δ’ ἐναλλὰξ καὶ ποικίλως χρῆσθαι ταῖς ἐπιπλήξεσι καὶ τοῖς ἐπαίνοις, κἀπειδάν ποτε θρασύνωνται, ταῖς ἐπιπλήξεσιν ἐν αἰσχύνῃ ποιεῖσθαι, καὶ πάλιν ἀνακαλεῖσθαι τοῖς ἐπαίνοις καὶ μιμεῖσθαι τὰς τίτθας, αἵτινες ἐπειδὰν τὰ παιδία κλαυθμυρίσωσιν, εἰς παρηγορίαν πάλιν τὸν μαστὸν ὑπέχουσι. δεῖ δ’ αὐτοὺς μηδὲ τοῖς ἐγκωμίοις ἐπαίρειν καὶ φυσᾶν· χαυνοῦνται γὰρ ταῖς ὑπερβολαῖς τῶν ἐπαίνων καὶ θρύπτονται.

[b] Ἤδη δέ τινας ἐγὼ εἶδον πατέρας, οἷς τὸ λίαν φιλεῖν τοῦ μὴ φιλεῖν αἴτιον κατέστη. τί οὖν ἐστιν ὃ βούλομαι λέγειν, ἵνα τῷ παραδείγματι φωτεινότερον ποιήσω τὸν λόγον; σπεύδοντες γὰρ τοὺς παῖδας ἐν πᾶσι τάχιον πρωτεῦσαι πόνους αὐτοῖς ὑπερμέτρους ἐπιβάλλουσιν, οἷς ἀπαυδῶντες ἐκπίπτουσι, καὶ ἄλλως βαρυνόμενοι ταῖς κακοπαθείαις οὐ δέχονται τὴν μάθησιν εὐηνίως. ὥσπερ γὰρ τὰ φυτὰ τοῖς μὲν μετρίοις ὕδασι τρέφεται, τοῖς

δὲ πολλοῖς πνίγεται, τὸν αὐτὸν τρόπον ψυχὴ τοῖς μὲν συμμέτροις αὔξεται πόνοις, τοῖς δ’ ὑπερβάλλουσι [c] βαπτίζεται. δοτέον οὖν τοῖς παισὶν ἀναπνοὴν τῶν συνεχῶν πόνων, ἐνθυμουμένους ὅτι πᾶς ὁ βίος ἡμῶν εἰς ἄνεσιν καὶ σπουδὴν διῄρηται. καὶ διὰ τοῦτ’ οὐ μόνον ἐγρήγορσις ἀλλὰ καὶ ὕπνος εὑρέθη, οὐδὲ πόλεμος ἀλλὰ καὶ εἰρήνη, οὐδὲ χειμὼν ἀλλὰ καὶ εὐδία, οὐδ’ ἐνεργοὶ πράξεις ἀλλὰ καὶ ἑορταί. συνελόντι δ’ εἰπεῖν ἡ ἀνάπαυσις τῶν πόνων ἐστὶν ἄρτυμα. καὶ οὐκ ἐπὶ τῶν ζῴων μόνων τοῦτ’ ἂν ἴδοι τις γιγνόμενον, ἀλλὰ καὶ ἐπὶ τῶν ἀψύχων· καὶ γὰρ τὰ τόξα καὶ τὰς λύρας ἀνίεμεν, ἵν’ ἐπιτεῖναι δυνηθῶμεν. καθόλου δὲ σῴζεται σῶμα μὲν ἐνδείᾳ καὶ πληρώσει, ψυχὴ δ’ ἀνέσει καὶ πόνῳ.

[d] Ἄξιον δ’ ἐπιτιμᾶν τῶν πατέρων ἐνίοις, οἵτινες παιδαγωγοῖς καὶ διδασκάλοις ἐπιτρέψαντες τοὺς υἱεῖς αὐτοὶ τῆς τούτων μαθήσεως οὔτ’ αὐτόπται γίγνονται τὸ παράπαν οὔτ’ αὐτήκοοι, πλεῖστον τοῦ δέοντος ἁμαρτάνοντες. αὐτοὺς γὰρ παρ’ ὀλίγας ἡμέρας δεῖ δοκιμασίαν λαμβάνειν τῶν παίδων, ἀλλὰ μὴ τὰς ἐλπίδας ἔχειν ἐν μισθωτοῦ διαθέσει· καὶ γὰρ ἐκεῖνοι πλείονα ποιήσονται τὴν ἐπιμέλειαν τῶν παίδων, μέλλοντες ἑκάστοτε διδόναι τὰς εὐθύνας. κἀνταῦθα δὴ τὸ ῥηθὲν ὑπὸ τοῦ ἱπποκόμου χάριεν, ὡς οὐδὲν οὕτω πιαίνει τὸν ἵππον ὡς βασιλέως ὀφθαλμός.

[e] Πάντων δὲ μάλιστα τὴν μνήμην τῶν παίδων ἀσκεῖν καὶ συνεθίζειν· αὕτη γὰρ ὥσπερ τῆς παιδείας ἐστὶ ταμιεῖον, καὶ διὰ τοῦτο μητέρα τῶν Μουσῶν ἐμυθολόγησαν εἶναι τὴν Μνημοσύνην, αἰνιττόμενοι καὶ παραδηλοῦντες ὅτι οὕτως οὐδὲν γεννᾶν καὶ τρέφειν ὡς ἡ μνήμη πέφυκε. καὶ τοίνυν ταύτην κατ’ ἀμφότερ’ ἐστὶν ἀσκητέον, εἴτ’ ἐκ φύσεως μνήμονες εἶεν οἱ παῖδες, εἴτε καὶ τοὐναντίον ἐπιλήσμονες. τὴν γὰρ πλεονεξίαν τῆς φύσεως ἐπιρρώσομεν, τὴν δ’ ἔλλειψιν ἀναπληρώσομεν· καὶ οἱ μὲν τῶν ἄλλων ἔσονται βελτίους, οἱ δ’ ἑαυτῶν. τὸ γὰρ Ἡσιόδειον καλῶς εἴρηται

εἰ γάρ κεν καὶ σμικρὸν ἐπὶ σμικρῷ καταθεῖο

[f] καὶ θαμὰ τοῦτ’ ἔρδοις, τάχα κεν μέγα καὶ τὸ γένοιτο.

μὴ λανθανέτω τοίνυν μηδὲ τοῦτο τοὺς πατέρας, ὅτι τὸ μνημονικὸν τῆς μαθήσεως μέρος οὐ μόνον πρὸς τὴν παιδείαν ἀλλὰ καὶ πρὸς τὰς τοῦ βίου πράξεις οὐκ ἐλαχίστην συμβάλλεται μοῖραν. ἡ γὰρ τῶν γεγενημένων πράξεων μνήμη τῆς περὶ τῶν μελλόντων εὐβουλίας γίγνεται παράδειγμα.

Καὶ μέντοι καὶ τῆς αἰσχρολογίας ἀπακτέον

τοὺς υἱεῖς· “λόγος γὰρ ἔργου σκιή” κατὰ Δημόκριτον. [10] [a] εἶτά γε μὴν ἐντευκτικοὺς αὐτοὺς εἶναι παρασκευαστέον καὶ φιλοπροσηγόρους· οὐδὲν γὰρ ὡς τὰ ἀνέντευκτα τῶν ἠθῶν ἐστιν οὕτως ἀξιομίσητον. ἔτι τοίνυν οἱ παῖδες ἀμισεῖς γίγνοιντ’ ἂν τοῖς συνοῦσι μὴ παντελῶς ἐν ταῖς ζητήσεσιν

ἀπαραχώρητοι γιγνόμενοι· οὐ γὰρ τὸ νικᾶν μόνον ἀλλὰ καὶ τὸ ἡττᾶσθαι ἐπίστασθαι καλὸν ἐν οἷς τὸ νικᾶν βλαβερόν. ἔστι γὰρ ὡς ἀληθῶς καὶ νίκη Καδμεία. ἔχω δὲ μάρτυρα τούτου Εὐριπίδην τὸν σοφὸν ἐπαγαγέσθαι λέγοντα

[b] δυοῖν λεγόντοιν, θατέρου θυμουμένου,

ὁ μὴ ἀντιτείνων τοῖς λόγοις σοφώτερος.

Ἃ τοίνυν τῶν εἰρημένων οὐδενὸς ἧττόν ἐστιν ἀλλὰ καὶ μᾶλλον ἐπιτηδευτέα τοῖς νέοις καὶ δὴ λεκτέον. ταῦτα δ᾽ ἐστὶ τὸ τὸν βίον ἀτύφωτον ἀσκεῖν, τὸ τὴν γλῶτταν κατέχειν, τὸ τῆς ὀργῆς ὑπεράνω γίγνεσθαι, τὸ τῶν χειρῶν κρατεῖν. τούτων ἕκαστον ἡλίκον ἐστὶ σκεπτέον· ἔσται δ᾽ ἐπὶ παραδειγμάτων γνωριμώτερα.

Οἷον ἵν᾽ ἀπὸ τοῦ τελευταίου πρῶτον ἄρξωμαι, τὰς χεῖράς τινες ὑποσχόντες λήμμασιν ἀδίκοις τὴν δόξαν τῶν προβεβιωμένων ἐξέχεαν· ὡς Γύλιππος [c] ὁ Λακεδαιμόνιος τὰ σακκία τῶν χρημάτων παραλύσας φυγὰς ἀπηλάθη τῆς Σπάρτης.

Τό γε μὴν ἀόργητον ἀνδρός ἐστι σοφοῦ. Σωκράτης μὲν γάρ, λακτίσαντος αὐτὸν νεανίσκου θρασέος μάλα καὶ βδελυροῦ, τοὺς ἀμφ᾽ αὐτὸν ὁρῶν ἀγανακτοῦντας καὶ σφαδᾴζοντας ὡς καὶ διώκειν αὐτὸν ἐθέλειν, "ἆρ᾽," ἔφησε, "καὶ εἴ μ᾽ ὄνος ἐλάκτισεν, ἀντιλακτίσαι τοῦτον ἠξιώσατ᾽ ἄν;" οὐ μὴν ἐκεῖνός γε παντελῶς κατεπροίξατο, πάντων δ᾽ αὐτὸν ὀνειδιζόντων καὶ λακτιστὴν ἀποκαλούντων ἀπήγξατο.

Ἀριστοφάνους δέ, ὅτε τὰς Νεφέλας ἐξέφερε, παντοίως πᾶσαν ὕβριν αὐτοῦ κατασκεδαννύντος, καί τινος τῶν παρόντων "κᾆτα τοιαῦτ᾽ ἀνακωμῳδοῦντος οὐκ ἀγανακτεῖς" εἰπόντος "ὦ Σώκρατες;"

[d] "μὰ Δί᾽ οὐκ ἔγωγ᾽," ἔφησεν· "ὡς γὰρ ἐν συμποσίῳ μεγάλῳ τῷ θεάτρῳ σκώπτομαι." ἀδελφὰ τούτοις καὶ σύζυγα φανήσονται πεποιηκότες Ἀρχύτας ὁ Ταραντῖνος καὶ Πλάτων. ὁ μὲν γὰρ ἐπανελθὼν ἀπὸ τοῦ πολέμου (στρατηγῶν δ᾽ ἐτύγχανε) γῆν καταλαβὼν κεχερσωμένην, τὸν ἐπίτροπον καλέσας αὐτῆς "ᾤμωξας ἄν," ἔφησεν, "εἰ μὴ λίαν ὠργιζόμην." Πλάτων δὲ δούλῳ λίχνῳ καὶ βδελυρῷ θυμωθείς, τὸν τῆς ἀδελφῆς υἱὸν Σπεύσιππον καλέσας "τοῦτον," ἔφησεν ἀπελθών, "κρότησον· ἐγὼ γὰρ πάνυ θυμοῦμαι." χαλεπὰ δὲ ταῦτα καὶ δυσμίμητα φαίη τις ἄν.

[e] οἶδα κἀγώ. πειρατέον οὖν εἰς ὅσον οἷόν τ᾽ ἐστὶ τούτοις παραδείγμασι χρωμένους τὸ πολὺ τῆς ἀκρατοῦς καὶ μαινομένης ὑφαιρεῖν ὀργῆς· οὐδὲ γὰρ ἐς τἄλλα ἐνάμιλλοι ταῖς ἐκείνων ἐσμὲν οὔτ᾽ ἐμπειρίαις οὔτε καλοκαγαθίαις. ἀλλ᾽ οὐδὲν ἧττον ἐκείνων, ὥσπερ θεῶν ἱεροφάνται καὶ δᾳδοῦχοι τῆς σοφίας ὄντες, ὅσαπέρ ἐστιν ἐν δυνατῷ, ταῦτα μιμεῖσθαι καὶ περικνίζειν ἐπιχειροῦμεν.

Τὸ τοίνυν τῆς γλώττης κρατεῖν (περὶ τούτου γάρ, ὧνπερ ὑπεθέμην, εἰπεῖν λοιπόν) εἴ τις μικρὸν καὶ φαῦλον ὑπείληφε, πλεῖστον διαμαρτάνει τῆς ἀληθείας. σοφὸν γὰρ εὔκαιρος σιγὴ καὶ παντὸς [f] λόγου κρεῖττον. καὶ διὰ τοῦτό μοι δοκεῖ τὰς μυστηριώδεις τελετὰς οἱ παλαιοὶ κατέδειξαν, ἵν' ἐν ταύταις σιωπᾶν ἐθισθέντες ἐπὶ τὴν τῶν ἀνθρωπίνων μυστηρίων πίστιν τὸν ἀπὸ τῶν θείων μεταφέρωμεν φόβον. καὶ γὰρ αὖ σιωπήσας μὲν οὐδεὶς μετενόησε, λαλήσαντες δὲ παμπληθεῖς. καὶ τὸ μὲν σιγηθὲν ἐξειπεῖν ῥᾴδιον, τὸ δὲ ῥηθὲν ἀναλαβεῖν ἀδύνατον. μυρίους δ' ἔγωγ' οἶδ' ἀκούσας ταῖς μεγίσταις συμφοραῖς περιπεσόντας διὰ τὴν [11] [a] τῆς γλώττης ἀκρασίαν. ὧν τοὺς ἄλλους παραλιπὼν ἑνὸς ἢ δυεῖν τύπου ἕνεκεν ἐπιμνησθήσομαι. τοῦ γὰρ Φιλαδέλφου γήμαντος τὴν ἀδελφὴν Ἀρσινόην Σωτάδης εἰπών

εἰς οὐχ ὁσίην τρυμαλιὴν τὸ κέντρον ὠθεῖς

ἐν δεσμωτηρίῳ πολλοὺς κατεσάπη χρόνους καὶ τῆς ἀκαίρου λαλιᾶς οὐ μεμπτὴν ἔδωκε δίκην, ἵνα δὲ γέλωτα παράσχῃ τοῖς ἄλλοις, αὐτὸς πολὺν χρόνον ἔκλαυσεν. ἐνάμιλλα δὲ τούτοις καὶ σύζυγα καὶ Θεόκριτος ὁ σοφιστὴς εἶπέ τε καὶ ἔπαθε, καὶ πολὺ δεινότερα. Ἀλεξάνδρου γὰρ πορφυρᾶς ἐσθῆτας κελεύσαντος κατασκευάζειν τοὺς Ἕλληνας, ἵν' [b] ἐπανελθὼν τὰ ἐπινίκια τοῦ πολέμου τοῦ κατὰ τῶν βαρβάρων θύσειε, καὶ τῶν ἐθνῶν κατὰ κεφαλὴν εἰσφερόντων ἄργυρον "πρότερον μέν," ἔφησεν, "ἠμφισβήτουν, νῦν δ' ᾔσθημαι σαφῶς ὅτι ὁ 'πορφύρεος' Ὁμήρου 'θάνατος' οὗτός ἐστιν." ἐξ ὧν ἐχθρὸν ἐκτήσατο τὸν Ἀλέξανδρον. Ἀντίγονον δὲ τὸν βασιλέα τῶν Μακεδόνων ἑτερόφθαλμον ὄντα τὴν πήρωσιν προφέρων εἰς οὐ μετρίαν ὀργὴν κατέστησε. τὸν γὰρ ἀρχιμάγειρον Εὐτροπίωνα γεγενημένον ἐν τάξει πέμψας παραγενέσθαι πρὸς [c] αὐτὸν ἠξίου καὶ λόγον δοῦναι καὶ λαβεῖν. ταῦτα δ' ἀπαγγέλλοντος ἐκείνου πρὸς αὐτὸν καὶ πολλάκις προσιόντος "εὖ οἶδ'," ἔφησεν, "ὅτι ὠμόν με θέλεις τῷ Κύκλωπι παραθεῖναι," ὀνειδίζων τὸν μὲν ὅτι πηρός, τὸν δ' ὅτι μάγειρος ἦν. κἀκεῖνος "τοιγαροῦν" εἰπών "τὴν κεφαλὴν οὐχ ἕξεις ἀλλὰ τῆς ἀθυροστομίας ταύτης καὶ μανίας δώσεις δίκην," ἀπήγγειλε τὰ εἰρημένα τῷ βασιλεῖ, ὁ δὲ πέμψας ἀνεῖλε τὸν Θεόκριτον.

Παρὰ πάντα δὲ ταῦτα, ὅπερ ἐστὶν ἱεροπρεπέστατον, ἐθίζειν τοὺς παῖδας τῷ τἀληθῆ λέγειν· τὸ γὰρ ψεύδεσθαι δουλοπρεπὲς καὶ πᾶσιν ἀνθρώποις ἄξιον μισεῖσθαι καὶ οὐδὲ μετρίοις δούλοις συγγνωστόν.

[d] Ταῦτα μὲν οὖν οὐκ ἐνδοιάσας οὐδὲ μελλήσας περὶ τῆς τῶν παίδων εὐκοσμίας καὶ σωφροσύνης διείλεγμαι· περὶ δὲ τοῦ ῥηθήσεσθαι μέλλοντος ἀμφίδοξός εἰμι καὶ διχογνώμων, καὶ τῇδε κἀκεῖσε μετακλίνων ὡς ἐπὶ πλάστιγγος πρὸς οὐδέτερον ῥέψαι δύναμαι, πολὺς δ' ὄκνος ἔχει με καὶ τῆς εἰσηγήσεως καὶ τῆς ἀποτροπῆς τοῦ πράγματος. ἀποτολμητέον δ' οὖν ὅμως

εἰπεῖν αὐτό. τί οὖν τοῦτ᾽ ἐστί; πότερα δεῖ τοὺς ἐρῶντας τῶν παίδων [e] ἐᾶν τούτοις συνεῖναι καὶ συνδιατρίβειν, ἢ τοὐναντίον εἴργειν αὐτοὺς καὶ ἀποσοβεῖν τῆς πρὸς τούτους ὁμιλίας προσῆκεν; ὅταν μὲν γὰρ ἀποβλέψω πρὸς τοὺς πατέρας τοὺς αὐθεκάστους καὶ τὸν τρόπον ὀμφακίας καὶ στρυφνούς, οἳ τῶν τέκνων ὕβριν οὐκ ἀνεκτὴν τὴν τῶν ἐρώντων ὁμιλίαν ἡγοῦνται, εὐλαβοῦμαι ταύτης εἰσηγητὴς γενέσθαι καὶ σύμβουλος. ὅταν δ᾽ αὖ πάλιν ἐνθυμηθῶ τὸν Σωκράτη τὸν Πλάτωνα τὸν Ξενοφῶντα τὸν Αἰσχίνην τὸν Κέβητα, τὸν πάντα χορὸν ἐκείνων τῶν ἀνδρῶν οἳ τοὺς ἄρρενας ἐδοκίμασαν ἔρωτας καὶ τὰ μειράκια προήγαγον ἐπί τε παιδείαν καὶ δημαγωγίαν καὶ τὴν ἀρετὴν τῶν τρόπων, πάλιν ἕτερος γίγνομαι [f] καὶ κάμπτομαι πρὸς τὸν ἐκείνων τῶν ἀνδρῶν ζῆλον. μαρτυρεῖ δὲ τούτοις Εὐριπίδης οὕτω λέγων

ἀλλ᾽ ἔστι δή τις ἄλλος ἐν βροτοῖς ἔρως,
ψυχῆς δικαίας σώφρονός τε κἀγαθῆς.

τὸ δὲ τοῦ Πλάτωνος σπουδῇ καὶ χαριεντισμῷ μεμιγμένον οὐ παραλειπτέον. ἐξεῖναι γάρ φησι δεῖν τοῖς ἀριστεύσασιν ὃν ἂν βούλωνται τῶν καλῶν φιλῆσαι. τοὺς μὲν οὖν τῆς ὥρας ἐπιθυμοῦντας ἀπελαύνειν προσῆκε, τοὺς δὲ τῆς ψυχῆς ἐραστὰς ἐγκρίνειν κατὰ τὸ σύνολον. καὶ τοὺς μὲν Θήβησι καὶ τοὺς ἐν Ἤλιδι φευκτέον ἔρωτας καὶ τὸν ἐν [12] [a] Κρήτῃ καλούμενον ἁρπαγμόν, τοὺς δ᾽ Ἀθήνησι καὶ τοὺς ἐν Λακεδαίμονι ζηλωτέον.

Περὶ μὲν οὖν τούτων, ὅπως ἕκαστος αὐτὸς ἑαυτὸν πέπεικεν, οὕτως ὑπολαμβανέτω· ἐγὼ δ᾽ ἐπειδὴ περὶ τῆς τῶν παίδων εὐταξίας εἴρηκα καὶ κοσμιότητος, καὶ ἐπὶ τὴν τῶν μειρακίων ἡλικίαν ἤδη μεταβήσομαι καὶ μικρὰ παντάπασιν λέξω. πολλάκις γὰρ κατεμεμψάμην τοὺς μοχθηρῶν ἐθῶν γεγονότας εἰσηγητάς, οἵτινες τοῖς μὲν παισὶ παιδαγωγοὺς καὶ διδασκάλους ἐπέστησαν, τὴν δὲ τῶν μειρακίων ὁρμὴν ἄφετον εἴασαν νέμεσθαι, [b] δέον αὖ τοὐναντίον πλείω τῶν μειρακίων ποιεῖσθαι τὴν εὐλάβειαν καὶ φυλακὴν ἢ τῶν παίδων. τίς γὰρ οὐκ οἶδεν ὅτι τὰ μὲν τῶν παίδων πλημμελήματα μικρὰ καὶ παντελῶς ἐστιν ἰάσιμα, παιδαγωγῶν ἴσως ὀλιγωρία καὶ διδασκάλων παραγωγὴ καὶ ἀνηκουστία· τὰ δὲ τῶν ἤδη νεανισκευομένων ἀδικήματα πολλάκις ὑπερφυᾶ γίνεται καὶ σχέτλια, ἀμετρία γαστρὸς καὶ κλοπαὶ πατρῴων χρημάτων καὶ κύβοι καὶ κῶμοι καὶ πότοι καὶ παρθένων ἔρωτες καὶ γυναικῶν οἰκοφθορίαι γαμετῶν. οὐκοῦν τὰς τούτων ὁρμὰς ταῖς ἐπιμελείαις δεσμεύειν [c] καὶ κατέχειν προσῆκεν. ἀταμίευτον γὰρ τῶν ἡδονῶν ἡ ἀκμὴ καὶ σκιρτητικὸν καὶ χαλινοῦ δεόμενον, ὥσθ᾽ οἱ μὴ τῆς ἡλικίας ταύτης ἐρρωμένως ἀντιλαμβανόμενοι τῇ δὴ ἀνοίᾳ διδόασιν ἐξουσίαν ἐπὶ τὰ ἀδικήματα. ἔδει τοίνυν τοὺς ἔμφρονας πατέρας παρὰ τοῦτον μάλιστα τὸν καιρὸν φυλάττειν ἐγρηγορέναι σωφρονίζειν τοὺς μειρακίσκους διδάσκοντας

ἀπειλοῦντας δεομένους, παραδείγματα δεικνύντας τῶν διὰ φιληδονίαν μὲν συμφοραῖς περιπεσόντων διὰ δὲ καρτερίαν ἔπαινον καὶ δόξαν ἀγαθὴν περιποιησαμένων. δύο γὰρ ταῦθ' ὡσπερεὶ στοιχεῖα τῆς ἀρετῆς ἐστιν, ἐλπίς [d] τε τιμῆς καὶ φόβος τιμωρίας· ἡ μὲν γὰρ ὁρμητικωτέρους πρὸς τὰ κάλλιστα τῶν ἐπιτηδευμάτων ἡ δ' ὀκνηροὺς πρὸς τὰ φαῦλα τῶν ἔργων ἀπεργάζεται.

Καθόλου δ' ἀπείργειν προσήκει τοὺς παῖδας τῆς πρὸς τοὺς πονηροὺς ἀνθρώπους συνουσίας· ἀποφέρονται γάρ τι τῆς τούτων κακίας. τοῦτο δὲ παρήγγειλε καὶ Πυθαγόρας αἰνίγμασιν ἅπερ ἐγὼ παραθεὶς ἐξηγήσομαι· καὶ γὰρ ταῦτα πρὸς ἀρετῆς κτῆσιν συμβάλλεται ῥοπὴν οὐκ ἐλαχίστην. οἷον·

[e] "Μὴ γεύεσθαι μελανούρων," τουτέστι μὴ συνδιατρίβειν μέλασιν ἀνθρώποις διὰ κακοήθειαν.

"Μὴ ζυγὸν ὑπερβαίνειν," τουτέστιν ὅτι δεῖ τῆς δικαιοσύνης πλεῖστον ποιεῖσθαι λόγον καὶ μὴ ταύτην ὑπερβαίνειν.

"Μὴ ἐπὶ χοίνικος καθίσαι," ἤτοι φεύγειν ἀργίαν καὶ προνοεῖν ὅπως τὴν ἀναγκαίαν παρασκευάσωμεν τροφήν.

"Μὴ παντὶ ἐμβάλλειν δεξιάν," ἀντὶ τοῦ προχείρως οὐ δεῖ συναλλάττειν.

"Μὴ φορεῖν στενὸν δακτύλιον," ὅτι δεῖ τὸν βίον ἐπιτηδεύειν καὶ μηδενὶ δεσμῷ προσάπτειν αὐτόν.

"Πῦρ σιδήρῳ μὴ σκαλεύειν," ἀντὶ τοῦ θυμούμενον μὴ ἐρεθίζειν· οὐ γὰρ προσῆκεν, ἀλλ' ὑπείκειν τοῖς ὀργιζομένοις.

"Μὴ ἐσθίειν καρδίαν," ἤτοι μὴ βλάπτειν τὴν ψυχὴν ταῖς φροντίσιν αὐτὴν κατατρύχοντα.

[f] "Κυάμων ἀπέχεσθαι," ὅτι οὐ δεῖ πολιτεύεσθαι· κυαμευταὶ γὰρ ἦσαν ἔμπροσθεν αἱ ψηφοφορίαι δι' ὧν πέρας ἐπετίθεσαν ταῖς ἀρχαῖς.

"Σιτίον εἰς ἀμίδα μὴ ἐμβάλλειν·" ἐπισημαίνει γὰρ ὅτι εἰς πονηρὰν ψυχὴν ἀστεῖον λόγον ἐμβάλλειν οὐ προσῆκεν· ὁ μὲν γὰρ λόγος τροφὴ διανοίας ἐστί, τοῦτον δ' ἀκάθαρτον ἡ πονηρία ποιεῖ τῶν ἀνθρώπων.

"Μὴ ἐπιστρέφεσθαι ἐπὶ τοὺς ὅρους ἐλθόντας," τουτέστι μέλλοντας ἀποθνήσκειν καὶ τὸν ὅρον τοῦ βίου πλησίον ὄντα ὁρῶντας φέρειν εὐκόλως καὶ μὴ ἀθυμεῖν.

Ἀνακάμψω δ' ἐπὶ τὴν ἐξ ἀρχῆς τοῦ λόγου ὑπόθεσιν· ἁπάντων γὰρ ὅπερ ἔφην τῶν πονηρῶν ἀνθρώπων ἀπάγειν δεῖ τοὺς παῖδας, μάλιστα δὲ [13] [a] τῶν κολάκων. ὅπερ γὰρ πολλάκις καὶ πρὸς πολλοὺς τῶν πατέρων διατελῶ λέγων, καὶ νῦν ἂν εἴποιμι. γένος οὐδέν ἐστιν ἐξωλέστερον οὐδὲ μᾶλλον καὶ θᾶττον ἐκτραχηλίζον νεότητα τῶν κολάκων, οἳ καὶ τοὺς πατέρας καὶ τοὺς παῖδας προρρίζους ἐκτρίβουσι, τῶν μὲν τὸ γῆρας ἐπίλυπον, τῶν δὲ τὴν νεότητα

ποιοῦντες, τῶν δὲ συμβουλευμάτων δέλεαρ ἀφύλακτον προτείνοντες τὴν ἡδονήν. τοῖς παισὶ τῶν πλουσίων οἱ πατέρες νήφειν παραινοῦσιν οἱ δὲ μεθύειν, σωφρονεῖν οἱ δ’ ἀσελγαίνειν, φυλάττειν οἱ δὲ δαπανᾶν, φιλεργεῖν οἱ δὲ ῥᾳθυμεῖν, [b] “στιγμὴ χρόνου πᾶς ἐστιν ὁ βίος” λέγοντες, “ζῆν οὐ παραζῆν προσῆκε. τί δὲ φροντιστέον ἡμῖν τῶν τοῦ πατρὸς ἀπειλῶν; κρονόληρος καὶ σοροδαίμων ἐστί, καὶ μετέωρον αὐτὸν ἀράμενοι τὴν ταχίστην ἐξοίσομεν.” καθῆκε δέ τις καὶ χαμαιτύπην καὶ προηγώγευσε γαμετήν, καὶ τὰ τῶν πατέρων ἐφόδια τοῦ γήρως ἐσύλησε καὶ περιέκοψε. μιαρὸν τὸ φῦλον, ὑποκριταὶ φιλίας, ἄγευστοι παρρησίας, πλουσίων μὲν κόλακες πενήτων δ’ ὑπερόπται, ὡς ἐκ λυρικῆς τέχνης ἐπὶ τοὺς νέους ἀγόμενοι, σεσηρότες ὅθ’ οἱ τρέφοντες γελῶσι, καὶ ψυχῆς ὑποβολιμαῖα καὶ νόθα μέρη βίου, πρὸς δὲ [c] τὸ τῶν πλουσίων νεῦμα ζῶντες, τῇ τύχῃ μὲν ἐλεύθεροι, τῇ προαιρέσει δὲ δοῦλοι· ὅταν δὲ μὴ ὑβρίζωνται, τόθ’ ὑβρίζεσθαι δοκοῦντες, ὅτι μάτην παρατρέφονται. ὥστ’ εἴ τῳ μέλει τῶν πατέρων τῆς τῶν τέκνων εὐαγωγίας, ἐκδιωκτέον τὰ μιαρὰ ταῦτα θρέμματα, ἐκδιωκτέον δ’ οὐχ ἥκιστα καὶ τὰς τῶν συμφοιτητῶν μοχθηρίας· καὶ γὰρ οὗτοι τὰς ἐπιεικεστάτας φύσεις ἱκανοὶ διαφθείρειν εἰσί.

Ταῦτα μὲν οὖν καλὰ καὶ συμφέροντα· ἃ δὲ [d] μέλλω λέγειν, ἀνθρώπινα. οὐδὲ γὰρ αὖ πάλιν τοὺς πατέρας ἔγωγ’ ἀξιῶ τελέως τραχεῖς καὶ σκληροὺς εἶναι τὴν φύσιν, ἀλλὰ πολλαχοῦ καὶ συγχωρῆσαί τινα τῷ νεωτέρῳ τῶν ἁμαρτημάτων, καὶ ἑαυτοὺς ἀναμιμνῄσκειν ὅτι ἐγένοντο νέοι. καὶ καθάπερ ἰατροὶ τὰ πικρὰ τῶν φαρμάκων τοῖς γλυκέσι χυμοῖς καταμιγνύντες τὴν τέρψιν ἐπὶ τὸ συμφέρον πάροδον εὗρον, οὕτω δεῖ τοὺς πατέρας τὴν τῶν ἐπιτιμημάτων ἀποτομίαν τῇ πραότητι [e] μιγνύναι, καὶ τοτὲ μὲν ταῖς ἐπιθυμίαις τῶν παίδων ἐφεῖναι καὶ χαλάσαι τὰς ἡνίας, τοτὲ δ’ αὖ πάλιν ἀντιτεῖναι, καὶ μάλιστα μὲν εὐκόλως φέρειν τὰς ἁμαρτίας, εἰ δὲ μή γε, πρὸς καιρὸν ὀργισθέντας ταχέως ἀποφλεγμῆναι. μᾶλλον γὰρ ὀξύθυμον εἶναι δεῖ τὸν πατέρα ἢ βαρύθυμον, ὡς τό γε δυσμενὲς καὶ δυσκατάλλακτον μισοτεκνίας οὐ μικρὸν τεκμήριόν ἐστι. καλὸν δὲ καὶ ἔνια τῶν ἁμαρτημάτων μηδ’ εἰδέναι δοκεῖν, ἀλλὰ τὸ τοῦ γήρως ἀμβλυῶττον καὶ δύσκωφον ἐπὶ τὰ γιγνόμενα μεταφέρειν, ὡς ἔνια τῶν πραττομένων ὁρῶντας μὴ ὁρᾶν καὶ μὴ ἀκούειν ἀκούοντας. φίλων ἁμαρτήματα φέρομεν· τί θαυμαστὸν εἰ τέκνων; δούλων πολλάκις κραιπαλώντων μέθην οὐκ ἐξηλέγξαμεν. ἐφείσω ποτέ, ἀλλὰ καὶ χορήγησον· ἠγανάκτησάς ποτε, ἀλλὰ καὶ σύγγνωθι. ἐβουκόλησέ ποτε δι’ οἰκέτου· τὴν [f] ὀργὴν κάτασχε. ἐξ ἀγροῦ ποτε ζεῦγος ἀφείλετο, ἦλθέ ποτε χθιζῆς μέθης ἀποπνέων, ἀγνόησον· μύρων ὄζων, σίγησον. οὕτω σκιρτῶσα νεότης πωλοδαμνεῖται.

Πειρατέον δὲ τοὺς τῶν ἡδονῶν ἥττους καὶ πρὸς τὰς ἐπιτιμήσεις δυσηκόους γάμῳ καταζεῦξαι, δεσμὸς γὰρ οὗτος τῆς νεότητος ἀσφαλέστατος. ἐγγυᾶσθαι δὲ δεῖ τοῖς υἱέσι γυναῖκας μήτ' εὐγενεστέρας πολλῷ μήτε πλουσιωτέρας· τὸ γὰρ "τὴν κατὰ σαυτὸν ἔλα" σοφόν. ὡς οἵ γε μακρῷ κρείττους ἑαυτῶν λαμβάνοντες οὐ τῶν γυναικῶν [14] [a] ἄνδρες, τῶν δὲ προικῶν δοῦλοι λανθάνουσι γιγνόμενοι.

Βραχέα δὲ προσθεὶς ἔτι περιγράψω τὰς ὑποθήκας. πρὸ πάντων γὰρ δεῖ τοὺς πατέρας τῷ μηδὲν ἁμαρτάνειν ἀλλὰ πάνθ' ἃ δεῖ πράττειν ἐναργὲς αὑτοὺς παράδειγμα τοῖς τέκνοις παρέχειν, ἵνα πρὸς τὸν τούτων βίον ὥσπερ κάτοπτρον ἀποβλέποντες ἀποτρέπωνται τῶν αἰσχρῶν ἔργων καὶ λόγων. ὡς οἵτινες τοῖς ἁμαρτάνουσιν υἱοῖς ἐπιτιμῶντες τοῖς αὐτοῖς ἁμαρτήμασι περιπίπτουσιν, ἐπὶ τῷ ἐκείνων ὀνόματι λανθάνουσιν ἑαυτῶν κατήγοροι γιγνόμενοι· τὸ δ' ὅλον φαύλως ζῶντες οὐδὲ τοῖς [b] δούλοις παρρησίαν ἄγουσιν ἐπιτιμᾶν, μή τί γε τοῖς υἱοῖς. χωρὶς δὲ τούτων γένοιντ' ἂν αὐτοῖς τῶν ἀδικημάτων σύμβουλοι καὶ διδάσκαλοι. ὅπου γὰρ γέροντές εἰσιν ἀναίσχυντοι, ἐνταῦθ' ἀνάγκη καὶ νέους ἀναιδεστάτους εἶναι.

Πειρατέον οὖν εἰς τὸν τῶν τέκνων σωφρονισμὸν πάνθ' ὅσα προσῆκεν ἐπιτηδεύειν, ζηλώσαντας Εὐρυδίκην, ἥτις Ἰλλυρὶς οὖσα καὶ τριβάρβαρος, ὅμως ἐπὶ τῇ μαθήσει τῶν τέκνων ὀψὲ τῆς ἡλικίας ἥψατο παιδείας. ἱκανῶς δ' αὐτῆς τὴν φιλοτεκνίαν σημαίνει τοὐπίγραμμα, ὅπερ ἀνέθηκε Μούσαις.

Εὐρυδίκη Ἱεραπολιῆτις τόνδ' ἀνέθηκε
Μούσαις εὔϊστον ψυχῇ ἑλοῦσα πόθον.
[c] γράμματα γὰρ μνημεῖα λόγων μήτηρ γεγαυῖα
παίδων ἡβώντων ἐξεπόνησε μαθεῖν.

Τὸ μὲν οὖν πάσας τὰς προειρημένας συμπεριλαβεῖν εὐχῆς ἴσως ἢ παραινέσεως ἔργον ἐστί· τὸ δὲ τὰς πλείους ζηλῶσαι καὶ αὐτὸ μὲν εὐμοιρίας δεόμενόν ἐστι καὶ πολλῆς ἐπιμελείας, ἀνυστὸν δ' οὖν ἀνθρωπίνῃ φύσει καθέστηκεν.

Quomodo adolescens poetas audire debeat

[14] Εἰ μέν, ὡς Φιλόξενος ὁ ποιητὴς ἔλεγεν, ὦ [e] Μάρκε Σήδατε, τῶν κρεῶν τὰ μὴ κρέα ἥδιστά ἐστι καὶ τῶν ἰχθύων οἱ μὴ ἰχθύες, ἐκείνοις ἀποφαίνεσθαι παρῶμεν οἷς ὁ Κάτων ἔφη τῆς καρδίας τὴν ὑπερῴαν εὐαισθητοτέραν ὑπάρχειν. ὅτι δὲ τῶν ἐν φιλοσοφίᾳ λεγομένων οἱ σφόδρα νέοι τοῖς μὴ δοκοῦσι φιλοσόφως μηδ' ἀπὸ σπουδῆς λέγεσθαι χαίρουσι μᾶλλον καὶ παρέχουσιν ὑπηκόους ἑαυτοὺς καὶ χειροήθεις, δῆλόν ἐστιν ἡμῖν. οὐ γὰρ μόνον τὰ Αἰσώπεια μυθάρια καὶ τὰς ποιητικὰς ὑποθέσεις ἀλλὰ καὶ τὸν Ἄβαριν τὸν Ἡρακλείδου καὶ τὸν Λύκωνα τὸν Ἀρίστωνος διερχόμενοι καὶ τὰ περὶ τῶν ψυχῶν δόγματα μεμιγμένα μυθολογίᾳ μεθ' [f] ἡδονῆς ἐνθουσιῶσι. διὸ δεῖ μὴ μόνον ἐν ταῖς περὶ ἐδωδὴν καὶ πόσιν ἡδοναῖς διαφυλάττειν εὐσχήμονας αὐτούς, ἔτι δὲ μᾶλλον ἐν ταῖς ἀκροάσεσιν καὶ ἀναγνώσεσιν ἐθίζειν, ὥσπερ ὄψῳ χρωμένους μετρίως τῷ τέρποντι, τὸ χρήσιμον ἀπ' αὐτοῦ καὶ τὸ σωτήριον διώκειν. οὔτε γὰρ πόλιν αἱ κεκλειμέναι πύλαι τηροῦσιν ἀνάλωτον, ἂν διὰ μιᾶς παραδέξηται τοὺς πολεμίους, οὔτε νέον αἱ περὶ [15] [a] τὰς ἄλλας ἡδονὰς ἐγκράτειαι σῴζουσιν, ἂν τῇ δι' ἀκοῆς λάθῃ προέμενος αὑτόν, ἀλλ' ὅσον μᾶλλον αὕτη τοῦ φρονεῖν καὶ λογίζεσθαι πεφυκότος ἅπτεται, τοσοῦτο μᾶλλον ἀμεληθεῖσα βλάπτει καὶ διαφθείρει τὸν παραδεξάμενον. ἐπεὶ τοίνυν οὔτ' ἴσως δυνατόν ἐστιν οὔτ' ὠφέλιμον ποιημάτων ἀπείργειν τὸν τηλικοῦτον ἡλίκος οὑμός τε τὸ νῦν Σώκλαρός ἐστι καὶ ὁ σὸς Κλέανδρος, εὖ μάλα παραφυλάττωμεν αὐτούς, ὡς ἐν ταῖς ἀναγνώσεσι μᾶλλον ἢ ταῖς ὁδοῖς παιδαγωγίας δεομένους. ἃ δ' οὖν ἐμοὶ περὶ ποιημάτων εἰπεῖν πρῴην ἐπῆλθε, νῦν πρὸς σὲ [b] γεγραμμένα πέμψαι διενοήθην. καὶ λαβὼν ταῦτα δίελθε, κἂν δοκῇ σοι μηδὲν εἶναι φαυλότερα τῶν ἀμεθύστων καλουμένων, ἅτινες ἐν τοῖς πότοις περιάπτονται καὶ προλαμβάνουσι, μεταδίδου τῷ Κλεάνδρῳ καὶ προκαταλάμβανε τὴν φύσιν αὐτοῦ διὰ τὸ μηδαμοῦ νωθρὸν ἀλλὰ πανταχοῦ σφοδρὸν καὶ δεδορκὸς εὐαγωγοτέραν ὑπὸ τῶν τοιούτων οὖσαν.

ὅτι βρωθῆναι μέν ἐστιν ἥδιστος, δυσόνειρον δ' ὕπνον ποιεῖ, φαντασίας ταραχώδεις καὶ ἀλλοκότους [c] δεχόμενον, ὡς λέγουσιν. οὕτω δὴ καὶ ποιητικῇ πολὺ μὲν τὸ ἡδὺ καὶ τρόφιμον νέου ψυχῆς ἔνεστιν, οὐκ ἔλαττον δὲ τὸ ταρακτικὸν καὶ παράφορον, ἂν μὴ τυγχάνῃ παιδαγωγίας ὀρθῆς ἡ ἀκρόασις. οὐ γὰρ μόνον ὡς ἔοικε περὶ τῆς Αἰγυπτίων χώρας ἀλλὰ καὶ περὶ τῆς ποιητικῆς ἔστιν εἰπεῖν ὅτι

οὐ γὰρ ἅπτεται τὸ ἀπατηλὸν αὐτῆς ἀβελτέρων κομιδῇ [d] καὶ ἀνοήτων. διὸ καὶ Σιμωνίδης μὲν ἀπεκρίνατο πρὸς τὸν εἰπόντα “τί δὴ μόνους οὐκ ἐξαπατᾷς Θετταλούς;” “ἀμαθέστεροι γάρ εἰσιν ἢ ὡς ὑπ’ ἐμοῦ ἐξαπατᾶσθαι.” Γοργίας δὲ τὴν τραγῳδίαν εἶπεν ἀπάτην, ἣν ὅ τ’ ἀπατήσας δικαιότερος τοῦ μὴ ἀπατήσαντος καὶ ὁ ἀπατηθεὶς σοφώτερος τοῦ μὴ ἀπατηθέντος. πότερον οὖν τῶν νέων ὥσπερ τῶν Ἰθακησίων σκληρῷ τινι τὰ ὦτα καὶ ἀτέγκτῳ κηρῷ καταπλάττοντες ἀναγκάζωμεν αὐτοὺς τὸ Ἐπικούρειον ἀκάτιον ἀραμένους ποιητικὴν φεύγειν καὶ παρεξελαύνειν, ἢ μᾶλλον ὀρθῷ τινι λογισμῷ παριστάντες καὶ καταδέοντες, τὴν κρίσιν, ὅπως μὴ παραφέρηται τῷ τέρποντι πρὸς τὸ βλάπτον, ἀπευθύνωμεν καὶ παραφυλάττωμεν;

[e] οὐδὲ γὰρ οὐδὲ Δρύαντος υἱὸς κρατερὸς Λυκόοργος

ὑγιαίνοντα νοῦν εἶχεν, ὅτι πολλῶν μεθυσκομένων καὶ παροινούντων τὰς ἀμπέλους περιιὼν ἐξέκοπτεν ἀντὶ τοῦ τὰς κρήνας ἐγγυτέρω προσαγαγεῖν καὶ “μαινόμενον” θεόν, ὥς φησιν ὁ Πλάτων, “ἑτέρῳ θεῷ νήφοντι κολαζόμενον” σωφρονίζειν. ἀφαιρεῖ γὰρ ἡ κρᾶσις τοῦ οἴνου τὸ βλάπτον, οὐ συναναιροῦσα τὸ χρήσιμον. μηδ’ ἡμεῖς οὖν τὴν ποιητικὴν [f] ἡμερίδα τῶν Μουσῶν ἐκκόπτωμεν μηδ’ ἀφανίζωμεν, ἀλλ’ ὅπου μὲν ὑφ’ ἡδονῆς ἀκράτου πρὸς δόξαν αὐθάδως θρασυνόμενον ἐξυβρίζει καὶ ὑλομανεῖ τὸ μυθῶδες αὐτῆς καὶ θεατρικόν, ἐπιλαμβανόμενοι κολούωμεν καὶ πιέζωμεν· ὅπου δ’ ἅπτεταί τινος μούσης τῇ χάριτι καὶ τὸ γλυκὺ τοῦ λόγου καὶ ἀγωγὸν οὐκ ἄκαρπόν ἐστιν οὐδὲ κενόν, ἐνταῦθα φιλοσοφίαν εἰσάγωμεν καὶ καταμιγνύωμεν. ὥσπερ γὰρ ὁ μανδραγόρας ταῖς ἀμπέλοις παραφυόμενος καὶ διαδιδοὺς τὴν δύναμιν εἰς τὸν οἶνον μαλακωτέραν ποιεῖ τὴν καταφορὰν τοῖς πίνουσιν, οὕτω τοὺς λόγους ἡ ποίησις ἐκ φιλοσοφίας ἀναλαμβάνουσα μιγνυμένους πρὸς τὸ μυθῶδες ἐλαφρὰν καὶ προσφιλῆ παρέχει τοῖς νέοις τὴν μάθησιν. ὅθεν οὐ φευκτέον ἐστὶ τὰ ποιήματα τοῖς φιλοσοφεῖν μέλλουσιν, ἀλλὰ προφιλοσοφητέον τοῖς ποιήμασιν [16] [a] ἐθιζομένους ἐν τῷ τέρποντι τὸ χρήσιμον ζητεῖν καὶ ἀγαπᾶν· εἰ δὲ μή, διαμάχεσθαι καὶ δυσχεραίνειν. ἀρχὴ γὰρ αὕτη παιδεύσεως,

κατὰ τὸν Σοφοκλέα.

Πρῶτον μὲν οὖν εἰσάγειν εἰς τὰ ποιήματα δεῖ τὸν νέον μηδὲν οὕτω μεμελετημένον ἔχοντα καὶ πρόχειρον ὡς τὸ "πολλὰ ψεύδονται ἀοιδοὶ" τὰ μὲν ἑκόντες τὰ δ' ἄκοντες. ἑκόντες μέν, ὅτι πρὸς ἡδονὴν ἀκοῆς καὶ χάριν, ἣν οἱ πλεῖστοι διώκουσιν, [b] αὐστηροτέραν ἡγοῦνται τὴν ἀλήθειαν τοῦ ψεύδους. ἡ μὲν γὰρ ἔργῳ γιγνομένη, κἂν ἀτερπὲς ἔχῃ τὸ τέλος, οὐκ ἐξίσταται· τὸ δὲ πλαττόμενον λόγῳ ῥᾷστα περιχωρεῖ καὶ τρέπεται πρὸς τὸ ἥδιον ἐκ τοῦ λυποῦντος. οὔτε γὰρ μέτρον οὔτε τρόπος οὔτε λέξεως ὄγκος οὔτ' εὐκαιρία μεταφορᾶς οὔθ' ἁρμονία καὶ σύνθεσις ἔχει τοσοῦτον αἱμυλίας καὶ χάριτος ὅσον εὖ πεπλεγμένη διάθεσις μυθολογίας· ἀλλ' ὥσπερ ἐν γραφαῖς κινητικώτερόν ἐστι χρῶμα γραμμῆς διὰ τὸ ἀνδρείκελον καὶ ἀπατηλόν, οὕτως [c] ἐν ποιήμασι μεμιγμένον πιθανότητι ψεῦδος ἐκπλήττει καὶ ἀγαπᾶται μᾶλλον τῆς ἀμύθου καὶ ἀπλάστου περὶ μέτρον καὶ λέξιν κατασκευῆς. ὅθεν ὁ Σωκράτης ἔκ τινων ἐνυπνίων ποιητικῆς ἁψάμενος αὐτὸς μέν, ἅτε δὴ γεγονὼς ἀληθείας ἀγωνιστὴς τὸν ἅπαντα βίον, οὐ πιθανὸς ἦν οὐδ' εὐφυὴς ψευδῶν δημιουργός, τοὺς δ' Αἰσώπου μύθους ἔπεσιν ἐνήρμοζεν ὡς ποίησιν οὐκ οὖσαν ᾗ ψεῦδος μὴ πρόσεστι. θυσίας μὲν γὰρ ἀχόρους καὶ ἀναύλους ἴσμεν, οὐκ ἴσμεν δ' ἄμυθον οὐδ' ἀψευδῆ ποίησιν. τὰ δ' Ἐμπεδοκλέους ἔπη καὶ Παρμενίδου καὶ θηριακὰ Νικάνδρου καὶ γνωμολογίαι Θεόγνιδος λόγοι εἰσὶ κιχράμενοι παρὰ ποιητικῆς ὥσπερ ὄχημα τὸ μέτρον καὶ τὸν ὄγκον, ἵνα τὸ πεζὸν [d] διαφύγωσιν. ὅταν οὖν ἄτοπόν τι καὶ δυσχερὲς ἐν τοῖς ποιήμασι λέγηται περὶ θεῶν ἢ δαιμόνων ἢ ἀρετῆς ὑπ' ἀνδρὸς ἐλλογίμου καὶ δόξαν ἔχοντος, ὁ μὲν ὡς ἀληθῆ προσδεξάμενος λόγον οἴχεται φερόμενος καὶ διέφθαρται τὴν δόξαν, ὁ δὲ μεμνημένος ἀεὶ καὶ κατέχων ἐναργῶς τῆς ποιητικῆς τὴν περὶ τὸ ψεῦδος γοητείαν καὶ δυνάμενος λέγειν ἑκάστοτε πρὸς αὐτὴν

"ὦ μηχάνημα λυγκὸς αἰολώτερον,

[b] Δεῖ δὲ μηδὲ τὰς ἐκ τῶν παρακειμένων ἢ συμφραζομένων παραλιπεῖν ἀφορμὰς πρὸς τὴν ἐπανόρθωσιν, ἀλλ᾽ ὥσπερ οἱ ἰατροὶ τῆς κανθαρίδος οὔσης θανασίμου τοὺς πόδας ὅμως καὶ τὰ πτερὰ βοηθεῖν οἴονται καὶ ἀναλύειν τὴν δύναμιν, οὕτως ἐν τοῖς ποιήμασι, κἂν ὄνομα κἂν ῥῆμα παρακείμενον ἀμβλυτέραν ποιῇ τὴν πρὸς τὸ χεῖρον ἀπαγωγήν, ἐπιλαμβάνεσθαι καὶ προσδιασαφεῖν, ὡς ἐπὶ τούτων ἔνιοι ποιοῦσι

[c] οὐ γὰρ ἁπλῶς εἶπε καὶ πᾶσιν ἀνθρώποις ὑπὸ θεῶν ἐπικεκλῶσθαι λυπηρὸν βίον, ἀλλὰ τοῖς ἄφροσι καὶ ἀνοήτοις, οὓς δειλαίους καὶ οἰκτροὺς διὰ μοχθηρίαν ὄντας εἴωθε "δειλοὺς" καὶ "ὀιζυροὺς" προσαγορεύειν.

Ἄλλος τοίνυν τρόπος ἐστὶ τὰς ἐν τοῖς ποιήμασιν ὑποψίας πρὸς τὸ βέλτιον ἐκ τοῦ χείρονος μεθιστὰς ὁ διὰ τῶν ὀνομάτων τῆς συνηθείας, περὶ ὃν δεῖ τὸν νέον γεγυμνάσθαι μᾶλλον ἢ περὶ τὰς λεγομένας γλώττας. ἐκεῖνο μὲν γὰρ φιλόλογον καὶ οὐκ ἀηδὲς ὅτι "ῥιγεδανὸς" κακοθάνατός ἐστιν εἰδέναι ("δάνον" γὰρ Μακεδόνες τὸν θάνατον καλοῦσι), "καμμονίαν" δὲ νίκην Αἰολεῖς τὴν ἐξ [d] ἐπιμονῆς καὶ καρτερίας, Δρύοπες δὲ "πόπους" τοὺς δαίμονας. τουτὶ δ' ἀναγκαῖον καὶ χρήσιμον, εἰ μέλλομεν ἐκ τῶν ποιημάτων ὠφεληθήσεσθαι καὶ μὴ βλαβήσεσθαι, τὸ γιγνώσκειν πῶς τοῖς τῶν θεῶν ὀνόμασιν οἱ ποιηταὶ χρῶνται καὶ πάλιν τοῖς τῶν κακῶν καὶ ἀγαθῶν, καὶ τί τὴν Τύχην τί τὴν Μοῖραν νοοῦντες ὀνομάζουσι, καὶ πότερον ταῦτα τῶν ἁπλῶς ἢ τῶν πολλαχῶς λεγομένων ἐστὶ παρ' αὐτοῖς, ὥσπερ ἄλλα πολλά. καὶ γὰρ "οἶκον" ποτὲ μὲν τὴν οἰκίαν καλοῦσιν

χάριεν δὲ καὶ τὸ τὴν χρείαν τῶν ὀνομάτων συνοικειοῦν τοῖς ὑποκειμένοις πράγμασιν, ὡς οἱ γραμματικοὶ διδάσκουσιν, ἄλλοτε πρὸς ἄλλην δύναμιν λαμβάνοντες, οἷόν ἐστι

τῷ μὲν γὰρ "αἰνεῖν" σημαίνεται τὸ ἐπαινεῖν, αὐτῷ δὲ τῷ ἐπαινεῖν ἀντὶ τοῦ παραιτεῖσθαι νῦν κέχρηται, καθάπερ ἐν τῇ συνηθείᾳ "καλῶς" φαμὲν "ἔχειν"

[23] [a] καὶ "χαίρειν" κελεύομεν, ὅταν μὴ δεώμεθα μηδὲ λαμβάνωμεν. οὕτω δὲ καὶ τὴν "ἐπαινὴν Περσεφόνειαν" ἔνιοί φασιν ὡς παραιτητὴν εἰρῆσθαι.

Ταύτην δὴ τὴν διαίρεσιν καὶ διάκρισιν τῶν ὀνομάτων ἐν τοῖς μείζοσι καὶ σπουδαιοτέροις παραφυλάττοντες ἀπὸ τῶν θεῶν ἀρχώμεθα διδάσκειν τοὺς νέους ὅτι χρῶνται τοῖς τῶν θεῶν ὀνόμασιν οἱ ποιηταὶ ποτὲ μὲν αὐτῶν ἐκείνων ἐφαπτόμενοι τῇ ἐννοίᾳ, ποτὲ δὲ δυνάμεις τινὰς ὧν οἱ θεοὶ δοτῆρές εἰσι καὶ καθηγεμόνες ὁμωνύμως προσαγορεύοντες. οἷον εὐθὺς ὁ Ἀρχίλοχος, ὅταν μὲν εὐχόμενος λέγῃ

εἰ κείνου κεφαλὴν καὶ χαρίεντα μέλεα

Σφόδρα δὲ δεῖ καὶ τοῖς ἄλλοις ὀνόμασι προσέχειν, κατὰ πολλὰ πράγματα κινουμένοις καὶ μεθισταμένοις ὑπὸ τῶν ποιητῶν. οἷόν ἐστι καὶ τὸ τῆς ἀρετῆς. ἐπεὶ γὰρ οὐ μόνον ἔμφρονας παρέχεται καὶ [d] δικαίους καὶ ἀγαθοὺς ἐν πράξεσι καὶ λόγοις, ἀλλὰ καὶ δόξας ἐπιεικῶς καὶ δυνάμεις περιποιεῖται, παρὰ τοῦτο ποιοῦνται καὶ τὴν εὐδοξίαν ἀρετὴν καὶ τὴν δύναμιν, ὀνομάζοντες ὥσπερ “ἐλαίαν” τὸν ἀπὸ τῆς ἐλαίας, καὶ “φηγὸν” τὸν ἀπὸ τῆς φηγοῦ καρπὸν ὁμωνύμως τοῖς φέρουσιν. οὐκοῦν ὁ νέος ἡμῖν, ὅταν μὲν λέγωσι

ποτὲ δ' ἄλλην τινὰ κάκωσιν ἢ δυστυχίαν, ὡς Ὅμηρος

αἶψα γὰρ ἐν κακότητι βροτοὶ καταγηράσκουσιν.

ἐπεὶ καὶ τὴν εὐδαιμονίαν ἐξαπατηθείη τις ἂν οὕτω τοὺς ποιητὰς οἰόμενος λέγειν, ὡς οἱ φιλόσοφοι λέγουσι τὴν παντελῆ τῶν ἀγαθῶν ἕξιν ἢ κτῆσιν ἢ [25] [a] καὶ τελειότητα βίου κατὰ φύσιν εὐροοῦντος, ἀλλ' οὐχὶ καταχρωμένους

πολλάκις τὸν πλούσιον εὐδαίμονα καλεῖν ἢ μακάριον καὶ τὴν δύναμιν ἢ τὴν δόξαν εὐδαιμονίαν. Ὅμηρος μὲν γὰρ ὀρθῶς κέχρηται τοῖς ὀνόμασιν

ὣς οὔ τοι χαίρων τοῖσδε κτεάτεσσιν ἀνάσσω

καὶ Μένανδρος

ἔχω δὲ πολλὴν οὐσίαν καὶ πλούσιος
καλοῦμ’ ὑπὸ πάντων, μακάριος δ’ ὑπ’ οὐδενός,

Εὐριπίδης δὲ πολλὴν ἐργάζεται ταραχὴν καὶ σύγχυσιν ὅταν λέγῃ

[b] μή μοι γένοιτο λυπρὸς εὐδαίμων βίος

καὶ

τί τὴν τυραννίδ’, ἀδικίαν εὐδαίμονα,
τιμᾷς;

ἂν μή τις, ὥσπερ εἴρηται, ταῖς μεταφοραῖς καὶ καταχρήσεσι τῶν ὀνομάτων ἕπηται. ταῦτα μὲν οὖν ἱκανὰ περὶ τούτων.

Ἐκεῖνο δ’ οὐχ ἅπαξ ἀλλὰ πολλάκις ὑπομνηστέον ἐστὶ τοὺς νέους, ἐνδεικνυμένους αὐτοῖς ὅτι μιμητικὴν ἡ ποίησις ὑπόθεσιν ἔχουσα κόσμῳ μὲν καὶ λαμπρότητι χρῆται περὶ τὰς ὑποκειμένας πράξεις καὶ τὰ ἤθη, τὴν δ’ ὁμοιότητα τοῦ ἀληθοῦς [c] οὐ προλείπει, τῆς μιμήσεως ἐν τῷ πιθανῷ τὸ ἀγωγὸν ἐχούσης. διὸ καὶ κακίας καὶ ἀρετῆς σημεῖα μεμιγμένα ταῖς πράξεσιν ἡ μὴ παντάπασι τῆς ἀληθείας ὀλιγωροῦσα συνεκφέρει μίμησις, ὥσπερ ἡ Ὁμήρου πολλὰ πάνυ τοῖς Στωϊκοῖς χαίρειν φράζουσα, μήτε τι φαῦλον ἀρετῇ προσεῖναι μήτε κακίᾳ χρηστὸν ἀξιοῦσιν, ἀλλὰ πάντως μὲν ἐν πᾶσιν ἁμαρτωλὸν εἶναι τὸν ἀμαθῆ, περὶ πάντα δ’ αὖ κατορθοῦν τὸν ἀστεῖον. ταῦτα γὰρ ἐν ταῖς σχολαῖς ἀκούομεν· ἐν δὲ τοῖς πράγμασι καὶ τῷ βίῳ τῶν πολλῶν κατὰ τὸν Εὐριπίδην

οὐκ ἂν γένοιτο χωρὶς ἐσθλὰ καὶ κακά,
[d] ἀλλ’ ἔστι τις σύγκρασις.

ἄνευ δὲ τοῦ ἀληθοῦς μάλιστα μὲν ἡ ποιητικὴ τῷ ποικίλῳ χρῆται καὶ πολυτρόπῳ. τὸ γὰρ ἐμπαθὲς καὶ παράλογον καὶ ἀπροσδόκητον, ᾧ πλείστη μὲν ἔκπληξις ἕπεται πλείστη δὲ χάρις, αἱ μεταβολαὶ παρέχουσι τοῖς μύθοις· τὸ δ’ ἁπλοῦν ἀπαθὲς καὶ ἄμουσον. ὅθεν οὔτε νικῶντας ἀεὶ πάντα ποιοῦσι τοὺς αὐτοὺς οὔτ’ εὐημεροῦντας οὔτε κατορθοῦντας. ἀλλ’ οὐδὲ τοῖς θεοῖς, ὅταν εἰς ἀνθρωπίνας ἐμπέσωσι πράξεις, ἀπαθέσι χρῶνται καὶ ἀναμαρτήτοις, ἵνα μηδαμοῦ τό τε ταράττον καὶ τὸ ἐκπλῆττον ἀργῇ τῆς ποιήσεως ἀκίνδυνον καὶ ἀναγώνιστον γιγνόμενον.

Οὕτως οὖν τούτων ἐχόντων ἐπάγωμεν τοῖς [e] ποιήμασι τὸν νέον μὴ τοιαύτας ἔχοντα δόξας περὶ τῶν καλῶν ἐκείνων καὶ μεγάλων ὀνομάτων, ὡς ἄρα σοφοὶ καὶ δίκαιοι οἱ ἄνδρες ἦσαν, ἄκροι τε βασιλεῖς καὶ κανόνες ἀρετῆς

ἁπάσης καὶ ὀρθότητος. ἐπεὶ βλαβήσεται μεγάλα δοκιμάζων πάντα καὶ τεθηπώς, μὴ δυσχεραίνων δὲ μηδὲν μηδ' ἀκούων μηδ' ἀποδεχόμενος τοῦ ψέγοντος αὖ τοὺς τοιαῦτα πράττοντας καὶ λέγοντας

[e] μύθῳ Ἀθηναίης,

οὗτος δ᾽ αὐτὸς εἰς τὴν ναῦν ἐμβιβάζων καὶ παραδιδοὺς [f] καὶ ἀποπέμπων τὴν ἄνθρωπον ἣν ὀλίγῳ πρόσθεν εἴρηκε τῆς γαμετῆς τῇ εὐνοίᾳ προκρίνειν, οὐδὲν ἐρωτικὸν οὐδ᾽ αἰσχρὸν ἐποίησε. καὶ μὴν ὁ Φοῖνιξ διὰ τὴν παλλακίδα κατάρατος ὑπὸ τοῦ πατρὸς γενόμενος

ὁ μὲν οὖν Ἀρίσταρχος ἐξεῖλε ταῦτα τὰ ἔπη φοβηθείς· ἔχει δὲ πρὸς τὸν καιρὸν ὀρθῶς, τοῦ Φοίνικος τὸν Ἀχιλλέα διδάσκοντος οἷόν ἐστιν ὀργὴ καὶ ὅσα [27] [a] διὰ θυμὸν ἄνθρωποι τολμῶσι, μὴ χρώμενοι λογισμῷ μηδὲ πειθόμενοι τοῖς παρηγοροῦσι. καὶ γὰρ τὸν Μελέαγρον ἐπεισάγει τοῖς πολίταις ὀργιζόμενον, εἶτα πραϋνόμενον, ὀρθῶς τὰ πάθη ψέγων, τὸ δὲ μὴ συνακολουθεῖν ἀλλ᾽ ἀντιτάττεσθαι καὶ κρατεῖν καὶ μετανοεῖν ἐπαινῶν ὡς καλὸν καὶ συμφέρον.

ποιεῖν δεῖ ἐν ταῖς τραγῳδίαις ὅσαι λόγους ἔχουσι πιθανοὺς καὶ πανούργους ἐν πράξεσιν ἀδόξοις καὶ πονηραῖς. οὐ πάνυ γὰρ ἀληθὲς τὸ τοῦ Σοφοκλέους λέγοντος

καὶ

σμικρὸν φρονεῖν χρὴ τὸν κακῶς πεπραγότα.

καίτοι ταῦτα τῶν ἠθῶν ἅπτεται καὶ τοὺς βίους διαταράττει, κρίσεις ἐμποιοῦντα φαύλας καὶ δόξας [c] ἀγεννεῖς, ἂν μὴ πρὸς ἕκαστον αὐτῶν εἰθισμένοι λέγωμεν "διὰ τί σμικρὸν φρονεῖν χρὴ τὸν κακῶς πεπραγότα καὶ μὴ μᾶλλον ἀνταίρειν τῇ τύχῃ καὶ ποιεῖν ὑψηλὸν ἑαυτὸν καὶ ἀταπείνωτον; διὰ τί δέ, ἂν ἐκ πατρὸς φαύλου καὶ ἀνοήτου γεγονὼς αὐτὸς ὦ χρηστὸς καὶ φρόνιμος, οὐ προσήκει μοι διὰ τὴν ἐμὴν ἀρετὴν μέγα φρονεῖν ἀλλὰ

καταπεπλῆχθαι καὶ ταπεινὸν εἶναι διὰ τὴν τοῦ πατρὸς ἀμαθίαν;" ὁ γὰρ οὕτως ἀπαντῶν καὶ ἀντερείδων καὶ μὴ παντὶ λόγῳ πλάγιον ὥσπερ πνεύματι παραδιδοὺς ἑαυτὸν ἀλλ' ὀρθῶς ἔχειν νομίζων τὸ "βλὰξ ἄνθρωπος ἐπὶ παντὶ λόγῳ φιλεῖ ἐπτοῆσθαι," πολλὰ διακρούσεται τῶν οὐκ ἀληθῶς οὐδ' ὠφελίμως λεγομένων. ταῦτα μὲν οὖν ἀβλαβῆ παρέξει τὴν τῶν ποιημάτων ἀκρόασιν.

Ἐπεὶ δ' ὥσπερ ἐν ἀμπέλου φύλλοις καὶ [d] κλήμασιν εὐθαλοῦσι πολλάκις ὁ καρπὸς ἀποκρύπτεται καὶ λανθάνει κατασκιαζόμενος, οὕτως ἐν ποιητικῇ λέξει καὶ μυθεύμασι περικεχυμένοις πολλὰ διαφεύγει τὸν νέον ὠφέλιμα καὶ χρήσιμα (δεῖ δὲ τοῦτο μὴ πάσχειν μηδ' ἀποπλανᾶσθαι τῶν πραγμάτων, ἀλλ' ἐμφύεσθαι μάλιστα τοῖς πρὸς ἀρετὴν φέρουσι καὶ δυναμένοις πλάττειν τὸ ἦθος), οὐ χεῖρόν ἐστι καὶ περὶ τούτων διελθεῖν ἐν βραχέσιν, ἁψάμενον ὡς ἐν τύπῳ τῶν πραγμάτων, μήκη δὲ [e] καὶ κατασκευὰς καὶ παραδειγμάτων ὄχλον ἐῶντα τοῖς ἐπιδεικτικώτερον γράφουσι. πρῶτον μὲν οὖν τὰ χρηστὰ καὶ τὰ φαῦλα γιγνώσκων ὁ νέος ἤθη καὶ πρόσωπα τοῖς λεγομένοις προσεχέτω καὶ ταῖς πράξεσιν ἃς ὁ ποιητὴς ἑκατέροις προσηκόντως ἀποδίδωσιν· οἷον ὁ Ἀχιλλεὺς πρὸς τὸν Ἀγαμέμνονα λέγει, καίπερ λέγων μετ' ὀργῆς

οὐ γὰρ σοί ποτε ἶσον ἔχω γέρας, ὁππότ' Ἀχαιοὶ
Τρώων ἐκπέρσωσ' εὖ ναιόμενον πτολίεθρον,
ὁ δὲ Θερσίτης τῷ αὐτῷ λοιδορούμενος λέγει
πλεῖαί τοι χαλκοῦ κλισίαι, πολλαὶ δὲ γυναῖκες
εἰσὶν ἐνὶ κλισίῃς ἐξαίρετοι, ἅς τοι Ἀχαιοὶ
[29] [a] πρωτίστῳ δίδομεν, εὖτ' ἂν πτολίεθρον ἕλωμεν,
καὶ πάλιν ὁ Ἀχιλλεὺς
αἴ κέ ποθι Ζεὺς
δῷσι πόλιν Τροίην εὐτείχεον ἐξαλαπάξαι,
ὁ δὲ Θερσίτης
ὅν κεν ἐγὼ δήσας ἀγάγω ἢ ἄλλος Ἀχαιῶν.

πάλιν τοῦ Ἀγαμέμνονος ἐν τῇ ἐπιπωλήσει τὸν Διομήδην λοιδορήσαντος ὁ μὲν οὐδὲν ἀντεῖπεν

αἰδεσθεὶς βασιλῆος ἐνιπὴν αἰδοίοιο,
ὁ δὲ Σθένελος, οὗ μηδεὶς λόγος,
"Ἀτρείδη," φησί, "μὴ ψεύδε' ἐπιστάμενος σάφα εἰπεῖν.
[b] ἡμεῖς τοι πατέρων μέγ' ἀμείνονες εὐχόμεθ' εἶναι."

ἡ γὰρ τοιαύτη διαφορὰ μὴ παρορωμένη διδάξει τὸν νέον ἀστεῖον ἡγεῖσθαι τὴν ἀτυφίαν καὶ μετριότητα, τὴν δὲ μεγαλαυχίαν καὶ περιαυτολογίαν ὡς φαῦλον εὐλαβεῖσθαι. χρήσιμον δὲ καὶ τὸ τοῦ Ἀγαμέμνονος κατανοεῖν

ἐνταῦθα· τὸν μὲν γὰρ Σθένελον ἀπροσαύδητον παρῆλθε, τοῦ δ᾽ Ὀδυσσέως οὐκ ἠμέλησεν ἀλλ᾽ ἠμείψατο καὶ προσηγόρευσεν,

ὡς γνῶ χωομένοιο· πάλιν δ᾽ ὅ γε λάζετο μῦθον·

τὸ μὲν γὰρ πᾶσιν ἀπολογεῖσθαι θεραπευτικὸν καὶ [c] οὐκ ἀξιωματικόν· τὸ δὲ πάντων καταφρονεῖν ὑπερήφανον καὶ ἀνόητον. ἄριστα δ᾽ ὁ Διομήδης ἐν μὲν τῇ μάχῃ σιωπᾷ κακῶς ἀκούων ὑπὸ τοῦ βασιλέως, μετὰ δὲ τὴν μάχην παρρησίᾳ χρῆται πρὸς αὐτόν

ἀλκὴν μέν μοι πρῶτον ὀνείδισας ἐν Δαναοῖσιν.

Εὖ δ᾽ ἔχει καὶ φρονίμου διαφορὰν ἀνδρὸς καὶ μάντεως πανηγυρικοῦ μὴ παραλιπεῖν. ὁ μὲν γὰρ Κάλχας οὐ συνεῖδε τὸν καιρόν, ἀλλ᾽ ἐν πλήθει παρ᾽ οὐδὲν ἐποιήσατο κατηγορῆσαι τοῦ βασιλέως ὡς τὸν λοιμὸν αὐτοῖς ἐπαγαγόντος· ὁ δὲ Νέστωρ βουλόμενος ἐμβάλλειν λόγον ὑπὲρ τῶν πρὸς τὸν [d] Ἀχιλλέα διαλλαγῶν, ἵνα μὴ διαβάλλειν δοκῇ τὸν Ἀγαμέμνονα πρὸς τὸ πλῆθος ὡς ἁμαρτόντα καὶ χρησάμενον ὀργῇ,

δαίνυ δαῖτα γέρουσιν· ἔοικέ τοι, οὔ τοι ἀεικές.

πολλῶν δ᾽ ἀγρομένων τῷ πείσεαι ὅς κεν ἀρίστην

βουλὴν βουλεύσῃ.

καὶ μετὰ τὸ δεῖπνον ἐξαποστέλλει τοὺς πρέσβεις· τοῦτο γὰρ ἦν ἐπανόρθωσις ἁμαρτίας, ἐκεῖνο δὲ κατηγορία καὶ προπηλακισμός.

Ἔτι δὲ καὶ τὰς ἐν τοῖς γένεσι διαφορὰς σκεπτέον, ὧν τοιοῦτός ἐστιν ὁ τρόπος. οἱ μὲν Τρῶες ἐπίασι μετὰ κραυγῆς καὶ θράσους, οἱ δ᾽ Ἀχαιοί

σιγῇ δειδιότες σημάντορας.

[e] τὸ γὰρ ἐν χερσὶ τῶν πολεμίων ὄντων φοβεῖσθαι τοὺς ἄρχοντας ἀνδρείας ἅμα καὶ πειθαρχίας σημεῖον. ὅθεν ὁ μὲν Πλάτων ἐθίζει τοὺς ψόγους φοβεῖσθαι καὶ τὰ αἰσχρὰ μᾶλλον ἢ τοὺς πόνους καὶ τοὺς κινδύνους, ὁ δὲ Κάτων ἔλεγε φιλεῖν τοὺς ἐρυθριῶντας μᾶλλον ἢ τοὺς ὠχριῶντας.

Ἔστι δὲ καὶ τῶν ἐπαγγελιῶν ἴδιος χαρακτήρ. ὁ μὲν γὰρ Δόλων ἐπαγγέλλεται

τόφρα γὰρ ἐς στρατὸν εἶμι διαμπερές, ὄφρ᾽ ἂν ἵκωμαι

νῆ᾽ Ἀγαμεμνονέην,

[f] ὁ δὲ Διομήδης ἐπαγγέλλεται μὲν οὐδέν, ἧττον δ᾽ ἄν φησι φοβηθῆναι μεθ᾽ ἑτέρου πεμπόμενος. Ἑλληνικὸν οὖν καὶ ἀστεῖον ἡ πρόνοια, βαρβαρικὸν δὲ καὶ φαῦλον ἡ θρασύτης· καὶ δεῖ τὸ μὲν ζηλοῦν τὸ δὲ δυσχεραίνειν. ἔχεται δέ τινος οὐκ ἀχρήστου θεωρίας καὶ τὸ περὶ τοὺς Τρῶας καὶ τὸν Ἕκτορα πάθος, τοῦ Αἴαντος αὐτῷ μονομαχεῖν μέλλοντος. ὁ μὲν γὰρ Αἰσχύλος Ἰσθμοῖ πύκτου πληγέντος εἰς τὸ πρόσωπον καὶ κραυγῆς γενομένης, “οἷον” εἶπεν “ἡ ἄσκησίς ἐστιν. οἱ θεώμενοι βοῶσιν, ὁ δὲ πληγεὶς σιωπᾷ.” τοῦ δὲ ποιητοῦ

λέγοντος ὅτι τὸν Αἴαντα τῶν ὅπλων ποιούντων λαμπρὸν οἱ μὲν Ἕλληνες ἔχαιρον ὁρῶντες,

[30] [a] Τρῶας δὲ τρόμος αἰνὸς ἐπήλυθε γυῖα ἕκαστον,

Ἕκτορί τ' αὐτῷ θυμὸς ἐνὶ στήθεσσι πάτασσε,

τίς οὐκ ἂν ἀγάσαιτο τὴν διαφοράν; τοῦ μὲν κινδυνεύοντος ἡ καρδία πηδᾷ μόνον, ὥσπερ παλαίειν νὴ Δί' ἢ σταδιοδρομεῖν μέλλοντος, τῶν δὲ θεωμένων τρέμει καὶ πάλλεται τὸ σῶμα δι' εὔνοιαν καὶ φόβον ὑπὲρ τοῦ βασιλέως. ἐνταῦθα δὲ καὶ τὴν τοῦ κρατίστου πρὸς τὸν κάκιστον διαφορὰν ἀποθεωρητέον. ὁ μὲν γὰρ Θερσίτης

ἔχθιστος δ' Ἀχιλῆι μάλιστ' ἦν ἠδ' Ὀδυσῆι,

[b] ὁ δ' Αἴας ἀεί τε τῷ Ἀχιλλεῖ προσφιλὴς καὶ πρὸς τὸν Ἕκτορα λέγει περὶ αὐτοῦ

νῦν μὲν δὴ σάφα εἴσεαι οἰόθεν οἶος

οἷοι καὶ Δαναοῖσιν ἀριστῆες μετέασι,

καὶ μετ' Ἀχιλλῆα ῥηξήνορα θυμολέοντα.

καὶ τοῦτο μὲν Ἀχιλλέως τὸ ἐγκώμιόν ἐστι, τὰ δ' ἑξῆς ὑπὲρ ἁπάντων εἴρηται χρησίμως

ἡμεῖς δ' εἰμὲν τοῖοι οἳ ἂν σέθεν ἀντιάσαιμεν

καὶ πολέες,

οὔτε μόνον οὔτ' ἄριστον ἀποφαίνων ἑαυτὸν ἀλλὰ μετὰ πολλῶν ὁμοίως δυναμένων ἀμύνασθαι.

[c] Ταῦτα μὲν οὖν ἱκανὰ περὶ διαφορᾶς, ἂν μὴ κἀκεῖνο βουλώμεθα προσλαβεῖν, ὅτι τῶν Τρώων ἑαλώκασι καὶ πολλοὶ ζῶντες, οὐδεὶς δὲ τῶν Ἀχαιῶν, καὶ τῶν μὲν ὑποπεπτώκασιν ἔνιοι τοῖς πολεμίοις, ὥσπερ ὁ Ἄδραστος, οἱ Ἀντιμάχου παῖδες, ὁ Λυκάων, αὐτὸς ὁ Ἕκτωρ δεόμενος περὶ ταφῆς τοῦ Ἀχιλλέως, ἐκείνων δ' οὐδείς, ὡς βαρβαρικοῦ τοῦ ἱκετεύειν καὶ ὑποπίπτειν ἐν τοῖς ἀγῶσιν ὄντος, Ἑλληνικοῦ δὲ τοῦ νικᾶν μαχόμενον ἢ ἀποθνῄσκειν.

Ἐπεὶ δ' ὥσπερ ἐν ταῖς νομαῖς ἡ μὲν μέλιττα [d] διώκει τὸ ἄνθος, ἡ δ' αἲξ τὸν θαλλόν, ἡ δ' ὗς τὴν ῥίζαν, ἄλλα δὲ ζῷα τὸ σπέρμα καὶ τὸν καρπόν, οὕτως ἐν ταῖς ἀναγνώσεσι τῶν ποιημάτων ὁ μὲν ἀπανθίζεται τὴν ἱστορίαν, ὁ δ' ἐμφύεται τῷ κάλλει καὶ τῇ κατασκευῇ τῶν ὀνομάτων, καθάπερ ὁ Ἀριστοφάνης περὶ τοῦ Εὐριπίδου φησί

χρῶμαι γὰρ αὐτοῦ τοῦ στόματος τῷ στρογγύλῳ·

οἳ δὲ τῶν πρὸς τὸ ἦθος εἰρημένων ὠφελίμως ἔχονται, πρὸς οὓς δὴ νῦν ἡμῖν ὁ λόγος ἐστίν, ὑπομιμνήσκωμεν αὐτοὺς ὅτι δεινόν ἐστι τὸν μὲν φιλόμυθον μὴ λανθάνειν τὰ καινῶς ἱστορούμενα καὶ περιττῶς, μηδὲ τὸν

φιλόλογον ἐκφεύγειν τὰ [e] καθαρῶς πεφρασμένα καὶ ῥητορικῶς, τὸν δὲ φιλότιμον καὶ φιλόκαλον καὶ μὴ παιγνίας ἀλλὰ παιδείας ἕνεκα ποιημάτων ἁπτόμενον ἀργῶς καὶ ἀμελῶς ἀκούειν τῶν πρὸς ἀνδρείαν ἢ σωφροσύνην ἢ δικαιοσύνην ἀναπεφωνημένων, οἷα καὶ ταῦτ' ἐστὶ

Τυδείδη, τί παθόντε λελάσμεθα θούριδος ἀλκῆς;

ἀλλ' ἄγε δεῦρο, πέπον, παρ' ἔμ' ἵστασο· δὴ γὰρ ἔλεγχος

ἔσσεται, εἴ κεν νῆας ἕλῃ κορυθαίολος Ἕκτωρ.

τὸ γὰρ ἐν κινδύνῳ τοῦ διαφθαρῆναι καὶ ἀπολέσθαι μετὰ πάντων ὄντα τὸν φρονιμώτατον ὁρᾶν τὸ αἰσχρὸν δεδοικότα καὶ τὸ ἐπονείδιστον ἀλλὰ μὴ τὸν θάνατον, ἐμπαθῆ ποιήσει πρὸς ἀρετὴν τὸν νέον. καὶ τῷ

χαῖρε δ' Ἀθηναίη πεπνυμένῳ ἀνδρὶ δικαίῳ

[f] τοιοῦτον ἐπιλογισμὸν δίδωσι, μήτε πλουσίῳ τινὶ μήτε καλῷ τὸ σῶμα μήτ' ἰσχυρῷ τὴν θεὸν χαίρουσαν ἀλλὰ φρονίμῳ καὶ δικαίῳ ποιήσας. καὶ πάλιν τὸν Ὀδυσσέα φάσκουσα μὴ περιορᾶν μηδὲ προλείπειν

οὕνεκ' ἐπητής ἐστι καὶ ἀγχίνοος καὶ ἐχέφρων,

ἐνδείκνυται μόνον εἶναι τῶν ἡμετέρων θεοφιλὲς καὶ θεῖον ἀρετήν, εἴγε δὴ τὰ ὅμοια χαίρειν τοῖς ὁμοίοις πέφυκεν.

[31] [a] Ἐπεὶ δὲ μεγάλου δοκοῦντος εἶναι καὶ ὄντος τοῦ κρατεῖν ὀργῆς μεῖζόν ἐστιν ἡ φυλακὴ καὶ ἡ πρόνοια τοῦ μὴ περιπεσεῖν ὀργῇ μηδ' ἁλῶναι, καὶ ταῦτα δεῖ τοῖς ἀναγιγνώσκουσιν ὑποδεικνύειν μὴ παρέργως, ὅτι τὸν Πρίαμον ὁ Ἀχιλλεὺς οὐκ ἀνασχετικὸς ὢν οὐδὲ πρᾶος ἡσυχίαν ἄγειν κελεύει καὶ μὴ παροξύνειν αὐτόν, οὕτως

μηκέτι νῦν μ' ἐρέθιζε, γέρον (νοέω δὲ καὶ αὐτὸς

Ἕκτορά τοι λῦσαι, Διόθεν δέ μοι ἄγγελος ἦλθε)

μή σε, γέρον, οὐδ' αὐτὸν ἐνὶ κλισίῃσιν ἐάσω,

[b] καὶ ἱκέτην περ ἐόντα, Διὸς δ' ἀλίτωμαι ἐφετμάς,

καὶ τὸν Ἕκτορα λούσας καὶ περιστείλας αὐτὸς ἐπὶ τὴν ἀπήνην τίθησι, πρὶν ᾐκισμένον ὑπὸ τοῦ πατρὸς ὀφθῆναι,

μὴ ὁ μὲν ἀχνυμένῃ κραδίῃ χόλον οὐκ ἐρύσαιτο,

παῖδα ἰδών, Ἀχιλῆι δ' ὀρινθείη φίλον ἦτορ

καί ἑ κατακτείνειε, Διὸς δ' ἀλίτηται ἐφετμάς.

τὸ γὰρ ἐπισφαλῶς πρὸς ὀργὴν ἔχοντα καὶ φύσει τραχὺν ὄντα καὶ θυμοειδῆ μὴ λανθάνειν ἑαυτὸν ἀλλ' ἐξευλαβεῖσθαι καὶ φυλάττεσθαι τὰς αἰτίας καὶ [c] προκαταλαμβάνειν τῷ λογισμῷ πόρρωθεν ὅπως οὐδ' ἄκων τῷ πάθει περιπεσεῖται, θαυμαστῆς ἐστι προνοίας. οὕτω δὲ δεῖ καὶ πρὸς μέθην τὸν φίλοινον ἔχειν καὶ πρὸς ἔρωτα τὸν ἐρωτικόν· ὥσπερ ὁ Ἀγησίλαος οὐχ ὑπέμεινεν ὑπὸ τοῦ καλοῦ φιληθῆναι προσιόντος, ὁ δὲ Κῦρος οὐδ' ἰδεῖν τὴν

Πάνθειαν ἐτόλμησε, τῶν ἀπαιδεύτων τοὐναντίον ὑπεκκαύματα τοῖς πάθεσι συλλεγόντων καὶ πρὸς ἃ μάλιστα κακῶς καὶ ὀλισθηρῶς ἔχουσιν αὑτοὺς προϊεμένων. ὁ δ' Ὀδυσσεὺς οὐ μόνον ἑαυτὸν ἀνέχει θυμούμενον, ἀλλὰ καὶ τὸν Τηλέμαχον ἐκ [d] τοῦ λόγου συνιδὼν χαλεπὸν ὄντα καὶ μισοπόνηρον ἀμβλύνει καὶ παρασκευάζει πόρρωθεν ἡσυχίαν ἄγειν καὶ ἀνέχεσθαι, κελεύων

εἰ δέ μ' ἀτιμήσουσι δόμον κάτα, σὸν δὲ φίλον κῆρ
τετλάτω ἐν στήθεσσι κακῶς πάσχοντος ἐμεῖο,
ἤν περ καὶ διὰ δῶμα ποδῶν ἕλκωσι θύραζε
ἢ βέλεσιν βάλλωσι· σὺ δ' εἰσορόων ἀνέχεσθαι.

ὥσπερ γὰρ τοὺς ἵππους οὐκ ἐν τοῖς δρόμοις χαλινοῦσιν ἀλλὰ πρὸ τῶν δρόμων, οὕτω τοὺς δυσκαθέκτους πρὸς τὰ δεινὰ καὶ θυμοειδεῖς προκαταλαμβάνοντες τοῖς λογισμοῖς καὶ προκαταρτύοντες ἐπὶ τοὺς ἀγῶνας ἄγουσιν.

Δεῖ δὲ μηδὲ τῶν ὀνομάτων ἀμελῶς ἀκούειν, [e] ἀλλὰ τὴν μὲν Κλεάνθους παιδιὰν παραιτεῖσθαι· κατειρωνεύεται γὰρ ἔστιν ὅτε προσποιούμενος ἐξηγεῖσθαι τὸ

Ζεῦ πάτερ Ἴδηθεν μεδέων

καὶ τὸ

Ζεῦ ἄνα Δωδωναῖε

κελεύων ἀναγιγνώσκειν ὑφ' ἕν, ὡς τὸν ἐκ τῆς γῆς ἀναθυμιώμενον ἀέρα διὰ τὴν ἀνάδοσιν ἀναδωδωναῖον ὄντα. καὶ Χρύσιππος δὲ πολλαχοῦ γλίσχρος ἐστίν, οὐ παίζων ἀλλ' εὑρησιλογῶν ἀπιθάνως, καὶ παραβιαζόμενος εὐρύοπα Κρονίδην εἶναι τὸν δεινὸν ἐν τῷ διαλέγεσθαι καὶ διαβεβηκότα τῇ δυνάμει τοῦ λόγου.

Βέλτιον δὲ ταῦτα τοῖς γραμματικοῖς παρέντας [f] ἐκεῖνα μᾶλλον πιέζειν οἷς ἅμα τὸ χρήσιμον καὶ πιθανὸν ἔνεστιν

οὐδέ με θυμὸς ἄνωγεν, ἐπεὶ μάθον ἔμμεναι ἐσθλὸς

καὶ

πᾶσιν γὰρ ἐπίστατο μείλιχος εἶναι.

τήν τε γὰρ ἀνδρείαν ἀποφαίνων μάθημα καὶ τὸ προσφιλῶς ἅμα καὶ κεχαρισμένως ἀνθρώποις ὁμιλεῖν ἀπ' ἐπιστήμης καὶ κατὰ λόγον γίγνεσθαι νομίζων προτρέπει μὴ ἀμελεῖν ἑαυτῶν, ἀλλὰ μανθάνειν τὰ καλὰ καὶ προσέχειν τοῖς διδάσκουσιν, ὡς καὶ τὴν σκαιότητα καὶ τὴν δειλίαν ἀμαθίαν καὶ ἄγνοιαν οὖσαν. σφόδρα δὲ τούτοις κἀκεῖνα σύμφωνά ἐστιν ἃ λέγει περὶ τοῦ Διὸς καὶ τοῦ Ποσειδῶνος

ἦ μὰν ἀμφοτέροισιν ὁμὸν γένος ἠδ' ἴα πάτρη,
[32] [a] ἀλλὰ Ζεὺς πρότερος γεγόνει καὶ πλείονα ᾔδει.

θειότατον γὰρ ἀποφαίνει τὴν φρόνησιν καὶ βασιλικώτατον, ἐν ᾗ τίθεται τὴν μεγίστην ὑπεροχὴν τοῦ Διός, ἅτε δὴ καὶ τὰς ἄλλας ἀρετὰς ἕπεσθαι ταύτῃ νομίζων.

Ἐθιστέον δ' ἅμα καὶ τούτων ἐγρηγορότως τὸν νέον ἀκούειν

ψεῦδος δ' οὐκ ἐρέει· μάλα γὰρ πεπνυμένος ἐστὶ

ἀφ’ ἧς τὰ κεδνὰ βλαστάνει βουλεύματα.

τὸ γὰρ ἐφ’ ἑαυτῷ καὶ τῇ διαθέσει τῇ περὶ αὑτὸν οὔσῃ κρατίστῃ μεγαλοφρονεῖν νοῦν ἔχοντος ἀνδρός ἐστι. πάντων οὖν ἀναγομένων εἰς τὴν φρόνησιν ἀποδείκνυται πᾶν εἶδος ἀρετῆς ἐπιγιγνόμενον ἐκ λόγου καὶ διδασκαλίας.

Ἡ μὲν οὖν μέλιττα φυσικῶς ἐν τοῖς δριμυτάτοις ἄνθεσι καὶ ταῖς τραχυτάταις ἀκάνθαις ἐξανευρίσκει τὸ λειότατον μέλι καὶ χρηστικώτατον, οἱ δὲ παῖδες, ἂν ὀρθῶς ἐντρέφωνται τοῖς ποιήμασιν, [f] καὶ ἀπὸ τῶν φαύλους καὶ ἀτόπους ὑποψίας ἐχόντων ἕλκειν τι χρήσιμον ἁμωσγέπως μαθήσονται καὶ ὠφέλιμον. αὐτίκα γοῦν ὕποπτός ἐστιν ὁ Ἀγαμέμνων ὡς διὰ δωροδοκίαν ἀφεὶς τῆς στρατείας τὸν πλούσιον ἐκεῖνον τὸν τὴν Αἴθην χαρισάμενον αὐτῷ

ὀρθῶς δέ γ’ ἐποίησεν, ὡς Ἀριστοτέλης φησίν, ἵππον ἀγαθὴν ἀνθρώπου τοιούτου προτιμήσας· οὐδὲ γὰρ κυνὸς ἀντάξιος οὐδ’ ὄνου μὰ Δία δειλὸς ἀνὴρ καὶ ἄναλκις, ὑπὸ πλούτου καὶ μαλακίας [33] [a] διερρυηκώς. πάλιν αἴσχιστα δοκεῖ τὸν υἱὸν ἡ Θέτις ἐφ’ ἡδονὰς παρακαλεῖν καὶ ἀναμιμνῄσκειν ἀφροδισίων. ἀλλὰ κἀνταῦθα δεῖ παραθεωρεῖν τὴν τοῦ Ἀχιλλέως ἐγκράτειαν, ὅτι τῆς Βρισηίδος ἐρῶν ἡκούσης πρὸς αὐτόν, εἰδὼς τὴν τοῦ βίου τελευτὴν ἐγγὺς οὖσαν οὐ σπεύδει τῶν ἡδονῶν πρὸς ἀπόλαυσιν οὐδ’ ὥσπερ οἱ πολλοὶ πενθεῖ τὸν φίλον ἀπραξίᾳ καὶ παραλείψει τῶν καθηκόντων, ἀλλὰ τῶν μὲν ἡδονῶν διὰ τὴν λύπην ἀπέχεται, ταῖς δὲ πράξεσι καὶ ταῖς στρατηγίαις ἐνεργός ἐστι. πάλιν ὁ Ἀρχίλοχος οὐκ ἐπαινεῖται λυπούμενος μὲν ἐπὶ τῷ ἀνδρὶ τῆς ἀδελφῆς διεφθαρμένῳ [b] κατὰ θάλατταν, οἴνῳ δὲ καὶ παιδιᾷ πρὸς τὴν λύπην μάχεσθαι διανοούμενος. αἰτίαν μέντοι λόγον ἔχουσαν εἴρηκεν

De recta ratione audiendi

[37] Τὴν γενομένην μοι σχολὴν περὶ τοῦ ἀκούειν, [c] ὦ Νίκανδρε, ἀπέσταλκά σοι γράψας, ὅπως εἰδῇς τοῦ πείθοντος ὀρθῶς ἀκούειν, ὅτε τῶν προσταττόντων ἀπήλλαξαι τὸ ἀνδρεῖον ἀνειληφὼς ἱμάτιον. ἀναρχία μὲν γάρ, ἣν ἔνιοι τῶν νέων ἐλευθερίαν [d] ἀπαιδευσίᾳ νομίζουσι, χαλεπωτέρους ἐκείνων τῶν ἐν παισὶ διδασκάλων καὶ παιδαγωγῶν δεσπότας ἐφίστησι τὰς ἐπιθυμίας ὥσπερ ἐκ δεσμῶν λυθείσας· καὶ καθάπερ Ἡρόδοτός φησιν ἅμα τῷ χιτῶνι συνεκδύεσθαι τὴν αἰδῶ τὰς γυναῖκας, οὕτως ἔνιοι τῶν νέων ἅμα τῷ τὸ παιδικὸν ἱμάτιον ἀποθέσθαι συναποθέμενοι τὸ αἰδεῖσθαι καὶ φοβεῖσθαι καὶ λύσαντες τὴν κατασχηματίζουσαν αὐτοὺς περιβολὴν εὐθὺς ἐμπίπλανται τῆς ἀναγωγίας. σὺ δὲ πολλάκις ἀκηκοὼς ὅτι ταὐτόν ἐστι τὸ ἕπεσθαι θεῷ καὶ τὸ πείθεσθαι λόγῳ, νόμιζε τὴν εἰς ἄνδρας ἐκ παίδων ἀγωγὴν οὐκ ἀρχῆς εἶναι τοῖς εὖ φρονοῦσιν [e] ἀποβολήν, ἀλλὰ μεταβολὴν ἄρχοντος, ἀντὶ μισθωτοῦ τινος ἢ ἀργυρωνήτου θεῖον ἡγεμόνα τοῦ βίου λαμβάνουσι τὸν λόγον, ᾧ τοὺς ἑπομένους ἄξιόν ἐστι μόνους ἐλευθέρους νομίζειν. μόνοι γὰρ ἃ δεῖ βούλεσθαι μαθόντες, ὡς βούλονται ζῶσι· ταῖς δ' ἀπαιδεύτοις καὶ παραλόγοις ὁρμαῖς καὶ πράξεσιν ἀγεννὲς ἔνεστί τι καὶ μικρὸν ἐν πολλῷ τῷ μετανοοῦντι τὸ ἑκούσιον.

Ἐπεὶ δ' ὥσπερ τῶν ἐγγραφομένων εἰς τὰς πολιτείας οἱ μὲν ἀλλοδαποὶ καὶ ξένοι κομιδῇ πολλὰ [f] μέμφονται καὶ δυσκολαίνουσι τῶν γιγνομένων, οἱ δ' ἐκ μετοίκων σύντροφοι καὶ συνήθεις τῶν νόμων ὄντες οὐ χαλεπῶς προσδέχονται τὰ ἐπιβάλλοντα καὶ στέργουσιν, οὕτω σε δεῖ πολὺν χρόνον ἐν φιλοσοφίᾳ παρατρεφόμενον καὶ πᾶν μάθημα καὶ ἄκουσμα παιδικὸν ἀπ' ἀρχῆς ἐθισθέντα προσφέρεσθαι λόγῳ φιλοσόφῳ μεμιγμένον, εὐμενῆ καὶ οἰκεῖον ἥκειν εἰς φιλοσοφίαν, ἣ μόνη τὸν ἀνδρεῖον καὶ τέλειον ὡς ἀληθῶς ἐκ λόγου τοῖς νέοις περιτίθησι κόσμον.

Οὐκ ἂν ἀηδῶς δ' οἶμαί σε προακοῦσαι περὶ τῆς [38] [a] ἀκουστικῆς αἰσθήσεως, ἣν ὁ Θεόφραστος παθητικωτάτην εἶναί φησι πασῶν. οὔτε γὰρ ὁρατὸν οὐδὲν οὔτε γευστὸν οὔθ' ἁπτὸν ἐκστάσεις ἐπιφέρει καὶ ταραχὰς καὶ πτοίας τηλικαύτας ἡλίκαι καταλαμβάνουσι τὴν ψυχὴν κτύπων τινῶν καὶ πατάγων καὶ ἤχων τῇ ἀκοῇ προσπεσόντων. ἔστι δὲ λογικωτέρα μᾶλλον ἢ παθητικωτέρα. τῇ μὲν γὰρ κακίᾳ πολλὰ χωρία καὶ μέρη τοῦ σώματος παρέχει δι' αὐτῶν ἐνδῦσαν ἅψασθαι τῆς ψυχῆς, τῇ δ' ἀρετῇ [b] μία λαβὴ τὰ ὦτα τῶν νέων ἐστίν, ἂν ᾖ καθαρὰ καὶ ἄθρυπτα κολακείᾳ καὶ λόγοις ἄθικτα φαύλοις ἀπ' ἀρχῆς φυλάττηται. διὸ καὶ Ξενοκράτης τοῖς παισὶ μᾶλλον ἢ τοῖς ἀθληταῖς

ἐκέλευε περιάπτειν ἀμφωτίδας, ὡς ἐκείνων μὲν τὰ ὦτα ταῖς πληγαῖς, τούτων δὲ τοῖς λόγοις τὰ ἤθη διαστρεφομένων, οὐκ ἀνηκοΐαν οὐδὲ κωφότητα προμνώμενος, ἀλλὰ τῶν λόγων τοὺς φαύλους φυλάττεσθαι παραινῶν, πρὶν ἑτέρους χρηστούς, ὥσπερ φύλακας ἐντραφέντας ὑπὸ φιλοσοφίας τῷ ἤθει, τὴν μάλιστα κινουμένην αὐτοῦ καὶ ἀναπειθομένην χώραν κατασχεῖν. καὶ Βίας ὁ παλαιὸς Ἀμάσιδι, κελευσθεὶς τὸ χρηστότατον ὁμοῦ καὶ φαυλότατον ἐκπέμψαι κρέας τοῦ ἱερείου, τὴν γλῶτταν ἐξελὼν ἀπέπεμψεν, ὡς καὶ βλάβας καὶ ὠφελείας τοῦ λέγειν ἔχοντος μεγίστας.

[c] οἵ τε πολλοὶ τὰ μικρὰ παιδία καταφιλοῦντες αὐτοί τε τῶν ὤτων ἅπτονται κἀκεῖνα τοῦτο ποιεῖν κελεύουσιν, αἰνιττόμενοι μετὰ παιδιᾶς ὅτι δεῖ φιλεῖν μάλιστα τοὺς διὰ τῶν ὤτων ὠφελοῦντας. ἐπεὶ ὅτι γε πάσης ἀκροάσεως ἀπειργόμενος ὁ νέος καὶ λόγου μηδενὸς γευόμενος οὐ μόνον ἄκαρπος ὅλως καὶ ἀβλαστὴς διαμένει πρὸς ἀρετήν, ἀλλὰ καὶ διαστρέφοιτ’ ἂν πρὸς κακίαν, ὥσπερ ἐκ χώρας ἀκινήτου καὶ ἀργῆς ἄγρια πολλὰ τῆς ψυχῆς ἀναδιδούς, δῆλόν ἐστι. τὰς γὰρ ἐφ’ ἡδονὴν ὁρμὰς [d] καὶ πρὸς πόνον ὑποψίας (οὐ θυραίους οὐδ’ ὑπὸ λόγων ἐπεισάκτους, ἀλλ’ ὥσπερ αὐτόχθονας οὔσας μυρίων παθῶν καὶ νοσημάτων πηγάς) ἂν ἐᾷ τις ἀφέτους ᾗ πεφύκασι χωρεῖν καὶ μὴ λόγοις χρηστοῖς ἀφαιρῶν ἢ παρατρέπων καταρτύῃ τὴν φύσιν, οὐκ ἔστιν ὃ τῶν θηρίων οὐκ ἂν ἡμερώτερον ἀνθρώπου φανείη.

Διὸ δὴ μεγάλην μὲν ὠφέλειαν οὐκ ἐλάττω δὲ κίνδυνον τοῖς νέοις τοῦ ἀκούειν ἔχοντος, οἶμαι καλῶς ἔχειν καὶ πρὸς αὑτὸν ἀεὶ καὶ πρὸς ἕτερον [e] διαλέγεσθαι περὶ τοῦ ἀκούειν. ἐπεὶ καὶ τούτῳ κακῶς τοὺς πλείστους χρωμένους ὁρῶμεν, οἳ λέγειν ἀσκοῦσι πρὶν ἀκούειν ἐθισθῆναι· καὶ λόγων μὲν οἴονται μάθησιν εἶναι καὶ μελέτην, ἀκροάσει δὲ καὶ τοὺς ὁπωσοῦν χρωμένους ὠφελεῖσθαι. καίτοι τοῖς μὲν σφαιρίζουσιν ἅμα τοῦ βαλεῖν καὶ τοῦ λαβεῖν τὴν σφαῖραν ἡ μάθησις· ἐν δὲ τῇ τοῦ λόγου χρείᾳ τὸ δέξασθαι καλῶς τοῦ προέσθαι πρότερόν ἐστιν, ὥσπερ τοῦ τεκεῖν τὸ συλλαβεῖν καὶ κατασχεῖν τι τῶν γονίμων. ταῖς μὲν οὖν ὄρνισι τὰς ὑπηνεμίους λοχείας καὶ ὠδῖνας ἀτελῶν τινων καὶ ἀψύχων ὑπολειμμάτων ὀχείας λέγουσιν εἶναι· τῶν δ’ ἀκούειν μὴ δυναμένων νέων μηδ’ [f] ὠφελεῖσθαι δι’ ἀκοῆς ἐθισθέντων ὑπηνέμιος ὄντως ὁ λόγος ἐκπίπτων

ἀκλειὴς ἀίδηλος ὑπαὶ νεφέεσσι κεδάσθη.

τὰ μὲν γὰρ ἀγγεῖα πρὸς τὴν ὑποδοχὴν τῶν ἐγχεομένων ἐπικλίνουσι καὶ συνεπιστρέφουσιν, ἵν’ ἔγχυσις ἀληθῶς, μὴ ἔκχυσις γένηται, αὑτοὺς δὲ τῷ λέγοντι παρέχειν καὶ συναρμόττειν τῇ προσοχῇ τὴν ἀκρόασιν, ὡς μηδὲν ἐκφύγῃ τῶν χρησίμως λεγομένων, οὐ μανθάνουσιν, ἀλλ’ ὃ πάντων καταγελαστότατόν [39] [a] ἐστιν, ἂν μέν τινι προστύχωσι διηγουμένῳ δεῖπνον

ἢ πομπὴν ἢ ὄνειρον ἢ λοιδορίαν γεγενημένην αὐτῷ πρὸς ἄλλον, ἀκροῶνται σιωπῇ καὶ προσλιπαροῦσιν· ἂν δέ τις αὐτοὺς ἐπισπασάμενος διδάσκῃ τι τῶν χρησίμων ἢ παραινῇ τῶν δεόντων ἢ νουθετῇ πλημμελοῦντας ἢ καταπραΰνῃ χαλεπαίνοντας, οὐχ ὑπομένουσιν, ἀλλ' ἂν μὲν δύνωνται, περιγενέσθαι φιλοτιμούμενοι διαμάχονται πρὸς τὸν λόγον· εἰ δὲ μή, φεύγοντες ἀπίασι πρὸς ἑτέρους λόγους καὶ φλυάρους, ὡς ἀγγεῖα φαῦλα καὶ σαθρὰ τὰ ὦτα πάντων μᾶλλον ἢ τῶν ἀναγκαίων ἐμπιπλάντες.

[b] τοὺς μὲν οὖν ἵππους οἱ καλῶς τρέφοντες εὐστόμους τῷ χαλινῷ, τοὺς δὲ παῖδας εὐηκόους τῷ λόγῳ παρέχουσι, πολλὰ μὲν ἀκούειν μὴ πολλὰ δὲ λέγειν διδασκομένους. καὶ γὰρ τὸν Ἐπαμεινώνδαν ὁ Σπίνθαρος ἐπαινῶν ἔφη μήτε πλείονα γιγνώσκοντι μήτ' ἐλάττονα φθεγγομένῳ ῥᾳδίως ἐντυχεῖν ἑτέρῳ. καὶ τὴν φύσιν ἡμῶν ἑκάστῳ λέγουσι δύο μὲν ὦτα δοῦναι, μίαν δὲ γλῶτταν, ὡς ἐλάττονα λέγειν ἢ ἀκούειν ὀφείλοντι.

Πανταχοῦ μὲν οὖν τῷ νέῳ κόσμος ἀσφαλής ἐστιν ἡ σιωπή, μάλιστα δ' ὅταν ἀκούων ἑτέρου μὴ [c] συνταράττηται μηδ' ἐξυλακτῇ πρὸς ἕκαστον, ἀλλὰ κἂν ὁ λόγος ᾖ μὴ λίαν ἀρεστός, ἀνέχηται καὶ περιμένῃ παύσασθαι τὸν διαλεγόμενον, καὶ παυσαμένου μὴ εὐθέως ἐπιβάλλῃ τὴν ἀντίρρησιν, ἀλλ' ὡς Αἰσχίνης φησί, διαλείπῃ χρόνον, εἴτε προσθεῖναί τι βούλοιτο τοῖς λελεγμένοις ὁ εἰρηκώς, εἴτε μεταθέσθαι καὶ ἀφελεῖν. οἱ δ' εὐθὺς ἀντικόπτοντες, οὔτ' ἀκούοντες οὔτ' ἀκουόμενοι λέγοντες δὲ πρὸς λέγοντας, ἀσχημονοῦσιν· ὁ δ' ἐγκρατῶς καὶ μετ' αἰδοῦς ἀκούειν ἐθισθεὶς τὸν μὲν ὠφέλιμον λόγον ἐδέξατο καὶ κατέσχε, τὸν δ' ἄχρηστον ἢ ψευδῆ [d] μᾶλλον διεῖδε καὶ κατεφώρασε, φιλαλήθης φανείς, οὐ φιλόνεικος οὐδὲ προπετὴς καὶ δύσερις. ὅθεν οὐ κακῶς ἔνιοι λέγουσιν ὅτι δεῖ τῶν νέων μᾶλλον ἐκπνευματοῦν τὸ οἴημα καὶ τὸν τῦφον ἢ τῶν ἀσκῶν τὸν ἀέρα τοὺς ἐγχέαι τι βουλομένους χρήσιμον· εἰ δὲ μή, γέμοντες ὄγκου καὶ φυσήματος οὐ προσδέχονται.

Φθόνος τοίνυν μετὰ βασκανίας καὶ δυσμενείας οὐδενὶ μὲν ἔργῳ παρὼν ἀγαθόν, ἀλλὰ πᾶσιν ἐμπόδιος τοῖς καλοῖς, κάκιστος δ' ἀκροωμένῳ πάρεδρος καὶ σύμβουλος, ἀνιαρὰ καὶ ἀηδῆ καὶ δυσπρόσδεκτα ποιῶν τὰ ὠφέλιμα διὰ τὸ πᾶσι μᾶλλον ἥδεσθαι τοὺς [e] φθονοῦντας ἢ τοῖς εὖ λεγομένοις. καίτοι πλοῦτος μὲν ὅντινα δάκνει καὶ δόξα καὶ κάλλος, ἑτέροις ὑπάρχοντα, φθονερός ἐστι μόνον· ἄχθεται γὰρ ἄλλων εὐτυχούντων· ὁ δὲ λόγῳ καλῶς λεγομένῳ δυσχεραίνων ὑπὸ τῶν ἰδίων ἀγαθῶν ἀνιᾶται. ὡς γὰρ τὸ φῶς τῶν βλεπόντων, καὶ ὁ λόγος τῶν ἀκουόντων ἀγαθόν ἐστιν, ἂν βούλωνται δέχεσθαι.

Τὸν μὲν οὖν ἐφ' ἑτέροις φθόνον ἄλλαι τινὲς ἀπαίδευτοι καὶ κακαὶ διαθέσεις ἐμποιοῦσιν, ὁ δὲ πρὸς τοὺς λέγοντας ἐκ φιλοδοξίας ἀκαίρου καὶ φιλοτιμίας ἀδίκου γεννώμενος οὐδὲ προσέχειν ἐᾷ τοῖς λεγομένοις [f] τὸν οὕτω διακείμενον, ἀλλὰ θορυβεῖ καὶ περισπᾷ τὴν διάνοιαν, ἅμα μὲν τὴν ἑαυτῆς ἕξιν ἐπισκοποῦσαν εἰ λείπεται τῆς τοῦ λέγοντος, ἅμα δὲ τοὺς ἄλλους ἐπιβλέπουσαν εἰ ἄγανται καὶ θαυμάζουσιν, ἐκπληττομένην τε ὑπὸ τῶν ἐπαίνων καὶ ἀγριαίνουσαν πρὸς τοὺς παρόντας ἂν ἀποδέχωνται τὸν λέγοντα, τῶν δὲ λόγων τοὺς μὲν εἰρημένους ἐῶσαν καὶ προϊεμένην, ὅτι λυποῦσι μνημονευόμενοι, πρὸς δὲ τοὺς λείποντας ταραττομένην καὶ τρέμουσαν μὴ τῶν εἰρημένων βελτίονες γένωνται, σπεύδουσαν δὲ τάχιστα παύσασθαι τοὺς λέγοντας ὅταν κάλλιστα λέγωσι, [40] [a] λυθείσης δὲ τῆς ἀκροάσεως πρὸς οὐδενὶ τῶν εἰρημένων οὖσαν ἀλλὰ τὰς φωνὰς καὶ διαθέσεις τῶν παρόντων ἐπιψηφίζουσαν, καὶ τοὺς μὲν ἐπαινοῦντας ὥσπερ ἐμμανῆ φεύγουσαν καὶ ἀποπηδῶσαν, προστρέχουσαν δὲ καὶ συναγελαζομένην τοῖς ψέγουσι τὰ εἰρημένα καὶ διαστρέφουσιν· ἂν δὲ μηδὲν ᾖ διαστρέψαι, παραβάλλουσαν ἑτέρους τινὰς ὡς ἄμεινον εἰρηκότας εἰς ταὐτὸ καὶ δυνατώτερον, ἕως διαφθείρασα καὶ λυμηναμένη τὴν ἀκρόασιν ἀχρεῖον ἑαυτῇ καὶ ἀνόνητον ἀπεργάσηται.

[b] Διὸ δεῖ τῇ φιληκοΐᾳ πρὸς τὴν φιλοδοξίαν σπεισάμενον ἀκροᾶσθαι τοῦ λέγοντος ἵλεων καὶ πρᾶον, ὥσπερ ἐφ' ἑστίασιν ἱερὰν καὶ θυσίας ἀπαρχὴν παρειλημμένον, ἐπαινοῦντα μὲν ἐν οἷς ἐπιτυγχάνει τὴν δύναμιν, ἀγαπῶντα δὲ τὴν προθυμίαν αὐτὴν τοῦ φέροντος εἰς μέσον ἃ γιγνώσκει καὶ πείθοντος ἑτέρους δι' ὧν αὐτὸς πέπεισται. τοῖς μὲν οὖν κατορθουμένοις ἐπιλογιστέον ὡς οὐκ ἀπὸ τύχης οὐδ' αὐτομάτως ἀλλ' ἐπιμελείᾳ καὶ πόνῳ καὶ μαθήσει κατορθοῦνται, καὶ μιμητέον γε ταῦτα θαυμάζοντάς γε δὴ καὶ ζηλοῦντας· τοῖς δ' ἁμαρτανομένοις ἐφιστάναι χρὴ τὴν διάνοιαν, ὑφ' ὧν αἰτιῶν καὶ ὅθεν [c] ἡ παρατροπὴ γέγονεν. ὡς γὰρ ὁ Ξενοφῶν φησι τοὺς οἰκονομικοὺς καὶ ἀπὸ τῶν φίλων ὀνίνασθαι καὶ ἀπὸ τῶν ἐχθρῶν, οὕτω τοὺς ἐγρηγορότας καὶ προσέχοντας οὐ μόνον κατορθοῦντες ἀλλὰ καὶ διαμαρτάνοντες ὠφελοῦσιν οἱ λέγοντες· καὶ γὰρ διανοήματος εὐτέλεια καὶ ῥήματος κενότης καὶ σχῆμα φορτικὸν καὶ πτόησις μετὰ χαρᾶς ἀπειροκάλου πρὸς ἔπαινον καὶ ὅσα τοιαῦτα μᾶλλον ἀκροωμένοις ἐφ' ἑτέρων ἢ λέγουσιν ἐφ' ἑαυτῶν καταφαίνεται. διὸ δεῖ μεταφέρειν τὴν εὔθυναν ἐφ' ἑαυτοὺς ἀπὸ τοῦ λέγοντος, ἀνασκοποῦντας εἴ τι τοιοῦτο λανθάνομεν [d] ἁμαρτάνοντες. ῥᾷστον γάρ ἐστι τῶν ὄντων τὸ μέμψασθαι τὸν πλησίον, ἀχρήστως τε καὶ κενῶς γιγνόμενον, ἂν μὴ πρός τινα διόρθωσιν ἢ φυλακὴν ἀναφέρηται τῶν ὁμοίων. καὶ τὸ τοῦ Πλάτωνος οὐκ ὀκνητέον ἀεὶ πρὸς αὑτὸν ἐπὶ τῶν ἁμαρτανόντων ἀναφθέγγεσθαι, "μή που ἄρ'

ἐγὼ τοιοῦτος;" ὡς γὰρ ἐν τοῖς ὄμμασι τῶν πλησίον ἐλλάμποντα τὰ ἑαυτῶν ὁρῶμεν, οὕτως ἐπὶ τῶν λόγων δεῖ τοὺς ἑαυτῶν ἐνεικονίζεσθαι τοῖς ἑτέρων, ἵνα μήτ' ἄγαν θρασέως καταφρονῶμεν ἄλλων, αὑτοῖς τε προσέχωμεν [e] ἐν τῷ λέγειν ἐπιμελέστερον. χρήσιμον δὲ πρὸς τοῦτο καὶ τὸ τῆς παραβολῆς, ὅταν γενόμενοι καθ' αὑτοὺς ἀπὸ τῆς ἀκροάσεως καὶ λαβόντες τι τῶν μὴ καλῶς ἢ μὴ ἱκανῶς εἰρῆσθαι δοκούντων ἐπιχειρῶμεν εἰς ταὐτὸ καὶ προάγωμεν αὑτοὺς τὰ μὲν ὥσπερ ἀναπληροῦν, τὰ δ' ἐπανορθοῦσθαι, τὰ δ' ἑτέρως φράζειν, τὰ δ' ὅλως ἐξ ὑπαρχῆς εἰσφέρειν πειρώμενοι πρὸς τὴν ὑπόθεσιν. ὃ καὶ Πλάτων ἐποίησε πρὸς τὸν Λυσίου λόγον. τὸ μὲν γὰρ ἀντειπεῖν οὐ χαλεπὸν ἀλλὰ καὶ πάνυ ῥᾴδιον εἰρημένῳ λόγῳ· τὸ δ' ἕτερον ἀνταναστῆσαι βελτίονα παντάπασιν ἐργῶδες. ὥσπερ ὁ Λακεδαιμόνιος ἀκούσας ὅτι Φίλιππος Ὄλυνθον κατέσκαψεν "ἀλλ' οὐκ ἀναστῆσαί γε τοιαύτην" ἔφη "πόλιν ἐκεῖνος ἂν [f] δυνηθείη." ὅταν οὖν ἐν τῷ διαλέγεσθαι πρὸς τὴν τοιαύτην ὑπόθεσιν μὴ πολὺ φαινώμεθα τῶν εἰρηκότων διαφέροντες, πολὺ τοῦ καταφρονεῖν ἀφαιροῦμεν, καὶ τάχιστα κολούεται τὸ αὔθαδες ἡμῶν καὶ φίλαυτον ἐν ταῖς τοιαύταις ἐλεγχόμενον ἀντιπαραβολαῖς.

Τῷ τοίνυν καταφρονεῖν τὸ θαυμάζειν ἀντικείμενον εὐγνωμονεστέρας μέν ἐστι δήπου καὶ ἡμερωτέρας φύσεως, δεῖταί γε μὴν οὐδ' αὐτὸ μικρᾶς εὐλαβείας, τάχα δὲ καὶ μείζονος· οἱ μὲν γὰρ καταφρονητικοὶ [41] [a] καὶ θρασεῖς ἧττον ὠφελοῦνται ὑπὸ τῶν λεγόντων, οἱ δὲ θαυμαστικοὶ καὶ ἄκακοι μᾶλλον βλάπτονται, καὶ τὸν Ἡράκλειτον οὐκ ἐλέγχουσιν εἰπόντα "βλὰξ ἄνθρωπος ἐπὶ παντὶ λόγῳ ἐπτοῆσθαι φιλεῖ." δεῖ δὲ τὸν μὲν ἔπαινον ἀφελῶς τοῖς λέγουσι τὴν δὲ πίστιν εὐλαβῶς προΐεσθαι τοῖς λόγοις, καὶ τῆς μὲν λέξεως καὶ προφορᾶς τῶν ἀγωνιζομένων εὐμενῆ καὶ ἁπλοῦν εἶναι θεατήν, τῆς δὲ χρείας καὶ τῆς ἀληθείας τῶν λεγομένων ἀκριβῆ καὶ πικρὸν [b] ἐξεταστήν, ἵν' οἱ μὲν λέγοντες μὴ μισῶσιν, οἱ δὲ λόγοι μὴ βλάπτωσιν· ὡς πολλὰ ψευδῆ καὶ πονηρὰ δόγματα λανθάνομεν εὐνοίᾳ καὶ πίστει τῇ πρὸς τοὺς λέγοντας ἐνδεχόμενοι. οἱ μὲν οὖν Λακεδαιμονίων ἄρχοντες ἀνδρὸς οὐκ εὖ βεβιωκότος γνώμην δοκιμάσαντες ἑτέρῳ προσέταξαν εἰπεῖν εὐδοκιμοῦντι περὶ τὸν βίον καὶ τὸ ἦθος, ὀρθῶς πάνυ καὶ πολιτικῶς ἐθίζοντες τὸν δῆμον ὑπὸ τοῦ τρόπου μᾶλλον ἢ τοῦ λόγου τῶν συμβουλευόντων ἄγεσθαι. τοὺς δ' ἐν φιλοσοφίᾳ λόγους ἀφαιροῦντα χρὴ τὴν τοῦ λέγοντος δόξαν αὐτοὺς ἐφ' ἑαυτῶν ἐξετάζειν. ὡς γὰρ πολέμου, καὶ ἀκροάσεως πολλὰ τὰ κενά ἐστι. καὶ γὰρ πολιὰ τοῦ λέγοντος καὶ πλάσμα καὶ [c] ὀφρῦς καὶ περιαυτολογία, μάλιστα δ' αἱ κραυγαὶ καὶ οἱ θόρυβοι καὶ τὰ πηδήματα τῶν παρόντων συνεκπλήττει τὸν ἄπειρον ἀκροατὴν καὶ νέον ὥσπερ ὑπὸ ῥεύματος παραφερόμενον. ἔχει δέ τι καὶ ἡ λέξις ἀπατηλόν, ὅταν ἡδεῖα καὶ πολλὴ καὶ μετ' ὄγκου τινὸς καὶ

κατασκευῆς ἐπιφέρηται τοῖς πράγμασιν. ὡς γὰρ τῶν ὑπ' αὐλοῖς ᾀδόντων αἱ πολλαὶ τοὺς ἀκούοντας ἁμαρτίαι διαφεύγουσιν, οὕτω περιττὴ καὶ σοβαρὰ λέξις ἀντιλάμπει τῷ ἀκροατῇ πρὸς τὸ [d] δηλούμενον. ὁ μὲν γὰρ Μελάνθιος, ὡς ἔοικε, περὶ τῆς Διογένους τραγῳδίας ἐρωτηθεὶς οὐκ ἔφη κατιδεῖν αὐτὴν ὑπὸ τῶν ὀνομάτων ἐπιπροσθουμένην· αἱ δὲ τῶν πολλῶν διαλέξεις καὶ μελέται σοφιστῶν οὐ μόνον τοῖς ὀνόμασι παραπετάσμασι χρῶνται τῶν διανοημάτων, ἀλλὰ καὶ τὴν φωνὴν ἐμμελείαις τισὶ καὶ μαλακότησι καὶ παρισώσεσιν ἐφηδύνοντες ἐκβακχεύουσι καὶ παραφέρουσι τοὺς ἀκροωμένους, κενὴν ἡδονὴν διδόντες καὶ κενοτέραν δόξαν ἀντιλαμβάνοντες. ὥστ' αὐτοῖς συμβαίνει τὸ ὑπὸ Διονυσίου ῥηθέν. ἐκεῖνος γάρ, ὡς ἔοικεν, εὐδοκιμοῦντι [e] κιθαρῳδῷ παρὰ τὴν θέαν ἐπαγγειλάμενος δωρεάς τινας μεγάλας ὕστερον οὐδὲν ἔδωκεν ὡς ἀποδεδωκὼς τὴν χάριν· "ὅσον γάρ," ἔφη, "χρόνον εὔφραινες ᾄδων, τοσοῦτον ἔχαιρες ἐλπίζων." τοῦτον δὲ τὸν ἔρανον αἱ τοιαῦται πληροῦσιν ἀκροάσεις τοῖς λέγουσι· θαυμάζονται γὰρ ἐφ' ὅσον τέρπουσιν, εἶθ' ἅμα τῆς ἀκοῆς ἐξερρύη τὸ ἡδὺ κἀκείνους προλέλοιπεν ἡ δόξα, καὶ μάτην τοῖς μὲν ὁ χρόνος τοῖς δὲ καὶ ὁ βίος ἀνάλωται.

Διὸ δεῖ τὸ πολὺ καὶ κενὸν ἀφαιροῦντα τῆς [f] λέξεως αὐτὸν διώκειν τὸν καρπὸν καὶ μιμεῖσθαι μὴ τὰς στεφανηπλόκους ἀλλὰ τὰς μελίττας. αἱ μὲν γὰρ ἐπιοῦσαι τὰ ἀνθηρὰ καὶ εὐώδη τῶν φύλλων συνείρουσι καὶ διαπλέκουσιν ἡδὺ μὲν ἐφήμερον δὲ καὶ ἄκαρπον ἔργον· αἱ δὲ πολλάκις ἴων καὶ ῥόδων καὶ ὑακίνθων διαπετόμεναι λειμῶνας ἐπὶ τὸν τραχύτατον καὶ δριμύτατον θύμον καταίρουσι καὶ τούτῳ προσκάθηνται

ξανθὸν μέλι μηδόμεναι,

καὶ λαβοῦσαί τι τῶν χρησίμων ἀποπέτονται πρὸς τὸ οἰκεῖον ἔργον. οὕτως οὖν δεῖ τὸν φιλότεχνον καὶ καθαρὸν ἀκροατὴν τὰ μὲν ἀνθηρὰ καὶ τρυφερὰ τῶν [42] [a] ὀνομάτων καὶ τῶν πραγμάτων τὰ δραματικὰ καὶ πανηγυρικὰ κηφήνων βοτάνην σοφιστιώντων ἡγούμενον ἐᾶν, αὐτὸν δὲ τῇ προσοχῇ καταδυόμενον εἰς τὸν νοῦν τοῦ λόγου καὶ τὴν διάθεσιν τοῦ λέγοντος ἕλκειν ἀπ' αὐτῆς τὸ χρήσιμον καὶ ὠφέλιμον, μεμνημένον ὡς οὐκ εἰς θέατρον οὐδ' ᾠδεῖον ἀλλ' εἰς σχολὴν καὶ διδασκαλεῖον ἀφῖκται, τῷ λόγῳ τὸν βίον ἐπανορθωσόμενος. ὅθεν δὴ καὶ ποιητέον ἐπίσκεψιν καὶ κρίσιν τῆς ἀκροάσεως ἐξ αὑτοῦ καὶ τῆς περὶ αὑτὸν διαθέσεως, ἀναλογιζόμενον εἴ τι τῶν παθῶν γέγονε μαλακώτερον, εἴ τι τῶν ἀνιαρῶν κουφότερον, [b] εἰ θάρσος εἰ φρόνημα βέβαιον, εἰ πρὸς ἀρετὴν καὶ τὸ καλὸν ἐνθουσιασμός. οὐ γὰρ ἐκ κουρείου μὲν ἀναστάντα δεῖ τῷ κατόπτρῳ παραστῆναι καὶ τῆς κεφαλῆς ἅψασθαι, τὴν περικοπὴν τῶν τριχῶν ἐπισκοποῦντα καὶ τῆς κουρᾶς τὴν διαφοράν, ἐκ δὲ ἀκροάσεως ἀπιόντα καὶ σχολῆς οὐκ εὐθὺς ἀφορᾶν χρὴ πρὸς

ἑαυτόν, καταμανθάνοντα τὴν ψυχὴν εἴ τι τῶν ὀχληρῶν ἀποτεθειμένη καὶ περιττῶν ἐλαφροτέρα γέγονε καὶ ἡδίων. “οὔτε γὰρ βαλανείου,” φησὶν ὁ Ἀρίστων, “οὔτε λόγου μὴ καθαίροντος ὄφελός ἐστιν.”

[c] Ἡδέσθω μὲν οὖν ὑπὸ λόγων ὠφελούμενος ὁ νέος· οὐ δεῖ δὲ τὸ ἡδὺ τῆς ἀκροάσεως ποιεῖσθαι τέλος, οὐδ’ οἴεσθαι δεῖν ἐκ σχολῆς ἀπιέναι φιλοσόφου μινυρίζοντα καὶ γεγανωμένον, οὐδὲ ζητεῖν μυρίζεσθαι δεόμενον ἐμβροχῆς καὶ καταπλάσματος, ἀλλὰ χάριν ἔχειν, ἄν τις ὥσπερ καπνῷ σμῆνος λόγῳ δριμεῖ τὴν διάνοιαν ἀχλύος πολλῆς καὶ ἀμβλύτητος γέμουσαν ἐκκαθήρῃ. καὶ γὰρ εἰ τοῖς λέγουσι προσήκει μὴ παντάπασιν ἡδονὴν ἐχούσης καὶ πιθανότητα λέξεως παραμελεῖν, ἐλάχιστα τούτου φροντιστέον τῷ νέῳ, τό γε πρῶτον. ὕστερον δέ [d] που, καθάπερ οἱ πίνοντες, ὅταν παύσωνται διψῶντες, τότε τὰ τορεύματα τῶν ἐκπωμάτων ὑποθεωροῦσι καὶ στρέφουσιν, οὕτως ἐμπλησθέντι δογμάτων καὶ ἀναπνεύσαντι δοτέον τὴν λέξιν εἴ τι κομψὸν ἔχει καὶ περιττὸν ἐπισκοπεῖν. ὁ δ’ εὐθὺς ἐξ ἀρχῆς μὴ τοῖς πράγμασιν ἐμφυόμενος ἀλλὰ τὴν λέξιν Ἀττικὴν ἀξιῶν εἶναι καὶ ἰσχνὴν ὅμοιός ἐστι μὴ βουλομένῳ πιεῖν ἀντίδοτον, ἂν μὴ τὸ ἀγγεῖον ἐκ τῆς Ἀττικῆς κωλιάδος ᾖ κεκεραμευμένον, μηδ’ ἱμάτιον περιβαλέσθαι χειμῶνος, εἰ μὴ προβάτων Ἀττικῶν εἴη τὸ ἔριον, ἀλλ’ ὥσπερ ἐν τρίβωνι Λυσιακοῦ λόγου λεπτῷ καὶ ψιλῷ καθήμενος [e] ἄπρακτος καὶ ἀκίνητος. ταῦτα γὰρ τὰ νοσήματα πολλὴν μὲν ἐρημίαν νοῦ καὶ φρενῶν ἀγαθῶν, πολλὴν δὲ τερθρείαν καὶ στωμυλίαν ἐν ταῖς σχολαῖς πεποίηκε, τῶν μειρακίων οὔτε βίον οὔτε πρᾶξιν οὔτε πολιτείαν φιλοσόφου παραφυλαττόντων ἀνδρός, ἀλλὰ λέξεις καὶ ῥήματα καὶ τὸ καλῶς ἀπαγγέλλειν ἐν ἐπαίνῳ τιθεμένων, τὸ δ’ ἀπαγγελλόμενον εἴτε χρήσιμον εἴτ’ ἄχρηστον εἴτ’ ἀναγκαῖον εἴτε κενόν ἐστι καὶ περιττὸν οὐκ ἐπισταμένων οὐδὲ βουλομένων ἐξετάζειν.

Ἀκολουθεῖ δὲ τούτοις τὸ περὶ τῶν προβλημάτων [f] παράγγελμα. δεῖ γὰρ τὸν ἐπὶ δεῖπνον ἥκοντα τοῖς παρακειμένοις χρῆσθαι καὶ μηδὲν αἰτεῖν ἄλλο μηδ’ ἐξελέγχειν· ὁ δ’ ἐπὶ λόγων ἀφιγμένος ἑστίασιν, ἂν μὲν ἐπὶ ῥητοῖς, ἀκροάσθω σιωπῇ τοῦ λέγοντος (οἱ γὰρ εἰς ἄλλας ὑποθέσεις ἐξάγοντες καὶ παρεμβάλλοντες ἐρωτήματα καὶ προσδιαποροῦντες, οὐχ ἡδεῖς οὐδ’ εὐσυνάλλακτοι πρὸς ἀκρόασιν ὄντες, ὠφελοῦνται μὲν οὐδέν, τὸν δὲ λέγοντα καὶ τὸν λόγον ὁμοῦ συνταράττουσιν)· ὅταν δὲ τοὺς ἀκούοντας ὁ λέγων ἐρωτᾶν καὶ προβάλλειν κελεύσῃ, χρήσιμόν τι δεῖ καὶ ἀναγκαῖον ἀεὶ προβάλλοντα φαίνεσθαι. ὁ μὲν γὰρ Ὀδυσσεὺς καταγελᾶται παρὰ τοῖς μνηστῆρσιν

μεγαλοψυχίας γὰρ ἡγοῦνται σημεῖον, ὡς τὸ διδόναι τι τῶν μεγάλων, καὶ τὸ αἰτεῖν. μᾶλλον δ' ἄν τις ἀκροατοῦ καταγελάσειεν εἰς μικρὰ καὶ γλίσχρα προβλήματα τὸν διαλεγόμενον κινοῦντος, οἷα τερθρευόμενοί τινες τῶν νέων καὶ παρεπιδεικνύμενοι διαλεκτικὴν ἢ μαθηματικὴν ἕξιν εἰώθασι προβάλλειν περὶ τῆς τῶν ἀορίστων τομῆς, καὶ τίς ἡ [b] κατὰ πλευρὰν ἢ κατὰ διάμετρον κίνησις. πρὸς οὓς ἔστιν εἰπεῖν τὸ ὑπὸ Φιλοτίμου πρὸς τὸν ἔμπυον καὶ φθισιῶντα ῥηθέν. ἐπεὶ γὰρ ἐλάλησεν αὐτῷ φαρμάκιον αἰτῶν πρὸς παρωνυχίαν, αἰσθόμενος ἀπὸ τῆς χρόας καὶ τῆς ἀναπνοῆς τὴν διάθεσιν "οὐκ ἔστι σοι," φησίν, "ὦ βέλτιστε, περὶ παρωνυχίας ὁ λόγος." οὐδὲ σοὶ τοίνυν, ὦ νεανία, περὶ τοιούτων ζητημάτων ὥρα σκοπεῖν, ἀλλὰ πῶς οἰήματος καὶ ἀλαζονείας ἐρώτων τε καὶ φλυαρίας ἀπολυθεὶς εἰς βίον ἄτυφον καὶ ὑγιαίνοντα καταστήσεις σαυτόν.

Εὖ μάλα δὲ χρὴ καὶ πρὸς τὴν τοῦ λέγοντος ἐμπειρίαν ἢ φυσικὴν δύναμιν ἡρμοσμένον, ἐν οἷς αὐτὸς ἑαυτοῦ κράτιστός ἐστι, ποιεῖσθαι τὰς ἐρωτήσεις, [c] καὶ μὴ παραβιάζεσθαι τὸν μὲν ἠθικώτερον φιλοσοφοῦντα φυσικὰς ἐπάγοντα καὶ μαθηματικὰς ἀπορίας, τὸν δὲ τοῖς φυσικοῖς σεμνυνόμενον εἰς συνημμένων ἐπικρίσεις ἕλκοντα καὶ ψευδομένων λύσεις. ὡς γὰρ ὁ τῇ κλειδὶ τὰ ξύλα σχίζειν τῇ δ' ἀξίνῃ τὴν θύραν ἀνοίγειν πειρώμενος οὐκ ἐκεῖνα δόξειεν ἂν ἐπηρεάζειν, ἀλλ' αὑτὸν ἀποστερεῖν τῆς ἑκατέρου χρείας καὶ δυνάμεως, οὕτως οἱ παρὰ τοῦ λέγοντος ὃ μὴ πέφυκε μηδ' ἤσκηκεν αἰτοῦντες, ὃ δ' ἔχει καὶ δίδωσι μὴ δρεπόμενοι μηδὲ λαμβάνοντες, [d] οὐ τοῦτο βλάπτονται μόνον ἀλλὰ καὶ κακοήθειαν καὶ δυσμένειαν προσοφλισκάνουσι.

Φυλακτέον δὲ καὶ τὸ πολλὰ καὶ πολλάκις αὐτὸν προβάλλειν· ἔστι γὰρ καὶ τοῦτο τρόπον τινὰ παρεπιδεικνυμένου. τὸ δ' ἑτέρου προτείνοντος ἀκροᾶσθαι μετ' εὐκολίας φιλόλογον καὶ κοινωνικόν, ἂν μή τι τῶν ἰδίων ἐνοχλῇ καὶ κατεπείγῃ πάθος ἐπισχέσεως δεόμενον ἢ νόσημα παρηγορίας. τάχα μὲν γὰρ οὐδ' "ἀμαθίην κρύπτειν ἄμεινον," ὥς φησιν Ἡράκλειτος, ἀλλ' εἰς μέσον τιθέναι καὶ θεραπεύειν. ἂν δ' ὀργή τις ἢ προσβολὴ δεισιδαιμονίας ἢ διαφορὰ πρὸς οἰκείους σύντονος ἢ περιμανὴς ἐξ ἔρωτος ἐπιθυμία

ἐπιταράξῃ τὴν διάνοιαν, οὐ φευκτέον εἰς ἑτέρους λόγους ἀποδιδράσκοντας τὸν ἔλεγχον, ἀλλὰ περὶ αὐτῶν τούτων ἀκουστέον ἐν ταῖς διατριβαῖς, καὶ μετὰ τὰς διατριβὰς ἰδίᾳ προσιόντας αὐτοὺς καὶ προσανακρίνοντας. ἀλλὰ μὴ τοὐναντίον, ὥσπερ οἱ πολλοὶ χαίρουσι τοῖς φιλοσόφοις περὶ ἄλλων διαλεγομένοις καὶ θαυμάζουσιν· ἂν δὲ τοὺς ἄλλους ἐάσας ὁ φιλόσοφος αὐτοῖς ἐκείνοις ἰδίᾳ παρρησιάζηται περὶ τῶν διαφερόντων καὶ ὑπομιμνήσκῃ, δυσχεραίνουσι [f] καὶ περίεργον νομίζουσιν.

ἐπιεικῶς γάρ, ὥσπερ τῶν τραγῳδῶν ἐν τοῖς θεάτροις, καὶ τῶν φιλοσόφων ἐν ταῖς σχολαῖς οἴονται δεῖν ἀκούειν, ἐν δὲ τοῖς ἔξω πράγμασιν οὐδὲν αὐτοὺς ἑαυτῶν διαφέρειν ἡγοῦνται, πρὸς μὲν τοὺς σοφιστὰς εἰκότως τοῦτο πεπονθότες (ἀναστάντες γὰρ ἀπὸ τοῦ θρόνου καὶ ἀποθέμενοι τὰ βιβλία καὶ τὰς εἰσαγωγὰς ἐν τοῖς ἀληθινοῖς τοῦ βίου μέρεσι μικροὶ καὶ ὑπὸ χεῖρα φαίνονται τοῖς πολλοῖς), πρὸς δὲ τοὺς ὄντως φιλοσόφους οὐ καλῶς, ἀγνοοῦντες ὅτι καὶ σπουδὴ καὶ παιδιὰ καὶ νεῦμα καὶ μειδίαμα καὶ σκυθρωπασμὸς αὐτῶν, μάλιστα [44] [a] δ' ὁ πρὸς ἕκαστον ἰδίᾳ περαινόμενος λόγος ἔχει τινὰ καρπὸν ὠφέλιμον τοῖς ὑπομένειν καὶ προσέχειν ἐθισθεῖσι.

Δεῖται δὲ καὶ τὸ περὶ τοὺς ἐπαίνους καθῆκον εὐλαβείας τινὸς καὶ μετριότητος διὰ τὸ μήτε τὴν ἔλλειψιν αὐτοῦ μήτε τὴν ὑπερβολὴν ἐλευθέριον εἶναι. βαρὺς μὲν γὰρ ἀκροατὴς καὶ φορτικὸς ὁ πρὸς πᾶν ἄτεγκτος καὶ ἀτενὴς τὸ λεγόμενον, οἰήματος ὑπούλου καὶ περιαυτολογίας ἐνδιαθέτου μεστός, ὡς ἔχων τι τῶν λεγομένων βέλτιον εἰπεῖν, μήτ' ὀφρῦν κατασχηματίζων μήτε φωνὴν εὐγνώμονος [b] μάρτυρα φιληκοΐας προϊέμενος, ἀλλὰ σιγῇ καὶ βαρύτητι καταπλάστῳ καὶ σχηματισμῷ θηρώμενος δόξαν εὐσταθοῦς καὶ βάθος ἔχοντος ἀνδρός, ὥσπερ χρημάτων τῶν ἐπαίνων ὅσον ἄλλῳ μεταδίδωσιν αὑτοῦ δοκῶν ἀφαιρεῖσθαι. πολλοὶ γάρ εἰσιν οἱ κακῶς καὶ παρὰ μέλος τὴν Πυθαγόρου φωνὴν ὑπολαμβάνοντες. ἐκεῖνος μὲν γὰρ ἐκ φιλοσοφίας ἔφησεν αὐτῷ περιγεγονέναι τὸ μηδὲν θαυμάζειν· οὗτοι δὲ τὸ μηδὲν ἐπαινεῖν μηδὲ τιμᾶν, ἐν τῷ καταφρονεῖν τιθέμενοι καὶ τὸ σεμνὸν ὑπεροψίᾳ διώκοντες. ὁ γὰρ φιλόσοφος λόγος τὸ μὲν ἐξ ἀπορίας καὶ ἀγνοίας θαῦμα καὶ θάμβος ἐξαιρεῖ γνώσει καὶ ἱστορίᾳ τῆς περὶ ἕκαστον αἰτίας, τὸ δ' [c] εὔκολον καὶ μέτριον καὶ φιλάνθρωπον οὐκ ἀπόλλυσι. τοῖς γὰρ ἀληθινῶς καὶ βεβαίως ἀγαθοῖς τιμή τε καλλίστη τὸ τιμῆσαί τινα τῶν ἀξίων, καὶ κόσμος εὐπρεπέστατος τὸ ἐπικοσμῆσαι, περιουσίᾳ δόξης καὶ ἀφθονίᾳ γιγνόμενον. οἱ δὲ γλίσχροι περὶ τοὺς ἑτέρων ἐπαίνους ἔτι πένεσθαι καὶ πεινῆν ἐοίκασι τῶν ἰδίων.

Ὁ δ' ἐναντίος αὖ πάλιν τούτων, μηδὲν ἐπικρίνων ἀλλὰ κατὰ ῥῆμα καὶ συλλαβὴν ἐφιστάμενος καὶ κεκραγώς, ἐλαφρός τις ὢν καὶ ὀρνεώδης, [d] πολλάκις μὲν οὐδ' αὐτοῖς ἀρέσκει τοῖς ἀγωνιζομένοις, ἀεὶ δὲ λυπεῖ τοὺς ἀκροωμένους, ἀνασοβῶν καὶ συνεξανιστὰς παρὰ γνώμην, οἷον ἑλκομένους βίᾳ δι' αἰδῶ καὶ συνεπηχοῦντας. οὐδὲν δ' ὠφεληθεὶς διὰ τὸ ταραχώδη καὶ πολυπτόητον αὐτῷ περὶ τοὺς ἐπαίνους γεγονέναι τὴν ἀκρόασιν ἀπέρχεται τῶν τριῶν ἓν φερόμενος· εἴρων γὰρ ἢ κόλαξ ἢ περὶ λόγους ἀπειρόκαλος ἔδοξεν εἶναι.

[e] Δίκην μὲν οὖν δικάζοντα δεῖ μήτε πρὸς ἔχθραν τινὰ μήτε πρὸς χάριν ἀκούειν ἀλλ’ ἀπὸ γνώμης πρὸς τὸ δίκαιον· ἐν δὲ ταῖς φιλολόγοις ἀκροάσεσιν οὔτε νόμος οὐδεὶς οὔθ’ ὅρκος ἡμᾶς ἀπείργει μὴ μετ’ εὐνοίας ἀποδέχεσθαι τὸν διαλεγόμενον. ἀλλὰ καὶ τὸν Ἑρμῆν ταῖς Χάρισιν οἱ παλαιοὶ συγκαθίδρυσαν, ὡς μάλιστα τοῦ λόγου τὸ κεχαρισμένον καὶ προσφιλὲς ἀπαιτοῦντος. οὐδὲ γὰρ οἷόν τε παντελῶς οὕτως ἐκβόλιμον εἶναι τὸν λέγοντα καὶ διημαρτημένον, ὥστε μήτε νοῦν τινα παρασχεῖν ἄξιον ἐπαίνου μήτ’ ἀπομνημόνευσιν ἑτέρων μήτ’ αὐτὴν τὴν ὑπόθεσιν τοῦ λόγου καὶ προαίρεσιν, ἀλλὰ μηδὲ λέξιν ἢ διάθεσιν τῶν λεγομένων,

ὅπου γὰρ ἐμέτου τινὲς ἐγκώμια καὶ πυρετοῦ καὶ νὴ Δία χύτρας ἐπιδεικνύμενοι πιθανότητος οὐκ ἀμοιροῦσιν, ἦ που λόγος ὑπ’ ἀνδρὸς ἁμωσγέπως δοκοῦντος ἢ καλουμένου φιλοσόφου περαινόμενος οὐκ ἂν ὅλως ἀναπνοήν τινα καὶ καιρὸν ἀκροαταῖς εὐμενέσι καὶ φιλανθρώποις παράσχοι πρὸς ἔπαινον; οἱ γοῦν ἐν ὥρᾳ πάντες, ὥς φησιν ὁ Πλάτων, ἁμηγέπη δάκνουσι τὸν ἐρωτικόν, καὶ λευκοὺς μὲν [45] [a] θεῶν παῖδας ἀνακαλῶν μέλανας δ’ ἀνδρικούς, καὶ τὸν γρυπὸν βασιλικὸν καὶ τὸν σιμὸν ἐπίχαριν τὸν δ’ ὠχρὸν μελίχρουν ὑποκοριζόμενος ἀσπάζεται καὶ ἀγαπᾷ· δεινὸς γάρ ἐστιν ὁ ἔρως ὥσπερ κιττὸς αὑτὸν ἐκ πάσης ἀναδῆσαι προφάσεως. πολὺ δὴ μᾶλλον ὁ φιλήκοος καὶ φιλόλογος ἀεί τινος αἰτίας εὑρετικὸς ἔσται, δι’ ἣν οὐκ ἀπὸ τρόπου τῶν λεγόντων ἕκαστον ἐπαινῶν φανεῖται. καὶ γὰρ ὁ Πλάτων τὸν Λυσίου λόγον οὔτε κατὰ τὴν εὕρεσιν ἐπαινῶν καὶ τῆς ἀταξίας αἰτιώμενος ὅμως αὐτοῦ τὴν ἀπαγγελίαν ἐπαινεῖ, καὶ ὅτι “τῶν ὀνομάτων σαφῶς καὶ στρογγύλως ἕκαστον ἀποτετόρνευται.” μέμψαιτο δ’ ἄν τις Ἀρχιλόχου μὲν τὴν ὑπόθεσιν, [b] Παρμενίδου δὲ τὴν στιχοποιίαν, Φωκυλίδου δὲ τὴν εὐτέλειαν, Εὐριπίδου δὲ τὴν λαλιάν, Σοφοκλέους δὲ τὴν ἀνωμαλίαν, ὥσπερ ἀμέλει καὶ τῶν ῥητόρων ἐστὶν ὁ μὲν οὐκ ἔχων ἦθος, ὁ δὲ πρὸς πάθος ἀργός, ὁ δ’ ἐνδεὴς χαρίτων· ἕκαστός γε μὴν ἐπαινεῖται κατὰ τὸ ἴδιον τῆς δυνάμεως, ᾧ κινεῖν καὶ ἄγειν πέφυκεν. ὥστε καὶ τοῖς ἀκούουσιν εὐπορίαν εἶναι καὶ ἀφθονίαν τοῦ φιλοφρονεῖσθαι τοὺς λέγοντας. ἐνίοις γὰρ ἐξαρκεῖ, κἂν μὴ διὰ φωνῆς ἐπιμαρτυρῶμεν, ὄμματος πραότητα καὶ γαλήνην προσώπου καὶ διάθεσιν εὐμενῆ καὶ ἄλυπον ἐμπαρασχεῖν.

[c] Ἐκεῖνα μὲν γὰρ ἤδη καὶ πρὸς τοὺς ὅλως ἀποτυγχάνοντας ὥσπερ ἐγκύκλια καὶ κοινὰ πάσης ἀκροάσεώς ἐστι, καθέδρα τέ τις ἄθρυπτος καὶ ἀκλινὴς ἐν ὀρθῷ σχήματι καὶ πρόσβλεψις αὐτῷ τῷ λέγοντι καὶ τάξις ἐνεργοῦ προσοχῆς, καὶ προσώπου κατάστασις καθαρὰ καὶ ἀνέμφαντος οὐχ ὕβρεως

οὐδὲ δυσκολίας μόνον ἀλλὰ καὶ φροντίδων ἄλλων καὶ ἀσχολιῶν· ὡς ἐν ἔργῳ γε παντὶ τὸ μὲν καλὸν ἐκ πολλῶν οἷον ἀριθμῶν εἰς ἕνα καιρὸν ἡκόντων ὑπὸ συμμετρίας τινὸς καὶ ἁρμονίας ἐπιτελεῖται, τὸ δ' αἰσχρὸν ἐξ ἑνὸς τοῦ τυχόντος ἐλλείποντος ἢ προσόντος ἀτόπως εὐθὺς ἑτοίμην ἔχει τὴν γένεσιν, ὥσπερ [d] ἐπ' αὐτῆς τῆς ἀκροάσεως οὐ μόνον βαρύτης ἐπισκυνίου καὶ ἀηδία προσώπου καὶ βλέμμα ῥεμβῶδες καὶ περίκλασις σώματος καὶ μηρῶν ἐπάλλαξις ἀπρεπὴς ἀλλὰ καὶ νεῦμα καὶ ψιθυρισμὸς πρὸς ἕτερον καὶ μειδίαμα χάσμαι τε ὑπνώδεις καὶ κατήφειαι καὶ πᾶν εἴ τι τούτοις ἔοικεν ὑπεύθυνόν ἐστι καὶ δεῖται πολλῆς εὐλαβείας.

Οἱ δὲ τοῦ μὲν λέγοντος οἴονταί τι ἔργον εἶναι, τοῦ δ' ἀκούοντος οὐδέν, ἀλλ' ἐκεῖνον μὲν ἀξιοῦσιν ἥκειν πεφροντικότα καὶ παρεσκευασμένον, αὐτοὶ δ' ἄσκεπτοι καὶ ἀφρόντιδες τῶν καθηκόντων ἐμβαλόντες καθέζονται καθάπερ ἀτεχνῶς ἐπὶ δεῖπνον [e] ἥκοντες, εὖ παθεῖν πονουμένων ἑτέρων. καίτοι καὶ συνδείπνου τι χαρίεντος ἔργον ἐστί, πολὺ δὲ μᾶλλον ἀκροατοῦ. κοινωνὸς γάρ ἐστι τοῦ λόγου καὶ συνεργὸς τοῦ λέγοντος, καὶ οὐ τὰ μὲν ἐκείνου πλημμελήματα πικρῶς ἐξετάζειν ὀφείλει κατὰ ῥῆμα καὶ πρᾶγμα προσάγων τὴν εὔθυναν, αὐτὸς δ' ἀνευθύνως ἀσχημονεῖν καὶ πολλὰ σολοικίζειν περὶ τὴν ἀκρόασιν, ἀλλ' ὥσπερ ἐν τῷ σφαιρίζειν τῷ βάλλοντι δεῖ συγκινούμενον εὐρύθμως φέρεσθαι τὸν δεχόμενον, οὕτως ἐπὶ τῶν λόγων ἔστι τις εὐρυθμία καὶ περὶ τὸν λέγοντα καὶ περὶ τὸν ἀκροώμενον, ἂν [f] ἑκάτερος τὸ προσῆκον αὑτῷ φυλάττῃ.

Δεῖ δὲ μηδὲ ταῖς φωναῖς τῶν ἐπαίνων ὡς ἔτυχε χρῆσθαι. καὶ γὰρ Ἐπίκουρος ἐπὶ τοῖς τῶν φίλων ἐπιστολίοις κροτοθορύβους γίγνεσθαι παρ' αὐτῶν λέγων ἀηδής ἐστιν. οἱ δὲ τὰς ξένας φωνὰς τοῖς ἀκροατηρίοις νῦν ἐπεισάγοντες οὗτοι, καὶ "θείως" καὶ "θεοφορήτως" καὶ "ἀπροσίτως" ἐπιλέγοντες, ὡς οὐκέτι τοῦ "καλῶς" καὶ τοῦ "σοφῶς" καὶ τοῦ "ἀληθῶς" ἐξαρκοῦντος, οἷς οἱ περὶ Πλάτωνα καὶ Σωκράτη καὶ Ὑπερείδην ἐχρῶντο σημείοις τῶν ἐπαίνων, ὑπερασχημονοῦσι καὶ διαβάλλουσι τοὺς λέγοντας ὡς ὑπερηφάνων τινῶν καὶ [46] [a] περιττῶν δεομένους ἐπαίνων. σφόδρα δ' ἀηδεῖς εἰσι καὶ οἱ μεθ' ὅρκου τοῖς λέγουσιν ὥσπερ ἐν δικαστηρίῳ τὰς μαρτυρίας ἀποδιδόντες. οὐχ ἧττον δὲ τούτων οἱ περὶ τὰς ποιότητας ἀστοχοῦντες, ὅταν φιλοσόφῳ μὲν ἐπιφωνῶσι "δριμέως," γέροντι δ' "εὐφυῶς" ἢ "ἀνθηρῶς," τὰς τῶν παιζόντων καὶ πανηγυριζόντων ἐν ταῖς σχολαστικαῖς μελέταις φωνὰς ἐπὶ τοὺς φιλοσόφους μετακομίζοντες καὶ λόγῳ σωφρονοῦντι προσφέροντες ἔπαινον ἑταιρικόν, [b] ὥσπερ ἀθλητῇ κρίνων ἢ ῥόδων στέφανον, οὐ δάφνης οὐδὲ κοτίνου περιτιθέντες. Εὐριπίδης μὲν οὖν ὁ ποιητής, ὡς ὑπολέγοντος αὐτοῦ τοῖς χορευταῖς ᾠδήν τινα πεποιημένην ἐφ' ἁρμονίας εἷς ἐγέλασεν, "εἰ

Καὶ μὴν τῶν γε νουθεσιῶν καὶ τῶν ἐπιπλήξεων οὔτ’ ἀναλγήτως οὔτ’ ἀνάνδρως ἀκουστέον. οἱ γὰρ εὐκόλως καὶ ὀλιγώρως τὸ κακῶς ἀκούειν ὑπὸ τῶν φιλοσόφων φέροντες, ὥστε γελᾶν ἐλεγχόμενοι καὶ τοὺς ἐλέγχοντας ἐπαινεῖν, ὥσπερ οἱ παράσιτοι τοὺς τρέφοντας, ὅταν ὑπ’ αὐτῶν λοιδορῶνται, παντάπασιν ἰταμοὶ καὶ θρασεῖς ὄντες, οὐ καλὴν οὐδ’ ἀληθῆ διδόασιν ἀπόδειξιν ἀνδρείας τὴν ἀναισχυντίαν.

[d] σκῶμμα μὲν γὰρ ἀνύβριστον ἐν παιδιᾷ τινι μετ’ εὐτραπελίας ἀφειμένον ἐνεγκεῖν ἀλύπως καὶ ἱλαρῶς οὐκ ἀγεννὲς οὐδ’ ἀπαίδευτον ἀλλ’ ἐλευθέριον πάνυ καὶ Λακωνικόν ἐστιν· ἐπαφῆς δὲ καὶ νουθεσίας πρὸς ἐπανόρθωσιν ἤθους ὥσπερ φαρμάκῳ δάκνοντι λόγῳ χρωμένης ἐλέγχοντι μὴ συνεσταλμένον ἀκούειν μηδ’ ἱδρῶτος καὶ ἰλίγγου μεστόν, αἰσχύνῃ φλεγόμενον τὴν ψυχήν, ἀλλ’ ἄτρεπτον καὶ σεσηρότα καὶ κατειρωνευόμενον, ἀνελευθέρου τινὸς δεινῶς καὶ ἀπαθοῦς πρὸς τὸ αἰδεῖσθαι νέου διὰ συνήθειαν ἁμαρτημάτων καὶ συνέχειαν, ὥσπερ ἐν σκληρᾷ σαρκὶ καὶ τυλώδει τῇ ψυχῇ μώλωπα μὴ λαμβάνοντος.

[e] Τούτων δὲ τοιούτων ὄντων οἱ τὴν ἐναντίαν διάθεσιν ἔχοντες νέοι κἂν ἅπαξ ποτὲ ἀκούσωσι κακῶς, φεύγοντες ἀνεπιστρεπτὶ καὶ δραπετεύοντες ἐκ φιλοσοφίας, καλὴν ἀρχὴν πρὸς τὸ σωθῆναι τὸ αἰδεῖσθαι παρὰ τῆς φύσεως ἔχοντες, ἀπολλύουσι διὰ τρυφὴν καὶ μαλακίαν, οὐκ ἐγκαρτεροῦντες τοῖς ἐλέγχοις οὐδὲ τὰς ἐπανορθώσεις δεχόμενοι γεννικῶς, ἀλλ’ ἐπὶ τὰς προσηνεῖς καὶ ἁπαλὰς ἀποστρέφοντες ὁμιλίας τὰ ὦτα κολάκων τινῶν ἢ σοφιστῶν ἀνωφελεῖς καὶ ἀνονήτους ἡδείας δὲ φωνὰς καταδόντων. ὥσπερ οὖν ὁ μετὰ τὴν τομὴν φεύγων τὸν ἰατρὸν καὶ τὸν ἐπίδεσμον μὴ προσιέμενος τὸ μὲν ἀλγεινὸν ἀνεδέξατο, [f] τὸ δ’ ὠφέλιμον οὐχ ὑπέμεινε τῆς θεραπείας, οὕτως ὁ τῷ χαράξαντι καὶ τρώσαντι λόγῳ τὴν ἀβελτερίαν ἀπουλῶσαι καὶ καταστῆσαι μὴ παρασχὼν ἀπῆλθε δηχθεὶς καὶ ἀλγήσας ἐκ φιλοσοφίας, ὠφεληθεὶς δὲ μηδέν. οὐ γὰρ μόνον, ὡς Εὐριπίδης φησί, τὸ Τηλέφου τραῦμα

πριστοῖσι λόγχης θέλγεται ῥινήμασιν,

[47] [a] ἀλλὰ καὶ τὸν ἐκ φιλοσοφίας ἐμφυόμενον εὐφυέσι νέοις δηγμὸν αὐτὸς ὁ τρώσας λόγος ἰᾶται. διὸ δεῖ πάσχειν μέν τι καὶ δάκνεσθαι, μὴ συντρίβεσθαι δὲ μηδ' ἀθυμεῖν τὸν ἐλεγχόμενον, ἀλλ' ὥσπερ ἐν τελετῇ κατηργμένης αὐτοῦ φιλοσοφίας τοὺς πρώτους καθαρμοὺς καὶ θορύβους ἀνασχόμενον ἐλπίζειν τι γλυκὺ καὶ λαμπρὸν ἐκ τῆς παρούσης ἀδημονίας καὶ ταραχῆς. καὶ γὰρ ἂν ἀδίκως ἡ ἐπιτίμησις γίγνεσθαι δοκῇ, καλὸν ἀνασχέσθαι καὶ διακαρτερῆσαι λέγοντος· παυσαμένῳ δ' αὐτὸν ἐντυχεῖν ἀπολογούμενον [b] καὶ δεόμενον τὴν παρρησίαν ἐκείνην καὶ τὸν τόνον, ᾧ νῦν κέχρηται πρὸς αὐτόν, εἴς τι τῶν ἀληθῶς ἁμαρτανομένων φυλάττειν.

Ἔτι τοίνυν ὥσπερ ἐν γράμμασι καὶ περὶ λύραν καὶ παλαίστραν αἱ πρῶται μαθήσεις πολὺν ἔχουσι θόρυβον καὶ πόνον καὶ ἀσάφειαν, εἶτα προιόντι κατὰ μικρὸν ὥσπερ πρὸς ἀνθρώπους συνήθεια πολλὴ καὶ γνῶσις ἐγγενομένη πάντα φίλα καὶ χειροήθη καὶ ῥᾴδια λέγειν τε καὶ πράττειν παρέσχεν, οὕτω δὴ καὶ φιλοσοφίας ἐχούσης τι καὶ γλίσχρον ἀμέλει καὶ ἀσύνηθες ἐν τοῖς πρώτοις ὀνόμασι καὶ πράγμασιν οὐ δεῖ φοβηθέντα τὰς ἀρχὰς ψοφοδεῶς [c] καὶ ἀτόλμως ἐγκαταλιπεῖν, ἀλλὰ πειρώμενον ἑκάστου καὶ προσλιπαροῦντα καὶ γλιχόμενον τοῦ πρόσω τὴν πᾶν τὸ καλὸν ἡδὺ ποιοῦσαν ἀναμένειν συνήθειαν. ἥξει γὰρ οὐ διὰ μακροῦ πολὺ φῶς ἐπιφέρουσα τῇ μαθήσει καὶ δεινοὺς ἔρωτας ἐνδιδοῦσα πρὸς τὴν ἀρετήν, ὧν ἄνευ πάνυ τλήμονος ἀνδρός ἐστιν ἢ δειλοῦ τὸν ἄλλον ὑπομένειν βίον, ἐκπεσόντα δι' ἀνανδρίαν φιλοσοφίας.

Ἴσως μὲν οὖν ἔχει τι καὶ τὰ πράγματα τοῖς ἀπείροις καὶ νέοις ἐν ἀρχῇ δυσκατανόητον· οὐ μὴν ἀλλὰ τῇ γε πλείστῃ περιπίπτουσιν ἀσαφείᾳ καὶ ἀγνοίᾳ δι' αὑτούς, ἀπ' ἐναντίων φύσεων ταὐτὸν ἁμαρτάνοντες.

[d] οἱ μὲν γὰρ αἰσχύνῃ τινὶ καὶ φειδοῖ τοῦ λέγοντος ὀκνοῦντες ἀνερέσθαι καὶ βεβαιώσασθαι τὸν λόγον, ὡς ἔχοντες ἐν νῷ συνεπινεύουσιν, οἱ δ' ὑπὸ φιλοτιμίας ἀώρου καὶ κενῆς πρὸς ἑτέρους ἁμίλλης ὀξύτητα καὶ δύναμιν εὐμαθείας ἐπιδεικνύμενοι, πρὶν ἢ λαβεῖν ἔχειν ὁμολογοῦντες, οὐ λαμβάνουσιν. εἶτα συμβαίνει τοῖς μὲν αἰδήμοσι καὶ σιωπηλοῖς ἐκείνοις, ὅταν ἀπέλθωσι, λυπεῖν αὑτοὺς καὶ ἀπορεῖσθαι, καὶ τέλος αὖθις ὑπ' ἀνάγκης ἐλαυνομένους σὺν αἰσχύνῃ μείζονι τοῖς εἰποῦσιν ἐνοχλεῖν ἀναπυνθανομένους καὶ μεταθέοντας, τοῖς δὲ φιλοτίμοις καὶ θρασέσιν ἀεὶ περιστέλλειν καὶ ἀποκρύπτειν συνοικοῦσαν τὴν ἀμαθίαν.

[e] Πᾶσαν οὖν ἀπωσάμενοι τὴν τοσαύτην βλακείαν καὶ ἀλαζονείαν καὶ πρὸς τὸ μαθεῖν ἰόντες καὶ περὶ τὸ λαβεῖν τῇ διανοίᾳ τὸ χρησίμως λεγόμενον ὄντες, ὑπομένωμεν τοὺς τῶν εὐφυῶν δοκούντων γέλωτας, ὥσπερ ὁ Κλεάνθης καὶ ὁ Ξενοκράτης βραδύτεροι δοκοῦντες εἶναι τῶν συσχολαστῶν οὐκ ἀπεδίδρασκον ἐκ τοῦ μανθάνειν οὐδ' ἀπέκαμνον, ἀλλὰ φθάνοντες εἰς

ἑαυτοὺς ἔπαιζον, ἀγγείοις τε βραχυστόμοις καὶ πινακίσι χαλκαῖς ἀπεικάζοντες, ὡς μόλις μὲν παραδεχόμενοι τοὺς λόγους, ἀσφαλῶς δὲ καὶ βεβαίως τηροῦντες. οὐ γὰρ μόνον, ὥς φησι Φωκυλίδης,

πόλλ' ἀπατηθῆναι διζήμενον ἔμμεναι ἐσθλόν,

[f] ἀλλὰ καὶ γελασθῆναι δεῖ πολλὰ καὶ ἀδοξῆσαι, καὶ σκώμματα καὶ βωμολοχίας ἀναδεξάμενον ὤσασθαι παντὶ τῷ θυμῷ καὶ καταθλῆσαι τὴν ἀμαθίαν.

Οὐ μὴν οὐδὲ τῆς πρὸς τοὐναντίον ἁμαρτίας ἀμελητέον, ἣν ἁμαρτάνουσιν οἱ μὲν ὑπὸ νωθείας, ἀηδεῖς [48] [a] καὶ κοπώδεις ὄντες· οὐ γὰρ ἐθέλουσι γενόμενοι καθ' αὑτοὺς πράγματα ἔχειν, ἀλλὰ παρέχουσι τῷ λέγοντι, πολλάκις ἐκπυνθανόμενοι περὶ τῶν αὐτῶν, ὥσπερ ἀπτῆνες νεοσσοὶ κεχηνότες ἀεὶ πρὸς ἀλλότριον στόμα καὶ πᾶν ἕτοιμον ἤδη καὶ διαπεπονημένον ὑπ' ἄλλων ἐκλαμβάνειν ἐθέλοντες. ἕτεροι δὲ προσοχῆς καὶ δριμύτητος ἐν οὐ δέοντι θηρώμενοι δόξαν ἀποκναίουσι λαλιᾷ καὶ περιεργίᾳ τοὺς λέγοντας, ἀεί τι προσδιαποροῦντες τῶν οὐκ ἀναγκαίων καὶ ζητοῦντες ἀποδείξεις τῶν οὐ δεομένων·

οὕτως ὁδὸς βραχεῖα γίγνεται μακρά,

[b] ὥς φησι Σοφοκλῆς, οὐκ αὐτοῖς μόνον ἀλλὰ καὶ τοῖς ἄλλοις. ἀντιλαμβανόμενοι γὰρ ἑκάστοτε κεναῖς καὶ περιτταῖς ἐρωτήσεσι τοῦ διδάσκοντος, ὥσπερ ἐν συνοδίᾳ, τὸ ἐνδελεχὲς ἐμποδίζουσι τῆς μαθήσεως, ἐπιστάσεις καὶ διατριβὰς λαμβανούσης. οὗτοι μὲν οὖν κατὰ τὸν Ἱερώνυμον ὥσπερ οἱ δειλοὶ καὶ γλίσχροι σκύλακες τὰ δέρματα δάκνοντες οἴκοι καὶ τὰ τίλματα τίλλοντες τῶν θηρίων αὐτῶν οὐχ ἅπτονται· τοὺς δ' ἀργοὺς ἐκείνους παρακαλῶμεν, ὅταν τὰ κεφάλαια τῇ νοήσει περιλάβωσιν, αὐτοὺς δι' αὑτῶν τὰ λοιπὰ συντιθέναι, καὶ τῇ μνήμῃ χειραγωγεῖν τὴν εὕρεσιν, καὶ τὸν [c] ἀλλότριον λόγον οἷον ἀρχὴν καὶ σπέρμα λαβόντας ἐκτρέφειν καὶ αὔξειν. οὐ γὰρ ὡς ἀγγεῖον ὁ νοῦς ἀποπληρώσεως ἀλλ' ὑπεκκαύματος μόνον ὥσπερ ὕλη δεῖται, ὁρμὴν ἐμποιοῦντος εὑρετικὴν καὶ ὄρεξιν ἐπὶ τὴν ἀλήθειαν. ὥσπερ οὖν εἴ τις ἐκ γειτόνων πυρὸς δεόμενος, εἶτα πολὺ καὶ λαμπρὸν εὑρὼν αὐτοῦ καταμένοι διὰ τέλους θαλπόμενος, οὕτως εἴ τις ἥκων λόγου μεταλαβεῖν πρὸς ἄλλον οὐκ οἴεται δεῖν φῶς οἰκεῖον ἐξάπτειν καὶ νοῦν ἴδιον, ἀλλὰ χαίρων τῇ ἀκροάσει κάθηται θελγόμενος, [d] οἷον ἔρευθος ἕλκει καὶ γάνωμα τὴν δόξαν ἀπὸ τῶν λόγων, τὸν δ' ἐντὸς εὐρῶτα τῆς ψυχῆς καὶ ζόφον οὐκ ἐκτεθέρμαγκεν οὐδ' ἐξέωκε διὰ φιλοσοφίας.

Εἰ δεῖ τινος οὖν πρὸς ἀκρόασιν ἑτέρου παραγγέλματος, δεῖ καὶ τοῦ νῦν εἰρημένου μνημονεύοντας ἀσκεῖν ἅμα τῇ μαθήσει τὴν εὕρεσιν, ἵνα μὴ

σοφιστικὴν ἕξιν μηδ’ ἱστορικὴν ἀλλ’ ἐνδιάθετον καὶ φιλόσοφον λαμβάνωμεν, ἀρχὴν τοῦ καλῶς βιῶναι τὸ καλῶς ἀκοῦσαι νομίζοντες.

Quomodo adulator ab amico internoscatur

[48] Τῷ σφόδρα φιλεῖν ἑαυτόν, ὦ Ἀντίοχε Φιλόπαππε, φάσκοντι συγγνώμην μὲν ἅπαντας ὁ Πλάτων [f] διδόναι φησί, κακίαν δὲ σὺν πολλαῖς ἄλλαις ἐγγίγνεσθαι μεγίστην, ὑφ' ἧς οὐκ ἔστιν αὑτοῦ κριτὴν δίκαιον οὐδ' ἀδέκαστον εἶναι· "τυφλοῦται γὰρ τὸ φιλοῦν περὶ τὸ φιλούμενον," ἂν μή τις μαθὼν ἐθισθῇ τὰ καλὰ τιμᾶν καὶ διώκειν μᾶλλον ἢ τὰ συγγενῆ καὶ οἰκεῖα. τοῦτο τῷ κόλακι πολλὴν μεταξὺ τῆς φιλίας εὐρυχωρίαν δίδωσιν, ὁρμητήριον ἐφ' ἡμᾶς εὐφυὲς ἔχοντι τὴν φιλαυτίαν, δι' ἣν αὐτὸς [49] [a] αὑτοῦ κόλαξ ἕκαστος ὢν πρῶτος καὶ μέγιστος οὐ χαλεπῶς προσίεται τὸν ἔξωθεν ὧν οἴεται καὶ βούλεται μάρτυν ἅμ' αὐτῷ καὶ βεβαιωτὴν προσγιγνόμενον. ὁ γὰρ λοιδορούμενος φιλοκόλαξ σφόδρα φίλαυτός ἐστι, δι' εὔνοιαν ἑαυτῷ πάντα μὲν ὑπάρχειν βουλόμενος πάντα δ' οἰόμενος ὧν ἡ μὲν βούλησις οὐκ ἄτοπος ἡ δ' οἴησις ἐπισφαλὴς καὶ δεομένη πολλῆς εὐλαβείας. εἰ δὲ δὴ θεῖον ἡ ἀλήθεια καὶ "πάντων μὲν ἀγαθῶν θεοῖς πάντων δ' ἀνθρώποις"

Εἰ μὲν οὖν, ὡς τὰ πλεῖστα τῶν ἄλλων κακῶν, ὁ κόλαξ ἥπτετο μόνον ἢ μάλιστα τῶν ἀγεννῶν καὶ φαύλων, οὐκ ἂν ἦν οὕτω δεινὸν οὐδὲ δυσφύλακτον· ἐπεὶ δ' ὥσπερ οἱ θρῖπες ἐνδύονται μάλιστα τοῖς ἁπαλοῖς καὶ γλυκέσι ξύλοις, οὕτω τὰ φιλότιμα τῶν ἠθῶν καὶ χρηστὰ καὶ ἐπιεικῆ τὸν κόλακα δέχεται [c] καὶ τρέφει προσφυόμενον, ἔτι δ' ὥσπερ ὁ Σιμωνίδης τὴν

ἀλλ' ἀρούραισι πυροφόροις,"

οὕτω τὴν κολακείαν ὁρῶμεν οὐ πένησιν οὐδ' ἀδόξοις οὐδ' ἀδυνάτοις ἀκολουθοῦσαν, ἀλλ' οἴκων τε καὶ πραγμάτων μεγάλων ὀλίσθημα καὶ νόσημα γιγνομένην, πολλάκις δὲ καὶ βασιλείας καὶ ἡγεμονίας ἀνατρέπουσαν, οὐ μικρὸν ἔργον ἐστὶν οὐδὲ φαύλης δεόμενον προνοίας ἡ περὶ αὐτὴν ἐπίσκεψις, ὡς ἂν μάλιστα περίφωρος οὖσα μὴ βλάπτῃ μηδὲ διαβάλλῃ τὴν φιλίαν. οἱ μὲν γὰρ φθεῖρες ἀπίασιν ἀπὸ τῶν τελευτώντων καὶ ἀπολείπουσι τὰ σώματα [d] σβεννυμένου τοῦ αἵματος ἐξ οὗ τρέφονται, τοὺς δὲ κόλακας οὐδ' ὅλως ἰδεῖν ἔστι πράγμασι ξηροῖς καὶ κατεψυγμένοις προσιόντας, ἀλλὰ ταῖς δόξαις καὶ ταῖς δυνάμεσιν ἐπιτίθενται καὶ αὔξονται, ταχὺ δ' ἐν ταῖς μεταβολαῖς ὑπορρέουσιν. ἀλλὰ τὴν τότε πεῖραν οὐ δεῖ περιμένειν ἀνωφελῆ, μᾶλλον δὲ

βλαβερὰν καὶ οὐκ ἀκίνδυνον οὖσαν. χαλεπὴ γὰρ ἐν καιρῷ δεομένῳ φίλων ἡ τῶν μὴ φίλων αἴσθησις, ἀντικαταλλαγὴν οὐκ ἔχουσα χρηστοῦ καὶ βεβαίου πρὸς ἀβέβαιον καὶ κίβδηλον. ἀλλ' ὥσπερ νόμισμα δεῖ τὸν φίλον ἔχειν πρὸ τῆς χρείας [e] δεδοκιμασμένον, μὴ ὑπὸ τῆς χρείας ἐλεγχόμενον. οὐ γὰρ δεῖ βλαβέντας αἰσθέσθαι, ἀλλ' ὅπως μὴ βλαβῶμεν ἐμπειρίαν λαβεῖν καὶ κατανόησιν τοῦ κόλακος· εἰ δὲ μή, ταὐτὸ πεισόμεθα τοῖς αἰσθανομένοις τῷ προγεγεῦσθαι τῶν θανασίμων φαρμάκων, εἰς τὴν κρίσιν ἀπολλύντες ἑαυτοὺς καὶ διαφθείροντες. οὔτε γὰρ δὴ τούτους ἐπαινοῦμεν οὔθ' ὅσοι τὸν φίλον εἰς τὸ καλὸν τιθέμενοι καὶ ὠφέλιμον οἴονται τοὺς κεχαρισμένως ὁμιλοῦντας εὐθὺς ἔχειν ἐπ' αὐτοφώρῳ κόλακας εἰλημμένους. οὐδὲ γὰρ ἀηδὴς ὁ φίλος οὐδ' ἄκρατος, οὐδὲ τῷ [f] πικρῷ σεμνὸν ἡ φιλία καὶ αὐστηρῷ, ἀλλ' αὐτὸ δὴ τοῦτο τὸ καλὸν καὶ τὸ σεμνὸν αὐτῆς ἡδὺ καὶ ποθούμενόν ἐστι,

πὰρ δ' αὐτῇ Χάριτές τε καὶ Ἵμερος οἰκί' ἔθεντο,

καὶ οὐ δυστυχοῦντι μόνον

εἰς ὄμματ' εὔνου φωτὸς ἐμβλέψαι γλυκὺ

κατ' Εὐριπίδην, ἀλλ' οὐδὲν ἧττον τοῖς ἀγαθοῖς ἡδονὴν ἐπιφέρουσα καὶ χάριν ἢ τῶν κακῶν ἀφαιροῦσα τὰς λύπας καὶ τὰς ἀπορίας παρέπεται.

[50] [a] καὶ καθάπερ ὁ Εὔηνος εἶπε, τῶν ἡδυσμάτων τὸ πῦρ εἶναι κράτιστον, οὕτω τῷ βίῳ μείξας τὴν φιλίαν ὁ θεὸς ἅπαντα φαιδρὰ καὶ γλυκέα καὶ προσφιλῆ ταύτης παρούσης καὶ συναπολαυούσης ἐποίησεν. ἐπεὶ πῶς ἂν ὁ κόλαξ ὑπεδύετο ταῖς ἡδοναῖς, εἰ τὴν φιλίαν ἑώρα τὸ ἡδὺ μηδαμοῦ προσιεμένην, οὐκ ἔστιν εἰπεῖν. ἀλλ' ὥσπερ τὰ ψευδόχρυσα καὶ τὰ κίβδηλα τὴν λαμπρότητα τοῦ χρυσοῦ καὶ τὸ γάνωμα μιμεῖται μόνον, οὕτως [b] ἔοικεν ὁ κόλαξ τοῦ φίλου τὸ ἡδὺ καὶ κεχαρισμένον ἐκμιμούμενος ἀεὶ παρέχειν ἱλαρὸν καὶ ἀνθηρὸν καὶ πρὸς μηδὲν ἀντιβαίνοντα μηδ' ὑπεναντιούμενον ἑαυτόν. ὅθεν οὐδὲ τοὺς ἐπαινοῦντας εὐθὺς ὡς κολακεύοντας ἁπλῶς ὑφορατέον· ἔπαινος γὰρ οὐχ ἧττον ἐν καιρῷ ψόγου φιλίᾳ προσήκει, μᾶλλον δὲ τὸ μὲν δύσκολον ὅλως καὶ μεμψίμοιρον ἄφιλον καὶ ἀνομίλητον, τῆς δ' ἀφθόνως καὶ προθύμως τὸν ἐπὶ τοῖς καλοῖς ἀποδιδούσης ἔπαινον εὐνοίας καὶ τὸ νουθετοῦν αὖθις καὶ παρρησιαζόμενον ἐλαφρῶς καὶ ἀλύπως ὑπομένομεν, πιστεύοντες καὶ ἀγαπῶντες ὡς ἀναγκαίως ψέγοντα τὸν ἡδέως ἐπαινοῦντα.

[c] Χαλεπὸν οὖν φαίη τις ἂν ἐστι διακρῖναι τὸν κόλακα καὶ τὸν φίλον, εἰ μήθ' ἡδονῇ μήτ' ἐπαίνῳ διαφέρουσι· καὶ γὰρ ἐν ὑπουργίαις καὶ διακονίαις πολλάκις ἰδεῖν ἐστι τὴν φιλίαν ὑπὸ τῆς κολακείας παρατρεχομένην. τί δ' οὐ μέλλει, φήσομεν, ἂν τὸν ἀληθινὸν κόλακα καὶ μετὰ δεινότητος καὶ τέχνης ἁπτόμενον τοῦ πράγματος διώκωμεν, ἀλλὰ μή, καθάπερ οἱ πολλοί, τοὺς αὐτοληκύθους τούτους λεγομένους καὶ τραπεζέας καὶ μετὰ τὸ κατὰ χειρὸς

ὕδωρ ἀκουομένους ὥς τις εἶπε κόλακας νομίζωμεν, [d] ὧν ἐν μιᾷ λοπάδι καὶ κύλικι μετὰ βωμολοχίας καὶ βδελυρίας ἡ ἀνελευθερία γίγνεται κατάδηλος; οὐ γὰρ δήπου Μελάνθιον ἔδει τὸν Ἀλεξάνδρου τοῦ Φεραίου παράσιτον ἐξελέγχειν, ὃς τοῖς ἐρωτῶσι πῶς Ἀλέξανδρος ἐσφάγη "διὰ τῆς πλευρᾶς" ἔλεγεν "εἰς τὴν γαστέρα τὴν ἐμήν," οὐδὲ τοὺς ἀμφὶ πλουσίαν τράπεζαν ἐγκυκλουμένους, οὓς

οὐ πῦρ οὐδὲ σίδαρος
οὐδὲ χαλκὸς εἴργει
μὴ φοιτᾶν ἐπὶ δεῖπνον,

οὐδὲ τὰς ἐν Κύπρῳ κολακίδας, ἐπειδὴ διέβησαν εἰς Συρίαν, κλιμακίδας προσαγορευθείσας, ὅτι ταῖς [e] γυναιξὶ τῶν βασιλέων ἀναβαίνειν ἐπὶ τὰς ἁμάξας δι' αὑτῶν ὑποκατακλινόμεναι παρεῖχον.

Τίνα οὖν δεῖ φυλάττεσθαι; τὸν μὴ δοκοῦντα μηδ' ὁμολογοῦντα κολακεύειν, ὃν οὐκ ἔστι λαβεῖν περὶ τοὐπτάνιον, οὐδ' ἁλίσκεται σκιὰν καταμετρῶν ἐπὶ δεῖπνον, οὐδ' ἔρριπται μεθυσθεὶς ὅπως ἔτυχεν, ἀλλὰ νήφει τὰ πολλὰ καὶ πολυπραγμονεῖ καὶ πράξεων μετέχειν οἴεται δεῖν καὶ λόγων ἀπορρήτων βούλεται κοινωνὸς εἶναι, καὶ ὅλως τραγικός ἐστιν οὐ σατυρικὸς φιλίας ὑποκριτὴς οὐδὲ κωμικός. ὡς γὰρ ὁ Πλάτων φησίν, "ἐσχάτης ἀδικίας εἶναι [f] δοκεῖν δίκαιον μὴ ὄντα," καὶ κολακείαν ἡγητέον χαλεπὴν τὴν λανθάνουσαν οὐ τὴν ὁμολογοῦσαν, οὐδὲ τὴν παίζουσαν ἀλλὰ τὴν σπουδάζουσαν· αὕτη γὰρ ἀναπίμπλησι καὶ τὴν ἀληθινὴν φιλίαν ἀπιστίας, συνεμπίπτουσαν αὐτῇ πολλάκις, ἂν μὴ προσέχωμεν. ὁ μὲν οὖν Γωβρύας εἰς σκοτεινὸν οἴκημα τῷ μάγῳ φεύγοντι συνεισπεσὼν καὶ γενόμενος ἐν διαπάλαις ἐπιστάντα καὶ διαποροῦντα τὸν Δαρεῖον ἐκέλευσεν ὠθεῖν καὶ δι' ἀμφοτέρων· ἡμεῖς δέ, εἰ μηδαμῇ μηδαμῶς ἐπαινοῦμεν τὸ "ἐρρέτω φίλος σὺν ἐχθρῷ," διὰ πολλῶν ὁμοιοτήτων τὸν κόλακα τῷ φίλῳ συμπεπλεγμένον ἀποσπάσαι [51] [a] ζητοῦντες ὀφείλομεν εὖ μάλα φοβεῖσθαι μή πως ἢ τῷ κακῷ τὸ χρήσιμον συνεκβάλωμεν ἢ φειδόμενοι τοῦ οἰκείου τῷ βλάπτοντι περιπέσωμεν. ὥσπερ γὰρ οἶμαι τῶν ἀγρίων σπερμάτων ὅσα καὶ σχῆμα καὶ μέγεθος παραπλήσιον ἔχοντα τῷ πυρῷ συμμέμικται χαλεπὴν ἔχει τὴν ἀποκάθαρσιν (ἢ γὰρ οὐ διεκπίπτει τῶν στενοτέρων πόρων ἢ συνεκπίπτει διὰ τῶν ἀραιῶν), οὕτως ἡ κολακεία τῆς φιλίας εἰς πᾶν πάθος καὶ πᾶν κίνημα καὶ χρείαν καὶ συνήθειαν ἑαυτὴν καταμιγνύουσα δυσχώριστός ἐστιν.

Ὅτι μέντοι γε πάντων ἥδιστόν ἐστιν ἡ φιλία [b] καὶ οὐδὲν ἄλλο μᾶλλον εὐφραίνει, διὰ τοῦτο καὶ ὁ κόλαξ ἡδοναῖς ὑπάγεται καὶ περὶ ἡδονάς ἐστιν. ὅτι δ' ἡ χάρις καὶ ἡ χρεία τῇ φιλίᾳ παρέπεται (καθ' ὃ δὴ καὶ λέγεται πυρὸς καὶ ὕδατος ὁ φίλος ἀναγκαιότερος εἶναι), διὰ τοῦτ' ἐμβάλλων εἰς τὰς ὑπουργίας

ἑαυτὸν ὁ κόλαξ ἁμιλλᾶται σπουδαστικὸς ἀεὶ φαίνεσθαι καὶ ἄοκνος καὶ πρόθυμος. ἐπεὶ δὲ τὸ μάλιστα φιλίας ἀρχὴν συνέχον ὁμοιότης ἐστὶν ἐπιτηδευμάτων καὶ ἠθῶν, καὶ ὅλως τὸ χαίρειν τε τοῖς αὐτοῖς καὶ τὸ ταὐτὰ φεύγειν πρῶτον εἰς ταὐτὸ συνάγει καὶ συνίστησι διὰ τῆς ὁμοιοπαθείας, [c] τοῦτο κατιδὼν ὁ κόλαξ αὑτὸν ὥσπερ ὕλην τινὰ ῥυθμίζει καὶ σχηματίζει, περιαρμόσαι καὶ περιπλάσαι ζητῶν οἷς ἂν ἐπιχειρῇ διὰ μιμήσεως, ὑγρὸς ὢν μεταβάλλεσθαι καὶ πιθανὸς ἐπὶ τὰς ἐξομοιώσεις, ὥστ' εἰπεῖν

οὐ παῖς Ἀχιλλέως, ἀλλ' ἐκεῖνος αὐτὸς εἶ.

Ὃ δὲ πάντων ἐστὶν αὐτοῦ πανουργότατον, αἰσθανόμενος τὴν παρρησίαν καὶ λεγομένην καὶ δοκοῦσαν ἰδίαν εἶναι φωνὴν ὥσπερ τινὸς ζῴου τῆς φιλίας, τὸ δ' ἀπαρρησίαστον ἄφιλον καὶ ἀγεννές, οὐδὲ ταύτην ἀμίμητον ἀπολέλοιπεν, ἀλλ' ὥσπερ οἱ δεινοὶ τῶν ὀψοποιῶν τοῖς πικροῖς χυμοῖς καὶ αὐστηροῖς ἡδύσμασι χρῶνται, τῶν γλυκέων ἀφαιροῦντες τὸ πλήσμιον, οὕτως οἱ κόλακες οὐκ [d] ἀληθινὴν οὐδ' ὠφέλιμον ἀλλ' οἷον ἐπιλλώπτουσαν ἐξ ὀφρύος καὶ γαργαλίζουσαν ἀτεχνῶς παρρησίαν προσφέρουσιν. ἔστι μὲν οὖν διὰ ταῦτα δυσφώρατος ὁ ἀνήρ, ὥσπερ τῶν θηρίων ὅσα πεφυκότα τὴν χρόαν τρέπεσθαι συναφομοιοῦται τοῖς ὑποκειμένοις χρώμασι καὶ χωρίοις· ἐπεὶ δ' ἐκεῖνος ἐξαπατᾷ τε καὶ περικαλύπτεται ταῖς ὁμοιότησιν, ἡμέτερον ἔργον ἐστὶ ταῖς διαφοραῖς ἀνακαλύπτειν καὶ ἀπογυμνοῦν αὐτὸν "ἀλλοτρίοις χρώμασι καὶ σχήμασιν," ᾗ φησιν ὁ Πλάτων, "χήτει οἰκείων κοσμούμενον."

Εὐθὺς οὖν ἀπὸ τῆς ἀρχῆς σκοπῶμεν. ἀρχὴν δὴ φιλίας ἔφαμεν εἶναι τοῖς πλείστοις τὴν ταὐτὰ [e] μὲν ἐπιεικῶς ἀσπαζομένην ἔθη καὶ ἤθη τοῖς δ' αὐτοῖς χαίρουσαν ἐπιτηδεύμασι καὶ πράγμασι καὶ διατριβαῖς ὁμοιοπαθῆ διάθεσιν καὶ φύσιν, ἐφ' ἧς καὶ ταῦτ' εἴρηται·

γέρων γέροντι γλῶσσαν ἡδίστην ἔχει,
παῖς παιδί, καὶ γυναικὶ πρόσφορον γυνή,
νοσῶν τ' ἀνὴρ νοσοῦντι, καὶ δυσπραξίᾳ
ληφθεὶς ἐπῳδός ἐστι τῷ πειρωμένῳ.

εἰδὼς οὖν ὁ κόλαξ ὅτι τῷ χαίρειν τοῖς ὁμοίοις καὶ τὸ χρῆσθαι καὶ ἀγαπᾶν ἔμφυτόν ἐστι, ταύτῃ πρῶτον ἐπιχειρεῖ πλησιάζειν ἑκάστῳ καὶ παρασκηνοῦν, ὥσπερ ἔν τισι νομαῖς τοῖς αὐτοῖς ἐπιτηδεύμασι καὶ [f] διατριβαῖς περὶ ταὐτὰ καὶ σπουδαῖς καὶ διαίταις ἀτρέμα παραβάλλων καὶ προσαναχρωννύμενος, ἄχρι οὗ λαβὴν παραδῷ καὶ ψαύοντι τιθασὸς γένηται καὶ συνήθης, ψέγων μὲν οἷς ἐκεῖνον αἰσθάνεται πράγμασι καὶ βίοις καὶ ἀνθρώποις ἀχθόμενον, ἐπαινέτης δὲ τῶν ἀρεσκόντων οὐ μέτριος ἀλλ' ὥσθ' [52] [a] ὑπερβάλλειν σὺν ἐκπλήξει καὶ θαύματι φαινόμενος, βεβαιῶν δὲ τὸ φιλοῦν καὶ τὸ μισοῦν ὡς κρίσει μᾶλλον ἢ πάθει γιγνόμενον.

Πῶς οὖν ἐλέγχεται καὶ τίσιν ἁλίσκεται διαφοραῖς, οὐκ ὢν ὅμοιος οὐδὲ γιγνόμενος ἀλλὰ μιμούμενος ὅμοιον; πρῶτον μὲν ὁρᾶν δεῖ τὴν ὁμαλότητα τῆς προαιρέσεως καὶ τὸ ἐνδελεχές, εἰ χαίρει τε τοῖς αὐτοῖς ἀεὶ καὶ ταὐτὰ ἐπαινεῖ καὶ πρὸς ἓν ἀπευθύνει καὶ καθίστησι παράδειγμα τὸν ἑαυτοῦ βίον, ὥσπερ ἐλευθέρῳ φιλίας ὁμοιοτρόπου καὶ συνηθείας ἐραστῇ προσήκει. τοιοῦτος γὰρ ὁ φίλος. ὁ δὲ κόλαξ ἅτε δὴ μίαν ἑστίαν ἤθους οὐκ ἔχων μόνιμον οὐδ' ἑαυτῷ [b] βίον ζῶν αἱρετὸν ἀλλ' ἑτέρῳ, καὶ πρὸς ἕτερον πλάττων καὶ προσαρμόττων ἑαυτὸν οὐχ ἁπλοῦς οὐδ' εἷς ἀλλὰ παντοδαπός ἐστι καὶ ποικίλος, εἰς ἄλλον ἐξ ἄλλου τόπον ὥσπερ τὸ μετερώμενον ὕδωρ περιρρέων ἀεὶ καὶ συσχηματιζόμενος τοῖς ὑποδεχομένοις.

Ὁ μὲν γὰρ πίθηκος, ὡς ἔοικε, μιμεῖσθαι τὸν ἄνθρωπον ἐπιχειρῶν ἁλίσκεται συγκινούμενος καὶ συνορχούμενος, ὁ δὲ κόλαξ αὐτὸς ἑτέρους ἐπάγεται καὶ παλεύει, μιμούμενος οὐχ ὁμοίως ἅπαντας ἀλλὰ τῷ μὲν συνορχούμενος καὶ συνᾴδων, τῷ δὲ συμπαλαίων καὶ συγκονιόμενος· θηρατικοῦ δὲ καὶ κυνηγετικοῦ λαβόμενος μονονοὺ τὰ τῆς Φαίδρας ἀναβοῶν ἕπεται

[c] πρὸς θεῶν ἔραμαι κυσὶ θωΰξαι

βαλιαῖς ἐλάφοις ἐγχριμπτόμενος,

καὶ οὐδὲν αὐτῷ πρᾶγμα πρὸς τὸ θηρίον, ἀλλ' αὐτὸν ἐκσαγηνεύει καὶ περιβάλλεται τὸν κυνηγόν. ἂν δὲ θηρεύῃ φιλόλογον καὶ φιλομαθῆ νέον, αὖθις ἐν βιβλίοις ἐστὶ καὶ πώγων ποδήρης καθεῖται καὶ τριβωνοφορία τὸ χρῆμα καὶ ἀδιαφορία, καὶ διὰ στόματος οἵ τε ἀριθμοὶ καὶ τὰ ὀρθογώνια τρίγωνα Πλάτωνος. εἴ τε ῥᾴθυμός τις ἐμπέπαικεν αὖθις καὶ φιλοπότης καὶ πλούσιος,

αὐτὰρ ὁ γυμνώθη ῥακέων πολύμητις Ὀδυσσεύς,

[d] ἔρριπται μὲν ὁ τρίβων, κατακείρεται δ' ὁ πώγων ὥσπερ ἄκαρπον θέρος, ψυκτῆρες δὲ καὶ φιάλαι καὶ γέλωτες ἐν περιπάτοις καὶ σκώμματα πρὸς τοὺς φιλοσοφοῦντας. ὥσπερ ἐν Συρακούσαις φασίν, ὁπηνίκα Πλάτων ἀφίκετο, καὶ Διονύσιον ζῆλος ἔσχε περιμανὴς φιλοσοφίας, τὰ βασίλεια κονιορτοῦ γέμειν ὑπὸ πλήθους τῶν γεωμετρούντων· ἐπεὶ δὲ προσέκρουσε Πλάτων, καὶ Διονύσιος ἐκπεσὼν φιλοσοφίας πάλιν εἰς πότους καὶ γύναια καὶ τὸ ληρεῖν [e] καὶ ἀκολασταίνειν ἧκε φερόμενος, ἀθρόως ἅπαντας ὥσπερ ἐν Κίρκης μεταμορφωθέντας ἀμουσία καὶ λήθη καὶ εὐήθεια κατέσχε. μαρτυρεῖ δὲ καὶ τὰ τῶν μεγάλων ἔργα κολάκων καὶ τὰ τῶν δημαγωγῶν, ὧν ὁ μέγιστος Ἀλκιβιάδης, Ἀθήνησι μὲν σκώπτων καὶ ἱπποτροφῶν καὶ μετ' εὐτραπελίας ζῶν καὶ χάριτος, ἐν δὲ Λακεδαίμονι κειρόμενος ἐν χρῷ καὶ τριβωνοφορῶν καὶ ψυχρολουτῶν, ἐν δὲ Θρᾴκῃ πολεμῶν καὶ πίνων, ἐπεὶ δὲ πρὸς

Τισσαφέρνην ἀφίκετο, τρυφῇ καὶ ἁβρότητι καὶ ἀλαζονείᾳ χρώμενος, ἐδημαγώγει καὶ καθωμίλει τῷ συναφομοιοῦν καὶ συνοικειοῦν [f] ἑαυτὸν ἅπασιν. οὐ μὴν τοιοῦτος Ἐπαμεινώνδας οὐδ᾽ Ἀγησίλαος, ἀλλὰ πλείστοις ὁμιλήσαντες ἀνθρώποις καὶ πόλεσι καὶ βίοις τὸ προσῆκον ἦθος αὑτοῖς πανταχοῦ καὶ στολῇ καὶ διαίτῃ καὶ λόγῳ καὶ βίῳ διεφύλαττον. οὕτω καὶ Πλάτων ἐν Συρακούσαις οἷος ἐν Ἀκαδημείᾳ, καὶ πρὸς Διονύσιον οἷος πρὸς Δίωνα.

Τὰς δὲ τοῦ κόλακος ὥσπερ πολύποδος τροπὰς ῥᾷστα φωράσειεν ἄν τις αὐτὸς ἐπὶ πολλὰ δοκῶν τρέπεσθαι, καὶ ψέγων μὲν ὃν ἐπῄνει πρότερον βίον, οἷς δ᾽ ἤχθετο πράγμασιν ἢ διαίταις ἢ λόγοις ὡς [53] [a] ἀρέσκοντας ἐξαίφνης προσιέμενος. ὄψεται γὰρ αὐτὸν οὐδαμοῦ βέβαιον οὐδ᾽ ἴδιον οὐδ᾽ οἰκείῳ πάθει φιλοῦντα καὶ μισοῦντα καὶ χαίροντα καὶ λυπούμενον, ἀλλὰ δίκην κατόπτρου παθῶν ὀθνείων καὶ βίων καὶ κινημάτων εἰκόνας ἀναδεχόμενον. τοιοῦτος γὰρ οἷος, εἰ ψέγοις τινὰ τῶν φίλων πρὸς αὐτόν, εἰπεῖν "βραδέως πεφώρακας τὸν ἄνθρωπον· ἐμοὶ μὲν γὰρ οὐδὲ πρότερον ἤρεσκεν." ἂν δ᾽ αὖ πάλιν ἐπαινῇς μεταβαλόμενος, νὴ Δία φήσει συνήδεσθαι καὶ χάριν ἔχειν αὐτὸς ὑπὲρ τοῦ ἀνθρώπου καὶ πιστεύειν.

[b] ἂν δὲ βίον ἀλλακτέον ἕτερον εἴπῃς, οἷον εἰς ἀπραγμοσύνην καὶ ἡσυχίαν ἐκ πολιτείας μεταβαλόμενος, "πάλαι γ᾽ ἐχρῆν," φησί, "θορύβων ἡμᾶς ἀπηλλάχθαι καὶ φθόνων." ἂν δὲ πάλιν ὁρμᾶν δοκῇς ἐπὶ τὸ πράττειν καὶ λέγειν, ὑπεφώνησεν "ἄξια σαυτοῦ φρονεῖς· ἡ δ᾽ ἀπραγμοσύνη γλυκὺ μέν, ἀλλ᾽ ἄδοξον καὶ ταπεινόν." εὐθὺς οὖν λέγειν χρὴ πρὸς τὸν τοιοῦτον

ἀλλοῖός μοι, ξεῖν᾽, ἐφάνης νέον ἠὲ πάροιθεν,

οὐ δέομαι φίλου συμμεθισταμένου καὶ συνεπινεύοντος (ἡ γὰρ σκιὰ ταῦτα ποιεῖ μᾶλλον), ἀλλὰ συναληθεύοντος καὶ συνεπικρίνοντος.

Εἷς μὲν οὖν τῶν ἐλέγχων τρόπος τοιοῦτός ἐστιν· [c] ἑτέραν δὲ δεῖ ταῖς ὁμοιώσεσι τοιαύτην παραφυλάττειν διαφοράν. ὁ μὲν ἀληθὴς φίλος οὔτε μιμητής ἐστι πάντων οὔτ᾽ ἐπαινέτης πρόθυμος, ἀλλὰ τῶν ἀρίστων μόνων·

οὐ γὰρ συνέχθειν ἀλλὰ συμφιλεῖν ἔφυ

κατὰ τὸν Σοφοκλέα, καὶ νὴ Δία συγκατορθοῦν καὶ συμφιλοκαλεῖν, οὐ συναμαρτάνειν οὐδὲ συρρᾳδιουργεῖν, ἂν μή τις οἷον ὀφθαλμίας ἀπορροὴ καὶ ἀνάχρωσις ἄκοντα δι᾽ ὁμιλίαν καὶ συνήθειαν ἀναπλήσῃ φαυλότητος ἢ πλημμελείας τινός. ὥς που καὶ Πλάτωνος ἀπομιμεῖσθαί φασι τοὺς συνήθεις τὸ ἐπίκυρτον, [d] Ἀριστοτέλους δὲ τὸν τραυλισμόν, Ἀλεξάνδρου δὲ τοῦ βασιλέως τὴν ἔγκλισιν τοῦ τραχήλου καὶ τὴν ἐν τῷ διαλέγεσθαι τραχύτητα τῆς φωνῆς· τὰ γὰρ πολλὰ λανθάνουσιν ἔνιοι καὶ ἀπὸ τῶν ἠθῶν καὶ ἀπὸ τῶν βίων ἀναλαμβάνοντες. ὁ δὲ κόλαξ ἀτεχνῶς τὸ τοῦ χαμαιλέοντος πέπονθεν.

ἐκεῖνός τε γὰρ ἁπάσῃ χρόᾳ πλὴν τοῦ λευκοῦ συναφομοιοῦται, καὶ ὁ κόλαξ ἐν τοῖς ἀξίοις σπουδῆς ὅμοιον ἑαυτὸν ἐξαδυνατῶν παρέχειν οὐδὲν ἀπολείπει τῶν αἰσχρῶν ἀμίμητον, ἀλλ' ὥσπερ οἱ φαῦλοι ζῳγράφοι τῶν καλῶν ἐφικνεῖσθαι μὴ δυνάμενοι δι' ἀσθένειαν ἐν ῥυτίσι καὶ φακοῖς καὶ οὐλαῖς τὰς ὁμοιότητας ἀναφέρουσιν, [e] οὕτως ἐκεῖνος ἀκρασίας γίγνεται μιμητής, δεισιδαιμονίας, ἀκροχολίας, πικρίας πρὸς οἰκέτας, ἀπιστίας πρὸς οἰκείους καὶ συγγενεῖς. φύσει τε γὰρ ἀφ' ἑαυτοῦ πρὸς τὰ χείρονα κατάντης ἐστί, καὶ δοκεῖ πορρωτάτω τοῦ ψέγειν τὸ αἰσχρὸν εἶναι μιμούμενος. ὕποπτοι γὰρ οἱ τὰ βελτίω ζητοῦντες καὶ δοκοῦντες ἄχθεσθαι καὶ δυσκολαίνειν τοῖς ἁμαρτήμασι τῶν φίλων· ὃ δὴ καὶ Διονυσίῳ Δίωνα καὶ Σάμιον Φιλίππῳ καὶ Κλεομένη Πτολεμαίῳ διέβαλε καὶ ἀπώλεσεν. ὁ δὲ βουλόμενος εἶναι καὶ δοκεῖν ὁμοίως ἡδὺς ἅμα καὶ πιστὸς τοῖς χείροσι μᾶλλον ὑποκρίνεται χαίρειν, ὡς ὑπὸ τοῦ σφόδρα φιλεῖν οὐδὲ [f] τὰ φαῦλα δυσχεραίνων, ἀλλὰ συμπαθὴς πᾶσι καὶ συμφυὴς γιγνόμενος. ὅθεν οὐδὲ τῶν ἀβουλήτων καὶ τυχηρῶν ἀμοιρεῖν ἀξιοῦσιν, ἀλλὰ καὶ νοσεῖν ὅμοια προσποιοῦνται, κολακεύοντες τοὺς νοσώδεις, καὶ μήτε βλέπειν ὀξὺ μήτ' ἀκούειν, ἂν ὑποτύφλοις ἢ ὑποκώφοις συνῶσιν, ὥσπερ οἱ Διονυσίου κόλακες ἀμβλυωποῦντος ἐμπίπτοντες ἀλλήλοις καὶ τὰς παροψίδας ἐν τῷ δειπνεῖν καταβάλλοντες. ἔνιοι δὲ καὶ μᾶλλον ἁπτόμενοι τῶν παθῶν ἐνδοτέρω ποιοῦσιν [54] [a] ἑαυτούς, καὶ καταμιγνύουσιν ἄχρι τῶν ἀπορρήτων τὰς ὁμοιοπαθείας. αἰσθόμενοι γὰρ ἢ περὶ γάμον δυστυχοῦντας ἢ πρὸς υἱοὺς ἢ πρὸς οἰκείους ὑπόπτως ἔχοντας αὐτοὶ σφῶν αὐτῶν ἀφειδοῦσι καὶ ἀποδύρονται περὶ τέκνων ἰδίων ἢ γυναικὸς ἢ συγγενῶν ἢ οἰκείων, αἰτίας τινὰς ἀπορρήτους ἐξαγορεύοντες. ἡ γὰρ ὁμοιότης συμπαθεστέρους ποιεῖ, καὶ μᾶλλον ὥσπερ ὅμηρα δεδεγμένοι προΐενταί τι τῶν ἀπορρήτων αὐτοῖς, προέμενοι δὲ χρῶνται καὶ δεδίασιν ἐγκαταλιπεῖν τὴν πίστιν. ἐγὼ δ' οἶδά τινα συνεκβαλόντα γαμετήν, ὡς ὁ φίλος ἀπεπέμψατο τὴν ἑαυτοῦ· [b] κρύφα δὲ φοιτῶν πρὸς αὐτὴν καὶ διαπεμπόμενος ἐφωράθη, συναισθομένης τῆς τοῦ φίλου γυναικός. οὕτως ἄπειρος ἦν κόλακος ὁ νομίζων τὰ ἰαμβεῖα ταυτὶ τῷ κόλακι μᾶλλον ἢ τῷ καρκίνῳ προσήκειν·

γαστὴρ ὅλον τὸ σῶμα, πανταχῇ βλέπων
ὀφθαλμός, ἕρπον τοῖς ὀδοῦσι θηρίον·
παρασίτου γὰρ ὁ τοιοῦτος εἰκονισμός ἐστι,
τῶν περὶ τάγηνον καὶ μετ' ἄριστον φίλων,
ὡς Εὔπολίς φησιν.

Οὐ μὴν ἀλλὰ ταῦτα μὲν εἰς τὸν οἰκεῖον ἀναθώμεθα τοῦ λόγου τόπον· ἐκεῖνο δὲ μὴ παρῶμεν ἐν ταῖς μιμήσεσι τὸ σόφισμα τοῦ κόλακος, ὅτι κἂν [c] τῶν καλῶν τι μιμῆται τοῦ κολακευομένου, διαφυλάττει τὴν ὑπεροχὴν ἐκείνῳ.

τοῖς μὲν γὰρ ἀληθῶς φίλοις οὔτε ζῆλος οὐδείς ἐστι πρὸς ἀλλήλους οὔτε φθόνος, ἀλλὰ κἂν ἴσον ἔχωσιν ἐν τῷ κατορθοῦν κἂν ἔλαττον, ἀνεπαχθῶς καὶ μετρίως φέρουσιν. ὁ δὲ κόλαξ ἀεὶ μνημονεύων τοῦ τὰ δεύτερα λέγειν ὑφίεται τῇ ὁμοιότητι τῆς ἰσότητος, ἡττᾶσθαι πανταχοῦ καὶ ἀπολείπεσθαι πλὴν τῶν φαύλων ὁμολογῶν. ἐν δὲ τοῖς φαύλοις οὐ παρίησι τὸ πρωτεῖον, ἀλλά φησιν, ἂν ἐκεῖνος ᾖ δύσκολος, αὑτὸν εἶναι μελαγχολικόν· ἂν ἐκεῖνος δεισιδαίμων, αὑτὸν θεοφόρητον· [d] ἐρᾶν ἐκεῖνον, μαίνεσθαι δ' αὑτόν. "ἀκαίρως," φησίν, "ἐγέλας, ἐγὼ δ' ἐξέθνῃσκον ὑπὸ τοῦ γέλωτος." ἀλλ' ἔν γε τοῖς χρηστοῖς τοὐναντίον. αὐτός φησι ταχέως τρέχειν, ἵπτασθαι δ' ἐκεῖνον· αὐτὸς ἱππεύειν ἐπιεικῶς, "ἀλλὰ τί πρὸς τὸν ἱπποκένταυρον τοῦτον; εὐφυής εἰμι ποιητὴς καὶ στίχον οὐ φαυλότατον γράφω,

βροντᾶν δ' οὐκ ἐμὸν ἀλλὰ Διός."

ἅμα γὰρ αὐτοῦ δοκεῖ καὶ τὴν προαίρεσιν ἀποφαίνειν καλὴν μιμούμενος καὶ τὴν δύναμιν ἀνέφικτον ἡττώμενος.

Ἐν μὲν οὖν ταῖς ἐξομοιώσεσι τοιαῦταί τινές εἰσιν αἱ τοῦ κόλακος διαφοραὶ πρὸς τὸν φίλον.

Ἔτι τοίνυν ὥσπερ ἔνιοι τὴν ζῳγραφίαν σιωπῶσαν ἀπεφήναντο ποιητικήν, οὕτως ἔστι τις κολακείας σιωπώσης ἔπαινος. ὥσπερ γὰρ οἱ θηρεύοντες ἂν μὴ τοῦτο ποιεῖν ἀλλ’ ὁδοιπορεῖν ἢ νέμειν ἢ γεωργεῖν δοκῶσι, μᾶλλον τὰ θηρευόμενα λανθάνουσιν, οὕτως οἱ κόλακες ἅπτονται μάλιστα τοῖς ἐπαίνοις, ὅταν ἐπαινεῖν μὴ δοκῶσιν ἀλλ’ ἕτερόν τι πράττειν. ὁ γὰρ ἕδρας εἴκων καὶ κλισίας ἐπιόντι καὶ λέγων [c] πρὸς δῆμον ἢ βουλὴν ἂν αἴσθηταί τινα τῶν πλουσίων βουλόμενον εἰπεῖν, ἀποσιωπῶν μεταξὺ καὶ παραδιδοὺς τὸ βῆμα καὶ τὸν λόγον ἐνδείκνυται σιωπῶν μᾶλλον τοῦ βοῶντος ὅτι κρείττονα νομίζει καὶ διαφέροντα τῷ φρονεῖν ἐκεῖνον. ὅθεν ὁρᾶν ἔστιν αὐτοὺς ἕδρας τε τὰς πρώτας ἐν ἀκροάσεσι καὶ θεάτροις καταλαμβάνοντας, οὐχ ὅτι τούτων ἀξιοῦσιν αὑτούς, ἀλλ’ ὅπως ὑπεξιστάμενοι τοῖς πλουσίοις κολακεύωσι, καὶ λόγου κατάρχοντας ἐν συνόδοις καὶ συνεδρίοις, εἶτα παραχωροῦντας ὡς κρείττοσι καὶ [d] μετατιθεμένους ῥᾷστα πρὸς τοὐναντίον, ἄνπερ ᾖ δυνατὸς ἢ πλούσιος ἢ ἔνδοξος ὁ ἀντιλέγων. ᾧ καὶ μάλιστα δεῖ τὰς τοιαύτας ὑποκατακλίσεις καὶ ἀναχωρήσεις ἐξελέγχειν, οὐκ ἐμπειρίαις οὐδ’ ἀρεταῖς οὐδ’ ἡλικίαις ὑφιεμένων ἀλλὰ πλούτοις καὶ δόξαις. Ἀπελλῆς μὲν γὰρ ὁ ζῳγράφος, Μεγαβύζου παρακαθίσαντος αὐτῷ καὶ περὶ γραμμῆς τι καὶ σκιᾶς βουλομένου λαλεῖν, “ὁρᾷς” ἔφη “τὰ παιδάρια ταυτὶ τὰ τὴν μηλίδα τρίβοντα; πάνυ σοι προσεῖχε τὸν νοῦν σιωπῶντι, καὶ τὴν πορφύραν ἐθαύμαζε καὶ τὰ [e] χρυσία· νῦν δέ σου καταγελᾷ περὶ ὧν οὐ μεμάθηκας ἀρξαμένου λαλεῖν.” καὶ Σόλων, Κροίσου περὶ εὐδαιμονίας πυνθανομένου, Τέλλον τινὰ τῶν οὐκ ἐπιφανῶν Ἀθήνησι καὶ Κλέοβιν καὶ Βίτωνα ἀπέφηνεν εὐποτμοτέρους. οἱ δὲ κόλακες τοὺς βασιλεῖς καὶ πλουσίους καὶ ἄρχοντας οὐκ ὀλβίους μόνον καὶ μακαρίους ἀλλὰ καὶ φρονήσει καὶ τέχνῃ καὶ ἀρετῇ πάσῃ πρωτεύοντας ἀναγορεύουσιν.

Εἶτα τῶν μὲν Στωϊκῶν οὐδ’ ἀκούειν ἔνιοι ὑπομένουσι τὸν σοφὸν ὁμοῦ πλούσιον καλὸν εὐγενῆ βασιλέα προσαγορευόντων, οἱ δὲ κόλακες τὸν πλούσιον ὁμοῦ καὶ ῥήτορα καὶ ποιητήν, ἂν δὲ βούληται, [f] καὶ ζῳγράφον καὶ αὐλητὴν ἀποφαίνουσι καὶ ποδώκη καὶ ῥωμαλέον, ὑποπίπτοντες ἐν τῷ παλαίειν καὶ ἀπολειπόμενοι θεόντων, ὥσπερ Κρίσων ὁ Ἱμεραῖος ἀπελείφθη διαθέων πρὸς Ἀλέξανδρον, ὁ δ’ αἰσθόμενος ἠγανάκτησε. Καρνεάδης δ’ ἔλεγε ὅτι πλουσίων καὶ βασιλέων παῖδες ἱππεύειν μόνον, ἄλλο δ’ οὐδὲν εὖ καὶ καλῶς μανθάνουσι· κολακεύει γὰρ αὐτοὺς ἐν ταῖς διατριβαῖς ὁ διδάσκαλος ἐπαινῶν καὶ ὁ προσπαλαίων ὑποκατακλινόμενος, ὁ δ’ ἵππος, οὐκ εἰδὼς οὐδὲ φροντίζων ὅστις ἰδιώτης ἢ ἄρχων ἢ πλούσιος ἢ πένης, ἐκτραχηλίζει τοὺς μὴ

βριθὺ μέγα στιβαρὸν

καταλείπειν ἄθικτον καὶ ἀμίμητον. ἐπεὶ δὲ φεύγοντες τὸν ἐν γέλωτι καὶ ἀκράτῳ καὶ σκώμμασι καὶ παιδιαῖς ἔλεγχον εἰς ὀφρῦν αἴρουσιν ἤδη τὸ [c] πρᾶγμα καὶ κολακεύουσιν ἐσκυθρωπακότες καὶ ψόγον τινὰ καὶ νουθεσίαν παραμιγνύουσι, φέρε μηδὲ τοῦτο παραλίπωμεν ἀβασάνιστον. οἶμαι δέ, ὥσπερ ἐν κωμῳδίᾳ Μενάνδρου Ψευδηρακλῆς πρόσεισι ῥόπαλον οὐ στιβαρὸν κομίζων οὐδ' ἰσχυρὸν ἀλλὰ χαῦνόν τι πλάσμα καὶ διάκενον, οὕτω τὴν τοῦ κόλακος παρρησίαν φανεῖσθαι πειρωμένοις μαλακὴν καὶ ἀβαρῆ καὶ τόνον οὐκ ἔχουσαν, ἀλλὰ ταὐτὰ τοῖς τῶν γυναικῶν προσκεφαλαίοις δρῶσαν, ἃ δοκοῦντα ταῖς κεφαλαῖς ἀντερείδειν καὶ ἀντέχειν ἐνδίδωσι καὶ [d] ὑπείκει μᾶλλον· ὥσπερ ἡ κίβδηλος αὕτη παρρησία κενὸν ἔχουσα καὶ ψευδῆ καὶ ὕπουλον ὄγκον ἐξήρθη καὶ ᾤδησεν, ἵνα συσταλεῖσα καὶ συμπεσοῦσα δέξηται καὶ συνεπισπάσηται τὸν καταφερόμενον εἰς αὐτήν. ἡ μὲν γὰρ ἀληθὴς καὶ φιλικὴ παρρησία τοῖς ἁμαρτανομένοις ἐπιφύεται, σωτήριον ἔχουσα καὶ κηδεμονικὸν τὸ λυποῦν, ὥσπερ τὸ μέλι τὰ ἡλκωμένα δάκνουσα καὶ καθαίρουσα, τἄλλα δ' ὠφέλιμος οὖσα καὶ γλυκεῖα, περὶ ἧς ἴδιος ἔσται λόγος. ὁ δὲ κόλαξ πρῶτον μὲν ἐνδείκνυται τὸ πικρὸς εἶναι καὶ περισπερχὴς καὶ ἀπαραίτητος ἐν τοῖς πρὸς ἑτέρους (οἰκέταις γὰρ αὐτοῦ χαλεπός ἐστι καὶ συγγενῶν καὶ οἰκείων ἐπεμβῆναι δεινὸς ἁμαρτήμασι καὶ μηδένα [e] θαυμάσαι μηδὲ σεμνῦναι τῶν ἐκτὸς ἀλλ' ὑπερορᾶν, ἀσυγγνώμων δὲ καὶ διάβολος ἐν τῷ πρὸς ὀργὴν ἑτέρους παροξύνειν, θηρώμενος μισοπονηρίας δόξαν, ὡς οὐκ ἂν ἑκὼν ὑφέμενος παρρησίας αὐτοῖς οὐδὲ ποιήσας οὐδὲν οὐδ' εἰπὼν πρὸς χάριν), ἔπειτα δὲ τῶν μὲν ἀληθινῶν καὶ μεγάλων ἁμαρτημάτων οὐδὲν εἰδέναι προσποιούμενος οὐδὲ γιγνώσκειν, πρὸς δὲ τὰ μικρὰ καὶ τὰ

ἐκτὸς ἐλλείμματα δεινὸς ᾆξαι καὶ μετὰ τόνου καθάψασθαι καὶ σφοδρότητος, [f] ἂν σκεῦος ἀμελῶς ἴδῃ κείμενον, ἂν οἰκοῦντα φαύλως, ἂν ὀλιγωροῦντα κουρᾶς ἢ ἀμπεχόνης ἢ κυνός τινος ἢ ἵππου μὴ κατ' ἀξίαν ἐπιμελόμενον· γονέων δὲ ὀλιγωρία καὶ παίδων ἀμέλεια καὶ ἀτιμία γαμετῆς καὶ πρὸς οἰκείους ὑπεροψία καὶ χρημάτων ὄλεθρος οὐδέν ἐστι πρὸς αὐτόν, ἀλλ' ἄφωνος ἐν τούτοις καὶ ἄτολμος, ὥσπερ ἀθλητὴν ἀλείπτης ἐῶν μεθύειν καὶ ἀκολασταίνειν, εἶτα περὶ ληκύθου χαλεπὸς ὢν καὶ στλεγγίδος, ἢ γραμματικὸς ἐπιπλήττων παιδὶ περὶ δέλτου καὶ γραφείου, σολοικίζοντος δὲ καὶ βαρβαρίζοντος οὐ δοκῶν ἀκούειν. τοιοῦτος γὰρ ὁ κόλαξ, οἷος ῥήτορος φαύλου καὶ καταγελάστου μηδὲν εἰπεῖν [60] [a] πρὸς τὸν λόγον, ἀλλὰ περὶ τῆς φωνῆς αἰτιᾶσθαι καὶ χαλεπῶς ἐγκαλεῖν ὅτι τὴν ἀρτηρίαν διαφθείρει ψυχροποτῶν, καὶ σύγγραμμα κελευσθεὶς ἄθλιον διελθεῖν αἰτιᾶσθαι τὸ χαρτίον ὡς δασὺ καὶ τὸν γραφέα μιαρὸν καὶ ὀλίγωρον ἀποκαλεῖν. οὕτω δὲ καὶ Πτολεμαίῳ φιλομαθεῖν δοκοῦντι περὶ γλώττης καὶ στιχιδίου μαχόμενοι καὶ ἱστορίας μέχρι μέσων νυκτῶν ἀπέτεινον· ὠμότητι δὲ χρωμένου καὶ ὕβρει καὶ τυμπανίζοντος καὶ τελοῦντος οὐδεὶς ἐνέστη τῶν [b] τοσούτων. ὥσπερ οὖν εἴ τις ἀνθρώπου φύματα καὶ σύριγγας ἔχοντος ἰατρικῷ σμιλίῳ τὰς τρίχας τέμνοι καὶ τοὺς ὄνυχας, οὕτως οἱ κόλακες τὴν παρρησίαν πρὸς τὰ μὴ λυπούμενα μέρη μηδ' ἀλγοῦντα προσφέρουσιν.

Ἔτι δὲ τούτων ἕτεροι πανουργότεροι καὶ πρὸς ἡδονὴν χρῶνται τῷ παρρησιάζεσθαι καὶ ψέγειν. καθάπερ Ἆγις ὁ Ἀργεῖος, Ἀλεξάνδρου γελωτοποιῷ τινι μεγάλας δωρεὰς διδόντος, ὑπὸ φθόνου καὶ λύπης ἐξέκραγεν "ὢ τῆς πολλῆς ἀτοπίας," ἐπιστρέψαντος δὲ τοῦ βασιλέως πρὸς αὐτὸν ὀργῇ καὶ "τί δὴ σὺ λέγεις;" εἰπόντος "ὁμολογῶ," φησίν, "ἄχθεσθαι καὶ ἀγανακτεῖν, ὁρῶν ὑμᾶς τοὺς ἐκ Διὸς γεγονότας ἅπαντας ὁμοίως [c] κόλαξιν ἀνθρώποις καὶ καταγελάστοις χαίροντας· καὶ γὰρ Ἡρακλῆς Κέρκωψί τισι, καὶ Σειληνοῖς ὁ Διόνυσος ἐτέρπετο, καὶ παρὰ σοὶ τοιούτους ἰδεῖν ἔστιν εὐδοκιμοῦντας." Τιβερίου δὲ Καίσαρος εἰς τὴν σύγκλητόν ποτε παρελθόντος εἷς τῶν κολάκων ἀναστὰς ἔφη δεῖν ἐλευθέρους ὄντας παρρησιάζεσθαι καὶ μηδὲν ὑποστέλλεσθαι μηδ' ἀποσιωπᾶν τῶν συμφερόντων· ἀνατείνας δὲ πάντας οὕτως, γενομένης αὐτῷ σιωπῆς καὶ τοῦ Τιβερίου προσέχοντος, "ἄκουσον," ἔφη, "Καῖσαρ ἅ σοι πάντες ἐγκαλοῦμεν, οὐδεὶς δὲ τολμᾷ φανερῶς λέγειν. ἀμελεῖς σεαυτοῦ καὶ προΐεσαι τὸ σῶμα καὶ κατατρύχεις ἀεὶ φροντίσι καὶ πόνοις ὑπὲρ ἡμῶν, οὔτε μεθ' [d] ἡμέραν οὔτε νυκτὸς ἀναπαυόμενος." πολλὰ δ' αὐτοῦ τοιαῦτα συνείροντος, εἰπεῖν φασι τὸν ῥήτορα Κάσσιον Σευῆρον "αὕτη τοῦτον ἡ παρρησία τὸν ἄνθρωπον ἀποκτενεῖ."

Καὶ ταυτὶ μὲν ἐλάττονά ἐστιν. ἐκεῖνα δ’ ἤδη χαλεπὰ καὶ λυμαινόμενα τοὺς ἀνοήτους, ὅταν εἰς τἀναντία πάθη καὶ νοσήματα κατηγορῶσιν (ὥσπερ Ἱμέριος ὁ κόλαξ τῶν πλουσίων τινὰ τὸν ἀνελευθερώτατον καὶ φιλαργυρώτατον Ἀθήνησιν ὡς ἄσωτον ἐλοιδόρει καὶ ἀμελῆ καὶ πεινήσοντα [e] κακῶς μετὰ τῶν τέκνων) ἢ τοὺς ἀσώτους αὖ πάλιν καὶ πολυτελεῖς εἰς μικρολογίαν καὶ ῥυπαρίαν ὀνειδίζωσιν (ὥσπερ Νέρωνα Τίτος Πετρώνιος) ἢ τοὺς ὠμῶς καὶ ἀγρίως προσφερομένους ἄρχοντας ὑπηκόοις ἀποθέσθαι κελεύωσι τὴν πολλὴν ἐπιείκειαν καὶ τὸν ἄκαιρον ἔλεον καὶ ἀσύμφορον. ὅμοιος δὲ τούτοις καὶ ὁ τὸν εὐήθη καὶ βλᾶκα καὶ ἀβέλτερον ὡς δεινόν τινα καὶ πανοῦργον καὶ φυλάττεσθαι καὶ δεδιέναι προσποιούμενος, καὶ ὁ τοῦ βασκάνου δὲ καὶ τῷ κακολογεῖν ἀεὶ καὶ ψέγειν χαίροντος, ἄν ποτε προαχθεὶς ἐπαινέσῃ τινὰ τῶν ἐνδόξων, καθαπτόμενος καὶ ἀντιλέγων ὡς νόσημα [f] τοῦτ’ ἔχοντος, ἀνθρώπους ἐπαινεῖν καὶ μηδενὸς ἀξίους. “τίς γὰρ οὗτός ἐστιν ἢ τί λαμπρὸν εἴρηκεν ἢ πεποίηκε;” μάλιστα δὲ περὶ τοὺς ἔρωτας τοῖς κολακευομένοις ἐπιτίθενται καὶ προσεκκάουσιν. ἀδελφοῖς μὲν γὰρ ὁρῶντες διαφερομένους ἢ γονέων ὑπερφρονοῦντας ἢ πρὸς γυναῖκας αὐτῶν ὑπεροπτικῶς ἔχοντας οὔτε νουθετοῦσιν οὔτ’ ἐγκαλοῦσιν, ἀλλὰ καὶ προσεπιτείνουσι τὰς ὀργάς. “οὐ γὰρ αἰσθάνῃ σαυτοῦ” καὶ “σὺ τούτων αἴτιος, ἀεὶ θεραπευτικῶς προσφερόμενος καὶ ταπεινῶς.”

[61] [a] ἂν δὲ πρὸς ἑταίραν ἢ μοιχεύτριαν ἐρωμένην κνησμός τις ἐξ ὀργῆς καὶ ζηλοτυπίας ἐγγένηται, πάρεστιν εὐθὺς μετὰ παρρησίας λαμπρᾶς ἡ κολακεία, πῦρ ἐπὶ πῦρ εἰσφέρουσα καὶ δικαιολογουμένη καὶ κατηγοροῦσα τοῦ ἐρῶντος ὡς ἀνέραστα πολλὰ καὶ σκληρὰ καὶ νεμεσητὰ ποιοῦντος·

ὦ δυσχάριστε, τῶν πυκνῶν φιλημάτων.

οὕτως Ἀντώνιον οἱ φίλοι τῆς Αἰγυπτίας ἐρῶντα καὶ καόμενον ἀνέπειθον ὡς ὑπ’ ἐκείνης ἐρῷτο, καὶ λοιδοροῦντες ἐκάλουν ἀπαθῆ καὶ ὑπερήφανον. “ἡ μὲν γὰρ γυνὴ καταλιποῦσα βασιλείαν τοσαύτην [b] καὶ διατριβὰς εὐδαίμονας φθείρεται μετὰ σοῦ στρατευομένη, σχῆμα παλλακίδος ἔχουσα·

σοὶ δέ τις ἐν στήθεσσιν ἀκήλητος νόος ἐστί

καὶ περιορᾷς αὐτὴν ἀνιωμένην.” ὁ δ’ ἡδέως ἐλεγχόμενος ὡς ἀδικῶν καὶ τοῖς κατηγοροῦσι χαίρων ὡς οὐδὲ τοῖς ἐπαινοῦσιν ἐλάνθανε τῷ νουθετεῖν δοκοῦντι προσδιαστρεφόμενος. ἔοικε γὰρ ἡ τοιαύτη παρρησία τοῖς τῶν ἀκολάστων δήγμασι γυναικῶν, ἐγείρουσα καὶ γαργαλίζουσα τῷ δοκοῦντι λυπεῖν τὸ ἡδόμενον. καὶ καθάπερ τὸν ἄκρατον ἄλλως βοηθοῦντα πρὸς τὸ κώνειον ἂν ἐμμείξωσι [c] προσεμβαλόντες αὐτῷ, κομιδῇ ποιοῦσι τὴν τοῦ φαρμάκου δύναμιν ἀβοήθητον, ὀξέως ἀναφερομένην ἐπὶ τὴν καρδίαν ὑπὸ θερμότητος, οὕτω τὴν παρρησίαν ἐπιστάμενοι μέγα βοήθημα πρὸς τὴν

κολακείαν οὖσαν οἱ πονηροὶ δι' αὐτῆς κολακεύουσι τῆς παρρησίας. ὅθεν οὐδ' ὁ Βίας ἀπεκρίνατο καλῶς τῷ πυθομένῳ τί τῶν ζῴων χαλεπώτατόν ἐστιν, ἀποκρινάμενος ὅτι τῶν μὲν ἀγρίων ὁ τύραννος, τῶν δ' ἡμέρων ὁ κόλαξ. ἀληθέστερον γὰρ ἦν εἰπεῖν ὅτι τῶν κολάκων ἥμεροι μέν εἰσιν οἱ περὶ [d] τὸ βαλανεῖον καὶ περὶ τὴν τράπεζαν, ὁ δ' εἰς τὰ δωμάτια καὶ τὴν γυναικωνῖτιν ἐκτείνων ὥσπερ πλεκτάνας τὸ πολύπραγμον καὶ διάβολον καὶ κακόηθες ἄγριος καὶ θηριώδης καὶ δυσμεταχείριστος.

Εἷς δέ τις ἔοικε τρόπος εἶναι φυλακῆς τὸ γιγνώσκειν καὶ μνημονεύειν ἀεὶ ὅτι τῆς ψυχῆς τὸ μὲν ἀληθινὸν καὶ φιλόκαλον καὶ λογικὸν ἐχούσης, τὸ δ' ἄλογον καὶ φιλοψευδὲς καὶ παθητικόν, ὁ μὲν φίλος ἀεὶ τῷ κρείττονι πάρεστι σύμβουλος καὶ συνήγορος, ὥσπερ ἰατρὸς τὸ ὑγιαῖνον αὔξων καὶ διαφυλάττων, ὁ δὲ κόλαξ τῷ παθητικῷ καὶ ἀλόγῳ [e] παρακάθηται, καὶ τοῦτο κνᾷ καὶ γαργαλίζει καὶ ἀναπείθει, καὶ ἀφίστησι τοῦ λογισμοῦ, μηχανώμενος αὐτῷ πονηράς τινας ἡδυπαθείας. ὥσπερ οὖν τῶν σιτίων ἔστιν ἃ μήθ' αἵματι προσφύεται μήτε πνεύματι, μηδὲ νεύροις τινὰ τόνον ἢ μυελοῖς προστίθησιν, ἀλλ' αἰδοῖα παρακινεῖ καὶ κοιλίαν ἐγείρει καὶ σάρκα ποιεῖ σαθρὰν καὶ ὕπουλον, οὕτως ὁ τοῦ κόλακος λόγος οὐδὲν τῷ φρονοῦντι καὶ λογιζομένῳ προστίθησιν, ἀλλ' ἡδονήν τινα τιθασεύων ἔρωτος ἢ θυμὸν ἐντείνων ἀνόητον ἢ διερεθίζων φθόνον ἢ φρονήματος ὄγκον ἐμποιῶν ἐπαχθῆ καὶ κενὸν ἢ λύπῃ συνεπιθρηνῶν ἢ τὸ κακόηθες [f] καὶ ἀνελεύθερον καὶ ἄπιστον ἀεί τισι διαβολαῖς καὶ προαισθήσεσι δριμὺ καὶ ψοφοδεὲς ποιῶν καὶ ὕποπτον οὐ διαφεύξεται τοὺς προσέχοντας. ἀεὶ γὰρ ὑφορμεῖ τινι πάθει καὶ τοῦτο πιαίνει, καὶ πάρεστι βουβῶνος δίκην ἑκάστοτε τοῖς ὑπούλοις καὶ φλεγμαίνουσι τῆς ψυχῆς ἐπιγιγνόμενος. "ὀργίζῃ; κόλασον. ἐπιθυμεῖς; ὤνησαι. φοβῇ; φύγωμεν. ὑπονοεῖς; πίστευσον."

Ἂν δὲ περὶ ταῦτα δυσφώρατος ᾖ τὰ πάθη, διὰ σφοδρότητα καὶ μέγεθος ἐκκρουομένου τοῦ λογισμοῦ, περὶ τὰ μικρὰ λαβὴν παρέξει μᾶλλον, ὅμοιος [62] [a] ὤν. καὶ γὰρ ἐν ὑποψίᾳ κραιπάλης τινὸς ἢ πλησμονῆς γενόμενον καὶ διστάζοντα περὶ λουτροῦ καὶ τροφῆς ὁ μὲν φίλος ἐφέξει, φυλάττεσθαι καὶ προσέχειν παραινῶν, ὁ δὲ κόλαξ εἰς τὸ βαλανεῖον ἕλκει, καὶ κελεύει νεαρόν τι παρατιθέναι καὶ μὴ κακοῦν ἀνατάσει τὸ σῶμα. καὶ πρὸς ὁδὸν ἢ πλοῦν ἤ τινα πρᾶξιν ὁρῶν ἀπομαλακιζόμενον οὐ φήσει κατεπείγειν τὸν καιρόν, ἀλλὰ ταὐτὸ ποιήσειν ὑπερθεμένους ἢ πέμψαντας ἕτερον. ἂν δ' ὑπεσχημένος ἀργύριον οἰκείῳ τινὶ δανείσειν ἢ ἐπιδώσειν [b] μεταμέληται μὲν αἰδῆται δέ, τῇ χείρονι ῥοπῇ προστιθεὶς ἑαυτὸν ὁ κόλαξ ἐπέρρωσε τὴν εἰς τὸ βαλλάντιον γνώμην καὶ τὸ δυσωπούμενον ἐξέκοψεν, ὡς ἀναλίσκοντα πολλὰ καὶ πολλοῖς ἀρκεῖν ὀφείλοντα φείδεσθαι κελεύων. ὅθεν εἰ μὴ λανθάνομεν ἑαυτοὺς

ἐπιθυμοῦντες ἀναισχυντοῦντες ἀποδειλιῶντες, ὁ κόλαξ ἡμᾶς οὐ λήσεται. ἔστι γὰρ συνηγορῶν ἀεὶ τούτοις τοῖς πάθεσι καὶ περὶ τὰς τούτων ἐκβάσεις παρρησιαζόμενος. ταῦτα μὲν οὖν ἱκανὰ περὶ τούτων.

Ἐπὶ δὲ τὰς χρείας καὶ τὰς ὑπουργίας ἴωμεν ἤδη· καὶ γὰρ ἐν ταύταις πολλὴν ἀπεργάζεται [c] σύγχυσιν καὶ ἀσάφειαν ὁ κόλαξ τῆς πρὸς τὸν φίλον διαφορᾶς ἄοκνος δοκῶν εἶναι καὶ πρόθυμος ἐν πᾶσι καὶ ἀπροφάσιστος. ὁ μὲν γὰρ τοῦ φίλου τρόπος ὥσπερ ὁ τῆς ἀληθείας μῦθος ἁπλοῦς ἐστι κατ' Εὐριπίδην καὶ ἀφελὴς καὶ ἄπλαστος, ὁ δὲ τοῦ κόλακος ὄντως

νοσῶν ἐν αὑτῷ φαρμάκων δεῖται σοφῶν

καὶ πολλῶν νὴ Δία καὶ περιττῶν. ὥσπερ οὖν ἐν ταῖς ἀπαντήσεσιν ὁ μὲν φίλος ἔστιν ὅτε μήτ' εἰπὼν μήτ' ἀκούσας μηδὲν ἀλλὰ προσβλέψας καὶ μειδιάσας τὸ εὐμενὲς καὶ τὸ οἰκεῖον ἔνδοθεν δοὺς ταῖς ὄψεσι [d] καὶ δεξάμενος παρῆλθεν, ὁ δὲ κόλαξ τρέχει καταδιώκει δεξιοῦται πόρρωθεν, ἂν προσαγορευθῇ πρότερον ὀφθείς, ἀπολογεῖται μετὰ μαρτύρων καὶ ὅρκων πολλάκις, οὕτως ἐν ταῖς πράξεσι πολλὰ παραλείπουσιν οἱ φίλοι τῶν μικρῶν, οὐκ ἐξακριβοῦντες οὐδὲ πολυπραγμονοῦντες οὐδέν, οὐδ' ἑαυτοὺς εἰς πᾶσαν ὑπουργίαν ἐμβάλλοντες. ἀλλ' ἐκεῖνος ἐνταῦθα συνεχὴς καὶ ἐνδελεχὴς καὶ ἄτρυτος, οὐ διδοὺς ἑτέρῳ τόπον οὐδὲ χώραν διακονίας, ἀλλὰ βουλόμενος κελεύεσθαι, κἂν μὴ κελευσθῇ, δακνόμενος, μᾶλλον δ' ὅλως ἐξαθυμῶν καὶ ποτνιώμενος.

Ἔστι μὲν οὖν καὶ ταῦτα δηλώματα τοῖς [e] νοῦν ἔχουσιν οὐκ ἀληθινῆς φιλίας οὐδὲ σώφρονος ἀλλ' ἑταιρούσης καὶ περιπλεκομένης ἑτοιμότερον τῶν δεομένων.

Οὐ μὴν ἀλλὰ δεῖ πρῶτον ἐν ταῖς ἐπαγγελίαις σκοπεῖν τὴν διαφοράν. εὖ γὰρ εἴρηται καὶ τοῖς πρὸ ἡμῶν φίλου μὲν ἐκείνην εἶναι τὴν ἐπαγγελίαν

εἰ δύναμαι τελέσαι γε καὶ εἰ τετελεσμένον ἐστί,

κόλακος δὲ ταύτην

αὔδα ὅ τι φρονέεις.

καὶ γὰρ οἱ κωμικοὶ τοιούτους εἰσάγουσιν

ἂν μὴ ποιήσω πέπονα μαστιγῶν ὅλον,
ἂν μὴ ποιήσω σπογγιᾶς μαλακώτερον
τὸ πρόσωπον.

[f] ἔπειτα τῶν μὲν φίλων οὐδεὶς γίγνεται συνεργός, εἰ μὴ γένηται σύμβουλος πρότερον, ἀλλ' ὅταν δοκιμάσῃ καὶ συγκαταστήσῃ τὴν πρᾶξιν εἰς τὸ πρέπον ἢ τὸ συμφέρον· ὁ δὲ κόλαξ, κἂν ἀποδῷ τις αὐτῷ τὸ συνδοκιμάσαι καὶ συναποφήνασθαι περὶ τοῦ πράγματος, οὐ μόνον ὑπείκειν καὶ χαρίζεσθαι

βουλόμενος, ἀλλὰ καὶ δεδιὼς ὑποψίαν ὀκνοῦντος παρέχειν καὶ φεύγοντος τὸ ἔργον, ἐνδίδωσι καὶ συνεξορμᾷ τῇ ἐπιθυμίᾳ. οὐδεὶς γάρ ἐστι ῥᾳδίως πλούσιος οὐδὲ βασιλεὺς οἷος εἰπεῖν

ἀλλ' οὐδὲ κατάκεισαι σὺ δεξιῶς," ἅμα δὲ διακινῶν τὸ προσκεφάλαιον αὐτοῦ, λαθὼν ὑπέβαλε τὸ κερμάτιον.

[e] ὡς οὖν ἡ διακονοῦσα πρεσβῦτις εὗρε καὶ θαυμάσασα τῷ Ἀπελλῇ προσήγγειλε, γελάσας ἐκεῖνος "Ἀρκεσιλάου," εἶπε, "τοῦτο τὸ κλέμμα." καὶ μὴν ἐοικότα γε τέκνα φύεται γονεῦσιν ἐν φιλοσοφίᾳ. Λακύδης γοῦν ὁ Ἀρκεσιλάου γνώριμος ἀπ' εἰσαγγελίας φεύγοντι δίκην Κηφισοκράτει μετὰ τῶν ἄλλων φίλων παρειστήκει. τοῦ δὲ κατηγόρου τὸν δακτύλιον αἰτήσαντος, ὁ μὲν ἡσυχῇ παρακαθῆκεν, αἰσθόμενος δ' ὁ Λακύδης ἐπέβη τῷ ποδὶ καὶ ἐπέκρυψεν· ἦν γὰρ ὁ ἔλεγχος ἐν ἐκείνῳ. μετὰ δὲ τὴν ἀπόφασιν τοῦ Κηφισοκράτους δεξιουμένου τοὺς [f] δικαστὰς εἷς τις ὡς ἔοικεν ἑωρακὼς τὸ γενόμενον ἐκέλευσε Λακύδῃ χάριν ἔχειν καὶ τὸ πρᾶγμα διηγήσατο, τοῦ Λακύδου πρὸς μηδένα φράσαντος. οὕτως οἶμαι καὶ τοὺς θεοὺς εὐεργετεῖν τὰ πολλὰ λανθάνοντας, αὐτῷ τῷ χαρίζεσθαι καὶ εὖ ποιεῖν φύσιν ἔχοντας ἥδεσθαι. τὸ δὲ τοῦ κόλακος ἔργον οὐδὲν ἔχει δίκαιον οὐδ' ἀληθινὸν οὐδ' ἁπλοῦν οὐδ' ἐλευθέριον, ἀλλ' ἱδρῶτα καὶ κραυγὴν καὶ διαδρομὴν καὶ σύντασιν προσώπου ποιοῦσαν ἔμφασιν καὶ δόκησιν [64] [a] ἐπιπόνου χρείας καὶ κατεσπευσμένης, ὥσπερ ζῳγράφημα περίεργον ἀναιδέσι φαρμάκοις καὶ κεκλασμέναις στολίσι καὶ ῥυτίσι καὶ γωνίαις ἐναργείας φαντασίαν ἐπαγόμενον. ἔστι δὲ καὶ διηγούμενος ἐπαχθὴς ὡς ἔπραξε πλάνας τινὰς ἐπ' αὐτῷ καὶ φροντίδας, εἶτ' ἀπεχθείας πρὸς ἑτέρους εἶτα πράγματα μυρία καὶ μεγάλα πάθη διεξιών, ὥστ' εἰπεῖν οὐκ ἄξια ταῦτ' ἐκείνων· πᾶσα μὲν γὰρ ὀνειδιζομένη χάρις ἐπαχθὴς καὶ ἄχαρις καὶ οὐκ ἀνεκτή, ταῖς δὲ τῶν κολάκων οὐχ ὕστερον ἀλλὰ πραττομέναις ἔνεστιν [b] εὐθὺς τὸ ἐπονείδιστον καὶ δυσωποῦν. ὁ δὲ φίλος, ἂν εἰπεῖν δεήσῃ τὸ πρᾶγμα, μετρίως ἀπήγγειλε, περὶ αὑτοῦ δ' εἶπεν οὐδέν. ᾗ δὴ καὶ Λακεδαιμόνιοι Σμυρναίοις δεομένοις σῖτον πέμψαντες, ὡς ἐθαύμαζον ἐκεῖνοι τὴν χάριν, "οὐδέν," ἔφασαν, "μέγα· μίαν γὰρ ἡμέραν ψηφισάμενοι τὸ ἄριστον ἀφελεῖν ἑαυτῶν καὶ τῶν ὑποζυγίων ταῦτ' ἠθροίσαμεν." οὐ γὰρ μόνον ἐλευθέριος ἡ τοιαύτη χάρις, ἀλλὰ καὶ τοῖς λαμβάνουσιν ἡδίων, ὅτι τοὺς ὠφελοῦντας οὐ μεγάλα βλάπτεσθαι νομίζουσιν.

Οὐ τοίνυν μάλιστα τῷ περὶ τὰς ὑπουργίας ἐπαχθεῖ τοῦ κόλακος οὐδὲ τῇ περὶ τὰς ἐπαγγελίας [c] εὐχερείᾳ γνοίη τις ἂν τὴν φύσιν, ἀλλὰ μᾶλλον ἐν τῷ καλῷ τῆς χρείας ἢ αἰσχρῷ καὶ διαφέροντι πρὸς ἡδονὴν ἢ ὠφέλειαν. ὁ μὲν γὰρ φίλος οὐχ, ὥσπερ ἀπεφαίνετο Γοργίας, αὐτῷ μὲν ἀξιώσει τὰ δίκαια τὸν φίλον ὑπουργεῖν, ἐκείνῳ δ' αὐτὸς ὑπηρετήσει πολλὰ καὶ τῶν μὴ δικαίων·

συσσωφρονεῖν γάρ, οὐχὶ συννοσεῖν ἔφυ.

μᾶλλον οὖν κἀκεῖνον ἀποτρέψει τῶν μὴ προσηκόντων· ἂν δὲ μὴ πείθῃ, καλὸν τὸ Φωκίωνος πρὸς Ἀντίπατρον "οὐ δύνασαί μοι καὶ φίλῳ χρῆσθαι καὶ κόλακι," τουτέστι καὶ φίλῳ καὶ μὴ φίλῳ. συνεργεῖν γὰρ δεῖ τῷ φίλῳ μὴ συμπανουργεῖν, καὶ συμβουλεύειν μὴ συνεπιβουλεύειν, καὶ συμμαρτυρεῖν μὴ

συνεξαπατᾶν, καὶ συνατυχεῖν νὴ Δία μὴ [d] συναδικεῖν. οὐδὲ γὰρ τὸ συνειδέναι τοῖς φίλοις τὰ αἰσχρά, πόθεν γε δὴ τὸ συμπράττειν καὶ συνασχημονεῖν αἱρετόν ἐστιν; ὥσπερ οὖν Λακεδαιμόνιοι μάχῃ κρατηθέντες ὑπ' Ἀντιπάτρου καὶ ποιούμενοι διαλύσεις ἠξίουν ὅ τι βούλεται ζημιῶδες, αἰσχρὸν δὲ μηδὲν ἐπιτάττειν αὐτοῖς, οὕτως ὁ φίλος, ἄν τις ἢ δαπάνην ἢ κίνδυνον ἢ πόνον ἔχουσα χρεία καταλαμβάνῃ, πρῶτος ἀξιῶν καλεῖσθαι καὶ μετέχειν ἀπροφασίστως καὶ προθύμως, ὅπου δὲ πρόσεστιν αἰσχύνη, μόνον ἐᾶν καὶ φείδεσθαι παραιτούμενος.

[e] ἀλλ' ἥ γε κολακεία τοὐναντίον ἐν μὲν ταῖς ἐπιπόνοις καὶ κινδυνώδεσιν ὑπουργίαις ἀπαγορεύει, κἂν διαπειρώμενος κρούσῃς, σαθρὸν ἔκ τινος προφάσεως ὑπηχεῖ καὶ ἀγεννές· ἐν δὲ ταῖς αἰσχραῖς καὶ ταπειναῖς καὶ ἀδόξοις διακονίαις ἀπόχρησαι πάτησον, οὐδὲν ἡγεῖται δεινὸν οὐδ' ὑβριστικόν.

Ὁρᾷς τὸν πίθηκον; οὐ δύναται τὴν οἰκίαν φυλάττειν ὡς ὁ κύων, οὐδὲ βαστάζειν ὡς ὁ ἵππος, οὐδ' ἀροῦν τὴν γῆν ὡς οἱ βόες· ὕβριν οὖν φέρει καὶ βωμολοχίαν καὶ παιδιὰς ἀνέχεται, γέλωτος ὄργανον ἐμπαρέχων ἑαυτόν. οὕτω δὴ καὶ ὁ κόλαξ οὐ συνειπεῖν οὐ συνεισενεγκεῖν οὐ συναγωνίσασθαι δυνάμενος, πόνου τε καὶ σπουδῆς ἁπάσης ἀπολειπόμενος, [f] ἐν ταῖς ὑπὸ μάλης πράξεσιν ἀπροφάσιστός ἐστι, καὶ πιστὸς ἔρωτος ὑπηρέτης καὶ περὶ λύσιν πόρνης ἀκριβὴς καὶ πότου δαπάνης ἐκκαθῆραι λογισμὸν οὐκ ἀμελής, οὐδὲ ῥᾴθυμος ἐν δείπνων παρασκευαῖς, θεραπευτικὸς δὲ παλλακίδων, πρὸς δὲ κηδεστὰς ἀποθρασύνεσθαι κελευσθεὶς καὶ συνεκβαλεῖν γαμετὴν ἄτεγκτος καὶ ἀδυσώπητος. ὥστε [65] [a] μηδὲ ταύτῃ δυσφώρατον εἶναι τὸν ἄνδρα· προστατTόμενος γὰρ ὅ τι βούλει τῶν ἀδόξων καὶ μὴ καλῶν ἕτοιμος ἀφειδεῖν ἑαυτοῦ, τῷ προστάττοντι χαριζόμενος.

Οὐχ ἥκιστα δ' ἄν τις αὐτὸν ἐν τῇ πρὸς τοὺς ἄλλους φίλους διαθέσει καταμάθοι πολὺ τοῦ φίλου διαφέροντα. τῷ μὲν γὰρ ἥδιστόν ἐστι μετὰ πολλῶν φιλεῖν καὶ φιλεῖσθαι, καὶ τοῦτο πράττων ἀεὶ διατελεῖ περὶ τὸν φίλον ὅπως πολύφιλος καὶ πολυτίμητος ἔσται· κοινὰ γὰρ τὰ φίλων ἡγούμενος οὐδὲν οὕτως οἴεται δεῖν κοινὸν ὡς τοὺς φίλους [b] ὑπάρχειν· ὁ δὲ ψευδὴς καὶ νόθος καὶ ὑπόχαλκος ὤν, ἅτε δὴ μάλιστα γιγνώσκων ἑαυτὸν ἀδικοῦντα τὴν φιλίαν ὥσπερ νόμισμα παράσημον ὑπ' αὐτοῦ γενομένην, ἔστι μὲν καὶ φύσει φθονερός, ἀλλὰ τῷ φθόνῳ χρῆται πρὸς τοὺς ὁμοίους, διαμιλλώμενος ὑπερβαλέσθαι βωμολοχίᾳ καὶ σπερμολογίᾳ, τὸν δὲ κρείττονα τρέμει καὶ δέδοικεν, οὐ μὰ Δία

ὅταν οὖν ἐλαφρὸς ὢν καὶ ἐπίτηκτος καὶ ἀπατηλὸς ἐγγύθεν ἀντεξετάζηται πρὸς ἀληθινὴν καὶ ἐμβριθῆ [c] φιλίαν καὶ σφυρήλατον, οὐκ ἀναφέρων ἀλλ’ ἐξελεγχόμευος ταὐτὸ ποιεῖ τῷ ζῳγραφήσαντι τοὺς ἀλεκτρυόνας ἀθλίως. ἐκεῖνός τε γὰρ ἐκέλευε τὸν παῖδα τοὺς ἀληθινοὺς ἀλεκτρυόνας ἀποσοβεῖν ἀπωτάτω τοῦ πίνακος, οὗτός τε τοὺς ἀληθινοὺς ἀποσοβεῖ φίλους καὶ οὐκ ἐᾷ πλησιάζειν· ἂν δὲ μὴ δύνηται, φανερῶς μὲν ὑποσαίνει καὶ περιέπει καὶ τέθηπεν ὡς ἀμείνονας, λάθρᾳ δ’ ὑφίησί τινας καὶ ὑποσπείρει διαβολάς. κρυφίου δὲ λόγου κνήσαντος ἕλκος, κἂν μὴ παντελῶς εὐθὺς ἐργάσηται, τὸ τοῦ Μηδίου φυλάττει μεμνημένος. ἦν δ’ ὁ Μήδιος τοῦ περὶ τὸν Ἀλέξανδρον χοροῦ τῶν κολάκων οἷον ἔξαρχος καὶ σοφιστὴς [d] κορυφαῖος ἐπὶ τοὺς ἀρίστους συντεταγμένων. ἐκέλευεν οὖν θαρροῦντας ἅπτεσθαι καὶ δάκνειν ταῖς διαβολαῖς, διδάσκων ὅτι, κἂν θεραπεύσῃ τὸ ἕλκος ὁ δεδηγμένος, ἡ οὐλὴ μενεῖ τῆς διαβολῆς. ταύταις μέντοι ταῖς οὐλαῖς, μᾶλλον δὲ γαγγραίναις καὶ καρκινώμασι διαβρωθεὶς Ἀλέξανδρος ἀπώλεσε καὶ Καλλισθένη καὶ Παρμενίωνα καὶ Φιλώταν· Ἅγνωσι δὲ καὶ Βαγώαις καὶ Ἀγησίαις καὶ Δημητρίοις ἀφειδῶς ἐνέδωκεν ἑαυτὸν ὑποσκελίζεσθαι, προσκυνούμενον καὶ καταστολιζόμενον καὶ ἀναπλαττόμενον [e] ὑπ’ αὐτῶν ὥσπερ ἄγαλμα βαρβαρικόν. οὕτω μεγάλην ἔχει τὸ πρὸς χάριν δύναμιν, καὶ μεγίστην ὡς ἔοικεν ἐν τοῖς μεγίστοις εἶναι δοκοῦσι· τὸ γὰρ οἴεσθαι τὰ κάλλιστα μετὰ τοῦ βούλεσθαι πίστιν ἅμα τῷ κόλακι καὶ θάρσος δίδωσι. τῶν μὲν γὰρ τόπων τὰ ὑψηλὰ δυσπρόσοδα καὶ δυσέφικτα γίγνεται τοῖς ἐπιβουλεύουσι, τὸ δ’ ἐν ψυχῇ νοῦν οὐκ ἐχούσῃ δι’ εὐτυχίαν ἢ δι’ εὐφυΐαν ὕψος καὶ φρόνημα τοῖς μικροῖς καὶ ταπεινοῖς μάλιστα βάσιμόν ἐστιν.

Ὅθεν ἀρχόμενοί τε τοῦ λόγου παρεκελευσάμεθα καὶ νῦν παρακελευόμεθα τὸ φίλαυτον ἐκκόπτειν [f] ἑαυτῶν καὶ τὴν οἴησιν· αὕτη γὰρ ἡμᾶς προκολακεύουσα μαλακωτέρους ποιεῖ τοῖς θυραίοις κόλαξιν, ὡς ἑτοίμους ὄντας. ἂν δὲ πειθόμενοι τῷ θεῷ καὶ τὸ “γνῶθι σαυτὸν” ὡς ἑκάστῳ τοῦ παντὸς ἄξιόν ἐστι μαθόντες ἅμα καὶ φύσιν καὶ τροφὴν καὶ παίδευσιν ἑαυτῶν ἀναθεωρῶμεν ἐλλείμματα μυρία τοῦ καλοῦ καὶ πολὺ τὸ φαύλως καὶ εἰκῇ συμμεμιγμένον ἔχουσαν ἐν πράξεσιν ἐν λόγοις ἐν πάθεσιν, οὐ πάνυ ῥᾳδίως ἐμπεριπατεῖν τοῖς κόλαξιν ἑαυτοὺς παρέξομεν. Ἀλέξανδρος μὲν γὰρ ἀπιστεῖν ἔφη τοῖς θεὸν αὐτὸν ἀναγορεύουσιν ἐν τῷ καθεύδειν μάλιστα καὶ ἀφροδισιάζειν, ὡς ἀγεννέστερος περὶ ταῦτα καὶ παθητικώτερος αὑτοῦ γιγνόμενος· [66] [a] ἡμεῖς δὲ πολλὰ πολλαχοῦ τῶν ἰδίων αἰσχρὰ καὶ λυπηρὰ καὶ ἀτελῆ καὶ ἡμαρτημένα καθορῶντες ἀεὶ φωράσομεν ἑαυτοὺς οὐκ ἐπαινοῦντος φίλου καὶ κατευλογοῦντος δεομένους, ἀλλ’ ἐλέγχοντος καὶ

παρρησιαζομένου καὶ ψέγοντος ἡμᾶς νὴ Δία κακῶς πράττοντας. ὀλίγοι μὲν γὰρ ἐκ πολλῶν εἰσιν οἱ παρρησιάζεσθαι μᾶλλον ἢ χαρίζεσθαι τοῖς φίλοις τολμῶντες· ἐν δὲ τοῖς ὀλίγοις αὖθις οὐ ῥᾳδίως ἂν εὕροις ἐπισταμένους τοῦτο ποιεῖν, ἀλλ' οἰομένους, ἂν λοιδορῶσι καὶ ψέγωσι, παρρησίᾳ χρῆσθαι. καίτοι [b] καθάπερ ἄλλῳ τινὶ φαρμάκῳ, καὶ τῷ παρρησιάζεσθαι μὴ τυχόντι καιροῦ τὸ λυπεῖν ἀχρήστως καὶ ταράττειν περίεστι καὶ ποιεῖν τρόπον τινὰ μετ' ἀλγηδόνος ὃ ποιεῖ μεθ' ἡδονῆς τὸ κολακεύειν. βλάπτονται γὰρ οὐκ ἐπαινούμενοι μόνον ἀκαίρως ἀλλὰ καὶ ψεγόμενοι· καὶ τοῦτο μάλιστα τοῖς κόλαξιν εὐλήπτους καὶ πλαγίους παραδίδωσιν, ἀπὸ τῶν σφόδρα προσάντων καὶ ἀντιτύπων ὥσπερ ἐπὶ τὰ κοῖλα καὶ μαλακὰ δίκην ὕδατος ἀπολισθάνοντας. διὸ δεῖ τὴν παρρησίαν ἤθει κεκρᾶσθαι καὶ λόγον ἔχειν ἀφαιροῦντα τὸ ἄγαν καὶ τὸ ἄκρατον αὐτῆς ὥσπερ φωτός, ἵνα μὴ ταραττόμενοι μηδ' ἀλγοῦντες ὑπὸ τῶν ἅπαντα μεμφομένων καὶ πᾶσιν ἐγκαλούντων καταφεύγωσιν εἰς τὴν τοῦ κόλακος σκιάν, καὶ πρὸς τὸ μὴ λυποῦν ἀποστρέφωνται.

[c] Πᾶσαν μὲν γάρ, ὦ Φιλόπαππε, κακίαν φευκτέον ἐστὶ δι' ἀρετῆς, οὐχὶ διὰ τῆς ἐναντίας κακίας, ὥσπερ ἔνιοι δοκοῦσιν αἰσχυντηλίαν μὲν ἀναισχυντίᾳ φεύγειν ἀγροικίαν δὲ βωμολοχίᾳ, δειλίας δὲ καὶ μαλακίας ἀπωτάτω τίθεσθαι τὸν τρόπον ἂν ἔγγιστα φαίνωνται λαμυρίας καὶ θρασύτητος. ἔνιοι δὲ καὶ δεισιδαιμονίας ἀθεότητα καὶ πανουργίαν ἀβελτερίας [d] ἀπολόγημα ποιοῦνται, καθάπερ ξύλον τὸ ἦθος ἐκ καμπῆς εἰς τοὐναντίον ἀπειρίᾳ τοῦ κατορθοῦν διαστρέφοντες. αἰσχίστη δὲ κολακείας ἄρνησις ἀνωφελῶς λυπηρὸν εἶναι, καὶ κομιδῇ τινος ἀμούσου καὶ ἀτέχνου πρὸς εὔνοιαν ὁμιλίας ἀηδίᾳ καὶ χαλεπότητι φεύγειν τὸ ἀγεννὲς ἐν φιλίᾳ καὶ ταπεινόν, ὥσπερ ἀπελεύθερον ἐν κωμῳδίᾳ τὴν κατηγορίαν ἰσηγορίας ἀπόλαυσιν ἡγούμενον.

Ἐπεὶ τοίνυν αἰσχρὸν μέν ἐστι κολακείᾳ περιπεσεῖν διώκοντα τὸ πρὸς χάριν, αἰσχρὸν δὲ φεύγοντα κολακείαν παρρησίας ἀμετρίᾳ διαφθεῖραι τὸ φιλικὸν καὶ κηδεμονικόν, δεῖ δὲ μηδέτερον παθεῖν ἀλλ' ὥσπερ ἄλλῳ τινὶ καὶ τῇ παρρησίᾳ τὸ καλὸν ἐκ τοῦ [e] μετρίου λαβεῖν, αὐτὸς ἔοικεν ὁ λόγος ὁ τὸ ἐφεξῆς ἀπαιτῶν ἐπιτιθέναι τὴν κορωνίδα τῷ συγγράμματι.

Ὥσπερ οὖν κῆράς τινας ἐπούσας τῇ παρρησίᾳ πλείονας ὁρῶντες πρῶτον ἀφαιρῶμεν αὐτῆς τὴν φιλαυτίαν, εὖ μάλα φυλαττόμενοι μὴ διά τι τῶν ἰδίων οἷον ἀδικούμενοι καὶ ἀλγοῦντες ἐξονειδίζειν δοκῶμεν. οὔτε γὰρ ὑπ' εὐνοίας ἀλλ' ὑπ' ὀργῆς οἴονται γίγνεσθαι τὸν ὑπὲρ αὑτοῦ τοῦ λέγοντος γιγνόμενον λόγον, οὔτε νουθεσίαν ἀλλὰ μέμψιν εἶναι. φιλικὸν γὰρ ἡ παρρησία καὶ σεμνόν, ἡ δὲ μέμψις καὶ φίλαυτον καὶ μικρολόγον. ὅθεν αἰδοῦνται τοὺς παρρησιαζομένους καὶ θαυμάζουσι, τοῖς δὲ μεμφομένοις ἀντεγκαλοῦσι καὶ καταφρονοῦσιν.

[b] ὥσπερ γὰρ Ὑπερείδης ὁ ῥήτωρ ἠξίου σκοπεῖν Ἀθηναίους μὴ μόνον εἰ πικρός ἐστιν, ἀλλ’ εἰ προῖκα πικρός, οὕτως ἡ τοῦ φίλου νουθεσία καθαρεύουσα παντὸς ἰδίου πάθους αἰδεστόν ἐστι καὶ σεμνὸν καὶ ἀναντίβλεπτον. ἐὰν δὲ δὴ καὶ φανερὸς ᾖ τις ἐν τῷ παρρησιάζεσθαι τὰ μὲν εἰς αὑτὸν ἁμαρτήματα τοῦ φίλου κομιδῇ προϊέμενος καὶ ἀπολείπων, ἄλλας δέ τινας αὐτοῦ πλημμελείας ἐλέγχων καὶ δάκνων ἐφ’ ἑτέροις καὶ μὴ φειδόμενος, ἄμαχος ὁ τόνος τῆς παρρησίας οὗτός ἐστι καὶ τῇ γλυκύτητι τοῦ νουθετοῦντος ἐπιτείνων τὸ πικρὸν καὶ αὐστηρὸν τῆς νουθεσίας. ὅθεν εὖ μὲν εἴρηται τὸ δεῖν ἐν ταῖς ὀργαῖς [c] καὶ ταῖς διαφοραῖς ταῖς πρὸς τοὺς φίλους μάλιστα πράττειν τι καὶ σκοπεῖν τῶν ἐκείνοις συμφερόντων ἢ πρεπόντων, οὐχ ἧττον δὲ τούτου φιλικόν ἐστι τὸ παροράσθαι καὶ ἀμελεῖσθαι δοκοῦντας αὐτοὺς ὑπὲρ ἄλλων ἀμελουμένων παρρησιάζεσθαι καὶ ὑπομιμνῄσκειν. ὡς Πλάτων ἐν ταῖς πρὸς Διονύσιον ὑποψίαις καὶ διαφοραῖς ᾐτήσατο καιρὸν ἐντυχίας· εἶθ’ ὁ μὲν ἔδωκεν, οἰόμενος ὑπὲρ αὐτοῦ τι ἔχειν μέμψασθαι τὸν Πλάτωνα καὶ διελθεῖν, ὁ δὲ Πλάτων οὕτω πως διελέχθη πρὸς αὐτόν. “εἴ τινα αἴσθοιο, Διονύσιε, [d] δυσμενῆ πεπλευκότα εἰς Σικελίαν, κακόν τί σε ποιῆσαι βουλόμενον οὐκ ἔχοντα δὲ καιρόν, ἆρ’ ἂν ἐάσειας αὐτὸν ἐκπλεῦσαι καὶ περιίδοις ἀθῷον ἀπαλλαγέντα;” “πολλοῦ δέω,” εἶπεν ὁ Διονύσιος, “ὦ Πλάτων· δεῖ γὰρ οὐ τὰ ἔργα τῶν ἐχθρῶν μόνον ἀλλὰ καὶ τὴν προαίρεσιν μισεῖν καὶ κολάζειν.” “εἰ τοίνυν,” εἶπεν ὁ Πλάτων, “ἐπ’ εὐνοίᾳ τις ἀφιγμένος τῇ σῇ δεῦρο βούλεται μὲν ἀγαθοῦ τινος αἴτιός σοι γενέσθαι, σὺ δὲ καιρὸν οὐ παρέχεις, ἄξιόν ἐστι τοῦτον ἀχαρίστως προέσθαι καὶ ὀλιγώρως;” ἐρωτήσαντος δὲ τοῦ Διονυσίου τίς ἐστιν οὗτος, “Αἰσχίνης,” εἶπεν, “ἀνὴρ τῷ τε ἤθει παρ’ ὁντινοῦν τῶν

Σωκράτους ἑταίρων ἐπιεικὴς καὶ τῷ λόγῳ δυνατὸς ἐπανορθοῦν οἷς συνείη· [e] πλεύσας δὲ δεῦρο πολλὴν θάλατταν, ὡς συγγένοιτό σοι διὰ φιλοσοφίας, ἠμέληται." ταῦθ' οὕτως ἐκίνησε τὸν Διονύσιον, ὥστε τὰς μὲν χεῖρας τῷ Πλάτωνι εὐθὺς περιβαλεῖν καὶ κατασπάζεσθαι, τὴν εὐμένειαν καὶ τὴν μεγαλοφροσύνην ἀγάμενον, τοῦ δ' Αἰσχίνου καλῶς καὶ μεγαλοπρεπῶς ἐπιμεληθῆναι.

Δεύτερον τοίνυν ὥσπερ ἐκκαθαίροντες ὕβριν ἅπασαν καὶ γέλωτα καὶ σκῶμμα καὶ βωμολοχίαν ἡδύσματα πονηρὰ τῆς παρρησίας ἀφαιρῶμεν. ὥσπερ [f] γὰρ ἰατροῦ σάρκα τέμνοντος εὐρυθμίαν τινὰ δεῖ καὶ καθαριότητα τοῖς ἔργοις ἐπιτρέχειν, ὀρχηστικὴν δὲ καὶ παράβολον καὶ περιτρέχουσαν ὑγρότητα καὶ περιεργίαν ἀπεῖναι τῆς χειρός, οὕτως ἡ παρρησία δέχεται τὸ ἐπιδέξιον καὶ τὸ ἀστεῖον, ἂν ἡ χάρις τὴν σεμνότητα σῴζῃ, θρασύτης δὲ καὶ βδελυρία καὶ ὕβρις προσοῦσα πάνυ διαφθείρει καὶ ἀπόλλυσιν. ὅθεν ὁ μὲν ψάλτης οὐκ ἀπιθάνως οὐδ' ἀμούσως ἐπεστόμισε τὸν Φίλιππον ἐπιχειροῦντα περὶ κρουμάτων διαφέρεσθαι πρὸς αὐτόν, εἰπὼν "μὴ γένοιτό [68] [a] σοι οὕτως, ὦ βασιλεῦ, κακῶς, ἵν' ἐμοῦ ταῦτα σὺ βέλτιον εἰδῇς." Ἐπίχαρμος δ' οὐκ ὀρθῶς, τοῦ Ἱέρωνος ἀνελόντος ἐνίους τῶν συνήθων καὶ μεθ' ἡμέρας ὀλίγας καλέσαντος ἐπὶ δεῖπνον αὐτόν, "ἀλλὰ πρῴην," ἔφη, "θύων τοὺς φίλους οὐκ ἐκάλεσας." κακῶς δὲ καὶ Ἀντιφῶν, παρὰ Διονυσίῳ ζητήσεως οὔσης καὶ λόγου "ποῖος χαλκὸς ἄριστος," "ἐκεῖνος," εἶπεν, "ἐξ οὗ Ἀθήνησι κατεσκεύασαν τὰς Ἁρμοδίου καὶ Ἀριστογείτονος εἰκόνας." οὔτε γὰρ ὠφελεῖ τούτων τὸ λυπηρὸν καὶ πικρόν, οὔτε τέρπει τὸ βωμολόχον καὶ παιδιῶδες, ἀλλ' ἔστι κακοηθείᾳ καὶ ὕβρει μεμιγμένης [b] ἀκρασίας μετ' ἔχθρας τὸ τοιοῦτον εἶδος, ᾧ χρώμενοι προσαπολλύουσιν αὑτούς, τὴν περὶ τὸ φρέαρ ὄρχησιν ἀτεχνῶς ὀρχούμενοι. καὶ γὰρ Ἀντιφῶν ἀπέθανεν ὑπὸ Διονυσίου καὶ Τιμαγένης ἐξέπεσε τῆς Καίσαρος φιλίας, ἐλευθέρᾳ μὲν οὐδέποτε φωνῇ χρησάμενος, ἐν δὲ τοῖς συμποσίοις καὶ τοῖς περιπάτοις ἑκάστοτε πρὸς οὐδ' ἡντινοῦν σπουδὴν

Ἐπεὶ καὶ τοῖς κωμικοῖς πολλὰ πρὸς τὸ θέατρον αὐστηρὰ καὶ πολιτικὰ πεποίητο· συμμεμιγμένον δὲ [c] τὸ γελοῖον αὐτοῖς καὶ βωμολόχον, ὥσπερ σιτίοις ὑπότριμμα μοχθηρόν, ἐξίτηλον ἐποίει τὴν παρρησίαν καὶ ἄχρηστον, ὥστε περιῆν κακοηθείας δόξα καὶ βδελυρίας τοῖς λέγουσι, χρήσιμον δὲ τοῖς ἀκούουσιν οὐδὲν ἀπὸ τῶν λεγομένων. ἄλλως μὲν οὖν προσοιστέον ἐστὶ καὶ παιδιὰν καὶ γέλωτα τοῖς φίλοις· ἡ δὲ παρρησία σπουδὴν ἐχέτω καὶ ἦθος. ἂν

δ’ ὑπὲρ μειζόνων ᾖ, καὶ πάθει καὶ σχήματι καὶ τόνῳ φωνῆς ὁ λόγος ἀξιόπιστος ἔστω καὶ κινητικός.

Ὁ δὲ καιρὸς ἐν παντὶ μὲν παρεθεὶς μεγάλα βλάπτει, μάλιστα δὲ τῆς παρρησίας διαφθείρει τὸ χρήσιμον. ὅτι μὲν οὖν ἐν οἴνῳ καὶ μέθῃ τὸ τοιοῦτο [d] φυλακτέον, εὔδηλόν ἐστιν. εὐδίᾳ γὰρ ἐπάγει νέφος ὁ κινῶν ἐν παιδιᾷ καὶ φιλοφροσύνῃ λόγον ὀφρῦν ἀνασπῶντα καὶ συνιστάντα τὸ πρόσωπον, ὥσπερ ἀντιταττόμενον τῷ Λυαίῳ θεῷ καὶ “λύοντι τὸ τῶν δυσφόρων σχοινίον μεριμνᾶν” κατὰ Πίνδαρον. ἔχει δὲ καὶ κίνδυνον ἡ ἀκαιρία μέγαν. ἀκροσφαλεῖς γάρ εἰσιν αἱ ψυχαὶ πρὸς ὀργὴν διὰ τὸν οἶνον, καὶ πολλάκις ἡ μέθη παραλαβοῦσα τὴν παρρησίαν ἔχθραν ἐποίησε. καὶ ὅλως οὐκ ἔστι γενναῖον οὐδὲ θαρραλέον ἀλλ’ ἄνανδρον ἐν τῷ νήφειν ἀπαρρησιάστου τὸ παρρησιάζεσθαι παρὰ τράπεζαν ὥσπερ οἱ δειλοὶ κύνες. οὐδὲν οὖν δεῖ περὶ τούτων λέγοντα μηκύνειν.

[e] Ἐπεὶ δὲ πολλοὶ τοὺς φίλους εὖ φερομένους ἐν τοῖς πράγμασιν οὔτ’ ἀξιοῦσιν οὔτε τολμῶσι ῥυθμίζειν, ἀλλ’ ὅλως ἀπρόσιτον καὶ ἀνέφικτον ἡγοῦνται νουθεσίᾳ τὸ εὐτυχοῦν εἶναι, σφαλλομένοις δὲ καὶ πταίουσιν ἐπιτίθενται καὶ πατοῦσιν ὑπὸ χεῖρα καὶ ταπεινοὺς γεγενημένους, ὥσπερ ῥεῦμα κεκρατημένον παρὰ φύσιν τὴν παρρησίαν ἀθρόως ἐφιέντες αὐτοῖς καὶ ἀπολαύοντες ἄσμενοι τῆς μεταβολῆς διὰ τὴν πρόσθεν ὑπεροψίαν ἐκείνων αὑτῶν δ’ ἀσθένειαν, οὐ χεῖρόν ἐστι καὶ περὶ τούτων διελθεῖν καὶ ἀποκρίνασθαι τῷ Εὐριπίδῃ λέγοντι

[69] [a] εἰς ὄμματ’ εὔνου φωτὸς ἐμβλέψαι γλυκὺ

παρηγοροῦντος καὶ παραθαρρύνοντος, ὥσπερ τοῦ Κλεάρχου τὸ πρόσωπον ὁ Ξενοφῶν ἐν ταῖς μάχαις καὶ παρὰ τὰ δεινά φησιν ὁρώμενον εὐμενὲς καὶ φιλάνθρωπον εὐθαρσεστέρους ποιεῖν τοὺς κινδυνεύοντας. ὁ δὲ παρρησίαν καὶ δηγμὸν ἀνθρώπῳ δυστυχοῦντι προσάγων ὥσπερ ὀξυδορκικὸν ὄμματι ταραττομένῳ καὶ φλεγμαίνοντι, θεραπεύει μὲν οὐδὲν οὐδ’ ἀφαιρεῖ τοῦ λυποῦντος, ὀργὴν δὲ τῇ λύπῃ [b] προστίθησι καὶ παροξύνει τὸν ἀνιώμενον.

αὐτίκα γοῦν ὑγιαίνων μέν τις οὐ χαλεπός ἐστιν οὐδ’ ἄγριος παντάπασιν ἀνδρὶ φίλῳ ψέγοντι μὲν συνουσίας καὶ πότους αὐτοῦ ψέγοντι δ’ ἀργίαν καὶ ἀγυμνασίαν καὶ λουτρὰ συνεχῆ καὶ πλησμονὰς ἀκαίρους· νοσοῦντι δ’ οὐκ ἀνεκτὸν ἀλλὰ μείζων νόσος ἀκούειν ὅτι ταῦτά σοι γέγονεν ἐξ ἀκρασίας καὶ μαλακίας καὶ δι’ ὄψα καὶ γυναῖκας. ὢ τῆς ἀκαιρίας, ἄνθρωπε· διαθήκην γράφω καὶ παρασκευάζεταί μοι καστόριον ἢ σκαμώνιον ὑπὸ τῶν ἰατρῶν, σὺ δὲ νουθετεῖς καὶ φιλοσοφεῖς. οὕτω τοίνυν καὶ τὰ πράγματα τῶν δυστυχούντων οὐ παρρησίαν ἐνδέχεται καὶ γνωμολογίαν, [c] ἀλλ’ ἐπιεικείας δεῖται καὶ βοηθείας. καὶ γὰρ αἱ τίτθαι τοῖς παιδίοις πεσοῦσιν οὐ λοιδορησόμεναι προστρέχουσιν, ἀλλ’ ἤγειραν καὶ περιέπλυναν καὶ κατέστειλαν, εἶθ’ οὕτως ἐπιπλήττουσι καὶ κολάζουσι.

Λέγεται δὲ καὶ Δημήτριος ὁ Φαληρεὺς ὅτε τῆς πατρίδος ἐξέπεσε καὶ περὶ Θήβας ἀδοξῶν καὶ ταπεινὰ πράττων διῆγεν, οὐχ ἡδέως ἰδεῖν προσιόντα Κράτητα, παρρησίαν κυνικὴν καὶ λόγους τραχεῖς προσδεχόμενος· ἐντυχόντος δὲ πράως αὐτῷ τοῦ Κράτητος καὶ διαλεχθέντος περὶ φυγῆς ὡς οὐδὲν [d] ἔχοι κακὸν οὐδ’ ἄξιον φέρειν βαρέως πραγμάτων σφαλερῶν καὶ ἀβεβαίων ἀπηλλαγμένον, ἅμα δὲ θαρρεῖν ἑαυτῷ καὶ τῇ διαθέσει παρακαλοῦντος, ἡδίων γενόμενος καὶ ἀναθαρρήσας πρὸς τοὺς φίλους εἶπε “φεῦ τῶν πράξεων ἐκείνων καὶ ἀσχολιῶν δι’ ἃς ἄνδρα τοιοῦτον οὐκ ἔγνωμεν.”

λυπουμένῳ γὰρ μῦθος εὐμενὴς φίλων,
ἄγαν δὲ μωραίνοντι νουθετήματα.

Οὗτος ὁ τρόπος τῶν γενναίων φίλων· οἱ δ’ ἀγεννεῖς καὶ ταπεινοὶ τῶν εὐτυχούντων κόλακες, [e] “ὥσπερ τὰ ῥήγματα καὶ τὰ σπάσματά,” φησι Δημοσθένης, “ὅταν τι κακὸν τὸ σῶμα λάβῃ τότε κινεῖσθαι,” καὶ οὗτοι ταῖς μεταβολαῖς ἐπιφύονται, καθάπερ ἡδόμενοι καὶ ἀπολαύοντες. καὶ γὰρ ἂν δέηταί τινος ὑπομνήσεως ἐν οἷς δι’ αὑτὸν ἔπταισε βουλευσάμενος κακῶς, ἱκανόν ἐστι τὸ

οὔ τι καθ’ ἡμέτερόν γε νόον· μάλα γάρ τοι ἔγωγε
πόλλ’ ἀπεμυθεόμην.

Ἐν τίσιν οὖν σφοδρὸν εἶναι δεῖ τὸν φίλον καὶ πότε τῷ τόνῳ χρῆσθαι τῆς παρρησίας; ὅταν ἡδονῆς ἢ ὀργῆς ἢ ὕβρεως ἐπιλαβέσθαι φερομένης οἱ [f] καιροὶ παρακαλῶσιν ἢ κολοῦσαι φιλαργυρίαν ἢ ἀπροσεξίαν ἀνασχεῖν ἀνόητον. οὕτως ἐπαρρησιάζετο Σόλων πρὸς Κροῖσον ὑπ’ εὐτυχίας ἀβεβαίου διεφθορότα καὶ τρυφῶντα, τὸ τέλος ὁρᾶν κελεύσας· οὕτω Σωκράτης Ἀλκιβιάδην ἐκόλουε, καὶ δάκρυον ἐξῆγεν ἀληθινὸν ἐξελεγχομένου καὶ τὴν καρδίαν ἔστρεφε. τοιαῦτα τὰ Κύρου πρὸς Κυαξάρην καὶ τὰ πρὸς Δίωνα Πλάτωνος, ὅτε λαμπρότατος ἦν καὶ πάντας εἰς ἑαυτὸν ἀνθρώπους ἐπέστρεφε

διὰ τὸ [70] [a] κάλλος τῶν πράξεων καὶ τὸ μέγεθος, παρακελευομένου φυλάττεσθαι καὶ δεδιέναι τὴν "αὐθάδειαν, ὡς ἐρημίᾳ ξύνοικον." ἔγραφε δὲ καὶ Σπεύσιππος αὐτῷ μὴ μέγα φρονεῖν εἰ πολὺς αὐτοῦ λόγος ἐστὶν ἐν παιδαρίοις καὶ γυναίοις, ἀλλ' ὁρᾶν ὅπως ὁσιότητι καὶ δικαιοσύνῃ καὶ νόμοις ἀρίστοις κοσμήσας Σικελίαν "εὐκλεᾶ θήσει" τὴν Ἀκαδήμειαν. Εὗκτος δὲ καὶ Εὐλαῖος, ἑταῖροι Περσέως, εὐτυχοῦντι μὲν ἀεὶ πρὸς χάριν ὁμιλοῦντες καὶ συνεπινεύοντες ὥσπερ οἱ λοιποὶ παρηκολούθουν· ἐπεὶ δὲ Ῥωμαίοις συμβαλὼν περὶ Πύδναν ἔπταισε καὶ ἔφυγε, προσπεσόντες ἐπετίμων πικρῶς καὶ ἀνεμίμνῃσκον ὧν ἐξήμαρτεν ἢ παρεῖδεν, ἕκαστον ἐξονειδίζοντες, ἄχρι οὗ [b] διαλγήσας ὁ ἄνθρωπος ὑπὸ λύπης καὶ ὀργῆς ἀμφοτέρους τῷ ξιφιδίῳ παίων ἀνεῖλεν.

Ὁ μὲν οὖν κοινὸς οὕτω προωρίσθω καιρός· οὓς δὲ παρέχουσιν αὐτοὶ πολλάκις οὐ χρὴ προΐεσθαι τὸν κηδόμενον φίλον ἀλλὰ χρῆσθαι· καὶ γὰρ ἐρώτησις ἐνίοις καὶ διήγησις καὶ ψόγος ὁμοίων ἐφ' ἑτέροις ἢ ἔπαινος ὥσπερ ἐνδόσιμον εἰς παρρησίαν ἐστίν. οἷον ἐλθεῖν Δημάρατον εἰς Μακεδονίαν λέγουσι καθ' ὃν χρόνον ἐν διαφορᾷ πρὸς τὴν γυναῖκα [c] καὶ τὸν υἱὸν ὁ Φίλιππος ἦν· ἀσπασαμένου δ' αὐτὸν τοῦ Φιλίππου καὶ πυθομένου πῶς πρὸς ἀλλήλους ἔχουσιν ὁμονοίας οἱ Ἕλληνες, εἰπεῖν τὸν Δημάρατον εὔνουν ὄντα καὶ συνήθη "πάνυ γοῦν, ὦ Φίλιππε, καλόν ἐστί σοι πυνθάνεσθαι μὲν περὶ τῆς Ἀθηναίων καὶ Πελοποννησίων ὁμοφροσύνης, τὴν δ' οἰκίαν περιορᾶν τὴν σεαυτοῦ τοσαύτης στάσεως καὶ διχονοίας γέμουσαν." εὖ δὲ καὶ Διογένης, ὃς ἐπεὶ παρελθὼν εἰς τὸ τοῦ Φιλίππου στρατόπεδον, ὅτε τοῖς Ἕλλησιν ἐβάδιζε μαχούμενος, ἀνήχθη πρὸς αὐτόν, ὁ δ' ἀγνοῶν ἠρώτησεν εἰ κατάσκοπός ἐστι, "πάνυ μὲν οὖν," ἔφη, "κατάσκοπος, ὦ Φίλιππε, τῆς [d] ἀβουλίας σου καὶ τῆς ἀνοίας, δι' ἣν οὐδενὸς ἀναγκάζοντος ἔρχῃ περὶ βασιλείας καὶ τοῦ σώματος ὥρᾳ μιᾷ διακυβεύσων."

Τοῦτο μὲν οὖν ἴσως σφοδρότερον· ἕτερος δὲ καιρός ἐστι νουθεσίας ὅταν ὑπ' ἄλλων λοιδορηθέντες ἐφ' οἷς ἁμαρτάνουσι ταπεινοί τε γένωνται καὶ συσταλῶσιν. ᾧ χρῷτ' ἂν ἐμμελῶς ὁ χαρίεις τοὺς μὲν λοιδοροῦντας ἀνακόπτων καὶ διακρουόμενος, ἰδίᾳ δ' αὐτὸς ἁπτόμενος τοῦ φίλου καὶ ὑπομιμνῄσκων ὡς εἰ διὰ μηδὲν ἄλλο προσεκτέον αὐτῷ, ὅπως γε μὴ θρασεῖς ὦσιν οἱ ἐχθροί. "ποῦ γὰρ ἔστι τούτοις τὸ στόμα διᾶραι, τί δὲ πρὸς σὲ εἰπεῖν, ἂν ἀφῇς ταῦτα [e] καὶ ῥίψῃς ἐφ' οἷς κακῶς ἀκούεις;" γίγνεται γὰρ οὕτω τὸ μὲν λυπηρὸν τοῦ λοιδοροῦντος, τὸ δ' ὠφέλιμον τοῦ νουθετοῦντος.

Ἔνιοι δὲ κομψότερον, ἄλλους ψέγοντες, ἐπιστρέφουσι τοὺς συνήθεις· κατηγοροῦσι γὰρ ἑτέρων ἃ πράττοντας ἐκείνους ἴσασιν. ὁ δ' ἡμέτερος καθηγητὴς Ἀμμώνιος ἐν δειλινῇ διατριβῇ τῶν γνωρίμων τινὰς αἰσθόμενος

ἠριστηκότας οὐχ ἁπλοῦν ἄριστον ἐκέλευσεν ἰδίῳ παιδὶ πληγὰς ἐμβαλεῖν τὸν ἀπελεύθερον, ἐπειπὼν ὅτι χωρὶς ὄξους ἀριστᾶν οὐ δύναται. καὶ ἅμα πρὸς ἡμᾶς ἀπέβλεψεν, ὥστε τῶν ἐνόχων ἅψασθαι τὴν ἐπιτίμησιν.

Ἔτι τοίνυν εὐλαβητέον ἐστὶν ἐν πολλοῖς παρρησίᾳ χρῆσθαι πρὸς φίλον, ἐνθυμούμενον τὸ τοῦ [f] Πλάτωνος. ἐπεὶ γὰρ ὁ Σωκράτης ἥψατό τινος τῶν συνήθων σφοδρότερον ἐπὶ ταῖς τραπέζαις διαλεγόμενος, "οὐκ ἄμεινον ἦν," ὁ Πλάτων ἔφη, "ἰδίᾳ ταῦτα λελέχθαι;" καὶ ὁ Σωκράτης "σὺ δ' οὐκ ἄμεινον," εἶπεν, "ἐποίησας ἂν ἰδίᾳ πρὸς ἐμὲ τοῦτ' εἰπών;" Πυθαγόρου δὲ τραχύτερον ἐν πολλοῖς γνωρίμῳ προσενεχθέντος ἀπάγξασθαι τὸ μειράκιον λέγουσιν, ἐκ τούτου δὲ μηδέποτε τὸν Πυθαγόραν αὖθις ἄλλου παρόντος ἄλλον νουθετῆσαι. δεῖ γὰρ ὡς νοσήματος οὐκ εὐπρεποῦς τῆς ἁμαρτίας τὴν νουθέτησιν καὶ ἀνακάλυψιν ἀπόρρητον εἶναι καὶ μὴ [71] [a] πανηγυρικὴν μηδ' ἐπιδεικτικὴν μηδὲ μάρτυρας καὶ θεατὰς συνάγουσαν. οὐ γὰρ φιλικὸν ἀλλὰ σοφιστικὸν ἀλλοτρίοις ἐνευδοκιμεῖν σφάλμασι, καλλωπιζόμενον πρὸς τοὺς παρόντας, ὥσπερ οἱ χειρουργοῦντες ἐν τοῖς θεάτροις ἰατροὶ πρὸς ἐργολαβίαν. ἄνευ δὲ τῆς ὕβρεως, ἣν οὐδεμιᾷ θεραπείᾳ προσεῖναι δίκαιόν ἐστι, καὶ τὸ τῆς κακίας σκεπτέον φιλόνεικον καὶ αὔθαδες. οὐ γὰρ ἁπλῶς

[c]ἥκιστα δὲ πρέπει γαμετῆς ἀκουούσης ἄνδρα καὶ παίδων ἐν ὄψει πατέρα καὶ ἐραστὴν ἐρωμένου παρόντος ἢ γνωρίμων διδάσκαλον ἀποκαλύπτειν· ἐξίστανται γὰρ ὑπὸ λύπης καὶ ὀργῆς ἐλεγχόμενοι παρ' οἷς εὐδοκιμεῖν ἀξιοῦσιν. οἶμαι δὲ καὶ Κλεῖτος οὐχ οὕτω παρώξυνε διὰ τὸν οἶνον, ὡς ὅτι πολλῶν παρόντων ἐδόκει κολούειν Ἀλέξανδρον.

Καὶ Ἀριστομένης ὁ Πτολεμαίου καθηγητὴς ὅτι νυστάζοντα πρεσβείας παρούσης ἐπάταξεν ἐξεγείρων, λαβήν τινα παρέσχε τοῖς κόλαξι, προσποιουμένοις ἀγανακτεῖν ὑπὲρ τοῦ βασιλέως καὶ λέγουσιν [d] "εἰ τοσαῦτα κοπιῶν καὶ ἀγρυπνῶν κατηνέχθης, ἰδίᾳ σε νουθετεῖν ὀφείλομεν, οὐκ ἐναντίον ἀνθρώπων τοσούτων προσφέρειν τὰς χεῖρας." ὁ δὲ φαρμάκου

[e] καὶ μὴν ὅπερ ὁ Θουκυδίδης τοὺς Κορινθίους λέγοντας περὶ αὑτῶν πεποίηκεν, ὡς “ἄξιοί” εἰσιν ἑτέροις “ἐπενεγκεῖν ψόγον,” οὐ κακῶς εἰρημένον, ἔδει παρεῖναι τοῖς παρρησιαζομένοις. Λύσανδρος μὲν γὰρ ὡς ἔοικε πρὸς τὸν ἐκ Μεγάρων ἐν τοῖς συμμάχοις παρρησιαζόμενον ὑπὲρ τῆς Ἑλλάδος ἔφη τοὺς λόγους αὐτοῦ πόλεως δεῖσθαι· παρρησία δὲ παντὸς ἀνδρὸς ἤθους ἴσως δεῖται, καὶ τοῦτ’ ἀληθέστατόν ἐστιν ἐπὶ τῶν ἑτέρους νουθετούντων καὶ σωφρονιζόντων λεγόμενον. ὁ γοῦν Πλάτων ἔλεγε νουθετεῖν τῷ βίῳ τὸν Σπεύσιππον, ὥσπερ ἀμέλει καὶ Πολέμωνα Ξενοκράτης ὀφθεὶς μόνον ἐν τῇ [f] διατριβῇ καὶ ἀποβλέψας πρὸς αὐτὸν ἐτρέψατο καὶ μετέθηκεν. ἐλαφροῦ δὲ καὶ φαύλου τὸ ἦθος ἀνθρώπου λόγῳ παρρησίας ἁπτομένῳ περίεστι προσακοῦσαι τὸ

καὶ ὁ Σωκράτης οὕτως ἀτρέμα τοὺς νέους ἤλεγχεν, ὡς μηδ’ αὐτὸς ἀπηλλαγμένος ἀμαθίας, ἀλλὰ μετ’ ἐκείνων οἰόμενος δεῖν ἀρετῆς ἐπιμελεῖσθαι καὶ ζητεῖν τἀληθές· καὶ γὰρ εὔνοιαν καὶ πίστιν ἔχουσιν οἱ ταὐτὰ μὲν ἁμαρτάνειν, ἐπανορθοῦσθαι δὲ τοὺς φίλους ὥσπερ αὑτοὺς δοκοῦντες. ὁ δὲ σεμνύνων ἑαυτὸν ἐν τῷ κολούειν ἕτερον, ὡς δή τις εἰλικρινὴς καὶ ἀπαθής, ἂν μὴ πολὺ καθ’ ἡλικίαν ᾖ προήκων μηδ’ ἔχων ἀρετῆς ὁμολογούμενον ἀξίωμα καὶ δόξης, [b] ἐπαχθὴς φανεὶς καὶ βαρὺς οὐδὲν ὠφέλησεν. ὅθεν οὐχ ἁπλῶς ὁ Φοῖνιξ ἐνέβαλε τὰ περὶ αὑτὸν ἀτυχήματα, δι’ ὀργὴν ἐπιχειρήσαντος ἀνελεῖν τὸν πατέρα καὶ ταχὺ μεταγνόντος,

Ἥκιστα δὲ προσήκει νουθετούμενον ἀντινουθετεῖν καὶ παρρησίᾳ παρρησίαν ἀντεισφέρειν· ταχὺ γὰρ ἐκκάει καὶ ποιεῖ διαφοράν, καὶ ὅλως οὐκ ἀντιπαρρησιαζομένου δόξειεν ἂν ἀλλὰ παρρησίαν μὴ [f] φέροντος ὁ τοιοῦτος ὠθισμὸς εἶναι. βέλτιον οὖν ὑπομένειν τὸν νουθετεῖν δοκοῦντα φίλον· ἂν γὰρ ὕστερον αὐτὸς ἁμαρτάνῃ καὶ δέηται νουθεσίας, αὐτὸ τοῦτο τῇ παρρησίᾳ τρόπον τινὰ παρρησίαν δίδωσιν. ὑπομιμνῃσκόμενος γὰρ ἄνευ μνησικακίας ὅτι τοὺς φίλους καὶ αὐτὸς εἰώθει μὴ περιορᾶν ἁμαρτάνοντας ἀλλ’ ἐξελέγχειν

[73] [a] Ἔτι τοίνυν ὁ μὲν Θουκυδίδης φησὶν “ὅστις ἐπὶ μεγίστοις τὸ ἐπίφθονον λαμβάνει, ὀρθῶς βουλεύεται”· τῷ δὲ φίλῳ προσήκει τὸ ἐκ τοῦ νουθετεῖν ἐπαχθὲς ὑπὲρ μεγάλων ἀναδέχεσθαι καὶ σφόδρα διαφερόντων. ἂν δ’ ἐπὶ πᾶσι καὶ πρὸς πάντα δυσκολαίνῃ καὶ μὴ φιλικῶς ἀλλὰ παιδαγωγικῶς προσφέρηται τοῖς συνήθεσιν, ἀμβλὺς ἐν τοῖς μεγίστοις νουθετῶν ἔσται καὶ ἄπρακτος, ὥσπερ ἰατρὸς δριμὺ φάρμακον ἢ πικρὸν ἀναγκαῖον δὲ [b] καὶ πολυτελὲς εἰς πολλὰ καὶ μικρὰ καὶ οὐκ ἀναγκαῖα διελὼν τῇ παρρησίᾳ κατακεχρημένος. αὐτὸς μὲν οὖν σφόδρα φυλάξεται τὸ συνεχὲς καὶ φιλαίτιον· ἑτέρου δὲ μικρολογουμένου περὶ πάντα καὶ παρασυκοφαντοῦντος ὥσπερ ἐνδόσιμον ἕξει πρὸς τὰ μείζονα τῶν ἁμαρτημάτων. καὶ γὰρ ἰατρὸς Φιλότιμος ἐμπύου τὸ ἧπαρ ἀνθρώπου δείξαντος αὐτῷ τὸν δάκτυλον ἡλκωμένον “οὐκ ἔστι σοι,” εἶπεν, “ὦ τᾶν, περὶ παρωνυχίας ὁ λόγος.” οὐκοῦν καὶ τῷ φίλῳ δίδωσιν ὁ καιρὸς εἰπεῖν πρὸς τὸν ἐπὶ μικροῖς καὶ μηδενὸς ἀξίοις ἐγκαλοῦντα “τί παιδιὰς καὶ πότους καὶ φλυάρους λέγομεν; οὗτος, ὦ τᾶν, ἀποπεμψάσθω τὴν ἑταίραν ἢ παυσάσθω κυβεύων, καὶ τἄλλα θαυμαστὸς ἡμῖν ἄνθρωπός ἐστιν.” ὁ [c] γὰρ εἰς τὰ μικρὰ συγγνώμην λαβὼν οὐκ ἀηδῶς εἰς τὰ μείζονα τῷ φίλῳ παρρησίαν δίδωσιν· ὁ δ’ ἐγκείμενος ἀεὶ καὶ πανταχοῦ πικρὸς καὶ ἀτερπὴς καὶ πάντα γιγνώσκων καὶ πολυπραγμονῶν οὐδὲ παισὶν ἀνεκτὸς οὐδ’ ἀδελφοῖς, ἀλλὰ καὶ δούλοις ἀφόρητος.

Ἐπεὶ δ’ οὔτε τῷ γήρᾳ πάντα πρόσεστι κακὰ κατ’ Εὐριπίδην οὔτε τῇ τῶν φίλων ἀβελτερίᾳ, δεῖ μὴ μόνον ἁμαρτάνοντας ἀλλὰ καὶ κατορθοῦντας ἐπιτηρεῖν τοὺς φίλους, καὶ νὴ Δία προθύμως ἐπαινεῖν τὸ πρῶτον· εἶθ’ ὥσπερ ὁ σίδηρος πυκνοῦται [d] τῇ περιψύξει καὶ δέχεται τὴν στόμωσιν ἀνεθεὶς πρῶτον ὑπὸ θερμότητος καὶ μαλακὸς γενόμενος, οὕτω τοῖς φίλοις διακεχυμένοις καὶ θερμοῖς οὖσιν ὑπὸ τῶν ἐπαίνων ὥσπερ βαφὴν ἀτρέμα τὴν παρρησίαν ἐπάγειν. δίδωσι γὰρ ὁ καιρὸς εἰπεῖν “ἆρ’ ἄξιον ἐκεῖνα τούτοις παραβάλλειν; ὁρᾷς τὸ καλὸν οἵους καρποὺς ἀποδίδωσι; ταῦτ’ ἀπαιτοῦμεν οἱ φίλοι, ταῦτ’ ἐστὶν οἰκεῖα, πρὸς ταῦτα πέφυκας· ἐκεῖνα δ’ ἀποδιοπομπητέον

τὸν μὲν οὖν θυμοειδῆ καὶ ἀνδρώδη δειλίας δόξῃ, τὸν δὲ σώφρονα καὶ κόσμιον ἀκολασίας, τὸν δ’ ἐλευθέριον καὶ μεγαλοπρεπῆ μικρολογίας καὶ φιλαργυρίας δεδιττόμενοι παρορμῶσι πρὸς τὰ καλὰ καὶ τῶν αἰσχρῶν ἀπελαύνουσι, μέτριοι μὲν ἐν τοῖς [c] ἀνηκέστοις ἐξεταζόμενοι καὶ τὸ λυπούμενον καὶ τὸ συναλγοῦν πλέον ἐν τῷ παρρησιάζεσθαι τοῦ ψέγοντος ἔχοντες, ἐν δὲ ταῖς κωλύσεσι τῶν ἁμαρτανομένων καὶ πρὸς τὰ πάθη διαμάχαις σφοδροὶ καὶ ἀπαραίτητοι καὶ συνεχεῖς ὄντες· οὗτος γὰρ ὁ καιρὸς εὐνοίας ἀθρύπτου καὶ παρρησίας ἀληθινῆς ἐστι.

Τῷ δὲ ψέγειν τὰ πραχθέντα καὶ τοὺς ἐχθροὺς κατ’ ἀλλήλων ὁρῶμεν χρωμένους, ὥσπερ Διογένης ἔλεγεν ὅτι τῷ μέλλοντι σῴζεσθαι δεῖ φίλους ἀγαθοὺς ἢ διαπύρους ἐχθροὺς ὑπάρχειν· οἱ μὲν γὰρ διδάσκουσιν, οἱ δ’ ἐλέγχουσι. βέλτιον δὲ τὰς ἁμαρτίας φυλάττεσθαι τοῖς συμβουλεύουσι πειθόμενον ἢ μετανοεῖν ἁμαρτόντα διὰ τοὺς κακῶς [d] λέγοντας. καὶ διὰ

Ἐπεὶ τοίνυν, ὥσπερ εἴρηται, πολλάκις ἡ παρρησία τῷ θεραπευομένῳ λυπηρὰ πέφυκε, δεῖ μιμεῖσθαι τοὺς ἰατρούς· οὔτε γὰρ ἐκεῖνοι τέμνοντες ἐν τῷ πονεῖν καὶ ἀλγεῖν καταλείπουσι τὸ πεπονθός, ἀλλ' ἐνέβρεξαν προσηνῶς καὶ κατῃόνησαν, οὔθ' οἱ νουθετοῦντες ἀστείως τὸ πικρὸν καὶ δηκτικὸν προσβαλόντες ἀποτρέχουσιν, ἀλλ' ὁμιλίαις ἑτέραις [e] καὶ λόγοις ἐπιεικέσιν ἐκπραΰνουσι καὶ διαχέουσιν, ὥσπερ οἱ λιθοξόοι τὰ πληγέντα καὶ περικοπέντα τῶν ἀγαλμάτων ἐπιλεαίνοντες καὶ γανοῦντες. ὁ δὲ πληγεὶς μὲν τῇ παρρησίᾳ καὶ χαραχθείς, ἀφεθεὶς δὲ τραχὺς καὶ οἰδῶν καὶ ἀνώμαλος ὑπ' ὀργῆς δυσανάκλητος αὖθίς ἐστι καὶ δυσπαρηγόρητος. διὸ καὶ τοῦτο δεῖ παραφυλάττειν ἐν τοῖς μάλιστα τοὺς νουθετοῦντας καὶ μὴ προαπολείπειν, μηδὲ ποιεῖσθαι πέρας ὁμιλίας καὶ συνουσίας τὸ λυποῦν καὶ παροξῦνον τοὺς συνήθεις.

[75] Τίς τῶν λόγων, ὦ Σόσσιε Σενεκίων, σώσει [b] τὴν ἑαυτοῦ βελτιουμένου πρὸς ἀρετὴν συναίσθησιν, εἰ μηδεμίαν αἱ προκοπαὶ ποιοῦσι τῆς ἀφροσύνης ἄνεσιν, ἀλλ’ ἴσῳ σταθμῷ πᾶσιν ἡ κακία περικειμένη

μολυβδὶς ὥστε δίκτυον κατέσπασεν;

οὐδὲ γὰρ ἐν μουσικοῖς τις ἢ γραμματικοῖς ἐπιδιδοὺς ἂν γνοίη μηδὲν ἐν τῷ μανθάνειν ἀπαρύτων τῆς περὶ ταῦτα ἀμαθίας ἀλλ’ ἴσης ἀεὶ τῆς ἀτεχνίας αὐτῷ παρούσης, οὐδὲ κάμνοντι θεραπεία μὴ ποιοῦσα ῥᾳστώνην μηδὲ κουφισμὸν ἁμωσγέπως τοῦ νοσήματος ὑπείκοντος καὶ χαλῶντος αἴσθησιν ἂν [c] παρέχοι διαφορᾶς, πρὶν εἰλικρινῆ τὴν ἐναντίαν ἕξιν ἐγγενέσθαι παντάπασιν ἀναρρωσθέντος τοῦ σώματος. ἀλλ’ ὥσπερ ἐν τούτοις οὐ προκόπτουσιν, ἂν προκόπτοντες ἀνέσει τοῦ βαρύνοντος οἷον ἐπὶ ζυγοῦ πρὸς τοὐναντίον ἀναφερόμενοι μὴ γιγνώσκωσι τὴν μεταβολήν, οὕτως ἐν τῷ φιλοσοφεῖν οὔτε προκοπὴν οὔτε τινὰ προκοπῆς αἴσθησιν ὑποληπτέον, εἰ μηδὲν ἡ ψυχὴ μεθίησι μηδ’ ἀποκαθαίρεται τῆς ἀβελτερίας, ἄχρι δὲ τοῦ λαβεῖν ἄκρατον τὸ ἀγαθὸν καὶ τέλειον ἀκράτῳ τῷ κακῷ χρῆται. καὶ γὰρ ἀκαρεὶ χρόνου [d] καὶ ὥρας ἐκ τῆς ὡς ἔνι μάλιστα φαυλότητος εἰς οὐκ ἔχουσαν ὑπερβολὴν ἀρετῆς διάθεσιν μεταβαλὼν ὁ σοφός, ἧς οὐδ’ ἐν χρόνῳ πολλῷ μέρος ἀφεῖλε κακίας ἅμα πᾶσαν ἐξαίφνης ἐκπέφευγε.

Καίτοι ἤδη τοὺς ταῦτά γε λέγοντας οἶσθα δήπου πάλιν πολλὰ παρέχοντας αὑτοῖς πράγματα καὶ μεγάλας ἀπορίας περὶ τοῦ διαλεληθότος, ὃς αὐτὸς ἑαυτὸν οὐδέπω κατείληφε γεγονὼς σοφός, ἀλλ’ ἀγνοεῖ κἀμφιδοξεῖ τῷ κατὰ μικρὸν ἐν χρόνῳ πολλῷ τὰ μὲν ἀφαιροῦντι τὰ δὲ προστιθέντι γιγνομένην τὴν ἐπίδοσιν καθάπερ πορείαν τῇ ἀρετῇ λαθεῖν ἀτρέμα προσμείξασαν. εἰ δέ γε ἦν τάχος τοσοῦτον [e] τῆς μεταβολῆς καὶ μέγεθος, ὥστε τὸν πρωῒ κάκιστον ἑσπέρας γεγονέναι κράτιστον, ἢ ἂν οὕτω τινὶ συντύχῃ τὰ τῆς μεταβολῆς, καταδαρθόντα φαῦλον ἀνεγρέσθαι σοφὸν καὶ προσειπεῖν ἐκ τῆς ψυχῆς μεθεικότα τὰς χθιζὰς ἀβελτερίας καὶ ἀπάτας

τίς ἂν ἀγνοήσειεν ἑαυτοῦ διαφορὰν ἐν αὑτῷ τοσαύτην γενομένην καὶ φρόνησιν ἀθρόον ἐκλάμψασαν; ἐμοὶ μὲν γὰρ δοκεῖ μᾶλλον ἄν τις, ὡς ὁ Καινεύς, γενόμενος κατ’ εὐχὴν ἀνὴρ ἐκ γυναικὸς ἀγνοῆσαι τὴν μετακόσμησιν, ἢ σώφρων καὶ φρόνιμος καὶ [f] ἀνδρεῖος ἐκ δειλοῦ καὶ

ἀναλύσεις, ἀεὶ τῷ παρείκοντι κατὰ σχολὴν τῆς κακίας ἐπιτιθεμένης καὶ πρὸς τοὐναντίον ἀνθυποφερούσης.

Τοὺς μὲν γὰρ πλάνητας οἱ μαθηματικοὶ στηρίζειν λέγουσι παυσαμένης τῆς εἰς τοὔμπροσθεν αὐτῶν πορείας, ἐν δὲ τῷ φιλοσοφεῖν οὐκ ἔστι ληγούσης [e] διάλειμμα προκοπῆς οὐδὲ στηριγμός, ἀλλ' ἀεί τινας ἔχουσα κινήσεις ἡ φύσις ὥσπερ ἐπὶ ζυγοῦ ῥέπειν ἐθέλει καὶ κατατείνεσθαι ταῖς βελτίοσιν, ἢ ταῖς ἐναντίαις πρὸς τὸ χεῖρον οἴχεται φερομένη. ἂν οὖν κατὰ τὸν δοθέντα χρησμὸν ὑπὸ τοῦ θεοῦ "Κιρραίοις πάντ' ἤματα καὶ πάσας νύκτας πολεμεῖν" οὕτω συνειδῇς σεαυτὸν ἡμέρας τε καὶ νύκτωρ ἀεὶ τῇ κακίᾳ διαμεμαχημένον, ἢ μὴ πολλάκις γε τὴν φρουρὰν ἀνεικότα μηδὲ συνεχῶς παρ' αὐτῆς οἱονεὶ κήρυκας ἡδονάς τινας ἢ ῥᾳστώνας ἢ ἀσχολίας ἐπὶ σπονδαῖς προσδεδεγμένον, εἰκότως ἂν εὐθαρσὴς καὶ πρόθυμος βαδίζοις ἐπὶ τὸ λειπόμενον.

[f] Οὐ μὴν ἀλλὰ κἂν ᾖ διαλείμματα γιγνόμενα τοῦ φιλοσοφεῖν, τὰ δ' ὕστερα τῶν πρότερον ἑδραιότερα καὶ μακρότερα, σημεῖον οὐ φαῦλόν ἐστιν ἐκθλιβομένης πόνῳ καὶ ἀσκήσει τῆς ῥᾳθυμίας· τὸ δ' ἐναντίον πονηρόν, αἱ μετ' οὐ πολὺν χρόνον πολλαὶ καὶ συνεχεῖς ἀνακοπαί, τῆς προθυμίας οἷον ἀπομαραινομένης. ὡς γὰρ ἡ τοῦ καλάμου βλάστησις, [77] [a] ὁρμὴν ἔχουσα πλείστην ἀπ' ἀρχῆς εἰς μῆκος ὁμαλὸν καὶ συνεχές, τὸ πρῶτον ἐν διαστήμασι μεγάλοις ὀλίγας λαμβάνουσα προσκρούσεις καὶ ἀντικοπάς, εἶθ' οἷον ὑπ' ἄσθματος ἄνω δι' ἀσθένειαν ἀπαγορεύουσα πολλοῖς ἐνίσχεται καὶ πυκνοῖς τοῖς γόνασι, τοῦ πνεύματος πληγὰς καὶ τρόμους λαμβάνοντος, οὕτως ὅσοι τὸ πρῶτον μεγάλαις ἐκδρομαῖς ἐχρήσαντο πρὸς φιλοσοφίαν, εἶτα πολλὰ καὶ συνεχῆ προσκρούματα καὶ διασπάσματα λαμβάνουσι μηδενὸς [b] διαφόρου πρὸς τὸ βέλτιον ἐπαισθανόμενοι, τελευτῶντες ἐξέκαμον καὶ ἀπηγόρευσαν. ὅτῳ δ' ἔρωτος δῆγμα παιδικῶν

[c]πρόσεστι, μέτριος μὲν ἄν σοι φανείη καὶ πρᾶος ἐν τῷ παρεῖναι καὶ συμφιλοσοφεῖν ὅταν δ' ἀποσπασθῇ καὶ χωρὶς γένηται, θεῶ φλεγόμενον καὶ ἀδημονοῦντα καὶ δυσκολαίνοντα πᾶσι πράγμασι καὶ ἀσχολίαις, μνήμην δὲ φιλῶν ὥσπερ ἄλογος ἐλαύνεται πόθῳ τῷ πρὸς φιλοσοφίαν. οὐ γὰρ δεῖ τοῖς λόγοις εὐφραίνεσθαι μὲν παρόντας ὥσπερ τοῖς μύροις, ἀποστάντας δὲ μὴ

Τούτῳ δ’ ὁμοῦ τι ταὐτόν ἐστιν ἢ σύνεγγυς τὸ πρεσβύτατον δήλωμα προκοπῆς τοῦ Ἡσιόδου, μηκέτι προσάντη μηδ’ ὄρθιον ἄγαν ἀλλὰ ῥᾳδίαν καὶ λείαν καὶ δι’ εὐπετείας εἶναι τὴν ὁδόν, οἷον ἐκλεαινομένην τῇ ἀσκήσει καὶ φῶς ἐν τῷ φιλοσοφεῖν καὶ λαμπρότητα ποιοῦσαν ἐξ ἀπορίας καὶ πλάνης καὶ μεταμελειῶν, αἷς προστυγχάνουσιν οἱ φιλοσοφοῦντες τὸ πρῶτον, ὥσπερ οἱ γῆν ἀπολιπόντες [e] ἣν ἴσασι, μηδέπω δὲ καθορῶντες ἐφ’ ἣν πλέουσι. προέμενοι γὰρ τὰ κοινὰ καὶ συνήθη πρὶν ἢ τὰ βελτίονα γνῶναι καὶ λαβεῖν, ἐν μέσῳ περιφέρονται πολλάκις ὑποτρεπόμενοι. καθάπερ φασὶ Σέξτιον τὸν Ῥωμαῖον ἀφεικότα τὰς ἐν τῇ πόλει τιμὰς καὶ ἀρχὰς διὰ φιλοσοφίαν, ἐν δὲ τῷ φιλοσοφεῖν αὖ πάλιν δυσπαθοῦντα καὶ χρώμενον τῷ λόγῳ χαλεπῷ τὸ πρῶτον, ὀλίγου δεῆσαι καταβαλεῖν ἑαυτὸν ἔκ τινος διήρους. καὶ περὶ Διογένους ὅμοια τοῦ Σινωπέως ἱστοροῦσιν ἀρχομένου φιλοσοφεῖν, ὡς Ἀθηναίοις ἦν ἑορτὴ καὶ δεῖπνα δημοτελῆ καὶ θέατρα [f] καὶ συνουσίας μετ’ ἀλλήλων ἔχοντες ἐχρῶντο κώμοις καὶ παννυχίσιν, ὁ δ’ ἔν τινι γωνίᾳ συνεσπειραμένος ὡς καθευδήσων ἐνέπιπτεν εἰς λογισμοὺς τρέποντας αὐτὸν οὐκ ἀτρέμα καὶ θραύοντας, ὡς ἀπ’ οὐδεμιᾶς ἀνάγκης εἰς ἐπίπονον καὶ ἀλλόκοτον ἥκων βίον αὐτὸς ὑφ’ ἑαυτοῦ κάθηται τῶν ἀγαθῶν ἁπάντων ἐστερημένος. εἶτα μέντοι μῦν τινα προσερπύσαντα λέγεται περὶ τὰς ψίχας αὐτοῦ τῆς μάζης ἀναστρέφεσθαι, τὸν δ’ αὖθις ἀναφέρειν τῷ φρονήματι καὶ [78] [a] λέγειν πρὸς ἑαυτὸν οἷον ἐπιπλήττοντα καὶ κακίζοντα “τί φῄς, ὦ Διόγενες; τοῦτον μὲν εὐωχεῖ τὰ σὰ λείμματα, σὺ δ’ ὁ γενναῖος ὅτι μὴ μεθύεις ἐκεῖ κατακείμενος ἐν ἁπαλοῖς καὶ ἀνθίνοις στρώμασιν ὀδύρῃ καὶ θρηνεῖς σεαυτόν;” ὅταν οὖν οἱ τοιοῦτοι κατασπασμοὶ γένωνται μὴ πολλάκις, αἵ τε πρὸς αὐτοὺς ἐξαιρέσεις καὶ ἀνακρούσεις τοῦ φρονήματος ὥσπερ ἐκ τροπῆς ταχεῖαι παρῶσι καὶ διαλύωσι ῥᾳδίως τὸν ἄλυν καὶ τὴν ἀδημονίαν, ἔν τινι βεβαίῳ τὴν προκοπὴν εἶναι δεῖ νομίζειν.

Ἐπεὶ δ’ οὐ μόνον ἐξ αὑτῶν τὰ κατασείοντα καὶ στρέφοντα πρὸς τοὐναντίον ὑπ’ ἀσθενείας ἐπιγίγνεται [b] τοῖς φιλοσοφοῦσιν, ἀλλὰ καὶ φίλων συμβουλαὶ μετὰ σπουδῆς καὶ διαφόρων ἀντιλήψεις ἐν γέλωτι καὶ παιδιᾷ γιγνόμεναι κάμπτουσι καὶ μαλάσσουσιν, ἐνίους δὲ καὶ τέλεον ἤδη φιλοσοφίας ἐξέσεισαν, οὐ φαῦλον ἄν τι προκοπῆς εἴη σημεῖον ἡ πρὸς ταῦτα πρᾳότης ἑκάστου καὶ τὸ μὴ ταραττόμενον μηδὲ κνιζόμενον ὑπὸ τῶν

ἀλλ’ ἡμεῖς αὐτοῖς οὐ διαμειψόμεθα τῆς ἀρετῆς τὸν πλοῦτον, ἐπεὶ τὸ μὲν ἔμπεδον αἰεί,

καὶ Διογένης τὴν εἰς Ἀθήνας ἐκ Κορίνθου καὶ [d] πάλιν εἰς Κόρινθον ἐξ Ἀθηνῶν μετάβασιν ἑαυτοῦ παρέβαλλε ταῖς βασιλέως ἔαρος μὲν ἐν Σούσοις καὶ χειμῶνος ἐν Βαβυλῶνι, θέρους δ’ ἐν Μηδίᾳ διατριβαῖς. καὶ Ἀγησίλαος περὶ τοῦ μεγάλου βασιλέως “τί γὰρ ἐμοῦ μείζων ἐκεῖνος, εἰ μὴ καὶ δικαιότερος;” ὁ δ’ Ἀριστοτέλης πρὸς Ἀντίπατρον περὶ Ἀλεξάνδρου γράφων ἔφη μὴ μόνον ἐκείνῳ προσήκειν ὅτι πολλῶν κρατεῖ μέγα φρονεῖν, ἀλλ’ οὐδὲν ἧττον εἴ [e] τις ὀρθῶς γιγνώσκει περὶ θεῶν. ὁ δὲ Ζήνων ὁρῶν τὸν Θεόφραστον ἐπὶ τῷ πολλοὺς ἔχειν μαθητὰς θαυμαζόμενον, “ὁ ἐκείνου μὲν χορός,” ἔφη, “μείζων, οὑμὸς δὲ συμφωνότερος.”

Ὅταν οὖν οὕτω τὰ τῆς ἀρετῆς πρὸς τὰ ἐκτὸς ἀντιτιθεὶς ὑπεκχέῃς φθόνους καὶ ζηλοτυπίας καὶ τὰ κνίζοντα καὶ ταπεινοῦντα πολλοὺς τῶν ἀρχομένων φιλοσοφεῖν, μέγα καὶ τοῦτο δήλωμα σεαυτῷ τοῦ προκόπτειν ποιεῖς. οὐκ ἔστι δὲ μικρὸν οὐδ’ ἡ περὶ τοὺς λόγους μεταβολή. πάντες γὰρ ὡς εἰπεῖν οἱ φιλοσοφεῖν ἀρχόμενοι τοὺς πρὸς δόξαν διώκουσι μᾶλλον, οἱ μὲν ὥσπερ ὄρνιθες ἐπὶ τὴν λαμπρότητα τῶν φυσικῶν καὶ τὸ ὕψος ὑπὸ κουφότητος καὶ φιλοτιμίας καταίροντες, οἱ δ’ “ὥσπερ τὰ σκυλάκια,”

[f] φησὶν ὁ Πλάτων, “τῷ ἕλκειν καὶ σπαράττειν χαίροντες” ἐπὶ τὰς ἔριδας καὶ τὰς ἀπορίας χωροῦσι καὶ τὰ σοφίσματα, οἱ δὲ πλεῖστοι τοῖς διαλεκτικοῖς ἐνδύντες εὐθὺς ἐπισιτίζονται πρὸς σοφιστείαν, ἔνιοι δὲ χρείας καὶ ἱστορίας ἀναλεγόμενοι περιίασιν, ὥσπερ Ἀνάχαρσις ἔλεγε τῷ νομίσματι τοὺς Ἕλληνας πρὸς οὐδὲν ἕτερον ἢ τὸ ἀριθμεῖν χρωμένους ὁρᾶν, οὕτω τοὺς λόγους παραριθμούμενοι καὶ παραμετροῦντες, ἄλλο δ’ οὐδὲν εἰς ὄνησιν αὑτῶν τιθέμενοι. [79] [a]συμβαίνει δὴ τὸ τοῦ Ἀντιφάνους, ὅ τις εἶπεν ἐπὶ τῶν Πλάτωνος συνήθων. ὁ γὰρ Ἀντιφάνης ἔλεγε παίζων ἔν τινι πόλει τὰς φωνὰς

εὐθὺς λεγομένας πήγνυσθαι διὰ ψῦχος, εἶθ’ ὕστερον ἀνιεμένων ἀκούειν θέρους ἃ τοῦ χειμῶνος διελέχθησαν· οὕτω δὴ τῶν ὑπὸ Πλάτωνος ἔφη νέοις οὖσιν ἔτι λεχθέντων μόλις ὀψὲ τοὺς πολλοὺς αἰσθάνεσθαι γέροντας γενομένους. καὶ πρὸς ὅλην δὲ τοῦτο τὴν φιλοσοφίαν πεπόνθασιν, ἄχρι οὗ κατάστασιν ὑγιεινὴν ἡ κρίσις λαβοῦσα τοῖς ἦθος ἐμποιοῦσι καὶ μέγεθος ἄρξηται συμφέρεσθαι καὶ ζητεῖν λόγους, ὧν κατὰ τὸν Αἴσωπον εἴσω μᾶλλον ἢ [b] ἔξω τὰ ἴχνη τέτραπται. ὥσπερ γὰρ ὁ Σοφοκλῆς ἔλεγε τὸν Αἰσχύλου διαπεπαιχὼς ὄγκον εἶτα τὸ πικρὸν καὶ κατάτεχνον τῆς αὑτοῦ κατασκευῆς τρίτον ἤδη τὸ τῆς λέξεως μεταβάλλειν εἶδος, ὅπερ ἠθικώτατόν ἐστι καὶ βέλτιστον, οὕτως οἱ φιλοσοφοῦντες, ὅταν ἐκ τῶν πανηγυρικῶν καὶ κατατέχνων εἰς τὸν ἁπτόμενον ἤθους καὶ πάθους λόγον μεταβῶσιν, ἄρχονται τὴν ἀληθῆ προκοπὴν προκόπτειν καὶ ἄτυφον.

Ὅρα δὴ μὴ μόνον φιλοσόφων συγγράμματα [c] διεξιὼν καὶ λόγους ἀκούων εἰ μὴ πλέον τοῖς ὀνόμασι μόνοις προσέχεις ἢ τοῖς πράγμασι μηδὲ μᾶλλον ἐπιπηδᾷς τοῖς τὸ δύσκολον ἔχουσι καὶ περιττὸν ἢ τοῖς τὸ χρήσιμον καὶ σάρκινον καὶ ὠφέλιμον, ἀλλὰ καὶ ποιήμασιν ὁμιλῶν καὶ ἱστορίᾳ παραφύλαττε σεαυτὸν εἰ μηδέν σε διαφεύγει τῶν πρὸς ἐπανόρθωσιν ἤθους ἢ πάθους κουφισμὸν ἐμμελῶς λεγομένων. ὥσπερ γὰρ ἄνθεσιν ὁμιλεῖν ὁ Σιμωνίδης φησὶ τὴν μέλιτταν

ξανθὸν μέλι μηδομέναν,

οἱ δ’ ἄλλοι χρόαν αὐτῶν καὶ ὀσμὴν ἕτερον δ’ οὐδὲν ἀγαπῶσιν, οὐδὲ λαμβάνουσιν, οὕτω τῶν ἄλλων ἐν ποιήμασιν ἡδονῆς ἕνεκα καὶ παιδιᾶς ἀναστρεφομένων αὐτὸς εὑρίσκων τι καὶ συνάγων σπουδῆς ἄξιον ἔοικεν ἤδη γνωριστικὸς ὑπὸ συνηθείας καὶ φιλίας τοῦ καλοῦ καὶ οἰκείου γεγονέναι. τοὺς μὲν γὰρ Πλάτωνι καὶ Ξενοφῶντι χρωμένους διὰ τὴν λέξιν, ἕτερον δὲ μηδὲν ἀλλ’ ἢ τὸ καθαρόν τε καὶ Ἀττικὸν ὥσπερ δρόσον καὶ χνοῦν ἀποδρεπομένους τί ἂν ἄλλο φαίης ἢ φαρμάκων τὸ μὲν εὐῶδες καὶ ἀνθηρὸν ἀγαπᾶν, τὸ δ’ ἀνώδυνον καὶ καθαρτικὸν μὴ προσίεσθαι μηδὲ διαγιγνώσκειν; ἀλλ’ οἵ γε μᾶλλον ἔτι προκόπτοντες οὐκ ἀπὸ λόγων μόνον ἀλλὰ καὶ θεαμάτων καὶ πραγμάτων πάντων ὠφελεῖσθαι [d] δύνανται καὶ συνάγειν τὸ οἰκεῖον καὶ χρήσιμον, οἷα καὶ περὶ Αἰσχύλου λέγουσι καὶ περὶ ἄλλων ὁμοίων. Αἰσχύλος μὲν γὰρ Ἰσθμοῖ θεώμενος ἀγῶνα πυκτῶν, ἐπεὶ πληγέντος τοῦ ἑτέρου τὸ θέατρον ἐξέκραγε, νύξας Ἴωνα τὸν Χῖον “ὁρᾷς,” ἔφη, “οἷον ἡ ἄσκησίς ἐστιν; ὁ πεπληγὼς σιωπᾷ, οἱ δὲ θεώμενοι βοῶσιν.” Βρασίδας δὲ μῦν τινα συλλαβὼν ἐν ἰσχάσι καὶ δηχθεὶς ἀφῆκεν· εἶτα πρὸς ἑαυτόν “ὦ Ἡράκλεις,” ἔφη, “ὡς οὐδέν ἐστι μικρὸν οὐδ’ ἀσθενές, ὃ μὴ ζήσεται τολμῶν ἀμύνεσθαι.” Διογένης δὲ τὸν πίνοντα ταῖς χερσὶ θεασάμενος τῆς πήρας [e] ἐξέβαλε τὸ ποτήριον.

οὕτω τὸ προσέχειν καὶ τετάσθαι τὴν ἄσκησιν αἰσθητικοὺς καὶ δεκτικοὺς ποιεῖ τῶν πρὸς ἀρετὴν φερόντων ἁπανταχόθεν. γίγνεται δὲ τοῦτο μᾶλλον ἂν τοὺς λόγους ταῖς πράξεσι μιγνύωσι, μὴ μόνον, ὡς Θουκυδίδης ἔλεγε, "μετὰ κινδύνων ποιούμενοι τὰς μελέτας," ἀλλὰ καὶ πρὸς ἡδονὰς καὶ πρὸς ἔριδας καὶ περὶ κρίσεις καὶ συνηγορίας καὶ ἀρχάς, οἷον ἀπόδειξιν αὑτοῖς τῶν δογμάτων διδόντες, μᾶλλον δὲ τῷ χρῆσθαι ποιοῦντες τὰ [80] [a] δόγματα. ὡς τούς γε μανθάνοντας ἔτι καὶ πραγματευομένους καὶ σκοποῦντας ὃ λαβόντες ἐκ φιλοσοφίας εὐθὺς εἰς ἀγορὰν ἢ νέων διατριβὴν ἢ βασιλικὸν συμπόσιον ἐκκυκλήσουσιν, οὐ μᾶλλον οἴεσθαι χρὴ φιλοσοφεῖν ἢ τοὺς τὰ φάρμακα πωλοῦντας ἰατρεύειν· μᾶλλον δ' ὅλως οὐδὲν ὁ τοιοῦτος σοφιστὴς διαφέρει τῆς Ὁμηρικῆς ὄρνιθος, ὅ τι ἂν λάβῃ τοῖς μαθηταῖς ὥσπερ "ἀπτῆσι νεοσσοῖς" προσφέρων διὰ τοῦ στόματος.

κακῶς δέ τέ οἱ πέλει αὐτῷ

[86] Ὁρῶ μὲν ὅτι τὸν πραότατον, ὦ Κορνήλιε Ποῦλχερ, πολιτείας ᾕρησαι τρόπον, ἐν ᾧ μάλιστα τοῖς κοινοῖς ὠφέλιμος ὢν ἀλυπότατον ἰδίᾳ τοῖς ἐντυγχάνουσι [c] παρέχεις σεαυτόν. ἐπεὶ δὲ χώραν μὲν ἄθηρον ὥσπερ ἱστοροῦσι τὴν Κρήτην εὑρεῖν ἔστι, πολιτεία δὲ μήτε φθόνον ἐνηνοχυῖα μήτε ζῆλον ἢ φιλονεικίαν, ἔχθρας γονιμώτατα πάθη, μέχρι νῦν οὐ γέγονεν (ἀλλ’ εἰ μηδὲν ἄλλο, ταῖς ἔχθραις αἱ φιλίαι συμπλέκουσιν ἡμᾶς· ὃ καὶ Χίλων ὁ σοφὸς νοήσας τὸν εἰπόντα μηδένα ἔχειν ἐχθρὸν ἠρώτησεν εἰ μηδὲ φίλον ἔχει), δοκεῖ μοι τά τ’ ἄλλα περὶ ἐχθρῶν τῷ πολιτικῷ διεσκέφθαι προσήκειν καὶ τοῦ Ξενοφῶντος ἀκηκοέναι μὴ παρέργως εἰπόντος ὅτι τοῦ νοῦν ἔχοντός ἐστι καὶ “ἀπὸ τῶν ἐχθρῶν ὠφελεῖσθαι.” ἅπερ οὖν εἰς τοῦτο πρῴην εἰπεῖν μοι παρέστη, συναγαγὼν ὁμοῦ τι τοῖς αὐτοῖς ὀνόμασιν ἀπέσταλκά σοι, φεισάμενος ὡς ἐνῆν μάλιστα τῶν ἐν τοῖς Πολιτικοῖς Παραγγέλμασι γεγραμμένων, [d] ἐπεὶ κἀκεῖνο τὸ βιβλίον ὁρῶ σε πρόχειρον ἔχοντα πολλάκις.

Ἐξήρκει τοῖς παλαιοῖς ὑπὸ τῶν ἀλλοφύλων καὶ ἀγρίων ζῴων μὴ ἀδικεῖσθαι, καὶ τοῦτο τῶν πρὸς τὰ θηρία τέλος ἦν ἀγώνων ἐκείνοις· οἱ δ’ ὕστερον ἤδη χρῆσθαι μαθόντες αὐτοῖς καὶ ὠφελοῦνται σαρξὶ τρεφόμενοι καὶ θριξὶν ἀμφιεννύμενοι καὶ χολαῖς καὶ πυτίαις ἰατρευόμενοι καὶ δέρμασιν ὁπλίζοντες ἑαυτούς, ὥστ’ ἄξιον εἶναι δεδιέναι μὴ τῶν θηρίων ἐπιλιπόντων τῷ ἀνθρώπῳ θηριώδης ὁ βίος αὐτοῦ γένηται καὶ ἄπορος καὶ ἀνήμερος. ἐπεὶ τοίνυν τοῖς μὲν ἄλλοις ἱκανόν ἐστι τὸ μὴ πάσχειν [e] ὑπὸ τῶν ἐχθρῶν κακῶς, τοὺς δὲ νοῦν ἔχοντας ὁ Ξενοφῶν καὶ ὠφελεῖσθαί φησιν ἀπὸ τῶν διαφερομένων, ἀπιστεῖν μὲν οὐ χρή, ζητεῖν δὲ μέθοδον καὶ τέχνην δι’ ἧς τοῦτο περιέσται τὸ καλὸν οἷς χωρὶς ἐχθροῦ ζῆν ἀδύνατόν ἐστιν.

Τῷ Καίσαρι κελεύσαντι τὰς Πομπηίου τιμὰς ἀνασταθῆναι καταβεβλημένας ὁ Κικέρων "τοὺς Πομπηίου," φησίν, "ἀνδριάντας ἀνέστησας, τοὺς δὲ σοὺς ἔπηξας." ὅθεν οὐδ' ἐπαίνου φειστέον οὐδὲ τιμῆς περὶ ἀνδρὸς ἐχθροῦ δικαίως εὐδοκιμήσαντος. ἔπαινόν τε γὰρ φέρει μείζονα τοῖς ἐπαινοῦσι, καὶ πίστιν ἔχει πάλιν ἐγκαλῶν, ὡς οὐ τὸν ἄνδρα μισῶν ἀλλὰ τὴν πρᾶξιν ἀποδοκιμάζων· τὸ [b] δὲ κάλλιστον καὶ χρησιμώτατον, ἀπωτάτω καθίσταται τοῦ φθονεῖν καὶ φίλοις εὐτυχοῦσι καὶ κατορθοῦσιν οἰκείοις ὁ τοὺς ἐχθροὺς ἐθισθεὶς ἐπαινεῖν καὶ μὴ δάκνεσθαι μηδὲ βασκαίνειν εὖ πραττόντων. καίτοι τίς ἄσκησις ἑτέρα μείζονα ὠφέλειαν ἐνεργάζεται ταῖς ψυχαῖς ἢ διάθεσιν κρείττονα τῆς ἀφαιρούσης τὸ δύσζηλον ἡμῶν καὶ φιλόφθονον; ὥσπερ γὰρ ἐν πολέμῳ πολλὰ τῶν ἀναγκαίων ἄλλως δὲ φαύλων ἔθους λαβόντα καὶ νόμου δύναμιν οὐκ ἔστι ῥᾳδίως ἀπώσασθαι καὶ βλαπτομένους, οὕτως ἡ ἔχθρα συνεισάγουσα τῷ μίσει φθόνον, ζηλοτυπίαν ἐπιχαιρεκακίαν μνησικακίαν ἐναπολείπει. πρὸς δὲ τούτοις καὶ πανουργία καὶ [c] ἀπάτη καὶ ἐπιβουλή, δοκοῦσα μὴ φαῦλον εἶναι μηδ' ἄδικον πρὸς ἐχθρόν, ἂν ἐγγένηται, παραμένει δυσαπάλλακτος· εἶτα χρῶνται πρὸς τοὺς φίλους αὐτοὶ ὑπὸ συνηθείας, ἂν μὴ φυλάξωνται πρὸς τοὺς ἐχθρούς. εἴπερ οὖν ὀρθῶς ὁ Πυθαγόρας, ἐν ἀλόγοις ζῴοις ἐθίζων ὠμότητος ἀπέχεσθαι καὶ πλεονεξίας, ὀρνέων τε θηρευτὰς παρῃτεῖτο καὶ βόλους ὠνούμενος ἰχθύων ἐκέλευεν ἀφιέναι, καὶ παντὸς ἡμέρου ζῴου φόνον ἀπηγόρευε, πολὺ δήπου σεμνότερόν [d] ἐστιν ἐν διαφοραῖς πρὸς ἀνθρώπους καὶ φιλονεικίαις, γενναῖον ἐχθρὸν ὄντα καὶ δίκαιον καὶ ἀψευδῆ, τὰ μοχθηρὰ καὶ ἀγεννῆ καὶ πανοῦργα πάθη κολάζειν καὶ ταπεινὰ ποιεῖν, ὅπως ἐν τοῖς πρὸς τοὺς φίλους συμβολαίοις παντάπασιν ἀτρεμῇ καὶ ἀπέχηται τοῦ κακουργεῖν. Σκαῦρος ἐχθρὸς ἦν Δομιτίου καὶ κατήγορος. οἰκέτης οὖν τοῦ Δομιτίου πρὸ τῆς δίκης ἧκε πρὸς

αὐτὸν ὡς ἔχων τι μηνῦσαι τῶν λανθανόντων ἐκεῖνον, ὁ δ’ οὐκ εἴασεν εἰπεῖν, ἀλλὰ συλλαβὼν τὸν ἄνθρωπον ἀπήγαγε πρὸς τὸν δεσπότην. Κάτωνι δὲ Μουρήναν διώκοντι δημοκοπίας καὶ συνάγοντι τοὺς ἐλέγχους ἐξ ἔθους παρηκολούθουν οἱ τὰ πραττόμενα παραφυλάττοντες.

[e] πολλάκις οὖν αὐτὸν ἠρώτων εἴ τι μέλλει σήμερον συνάγειν ἢ πραγματεύεσθαι πρὸς τὴν κατηγορίαν· εἰ δὲ μὴ φαίη, πιστεύοντες ἀπῄεσαν. ταῦτα μὲν οὖν αὐτοῦ τῆς δόξης ἔχει τεκμήριον μέγιστον· ἀλλὰ μεῖζον καὶ κάλλιστον, ὅτι τῷ δικαίῳ χρῆσθαι καὶ πρὸς ἐχθροὺς ἐθισθέντες οὐδέποτε μὴ προσενεχθῶμεν ἀδίκως καὶ πανούργως τοῖς συνήθεσι καὶ φίλοις.

[f] κενεοφρόνων ἀνδρῶν ἑταῖρον,

ὥς φησι Πίνδαρος, οὐ μετρίως ἄν τις ὠφελοῖτο τῶν παθῶν τούτων ποιούμενος εἰς τοὺς ἐχθροὺς ἀποκαθάρσεις καὶ ἀποστρέφων ὥσπερ ὀχετοὺς πορρωτάτω τῶν ἑταίρων καὶ οἰκείων. καὶ τοῦτο, ὡς ἔοικε, συνιδὼν πολιτικὸς ἀνὴρ ὄνομα Δῆμος, ἐν Χίῳ τῆς κρατούσης μερίδος ἐν στάσει γενόμενος, παρῄνει τοῖς ἑταίροις μὴ πάντας ἐξελάσαι τοὺς ἀντιστασιάσαντας, ἀλλ’ ὑπολιπέσθαι τινάς, [92] [a] “ὅπως,” ἔφη, “μὴ πρὸς τοὺς φίλους ἀρξώμεθα διαφέρεσθαι, τῶν ἐχθρῶν παντάπασιν ἀπαλλαγέντες.” οὐκοῦν καὶ ἡμῶν καταναλισκόμενα ταῦτα τὰ πάθη πρὸς τοὺς ἐχθροὺς ἧττον ἐνοχλήσει τοῖς φίλοις. οὐ γὰρ “κεραμεῖ” δεῖ “κεραμέα φθονεῖν” οὐδ’ “ἀοιδὸν ἀοιδῷ” καθ’ Ἡσίοδον, οὐδὲ γείτονα ζηλοῦν οὐδ’ ἀνεψιὸν οὐδ’ ἀδελφὸν “εἰς ἄφενος σπεύδοντα” καὶ τυγχάνοντα χρηστῶν πραγμάτων. ἀλλ’ εἰ μηδεὶς τρόπος ἐστὶν ἄλλος ἀπαλλαγῆς [b] ἐρίδων καὶ φθόνων καὶ φιλονεικιῶν, ἔθιζε σεαυτὸν δάκνεσθαι τῶν ἐχθρῶν εὐημερούντων, καὶ παρόξυνε καὶ χάραττε τὸ φιλόνεικον ἐν ἐκείνοις θηγόμενον. ὥσπερ γὰρ οἱ χαρίεντες γεωργοὶ τὰ ῥόδα καὶ τὰ ἴα βελτίω ποιεῖν νομίζουσι σκόροδα καὶ κρόμμυα παραφυτεύοντες (ἀποκρίνεται γὰρ εἰς ἐκεῖνα πᾶν ὅσον ἔνεστι τῇ τροφῇ δριμὺ καὶ δυσῶδες), οὕτω καὶ ὁ ἐχθρὸς ἀναλαμβάνων καὶ περισπῶν τὸ κακόηθες καὶ βάσκανον, εὐμενέστερον παρέξει σε τοῖς φίλοις εὖ πράττουσι καὶ ἀλυπότερον. διὸ καὶ τὰς ἁμίλλας πρὸς ἐκείνους ἐστὶ ποιητέον ὑπὲρ δόξης ἢ ἀρχῆς ἢ πορισμῶν δικαίων, μὴ δακνομένους μόνον, ἄν τι πλέον ἡμῶν ἔχωσιν, ἀλλὰ καὶ [c] πάντα παραφυλάττοντας ἐξ ὧν πλέον ἔχουσι, καὶ πειρωμένους ὑπερβαλέσθαι ταῖς ἐπιμελείαις καὶ φιλοπονίαις καὶ τῷ σωφρονεῖν καὶ προσέχειν ἑαυτοῖς, ὡς Θεμιστοκλῆς ἔλεγεν οὐκ ἐᾶν αὐτὸν καθεύδειν τὴν ἐν Μαραθῶνι Μιλτιάδου

ΠΕΡΙ ΠΟΛΥΦΙΛΙΑΣ

[93] Μένωνα τὸν Θετταλὸν οἰόμενον ἐν λόγοις ἱκανῶς γεγυμνάσθαι καὶ τοῦτο δὴ τὸ ὑπὸ τοῦ [b] Ἐμπεδοκλέους λεγόμενον

σοφίης ἐπ’ ἄκροισι θαμίζειν

ἠρώτησεν ὁ Σωκράτης τί ἀρετή ἐστιν· ἀποκριναμένου δ’ ἰταμῶς ἐκείνου καὶ προχείρως ὅτι καὶ παιδός ἐστιν ἀρετὴ καὶ πρεσβύτου καὶ ἀνδρὸς καὶ γυναικὸς καὶ ἄρχοντος καὶ ἰδιώτου καὶ δεσπότου καὶ θεράποντος, “εὖ γ’,” εἶπεν ὁ Σωκράτης, “ὅτι μίαν ἀρετὴν αἰτηθεὶς σμῆνος ἀρετῶν κεκίνηκας,” οὐ κακῶς τεκμαιρόμενος ὅτι μηδεμίαν εἰδὼς ἀρετὴν ὁ ἄνθρωπος πολλὰς ὠνόμαζεν. ἆρ’ οὖν οὐχὶ καὶ ἡμῖν ἄν τις ἐπιχλευάσειεν ὅτι μηδέπω [c] μίαν φιλίαν κεκτημένοι βεβαίως φοβούμεθα μὴ λάθωμεν εἰς πολυφιλίαν ἐμπεσόντες; σχεδὸν γὰρ οὐδὲν διαφέρομεν ἀνθρώπου κολοβοῦ καὶ τυφλοῦ, φοβουμένου μὴ Βριάρεως ὁ ἑκατόγχειρ καὶ Ἄργος ὁ πανόπτης γένηται. καίτοι τόν γε παρὰ τῷ Μενάνδρῳ νεανίσκον ὑπερφυῶς ἐπαινοῦμεν εἰπόντα θαυμαστὸν ὅσον νομίζειν

ἀγαθὸν ἕκαστον, ἂν ἔχῃ φίλου σκιάν.

Ἐναντίον δὲ μετὰ πολλῶν ἄλλων οὐχ ἥκιστα γ’ εἰς φιλίας κτῆσιν ἡμῖν ἡ τῆς πολυφιλίας ὄρεξις, ὥσπερ ἀκολάστων γυναικῶν, τῷ πολλάκις καὶ [d] πολλοῖς συμπλέκεσθαι τῶν πρώτων κρατεῖν μὴ δυναμένοις ἀμελουμένων καὶ ἀπορρεόντων· μᾶλλον δ’ ὥσπερ ὁ τῆς Ὑψιπύλης τρόφιμος εἰς τὸν λειμῶνα καθίσας ἔδρεπεν

ἕτερον ἐφ’ ἑτέρῳ αἰρόμενος

ἄγρευμ’ ἀνθέων ἡδομένᾳ ψυχᾷ

τὸ νήπιον ἄπληστον ἔχων,

οὕτως ἕκαστον ἡμῶν διὰ τὸ φιλόκαινον καὶ ἁψίκορον ὁ πρόσφατος ἀεὶ καὶ ἀνθῶν ἐπάγεται, καὶ μετατίθησι πολλὰς ὁμοῦ καὶ ἀτελεῖς ἀρχὰς πράττοντας φιλίας καὶ συνηθείας, ἔρωτι τοῦ διωκομένου παρερχομένους τὸν καταλαμβανόμενον.

[e] Πρῶτον μὲν οὖν ὥσπερ ἀφ’ ἑστίας ἀρξάμενοι τῆς τοῦ βίου φήμης ἣν ὑπὲρ φίλων βεβαίων ἀπολέλοιπεν ἡμῖν, τὸν μακρὸν καὶ παλαιὸν αἰῶνα μάρτυρα ἅμα τοῦ λόγου καὶ σύμβουλον λάβωμεν, ἐν ᾧ κατὰ ζεῦγος φιλίας λέγονται Θησεὺς καὶ Πειρίθους, Ἀχιλλεὺς καὶ Πάτροκλος, Ὀρέστης καὶ Πυλάδης, Φιντίας καὶ Δάμων, Ἐπαμεινώνδας καὶ Πελοπίδας. σύννομον γὰρ ἡ φιλία ζῷον οὐκ ἀγελαῖόν ἐστιν οὐδὲ κολοιῶδες, καὶ τὸ ἄλλον αὑτὸν

ἡγεῖσθαι τὸν φίλον καὶ προσαγορεύειν ἑταῖρον ὡς ἕτερον, οὐδέν ἐστιν ἢ μέτρῳ φιλίας τῇ δυάδι χρωμένων. οὔτε γὰρ δούλους οὔτε φίλους ἔστι κτήσασθαι πολλοὺς ἀπ' ὀλίγου νομίσματος.

[f] τί οὖν νόμισμα φιλίας; εὔνοια καὶ χάρις μετ' ἀρετῆς, ὧν οὐδὲν ἔχει σπανιώτερον ἡ φύσις. ὅθεν τὸ σφόδρα φιλεῖν καὶ φιλεῖσθαι πρὸς πολλοὺς οὐκ ἔστιν, ἀλλ' ὥσπερ οἱ ποταμοὶ πολλὰς σχίσεις καὶ κατατομὰς λαμβάνοντες ἀσθενεῖς καὶ λεπτοὶ ῥέουσιν, οὕτω τὸ φιλεῖν ἐν ψυχῇ σφοδρὸν πεφυκὸς εἰς πολλοὺς μεριζόμενον ἐξαμαυροῦται. διὸ καὶ τῶν ζῴων τὸ φιλότεκνον τοῖς μονοτόκοις ἰσχυρότερον [94] [a] ἐμφύεται, καὶ Ὅμηρος ἀγαπητὸν υἱὸν ὀνομάζει "μοῦνον τηλύγετον," τουτέστι τὸν τοῖς μήτ' ἔχουσιν ἕτερον γονεῦσι μήθ' ἕξουσι γεγενημένον.

Τὸν δὲ φίλον ἡμεῖς "μοῦνον" μὲν οὐκ ἀξιοῦμεν εἶναι, μετ' ἄλλων δὲ "τηλύγετός" τις καὶ ὀψίγονος ἔστω, τὸν θρυλούμενον ἐκεῖνον χρόνῳ τῶν ἁλῶν συγκατεδηδοκὼς μέδιμνον, οὐχ ὥσπερ νῦν πολλοὶ φίλοι λεγόμενοι συμπιόντες ἅπαξ ἢ συσφαιρίσαντες ἢ συγκυβεύσαντες ἢ συγκαταλύσαντες, ἐκ πανδοκείου καὶ παλαίστρας καὶ ἀγορᾶς φιλίαν συλλέγουσιν.

Ἐν δὲ ταῖς τῶν πλουσίων καὶ ἡγεμονικῶν [b] οἰκίαις πολὺν ὄχλον καὶ θόρυβον ἀσπαζομένων καὶ δεξιουμένων καὶ δορυφορούντων ὁρῶντες εὐδαιμονίζουσι τοὺς πολυφίλους. καίτοι πλείονάς γε μυίας ἐν τοῖς ὀπτανίοις αὐτῶν ὁρῶσιν. ἀλλ' οὔθ' αὗται τῆς λιχνείας οὔτ' ἐκεῖνοι τῆς χρείας ἐπιλιπούσης παραμένουσιν. ἐπεὶ δ' ἡ ἀληθινὴ φιλία τρία ζητεῖ μάλιστα, τὴν ἀρετὴν ὡς καλόν, καὶ τὴν συνήθειαν ὡς ἡδύ, καὶ τὴν χρείαν ὡς ἀναγκαῖον (δεῖ γὰρ ἀποδέξασθαι κρίναντα καὶ χαίρειν συνόντα καὶ χρῆσθαι δεόμενον, ἃ πάντα πρὸς τὴν πολυφιλίαν ὑπεναντιοῦται, καὶ μάλιστά πως τὸ κυριώτατον ἡ κρίσις), σκεπτέον δὴ πρῶτον εἰ δυνατόν [c] ἐστιν ἐν βραχεῖ χρόνῳ δοκιμάσαι χορευτὰς συγχορευσομένους, ἐρέτας ὁμορροθήσοντας, οἰκέτας χρημάτων ἐπιτρόπους ἢ τέκνων παιδαγωγοὺς ἐσομένους, μήτι γε φίλους πολλοὺς εἰς ἀγῶνα πάσης τύχης συναποδυσομένους, ὧν ἕκαστος αὐτός θ' αὑτόν

πράσσων εὖ τίθησιν εἰς μέσον,

τοῦ δυστυχοῦς τε λαγχάνων οὐκ ἄχθεται.

οὔτε ναῦς γὰρ ἐπὶ τοσούτους ἕλκεται χειμῶνας εἰς θάλατταν, οὔτε χωρίοις θριγχοὺς καὶ λιμέσι προβάλλουσιν ἕρκη καὶ χώματα τηλικούτους προσδεχόμενοι [d] κινδύνους καὶ τοσούτους, ὅσων ἐπαγγέλλεται φιλία καταφυγὴν καὶ βοήθειαν, ὀρθῶς καὶ βεβαίως ἐξετασθεῖσα· τῶν δ' ἀνεξετάστως παραρρυέντων ὥσπερ νομισμάτων ἀδοκίμων ἐλεγχομένων

οἱ μὲν ἐστερημένοι

χαίρουσιν, οἱ δ' ἔχοντες εὔχονται φυγεῖν.

ἔστι δὲ τοῦτο χαλεπὸν καὶ οὐ ῥᾴδιον τὸ φυγεῖν ἢ ἀποθέσθαι δυσαρεστουμένην φιλίαν. ἀλλ’ ὥσπερ σιτίον βλαβερὸν καὶ δυσχεραινόμενον οὔτε κατέχειν οἷόν τε μὴ λυποῦν καὶ διαφθεῖρον οὔτ’ ἐκβάλλειν οἷον εἰσῆλθεν ἀλλ’ εἰδεχθὲς καὶ συμπεφυρμένον καὶ ἀλλόκοτον, οὕτω φίλος πονηρὸς ἢ σύνεστι λυπῶν καὶ λυμαινόμενος, ἢ βίᾳ μετ’ [e] ἔχθρας καὶ δυσμενείας ὥσπερ χολή τις ἐξέπεσε.

Διὸ δεῖ μὴ ῥᾳδίως προσδέχεσθαι μηδὲ κολλᾶσθαι τοῖς ἐντυγχάνουσι μηδὲ φιλεῖν τοὺς διώκοντας, ἀλλὰ τοὺς ἀξίους φιλίας διώκειν. οὐ γὰρ αἱρετέον πάντως τὸ ῥᾳδίως ἁλισκόμενον. καὶ γὰρ ἀπαρίνην καὶ βάτον ἐπιλαμβανομένην ὑπερβάντες καὶ διωσάμενοι βαδίζομεν ἐπὶ τὴν ἐλαίαν καὶ τὴν ἄμπελον. οὕτως ἀεὶ μὴ τὸν εὐχερῶς περιπλεκόμενον ποιεῖσθαι συνήθη καλόν, ἀλλὰ τοῖς ἀξίοις σπουδῆς καὶ ὠφελίμοις αὐτοὺς περιπλέκεσθαι [f] δοκιμάζοντας.

Ὥσπερ οὖν ὁ Ζεῦξις αἰτιωμένων αὐτόν τινων ὅτι ζωγραφεῖ βραδέως, “ὁμολογῶ,” εἶπεν, “ἐν πολλῷ χρόνῳ γράφειν, καὶ γὰρ εἰς πολύν,” οὕτω φιλίαν δεῖ καὶ συνήθειαν σῴζειν παραλαβόντας ἐν πολλῷ κριθεῖσαν. ἆρ’ οὖν κρῖναι μὲν οὐκ ἔστι πολλοὺς φίλους ῥᾴδιον, συνεῖναι δὲ πολλοῖς ὁμοῦ ῥᾴδιον, ἢ καὶ τοῦτο ἀδύνατον; καὶ μὴν ἀπόλαυσίς ἐστιν ἡ συνήθεια τῆς φιλίας, καὶ τὸ ἥδιστον ἐν τῷ συνεῖναι καὶ συνδιημερεύειν·

οὐ μὲν γὰρ ζωοί γε φίλων ἀπάνευθεν ἑταίρων
βουλὰς ἑζόμενοι βουλεύσομεν.

[95] [a] καὶ περὶ τοῦ Ὀδυσσέως ὁ Μενέλαος

οὐδέ κεν ἄλλο
ἄμμε διέκρινεν φιλέοντέ τε τερπομένω τε,
πρίν γ’ ὅτε δὴ θανάτοιο μέλαν νέφος ἀμφεκάλυψε.

τοὐναντίον οὖν ἔοικεν ἡ καλουμένη πολυφιλία ποιεῖν. ἡ μὲν γὰρ συνάγει καὶ συνίστησι καὶ συνέχει καταπυκνοῦσα ταῖς ὁμιλίαις καὶ φιλοφροσύναις

ὡς δ’ ὅτ’ ὀπὸς γάλα λευκὸν ἐγόμφωσεν καὶ ἔδησε

[b] κατ’ Ἐμπεδοκλέα (τοιαύτην γὰρ ἡ φιλία βούλεται ποιεῖν ἑνότητα καὶ σύμπηξιν), ἡ δὲ πολυφιλία διίστησι καὶ ἀποσπᾷ καὶ ἀποστρέφει, τῷ μετακαλεῖν καὶ μεταφέρειν ἄλλοτε πρὸς ἄλλον οὐκ ἐῶσα κρᾶσιν οὐδὲ κόλλησιν εὐνοίας ἐν τῇ συνηθείᾳ περιχυθείσῃ καὶ παγείσῃ γενέσθαι. τοῦτο δ’ εὐθὺς ὑποβάλλει καὶ τὴν περὶ τὰς ὑπουργίας ἀνωμαλίαν καὶ δυσωπίαν· τὰ γὰρ εὔχρηστα τῆς φιλίας δύσχρηστα γίγνεται διὰ τὴν πολυφιλίαν.

“ἄλλον τρόπον” γὰρ “ἄλλων ἐγείρει φροντὶς
ἀνθρώπων·”

οὔτε γὰρ αἱ φύσεις ἡμῶν ἐπὶ ταὐτὰ ταῖς ὁρμαῖς ῥέπουσιν, οὔτε τύχαις ὁμοτρόποις ἀεὶ σύνεσμεν· οἵ [c] τε τῶν πράξεων καιροὶ καθάπερ τὰ πνεύματα τοὺς μὲν φέρουσι τοῖς δ' ἀντιπίπτουσι.

Καίτοι κἂν πάντες ἅμα τῶν αὐτῶν οἱ φίλοι δέωνται, χαλεπὸν ἐξαρκέσαι πᾶσι βουλευομένοις ἢ πολιτευομένοις ἢ φιλοτιμουμένοις ἢ ὑποδεχομένοις. ἂν δ' ἑνὶ καιρῷ διαφόροις πράγμασι καὶ πάθεσι προστυγχάνοντες ὁμοῦ παρακαλῶσιν ὁ μὲν πλέων συναποδημεῖν, ὁ δὲ κρινόμενος συνδικεῖν, ὁ δὲ κρίνων συνδικάζειν, ὁ δὲ πιπράσκων ἢ ἀγοράζων συνδιοικεῖν, ὁ δὲ γαμῶν συνθύειν, ὁ δὲ θάπτων συμπενθεῖν,

πόλις δ' ὁμοῦ μὲν θυμιαμάτων γέμῃ,

ὁμοῦ δὲ παιάνων τε καὶ στεναγμάτων

[d] ἡ πολυφιλία. πᾶσι μὲν ἀμήχανον παρεῖναι, μηδενὶ δ' ἄτοπον, ἑνὶ δ' ὑπουργοῦντα προσκρούειν πολλοῖς ἀνιαρόν·

οὐδεὶς γὰρ ἀγαπῶν αὐτὸς ἀμελεῖθ' ἡδέως.

Καίτοι τὰς ἀμελείας καὶ ῥαθυμίας τῶν φίλων πραότερον φέρουσι, καὶ τὰς τοιαύτας ἀπολογίας ἀμηνίτως δέχονται παρ' αὐτῶν "ἐξελαθόμην" "ἠγνόησα." ὁ δὲ λέγων "οὐ παρέστην σοι δίκην ἔχοντι, παριστάμην γὰρ ἑτέρῳ φίλῳ," καὶ "πυρέττοντά σ' οὐκ εἶδον, τῷ δεῖνι γὰρ φίλους ἑστιῶντι συνησχολούμην" αἰτίαν τῆς ἀμελείας τὴν ἑτέρων [e] ἐπιμέλειαν ποιούμενος οὐ λύει τὴν μέμψιν, ἀλλὰ προσεπιβάλλει ζηλοτυπίαν. ἀλλ' οἱ πολλοὶ τὰς πολυφιλίας ἃ δύνανται παρέχειν μόνον ὡς ἔοικε σκοποῦσιν, ἃ δ' ἀνταπαιτοῦσι παρορῶσι, καὶ οὐ μνημονεύουσιν ὅτι δεῖ τὸν πολλοῖς εἰς ἃ δεῖται χρώμενον πολλοῖς δεομένοις ἀνθυπουργεῖν. ὥσπερ οὖν ὁ Βριάρεως ἑκατὸν χερσὶν εἰς πεντήκοντα φορῶν γαστέρας οὐδὲν ἡμῶν πλέον εἶχε τῶν ἀπὸ δυεῖν χεροῖν μίαν κοιλίαν διοικούντων, οὕτως ἐν τῷ φίλοις χρῆσθαι πολλοῖς καὶ τὸ λειτουργεῖν πολλοῖς ἔνεστι καὶ τὸ συναγωνιᾶν καὶ τὸ συνασχολεῖσθαι καὶ συγκάμνειν. οὐ γὰρ Εὐριπίδῃ πειστέον λέγοντι

χρῆν γὰρ μετρίαν εἰς ἀλλήλους

φιλίαν θνητοὺς ἀνακίρνασθαι

[f] καὶ μὴ πρὸς ἄκρον μυελὸν ψυχῆς,

εὔλυτα δ' εἶναι θέλγητρα φρενῶν,

ἀπό τ' ὤσασθαι καὶ ξυντεῖναι,

καθάπερ πόδα νεὼς ἐνδιδόντι καὶ προσάγοντι ταῖς χρείαις τὴν φιλίαν. ἀλλὰ τοῦτο μέν, ὦ Εὐριπίδη, μεταθῶμεν ἐπὶ τὰς ἔχθρας, καὶ κελεύωμεν "μετρίας" ποιεῖσθαι τὰς διαφορὰς καὶ "μὴ πρὸς ἄκρον μυελὸν ψυχῆς, εὔλυτα δ' εἶναι" μίση καὶ ὀργὰς [96] [a] καὶ μεμψιμοιρίας καὶ ὑπονοίας· ἐκεῖνο δὲ μᾶλλον ἡμῖν παραίνει τὸ Πυθαγορικὸν "μὴ πολλοῖς ἐμβάλλειν δεξιάν,"

τουτέστι μὴ πολλοὺς ποιεῖσθαι φίλους μηδὲ πολύκοινον μηδὲ πάνδημον ἀσπάζεσθαι φιλίαν, καὶ πρὸς ἕν' ἄν τις ᾖ μετὰ πολλῶν παθῶν εἰσιοῦσα, ὧν τὸ μὴ συναγωνιᾶν καὶ συνάχθεσθαι καὶ συμπονεῖν καὶ συγκινδυνεύειν πάνυ δύσοιστον τοῖς ἐλευθέροις καὶ γενναίοις ἐστίν.

Τὸ δὲ τοῦ σοφοῦ Χίλωνος ἀληθές, ὃς πρὸς τὸν εἰπόντα μηδένα ἔχειν ἐχθρόν "ἔοικας," ἔφη, "σὺ μηδὲ φίλον ἔχειν." αἱ γὰρ ἔχθραι ταῖς φιλίαις εὐθὺς ἐπακολουθοῦσι καὶ συμπλέκονται, [b] ἐπείπερ οὐκ ἔστι φίλον μὴ συναδικεῖσθαι μηδὲ συναδοξεῖν μηδὲ συναπεχθάνεσθαι· οἱ γὰρ ἐχθροὶ τὸν φίλον εὐθὺς ὑφορῶνταί τε καὶ μισοῦσιν, οἱ δὲ φίλοι πολλάκις φθονοῦσί τε καὶ ζηλοτυποῦσι καὶ περισπῶσιν. ὥσπερ οὖν ὁ τῷ Τιμησίᾳ περὶ τῆς ἀποικίας δοθεὶς χρησμὸς προηγόρευσε

σμῆνα μελισσάων τάχα τοι καὶ σφῆκες ἔσονται,

οὕτως οἱ φίλων ζητοῦντες ἑσμὸν ἔλαθον ἐχθρῶν σφηκιαῖς περιπεσόντες.

Καὶ οὐκ ἴσον ἄγει σταθμὸν ἐχθροῦ μνησικακία

καὶ φίλου χάρις. ὅρα δὲ τοὺς Φιλώτου καὶ [c] Παρμενίωνος φίλους καὶ οἰκείους ἃ διέθηκεν Ἀλέξανδρος, ἃ τοὺς Δίωνος Διονύσιος τοὺς Πλαύτου Νέρων καὶ τοὺς Σηιανοῦ Τιβέριος στρεβλοῦντες καὶ ἀποκτιννύοντες. ὡς γὰρ τὸν Κρέοντα τῆς θυγατρὸς οὐδὲν ὁ χρυσὸς οὐδ' ὁ πέπλος ὠφέλει, τὸ δὲ πῦρ ἀναφθὲν αἰφνιδίως προσδραμόντα καὶ περιπτύξαντα κατέκαυσε καὶ συναπώλεσεν, οὕτως ἔνιοι τῶν φίλων οὐδὲν ἀπολαύσαντες εὐτυχούντων συναπόλλυνται δυστυχοῦσι. καὶ τοῦτο μάλιστα πάσχουσιν οἱ φιλόσοφοι καὶ χαρίεντες, ὡς Θησεὺς τῷ Πειρίθῳ κολαζομένῳ καὶ δεδεμένῳ

αἰδοῦς ἀχαλκεύτοισιν ἔζευκται πέδαις,

[d] ἐν δὲ τῷ λοιμῷ φησιν ὁ Θουκυδίδης τοὺς ἀρετῆς μάλιστα μεταποιουμένους συναπόλλυσθαι τοῖς φίλοις νοσοῦσιν· ἠφείδουν γὰρ σφῶν αὐτῶν ἰόντες παρὰ τοὺς ἐπιτηδείους.

Ὅθεν οὕτω τῆς ἀρετῆς ἀφειδεῖν οὐ προσῆκον ἄλλοτ' ἄλλοις συνδέοντας αὐτὴν καὶ συμπλέκοντας, ἀλλὰ τοῖς ἀξίοις τὴν αὐτὴν κοινωνίαν φυλάττειν, τουτέστι τοῖς ὁμοίως φιλεῖν καὶ κοινωνεῖν δυναμένοις. καὶ γὰρ δὴ τοῦτο πάντων μέγιστόν ἐστιν ἐναντίωμα πρὸς τὴν πολυφιλίαν, ὅτι τῇ φιλίᾳ γένεσις δι' ὁμοιότητός ἐστιν. ὅπου γὰρ καὶ τὰ ἄψυχα τὰς μίξεις πρὸς τὰ ἀνόμοια ποιεῖται μετὰ [e] βίας ἀναγκαζόμενα καὶ ὀκλάζει καὶ ἀγανακτεῖ φεύγοντα ἀπ' ἀλλήλων, τοῖς δὲ συγγενέσι καὶ οἰκείοις ὁμοπαθεῖ κεραννύμενα καὶ προσίεται τὴν κοινωνίαν λείως καὶ μετ' εὐμενείας, πῶς οἷόν τε φιλίαν ἤθεσι διαφόροις ἐγγενέσθαι καὶ πάθεσιν ἀνομοίοις καὶ βίοις ἑτέρας προαιρέσεις ἔχουσιν; ἡ μὲν γὰρ περὶ ψαλμοὺς καὶ φόρμιγγας ἁρμονία δι' ἀντιφώνων ἔχει τὸ σύμφωνον, ὀξύτησι καὶ βαρύτησιν ἁμωσγέπως ὁμοιότητος ἐγγιγνομένης·

τῆς δὲ φιλικῆς συμφωνίας ταύτης καὶ ἁρμονίας οὐδὲν ἀνόμοιον οὐδ' ἀνώμαλον οὐδ' ἄνισον εἶναι δεῖ μέρος, ἀλλ' ἐξ ἁπάντων ὁμοίως ἐχόντων [f] ὁμολογεῖν καὶ ὁμοβουλεῖν καὶ ὁμοδοξεῖν καὶ συνομοπαθεῖν, ὥσπερ μιᾶς ψυχῆς ἐν πλείοσι διῃρημένης σώμασι.

Τίς οὖν ἐστιν οὕτως ἐπίπονος καὶ μετάβολος καὶ παντοδαπὸς ἄνθρωπος, ὥστε πολλοῖς ἑαυτὸν ἐξομοιοῦν καὶ προσαρμόττειν καὶ μὴ καταγελᾶν τοῦ Θεόγνιδος παραινοῦντος

πουλύποδος νόον ἴσχε πολυχρόου, ὃς ποτὶ πέτρῃ,

τῇ περ ὁμιλήσῃ, τοῖος ἰδεῖν ἐφάνη;

καίτοι τοῦ πολύποδος αἱ μεταβολαὶ βάθος οὐκ ἔχουσιν, ἀλλὰ περὶ αὐτὴν γίγνονται τὴν ἐπιφάνειαν, στυφότητι καὶ μανότητι τὰς ἀπορροίας τῶν [97] [a] πλησιαζόντων ἀναλαμβάνουσαν· αἱ δὲ φιλίαι τὰ ἤθη ζητοῦσι συνεξομοιοῦν καὶ τὰ πάθη καὶ τοὺς λόγους καὶ τὰ ἐπιτηδεύματα καὶ τὰς διαθέσεις. Πρωτέως τινὸς οὐκ εὐτυχοῦς οὐδὲ πάνυ χρηστοῦ τὸ ἔργον, ἀλλ' ὑπὸ γοητείας ἑαυτὸν εἰς ἕτερον εἶδος ἐξ ἑτέρου μεταλλάττοντος ἐν ταὐτῷ πολλάκις, φιλολόγοις συναναγιγνώσκοντος καὶ παλαισταῖς συγκονιομένου καὶ φιλοθήροις συγκυνηγετοῦντος καὶ φιλοπόταις συμμεθυσκομένου καὶ πολιτικοῖς συναρχαιρεσιάζοντος, ἰδίαν ἤθους ἑστίαν οὐκ ἔχοντος. ὡς δὲ τὴν ἀσχημάτιστον οἱ φυσικοὶ καὶ [b] ἀχρώματον οὐσίαν καὶ ὕλην λέγουσιν ὑποκειμένην καὶ τρεπομένην ὑφ' αὑτῆς νῦν μὲν φλέγεσθαι νῦν δ' ἐξυγραίνεσθαι, τοτὲ δ' ἐξαεροῦσθαι πήγνυσθαι δ' αὖθις, οὕτως ἄρα τῇ πολυφιλίᾳ ψυχὴν ὑποκεῖσθαι δεήσει πολυπαθῆ καὶ πολύτροπον καὶ ὑγρὰν καὶ ῥᾳδίαν μεταβάλλειν. ἀλλ' ἡ φιλία στάσιμόν τι ζητεῖ καὶ βέβαιον ἦθος καὶ ἀμετάπτωτον ἐν μιᾷ χώρᾳ καὶ συνηθείᾳ· διὸ καὶ σπάνιον καὶ δυσεύρετόν ἐστι φίλος βέβαιος.

ΠΕΡΙ ΤΥΧΗΣ

[97] Τύχη τὰ θνητῶν πράγματ’, οὐκ εὐβουλία.

πότερον οὐδὲ δικαιοσύνη τὰ θνητῶν πράγματα οὐδ’ ἰσότης οὐδὲ σωφροσύνη οὐδὲ κοσμιότης, ἀλλ’ ἐκ τύχης μὲν καὶ διὰ τύχην Ἀριστείδης ἐνεκαρτέρησε [d] τῇ πενίᾳ, πολλῶν χρημάτων κύριος γενέσθαι δυνάμενος, καὶ Σκιπίων Καρχηδόνα ἑλὼν οὐδὲν οὔτ’ ἔλαβεν οὔτ’ εἶδε τῶν λαφύρων, ἐκ τύχης δὲ καὶ διὰ τύχην Φιλοκράτης λαβὼν χρυσίον παρὰ Φιλίππου “πόρνας καὶ ἰχθῦς ἠγόραζε,” καὶ Λασθένης καὶ Εὐθυκράτης ἀπώλεσαν Ὄλυνθον, “τῇ γαστρὶ μετροῦντες καὶ τοῖς αἰσχίστοις τὴν εὐδαιμονίαν”; ἀπὸ τύχης δ’ ὁ μὲν Φιλίππου Ἀλέξανδρος αὐτός τε τῶν αἰχμαλώτων ἀπείχετο γυναικῶν καὶ τοὺς ὑβρίζοντας ἐκόλαζεν, ὁ δὲ Πριάμου δαίμονι κακῷ καὶ τύχῃ χρησάμενος συνεκοιμᾶτο τῇ τοῦ ξένου γυναικί, καὶ λαβὼν [e] αὐτὴν ἐνέπλησε πολέμου καὶ κακῶν τὰς δύο ἠπείρους; εἰ γὰρ ταῦτα γίγνεται διὰ τύχην, τί κωλύει καὶ τὰς γαλᾶς καὶ τοὺς τράγους καὶ τοὺς πιθήκους συνέχεσθαι φάναι διὰ τύχην ταῖς λιχνείαις καὶ ταῖς ἀκρασίαις καὶ ταῖς βωμολοχίαις;

Εἰ δ’ ἔστι σωφροσύνη καὶ δικαιοσύνη καὶ ἀνδρεία, πῶς λόγον ἔχει μὴ εἶναι φρόνησιν, εἰ δὲ φρόνησις, πῶς οὐ καὶ εὐβουλίαν; ἡ γὰρ σωφροσύνη φρόνησίς τίς ἐστιν ὥς φασι, καὶ ἡ δικαιοσύνη τῆς φρονήσεως δεῖται παρούσης· μᾶλλον δὲ τὴν εὐβουλίαν γέ τοι καὶ φρόνησιν ἐν μὲν ἡδοναῖς ἀγαθοὺς παρεχομένην ἐγκράτειαν καὶ σωφροσύνην καλοῦμεν, ἐν δὲ κινδύνοις καὶ πόνοις καρτερίαν καὶ ἀνδραγαθίαν, ἐν δὲ κοινωνήμασι καὶ πολιτείαις εὐνομίαν καὶ δικαιοσύνην. ὅθεν εἰ τὰ τῆς εὐβουλίας [f] ἔργα τῆς τύχης δικαιοῦμεν εἶναι, ἔστω τύχης καὶ τὰ τῆς δικαιοσύνης καὶ τὰ τῆς σωφροσύνης, καὶ νὴ Δία τὸ κλέπτειν τύχης ἔστω καὶ τὸ βαλλαντιοτομεῖν καὶ τὸ ἀκολασταίνειν, καὶ μεθέμενοι τῶν οἰκείων λογισμῶν εἰς τὴν τύχην ἑαυτοὺς ἀφῶμεν ὥσπερ ὑπὸ πνεύματος πολλοῦ κονιορτὸν ἢ συρφετὸν ἐλαυνομένους καὶ διαφερομένους. εὐβουλίας τοίνυν μὴ οὔσης οὐδὲ βουλὴν εἰκὸς εἶναι περὶ πραγμάτων οὐδὲ σκέψιν οὐδὲ ζήτησιν τοῦ συμφέροντος, ἀλλ’ ἐλήρησεν εἰπὼν ὁ Σοφοκλῆς ὅτι

[98] [a] πᾶν τὸ ζητούμενον
ἁλωτόν, ἐκφεύγει δὲ τἀμελούμενον
καὶ πάλιν αὖ τὰ πράγματα διαιρῶν
τὰ μὲν διδακτὰ μανθάνω, τὰ δ’ εὑρετὰ
ζητῶ, τὰ δ’ εὐκτὰ παρὰ θεῶν ᾐτησάμην.

τί γὰρ εὑρετὸν ἢ τί μαθητόν ἐστιν ἀνθρώποις, εἰ πάντα περαίνεται κατὰ τύχην; ποῖον δ' οὐκ ἀναιρεῖται βουλευτήριον πόλεως ἢ ποῖον οὐ καταλύεται συνέδριον βασιλέως, εἰ ὑπὸ τῇ τύχῃ πάντ' ἐστίν, ἣν τυφλὴν λοιδοροῦμεν, ὡς τυφλοὶ περιπίπτοντες [b] αὐτῇ; τί δ' οὐ μέλλομεν, ὅταν ὥσπερ ὄμματα τὴν εὐβουλίαν ἐκκόψαντες αὐτῶν τοῦ βίου τυφλὴν χειραγωγὸν λαμβάνωμεν;

Καίτοι φέρε λέγειν τινὰ ἡμῶν ὡς τύχη τὰ τῶν βλεπόντων πράγματα, οὐκ ὄψις οὐδ' "ὄμματα φωσφόρα," φησὶ Πλάτων, καὶ τύχη τὰ τῶν ἀκουόντων, οὐ δύναμις ἀντιληπτικὴ πληγῆς ἀέρος δι' ὠτὸς καὶ ἐγκεφάλου προσφερομένης· καλὸν ἦν, ὡς ἔοικεν, εὐλαβεῖσθαι τὴν αἴσθησιν. ἀλλὰ μὴν τὴν ὄψιν καὶ ἀκοὴν καὶ γεῦσιν καὶ ὄσφρησιν καὶ τὰ λοιπὰ μέρη τοῦ σώματος τάς τε δυνάμεις αὐτῶν ὑπηρεσίαν εὐβουλίας καὶ φρονήσεως ἡ [c] φύσις ἤνεγκεν ἡμῖν, καὶ

"νοῦς ὁρῇ καὶ νοῦς ἀκούει, τἄλλα" δὲ "κωφὰ

καὶ ὥσπερ ἡλίου μὴ ὄντος ἕνεκα τῶν ἄλλων ἄστρων εὐφρόνην ἂν ἤγομεν, ὥς φησιν Ἡράκλειτος, οὕτως ἕνεκα τῶν αἰσθήσεων, εἰ μὴ νοῦν μηδὲ λόγον ὁ ἄνθρωπος ἔσχεν, οὐδὲν ἂν διέφερε τῷ βίῳ τῶν θηρίων. νῦν δ' οὐκ ἀπὸ τύχης οὐδ' αὐτομάτως περίεσμεν αὐτῶν καὶ κρατοῦμεν, ἀλλ' ὁ Προμηθεύς, τουτέστιν ὁ λογισμός, αἴτιος

τὰ δ' ὑποδέδεται καὶ ἠμφίεσται φολίσι καὶ λάχναις καὶ χηλαῖς καὶ ὁπλαῖς ἀποκρότοις· μόνος δ' ὁ ἄνθρωπος κατὰ τὸν Πλάτωνα "γυμνὸς καὶ ἄνοπλος καὶ ἀνυπόδετος καὶ ἄστρωτος" ὑπὸ τῆς φύσεως ἀπολέλειπται.

ἀλλ' ἓν διδοῦσα πάντα μαλθάσσει τάδε,

κουφότατον ἵπποι καὶ ὠκύτατον, ἀνθρώπῳ δὲ θέουσι· μάχιμον κύων καὶ θυμοειδές, ἀλλ' ἄνθρωπον φυλάττει· ἡδύτατον ἰχθὺς καὶ πολύσαρκον ὗς,

ἀνθρώπῳ δὲ τροφὴ καὶ ὄψον ἐστί. τί μεῖζον ἐλέφαντος ἢ φοβερώτερον ἰδεῖν; ἀλλὰ καὶ τοῦτο παίγνιον γέγονεν ἀνθρώπου καὶ θέαμα πανηγυρικόν, ὀρχήσεις τε μανθάνει καὶ χορείας καὶ προσκυνήσεις, οὐκ ἀχρήστως τῶν τοιούτων παρεισαγομένων, [f] ἀλλ᾽ ἵνα μανθάνωμεν ποῦ τὸν ἄνθρωπον ἡ φρόνησις αἴρει καὶ τίνων ὑπεράνω ποιεῖ, καὶ πῶς κρατεῖ πάντων καὶ περίεστιν.

οὐ γὰρ πυγμάχοι εἰμὲν ἀμύμονες οὐδὲ παλαισταί,

οὐδὲ ποσὶ κραιπνῶς θέομεν,

ἀλλ᾽ ἐν πᾶσι τούτοις ἀτυχέστεροι τῶν θηρίων ἐσμέν· ἐμπειρίᾳ δὲ καὶ μνήμῃ καὶ σοφίᾳ καὶ τέχνῃ κατ᾽ Ἀναξαγόραν σφῶν τ᾽ αὐτῶν χρώμεθα καὶ βλίττομεν καὶ ἀμέλγομεν καὶ φέρομεν καὶ ἄγομεν συλλαμβάνοντες· ὥστ᾽ ἐνταῦθα μηδὲν τῆς τύχης ἀλλὰ πάντα τῆς εὐβουλίας εἶναι καὶ τῆς προνοίας.

[99] [a] Ἀλλὰ μὴν καὶ τὰ τεκτόνων δήπου "πράγματα θνητῶν" ἐστι, καὶ τὰ χαλκοτύπων καὶ οἰκοδόμων καὶ ἀνδριαντοποιῶν, ἐν οἷς οὐδὲν αὐτομάτως οὐδ᾽ ὡς ἔτυχε κατορθούμενον ὁρῶμεν. ὅτι γὰρ τούτοις βραχεῖά τις παρεμπίπτει τύχη, τὰ δὲ πλεῖστα καὶ μέγιστα τῶν ἔργων αἱ τέχναι συντελοῦσι δι᾽ αὐτῶν, καὶ οὗτος ὑποδεδήλωκε

βᾶτ᾽ εἰς ὁδὸν δὴ πᾶς ὁ χειρῶναξ λεώς,

λίκνοισι προστρέπεσθε.

[b] τὴν γὰρ Ἐργάνην καὶ τὴν Ἀθηνᾶν αἱ τέχναι πάρεδρον οὐ τὴν Τύχην ἔχουσι. ἕνα μέντοι φασὶν ἵππον ζωγραφοῦντα τοῖς μὲν ἄλλοις κατορθοῦν εἴδεσι καὶ χρώμασι, τοῦ δ᾽ ἀφροῦ τὴν περὶ τῷ χαλινῷ κοπτομένην χαυνότητα καὶ τὸ συνεκπῖπτον ἆσθμα μὴ κατορθοῦντα γράφειν τε πολλάκις καὶ ἐξαλείφειν, τέλος δ᾽ ὑπ᾽ ὀργῆς προσβαλεῖν τῷ πίνακι τὸν σπόγγον ὥσπερ εἶχε τῶν φαρμάκων ἀνάπλεων, τὸν δὲ προσπεσόντα θαυμαστῶς ἐναπομάξαι καὶ ποιῆσαι τὸ δέον. τοῦτ᾽ ἔντεχνον τύχης μόνον ἱστορεῖται. κανόσι καὶ σταθμαῖς καὶ μέτροις καὶ ἀριθμοῖς πανταχοῦ χρῶνται, ἵνα μηδαμοῦ [c] τὸ εἰκῇ καὶ ὡς ἔτυχε τοῖς ἔργοις ἐγγένηται. καὶ μὴν αἱ τέχναι μικραί τινες εἶναι λέγονται φρονήσεις, μᾶλλον δ᾽ ἀπόρροιαι φρονήσεως καὶ ἀποτρίμματα ἐνδιεσπαρμένα ταῖς χρείαις περὶ τὸν βίον, ὥσπερ αἰνίττεται τὸ πῦρ ὑπὸ τοῦ Προμηθέως μερισθὲν ἄλλο ἄλλῃ διασπαρῆναι. καὶ γὰρ τῆς φρονήσεως μόρια καὶ σπάσματα μικρὰ θραυομένης καὶ κατακερματιζομένης εἰς τάξεις κεχώρηκε.

Θαυμαστὸν οὖν ἐστι πῶς αἱ μὲν τέχναι τῆς τύχης οὐ δέονται πρὸς τὸ οἰκεῖον τέλος, ἡ δὲ πασῶν μεγίστη καὶ τελειοτάτη τέχνη καὶ τὸ κεφάλαιον τῆς ἀνθρωπίνης εὐφημίας καὶ δικαιώσεως οὐδέν ἐστιν. ἀλλ᾽ ἐν ἐπιτάσει μὲν χορδῶν καὶ ἀνέσει εὐβουλία τίς ἐστιν ἣν μουσικὴν καλοῦσι, καὶ περὶ ἄρτυσιν

Ἠρώτα τις Ἰφικράτην τὸν στρατηγόν, ὥσπερ ἐξελέγχων, τίς ἐστιν; "οὔτε γὰρ ὁπλίτης οὔτε τοξότης οὔτε πελταστής." κἀκεῖνος "ὁ τούτοις," ἔφη, "πᾶσιν ἐπιτάττων καὶ χρώμενος." οὐ [f] χρυσίον ἡ φρόνησίς ἐστιν οὐδ' ἀργύριον οὐδὲ δόξα οὐδὲ πλοῦτος οὐδ' ὑγίεια οὐδ' ἰσχὺς οὐδὲ κάλλος. τί οὖν ἐστι; τὸ πᾶσι τούτοις καλῶς χρῆσθαι δυνάμενον καὶ δι' ὃ τούτων ἕκαστον ἡδὺ γίγνεται καὶ ἔνδοξον καὶ ὠφέλιμον· ἄνευ δὲ τούτου δύσχρηστα καὶ ἄκαρπα καὶ βλαβερά, καὶ βαρύνει καὶ καταισχύνει τὸν κεκτημένον. ἦ που καλῶς ὁ Ἡσιόδου Προμηθεὺς τῷ Ἐπιμηθεῖ παρακελεύεται

De virtute et vitio

ΠΕΡΙ ΑΡΕΤΗΣ ΚΑΙ ΚΑΚΙΑΣ

[100] Τὰ ἱμάτια δοκεῖ θερμαίνειν τὸν ἄνθρωπον, οὐκ αὐτὰ δήπου θερμαίνοντα καὶ προσβάλλοντα τὴν θερμότητα (καθ' ἑαυτὸ γὰρ ἕκαστον αὐτῶν ψυχρόν ἐστιν, ᾗ καὶ πολλάκις καυματιζόμενοι καὶ πυρέττοντες [c] ἐξ ἑτέρων ἕτερα μεταλαμβάνουσιν), ἀλλ' ἣν ὁ ἄνθρωπος ἀναδίδωσιν ἐξ ἑαυτοῦ θερμότητα, ταύτην ἡ ἐσθὴς τῷ σώματι προσπεσοῦσα συνέχει καὶ περιστέλλει, καὶ καθειργνυμένην εἰς τὸ σῶμα οὐκ ἐᾷ πάλιν σκεδάννυσθαι. ταὐτὸ δὴ τοῦτο τοῖς πράγμασιν ὑπάρχον ἐξαπατᾷ τοὺς πολλούς, ὡς, ἂν οἰκίας μεγάλας περιβάλωνται καὶ πλῆθος ἀνδραπόδων καὶ χρημάτων συναγάγωσιν, ἡδέως βιωσομένους. τὸ δ' ἡδέως ζῆν καὶ ἱλαρῶς οὐκ ἔξωθέν ἐστιν, ἀλλὰ τοὐναντίον ὁ ἄνθρωπος τοῖς περὶ αὐτὸν πράγμασιν ἡδονὴν καὶ χάριν ὥσπερ ἐκ πηγῆς τοῦ ἤθους προστίθησιν.

[d] αἰθομένου δὲ πυρὸς γεραρώτερος οἶκος ἰδέσθαι, καὶ πλοῦτος ἡδίων καὶ δόξα λαμπροτέρα καὶ δύναμις, ἂν τὸ ἀπὸ τῆς ψυχῆς ἔχῃ γῆθος· ὅπου καὶ πενίαν καὶ φυγὴν καὶ γῆρας ἐλαφρῶς καὶ προσηνῶς πρὸς εὐκολίαν καὶ πραότητα τρόπου φέρουσιν.

Ὡς γὰρ ἀρώματα τρίβωνας εὐώδεις καὶ ῥάκια ποιεῖ, τοῦ δ' Ἀγχίσου τὸ σῶμα ἰχῶρα πονηρὸν ἐξεδίδου

νώτου καταστάζοντα βύσσινον φάρος,

οὕτω μετ' ἀρετῆς καὶ δίαιτα πᾶσα καὶ βίος ἄλυπός ἐστι καὶ ἐπιτερπής, ἡ δὲ κακία καὶ τὰ λαμπρὰ [e] φαινόμενα καὶ πολυτελῆ καὶ σεμνὰ μιγνυμένη λυπηρὰ καὶ ναυτιώδη καὶ δυσπρόσδεκτα παρέχει τοῖς κεκτημένοις.

οὗτος μακάριος ἐν ἀγορᾷ νομίζεται·

ἐπὰν δ' ἀνοίξῃ τὰς θύρας, τρισάθλιος,

γυνὴ κρατεῖ πάντων, ἐπιτάττει, μάχετ' ἀεί·

καίτοι γυναικὸς οὐ χαλεπῶς ἄν τις ἀπαλλαγείη πονηρᾶς ἀνὴρ ὤν, μὴ ἀνδράποδον· πρὸς δὲ τὴν ἑαυτοῦ κακίαν οὐκ ἔστι γραψάμενον ἀπόλειψιν ἤδη πραγμάτων ἀφεῖσθαι καὶ ἀναπαύεσθαι γενόμενον καθ' αὑτόν, ἀλλ' ἀεὶ συνοικοῦσα τοῖς σπλάγχνοις καὶ προσπεφυκυῖα νύκτωρ καὶ μεθ' ἡμέραν

εὔει ἄτερ δαλοῖο καὶ ὠμῷ γήραϊ δῶκεν,

[f] βαρεῖα συνέκδημος οὖσα δι' ἀλαζονείαν καὶ πολυτελὴς σύνδειπνος ὑπὸ λιχνείας καὶ σύγκοιτος ὀδυνηρά, φροντίσι καὶ μερίμναις καὶ ζηλοτυπίαις ἐκκόπτουσα τὸν ὕπνον καὶ διαφθείρουσα. καὶ γὰρ ὃ καθεύδουσι τοῦ σώματος

ὕπνος ἐστὶ καὶ ἀνάπαυσις, τῆς δὲ ψυχῆς πτοῖαι καὶ ὄνειροι καὶ ταραχαὶ διὰ δεισιδαιμονίαν.

ὅταν δὲ νυστάζοντά μ’ ἡ λύπη λάβῃ,

ἀπόλλυμ’ ὑπὸ τῶν ἐνυπνίων

φησί τις· οὕτω δὲ καὶ φθόνος καὶ φόβος καὶ θυμὸς καὶ ἀκολασία διατίθησι. μεθ’ ἡμέραν μὲν γὰρ ἔξω βλέπουσα καὶ συσχηματιζομένη πρὸς [101] [a] ἑτέρους ἡ κακία δυσωπεῖται καὶ παρακαλύπτει τὰ πάθη, καὶ οὐ παντάπασι ταῖς ὁρμαῖς ἐκδίδωσιν ἑαυτὴν ἀλλ’ ἀντιτείνει καὶ μάχεται πολλάκις· ἐν δὲ τοῖς ὕπνοις ἀποφυγοῦσα δόξας καὶ νόμους καὶ πορρωτάτω γενομένη τοῦ δεδιέναι τε καὶ αἰδεῖσθαι, πᾶσαν ἐπιθυμίαν κινεῖ καὶ ἐπανεγείρει τὸ κακόηθες καὶ ἀκόλαστον. “μητρί τε γὰρ ἐπιχειρεῖ μίγνυσθαι,” ὥς φησιν ὁ Πλάτων, καὶ βρώσεις ἀθέσμους προσφέρεται καὶ πράξεως οὐδεμιᾶς ἀπέχεται, ἀπολαύουσα τοῦ παρανομεῖν ὡς ἀνυστόν ἐστιν εἰδώλοις καὶ φάσμασιν εἰς οὐδεμίαν ἡδονὴν οὐδὲ τελείωσιν τοῦ ἐπιθυμοῦντος τελευτῶσιν, [b] ἀλλὰ κινεῖν μόνον καὶ διαγριαίνειν τὰ πάθη καὶ τὰ νοσήματα δυναμένοις.

Ποῦ τοίνυν τὸ ἡδὺ τῆς κακίας ἐστίν, εἰ μηδαμοῦ τὸ ἀμέριμνον καὶ τὸ ἄλυπον μηδ’ αὐτάρκεια μηδ’ ἀταραξία μηδ’ ἡσυχία; ταῖς μὲν γὰρ τῆς σαρκὸς ἡδοναῖς ἡ τοῦ σώματος εὐκρασία καὶ ὑγίεια χώραν καὶ γένεσιν δίδωσι· τῇ δὲ ψυχῇ οὐκ ἔστιν ἐγγενέσθαι γῆθος οὐδὲ χαρὰν βέβαιον, ἂν μὴ τὸ εὔθυμον καὶ ἄφοβον καὶ θαρραλέον ὥσπερ ἕδραν ἢ γαλήνην ἄκλυστον ὑποβάληται, ἀλλὰ κἂν ὑπομειδιάσῃ τις ἐλπὶς ἢ τέρψις, αὕτη ταχὺ φροντίδος ἐκραγείσης ὥσπερ ἐν εὐδίᾳ σπιλάδος συνεχύθη καὶ συνεταράχθη.

[c] Ἄθροιζε χρυσίον, σύναγε ἀργύριον, οἰκοδόμει περιπάτους, ἔμπλησον ἀνδραπόδων τὴν οἰκίαν καὶ χρεωστῶν τὴν πόλιν· ἂν μὴ τὰ πάθη τῆς ψυχῆς καταστορέσῃς καὶ τὴν ἀπληστίαν παύσῃς καὶ φόβων καὶ φροντίδων ἀπαλλάξῃς σαυτόν, οἶνον διηθεῖς πυρέττοντι καὶ χολικῷ μέλι προσφέρεις καὶ σιτία καὶ ὄψα κοιλιακοῖς ἑτοιμάζεις καὶ δυσεντερικοῖς, μὴ στέγουσι μηδὲ ῥωννυμένοις ἀλλὰ προσδιαφθειρομένοις ὑπ’ αὐτῶν. οὐχ ὁρᾷς τοὺς νοσοῦντας ὅτι τῶν βρωμάτων τὰ καθαριώτατα καὶ πολυτελέστατα δυσχεραίνουσι καὶ διαπτύουσι [d] καὶ παραιτοῦνται προσφερόντων καὶ βιαζομένων, εἶτα, τῆς κράσεως μεταβαλούσης καὶ πνεύματος χρηστοῦ καὶ γλυκέος αἵματος ἐγγενομένου καὶ θερμότητος οἰκείας, ἀναστάντες ἄρτον λιτὸν ἐπὶ τυρῷ καὶ καρδάμῳ χαίρουσι καὶ ἀσμενίζουσιν ἐσθίοντες; τοιαύτην ὁ λόγος ἐμποιεῖ τῇ ψυχῇ διάθεσιν. αὐτάρκης ἔσῃ, ἂν μάθῃς τί τὸ καλὸν κἀγαθόν ἐστι· τρυφήσεις ἐν πενίᾳ καὶ βασιλεύσεις καὶ τὸν ἀπράγμονα βίον καὶ ἰδιώτην οὐδὲν ἧττον ἀγαπήσεις ἢ τὸν ἐπὶ στρατηγίαις καὶ ἡγεμονίαις· οὐ βιώσῃ φιλοσοφήσας ἀηδῶς, ἀλλὰ πανταχοῦ ζῆν ἡδέως μαθήσῃ καὶ ἀπὸ

πάντων· εὐφρανεῖ σε [e] πλοῦτος πολλοὺς εὐεργετοῦντα καὶ πενία πολλὰ μὴ μεριμνῶντα καὶ δόξα τιμώμενον καὶ ἀδοξία μὴ φθονούμενον.

Consolatio ad Apollonium

ΠΑΡΑΜΥΘΗΤΙΚΟΣ ΠΡΟΣ ΑΠΟΛΛΩΝΙΟΝ

[101] Καὶ πάλαι σοι συνήλγησα καὶ συνηχθέσθην, Ἀπολλώνιε, ἀκούσας περὶ τῆς τοῦ προσφιλεστάτου πᾶσιν ἡμῖν υἱοῦ σου προώρου μεταλλαγῆς τοῦ βίου, νεανίσκου κοσμίου πάνυ καὶ σώφρονος καὶ διαφερόντως τά τε πρὸς θεοὺς καὶ τὰ πρὸς γονεῖς [102] [a] καὶ φίλους ὅσια καὶ δίκαια διαφυλάξαντος. τότε μὲν οὖν ὑπὸ τὸν τῆς τελευτῆς καιρὸν ἐντυγχάνειν σοι καὶ παρακαλεῖν ἀνθρωπίνως φέρειν τὸ συμβεβηκὸς ἀνοίκειον ἦν, παρειμένῳ τό τε σῶμα καὶ τὴν ψυχὴν ὑπὸ τῆς παραλόγου συμφορᾶς, καὶ συμπαθεῖν δ' ἦν ἀναγκαῖον· οὐδὲ γὰρ οἱ βέλτιστοι τῶν ἰατρῶν πρὸς τὰς ἀθρόας τῶν ῥευμάτων ἐπιφορὰς εὐθὺς προσφέρουσι τὰς διὰ τῶν φαρμάκων βοηθείας, ἀλλ' ἐῶσι τὸ βαρῦνον τῆς φλεγμονῆς δίχα τῆς τῶν ἔξωθεν περιχρίστων ἐπιθέσεως αὐτὸ δι' αὑτοῦ λαβεῖν πέψιν.

Ἐπειδὴ οὖν καὶ χρόνος ὁ πάντα πεπαίνειν [b] εἰωθὼς ἐγγέγονε τῇ συμφορᾷ καὶ ἡ περὶ σὲ διάθεσις ἀπαιτεῖν ἔοικε τὴν παρὰ τῶν φίλων βοήθειαν, καλῶς ἔχειν ὑπέλαβον τῶν παραμυθητικῶν σοι μεταδοῦναι λόγων πρὸς ἄνεσιν τῆς λύπης καὶ παῦλαν τῶν πενθικῶν καὶ ματαίων ὀδυρμῶν.

"ψυχῆς" γὰρ "νοσούσης εἰσὶν ἰατροὶ λόγοι,
ὅταν τις ἐν καιρῷ γε μαλθάσσῃ κέαρ."
κατὰ γὰρ τὸν σοφὸν Εὐριπίδην
ἄλλο δέ γ' ἐπ' ἄλλῃ φάρμακον κεῖται νόσῳ·
λυπουμένῳ μὲν μῦθος εὐμενὴς φίλων,
ἄγαν δὲ μωραίνοντι νουθετήματα.

[c]πολλῶν γὰρ ὄντων ψυχικῶν παθῶν, ἡ λύπη τὸ χαλεπώτατον πέφυκεν εἶναι πάντων·

"διὰ λύπην γάρ," φασί, "καὶ μανίαν γίγνεσθαι
πολλοῖσι καὶ νοσήματ' οὐκ ἰάσιμα,
αὑτούς τ' ἀνῃρήκασι διὰ λύπην τινές."

Τὸ μὲν οὖν ἀλγεῖν καὶ δάκνεσθαι τελευτήσαντος υἱοῦ φυσικὴν ἔχει τὴν ἀρχὴν τῆς λύπης, καὶ οὐκ ἐφ' ἡμῖν. οὐ γὰρ ἔγωγε συμφέρομαι τοῖς ὑμνοῦσι τὴν ἄγριον καὶ σκληρὰν ἀπάθειαν, ἔξω καὶ τοῦ δυνατοῦ καὶ τοῦ συμφέροντος οὖσαν· ἀφαιρήσεται γὰρ ἡμῶν αὕτη τὴν ἐκ τοῦ φιλεῖσθαι [d] καὶ φιλεῖν εὔνοιαν, ἣν παντὸς μᾶλλον διασῴζειν ἀναγκαῖον. τὸ δὲ πέρα τοῦ μέτρου παρεκφέρεσθαι καὶ συναύξειν τὰ πένθη παρὰ φύσιν εἶναί φημι καὶ ὑπὸ τῆς ἐν ἡμῖν φαύλης γίγνεσθαι δόξης. διὸ καὶ τοῦτο μὲν ἐατέον ὡς βλαβερὸν καὶ

φαῦλον καὶ σπουδαίοις ἀνδράσιν ἥκιστα πρέπον, τὴν δὲ μετριοπάθειαν οὐκ ἀποδοκιμαστέον. "μὴ γὰρ νοσοῖμεν" φησὶν ὁ ἀκαδημαϊκὸς Κράντωρ, "νοσήσασι δὲ παρείη τις αἴσθησις, εἴτ' οὖν τέμνοιτό τι τῶν ἡμετέρων εἴτ' ἀποσπῷτο." τὸ γὰρ ἀνώδυνον τοῦτ' οὐκ ἄνευ μεγάλων ἐγγίγνεται μισθῶν τῷ ἀνθρώπῳ· τεθηριῶσθαι γὰρ εἰκὸς ἐκεῖ μὲν σῶμα [e] τοιοῦτον ἐνταῦθα δὲ ψυχήν.

Οὔτ' οὖν ἀπαθεῖς ἐπὶ τῶν τοιούτων συμφορῶν ὁ λόγος ἀξιοῖ γίγνεσθαι τοὺς εὖ φρονοῦντας οὔτε δυσπαθεῖς· τὸ μὲν γὰρ ἄτεγκτον καὶ θηριῶδες, τὸ δ' ἐκλελυμένον καὶ γυναικοπρεπές. εὐλόγιστος δ' ὁ τὸν οἰκεῖον ὅρον ἔχων καὶ δυνάμενος φέρειν δεξιῶς τά τε προσηνῆ καὶ τὰ λυπηρὰ τῶν ἐν τῷ βίῳ συμβαινόντων, καὶ προειληφὼς ὅτι καθάπερ ἐν δημοκρατίᾳ κλῆρός ἐστι τῶν ἀρχῶν καὶ δεῖ λαχόντα μὲν ἄρχειν ἀπολαχόντα δὲ φέρειν ἀνεπαχθῶς τὴν τύχην, οὕτω καὶ τῇ διανομῇ τῶν πραγμάτων ἀνεγκλήτως καὶ πειθηνίως ἕπεσθαι. τοῦτο γὰρ οἱ μὴ δυνάμενοι ποιεῖν οὐδὲ τὰς εὐπραγίας [f] ἂν ἐμφρόνως φέρειν δύναιντο καὶ μετρίως.

Τῶν μὲν γὰρ καλῶς λεγομένων ἐστὶν ἐν ὑποθήκης μέρει καὶ τοῦτο,

μηδ' εὐτύχημα μηδὲν ὧδ' ἔστω μέγα,
ὅ σ' ἐξεπαρεῖ μεῖζον ἢ χρεὼν φρονεῖν,
μηδ' ἄν τι συμβῇ δυσχερές, δουλοῦ πάλιν,
ἀλλ' αὐτὸς αἰεὶ μίμνε, τὴν σαυτοῦ φύσιν
σῴζων βεβαίως, ὥστε χρυσὸς ἐν πυρί.

πεπαιδευμένων δ' ἐστὶ καὶ σωφρόνων ἀνδρῶν πρός [103] [a] τε τὰς δοκούσας εὐτυχίας τὸν αὐτὸν εἶναι, καὶ πρὸς τὰς ἀτυχίας φυλάξαι γενναίως τὸ πρέπον. τῆς γὰρ εὐλογιστίας ἔργον ἐστὶν ἢ φυλάξασθαι τὸ κακὸν ἐπιφερόμενον ἢ διορθώσασθαι γενόμενον ἢ συστεῖλαι πρὸς τὸ βραχύτατον ἢ παρασκευάζειν αὑτῷ τὴν ὑπομονὴν ἄρρενα καὶ γενναίαν. καὶ γὰρ περὶ τἀγαθὸν ἡ φρόνησις πραγματεύεται τετραχῶς, ἢ κτωμένη τἀγαθὰ ἢ φυλάττουσα ἢ αὔξουσα ἢ χρωμένη δεξιῶς. οὗτοι τῆς φρονήσεως καὶ τῶν ἄλλων ἀρετῶν εἰσι κανόνες, οἷς πρὸς ἀμφότερα χρηστέον.

[b] "οὐκ ἔστιν" γὰρ "ὅστις πάντ' ἀνὴρ εὐδαιμονεῖ"

καὶ νὴ Δία

τό τοι χρεὼν οὐκ ἔστι μὴ χρεὼν ποιεῖν.

Ὥσπερ γὰρ ἐν φυτοῖς ποτὲ μὲν πολυκαρπίαι γίγνονται ποτὲ δ' ἀκαρπίαι, καὶ ἐν ζῴοις ποτὲ μὲν πολυγονίαι ποτὲ δὲ καὶ ἀγονίαι, καὶ ἐν θαλάττῃ εὐδίαι τε καὶ χειμῶνες, οὕτω καὶ ἐν βίῳ πολλαὶ καὶ ποικίλαι περιστάσεις γιγνόμεναι πρὸς τὰς ἐναντίας περιάγουσι τοὺς ἀνθρώπους τύχας. εἰς ἃς διαβλέψας ἄν τις οὐκ ἀπεικότως εἴποι,

οὐκ ἐπὶ πᾶσίν σ’ ἐφύτευσ’ ἀγαθοῖς,
[c] Ἀγάμεμνον, Ἀτρεύς.
δεῖ δέ σε χαίρειν καὶ λυπεῖσθαι·
θνητὸς γὰρ ἔφυς. κἂν μὴ σὺ θέλῃς,

πράττων ἃ βούλει καὶ διευτυχῶν ἀεί,
καὶ τοῦτο τῶν θεῶν τις ὡμολόγησέ σοι,
ὀρθῶς ἀγανακτεῖς· ἔστι γάρ σ’ ἐψευσμένος,
ἄτοπόν τε πεποίηκ’. εἰ δ’ ἐπὶ τοῖς αὐτοῖς νόμοις
ἐφ’ οἷσπερ ἡμεῖς ἔσπασας τὸν ἀέρα

οἰστέον ἄμεινον ταῦτα καὶ λογιστέον.
τὸ δὲ κεφάλαιον τῶν λόγων, ἄνθρωπος εἶ,
οὗ μεταβολὴν θᾶττον πρὸς ὕψος καὶ πάλιν
ταπεινότητα ζῷον οὐδὲν λαμβάνει.
καὶ μάλα δικαίως· ἀσθενέστατον γὰρ ὂν
φύσει μεγίστοις οἰκονομεῖται πράγμασιν,
ὅταν πέσῃ δέ, πλεῖστα συντρίβει καλά.
σὺ δ’ οὔθ’ ὑπερβάλλοντα, τρόφιμ’, ἀπώλεσας
[e] ἀγαθά, τὰ νυνί τ’ ἐστὶ μέτριά σοι κακά.
ὥστ’ ἀνὰ μέσον που καὶ τὸ λοιπὸν ὂν φέρε.

ἀλλ’ ὅμως τοιούτων ὄντων τῶν πραγμάτων ἔνιοι διὰ τὴν ἀφροσύνην οὕτως εἰσὶν ἀβέλτεροι καὶ κεναυχεῖς, ὥστε μικρὸν ἐπαρθέντες ἢ διὰ χρημάτων περιουσίαν ἄφθονον ἢ διὰ μέγεθος ἀρχῆς ἢ διά τινας προεδρίας πολιτικὰς ἢ διὰ τιμὰς καὶ δόξας [f] ἐπαπειλεῖν τοῖς ἥττοσι καὶ ἐξυβρίζειν, οὐκ ἐνθυμούμενοι τὸ τῆς τύχης ἄστατον καὶ ἀβέβαιον, οὐδ’ ὅτι ῥᾳδίως τὰ ὑψηλὰ γίγνεται ταπεινὰ καὶ τὰ χθαμαλὰ πάλιν ὑψοῦται ταῖς ὀξυρρόποις μεθιστάμενα τῆς τύχης μεταβολαῖς. ζητεῖν οὖν ἐν ἀβεβαίοις βέβαιόν τι λογιζομένων ἐστὶ περὶ τῶν πραγμάτων οὐκ ὀρθῶς·

“τροχοῦ” γὰρ “περιστείχοντος ἄλλοθ’ ἡτέρα
ἁψὶς ὕπερθε γίγνετ’ ἄλλοθ’ ἡτέρα.”

Κράτιστον δὴ πρὸς ἀλυπίαν φάρμακον ὁ λόγος καὶ ἡ διὰ τούτου παρασκευὴ πρὸς πάσας τοῦ βίου τὰς μεταβολάς. χρὴ γὰρ οὐ μόνον ἑαυτὸν εἰδέναι θνητὸν ὄντα τὴν φύσιν, ἀλλὰ καὶ ὅτι θνητῷ σύγκληρός ἐστι βίῳ καὶ

[105] [a] Σιμωνίδης δ᾽ ὁ τῶν μελῶν ποιητής, Παυσανίου τοῦ βασιλέως τῶν Λακεδαιμονίων μεγαλαυχουμένου συνεχῶς ἐπὶ ταῖς αὑτοῦ πράξεσι καὶ κελεύοντος ἀπαγγεῖλαί τι αὐτῷ σοφὸν μετὰ χλευασμοῦ, συνεὶς αὐτοῦ τὴν ὑπερηφανίαν συνεβούλευε μεμνῆσθαι ὅτι ἄνθρωπός ἐστι.

Φίλιππος δ᾽ ὁ τῶν Μακεδόνων βασιλεὺς τριῶν αὐτῷ προσαγγελθέντων εὐτυχημάτων ὑφ᾽ ἕνα καιρόν, πρώτου μὲν ὅτι τεθρίππῳ νενίκηκεν Ὀλύμπια, δευτέρου δ᾽ ὅτι Παρμενίων ὁ στρατηγὸς μάχῃ [b] Δαρδανεῖς ἐνίκησε, τρίτου δ᾽ ὅτι ἄρρεν αὐτῷ παιδίον ἐκύησεν Ὀλυμπιάς, ἀνατείνας εἰς τὸν οὐρανὸν τὰς χεῖρας "ὦ δαῖμον," εἶπε, "μέτριόν τι τούτοις ἀντίθες ἐλάττωμα," εἰδὼς ὅτι τοῖς μεγάλοις εὐτυχήμασι φθονεῖν πέφυκεν ἡ τύχη.

Θηραμένης δ᾽ ὁ γενόμενος Ἀθήνησι τῶν τριάκοντα τυράννων, συμπεσούσης τῆς οἰκίας ἐν ᾗ μετὰ πλειόνων ἐδείπνει, μόνος σωθεὶς καὶ πρὸς πάντων εὐδαιμονιζόμενος, ἀναφωνήσας μεγάλῃ τῇ φωνῇ, "ὦ τύχη," εἶπεν,

“εἰς τίνα με καιρὸν ἄρα φυλάττεις;” μετ’ οὐ πολὺν δὲ χρόνον καταστρεβλωθεὶς ὑπὸ τῶν συντυράννων ἐτελεύτησεν.

Ὑπερφυῶς δὲ φαίνεται περὶ τὴν παραμυθίαν [c] ὁ ποιητὴς εὐδοκιμεῖν, ποιήσας τὸν Ἀχιλλέα λέγοντα πρὸς τὸν Πρίαμον ἥκοντα ἐπὶ λύτρα τοῦ Ἕκτορος ταυτί·

ὁ δὲ μετὰ τοῦτον καὶ τῇ δόξῃ καὶ τῷ χρόνῳ, καίτοι τῶν Μουσῶν ἀναγορεύων ἑαυτὸν μαθητὴν Ἡσίοδος, καὶ οὗτος ἐν πίθῳ καθείρξας τὰ κακά, τὴν Πανδώραν ἀνοίξασαν ἀποφαίνει σκεδάσαι τὸ πλῆθος ἐπὶ πᾶσαν γῆν καὶ θάλατταν, λέγων ὧδε·

ὁ δὲ παραμυθούμενος τὴν Δανάην δυσπαθοῦσαν Δίκτυς φησί·

Ἐχρήσατο δὲ τῇ τοιαύτῃ ἀγωγῇ καὶ Ἀντίμαχος ὁ ποιητής. ἀποθανούσης γὰρ τῆς γυναικὸς αὐτῷ Λύδης, πρὸς ἣν φιλοστόργως εἶχε, παραμύθιον τῆς λύπης αὐτῷ ἐποίησε τὴν ἐλεγείαν τὴν καλουμένην [c] Λύδην, ἐξαριθμησάμενος τὰς ἡρωικὰς συμφοράς, τοῖς ἀλλοτρίοις κακοῖς ἐλάττω τὴν ἑαυτοῦ ποιῶν λύπην. ὥστε καταφανὲς εἶναι ὅτι ὁ παραμυθούμενος τὸν λελυπημένον καὶ δεικνύων κοινὸν καὶ πολλῶν τὸ συμβεβηκὸς καὶ τῶν καὶ ἑτέροις συμβεβηκότων ἔλαττον τὴν δόξαν τοῦ λελυπημένου μεθίστησι καὶ τοιαύτην τινὰ ποιεῖ πίστιν αὐτῷ, ὅτι ἔλαττον ἢ ἡλίκον ᾤετο τὸ συμβεβηκός ἐστιν.

Ὁ δ' Αἰσχύλος καλῶς ἔοικεν ἐπιπλήττειν τοῖς νομίζουσι τὸν θάνατον εἶναι κακόν, λέγων ὧδε·

[c] δοκῶ μὲν οὔ· πόθεν γάρ; ἀλλ’ ἄκουέ μου.

βροτοῖς ἅπασι κατθανεῖν ὀφείλεται,

κοὐκ ἔστιν αὐτῶν ὅστις ἐξεπίσταται

τὴν αὔριον μέλλουσαν εἰ βιώσεται.

τὸ τῆς τύχης γὰρ ἀφανὲς οἷ προβήσεται.

τοιούτου δὴ τοῦ βίου τῶν ἀνθρώπων ὄντος οἷον οὗτοί φασι, πῶς οὐκ εὐδαιμονίζειν μᾶλλον προσήκει τοὺς ἀπολυθέντας τῆς ἐν αὐτῷ λατρείας ἢ κατοικτίρειν τε καὶ θρηνεῖν, ὅπερ οἱ πολλοὶ δρῶσι δι’ ἀμαθίαν;

[d] Ὁ δὲ Σωκράτης παραπλήσιον ἔλεγεν εἶναι τὸν θάνατον ἤτοι τῷ βαθυτάτῳ ὕπνῳ ἢ ἀποδημίᾳ μακρᾷ καὶ πολυχρονίῳ ἢ τρίτον φθορᾷ τινι καὶ ἀφανισμῷ τοῦ τε σώματος καὶ τῆς ψυχῆς, κατ’ οὐδὲν δὲ τούτων κακὸν εἶναι. καὶ καθ’ ἕκαστον ἐπεπορεύετο, καὶ πρῶτον τῷ πρώτῳ. εἰ γὰρ δὴ ὕπνος τίς ἐστιν ὁ θάνατος καὶ περὶ τοὺς καθεύδοντας μηδέν ἐστι κακόν, δῆλον ὡς οὐδὲ περὶ τοὺς τετελευτηκότας εἴη ἄν τι κακόν. ἀλλὰ μήν γ’ ὅτι ἥδιστός ἐστιν ὁ βαθύτατος τί δεῖ καὶ λέγειν; αὐτὸ γὰρ τὸ πρᾶγμα φανερόν ἐστι πᾶσιν ἀνθρώποις, μαρτυρεῖ δὲ καὶ Ὅμηρος ἐπ’ αὐτοῦ λέγων·

νήγρετος ἥδιστος, θανάτῳ ἄγχιστα ἐοικώς.

[e] ἀλλαχοῦ δὲ καὶ ταῦτα λέγει·

ἔνθ’ Ὕπνῳ ξύμβλητο, κασιγνήτῳ Θανάτοιο

καί·

Ὕπνῳ καὶ Θανάτῳ διδυμάοσιν,

ὄψει τὴν ὁμοιότητα αὐτῶν δηλῶν· τὰ γὰρ δίδυμα τὴν ὁμοιότητα μάλιστα παρεμφαίνει. πάλιν τέ πού φησι τὸν θάνατον εἶναι “χάλκεον ὕπνον,” τὴν ἀναισθησίαν ἡμῶν αἰνιττόμενος. οὐκ ἀμούσως δ’ ἔδοξεν ἀποφήνασθαι οὐδ’ ὁ εἰπὼν “τὸν ὕπνον τὰ μικρὰ τοῦ θανάτου μυστήρια”· προμύησις γὰρ ὄντως ἐστὶ τοῦ θανάτου ὁ ὕπνος. πάνυ δὲ σοφῶς καὶ ὁ κυνικὸς Διογένης κατενεχθεὶς εἰς ὕπνον καὶ [f] μέλλων ἐκλείπειν τὸν βίον, διεγείραντος αὐτὸν τοῦ ἰατροῦ καὶ πυθομένου μή τι περὶ αὐτὸν εἴη χαλεπόν, “οὐδέν,” ἔφη· “ὁ γὰρ ἀδελφὸς τὸν ἀδελφὸν προλαμβάνει.”

Εἴ γε μὴν ἀποδημίᾳ προσέοικεν ὁ θάνατος,

οὐδ’ οὕτως ἐστὶ κακόν· μήποτε δὲ καὶ τοὐναντίον ἀγαθόν. τὸ γὰρ ἀδούλωτον τῇ σαρκὶ καὶ τοῖς ταύτης πάθεσι διάγειν, ὑφ’ ὧν κατασπώμενος ὁ

νοῦς τῆς θνητῆς ἀναπίμπλαται φλυαρίας, εὔδαιμόν τι [108] [a] καὶ μακάριον. "μυρίας μὲν γὰρ ἡμῖν," φησὶν ὁ Πλάτων, "ἀσχολίας παρέχει τὸ σῶμα διὰ τὴν ἀναγκαίαν τροφήν· ἔτι δ' ἐάν τινες νόσοι προσπέσωσιν, ἐμποδίζουσιν ἡμῖν τὴν τοῦ ὄντος θήραν, ἐρώτων δὲ καὶ ἐπιθυμιῶν καὶ φόβων καὶ εἰδώλων παντοδαπῶν καὶ φλυαρίας ἐμπίπλησιν ἡμᾶς, ὥστε τὸ λεγόμενον ὡς ἀληθῶς τῷ ὄντι ὑπ' αὐτοῦ οὐδὲ φρονῆσαι ἡμῖν ἐγγίγνεται οὐδέποτ' οὐδέν. καὶ γὰρ πολέμους καὶ στάσεις καὶ μάχας οὐδὲν ἄλλο παρέχει ἢ τὸ σῶμα καὶ αἱ τούτου ἐπιθυμίαι· διὰ γὰρ τὴν τῶν χρημάτων κτῆσιν πάντες οἱ πόλεμοι [b] γίγνονται· τὰ δὲ χρήματα ἀναγκαζόμεθα κτᾶσθαι διὰ τὸ σῶμα, δουλεύοντες τῇ τούτου θεραπείᾳ· καὶ ἐκ τούτου ἀσχολίαν ἄγομεν φιλοσοφίας πέρι διὰ ταῦτα πάντα. τὸ δ' ἔσχατον πάντων, ὅτι ἐάν τις ἡμῖν καὶ σχολὴ γένηται ἀπ' αὐτοῦ καὶ τραπώμεθα πρὸς τὸ σκοπεῖν τι, ἐν ταῖς ζητήσεσι πανταχοῦ παραπῖπτον θόρυβον παρέχει καὶ ταραχὴν καὶ ἐκπλήττει, ὥστε μὴ δύνασθαι ὑπ' αὐτοῦ καθορᾶν τἀληθές. ἀλλὰ τῷ ὄντι ἡμῖν δέδεικται ὅτι εἰ μέλλομέν ποτε καθαρῶς τι εἴσεσθαι, ἀπαλλακτέον αὐτοῦ καὶ αὐτῇ τῇ ψυχῇ θεατέον αὐτὰ τὰ πράγματα· [c] καὶ τότε, ὡς ἔοικεν, ἡμῖν ἔσται οὗ ἐπιθυμοῦμεν καὶ οὗ φαμεν ἐρᾶν (ἔστι δὲ φρόνησις), ἐπειδὰν τελευτήσωμεν, ὡς ὁ λόγος σημαίνει, ζῶσι δ' οὔ. εἰ γὰρ μὴ οἷόν τε μετὰ τοῦ σώματος μηδὲν καθαρῶς γνῶναι, δυοῖν θάτερον, ἢ οὐδαμοῦ ἔστι κτήσασθαι τὸ εἰδέναι ἢ τελευτήσασι· τότε γὰρ αὐτὴ καθ' αὑτὴν ἔσται ἡ ψυχὴ χωρὶς τοῦ σώματος, πρότερον δ' οὔ. καὶ ἐν ᾧ ἂν ζῶμεν, οὕτως, ὡς ἔοικεν, ἐγγυτάτω ἐσόμεθα τοῦ εἰδέναι, ἐὰν ὅτι μάλιστα μηδὲν ὁμιλῶμεν τῷ σώματι μηδὲ κοινωνῶμεν, ὅτι μὴ πᾶσα ἀνάγκη, μηδὲ ἀναπιμπλώμεθα τῆς τούτου φύσεως, ἀλλὰ καθαρεύωμεν ἀπ' αὐτοῦ, [d] ἕως ἂν ὁ θεὸς αὐτὸς ἀπολύσῃ ἡμᾶς. καὶ οὕτω μὲν ἀπαλλαττόμενοι τῆς τοῦ σώματος ἀφροσύνης, ὡς τὸ εἰκός, μετὰ τοιούτων ἐσόμεθα, δι' ἡμῶν αὐτῶν πᾶν τὸ εἰλικρινὲς ὁρῶντες· τοῦτο δ' ἐστὶ τὸ ἀληθές. μὴ καθαρῷ γὰρ καθαροῦ ἐφάπτεσθαι μὴ οὐ θεμιτὸν ᾖ."

Ὥστ' εἰ καὶ προσέοικε μετάγειν εἰς ἕτερον τόπον ὁ θάνατος, οὐκ ἔστι κακόν· μήποτε γὰρ καὶ τῶν ἀγαθῶν ἀναφαίνηται, καθάπερ ἀπέδειξεν ὁ Πλάτων. διὸ καὶ πάνυ δαιμονίως ὁ Σωκράτης πρὸς [e] τοὺς δικαστὰς τοιαῦτ' ἔφη· "τὸ γὰρ δεδιέναι, ὦ ἄνδρες, τὸν θάνατον οὐδὲν ἄλλο ἐστὶν ἢ δοκεῖν σοφὸν εἶναι μὴ ὄντα· δοκεῖν γὰρ εἰδέναι ἐστὶν ἃ οὐκ οἶδεν. οἶδε μὲν γὰρ οὐδεὶς τὸν θάνατον οὐδ' εἰ τυγχάνει τῷ ἀνθρώπῳ μέγιστον πάντων ὂν τῶν ἀγαθῶν, δεδίασι δ' ὡς εὖ εἰδότες ὅτι μέγιστον τῶν κακῶν ἐστιν." οὐκ ἀπᾴδειν δ' ἔοικε τούτων οὐδ' ὁ εἰπών·

μηδεὶς φοβείσθω θάνατον ἀπόλυσιν πόνων,
ἀλλὰ καὶ κακῶν τῶν μεγίστων.

Λέγεται δὲ τούτοις μαρτυρεῖν καὶ τὸ θεῖον. πολλοὺς γὰρ παρειλήφαμεν δι' εὐσέβειαν παρὰ θεῶν ταύτης τυχόντας τῆς δωρεᾶς. ὧν τοὺς μὲν ἄλλους φειδόμενος τῆς συμμετρίας τοῦ συγγράμματος παραλείψω· μνησθήσομαι δὲ τῶν ὄντων ἐμφανεστάτων καὶ πᾶσι διὰ στόματος.

[f] Πρῶτα δή σοι τὰ περὶ Κλέοβιν καὶ Βίτωνα τοὺς Ἀργείους νεανίσκους διηγήσομαι. φασὶ γὰρ τῆς μητρὸς αὐτῶν ἱερείας οὔσης τῆς Ἥρας ἐπειδὴ τῆς εἰς τὸν νεὼν ἀναβάσεως ἧκεν ὁ καιρός, τῶν ἑλκόντων τὴν ἀπήνην ὀρέων ὑστερησάντων καὶ τῆς ὥρας ἐπειγούσης, τούτους ὑποδύντας ὑπὸ τὴν ἀπήνην ἀγαγεῖν εἰς τὸ ἱερὸν τὴν μητέρα, τὴν δ' ὑπερησθεῖσαν τῇ τῶν υἱῶν εὐσεβείᾳ κατεύξασθαι τὸ κράτιστον αὐτοῖς παρὰ τῆς θεοῦ δοθῆναι τῶν ἐν ἀνθρώποις, τοὺς δὲ κατακοιμηθέντας μηκέτ' ἀναστῆναι, τῆς θεοῦ τὸν θάνατον αὐτοῖς τῆς εὐσεβείας ἀμοιβὴν δωρησαμένης.

[109] [a] Καὶ περὶ Ἀγαμήδους δὲ καὶ Τροφωνίου φησὶ Πίνδαρος τὸν νεὼν τὸν ἐν Δελφοῖς οἰκοδομήσαντας αἰτεῖν παρὰ τοῦ Ἀπόλλωνος μισθόν, τὸν δ' αὐτοῖς ἐπαγγείλασθαι εἰς ἑβδόμην ἡμέραν ἀποδώσειν, ἐν τοσούτῳ δ' εὐωχεῖσθαι παρακελεύσασθαι· τοὺς δὲ ποιήσαντας τὸ προσταχθὲν τῇ ἑβδόμῃ νυκτὶ κατακοιμηθέντας τελευτῆσαι.

Λέγεται δὲ καὶ αὐτῷ Πινδάρῳ ἐπισκήψαντι

τοῖς παρὰ τῶν Βοιωτῶν πεμφθεῖσιν εἰς θεοῦ [b] πυθέσθαι "τί ἄριστόν ἐστιν ἀνθρώποις" ἀποκρίνασθαι τὴν πρόμαντιν ὅτι οὐδ' αὐτὸς ἀγνοεῖ, εἴ γε τὰ γραφέντα περὶ Τροφωνίου καὶ Ἀγαμήδους ἐκείνου ἐστίν· εἰ δὲ καὶ πειραθῆναι βούλεται, μετ' οὐ πολὺ ἔσεσθαι αὐτῷ πρόδηλον. καὶ οὕτω πυθόμενον τὸν Πίνδαρον συλλογίζεσθαι τὰ πρὸς τὸν θάνατον, διελθόντος δ' ὀλίγου χρόνου τελευτῆσαι.

Τὰ δὲ περὶ τὸν Ἰταλὸν Εὐθύνοον τοιαῦτά φασι γενέσθαι. εἶναι μὲν γὰρ αὐτὸν Ἠλυσίου πατρὸς τοῦ Τεριναίου, τῶν ἐκεῖ πρώτου καὶ ἀρετῇ καὶ πλούτῳ καὶ δόξῃ, τελευτῆσαι δ' ἐξαπίνης αἰτίᾳ τινὶ ἀδήλῳ. τὸν οὖν Ἠλύσιον εἰσελθεῖν ὅπερ ἴσως κἂν ἄλλον εἰσῆλθε, μήποτ' εἴη φαρμάκοις ἀπολωλώς· [c] τοῦτον γὰρ εἶναι μόνον αὐτῷ ἐπ' οὐσίᾳ πολλῇ καὶ χρήμασιν. ἀποροῦντα δ' ὅτῳ τρόπῳ βάσανον λάβοι τούτων, ἀφικέσθαι ἐπί τι ψυχομαντεῖον, προθυσάμενον δ' ὡς νόμος ἐγκοιμᾶσθαι καὶ ἰδεῖν ὄψιν τοιάνδε. δόξαι παραγενέσθαι τὸν πατέρα τὸν ἑαυτοῦ· ἰδόντα δὲ διεξέρχεσθαι πρὸς αὐτὸν περὶ τῆς τύχης τῆς κατὰ τὸν υἱόν, καὶ ἀντιβολεῖν τε καὶ δεῖσθαι συνεξευρεῖν τὸν αἴτιον τοῦ θανάτου. καὶ τὸν "ἐπὶ τούτῳ," φάναι, "ἥκω. ἀλλὰ δέξαι παρὰ τοῦδ' ἅ σοι φέρει, ἐκ γὰρ τούτων ἅπαντ' εἴσῃ ὧν πέρι λυπῇ." εἶναι δ' ὃν ἐσήμηνε νεανίσκον [d] ἑπόμενον αὐτῷ, ἐμφερῆ τε τῷ υἱῷ καὶ τὰ τοῦ χρόνου τε καὶ τὰ τῆς ἡλικίας ἐγγύς. ἐρέσθαι οὖν ὅστις εἴη. καὶ τὸν φάναι "δαίμων τοῦ

υἱέος σου,” καὶ οὕτω δὴ ὀρέξαι οἱ γραμματείδιον. ἀνειλήσαντα οὖν αὐτὸ ἰδεῖν ἐγγεγραμμένα τρία ταῦτα·

ἦ που νηπιέῃσιν ἀλύουσιν φρένες ἀνδρῶν.

Εὐθύνοος κεῖται μοιριδίῳ θανάτῳ.

οὐκ ἦν γὰρ ζώειν καλὸν αὐτῷ οὐδὲ γονεῦσι.

Τοιαῦτα δή σοι καὶ τὰ τῶν διηγημάτων τῶν παρὰ τοῖς ἀρχαίοις ἀναγεγραμμένων.

[e] Εἴ γε μὴν ὁ θάνατος τελεία τίς ἐστι φθορὰ καὶ διάλυσις τοῦ τε σώματος καὶ τῆς ψυχῆς (τὸ τρίτον γὰρ ἦν τοῦτο τῆς Σωκρατικῆς εἰκασίας), οὐδ’ οὕτω κακόν ἐστιν· ἀναισθησία γάρ τις κατ’ αὐτὸν γίγνεται καὶ πάσης ἀπαλλαγὴ λύπης καὶ φροντίδος. ὥσπερ γὰρ οὔτ’ ἀγαθὸν ἡμῖν ἔπεστιν οὕτως οὐδὲ κακόν· περὶ γὰρ τὸ ὂν καὶ τὸ ὑφεστηκὸς καθάπερ τὸ ἀγαθὸν πέφυκε γίγνεσθαι, τὸν αὐτὸν τρόπον καὶ τὸ κακόν· περὶ δὲ τὸ μὴ ὂν ἀλλ’ ἠρμένον ἐκ τῶν ὄντων οὐδέτερον τούτων ὑπάρχει. εἰς τὴν αὐτὴν οὖν τάξιν οἱ τελευτήσαντες καθίστανται [f] τῇ πρὸ τῆς γενέσεως. ὥσπερ οὖν οὐδὲν ἦν ἡμῖν πρὸ τῆς γενέσεως οὔτ’ ἀγαθὸν οὔτε κακόν, οὕτως οὐδὲ μετὰ τὴν τελευτήν. καὶ καθάπερ τὰ πρὸ ἡμῶν οὐδὲν ἦν πρὸς ἡμᾶς, οὕτως οὐδὲ τὰ μεθ’ ἡμᾶς οὐδὲν ἔσται πρὸς ἡμᾶς·

“ἄλγος” γὰρ ὄντως “οὐδὲν ἅπτεται νεκροῦ.”

“τὸ” γὰρ “μὴ γενέσθαι τῷ θανεῖν ἴσον λέγω.”

ἡ γὰρ αὐτὴ κατάστασίς ἐστι τῇ πρὸ τῆς γενέσεως ἡ μετὰ τὴν τελευτήν. ἀλλ’ οἴει σὺ διαφορὰν εἶναι μὴ γενέσθαι ἢ γενόμενον ἀπογενέσθαι; εἰ μὴ καὶ τῆς οἰκίας καὶ τῆς ἐσθῆτος ἡμῶν μετὰ τὴν φθορὰν ὑπολαμβάνεις τινὰ διαφορὰν εἶναι πρὸς τὸν ὃν [110] [a] οὐδέπω κατεσκευάσθη χρόνον. εἰ δ’ ἐπὶ τούτων οὐδὲν ἔστι, δῆλον ὡς οὐδ’ ἐπὶ τοῦ θανάτου πρὸς τὴν πρὸ τῆς γενέσεως κατάστασιν ἔστι διαφορά. χάριεν γὰρ τὸ τοῦ Ἀρκεσιλάου. “τοῦτο,” φησί, “τὸ λεγόμενον κακὸν ὁ θάνατος μόνον τῶν ἄλλων τῶν νενομισμένων κακῶν παρὸν μὲν οὐδένα πώποτ’ ἐλύπησεν, ἀπὸν δὲ καὶ προσδοκώμενον λυπεῖ.” τῷ γὰρ ὄντι πολλοὶ διὰ τὴν οὐδένειαν καὶ τὴν πρὸς τὸν θάνατον διαβολὴν ἀποθνῄσκουσιν, ἵνα μὴ ἀποθάνωσι. καλῶς οὖν ὁ Ἐπίχαρμος

“συνεκρίθη” φησί “καὶ διεκρίθη καὶ ἀπῆνθεν
ὅθεν ἦνθε,”

[b] πάλιν

γᾶ μὲν εἰς γᾶν, πνεῦμ’ ἄνω. τί τῶνδε χαλεπόν;
οὐδέν.

ὁ Κρεσφόντης δέ που ὁ παρὰ τῷ Εὐριπίδῃ περὶ τοῦ Ἡρακλέους λέγων

“εἰ μὲν γὰρ οἰκεῖ,” φησί, “νερτέρας ὑπὸ χθονός

ἐν τοῖσιν οὐκέτ’ οὖσιν, οὐδὲν ἂν σθένοι.”

τοῦτο μεταποιήσας εἴποις ἄν·

εἰ μὲν γὰρ οἰκεῖ νερτέρας ὑπὸ χθονός

ἐν τοῖσιν οὐκέτ’ οὖσιν, οὐδὲν ἂν πάθοι.

γενναῖον δὲ καὶ τὸ Λακωνικόν

νῦν ἀμές, πρόσθ’ ἄλλοι ἐθάλεον, αὐτίκα δ’ ἄλλοι,

ὧν ἀμὲς γενεὰν οὐκέτ’ ἐποψόμεθα

καὶ πάλιν·

[c] οἳ θάνον οὐ τὸ ζῆν θέμενοι καλὸν οὐδὲ τὸ θνῄσκειν,

ἀλλὰ τὸ ταῦτα καλῶς ἀμφότερ’ ἐκτελέσαι.

πάνυ δὲ καλῶς καὶ ὁ Εὐριπίδης ἐπὶ τῶν τὰς μακρὰς νοσηλείας ὑπομενόντων φησί·

μισῶ δ’ ὅσοι χρῄζουσιν ἐκτείνειν βίον,

βρωτοῖσι καὶ ποτοῖσι καὶ μαγεύμασι

παρεκτρέποντες ὀχετὸν ὥστε μὴ θανεῖν.

οὓς χρῆν, ἐπειδὰν μηδὲν ὠφελῶσι γῆν,

θανόντας ἔρρειν κἀκποδὼν εἶναι νέοις.

[d]ἡ δὲ Μερόπη λόγους ἀνδρώδεις προφερομένη κινεῖ τὰ θέατρα, λέγουσα τοιαῦτα·

τεθνᾶσι παῖδες οὐκ ἐμοὶ μόνῃ βροτῶν,

οὐδ’ ἀνδρὸς ἐστερήμεθ’, ἀλλὰ μυρίαι

τὸν αὐτὸν ἐξήντλησαν ὡς ἐγὼ βίον.

τούτοις γὰρ οἰκείως ἄν τις ταῦτα συνάψειε·

ποῦ γὰρ τὰ σεμνὰ κεῖνα, ποῦ δὲ Λυδίας

μέγας δυνάστης Κροῖσος ἢ Ξέρξης βαρὺν

ζεύξας θαλάσσης αὐχέν’ Ἑλλησποντίας;

[e] ἅπαντες Ἅιδην ἦλθον καὶ Λήθης δόμους,

τῶν χρημάτων ἅμα τοῖς σώμασι διαφθαρέντων.

Νὴ Δί’ ἀλλὰ τοὺς πολλοὺς κινεῖ πρὸς τὰ πένθη καὶ τοὺς θρήνους ὁ ἄωρος θάνατος. ἀλλὰ καὶ οὗτος οὕτως ἐστὶν εὐπαραμύθητος, ὥστε καὶ ὑπὸ τῶν τυχόντων ποιητῶν συνεωρᾶσθαι καὶ τετυχηκέναι παραμυθίας. θέασαι γὰρ οἷα περὶ τούτου φησὶ τῶν κωμικῶν τις πρὸς τὸν ἐπὶ τῷ ἀώρῳ λυπούμενον θανάτῳ·

εἶτ’ εἰ μὲν ᾔδησθ’ ὁτιὴ τοῦτον τὸν βίον,

ὃν οὐκ ἐβίωσε, ζῶν διηυτύχησεν ἄν,

ὁ θάνατος οὐκ εὔκαιρος· εἰ δ’ ἤνεγκεν αὖ
οὗτος ὁ βίος τι τῶν ἀνηκέστων, ἴσως
ὁ θάνατος αὐτὸς σοῦ γέγονεν εὐνούστερος.

[f]ἀδήλου οὖν ὄντος πότερον συμφερόντως ἀνεπαύσατο τὸν βίον ἐκλιπὼν καὶ μειζόνων ἀπολυθεὶς κακῶν ἢ οὔ, χρὴ μὴ φέρειν οὕτω βαρέως ὡς ἀπολωλεκότας πάνθ’ ὅσων ᾠήθημεν τεύξεσθαι παρ’ αὐτοῦ. οὐ φαύλως γὰρ ἂν δόξειεν ὁ παρὰ τῷ ποιητῇ Ἀμφιάραος παραμυθεῖσθαι τὴν Ἀρχεμόρου μητέρα δυσχεραίνουσαν ὅτι νήπιος ὢν ὁ παῖς καὶ ἄγαν ἄωρος ἐτελεύτησε. φησὶ γὰρ οὕτως·

ἔφυ μὲν οὐδεὶς ὅστις οὐ πονεῖ βροτῶν.
θάπτει τε τέκνα χἄτερ’ αὖ κτᾶται νέα,
αὐτός τε θνῄσκει· καὶ τάδ’ ἄχθονται βροτοὶ
εἰς γῆν φέροντες γῆν. ἀναγκαίως δ’ ἔχει
[111] [a] βίον θερίζειν ὥστε κάρπιμον στάχυν,
καὶ τὸν μὲν εἶναι τὸν δὲ μή. τί ταῦτα δεῖ
στένειν, ἅπερ δεῖ κατὰ φύσιν διεκπερᾶν;
δεινὸν γὰρ οὐδὲν τῶν ἀναγκαίων βροτοῖς.

Καθόλου γὰρ χρὴ διανοεῖσθαι πάντα τινὰ καὶ πρὸς αὑτὸν καὶ πρὸς ἄλλον διεξιόντα μετὰ σπουδῆς ὡς οὐχ ὁ μακρότατος βίος ἄριστος ἀλλ’ ὁ σπουδαιότατος. οὐδὲ γὰρ ὁ πλεῖστα κιθαρῳδήσας [b] ἢ ῥητορεύσας ἢ κυβερνήσας ἀλλ’ ὁ καλῶς ἐπαινεῖται. τὸ γὰρ καλὸν οὐκ ἐν μήκει χρόνου θετέον, ἀλλ’ ἐν ἀρετῇ καὶ τῇ καιρίῳ συμμετρίᾳ· τοῦτο γὰρ εὔδαιμον καὶ θεοφιλὲς εἶναι νενόμισται. διὰ τοῦτο γοῦν τοὺς ὑπεροχωτάτους τῶν ἡρώων καὶ φύντας ἀπὸ θεῶν πρὸ γήρως ἐκλιπόντας τὸν βίον οἱ ποιηταὶ παρέδοσαν ἡμῖν, ὥσπερ κἀκεῖνον

ὃν περὶ κῆρι φίλει Ζεύς τ’ αἰγίοχος καὶ Ἀπόλλων
παντοίην φιλότητ’, οὐδ’ ἵκετο γήραος οὐδόν.

τὴν γὰρ εὐκαιρίαν μᾶλλον, οὐ τὴν εὐγηρίαν πανταχοῦ [c] θεωροῦμεν πρωτεύουσαν. καὶ γὰρ φυτῶν ἄριστα τὰ πλείστας καρπῶν ἐν βραχεῖ φορὰς ποιούμενα, καὶ ζῴων ἀφ’ ὧν ἐν οὐ πολλῷ χρόνῳ πολλὴν πρὸς τὸν βίον ὠφέλειαν ἔχομεν. τό τε πολὺ δήπουθεν ἢ μικρὸν οὐδὲν διαφέρειν δοκεῖ πρὸς τὸν ἄπειρον ἀφορῶσιν αἰῶνα. τὰ γὰρ χίλια καὶ τὰ μύρια κατὰ Σιμωνίδην ἔτη στιγμή τίς ἐστιν ἀόριστος, μᾶλλον δὲ μόριόν τι βραχύτατον στιγμῆς. ἐπεὶ καὶ τῶν ζῴων ἐκείνων, ἅπερ ἱστοροῦσι περὶ τὸν Πόντον γιγνόμενα τὴν ζωὴν ἔχειν ἡμερησίαν, ἕωθεν μὲν γεννώμενα, μέσης δ’ ἡμέρας ἀκμάζοντα, δείλης δὲ γηρῶντα καὶ τελειοῦντα τὸ ζῆν, οὐχὶ κἀκείνων ἦν ἂν τὸ καθ’ ἡμᾶς πάθος τοῦτο, εἴπερ ψυχή τις ἀνθρωπίνη καὶ λογισμὸς ἑκάστοις ἐνῆν, [d] καὶ ταὐτὰ

δήπου γ’ ἂν συνέπιπτεν, ὥστε τὰ πρὸ μέσης τῆς ἡμέρας ἐκλείποντα θρήνους παρέχειν καὶ δάκρυα, τὰ δὲ διημερεύσαντα πάντως ἂν εὐδαιμονίζεσθαι; μέτρον γὰρ τοῦ βίου τὸ καλόν, οὐ τὸ τοῦ χρόνου μῆκος.

Ματαίους γὰρ καὶ πολλῆς εὐηθείας ἡγητέον εἶναι τὰς τοιαύτας ἐκφωνήσεις “ἀλλ’ οὐκ ἔδει νέον ὄντα ἀναρπαγῆναι.” τίς γὰρ ἂν εἴποι ὡς ἔδει; πολλὰ δὲ καὶ ἄλλα ἐφ’ ὧν ἄν τις εἴποι ὡς “οὐκ ἔδει πραχθῆναι” πέπρακται καὶ πράττεται [e] καὶ πραχθήσεται πολλάκις. οὐ γὰρ νομοθετήσοντες πάρεσμεν εἰς τὸν βίον, ἀλλὰ πεισόμενοι τοῖς διατεταγμένοις ὑπὸ τῶν τὰ ὅλα πρυτανευόντων θεῶν καὶ τοῖς τῆς εἱμαρμένης καὶ προνοίας θεσμοῖς.

Τί δ’; οἱ πενθοῦντες τοὺς οὕτως ἀποθανόντας ἑαυτῶν ἕνεκα πενθοῦσιν ἢ τῶν κατοιχομένων; εἰ μὲν οὖν ἑαυτῶν, ὅτι τῆς ἀπὸ τῶν τεθνεώτων ἡδονῆς ἢ χρείας ἢ γηροβοσκίας ἐστερήθησαν, φίλαυτος ἡ τῆς λύπης πρόφασις· οὐ γὰρ ἐκείνους ποθοῦντες ἀλλὰ τὰς ἀπ’ αὐτῶν ὠφελείας φανήσονται. εἰ δὲ τῶν τεθνεώτων ἕνεκα πενθοῦσιν, ἐπιστήσαντες ὅτι [f] ἐν οὐδενὶ κακῷ τυγχάνουσιν ὄντες, ἀπαλλαγήσονται τῆς λύπης, ἀρχαίῳ καὶ σοφῷ πεισθέντες λόγῳ τῷ παραινοῦντι τὰ μὲν ἀγαθὰ ποιεῖν ὡς μέγιστα, τὰ δὲ κακὰ συστέλλειν καὶ ταπεινοῦν. εἰ μὲν οὖν τὸ πένθος ἐστὶν ἀγαθόν, δεῖ ποιεῖν αὐτὸ ὡς πλεῖστον καὶ μέγιστον· εἰ δ’, ὥσπερ ἡ ἀλήθεια ἔχει, κακὸν αὐτὸ ὁμολογοῦμεν εἶναι, συστέλλειν καὶ ποιεῖν ὡς ἐλάχιστον καὶ ἐξαλείφειν εἰς τὸ δυνατόν.

Ὡς δὲ τοῦτο ῥᾴδιον, καταφανὲς ἐκ τῆς τοιαύτης παραμυθίας. φασὶ γάρ τινα τῶν ἀρχαίων φιλοσόφων εἰσιόντα πρὸς Ἀρσινόην τὴν βασίλισσαν [112] [a] πενθοῦσαν τὸν υἱὸν τοιούτῳ χρήσασθαι λόγῳ, φάμενον ὅτι καθ’ ὃν χρόνον ὁ Ζεὺς ἔνεμε τοῖς δαίμοσι τὰς τιμάς, οὐκ ἔτυχε παρὸν τὸ Πένθος, ἤδη δὲ νενεμημένων ἦλθεν ὕστερον. τὸν οὖν Δία, ὡς ἠξίου καὶ αὑτῷ τιμὴν δοθῆναι, ἀποροῦντα διὰ τὸ ἤδη κατηναλῶσθαι πάσας τοῖς ἄλλοις, ταύτην αὐτῷ δοῦναι τὴν ἐπὶ τοῖς τελευτήσασι γιγνομένην, οἷον δάκρυα καὶ λύπας. ὥσπερ οὖν τοὺς ἄλλους δαίμονας, ὑφ’ ὧν τιμῶνται, τούτους ἀγαπᾶν, τὸν [b] αὐτὸν τρόπον καὶ τὸ Πένθος. “ἐὰν μὲν οὖν αὐτὸ ἀτιμάσῃς, ὦ γύναι, οὐ προσελεύσεταί σοι· ἐὰν δὲ τιμᾶται ὑπὸ σοῦ ἐπιμελῶς ταῖς δοθείσαις αὐτῷ τιμαῖς, λύπαις καὶ θρήνοις, ἀγαπήσει σε καὶ ἀεί τί σοι παρέσται τοιοῦτον ἐφ’ ᾧ τιμηθήσεται συνεχῶς ὑπὸ σοῦ.” θαυμασίως δὴ φαίνεται τῷ λόγῳ πείσας οὗτος παρελέσθαι τῆς ἀνθρώπου τὸ πένθος καὶ τοὺς θρήνους.

Τὸ δ’ ὅλον εἴποι τις ἂν πρὸς τὸν πενθοῦντα “πότερα παύσῃ ποτὲ δυσφορῶν ἢ ἀεὶ δεῖν οἰήσῃ λυπεῖσθαι καὶ παρ’ ὅλον τὸν βίον; εἰ μὲν γὰρ ἀεὶ μενεῖς ἐπὶ τῇ δυσπαθείᾳ ταύτῃ, τελείαν ἀθλιότητα [c] σεαυτῷ παρέξεις καὶ πικροτάτην κακοδαιμονίαν διὰ ψυχῆς ἀγέννειαν καὶ μαλακίαν· εἰ δὲ μεταθήσῃ ποτέ, τί οὐκ ἤδη μετατίθεσαι καὶ σεαυτὸν ἀνέλκεις ἐκ τῆς ἀτυχίας;

οἷς γὰρ λόγοις τοῦ χρόνου προϊόντος χρησάμενος ἀπολυθήσῃ, τούτοις νῦν προσσχὼν ἀπαλλάγηθι τῆς κακουχίας· καὶ γὰρ ἐπὶ τῶν σωματικῶν παθημάτων ἡ ταχίστη τῆς ἀπαλλαγῆς ὁδὸς ἀμείνων. ὃ οὖν μέλλεις τῷ χρόνῳ χαρίζεσθαι, τοῦτο τῷ λόγῳ χάρισαι καὶ τῇ παιδείᾳ, καὶ σεαυτὸν ἔκλυσαι τῶν κακῶν."

"Ἀλλ' οὐ γὰρ ἤλπιζον," φησί, "ταῦτα [d] πείσεσθαι, οὐδὲ προσεδόκων." ἀλλ' ἐχρῆν σε προσδοκᾶν καὶ προκατακεκρικέναι τῶν ἀνθρωπείων τὴν ἀδηλότητα καὶ οὐδένειαν, καὶ οὐκ ἂν νῦν ἀπαράσκευος ὥσπερ ὑπὸ πολεμίων ἐξαίφνης ἐπελθόντων ἐλήφθης. καλῶς γὰρ ὁ παρὰ τῷ Εὐριπίδῃ Θησεὺς παρεσκευάσθαι φαίνεται πρὸς τὰ τοιαῦτα· ἐκεῖνος γάρ φησιν·

ἐγὼ δὲ ταῦτα παρὰ σοφοῦ τινος μαθὼν
εἰς φροντίδας νοῦν συμφοράς τ' ἐβαλλόμην,
φυγάς τ' ἐμαυτῷ προστιθεὶς πάτρας ἐμῆς
θανάτους τ' ἀώρους καὶ κακῶν ἄλλας ὁδούς,
ἵν' εἴ τι πάσχοιμ' ὧν ἐδόξαζον φρενί,
[e] μή μοι νεῶρες προσπεσὸν μᾶλλον δάκοι.

οἱ δ' ἀγεννέστεροι καὶ ἀνασκήτως διακείμενοι οὐδ' ἀναστροφὴν ἐνίοτε λαμβάνουσι πρὸς τὸ βουλεύσασθαί τι τῶν εὐσχημόνων καὶ συμφερόντων, ἀλλ' ἐκτρέπονται πρὸς τὰς ἐσχάτας ταλαιπωρίας, τὸ μηδὲν αἴτιον σῶμα τιμωρούμενοι καὶ τὰ μὴ νοσοῦντα κατὰ τὸν Ἀχαιὸν συναλγεῖν ἀναγκάζοντες.

Διὸ καὶ πάνυ καλῶς ὁ Πλάτων ἔοικε παραινεῖν ἐν "ταῖς" τοιαύταις "συμφοραῖς ἡσυχίαν ἔχειν, ὡς οὔτε δήλου ὄντος τοῦ κακοῦ καὶ τοῦ [f] ἀγαθοῦ, οὔτ' εἰς τὸ πρόσθεν οὐδὲν προβαῖνον τῷ χαλεπῶς φέροντι· ἐμποδὼν γὰρ γίγνεσθαι τὸ λυπεῖσθαι τῷ βουλεύεσθαι περὶ τοῦ γεγονότος καὶ ὥσπερ ἐν πτώσει κύβων πρὸς τὰ πεπτωκότα τίθεσθαι τὰ ἑαυτοῦ πράγματα, ὅπῃ ὁ λόγος αἱρεῖ βέλτιστ' ἂν ἔχειν. οὐ δεῖν οὖν προσπταίσαντας καθάπερ παῖδας ἐχομένους τοῦ πληγέντος βοᾶν, ἀλλ' ἐθίζειν τὴν ψυχὴν ὅτι τάχιστα γίγνεσθαι περὶ τὸ ἰᾶσθαί τε καὶ ἐπανορθοῦν τὸ πεσόν τε καὶ νοσῆσαν, ἰατρικῇ θρηνῳδίαν ἀφανίζοντας."

Τὸν τῶν Λυκίων νομοθέτην φασὶ προστάξαι τοῖς αὑτοῦ πολίταις, ἐπὰν πενθῶσι, γυναικείαν ἀμφιεσαμένους ἐσθῆτα πενθεῖν, ἐμφαίνειν βουληθέντα ὅτι [113] [a] γυναικῶδες τὸ πάθος καὶ οὐχ ἁρμόττον ἀνδράσι κοσμίοις καὶ παιδείας ἐλευθερίου μεταπεποιημένοις. θῆλυ γὰρ ὄντως καὶ ἀσθενὲς καὶ ἀγεννὲς τὸ πενθεῖν· γυναῖκες γὰρ ἀνδρῶν εἰσι φιλοπενθέστεραι καὶ οἱ βάρβαροι τῶν Ἑλλήνων καὶ οἱ χείρους ἄνδρες τῶν ἀμεινόνων, καὶ αὐτῶν δὲ τῶν βαρβάρων οὐχ οἱ γενναιότατοι, Κελτοὶ καὶ Γαλάται καὶ πάντες οἱ

φρονήματος ἀνδρειοτέρου πεφυκότες ἔμπλεῳ, μᾶλλον δ', εἴπερ ἄρα, Αἰγύπτιοί τε καὶ Σύροι καὶ Λυδοὶ καὶ πάντες ὅσοι τούτοις παραπλήσιοι.

[b] τούτων γὰρ τοὺς μὲν εἰς βόθρους τινὰς καταδύντας ἱστοροῦσιν ἐπὶ πλείους ἡμέρας μένειν, μηδὲ τὸ τοῦ ἡλίου φῶς ὁρᾶν βουλομένους, ἐπειδὴ καὶ ὁ τετελευτηκὼς ἀπεστέρηται τούτου. Ἴων γοῦν ὁ τραγικὸς ποιητής, οὐκ ἀνήκοος ὢν τῆς τούτων εὐηθείας, πεποίηκέ τινα λέγουσαν·

ἐξῆλθον ὑμῶν ἱκέτις ἡβώντων τροφὸς
παίδων, βόθρους λιποῦσα πενθητηρίους.

τινὲς δὲ τῶν βαρβάρων καὶ μέρη τοῦ σώματος ἀποτέμνουσι, ῥῖνας καὶ ὦτα, καὶ τὸ ἄλλο σῶμα καταικίζοντες, δοκοῦντές τι χαρίζεσθαι τοῖς τετελευτηκόσιν ἀπαρτώμενοι τῆς κατὰ φύσιν ἐν τοῖς τοιούτοις μετριοπαθείας.

[c] Ἀλλὰ νὴ Δία τινὲς ὑποτυγχάνοντες οὐκ ἐπὶ παντὶ θανάτῳ τὰ πένθη δεῖν οἴονται γίγνεσθαι, ἀλλ' ἐπὶ τοῖς ἀώροις, διὰ τὸ μηδενὸς τετυχηκέναι τῶν ἐν τῷ βίῳ νενομισμένων ἀγαθῶν, οἷον γάμου παιδείας τελειότητος πολιτείας ἀρχῶν (ταῦτα γὰρ εἶναι τὰ λυποῦντα μάλιστα τοὺς ἐπὶ τοῖς ἀώροις ἀτυχοῦντας, διὰ τὸ ἀφῃρῆσθαι πρὸ τοῦ δέοντος τῆς ἐλπίδος), ἀγνοοῦντες ὅτι ὁ ἄωρος θάνατος ὡς πρὸς τὴν τῶν ἀνθρώπων φύσιν οὐδὲν διαφέρει. καθάπερ γὰρ τῆς εἰς καινὴν πατρίδα πορείας προκειμένης πᾶσιν ἀναγκαίας καὶ ἀπαραιτήτου οἱ μὲν προπορεύονται οἱ δ' ἐπακολουθοῦσι, πάντες δ' ἐπὶ ταὐτὸν ἔρχονται, τὸν αὐτὸν τρόπον τῶν εἰς τὸ χρεὼν ὁδευόντων οὐδὲν πλέον ἔχοντες τυγχάνουσιν [d] οἱ βραδύτερον ἀφικνούμενοι τῶν θᾶττον παραγιγνομένων. εἴ γε μὴν ὁ ἄωρος θάνατος κακόν ἐστιν, ἀωρότατος ἂν εἴη ὁ τῶν νηπίων καὶ παίδων καὶ ἔτι μᾶλλον ὁ τῶν ἄρτι γεγονότων. ἀλλὰ τοὺς τούτων θανάτους ῥᾳδίως φέρομεν καὶ εὐθύμως, τοὺς δὲ τῶν ἤδη προβεβηκότων δυσχερῶς καὶ πενθικῶς διὰ τὸν ἐκ ματαίων ἐλπίδων ἀναπλασμόν, ἤδη νομιζόντων ἡμῶν βεβαίαν ἔχειν τὴν τῶν τηλικούτων διαμονήν. εἰ δ' ὁ τῆς ζωῆς τῶν ἀνθρώπων χρόνος εἰκοσαέτης ἦν, τὸν πεντεκαιδεκαέτη ἀπογενόμενον ἐνομίζομεν ἂν μηκέτ' ἄωρον τελευτᾶν ἀλλ' ἤδη μέτρον ἡλικίας ἔχοντα [e] ἱκανόν· τὸν δὲ τὴν τῶν εἴκοσιν ἐτῶν προθεσμίαν ἐκπληρώσαντα ἢ τὸν ἐγγὺς γενόμενον τοῦ τῶν εἴκοσιν ἐτῶν ἀριθμοῦ πάντως ἂν ἐμακαρίζομεν ὡς εὐδαιμονέστατον καὶ τελειότατον διαπεράσαντα βίον. εἰ δὲ διακοσίων ἐτῶν ἦν, τὸν ἑκατὸν ἐτῶν τελευτήσαντα πάντως ἂν ἄωρον νομίζοντες εἶναι πρὸς ὀδυρμοὺς καὶ θρήνους ἐτραπόμεθα.

Δῆλον οὖν ὅτι καὶ ὁ λεγόμενος ἄωρος θάνατος εὐπαραμύθητός ἐστι διά τε ταῦτα καὶ τὰ προειρημένα ἐν τοῖς ἔμπροσθεν. μεῖον γὰρ ὄντως [f] ἐδάκρυσε Τρωίλος ἢ Πρίαμος· οὐδ' οὗτος, εἰ προετελεύτησεν ἔτ' ἀκμαζούσης αὐτῷ

τῆς βασιλείας καὶ τῆς τοσαύτης τύχης, ἂν ἐθρήνει οἷα γοῦν πρὸς τὸν ἑαυτοῦ διελέχθη υἱὸν Ἕκτορα, παραινῶν ἀναχωρεῖν ἀπὸ τῆς πρὸς τὸν Ἀχιλλέα μάχης, ἐν οἷς φησιν·

ἀλλ᾽ εἰσέρχεο τεῖχος, ἐμὸν τέκος, ὄφρα σαώσῃς

ἦ ῥ᾽ ὁ γέρων· πολιὰς δ᾽ ἄρ᾽ ἀνὰ τρίχας ἕλκετο χερσί,
τίλλων ἐκ κεφαλῆς, οὐδ᾽ Ἕκτορι θυμὸν ἔπειθεν.

Ὄντων οὖν σοι παμπόλλων παραδειγμάτων περὶ
τούτων ἐννοήθητι τὸν θάνατον οὐκ ὀλίγους ἀπαλλάττειν μεγάλων καὶ χαλεπῶν κακῶν, ὧν, εἰ [c] ἐπεβίωσαν, πάντως ἂν ἐπειράθησαν. ἃ φειδόμενος τῆς τοῦ λόγου συμμετρίας παρέλιπον, ἀρκεσθεὶς τοῖς εἰρημένοις πρὸς τὸ μὴ δεῖν πέρα τοῦ φυσικοῦ καὶ μετρίου πρὸς ἄπρακτα πένθη καὶ θρήνους ἀγεννεῖς ἐκτρέπεσθαι.

Τὸ γὰρ μὴ δι᾽ αὑτὸν κακῶς πράττειν ὁ μὲν Κράντωρ φησὶν οὐ μικρὸν εἶναι κούφισμα πρὸς τὰς τύχας, ἐγὼ δ᾽ ἂν εἴποιμι φάρμακον ἀλυπίας εἶναι μέγιστον. τὸ δὲ φιλεῖν τὸν μεταλλάξαντα καὶ στέργειν οὐκ ἐν τῷ λυπεῖν ἑαυτούς ἐστιν, ἀλλ᾽ ἐν τῷ τὸν ἀγαπώμενον ὠφελεῖν· ὠφέλεια δ᾽ ἐστὶ τοῖς [d] ἀφῃρημένοις ἡ διὰ τῆς ἀγαθῆς μνήμης τιμή. οὐδεὶς γὰρ ἀγαθὸς ἄξιος θρήνων ἀλλ᾽ ὕμνων καὶ παιάνων, οὐδὲ πένθους ἀλλὰ μνήμης εὐκλεοῦς, οὐδὲ δακρύων ἐπωδύνων ἀλλὰ θυσιῶν ἀπαρχῶν, εἴ γ᾽ ὁ μετηλλαχὼς θειότερόν τινα βίον μετείληφεν, ἀπαλλαγεὶς τῆς τοῦ σώματος λατρείας καὶ τῶν ἀτρύτων τούτων φροντίδων τε καὶ συμφορῶν, ἃς ἀνάγκη τοὺς εἰληχότας τὸν θνητὸν βίον ὑπομένειν, ἕως ἂν ἐκπλήσωσι τὸν ἐπικλωσθέντα τῆς ζωῆς βίον,

ὃν ἔδωκεν ἡμῖν ἡ φύσις οὐκ εἰς ἅπαντα τὸν χρόνον, ἀλλὰ καθ’ ἕκαστον ἀπένειμε τὸν μερισθέντα κατὰ τοὺς τῆς εἱμαρμένης νόμους.

[e] Διὸ τοὺς εὖ φρονοῦντας ἐπὶ τοῖς ἀποθνῄσκουσιν οὐ χρὴ πέρα τοῦ φυσικοῦ καὶ μετρίου τῆς περὶ τὴν ψυχὴν λύπης εἰς ἄπρακτα καὶ βαρβαρικὰ πένθη παρεκτρέπεσθαι καὶ τοῦθ’ ὅπερ πολλοῖς ἤδη συνέβη περιμένειν, ὥστε πρὶν ἀπώσασθαι τὰ πένθη κακουχουμένους τελευτῆσαι τὸν βίον καὶ ἐν τοῖς πενθίμοις τῆς κακοδαίμονος ταφῆς μεταλαβεῖν, ἅμα τῶν τε ἀνιαρῶν καὶ τῶν ἐκ τῆς ἀλογιστίας κακῶν συγκηδευομένων αὐτοῖς, ὥστ’ ἐπιφθέγξασθαι τὸ Ὁμηρικόν

μυρομένοισι δὲ τοῖσι μέλας ἐπὶ ἕσπερος ἦλθε.

Διὸ καὶ πολλάκις αὐτοῖς προσδιαλέγεσθαι χρή, [f] “τί δέ; παυσόμεθά ποτε λυπούμενοι ἢ ἀκαταπαύστῳ συμφορᾷ συνεσόμεθα μέχρι παντὸς τοῦ βίου;” τὸ γὰρ δὴ ἀτελεύτητον νομίζειν τὸ πένθος ἀνοίας ἐστὶν ἐσχάτης, καίτοι γ’ ὁρῶντας ὡς καὶ οἱ βαρυλυπότατοι καὶ πολυπενθέστατοι πραότατοι γίγνονται πολλάκις ὑπὸ τοῦ χρόνου, καὶ ἐν οἷς ἐδυσχέραινον σφόδρα μνήμασιν ἀνοιμώζοντες καὶ στερνοτυπούμενοι λαμπρὰς εὐωχίας συνίστανται μετὰ μουσουργῶν καὶ τῆς ἄλλης διαχύσεως. μεμηνότος οὖν ἐστι τὸ οὕτως ὑπολαμβάνειν παράμονον [115] [a] ἕξειν τὸ πένθος. ἀλλ’ εἰ λογίζοινθ’ ὅτι παύσεταί τινος γενομένου, προσαναλογίσαιντ’ ἂν χρόνου δηλαδή τι ποιήσαντος· τὸ μὲν γὰρ γεγενημένον οὐδὲ θεῷ δυνατόν ἐστι ποιῆσαι ἀγένητον. οὐκοῦν τὸ νῦν παρ’ ἐλπίδα συμβεβηκὸς καὶ παρὰ τὴν ἡμετέραν δόξαν ἔδειξε τὸ εἰωθὸς περὶ πολλοὺς γίγνεσθαι δι’ αὐτῶν τῶν ἔργων. τί οὖν; ἆρά γ’ ἡμεῖς τοῦτο διὰ τοῦ λόγου μαθεῖν οὐ δυνάμεθα οὐδ’ ἐπιλογίσασθαι ὅτι

[b] οὐδ’ αἰθέρι;

Πολλοῖς γὰρ καὶ σοφοῖς ἀνδράσιν, ὥς φησι Κράντωρ, οὐ νῦν ἀλλὰ πάλαι κέκλαυσται τἀνθρώπινα, τιμωρίαν ἡγουμένοις εἶναι τὸν βίον καὶ ἀρχὴν τὸ γενέσθαι ἄνθρωπον συμφορὰν τὴν μεγίστην· τοῦτο δέ φησιν Ἀριστοτέλης καὶ τὸν Σειληνὸν συλληφθέντα τῷ Μίδᾳ ἀποφήνασθαι. βέλτιον δ’ αὐτὰς τὰς τοῦ φιλοσόφου λέξεις παραθέσθαι. φησὶ δὴ ἐν τῷ Εὐδήμῳ ἐπιγραφομένῳ ἢ Περὶ ψυχῆς ταυτί. “διόπερ, ὦ κράτιστε πάντων καὶ μακαριστότατε, πρὸς τῷ μακαρίους καὶ εὐδαίμονας εἶναι τοὺς τετελευτηκότας [c] νομίζειν καὶ τὸ ψεύσασθαί τι κατ’ αὐτῶν καὶ τὸ βλασφημεῖν οὐχ ὅσιον ὡς κατὰ βελτιόνων ἡγούμεθα καὶ κρειττόνων ἤδη γεγονότων. καὶ ταῦθ’ οὕτως ἀρχαῖα καὶ παλαιὰ

[e] Οὐ χρὴ οὖν τοὺς ἀποθνῄσκοντας νέους θρηνεῖν ὅτι τῶν ἐν τῷ μακρῷ βίῳ νομιζομένων ἀγαθῶν ἀπεστέρηνται· τοῦτο γὰρ ἄδηλον, ὡς πολλάκις εἴπομεν, εἴτ’ ἀγαθῶν ἀπεστερημένοι τυγχάνουσιν εἴτε κακῶν· πολλῷ γὰρ πλείονα τὰ κακά. καὶ τὰ μὲν μόγις καὶ διὰ πολλῶν φροντίδων κτώμεθα, τὰ δὲ κακὰ πάνυ ῥᾳδίως· στρογγύλα γὰρ εἶναί φασι ταῦτα καὶ συνεχῆ καὶ πρὸς ἄλληλα φερόμενα κατὰ πολλὰς αἰτίας, τὰ δ’ ἀγαθὰ διεχῆ τε καὶ δυσκόλως συνερχόμενα πρὸς αὐτοῖς τοῦ βίου τοῖς τέρμασιν.

[116] [a] ἐπιλελησμένοις οὖν ἐοίκαμεν ὅτι οὐ μόνον, ὥς φησιν Εὐριπίδης,

“τὰ χρήματα” οὐκ “ἴδια κέκτηνται βροτοί,”

ἀλλ’ ἁπλῶς τῶν ἀνθρωπίνων οὐδέν. διὸ καὶ ἐπὶ πάντων λέγειν χρή·

τὰ τῶν θεῶν δ’ ἔχοντες ἐπιμελούμεθα.

ὅταν δὲ χρῄζωσ’, αὔτ’ ἀφαιροῦνται πάλιν.

οὐ δεῖ οὖν δυσφορεῖν, ἐὰν ἃ ἔχρησαν ἡμῖν πρὸς ὀλίγον, ταῦτ’ ἀπαιτῶσιν· οὐδὲ γὰρ οἱ τραπεζῖται, καθάπερ εἰώθαμεν λέγειν πολλάκις, ἀπαιτούμενοι τὰ θέματα δυσχεραίνουσιν ἐπὶ τῇ ἀποδόσει, ἐάνπερ εὐγνωμονῶσι. πρὸς γὰρ τοὺς οὐκ εὐμαρῶς ἀποδιδόντας [b] εἰκότως ἄν τις εἴποι “ἐπελάθου ὅτι ταῦτ’ ἔλαβες ἐπὶ τῷ ἀποδοῦναι;” τοῦτο δὴ τοῖς θνητοῖς ἅπασι συμβέβηκεν. ἔχομεν

γὰρ τὸ ζῆν ὥσπερ παρακαταθεμένοις θεοῖς ἐξ ἀνάγκης, καὶ τούτου χρόνος οὐδείς ἐστιν ὡρισμένος τῆς ἀποδόσεως, ὥσπερ οὐδὲ τοῖς τραπεζίταις τῆς τῶν θεμάτων, ἀλλ' ἄδηλον πόθ' ὁ δοὺς ἀπαιτήσει. ὁ οὖν ἢ αὐτὸς μέλλων ἀποθνῄσκειν ἢ τέκνων ἀποθανόντων ὑπεραγανακτῶν πῶς οὐ καταφανῶς ἐπιλέλησται ὅτι καὶ αὐτὸς ἄνθρωπός ἐστι καὶ τὰ τέκνα θνητὰ ἐγέννησεν; οὐ γάρ ἐστι φρένας ἔχοντος ἀνθρώπου ἀγνοεῖν ὅτι ὁ ἄνθρωπος ζῷόν ἐστι θνητόν, οὐδ' ὅτι γέγονεν εἰς [c] τὸ ἀποθανεῖν. εἰ γοῦν ἡ Νιόβη κατὰ τοὺς μύθους πρόχειρον εἶχε τὴν ὑπόληψιν ταύτην ὅτι καὶ ἡ

τελευτήσει, οὐκ ἂν οὕτως ἐδυσχέραινεν ὡς καὶ τὸ ζῆν ἐθέλειν ἐκλιπεῖν διὰ τὸ μέγεθος τῆς συμφορᾶς, καὶ τοὺς θεοὺς ἐπικαλεῖσθαι ἀνάρπαστον αὐτὴν γενέσθαι πρὸς ἀπώλειαν τὴν χαλεπωτάτην.

Δύ' ἐστὶ τῶν Δελφικῶν γραμμάτων τὰ μάλιστ' ἀναγκαιότατα πρὸς τὸν βίον, τὸ "γνῶθι σαυτὸν"

[d] καὶ τὸ "μηδὲν ἄγαν"· ἐκ τούτων γὰρ ἤρτηται καὶ τἄλλα πάντα. ταῦτα γάρ ἐστιν ἀλλήλοις συνῳδὰ καὶ σύμφωνα, καὶ διὰ θατέρου θάτερον ἔοικε δηλοῦσθαι κατὰ δύναμιν. ἔν τε γὰρ τῷ γιγνώσκειν ἑαυτὸν περιέχεται τὸ μηδὲν ἄγαν, καὶ ἐν τούτῳ τὸ γιγνώσκειν ἑαυτόν. διὸ καὶ περὶ μὲν τούτου φησὶν ὁ Ἴων οὕτως·

τὸ "γνῶθι σαυτὸν" τοῦτ' ἔπος μὲν οὐ μέγα,

ἔργον δ' ὅσον Ζεὺς μόνος ἐπίσταται θεῶν,

ὁ δὲ Πίνδαρος·

"σοφοὶ δέ," φησί, "καὶ τὸ 'μηδὲν ἄγαν' ἔπος

αἴνεσσαν περισσῶς."

Ταῦτ' οὖν ἐν διανοίᾳ τις ἔχων ὡς πυθόχρηστα [e] παραγγέλματα πρὸς πάντα τὰ τοῦ βίου πράγματα ῥᾳδίως ἐφαρμόζειν δυνήσεται καὶ φέρειν αὐτὰ δεξιῶς, εἴς τε τὴν αὑτοῦ φύσιν ἀφορῶν καὶ εἰς τὸ μὴ πέρα τοῦ προσήκοντος ἐν τοῖς προσπίπτουσιν ἢ διαίρεσθαι πρὸς ἀλαζονείαν ἢ ταπεινοῦσθαι καὶ καταπίπτειν πρὸς οἴκτους καὶ ὀλοφυρμοὺς διὰ τὴν τῆς ψυχῆς ἀσθένειαν καὶ τὸν ἐμφυόμενον ἡμῖν τοῦ θανάτου φόβον παρὰ τὴν ἄγνοιαν τῶν εἰωθότων ἐν τῷ βίῳ συμβαίνειν κατὰ τὴν τῆς ἀνάγκης ἢ πεπρωμένης μοῖραν. καλῶς δ' οἱ Πυθαγόρειοι παρεκελεύσαντο λέγοντες·

ὅσσα δὲ δαιμονίῃσι τύχαις βροτοὶ ἄλγε' ἔχουσιν,

[f] ἣν ἂν μοῖραν ἔχῃς, ταύτην ἔχε μηδ' ἀγανάκτει,

καὶ ὁ τραγικὸς Αἰσχύλος·

ἀνδρῶν γάρ ἐστιν ἐνδίκων τε καὶ σοφῶν
κἀν τοῖσι δεινοῖς μὴ τεθυμῶσθαι θεοῖς,

καὶ ὁ Εὐριπίδης·

ὅστις δ’ ἀνάγκῃ συγκεχώρηκεν βροτῶν
σοφὸς παρ’ ἡμῖν καὶ τὰ θεῖ’ ἐπίσταται,

καὶ ἐν ἄλλοις·

τὰ προσπεσόντα δ’ ὅστις εὖ φέρει βροτῶν,
[117] [a] ἄριστος εἶναι σωφρονεῖν τέ μοι δοκεῖ.

Οἱ δὲ πολλοὶ πάντα καταμέμφονται καὶ πάντα τὰ παρὰ τὰς ἐλπίδας αὐτοῖς συμβεβηκότα ἐξ ἐπηρείας τύχης καὶ δαιμόνων γενέσθαι νομίζουσι. διὸ καὶ ἐπὶ πᾶσιν ὀδύρονται, στένοντες καὶ τὴν ἑαυτῶν ἀτυχίαν αἰτιώμενοι. πρὸς οὓς ὑποτυχὼν ἄν τις εἴποι·

θεὸς δέ σοι πῆμ’ οὐδὲν ἀλλ’ αὐτὸς σὺ σοί,

καὶ ἡ διὰ τὴν ἀπαιδευσίαν ἄνοια καὶ παραφροσύνη. διὰ ταύτην γοῦν τὴν διηπατημένην καὶ ψευδῆ δόξαν πάντα καταμέμφονται θάνατον. ἐὰν μὲν [b] γὰρ ἐν ἀποδημίᾳ τις ὢν ἀποθάνῃ, στένουσιν ἐπιλέγοντες·

δύσμορος, οὐδ’ ἄρα τῷ γε πατὴρ καὶ πότνια μήτηρ
ὄσσε καθαιρήσουσιν·

ἐὰν δ’ ἐπὶ τῆς οἰκείας πατρίδος παρόντων τῶν γονέων, ὀδύρονται ὡς ἐξαρπασθέντος ἐκ τῶν χειρῶν καὶ τὴν ἐν ὀφθαλμοῖς ὀδύνην αὐτοῖς ἀφέντος. ἐὰν δ’ ἄφωνος μηδὲν προσειπὼν περὶ μηδενός, κλαίοντες λέγουσιν·

οὐδέ τί μοι εἶπας πυκινὸν ἔπος, οὗ τέ κεν αἰεί
[c] μεμνῄμην.

ἐὰν προσομιλήσας τι, τοῦτ’ ἀεὶ πρόχειρον ἔχουσιν ὥσπερ ὑπέκκαυμα τῆς λύπης. ἐὰν ταχέως, ὀδύρονται λέγοντες “ἀνηρπάσθη.” ἐὰν μακρῶς, μέμφονται ὅτι καταφθινήσας καὶ τιμωρηθεὶς ἀπέθανε. πᾶσα πρόφασις ἱκανὴ πρὸς τὸ τὰς λύπας καὶ τοὺς θρήνους συνεγείρειν. ταῦτα δ’ ἐκίνησαν οἱ ποιηταί, καὶ μάλιστα τούτων ὁ πρῶτος Ὅμηρος λέγων·

ὡς δὲ πατὴρ οὗ παιδὸς ὀδύρεται ὀστέα καίων,
νυμφίου, ὅς τε θανὼν δειλοὺς ἀκάχησε τοκῆας.
ἄρρητον δὲ τοκεῦσι γόον καὶ πένθος ἔθηκε,

[d] καὶ ταῦτα μὲν οὔπω δῆλον εἰ δικαίως ὀδύρεται, ἀλλ’ ὅρα τὸ ἑξῆς·

μοῦνος τηλύγετος πολλοῖσιν ἐπὶ κτεάτεσσι.

τίς γὰρ οἶδεν, εἰ ὁ θεὸς πατρικῶς κηδόμενος τοῦ ἀνθρωπείου γένους καὶ προορώμενος τὰ μέλλοντα συμβήσεσθαι προεξάγει τινὰς ἐκ τοῦ ζῆν ἀώρους; ὅθεν οὐδὲν φευκτὸν νομιστέον αὐτοὺς πάσχειν

(δεινὸν γὰρ οὐδὲν τῶν ἀναγκαίων βροτοῖς

οὔτε τῶν κατὰ προηγούμενον λόγον συμβαινόντων [e] οὔτε τῶν κατ᾽ ἐπακολούθησιν), καὶ ὅτι οἱ πλεῖστοι θάνατοι πρὸ ἄλλων δυσχερῶν μειζόνων γίγνονται, καὶ ὅτι τοῖς μὲν οὐδὲ γενέσθαι συνέφερε, τοῖς δ᾽ ἅμα τῷ γενέσθαι ἀποθανεῖν, τοῖς δὲ προελθοῦσιν ἐπὶ μικρὸν, τοῖς δ᾽ ἀκμάζουσι. πρὸς πάντας δὴ τούτους τοὺς θανάτους ἐλαφρῶς ἑκτέον, εἰδότας ὅτι τὴν μοῖραν οὐκ ἔστιν ἐκφυγεῖν (πεπαιδευμένων δ᾽ ἐστὶν ἀνθρώπων προσειληφέναι ὅτι βραχὺν χρόνον προειλήφασιν ἡμᾶς οἱ δοκοῦντες ἄωροι τοῦ ζῆν ἐστερῆσθαι· καὶ γὰρ ὁ μακρότατος βίος ὀλίγος ἐστὶ καὶ στιγμαῖος πρὸς τὸν ἄπειρον αἰῶνα) [f] καὶ ὅτι πολλοὶ τῶν ἐπὶ πλέον πενθησάντων μετ᾽ οὐ πολὺ τοῖς ὑπ᾽ αὐτῶν κατοδυρθεῖσιν ἐπηκολούθησαν, οὐδὲν ἐκ τοῦ πένθους ὄφελος περιποιησάμενοι, μάτην δ᾽ ἑαυτοὺς καταικισάμενοι ταῖς κακουχίαις.

Βραχυτάτου δὲ τοῦ τῆς ἐπιδημίας ὄντος ἐν τῷ βίῳ χρόνου, οὐκ ἐν ταῖς αὐχμηραῖς λύπαις οὐδ᾽ ἐν τῷ κακοδαιμονεστάτῳ πένθει διαφθείρειν ἑαυτοὺς δεῖ ταῖς ὀδύναις καὶ ταῖς τοῦ σώματος αἰκίαις παρατεινομένους, ἀλλὰ μεταβάλλειν ἐπὶ τὸ κρεῖττον καὶ ἀνθρωπικώτερον, πειρωμένους καὶ σπουδάζοντας ἐντυγχάνειν ἀνδράσι μὴ τοῖς συλλυπουμένοις καὶ διεγείρουσι τὰ πένθη διὰ [118] [a] κολακείαν, ἀλλὰ τοῖς ἀφαιρουμένοις τὰς λύπας διὰ τῆς γενναίας καὶ σεμνῆς παρηγορίας, ἐπακούοντας καὶ ἔχοντας ἐν νῷ τὸ Ὁμηρικὸν τοῦτ᾽ ἔπος, ὅπερ ὁ Ἕκτωρ πρὸς τὴν Ἀνδρομάχην ἀντιπαρηγορῶν αὐτὴν εἶπεν ὡδί·

δαιμονίη, μή μοί τι λίην ἀκαχίζεο θυμῷ·
οὐ γάρ τίς μ᾽ ὑπὲρ αἶσαν ἀνὴρ Ἄϊδι προϊάψει,
μοῖραν δ᾽ οὔ τινά φημι πεφυγμένον ἔμμεναι ἀνδρῶν,
οὐ κακὸν οὐδὲ μὲν ἐσθλόν, ἐπὴν τὰ πρῶτα γένηται.

ταύτην δὲ τὴν μοῖραν ἐν ἄλλοις ὁ ποιητής φησι·

[b] γεινομένῳ ἐπένησε λίνῳ, ὅτε μιν τέκε μήτηρ.

Ταῦτα πρὸ διανοίας λαβόντες τῆς ἀπράκτου καὶ κενῆς ἀπαλλαγησόμεθα βαρυπενθείας, ὀλίγου δὴ παντάπασι τοῦ μεταξὺ χρόνου τῆς ζωῆς ὄντος. φειστέον οὖν, ὅπως εὔθυμόν τε καὶ ἀπαρενόχλητον τοῦτον ταῖς πενθικαῖς λύπαις διαγάγωμεν, τὰ τοῦ πένθους παράσημα μεθέμενοι καὶ τῆς τοῦ σώματος ἐπιμελείας φροντίσαντες καὶ τῆς τῶν συμβιούντων ἡμῖν σωτηρίας. καλὸν δὲ καὶ μεμνῆσθαι τῶν λόγων, οἷς κατὰ τὸ εἰκὸς ἐχρησάμεθά ποτε πρὸς συγγενεῖς ἢ φίλους ἐν ταῖς παραπλησίοις γενομένους [c] συμφοραῖς, παραμυθούμενοι καὶ πείθοντες τὰ κοινὰ τοῦ βίου συμπτώματα κοινῶς φέρειν καὶ τὰ ἀνθρώπινα ἀνθρωπίνως, καὶ μὴ τοῖς μὲν ἄλλοις ἐπαρκεῖν πρὸς ἀλυπίαν δύνασθαι, ἑαυτοῖς δὲ μηδὲν ὄφελος εἶναι τὴν τούτων ὑπόμνησιν, δι᾽ ὧν δεῖ τὸ ἀλγοῦν τῆς ψυχῆς ἀποθεραπεύειν “παιωνίοις λόγου φαρμάκοις,” ὡς πάντων

μᾶλλον ἢ ἀλυπίας ἀναβολὴν δεῖ ποιεῖσθαι. καίτοι γε τὸν ἐν ὁτῳοῦν "ἀμβολιεργὸν ἄταις," φησί, "παλαίειν," τὸ κυκλούμενον τοῦτο παρὰ πᾶσιν [d] ἔπος· πολὺ δ' οἶμαι μᾶλλον τὸν ὑπερτιθέμενον τὰ τῆς ψυχῆς ἀχθεινὰ πάθη καὶ δυσάντητα πρὸς τὸν ἐπιόντα χρόνον.

Ἀποβλέπειν δὲ καὶ πρὸς τοὺς εὐγενῶς καὶ μεγαλοφρόνως τοὺς ἐπὶ τοῖς υἱοῖς γενομένους θανάτους καὶ πράως ὑποστάντας, Ἀναξαγόραν τὸν Κλαζομένιον καὶ Δημοσθένην τὸν Ἀθηναῖον καὶ Δίωνα τὸν Συρακόσιον καὶ τὸν βασιλέα Ἀντίγονον, καὶ συχνοὺς ἄλλους τῶν τε παλαιῶν καὶ τῶν καθ' ἡμᾶς.

Τούτων γὰρ Ἀναξαγόραν παρειλήφαμεν, ὥς φασι, φυσιολογοῦντα καὶ διαλεγόμενον τοῖς γνωρίμοις, ἀκούσαντα παρά τινος τῶν ἀναγγειλάντων αὐτῷ τὴν περὶ τὸν υἱὸν τελευτήν, μικρὸν ἐπισχόντα [e] πρὸς τοὺς παρόντας εἰπεῖν "ᾔδειν ὅτι θνητὸν ἐγέννησα υἱόν."

Περικλέα δὲ τὸν Ὀλύμπιον προσαγορευθέντα διὰ τὴν περὶ τὸν λόγον καὶ τὴν σύνεσιν ὑπερβεβλημένην δύναμιν, πυθόμενον ἀμφοτέρους αὐτοῦ τοὺς υἱοὺς μετηλλαχέναι τὸν βίον, Πάραλόν τε καὶ Ξάνθιππον, ὥς φησι Πρωταγόρας, εἰπὼν οὕτως· "τῶν γὰρ υἱέων νεηνιέων ἐόντων καὶ καλῶν, ἐν ὀκτὼ δὲ τῇσι πάσῃσιν ἡμέρῃσι ἀποθανόντων νηπενθέως ἀνέτλη· εὐδίης γὰρ εἴχετο, ἐξ ἧς πολλὸν ὤνητο κατὰ πᾶσαν ἡμέρην εἰς εὐποτμίην καὶ ἀνωδυνίην καὶ τὴν ἐν τοῖσι πολλοῖσι δόξαν· [f] πᾶς γάρ τίς μιν ὁρέων τὰ ἑωυτοῦ πένθεα ἐρρωμένως φέροντα, μεγαλόφρονά τε καὶ ἀνδρήιον ἐδόκεε εἶναι καὶ ἑωυτοῦ κρέσσω, κάρτα εἰδὼς τὴν ἑωυτοῦ ἐν τοισίδε πρήγμασι ἀμηχανίην· τοῦτον γὰρ εὐθὺς μετὰ τὴν προσαγγελίαν ἀμφοτέρων τῶν υἱέων οὐδὲν ἧττον ἐστεφανωμένον κατὰ τὸ πάτριον ἔθος καὶ λευχειμονοῦντα δημηγορεῖν 'βουλάς τ' ἐξάρχοντ' ἀγαθὰς' πρός τε τὸν πόλεμον ἐπιπαρορμῶντα τοὺς Ἀθηναίους."

Ξενοφῶντα δὲ τὸν Σωκρατικὸν θύοντά ποτε, παρὰ τῶν ἀγγέλων τῶν ἀπὸ τοῦ πολέμου πυθόμενον ὅτι ὁ υἱὸς αὐτοῦ Γρύλλος ἀγωνιζόμενος [119] [a] ἐτελεύτησε, περιελόμενον τὸν στέφανον ἐξετάζειν τίνα τρόπον ἐτελεύτησε. τῶν δὲ ἀπαγγειλάντων ὅτι γενναίως ἀριστεύων καὶ πολλοὺς τῶν πολεμίων κατακτείνας, μικρὸν παντελῶς διασιωπήσαντα χρόνον καὶ τῷ λογισμῷ τὸ πάθος παρακατασχόντα, ἐπιθέμενον πάλιν τὸν στέφανον ἐπιτελεῖν τὴν θυσίαν, καὶ πρὸς τοὺς ἀγγέλους εἰπεῖν ὅτι "θεοῖς ηὐξάμην οὐκ ἀθάνατον οὐδὲ πολυχρόνιον γενέσθαι μοι τὸν υἱόν (τὸ γὰρ τοιοῦτον ἄδηλον εἰ συμφέρει), ἀγαθὸν δὲ καὶ φιλόπατριν, ὃ δὴ καὶ γέγονεν."

[b] Δίωνα δὲ τὸν Συρακόσιον συνεδρεύοντα μετὰ τῶν φίλων, κατὰ τὴν οἰκίαν θορύβου γενομένου καὶ μεγάλης κραυγῆς, πυθόμενον τὴν αἰτίαν καὶ

τὸ συμβεβηκὸς ἀκούσαντα ὅτι ὁ υἱὸς αὐτοῦ καταπεσὼν ἀπὸ τοῦ στέγους ἐτελεύτησεν, οὐδὲν ἐκπλαγέντα τὸ μὲν σωμάτιον κελεῦσαι τοῦ μεταλλάξαντος ταῖς γυναιξὶ παραδοῦναι πρὸς τὴν νόμιμον ταφήν, αὐτὸν δὲ περὶ ὧν διεσκέπτετο μὴ παραλιπεῖν.

Τοῦτον ζηλῶσαι λέγεται καὶ Δημοσθένην τὸν ῥήτορα, τὴν μόνην καὶ ἀγαπητὴν ἀπολέσαντα θυγατέρα, περὶ ἧς φησιν Αἰσχίνης, κατηγορεῖν αὐτοῦ δόξας, ταυτί· "ἑβδόμην δ' ἡμέραν τῆς [c] θυγατρὸς αὐτῷ τετελευτηκυίας, πρὶν πενθῆσαι καὶ τὰ νομιζόμενα ποιῆσαι, στεφανωσάμενος καὶ λευκὴν ἐσθῆτα ἀναλαβὼν ἐβουθύτει καὶ παρενόμει, τὴν μόνην ὁ δείλαιος καὶ πρώτην αὐτὸν πατέρα προσειποῦσαν ἀπολέσας." οὗτος μὲν οὖν ῥητορικῶς προθέμενος αὐτοῦ κατηγορῆσαι ταῦτα διεξῆλθεν, ἀγνοῶν ὅτι διὰ τούτων αὐτὸν ἐπαινεῖ τὸ πενθεῖν παρωσάμενον καὶ τὸ φιλόπατρι πρὸ τῆς τῶν ἀναγκαίων συμπαθείας ἐπιδειξάμενον.

Ἀντίγονον δὲ τὸν βασιλέα πυθόμενον τὴν Ἀλκυονέως τοῦ υἱοῦ τελευτὴν ἐν παρατάξει γενομένην μεγαλοφρόνως τε πρὸς τοὺς ἀπαγγείλαντας αὐτῷ τὴν συμφορὰν ἀπιδεῖν καὶ μικρὸν ἐπισχόντα καὶ κατηφιάσαντα προσειπεῖν "ὦ [d] Ἀλκυονεῦ, ὀψίτερον μετήλλαξας τὸν βίον, οὕτως ἀφειδῶς ἐξορμῶν πρὸς τοὺς πολεμίους καὶ οὔτε τῆς σαυτοῦ σωτηρίας οὔτε τῶν ἐμῶν παραινέσεων φροντίζων."

Τούτους δὴ τοὺς ἄνδρας θαυμάζουσι μὲν τῆς μεγαλοφροσύνης πάντες καὶ ἄγανται, μιμεῖσθαι δ' ἐπὶ τῶν ἔργων οὐ δύνανται διὰ τὴν ἐκ τῆς ἀπαιδευσίας ἀσθένειαν τῆς ψυχῆς. πλὴν πολλῶν ὄντων παραδειγμάτων τῶν διὰ τῆς ἱστορίας ἡμῖν παραδιδομένων τῆς τε Ἑλληνικῆς καὶ τῆς Ῥωμαϊκῆς τῶν γενναίως καὶ καλῶς ἐν ταῖς τῶν ἀναγκαίων τελευταῖς διαγενομένων ἀποχρήσει τὰ εἰρημένα πρὸς τὴν ἀπόθεσιν τοῦ πάντων ἀνιαροτάτου [e] πένθους καὶ τῆς ἐν τούτῳ πρὸς οὐδὲν χρήσιμον ματαιοπονίας.

Ὅτι γὰρ οἱ ταῖς ἀρεταῖς διενεγκόντες ὡς θεοφιλεῖς νέοι μετέστησαν πρὸς τὸ χρεὼν καὶ πάλαι μὲν διὰ τῶν πρόσθεν ὑπέμνησα λόγων, καὶ νῦν δὲ πειράσομαι διὰ βραχυτάτων ἐπιδραμεῖν, προσμαρτυρήσας τῷ καλῶς ὑπὸ Μενάνδρου ῥηθέντι τούτῳ·

ὃν οἱ θεοὶ φιλοῦσιν ἀποθνῄσκει νέος.

ἀλλ' ἴσως ὑποτυχὼν ἂν φαίης, Ἀπολλώνιε φίλτατε, σφόδρ' ἦν ἐπιτεταγμένος ὁ νεανίσκος Ἀπόλλωνι [f] καὶ Μοίραις, καὶ σὲ ἔδει ὑπ' ἐκείνου τελείου γενομένου κηδευθῆναι μεταλλάξαντα τὸν βίον· τοῦτο γὰρ εἶναι κατὰ φύσιν. τὴν ἡμετέραν δηλονότι καὶ τὴν ἀνθρωπίνην, ἀλλ' οὐ κατὰ τὴν τῶν ὅλων πρόνοιαν καὶ τὴν κοσμικὴν διάταξιν. ἐκείνῳ δὲ τῷ μακαρισθέντι οὐκ ἦν κατὰ φύσιν περαιτέρω τοῦ ἀπονεμηθέντος αὐτῷ χρόνου πρὸς τὸν ἐνθάδε

βίον περιμένειν, ἀλλ’ εὐτάκτως τοῦτον ἐκπλήσαντι πρὸς τὴν εἱμαρμένην ἐπανάγειν πορείαν, καλούσης αὐτῆς, φησίν, ἤδη πρὸς ἑαυτήν. “ἀλλ’ ἄωρος ἐτελεύτησεν.” οὐκοῦν εὐποτμότερος διὰ τοῦτο καὶ κακῶν ἀπείρατός ἐστιν· ὁ

οὗτος δ’ ἐπὶ τῆς εὐανθεστάτης ἡλικίας προαπεφοίτησεν ὁλόκληρος ἠίθεος, ζηλωτὸς καὶ περίβλεπτος πᾶσι τοῖς συνήθεσιν αὐτῷ, φιλοπάτωρ γενόμενος καὶ φιλομήτωρ καὶ φιλοίκειος καὶ φιλόφιλος, τὸ δὲ σύμπαν εἰπεῖν φιλάνθρωπος, αἰδούμενος μὲν τοὺς πρεσβυτέρους τῶν φίλων ὥσπερ πατέρας, στέργων δὲ τοὺς ὁμήλικας καὶ συνήθεις, τιμητικὸς δὲ τῶν καθηγησαμένων, ξένοις δὲ καὶ ἀστοῖς [b] πραότατος, πᾶσι δὲ μείλιχος καὶ φίλος διά τε τὴν ἐξ ὄψεως χάριν καὶ τὴν εὐπροσήγορον φιλανθρωπίαν.

Ἀλλὰ γὰρ ἐκεῖνος μὲν τῆς τε σῆς εὐσεβείας καὶ τῆς ἑαυτοῦ τὴν πρέπουσαν εὐφημίαν ἔχων πρὸς τὸν ἀεὶ χρόνον προαπεφοίτησε τοῦ θνητοῦ βίου, καθάπερ ἔκ του συμποσίου, πρὶν εἴς τινα παροινίαν ἐκπεσεῖν τὴν τῷ μακρῷ γήρᾳ παρεπομένην. εἰ δ’ ὁ τῶν παλαιῶν ποιητῶν τε καὶ φιλοσόφων λόγος ἐστὶν ἀληθὴς ὥσπερ εἰκὸς ἔχειν, οὕτω καὶ τοῖς εὐσεβέσι τῶν μεταλλαξάντων ἔστι τις τιμὴ καὶ προεδρία καθάπερ λέγεται, καὶ χῶρός τις ἀποτεταγμένος [c] ἐν ᾧ διατρίβουσιν αἱ τούτων ψυχαί, καλὰς ἐλπίδας ἔχειν σε δεῖ περὶ τοῦ μακαρίτου υἱέος σου, ὅτι τούτοις συγκαταριθμηθεὶς συνέσται.

Ταῦτά σοι συναγαγών, Ἀπολλώνιε φίλτατε, καὶ συνθεὶς μετὰ πολλῆς ἐπιμελείας ἀπειργασάμην τὸν παραμυθητικόν σοι λόγον, ἀναγκαιότατον ὄντα σοι πρός τε τὴν τῆς παρούσης λύπης ἀπαλλαγὴν καὶ τοῦ πάντων ἀνιαροτάτου πένθους παῦλαν. περιέχει δὲ καὶ τὴν πρὸς τὸν θεοφιλέστατον υἱόν σου Ἀπολλώνιον πρέπουσαν τιμήν, ποθεινοτάτην οὖσαν τοῖς ἀφιερωθεῖσι, τὴν διὰ τῆς ἀγαθῆς μνήμης καὶ τῆς ἀδιαλείπτου πρὸς τὸν ἀεὶ χρόνον εὐφημίας. καλῶς οὖν ποιήσεις καὶ τῷ λόγῳ πεισθεὶς καὶ τῷ μακαρίτῃ σου υἱῷ [f] χαρισάμενος καὶ μεταβαλὼν ἐκ τῆς ἀνωφελοῦς περὶ τὸ σῶμα καὶ τὴν ψυχὴν κακώσεως καὶ καταφθορᾶς ἐπὶ τὴν συνήθη σοι καὶ κατὰ φύσιν διαγωγὴν ἐλθεῖν. ὡς γὰρ οὐδὲ συμβιῶν ἡμῖν ἡδέως ἑώρα κατηφεῖς ὄντας οὔτε σὲ οὔτε τὴν μητέρα, οὕτως οὐδὲ νῦν μετὰ θεῶν ὢν καὶ τούτοις συνεστιώμενος εὐαρεστήσειεν ἂν τῇ τοιαύτῃ ὑμῶν διαγωγῇ. ἀνδρὸς οὖν ἀγαθοῦ καὶ γενναίου καὶ [122] [a] φιλοτέκνου φρόνημα ἀναλαβὼν σεαυτόν τε καὶ τὴν μητέρα τοῦ νεανίσκου καὶ τοὺς συγγενεῖς καὶ φίλους ἔκλυσαι τῆς τοιαύτης κακοδαιμονίας, εἰς γαληνότερον μετελθὼν βίου σχῆμα καὶ προσφιλέστατον τῷ τε υἱῷ σου καὶ πᾶσιν ἡμῖν τοῖς κηδομένοις σου κατὰ τὸ προσῆκον.

ΥΓΙΕΙΝΑ ΠΑΡΑΓΓΕΛΜΑΤΑ

[122] ΜΟΣΧΙΩΝ. Σὺ δὴ Γλαῦκον χθές, ὦ Ζεύξιππε, τὸν ἰατρὸν ἀπετρίψω συμφιλοσοφεῖν ὑμῖν βουλόμενον.

ΖΕΥΞΙΠΠΟΣ. Οὔτ᾽ ἀπετριψάμην, ὦ φίλε Μοσχίων, οὔτ᾽ ἐβούλετο συμφιλοσοφεῖν ἐκεῖνος, ἀλλ᾽ [c] ἔφυγον καὶ ἐφοβήθην λαβὴν φιλομαχοῦντι παρασχεῖν. ἐν μὲν γὰρ ἰατρικῇ καθ᾽ Ὅμηρον ὁ ἀνὴρ

πολλῶν ἀντάξιος ἄλλων,

οὐκ εὐμενὴς δὲ πρὸς φιλοσοφίαν, ἀλλ᾽ ἀεί τι τραχὺ καὶ δύσκολον ἔχων ἐν τοῖς λόγοις. καὶ νῦν ἐναντίος ἐφ᾽ ἡμᾶς ἐχώρει, βοῶν ἔτι πρόσωθεν οὐ μικρὸν οὐδ᾽ ἐπιεικὲς ἔργον ἡμῖν σύγχυσιν ὅρων τετολμῆσθαι διαλεχθεῖσι περὶ διαίτης ὑγιεινῆς. “χωρίς” γὰρ ἔφη τὰ φιλοσόφων καὶ ἰατρῶν ὥσπερ τινῶν “Μυσῶν καὶ Φρυγῶν ὁρίσματα,” καί τινα τῶν οὐ μετὰ σπουδῆς, οὐ μὴν ἀχρήστως, [d] εἰρημένων παρ᾽ ἡμῶν διὰ στόματος ἔχων ἐσπάραττεν.

ΜΟΣΧΙΩΝ. Ἀλλὰ καὶ τούτων ἔγωγε καὶ τῶν ἄλλων, ὦ Ζεύξιππε, πρόθυμος ἀκροατὴς ἡδέως ἂν γενοίμην.

ΖΕΥΞΙΠΠΟΣ. Φιλόσοφος γὰρ εἶ τὴν φύσιν, ὦ Μοσχίων, καὶ τῷ μὴ φιλιατροῦντι χαλεπαίνεις φιλοσόφῳ, καὶ ἀγανακτεῖς εἰ μᾶλλον αὑτὸν οἴεται προσήκειν γεωμετρίας καὶ διαλεκτικῆς καὶ μουσικῆς ὁρᾶσθαι μεταποιούμενον ἢ ζητεῖν καὶ μανθάνειν βουλόμενον

ὅττι τοι ἐν μεγάροισι κακόν τ᾽ ἀγαθόν τε τέτυκται

τῷ σώματι. καίτοι πλείους ἂν ἴδοις ἐκεῖ θεατάς, ὅπου θεωρικόν τι νέμεται τοῖς συνιοῦσιν, ὥσπερ [e] Ἀθήνησι· τῶν ἐλευθερίων δὲ τεχνῶν ἰατρικὴ τὸ μὲν γλαφυρὸν καὶ περιττὸν καὶ ἐπιτερπὲς οὐδεμιᾶς ἐνδεέστερον ἔχει, θεωρικὸν δὲ μέγα τοῖς φιλομαθοῦσι τὴν σωτηρίαν καὶ τὴν ὑγίειαν ἐπιδίδωσιν. ὥστ᾽ οὐ παράβασιν ὅρων ἐπικαλεῖν δεῖ τοῖς περὶ ὑγιεινῶν διαλεγομένοις φιλοσόφοις, ἀλλ᾽ εἰ μὴ παντάπασιν ἀνελόντες οἴονται δεῖν τοὺς ὅρους ὥσπερ ἐν μιᾷ χώρᾳ κοινῶς ἐμφιλοκαλεῖν, ἅμα τὸ ἡδὺ τῷ λόγῳ καὶ τὸ ἀναγκαῖον διώκοντες.

ΜΟΣΧΙΩΝ. Ἀλλὰ Γλαῦκον μὲν ἐῶμεν, ὦ Ζεύξιππε, ὑπὸ σεμνότητος αὐτοτελῆ βουλόμενον εἶναι καὶ ἀπροσδεῆ φιλοσοφίας, σὺ δὲ τοὺς λόγους [f] ἡμῖν δίελθε πάντας· εἰ δὲ βούλει, πρώτους ἐκείνους ὧν ἔφης οὐ πάνυ μετὰ σπουδῆς εἰρημένων ἐπιλαμβάνεσθαι τὸν Γλαῦκον.

ΖΕΥΞΙΠΠΟΣ. Ἔφη τοίνυν ὁ ἑταῖρος ἡμῶν ἀκοῦσαί τινος λέγοντος ὡς τὸ τὰς χεῖρας ἀεὶ θερμὰς ἔχειν καὶ μὴ περιορᾶν ψυχομένας οὐ [123] [a] μικρὸν εἴη

πρὸς ὑγίειαν, καὶ τοὐναντίον ἡ τῶν ἄκρων περίψυξις εἰς τὰ μέσα συνελαύνουσα τὸ θερμὸν ὥσπερ τινὰ συνήθειαν ἢ μελέτην ἐμποιεῖ πυρετοῦ· τὸ δ’ ἔξω στρέφοντα μετὰ τῆς θερμότητος ἕλκειν ἐπὶ πάντα καὶ διανέμειν τὴν ὕλην ὑγιεινόν. ἂν μὲν οὖν ἐνεργοῦντές τι ταῖς χερσὶ καὶ χρώμενοι τυγχάνωμεν, αὐτὴν τὴν κίνησιν ἐπάγειν ἐνταῦθα καὶ συνέχειν τὸ θερμόν· ἔργων δὲ τοιούτων σχολὴν ἄγοντας ἥκιστα δεῖν προσδέχεσθαι τοῖς ἄκροις τὸ ψυχρόν.

Ἓν μὲν οὖν τοῦτο τῶν γελασθέντων ἦν· δεύτερον δ’ οἶμαι τὸ περὶ τὰς τροφὰς ἃς προσφέρετε [b] τοῖς κάμνουσιν. ἅπτεσθαι γὰρ αὐτῶν διὰ χρόνου παρῄνει καὶ γεύεσθαι, συνεθίζοντας αὑτοὺς ἐν τῷ ὑγιαίνειν καὶ μὴ τρέμοντας ὥσπερ τὰ παιδάρια μηδὲ μισοῦντας ἐκείνην τὴν δίαιταν, ἀλλὰ ποιουμένους ἀτρέμα χειροήθη ταῖς ὀρέξεσι καὶ σύντροφον, ὅπως ἐν τῷ νοσεῖν μὴ δυσχεραίνωμεν ὡς φάρμακα τὰ σιτία μηδ’ ἀσχάλλωμεν ἁπλοῦν τι καὶ ἄνοψον καὶ ἄκνισον λαμβάνοντες. ὅθεν οὐδ’ ἀλούτους ποτὲ φευκτέον ἐλθεῖν ἐπὶ τροφὴν οὐδ’ ὕδωρ πιεῖν οἴνου παρόντος οὐδὲ θερμὸν ἐν θέρει, χιόνος παρακειμένης, τὰς μὲν ἐπιδεικτικὰς καὶ σοφιστικὰς χαίρειν ἐῶντας ἀποσχέσεις [c] τῶν τοιούτων καὶ μεγαλαυχίας ἐπὶ ταῖς ἀποσχέσεσιν, αὐτοὺς δὲ καθ’ ἑαυτοὺς σιωπῇ τήν τε ὄρεξιν ἅμα τοῦ συμφέροντος ὑπήκοον ἐθίζοντας εἶναι μετ’ εὐκολίας, καὶ τῆς ψυχῆς ἀφαιροῦντας πόρρωθεν ἔτι τὴν περὶ ταῦτα μικρολογίαν ἐν ταῖς νόσοις καὶ τὸ ἐπιθρηνεῖν, ἀνοδυρομένης ὡς ἐξ ἡδονῶν μεγάλων καὶ ἀγαπητῶν εἰς ἀγεννῆ καὶ ταπεινὴν ἀπελήλαται δίαιταν.

Εὖ γὰρ εἰρημένον τὸ “ἑλοῦ βίον τὸν ἄριστον, ἡδὺν δ’ αὐτὸν ἡ συνήθεια ποιήσει,” καὶ κατὰ μέρος ὡς ἕκαστα πειρωμένῳ χρήσιμόν ἐστι, μάλιστα δὲ τῶν περὶ τὸ σῶμα διαιτημάτων, ἐν τοῖς ὑγιεινοτάτοις ἐπάγοντα τὴν συνήθειαν, εὐμενῆ καὶ γνώριμα τῇ φύσει καὶ οἰκεῖα παρασκευάζειν, [d] μεμνημένον ἃ πάσχουσιν ἔνιοι καὶ ποιοῦσιν ἐν ταῖς ἀρρωστίαις, χαλεπαίνοντες καὶ δυσανασχετοῦντες ὕδατος θερμοῦ προσφερομένου καὶ ῥοφήματος ἢ ἄρτου, μιαρὰ μὲν ταῦτα καὶ ἀηδῆ μιαροὺς δὲ καὶ χαλεποὺς τοὺς ἀναγκάζοντας ἀποκαλοῦντες. πολλοὺς δὲ καὶ λουτρὸν ἀπώλεσεν, οὐδὲν ἐν ἀρχῇ μέγα κακὸν ἔχοντας ἀλλ’ ἢ τὸ μὴ δύνασθαι μηδ’ ὑπομένειν γεύσασθαι τροφῆς ἀλούτους· ὧν καὶ Τίτος ἦν ὁ αὐτοκράτωρ, ὥς φασιν οἱ νοσηλεύσαντες.

Ἔτι τοίνυν ἐλέχθη τοιοῦτον, ὡς ἀεὶ μὲν ὑγιεινότερα σώματι τὰ εὐτελέστερα, μάλιστα δὲ [e] φυλακτέον πλησμονὰς καὶ μέθας καὶ ἡδυπαθείας ἑορτήν τινα μέλλουσαν ἢ φίλων ὑποδοχὴν ἐν χερσὶν ἔχοντας ἢ προσδοκῶντας ἑστίασιν βασιλικὴν καὶ ἡγεμονικὴν καὶ συμπεριφορὰν

ἀπαραίτητον, οἷον ἐπιόντος ἀνέμου καὶ κύματος εὐσταλὲς τὸ σῶμα καὶ κοῦφον ἐν εὐδίᾳ παρασκευάζοντας. ἔργον γάρ ἐστιν ἐν συνουσίαις καὶ φιλοφροσύναις αὑτὸν ἐπὶ τῶν μετρίων καὶ τῶν συνήθων φυλάξαι μὴ πᾶσι μετ᾽ ἀηδίας δεινῆς ἐπαχθῆ φανέντα καὶ φορτικόν. ἵν᾽ οὖν μὴ πῦρ ἐπὶ πυρί, ὥς φασι, πλησμονή τις ἐπὶ πλησμονῇ καὶ ἄκρατος ἐπ᾽ [f] ἀκράτῳ γένηται, τὸ παιχθὲν ἀστείως ὑπὸ Φιλίππου μετὰ σπουδῆς μιμητέον· ἦν δὲ τοιοῦτον. ἄνθρωπος αὐτὸν ἐπὶ χώρας ὡς σὺν ὀλίγοις ὄντα δειπνῆσαι παρεκάλεσεν, εἶθ᾽ ὁρῶν πολλοὺς ἄγοντα παρεσκευασμένων οὐ πολλῶν ἐταράττετο. συναισθόμενος οὖν ὁ Φίλιππος ὑπέπεμπε τῶν φίλων ἑκάστῳ [124] [a] κελεύων πλακοῦντι καταλιπεῖν χώραν, οἱ δὲ πειθόμενοι καὶ προσδοκῶντες ἐφείδοντο τῶν παρκειμένων. ἤρκεσεν οὖν ἅπασι τὸ δεῖπνον. οὕτω δὴ προπαρασκευαστέον αὑτοὺς τῶν ἀναγκαίων συμπεριφορῶν, καὶ ὄψῳ καὶ πέμματι καὶ νὴ Δία μέθῃ χώραν φυλάττοντας ἐν τῷ σώματι, καὶ πρόσφατον ἐπὶ ταῦτα καὶ βουλομένην τὴν ὄρεξιν ἄγοντας.

Ταῦθ᾽ ἡμῖν ὁ Γλαῦκος ἐν γέλωτι προύφερεν ὡς παιδαγωγικά· τῶν δ᾽ ἄλλων οὐ πάνυ πρόθυμος ἦν ἀκούειν, οὐδ᾽ ἡμεῖς ἐκείνῳ διηγεῖσθαι. σὺ δ᾽ ἐπισκόπει τῶν λεχθέντων ἕκαστον.

Πρῶτος μὲν ὁ Σωκράτης παρακελευόμενος φυλάττεσθαι τῶν βρωμάτων ὅσα μὴ πεινῶντας ἐσθίειν ἀναπείθει, καὶ τῶν πωμάτων ὅσα πίνειν μὴ διψῶντας, οὐχ ἁπλῶς τὸ χρῆσθαι τούτοις ἀπηγόρευσεν, [e] ἀλλὰ χρῆσθαι δεομένους ἐδίδασκε καὶ τὸ ἡδὺ κατατάττοντας αὐτῶν εἰς τὸ ἀναγκαῖον, ὥσπερ οἱ τὰ θεωρικὰ ποιοῦντες ἐν ταῖς πόλεσι στρατιωτικά. τὸ γὰρ ἡδὺ τῇ φύσει μέχρι ἂν ᾖ μέρος τοῦ τρέφοντος οἰκεῖόν ἐστι, καὶ δεῖ πεινῶντας ἔτι τῶν ἀναγκαίων ἀπολαύειν ἢ τῶν ἡδέων, ἰδίᾳ δὲ μὴ κινεῖν ἑτέρας ὀρέξεις τῶν κοινῶν ἀπηλλαγμένους. ὥσπερ γὰρ αὖ τῷ Σωκράτει γυμνάσιον ἦν οὐκ ἀηδὲς ἡ ὄρχησις, οὕτως ᾧτινι τὸ πέμμα καὶ τὸ τράγημα δεῖπνόν ἐστι καὶ σιτίον, ἧττον βλάπτεται· τὸ δ' ἀπέχοντα τῇ φύσει τὸ μέτριον καὶ πεπληρωμένον ἐπιδράττεσθαι τῶν τοιούτων φυλακτέον ἐν τοῖς μάλιστα. φυλακτέον δὲ τῆς περὶ ταῦτα φιληδονίας καὶ γαστριμαργίας οὐδὲν ἧττον ἀπειροκαλίαν καὶ φιλοτιμίαν· καὶ γὰρ αὗται πολλάκις συναναπείθουσι μὴ πεινῶντας ἐσθίειν ἔνια καὶ πίνειν μὴ διψῶντας, ἀνελευθέρους κομιδῇ καὶ φορτικὰς ὑποβάλλουσαι φαντασίας, ὡς ἄτοπόν ἐστι πράγματος σπανίου καὶ πολυτελοῦς μὴ ἀπολαῦσαι παρόντος, οἷον οὔθατος ἢ μυκήτων Ἰταλικῶν ἢ Σαμίου πλακοῦντος ἢ χιόνος ἐν Αἰγύπτῳ. ταῦτα γὰρ δήπου προάγεται πολλάκις χρῆσθαι τοῖς περιβοήτοις καὶ σπανίοις, ὥσπερ ὑπὸ κνίσης [125] [a] τῆς κενῆς δόξης ἀγομένους καὶ τὸ σῶμα κοινωνεῖν μηδὲν δεόμενον ἀναγκάζοντας, ὅπως ἔχωσιν ἑτέροις διηγεῖσθαι, ζηλούμενοι τῆς ἀπολαύσεως τῶν οὕτω δυσπορίστων καὶ περιττῶν. ὅμοια δὲ καὶ πρὸς γυναῖκας ἐνδόξους πάσχουσιν. ἰδίαις μὲν γὰρ ἔστιν ὅτε καὶ καλαῖς καὶ ἀγαπώσαις συναναπαυόμενοι τὴν ἡσυχίαν ἄγουσι, Φρύνῃ δὲ τελέσαντες ἀργύριον ἢ Λαΐδι καὶ τὸ σῶμα φαύλως καὶ πρὸς συνουσίαν ἀργῶς ἔχοντες διακείμενον ἐγείρουσιν ἅμα καὶ παρακαλοῦσι τὸ ἀκόλαστον ἐπὶ τὴν ἡδονὴν ὑπὸ τῆς κενῆς δόξης. αὐτὴ γοῦν ἔλεγεν ἡ Φρύνη πρεσβυτέρα [b] γεγενημένη τὴν τρύγα πλείονος πωλεῖν διὰ τὴν δόξαν.

Ἔστι δὲ μέγα καὶ θαυμαστόν, ἂν ὅσον ἡ φύσις δεομένη δέχεται τῶν ἡδονῶν προσιέμενοι τῷ σώματι, μᾶλλον δ' ἂν τὰ πολλὰ παρὰ τὰς ὀρέξεις αὐτῷ διαμαχόμενοι καὶ ἀναβαλλόμενοι καὶ μόλις πάνυ ταῖς ἀναγκαίαις χρηματίζοντες ἤ, ὥς φησιν ὁ Πλάτων, καὶ δάκνοντος καὶ κατατείνοντος ἐνδιδόντες ἀβλαβεῖς ἀπαλλάττωμεν. τὰς δ' ἀνάπαλιν ἐκ τῆς ψυχῆς ἐπὶ τὸ σῶμα κατιούσας ἐπιθυμίας καὶ καταβιαζομένας τοῖς ἐκείνης ὑπηρετεῖν καὶ [c] συνεξανίστασθαι πάθεσιν οὐδεμία μηχανὴ τὸ μὴ σφοδροτάτας βλάβας καὶ μεγίστας ἐφ' ἡδοναῖς ἀσθενέσι καὶ ἀμαυραῖς ἐναπολιπεῖν. ἥκιστα δὲ ψυχῆς ἐπιθυμίᾳ σῶμα πρὸς ἡδονὰς κινητέον· ἡ γὰρ ἀρχὴ παρὰ φύσιν γίγνεται. καὶ καθάπερ αἱ τῶν μασχαλῶν ψηλαφήσεις οὐκ ἴδιον οὐδὲ πρᾶον οὐδ' ἵλεων

Ἄλλοτε μὲν οὖν πρὸς τὰς ἡδονὰς λεκτέον ἴσως, τὸ καλὸν καὶ σεμνὸν ἐφ' ἑαυτοῦ τῆς ἐγκρατείας οἷόν ἐστι δεικνύοντας· ὁ δὲ νῦν λόγος ὑπὲρ πολλῶν ἡδονῶν καὶ μεγάλων ἐστίν. οὔτε γὰρ πράξεις οὔτ' ἐλπίδας οὔτ' ἀποδημίας οὔτε διαγωγὰς αἱ νόσοι τοσαύτας ὅσας ἡδονὰς ἡμῶν ἀφαιροῦνται καὶ [c] διαφθείρουσιν. ὅθεν ἥκιστα λυσιτελεῖ καταφρονεῖν τῆς ὑγιείας τοῖς μάλιστα τὴν ἡδονὴν διώκουσι. καὶ γὰρ φιλοσοφεῖν ἀρρωστίαι πολλοῖς παρέχουσι καὶ στρατηγεῖν νὴ Δία καὶ βασιλεύειν, ἡδοναὶ δὲ σωματικαὶ καὶ ἀπολαύσεις ἔνιαι μὲν οὐδ' ὅλως γένεσιν ἐν νόσῳ λαμβάνουσιν, αἱ δὲ λαμβάνουσαι βραχὺ τὸ οἰκεῖον καὶ οὐ καθαρὸν ἀλλὰ συμπεφυρμένον πολλῷ τῷ ἀλλοτρίῳ καὶ μεμωλωπισμένον ὥσπερ ἐκ ζάλης καὶ χειμῶνος ἀναφέρουσιν. οὐ γὰρ

ἀλλὰ μᾶλλον ἐν εὐδίᾳ σαρκὸς καὶ γαλήνῃ καὶ Κύπρις εἰς ἡδονὴν τελευτᾷ καὶ βρῶσις καὶ πόσις· [d] ἡ δ' ὑγίεια ταῖς ἡδοναῖς ὥσπερ ἡ γαλήνη ταῖς ἀλκυόσιν ἀσφαλῆ καὶ καλὴν γένεσιν καὶ λοχείαν ἐνδίδωσι. κομψῶς γὰρ ἔοικεν ὁ Πρόδικος εἰπεῖν ὅτι τῶν ἡδυσμάτων ἄριστόν ἐστι τὸ πῦρ· ἀληθέστερον δ' ἄν τις εἴποι τὴν ὑγίειαν ἥδυσμα θειότατον εἶναι καὶ προσηνέστατον· ἑφθὰ μὲν γὰρ καὶ ὀπτὰ καὶ πεπτὰ βρώματα νοσοῦσιν ἢ κραιπαλῶσιν ἢ ναυτιῶσιν οὐδεμίαν ἡδονὴν οὐδὲ χάριν ἀποδίδωσι, καθαρὰ δὲ καὶ ἀκραιφνὴς ὄρεξις ὑγιαίνοντι σώματι πᾶν ἡδὺ ποιεῖ καὶ "ἁρπαλέον," ὡς Ὅμηρος ἔφη, καὶ πρόσφορον.

Ἐπεὶ δ' ὥσπερ ὁ Δημάδης πολεμικοὺς ἀκαίρως [e] τοὺς Ἀθηναίους ὄντας ἔλεγε μηδέποτε χειροτονεῖν εἰρήνην ἄνευ μελάνων ἱματίων, οὕτω καὶ ἡμεῖς οὐδέποτε μεμνήμεθα λιτῆς διαίτης καὶ σώφρονος ἄνευ κλύσεων καὶ καταπλασμάτων· ἔν τε τούτοις γενόμενοι πιέζομεν σφόδρα τὰς ἁμαρτίας, ἐναπερειδόμενοι τῇ μνήμῃ καί, καθάπερ οἱ πολλοὶ νῦν μὲν ἀέρας νῦν δὲ χώρας ἐπιμεμφόμενοι νοσώδεις ἀποδημίας δεδιέναι λέγουσι, ἐξαιρούμενοι τῆς αἰτίας τὴν ἀκρασίαν καὶ φιληδονίαν· ἀλλ' ὥσπερ ὁ Λυσίμαχος ἐν Γέταις συσχεθεὶς δίψῃ καὶ παραδοὺς ἑαυτὸν μετὰ τοῦ στρατεύματος [f] αἰχμάλωτον εἶτα πιὼν ὕδωρ ψυχρόν, "ὦ θεοί," εἶπεν, "ὡς βραχείας ἡδονῆς ἕνεκα μεγάλην εὐδαιμονίαν ἀπεβαλόμην," οὕτως ἀνοιστέον ἐν ταῖς ἀρρωστίαις πρὸς αὑτοὺς ὡς διὰ ψυχροποσίαν ἢ λουτρὸν ἄκαιρον ἢ συμπεριφορὰν πολλὰς μὲν αὑτῶν

διεφθείραμεν ἡδονάς, καλὰς δὲ πράξεις ἐπιτερπεῖς τε διαγωγὰς ἀπωλέσαμεν. ὁ γὰρ ἐκ τῶν τοιούτων ἀναλογισμῶν δηγμὸς αἱμάσσει τὴν μνήμην, ὥστε οἷον οὐλὴν παραμένουσαν ἐν τῷ ὑγιαίνειν εὐλαβεστέρους ποιεῖν περὶ τὴν δίαιταν.

[127] [a] οὐδὲ γὰρ ἄγαν τὸ ὑγιαῖνον σῶμα φύσει μεγάλας ἐπιθυμίας οὐδὲ δυσπειθεῖς οὐδ᾽ ἀσυνήθεις οὐδὲ δυσεκβιάστους, ἀλλὰ δεῖ θαρρεῖν πρὸς τὰς ὀρέξεις ἐκφερομένας καὶ ἐπιπηδώσας ταῖς ἀπολαύσεσιν, ὡς ἐλαφρὸν καὶ παιδικὸν ἐχούσας τὸ μεμψιμοιροῦν καὶ κλαυθμυριζόμενον, εἶτα παυομένας ἀρθείσης τῆς τραπέζης καὶ μηδὲν ἐγκαλούσας μηδ᾽ ἀδικουμένας, ἀλλὰ τοὐναντίον καθαρὰς καὶ ἱλαρὰς καὶ οὐ βαρείας οὐδὲ ναυτιώδεις περιμενούσας τὴν αὔριον. ὥσπερ ἀμέλει καὶ Τιμόθεος εἶπε τῇ [b] προτεραίᾳ δεδειπνηκὼς ἐν Ἀκαδημείᾳ παρὰ Πλάτωνι μουσικὸν καὶ λιτὸν δεῖπνον, ὡς οἱ παρὰ Πλάτωνι δειπνήσαντες καὶ εἰς αὔριον ἡδέως γίγνονται. λέγεται δὲ καὶ Ἀλέξανδρος εἰπεῖν τοὺς τῆς Ἄδας ὀψοποιοὺς ἀποπεμψάμενος ὡς ἔχει βελτίονας ἄγειν ἀεὶ σὺν αὑτῷ, πρὸς μὲν τὸ ἄριστον τὴν νυκτοπορίαν, πρὸς δὲ τὸ δεῖπνον τὴν ὀλιγαριστίαν.

Οὐκ ἀγνοῶ δ᾽ ὅτι καὶ διὰ κόπους πυρέττουσιν ἄνθρωποι καὶ δι᾽ ἐγκαύσεις καὶ διὰ περιψύξεις. ἀλλ᾽ ὥσπερ αἱ τῶν ἀνθέων ὀσμαὶ καθ᾽ ἑαυτὰς ἀσθενεῖς εἰσι, μιχθεῖσαι δὲ τῷ ἐλαίῳ ῥώμην ἴσχουσι καὶ τόνον, οὕτω ταῖς ἔξωθεν αἰτίαις καὶ [c] ἀρχαῖς οἷον οὐσίαν καὶ σῶμα παρέχει τὸ πλῆθος ὑποκείμενον. ἄνευ δὲ τούτου, τούτων χαλεπὸν οὐδέν, ἀλλ᾽ ἐξαμαυροῦνται καὶ διαχέονται ῥᾳδίως, αἵματος λεπτοῦ καὶ πνεύματος καθαροῦ δεχομένου τὴν κίνησιν· ἐν δὲ πλήθει καὶ περιττώματι οἷον ἰλὺς ἀναταραττομένη μιαρὰ ποιεῖ πάντα καὶ δυσχερῆ καὶ δυσαπάλλακτα. διὸ δεῖ μὴ καθάπερ οἱ ἀγαστοὶ ναύκληροι πολλὰ δι᾽ ἀπληστίαν ἐμβαλόμενοι, τοὐντεῦθεν ἤδη διατελοῦσιν ἀντλοῦντες καὶ ὑπεξερῶντες τὴν θάλατταν, οὕτως ἐμπλήσαντας τὸ σῶμα καὶ βαρύναντας ὑποκαθαίρειν [d] αὖθις καὶ ὑποκλύζειν, ἀλλὰ διατηρεῖν εὐσταλές, ὅπως, κἂν πιεσθῇ ποτε, φελλοῦ δίκην ὑπὸ κουφότητος ἀναφέρηται.

Μάλιστα δὲ προφυλακτέον ἐν ταῖς προπαθείαις καὶ προαισθήσεσιν. οὐ γὰρ ἅπασαι κατὰ τὸν Ἡσίοδον ἐπιφοιτῶσιν αἱ νόσοι

διδόντες τῷ μαγείρῳ τὰ λοιπὰ κελεύουσιν ἐν τῷ ἱερείῳ ζητεῖν, οὕτως ἐν τῷ σώματι τοῦ προσφερομένου τὰ κάλλιστα τῶν ἡδυσμάτων ἐστίν, ἄνπερ ὑγιαίνοντι καὶ καθαρῷ προσφέρηται. γλυκὺ μὲν γὰρ ἢ πολυτελὲς ἔξω καὶ καθ' αὑτὸ τῶν τοιούτων ἕκαστόν ἐστιν, ἡδὺ δὲ πέφυκεν ἐν τῷ ἡδομένῳ καὶ μετὰ τοῦ ἡδομένου γίγνεσθαι κατὰ φύσιν [d] ἔχοντος· ἐν δὲ δυσαρέστοις καὶ κραιπαλῶσι καὶ φαύλως διακειμένοις πάντα τὴν αὑτῶν χάριν καὶ ὥραν

ἀπόλλυσι. διὸ δεῖ μὴ σκοπεῖν τὸν ἰχθὺν εἰ πρόσφατος, μηδὲ τὸν ἄρτον εἰ καθαρός, μηδὲ τὸ βαλανεῖον εἰ θερμόν, μηδὲ τὴν ἑταίραν εἰ εὔμορφος, ἀλλ' αὑτὸν εἰ μὴ ναυτιώδης μηδὲ θολερὸς μηδ' ἕωλος μηδὲ τεταραγμένος. εἰ δὲ μή, καθάπερ εἰς οἰκίαν πενθοῦσαν ἐμβαλόντες ἐπίκωμοι μεθύοντες οὐ φιλοφροσύνην παρέσχον οὐδ' ἡδονὴν ἀλλὰ κλαυθμοὺς καὶ ὀδυρμοὺς [e] ἐποίησαν, οὕτω καὶ ἀφροδίσια καὶ ὄψα καὶ βαλανεῖα καὶ οἶνος ἐν σώματι κακῶς καὶ παρὰ φύσιν ἔχοντι μιγνύμενα τοῖς μὴ καθεστῶσι καὶ διεφθορόσι φλέγμα καὶ χολὴν κινεῖ καὶ ταράττει καὶ προσεξίστησιν, ἡδὺ δ' οὐδὲν ἀξιολόγως οὐδ' ἀπολαυστικὸν οὐδὲν οἷον προσεδοκήσαμεν ἀποδίδωσιν.

Ἡ μὲν οὖν ἀκριβὴς σφόδρα καὶ δι' ὄνυχος λεγομένη δίαιτα τό τε σῶμα κομιδῇ ψοφοδεὲς παρέχεται καὶ σφαλερόν, αὐτῆς τε τῆς ψυχῆς τὸ γαῦρον κολούει πάντα πράγματα καὶ πᾶσαν οὐχ ἧττον ἐν ἡδοναῖς καὶ πόνοις διατριβὴν καὶ πρᾶξιν ὑφορωμένης καὶ πρὸς μηδὲν ἰταμῶς καὶ θαρραλέως [f] βαδιζούσης. δεῖ δ' ὥσπερ ἱστίον τὸ σῶμα μήτε συστέλλειν εὐδίας οὔσης καὶ πιέζειν σφόδρα, μήτ' ἀνειμένως χρῆσθαί τε καὶ καταφρονεῖν ἐν ὑποψίᾳ γενόμενον. ἀλλ' ἐνδιδόναι καὶ ποιεῖν ἐλαφρὸν ὥσπερ εἴρηται, καὶ μὴ περιμένειν ἀπεψίας καὶ διαρροίας μηδὲ θερμασίας μηδὲ νάρκας, ὑφ' ὧν ἔνιοι μόλις ὥσπερ ὑπ' ἀγγέλων ἢ κλητόρων, πυρετοῦ [129] [a] περὶ θύρας ὄντος ἤδη, θορυβούμενοι συστέλλουσιν ἑαυτούς, ἀλλὰ πόρρωθεν ἐξευλαβεῖσθαι

πρὸ χείματος, ὥστ' ἀνὰ ποντίαν ἄκραν
βορέα πνέοντος.

Ἄτοπον γάρ ἐστι κοράκων μὲν λαρυγγισμοῖς καὶ κλωσμοῖς ἀλεκτορίδων καὶ "συσὶν ἐπὶ φορυτῷ μαργαινούσαις," ὡς ἔφη Δημόκριτος, ἐπιμελῶς προσέχειν, σημεῖα ποιουμένους πνευμάτων καὶ ὄμβρων, τὰ δὲ τοῦ σώματος κινήματα καὶ σάλους καὶ προπαθείας μὴ προλαμβάνειν μηδὲ προφυλάττειν, μηδ' ἔχειν σημεῖα χειμῶνος ἐν ἑαυτῷ γενησομένου καὶ μέλλοντος. ὅθεν οὐ περὶ τροφὴν μόνον οὐδὲ γυμνάσια δεῖ φυλάττειν τὸ σῶμα μὴ παρὰ τὸ [b] εἰωθὸς ἅπτεται τούτων ὀκνηρῶς καὶ ἀπροθύμως ἢ πάλιν διψῶδές ἐστι καὶ πειναλέον ὡς οὐ πέφυκεν, ἀλλὰ καὶ τῶν ὕπνων τὸ μὴ συνεχὲς μηδὲ λεῖον ἀλλ' ἀνωμαλίας ἔχον καὶ διασπασμοὺς εὐλαβεῖσθαι, καὶ τῶν ἐνυπνίων τὴν ἀτοπίαν, ἄνπερ ὦσι μὴ νόμιμοι μηδὲ συνήθεις αἱ φαντασίαι, πλῆθος ἢ πάχος ὑγρῶν ἢ πνεύματος ταραχὴν ἐντὸς κατηγοροῦσαν. ἤδη δὲ καὶ τὰ τῆς ψυχῆς κινήματα τὸ σῶμα μηνύει πρὸς νόσον ἐπισφαλῶς ἔχειν. ἄλογοι γὰρ ἴσχουσιν ἀθυμίαι καὶ φόβοι πολλάκις ἀπ' [c] οὐδενὸς φανεροῦ, τὰς ἐλπίδας ἄφνω κατασβεννύουσαι· γίγνονται δὲ καὶ ταῖς ὀργαῖς ἐπίχολοι καὶ ὀξεῖς καὶ μικρόλυποι, καὶ δακρυρροοῦσι καὶ ἀδημονοῦσιν ὅταν ἀτμοὶ πονηροὶ καὶ ἀναθυμιάσεις πικραὶ συνιστάμεναι "ταῖς τῆς ψυχῆς," ὥς φησιν ὁ Πλάτων,

ἀνακραθῶσι “περιόδοις.” διὸ δεῖ σκοπεῖν οἷς ἂν ταῦτα συμπίπτῃ καὶ μνημονεύειν, ἂν μηδὲν ᾖ πνευματικόν, ὅτι σωματικόν ἐστιν αἴτιον ὑποστολῆς τινος ἢ κατακράσεως δεόμενον.

Χρήσιμον δὲ πάνυ καὶ τὸ τοὺς φίλους ἐπισκεπτόμενον [d] ἀσθενοῦντας ἐκπυνθάνεσθαι τὰς αἰτίας, μὴ σοφιστικῶς μηδὲ περιέργως ἐνστάσεις καὶ παρεμπτώσεις καὶ κοινότητας λαλοῦντα καὶ παρεπιδεικνύμενον ἰατρικῶν ὀνομάτων καὶ γραμμάτων ἐμπειρίαν, ἀλλὰ ταυτὶ τὰ φαῦλα καὶ κοινὰ μὴ παρέργως ἀκούοντα, πλῆθος ἡλίωσιν κόπον ἀγρυπνίαν, μάλιστα δὲ δίαιταν ᾗ χρώμενος ἐπύρεξεν. εἶθ’ ὥσπερ ὁ Πλάτων ἐπὶ τοῖς ἀλλοτρίοις ἁμαρτήμασιν εἰώθει λέγειν ἀπιών “μή που ἄρα καὶ ἐγὼ τοιοῦτος;” οὕτω τὰ περὶ αὑτὸν ἐν τοῖς πλησίον εὖ τίθεσθαι, καὶ φυλάττεσθαι καὶ μνημοννεύειν ὅπως [e] οὐ περιπεσεῖται τοῖς αὐτοῖς οὐδ’ αὐτὸς εἰς τὴν κλίνην καταπεσὼν ὑμνήσει ποθῶν τὴν πολυτίμητον ὑγίειαν, ἀλλ’ ἑτέρου πάσχοντος ἐνσημανεῖται πρὸς ἑαυτὸν ὡς ἄξιον πολλοῦ τὸ ὑγιαίνειν καὶ δεῖ τοῦτο διατηρεῖν αὑτῷ προσέχοντα καὶ φειδόμενον. οὐ χεῖρον δὲ καὶ τὴν ἑαυτῶν παρεπισκοπεῖν δίαιταν· ἂν γὰρ ἐν πόσεσι καὶ προσφοραῖς ἤ τισι πόνοις καὶ ἀταξίαις ἑτέραις τυγχάνωμεν γεγονότες, τὸ δὲ σῶμα μηδεμίαν ὑποψίαν παρέχῃ μηδὲ προαίσθησιν, ὅμως αὑτοὺς δεῖ φυλάττεσθαι καὶ προκαταλαμβάνειν ἐκ μὲν ἀφροδισίων καὶ κόπων ὄντας ἀναπαύσει καὶ ἡσυχίᾳ, μετὰ δ’ οἴνωσιν καὶ συμπεριφορὰν [f] ὑδροποσίᾳ, μάλιστα δὲ τροφαῖς κεχρημένους ἐμβριθέσι καὶ κρεώδεσιν ἢ ποικίλαις ὀλιγοσιτεῖν καὶ μηδὲν ὑπολείπειν περιττώματος πλῆθος ἐν τῷ σώματι. καὶ γὰρ αὐτὰ ταῦτα δι’ αὑτὰ πολλῶν αἴτια νόσων ἐστί, καὶ προστίθησι ταῖς ἄλλαις αἰτίαις ὕλην καὶ δύναμιν. ὅθεν ἄριστα λέλεκται “τροφῆς ἀκορίην καὶ πόνων ἀοκνίην καὶ σπέρματος [130] [a] οὐσίης συντήρησιν ὑγιεινότατα εἶναι.” καὶ γὰρ ἡ περὶ τὰς συνουσίας ἀκρασία τῷ μάλιστα τὴν δύναμιν ἐκλύειν ὑφ’ ἧς ἡ τροφὴ διαπονεῖται, πλέον περίττωμα ποιεῖ καὶ πλῆθος.

Αὖθις οὖν ἀναλαβόντες ἐξ ἀρχῆς περὶ ἑκάστου, πρῶτον δὲ περὶ γυμνασίων φιλολόγοις ἁρμοζόντων λέγωμεν ὅτι ὥσπερ ὁ φήσας μηδὲν γράφειν παραθαλαττίοις περὶ ὁλκάδων ἐδίδαξε τὴν χρείαν, οὕτω καὶ φιλολόγοις φαίη τις ἂν μὴ γράφειν περὶ γυμνασίων. ἡ γὰρ καθ’ ἡμέραν τοῦ λόγου χρεία διὰ φωνῆς περαινομένη θαυμαστὸν οἷόν ἐστι γυμνάσιον οὐ μόνον πρὸς ὑγίειαν ἀλλὰ καὶ πρὸς ἰσχύν, [b] οὐ παλαιστικὴν οὐδὲ σαρκοῦσαν καὶ πυκνοῦσαν τὰ ἐκτὸς ὥσπερ οἰκοδομήματος, ἀλλὰ τοῖς ζωτικωτάτοις καὶ κυριωτάτοις μέρεσι ῥώμην ἐνδιάθετον καὶ τόνον ἀληθινὸν ἐμποιοῦσαν. ὅτι μὲν γὰρ ἰσχὺν ἐνδίδωσι τὸ πνεῦμα, δηλοῦσιν οἱ ἀλεῖπται, τοὺς ἀθλητὰς κελεύοντες ἀντερείδειν ταῖς τρίψεσι καὶ παρεγκόπτειν

τείνοντας ἀεὶ τὰ πλαττόμενα μέρη καὶ ψηλαφώμενα τοῦ σώματος· ἡ δὲ φωνή, τοῦ πνεύματος οὖσα κίνησις, οὐκ ἐπιπολαίως ἀλλ' ὥσπερ ἐν πηγαῖς περὶ τὰ σπλάγχνα ῥωννυμένη, τὸ θερμὸν αὔξει καὶ λεπτύνει τὸ αἷμα, καὶ πᾶσαν μὲν [c] ἐκκαθαίρει φλέβα, πᾶσαν δ' ἀρτηρίαν ἀνοίγει, σύστασιν δὲ καὶ πῆξιν ὑγρότητος οὐκ ἐᾷ περιττωματικῆς ὥσπερ ὑποστάθμην ἐγγενέσθαι τοῖς τὴν τροφὴν παραλαμβάνουσι καὶ κατεργαζομένοις ἀγγείοις. διὸ δεῖ μάλιστα ποιεῖν ἑαυτοὺς τούτῳ τῷ γυμνασίῳ συνήθεις καὶ συντρόφους ἐνδελεχῶς λέγοντας, ἂν δ' ᾖ τις ὑποψία τοῦ σώματος ἐνδεέστερον ἢ κοπωδέστερον ἔχοντος, ἀναγιγνώσκοντας ἢ ἀναφωνοῦντας. ὅπερ γὰρ αἰώρα πρὸς γυμνάσιόν ἐστι, τοῦτο πρὸς διάλεξιν ἀνάγνωσις, ὥσπερ ἐπ' ὀχήματος ἀλλοτρίου λόγου κινοῦσα μαλακῶς καὶ διαφοροῦσα πράως τὴν φωνήν. ἡ δὲ διάλεξις ἀγῶνα καὶ σφοδρότητα προστίθησιν, ἅμα τῆς [d] ψυχῆς τῷ σώματι συνεπιτιθεμένης. κραυγὰς μέντοι περιπαθεῖς καὶ σπαραγμώδεις εὐλαβητέον· αἱ γὰρ ἀνώμαλοι προβολαὶ καὶ διατάσεις τοῦ πνεύματος ῥήγματα καὶ σπάσματα ποιοῦσιν.

Ἀναγνόντα δ' ἢ διαλεχθέντα λιπαρᾷ καὶ ἀλεεινῇ τρίψει χρηστέον πρὸ τοῦ περιπάτου καὶ μαλάξει τῆς σαρκός, ὡς ἀνυστόν ἐστι, τῶν σπλάγχνων ποιούμενον ἁφὴν καὶ τὸ πνεῦμα πράως διομαλύνοντα καὶ διαχέοντα μέχρι τῶν ἄκρων. μέτρον δὲ τοῦ πλήθους τῆς τρίψεως ἔστω τὸ προσφιλὲς τῇ [e] αἰσθήσει καὶ ἄλυπον. ὁ γὰρ οὕτω καταστήσας τὴν ἐν βάθει ταραχὴν καὶ διάτασιν τοῦ πνεύματος, ἀλύπῳ τε χρῆται τῷ περιττώματι, κἂν ἀκαιρία τις ἢ χρεία κωλύσῃ τὸν περίπατον, οὐδέν ἐστι πρᾶγμα· τὸ γὰρ οἰκεῖον ἡ φύσις ἀπείληφεν. ὅθεν οὔτε πλοῦν ποιητέον οὔτε καταγωγὴν ἐν πανδοκείῳ σιγῆς πρόφασιν, οὐδ' ἂν πάντες καταγελῶσιν. ὅπου γὰρ οὐκ αἰσχρὸν τὸ φαγεῖν, οὐδὲ τὸ γυμνάζεσθαι δήπουθεν αἰσχρόν· ἀλλ' αἴσχιον τὸ δεδοικέναι καὶ δυσωπεῖσθαι ναύτας καὶ ὀρεωκόμους καὶ πανδοκεῖς καταγελῶντας οὐ τοῦ σφαιρίζοντος [f] καὶ σκιαμαχοῦντος ἀλλὰ τοῦ λέγοντος, ἂν ἅμα διδάσκῃ τι καὶ ζητῇ καὶ μανθάνῃ καὶ ἀναμιμνῄσκηται γυμναζόμενος. ὁ μὲν γὰρ Σωκράτης ἔλεγεν ὅτι τῷ κινοῦντι δι' ὀρχήσεως αὑτὸν ἑπτάκλινος οἶκος ἱκανός ἐστιν ἐγγυμνάζεσθαι, τῷ δὲ δι' ᾠδῆς ἢ λόγου γυμναζομένῳ γυμνάσιον ἀποχρῶν καὶ ἑστῶτι καὶ κατακειμένῳ πᾶς τόπος παρέχει. μόνον ἐκεῖνο φυλακτέον, ὅπως μήτε πλησμονὴν μήτε λαγνείαν μήτε κόπον ἑαυτοῖς συνειδότες ἐντεινώμεθα τῇ [131] [a] φωνῇ τραχύτερον, ὃ πάσχουσι πολλοὶ τῶν ῥητόρων καὶ τῶν σοφιστῶν, οἱ μὲν ὑπὸ δόξης καὶ φιλοτιμίας, οἱ δὲ διὰ μισθοὺς ἢ πολιτικὰς ἁμίλλας ἐξαγόμενοι παρὰ τὸ συμφέρον ἀγωνίζεσθαι. Νίγρος δ' ὁ ἡμέτερος ἐν Γαλατίᾳ σοφιστεύων ἄκανθαν ἐτύγχανεν ἰχθύος καταπεπωκώς. ἑτέρου δ' ἐπιφανέντος ἔξωθεν σοφιστοῦ καὶ μελετῶντος, ὀρρωδῶν ὑφειμένου δόξαν παρασχεῖν, ἔτι τῆς ἀκάνθης ἐνισχομένης

ἐμελέτησε· μεγάλης δὲ φλεγμονῆς καὶ σκληρᾶς γενομένης, τὸν πόνον οὐ φέρων ἀνεδέξατο [b] τομὴν ἔξωθεν βαθεῖαν. ἡ μὲν οὖν ἄκανθα διὰ τοῦ τραύματος ἐξῃρέθη, τὸ δὲ τραῦμα χαλεπὸν γενόμενον καὶ ῥευματικὸν ἀνεῖλεν αὐτόν. ἀλλὰ ταῦτα μὲν ἄν τις ὕστερον εὐκαίρως ὑπομνήσειε.

Λουτρῷ δὲ χρῆσθαι γυμνασαμένους ψυχρῷ μὲν ἐπιδεικτικὸν καὶ νεανικὸν μᾶλλον ἢ ὑγιεινόν ἐστιν. ἣν γὰρ δοκεῖ ποιεῖν δυσπάθειαν πρὸς τὰ ἔξω καὶ σκληρότητα τοῦ σώματος, αὕτη μεῖζον ἀπεργάζεται περὶ τὰ ἐντὸς κακόν, ἐνισταμένη τοῖς πόροις καὶ τὰ ὑγρὰ συνάγουσα καὶ πηγνύουσα τὰς ἀναθυμιάσεις ἀεὶ χαλᾶσθαι καὶ διαφορεῖσθαι βουλομένας. ἔτι δ' ἀνάγκη τοὺς ψυχρολουτοῦντας εἰς [c] ἐκείνην αὖθις μεταβαίνειν ἣν φεύγομεν ἀκριβῆ καὶ τεταγμένην ἀποτόμως δίαιταν, ἀεὶ προσέχοντας αὐτοῖς μὴ παραβαίνειν ταύτην, ὡς εὐθὺς ἐξελεγχομένου πικρῶς παντὸς ἁμαρτήματος. ἡ δὲ θερμολουσία δίδωσι πολλὴν συγγνώμην. οὐ γὰρ τοσοῦτον εὐτονίας ὑφαιρεῖ καὶ ῥώμης, ὅσον ὠφελεῖ πρὸς ὑγίειαν, ἐνδόσιμα τῇ πέψει καὶ μαλακὰ παρέχουσα, τοῖς δὲ τὴν πέψιν διαφεύγουσιν, ἄν γε δὴ μὴ παντάπασιν ὠμὰ καὶ μετέωρα μείνῃ, διαχύσεις ἀλύπους παρασκευάζουσα καὶ κόπους ἐκλεαίνουσα [d] λανθάνοντας. οὐ μὴν ἀλλ' ὅταν ἡ φύσις παρέχῃ μετρίως διακειμένου καὶ ἱκανῶς τοῦ σώματος αἴσθησιν, ἐατέον τὸ βαλανεῖον. ἄλειμμα δὲ τὸ πρὸς πυρὶ βέλτιον, ἂν ἀλέας δέηται τὸ σῶμα, ταμιεύεται γὰρ αὐτῷ τῆς θερμότητος. ὁ δ' ἥλιος οὔτε μᾶλλον οὔθ' ἧττον ἀλλ' ὡς κέκραται πρὸς τὸν ἀέρα κεχρῆσθαι δίδωσι. ταῦτα μὲν οὖν ἱκανὰ περὶ γυμνασίων.

Ἐπὶ δὲ τροφὴν παραγενομένους, ἂν μὲν ᾖ τι τῶν πρόσθεν ὄφελος λόγων οἷς τὰς ὀρέξεις κηλοῦμεν καὶ καταπραΰνομεν, ἄλλο τι χρὴ παραινεῖν τῶν ἐφεξῆς· ἂν δ' ὥσπερ ἐκ δεσμῶν λελυμένῃ [e] χαλεπὸν ᾖ χρῆσθαι καὶ φιλονεικεῖν πρὸς γαστέρα ὦτα μὴ ἔχουσαν, ὡς ἔλεγε Κάτων, διαμηχανητέον τῇ ποιότητι τῆς τροφῆς ἐλαφρότερον ποιεῖν τὸ πλῆθος. καὶ τὰ μὲν στερεὰ καὶ πολύτροφα τῶν σιτίων, οἷον τὰ κρεώδη καὶ τυρώδη καὶ σύκων τὰ ξηρὰ καὶ ᾠῶν τὰ ἑφθά, προσφέρεσθαι πεφυλαγμένως ἁπτόμενον (ἔργον γὰρ ἀεὶ παραιτεῖσθαι), τοῖς δὲ λεπτοῖς ἐμφύεσθαι καὶ κούφοις, οἷα τὰ πολλὰ τῶν λαχάνων καὶ τὰ πτηνὰ καὶ τῶν ἰχθύων οἱ μὴ πίονες. ἔστι γὰρ [f] τὰ τοιαῦτα προσφερόμενον καὶ χαρίζεσθαι ταῖς ὀρέξεσι καὶ τὸ σῶμα μὴ πιέζειν. μάλιστα δὲ τὰς ἀπὸ κρεῶν φοβητέον ἀπεψίας· καὶ γὰρ εὐθὺς σφόδρα καὶ βαρύνουσι, καὶ λείψανον εἰσαῦθις πονηρὸν ἀπ' αὐτῶν παραμένει. καὶ κράτιστον μὲν ἐθίσαι τὸ σῶμα μηδεμιᾶς προσδεῖσθαι σαρκοφαγίας· πολλὰ γὰρ οὐ μόνον πρὸς διατροφὴν ἄφθονα ἀλλὰ καὶ πρὸς εὐπάθειαν καὶ ἀπόλαυσιν ἀναδίδωσιν ἡ γῆ, τοῖς μὲν αὐτόθεν ἀπραγμόνως χρῆσθαι παρέχουσα, τὰ δὲ μιγνύμενα παντοδαπῶς [132] [a] καὶ σκευαζόμενα συνηδύνειν. ἐπεὶ δὲ τὸ ἔθος τρόπον

τινὰ φύσις τοῦ παρὰ φύσιν γέγονεν, οὐ δεῖ χρῆσθαι κρεοφαγίᾳ πρὸς ἀποπλήρωσιν ὀρέξεως, ὥσπερ λύκους ἢ λέοντας, ἀλλ’ οἷον ὑπέρεισμα καὶ διάζωμα τῆς τροφῆς ἐμβαλλομένους ἑτέροις σιτίοις χρῆσθαι καὶ ὄψοις, ἃ καὶ τῷ σώματι μᾶλλόν ἐστι κατὰ φύσιν, καὶ τῆς ψυχῆς ἧττον ἀμβλύνει τὸ λογικόν, ὥσπερ ἐκ λιτῆς καὶ ἐλαφρᾶς ὕλης ἀναπτόμενον.

Τῶν δ’ ὑγρῶν γάλακτι μὲν οὐχ ὡς ποτῷ χρηστέον, ἀλλ’ ὡς σιτίῳ δύναμιν ἐμβριθῆ καὶ [b] πολύτροφον ἔχοντι. πρὸς δὲ τὸν οἶνον ἅπερ Εὐριπίδης πρὸς τὴν Ἀφροδίτην διαλεκτέον

εἴης μοι, μέτριος δέ πως
εἴης, μηδ’ ἀπολείποις.

καὶ γὰρ ποτῶν ὠφελιμώτατόν ἐστι καὶ φαρμάκων ἥδιστον καὶ ὄψων ἀσικχότατον, ἂν τύχῃ τῆς πρὸς τὸν καιρὸν εὐκρασίας μᾶλλον ἢ τῆς πρὸς τὸ ὕδωρ. ὕδωρ δ’ οὐ μόνον τὸ μιγνύμενον πρὸς οἶνον, ἀλλὰ καὶ τὸ καθ’ ἑαυτὸ τοῦ κεκραμένου μεταξὺ πινόμενον ἀβλαβέστερον ποιεῖ τὸ κεκραμένον. ἐθιστέον οὖν παρὰ τὴν καθ’ ἡμέραν δίαιταν ὕδατος προσφέρεσθαι καὶ δύο καὶ τρία ποτήρια, τήν τε δύναμιν [c] τοῦ οἴνου ποιοῦντα μαλακωτέραν καὶ τοῦ σώματος συνήθη τὴν ὑδροποσίαν, ὅπως, ὅταν ἐν χρείᾳ γένηται, μὴ ξενοπαθῇ μηδ’ ἀπαναίνηται. συμβαίνει γὰρ ἐνίους φέρεσθαι μάλιστα πρὸς τὸν οἶνον ὅταν μάλιστα χρείαν ὑδροποσίας ἔχωσι. καὶ γὰρ ἡλιωθέντες καὶ ῥιγώσαντες πάλιν καὶ σφοδρότερον εἰπόντες καὶ συντονώτερον φροντίσαντες καὶ ὅλως μετὰ τοὺς κόπους καὶ τοὺς ἀγῶνας οἴονται ποτέον εἶναι τὸν οἶνον, ὡς καὶ τῆς φύσεως ἀπαιτούσης εὐπάθειάν τινα τῷ σώματι [d] καὶ μεταβολὴν ἐκ τῶν πόνων. ἡ δὲ φύσις εὐπάθειαν μέν, εἴ τις εὐπάθειαν καλεῖ τὴν ἡδυπάθειαν, οὐκ ἀπαιτεῖ, μεταβολὴν δ’ ἀπαιτεῖ τὴν εἰς τὸ μέσον ἡδονῆς καὶ πόνου καθιστᾶσαν. διὸ καὶ τροφῆς ὑφαιρετέον ἐν τούτοις, καὶ τὸν οἶνον ἢ παντελῶς ἀφαιρετέον ἢ προσοιστέον πολλῇ κατακεραννύμενον διὰ μέσου καὶ κατακλυζόμενον ὑδροποσίᾳ. πλήκτης γὰρ ὢν καὶ ὀξὺς ἐπιτείνει τὰς τοῦ σώματος ταραχάς, καὶ τραχύτερα ποιεῖ καὶ παροξύνει τὰ πεπληγμένα, παρηγορίας δεόμενα καὶ λειότητος, ἃς μάλιστα τὸ ὕδωρ ἐνδίδωσι. καὶ γὰρ ἂν οὐ διψῶντες, ἄλλως δὲ θερμὸν ὕδωρ [e] πίωμεν μετὰ τοὺς κόπους καὶ τὰς διατάσεις καὶ τὰ καύματα, χαλάσματος καὶ μαλακότητος αἰσθανόμεθα περὶ τὰ ἐντός· ἤπιος γὰρ ἡ τοῦ ὕδατος ὑγρότης καὶ ἄσφυκτος, ἡ δὲ τοῦ οἴνου φορὰν ἔχει πολλὴν καὶ δύναμιν οὐκ εὐμενῆ τοῖς προσφάτοις πάθεσιν οὐδὲ φιλάνθρωπον. καὶ γὰρ ἃς λέγουσιν ἔνιοι τῷ σώματι τὴν ἀσιτίαν δριμύτητας ἐγγεννᾶν καὶ πικρότητας εἴ τις δέδιεν ἢ καθάπερ οἱ παῖδες δεινὸν ἡγεῖται πρὸ τοῦ πυρέττειν μὴ παρατίθεσθαι τράπεζαν ἐν ὑποψίᾳ γεγονώς, εὐάρμοστον ἡ ὑδροποσία μεθόριον. καὶ γὰρ αὐτῷ τῷ Διονύσῳ πολλάκις νηφάλια θύομεν,

ἐθιζόμενοι καλῶς μὴ [f] ζητεῖν ἀεὶ τὸν ἄκρατον. ὁ δὲ Μίνως καὶ τὸν αὐλὸν ἀφεῖλε τῆς θυσίας καὶ τὸν στέφανον ὑπὸ λύπης. καίτοι λυπουμένην ψυχὴν ἴσμεν οὔθ’ ὑπὸ στεφάνων οὔθ’ ὑπ’ αὐλῶν παθοῦσαν· σῶμα δ’ οὐδὲν οὕτως ἰσχυρόν ἐστιν, ᾧ τεταραγμένῳ καὶ φλεγμαίνοντι προσπεσὼν οἶνος οὐκ ἠδίκησε.

Τοὺς μὲν οὖν Λυδοὺς ἐν τῷ λιμῷ λέγουσι διαγαγεῖν ἡμέραν παρ’ ἡμέραν τρεφομένους, εἶτα παίζοντας καὶ κυβεύοντας· φιλόλογον δ’ ἄνδρα καὶ φιλόμουσον ἐν καιρῷ δεομένῳ βραδυτέρου [133] [a] δείπνου διάγραμμα παρακείμενον ἤ τι βιβλίδιον ἢ λύριον οὐ προΐενται τῇ γαστρὶ λεηλατούμενον, ἀλλ’ ἀποστρέφων συνεχῶς καὶ μεταφέρων ἐπὶ ταῦτα τὴν διάνοιαν ἀπὸ τῆς τραπέζης ὥσπερ Ἁρπυίας τὰς ὀρέξεις διασοβήσει ταῖς Μούσαις. οὐ γὰρ ὁ μὲν Σκύθης, ὅταν πίνῃ, πολλάκις ἐφάπτεται τοῦ τόξου καὶ παραψάλλει τὴν νευράν, ἐκλυόμενον ὑπὸ τῆς μέθης ἀνακαλούμενος τὸν θυμόν, Ἕλλην δ’ ἀνὴρ φοβήσεται τοὺς καταγελῶντας αὐτοῦ, γράμμασι καὶ βιβλίοις ἀγνώμονα καὶ δυσπαραίτητον ἐπιθυμίαν ἀνιέντος ἀτρέμα καὶ χαλῶντος; τῶν [b] μὲν γὰρ παρὰ τῷ Μενάνδρῳ νεανίσκων ὑπὸ τοῦ πορνοβοσκοῦ παρὰ πότον ἐπιβουλευομένων καλὰς καὶ πολυτελεῖς εἰσάγοντος ἑταίρας ἕκαστος, ὥς φησι,

κύψας καθ’ αὑτὸν τῶν τραγημάτων ἔφλα,

φυλαττόμενος καὶ φοβούμενος ἐμβλέπειν· οἱ δὲ φιλόλογοι πολλὰς καὶ καλὰς καὶ ἡδείας ἀπόψεις καὶ ἀποστροφὰς ἔχουσιν, ἄνπερ ἄλλως μὴ δύνωνται τὸ κυνικὸν καὶ θηριῶδες τῶν ὀρέξεων κατέχειν παρακειμένης τραπέζης. ἀλειπτῶν δὲ φωνὰς καὶ παιδοτριβῶν λόγους ἑκάστοτε λεγόντων ὡς τὸ παρὰ δεῖπνον φιλολογεῖν τὴν τροφὴν διαφθείρει καὶ βαρύνει τὴν κεφαλὴν τότε φοβητέον, ὅταν [c] τὸν Ἰνδὸν ἀναλύειν ἢ διαλέγεσθαι περὶ τοῦ Κυριεύοντος ἐν δείπνῳ μέλλωμεν. τὸν μὲν γὰρ ἐγκέφαλον τοῦ φοίνικος, γλυκὺν ὄντα, σφόδρα κεφαλαλγῆ λέγουσιν εἶναι· διαλεκτικὴ δὲ “τρωγάλιον” ἐπὶ δείπνῳ “γλυκὺ” μὲν οὐδαμῶς κεφαλαλγὲς δὲ καὶ κοπῶδες ἰσχυρῶς ἐστιν. ἂν δ’ ἡμᾶς μὴ ἄλλο τι ζητεῖν ἢ φιλοσοφεῖν ἢ ἀναγιγνώσκειν παρὰ δεῖπνον ἐῶσι τῶν ἐν τῷ καλῷ καὶ ὠφελίμῳ τὸ ἐπαγωγὸν ὑφ’ ἡδονῆς καὶ γλυκὺ μόριον ἐχόντων, κελεύσομεν αὐτοὺς [d] μὴ ἐνοχλεῖν, ἀλλ’ ἀπιόντας ἐν τῷ ξυστῷ ταῦτα καὶ ταῖς παλαίστραις διαλέγεσθαι τοῖς ἀθληταῖς, οὓς τῶν βιβλίων ἐξελόντες καὶ διημερεύειν ἐν σκώμμασι καὶ βωμολοχίαις ἐθίζοντες, ὡς ὁ κομψὸς Ἀρίστων ἔλεγε, τοῖς ἐν γυμνασίῳ κίοσιν ὁμοίως λιπαροὺς πεποιήκασι καὶ λιθίνους. αὐτοὶ δὲ πειθόμενοι τοῖς ἰατροῖς παραινοῦσιν ἀεὶ τοῦ δείπνου καὶ τοῦ ὕπνου λαμβάνειν μεθόριον καὶ μὴ συμφορήσαντας εἰς τὸ σῶμα τὰ σιτία καὶ τὸ πνεῦμα καταθλίψαντας εὐθὺς ὠμῇ καὶ ζεούσῃ τῇ τροφῇ

βαρύνειν τὴν πέψιν ἀλλ’ ἀναπνοὴν καὶ χάλασμα παρέχειν, ὥσπερ οἱ τὰ σώματα κινεῖν [e] μετὰ δεῖπνον ἀξιοῦντες οὐ δρόμοις οὐδὲ παγκρατίοις τοῦτο ποιοῦσιν ἀλλὰ βληχροῖς περιπάτοις καὶ χορείαις ἐμμελέσιν, οὕτως ἡμεῖς οἰησόμεθα δεῖν τὰς ψυχὰς διαφέρειν μετὰ τὸ δεῖπνον μήτε πράγμασι μήτε φροντίσι μήτε σοφιστικοῖς ἀγῶσι πρὸς ἅμιλλαν ἐπιδεικτικὴν ἢ κινητικὴν περαινομένοις. ἀλλὰ πολλὰ μέν ἐστι τῶν φυσικῶν προβλημάτων ἐλαφρὰ καὶ πιθανά, πολλαὶ δὲ διηγήσεις ἠθικὰς σκέψεις ἔχουσαι καὶ τοῦτο δὴ τὸ “μενοεικές,” ὡς Ὅμηρος ἔφη, καὶ μὴ ἀντίτυπον. τὰς δ’ ἐν ἱστορικαῖς καὶ ποιητικαῖς ζητήσεσι διατριβὰς οὐκ ἀηδῶς ἔνιοι δευτέρας τραπέζας ἀνδράσι φιλολόγοις καὶ φιλομούσοις προσεῖπον. εἰσὶ δὲ καὶ διηγήσεις ἄλυποι καὶ [f] μυθολογίαι, καὶ τὸ περὶ αὐλοῦ τι καὶ λύρας ἀκοῦσαι καὶ εἰπεῖν ἐλαφρότερον ἢ λύρας αὐτῆς φθεγγομένης ἀκούειν καὶ αὐλοῦ. μέτρον δὲ τοῦ καιροῦ τὸ τῆς τροφῆς καθισταμένης ἀτρέμα καὶ συμπνεούσης τὴν πέψιν ἐγκρατῆ γενέσθαι καὶ ὑπερδέξιον.

Ἐπεὶ δ’ Ἀριστοτέλης οἴεται τῶν δεδειπνηκότων τὸν μὲν περίπατον ἀναρριπίζειν τὸ θερμόν, τὸν δ’ ὕπνον, ἂν εὐθὺς καθεύδωσι, κακαπνίγειν, ἕτεροι δὲ τὴν μὲν ἡσυχίαν οἴονται τὰς πέψεις βελτίονας ποιεῖν, τὴν δὲ κίνησιν ταράττειν τὰς [134] [a] ἀναδόσεις, καὶ τοῦτο τοὺς μὲν περιπατεῖν εὐθὺς ἀπὸ δείπνου τοὺς δ’ ἀτρεμεῖν πέπεικεν, ἀμφοτέρων ἂν οἰκείως ἐφάπτεσθαι δόξειεν ὁ τὸ μὲν σῶμα συνθάλπων καὶ συνέχων μετὰ τὸ δεῖπνον, τὴν δὲ διάνοιαν μὴ καταφερόμενος μηδ’ ἀργῶν εὐθὺς ἀλλ’ ὥσπερ εἴρηται διαφορῶν ἐλαφρῶς τὸ πνεῦμα καὶ λεπτύνων τῷ λαλεῖν τι καὶ ἀκούειν τῶν προσηνῶν καὶ μὴ δακνόντων μηδὲ βαρυνόντων.

Ἐμέτους δὲ καὶ κοιλίας καθάρσεις ὑπὸ φαρμάκων, μιαρὰ “παραμύθια πλησμονῆς,” ἄνευ [b] μεγάλης ἀνάγκης οὐ κινητέον, ὥσπερ οἱ πολλοὶ κενώσεως ἕνεκα πληροῦντες τὸ σῶμα καὶ πάλιν πληρώσεως κενοῦντες παρὰ φύσιν, ταῖς πλησμοναῖς οὐχ ἧττον ἢ ταῖς ἐνδείαις ἀνιώμενοι, μᾶλλον δ’ ὅλως τὴν μὲν πλήρωσιν ὡς κώλυσιν ἀπολαύσεως βαρυνόμενοι, τὴν δ’ ἔνδειαν ὡς χώραν ἀεὶ ταῖς ἡδοναῖς παρασκευάζοντες. τὸ γὰρ βλαβερὸν ἐν τούτοις προὖπτόν ἐστι· ταραχάς τε γὰρ ἀμφότερα τῷ σώματι παρέχεται καὶ σπαραγμούς. ἴδιον δὲ τῷ μὲν ἐμέτῳ κακὸν πρόσεστι τὸ τὴν ἀπληστίαν αὔξειν τε καὶ τρέφειν· γίγνονται γὰρ αἱ πεῖναι καθάπερ τὰ κοπτόμενα [c] ῥεῖθρα τραχεῖαι καὶ χαραδρώδεις, καὶ βίᾳ τὴν τροφὴν ἕλκουσιν ἀεὶ λυττῶσαι, οὐκ ὀρέξεσιν ἐοικυῖαι σιτίων δεομέναις ἀλλὰ φλεγμοναῖς φαρμάκων καὶ καταπλασμάτων. ὅθεν ἡδοναὶ μὲν ὀξεῖαι καὶ ἀτελεῖς καὶ πολὺν ἔχουσαι σφυγμὸν καὶ οἶστρον ἐν ταῖς ἀπολαύσεσι λαμβάνουσιν αὐτούς, διατάσεις δὲ καὶ πληγαὶ πόρων καὶ πνευμάτων ἐναπολήψεις διαδέχονται, μὴ περιμένουσαι

τὰς κατὰ φύσιν ἐξαγωγάς, ἀλλ' ἐπιπολάζουσαι τοῖς σώμασιν ὥσπερ ὑπεράντλοις σκάφεσι, φορτίων ἐκβολῆς οὐ περιττωμάτων δεομένοις. αἱ δὲ περὶ τὴν κάτω κοιλίαν ἐκταράξεις διὰ φαρμακείας φθείρουσαι καὶ τήκουσαι τὰ ὑποκείμενα πλείονα ποιοῦσι περίττωσιν ἢ ἐξάγουσιν.

[d] ὥσπερ οὖν, εἴ τις Ἑλλήνων ὄχλον ἐν πόλει βαρυνόμενος σύνοικον, Ἀράβων ἐμπλήσειε καὶ Σκυθῶν τὴν πόλιν ἐπηλύδων, οὕτως ἔνιοι τοῦ παντὸς διαμαρτάνουσιν ἐπ' ἐκβολῇ περιττωμάτων συνήθων καὶ συντρόφων ἐμβάλλοντες ἔξωθεν εἰς τὸ σῶμα κόκκους τινὰς Κνιδίους καὶ σκαμωνίαν καὶ δυνάμεις ἄλλας ἀσυγκράτους καὶ ἀγρίας καὶ καθαρμοῦ δεομένας μᾶλλον ἢ καθῆραι τὴν φύσιν δυναμένας. ἄριστον μὲν οὖν τὸ μετρίᾳ διαίτῃ καὶ σώφρονι τὸ σῶμα ποιεῖν περί τε πληρώσεις καὶ κενώσεις αὐτοτελὲς ἀεὶ καὶ σύμμετρον.

Εἰ δ' ἀνάγκη ποτὲ καταλάβοι, τοὺς μὲν ἐμέτους

ποιητέον ἄνευ φαρμακείας καὶ περιεργίας, μηδὲν [e] ἐκταράττοντας ἀλλ' ὅσον ἀπεψίαν διαφυγεῖν αὐτόθεν ἀφιέντας ἀπραγμόνως τῷ πλεονάζοντι τὴν ἀπέρασιν. ὡς γὰρ τὰ ὀθόνια ῥύμμασι καὶ χαλαστραίοις πλυνόμενα μᾶλλον ἐκτρίβεται τῶν ὑδατοκλύστων, οὕτως οἱ μετὰ φαρμάκων ἔμετοι λυμαίνονται τῷ σώματι καὶ διαφθείρουσιν. ὑφισταμένης δὲ κοιλίας οὐδὲν φάρμακον οἷα τῶν σιτίων ἔνια μαλακὰς ἐνδιδόντα προθυμίας καὶ διαλύοντα πράως, ὧν ἥ τε πεῖρα πᾶσι συνήθης καὶ ἡ χρῆσις [f] ἄλυπος. ἂν δὲ τούτοις ἀπειθῇ, πλείονας ἡμέρας ὑδροποσίαν ἢ ἀσιτίαν ἢ κλυστῆρα προσδεκτέον μᾶλλον ἢ ταρακτικὰς καὶ φθαρτικὰς φαρμακείας, ἐφ' ἃς οἱ πολλοὶ φέρονται προχείρως, καθάπερ ἀκόλαστοι γυναῖκες, ἐκβολίοις χρώμεναι καὶ φθορίοις ὑπὲρ τοῦ πάλιν πληροῦσθαι καὶ ἡδυπαθεῖν.

Ἀλλὰ τούτους μὲν ἐατέον· οἱ δ' ἄγαν αὖ πάλιν ἀκριβεῖς καὶ τεταγμένας τινὰς ἐκ περιόδου [135] [a] κριτικῆς ἐμβάλλοντες ἀσιτίας οὐκ ὀρθῶς τὴν φύσιν μὴ δεομένην διδάσκουσι δεῖσθαι συστολῆς καὶ ποιεῖν ἀναγκαίαν τὴν οὐκ ἀναγκαίαν ὑφαίρεσιν ἐν καιρῷ ζητούμενον ἔθος ἀπαιτοῦντι. βέλτιον γὰρ ἐλευθέροις τοῖς τοιούτοις χρῆσθαι κολασμοῖς εἰς τὸ σῶμα, μηδεμιᾶς δὲ προαισθήσεως οὔσης μηδ' ὑποψίας καὶ τὴν ἄλλην δίαιταν, ὥσπερ εἴρηται, πρὸς τὸ συντυγχάνον ἀεὶ ταῖς μεταβολαῖς ὑπήκοον ἔχειν, μὴ καταδεδουλωμένην μηδ' ἐνδεδεμένην ἑνὶ σχήματι βίου πρός τινας καιροὺς ἢ ἀριθμοὺς ἢ [b] περιόδους ἄγεσθαι μεμελετηκότος. οὐ γὰρ ἀσφαλὲς οὐδὲ ῥᾴδιον οὐδὲ πολιτικὸν οὐδ' ἀνθρωπικὸν ἀλλ' ὀστρέου τινὸς ζωῇ προσεοικὸς ἢ στελέχους τὸ ἀμετάστατον τοῦτο καὶ κατηναγκασμένον ἐν τροφαῖς καὶ ἀποχαῖς καὶ κινήσεσι καὶ ἡσυχίαις εἰς ἐπίσκιόν τινα βίον καὶ σχολαστὴν καὶ μονότροπόν τινα καὶ ἄφιλον καὶ ἄδοξον ἀπωτάτω πολιτείας καθίσασιν

ἑαυτοὺς καὶ συστείλασιν· οὐ “κατά γε τὴν ἐμήν,” ἔφη, “γνώμην.” οὐ γὰρ ἀργίας ὤνιον ἡ ὑγίεια καὶ ἀπραξίας, ἅ γε δὴ μέγιστα κακῶν ταῖς νόσοις πρόσεστι, καὶ οὐδὲν διαφέρει [c] τοῦ τὰ ὄμματα τῷ μὴ διαβλέπειν καὶ τὴν φωνὴν τῷ μὴ φθέγγεσθαι φυλάττοντος ὁ τὴν ὑγίειαν ἀχρηστίᾳ καὶ ἡσυχίᾳ σῴζειν οἰόμενος· πρὸς οὐδὲν γὰρ ἑαυτῷ χρήσαιτ’ ἄν τις ὑγιαίνοντι κρεῖττον ἢ πρὸς πολλὰς καὶ φιλανθρώπους πράξεις. ἥκιστα δὴ τὴν ἀργίαν ὑγιεινὸν ὑποληπτέον, εἰ τὸ τῆς ὑγιείας τέλος ἀπόλλυσι, καὶ οὐδ’ ἀληθές ἐστι τὸ μᾶλλον ὑγιαίνειν τοὺς ἡσυχίαν ἄγοντας· οὔτε γὰρ Ξενοκράτης μᾶλλον διυγίαινε Φωκίωνος οὔτε Δημητρίου Θεόφραστος, Ἐπίκουρόν τε καὶ τοὺς περὶ Ἐπίκουρον οὐδὲν ὤνησε πρὸς τὴν ὑμνουμένην σαρκὸς εὐστάθειαν ἡ πάσης φιλοτιμίαν ἐχούσης [d] πράξεως ἀπόδρασις. ἀλλὰ καὶ ἑτέραις ἐπιμελείαις διασωστέον ἐστὶ τῷ σώματι τὴν κατὰ φύσιν ἕξιν, ὡς παντὸς βίου καὶ νόσον δεχομένου καὶ ὑγίειαν.

Οὐ μὴν ἀλλὰ καὶ τοῖς πολιτικοῖς ἔφη παραινετέον εἶναι τοὐναντίον οὗ Πλάτων παρῄνει τοῖς νέοις. ἐκεῖνος μὲν γὰρ λέγειν ἐκ τῆς διατριβῆς ἀπαλλαττόμενος εἰώθει, “ἄγε, ὅπως εἰς καλόν τι καταθήσεσθε τὴν σχολήν, ὦ παῖδες”· ἡμεῖς δ’ ἂν τοῖς πολιτευομένοις παραινέσαιμεν εἰς τὰ καλὰ χρῆσθαι τοῖς πόνοις καὶ ἀναγκαῖα, μὴ μικρῶν ἕνεκα μηδὲ [e] φαύλων τὸ σῶμα παρατείνοντας, ὥσπερ οἱ πολλοὶ κακοπαθοῦσιν ἐπὶ τοῖς τυχοῦσιν, ἀποκναίοντες ἑαυτοὺς ἀγρυπνίαις καὶ πλάναις καὶ περιδρομαῖς εἰς οὐδὲν χρηστὸν οὐδ’ ἀστεῖον, ἀλλ’ ἐπηρεάζοντες ἑτέροις ἢ φθονοῦντες ἢ φιλονεικοῦντες ἢ δόξας ἀκάρπους καὶ κενὰς διώκοντες. πρὸς τούτους γὰρ οἶμαι μάλιστα τὸν Δημόκριτον εἰπεῖν ὡς εἰ τὸ σῶμα δικάσαιτο τῇ ψυχῇ κακώσεως, οὐκ ἂν αὐτὴν ἀποφυγεῖν. ἴσως μὲν γάρ τι καὶ Θεόφραστος ἀληθὲς εἶπεν, εἰπὼν ἐν μεταφορᾷ πολὺ τῷ σώματι τελεῖν ἐνοίκιον τὴν ψυχήν. πλείονα μέντοι τὸ σῶμα τῆς ψυχῆς ἀπολαύει κακὰ μὴ κατὰ λόγον αὐτῷ χρωμένης μηδ’ ὡς προσήκει θεραπευόμενον· ὅταν γὰρ ἐν πάθεσιν ἰδίοις γένηται καὶ ἀγῶσι καὶ [f] σπουδαῖς, ἀφειδεῖ τοῦ σώματος. ὁ μὲν οὖν Ἰάσων οὐκ οἶδ’ ὅ τι παθών, “τὰ μικρὰ δεῖν ἀδικεῖν,” ἔλεγεν, “ἕνεκεν τοῦ τὰ μεγάλα δικαιοπραγεῖν.” ἡμεῖς δ’ ἂν εὐλόγως τῷ πολιτικῷ παραινέσαιμεν τὰ μικρὰ ῥᾳθυμεῖν καὶ σχολάζειν καὶ ἀναπαύειν αὑτὸν ἐν ἐκείνοις, εἰ βούλεται πρὸς τὰς καλὰς πράξεις καὶ μεγάλας μὴ διάπονον ἔχειν τὸ σῶμα [136] [a] μηδ’ ἀμβλὺ μηδ’ ἀπαγορεῦον ἀλλ’ ὥσπερ ἐν νεωλκίᾳ τῇ σχολῇ τεθεραπευμένον, ὅπως αὖθις ἐπὶ τὰς χρείας τῆς ψυχῆς ἀγούσης

ἄθηλος ἵππῳ πῶλος ὣς ἅμα τρέχῃ.

Διὸ τῶν πραγμάτων διδόντων ἀναληπτέον ἑαυτοὺς μήθ’ ὕπνου φθονοῦντας τῷ σώματι μήτ’ ἀρίστου μήτε ῥᾳστώνης τοῦ μέσου ἡδυπαθείας

καὶ κακοπαθείας, μηδὲ φυλάττοντας ὅρον οἷον οἱ πολλοὶ φυλάττοντες ἐπιτρίβουσι τὸ σῶμα ταῖς μεταβολαῖς, ὥσπερ τὸν βαπτόμενον σίδηρον, ὅταν ἐνταθῇ καὶ πιεσθῇ σφόδρα τοῖς πόνοις, αὖθις ἐν [b] ἡδοναῖς τηκόμενον ἀμέτρως καὶ λειβόμενον, εἶτα πάλιν ἐξ ἀφροδισίων καὶ οἴνου διάλυτον καὶ μαλακὸν εἰς ἀγορὰν ἢ αὐλὴν ἤ τινα πραγματείαν διαπύρου καὶ συντόνου δεομένην σπουδῆς ἐλαυνόμενον. Ἡράκλειτος μὲν γὰρ ὑδρωπιάσας ἐκέλευσεν "αὐχμὸν ἐξ ἐπομβρίας" ποιῆσαι τὸν ἰατρόν· οἱ δὲ πολλοὶ τοῦ παντὸς ἁμαρτάνουσιν, ὅταν ἐν κόποις καὶ πόνοις καὶ ἐνδείαις γένωνται, μάλιστα ταῖς ἡδοναῖς ἐξυγραίνειν καὶ ἀνατήκειν τὰ σώματα παραδιδόντες, αὖθις δὲ μετὰ τὰς ἡδονὰς οἷον ἐπιστρέφοντες καὶ κατατείνοντες. ἡ γὰρ φύσις οὐ ζητεῖ τοιαύτην ἀνταπόδοσιν τοῦ σώματος.

[c] ἀλλὰ τῆς ψυχῆς τὸ ἀκόλαστον καὶ ἀνελεύθερον ἐκ τῶν ἐπιπόνων ὥσπερ οἱ ναῦται πρὸς ἡδονὰς καὶ ἀπολαύσεις ὕβρει φερόμενον καὶ μετὰ τὰς ἡδονὰς πάλιν ἐπ' ἐργασίας καὶ πορισμοὺς ὠθούμενον οὐκ ἐᾷ λαβεῖν τὴν φύσιν ἧς μάλιστα δεῖται καταστάσεως καὶ γαλήνης, ἀλλ' ἐξίστησι καὶ ταράττει διὰ τὴν ἀνωμαλίαν. οἱ δὲ νοῦν ἔχοντες ἥκιστα μὲν ἡδονὰς πονοῦντι τῷ σώματι προσφέρουσιν· οὐ γὰρ δέονται τὸ παράπαν οὐδὲ μέμνηνται τῶν τοιούτων πρὸς τῷ [d] καλῷ τῆς πράξεως τὴν διάνοιαν ἔχοντες, καὶ τῷ χαίροντι τῆς ψυχῆς ἢ σπουδάζοντι τὰς ἄλλας ἐξαμαυροῦντες ἐπιθυμίας. ὅπερ γάρ φασιν εἰπεῖν τὸν Ἐπαμεινώνδαν μετὰ παιδιᾶς, ἀνδρὸς ἀγαθοῦ περὶ τὰ Λευκτρικὰ νόσῳ τελευτήσαντος, "ὦ Ἡράκλεις, πῶς ἐσχόλασεν ἀνὴρ ἀποθανεῖν ἐν τοσούτοις πράγμασι," τοῦτ' ἀληθῶς ἔστιν εἰπεῖν ἐπ' ἀνδρὸς ἢ πολιτικὴν πρᾶξιν ἢ φιλόσοφον φροντίδα διὰ χειρὸς ἔχοντος, "τίς δὲ σχολὴ τῷ ἀνδρὶ τούτῳ νῦν ἀπεπτεῖν ἢ μεθύειν ἢ λαγνεύειν;" γενόμενοι δὲ πάλιν ἀπὸ τῶν πράξεων ἐν ἡσυχίᾳ κατατίθενται τὸ σῶμα καὶ διαναπαύουσι, τῶν τε [e] πόνων τοὺς ἀχρήστους καὶ μᾶλλον ἔτι τῶν ἡδονῶν τὰς οὐκ ἀναγκαίας ὡς τῇ φύσει πολεμίας φυλαττόμενοι καὶ φεύγοντες.

Ἤκουσα Τιβέριόν ποτε Καίσαρα εἰπεῖν ὡς ἀνὴρ ὑπὲρ ἑξήκοντα γεγονὼς ἔτη καὶ προτείνων ἰατρῷ χεῖρα καταγέλαστός ἐστιν. ἐμοὶ δὲ τοῦτο μὲν εἰρῆσθαι δοκεῖ σοβαρώτερον, ἐκεῖνο δ' ἀληθὲς εἶναι, τὸ δεῖν ἕκαστον αὑτοῦ μήτε σφυγμῶν ἰδιότητος εἶναι ἄπειρον (πολλαὶ γὰρ αἱ καθ' ἕκαστον διαφοραί) μήτε κρᾶσιν ἀγνοεῖν ἣν ἔχει τὸ σῶμα θερμότητος καὶ ξηρότητος, μήθ' οἷς ὠφελεῖσθαι χρώμενον ἢ βλάπτεσθαι πέφυκεν. αὑτοῦ γὰρ ἀναίσθητός ἐστιν καὶ τυφλὸς ἐνοικεῖ τῷ σώματι [f] καὶ κωφὸς ὁ ταῦτα μανθάνων παρ' ἑτέρου καὶ πυνθανόμενος τοῦ ἰατροῦ πότερον μᾶλλον θέρους ἢ χειμῶνος ὑγιαίνει, καὶ πότερον τὰ ὑγρὰ ῥᾷον ἢ τὰ ξηρὰ προσδέχεται, καὶ πότερον

φύσει πυκνὸν ἔχει τὸν σφυγμὸν ἢ μανόν· καὶ γὰρ ὠφέλιμον εἰδέναι τὰ τοιαῦτα καὶ ῥᾴδιον, ἀεί γε δὴ πειρωμένους καὶ συνόντας.

Βρωμάτων δὲ καὶ πωμάτων τὰ χρήσιμα μᾶλλον ἢ τὰ ἡδέα γιγνώσκειν προσήκει, καὶ μᾶλλον ἔμπειρον εἶναι τῶν εὐστομάχων ἢ τῶν εὐστόμων, καὶ [137] [a] τῶν τὴν πέψιν μὴ ταραττόντων ἢ τῶν τὴν γεῦσιν σφόδρα γαργαλιζόντων. τὸ γὰρ παρ' ἰατροῦ πυνθάνεσθαι τί δύσπεπτον ἢ εὔπεπτον αὐτῷ καὶ τί δυσκοίλιον ἢ εὐκοίλιον οὐχ ἧττον αἰσχρόν ἐστιν ἢ τὸ πυνθάνεσθαι τί γλυκὺ καὶ τί πικρὸν καὶ αὐστηρόν. νῦν δὲ τοὺς μὲν ὀψοποιοὺς ἐπανορθοῦσιν, ἐμπείρως διαισθανόμενοι ποῦ πλέον τὸ γλυκὺ τοῦ προσήκοντος ἢ τὸ ἁλμυρὸν ἢ τὸ αὐστηρὸν ἔνεστιν, αὐτοὶ δ' ἀγνοοῦσι τί τῷ σώματι μιχθὲν ἐλαφρὸν καὶ ἄλυπον ἔσται καὶ χρήσιμον. ὅθεν ζωμοῦ μὲν ἄρτυσις οὐ πολλάκις ἁμαρτάνεται παρ' αὐτοῖς, [b] αὑτοὺς δὲ φαύλως ὁμοῦ καὶ κακῶς ἀρτύοντες ὁσημέραι πολλὰ παρέχουσι πράγματα τοῖς ἰατροῖς. ζωμὸν μὲν γὰρ οὐκ ἄριστον ἡγοῦνται τὸν γλυκύτατον, ἀλλὰ καὶ πικρὰ καὶ δριμέα συμμιγνύουσιν· εἰς δὲ τὸ σῶμα πολλὰς καὶ κατακόρους ἐμβάλλουσιν ἡδονάς, τὰ μὲν ἀγνοοῦντες τὰ δ' οὐ μνημονεύοντες ὅτι τοῖς ὑγιεινοῖς καὶ ὠφελίμοις ἡ φύσις ἡδονὴν ἄλυπον καὶ ἀμεταμέλητον προστίθησιν. ἀλλὰ καὶ ταῦτα δεῖ μνημονεύειν, τὰ σύμφυλα καὶ πρόσφορα τῷ σώματι, καὶ τοὐναντίον ἐν ταῖς καθ' ὥραν μεταβολαῖς καὶ ταῖς ἄλλαις περιστάσεσιν εἰδότας οἰκείως προσαρμόττειν ἑκάστῃ τὴν δίαιταν.

[c] Ὅσα μὲν γὰρ μικρολογίας καὶ ἀνελευθερίας προσκρούματα λαμβάνουσιν οἱ πολλοὶ περί τε συγκομιδὰς καρπῶν καὶ τηρήσεις ἐπιπόνους, ἀγρυπνίαις καὶ περιδρομαῖς ἐξελέγχοντες τὰ σαθρὰ καὶ ὕπουλα τοῦ σώματος, οὐκ ἄξιόν ἐστι δεδιέναι μὴ πάθωσιν ἄνδρες φιλόλογοι καὶ πολιτικοί, πρὸς οὓς ἐνέστηκεν ἡμῖν ὁ λόγος· ἀλλ' ἑτέραν τινὰ φυλακτέον ἐστὶ τούτοις δριμυτέραν ἐν γράμμασι καὶ μαθήμασι μικρολογίαν, ὑφ' ἧς ἀφειδεῖν καὶ ἀμελεῖν τοῦ σώματος ἀναγκάζονται, πολλάκις ἀπαγορεύοντος οὐκ [d] ἐνδιδόντες ἀλλὰ προσβιαζόμενοι θνητὸν ἀθανάτῳ καὶ γηγενὲς Ὀλυμπίῳ συναμιλλᾶσθαι καὶ συνεξανύτειν. εἶθ' ὡς ὁ βοῦς πρὸς τὴν ὁμόδουλον ἔλεγε κάμηλον, ἐπικουφίσαι τοῦ φορτίου μὴ βουλομένην, "ἀλλὰ κἀμὲ καὶ ταῦτα πάντα μετὰ μικρὸν οἴσεις," ὃ καὶ συνέβη τελευτήσαντος αὐτοῦ, οὕτω συμβαίνει τῇ ψυχῇ· μικρὰ χαλάσαι καὶ παρεῖναι μὴ βουλομένη πονοῦντι καὶ δεομένῳ, μετ' ὀλίγον πυρετοῦ τινος ἢ σκοτώματος ἐμπεσόντος ἀφεῖσα τὰ βιβλία καὶ τοὺς λόγους καὶ τὰς διατριβὰς ἀναγκάζεται [e] συννοσεῖν ἐκείνῳ καὶ συγκάμνειν. ὀρθῶς οὖν ὁ Πλάτων παρῄνεσε μήτε σῶμα κινεῖν ἄνευ ψυχῆς μήτε ψυχὴν ἄνευ σώματος, ἀλλ' οἷόν τινα ξυνωρίδος ἰσορροπίαν διαφυλάττειν, ὅτε μάλιστα τῇ ψυχῇ συνεργεῖ τὸ σῶμα καὶ συγκάμνει,

πλείστην ἐπιμέλειαν αὐτῷ καὶ θεραπείαν ἀποδιδόντας καὶ τὴν καλὴν καὶ ἐράσμιον ὑγίειαν ὧν δίδωσιν ἀγαθῶν κάλλιστον ἡγουμένους διδόναι τὸ πρὸς κτῆσιν ἀρετῆς καὶ χρῆσιν ἔν τε λόγοις καὶ πράξεσιν ἀκώλυτον αὐτῶν.

[138] ΠΛΟΥΤΑΡΧΟΣ ΠΟΛΛΙΑΝΩΙ ΚΑΙ ΕΥΡΥΔΙΚΗΙ ΕΥ ΠΡΑΤΤΕΙΝ

[b] Μετὰ τὸν πάτριον θεσμόν, ὃν ὑμῖν ἡ τῆς Δήμητρος ἱέρεια συνειργνυμένοις ἐφήρμοσεν, οἶμαι καὶ τὸν λόγον ὁμοῦ συνεφαπτόμενον ὑμῶν καὶ συνυμεναιοῦντα χρήσιμον ἄν τι ποιῆσαι καὶ τῷ νόμῳ προσῳδόν.

Ἐν μὲν γὰρ τοῖς μουσικοῖς ἕνα τῶν αὐλητικῶν νόμων ἱππόθορον ἐκάλουν, μέλος τι τοῖς ἵπποις ὁρμῆς ἐπεγερτικὸν ὡς ἔοικεν ἐνδιδόν τε περὶ τὰς ὀχείας· φιλοσοφίᾳ δὲ πολλῶν λόγων καὶ καλῶν [c] ἐνόντων, οὐδενὸς ἧττον ἄξιος σπουδῆς ὁ γαμήλιός ἐστιν οὗτος, ᾧ κατᾴδουσα τοὺς ἐπὶ βίου κοινωνίᾳ συνιόντας εἰς ταὐτὸ πράους τε παρέχει καὶ χειροήθεις ἀλλήλοις. ὧν οὖν ἀκηκόατε πολλάκις ἐν φιλοσοφίᾳ παρατρεφόμενοι κεφάλαια συντάξας ἔν τισιν ὁμοιότησι βραχείαις, ὡς εὐμνημόνευτα μᾶλλον εἴη, κοινὸν ἀμφοτέροις πέμπω δῶρον, εὐχόμενος τῇ Ἀφροδίτῃ τὰς Μούσας παρεῖναι καὶ συνεργεῖν, ὡς μήτε λύραν τινὰ μήτε κιθάραν μᾶλλον αὐταῖς ἢ τὴν περὶ γάμον καὶ οἶκον ἐμμέλειαν ἡρμοσμένην παρέχειν διὰ λόγου καὶ ἁρμονίας καὶ φιλοσοφίας προσῆκον. καὶ γὰρ οἱ παλαιοὶ τῇ Ἀφροδίτῃ τὸν Ἑρμῆν συγκαθίδρυσαν, ὡς τῆς περὶ τὸν γάμον [d] ἡδονῆς μάλιστα λόγου δεομένης, τήν τε Πειθὼ καὶ τὰς Χάριτας, ἵνα πείθοντες διαπράττωνται παρ’ ἀλλήλων ἃ βούλονται, μὴ μαχόμενοι μηδὲ φιλονεικοῦντες.

Ὁ Σόλων ἐκέλευε τὴν νύμφην τῷ νυμφίῳ συγκατακλίνεσθαι μήλου κυδωνίου κατατραγοῦσαν, αἰνιττόμενος ὡς ἔοικεν ὅτι δεῖ τὴν ἀπὸ στόματος καὶ φωνῆς χάριν εὐάρμοστον εἶναι πρῶτον καὶ ἡδεῖαν.

Ἐν Βοιωτίᾳ τὴν νύμφην κατακαλύψαντες ἀσφαραγωνιᾷ στεφανοῦσιν· ἐκείνη τε γὰρ ἥδιστον ἐκ τραχυτάτης ἀκάνθης καρπὸν ἀναδίδωσιν, ἥ τε νύμφη τῷ μὴ φυγόντι μηδὲ δυσχεράναντι τὴν πρώτην χαλεπότητα καὶ ἀηδίαν αὐτῆς ἥμερον καὶ [e] γλυκεῖαν παρέξει συμβίωσιν. οἱ δὲ τὰς πρώτας τῶν παρθένων διαφορὰς μὴ ὑπομείναντες οὐδὲν ἀπολείπουσι τῶν διὰ τὸν ὄμφακα τὴν σταφυλὴν ἑτέροις προϊεμένων. πολλαὶ δὲ καὶ τῶν νεογάμων δυσχεράνασαι διὰ τὰ πρῶτα τοὺς νυμφίους ὅμοιον ἔπαθον πάθος τοῖς τὴν μὲν πληγὴν τῆς μελίττης ὑπομείνασι, τὸ δὲ κηρίον προεμένοις.

Ἐν ἀρχῇ μάλιστα δεῖ τὰς διαφορὰς καὶ τὰς προσκρούσεις φυλάττεσθαι τοὺς γεγαμηκότας, ὁρῶντας ὅτι καὶ τὰ συναρμοσθέντα τῶν σκευῶν κατ’ ἀρχὰς μὲν ὑπὸ τῆς τυχούσης ῥᾳδίως διασπᾶται προφάσεως, [f] χρόνῳ δὲ τῶν ἁρμῶν σύμπηξιν λαβόντων μόλις ὑπὸ πυρὸς καὶ σιδήρου διαλύεται.

Ὥσπερ τὸ πῦρ ἐξάπτεται μὲν εὐχερῶς ἐν ἀχύροις καὶ θρυαλλίδι καὶ θριξὶ λαγῴαις, σβέννυται δὲ τάχιον ἂν μή τινος ἑτέρου δυναμένου στέγειν ἅμα καὶ τρέφειν ἐπιλάβηται, οὕτω τὸν ἀπὸ σώματος καὶ ὥρας ὀξὺν ἔρωτα τῶν νεογάμων ἀναφλεγόμενον δεῖ μὴ διαρκῆ μηδὲ βέβαιον νομίζειν, ἂν μὴ περὶ τὸ ἦθος ἱδρυθεὶς καὶ τοῦ φρονοῦντος ἁψάμενος ἔμψυχον λάβῃ διάθεσιν.

[139] [a] Ἡ διὰ τῶν φαρμάκων θήρα ταχὺ μὲν αἱρεῖ καὶ λαμβάνει ῥᾳδίως τὸν ἰχθύν, ἄβρωτον δὲ ποιεῖ καὶ φαῦλον· οὕτως αἱ φίλτρα τινὰ καὶ γοητείας ἐπιτεχνώμεναι τοῖς ἀνδράσι καὶ χειρούμεναι δι᾽ ἡδονῆς αὐτοὺς ἐμπλήκτοις καὶ ἀνοήτοις καὶ διεφθαρμένοις συμβιοῦσιν. οὐδὲ γὰρ τὴν Κίρκην ὤνησαν οἱ καταφαρμακευθέντες, οὐδ᾽ ἐχρήσατο πρὸς οὐδὲν αὐτοῖς ὑσὶ καὶ ὄνοις γενομένοις, τὸν δ᾽ Ὀδυσσέα νοῦν ἔχοντα καὶ συνόντα φρονίμως ὑπερηγάπησεν.

Αἱ βουλόμεναι μᾶλλον ἀνοήτων κρατεῖν ἀνδρῶν ἢ φρονίμων ἀκούειν ἐοίκασι τοῖς ἐν ὁδῷ βουλομένοις μᾶλλον ὁδηγεῖν τυφλοὺς ἢ τοῖς γιγνώσκουσιν ἀκολουθεῖν καὶ βλέπουσι.

[b] Τὴν Πασιφάην ἀπιστοῦσι βοὸς ἐρασθῆναι βασιλεῖ συνοῦσαν, ἐνίας ὁρῶσαι τοὺς μὲν αὐστηροὺς καὶ σώφρονας βαρυνομένας, τοῖς δ᾽ ἐξ ἀκρασίας καὶ φιληδονίας κεκραμένοις ὥσπερ κυσὶν ἢ τράγοις ἥδιον συνούσας.

Οἱ τοῖς ἵπποις ἐφάλλεσθαι μὴ δυνάμενοι δι᾽ ἀσθένειαν ἢ μαλακίαν αὐτοὺς ἐκείνους ὀκλάζειν καὶ ὑποπίπτειν διδάσκουσιν· οὕτως ἔνιοι τῶν λαβόντων εὐγενεῖς ἢ πλουσίας γυναῖκας οὐχ ἑαυτοὺς ποιοῦσι βελτίους ἀλλ᾽ ἐκείνας περικολούουσιν, ὡς μᾶλλον ἄρξοντες ταπεινῶν γενομένων. δεῖ δ᾽ ὥσπερ ἵππου τὸ μέγεθος φυλάττοντα καὶ τὸ ἀξίωμα τῆς γυναικὸς χρῆσθαι τῷ χαλινῷ.

[c] Τὴν σελήνην, ὅταν ἀποστῇ τοῦ ἡλίου, περιφανῆ καὶ λαμπρὰν ὁρῶμεν, ἀφανίζεται δὲ καὶ κρύπτεται πλησίον γενομένη· τὴν δὲ σώφρονα γυναῖκα δεῖ τοὐναντίον ὁρᾶσθαι μάλιστα μετὰ τοῦ ἀνδρὸς οὖσαν, οἰκουρεῖν δὲ καὶ κρύπτεσθαι μὴ παρόντος.

Οὐκ ὀρθῶς Ἡρόδοτος εἶπεν ὅτι ἡ γυνὴ ἅμα τῷ χιτῶνι ἐκδύεται καὶ τὴν αἰδῶ· τοὐναντίον γὰρ ἡ σώφρων ἀντενδύεται τὴν αἰδῶ, καὶ τοῦ μάλιστα φιλεῖν τῷ μάλιστα αἰδεῖσθαι συμβόλῳ χρῶνται πρὸς ἀλλήλους.

Ὥσπερ ἂν φθόγγοι δύο σύμφωνοι ληφθῶσι, [d] τοῦ βαρυτέρου γίγνεται τὸ μέλος, οὕτω πᾶσα πρᾶξις ἐν οἰκίᾳ σωφρονούσῃ πράττεται μὲν ὑπ᾽ ἀμφοτέρων ὁμονοούντων, ἐπιφαίνει δὲ τὴν τοῦ ἀνδρὸς ἡγεμονίαν καὶ προαίρεσιν.

Ὁ ἥλιος τὸν βορέαν ἐνίκησεν. ὁ γὰρ ἄνθρωπος τοῦ μὲν ἀνέμου βιαζομένου τὸ ἱμάτιον ἀφελέσθαι καὶ λαμπρὸν καταπνέοντος μᾶλλον ἔσφιγγε

καὶ συνεῖχε τὴν περιβολήν· τοῦ δ’ ἡλίου μετὰ τὸ πνεῦμα θερμοῦ γενομένου θαλπόμενος εἶτα καυματιζόμενος καὶ τὸν χιτῶνα τῷ ἱματίῳ προσαπεδύσατο. τοῦτο ποιοῦσιν αἱ πλεῖσται γυναῖκες· ἀφαιρουμένοις [e] τοῖς ἀνδράσι βίᾳ τὴν τρυφὴν καὶ τὴν πολυτέλειαν διαμάχονται καὶ χαλεπαίνουσιν· ἂν δὲ πείθωνται μετὰ λόγου, πράως ἀποτίθενται καὶ μετριάζουσιν.

Ὁ Κάτων ἐξέβαλε τῆς βουλῆς τὸν φιλήσαντα τὴν ἑαυτοῦ γυναῖκα τῆς θυγατρὸς παρούσης. τοῦτο μὲν οὖν ἴσως σφοδρότερον· εἰ δ’ αἰσχρόν ἐστιν, ὥσπερ ἐστίν, ἑτέρων παρόντων ἀσπάζεσθαι καὶ φιλεῖν καὶ περιβάλλειν ἀλλήλους, πῶς οὐκ αἴσχιον ἑτέρων παρόντων λοιδορεῖσθαι καὶ διαφέρεσθαι πρὸς ἀλλήλους, καὶ τὰς μὲν ἐντεύξεις καὶ φιλοφροσύνας ἀπορρήτους πρὸς τὴν γυναῖκα [f] ποιεῖσθαι, νουθεσίᾳ δὲ καὶ μέμψει καὶ παρρησίᾳ χρῆσθαι φανερᾷ καὶ ἀναπεπταμένῃ;

Ὥσπερ ἐσόπτρου κατεσκευασμένου χρυσῷ καὶ λίθοις ὄφελος οὐδέν ἐστιν, εἰ μὴ δείκνυσι τὴν μορφὴν ὁμοίαν, οὕτως οὐδὲ πλουσίας γαμετῆς ὄνησις, εἰ μὴ παρέχει τὸν βίον ὅμοιον τῷ ἀνδρὶ καὶ σύμφωνον τὸ ἦθος. εἰ χαίροντος μὲν εἰκόνα σκυθρωπὴν ἀποδίδωσι τὸ ἔσοπτρον, ἀχθομένου δὲ καὶ σκυθρωπάζοντας ἱλαρὰν καὶ σεσηρυῖαν, ἡμαρτημένον ἐστὶ καὶ φαῦλον. οὐκοῦν καὶ γυνὴ φαῦλος καὶ ἄκαιρος ἡ παίζειν μὲν ὡρμημένου καὶ φιλοφρονεῖσθαι τοῦ ἀνδρὸς ἐσκυθρωπακυῖα, σπουδάζοντος δὲ παίζουσα καὶ γελῶσα· τὸ μὲν γὰρ ἀηδίας, [140] [a] τὸ δ’ ὀλιγωρίας. δεῖ δέ, ὥσπερ οἱ γεωμέτραι λέγουσι τὰς γραμμὰς καὶ τὰς ἐπιφανείας οὐ κινεῖσθαι καθ’ ἑαυτὰς ἀλλὰ συγκινεῖσθαι τοῖς σώμασιν, οὕτω τὴν γυναῖκα μηδὲν ἴδιον πάθος ἔχειν, ἀλλὰ κοινωνεῖν τῷ ἀνδρὶ καὶ σπουδῆς καὶ παιδιᾶς καὶ συννοίας καὶ γέλωτος.

Οἱ τὰς γυναῖκας μὴ ἡδέως βλέποντες ἐσθιούσας μετ’ αὐτῶν διδάσκουσιν ἐμπίπλασθαι μόνας γενομένας. οὕτως οἱ μὴ συνόντες ἱλαρῶς ταῖς γυναιξὶ μηδὲ παιδιᾶς κοινωνοῦντες αὐταῖς καὶ γέλωτος ἰδίας ἡδονὰς χωρὶς αὐτῶν ζητεῖν διδάσκουσιν.

[b] Τοῖς τῶν Περσῶν βασιλεῦσιν αἱ γνήσιαι γυναῖκες παρακάθηνται δειπνοῦσι καὶ συνεστιῶνται· βουλόμενοι δὲ παίζειν καὶ μεθύσκεσθαι ταύτας μὲν ἀποπέμπουσι, τὰς δὲ μουσουργοὺς καὶ παλλακίδας καλοῦσιν, ὀρθῶς τοῦτό γ’ αὐτὸ ποιοῦντες, ὅτι τοῦ συνακολασταίνειν καὶ παροινεῖν οὐ μεταδιδόασι ταῖς γαμεταῖς. ἂν οὖν ἰδιώτης ἀνήρ, ἀκρατὴς δὲ περὶ τὰς ἡδονὰς καὶ ἀνάγωγος, ἐξαμάρτῃ τι πρὸς ἑταίραν ἢ θεραπαινίδα, δεῖ τὴν γαμετὴν μὴ ἀγανακτεῖν μηδὲ χαλεπαίνειν, λογιζομένην ὅτι παροινίας καὶ ἀκολασίας καὶ ὕβρεως αἰδούμενος αὐτὴν ἑτέρᾳ μεταδίδωσιν.

[c] Οἱ φιλόμουσοι τῶν βασιλέων πολλοὺς μουσικοὺς ποιοῦσιν, οἱ φιλόλογοι λογίους, οἱ φιλαθληταὶ γυμναστικούς. οὕτως ἀνὴρ φιλοσώματος

καλλωπίστριαν γυναῖκα ποιεῖ, φιλήδονος ἑταιρικὴν καὶ ἀκόλαστον, φιλάγαθος καὶ φιλόκαλος σώφρονα καὶ κοσμίαν.

Λάκαινα παιδίσκη, πυνθανομένου τινὸς εἰ ἤδη τἀνδρὶ προσελήλυθεν, "οὐκ ἔγωγ'," εἶπεν, "ἀλλ' ἐμοὶ ἐκεῖνος." οὗτος ὁ τρόπος, οἶμαι, τῆς οἰκοδεσποίνης, μήτε φεύγειν μήτε δυσχεραίνειν τὰ τοιαῦτα τοῦ ἀνδρὸς ἀρχομένου μήτ' αὐτὴν κατάρχεσθαι· [d] τὸ μὲν γὰρ ἑταιρικὸν καὶ ἰταμόν, τὸ δ' ὑπερήφανον καὶ ἀφιλόστοργον.

Ἰδίους οὐ δεῖ φίλους κτᾶσθαι τὴν γυναῖκα, κοινοῖς δὲ χρῆσθαι τοῖς τοῦ ἀνδρός· οἱ δὲ θεοὶ φίλοι πρῶτοι καὶ μέγιστοι. διὸ καὶ θεοὺς οὓς ὁ ἀνὴρ νομίζει σέβεσθαι τῇ γαμετῇ καὶ γιγνώσκειν μόνους προσήκει, περιέργοις δὲ θρησκείαις καὶ ξέναις δεισιδαιμονίαις ἀποκεκλεῖσθαι τὴν αὔλειον. οὐδενὶ γὰρ θεῶν ἱερὰ κλεπτόμενα καὶ λανθάνοντα δρᾶται κεχαρισμένως ὑπὸ γυναικός.

Ὁ Πλάτων φησὶν εὐδαίμονα καὶ μακαρίαν εἶναι πόλιν, ἐν ᾗ "τὸ ἐμὸν καὶ τὸ οὐκ ἐμὸν"

[e] ἥκιστα φθεγγομένων ἀκούουσι διὰ τὸ κοινοῖς ὡς ἔνι μάλιστα χρῆσθαι τοῖς ἀξίοις σπουδῆς τοὺς πολίτας. πολὺ δὲ μᾶλλον ἐκ γάμου δεῖ τὴν τοιαύτην φωνὴν ἀνῃρῆσθαι. πλὴν ὥσπερ οἱ ἰατροὶ λέγουσι τὰς τῶν εὐωνύμων πληγὰς τὴν αἴσθησιν ἐν τοῖς δεξιοῖς ἀναφέρειν, οὕτω τὴν γυναῖκα τοῖς τοῦ ἀνδρὸς συμπαθεῖν καλὸν καὶ τὸν ἄνδρα τοῖς τῆς γυναικός, ἵν' ὥσπερ οἱ δεσμοὶ κατὰ τὴν ἐπάλλαξιν ἰσχὺν δι' ἀλλήλων λαμβάνουσιν, οὕτως ἑκατέρου τὴν εὔνοιαν ἀντίστροφον ἀποδιδόντος ἡ κοινωνία σῴζηται δι' ἀμφοῖν. καὶ γὰρ ἡ φύσις [f] μίγνυσι διὰ τῶν σωμάτων ἡμᾶς, ἵν' ἐξ ἑκατέρων μέρος λαβοῦσα καὶ συγχέασα κοινὸν ἀμφοτέροις ἀποδῷ τὸ γεννώμενον, ὥστε μηδέτερον διορίσαι μηδὲ διακρῖναι τὸ ἴδιον ἢ τὸ ἀλλότριον. αὕτη τοίνυν καὶ χρημάτων κοινωνία προσήκει μάλιστα τοῖς γαμοῦσιν, εἰς μίαν οὐσίαν πάντα καταχεαμένοις καὶ ἀναμείξασι μὴ τὸ μέρος ἴδιον καὶ τὸ μέρος ἀλλότριον ἀλλὰ πᾶν ἴδιον ἡγεῖσθαι καὶ μηδὲν ἀλλότριον. ὥσπερ τὸ κρᾶμα καίτοι ὕδατος μετέχον πλείονος οἶνον καλοῦμεν, οὕτω τὴν οὐσίαν δεῖ καὶ τὸν οἶκον τοῦ ἀνδρὸς λέγεσθαι, κἂν ἡ γυνὴ πλείονα συμβάλληται.

Φιλόπλουτος ἡ Ἑλένη, φιλήδονος ὁ Πάρις· φρόνιμος ὁ Ὀδυσσεύς, σώφρων ἡ Πηνελόπη. διὰ τοῦτο μακάριος γάμος ὁ τούτων καὶ ζηλωτός, ὁ [141] [a] δ' ἐκείνων Ἰλιάδα κακῶν Ἕλλησι καὶ βαρβάροις ἐποίησεν.

Ὁ Ῥωμαῖος ὑπὸ τῶν φίλων νουθετούμενος ὅτι σώφρονα γυναῖκα καὶ πλουσίαν καὶ ὡραίαν ἀπεπέμψατο, τὸν κάλτιον αὐτοῖς προτείνας "καὶ γὰρ οὗτος," ἔφη, "καλὸς ἰδεῖν καὶ καινός, ἀλλ' οὐδεὶς οἶδεν ὅπου με θλίβει." δεῖ τοίνυν μὴ προικὶ μηδὲ γένει μηδὲ κάλλει τὴν γυναῖκα πιστεύειν, ἀλλ' ἐν οἷς ἅπτεται μάλιστα τοῦ ἀνδρός, ὁμιλίᾳ τε καὶ ἤθει καὶ συμπεριφορᾷ, ταῦτα μὴ

σκληρὰ μηδ’ ἀνιῶντα [b] καθ’ ἡμέραν ἀλλ’ εὐάρμοστα καὶ ἄλυπα καὶ προσφιλῆ παρέχειν. ὥσπερ γὰρ οἱ ἰατροὶ τοὺς ἐξ αἰτιῶν ἀδήλων καὶ κατὰ μικρὸν συλλεγομένων γεννωμένους πυρετοὺς μᾶλλον δεδοίκασιν ἢ τοὺς ἐμφανεῖς καὶ μεγάλας προφάσεις ἔχοντας, οὕτω τὰ λανθάνοντα τοὺς πολλοὺς μικρὰ καὶ συνεχῆ καὶ καθημερινὰ προσκρούματα γυναικὸς καὶ ἀνδρὸς μᾶλλον διίστησι καὶ λυμαίνεται τὴν συμβίωσιν.

Ὁ βασιλεὺς Φίλιππος ἤρα Θεσσαλῆς γυναικὸς αἰτίαν ἐχούσης καταφαρμακεύειν αὐτόν. ἐσπούδασεν οὖν ἡ Ὀλυμπιὰς λαβεῖν τὴν ἄνθρωπον ὑποχείριον. ὡς δ’ εἰς ὄψιν ἐλθοῦσα τό τ’ εἶδος εὐπρεπὴς ἐφάνη καὶ διελέχθη πρὸς αὐτὴν οὐκ [c] ἀγεννῶς οὐδ’ ἀσυνέτως, “χαιρέτωσαν,” εἶπεν ἡ Ὀλυμπιάς, “αἱ διαβολαί. σὺ γὰρ ἐν σεαυτῇ τὰ φάρμακα ἔχεις.” ἄμαχον οὖν τι γίγνεται πρᾶγμα γαμετὴ γυνὴ καὶ νόμιμος, ἂν ἐν αὑτῇ πάντα θεμένη, καὶ προῖκα καὶ γένος καὶ φάρμακα καὶ τὸν κεστὸν αὐτόν, ἤθει καὶ ἀρετῇ κατεργάσηται τὴν εὔνοιαν.

Πάλιν ἡ Ὀλυμπιάς, αὐλικοῦ τινος νεανίσκου γήμαντος εὐπρεπῆ γυναῖκα κακῶς ἀκούουσαν, “οὗτος,” εἶπεν, “οὐκ ἔχει λογισμόν· οὐ γὰρ ἂν τοῖς ὀφθαλμοῖς ἔγημε.” δεῖ δὲ μὴ τοῖς ὄμμασι γαμεῖν μηδὲ τοῖς δακτύλοις, ὥσπερ ἔνιοι ψηφίσαντες [d] πόσα φέρουσαν λαμβάνουσιν, οὐ κρίναντες πῶς συμβιωσομένην.

Ὁ Σωκράτης ἐκέλευε τῶν ἐσοπτριζομένων νεανίσκων τοὺς μὲν αἰσχροὺς ἐπανορθοῦσθαι τῇ ἀρετῇ, τοὺς δὲ καλοὺς μὴ καταισχύνειν τῇ κακίᾳ τὸ εἶδος. καλὸν οὖν καὶ τὴν οἰκοδέσποιναν, ὅταν ἐν ταῖς χερσὶν ἔχῃ τὸ ἔσοπτρον, αὐτὴν ἐν ἑαυτῇ διαλαλεῖν, τὴν μὲν αἰσχράν “τί οὖν, ἂν μὴ σώφρων γένωμαι;” τὴν δὲ καλήν “τί οὖν, ἂν καὶ σώφρων γένωμαι;” τῇ γὰρ αἰσχρᾷ σεμνὸν εἰ φιλεῖται διὰ τὸ ἦθος μᾶλλον ἢ τὸ κάλλος.

Ταῖς Λυσάνδρου θυγατράσιν ὁ τύραννος ὁ Σικελικὸς ἱμάτια καὶ πλόκια τῶν πολυτελῶν ἔπεμψεν· [e] ὁ δὲ Λύσανδρος οὐκ ἔλαβεν εἰπών, “ταῦτα τὰ κόσμια καταισχυνεῖ μου μᾶλλον ἢ κοσμήσει τὰς θυγατέρας.” πρότερος δὲ Λυσάνδρου Σοφοκλῆς τοῦτ’ εἶπεν,

οὐ κόσμος, οὔκ, ὦ τλῆμον, ἀλλ’ ἀκοσμία
φαίνοιτ’ ἂν εἶναι σῶν τε μαργότης φρενῶν.

“κόσμος γάρ ἐστιν,” ὡς ἔλεγε Κράτης, “τὸ κοσμοῦν.” κοσμεῖ δὲ τὸ κοσμιωτέραν τὴν γυναῖκα ποιοῦν. ποιεῖ δὲ τοιαύτην οὔτε χρυσὸς οὔτε σμάραγδος οὔτε κόκκος, ἀλλ’ ὅσα σεμνότητος εὐταξίας αἰδοῦς ἔμφασιν περιτίθησιν.

Οἱ τῇ γαμηλίᾳ θύοντες Ἥρᾳ τὴν χολὴν οὐ [f] συγκαθαγίζουσι τοῖς ἄλλοις ἱεροῖς, ἀλλ’ ἐξελόντες ἔρριψαν παρὰ τὸν βωμόν, αἰνιττομένου τοῦ νομοθέτου

τὸ μηδέποτε δεῖν χολὴν μηδ’ ὀργὴν γάμῳ παρεῖναι. δεῖ γὰρ εἶναι τῆς οἰκοδεσποίνης ὥσπερ οἴνου τὸ αὐστηρὸν ὠφέλιμον καὶ ἡδύ, μὴ πικρὸν ὥσπερ ἀλόης μηδὲ φαρμακῶδες.

Ὁ Πλάτων τῷ Ξενοκράτει βαρυτέρῳ τὸ ἦθος ὄντι τἄλλα δὲ καλῷ κἀγαθῷ παρεκελεύετο θύειν ταῖς Χάρισιν. οἶμαι δὴ καὶ τῇ σώφρονι μάλιστα δεῖν πρὸς τὸν ἄνδρα χαρίτων, ἵν’, ὡς ἔλεγε [142] [a] Μητρόδωρος, “ἡδέως συνοικῇ καὶ μὴ ὀργιζομένη ὅτι σωφρονεῖ.” δεῖ γὰρ μήτε τὴν εὐτελῆ καθαριότητος ἀμελεῖν μήτε τὴν φίλανδρον φιλοφροσύνης· ποιεῖ γὰρ ἡ χαλεπότης ἀηδῆ τὴν εὐταξίαν τῆς γυναικός, ὥσπερ ἡ ῥυπαρία τὴν ἀφέλειαν.

Ἡ φοβουμένη γελάσαι πρὸς τὸν ἄνδρα καὶ παῖξαί τι, μὴ φανῇ θρασεῖα καὶ ἀκόλαστος, οὐδὲν διαφέρει τῆς ἵνα μὴ δοκῇ μυρίζεσθαι τὴν κεφαλὴν μηδ’ ἀλειφομένης, καὶ ἵνα μὴ φυκοῦσθαι τὸ πρόσωπον μηδὲ νιπτομένης. ὁρῶμεν δὲ καὶ ποιητὰς καὶ ῥήτορας, ὅσοι φεύγουσι τὸ περὶ τὴν λέξιν ὀχλικὸν [b] καὶ ἀνελεύθερον καὶ κακόζηλον, τοῖς πράγμασι καὶ ταῖς οἰκονομίαις καὶ τοῖς ἤθεσιν ἄγειν καὶ κινεῖν τὸν ἀκροατὴν φιλοτεχνοῦντας. διὸ δεῖ καὶ τὴν οἰκοδέσποιναν ὅτι πᾶν τὸ περιττὸν καὶ ἑταιρικὸν καὶ πανηγυρικόν, εὖ ποιοῦσα, φεύγει καὶ παραιτεῖται, μᾶλλον φιλοτεχνεῖν ἐν ταῖς ἠθικαῖς καὶ βιωτικαῖς χάρισι πρὸς τὸν ἄνδρα, τῷ καλῷ μεθ’ ἡδονῆς συνεθίζουσαν αὐτόν. ἂν δ’ ἄρα φύσει τις αὐστηρὰ καὶ ἄκρατος γένηται καὶ ἀνήδυντος, εὐγνωμονεῖν δεῖ τὸν ἄνδρα, καὶ καθάπερ ὁ Φωκίων, τοῦ Ἀντιπάτρου πρᾶξιν αὐτῷ προστάττοντος οὐ [c] καλὴν οὐδὲ πρέπουσαν, εἶπεν “οὐ δύνασαί μοι καὶ φίλῳ χρῆσθαι καὶ κόλακι,” οὕτω λογίζεσθαι περὶ τῆς σώφρονος καὶ αὐστηρᾶς γυναικός “οὐ δύναμαι τῇ αὐτῇ καὶ ὡς γαμετῇ καὶ ὡς ἑταίρᾳ συνεῖναι.”

Ταῖς Αἰγυπτίαις ὑποδήμασι χρῆσθαι πάτριον οὐκ ἦν, ὅπως ἐν οἴκῳ διημερεύωσι. τῶν δὲ πλείστων γυναικῶν ἂν ὑποδήματα διάχρυσα περιέλῃς καὶ ψέλλια καὶ περισκελίδας καὶ πορφύραν καὶ μαργαρίτας, ἔνδον μένουσιν.

Ἡ Θεανὼ παρέφηνε τὴν χεῖρα περιβαλλομένη τὸ ἱμάτιον. εἰπόντος δέ τινος “καλὸς ὁ πῆχυς,” “ἀλλ’ οὐ δημόσιος,” ἔφη. δεῖ δὲ μὴ μόνον [d] τὸν πῆχυν ἀλλὰ μηδὲ τὸν λόγον δημόσιον εἶναι τῆς σώφρονος, καὶ τὴν φωνὴν ὡς ἀπογύμνωσιν αἰδεῖσθαι καὶ φυλάττεσθαι πρὸς τοὺς ἐκτός· ἐνορᾶται γὰρ αὐτῇ καὶ πάθος καὶ ἦθος καὶ διάθεσις λαλούσης.

Τὴν Ἠλείων ὁ Φειδίας Ἀφροδίτην ἐποίησε χελώνην πατοῦσαν, οἰκουρίας σύμβολον ταῖς γυναιξὶ καὶ σιωπῆς. δεῖ γὰρ ἢ πρὸς τὸν ἄνδρα λαλεῖν ἢ διὰ τοῦ ἀνδρός, μὴ δυσχεραίνουσαν εἰ δι’ ἀλλοτρίας γλώττης ὥσπερ αὐλητὴς φθέγγεται σεμνότερον.

Οἱ πλούσιοι καὶ οἱ βασιλεῖς τιμῶντες τοὺς φιλοσόφους αὐτούς τε κοσμοῦσι κἀκείνους, οἱ δὲ φιλόσοφοι τοὺς πλουσίους θεραπεύοντες οὐκ ἐκείνους [e] ποιοῦσιν ἐνδόξους ἀλλ᾽ αὑτοὺς ἀδοξοτέρους. τοῦτο συμβαίνει καὶ περὶ τὰς γυναῖκας. ὑποτάττουσαι μὲν γὰρ ἑαυτὰς τοῖς ἀνδράσιν ἐπαινοῦνται, κρατεῖν δὲ βουλόμεναι μᾶλλον τῶν κρατουμένων ἀσχημονοῦσι. κρατεῖν δὲ δεῖ τὸν ἄνδρα τῆς γυναικὸς οὐχ ὡς δεσπότην κτήματος ἀλλ᾽ ὡς ψυχὴν σώματος, συμπαθοῦντα καὶ συμπεφυκότα τῇ εὐνοίᾳ. ὥσπερ οὖν σώματος ἔστι κήδεσθαι μὴ δουλεύοντα ταῖς ἡδοναῖς αὐτοῦ καὶ ταῖς ἐπιθυμίαις, οὕτω γυναικὸς ἄρχειν εὐφραίνοντα καὶ χαριζόμενον. Τῶν σωμάτων οἱ φιλόσοφοι τὰ μὲν ἐκ διεστώτων λέγουσιν εἶναι καθάπερ στόλον καὶ [f] στρατόπεδον, τὰ δ᾽ ἐκ συναπτομένων ὡς οἰκίαν καὶ ναῦν, τὰ δ᾽ ἡνωμένα καὶ συμφυῆ καθάπερ ἐστὶ τῶν ζῴων ἕκαστον. σχεδὸν οὖν καὶ γάμος ὁ μὲν τῶν ἐρώντων ἡνωμένος καὶ συμφυής ἐστιν, ὁ δὲ τῶν διὰ προῖκας ἢ τέκνα γαμούντων ἐκ συναπτομένων, ὁ δὲ τῶν συγκαθευδόντων ἐκ διεστώτων, οὓς συνοικεῖν ἄν τις ἀλλήλοις οὐ συμβιοῦν νομίσειε. δεῖ δέ, ὥσπερ οἱ φυσικοὶ τῶν ὑγρῶν λέγουσι δι᾽ ὅλων γενέσθαι τὴν κρᾶσιν, [143] [a] οὕτω τῶν γαμούντων καὶ σώματα καὶ χρήματα καὶ φίλους καὶ οἰκείους ἀναμειχθῆναι δι᾽ ἀλλήλων. καὶ γὰρ ὁ Ῥωμαῖος νομοθέτης ἐκώλυσε δῶρα διδόναι καὶ λαμβάνειν παρ᾽ ἀλλήλων τοὺς γεγαμηκότας, οὐχ ἵνα μηδενὸς μεταλαμβάνωσιν, ἀλλ᾽ ἵνα πάντα κοινὰ νομίζωσιν.

Ἐν Λέπτει τῆς Λιβύης πόλει πάτριόν ἐστι τῇ μετὰ τὸν γάμον ἡμέρᾳ τὴν νύμφην πρὸς τὴν τοῦ νυμφίου μητέρα πέμψασαν αἰτεῖσθαι χύτραν· ἡ δ᾽ οὐ δίδωσιν οὐδέ φησιν ἔχειν, ὅπως ἀπ᾽ ἀρχῆς ἐπισταμένη τὸ τῆς ἑκυρᾶς μητρυιῶδες, ἂν ὕστερόν τι συμβαίνῃ τραχύτερον, μὴ ἀγανακτῇ μηδὲ δυσκολαίνῃ. τοῦτο δεῖ γιγνώσκουσαν τὴν γυναῖκα θεραπεύειν τὴν πρόφασιν· ἔστι δὲ ζηλοτυπία τῆς [b] μητρὸς ὑπὲρ εὐνοίας πρὸς αὐτήν. θεραπεία δὲ μία τοῦ πάθους ἰδίᾳ μὲν εὔνοιαν τῷ ἀνδρὶ ποιεῖν πρὸς ἑαυτήν, τὴν δὲ τῆς μητρὸς μὴ περισπᾶν μηδ᾽ ἐλαττοῦν.

Τοὺς υἱοὺς δοκοῦσι μᾶλλον ἀγαπᾶν αἱ μητέρες ὡς δυναμένους αὐταῖς βοηθεῖν, οἱ δὲ πατέρες τὰς θυγατέρας ὡς δεομένας αὐτῶν βοηθούντων· ἴσως δὲ καὶ τιμῇ τῇ πρὸς ἀλλήλους ὁ ἕτερος τὸ μᾶλλον οἰκεῖον τῷ ἑτέρῳ βούλεται μᾶλλον ἀσπαζόμενος καὶ ἀγαπῶν φανερὸς εἶναι. καὶ τοῦτο μὲν ἴσως διάφορόν ἐστιν, ἐκεῖνο δ᾽ ἀστεῖον, ἂν ἡ γυνὴ μᾶλλον ἀποκλίνασα τῇ τιμῇ πρὸς τοὺς γονεῖς τοῦ ἀνδρὸς ἢ τοὺς ἑαυτῆς [c] βλέπηται, κἄν τι λυπῆται, πρὸς ἐκείνους ἀναφέρουσα, τοὺς δ᾽ ἑαυτῆς λανθάνουσα. ποιεῖ γὰρ τὸ πιστεύειν δοκεῖν πιστεύεσθαι, καὶ τὸ φιλεῖν φιλεῖσθαι.

Τοῖς περὶ τὸν Κῦρον Ἕλλησι παρήγγειλαν οἱ στρατηγοὶ τοὺς πολεμίους, ἂν μὲν βοῶντες ἐπίωσι, δέχεσθαι μετὰ σιωπῆς, ἂν δ’ ἐκεῖνοι σιωπῶσιν, αὐτοὺς μετὰ βοῆς ἀντεξελαύνειν. αἱ δὲ νοῦν ἔχουσαι γυναῖκες ἐν ταῖς ὀργαῖς τῶν ἀνδρῶν κεκραγότων μὲν ἡσυχάζουσι, σιωπῶντας δὲ προσλαλοῦσαι καὶ παραμυθούμεναι καταπραΰνουσιν.

[d] Ὀρθῶς ὁ Εὐριπίδης αἰτιᾶται τοὺς τῇ λύρᾳ χρωμένους παρ’ οἶνον· ἔδει γὰρ ἐπὶ τὰς ὀργὰς καὶ τὰ πένθη μᾶλλον τὴν μουσικὴν παρακαλεῖν ἢ προσελκύειν τοὺς ἐν ταῖς ἡδοναῖς ὄντας. νομίζετε οὖν ὑμεῖς ἁμαρτάνειν τοὺς ἡδονῆς ἕνεκα συγκαθεύδοντας ἀλλήλοις, ὅταν δ’ ἐν ὀργῇ τινι γένωνται καὶ διαφορᾷ, χωρὶς ἀναπαυομένους καὶ μὴ τότε μάλιστα τὴν Ἀφροδίτην παρακαλοῦντας, ἰατρὸν οὖσαν τῶν τοιούτων ἀρίστην. ὥς που καὶ ὁ ποιητὴς διδάσκει, τὴν Ἥραν ποιῶν λέγουσαν

καί σφ’ ἄκριτα νείκεα λύσω

[e] εἰς εὐνὴν ἀνέσασα ὁμωθῆναι φιλότητι.

Ἀεὶ μὲν δεῖ καὶ πανταχοῦ φεύγειν τὸ προσκρούειν τῷ ἀνδρὶ τὴν γυναῖκα καὶ τῇ γυναικὶ τὸν ἄνδρα, μάλιστα δὲ φυλάττεσθαι τοῦτο ποιεῖν ἐν τῷ συναναπαύεσθαι καὶ συγκαθεύδειν. ἡ μὲν γὰρ ὠδίνουσα καὶ δυσφοροῦσα πρὸς τοὺς κατακλίνοντας αὐτὴν ἔλεγε, “πῶς δ’ ἂν ἡ κλίνη ταῦτα θεραπεύσειεν οἷς ἐπὶ τῆς κλίνης περιέπεσον;” ἃς δ’ ἡ κλίνη γεννᾷ διαφορὰς καὶ λοιδορίας καὶ ὀργάς, οὐ ῥᾴδιόν ἐστιν ἐν ἄλλῳ τόπῳ καὶ χρόνῳ διαλυθῆναι.

Ἡ Ἑρμιόνη δοκεῖ τι λέγειν ἀληθὲς λέγουσα

[f] κακῶν γυναικῶν εἴσοδοί μ’ ἀπώλεσαν.

τοῦτο δ’ οὐχ ἁπλῶς γιγνόμενόν ἐστιν, ἀλλ’ ὅταν αἱ πρὸς τοὺς ἄνδρας διαφοραὶ καὶ ζηλοτυπίαι ταῖς τοιαύταις γυναιξὶ μὴ τὰς θύρας μόνον ἀλλὰ καὶ τὰς ἀκοὰς ἀνοίγωσι. τότ’ οὖν δεῖ μάλιστα τὴν νοῦν ἔχουσαν ἀποκλείειν τὰ ὦτα καὶ φυλάττεσθαι τὸν ψιθυρισμόν, ἵνα μὴ πῦρ ἐπὶ πῦρ γένηται, καὶ πρόχειρον ἔχειν τὸ τοῦ Φιλίππου. λέγεται γὰρ ἐκεῖνος ὑπὸ τῶν φίλων παροξυνόμενος ἐπὶ τοὺς Ἕλληνας ὡς εὖ πάσχοντας καὶ κακῶς αὐτὸν λέγοντας εἰπεῖν “τί οὖν, ἂν καὶ κακῶς ποιῶμεν αὐτούς;” ὅταν οὖν αἱ διαβάλλουσαι λέγωσιν ὅτι “λυπεῖ σε φιλοῦσαν ὁ ἀνὴρ καὶ [144] [a] σωφρονοῦσαν,” “τί οὖν, ἂν καὶ μισεῖν αὐτὸν ἄρξωμαι καὶ ἀδικεῖν;”

Ὁ τὸν δραπέτην ἰδὼν διὰ χρόνου καὶ διώκων, ὡς κατέφυγε φθάσας εἰς μυλῶνα, “ποῦ δ’ ἄν,” ἔφη, “σὲ μᾶλλον εὑρεῖν ἐβουλήθην ἢ ἐνταῦθα;” γυνὴ τοίνυν διὰ ζηλοτυπίαν ἀπόλειψιν γράφουσα καὶ χαλεπῶς ἔχουσα λεγέτω πρὸς ἑαυτήν “ποῦ δ’ ἂν ἡ ζηλοῦσά με μᾶλλον ἡσθείη θεασαμένη καὶ τί ποιοῦσαν ἢ

λυπουμένην καὶ στασιάζουσαν πρὸς τὸν ἄνδρα καὶ τὸν οἶκον αὐτὸν καὶ τὸν θάλαμον προϊεμένην;”

Ἀθηναῖοι τρεῖς ἀρότους ἱεροὺς ἄγουσι, [b] πρῶτον ἐπὶ Σκίρῳ, τοῦ παλαιοτάτου τῶν σπόρων ὑπόμνημα, δεύτερον ἐν τῇ ραρίᾳ, τρίτον ὑπὸ πόλιν τὸν καλούμενον Βουζύγιον. τούτων δὲ πάντων ἱερώτατός ἐστιν ὁ γαμήλιος σπόρος καὶ ἄροτος ἐπὶ παίδων τεκνώσει. καλῶς τὴν Ἀφροδίτην ὁ Σοφοκλῆς “εὔκαρπον Κυθέρειαν” προσηγόρευσε. διὸ δεῖ μάλιστα τούτῳ χρῆσθαι μετ’ εὐλαβείας τὸν ἄνδρα καὶ τὴν γυναῖκα, τῶν ἀνιέρων καὶ παρανόμων πρὸς ἑτέρους ἁγνεύοντας ὁμιλιῶν, καὶ μὴ σπείροντας ἐξ ὧν οὐδὲν αὐτοῖς φύεσθαι θέλουσιν ἀλλὰ κἂν γένηται καρπὸς αἰσχύνονται καὶ ἀποκρύπτουσι.

Γοργίου τοῦ ῥήτορος ἀναγνόντος ἐν Ὀλυμπίᾳ λόγον περὶ ὁμονοίας τοῖς Ἕλλησιν ὁ Μελάνθιος, [c] “οὗτος ἡμῖν,” ἔφη, “συμβουλεύει περὶ ὁμονοίας, ὃς αὐτὸν καὶ τὴν γυναῖκα καὶ τὴν θεράπαιναν ἰδίᾳ τρεῖς ὄντας ὁμονοεῖν οὐ πέπεικεν.” ἦν γὰρ ὡς ἔοικέ τις ἔρως τοῦ Γοργίου καὶ ζηλοτυπία τῆς γυναικὸς πρὸς τὸ θεραπαινίδιον. εὖ τοίνυν ἡρμοσμένον τὸν οἶκον εἶναι δεῖ τῷ μέλλοντι ἁρμόζεσθαι πόλιν καὶ ἀγορὰν καὶ φίλους· μᾶλλον γὰρ ἔοικε τὰ τῶν γυναικῶν ἢ τὰ πρὸς γυναῖκας ἁμαρτήματα λανθάνειν τοὺς πολλούς.

Εἰ καθάπερ τὸν αἴλουρον ὀσμῇ μύρων ἐκταράττεσθαι καὶ μαίνεσθαι λέγουσιν, οὕτω τὰς [d] γυναῖκας ἀγριαίνειν καὶ παραφρονεῖν ὑπὸ μύρων συνέβαινε, δεινὸν ἦν μὴ ἀπέχεσθαι μύρου τοὺς ἄνδρας, ἀλλὰ δι’ ἡδονὴν αὐτῶν βραχεῖαν οὕτω κακουμένας περιορᾶν. ἐπεὶ τοίνυν ταῦτα πάσχουσιν οὐ μυριζομένων τῶν ἀνδρῶν ἀλλὰ συγγιγνομένων ἑτέραις, ἄδικόν ἐστιν ἡδονῆς ἕνεκα μικρᾶς ἐπὶ τοσοῦτο λυπεῖν καὶ συνταράττειν τὰς γυναῖκας καὶ μή, καθάπερ ταῖς μελίτταις (ὅτι δοκοῦσι δυσχεραίνειν καὶ μάχεσθαι τοῖς μετὰ γυναικῶν γενομένοις), ἁγνοὺς καὶ καθαρεύοντας ἑτέρων συνουσίας προσιέναι ταῖς γυναιξίν.

Οἱ προσιόντες ἐλέφασιν ἐσθῆτα λαμπρὰν [e] οὐ λαμβάνουσιν, οὐδὲ φοινικίδας οἱ ταύροις· διαγριαίνεται γὰρ ὑπὸ τῶν χρωμάτων τούτων μάλιστα τὰ ζῷα· τὰς δὲ τίγρεις φασὶ περιτυμπανιζομένας ἐκμαίνεσθαι παντάπασι καὶ διασπᾶν ἑαυτάς. ἐπεὶ τοίνυν καὶ τῶν ἀνδρῶν οἱ μὲν ἐσθῆτας κοκκίνας καὶ πορφυρᾶς ὁρῶντες δυσανασχετοῦσιν, οἱ δὲ κυμβάλοις καὶ τυμπάνοις ἄχθονται, τί δεινὸν ἀπέχεσθαι τούτων τὰς γυναῖκας καὶ μὴ ταράττειν μηδὲ παροξύνειν τοὺς ἄνδρας, ἀλλὰ συνεῖναι μετ’ εὐσταθείας καὶ πραότητος;

Γυνή τις πρὸς τὸν Φίλιππον ἄκουσαν ἐφελκόμενον αὐτήν, “ἄφες μ’,” εἶπε· “πᾶσα γυνὴ τοῦ [f] λύχνου ἀρθέντος ἡ αὐτή ἐστι.” τοῦτο πρὸς τοὺς μοιχικοὺς καὶ ἀκολάστους εἴρηται καλῶς, τὴν δὲ γαμετὴν δεῖ μάλιστα τοῦ φωτὸς ἀρθέντος εἶναι μὴ τὴν αὐτὴν ταῖς τυχούσαις γυναιξίν, ἀλλὰ φαίνεσθαι τοῦ

σώματος μὴ βλεπομένου τὸ σῶφρον αὐτῆς καὶ ἴδιον τῷ ἀνδρὶ καὶ τεταγμένον καὶ φιλόστοργον.

Ὁ Πλάτων τοῖς πρεσβύταις μᾶλλον παρῄνει "αἰσχύνεσθαι τοὺς νέους," ἵνα κἀκεῖνοι πρὸς αὐτοὺς αἰδημόνως ἔχωσιν· "ὅπου" γὰρ "ἀναισχυντοῦσι γέροντες," οὐδεμίαν αἰδῶ τοῖς νέοις οὐδ' εὐλάβειαν ἐγγίγνεσθαι. τούτου δεῖ μεμνημένον τὸν ἄνδρα μηδένα μᾶλλον αἰδεῖσθαι τῆς [145] [a] γυναικός, ὡς τὸν θάλαμον αὐτῇ διδασκαλεῖον εὐταξίας ἢ ἀκολασίας γενησόμενον. ὁ δὲ τῶν αὐτῶν ἡδονῶν αὐτὸς μὲν ἀπολαύων ἐκείνην δ' ἀποτρέπων οὐδὲν διαφέρει τοῦ κελεύοντος διαμάχεσθαι τὴν γυναῖκα πρὸς τοὺς πολεμίους, οἷς αὐτὸς ἑαυτὸν παρέδωκε.

Περὶ δὲ φιλοκοσμίας σὺ μέν, ὦ Εὐρυδίκη, τὰ πρὸς Ἀρίστυλλαν ὑπὸ Τιμοξένας γεγραμμένα ἀναγνοῦσα πειρῶ διαμνημονεύειν· σὺ δέ, ὦ Πολλιανέ, μὴ νόμιζε περιεργίας ἀφέξεσθαι τὴν γυναῖκα καὶ πολυτελείας, ἂν ὁρᾷ σε μὴ καταφρονοῦντα [b] τούτων ἐν ἑτέροις, ἀλλὰ καὶ χαίροντα χρυσώσεσιν ἐκπωμάτων καὶ γραφαῖς οἰκηματίων καὶ χλίδωσιν ἡμιόνων καὶ ἵππων περιδεραίοις. οὐ γὰρ ἔστιν ἐξελάσαι τῆς γυναικωνίτιδος ἐν μέσῃ τῇ ἀνδρωνίτιδι τὴν πολυτέλειαν ἀναστρεφομένην.

Καὶ σὺ μὲν ὥραν ἔχων ἤδη φιλοσοφεῖν τοῖς μετ' ἀποδείξεως καὶ κατασκευῆς λεγομένοις ἐπικόσμει τὸ ἦθος, ἐντυγχάνων καὶ πλησιάζων τοῖς ὠφελοῦσι· τῇ δὲ γυναικὶ πανταχόθεν τὸ χρήσιμον συνάγων ὥσπερ αἱ μέλιτται καὶ φέρων αὐτὸς ἐν σεαυτῷ μεταδίδου καὶ προσδιαλέγου, φίλους αὐτῇ ποιῶν καὶ συνήθεις τῶν λόγων τοὺς ἀρίστους.

[c] "πατὴρ" μὲν γάρ "ἐσσι" αὐτῇ "καὶ πότνια μήτηρ

ἠδὲ κασίγνητος"·

οὐχ ἧττον δὲ σεμνὸν ἀκοῦσαι γαμετῆς λεγούσης "ἄνερ.

ἀτὰρ σύ μοί ἐσσι

καθηγητὴς καὶ φιλόσοφος καὶ διδάσκαλος τῶν καλλίστων καὶ θειοτάτων." τὰ δὲ τοιαῦτα μαθήματα πρῶτον ἀφίστησι τῶν ἀτόπων τὰς γυναῖκας· αἰσχυνθήσεται γὰρ ὀρχεῖσθαι γυνὴ γεωμετρεῖν μανθάνουσα, καὶ φαρμάκων ἐπῳδὰς οὐ προσδέξεται τοῖς Πλάτωνος ἐπᾳδομένη λόγοις καὶ τοῖς Ξενοφῶντος. ἂν δέ τις ἐπαγγέλληται καθαιρεῖν τὴν σελήνην, γελάσεται τὴν ἀμαθίαν καὶ τὴν ἀβελτερίαν τῶν ταῦτα πειθομένων γυναικῶν, ἀστρολογίας μὴ ἀνηκόως ἔχουσα καὶ περὶ Ἀγλαονίκης ἀκηκουῖα τῆς Ἡγήτορος τοῦ Θετταλοῦ θυγατρὸς [d] ὅτι τῶν ἐκλειπτικῶν ἔμπειρος οὖσα πανσελήνων καὶ προειδυῖα τὸν χρόνον, ἐν ᾧ συμβαίνει τὴν σελήνην ὑπὸ γῆς σκιᾶς ἁλίσκεσθαι, παρεκρούετο καὶ συνέπειθε τὰς γυναῖκας ὡς αὐτὴ καθαιροῦσα τὴν σελήνην.

Παιδίον μὲν γὰρ οὐδεμία ποτὲ γυνὴ λέγεται ποιῆσαι δίχα κοινωνίας ἀνδρός, τὰ δ’ ἄμορφα κυήματα καὶ σαρκοειδῆ καὶ σύστασιν ἐν ἑαυτοῖς ἐκ διαφθορᾶς λαμβάνοντα μύλας καλοῦσι. τοῦτο δὴ φυλακτέον ἐν ταῖς ψυχαῖς γίγνεσθαι τῶν γυναικῶν. ἂν γὰρ λόγων χρηστῶν σπέρματα μὴ δέχωνται [e] μηδὲ κοινωνῶσι παιδείας τοῖς ἀνδράσιν, αὐταὶ καθ’ αὑτὰς ἄτοπα πολλὰ καὶ φαῦλα βουλεύματα καὶ πάθη κυοῦσι.

Σὺ δ’ ὦ Εὐρυδίκη μάλιστα πειρῶ τοῖς τῶν σοφῶν καὶ ἀγαθῶν ἀποφθέγμασιν ὁμιλεῖν καὶ διὰ στόματος ἀεὶ τὰς φωνὰς ἔχειν ἐκείνας ὧν καὶ παρθένος οὖσα παρ’ ἡμῖν ἀνελάμβανες, ὅπως εὐφραίνῃς μὲν τὸν ἄνδρα, θαυμάζῃ δ’ ὑπὸ τῶν ἄλλων γυναικῶν, οὕτω κοσμουμένη περιττῶς καὶ σεμνῶς ἀπὸ μηδενός. τοὺς μὲν γὰρ τῆσδε τῆς πλουσίας μαργαρίτας καὶ τὰ τῆσδε τῆς ξένης σηρικὰ λαβεῖν οὐκ ἔστιν οὐδὲ περιθέσθαι μὴ πολλοῦ πριαμένην, τὰ δὲ Θεανοῦς κόσμια καὶ Κλεοβουλίνης καὶ Γοργοῦς [f] τῆς Λεωνίδου γυναικὸς καὶ Τιμοκλείας τῆς Θεαγένους ἀδελφῆς καὶ Κλαυδίας τῆς παλαιᾶς καὶ Κορνηλίας τῆς Σκιπίωνος καὶ ὅσαι ἐγένοντο θαυμασταὶ καὶ περιβόητοι, ταῦτα δ’ ἔξεστι περικειμένην προῖκα καὶ κοσμουμένην αὐτοῖς ἐνδόξως ἅμα βιοῦν καὶ μακαρίως.

Εἰ γὰρ ἡ Σαπφὼ διὰ τὴν ἐν τοῖς μέλεσι καλλιγραφίαν [146] [a] ἐφρόνει τηλικοῦτον ὥστε γράψαι πρός τινα πλουσίαν,

κατθάνοισα δὲ κείσεαι, οὐδέ τις μναμοσύνα σέθεν
ἔσεται· οὐ γὰρ πεδέχεις ῥόδων
τῶν ἐκ Πιερίας,

πῶς οὐχί σοι μᾶλλον ἐξέσται μέγα φρονεῖν ἐφ’ ἑαυτῇ καὶ λαμπρόν, ἂν μὴ τῶν ῥόδων ἀλλὰ καὶ τῶν καρπῶν μετέχῃς, ὧν αἱ Μοῦσαι φέρουσι καὶ χαρίζονται τοῖς παιδείαν καὶ φιλοσοφίαν θαυμάζουσιν;

ΤΩΝ ΕΠΤΑ ΣΟΦΩΝ ΣΥΜΠΟΣΙΟΝ

[146] Ἦ που προϊὼν ὁ χρόνος, ὦ Νίκαρχε, πολὺ σκότος ἐπάξει τοῖς πράγμασι καὶ πᾶσαν ἀσάφειαν, εἰ νῦν ἐπὶ προσφάτοις οὕτω καὶ νεαροῖς λόγοι ψευδεῖς συντεθέντες ἔχουσι πίστιν. οὔτε γὰρ μόνων, [c] ὡς ὑμεῖς ἀκηκόατε, τῶν ἑπτὰ γέγονε τὸ συμπόσιον, ἀλλὰ πλειόνων ἢ δὶς τοσούτων (ἐν οἷς καὶ αὐτὸς ἤμην, συνήθης μὲν ὢν Περιάνδρῳ διὰ τὴν τέχνην, ξένος δὲ Θάλεω· παρ’ ἐμοὶ γὰρ κατέλυσεν ὁ ἀνὴρ Περιάνδρου κελεύσαντος), οὔτε τοὺς λόγους ὀρθῶς ἀπεμνημόνευσεν ὅστις ἦν ὑμῖν ὁ διηγούμενος· ἦν δ’ ὡς ἔοικεν οὐδεὶς τῶν παραγεγονότων. ἀλλ’ ἐπεὶ σχολή τε πάρεστι πολλὴ καὶ τὸ γῆρας οὐκ ἀξιόπιστον ἐγγυήσασθαι τὴν ἀναβολὴν τοῦ λόγου, προθυμουμένοις ὑμῖν ἀπ’ ἀρχῆς ἅπαντα διηγήσομαι.

[d] Παρεσκευάκει μὲν γὰρ οὐκ ἐν τῇ πόλει τὴν ὑποδοχὴν ὁ Περίανδρος, ἀλλ’ ἐν τῷ περὶ τὸ Λέχαιον ἑστιατορίῳ παρὰ τὸ τῆς Ἀφροδίτης ἱερόν, ἧς ἦν καὶ ἡ θυσία. μετὰ γὰρ τὸν ἔρωτα τῆς μητρὸς αὐτοῦ προεμένης τὸν βίον ἑκουσίως οὐ τεθυκὼς τῇ Ἀφροδίτῃ, τότε πρῶτον ἔκ τινων ἐνυπνίων τῆς Μελίσσης ὥρμησε τιμᾶν καὶ θεραπεύειν τὴν θεόν.

Τῶν δὲ κεκλημένων ἑκάστῳ συνωρὶς ἱκανῶς κεκοσμημένη προσήχθη· καὶ γὰρ ὥρα θέρους ἦν, καὶ τὴν ὁδὸν ἅπασαν ὑπὸ πλήθους ἁμαξῶν καὶ ἀνθρώπων ἄχρι θαλάττης κονιορτὸς καὶ θόρυβος κατεῖχεν. ὁ μέντοι Θαλῆς τὸ ζεῦγος ἐπὶ ταῖς [e] θύραις ἰδὼν καὶ μειδιάσας ἀφῆκεν. ἐβαδίζομεν οὖν ἐκτραπόμενοι διὰ τῶν χωρίων, καθ’ ἡσυχίαν, καὶ μεθ’ ἡμῶν τρίτος ὁ Ναυκρατίτης Νειλόξενος, ἀνὴρ ἐπιεικὴς καὶ τοῖς περὶ Σόλωνα καὶ Θαλῆν γεγονὼς ἐν Αἰγύπτῳ συνήθης. ἐτύγχανε δὲ πρὸς Βίαντα πάλιν ἀπεσταλμένος· ὧν δὲ χάριν οὐδ’ αὐτὸς ᾔδει, πλὴν ὑπενόει πρόβλημα δεύτερον αὐτῷ κομίζειν ἐν βιβλίῳ κατασεσημασμένον· εἴρητο γάρ, εἰ Βίας ἀπαγορεύσειεν, ἐπιδεῖξαι τοῖς σοφωτάτοις Ἑλλήνων τὸ βιβλίον.

“Ἕρμαιον” ὁ Νειλόξενος ἔφη “μοι γέγονεν [f] ἐνταῦθα λαβεῖν ἅπαντας ὑμᾶς, καὶ κομίζω τὸ βιβλίον ὡς ὁρᾷς ἐπὶ τὸ δεῖπνον.” ἅμα δ’ ἡμῖν ἐπεδείκνυε.

Καὶ ὁ Θαλῆς γελάσας “εἴ τι κακόν,” εἶπεν, “αὖθις εἰς Πριήνην· διαλύσει γὰρ ὁ Βίας, ὡς διέλυσεν αὐτὸς τὸ πρῶτον.”

“Τί δ’ ἦν,” ἔφην ἐγώ, “τὸ πρῶτον;”

“Ἱερεῖον,” εἶπεν, “ἔπεμψεν αὐτῷ, κελεύσας τὸ

πονηρότατον ἐξελόντα καὶ χρηστότατον ἀποπέμψαι κρέας. ὁ δ’ ἡμέτερος εὖ καὶ καλῶς τὴν γλῶτταν ἐξελὼν ἔπεμψεν· ὅθεν εὐδοκιμῶν δῆλός ἐστι καὶ

θαυμαζόμενος.”

[147] [a] “Οὐ διὰ ταῦτ’” ἔφη “μόνον” ὁ Νειλόξενος, “ἀλλ’ οὐ φεύγει τὸ φίλος εἶναι καὶ λέγεσθαι βασιλέων καθάπερ ὑμεῖς, ἐπεὶ σοῦ γε καὶ τἆλλα θαυμάζει, καὶ τῆς πυραμίδος τὴν μέτρησιν ὑπερφυῶς ἠγάπησεν, ὅτι πάσης ἄνευ πραγματείας καὶ μηδενὸς ὀργάνου δεηθεὶς ἀλλὰ τὴν βακτηρίαν στήσας ἐπὶ τῷ πέρατι τῆς σκιᾶς ἣν ἡ πυραμὶς ἐποίει, γενομένων τῇ ἐπαφῇ τῆς ἀκτῖνος δυεῖν τριγώνων, ἔδειξας ὃν ἡ σκιὰ πρὸς τὴν σκιὰν λόγον εἶχε τὴν πυραμίδα πρὸς τὴν βακτηρίαν ἔχουσαν. ἀλλ’, ὅπερ ἔφην, διεβλήθης μισοβασιλεὺς εἶναι, [b] καί τινες ὑβριστικαί σου περὶ τυράννων ἀποφάσεις ἀνεφέροντο πρὸς αὐτόν, ὡς ἐρωτηθεὶς ὑπὸ Μολπαγόρου τοῦ Ἴωνος τί παραδοξότατον εἴης ἑωρακώς, ἀποκρίναιο ‘τύραννον γέροντα,’ καὶ πάλιν ἔν τινι πότῳ, περὶ τῶν θηρίων λόγου γενομένου, φαίης κάκιστον εἶναι τῶν μὲν ἀγρίων θηρίων τὸν τύραννον, τῶν δ’ ἡμέρων τὸν κόλακα· ταῦτα γάρ, εἰ καὶ πάνυ προσποιοῦνται διαφέρειν οἱ βασιλεῖς τῶν τυράννων, οὐκ εὐμενῶς ἀκούουσιν.”

“Ἀλλὰ τοῦτο μέν,” εἶπεν ὁ Θαλῆς, “Πιττακοῦ ἐστιν, εἰρημένον ἐν παιδιᾷ ποτε πρὸς Μυρσίλον· [c] ἐγὼ δὲ θαυμάσαιμ’ ἄν,” ἔφη, “οὐ τύραννον ἀλλὰ κυβερνήτην γέροντα θεασάμενος. πρὸς δὲ τὴν μετάθεσιν τὸ τοῦ νεανίσκου πέπονθα τοῦ βαλόντος μὲν ἐπὶ τὴν κύνα πατάξαντος δὲ τὴν μητρυιὰν καὶ εἰπόντος ‘οὐδ’ οὕτω κακῶς.’ διὸ καὶ Σόλωνα σοφώτατον ἡγησάμην οὐ δεξάμενον τυραννεῖν. καὶ Πιττακὸς οὗτος εἰ μοναρχίᾳ μὴ προσῆλθεν, οὐκ ἂν εἶπεν ὡς ‘χαλεπὸν ἐσθλὸν ἔμμεναι.’ Περίανδρος δ’ ἔοικεν ὥσπερ ἐν νοσήματι πατρῴῳ τῇ τυραννίδι κατειλημμένος οὐ φαύλως ἐξαναφέρειν, χρώμενος ὁμιλίαις ὑγιειναῖς ἄχρι γε νῦν καὶ συνουσίας ἀνδρῶν νοῦν ἐχόντων ἐπαγόμενος, [d] ἃς δὲ Θρασύβουλος αὐτῷ κολούσεις τῶν ἄκρων οὑμὸς πολίτης ὑφηγεῖται μὴ προσιέμενος. γεωργοῦ γὰρ αἴρας καὶ ὀνώνιδας ἀντὶ πυρῶν καὶ κριθῶν συγκομίζειν ἐθέλοντος οὐδὲν διαφέρει τύραννος ἀνδραπόδων μᾶλλον ἄρχειν ἢ ἀνδρῶν βουλόμενος· ἓν γὰρ ἀντὶ πολλῶν κακῶν ἀγαθὸν αἱ δυναστεῖαι τὴν τιμὴν ἔχουσι καὶ τὴν δόξαν, ἄνπερ ἀγαθῶν ὡς κρείττονες ἄρχωσι καὶ μεγάλων μείζονες εἶναι δοκῶσι· τὴν δ’ ἀσφάλειαν ἀγαπῶντας ἄνευ τοῦ καλοῦ προβάτων ἔδει πολλῶν καὶ ἵππων καὶ βοῶν ἄρχειν, μὴ ἀνθρώπων. ἀλλὰ γὰρ εἰς οὐδὲν προσήκοντας [e] ἐμβέβληκεν ἡμᾶς,” ἔφη, “ὁ ξένος οὑτοσὶ λόγους, ἀμελήσας λέγειν τε καὶ ζητεῖν ἃ ἁρμόττει ἐπὶ δεῖπνον βαδίζουσιν. ἦ γὰρ οὐκ οἴει, καθάπερ ἑστιάσοντος ἔστι τις παρασκευή, καὶ δειπνήσοντος εἶναι; Συβαρῖται μὲν γὰρ ὡς ἔοικε πρὸ ἐνιαυτοῦ τὰς κλήσεις ποιοῦνται τῶν γυναικῶν, ὅπως ἐκγένοιτο κατὰ σχολὴν παρασκευασαμέναις ἐσθῆτι καὶ χρυσῷ φοιτᾶν ἐπὶ τὸ δεῖπνον· ἐγὼ δὲ

πλείονος οἶμαι χρόνου δεῖσθαι τὴν ἀληθινὴν τοῦ δειπνήσοντος ὀρθῶς παρασκευήν, ὅσῳ χαλεπώτερόν ἐστιν ἤθει τὸν πρέποντα κόσμον ἢ σώματι τὸν περιττὸν [f] ἐξευρεῖν καὶ ἄχρηστον. οὐ γὰρ ὡς ἀγγεῖον ἥκει κομίζων ἑαυτὸν ἐμπλῆσαι πρὸς τὸ δεῖπνον ὁ νοῦν ἔχων, ἀλλὰ καὶ σπουδάσαι τι καὶ παῖξαι καὶ ἀκοῦσαι καὶ εἰπεῖν ὡς ὁ καιρὸς παρακαλεῖ τοὺς συνόντας, εἰ μέλλουσι μετ' ἀλλήλων ἡδέως ἔσεσθαι. καὶ γὰρ καὶ ὄψον πονηρὸν ἔστι παρώσασθαι, κἂν οἶνος ᾖ φαῦλος, ἐπὶ τὰς νύμφας καταφυγεῖν· σύνδειπνος δὲ κεφαλαλγὴς καὶ βαρὺς καὶ ἀνάγωγος παντὸς μὲν οἴνου καὶ ὄψου πάσης δὲ μουσουργοῦ χάριν ἀπόλλυσι καὶ λυμαίνεται, καὶ οὐδ' ἀπεμέσαι [148] [a] τὴν τοιαύτην ἀηδίαν ἕτοιμόν ἐστιν, ἀλλ' ἐνίοις εἰς ἅπαντα τὸν βίον ἐμμένει τὸ πρὸς ἀλλήλους δυσάρεστον, ὥσπερ ἑωλοκρασία τις ὕβρεως ἢ ὀργῆς ἐν οἴνῳ γενομένης. ὅθεν ἄριστα Χίλων, καλούμενος ἐχθές, οὐ πρότερον ὡμολόγησεν ἢ πυθέσθαι τῶν κεκλημένων ἕκαστον. ἔφη γὰρ ὅτι σύμπλουν ἀγνώμονα δεῖ φέρειν καὶ σύσκηνον οἷς πλεῖν ἀνάγκη καὶ στρατεύεσθαι· τὸ δὲ συμπόταις ἑαυτὸν ὡς ἔτυχε καταμιγνύειν οὐ νοῦν ἔχοντος ἀνδρός ἐστιν. ὁ δ' Αἰγύπτιος σκελετός, ὃν ἐπιεικῶς εἰσφέροντες εἰς τὰ συμπόσια προτίθενται καὶ παρακαλοῦσι [b] μεμνῆσθαι τάχα δὴ τοιούτους ἐσομένους, καίπερ ἄχαρις καὶ ἄωρος ἐπίκωμος ἥκων, ὅμως ἔχει τινὰ καιρόν, καὶ εἰ μὴ πρὸς τὸ πίνειν καὶ ἡδυπαθεῖν ἀλλὰ πρὸς φιλίαν καὶ ἀγάπησιν ἀλλήλων προτρέπεται, καὶ παρακαλεῖ τὸν βίον μὴ τῷ χρόνῳ βραχὺν ὄντα πράγμασι κακοῖς μακρὸν ποιεῖν."

Ἐν τοιούτοις λόγοις γενόμενοι κατὰ τὴν ὁδὸν ἀφικόμεθα πρὸς τὴν οἰκίαν, καὶ λούσασθαι μὲν ὁ Θαλῆς οὐκ ἠθέλησεν, ἀληλιμμένοι γὰρ ἦμεν· ἐπιὼν δὲ τούς τε δρόμους ἐθεᾶτο καὶ τὰς παλαίστρας καὶ τὸ ἄλσος τὸ παρὰ τὴν θάλατταν ἱκανῶς διακεκοσμημένον, ὑπ' οὐδενὸς ἐκπληττόμενος τῶν τοιούτων, [c] ἀλλ' ὅπως μὴ καταφρονεῖν δοκοίη μηδ' ὑπερορᾶν τοῦ Περιάνδρου τῆς φιλοτιμίας. τῶν δ' ἄλλων τὸν ἀλειψάμενον ἢ λουσάμενον οἱ θεράποντες εἰσῆγον εἰς τὸν ἀνδρῶνα διὰ τῆς στοᾶς.

Ὁ δ' Ἀνάχαρσις ἐν τῇ στοᾷ καθῆστο, καὶ παιδίσκη προειστήκει τὴν κόμην ταῖς χερσὶ διακρίνουσα. ταύτην ὁ Θαλῆς ἐλευθεριώτατά πως αὐτῷ προσδραμοῦσαν ἐφίλησε καὶ γελάσας "οὕτως," ἔφη, "ποίει καλὸν τὸν ξένον, ὅπως ἡμερώτατος ὢν μὴ φοβερὸς ᾖ τὴν ὄψιν ἡμῖν μηδ' ἄγριος."

Ἐμοῦ δ' ἐρομένου περὶ τῆς παιδὸς ἥτις εἴη, [d] "τὴν σοφήν," ἔφη, "καὶ περιβόητον ἀγνοεῖς Εὔμητιν; οὕτω γὰρ ταύτην ὁ πατὴρ αὐτός, οἱ δὲ πολλοὶ πατρόθεν ὀνομάζουσι Κλεοβουλίνην."

Καὶ ὁ Νειλόξενος εἶπεν "ἦ που τὴν περὶ τὰ αἰνίγματα δεινότητα καὶ σοφίαν," ἔφη, "τῆς κόρης ἐπαινεῖς· καὶ γὰρ εἰς Αἴγυπτον ἔνια τῶν

προβαλλομένων ὑπ’ αὐτῆς διΐκται.”

“Οὐκ ἔγωγ’,” εἶπεν ὁ Θαλῆς· “τούτοις γὰρ ὥσπερ ἀστραγάλοις, ὅταν τύχῃ, παίζουσα χρῆται καὶ διαβάλλεται πρὸς τοὺς ἐντυχόντας. ἀλλὰ καὶ φρόνημα θαυμαστὸν καὶ νοῦς ἔνεστι πολιτικὸς καὶ φιλάνθρωπον ἦθος, καὶ τὸν πατέρα τοῖς πολίταις [e] πραότερον ἄρχοντα παρέχει καὶ δημοτικώτερον.”

“Εἶεν,” ὁ Νειλόξενος ἔφη, “καὶ φαίνεται βλέποντι πρὸς τὴν λιτότητα καὶ ἀφέλειαν αὐτῆς· Ἀνάχαρσιν δὲ πόθεν οὕτω τημελεῖ φιλοστόργως;”

“Ὅτι,” ἔφη, “σώφρων ἀνήρ ἐστι καὶ πολυμαθής, καὶ τὴν δίαιταν αὐτῇ καὶ τὸν καθαρμόν, ᾧ χρῶνται Σκύθαι περὶ τοὺς κάμνοντας, ἀφθόνως καὶ προθύμως παραδέδωκε. καὶ νῦν οἶμαι περιέπειν αὐτὴν τὸν ἄνδρα καὶ φιλοφρονεῖσθαι, μανθάνουσάν τι καὶ προσδιαλεγομένην.”

Ἤδη δὲ πλησίον οὖσιν ἡμῖν τοῦ ἀνδρῶνος ἀπήντησεν Ἀλεξίδημος ὁ Μιλήσιος (ἦν δὲ Θρασυβούλου τοῦ τυράννου νόθος) καὶ ἐξῄει τεταραγμένος [f] καὶ σὺν ὀργῇ τινι πρὸς αὑτὸν οὐδὲν ἡμῖν γε σαφὲς διαλεγόμενος. ὡς δὲ τὸν Θαλῆν εἶδε, μικρὸν ἀνενεγκὼν καὶ καταστάς “οἵαν ὕβριν,” εἶπεν, “εἰς ἡμᾶς Περίανδρος ὕβρικεν, ἐκπλεῦσαι μὲν οὐκ ἐάσας ὡρμημένον ἀλλὰ προσμεῖναι δεηθεὶς τὸ δεῖπνον, ἐλθόντι δὲ νέμων κλισίαν ἄτιμον, Αἰολεῖς δὲ καὶ νησιώτας (καὶ τίνας γὰρ οὐχί;) Θρασυβούλου προτιμῶν· Θρασύβουλον γὰρ ἐν ἐμοὶ τὸν πέμψαντα προπηλακίσαι βουλόμενος καὶ καταβαλεῖν ὡς δὴ περιορῶν δῆλός ἐστιν.”

[149] [a] “Εἶτ’,” ἔφη, “σὺ δέδιας μὴ καθάπερ Αἰγύπτιοι τοὺς ἀστέρας ὑψώματα καὶ ταπεινώματα λαμβάνοντας ἐν τοῖς τόποις οὓς διεξίασι γίγνεσθαι βελτίονας ἢ χείρονας ἑαυτῶν λέγουσιν, οὕτως ἡ περὶ σὲ διὰ τὸν τόπον ἀμαύρωσις ἢ ταπείνωσις γένηται; καὶ τοῦ Λάκωνος ἔσῃ φαυλότερος, ὃς ἐν χορῷ τινι κατασταθεὶς εἰς τὴν ἐσχάτην χώραν ὑπὸ τοῦ ἄρχοντος ‘εὖ γ’,’ εἶπεν, ‘ἐξεῦρες, ὡς καὶ αὕτα ἔντιμος γένηται.’ οὐ καταλαβόντας,” ἔφη, “τόπον μετὰ τίνας κατακείμεθα δεῖ ζητεῖν, μᾶλλον δ’ ὅπως εὐάρμοστοι τοῖς συγκατακειμένοις ὦμεν, ἀρχὴν καὶ λαβὴν φιλίας εὐθὺς ἐν αὐτοῖς ζητοῦντες, [b] μᾶλλον δ’ ἔχοντες τὸ μὴ δυσκολαίνειν ἀλλ’ ἐπαινεῖν ὅτι τοιούτοις συγκατεκλίθημεν· ὡς ὅ γε τόπῳ κλισίας δυσχεραίνων δυσχεραίνει τῷ συγκλίτῃ μᾶλλον ἢ τῷ κεκληκότι, καὶ πρὸς ἀμφοτέρους ἀπεχθάνεται.”

“Λόγος,” ἔφη, “ταῦτ’ ἄλλως ἐστίν” ὁ Ἀλεξίδημος, “ἔργῳ δὲ καὶ τοὺς σοφοὺς ὑμᾶς ὁρῶ τὸ τιμᾶσθαι διώκοντας,” καὶ ἅμα παραμειψάμενος ἡμᾶς ἀπῆλθε.

Καὶ ὁ Θαλῆς πρὸς ἡμᾶς τὴν ἀτοπίαν τοῦ ἀνθρώπου θαυμάζοντας, “ἔμπληκτος,” ἔφη, “καὶ ἀλλόκοτος φύσει, ἐπεὶ καὶ μειράκιον ὢν ἔτι, μύρου

σπουδαίου Θρασυβούλῳ κομισθέντος, εἰς ψυκτῆρα [c] κατεράσας μέγαν καὶ προσεγχέας ἄκρατον ἐξέπιεν, ἔχθραν ἀντὶ φιλίας Θρασυβούλῳ διαπεπραγμένος."

Ἐκ τούτου περιελθὼν ὑπηρέτης "κελεύει σε Περίανδρος," ἔφη, "καὶ Θαλῆν παραλαβόντα τοῦτον ἐπισκέψασθαι τὸ κεκομισμένον ἀρτίως αὐτῷ πότερον ἄλλως γέγονεν ἤ τι σημεῖόν ἐστι καὶ τέρας· αὐτὸς μὲν γὰρ ἔοικε τεταράχθαι σφόδρα, μίασμα καὶ κηλῖδα τῆς θυσίας ἡγούμενος." ἅμα δ' ἀπῆγεν ἡμᾶς εἴς τι οἴκημα τῶν περὶ τὸν κῆπον. ἐνταῦθα νεανίσκος ὡς ἐφαίνετο νομευτικός, οὔπω γενειῶν ἄλλως τε τὸ εἶδος οὐκ ἀγεννής, ἀναπτύξας τινὰ διφθέραν ἔδειξεν ἡμῖν βρέφος ὡς ἔφη γεγονὸς ἐξ ἵππου, τὰ μὲν ἄνω μέχρι τοῦ τραχήλου καὶ τῶν [d] χειρῶν ἀνθρωπόμορφον, τὰ λοιπὰ δ' ἔχον ἵππου, τῇ δὲ φωνῇ καθάπερ τὰ νεογνὰ παιδάρια κλαυθμυριζόμενον. ὁ μὲν οὖν Νειλόξενος, "Ἀλεξίκακε" εἰπών, ἀπεστράφη τὴν ὄψιν, ὁ δὲ Θαλῆς προσέβλεπε τῷ νεανίσκῳ πολὺν χρόνον, εἶτα μειδιάσας (εἰώθει δ' ἀεὶ παίζειν πρὸς ἐμὲ περὶ τῆς τέχνης) "ἦ που τὸν καθαρμόν, ὦ Διόκλεις," ἔφη, "κινεῖν διανοῇ καὶ παρέχειν πράγματα τοῖς ἀποτροπαίοις, ὥς τινος δεινοῦ καὶ μεγάλου συμβάντος;"

"Τί δ'," εἶπον, "οὐ μέλλω; στάσεως γάρ, ὦ Θαλῆ, καὶ διαφορᾶς τὸ σημεῖόν ἐστι, καὶ δέδια μὴ μέχρι γάμου καὶ γενεᾶς ἐξίκηται, πρὶν ἢ τὸ πρῶτον ἐξιλάσασθαι μήνιμα, τῆς θεοῦ δεύτερον ὡς ὁρᾷς προφαινούσης."

[e] Πρὸς τοῦτο μηδὲν ἀποκρινάμενος ὁ Θαλῆς ἀλλὰ γελῶν ἀπηλλάττετο. καὶ τοῦ Περιάνδρου πρὸς τὰς θύρας ἀπαντήσαντος ἡμῖν καὶ διαπυθομένου περὶ ὧν εἴδομεν, ἀφεὶς ὁ Θαλῆς με καὶ λαβόμενος τῆς ἐκείνου χειρὸς ἔφη, "ἃ μὲν Διοκλῆς κελεύει δράσεις καθ' ἡσυχίαν· ἐγὼ δέ σοι παραινῶ νέοις οὕτω μὴ χρῆσθαι νομεῦσιν ἵππων, ἢ διδόναι γυναῖκας αὐτοῖς."

Ἔδοξε μὲν οὖν μοι τῶν λόγων ἀκούσας ὁ Περίανδρος ἡσθῆναι σφόδρα· καὶ γὰρ ἐξεγέλασε καὶ τὸν Θαλῆν περιβαλὼν κατησπάσατο. κἀκεῖνος "οἶμαι δ'," εἶπεν, "ὦ Διόκλεις, καὶ πέρας ἔσχε τὸ [f] σημεῖον· ὁρᾷς γὰρ ἡλίκον κακὸν γέγονεν ἡμῖν, Ἀλεξιδήμου συνδειπνεῖν μὴ θελήσαντος."

Ἐπεὶ δ' εἰσήλθομεν, ἤδη μεῖζον ὁ Θαλῆς φθεγξάμενος "ποῦ δ'" εἶπεν "ὁ ἀνὴρ κατακλινάμενος ἐδυσχέρανεν;" ἀποδειχθείσης δὲ τῆς χώρας περιελθὼν ἐκεῖ κατέκλινεν ἑαυτὸν καὶ ἡμᾶς "ἀλλὰ κἂν ἐπριάμην" εἰπὼν "Ἀρδάλῳ κοινωνεῖν μιᾶς τραπέζης." ἦν δὲ Τροιζήνιος ὁ Ἄρδαλος, αὐλῳδὸς [150] [a] καὶ ἱερεὺς τῶν Ἀρδαλείων Μουσῶν, ἃς ὁ παλαιὸς Ἄρδαλος ἱδρύσατο ὁ Τροιζήνιος.

Ὁ δ' Αἴσωπος (ἐτύγχανε γὰρ ὑπὸ Κροίσου νεωστὶ πρός τε Περίανδρον ἅμα καὶ πρὸς τὸν θεὸν εἰς Δελφοὺς ἀπεσταλμένος, καὶ παρῆν ἐπὶ δίφρου

τινὸς χαμαιζήλου παρὰ τὸν Σόλωνα καθήμενος ἄνω κατακείμενον) "ἡμίονος δ'," ἔφη, "Λυδὸς ἐν ποταμῷ τῆς ὄψεως ἑαυτοῦ κατιδὼν εἰκόνα καὶ θαυμάσας τὸ κάλλος καὶ τὸ μέγεθος τοῦ σώματος ὥρμησε θεῖν ὥσπερ ἵππος ἀναχαιτίσας. εἶτα μέντοι συμφρονήσας ὡς ὄνου υἱὸς εἴη, κατέπαυσε [b] ταχὺ τὸν δρόμον καὶ ἀφῆκε τὸ φρύαγμα καὶ τὸν θυμόν."

Ὁ δὲ Χίλων λακωνίσας τῇ φωνῇ, "καὶ τύνη," ἔφη, "βραδὺς καὶ τρέχεις τὸν ἡμίονον."

Ἐκ τούτου παρῆλθε μὲν ἡ Μέλισσα καὶ κατεκλίθη παρὰ τὸν Περίανδρον, ἡ δ' Εὔμητις ἐκάθισε παρὰ τὸ δεῖπνον. καὶ ὁ Θαλῆς ἐμὲ προσαγορεύσας ἐπάνω τοῦ Βίαντος κατακείμενον "τί οὐκ ἔφρασας," εἶπεν, "ὦ Διόκλεις, Βίαντι τὸν Ναυκρατίτην ξένον ἥκοντα μετὰ προβλημάτων βασιλικῶν αὖθις ἐπ' αὐτόν, ὅπως νήφων καὶ προσέχων ἑαυτῷ τὸν λόγον δέχηται;"

Καὶ ὁ Βίας "ἀλλ' οὗτος μέν," ἔφη, "πάλαι [c] δεδίττεται ταῦτα παρακελευόμενος, ἐγὼ δὲ τὸν Διόνυσον οἶδα τά τ' ἄλλα δεινὸν ὄντα καὶ Λύσιον ἀπὸ σοφίας προσαγορευόμενον, ὥστ' οὐ δέδια τοῦ θεοῦ μεστὸς γενόμενος μὴ ἀθαρσέστερον ἀγωνίσωμαι."

Τοιαῦτα μὲν ἐκεῖνοι πρὸς ἀλλήλους ἅμα δειπνοῦντες ἔπαιζον· ἐμοὶ δὲ τὸ δεῖπνον εὐτελέστερον ὁρῶντι τοῦ συνήθους ἐννοεῖν ἐπῄει πρὸς ἐμαυτὸν ὡς σοφῶν κἀγαθῶν ἀνδρῶν ὑποδοχὴ καὶ κλῆσις οὐδεμίαν προστίθησι δαπάνην ἀλλὰ συστέλλει μᾶλλον, ἀφαιροῦσα περιεργίας ὄψων καὶ μύρα ξενικὰ καὶ πέμματα καὶ πολυτελῶν οἴνων διαχύσεις, οἷς [d] καθ' ἡμέραν χρώμενος ἐπιεικῶς ὁ Περίανδρος ἐν τυραννίδι καὶ πλούτῳ καὶ πράγμασι, τότε πρὸς τοὺς ἄνδρας ἐκαλλωπίζετο λιτότητι καὶ σωφροσύνῃ δαπάνης. οὐ γὰρ μόνον τῶν ἄλλων ἀλλὰ καὶ τῆς γυναικὸς ἀφελὼν καὶ ἀποκρύψας τὸν συνήθη κόσμον ἐπεδείκνυε σὺν εὐτελείᾳ καὶ μετριότητι κεκοσμημένην.

Ἐπεὶ δ' ἐπήρθησαν αἱ τράπεζαι καὶ στεφάνων παρὰ τῆς Μελίσσης διαδοθέντων ἡμεῖς μὲν ἐσπείσαμεν ἡ δ' αὐλητρὶς ἐπιφθεγξαμένη μικρὰ ταῖς σπονδαῖς ἐκ μέσου μετέστη, προσαγορεύσας τὸν Ἀνάχαρσιν ὁ Ἄρδαλος ἠρώτησεν εἰ παρὰ Σκύθαις αὐλητρίδες εἰσίν.

[e] Ὁ δ' ἐκ τοῦ προστυχόντος "οὐδ' ἄμπελοι" εἶπε.

Τοῦ δ' Ἀρδάλου πάλιν εἰπόντος "ἀλλὰ θεοί γε Σκύθαις εἰσί," "πάνυ μὲν οὖν," ἔφη, "γλώσσης ἀνθρωπίνης συνιέντες, οὐχ ὥσπερ δ' οἱ Ἕλληνες οἰόμενοι Σκυθῶν διαλέγεσθαι βέλτιον ὅμως τοὺς θεοὺς ὀστέων καὶ ξύλων ἥδιον ἀκροᾶσθαι νομίζουσιν."

Ὁ δ' Αἴσωπος, "εἴ γ'," εἶπεν, "εἰδείης, ὦ

ξένε, τοὺς νῦν αὐλοποιοὺς ὡς προέμενοι τὰ νεβρεῖα, χρώμενοι τοῖς ὀνείοις, βέλτιον ἠχεῖν λέγουσιν. διὸ καὶ Κλεοβουλίνη πρὸς τὸν Φρύγιον

αὐλὸν ᾐνίξατο.

[f] κνήμῃ νεκρὸς ὄνος με κερασφόρῳ οὖας ἔκρουσεν,

ὥστε θαυμάζειν τὸν ὄνον εἰ παχύτατος καὶ ἀμουσότατος ὢν τἆλλα λεπτότατον καὶ μουσικώτατον ὀστέον παρέχεται.”

Καὶ ὁ Νειλόξενος “ἀμέλει ταῦτ’,” ἔφη, “καὶ ἡμῖν τοῖς Ναυκρατίταις ἐγκαλοῦσι Βουσιρῖται· χρώμεθα γὰρ ἤδη τοῖς ὀνείοις εἰς τὸν αὐλόν. ἐκείνοις δὲ καὶ σάλπιγγος ἀκούειν ἀθέμιτον, ὡς ὄνῳ φθεγγομένης ὅμοιον. ὄνον δ’ ὑπ’ Αἰγυπτίων ἴστε δήπου διὰ Τυφῶνα προπηλακιζόμενον.”

Γενομένης δὲ σιωπῆς ὁ Περίανδρος ὁρῶν βουλόμενον μὲν ὀκνοῦντα δ’ ἄρξασθαι τοῦ λόγου [151] [a] τὸν Νειλόξενον, “ἐγώ τοι,” εἶπεν, “ὦ ἄνδρες ἐπαινῶ καὶ πόλεις καὶ ἄρχοντας, ὅσοι ξένοις πρῶτον εἶτα πολίταις χρηματίζουσι· καὶ νῦν δοκεῖ μοι τοὺς μὲν ἡμετέρους λόγους οἷον ἐπιχωρίους καὶ συνήθεις βραχὺν χρόνον ἐπισχεῖν, πρόσοδον δ’ ὥσπερ ἐν ἐκκλησίᾳ δοῦναι τοῖς Αἰγυπτίοις ἐκείνοις καὶ βασιλικοῖς, οὓς ὁ βέλτιστος ἥκει κομίζων Νειλόξενος Βίαντι, Βίας δὲ βούλεται κοινῇ σκέψασθαι μεθ’ ἡμῶν.”

Καὶ ὁ Βίας, “ποῦ γὰρ ἢ μετὰ τίνων,” ἔφη, “προθυμότερον ἄν τις ἀποκινδυνεύσειεν, εἰ δεῖ, πρὸς τοιαύτας ἀποκρίσεις, ἄλλως τε τοῦ βασιλέως [b] κελεύσαντος ἄρξασθαι μὲν ἀπ’ ἐμοῦ, περιελθεῖν δ’ εἰς ἅπαντας ὑμᾶς τὸν λόγον;”

Οὕτω δὴ παρεδίδου μὲν αὐτῷ τὸ γραμματεῖον ὁ Νειλόξενος, ὁ δ’ αὐτὸν ἐκέλευσε λύσαντα παντάπασιν ἐς μέσον ἀναγνῶναι. διάνοιαν δὲ τοιαύτην εἶχε τὰ γεγραμμένα.

“Βασιλεὺς Αἰγυπτίων Ἄμασις λέγει Βίαντι σοφωτάτῳ Ἑλλήνων.

“Βασιλεὺς Αἰθιόπων ἔχει πρὸς ἐμὲ σοφίας ἅμιλλαν. ἡττώμενος δὲ τοῖς ἄλλοις ἐπὶ πᾶσι συντέθεικεν ἄτοπον ἐπίταγμα καὶ δεινόν, ἐκπιεῖν με κελεύων τὴν θάλατταν. ἔστι δὲ λύσαντι μὲν ἔχειν κώμας τε πολλὰς καὶ πόλεις τῶν ἐκείνου, [c] μὴ λύσαντι δ’ ἄστεων τῶν περὶ Ἐλεφαντίνην ἀποστῆναι. σκεψάμενος οὖν εὐθὺς ἀπόπεμπε Νειλόξενον. ἃ δὲ δεῖ φίλοις σοῖς ἢ πολίταις γενέσθαι παρ’ ἡμῶν οὐ τἀμὰ κωλύσει.”

Τούτων ἀναγνωσθέντων οὐ πολὺν χρόνον ἐπισχὼν ὁ Βίας, ἀλλὰ μικρὰ μὲν αὐτὸς πρὸς αὑτῷ γενόμενος μικρὰ δὲ τῷ Κλεοβούλῳ προσομιλήσας ἐγγὺς κατακειμένῳ “τί λέγεις,” εἶπεν, “ὦ Ναυκρατῖτα; βασιλεύων ἀνθρώπων τοσούτων Ἄμασις, κεκτημένος δὲ χώραν ἀρίστην τοσαύτην ἐθελήσει ἐπὶ κώμαις ἀδόξοις καὶ λυπραῖς ἐκπιεῖν θάλατταν;”

Καὶ ὁ Νειλόξενος γελάσας “ὡς θελήσαντος,” εἶπεν, “ὦ Βία, σκόπει τὸ δυνατόν.”

[d] “Φραζέτω τοίνυν,” ἔφη, “τῷ Αἰθίοπι τοὺς ἐμβάλλοντας εἰς τὰ πελάγη ποταμοὺς ἐπισχεῖν, ἕως αὐτὸς ἐκπίνει τὴν νῦν οὖσαν θάλατταν· περὶ ταύτης γὰρ τὸ ἐπίταγμα γέγονεν, οὐ τῆς ὕστερον ἐσομένης.”

Ὡς δὲ ταῦτ’ εἶπεν ὁ Βίας, ὁ μὲν Νειλόξενος ὑφ’ ἡδονῆς ὥρμησε περιβαλεῖν τὸν Βίαντα καὶ φιλῆσαι· τῶν δ’ ἄλλων ἐπαινεσάντων καὶ ἀποδεξαμένων γελάσας ὁ Χίλων, “ὦ Ναυκρατῖτα,” ἔφη, “ξένε, πρὶν ἀπολέσθαι τὴν θάλατταν ἐκποθεῖσαν ἀπάγγελλε πλεύσας Ἀμάσιδι μὴ ζητεῖν ὅπως ἅλμην ἀναλώσει τοσαύτην, ἀλλὰ μᾶλλον ὅπως πότιμον καὶ γλυκεῖαν τοῖς ὑπηκόοις τὴν [e] βασιλείαν παρέξει· περὶ ταῦτα γὰρ δεινότατος Βίας καὶ διδάσκαλος τούτων ἄριστος, ἃ μαθὼν Ἄμασις οὐδὲν ἔτι τοῦ χρυσοῦ δεήσεται ποδανιπτῆρος ἐπὶ τοὺς Αἰγυπτίους, ἀλλὰ θεραπεύσουσι πάντες αὐτὸν καὶ ἀγαπήσουσι χρηστὸν ὄντα, κἂν μυριάκις ἢ νῦν ἀναφανῇ δυσγενέστερος.”

“Καὶ μήν,” ἔφη ὁ Περίανδρος, “ἄξιόν γε τοιαύτας ἀπαρχὰς τῷ βασιλεῖ συνεισενεγκεῖν ἅπαντας ‘ἀνδρακάς,’ ὥσπερ ἔφησεν Ὅμηρος· ἐκείνῳ τε γὰρ ἂν γένοιτο πλείονος ἀξία τῆς ἐμπορίας ἡ παρενθήκη, καὶ ἡμῖν ἀντὶ πάντων ὠφέλιμος.”

Εἰπόντος οὖν τοῦ Χίλωνος ὡς Σόλων κατάρχεσθαι [f] τοῦ λόγου δίκαιός ἐστιν, οὐ μόνον ὅτι πάντων προήκει καθ’ ἡλικίαν καὶ τυγχάνει κατακείμενος πρῶτος, ἀλλ’ ὅτι τὴν μεγίστην καὶ τελειοτάτην ἀρχὴν ἄρχει νόμους Ἀθηναίοις θέμενος, ὁ οὖν Νειλόξενος ἡσυχῇ πρὸς ἐμέ “πολλά γ’,” εἶπεν, “ὦ Διόκλεις, πιστεύεται ψευδῶς, καὶ χαίρουσιν οἱ πολλοὶ λόγους ἀνεπιτηδείους περὶ σοφῶν ἀνδρῶν αὐτοί τε πλάττοντες καὶ δεχόμενοι παρ’ ἑτέρων ἑτοίμως, οἷα καὶ πρὸς ἡμᾶς εἰς Αἴγυπτον ἀπηγγέλη περὶ Χίλωνος, ὡς ἄρα διαλύσαιτο τὴν πρὸς Σόλωνα φιλίαν καὶ [152] [a] ξενίαν, ὅτι τοὺς νόμους ὁ Σόλων ἔφη μετακινητοὺς εἶναι.”

Καὶ ἐγώ “γελοῖος,” ἔφην, “ὁ λόγος· οὕτω γὰρ δεῖ πρῶτον ἀποποιεῖσθαι τὸν Λυκοῦργον αὐτοῖς νόμοις ὅλην μετακινήσαντα τὴν Λακεδαιμονίων πολιτείαν.”

Μικρὸν οὖν ἐπισχὼν ὁ Σόλων “ἐμοὶ μέν,” ἔφη, “δοκεῖ μάλιστ’ ἂν ἔνδοξος γενέσθαι καὶ βασιλεὺς καὶ τύραννος, εἰ δημοκρατίαν ἐκ μοναρχίας κατασκευάσειε τοῖς πολίταις.”

Δεύτερος δ’ ὁ Βίας εἶπεν, “εἰ πρῶτος χρῷτο τοῖς νόμοις τῆς πατρίδος.”

Ἐπὶ τούτῳ δ’ ὁ Θαλῆς ἔφησεν, εὐδαιμονίαν ἄρχοντος νομίζειν, εἰ τελευτήσειε γηράσας κατὰ φύσιν.

Τέταρτος Ἀνάχαρσις, “εἰ μόνον εἴη φρόνιμος.”

Πέμπτος δ’ ὁ Κλεόβουλος, “εἰ μηδενὶ πιστεύοι τῶν συνόντων.”

[b] Ἕκτος δ’ ὁ Πιττακός, “εἰ τοὺς ὑπηκόους ὁ ἄρχων παρασκευάσειε φοβεῖσθαι μὴ αὐτὸν ἀλλ’ ὑπὲρ αὐτοῦ.”

Μετὰ τοῦτον ὁ Χίλων ἔφη τὸν ἄρχοντα χρῆναι μηδὲν φρονεῖν θνητόν, ἀλλὰ πάντ’ ἀθάνατα.

Ῥηθέντων δὲ τούτων ἠξιοῦμεν ἡμεῖς καὶ αὐτὸν εἰπεῖν τι τὸν Περίανδρον. ὁ δ’ οὐ μάλα φαιδρὸς ἀλλὰ συστήσας τὸ πρόσωπον “ἐγὼ τοίνυν,” ἔφη, “προσαποφαίνομαι τὰς εἰρημένας γνώμας ἁπάσας σχεδὸν ἀφιστάναι τοῦ ἄρχειν τὸν νοῦν ἔχοντα.”

Καὶ ὁ Αἴσωπος οἷον ἐλεγκτικῶς “ἔδει τοίνυν,” ἔφη, “τοῦτο καθ’ ἑαυτοὺς περαίνειν καὶ μή, [c] συμβούλους φάσκοντας εἶναι καὶ φίλους, κατηγόρους γίγνεσθαι τῶν ἀρχόντων.”

Ἁψάμενος οὖν αὐτοῦ τῆς κεφαλῆς ὁ Σόλων καὶ διαμειδιάσας εἶπεν, “οὐκ ἂν δοκεῖ σοι μετριώτερον ἄρχοντα ποιεῖν καὶ τύραννον ἐπιεικέστερον ὁ πείθων ὡς ἄμεινον εἴη τὸ μὴ ἄρχειν ἢ τὸ ἄρχειν;”

“Τίς δ’ ἄν,” ἔφη, “σοὶ τοῦτο πεισθείη μᾶλλον ἢ τῷ θεῷ φράσαντι κατὰ τὸν πρὸς σὲ χρησμόν,

εὔδαιμον πτολίεθρον ἑνὸς κήρυκος ἀκοῦον;”

Καὶ ὁ Σόλων “ἀλλὰ μήν,” ἔφη, “καὶ νῦν ἑνὸς [d] Ἀθηναῖοι κήρυκος ἀκροῶνται καὶ ἄρχοντος τοῦ νόμου, δημοκρατίαν ἔχοντες. σὺ δὲ δεινὸς εἶ κοράκων ἐπαΐειν καὶ κολοιῶν, τῆς δ’ ἴσου φωνῆς οὐκ ἀκριβῶς ἐξακούεις, ἀλλὰ πόλιν μὲν οἴει κατὰ τὸν θεὸν ἄριστα πράττειν τὴν ἑνὸς ἀκούουσαν, συμποσίου δ’ ἀρετὴν νομίζεις τὸ πάντας διαλέγεσθαι καὶ περὶ πάντων.”

“Σὺ γάρ,” ἔφη ὁ Αἴσωπος, “οὔπω γέγραφας ὅ τι ὅμοιον ἦν, οἰκέτας μὴ μεθύειν, ὡς ἔγραψας Ἀθήνησιν οἰκέτας μὴ ἐρᾶν μηδὲ ξηραλοιφεῖν.”

Γελάσαντος οὖν τοῦ Σόλωνος Κλεόδωρος ὁ ἰατρός “ἀλλ’ ὅμοιον,” ἔφη, “τὸ ξηραλοιφεῖν τῷ λαλεῖν ἐν οἴνῳ βρεχόμενον· ἥδιστον γάρ ἐστι.”

[e] Καὶ ὁ Χίλων ὑπολαβὼν ἔφη “διὰ τοῦτό τοι μᾶλλον ἀφεκτέον αὐτοῦ.”

Πάλιν δ’ ὁ Αἴσωπος, “καὶ μήν,” ἔφη, “Θαλῆς ἔδοξεν εἰπεῖν ὅτι τάχιστα γηράσαι.”

Γελάσας οὖν ὁ Περίανδρος, “ἔχομεν,” εἶπεν, “Αἴσωπε, τὴν δίκην προσηκόντως ἅτε, πρὶν ἢ τοὺς Ἀμάσιδος οὓς προειλόμεθα πάντας εἰσαγαγεῖν λόγους, εἰς ἑτέρους ἐμπεσόντες. ὅρα δή, Νειλόξενε, τὰ λοιπὰ τῆς ἐπιστολῆς, καὶ χρῶ παροῦσιν ἐν ταὐτῷ τοῖς ἀνδράσιν.”

“Ἀλλὰ μήν,” ὁ Νειλόξενος ἔφη, “τὴν μὲν τοῦ Αἰθίοπος ἐπίταξιν οὐδὲν ἄν τις ἄλλο πλὴν ‘ἀχνυμένην σκυτάλην’ προσείποι κατ’ Ἀρχίλοχον, [f] ὁ δὲ σὸς ξένος Ἄμασις ἡμερώτερος ἐν τοῖς τοιούτοις προβλήμασι καὶ μουσικώτερος γέγονεν· ἐκέλευσε γὰρ αὐτὸν εἰπεῖν τὸ πρεσβύτατον καὶ τὸ κάλλιστον καὶ τὸ

μέγιστον καὶ τὸ σοφώτατον καὶ τὸ κοινότατον, καὶ ναὶ μὰ Δία πρὸς τούτοις τὸ ὠφελιμώτατον, καὶ τὸ βλαβερώτατον καὶ τὸ ἰσχυρότατον καὶ τὸ ῥᾷστον εἰπεῖν.”

“Ἆρ’ οὖν ἀπεκρίνατο καὶ διέλυσε τούτων ἕκαστον;”

“Οὕτως,” ὁ Νειλόξενος ἔφη· “κρίνετε δ’ ὑμεῖς ἀκούσαντες. περὶ πολλοῦ γὰρ ὁ βασιλεὺς [153] [a] ποιεῖται μήτε συκοφαντῶν ἁλῶναι τὰς ἀποκρίσεις, εἴ τέ τι σφάλλεται κατὰ ταύτας ὁ ἀποκρινάμενος, τοῦτο μὴ διαφυγεῖν ἀνεξέλεγκτον. ἀναγνώσομαι δ’ ὑμῖν ὥσπερ ἀπεκρίνατο·

‘Τί πρεσβύτατον;’ ‘χρόνος.’

‘Τί μέγιστον;’ ‘κόσμος.’

‘Τί σοφώτατον;’ ‘ἀλήθεια.’

‘Τί κάλλιστον;’ ‘φῶς.’

‘Τί κοινότατον;’ ‘θάνατος.’

‘Τί ὠφελιμώτατον;’ ‘θεός.’

‘Τί βλαβερώτατον;’ ‘δαίμων.’

‘Τί ῥωμαλεώτατον;’ ‘τύχη.’

‘Τί ῥᾷστον;’ ‘ἡδύ.’”

Τούτων πάλιν ἀναγνωσθέντων, ὦ Νίκαρχε, γενομένης σιωπῆς Θαλῆς ἠρώτησε τὸν Νειλόξενον εἰ προσήκατο τὰς λύσεις ὁ Ἄμασις. ἐκείνου δ’ εἰπόντος ὅτι τὰς μὲν ἀπεδέξατο ταῖς δ’ ἐδυσκόλαινε, [b] “καὶ μὴν οὐδέν,” εἶπεν ὁ Θαλῆς, “ἀνεπίληπτόν ἐστιν, ἀλλ’ ἔχει πάντα διαμαρτίας μεγάλας καὶ ἀγνοίας. οἷον εὐθὺς ὁ χρόνος πῶς ἂν εἴη πρεσβύτατον, εἰ τὸ μὲν αὐτοῦ γεγονὸς τὸ δ’ ἐνεστὼς ἐστι τὸ δὲ μέλλον; ὁ γὰρ μεθ’ ἡμᾶς ἐσόμενος χρόνος καὶ πραγμάτων τῶν νῦν καὶ ἀνθρώπων νεώτερος ἂν φανείη. τὸ δὲ τὴν ἀλήθειαν ἡγεῖσθαι σοφίαν οὐδὲν ἐμοὶ δοκεῖ διαφέρειν τοῦ τὸ φῶς ὀφθαλμὸν ἀποφαίνειν. εἰ δὲ τὸ φῶς καλόν, ὥσπερ ἐστὶν, ἐνόμιζε, πῶς τὸν ἥλιον αὐτὸν παρεῖδε; τῶν δ’ ἄλλων ἡ μὲν περὶ θεῶν καὶ δαιμόνων ἀπόκρισις θράσος ἔχει καὶ κίνδυνον, [c] ἀλογίαν δὲ καὶ πολλὴν ἡ περὶ τῆς τύχης· οὐ γὰρ ἂν μετέπιπτε ῥᾳδίως οὕτως, ἰσχυρότατον οὖσα τῶν ὄντων καὶ ῥωμαλεώτατον. οὐ μὴν οὐδ’ ὁ θάνατος κοινότατόν ἐστιν· οὐ γάρ ἐστι πρὸς τοὺς ζῶντας. ἀλλ’ ἵνα μὴ δοκῶμεν εὐθύνειν τὰς τῶν ἑτέρων ἀποφάσεις, ἰδίας ταῖς ἐκείνου παραβάλωμεν· ἐμαυτὸν δὲ παρέχω πρῶτον, εἰ βούλεται Νειλόξενος, ἐρωτᾶν καθ’ ἕκαστον. ὡς οὖν ἐγένοντο τότε, κἀγὼ νῦν διηγήσομαι τὰς ἐρωτήσεις καὶ τὰς ἀποκρίσεις·

‘Τί πρεσβύτατον;’ ‘θεός,’” ἔφη Θαλῆς· “‘ἀγέννητον γάρ ἐστι.’

‘Τί μέγιστον;’ ‘τόπος· τἄλλα μὲν γὰρ ὁ [d] κόσμος, τὸν δὲ κόσμον οὗτος περιέχει.’

‘Τί κάλλιστον;’ ‘κόσμος· πᾶν γὰρ τὸ κατὰ τάξιν τούτου μέρος ἐστί.’

‘Τί σοφώτατον;’ ‘χρόνος· τὰ μὲν γὰρ εὕρηκεν οὗτος ἤδη, τὰ δ’ εὑρήσει.’

‘Τί κοινότατον;’ ‘ἐλπίς· καὶ γὰρ οἷς ἄλλο μηδέν, αὕτη πάρεστι.’ ‘Τί ὠφελιμώτατον;’ ‘ἀρετή· καὶ γὰρ τἄλλα τῷ χρῆσθαι καλῶς ὠφέλιμα ποιεῖ.’

‘Τί βλαβερώτατον;’ ‘κακία· καὶ γὰρ τὰ πλεῖστα βλάπτει παραγενομένη.’

‘Τί ἰσχυρότατον;’ ‘ἀνάγκη· μόνον γὰρ ἀνίκητον.’

‘Τί ῥᾷστον;’ ‘τὸ κατὰ φύσιν, ἐπεὶ πρὸς ἡδονάς γε πολλάκις ἀπαγορεύουσιν.’”

[e] Ἀποδεξαμένων δὲ πάντων τὸν Θαλῆν, ὁ Κλεόδωρος εἶπε, “τοιαῦτ’ ἐρωτᾶν καὶ ἀποκρίνεσθαι βασιλεῦσιν, ὦ Νειλόξενε, προσῆκόν ἐστιν· ὁ δὲ προπίνων τὴν θάλατταν Ἀμάσιδι βάρβαρος ἐδεῖτο τῆς Πιττακοῦ βραχυλογίας, ᾗ πρὸς Ἀλυάττην ἐχρήσατο προστάττοντά τι καὶ γράφοντα Λεσβίοις ὑπερήφανον, ἀποκρινάμενος οὐδὲν ἀλλ’ ἢ μόνον κελεύσας κρόμμυα καὶ θερμὸν ἄρτον ἐσθίειν.”

Ὑπολαβὼν οὖν ὁ Περίανδρος “ἀλλὰ μήν,” ἔφη, “καὶ τοῖς παλαιοῖς Ἕλλησιν ἔθος ἦν, ὦ Κλεόδωρε, [f] τοιαύτας ἀλλήλοις ἀπορίας προβάλλειν. ἀκούομεν γὰρ ὅτι καὶ πρὸς τὰς Ἀμφιδάμαντος ταφὰς εἰς Χαλκίδα τῶν τότε σοφῶν οἱ δοκιμώτατοι ποιηταὶ συνῆλθον· ἦν δ’ ὁ Ἀμφιδάμας ἀνὴρ πολεμικός, καὶ πολλὰ πράγματα παρασχὼν Ἐρετριεῦσιν ἐν ταῖς περὶ Ληλάντου μάχαις ἔπεσεν. ἐπεὶ δὲ τὰ παρεσκευασμένα τοῖς ποιηταῖς ἔπη χαλεπὴν καὶ δύσκολον ἐποίει τὴν κρίσιν διὰ τὸ ἐφάμιλλον, ἥ τε δόξα τῶν ἀγωνιστῶν, Ὁμήρου καὶ Ἡσιόδου, πολλὴν [154] [a] ἀπορίαν μετ’ αἰδοῦς τοῖς κρίνουσι παρεῖχεν, ἐτράποντο πρὸς τοιαύτας ἐρωτήσεις, καὶ προέβαλ’ ὁ μέν, ὥς φησι Λέσχης,

Μοῦσά μοι ἔννεπε κεῖνα, τὰ μήτ’ ἐγένοντο πάροιθε
μήτ’ ἔσται μετόπισθεν,

ἀπεκρίνατο δ’ Ἡσίοδος ἐκ τοῦ παρατυχόντος

ἀλλ’ ὅταν ἀμφὶ Διὸς τύμβῳ καναχήποδες ἵπποι
ἅρματα συντρίψωσιν ἐπειγόμενοι περὶ νίκης.

καὶ διὰ τοῦτο λέγεται μάλιστα θαυμασθεὶς τοῦ τρίποδος τυχεῖν.”

“Τί δὲ ταῦθ’,” ὁ Κλεόδωρος εἶπε, “διαφέρει [b] τῶν Εὐμήτιδος αἰνιγμάτων; ἃ ταύτην μὲν ἴσως οὐκ ἀπρεπές ἐστι παίζουσαν καὶ διαπλέκουσαν ὥσπερ ἕτεραι ζωνία καὶ κεκρυφάλους προβάλλειν ταῖς γυναιξίν, ἄνδρας δὲ νοῦν ἔχοντας ἔν τινι σπουδῇ τίθεσθαι γελοῖον.”

Ἡ μὲν οὖν Εὔμητις ἡδέως ἂν εἰποῦσά τι πρὸς αὐτόν, ὡς ἐφαίνετο, κατέσχεν ἑαυτὴν ὑπ’ αἰδοῦς, καὶ ἀνεπλήσθη τὸ πρόσωπον ἐρυθήματος· ὁ δ’ Αἴσωπος οἷον ἀμυνόμενος ὑπὲρ αὐτῆς “οὐ γελοιότερον οὖν,” εἶπε, “τὸ μὴ

δύνασθαι ταῦτα διαλύειν, οἷόν ἐστιν ὃ μικρὸν ἔμπροσθεν ἡμῖν τοῦ δείπνου προέβαλεν,

ἄνδρ’ εἶδον πυρὶ χαλκὸν ἐπ’ ἀνέρι κολλήσαντα;

τί τοῦτ’ ἐστὶν ἔχοις ἂν εἰπεῖν;”

[c] “Ἀλλ’ οὐδὲ μαθεῖν δέομαι,” ἔφη ὁ Κλεόδωρος.

“Καὶ μὴν οὐδείς,” ἔφη, “σοῦ τοῦτο μᾶλλον οἶδεν οὐδὲ ποιεῖ βέλτιον· εἰ δ’ ἀρνῇ, μάρτυρας ἔχω σικύας.”

Ὁ μὲν οὖν Κλεόδωρος ἐγέλασε· καὶ γὰρ ἐχρῆτο μάλιστα ταῖς σικύαις τῶν καθ’ αὑτὸν ἰατρῶν, καὶ δόξαν οὐχ ἥκιστα τὸ βοήθημα τοῦτο δι’ ἐκεῖνον ἔσχηκε.

Μνησίφιλος δ’ ὁ Ἀθηναῖος, ἑταῖρος ὢν καὶ ζηλωτὴς Σόλωνος, “ἐγώ τοι,” εἶπεν, “ὦ Περίανδρε, τὸν λόγον ἀξιῶ καθάπερ τὸν οἶνον μὴ πλουτίνδην [d] μηδ’ ἀριστίνδην ἀλλ’ ἐξ ἴσου πᾶσιν ὥσπερ ἐν δημοκρατίᾳ νέμεσθαι καὶ κοινὸν εἶναι· τῶν δ’ ἄρτι περὶ ἀρχῆς καὶ βασιλείας εἰρημένων οὐδὲν ἡμῖν τοῖς δημοτικοῖς μέτεστιν. ὅθεν οἰόμεθα δεῖν πάλιν ἕκαστον ὑμῶν περὶ πολιτείας ἰσονόμου γνώμην τινὰ συμβαλέσθαι, ἀρξαμένους αὖθις ἀπὸ Σόλωνος.”

Ἐδόκει δὴ ταῦτα ποιεῖν. καὶ πρῶτος ὁ Σόλων “ἀλλ’ ἀκήκοας μέν,” εἶπεν, “ὦ Μνησίφιλε, μετὰ πάντων Ἀθηναίων ἣν ἔχω γνώμην περὶ πολιτείας· εἰ δὲ βούλει καὶ νῦν ἀκούειν, δοκεῖ μοι πόλις ἄριστα πράττειν καὶ μάλιστα σῴζειν δημοκρατίαν, [e] ἐν ᾗ τὸν ἀδικήσαντα τοῦ ἀδικηθέντος οὐδὲν ἧττον οἱ μὴ ἀδικηθέντες προβάλλονται καὶ κολάζουσι.”

Δεύτερος δ’ ὁ Βίας ἔφησε κρατίστην εἶναι δημοκρατίαν ἐν ᾗ πάντες ὡς τύραννον φοβοῦνται τὸν νόμον.

Ἐπὶ τούτῳ Θαλῆς τὴν μήτε πλουσίους ἄγαν μήτε πένητας ἔχουσαν πολίτας.

Μετὰ δὲ τοῦτον ὁ Ἀνάχαρσις ἐν ᾗ τῶν ἄλλων ἴσων νομιζομένων ἀρετῇ τὸ βέλτιον ὁρίζεται, καὶ κακίᾳ τὸ χεῖρον.

Πέμπτος δ’ ὁ Κλεόβουλος ἔφη μάλιστα σωφρονεῖν δῆμον ὅπου τὸν ψόγον μᾶλλον οἱ πολιτευόμενοι δεδοίκασιν ἢ τὸν νόμον.

Ἕκτος δ’ ὁ Πιττακός, ὅπου τοῖς πονηροῖς οὐκ ἔξεστιν ἄρχειν καὶ τοῖς ἀγαθοῖς οὐκ ἔξεστι μὴ ἄρχειν.

[f] Μεταστραφεὶς δ’ ὁ Χίλων ἀπεφήνατο τὴν μάλιστα νόμων ἥκιστα δὲ ῥητόρων ἀκούουσαν πολιτείαν ἀρίστην εἶναι.

Τελευταῖος δὲ πάλιν ὁ Περίανδρος ἐπικρίνων ἔφη δοκεῖν αὐτῷ πάντας ἐπαινεῖν δημοκρατίαν τὴν ὁμοιοτάτην ἀριστοκρατίᾳ.

Τέλος δὲ καὶ τούτου τοῦ λόγου λαβόντος ἠξίουν ἐγὼ καὶ περὶ οἴκου ᾗ χρηστέον εἰπεῖν τοὺς ἄνδρας ἡμῖν· “βασιλείας μὲν γὰρ καὶ πόλεις ὀλίγοι

κυβερνῶσιν, ἑστίας δὲ πᾶσιν ἡμῖν καὶ οἴκου μέτεστι.”

Γελάσας οὖν ὁ Αἴσωπος, “οὔκ, εἴγε τῶν πάντων,” [155] [a] ἔφη, “καὶ Ἀνάχαρσιν ἀριθμεῖς· τούτῳ γὰρ οἶκος οὐκ ἔστιν, ἀλλὰ καὶ σεμνύνεται τῷ ἄοικος εἶναι, χρῆσθαι δ’ ἁμάξῃ, καθάπερ τὸν ἥλιον ἐν ἅρματι λέγουσι περιπολεῖν, ἄλλοτ’ ἄλλην ἐπινεμόμενον τοῦ οὐρανοῦ χώραν.”

Καὶ ὁ Ἀνάχαρσις, “διὰ τοῦτό τοι,” εἶπεν, “ἢ μόνος ἢ μάλιστα τῶν θεῶν ἐλεύθερός ἐστι καὶ αὐτόνομος, καὶ κρατεῖ πάντων, κρατεῖται δ’ ὑπ’ οὐδενός, ἀλλὰ βασιλεύει καὶ ἡνιοχεῖ. πλὴν σέ γε τὸ ἅρμα λέληθεν αὐτοῦ, ὡς ὑπερφυὲς κάλλει καὶ [b] μεγέθει θαυμάσιόν ἐστιν· οὐ γὰρ ἂν παίζων ἐπὶ γέλωτι παρέβαλες ἐκεῖνο τοῖς ἡμετέροις. οἶκον δέ μοι δοκεῖς, ὦ Αἴσωπε, ταυτὶ τὰ πήλινα καὶ ξύλινα καὶ κεραμεᾶ στεγάσματα νομίζειν, ὥσπερ εἰ κοχλίαν ἡγοῖο τὸ κέλυφος, ἀλλὰ μὴ τὸ ζῷον. εἰκότως οὖν σοι γέλωτα παρέσχεν ὁ Σόλων, ὅτι τοῦ Κροίσου τὴν οἰκίαν κεκοσμημένην πολυτελῶς θεασάμενος οὐκ εὐθὺς ἀπεφήνατο τὸν κεκτημένον εὐδαιμόνως οἰκεῖν καὶ μακαρίως, ἅτε δὴ τῶν ἐν αὐτῷ μᾶλλον ἀγαθῶν ἢ τῶν παρ’ αὐτῷ βουλόμενος γενέσθαι θεατής· σὺ δ’ ἔοικας οὐδὲ τῆς σεαυτοῦ μνημονεύειν ἀλώπεκος. ἐκείνη μὲν γὰρ εἰς ἀγῶνα ποικιλίας καταστᾶσα πρὸς τὴν πάρδαλιν ἠξίου τὰ ἐντὸς αὐτῆς καταμαθεῖν τὸν δικαστήν, [c] ποικιλωτέρα γὰρ ἐκεῖθεν φανεῖσθαι· σὺ δὲ τὰ τεκτόνων καὶ λιθοξόων ἔργα περινοστεῖς, οἶκον ἡγούμενος, οὐ τὰ ἐντὸς ἑκάστου καὶ οἰκεῖα, παῖδας καὶ γάμον καὶ φίλους καὶ θεράποντας, οἷς κἂν ἐν μυρμηκιᾷ τις ἢ νεοττιᾷ νοῦν ἔχουσι καὶ σωφρονοῦσι κοινωνῇ τῶν ὑπαρχόντων, χρηστὸν οἶκον οἰκεῖ καὶ μακάριον. ἐγὼ μὲν οὖν,” ἔφη, “ταῦτα καὶ πρὸς Αἴσωπον ἀποκρίνομαι καὶ Διοκλεῖ συμβάλλομαι· τῶν δ’ ἄλλων ἕκαστος ἀποφαίνεσθαι δίκαιός ἐστι τὴν ἑαυτοῦ γνώμην.”

Τοῦτον οὖν ἄριστον ὁ Σόλων εἶπεν αὐτῷ δοκεῖν οἶκον, ὅπου τὰ χρήματα μήτε κτωμένοις ἀδικία [d] μήτε φυλάττουσιν ἀπιστία μήτε δαπανῶσι μετάνοια πρόσεστιν.

Ὁ δὲ Βίας ἐν ᾧ τοιοῦτός ἐστιν ὁ δεσπότης δι’ αὑτὸν οἷος ἔξω διὰ τὸν νόμον.

Ὁ δὲ Θαλῆς ἐν ᾧ πλείστην ἄγειν τῷ δεσπότῃ σχολὴν ἔξεστιν.

Ὁ δὲ Κλεόβουλος εἰ πλείονας ἔχοι τῶν φοβουμένων αὐτὸν τοὺς φιλοῦντας ὁ δεσπότης.

Ὁ δὲ Πιττακὸς εἶπεν ὡς ἄριστος οἶκός ἐστιν ὁ τῶν περιττῶν μηδενὸς δεόμενος καὶ τῶν ἀναγκαίων μηδενὸς ἐνδεόμενος.

Ὁ δὲ Χίλων ἔφη δεῖν μάλιστα βασιλευομένῃ πόλει προσεοικέναι τὸν οἶκον. εἶτα προσεπεῖπεν ὅτι καὶ Λυκοῦργος πρὸς τὸν κελεύοντα δημοκρατίαν

[e] ἐν τῇ πόλει καταστῆσαι, “πρῶτος,” ἔφη, “ποίησον ἐν τῇ οἰκίᾳ σου δημοκρατίαν.”

Ἐπεὶ δὲ καὶ οὗτος ἔσχεν ὁ λόγος τέλος, ἡ μὲν Εὔμητις ἐξῆλθε μετὰ τῆς Μελίσσης, τοῦ δὲ Περιάνδρου τῷ Χίλωνι προπιόντος εὐμεγέθη κύλικα, τῷ δὲ Βίαντι τοῦ Χίλωνος, Ἄρδαλος ἐπαναστὰς καὶ προσαγορεύσας τὸν Αἴσωπον, “σὺ δ’ οὐκ ἄν,” ἔφη, “διαπέμψαιο δεῦρο τὸ ποτήριον πρὸς ἡμᾶς, ὁρῶν τούτους ὥσπερ τὴν Βαθυκλέους κύλικα διαπεμπομένους ἀλλήλοις, ἑτέρῳ δὲ μὴ μεταδιδόντας;”

[f] Καὶ ὁ Αἴσωπος, “ἀλλ’ οὐδὲ τοῦτ’,” ἔφη, “τὸ ποτήριον δημοτικόν ἐστι· Σόλωνι γὰρ ἔκπαλαι παράκειται μόνῳ.”

Τὸν οὖν Μνησίφιλον προσαγορεύσας ὁ Πιττακὸς ἠρώτησε τί οὐ πίνει Σόλων ἀλλὰ καταμαρτυρεῖ τῶν ποιημάτων ἐν οἷς γέγραφεν,

ἔργα δὲ Κυπρογενοῦς νῦν μοι φίλα καὶ Διονύσου
καὶ Μουσέων, ἃ τίθησ’ ἀνδράσιν εὐφροσύνας.

Ὑποφθάσας δ’ Ἀνάχαρσις “σὲ γάρ, ὦ Πιττακέ, καὶ τὸν σὸν ἐκεῖνον τὸν χαλεπὸν φοβεῖται νόμον, ἐν ᾧ γέγραφας Ἐάν τις ὁτιοῦν μεθύων ἁμάρτῃ, διπλασίαν ἢ τῷ νήφοντι τὴν ζημίαν εἶναι.”

Καὶ ὁ Πιττακός, “σὺ δέ γ’,” εἶπεν, “οὕτως ἐξύβρισας εἰς τὸν νόμον, ὥστε πέρυσι παρ’ Ἀλκαίου ἀδελφῷ μεθυσθεὶς ἆθλον αἰτεῖν καὶ στέφανον.”

[156] [a] “Τί δ’ οὐκ ἔμελλον,” ἔφη ὁ Ἀνάχαρσις, “τῷ πλεῖστον πιόντι προκειμένων ἄθλων πρῶτος μεθυσθεὶς ἀπαιτεῖν τὸ νικητήριον; ἢ διδάξατέ μ’ ὑμεῖς, τί τέλος ἐστὶ τοῦ πολὺν πιεῖν ἄκρατον ἢ τὸ μεθυσθῆναι.”

Τοῦ δὲ Πιττακοῦ γελάσαντος ὁ Αἴσωπος λόγον εἶπε τοιοῦτον· “λύκος ἰδὼν ποιμένας ἐσθίοντας ἐν σκηνῇ πρόβατον ἐγγὺς προσελθών, ‘ἡλίκος ἂν ἦν,’ ἔφη, ‘θόρυβος ὑμῖν, εἰ ἐγὼ τοῦτ’ ἐποίουν.’”

Καὶ ὁ Χίλων “ὀρθῶς,” ἔφη, “Αἴσωπος ἠμύνατο, μικρὸν ἔμπροσθεν ἐπιστομισθεὶς ὑφ’ ἡμῶν, εἶτα νῦν ὁρῶν ἑτέρους τὸν Μνησιφίλου λόγον ὑφηρπακότας· Μνησίφιλος γὰρ ᾐτήθη τὴν ὑπὲρ Σόλωνος ἀπόκρισιν.”

[b] “Καὶ λέγω,” ὁ Μνησίφιλος εἶπεν, “εἰδὼς ὅτι Σόλωνι δοκεῖ πάσης τέχνης καὶ δυνάμεως ἀνθρωπίνης τε καὶ θείας ἔργον εἶναι τὸ γιγνόμενον μᾶλλον ἢ δι’ οὗ γίγνεται, καὶ τὸ τέλος ἢ τὰ πρὸς τὸ τέλος. ὑφάντης τε γὰρ ἂν οἶμαι χλαμύδα ποιήσαιτο μᾶλλον ἔργον αὑτοῦ καὶ ἱμάτιον ἢ κανόνων διάθεσιν καὶ ἀνάρτησιν ἀγνύθων, χαλκεύς τε κόλλησιν σιδήρου καὶ στόμωσιν πελέκεως μᾶλλον ἤ τι τῶν ἕνεκα τούτου γιγνομένων ἀναγκαίων, οἷον ἀνθράκων ἐκζωπύρησιν ἢ λατύπης παρασκευήν. ἔτι δὲ μᾶλλον ἀρχιτέκτων μέμψαιτ’ ἂν ἡμᾶς ἔργον αὑτοῦ μὴ ναὸν μηδ’ οἰκίαν ἀποφαίνοντας, [c] ἀλλὰ τρυπῆσαι ξύλα καὶ φυρᾶσαι πηλόν· αἱ δὲ Μοῦσαι καὶ

παντάπασιν, εἰ νομίζοιμεν αὐτῶν ἔργον εἶναι κιθάραν καὶ αὐλούς, ἀλλὰ μὴ τὸ παιδεύειν τὰ ἤθη καὶ παρηγορεῖν τὰ πάθη τῶν χρωμένων μέλεσι καὶ ἁρμονίαις. οὐκοῦν οὐδὲ τῆς Ἀφροδίτης ἔργον ἐστὶ συνουσία καὶ μεῖξις, οὐδὲ τοῦ Διονύσου μέθη καὶ οἶνος, ἀλλ' ἣν ἐμποιοῦσι διὰ τούτων φιλοφροσύνην καὶ πόθον καὶ ὁμιλίαν ἡμῖν καὶ συνήθειαν πρὸς ἀλλήλους· ταῦτα γὰρ ἔργα θεῖα καλεῖ Σόλων, καὶ ταῦτά φησιν ἀγαπᾶν καὶ διώκειν μάλιστα πρεσβύτης γενόμενος. ἔστι δὲ τῆς μὲν πρὸς γυναῖκας ἀνδρῶν ὁμοφροσύνης [d] καὶ φιλίας δημιουργὸς ἡ Ἀφροδίτη, τοῖς σώμασιν ὑφ' ἡδονῆς ἅμα συμμιγνύουσα καὶ συντήκουσα τὰς ψυχάς· τοῖς δὲ πολλοῖς καὶ μὴ πάνυ συνήθεσι μηδ' ἄγαν γνωρίμοις ὁ Διόνυσος ὥσπερ ἐν πυρὶ τῷ οἴνῳ μαλάττων τὰ ἤθη καὶ ἀνυγραίνων ἀρχήν τινα συγκράσεως πρὸς ἀλλήλους καὶ φιλίας ἐνδίδωσιν. ὅταν δὲ τοιοῦτοι συνέλθωσιν ἄνδρες, οἵους ὁ Περίανδρος ὑμᾶς παρακέκληκεν, οὐδὲν ἔργον ἐστὶν οἶμαι κύλικος οὐδ' οἰνοχόης, ἀλλ' αἱ Μοῦσαι καθάπερ κρατῆρα νηφάλιον ἐν μέσῳ προθέμεναι τὸν λόγον, ᾧ πλεῖστον ἡδονῆς ἅμα καὶ παιδιᾶς καὶ σπουδῆς ἔνεστιν, ἐγείρουσι τούτῳ καὶ κατάρδουσι καὶ διαχέουσι τὴν φιλοφροσύνην, [e] ἐῶσαι τὰ πολλὰ τὴν 'οἰνοχόην' ἀτρέμα κεῖσθαι 'κρητῆρος ὕπερθεν,' ὅπερ ἀπηγόρευσεν Ἡσίοδος ἐν τοῖς πίνειν μᾶλλον ἢ διαλέγεσθαι δυναμένοις. ἐπεὶ τάς γε προπόσεις αὐτάς," ἔφη, "πυνθάνομαι λείπειν τοῖς παλαιοῖς, ἓν 'δαιτρόν,' ὡς Ὅμηρος ἔφη, καὶ μετρητὸν ἑκάστου πίνοντος, εἶθ' ὥσπερ Αἴας μερίδος μεταδιδόντος τῷ πλησίον."

Εἰπόντος δὲ ταῦτα τοῦ Μνησιφίλου Χερσίας ὁ [f] ποιητής (ἀφεῖτο γὰρ ἤδη τῆς αἰτίας καὶ διήλλακτο τῷ Περιάνδρῳ νεωστί, Χίλωνος δεηθέντος) "ἆρ' οὖν," ἔφη, "καὶ τοῖς θεοῖς ὁ Ζεύς, ὥσπερ τοῖς ἀριστεῦσιν ὁ Ἀγαμέμνων, μετρητὸν ἐνέχει τὸ ποτόν, ὅτε προέπινον ἀλλήλοις ἑστιώμενοι παρ' αὐτῷ;"

Καὶ ὁ Κλεόδωρος, "σὺ δ', ὦ Χερσία," εἶπεν, "εἰ τὴν ἀμβροσίαν τῷ Διὶ πελειάδες τινὲς κομίζουσιν, ὡς ὑμεῖς λέγετε, τὰς Πλαγκτὰς ὑπερπετόμεναι χαλεπῶς καὶ μόλις, οὐ νομίζεις καὶ τὸ νέκταρ αὐτῷ δυσπόριστον εἶναι καὶ σπάνιον, [157] [a] ὥστε φείδεσθαι καὶ παρέχειν ἑκάστῳ τεταμιευμένον;"

"Ἴσως," εἶπεν ὁ Χερσίας· "ἀλλ' ἐπεὶ πάλιν οἰκονομίας λόγος γέγονε, τίς ἂν ὑμῶν φράσειεν ἡμῖν τὸ ἀπολειπόμενον; ἀπολείπεται δ' οἶμαι κτήσεώς τι λαβεῖν μέτρον αὐτάρκους καὶ ἱκανῆς ἐσομένης."

Καὶ ὁ Κλεόβουλος, "ἀλλὰ τοῖς μὲν σοφοῖς," ἔφη, "μέτρον ὁ νόμος δέδωκε, πρὸς δὲ τοὺς φαύλους ἐρῶ λόγον τῆς ἐμῆς θυγατρὸς ὃν πρὸς τὸν ἀδελφὸν εἶπεν. ἔφη γὰρ τὴν Σελήνην δεῖσθαι τῆς ἑαυτῆς μητρὸς ὅπως αὐτῇ χιτώνιον ὑφήνῃ [b] σύμμετρον· τὴν δ' εἰπεῖν 'καὶ πῶς σύμμετρον ὑφήνω; νῦν μὲν γὰρ ὁρῶ σε πανσέληνον, αὖθις δὲ μηνοειδῆ, τοτὲ δ' ἀμφίκυρτον.' οὕτω

δή, ὦ φίλε Χερσία, καὶ πρὸς ἄνθρωπον ἀνόητον καὶ φαῦλον οὐδέν ἐστι μέτρον οὐσίας· ἄλλοτε γὰρ ἄλλος ἐστὶ ταῖς χρείαις διὰ τὰς ἐπιθυμίας καὶ τὰς τύχας, ὥσπερ ὁ Αἰσώπου κύων, ὃν οὑτοσί φησιν ἐν τῷ χειμῶνι συστρεφόμενον καὶ συσπειρώμενον διὰ τὸ ῥιγοῦν οἰκίαν ποιεῖν διανοεῖσθαι, θέρους δ᾽ αὖ πάλιν ἐκτεταμένον καθεύδοντα φαίνεσθαι μέγαν ἑαυτῷ καὶ μήτ᾽ ἀναγκαῖον ἡγεῖσθαι μήτε μικρὸν ἔργον οἰκίαν περιβαλέσθαι τοσαύτην. ἦ γὰρ οὐχ ὁρᾷς," εἶπεν, "ὦ Χερσία, καὶ τοὺς [c] μιαροὺς νῦν μὲν εἰς μικρὰ κομιδῇ συστέλλοντας ἑαυτοὺς ὡς στρογγύλως καὶ Λακωνικῶς βιωσομένους, νῦν δέ, εἰ μὴ τὰ πάντων ἔχουσιν ἰδιωτῶν ἅμα καὶ βασιλέων, ὑπ᾽ ἐνδείας ἀπολεῖσθαι νομίζοντας;"

Ὡς οὖν ὁ Χερσίας ἀπεσιώπησεν, ὑπολαβὼν ὁ Κλεόδωρος, "ἀλλὰ καὶ τοὺς σοφούς," εἶπεν, "ὑμᾶς ὁρῶμεν ἀνίσοις μέτροις τὰς κτήσεις νενεμημένας πρὸς ἀλλήλους ἔχοντας."

Καὶ ὁ Κλεόβουλος, "ὁ γάρ τοι νόμος," εἶπεν, "ὦ βέλτιστε ἀνδρῶν, ὡς ὑφάντης ἑκάστῳ τὸ πρέπον ἡμῶν καὶ τὸ μέτριον καὶ τὸ ἁρμόττον [d] ἀποδίδωσι. καὶ σὺ καθάπερ τῷ νόμῳ τῷ λόγῳ τρέφων καὶ διαιτῶν καὶ φαρμακεύων τοὺς κάμνοντας οὐκ ἴσον ἑκάστῳ, τὸ δὲ προσῆκον ἀπονέμεις ἅπασιν."

Ὑπολαβὼν δ᾽ ὁ Ἄρδαλος, "ἆρ᾽ οὖν," ἔφη, "καὶ τὸν ἑταῖρον ὑμῶν Σόλωνος δὲ ξένον Ἐπιμενίδην νόμος τις ἀπέχεσθαι τῶν ἄλλων σιτίων κελεύει, τῆς δ᾽ ἀλίμου δυνάμεως ἣν αὐτὸς συντίθησι μικρὸν εἰς τὸ στόμα λαμβάνοντα διημερεύειν ἀνάριστον καὶ ἄδειπνον;"

Ἐπιστήσαντος δὲ τοῦ λόγου τὸ συμπόσιον ὁ μὲν Θαλῆς ἐπισκώπτων εὖ φρονεῖν ἔφη τὸν Ἐπιμενίδην ὅτι μὴ βούλεται πράγματα ἔχειν ἀλῶν τὰ σιτία καὶ πέττων ἑαυτῷ, καθάπερ [e] Πιττακός. "ἐγὼ γάρ," εἶπε, "τῆς ξένης ἤκουον ᾀδούσης πρὸς τὴν μύλην, ἐν Ἐρέσῳ γενόμενος,

ἄλει, μύλα, ἄλει·

καὶ γὰρ Πιττακὸς ἄλει

μεγάλας Μυτιλάνας βασιλεύων."

Ὁ δὲ Σόλων ἔφη θαυμάζειν τὸν Ἄρδαλον εἰ τὸν νόμον οὐκ ἀνέγνωκε τῆς διαίτης τοῦ ἀνδρὸς ἐν τοῖς ἔπεσι τοῖς Ἡσιόδου γεγραμμένον· ἐκεῖνος γάρ ἐστιν ὁ πρῶτος Ἐπιμενίδῃ σπέρματα τῆς τροφῆς ταύτης παρασχὼν καὶ ζητεῖν ὁ διδάξας

[f] ὅσον ἐν μαλάχῃ τε καὶ ἀσφοδέλῳ μέγ᾽ ὄνειαρ.

"Οἴει γάρ," ὁ Περίανδρος εἶπε, "τὸν Ἡσίοδον ἐννοῆσαί τι τοιοῦτον; οὐκ ἐπαινέτην ὄντα φειδοῦς ἀεί, καὶ πρὸς τὰ λιτότατα τῶν ὄψων ὡς ἥδιστα παρακαλεῖν ἡμᾶς; ἀγαθὴ μὲν γὰρ ἡ μαλάχη βρωθῆναι, γλυκὺς δ᾽ ὁ

ἀνθέρικος· τὰ δ’ ἄλιμα ταῦτα καὶ ἄδιψα φάρμακα μᾶλλον ἢ σιτία πυνθάνομαι καὶ μέλι καὶ τυρόν τινα βαρβαρικὸν δέχεσθαι καὶ σπέρματα πάμπολλα τῶν οὐκ εὐποριστων. πῶς οὖν ἐῶμεν Ἡσιόδῳ τὸ

πηδάλιον μὲν ὑπὲρ καπνοῦ

κείμενον

ἔργα βοῶν δ’ ἀπόλοιτο καὶ ἡμιόνων ταλαεργῶν,

εἰ τοσαύτης δεήσει παρασκευῆς; θαυμάζω δέ [158] [a] σου τὸν ξένον, ὦ Σόλων, εἰ Δηλίοις ἔναγχος ποιησάμενος τὸν μέγαν καθαρμὸν οὐχ ἱστόρησε παρ’ αὐτοῖς εἰς τὸ ἱερὸν κομιζόμενα τῆς πρώτης ὑπομνήματα τροφῆς καὶ δείγματα μετ’ ἄλλων εὐτελῶν καὶ αὐτοφυῶν μαλάχην καὶ ἀνθέρικον, ὧν εἰκός ἐστι καὶ τὸν Ἡσίοδον προξενεῖν ἡμῖν τὴν λιτότητα καὶ τὴν ἀφέλειαν.”

“Οὐ ταῦτ’,” ἔφη, “μόνον,” ὁ Ἀνάχαρσις, “ἀλλὰ καὶ πρὸς ὑγίειαν ἐν τοῖς μάλιστα τῶν λαχάνων ἑκάτερον ἐπαινεῖται.”

Καὶ ὁ Κλεόδωρος “ὀρθῶς,” ἔφη, “λέγεις. ἰατρικὸς γὰρ Ἡσίοδος, ὡς δῆλός ἐστιν οὐκ [b] ἀμελῶς οὐδ’ ἀπείρως περὶ διαίτης καὶ κράσεως οἴνου καὶ ἀρετῆς ὕδατος καὶ λουτροῦ καὶ γυναικῶν διαλεγόμενος καὶ συνουσίας καιροῦ καὶ βρεφῶν καθίσεως. ἀλλ’ Ἡσιόδου μὲν ἐμοὶ δοκεῖ δικαιότερον Αἴσωπος αὑτὸν ἀποφαίνειν μαθητὴν ἢ Ἐπιμενίδης· τούτῳ γὰρ ἀρχὴν τῆς καλῆς ταύτης καὶ ποικίλης καὶ πολυγλώσσου σοφίας ὁ πρὸς τὴν ἀηδόνα λόγος τοῦ ἱέρακος παρέσχηκεν. ἐγὼ δ’ ἂν ἡδέως ἀκούσαιμι Σόλωνος· εἰκὸς γὰρ αὐτὸν πεπύσθαι, πολὺν χρόνον Ἀθήνησιν Ἐπιμενίδῃ συγγενόμενον, ὅ τι δὴ παθὼν ἢ σοφιζόμενος ἐπὶ τοιαύτην ἦλθε δίαιταν.”

Καὶ ὁ Σόλων ἔφη “τί δὲ τοῦτ’ ἐκεῖνον [c] ἐρωτᾶν ἔδει; δῆλον γὰρ ἦν ὅτι τοῦ μεγίστου τῶν ἀγαθῶν καὶ κρατίστου δεύτερόν ἐστι τὸ δεῖσθαι τροφῆς βραχυτάτης. ἢ τὸ μέγιστον οὐ δοκεῖ τὸ μηδ’ ὅλως τροφῆς δεῖσθαι;”

“Οὐδαμῶς,” ὁ Κλεόδωρος, “ἔμοιγ’,” εἶπεν, “εἰ δεῖ τὸ φαινόμενον εἰπεῖν, καὶ μάλιστα παρακειμένης τραπέζης, ἣν ἀναιροῦσιν αἰρομένης τροφῆς φιλίων θεῶν βωμὸν οὖσαν καὶ ξενίων. ὡς δὲ Θαλῆς λέγει τῆς γῆς ἀναιρεθείσης σύγχυσιν τὸν ὅλον ἕξειν κόσμον, οὕτως οἴκου διάλυσις ἐστι· συναναιρεῖται γὰρ αὐτῇ πῦρ ἑστιοῦχον ἑστία κρατῆρες ὑποδοχαὶ ξενισμοί, φιλανθρωπότατα καὶ πρῶτα κοινωνήματα πρὸς ἀλλήλους, μᾶλλον δὲ [d] σύμπας ὁ βίος, εἴ γε διαγωγή τίς ἐστιν ἀνθρώπου πράξεων ἔχουσα διέξοδον, ὧν ἡ τῆς τροφῆς χρεία καὶ παρασκευὴ τὰς πλείστας παρακαλεῖ. δεινὸν μὲν οὖν, ὦ ἑταῖρε, καὶ τὸ γεωργίας αὐτῆς· διολλυμένη γὰρ αὖθις ἀπολείπει γῆν ἡμῖν ἄμορφον καὶ ἀκάθαρτον, ὕλης ἀκάρπου καὶ ῥευμάτων πλημμελῶς φερομένων ὑπ’ ἀργίας ἀνάπλεων. συναπόλλυσι δὲ καὶ τέχνας πάσας καὶ ἐργασίας, ὧν ἔξαρχός ἐστι καὶ παρέχει βάσιν πάσαις καὶ ὕλην, καὶ τὸ [e]

Ὑπολαβὼν οὖν ἐγὼ τοῦ Κλεοδώρου διαλιπόντος, "ἐκεῖνο δ' οὐ λέγεις," εἶπον, "ὅτι καὶ τὸν ὕπνον ἅμα τῇ τροφῇ συνεκβάλλομεν· ὕπνου δὲ μὴ ὄντος [159] [a] οὐδ' ὄνειρός ἐστιν, ἀλλ' οἴχεται τὸ πρεσβύτατον ἡμῖν μαντεῖον. ἔσται δὲ μονοειδὴς ὁ βίος καὶ τρόπον τινὰ μάτην τὸ σῶμα περικείσεται τῇ ψυχῇ· τὰ πλεῖστα γὰρ αὐτοῦ καὶ κυριώτατα τῶν μερῶν ἐπὶ τὴν τροφὴν ὄργανα παρεσκεύασται, γλῶττα καὶ ὀδόντες καὶ στόμαχος καὶ ἧπαρ. ἀργὸν γὰρ οὐδέν ἐστιν οὐδὲ πρὸς ἄλλην συντεταγμένον χρείαν· ὥσθ' ὁ μὴ δεόμενος τροφῆς οὐδὲ σώματος δεῖται. τοῦτο δ' ἦν αὖ τὸ αὑτοῦ μὴ δεῖσθαι· σὺν σώματι γὰρ ἡμῶν ἕκαστος. ἡμεῖς μὲν οὖν," ἔφην ἐγώ, "ταύτας τῇ γαστρὶ συμβολὰς εἰσφέρομεν· εἰ δὲ Σόλων ἤ τις ἄλλος τι κατηγορεῖ, ἀκουσόμεθα."

[b] "Πάνυ μὲν οὖν," ἔφη ὁ Σόλων, "μὴ καὶ τῶν Αἰγυπτίων ἀκριτώτεροι φανῶμεν, οἳ τὸν νεκρὸν ἀνατέμνοντες ἔδειξαν τῷ ἡλίῳ, εἶτ' αὖ τὰ μὲν εἰς τὸν ποταμὸν κατέβαλον, τοῦ δ' ἄλλου σώματος ὡς ἤδη καθαροῦ γεγονότος ἐπιμέλονται. τῷ γὰρ ὄντι τοῦτ' ἐστὶ τὸ μίασμα τῆς σαρκὸς ἡμῶν καὶ ὁ τάρταρος ὡς ἐν Ἅιδου, δεινῶν τινων ῥευμάτων καὶ πνεύματος ὁμοῦ καὶ πυρὸς συμπεφυρμένου καὶ νεκρῶν περίπλεως. ζῶν γὰρ οὐδεὶς ἀπ' οὐδενὸς τρέφεται ζῶντος, ἀλλὰ θανατοῦντες τὰ ἔμψυχα, καὶ τὰ φυόμενα, τῷ τρέφεσθαι καὶ αὔξεσθαι μετέχοντα τοῦ ζῆν, ἀπολλύντες ἀδικοῦμεν.

“Ἀλλ’ οἴεται δεῖν τροφὴν εἶναι Κλεόδωρος, ὅπως τράπεζαι καὶ κρατῆρες ὦσι καὶ Δήμητρι καὶ Κόρῃ θυσίαι. ἕτερος δέ τις ἀξιούτω μάχας εἶναι καὶ πόλεμον, ἵνα καὶ τείχη καὶ νεωσοίκους καὶ [f] ὁπλοθήκας ἔχωμεν καὶ θύωμεν ἑκατομφόνια, καθάπερ φασὶ νόμον εἶναι Μεσσηνίοις. ἄλλον δὲ πρὸς τὴν ὑγίειαν οἶμαι χαλεπαίνειν· δεινὸν γὰρ εἰ μηδενὸς νοσοῦντος οὐ στρωμνῆς ἔτι μαλακῆς ὄφελος οὐ κλίνης, οὐκ Ἀσκληπιῷ θύσομεν οὐκ ἀποτροπαίοις, ἰατρικὴ δὲ μετ’ ὀργάνων καὶ φαρμάκων ἀποκείσεται τοσούτων ἀκλεὴς καὶ ἀπόθεστος. ἢ τί ταῦτ’ ἐκείνων διαφέρει; καὶ γὰρ ἡ τροφὴ λιμοῦ φάρμακον προσάγεται, καὶ θεραπεύειν ἑαυτοὺς λέγονται [160] [a] πάντες οἱ τρεφόμενοι δίαιταν, οὐχ ὡς ἡδύ τι καὶ κεχαρισμένον ἀλλ’ ὡς ἀναγκαῖον τοῦτο τῇ φύσει πράττοντες. ἐπεὶ λύπας γε πλείονας ἔστιν ἀπὸ τῆς τροφῆς τῶν ἡδονῶν γιγνομένας καταριθμῆσαι, μᾶλλον δ’ ἡ μὲν ἡδονὴ καὶ τόπον ἔχει βραχὺν ἐν τῷ σώματι καὶ χρόνον οὐ πολύν· ἡ δὲ περὶ τὴν διοίκησιν αὐτῆς ἀσχολία καὶ δυσχέρεια τί δεῖ λέγειν ὅσων αἰσχρῶν καὶ ὀδυνηρῶν ἡμᾶς ἐμπίπλησιν; οἶμαι γὰρ εἰς τοσαῦτα βλέψαντα τὸν Ὅμηρον ἀποδείξει κεχρῆσθαι περὶ θεῶν τοῦ μὴ ἀποθνῄσκειν τῷ μὴ τρέφεσθαι

Τὰ μὲν οὖν ῥηθέντα περὶ τροφῆς, ὦ Νίκαρχε, ταῦτ' ἦν.

Ἔτι δὲ τοῦ Σόλωνος λέγοντος εἰσῆλθε Γόργος ὁ Περιάνδρου ἀδελφός· ἐτύγχανε γὰρ εἰς [d] Ταίναρον ἀπεσταλμένος ἔκ τινων χρησμῶν, τῷ Ποσειδῶνι θυσίαν καὶ θεωρίαν ἀπάγων. ἀσπασαμένων δ' αὐτὸν ἡμῶν καὶ τοῦ Περιάνδρου προσαγαγομένου καὶ φιλήσαντος καθίσας παρ' αὑτὸν ἐπὶ τῆς κλίνης ἀπήγγειλεν ἄττα δὴ πρὸς μόνον ἐκεῖνον, ὁ δ' ἠκροᾶτο, πολλὰ πάσχοντι πρὸς τὸν λόγον ὅμοιος ὤν. τὰ μὲν γὰρ ἀχθόμενος τὰ δ' ἀγανακτῶν ἐφαίνετο, πολλάκις δ' ἀπιστῶν, εἶτα θαυμάζων· τέλος δὲ γελάσας πρὸς ἡμᾶς "βούλομαι μέν," ἔφη, "πρὸς τὸ παρὸν φράσαι τὸ προσηγγελμένον· [e] ὀκνῶ δ' ἀκούσας Θαλέω ποτ' εἰπόντος ὅτι δεῖ τὰ μὲν εἰκότα λέγειν, τὰ δ' ἀμήχανα σιωπᾶν."

Ὑπολαβὼν οὖν ὁ Βίας "ἀλλὰ καὶ τοῦτ'," ἔφη, "Θαλέω τὸ σοφόν ἐστιν, ὅτι δεῖ τοῖς μὲν ἐχθροῖς καὶ περὶ τῶν πιστῶν ἀπιστεῖν, τοῖς δὲ φίλοις καὶ τὰ ἄπιστα πιστεύειν, ἐχθροὺς μέν, ἔγωγ' ἡγοῦμαι, τοὺς πονηροὺς καὶ ἀνοήτους, φίλους δὲ τοὺς χρηστοὺς καὶ φρονίμους αὐτοῦ καλοῦντος. οὐκοῦν," ἔφη, "λεκτέον εἰς ἅπαντας, ὦ Γόργε, μᾶλλον δ' ἀκτέον ἐπὶ τοὺς νέους τούτους διθυράμβους ὑπερφθεγγόμενον ὃν ἥκεις λόγον ἡμῖν κομίζων."

Ἔφη τοίνυν Γόργος ὅτι, τῆς θυσίας ἐφ' ἡμέρας τρεῖς συντελεσθείσης ὑπ' αὐτοῦ καὶ τῇ [f] τελευταίᾳ παννυχίδος οὔσης καὶ χορείας τινὸς καὶ παιδιᾶς παρὰ τὸν αἰγιαλόν, ἡ μὲν σελήνη κατέλαμπεν εἰς τὴν θάλατταν, οὐκ ὄντος δὲ πνεύματος ἀλλὰ νηνεμίας καὶ γαλήνης, πόρρωθεν ἀφεωρᾶτο φρίκη κατιοῦσα παρὰ τὴν ἄκραν, ἀφρόν τινα καὶ ψόφον ἄγουσα τῷ ῥοθίῳ περὶ αὑτὴν πολύν, ὥστε πάντας ἐπὶ τὸν τόπον οἷ προσώκελλε καταδραμεῖν θαυμάσαντας. πρὶν δ' εἰκάσαι τὸ προσφερόμενον ὑπὸ τάχους, δελφῖνες ὤφθησαν, οἱ μὲν ἀθρόοι πέριξ κυκλοῦντες, οἱ δ' ὑφηγούμενοι τοῦ αἰγιαλοῦ πρὸς τὸ λειότατον, ἄλλοι δ' ἐξόπισθεν, οἷον περιέποντες. [161] [a] ἐν μέσῳ δ' ἀνεῖχεν ὑπὲρ τῆς θαλάττης ὄγκος ἀσαφὴς καὶ ἄσημος ὀχουμένου σώματος, μέχρι οὗ συναγαγόντες εἰς ταὐτὸ καὶ συνεποκείλαντες ἐξέθηκαν ἐπὶ γῆν ἄνθρωπον ἔμπνουν καὶ

κινούμενον, αὐτοὶ δὲ πάλιν πρὸς τὴν ἄκραν ἀναφερόμενοι μᾶλλον ἢ πρότερον ἐξήλλοντο, παίζοντες ὑφ’ ἡδονῆς τινος ὡς ἔοικε καὶ σκιρτῶντες. “ἡμῶν δ’,” ὁ Γόργος ἔφη, “πολλοὶ μὲν διαταραχθέντες ἔφυγον ἀπὸ τῆς θαλάττης, ὀλίγοι δὲ μετ’ ἐμοῦ θαρρήσαντες προσελθεῖν ἐγνώρισαν Ἀρίονα τὸν κιθαρῳδόν, [b] αὐτὸν τοὔνομα φθεγγόμενον ἑαυτοῦ, καὶ τῇ στολῇ καταφανῆ γενόμενον· τὸν γὰρ ἐναγώνιον ἐτύγχανεν ἀμπεχόμενος κόσμον, ᾧ κιθαρῳδῶν ἐχρήσατο.

“Κομίσαντες οὖν ἐπὶ σκηνὴν αὐτόν, ὡς οὐδὲν εἶχε κακὸν ἀλλ’ ἢ διὰ τάχος καὶ ῥοῖζον ἐφαίνετο τῆς φορᾶς ἐκλελυμένος καὶ κεκμηκώς, ἠκούσαμεν λόγον ἄπιστον ἅπασι πλὴν ἡμῶν τῶν θεασαμένων τὸ τέλος. ἔλεγε γὰρ Ἀρίων ὡς πάλαι μὲν ἐγνωκὼς ἐκ τῆς Ἰταλίας ἀπαίρειν, Περιάνδρου δὲ γράψαντος αὐτῷ προθυμότερος γενόμενος ὁλκάδος Κορινθίας παραφανείσης εὐθὺς ἐπιβὰς ἀναχθείη, μετρίῳ δὲ πνεύματι χρωμένων ἡμέρας τρεῖς αἴσθοιτο τοὺς [c] ναύτας ἐπιβουλεύοντας ἀνελεῖν αὐτόν, εἶτα καὶ παρὰ τοῦ κυβερνήτου πύθοιτο κρύφα μηνύσαντος ὡς τῇ νυκτὶ τοῦτο δρᾶν αὐτοῖς εἴη δεδογμένον. ἔρημος οὖν ὢν βοηθείας καὶ ἀπορῶν ὁρμῇ τινι χρήσαιτο δαιμονίῳ τὸ μὲν σῶμα κοσμῆσαι καὶ λαβεῖν ἐντάφιον αὑτῷ τὸν ἐναγώνιον ἔτι ζῶν κόσμον, ἐπᾷσαι δὲ τῷ βίῳ τελευτῶν καὶ μὴ γενέσθαι κατὰ τοῦτο τῶν κύκνων ἀγεννέστερος. ἐσκευασμένος οὖν καὶ προειπὼν ὅτι προθυμία τις αὐτὸν ἔχοι τῶν νόμων διελθεῖν τὸν Πυθικὸν ὑπὲρ σωτηρίας αὑτοῦ καὶ τῆς νεὼς καὶ τῶν ἐμπλεόντων, [d] καταστὰς παρὰ τὸν τοῖχον ἐν πρύμνῃ καί τινα θεῶν πελαγίων ἀνάκλησιν προανακρουσάμενος ᾄδοι τὸν νόμον. καὶ ὅσον οὔπω μεσοῦντος αὐτοῦ καταδύοιτο μὲν ὁ ἥλιος εἰς τὴν θάλατταν, ἀναφαίνοιτο δ’ ἡ Πελοπόννησος. οὐκέτ’ οὖν τῶν ναυτῶν τὴν νύκτα περιμενόντων ἀλλὰ χωρούντων ἐπὶ τὸν φόνον, ἰδὼν ξίφη γεγυμνωμένα καὶ παρακαλυπτόμενον ἤδη τὸν κυβερνήτην, ἀναδραμὼν ῥίψειεν ἑαυτὸν ὡς δυνατὸν ἦν μάλιστα πόρρω τῆς ὁλκάδος. πρὶν δ’ ὅλον καταδῦναι τὸ σῶμα δελφίνων ὑποδραμόντων ἀναφέροιτο, μεστὸς ὢν ἀπορίας καὶ ἀγνοίας καὶ ταραχῆς τὸ πρῶτον· ἐπεὶ δὲ ῥᾳστώνη τῆς ὀχήσεως ἦν, καὶ πολλοὺς ἑώρα ἀθροιζομένους [e] περὶ αὐτὸν εὐμενῶς καὶ διαδεχομένους ὡς ἀναγκαῖον ἐν μέρει λειτούργημα καὶ προσῆκον πᾶσιν, ἡ δ’ ὁλκὰς ἀπολειφθεῖσα πόρρω τοῦ τάχους αἴσθησιν παρεῖχε, μήτε τοσοῦτον ἔφη δέους πρὸς θάνατον αὑτῷ μήτ’ ἐπιθυμίας τοῦ ζῆν ὅσον φιλοτιμίας ἐγγενέσθαι πρὸς τὴν σωτηρίαν, ὡς θεοφιλὴς ἀνὴρ φανείη καὶ λάβοι περὶ θεῶν δόξαν βέβαιον. ἅμα δὲ καθορῶν τὸν οὐρανὸν ἀστέρων περίπλεων καὶ τὴν σελήνην ἀνίσχουσαν εὐφεγγῆ καὶ καθαράν, [f] ἑστώσης δὲ πάντῃ τῆς θαλάττης ἀκύμονος ὥσπερ τρίβον ἀνασχιζόμενον τῷ δρόμῳ, διανοεῖσθαι πρὸς αὑτὸν ὡς οὐκ ἔστιν εἷς ὁ τῆς

Δίκης ὀφθαλμός, ἀλλὰ πᾶσι τούτοις ἐπισκοπεῖ κύκλῳ ὁ θεὸς τὰ πραττόμενα περὶ γῆν τε καὶ θάλατταν. τούτοις δὲ δὴ τοῖς λογισμοῖς ἔφη τὸ κάμνον αὐτῷ καὶ βαρυνόμενον ἤδη τοῦ σώματος ἀναφέρεσθαι, καὶ τέλος ἐπεὶ τῆς ἄκρας ἀπαντώσης ἀποτόμου καὶ ὑψηλῆς εὖ πως φυλαξάμενοι καὶ κάμψαντες ἐν χρῷ παρενήχοντο τῆς γῆς ὥσπερ εἰς λιμένα σκάφος ἀσφαλῶς [162] [a] κατάγοντες, παντάπασιν αἰσθέσθαι θεοῦ κυβερνήσει γεγονέναι τὴν κομιδήν.

"Ταῦθ'," ὁ Γόργος ἔφη, "τοῦ Ἀρίονος εἰπόντος, ἠρόμην αὐτὸν ὅποι τὴν ναῦν οἴεται κατασχήσειν. ὁ δὲ πάντως μὲν εἰς Κόρινθον, πολὺ μέντοι καθυστερεῖν· αὐτὸν γὰρ ἑσπέρας ἐκπεσόντα πεντακοσίων οὐ μεῖον οἴεσθαι σταδίων δρόμον κομισθῆναι, καὶ γαλήνην εὐθὺς κατασχεῖν." οὐ μὴν ἀλλ' ἑαυτὸν ὁ Γόργος ἔφη πυθόμενον τοῦ τε ναυκλήρου τοὔνομα καὶ τοῦ κυβερνήτου καὶ τῆς νεὼς τὸ παράσημον ἐκπέμψαι πλοῖα καὶ στρατιώτας ἐπὶ τὰς κατάρσεις [b] παραφυλάξοντας· τὸν δ' Ἀρίονα μετ' αὐτοῦ κομίζειν ἀποκεκρυμμένον, ὅπως μὴ προαισθόμενοι τὴν σωτηρίαν διαφύγοιεν· ὄντως οὖν ἐοικέναι θείᾳ τύχῃ τὸ πρᾶγμα· παρεῖναι γὰρ αὐτοὺς ἅμα δεῦρο καὶ πυνθάνεσθαι τῆς νεὼς κεκρατημένης ὑπὸ τῶν στρατιωτῶν συνειλῆφθαι τοὺς ἐμπόρους καὶ ναύτας.

Ὁ μὲν οὖν Περίανδρος ἐκέλευσεν εὐθὺς ἐξαναστάντα τὸν Γόργον εἰς φυλακὴν ἀποθέσθαι τοὺς ἄνδρας οὗ μηδεὶς αὐτοῖς πρόσεισι μηδὲ φράσει τὸν Ἀρίονα σεσωσμένον.

Ὁ δ' Αἴσωπος "ἀλλ' ὑμεῖς," ἔφη, "τοὺς ἐμοὺς χλευάζετε κολοιοὺς καὶ κόρακας εἰ διαλέγονται· δελφῖνες δὲ τοιαῦτα νεανιεύονται;"

Κἀγὼ πρὸς αὐτόν, "ἄλλο τι λέγωμεν," ἔφην, [c] "ὦ Αἴσωπε· τούτῳ δὲ τῷ λόγῳ πιστευομένῳ καὶ γραφομένῳ παρ' ἡμῖν πλέον ἢ χίλι' ἔτη διαγέγονεν καὶ ἀπὸ τῶν Ἰνοῦς καὶ Ἀθάμαντος χρόνων."

Ὁ δὲ Σόλων ὑπολαβών "ἀλλὰ ταῦτα μέν, ὦ Διόκλεις, ἐγγὺς θεῶν ἔστω καὶ ὑπὲρ ἡμᾶς· ἀνθρώπινον δὲ καὶ πρὸς ἡμᾶς τὸ τοῦ Ἡσιόδου πάθος· ἀκήκοας γὰρ ἴσως τὸν λόγον."

"Οὐκ ἔγωγ'," εἶπον.

"Ἀλλὰ μὴν ἄξιον πυθέσθαι. Μιλησίου γάρ, ὡς ἔοικεν, ἀνδρός, ᾧ ξενίας ἐκοινώνει ὁ Ἡσίοδος [d] καὶ διαίτης ἐν Λοκροῖς, τῇ τοῦ ξένου θυγατρὶ κρύφα συγγενομένου καὶ φωραθέντος ὑποψίαν ἔσχεν ὡς γνοὺς ἀπ' ἀρχῆς καὶ συνεπικρύψας τὸ ἀδίκημα, μηδενὸς ὢν αἴτιος, ὀργῆς δὲ καιρῷ καὶ διαβολῆς περιπεσὼν ἀδίκως. ἀπέκτειναν γὰρ αὐτὸν οἱ τῆς παιδίσκης ἀδελφοὶ περὶ τὸ Λοκρικὸν Νέμειον ἐνεδρεύσαντες, καὶ μετ' αὐτοῦ τὸν ἀκόλουθον, ᾧ Τρωίλος ἦν ὄνομα. τῶν δὲ σωμάτων εἰς τὴν θάλατταν ὠσθέντων τὸ μὲν τοῦ Τρωίλου, εἰς τὸν Δάφνον ποταμὸν ἔξω φορούμενον, ἐπεσχέθη περικλύστῳ χοιράδι

μικρὸν ὑπὲρ τὴν θάλατταν ἀνεχούσῃ· καὶ μέχρι νῦν Τρωίλος ἡ χοιρὰς καλεῖται· [e] τοῦ δ' Ἡσιόδου τὸν νεκρὸν εὐθὺς ἀπὸ γῆς ὑπολαβοῦσα δελφίνων ἀγέλη πρὸς τὸ Ῥίον κατὰ τὴν Μολύκρειαν ἐκόμιζε. ἐτύγχανε δὲ Λοκροῖς ἡ τῶν Ῥίων καθεστῶσα θυσία καὶ πανήγυρις, ἣν ἄγουσιν ἔτι νῦν ἐπιφανῶς περὶ τὸν τόπον ἐκεῖνον. ὡς δ' ὤφθη προσφερόμενον τὸ σῶμα, θαυμάσαντες ὡς εἰκὸς ἐπὶ τὴν ἀκτὴν κατέδραμον, καὶ γνωρίσαντες ἔτι πρόσφατον τὸν νεκρὸν ἅπαντα δεύτερα τοῦ ζητεῖν τὸν φόνον ἐποιοῦντο διὰ τὴν δόξαν τοῦ Ἡσιόδου. καὶ τοῦτο μὲν ταχέως ἔπραξαν, εὑρόντες τοὺς φονεῖς· αὐτούς τε γὰρ κατεπόντισαν ζῶντας καὶ τὴν οἰκίαν κατέσκαψαν. ἐτάφη δ' ὁ Ἡσίοδος πρὸς τῷ Νεμείῳ· τὸν δὲ τάφον οἱ πολλοὶ τῶν ξένων οὐκ ἴσασιν, ἀλλ' ἀποκέκρυπται ζητούμενος ὑπ' [f] Ὀρχομενίων, ὥς φασι, βουλομένων κατὰ χρησμὸν ἀνελέσθαι τὰ λείψανα καὶ θάψαι παρ' αὐτοῖς. εἴπερ οὖν οὕτως ἔχουσιν οἰκείως καὶ φιλανθρώπως πρὸς τοὺς ἀποθανόντας, ἔτι μᾶλλον εἰκός ἐστι τοῖς ζῶσι βοηθεῖν, καὶ μάλιστα κηληθέντας αὐλοῖς ἤ τισι μέλεσι. τουτὶ γὰρ ἤδη πάντες ἴσμεν, ὅτι μουσικῇ τὰ ζῷα ταῦτα χαίρει καὶ διώκει, καὶ παρανήχεται τοῖς ἐλαυνομένοις πρὸς ᾠδὴν καὶ αὐλὸν ἐν εὐδίᾳ πορείαις τερπόμενα. χαίρει δὲ [163] [a] καὶ νήξεσι παίδων καὶ κολύμβοις ἁμιλλᾶται. διὸ καὶ νόμος ἀδείας ἄγραφός ἐστιν αὐτοῖς· θηρᾷ γὰρ οὐδεὶς οὔδε λυμαίνεται, πλὴν ὅταν ἐν δικτύοις γενόμενοι κακουργῶσι περὶ τὴν ἄγραν, πληγαῖς κολάζονται καθάπερ παῖδες ἁμαρτάνοντες. μέμνημαι δὲ καὶ παρὰ Λεσβίων ἀνδρῶν ἀκούσας σωτηρίαν τινὰ κόρης ὑπὸ δελφῖνος ἐκ θαλάττης γενέσθαι· ἀλλ' ἐγὼ μὲν οὐκ ἀκριβῶ τἄλλα, ὁ δὲ Πιττακὸς ἐπεὶ γιγνώσκει, δίκαιός ἐστι περὶ τούτων διελθεῖν."

Ἔφη τοίνυν ὁ Πιττακὸς ἔνδοξον εἶναι καὶ μνημονευόμενον ὑπὸ πολλῶν τὸν λόγον. χρησμοῦ γὰρ γενομένου τοῖς οἰκίζουσι Λέσβον, ὅταν ἕρματι [b] πλέοντες προστύχωσιν ὃ καλεῖται Μεσόγειον, τότ' ἐνταῦθα Ποσειδῶνι μὲν ταῦρον Ἀμφιτρίτῃ δὲ καὶ Νηρηίσι ζῶσαν καθεῖναι παρθένον· ὄντων οὖν ἀρχηγετῶν ἑπτὰ καὶ βασιλέων, ὀγδόου δὲ τοῦ Ἐχελάου πυθοχρήστου τῆς ἀποικίας ἡγεμόνος, οὗτος μὲν ἠίθεος ἦν ἔτι, τῶν δ' ἑπτὰ κληρουμένων, ὅσοις ἄγαμοι παῖδες ἦσαν, καταλαμβάνει θυγατέρα Σμινθέως ὁ κλῆρος. ἣν ἐσθῆτι καὶ χρυσῷ κοσμήσαντες ὡς ἐγένοντο κατὰ τὸν τόπον, ἔμελλον εὐξάμενοι καθήσειν. ἔτυχε δέ τις ἐρῶν αὐτῆς τῶν συμπλεόντων, οὐκ ἀγεννὴς ὡς ἔοικε νεανίας, [c] οὗ καὶ τοὔνομα διαμνημονεύουσιν Ἔναλον. οὗτος ἀμήχανόν τινα τοῦ βοηθεῖν τῇ παρθένῳ προθυμίαν ἐν τῷ τότε πάθει λαβὼν παρὰ τὸν καιρὸν ὥρμησε καὶ περιπλακεὶς ὁμοῦ συγκαθῆκεν ἑαυτὸν εἰς τὴν θάλατταν. εὐθὺς μὲν οὖν φήμη τις οὐκ ἔχουσα τὸ βέβαιον, ἄλλως δὲ πείθουσα πολλοὺς ἐν τῷ στρατοπέδῳ διηνέχθη περὶ σωτηρίας αὐτῶν καὶ κομιδῆς. ὑστέρῳ δὲ

χρόνῳ τὸν Ἔναλόν φασιν ἐν Λέσβῳ φανῆναι καὶ λέγειν ὡς ὑπὸ δελφίνων φορητοὶ διὰ θαλάττης ἐκπέσοιεν ἀβλαβεῖς εἰς τὴν ἤπειρον, ἔτι δ' ἄλλα θειότερα τούτων ἐκπλήττοντα καὶ κηλοῦντα τοὺς πολλοὺς διηγεῖσθαι, [d] πάντων δὲ πίστιν ἔργῳ παρασχεῖν. κύματος γὰρ ἠλιβάτου περὶ τὴν νῆσον αἱρομένου καὶ τῶν ἀνθρώπων δεδιότων, ἀπαντῆσαι μόνον τῇ θαλάττῃ, καὶ ἕπεσθαι πολύποδας αὐτῷ πρὸς τὸ ἱερὸν τοῦ Ποσειδῶνος· ὧν τοῦ μεγίστου λίθον κομίζοντος λαβεῖν τὸν Ἔναλον καὶ ἀναθεῖναι, καὶ τοῦτον Ἔναλον καλοῦμεν. "Καθόλου δ'," εἶπεν, "εἴ τις εἰδείη διαφορὰν ἀδυνάτου καὶ ἀσυνήθους καὶ παραλόγου καὶ παραδόξου, μάλιστ' ἄν, ὦ Χίλων, καὶ μήτε πιστεύων ὡς ἔτυχε μήτ' ἀπιστῶν, τὸ 'μηδὲν ἄγαν' ὡς σὺ προσέταξας διαφυλάττοι."

Μετὰ δὲ τοῦτον ὁ Ἀνάχαρσις εἶπεν ὅτι τοῦ Θαλέω καλῶς ὑπολαμβάνοντος ἐν πᾶσιν εἶναι [e] τοῖς κυριωτάτοις μέρεσι τοῦ κόσμου καὶ μεγίστοις ψυχήν, οὐκ ἄξιόν ἐστι θαυμάζειν εἰ τὰ κάλλιστα περαίνεται θεοῦ γνώμῃ. "ψυχῆς γὰρ ὄργανον τὸ σῶμα, θεοῦ δ' ἡ ψυχή· καὶ καθάπερ σῶμα πολλὰς μὲν ἐξ αὑτοῦ κινήσεις ἔχει, τὰς δὲ πλείστας καὶ καλλίστας ὑπὸ ψυχῆς, οὕτως αὖ πάλιν ἡ ψυχὴ τὰ μὲν ὑφ' ἑαυτῆς κινουμένη πράττει, τὰ δὲ τῷ θεῷ παρέχει χρωμένῳ κατευθύνειν καὶ τρέπειν ἑαυτὴν ᾗ βούλοιτο, πάντων ὀργάνων εὐτρεπέστατον οὖσα. δεινὸν γάρ," εἶπεν, "εἰ πῦρ μὲν ὄργανόν ἐστι θεοῦ καὶ πνεῦμα καὶ ὕδωρ καὶ νέφη καὶ [f] ὄμβροι, δι' ὧν πολλὰ μὲν σῴζει τε καὶ τρέφει, πολλὰ δ' ἀπόλλυσι καὶ ἀναιρεῖ, ζῴοις δὲ χρῆται πρὸς οὐδὲν ἁπλῶς οὐδέπω τῶν ὑπ' αὐτοῦ γιγνομένων. ἀλλὰ μᾶλλον εἰκὸς ἐξηρτημένα τῆς τοῦ θεοῦ δυνάμεως ὑπουργεῖν, καὶ συμπαθεῖν ταῖς τοῦ θεοῦ κινήσεσιν ἢ Σκύθαις τόξα λύραι δ' Ἕλλησι καὶ αὐλοὶ συμπαθοῦσιν."

Ἐπὶ δὲ τούτοις ὁ ποιητὴς Χερσίας ἄλλων τε σωθέντων ἀνελπίστως ἐμέμνητο καὶ Κυψέλου τοῦ Περιάνδρου πατρός, ὃν οἱ πεμφθέντες ἀνελεῖν νεογνὸν ὄντα προσμειδιάσαντ' αὐτοῖς ἀπετράποντο· καὶ πάλιν μετανοήσαντες ἐζήτουν καὶ οὐχ εὗρον [164] [a] εἰς κυψέλην ὑπὸ τῆς μητρὸς ἀποτεθέντα. διὸ καὶ τὸν οἶκον ἐν Δελφοῖς κατεσκεύασεν ὁ Κύψελος, ὥσπερ θεοῦ τότε τὸν κλαυθμυρισμὸν ἐπισχόντος, ὅπως διαλάθοι τοὺς ζητοῦντας.

Καὶ ὁ Πιττακὸς προσαγορεύσας τὸν Περίανδρον

"εὖ γ'," ἔφη, "Περίανδρε, Χερσίας ἐποίησε μνησθεὶς τοῦ οἴκου· πολλάκις γὰρ ἐβουλόμην ἐρέσθαι σε τῶν βατράχων τὴν αἰτίαν ἐκείνων, τί βούλονται περὶ τὸν πυθμένα τοῦ φοίνικος ἐντετορευμένοι τοσοῦτοι, καὶ τίνα πρὸς τὸν θεὸν ἢ τὸν ἀναθέντα λόγον ἔχουσι."

Τοῦ δὲ Περιάνδρου τὸν Χερσίαν ἐρωτᾶν κελεύσαντος, εἰδέναι γὰρ ἐκεῖνον καὶ παρεῖναι τῷ Κυψέλῳ καθιεροῦντι τὸν οἶκον, ὁ Χερσίας μειδιάσας

“ἀλλ’ οὐκ ἄν,” ἔφη, “φράσαιμι πρότερον ἢ πυθέσθαι παρὰ τούτων ὅ τι βούλεται τὸ ‘μηδὲν ἄγαν’ αὐτοῖς καὶ τὸ ‘γνῶθι σαυτόν,’ καὶ τοῦτο δὴ τὸ πολλοὺς μὲν ἀγάμους πολλοὺς δ’ ἀπίστους ἐνίους δὲ καὶ ἀφώνους πεποιηκὸς ‘ἐγγύα πάρα δ’ ἄτα.’”

“Τί δ’,” εἶπεν ὁ Πιττακός, “ἡμῶν δέῃ ταῦτα φραζόντων; πάλαι γὰρ Αἰσώπου λόγον εἰς ἕκαστον ὡς ἔοικε τούτων συντεθεικότος ἐπαινεῖς.”

Καὶ ὁ Αἴσωπος, “ὅταν γε παίζῃ πρὸς ἐμὲ Χερσίας,” εἶπε· “σπουδάζων δὲ τούτων Ὅμηρον εὑρετὴν ἀποδείκνυσι καί φησι τὸν μὲν Ἕκτορα [b] γιγνώσκειν ἑαυτόν· τοῖς γὰρ ἄλλοις ἐπιτιθέμενος

Αἴαντος ἀλέεινε μάχην Τελαμωνιάδαο·

τὸν δ’ Ὀδυσσέα τοῦ ‘μηδὲν ἄγαν’ ἐπαινέτην τῷ Διομήδει παρακελεύεσθαι

Τυδείδη, μήτ’ ἄρ’ με μάλ’ αἴνεε μήτε τι νείκει.

τὴν δ’ ἐγγύην οἱ μὲν ἄλλοι λοιδορεῖν αὐτὸν ὡς πρᾶγμα δείλαιον καὶ μάταιον οἴονται λέγοντα

δειλαί τοι δειλῶν γε καὶ ἐγγύαι ἐγγυάασθαι,

Χερσίας δ’ οὑτοσί φησι τὴν Ἄτην ὑπὸ τοῦ Διὸς ῥιφῆναι τῇ ἐγγύῃ παραγιγνομένην ἣν ἐγγυησάμενος [c] ὁ Ζεὺς ἐσφάλη περὶ τῆς τοῦ Ἡρακλέους γενέσεως.”

Ὑπολαβὼν δ’ ὁ Σόλων “οὐκοῦν,” ἔφη, “καὶ τῷ σοφωτάτῳ πιστευτέον Ὁμήρῳ

νὺξ δ’ ἤδη τελέθει· ἀγαθὸν καὶ νυκτὶ πιθέσθαι.

σπείσαντες οὖν Μούσαις καὶ Ποσειδῶνι καὶ Ἀμφιτρίτῃ διαλύωμεν εἰ δοκεῖ τὸ συμπόσιον.”

Τοῦτ’ ἔσχεν, ὦ Νίκαρχε, πέρας ἡ τότε συνουσία.

ΠΕΡΙ ΔΕΙΣΙΔΑΙΜΟΝΙΑΣ

[164] Τῆς περὶ θεῶν ἀμαθίας καὶ ἀγνοίας εὐθὺς ἐξ ἀρχῆς δίχα ῥυείσης τὸ μὲν ὥσπερ ἐν χωρίοις σκληροῖς τοῖς ἀντιτύποις ἤθεσι τὴν ἀθεότητα, τὸ δ’ ὥσπερ ἐν ὑγροῖς τοῖς ἁπαλοῖς τὴν δεισιδαιμονίαν πεποίηκεν. ἅπασα μὲν οὖν κρίσις ψευδής, ἄλλως τε κἂν ᾖ περὶ ταῦτα, μοχθηρόν· ᾗ δὲ καὶ πάθος πρόσεστι, μοχθηρότατον. πᾶν γὰρ πάθος [f] ἔοικε ἀπάτη φλεγμαίνουσα εἶναι· καὶ καθάπερ αἱ μετὰ τραύματος ἐκβολαὶ τῶν ἄρθρων, οὕτως αἱ μετὰ πάθους διαστροφαὶ τῆς ψυχῆς χαλεπώτεραι.

Ἀτόμους τις οἴεται καὶ κενὸν ἀρχὰς εἶναι τῶν ὅλων· ψευδὴς ἡ ὑπόληψις, ἀλλ’ ἕλκος οὐ ποιεῖ οὐδὲ σφυγμὸν οὐδ’ ὀδύνην ταράττουσαν.

Ὑπολαμβάνει τις τὸν πλοῦτον ἀγαθὸν εἶναι [165] [a] μέγιστον· τοῦτο τὸ ψεῦδος ἰὸν ἔχει, νέμεται τὴν ψυχήν, ἐξίστησιν, οὐκ ἐᾷ καθεύδειν, οἴστρων ἐμπίπλησιν, ὠθεῖ κατὰ πετρῶν, ἄγχει, τὴν παρρησίαν ἀφαιρεῖται.

Πάλιν οἴονταί τινες εἶναι σῶμα τὴν ἀρετὴν καὶ τὴν κακίαν· αἰσχρὸν ἴσως τὸ ἀγνόημα, θρήνων δὲ καὶ ὀδυρμῶν οὐκ ἄξιον· ἀλλ’ αἵτινές εἰσι τοιαῦται κρίσεις καὶ ὑπολήψεις

ὦ τλῆμον ἀρετή, λόγος ἄρ’ ἦσθ’· ἐγὼ δέ σε

ὡς ἔργον ἤσκουν

ἀφεὶς τὴν πλουτοποιὸν ἀδικίαν καὶ τὴν γόνιμον ἁπάσης ἡδονῆς ἀκολασίαν, ταύτας ἄξιόν ἐστιν [b] οἰκτίρειν ὁμοῦ καὶ δυσχεραίνειν, ὅτι πολλὰ νοσήματα καὶ πάθη καθάπερ εὐλὰς καὶ σκώληκας ἐντίκτουσι ταῖς ψυχαῖς παροῦσαι.

Οὐκοῦν καὶ περὶ ὧν ὁ λόγος, ἡ μὲν ἀθεότης κρίσις οὖσα φαύλη τοῦ μηδὲν εἶναι μακάριον καὶ ἄφθαρτον εἰς ἀπάθειάν τινα δοκεῖ τῇ ἀπιστίᾳ τοῦ θείου περιφέρειν, καὶ τέλος ἐστὶν αὐτῇ τοῦ μὴ νομίζειν θεοὺς τὸ μὴ φοβεῖσθαι· τὴν δεισιδαιμονίαν δὲ μηνύει καὶ τοὔνομα δόξαν ἐμπαθῆ καὶ δέους ποιητικὴν ὑπόληψιν οὖσαν ἐκταπεινοῦντος καὶ συντρίβοντος τὸν ἄνθρωπον, οἰόμενον μὲν εἶναι θεούς, εἶναι δὲ λυπηροὺς καὶ βλαβερούς. ἔοικε [c] γὰρ ὁ μὲν ἄθεος ἀκίνητος εἶναι πρὸς τὸ θεῖον, ὁ δὲ δεισιδαίμων κινούμενος ὡς οὐ προσήκει διαστρέφεσθαι. ἡ γὰρ ἄγνοια τῷ μὲν ἀπιστίαν τοῦ ὠφελοῦντος ἐμπεποίηκε, τῷ δὲ καὶ δόξαν ὅτι βλάπτει προστέθεικεν. ὅθεν ἡ μὲν ἀθεότης λόγος ἐστὶ διεψευσμένος, ἡ δὲ δεισιδαιμονία πάθος ἐκ λόγου ψευδοῦς ἐγγεγενημένον.

Αἰσχρὰ μὲν δὴ πάντα τὰ τῆς ψυχῆς νοσήματα καὶ πάθη, τὸ δὲ γαῦρον ἐνίοις ὅμως καὶ ὑψηλὸν καὶ διηρμένον ἔνεστιν ὑπὸ κουφότητος, δραστηρίου

δ’ ὁρμῆς οὐδὲν ὡς ἔπος εἰπεῖν ἀπεστέρηται. ἀλλὰ τοῦτο δὴ τὸ κοινὸν ἔγκλημα παντὸς πάθους ἐστίν, ὅτι ταῖς πρακτικαῖς ὁρμαῖς ἐκβιαζόμενα [d] κατεπείγει καὶ συντείνει τὸν λογισμόν. μόνος δ’ ὁ φόβος, οὐχ ἧττον ὢν τόλμης ἐνδεὴς ἢ λογισμοῦ, ἄπρακτον ἔχει καὶ ἄπορον καὶ ἀμήχανον τὸ ἀλόγιστον. ᾗ καὶ δεῖμα καὶ τάρβος αὐτοῦ τὸ συνδέον ὁμοῦ τὴν ψυχὴν καὶ ταράττον ὠνόμασται.

Φόβων δὲ πάντων ἀπρακτότατος καὶ ἀπορώτατος ὁ τῆς δεισιδαιμονίας. οὐ φοβεῖται θάλατταν ὁ μὴ πλέων οὐδὲ πόλεμον ὁ μὴ στρατευόμενος, οὐδὲ λῃστὰς ὁ οἰκουρῶν οὐδὲ συκοφάντην ὁ πένης οὐδὲ φθόνον ὁ ἰδιώτης, οὐδὲ σεισμὸν ὁ ἐν Γαλάταις οὐδὲ κεραυνὸν ὁ ἐν Αἰθίοψιν· ὁ δὲ θεοὺς δεδιὼς πάντα [e] δέδιε, γῆν θάλατταν ἀέρα οὐρανὸν σκότος φῶς κληδόνα σιωπὴν ὄνειρον. οἱ δοῦλοι τῶν δεσποτῶν ἐπιλανθάνονται καθεύδοντες, τοῖς πεδήταις ἐπελαφρύνει τὸν δεσμὸν ὁ ὕπνος, φλεγμοναὶ περὶ τραύματα καὶ νομαὶ σαρκὸς θηριώδεις καὶ περιωδυνίαι κοιμωμένων ἀφίστανται·

ὦ φίλον ὕπνου θέλγητρον ἐπίκουρον νόσου,

ὡς ἡδύ μοι προσῆλθες ἐν δέοντί γε.

τοῦτ’ οὐ δίδωσιν εἰπεῖν ἡ δεισιδαιμονία (μόνη γὰρ οὐ σπένδεται πρὸς τὸν ὕπνον, οὐδὲ τῇ ψυχῇ ποτε γοῦν δίδωσιν ἀναπνεῦσαι καὶ ἀναθαρρῆσαι τὰς πικρὰς [f] καὶ βαρείας περὶ τοῦ θεοῦ δόξας ἀπωσαμένῃ), ἀλλ’ ὥσπερ ἐν ἀσεβῶν χώρῳ τῷ ὕπνῳ τῶν δεισιδαιμόνων εἴδωλα φρικώδη καὶ τεράστια φάσματα καὶ ποινάς τινας ἐγείρουσα καὶ στροβοῦσα τὴν ἀθλίαν ψυχὴν ἐκδιώκει τοῖς ὀνείροις ἐκ τῶν ὕπνων, μαστιζομένην καὶ κολαζομένην αὐτὴν ὑφ’ αὑτῆς ὡς ὑφ’ ἑτέρου, καὶ δεινὰ προστάγματα καὶ ἀλλόκοτα λαμβάνουσαν. εἶτ’ ἐξαναστάντες οὐ κατεφρόνησαν οὐδὲ κατεγέλασαν, οὐδ’ ᾔσθοντο ὅτι τῶν ταραξάντων οὐδὲν ἦν ἀληθινόν, ἀλλὰ σκιὰν [166] [a] φεύγοντες ἀπάτης οὐδὲν κακὸν ἐχούσης ὕπαρ ἐξαπατῶσιν ἑαυτοὺς καὶ δαπανῶσι καὶ ταράττουσιν, εἰς ἀγύρτας καὶ γόητας ἐμπεσόντες λέγοντας

ἀλλ’ εἴτ’ ἔνυπνον φάντασμα φοβῇ,

χθονίας θ’ Ἑκάτης κῶμον ἐδέξω,

τὴν περιμάκτριαν κάλει γραῦν καὶ βάπτισον σεαυτὸν εἰς θάλατταν καὶ καθίσας ἐν τῇ γῇ διημέρευσον.

ὦ βάρβαρ’ ἐξευρόντες Ἕλληνες κακά

τῇ δεισιδαιμονίᾳ, πηλώσεις καταβορβορώσεις βαπτισμούς, ῥίψεις ἐπὶ πρόσωπον, αἰσχρὰς προκαθίσεις, ἀλλοκότους προσκυνήσεις. δικαίῳ τῷ στόματι τοὺς κιθαρῳδοὺς ἐκέλευον ᾄδειν οἱ τὴν [b] νόμιμον μουσικὴν σῴζειν δοκοῦντες· ἡμεῖς δὲ τοῖς θεοῖς ἀξιοῦμεν ὀρθῷ τῷ στόματι καὶ δικαίῳ προσεύχεσθαι, καὶ μὴ τὴν ἐπὶ τῶν σπλάγχνων μὲν γλῶτταν εἰ καθαρὰ καὶ

ὀρθῇ σκοπεῖν, τὴν δ’ ἑαυτῶν διαστρέφοντας καὶ μολύνοντας ἀτόποις ὀνόμασι καὶ ῥήμασι βαρβαρικοῖς καταισχύνειν καὶ παρανομεῖν τὸ θεῖον καὶ πάτριον ἀξίωμα τῆς εὐσεβείας.

Ἀλλ’ ὅ γε κωμικὸς οὐκ ἀηδῶς εἴρηκέ που πρὸς τοὺς καταχρυσοῦντας τὰ κλινίδια καὶ καταργυροῦντας

ὅ τι μόνον ἡμῖν προῖκ’ ἔδωκαν οἱ θεοὶ

ὕπνον, τί τοῦτο πολυτελὲς σαυτῷ ποιεῖς;

[c]ἔστι δὲ καὶ πρὸς τὸν δεισιδαίμονα εἰπεῖν, “ὅ τι τὸν ὕπνον οἱ θεοὶ λήθην κακῶν ἔδοσαν ἡμῖν καὶ ἀνάπαυσιν, τί τοῦτο κολαστήριον σαυτῷ ποιεῖς ἐπίμονον καὶ ὀδυνηρόν, τῆς ἀθλίας ψυχῆς εἰς ἄλλον ὕπνον ἀποδρᾶναι μὴ δυναμένης;” ὁ Ἡράκλειτός φησι τοῖς ἐγρηγορόσιν ἕνα καὶ κοινὸν κόσμον εἶναι, τῶν δὲ κοιμωμένων ἕκαστον εἰς ἴδιον ἀναστρέφεσθαι. τῷ δὲ δεισιδαίμονι κοινὸς οὐδείς ἐστι κόσμος· οὔτε γὰρ ἐγρηγορὼς τῷ φρονοῦντι χρῆται οὔτε κοιμώμενος ἀπαλλάττεται τοῦ ταράττοντος, ἀλλ’ ὀνειρώττει μὲν ὁ λογισμός, ἐγρήγορε δ’ ὁ φόβος ἀεί, φυγὴ δ’ οὐκ ἔστιν οὐδὲ μετάστασις.

Ἦν φοβερὸς ἐν Σάμῳ Πολυκράτης τύραννος, ἦν ἐν Κορίνθῳ Περίανδρος, ἀλλ’ οὐδεὶς ἐφοβεῖτο [d] τούτους μεταστὰς εἰς πόλιν ἐλευθέραν καὶ δημοκρατουμένην. ὁ δὲ τὴν τῶν θεῶν ἀρχὴν ὡς τυραννίδα φοβούμενος σκυθρωπὴν καὶ ἀπαραίτητον ποῦ μεταστῇ ποῦ φύγῃ, ποίαν γῆν ἄθεον εὕρῃ, ποίαν θάλατταν; εἰς τί καταδὺς τοῦ κόσμου μέρος καὶ ἀποκρύψας σεαυτόν, ὦ ταλαίπωρε, πιστεύσεις ὅτι τὸν θεὸν ἀποπέφευγας; ἔστι καὶ δούλοις νόμος ἐλευθερίαν ἀπογνοῦσι πρᾶσιν αἰτεῖσθαι καὶ δεσπότην μεταβάλλειν ἐπιεικέστερον· ἡ δὲ δεισιδαιμονία θεῶν ἀλλαγὴν οὐ δίδωσιν, οὐδ’ ἔστιν εὑρεῖν ὃν οὐ φοβήσεται θεὸν ὁ φοβούμενος τοὺς πατρῴους καὶ γενεθλίους, ὁ φρίττων τοὺς σωτῆρας καὶ τοὺς [e] μειλιχίους τρέμων καὶ δεδοικώς, παρ’ ὧν αἰτούμεθα πλοῦτον εὐπορίαν εἰρήνην ὁμόνοιαν ὄρθωσιν λόγων καὶ ἔργων τῶν ἀρίστων.

Εἶθ’ οὗτοι τὸ δουλεύειν ἀτύχημα ἡγοῦνται καὶ λέγουσι

δεινή τις ἀνδρὶ καὶ γυναικὶ συμφορὰ

δούλους γενέσθαι δεσπότας τε δυσχερεῖς

λαβεῖν·

πόσῳ δὲ δεινότερον οἴεσθε πάσχειν αὖ τοὺς ἀνεκφεύκτους ἀναποδράστους ἀναποστάτους; ἔστι δούλῳ φεύξιμος βωμός, ἔστι καὶ λῃσταῖς ἀβέβηλα πολλὰ τῶν ἱερῶν, καὶ πολεμίους οἱ φεύγοντες, ἂν ἀγάλματος λάβωνται ἢ ναοῦ, θαρροῦσιν· ὁ δὲ δεισιδαίμων ταῦτα μάλιστα φρίττει καὶ φοβεῖται καὶ δέδοικεν, ἐν οἷς οἱ φοβούμενοι τὰ δεινότατα τὰς ἐλπίδας ἔχουσι.

μὴ ἀπόσπα τὸν [f] δεισιδαίμονα τῶν ἱερῶν· ἐνταῦθα κολάζεται καὶ τιμωρεῖται.

Τί δεῖ μακρὰ λέγειν; “πέρας ἐστὶ τοῦ βίου πᾶσιν ἀνθρώποις ὁ θάνατος,” τῆς δὲ δεισιδαιμονίας οὐδ’ οὗτος, ἀλλ’ ὑπερβάλλει τοὺς ὅρους ἐπέκεινα τοῦ ζῆν, μακρότερον τοῦ βίου ποιοῦσα τὸν φόβον καὶ συνάπτουσα τῷ θανάτῳ κακῶν ἐπίνοιαν ἀθανάτων, καὶ ὅτε παύεται πραγμάτων, [167] [a] ἄρχεσθαι δοκοῦσα μὴ παυομένων. Ἅιδου τινὲς ἀνοίγονται πύλαι βαθεῖαι, καὶ ποταμοὶ πυρὸς ὁμοῦ καὶ Στυγὸς ἀπορρῶγες ἀνακεράννυνται, καὶ σκότος ἐμπίπλαται πολυφαντάστων εἰδώλων τινῶν χαλεπὰς μὲν ὄψεις οἰκτρὰς δὲ φωνὰς ἐπιφερόντων, δικασταὶ δὲ καὶ κολασταὶ καὶ χάσματα καὶ μυχοὶ μυρίων κακῶν γέμοντες. οὕτως ἡ κακοδαίμων δεισιδαιμονία τῇ περιττῇ πρὸς ἅπαν τὸ δοκοῦν δεινὸν εὐλαβείᾳ λανθάνει ἑαυτὴν ὑποβάλλουσα παντοίοις δεινοῖς.

Τούτων οὐδὲν τῇ ἀθεότητι πρόσεστιν, ἀλλ’ ἡ μὲν ἄγνοια χαλεπὴ καὶ τὸ παρορᾶν καὶ τυφλώττειν [b] περὶ τηλικαῦτα συμφορὰ μεγάλη ψυχῆς, ὥσπερ ὀμμάτων πολλῶν τὸ φανότατον καὶ κυριώτατον ἀπεσβεσμένης τὴν τοῦ θεοῦ νόησιν. ταύτῃ δὲ τὸ ἐμπαθές, ὥσπερ εἴρηται, καὶ ἑλκῶδες καὶ ταρακτικὸν καὶ καταδεδουλωμένον εὐθὺς πρόσεστι τῇ δόξῃ. μουσικήν φησιν ὁ Πλάτων ἐμμελείας καὶ εὐρυθμίας δημιουργὸν ἀνθρώποις ὑπὸ θεῶν οὐ τρυφῆς ἕνεκα καὶ κνήσεως ὤτων δοθῆναι, ἀλλ’ ὥστε τῶν τῆς ψυχῆς περιόδων καὶ ἁρμονιῶν τὸ ταραχῶδες καὶ πεπλανημένον ἐν σώματι, μούσης τε καὶ χάριτος ἐνδείᾳ πολλαχῇ δι’ ἀκολασίαν καὶ πλημμέλειαν ἐξυβρίζον, [c] αὖθις εἰς τάξιν ἀνελίττουσαν οἰκείως καὶ περιάγουσαν καθιστάναι.

“ὅσσα δὲ μὴ πεφίληκε Ζεύς,” φησὶ Πίνδαρος,

“ἀτύζονται βοὰν

Πιερίδων ἀίοντα·”

καὶ γὰρ διαγριαίνεται καὶ ἀγανακτεῖ, καὶ τὰς τίγρεις δέ φασι περιτυμπανιζομένας ἐκμαίνεσθαι καὶ ταράττεσθαι καὶ τέλος αὑτὰς διασπᾶν. ἔλαττον οὖν κακὸν οἷς διὰ κωφότητα καὶ πήρωσιν ἀκοῆς ἀπάθεια πρὸς μουσικὴν καὶ ἀναισθησία συμβέβηκεν. ὁ Τειρεσίας ἐχρῆτο δυστυχίᾳ μὴ βλέπων τὰ τέκνα μηδὲ τοὺς συνήθεις, ὁ δ’ Ἀθάμας μείζονι καὶ ἡ Ἀγαύη, βλέποντες ὡς λέοντας καὶ [d] ἐλάφους· καὶ τῷ Ἡρακλεῖ δήπου μανέντι τοὺς υἱοὺς ἐλυσιτέλει μήτ’ ἰδεῖν μήτ’ αἰσθέσθαι παρόντας ἢ χρῆσθαι τοῖς φιλτάτοις ὡς πολεμίοις.

Τί οὖν; οὐ δοκεῖ σοι καὶ τὸ τῶν ἀθέων πρὸς τοὺς δεισιδαίμονας πάθος ἔχειν τοιαύτην διαφοράν; οἱ μὲν οὐχ ὁρῶσι τοὺς θεοὺς τὸ παράπαν, οἱ δὲ κακοὺς ὑπάρχειν νομίζουσιν· οἱ μὲν παρορῶσιν, οἱ δὲ δοξάζουσι φοβερὸν τὸ εὐμενὲς καὶ τυραννικὸν τὸ πατρικὸν καὶ βλαβερὸν τὸ κηδεμονικὸν καὶ τὸ

ἀμήνιτον ἄγριον εἶναι καὶ θηριῶδες. εἶτα χαλκοτύποις μὲν πείθονται καὶ λιθοξόοις καὶ κηροπλάσταις ἀνθρωπόμορφα τῶν θεῶν τὰ εἴδη ποιοῦσι, [e] καὶ τοιαῦτα πλάττουσι καὶ κατασκευάζουσι καὶ προσκυνοῦσι· φιλοσόφων δὲ καὶ πολιτικῶν ἀνδρῶν καταφρονοῦσιν, ἀποδεικνύντων τὴν τοῦ θεοῦ σεμνότητα μετὰ χρηστότητος καὶ μεγαλοφροσύνης καὶ εὐμενείας καὶ κηδεμονίας. περίεστιν οὖν τοῖς μὲν ἀναισθησία καὶ ἀπιστία τῶν ὠφελούντων, τοῖς δὲ ταραχὴ καὶ φόβος πρὸς τὰ ὠφελοῦντα. καὶ ὅλως ἡ μὲν ἀθεότης ἀπάθεια πρὸς τὸ θεῖόν ἐστι μὴ νοοῦσα τὸ ἀγαθόν, ἡ δὲ δεισιδαιμονία πολυπάθεια κακὸν τὸ ἀγαθὸν ὑπονοοῦσα. φοβοῦνται τοὺς θεοὺς καὶ καταφεύγουσιν ἐπὶ τοὺς θεούς, κολακεύουσι καὶ λοιδοροῦσιν, εὔχονται καὶ καταμέμφονται.

[f] κοινὸν ἀνθρώπων τὸ μὴ πάντα διευτυχεῖν.

κεῖνοι γάρ τ' ἄνοσοι καὶ ἀγήραοι
πόνων τ' ἄπειροι, βαρυβόαν
πορθμὸν πεφευγότες Ἀχέροντος,

ὁ Πίνδαρος θεούς φησι, τὰ δ' ἀνθρώπινα πάθη καὶ πράγματα μέμικται συντυχίαις ἄλλοτ' ἄλλως ῥεούσαις.

Φέρε δὴ πρῶτον ἐν τοῖς ἀβουλήτοις σκόπει τὸν ἄθεον καὶ καταμάνθανε τὴν διάθεσιν, ἂν ᾖ τἄλλα μέτριος, χρωμένου σιωπῇ τοῖς παροῦσι καὶ πορίζοντος αὑτῷ βοηθείας καὶ παρηγορίας, ἂν δὲ δυσφορῇ καὶ περιπαθῇ, πάντας ἐπὶ τὴν τύχην καὶ [168] [a] τὸ αὐτόματον ἀπερειδομένου τοὺς ὀδυρμοὺς καὶ βοῶντος ὡς οὐδὲν κατὰ δίκην οὐδ' ἐκ προνοίας ἀλλὰ πάντα συγκεχυμένως καὶ ἀκρίτως φέρεται καὶ ταράττεται τὰ τῶν ἀνθρώπων. τοῦ δὲ δεισιδαίμονος οὐχ οὗτος ὁ τρόπος, ἀλλ' εἰ καὶ μικρότατον αὐτῷ κακόν τι συμπεπτωκός ἐστιν, ἄλλα κάθηται πάθη χαλεπὰ καὶ μεγάλα καὶ δυσαπάλλακτα τῇ λύπῃ προσοικοδομῶν, καὶ προσεμφορῶν αὑτῷ δείματα καὶ φόβους καὶ ὑποψίας καὶ ταραχάς, παντὶ θρήνῳ καὶ παντὶ στεναγμῷ καθαπτόμενος· οὔτε γὰρ ἄνθρωπον οὔτε τύχην οὔτε καιρὸν οὔθ' ἑαυτὸν ἀλλὰ πάντων τὸν θεὸν [b] αἰτιᾶται, κἀκεῖθεν ἐπ' αὐτὸν ἥκειν καὶ φέρεσθαι ῥεῦμα δαιμόνιον ἄτης φησί, καὶ ὡς οὐ δυστυχὴς ὢν ἀλλὰ θεομισής τις ἄνθρωπος ὑπὸ τῶν θεῶν κολάζεσθαι καὶ δίκην διδόναι καὶ πάντα πάσχειν προσηκόντως δι' αὑτὸν οἴεται.

Νοσῶν θ' ὁ ἄθεος ἐκλογίζεται καὶ ἀναμιμνῄσκεται πλησμονὰς αὑτοῦ καὶ οἰνώσεις καὶ ἀταξίας περὶ δίαιταν ἢ κόπους ὑπερβάλλοντας ἢ μεταβολὰς ἀέρων ἀήθεις καὶ τόπων, ἔπειτα προσκρούσας ἐν πολιτείαις καὶ περιπεσὼν ἀδοξίαις πρὸς ὄχλον ἢ διαβολαῖς πρὸς ἡγεμόνα τὴν αἰτίαν ἐξ αὑτοῦ καὶ τῶν περὶ αὐτὸν σκοπεῖ

πῆ παρέβην; τί δ’ ἔρεξα; τί μοι δέον οὐκ ἐτελέσθη;

τῷ δὲ δεισιδαίμονι καὶ σώματος ἀρρωστία πᾶσα [c] καὶ χρημάτων ἀποβολὴ καὶ τέκνων θάνατοι καὶ περὶ πολιτικὰς πράξεις δυσημερίαι καὶ ἀποτεύξεις πληγαὶ θεοῦ καὶ προσβολαὶ δαίμονος λέγονται. ὅθεν οὐδὲ τολμᾷ βοηθεῖν οὐδὲ διαλύειν τὸ συμβεβηκὸς οὐδὲ θεραπεύειν οὐδ’ ἀντιτάττεσθαι, μὴ δόξῃ θεομαχεῖν καὶ ἀντιτείνειν κολαζόμενος, ἀλλ’ ὠθεῖται μὲν ἔξω νοσοῦντος ὁ ἰατρός, ἀποκλείεται δὲ πενθοῦντος ὁ νουθετῶν καὶ παραμυθούμενος φιλόσοφος. “ἔα με,” φησίν, “ἄνθρωπε, διδόναι δίκην, τὸν ἀσεβῆ, τὸν ἐπάρατον, τὸν θεοῖς καὶ δαίμοσι μεμισημένον.”

[d] Ἔστιν ἀνθρώπου μὴ πεπεισμένου θεοὺς εἶναι λυπουμένου δ’ ἄλλως καὶ περιπαθοῦντος ἀπομάξαι δάκρυον, ἀποκεῖραι κόμην, ἀφελέσθαι τὸ ἱμάτιον· τὸν δὲ δεισιδαίμονα πῶς ἂν προσείποις ἢ πῇ βοηθήσεις; ἔξω κάθηται σακκίον ἔχων καὶ περιεζωσμένος ῥάκεσι ῥυπαροῖς, πολλάκις δὲ γυμνὸς ἐν πηλῷ κυλινδούμενος ἐξαγορεύει τινὰς ἁμαρτίας αὐτοῦ καὶ πλημμελείας, ὡς τόδε φαγόντος ἢ πιόντος ἢ βαδίσαντος ὁδὸν ἣν οὐκ εἴα τὸ δαιμόνιον. ἂν δ’ ἄριστα πράττῃ καὶ συνῇ πράως δεισιδαιμονίᾳ, περιθειούμενος οἴκοι κάθηται καὶ περιματτόμενος, αἱ δὲ γρᾶες “καθάπερ παττάλῳ,”

[e] φησὶν ὁ Βίων, “ὅ τι ἂν τύχωσιν αὐτῷ περιάπτουσι φέρουσαι καὶ περιαρτῶσι.”

Τὸν Τιρίβαζόν φασιν ὑπὸ τῶν Περσῶν συλλαμβανόμενον σπάσασθαί τε τὸν ἀκινάκην, εὔρωστον ὄντα, καὶ διαμάχεσθαι· μαρτυρομένων δὲ καὶ βοώντων ὅτι συλλαμβάνουσιν αὐτὸν βασιλέως κελεύσαντος, αὐτίκα τὸ ξίφος καταβαλεῖν καὶ τὼ χεῖρε συνδῆσαι παρασχεῖν. ἆρ’ οὖν οὐχ ὅμοιόν ἐστι τὸ γιγνόμενον; οἱ μὲν ἄλλοι διαμάχονται συμφοραῖς καὶ διωθοῦνται τὰ πράγματα, φυγὰς ἑαυτοῖς μηχανώμενοι καὶ παρατροπὰς τῶν ἀβουλήτων· ὁ [f] δὲ δεισιδαίμων οὐδενὸς ἀκούσας, αὐτὸς πρὸς αὐτὸν εἰπών “ταῦτα πάσχεις, ὦ κακόδαιμον, ἐκ προνοίας καὶ θεοῦ κελεύοντος” ἔρριψε πᾶσαν ἐλπίδα, προήκατο ἑαυτόν, ἔφυγε, διεκρούσατο τοὺς βοηθοῦντας.

Πολλὰ τῶν μετρίων κακῶν ὀλέθρια ποιοῦσιν αἱ δεισιδαιμονίαι. Μίδας ὁ παλαιός, ὡς ἔοικεν, ἔκ τινων ἐνυπνίων ἀθυμῶν καὶ ταραττόμενος οὕτω κακῶς ἔσχε τὴν ψυχήν, ὥσθ’ ἑκουσίως ἀποθανεῖν αἷμα ταύρου πιών. ὁ δὲ τῶν Μεσσηνίων βασιλεὺς Ἀριστόδημος ἐν τῷ πρὸς Λακεδαιμονίους πολέμῳ, κυνῶν λύκοις ὠρυομένων ὅμοια καὶ περὶ τὴν ἑστίαν αὐτοῦ τὴν πατρῴαν ἀγρώστεως ἀναβλαστανούσης καὶ τῶν μάντεων τὰ σημεῖα φοβουμένων, ἐξαθυμήσας καὶ κατασβεσθεὶς [169] [a] ταῖς ἐλπίσιν αὐτὸς ἑαυτὸν ἀπέσφαξεν. ἦν δ’ ἴσως καὶ Νικίᾳ τῷ Ἀθηναίων στρατηγῷ κράτιστον οὕτως ἀπαλλαγῆναι τῆς δεισιδαιμονίας ὡς Μίδας ἢ Ἀριστόδημος ἢ φοβηθέντι τὴν σκιὰν

ἐκλιπούσης τῆς σελήνης καθῆσθαι περιτειχιζόμενον ὑπὸ τῶν πολεμίων, εἶθ’ ὁμοῦ τέτταρσι μυριάσιν ἀνθρώπων φονευθέντων τε καὶ ζώντων ἁλόντων ὑποχείριον γενέσθαι καὶ δυσκλεῶς ἀποθανεῖν. οὐ γὰρ γῆς ἀντίφραξις ἐν μέσῳ γενομένης φοβερόν, οὐδὲ δεινὸν ἐν καιρῷ περιόδων σκιᾶς πρὸς σελήνην ἀπάντησις, ἀλλὰ δεινὸν τὸ τῆς [b] δεισιδαιμονίας σκότος ἐμπεσὸν τοῦ ἀνθρώπου συγχέαι καὶ τυφλῶσαι λογισμὸν ἐν πράγμασι μάλιστα λογισμοῦ δεομένοις.

Γλαῦχ’, ὅρα, βαθὺς γὰρ ἤδη κύμασιν ταράσσεται
πόντος, ἀμφὶ δ’ ἄκρα Γυρέων ὀρθὸν ἵσταται νέφος,
σῆμα χειμῶνος.

τοῦτ’ ἰδὼν κυβερνήτης εὔχεται μὲν ὑπεκφυγεῖν καὶ θεοὺς ἐπικαλεῖται σωτῆρας, εὐχόμενος δὲ τὸν οἴακα προσάγει, τὴν κεραίαν ὑφίησι,

φεύγει μέγα λαῖφος ὑποστολίσας ἐρεβώδεος ἐκ
θαλάσσης.

ὁ Ἡσίοδος κελεύει πρὸ ἀρότου καὶ σπόρου τὸν γεωργὸν

εὔχεσθαί τ’ Διὶ χθονίῳ Δημήτερί θ’ ἁγνῇ

[c] τῆς ἐχέτλης ἐχόμενον, Ὅμηρος δὲ τὸν Αἴαντά φησι τῷ Ἕκτορι μέλλοντα μονομαχεῖν εὔχεσθαι κελεύειν τοὺς Ἕλληνας ὑπὲρ αὐτοῦ τοῖς θεοῖς, εἶτ’ εὐχομένων ἐκείνων ὁπλίζεσθαι. καὶ ὁ Ἀγαμέμνων ὅτε τοῖς μαχομένοις προσέταξεν

εὖ μέν τις δόρυ θηξάσθω, εὖ δ’ ἀσπίδα θέσθω,

τότε παρὰ τοῦ Διὸς αἰτεῖ

δός με κατὰ πρηνὲς βαλέειν Πριάμοιο μέλαθρον·

ἀρετῆς γὰρ ἐλπὶς ὁ θεός ἐστιν, οὐ δειλίας πρόφασις. ἀλλ’ Ἰουδαῖοι σαββάτων ὄντων ἐν ἀγνάμπτοις καθεζόμενοι, τῶν πολεμίων κλίμακας προστιθέντων καὶ τὰ τείχη καταλαμβανόντων, οὐκ ἀνέστησαν ἀλλ’ ἔμειναν ὥσπερ ἐν σαγήνῃ μιᾷ τῇ δεισιδαιμονίᾳ συνδεδεμένοι.

[d] Τοιαύτη μὲν ἐν τοῖς ἀβουλήτοις καὶ περιστατικοῖς λεγομένοις πράγμασι καὶ καιροῖς ἡ δεισιδαιμονία, βελτίων δ’ οὐδὲν οὐδ’ ἐν τοῖς ἡδίοσι τῆς ἀθεότητος. ἥδιστα δὲ τοῖς ἀνθρώποις ἑορταὶ καὶ εἰλαπίναι πρὸς ἱεροῖς καὶ μυήσεις καὶ ὀργιασμοὶ καὶ κατευχαὶ θεῶν καὶ προσκυνήσεις. ἐνταῦθα τοίνυν σκόπει τὸν ἄθεον γελῶντα μὲν μανικὸν καὶ σαρδάνιον γέλωτα τοῖς ποιουμένοις καί που παραφθεγγόμενον ἠρέμα πρὸς τοὺς συνήθεις ὅτι τετύφωνται καὶ δαιμονῶσιν οἱ θεοῖς ταῦτα δρᾶσθαι νομίζοντες, ἄλλο δ’ οὐδὲν ἔχοντα κακόν. ὁ δὲ δεισιδαίμων βούλεται μὲν οὐ δύναται δὲ χαίρειν οὐδ’ ἥδεσθαι·

πόλις δ’ ὁμοῦ μὲν θυμιαμάτων γέμει,

[e] ὁμοῦ δὲ παιάνων τε καὶ στεναγμάτων

ἡ ψυχὴ τοῦ δεισιδαίμονος· ἐστεφανωμένος ὠχριᾷ, θύει καὶ φοβεῖται, εὔχεται φωνῇ παλλομένῃ καὶ χερσὶν ἐπιθυμιᾷ τρεμούσαις, καὶ ὅλως ἀποδείκνυσι τὸν Πυθαγόρου λόγον φλύαρον εἰπόντος ὅτι βέλτιστοι γιγνόμεθα πρὸς τοὺς θεοὺς βαδίζοντες· τότε γὰρ ἀθλιώτατα καὶ κάκιστα πράττουσιν οἱ δεισιδαίμονες, ὥσπερ ἄρκτων φωλεοῖς ἢ χειαῖς δρακόντων ἢ μυχοῖς κητῶν τοῖς τῶν θεῶν μεγάροις ἢ ἀνακτόροις προσιόντες.

Ὅθεν ἔμοιγε καὶ θαυμάζειν ἔπεισι τοὺς τὴν [f] ἀθεότητα φάσκοντας ἀσέβειαν εἶναι, μὴ φάσκοντας δὲ τὴν δεισιδαιμονίαν. καίτοι γ’ Ἀναξαγόρας δίκην ἔφυγεν ἀσεβείας ἐπὶ τῷ λίθον εἰπεῖν τὸν ἥλιον, Κιμμερίους δ’ οὐδεὶς εἶπεν ἀσεβεῖς ὅτι τὸν ἥλιον οὐδ’ εἶναι τὸ παράπαν νομίζουσι. τί σὺ λέγεις; ὁ μὴ νομίζων θεοὺς εἶναι ἀνόσιός ἐστιν; ὁ δὲ τοιούτους νομίζων οἵους οἱ δεισιδαίμονες, οὐ μακρῷ δόξαις ἀνοσιωτέραις σύνεστιν; ἐγὼ γοῦν ἂν ἐθέλοιμι μᾶλλον τοὺς ἀνθρώπους λέγειν περὶ ἐμοῦ μήτε γεγονέναι τὸ παράπαν μήτ’ εἶναι [170] [a] Πλούταρχον ἢ λέγειν ὅτι Πλούταρχός ἐστιν ἄνθρωπος ἀβέβαιος εὐμετάβολος, εὐχερὴς πρὸς ὀργήν, ἐπὶ τοῖς τυχοῦσι τιμωρητικός, μικρόλυπος· ἂν καλῶν ἐπὶ δεῖπνον ἑτέρους παραλίπῃς ἐκεῖνον, ἂν ἀσχολίας σοι γενομένης ἐπὶ θύρας μὴ ἔλθῃς ἢ μὴ προσείπῃς, διέδεταί σου τὸ σῶμα προσφὺς ἢ συλλαβὼν ἀποτυμπανιεῖ τὸ παιδίον, ἢ θηρίον ἔχων τοῖς καρποῖς ἐφήσει καὶ λυμανεῖται τὴν ὀπώραν.

Τοῦ Τιμοθέου τὴν Ἄρτεμιν ᾄδοντος ἐν Ἀθήναις καὶ λέγοντος

θυιάδα φοιβάδα μαινάδα λυσσάδα

Κινησίας ὁ μελοποιὸς ἐκ τῶν θεατῶν ἀναστάς, [b] “τοιαύτη σοι,” εἶπε, “θυγάτηρ γένοιτο.” καὶ μὴν ὅμοια τούτοις καὶ χείρω περὶ Ἀρτέμιδος οἱ δεισιδαίμονες ὑπολαμβάνουσιν,

αἴτε κα ἀπ’ ἀγχόνας ᾄξασα,
αἴτε κα λεχὼν κναίσασα,
αἴτε κἀκ νεκρῶ παροῦσα,
ἀμπεφυρμένα ἐσῆλθες,
αἴτε καὶ ἐκ τριόδων

τῷ παλαμναίῳ συμπλεχθεῖσα.

Οὐδὲν δὲ τούτων ἐπιεικέστερα φρονοῦσι περὶ Ἀπόλλωνος περὶ Ἥρας περὶ Ἀφροδίτης· πάντας γὰρ τούτους τρέμουσι καὶ δεδοίκασι. καίτοι τί τοιοῦτον ἡ Νιόβη περὶ τῆς Λητοῦς ἐβλασφήμησεν, οἷον ἡ δεισιδαιμονία πέπεικε περὶ τῆς θεοῦ τοὺς [c] ἄφρονας, ὡς ἄρα λοιδορηθεῖσα κατετόξευσε τῆς ἀθλίας γυναικὸς

ἓξ μὲν θυγατέρας, ἓξ δ’ υἱέας ἡβώοντας;

οὕτως ἄπληστος ἀλλοτρίων κακῶν ἦν καὶ ἀνίλαστος. εἰ γὰρ ἀληθῶς ἡ θεὸς χολὴν εἶχε καὶ μισοπόνηρος ἦν καὶ ἤλγει κακῶς ἀκούουσα καὶ μὴ κατεγέλα τῆς ἀνθρωπίνης ἀμαθίας καὶ ἀγνοίας ἀλλ’ ἠγανάκτει, τούτους ἔδει τοξεῦσαι τοὺς τοσαύτην ὠμότητα καὶ πικρίαν καταψευδομένους αὐτῆς καὶ τοιαῦτα λέγοντας καὶ γράφοντας. τῆς γοῦν Ἑκάβης προβαλλόμεθα τὴν πικρίαν ὡς βάρβαρον καὶ θηριώδη λεγούσης

[d] τοῦ ἐγὼ μέσον ἧπαρ ἔχοιμι

ἐσθέμεναι προσφῦσα,

τὴν δὲ Συρίαν θεὸν οἱ δεισιδαίμονες νομίζουσιν, ἂν μαινίδας τις ἢ ἀφύας φάγῃ, τὰ ἀντικνήμια διεσθίειν, ἕλκεσι τὸ σῶμα πιμπράναι, συντήκειν τὸ ἧπαρ.

Ἆρ’ οὖν τὸ μὲν λέγειν τὰ φαῦλα περὶ τῶν θεῶν ἀνόσιον, τὸ δὲ δοξάζειν οὐκ ἀνόσιον; ἢ καὶ τὴν φωνὴν ἄτοπον ἡ δόξα ποιεῖ τοῦ βλασφημοῦντος; καὶ γὰρ ἡμεῖς τὴν βλασφημίαν ὅτι δυσμενείας σημεῖόν ἐστι προβαλλόμεθα, καὶ τοὺς κακῶς ἡμᾶς λέγοντας ἐχθροὺς νομίζομεν ὡς καὶ κακῶς φρονοῦντας. ὁρᾷς δ’ οἷα περὶ τῶν θεῶν οἱ δεισιδαίμονες φρονοῦσιν, ἐμπλήκτους ἀπίστους εὐμεταβόλους τιμωρητικοὺς ὠμοὺς μικρολύπους ὑπολαμβάνοντες, ἐξ ὧν ἀνάγκη καὶ μισεῖν τὸν δεισιδαίμονα καὶ φοβεῖσθαι τοὺς θεούς. πῶς γὰρ οὐ μέλλει, τὰ μέγιστα τῶν κακῶν αὐτῷ δι’ ἐκείνους οἰόμενος γεγονέναι καὶ πάλιν γενήσεσθαι; μισῶν δὲ θεοὺς καὶ φοβούμενος ἐχθρός ἐστι. κἂν δεδοίκῃ, προσκυνεῖ γε καὶ θύει καὶ κάθηται πρὸς ἱεροῖς, καὶ οὐ θαυμαστόν ἐστι· καὶ γὰρ τοὺς τυράννους ἀσπάζονται περιέπουσι χρυσοῦς ἀνιστᾶσιν, ἀλλὰ μισοῦσι σιγῇ “κάρα σείοντες.” Ἀλέξανδρον Ἑρμόλαος ἐθεράπευε, Παυσανίας ἐδορυφόρει Φίλιππον, [e] Χαιρέας Γάιον, ἀλλ’ ἕκαστος τούτων ἔλεγε παρακολουθῶν

ἦ σ’ ἂν τισαίμην, εἴ μοι δύναμίς γε παρείη.

Οὐκ οἴεται θεοὺς εἶναι ὁ ἄθεος, ὁ δὲ δεισιδαίμων οὐ βούλεται, πιστεύει δ’ ἄκων· φοβεῖται γὰρ ἀπιστεῖν. καίτοι γ’ ὥσπερ ὁ Τάνταλος ὑπεκδῦναι τὸν λίθον ἐπαιωρούμενον οὕτω καὶ οὗτος τὸν φόβον ὡς οὐχ ἧττον ὑπ’ αὐτοῦ πιεζόμενος ἀγαπήσειεν ἄν, καὶ μακαρίσειε τὴν τοῦ ἀθέου διάθεσιν ὡς ἐλευθέριον. νυνὶ δὲ τῷ μὲν ἀθέῳ δεισιδαιμονίας οὐδὲν μέτεστιν, ὁ δὲ δεισιδαίμων τῇ προαιρέσει ἄθεος ὢν ἀσθενέστερός ἐστιν ἢ ὥστε δοξάζειν περὶ θεῶν ὃ βούλεται.

[171] [a] Καὶ μὴν ὁ ἄθεος δεισιδαιμονίας οὐδαμῇ συναίτιος, ἡ δὲ δεισιδαιμονία τῇ ἀθεότητι καὶ γενέσθαι παρέσχεν ἀρχὴν καὶ γενομένῃ δίδωσιν ἀπολογίαν, οὐκ ἀληθῆ μὲν οὐδὲ καλήν, προφάσεως δέ τινος οὐκ

ἄμοιρον οὖσαν. οὐ γὰρ ἐν οὐρανῷ τι μεμπτὸν οὐδ' ἐν ἄστροις οὐδ' ἐν ὥραις ἢ περιόδοις σελήνης ἢ κινήσεσιν ἡλίου περὶ γῆν, "ἡμέρας καὶ νυκτὸς δημιουργοῖς," ἢ τροφαῖς ζῴων ἢ καρπῶν γενέσεσι πλημμελὲς καὶ ἄτακτον ἐνιδόντες οὕτως ἀθεότητα τοῦ παντὸς κατέγνωσαν, ἀλλὰ τῆς δεισιδαιμονίας ἔργα καὶ πάθη καταγέλαστα, καὶ ῥήματα καὶ κινήματα [b] καὶ γοητεῖαι καὶ μαγεῖαι καὶ περιδρομαὶ καὶ τυμπανισμοὶ καὶ ἀκάθαρτοι μὲν καθαρμοὶ ῥυπαραὶ δ' ἁγνεῖαι, βάρβαροι δὲ καὶ παράνομοι πρὸς ἱεροῖς κολασμοὶ καὶ προπηλακισμοί, ταῦτα δίδωσιν ἐνίοις λέγειν ὡς μὴ εἶναι θεοὺς ἄμεινον ἢ εἶναι, τοιαῦτα μὲν δεχομένους τοιούτοις δὲ χαίροντας, οὕτω δ' ὑβριστάς, οὕτω δὲ μικρολόγους καὶ μικρολύπους.

Οὐκ ἄμεινον οὖν ἦν Γαλάταις ἐκείνοις καὶ Σκύθαις τὸ παράπαν μήτ' ἔννοιαν ἔχειν θεῶν μήτε φαντασίαν μήθ' ἱστορίαν ἢ θεοὺς εἶναι νομίζειν χαίροντας ἀνθρώπων σφαττομένων αἵματι καὶ [c] τελεωτάτην θυσίαν καὶ ἱερουργίαν ταύτην νομίζοντας; τί δέ; Καρχηδονίοις οὐκ ἐλυσιτέλει Κριτίαν λαβοῦσιν ἢ Διαγόραν νομοθέτην ἀπ' ἀρχῆς μήτε τινὰ δαιμόνων μήτε θεῶν νομίζειν ἢ τοιαῦτα θύειν οἷα τῷ Κρόνῳ ἔθυον; οὐχ ὥσπερ Ἐμπεδοκλῆς φησι τῶν τὰ ζῷα θυόντων καθαπτόμενος

μορφὴν δ' ἀλλάξαντα πατὴρ φίλον υἱὸν ἀείρας
σφάζει ἐπευχόμενος μέγα νήπιος,

ἀλλ' εἰδότες καὶ γιγνώσκοντες αὐτοὶ τὰ αὑτῶν τέκνα καθιέρευον, οἱ δ' ἄτεκνοι παρὰ τῶν πενήτων ὠνούμενοι παιδία κατέσφαζον καθάπερ ἄρνας ἢ [d] νεοσσούς, παρειστήκει δ' ἡ μήτηρ ἄτεγκτος καὶ ἀστένακτος. εἰ δὲ στενάξειεν ἢ δακρύσειεν, ἔδει τῆς τιμῆς στέρεσθαι, τὸ δὲ παιδίον οὐδὲν ἧττον ἐθύετο· κρότου τε κατεπίμπλατο πάντα πρὸ τοῦ ἀγάλματος ἐπαυλούντων καὶ τυμπανιζόντων ἕνεκα τοῦ μὴ γενέσθαι τὴν βοὴν τῶν θρήνων ἐξάκουστον. εἰ δὲ Τυφῶνές τινες ἢ Γίγαντες ἦρχον ἡμῶν τοὺς θεοὺς ἐκβαλόντες, ποίαις ἂν ἥδοντο θυσίαις ἢ τίνας ἄλλας ἱερουργίας ἀπῄτουν; Ἄμηστρις δ' ἡ Ξέρξου γυνὴ δώδεκα κατώρυξεν ἀνθρώπους ζῶντας ὑπὲρ αὑτῆς τῷ Ἅιδῃ, ὃν ὁ Πλάτων φησὶ φιλάνθρωπον [e] ὄντα καὶ σοφὸν καὶ πλούσιον, πειθοῖ καὶ λόγῳ κατέχοντα τὰς ψυχάς, Ἅιδην ὠνομάσθαι. Ἀλλ' οὐδὲν οὕτω πολυπλανὲς καὶ πολυπαθὲς νόσημα καὶ μεμιγμένον ἐναντίαις δόξαις καὶ μαχομέναις μᾶλλον ὡς τὸ τῆς δεισιδαιμονίας. φευκτέον οὖν αὐτὴν ἀσφαλῶς τε καὶ συμφερόντως, οὐχ ὥσπερ οἱ λῃστῶν ἢ θηρίων ἔφοδον ἢ πῦρ ἀπερισκέπτως [f] καὶ ἀλογίστως περιφεύγοντες ἐμπίπτουσιν εἰς

Regum et imperatorum apophthegmata

ΒΑΣΙΛΕΩΝ ΑΠΟΦΘΕΓΜΑΤΑ ΚΑΙ ΣΤΡΑΤΗΓΩΝ

[172] Ἀρτοξέρξης ὁ Περσῶν βασιλεύς, ὦ μέγιστε αὐτόκρατορ Τραϊανὲ Καῖσαρ, οὐχ ἧττον οἰόμενος βασιλικὸν καὶ φιλάνθρωπον εἶναι τοῦ μεγάλα διδόναι τὸ μικρὰ λαμβάνειν εὐμενῶς καὶ προθύμως, ἐπεὶ παρελαύνοντος αὐτοῦ καθ' ὁδὸν αὐτουργὸς ἄνθρωπος καὶ ἰδιώτης οὐδὲν ἔχων ἕτερον ἐκ τοῦ ποταμοῦ ταῖς χερσὶν ἀμφοτέραις ὕδωρ ὑπολαβὼν προσήνεγκεν, ἡδέως ἐδέξατο καὶ ἐμειδίασε, τῇ προθυμίᾳ τοῦ διδόντος οὐ τῇ χρείᾳ τοῦ διδομένου τὴν χάριν μετρήσας. ὁ δὲ Λυκοῦργος εὐτελεστάτας ἐποίησεν ἐν Σπάρτῃ [c] τὰς θυσίας, ἵνα ἀεὶ τοὺς θεοὺς τιμᾶν ἑτοίμως δύνωνται καὶ ῥᾳδίως ἀπὸ τῶν παρόντων. τοιαύτῃ δή τινι γνώμῃ κἀμοῦ λιτά σοι δῶρα καὶ ξένια καὶ κοινὰς ἀπαρχὰς προσφέροντος ἀπὸ φιλοσοφίας ἅμα τῇ προθυμίᾳ καὶ τὴν χρείαν ἀπόδεξαι τῶν ἀπομνημονευμάτων, εἰ πρόσφορον ἔχει τι πρὸς κατανόησιν ἠθῶν καὶ προαιρέσεων ἡγεμονικῶν, ἐμφαινομένων τοῖς λόγοις μᾶλλον ἢ ταῖς πράξεσιν αὐτῶν. καίτοι καὶ βίους ἔχει‹ς,› τὸ σύνταγμα τῶν ἐπιφανεστάτων παρά τε Ῥωμαίοις καὶ παρ' Ἕλλησιν ἡγεμόνων καὶ νομοθετῶν καὶ αὐτοκρατόρων· ἀλλὰ τῶν μὲν πράξεων αἱ πολλαὶ τύχην ἀναμεμιγμένην ἔχουσιν, αἱ [d] δὲ γινόμεναι παρὰ τὰ ἔργα καὶ τὰ πάθη καὶ τὰς τύχας ἀποφάσεις καὶ ἀναφωνήσεις ὥσπερ ἐν κατόπτροις καθαρῶς παρέχουσι τὴν ἑκάστου διάνοιαν ἀποθεωρεῖν. ᾗ καὶ Σειράμνης ὁ Πέρσης πρὸς τοὺς θαυμάζοντας, ὅτι τῶν λόγων αὐτοῦ νοῦν ἐχόντων αἱ πράξεις οὐ κατορθοῦνται, τῶν μὲν λόγων ἔφη κύριος αὐτὸς εἶναι, τῶν δὲ πράξεων τὴν τύχην μετὰ τοῦ βασιλέως. ἐκεῖ μὲν οὖν ἅμα αἱ ἀποφάσεις τῶν ἀνδρῶν τὰς πράξεις παρακειμένας ἔχουσαι σχολάζουσαν φιληκοΐαν περιμένουσιν· ἐνταῦθα δὲ [καὶ] τοὺς λόγους αὐτοὺς καθ' αὑτοὺς ὥσπερ δείγματα τῶν βίων καὶ σπέρματα συνειλεγμένους οὐδὲν [e] οἴομαί σοι τὸν καιρὸν ἐνοχλήσειν, ἐν βραχέσι πολλῶν ἀναθεώρησιν ἀνδρῶν ἀξίων μνήμης γενομένων λαμβάνοντι.

ΚΥΡΟΣ

Πέρσαι τῶν γρυπῶν ἐρῶσι καὶ καλλίστους ὑπολαμβάνουσι διὰ τὸ Κῦρον ἀγαπηθέντα μάλιστα τῶν βασιλέων γεγονέναι γρυπὸν τὸ εἶδος.

Ἔλεγε δὲ Κῦρος ἑτέροις ‹δεῖν› ἀναγκάζεσθαι τἀγαθὰ πορίζειν τοὺς αὑτοῖς μὴ θέλοντας· ἄρχειν δὲ μηδενὶ προσήκειν, ὃς οὐ κρείττων ἐστὶ τῶν ἀρχομένων.

Βουλομένους δὲ τοὺς Πέρσας ἀντὶ τῆς ἑαυτῶν

οὔσης ὀρεινῆς καὶ τραχείας πεδιάδα καὶ μαλακὴν χώραν [f] λαβεῖν οὐκ εἴασεν, εἰπὼν ὅτι καὶ τῶν φυτῶν τὰ σπέρματα καὶ τῶν ἀνθρώπων οἱ βίοι ταῖς χώραις συνεξομοιοῦνται.

ΔΑΡΕΙΟΣ

Δαρεῖος ὁ Ξέρξου πατὴρ ἑαυτὸν ἐγκωμιάζων ἔλεγεν ἐν ταῖς μάχαις καὶ παρὰ τὰ δεινὰ γίνεσθαι φρονιμώτερος.

Τοὺς δὲ φόρους τοῖς ὑπηκόοις τάξας μετεπέμψατο τοὺς πρώτους τῶν ἐπαρχιῶν καὶ περὶ τῶν φόρων ἠρώτησε, [173] [a] μὴ βαρεῖς εἰσι· φησάντων δὲ μετρίως ἔχειν ἐκέλευσε τοὺς ἡμίσεις τελεῖν ἕκαστον.

Ῥοιὰν δὲ μεγάλην ἀνοίξας, πυθομένου τινὸς τί ἂν ἔχειν ἐβούλετο τοσοῦτον ὅσον ἐστὶ τῶν κόκκων τὸ πλῆθος, εἶπε Ζωπύρους· ἦν δ' ἀνὴρ ἀγαθὸς καὶ φίλος ὁ Ζώπυρος.

Ἐπεὶ δ' αὐτὸς αἰκισάμενος ἑαυτὸν ὁ Ζώπυρος καὶ τὴν ῥῖνα καὶ τὰ ὦτα περικόψας ἐξηπάτησε Βαβυλωνίους καὶ πιστευθεὶς ὑπ' αὐτῶν παρέδωκε Δαρείῳ τὴν πόλιν, πολλάκις ὁ Δαρεῖος εἶπεν οὐκ ἂν ἐθελῆσαι λαβεῖν ἑκατὸν Βαβυλῶνας ἐπὶ τῷ μὴ Ζώπυρον ἔχειν ὁλόκληρον.

ΣΕΜΙΡΑΜΙΣ

Σεμίραμις δὲ ἑαυτῇ κατασκευάσασα τάφον ἐπέγραψεν [b] 'ὅστις ἂν χρημάτων δεηθῇ βασιλεύς, διελόντα τὸ μνημεῖον ὅσα βούλεται λαβεῖν.' Δαρεῖος οὖν διελὼν χρήματα μὲν οὐχ εὗρε, γράμμασι δὲ ἑτέροις ἐνέτυχε τάδε φράζουσιν· 'εἰ μὴ κακὸς ἦσθ' ἀνὴρ καὶ χρημάτων ἄπληστος, οὐκ ἂν νεκρῶν θήκας ἐκίνεις.'

ΞΕΡΞΗΣ

Ξέρξῃ τῷ Δαρείου περὶ τῆς βασιλείας ἀμφισβητῶν ὁ ἀδελφὸς Ἀριαμένης κατέβαινεν ἐκ τῆς Βακτριανῆς· ἔπεμψεν οὖν αὐτῷ δῶρα, φράσαι κελεύσας τοὺς διδόντας 'τούτοις σε τιμᾷ νῦν Ξέρξης ὁ ἀδελφός· ἐὰν δὲ βασιλεὺς ἀναγορευθῇ, πάντων ἔσῃ παρ' αὐτῷ μέγιστος.' ἀποδειχθέντος [c] δὲ τοῦ Ξέρξου βασιλέως ὁ μὲν Ἀριαμένης εὐθὺς προσεκύνησε καὶ τὸ διάδημα περιέθηκεν, ὁ δὲ Ξέρξης ἐκείνῳ τὴν δευτέραν μεθ' ἑαυτὸν ἔδωκε τάξιν.

Ὀργισθεὶς δὲ Βαβυλωνίοις ἀποστᾶσι καὶ κρατήσας προσέταξεν ὅπλα μὴ φέρειν, ἀλλὰ ψάλλειν καὶ αὐλεῖν καὶ πορνοβοσκεῖν καὶ καπηλεύειν καὶ φορεῖν κολπωτοὺς χιτῶνας.

Ἀττικὰς δ' ἰσχάδας οὐκ ἂν ἔφη φαγεῖν ὠνίους κομισθείσας, ἀλλ' ὅταν τὴν φέρουσαν κτήσηται χώραν.

Ἕλληνας δὲ κατασκόπους ἐν τῷ στρατοπέδῳ λαβὼν οὐδὲν ἠδίκησεν, ἀλλὰ τὴν στρατιὰν ἀδεῶς ἐπιδεῖν κελεύσας ἀφῆκεν.

ΑΡΤΟΞΕΡΞΗΣ

[d] Ἀρτοξέρξης ὁ Ξέρξου, ὁ μακρόχειρ προσαγορευθεὶς διὰ τὸ τὴν ἑτέραν χεῖρα μακροτέραν ἔχειν, ἔλεγεν ὅτι τὸ προσθεῖναι τοῦ ἀφελεῖν βασιλικώτερόν ἐστι.

Πρῶτος δὲ πρωτοβολεῖν ἐκέλευσε τῶν συγκυνηγετούντων τοὺς δυναμένους καὶ βουλομένους.

Πρῶτος δὲ τοῖς ἁμαρτάνουσι τῶν ἡγεμονικῶν τιμωρίαν ἔταξεν, ἀντὶ τοῦ τὸ σῶμα μαστιγοῦσθαι καὶ τὴν κεφαλὴν ἀποτίλλεσθαι μαστιγοῦσθαι μὲν ἀποδυσαμένων τὰ ἱμάτια, τίλλεσθαι δὲ τὴν τιάραν ἀποθεμένων.

Σατιβαρζάνην δὲ τὸν κατακοιμιστὴν αἰτούμενόν τι παρ' αὐτοῦ τῶν μὴ δικαίων αἰσθόμενος ἐπὶ τρισμυρίοις [e] δαρεικοῖς τοῦτο ποιοῦντα, προσέταξε τῷ ταμίᾳ τρισμυρίους δαρεικοὺς κομίσαι· καὶ διδοὺς αὐτῷ 'λάβε' εἶπεν 'ὦ Σατιβαρζάνη· ταῦτα μὲν γὰρ δοὺς οὐκ ἔσομαι πενέστερος, ἐκεῖνα δὲ πράξας ἀδικώτερος.'

ΚΥΡΟΣ Ο ΝΕΩΤΕΡΟΣ

Κῦρος ὁ νεώτερος τοὺς Λακεδαιμονίους συμμαχεῖν αὐτῷ παρακαλῶν ἔλεγε τοῦ ἀδελφοῦ καρδίαν ἔχειν βαρυτέραν καὶ πλείονα πίνειν ἄκρατον αὐτοῦ καὶ φέρειν βέλτιον· ἐκεῖνον δὲ μόλις ἐν ταῖς θήραις ἐπὶ τῶν ἵππων μένειν, ἐν δὲ τοῖς δεινοῖς μηδ' ἐπὶ τοῦ θρόνου. παρεκάλει [f] δ' ἀποστέλλειν ἄνδρας πρὸς αὐτόν, ἐπαγγελλόμενος τοῖς μὲν πεζοῖς ἵππους δώσειν, τοῖς δὲ ἵππους ἔχουσιν ἅρματα, τοῖς δὲ χωρία κεκτημένοις κώμας, τοὺς δὲ κώμας ἔχοντας πόλεων κυρίους ποιήσειν· ἀργυρίου δὲ καὶ χρυσίου οὐκ ἀριθμὸν ἀλλὰ σταθμὸν ἔσεσθαι.

ΑΡΤΟΞΕΡΞΗΣ Ο ΜΝΗΜΩΝ

Ἀρτοξέρξης ὁ τούτου μὲν ἀδελφὸς Μνήμων δὲ καλούμενος οὐ μόνον τοῖς ἐντυγχάνουσιν ἑαυτὸν ἀνέδην παρεῖχεν, ἀλλὰ καὶ τὴν γυναῖκα τὴν γνησίαν ἐκέλευσε τῆς ἁρμαμάξης τὰς αὐλαίας περιελεῖν, ὅπως οἱ δεόμενοι κατὰ τὴν ὁδὸν ἐντυγχάνωσι.

[174] [a] Πένητος δ' ἀνθρώπου μῆλον ὑπερφυὲς μεγέθει προσενέγκαντος αὐτῷ δεξάμενος ἡδέως 'νὴ τὸν Μίθραν' εἶπεν 'οὗτός μοι δοκεῖ καὶ πόλιν ἂν ἐκ μικρᾶς μεγάλην πιστευθεὶς ἀπεργάσασθαι.'

Ἐν δὲ φυγῇ τινι τῆς ἀποσκευῆς αὐτοῦ διαρπαγείσης ξηρὰ σῦκα φαγὼν καὶ κρίθινον ἄρτον 'οἵας' εἶπεν 'ἡδονῆς ἄπειρος ἤμην.'

ΠΑΡΥΣΑΤΙΣ

Παρύσατις ἡ Κύρου καὶ Ἀρτοξέρξου μήτηρ ἐκέλευε τὸν βασιλεῖ μέλλοντα μετὰ παρρησίας διαλέγεσθαι βυσσίνοις χρῆσθαι ῥήμασιν.

ΟΡΟΝΤΗΣ

[b] Ὀρόντης, ὁ βασιλέως Ἀρτοξέρξου γαμβρός, ἀτιμίᾳ περιπεσὼν δι' ὀργὴν καὶ καταγνωσθεὶς ἔφη, καθάπερ οἱ τῶν ἀριθμητικῶν δάκτυλοι νῦν μὲν μυριάδας νῦν δὲ μονάδα [τιθέναι] δύνανται, τὸ αὐτὸ καὶ τοὺς τῶν βασιλέων φίλους, νῦν μὲν τὸ πᾶν δύνασθαι νῦν δὲ τοὐλάχιστον.

ΜΕΜΝΩΝ

Μέμνων, ὁ Ἀλεξάνδρῳ πολεμῶν ὑπὲρ Δαρείου τοῦ βασιλέως, μισθοφόρον τινὰ πολλὰ βλάσφημα καὶ ἀσελγῆ περὶ Ἀλεξάνδρου λέγοντα τῇ λόγχῃ πατάξας 'ἐγώ σε' εἶπε 'τρέφω μαχούμενον, ἀλλ' οὐ λοιδορησόμενον Ἀλεξάνδρῳ.'

[c]

ΟΙ ΑΙΓΥΠΤΙΩΝ ΒΑΣΙΛΕΙΣ

Οἱ Αἰγυπτίων βασιλεῖς κατὰ νόμον ἑαυτῶν τοὺς δικαστὰς ἐξώρκιζον ὅτι, κἂν βασιλεύς τι προστάξῃ κρῖναι τῶν μὴ δικαίων, οὐ κρινοῦσι.

ΠΟΛΤΥΣ

Πόλτυς ὁ Θρᾳκῶν βασιλεὺς ἐν τῷ Τρωϊκῷ πολέμῳ πρεσβευσαμένων πρὸς αὐτὸν ἅμα τῶν Τρώων καὶ τῶν Ἀχαιῶν ἐκέλευσε τὸν Ἀλέξανδρον ἀποδόντα τὴν Ἑλένην δύο παρ' αὐτοῦ λαβεῖν καλὰς γυναῖκας.

ΤΗΡΗΣ

Τήρης ὁ Σιτάλκου πατὴρ ἔλεγεν, ὁπότε σχολάζοι καὶ [d] μὴ στρατεύοιτο, τῶν ἱπποκόμων οἴεσθαι μηδὲν διαφέρειν.

ΚΟΤΥΣ

Κότυς τῷ δωρησαμένῳ πάρδαλιν ἀντεδωρήσατο λέοντα.

Φύσει δ' ὢν ὀξὺς εἰς ὀργὴν καὶ πικρὸς τῶν ἁμαρτανόντων ἐν ταῖς διακονίαις κολαστής, σκεύη ποτὲ κεραμεᾶ ξένου κομίσαντος εὔθραυστα καὶ λεπτά, πιθανῶς δὲ καὶ περιττῶς εἰργασμένα γλυφαῖς τισι καὶ τορείαις, τῷ μὲν ξένῳ ἔδωκε δῶρα, τὰ δὲ σκεύη πάντα συνέτριψεν, 'ὅπως' εἰπὼν 'μὴ δι' ὀργὴν πικρότερον κολάζω τοὺς συντρίβοντας.'

ΙΔΑΝΘΥΡΣΟΣ

[e] Ἰδάνθυρσος ὁ Σκυθῶν βασιλεύς, ἐφ' ὃν διέβη Δαρεῖος, ἔπειθε τοὺς Ἰώνων τυράννους τὸ τοῦ Ἴστρου ζεῦγμα λύσαντας ἀπαλλάττεσθαι· μὴ βουληθέντας δὲ διὰ τὴν πρὸς Δαρεῖον πίστιν ἀνδράποδα χρηστὰ καὶ ἄδραστα ἐκάλει.

ΑΝΤΕΑΣ

Ἀντέας ἔγραφε πρὸς τὸν Φίλιππον 'σὺ μὲν ἄρχεις Μακεδόνων ἀνθρώποις μεμαθηκότων πολεμεῖν· ἐγὼ δὲ Σκυθῶν, οἳ καὶ λιμῷ καὶ δίψει μάχεσθαι δύνανται.'

Τοὺς δὲ πρέσβεις τοῦ Φιλίππου ψήχων τὸν ἵππον ἠρώτησεν, εἰ τοῦτο ποιεῖ Φίλιππος· τῶν δ' εἰπόντων 'οὔ' 'καὶ πῶς δύναταί' φησι 'πόλεμον ἄρασθαι κατ' ἐμοῦ;'

Ἰσμηνίαν δὲ τὸν ἄριστον αὐλητὴν λαβὼν αἰχμάλωτον [f] ἐκέλευσεν αὐλῆσαι· θαυμαζόντων δὲ τῶν ἄλλων αὐτὸς ὤμοσεν ἥδιον ἀκούειν τοῦ ἵππου χρεμετίζοντος.

ΣΚΙΛΟΥΡΟΣ

Σκιλοῦρος ‹ὁ› ὀγδοήκοντα παῖδας ἄρρενας ἀπολιπὼν ἐπεὶ τελευτᾶν ἔμελλε, δέσμην ἀκοντίων ἑκάστῳ προτείνων ἐκέλευσε καταθραῦσαι· πάντων δ' ἀπαγορευσάντων, ‹ἓν› καθ' ἓν αὐτὸς ἐξελὼν ἀκόντιον ἅπαντα ῥᾳδίως συνέκλασε, διδάσκων ἐκείνους ὅτι συνεστῶτες ἰσχυροὶ διαμενοῦσιν, ἀσθενεῖς δ' ἔσονται διαλυθέντες καὶ στασιάσαντες.

ΓΕΛΩΝ

[175] [a] Γέλων ὁ τύραννος, ὅτε Καρχηδονίους πρὸς Ἱμέρᾳ κατεπολέμησεν, εἰρήνην ποιούμενος πρὸς αὐτοὺς ἠνάγκασεν ἐγγράψαι ταῖς ὁμολογίαις ὅτι καὶ τὰ τέκνα παύσονται τῷ Κρόνῳ καταθύοντες.

Ἐξῆγε δὲ πολλάκις τοὺς Συρακοσίους ὡς ἐπὶ στρατείαν κατὰ φυτείαν, ὅπως ἥ τε χώρα βελτίων γένηται γεωργουμένη καὶ μὴ χείρονες αὐτοὶ σχολάζοντες.

Αἰτῶν δὲ χρήματα τοὺς πολίτας, ἐπεὶ ἐθορύβησαν,

αἰτεῖν εἶπεν ὡς ἀποδώσων, καὶ ἀπέδωκε μετὰ τὸν πόλεμον.

Ἐν δὲ συμποσίῳ λύρας περιφερομένης, ἁρμοζομένων [b] τῶν ἄλλων ἐφεξῆς καὶ ᾀδόντων, αὐτὸς τὸν ἵππον εἰσαγαγεῖν κελεύσας ἐλαφρῶς καὶ ῥᾳδίως ἀνεπήδησεν ἐπ' αὐτόν.

ΙΕΡΩΝ

Ἱέρων ὁ μετὰ Γέλωνα τύραννος ἔλεγε μηδένα τῶν παρρησιαζομένων πρὸς αὐτὸν ἄκαιρον εἶναι.

Τοὺς δ' ἀπόρρητον λόγον ἐκφέροντας ἀδικεῖν ᾤετο καὶ πρὸς οὓς ἐκφέρουσι· μισοῦμεν γὰρ οὐ μόνον τοὺς ἐκφέροντας ἀλλὰ καὶ τοὺς ἀκούσαντας ἃ μὴ βουλόμεθα.

Λοιδορηθεὶς δὲ ὑπό τινος εἰς τὴν δυσωδίαν τοῦ στόματος ᾐτιᾶτο τὴν γυναῖκα μηδέποτε περὶ τούτου φράσασαν· ἡ δ' εἶπεν 'ᾤμην γὰρ τοιοῦτον ἅπαντας τοὺς ἄνδρας ὄζειν.'

[c] Πρὸς δὲ Ξενοφάνην τὸν Κολοφώνιον εἰπόντα μόλις οἰκέτας δύο τρέφειν 'ἀλλ' Ὅμηρος' εἶπεν, 'ὃν σὺ διασύρεις, πλείονας ἢ μυρίους τρέφει τεθνηκώς.'

Ἐπίχαρμον δὲ τὸν κωμῳδοποιόν, ὅτι τῆς γυναικὸς αὐτοῦ παρούσης εἶπέ τι τῶν ἀπορρήτων, ἐζημίωσε.

ΔΙΟΝΥΣΙΟΣ Ο ΠΡΕΣΒΥΤΕΡΟΣ

Διονύσιος ὁ πρεσβύτερος, κληρουμένων κατὰ γράμμα τῶν δημηγορούντων, ὡς ἔλαχε τὸ Μ, πρὸς τὸν εἰπόντα 'μωρολογήσεις, Διονύσιε' 'μοναρχήσω μὲν οὖν' εἶπε, καὶ δημηγορήσας εὐθὺς ᾑρέθη στρατηγὸς ὑπὸ τῶν Συρακοσίων.

[d] Ἐπεὶ δ' ἐν ἀρχῇ τῆς τυραννίδος ἐπολιορκεῖτο συστάντων ἐπ' αὐτὸν τῶν πολιτῶν, οἱ μὲν φίλοι συνεβούλευον ἀπαλλαγῆναι τῆς ἀρχῆς, εἰ μὴ βούλεται κρατηθεὶς ἀποθανεῖν· ὁ δὲ βοῦν ἰδὼν σφαττόμενον ὑπὸ μαγείρου καὶ πίπτοντα ταχέως 'εἶτα οὐκ ἀεικές ἐστιν' εἶπεν 'οὕτω βραχὺν ὄντα τὸν θάνατον φοβηθέντας ἡμᾶς ἀρχὴν ἐγκαταλιπεῖν τηλικαύτην;'

Τὸν δὲ υἱὸν αἰσθόμενος, ᾧ τὴν ἀρχὴν ἀπολείπειν ἔμελλεν, ἀνδρὸς ἐλευθέρου διαφθείραντα γύναιον, ἠρώτησε μετ' ὀργῆς, τί τοιοῦτον αὐτῷ σύνοιδεν. εἰπόντος δὲ τοῦ νεανίσκου 'σὺ γὰρ οὐκ εἶχες πατέρα τύραννον' [e] 'οὐδὲ σύ' εἶπεν 'υἱὸν ἕξεις, ἐὰν μὴ παύσῃ ταῦτα ποιῶν.'

Πάλιν δὲ πρὸς αὐτὸν εἰσελθὼν καὶ θεασάμενος ἐκπωμάτων χρυσῶν καὶ ἀργυρῶν πλῆθος ἀνεβόησεν 'οὐκ ἔστιν ἐν σοὶ τύραννος, ὃς ἀφ' ὧν λαμβάνεις ἀπ' ἐμοῦ ποτηρίων τοσούτων φίλον οὐδένα σεαυτῷ πεποίηκας.'

Χρήματα δ' εἰσπράσσων τοὺς Συρακοσίους, εἶτα ὁρῶν ὀδυρομένους καὶ δεομένους καὶ λέγοντας ὡς οὐκ ἔχουσιν, ἐκέλευσεν ἕτερα πράττειν, καὶ δὶς ἢ τρὶς τοῦτο ἐποίησεν· ἐπεὶ δὲ προστάξας πλείονα γελᾶν ἤκουσεν αὐτοὺς καὶ σκώπτειν ἐν ἀγορᾷ περιιόντας, ἐκέλευσε παύσασθαι 'νῦν γὰρ οὐδὲν ἔχουσιν' εἶπεν, 'ὅτε καταφρονοῦσιν [f] ἡμῶν.'

Τῆς δὲ μητρὸς αὐτοῦ παρήλικος μὲν οὔσης δοθῆναι δ' ἀνδρὶ βουλομένης ἔφη τοὺς μὲν τῆς πόλεως βιάσασθαι νόμους δύνασθαι τοὺς δὲ τῆς φύσεως μὴ δύνασθαι.

Πικρῶς δὲ τοὺς ἄλλους κακούργους κολάζων ἐφείδετο τῶν λωποδυτῶν, ὅπως παύσωνται οἱ Συρακόσιοι τοῦ δειπνεῖν καὶ μεθύσκεσθαι μετ' ἀλλήλων.

Ξένου δέ τινος ἰδίᾳ φράσειν φάσκοντος αὐτῷ καὶ διδάξειν, ὅπως προειδῇ τοὺς ἐπιβουλεύοντας, ἐκέλευσεν [176] [a] εἰπεῖν· ἐπεὶ δὲ προσελθών 'δός' εἶπε 'μοι τάλαντον, ἵνα δόξῃς ἀκηκοέναι τὰ σημεῖα τῶν ἐπιβουλευόντων', ἔδωκε προσποιούμενος ἀκηκοέναι καὶ ἐθαύμαζε τὴν μέθοδον τοῦ ἀνθρώπου.

Πρὸς δὲ τὸν πυθόμενον, εἰ σχολάζοι, 'μηδέποτε' εἶπεν 'ἐμοὶ τοῦτο συμβαίη.'

Δύο δ' ἀκούσας νεανίσκους πολλὰ βλάσφημα περὶ αὐτοῦ καὶ τῆς τυρρανίδος εἰρηκέναι παρὰ πότον, ἀμφοτέρους ἐκάλεσεν ἐπὶ δεῖπνον· ὁρῶν

δὲ τὸν μὲν παροινοῦντα καὶ ληροῦντα πολλά, τὸν δὲ σπανίως καὶ μετ’ εὐλαβείας ταῖς πόσεσι χρώμενον, ἐκεῖνον μὲν ἀπέλυσεν ὡς φύσει παροινήσαντα καὶ διὰ μέθην κακολογήσαντα, [b] τοῦτον δ’ ἀνεῖλεν ὡς δύσνουν καὶ πολέμιον ἐκ προαιρέσεως.

Αἰτιωμένων δέ τινων ὅτι τιμᾷ καὶ προάγεται πονηρὸν ἄνθρωπον καὶ δυσχεραινόμενον ὑπὸ τῶν πολιτῶν ‘ἀλλὰ καὶ βούλομαι’ εἶπεν ‘εἶναι τὸν ἐμοῦ μᾶλλον μισούμενον.’

Ἐπεὶ δὲ Κορινθίων πρέσβεις δῶρα διδόντος αὐτοῦ παρῃτοῦντο διὰ τὸν νόμον, ὃς οὐκ εἴα δῶρα λαμβάνειν παρὰ δυνάστου πρεσβεύοντας, δεινόν ἔφη πρᾶγμα ποιεῖν αὐτούς, ὃ μόνον αἱ τυρρανίδες ἔχουσιν ἀγαθὸν ἀναιροῦντας καὶ διδάσκοντας, ὅτι καὶ τὸ εὖ παθεῖν ὑπὸ τυράννου φοβερόν ἐστιν.

Ἀκούσας δέ τινα τῶν πολιτῶν χρυσίον ἔχειν οἴκοι [c] κατορωρυγμένον ἐκέλευσεν ἀνενεγκεῖν πρὸς αὐτόν· ἐπεὶ δὲ παρακλέψας ὀλίγον ὁ ἄνθρωπος καὶ μεταστὰς εἰς ἑτέραν πόλιν ἐωνήσατο χωρίον, μεταπεμψάμενος αὐτὸν ἐκέλευσε πᾶν ἀπολαβεῖν, ἠργμένον χρῆσθαι τῷ πλούτῳ καὶ μηκέτι ποιοῦντα τὸ χρήσιμον ἄχρηστον.

ΔΙΟΝΥΣΙΟΣ Ο ΝΕΩΤΕΡΟΣ

Ὁ δὲ νεώτερος Διονύσιος ἔλεγε πολλοὺς τρέφειν σοφιστάς, οὐ θαυμάζων ἐκείνους ἀλλὰ δι’ ἐκείνων θαυμάζεσθαι βουλόμενος.

Πολυξένου δὲ τοῦ διαλεκτικοῦ φήσαντος αὐτὸν ἐξελέγχειν ‘ἀμέλει τοῖς λόγοις’ εἶπεν ‘ἐγὼ δέ σε τοῖς [d] ἔργοις ἐλέγχω· τὰ γὰρ σεαυτοῦ καταλιπὼν ἐμὲ καὶ τὰ ἐμὰ θεραπεύεις.’

Ἐκπεσὼν δὲ τῆς ἀρχῆς πρὸς μὲν τὸν εἰπόντα ‘τί σε Πλάτων καὶ φιλοσοφία ὠφέλησε;’ ‘τὸ τηλικαύτην’ ἔφη ‘τύχης μεταβολὴν ῥᾳδίως ὑπομένειν.’

Ἐρωτηθεὶς δὲ πῶς ὁ μὲν πατὴρ αὐτοῦ πένης ὢν καὶ ἰδιώτης ἐκτήσατο τὴν Συρακοσίων ἀρχήν, αὐτὸς δὲ ἔχων καὶ τυράννου παῖς ὢν [πῶς] ἀπέβαλεν, ‘ὁ μὲν πατήρ’ ἔφη ‘μισουμένης δημοκρατίας ἐνέπεσε τοῖς πράγμασιν, ἐγὼ δὲ φθονουμένης τυραννίδος.’

Ὑπ’ ἄλλου δὲ τὸ αὐτὸ τοῦτο ἐρωτηθείς ‘ὁ πατήρ’ ἔφη [e] ‘μοι τὴν τυραννίδα τὴν ἑαυτοῦ κατέλιπεν, οὐ τὴν τύχην.’

ΑΓΑΘΟΚΛΗΣ

Ἀγαθοκλῆς υἱὸς ἦν κεραμέως· γενόμενος δὲ κύριος Σικελίας καὶ βασιλεὺς ἀναγορευθεὶς εἰώθει κεραμεᾶ ποτήρια τιθέναι παρὰ τὰ χρυσᾶ καὶ τοῖς νέοις ἐπιδεικνύμενος λέγειν ὅτι τοιαῦτα ποιῶν πρότερον νῦν ταῦτα ποιεῖ διὰ τὴν ἐπιμέλειαν καὶ τὴν ἀνδρείαν.

Πολιορκοῦντος δὲ πόλιν αὐτοῦ τῶν ἀπὸ τοῦ τείχους τινὲς ἐλοιδοροῦντο λέγοντες ὅτι ‘ὦ κεραμεῦ, τὸν μισθὸν πόθεν ἀποδώσεις τοῖς στρατιώταις;’ ὁ

δὲ πράως καὶ μειδιῶν εἶπεν ‘αἴκα ταύταν ἕλω.’ λαβὼν δὲ κατὰ κράτος ἐπίπρασκε τοὺς αἰχμαλώτους λέγων ‘ἐάν με πάλιν [f] λοιδορῆτε, πρὸς τοὺς κυρίους ὑμῶν ἔσται μοι ὁ λόγος.’

Ἐγκαλούντων δὲ τοῖς ναύταις αὐτοῦ τῶν Ἰθακησίων, ὅτι τῇ νήσῳ προσβαλόντες τῶν θρεμμάτων τινὰ ἀπέσπασαν, ‘ὁ δὲ ὑμέτερος’ ἔφη ‘βασιλεὺς ἐλθὼν πρὸς ἡμᾶς οὐ μόνον τὰ πρόβατα λαβὼν ἀλλὰ καὶ τὸν ποιμένα προσεκτυφλώσας ἀπῆλθε.’

ΔΙΩΝ

Δίων ὁ Διονύσιον ἐκβαλὼν ἐκ τῆς τυραννίδος, ἀκούσας ἐπιβουλεύειν αὐτῷ Κάλλιππον, ᾧ μάλιστα τῶν φίλων καὶ ξένων ἐπίστευεν, οὐχ ὑπέμεινεν ἐλέγξαι, βέλτιον εἶναι [177] [a] φήσας ἀποθανεῖν ἢ ζῆν μὴ μόνον τοὺς πολεμίους ἀλλὰ καὶ τοὺς φίλους φυλαττόμενον.

ΑΡΧΕΛΑΟΣ

Ἀρχέλαος αἰτηθεὶς παρὰ πότον ποτήριον χρυσοῦν ὑπό τινος τῶν συνήθων οὐ μὴν ἐπιεικῶν ἐκέλευσεν Εὐριπίδῃ τὸν παῖδα δοῦναι· θαυμάσαντος δὲ τοῦ ἀνθρώπου, ‘σὺ μὲν γάρ’ εἶπεν ‘αἰτεῖν, οὗτος δὲ λαμβάνειν ἄξιός ἐστι καὶ μὴ αἰτῶν.’

Ἀδολέσχου δὲ κουρέως ἐρωτήσαντος αὐτὸν ‘πῶς σε κείρω;’ ‘σιωπῶν’ ἔφη.

Τοῦ δ’ Εὐριπίδου τὸν καλὸν Ἀγάθωνα περιλαμβάνοντος ἐν τῷ συμποσίῳ καὶ καταφιλοῦντος ἤδη γενειῶντα, [b] πρὸς τοὺς φίλους εἶπε ‘μὴ θαυμάσητε· τῶν γὰρ καλῶν καὶ τὸ μετόπωρον καλόν ἐστιν.’

Ἐπεὶ δὲ Τιμόθεος ὁ κιθαρῳδὸς ἐλπίσας πλείονα λαβὼν δ’ ἐλάττονα δῆλος ἦν ἐγκαλῶν αὐτῷ καί ποτ’ ᾄδων τουτὶ τὸ κομμάτιον (Anth. lyr. II 152 D.) ‘σὺ δὲ τὸν γηγενέταν ἄργυρον αἰνεῖς’ ἀπεσήμαινεν εἰς ἐκεῖνον, ὑπέκρουσεν ὁ Ἀρχέλαος αὐτῷ ‘σὺ δέ γε αἰτεῖς.’

Ὕδωρ δέ τινος αὐτοῦ κατασκεδάσαντος ὑπὸ τῶν φίλων παροξυνόμενος ἐπὶ τὸν ἄνθρωπον ‘ἀλλ’ οὐκ ἐμοῦ’ φησίν ‘ἀλλ’ ἐκείνου κατεσκέδασεν, ὃν ἔδοξεν ἐμὲ εἶναι.’

ΦΙΛΙΠΠΟΣ Ο ΑΛΕΞΑΝΔΡΟΥ ΠΑΤΗΡ

[c] Φίλιππον τὸν Ἀλεξάνδρου πατέρα Θεόφραστος ἱστόρηκεν οὐ μόνον †μεταξὺ τῶν βασιλέων, ἀλλὰ καὶ τῇ τύχῃ καὶ τῷ τρόπῳ μείζονα γενέσθαι καὶ μετριώτερον.

Ἀθηναίους μὲν οὖν μακαρίζειν ἔλεγεν, εἰ καθ’ ἕκαστον ἐνιαυτὸν αἱρεῖσθαι δέκα στρατηγοὺς εὑρίσκουσιν· αὐτὸς γὰρ ἐν πολλοῖς ἔτεσιν ἕνα μόνον στρατηγὸν εὑρηκέναι, Παρμενίωνα.

Πολλῶν δὲ κατορθωμάτων αὐτῷ καὶ καλῶν ἐν μιᾷ ἡμέρᾳ προσαγγελθέντων, 'ὦ τύχη' εἶπε, 'μικρόν τι μοι κακὸν ἀντὶ τῶν τοσούτων καὶ τηλικούτων ἀγαθῶν ποίησον.'

Ἐπεὶ δὲ νικήσαντι τοὺς Ἕλληνας αὐτῷ συνεβούλευον [d] ἔνιοι φρουραῖς τὰς πόλεις κατέχειν, ἔφη μᾶλλον πολὺν χρόνον ἐθέλειν χρηστὸς ἢ δεσπότης ὀλίγον καλεῖσθαι.

Τὸν δὲ λοίδορον ἐξελάσαι τῶν φίλων κελευόντων οὐκ ἔφη ποιήσειν, ἵνα μὴ περιιὼν ἐν πλείοσι κακῶς λέγοι.

Σμικύθου δὲ Νικάνορα διαβάλλοντος ὡς ἀεὶ κακῶς λέγοντα τὸν Φίλιππον καὶ τῶν ἑταίρων οἰομένων δεῖν μεταπέμπεσθαι καὶ κολάζειν, 'ἀλλὰ μήν' ἔφη 'Νικάνωρ οὐ φαυλότατός ἐστι Μακεδόνων· ἐπισκεπτέον οὖν μή τι γίνεται παρ' ἡμᾶς.' ὡς οὖν ἔγνω τὸν Νικάνορα θλιβόμενον ἰσχυρῶς ὑπὸ πενίας ἠμελημένον δὲ ὑπ' αὐτοῦ, [e] προσέταξε δωρεάν τινα αὐτῷ δοθῆναι. πάλιν οὖν τοῦ Σμικύθου λέγοντος ὅτι θαυμαστὰ περὶ αὐτοῦ πρὸς ἅπαντας ἐγκώμια λέγων ὁ Νικάνωρ διατελεῖ, 'ὁρᾶτε οὖν' εἶπεν 'ὅτι παρ' ἡμᾶς αὐτούς ἐστι καὶ τὸ καλῶς καὶ τὸ κακῶς ἀκούειν.'

Τοῖς δὲ τῶν Ἀθηναίων δημαγωγοῖς ἔφη χάριν ἔχειν, ὅτι λοιδοροῦντες αὐτὸν βελτίονα ποιοῦσι καὶ τῷ λόγῳ καὶ τῷ ἤθει· 'πειρῶμαι γὰρ αὐτοὺς ἅμα καὶ τοῖς λόγοις καὶ τοῖς ἔργοις ψευδομένους ἐλέγχειν.'

Τῶν δ' Ἀθηναίων, ὅσοι περὶ Χαιρώνειαν ἑάλωσαν, ἀφεθέντων ὑπ' αὐτοῦ δίχα λύτρων, τὰ δὲ ἱμάτια καὶ [f] στρώματα προσαπαιτούντων καὶ τοῖς Μακεδόσιν ἐγκαλούντων, γελάσας ὁ Φίλιππος εἶπεν 'οὐ δοκοῦσιν ὑμῖν Ἀθηναῖοι νομίζειν ἐν ἀστραγάλοις ὑφ' ἡμῶν νενικῆσθαι;'

Τῆς δὲ κλειδὸς αὐτῷ κατεαγείσης ἐν πολέμῳ καὶ τοῦ θεραπεύοντος ἰατροῦ πάντως τι καθ' ἡμέραν αἰτοῦντος, 'λάμβανε' ἔφη 'ὅσα βούλει· τὴν γὰρ κλεῖν ἔχεις.'

Δυεῖν δ' ἀδελφῶν, Ἀμφοτεροῦ καὶ Ἑκατεροῦ, τὸν μὲν Ἑκατερὸν ἔμφρονα καὶ πρακτικὸν ὁρῶν, τὸν δ' Ἀμφοτερὸν εὐήθη καὶ ἀβέλτερον, ἔφη τὸν μὲν Ἑκατερὸν ἀμφότερον εἶναι, τὸν δ' Ἀμφοτερὸν οὐδέτερον.

[178] [a] Τοὺς δὲ συμβουλεύοντας αὐτῷ πικρῶς χρῆσθαι τοῖς Ἀθηναίοις ἀτόπους ἔλεγεν εἶναι, κελεύοντας ἄνθρωπον ὑπὲρ δόξης πάντα ποιοῦντα καὶ πάσχοντα ἀποβαλεῖν τὸ τῆς δόξης θέατρον.

Γενόμενος δὲ κριτὴς δυεῖν πονηρῶν ἐκέλευσε τὸν μὲν φεύγειν ἐκ Μακεδονίας τὸν δὲ ἕτερον διώκειν.

Μέλλων δὲ καταστρατοπεδεύειν ἐν χωρίῳ καλῷ καὶ πυθόμενος ὅτι χόρτος οὐκ ἔστι τοῖς ὑποζυγίοις, 'οἷος' εἶπεν 'ἡμῶν ὁ βίος ἐστίν, εἰ καὶ πρὸς τὸν τῶν ὄνων καιρὸν ὀφείλομεν ζῆν;'

Φρούριον δέ τι βουλόμενος λαβεῖν ὀχυρόν, ὡς [b] ἀπήγγειλαν οἱ κατάσκοποι χαλεπὸν εἶναι παντάπασι καὶ ἀνάλωτον, ἠρώτησεν εἰ χαλεπὸν οὕτως ἐστίν, ὥστε μηδὲ ὄνον προσελθεῖν χρυσίον κομίζοντα.

Τῶν δὲ περὶ Λασθένην τὸν Ὀλύνθιον ἐγκαλούντων καὶ ἀγανακτούντων, ὅτι προδότας αὐτοὺς ἔνιοι τῶν περὶ τὸν Φίλιππον ἀποκαλοῦσι, σκαιούς ἔφη φύσει καὶ ἀγροίκους εἶναι Μακεδόνας τὴν σκάφην σκάφην λέγοντας.

Τῷ δὲ υἱῷ παρῄνει πρὸς χάριν ὁμιλεῖν τοῖς Μακεδόσι, κτώμενον ἑαυτῷ τὴν παρὰ τῶν πολλῶν δύναμιν, ἕως ἔξεστι βασιλεύοντος ἄλλου φιλάνθρωπον εἶναι.

Συνεβούλευε δὲ τῶν ἐν ταῖς πόλεσι δυνατῶν καὶ [c] τοὺς ἀγαθοὺς φίλους κτᾶσθαι καὶ τοὺς πονηρούς, εἶτα οἷς μὲν χρῆσθαι οἷς δ’ ἀποχρῆσθαι.

Πρὸς δὲ Φίλωνα τὸν Θηβαῖον εὐεργέτην αὐτοῦ γενόμενον καὶ ξένον, ὁπηνίκα διῆγεν ἐν Θήβαις ὁμηρεύων, ὕστερον δὲ μηδεμίαν παρ’ αὐτοῦ δωρεὰν προσδεχόμενον ‘μή με’ εἶπεν ‘ἀφαιροῦ τὸ ἀνίκητον εὐεργεσίας καὶ χάριτος ἡττώμενον.’

Ληφθέντων δὲ πολλῶν αἰχμαλώτων ἐπίπρασκεν αὐτοὺς ἀνεσταλμένῳ τῷ χιτῶνι καθήμενος οὐκ εὐπρεπῶς· εἷς οὖν τῶν πωλουμένων ἀνεβόησε ‘φεῖσαί μου, Φίλιππε, πατρικὸς γάρ εἰμί σου φίλος.’ ἐρωτήσαντος δὲ τοῦ Φιλίππου ‘πόθεν, ὦ ἄνθρωπε, γενόμενος καὶ πῶς;’ [d] ‘ἐγγύς’ ἔφη ‘φράσαι σοι βούλομαι προσελθών.’ ὡς οὖν προσήχθη, ‘μικρόν’ ἔφη ‘κατωτέρω τὴν χλαμύδα ποίησον, ἀσχημονεῖς γὰρ οὕτω καθήμενος.’ καὶ ὁ Φίλιππος ‘ἄφετε αὐτόν’ εἶπεν, ‘ἀληθῶς γὰρ εὔνους ὢν καὶ φίλος ἐλάνθανεν.’

Ἐπεὶ δὲ ὑπό τινος ξένου κληθεὶς ἐπὶ δεῖπνον ἐν ὁδῷ πολλοὺς ἐπήγετο καὶ τὸν ξένον ἑώρα θορυβούμενον (ἦν γὰρ οὐχ ἱκανὰ τὰ παρεσκευασμένα), προσπέμπων τῶν φίλων ἑκάστῳ, πλακοῦντι χώραν ἐκέλευεν ἀπολιπεῖν· οἱ δὲ πειθόμενοι καὶ προσδοκῶντες οὐκ ἤσθιον πολλά, καὶ πᾶσιν οὕτως ἤρκεσεν.

[e] Ἱππάρχου δὲ τοῦ Εὐβοέως ἀποθανόντος δῆλος ἦν βαρέως φέρων· εἰπόντος δέ τινος ‘ἀλλὰ μὴν ὡραῖος ὢν ἐκεῖνος ἀποτέθνηκεν’, ‘ἑαυτῷ γε’ εἶπεν, ‘ἐμοὶ δὲ ταχέως· ἔφθη γὰρ τελευτῆσαι πρὶν ἢ παρ’ ἐμοῦ χάριν ἀξίαν τῆς φιλίας ἀπολαβεῖν.’

Πυθόμενος δ’ ἐγκαλεῖν αὐτῷ τὸν Ἀλέξανδρον ὅτι παῖδας ἐκ πλειόνων ποιεῖται γυναικῶν, ‘οὐκοῦν’ ἔφη ‘πολλοὺς ἔχων περὶ τῆς βασιλείας ἀνταγωνιστὰς γενοῦ καλὸς κἀγαθός, ἵνα μὴ δι’ ἐμὲ τῆς βασιλείας τύχῃς ἀλλὰ διὰ σεαυτόν.’

Ἐκέλευε δ’ αὐτὸν Ἀριστοτέλει προσέχειν καὶ φιλοσοφεῖν, ‘ὅπως’ ἔφη ‘μὴ πολλὰ τοιαῦτα πράξῃς, ἐφ’ οἷς [f] ἐγὼ πεπραγμένοις μεταμέλομαι.’

Τῶν δ᾽ Ἀντιπάτρου φίλων τινὰ κατατάξας εἰς τοὺς δικαστάς, εἶτα τὸν πώγωνα βαπτόμενον αἰσθόμενος καὶ τὴν κεφαλήν, ἀνέστησεν εἰπὼν τὸν ἄπιστον ἐν θριξὶ μὴ νομίζειν ἀξιόπιστον ἐν πράγμασι.

Μαχαίτᾳ δέ τινι κρίνων δίκην καὶ ὑπονυστάζων οὐ πάνυ προσεῖχε τοῖς δικαίοις ἀλλὰ κατέκρινεν· ἐκείνου δ᾽ ἀναβοήσαντος ἐκκαλεῖσθαι τὴν κρίσιν διοργισθείς ‘ἐπὶ [179] [a] τίνα;’ εἶπε· καὶ ὁ Μαχαίτας ‘ἐπὶ σέ, βασιλεῦ, αὐτόν, ἂν ἐγρηγορὼς καὶ προσέχων ἀκούῃς.’ τότε μὲν οὖν ἀνέστη· γενόμενος δὲ μᾶλλον ἐφ᾽ ἑαυτῷ καὶ γνοὺς ἀδικούμενον τὸν Μαχαίταν τὴν μὲν κρίσιν οὐκ ἔλυσε, τὸ δὲ τίμημα τῆς δίκης αὐτὸς ἐξέτισεν.

Ἐπεὶ δὲ Ἅρπαλος ὑπὲρ συγγενοῦς καὶ οἰκείου Κράτητος ἀδικημάτων δίκην ἔχοντος ἠξίου τὴν ζημίαν εἰσενεγκεῖν ἀφεθῆναι δὲ τῆς κρίσεως, ἵνα μὴ λοιδορηθῇ, ‘βέλτιόν ἐστιν’ εἶπε ‘τοῦτον αὐτὸν ἢ ἡμᾶς διὰ τοῦτον κακῶς ἀκούειν.’

Ἀγανακτούντων δὲ τῶν φίλων, ὅτι συρίττουσιν αὐτὸν ἐν Ὀλυμπίοις εὖ πεπονθότες οἱ Πελοποννήσιοι, ‘τί οὖν’ εἶπεν, ‘ἐὰν κακῶς πάθωσι;’

[b] Κοιμηθεὶς δὲ πλείονα χρόνον ἐπὶ στρατείας, εἶτα διαναστάς ‘ἀσφαλῶς’ εἶπεν ‘ἐκάθευδον· Ἀντίπατρος γὰρ ἐγρηγόρει.’

Πάλιν δὲ ἡμέρας καθεύδοντος αὐτοῦ καὶ τῶν ἠθροισμένων ἐπὶ θύραις Ἑλλήνων ἀγανακτούντων καὶ ἐγκαλούντων, ὁ Παρμενίων ‘μὴ θαυμάσητε’ εἶπεν ‘εἰ καθεύδει νῦν Φίλιππος· ὅτε γὰρ ἐκαθεύδεθ᾽ ὑμεῖς, οὗτος ἐγρηγόρει.’

Ψάλτην δέ τινα βουλομένου παρὰ δεῖπνον ἐπανορθοῦν αὐτοῦ καὶ λαλεῖν περὶ κρουμάτων ὁ ψάλτης ‘μὴ γένοιτό σοι’ εἶπεν, ‘ὦ βασιλεῦ, κακῶς οὕτως, ἵνα ταῦτ᾽ ἐμοῦ βέλτιον εἰδῇς.’

Ἐπεὶ δὲ διενεχθέντος αὐτοῦ πρὸς Ὀλυμπιάδα [c] τὴν γυναῖκα καὶ τὸν υἱὸν ἧκε Δημάρατος ὁ Κορίνθιος, ἐπυνθάνετο, πῶς πρὸς ἀλλήλους ἔχουσιν ‹ὁμονοίας› οἱ Ἕλληνες· καὶ ὁ Δημάρατος ‘πάνυ γοῦν’ ἔφη ‘σοὶ περὶ τῆς τῶν Ἑλλήνων ὁμονοίας ὁ λόγος ἐστίν, οὕτω πρὸς σὲ τῶν οἰκειοτάτων ἐχόντων.’ ὁ δὲ συμφρονήσας ἐπαύσατο τῆς ὀργῆς καὶ διηλλάγη πρὸς αὐτούς.

Πρεσβύτιδος δὲ πενιχρᾶς ἀξιούσης ἐπ᾽ αὐτοῦ κριθῆναι καὶ πολλάκις ἐνοχλούσης ἔφη μὴ σχολάζειν. ἡ δὲ πρεσβῦτις ἐγκραγοῦσα ‘καὶ μὴ βασίλευε’ εἶπεν. ὁ δὲ θαυμάσας τὸ ῥηθὲν οὐ μόνον ἐκείνης ἀλλὰ καὶ τῶν ἄλλων εὐθὺς διήκουσεν.

ΑΛΕΞΑΝΔΡΟΣ

[d] Ἀλέξανδρος ἔτι παῖς ὤν, πολλὰ τοῦ Φιλίππου κατορθοῦντος, οὐκ ἔχαιρεν, ἀλλὰ πρὸς τοὺς συντρεφομένους ἔλεγε παῖδας ‘ἐμοὶ δὲ ὁ πατὴρ οὐδὲν ἀπολείψει.’ τῶν δὲ παίδων λεγόντων ὅτι ‘ταῦτα σοὶ κτᾶται’, ‘τί δ᾽ ὄφελος’ εἶπεν ‘ἐὰν ἔχω μὲν πολλὰ πράξω δὲ μηδέν;’

Ἐλαφρὸς δ’ ὢν καὶ ποδώκης [καὶ] παρακαλούμενος ὑπὸ τοῦ πατρὸς Ὀλυμπία‹σιν› δραμεῖν στάδιον, ‘εἴγε’ ἔφη ‘βασιλεῖς ἕξειν ἔμελλον ἀνταγωνιστάς.’

Ἀχθείσης δὲ παιδίσκης πρὸς αὐτὸν ὡς συναναπαυσομένης περὶ ἑσπέραν βαθεῖαν ἠρώτησεν ‘ὅ τι τηνικαῦτα;’ [e] τῆς δὲ εἰπούσης ‘περιέμενον γὰρ τὸν ἄνδρα κατακλιν‹ῆν›αι,’ πικρῶς ἐπετίμησε τοῖς παισὶν ὡς μικροῦ δι’ αὐτοὺς μοιχὸς γενόμενος.

Ἐπιθυμιῶντι δὲ τοῖς θεοῖς ἀφειδῶς αὐτῷ καὶ πολλάκις ἐπιδραττομένῳ τοῦ λιβανωτοῦ παρὼν Λεωνίδης ὁ παιδαγωγός ‘οὕτως’ εἶπεν ‘ὦ παῖ, δαψιλῶς ἐπιθυμιάσεις, ὅταν τῆς λιβανωτοφόρου κρατήσῃς.’ ὡς οὖν ἐκράτησεν, ἔπεμψεν ἐπιστολὴν πρὸς αὐτόν· ‘ἀπέσταλκά σοι τάλαντα λιβανωτοῦ καὶ κασίας, ἵνα μηκέτι μικρολογῇ πρὸς τοὺς θεούς, εἰδὼς ὅτι καὶ τῆς ἀρωματοφόρου κρατοῦμεν.’

Μέλλων δὲ τὴν ἐπὶ Γρανίκῳ μάχην μάχεσθαι παρεκάλει [f] τοὺς Μακεδόνας ἀφθόνως δειπνεῖν καὶ πάντα φέρειν εἰς μέσον, ὡς αὔριον δειπνήσοντας τὰ τῶν πολεμίων.

Περίλλου δέ τινος τῶν φίλων αἰτήσαντος προῖκα τοῖς θυγατρίοις ἐκέλευσε πεντήκοντα τάλαντα λαβεῖν· αὐτοῦ δὲ φήσαντος ἱκανὰ εἶναι δέκα, ‘σοί γε’ ἔφη ‘λαβεῖν, ἐμοὶ δ’ οὐχ ἱκανὰ δοῦναι.’

Ἀναξάρχῳ δὲ τῷ φιλοσόφῳ δοῦναι τὸν διοικητὴν ἐκέλευσεν ὅσον ἂν αἰτήσῃ· τοῦ δὲ διοικητοῦ φήσαντος ὡς ἑκατὸν αἰτεῖ τάλαντα, ‘καλῶς’ ἔφη ‘ποιεῖ γινώσκων [180] [a] ὅτι φίλον ἔχει καὶ δυνάμενον τηλικαῦτα δωρεῖσθαι καὶ βουλόμενον.’

Ἐν δὲ τῇ Μιλήτῳ πολλοὺς ἀνδριάντας ἀθλητῶν θεασάμενος Ὀλύμπια καὶ Πύθια νενικηκότων ‘καὶ ποῦ τὰ τηλικαῦτα’ ἔφη ‘ἦν σώματα, ὅτε οἱ βάρβαροι ὑμῶν τὴν πόλιν ἐπολιόρκουν;’

Τῆς δὲ τῶν Καρῶν βασιλίσσης Ἄδας ὄψα καὶ πέμματα παρεσκευασμένα περιττῶς διὰ δημιουργῶν καὶ μαγείρων φιλοτιμουμένης ἀεὶ πέμπειν πρὸς αὐτόν ἔφη κρείττονας ἔχειν αὐτὸς ὀψοποιούς, πρὸς μὲν ἄριστον τὴν νυκτοπορίαν πρὸς δὲ δεῖπνον τὴν ὀλιγαριστίαν.

[b] Ἐπεὶ δὲ παρεσκευασμένων πάντων πρὸς μάχην ἠρώτησαν οἱ στρατηγοί, μή τι πρὸς τούτοις ἕτερον, οὐδέν, εἶπεν, ἢ ξῦραι τὰ γένεια τῶν Μακεδόνων· θαυμάσαντος δὲ τοῦ Παρμενίωνος ‘οὐκ οἶδας’ εἶπεν ‘ὅτι βελτίων οὐκ ἔστιν ἐν μάχῃ λαβὴ πώγωνος;’

Δαρείου δὲ διδόντος αὐτῷ μύρια τάλαντα καὶ τὸ τὴν Ἀσίαν νείμασθαι πρὸς αὐτὸν ἐπίσης, καὶ Παρμενίωνος εἰπόντος ‘ἐγὼ μὲν ἔλαβον ἂν εἰ

Ἀλέξανδρος ἤμην’, ‘κἀγὼ νὴ Δία’ εἶπεν ‘εἰ Παρμενίων’. ἀπεκρίνατο δὲ Δαρείῳ μήτε τὴν γῆν ἡλίους δύο μήτε τὴν Ἀσίαν δύο βασιλεῖς ὑπομένειν.

[c] Μέλλοντι δ’ αὐτῷ περὶ τῶν ὅλων ἐν Ἀρβήλοις κινδυνεύειν πρὸς ἑκατὸν μυριάδας ἀντιτεταγμένας, προσῄεσαν οἱ φίλοι τῶν στρατιωτῶν κατηγοροῦντες ὡς ἐν ταῖς σκηναῖς διαλαλούντων καὶ συντιθεμένων, ὅπως μηδὲν τῶν λαφύρων εἰς τὸ βασιλικὸν ἀνοίσουσιν, ἀλλ’ αὐτοὶ κερδανοῦσιν. ὁ δὲ μειδιάσας ‘ἀγαθά’ φησίν ‘ἀγγέλλετε· νικᾶν γὰρ ἀνδρῶν οὐ φεύγειν παρεσκευασμένων ἀκούω διαλογισμούς.’ καὶ προσιόντες αὐτῷ πολλοὶ τῶν στρατιωτῶν ἔλεγον ‘ὦ βασιλεῦ, θάρρει καὶ μὴ φοβοῦ τὸ πλῆθος τῶν πολεμίων, αὐτὸν γὰρ ἡμῶν τὸν γράσον οὐχ ὑπομενοῦσι.’

Παρατασσομένου δὲ τοῦ στρατεύματος ἰδών τινα [d] τῶν στρατιωτῶν τὸ ἀκόντιον ἐναγκυλούμενον ἐξέωσε τῆς φάλαγγος ὡς ἄχρηστον, ὃς ‘παρασκευάζεται νῦν, ὅτε χρῆσθαι δεῖ τοῖς ὅπλοις.’

Ἐπιστολὴν δὲ παρὰ τῆς μητρὸς ἀναγινώσκων αἰτίας ἀπορρήτους κατ’ Ἀντιπάτρου καὶ διαβολὰς ἔχουσαν, ἅμα τοῦ Ἡφαιστίωνος ὥσπερ εἰώθει συναναγινώσκοντος, οὐκ ἐκώλυσεν· ὡς δ’ ἀνέγνω, τὸν δακτύλιον ἀφελόμενος τὸν ἑαυτοῦ τῷ στόματι τῷ ἐκείνου τὴν σφραγῖδα ἐπέθηκεν.

Ἐν δ’ Ἄμμωνος ὑπὸ τοῦ προφήτου παῖς Διὸς προσαγορευθείς ‘οὐδέν γε’ ἔφη ‘θαυμαστόν, πάντων μὲν γὰρ ὁ Ζεὺς φύσει πατήρ ἐστιν, ἑαυτοῦ δὲ ποιεῖται τοὺς ἀρίστους.’

[e] Τοξεύματι δὲ πληγεὶς εἰς τὸ σκέλος, ὡς πολλοὶ συνέδραμον τῶν πολλάκις αὐτὸν εἰωθότων θεὸν προσαγορεύειν, διαχυθεὶς τῷ προσώπῳ ‘τουτὶ μὲν αἷμα’ εἶπεν ‘ὡς ὁρᾶτε καὶ οὐκ (E 340)

ἰχώρ, οἷόσπέρ τε ῥέει μακάρεσσι θεοῖσιν.’

Ἐπαινούντων δ’ ἐνίων τοῦ Ἀντιπάτρου τὴν εὐτέλειαν ὡς ἀθρύπτως διαιτωμένου καὶ αὐστηρῶς ‘ἔξωθεν’ εἶπεν ‘Ἀντίπατρος λευκοπάρυφός ἐστι, τὰ δ’ ἔνδον ὁλοπόρφυρος.’

Ἐν δὲ χειμῶνι καὶ ψύχει τῶν φίλων τινὸς ἑστιῶντος αὐτὸν ἐσχάραν δὲ μικρὰν καὶ πῦρ ὀλίγον εἰσενέγκαντος, ἢ ξύλα ἢ λιβανωτὸν εἰσενεγκεῖν ἐκέλευσεν.

Ἀντιπατρίδου δὲ καλὴν ψάλτριαν ἐπὶ τὸ δεῖπνον [f] ἀγαγόντος, κινηθεὶς τῇ ὄψει πρὸς αὐτὴν ὁ Ἀλέξανδρος ἠρώτησε τὸν Ἀντιπατρίδην, μή τι τυγχάνει τῆς γυναικὸς ἐρῶν· ἐκείνου δὲ ὁμολογήσαντος, ‘ὦ μιαρέ’ εἶπεν ‘οὐκ ἀπάξεις εὐθὺς ἐκ τοῦ συμποσίου τὴν γυναῖκα;’

Πάλιν δὲ Πύθωνα τὸν Εὐίου τοῦ αὐλητοῦ ἐρώμενον Κάσανδρος ἐβιάζετο φιλῆσαι· τὸν οὖν Εὔιον ὁρῶν ἀχθόμενον ἀνεπήδησε μετ’ ὀργῆς ἐπὶ τὸν Κάσανδρον, κεκραγώς ‘ἀλλ’ οὐδ’ ἐρασθῆναί τινος ἔξεστι δι’ ὑμᾶς;’

Ἀποστέλλοντος δ’ αὐτοῦ τῶν Μακεδόνων τοὺς [181] [a] νοσώδεις καὶ ἀναπήρους ἐπὶ θάλασσαν ἐνεδείχθη τις εἰς τοὺς νοσοῦντας ἀπογεγραμμένος ἑαυτὸν οὐ νοσῶν. ἐπεὶ οὖν εἰς ὄψιν ἀχθεὶς καὶ ἀνακρινόμενος ὡμολόγησε προφασίζεσθαι δι’ ἔρωτα Τελεσίππας ἀπιούσης ἐπὶ θάλασσαν, ἠρώτησεν ὁ Ἀλέξανδρος ‘πρὸς τίνα δεῖ περὶ τῆς Τελεσίππας διαλέγεσθαι;’ πυθόμενος δ’ ἐλευθέραν οὖσαν ‘οὐκοῦν’ ἔφη ‘ὦ Ἀντιγένη, πείθωμεν τὴν Τελεσίππαν, ἵνα μείνῃ μεθ’ ἡμῶν· βιάζεσθαι γὰρ ἐλευθέραν οὖσαν οὐχ ἡμέτερον.’

Τῶν δὲ μισθοφορούντων Ἑλλήνων παρὰ τοῖς πολεμίοις ὑποχειρίων γενομένων τοὺς μὲν Ἀθηναίους ἐκέλευσεν ἐν πέδαις φυλάττειν ὅτι τροφὴν ἔχοντες ἐκ δημοσίου [b] μισθοφοροῦσι καὶ τοὺς Θεσσαλοὺς ὅτι γῆν ἀρίστην κεκτημένοι οὐ γεωργοῦσι· τοὺς δὲ Θηβαίους ἀφῆκεν εἰπὼν ὅτι ‘μόνοις τούτοις οὔτε πόλις οὔτε χώρα δι’ ἡμᾶς ἀπολέλειπται.’

Τῶν δ’ Ἰνδῶν τὸν ἄριστα τοξεύειν δοκοῦντα καὶ λεγόμενον διὰ δακτυλίου τὸν ὀιστὸν ἀφιέναι λαβὼν αἰχμάλωτον ἐκέλευσεν ἐπιδείξασθαι, καὶ μὴ βουλόμενον ὀργισθεὶς ἀνελεῖν προσέταξε· ἐπεὶ δ’ ἀγόμενος ὁ ἄνθρωπος ἔλεγε πρὸς τοὺς ἄγοντας ὅτι πολλῶν ἡμερῶν οὐ μεμελέτηκε καὶ ἐφοβήθη διαπεσεῖν, ἀκούσας ὁ Ἀλέξανδρος ἐθαύμασε καὶ ἀπέλυσε μετὰ δώρων αὐτόν, ὅτι μᾶλλον ἀποθανεῖν ὑπέμεινεν ἢ τῆς δόξης ἀνάξιος φανῆναι.

[c] Ἐπεὶ δὲ Ταξίλης, εἷς τῶν Ἰνδῶν βασιλεὺς ὤν, ἀπαντήσας προυκαλεῖτο μὴ μάχεσθαι μηδὲ πολεμεῖν Ἀλέξανδρον, ἀλλ’ εἰ μέν ἐστιν ἥττων, εὖ πάσχειν, εἰ δὲ βελτίων, εὖ ποιεῖν, ἀπεκρίνατο περὶ αὐτοῦ τούτου μαχητέον εἶναι, πότερος εὖ ποιῶν περιγένηται.

Περὶ δὲ τῆς λεγομένης Ἀόρνου πέτρας ἐν Ἰνδοῖς ἀκούσας, ὅτι τὸ μὲν χωρίον δυσάλωτόν ἐστιν ὁ δὲ ἔχων αὐτὸ δειλός ἐστι, ‘νῦν’ ἔφη ‘τὸ χωρίον εὐάλωτόν ἐστιν.’

Ἐπεὶ δ’ ἄλλος ἔχων πέτραν ἄληπτον δοκοῦσαν εἶναι ἐνεχείρισεν ἑαυτὸν μετὰ τῆς πέτρας τῷ Ἀλεξάνδρῳ, ἀφῆκε τῆς ἰδίας χώρας ἄρχειν καὶ προσέθηκε χώραν, εἰπὼν ὅτι ‘φρονεῖν μοι δοκεῖ ὁ ἄνθρωπος, ἀνδρὶ μᾶλλον [d] ἀγαθῷ πιστεύσας ἑαυτὸν ἢ ὀχυρῷ τόπῳ.’

Μετὰ δὲ τὴν τῆς πέτρας ἅλωσιν τῶν φίλων λεγόντων ὑπερβεβληκέναι τὸν Ἡρακλέα ταῖς πράξεσιν, ‘ἀλλ’ ἐγώ’ εἶπε ‘τὰς ἐμὰς πράξεις μετὰ τῆς ἡγεμονίας ἑνὸς οὐ νομίζω ῥήματος ἀνταξίας εἶναι τοῦ Ἡρακλέους.’

Τῶν δὲ φίλων τινὰς αἰσθόμενος ἐν τῷ κυβεύειν οὐ παίζοντας ἐζημίωσε.

Τῶν δὲ πρώτων φίλων καὶ κρατίστων τιμᾶν μὲν ἐδόκει Κρατερὸν μάλιστα πάντων, φιλεῖν δὲ Ἡφαιστίωνα. ‘Κρατερὸς μὲν γάρ’ ἔφη ‘φιλοβασιλεύς ἐστιν, Ἡφαιστίων δὲ φιλαλέξανδρος.’

Ξενοκράτει δὲ τῷ φιλοσόφῳ πεντήκοντα τάλαντα [e] πέμψας, ὡς οὐκ ἐδέξατο μὴ δεῖσθαι φήσας, ἠρώτησεν, εἰ μηδὲ φίλον ἔχει Ξενοκράτης· 'ἐμοὶ μὲν γάρ' ἔφη 'μόλις ὁ Δαρείου πλοῦτος εἰς τοὺς φίλους ἤρκεσεν.'

Ἐπεὶ δὲ Πῶρος ἐρωτηθεὶς ὑπ' αὐτοῦ μετὰ τὴν μάχην 'πῶς σοι χρήσωμαι;' 'βασιλικῶς' εἶπε, καὶ προσερωτηθείς 'μή τι ἄλλο;' 'πάντα' εἶπεν 'ἐν τῷ βασιλικῶς ἔνεστι,' θαυμάσας καὶ τὴν σύνεσιν αὐτοῦ καὶ τὴν ἀνδραγαθίαν πλείονα χώραν ἧς πρῴην εἶχε προσέθηκε.

Πυθόμενος δὲ ὑπό τινος λοιδορεῖσθαι 'βασιλικόν' ἔφη 'ἐστὶν εὖ ποιοῦντα κακῶς ἀκούειν.'

Ἀποθνήσκων δὲ πρὸς τοὺς ἑταίρους ἀπιδὼν ἔφη 'μέγαν ὁρῶ μοι τὸν ἐπιτάφιον ἐσόμενον.'

[f] Τελευτήσαντος δ' αὐτοῦ Δημάδης ὁ ῥήτωρ 'ὅμοιον' ἔφη 'διὰ τὴν ἀναρχίαν ὁρᾶσθαι τὸ στρατόπεδον τῶν Μακεδόνων ἐκτετυφλωμένῳ τῷ Κύκλωπι.'

ΠΤΟΛΕΜΑΙΟΣ Ο ΛΑΓΟΥ

Πτολεμαῖος ὁ Λάγου τὰ πολλὰ παρὰ τοῖς φίλοις ἐδείπνει καὶ ἐκάθευδεν· εἰ δέ ποτε δειπνίζοι, τοῖς ἐκείνων ἐχρῆτο μεταπεμπόμενος ἐκπώματα καὶ στρώματα καὶ τραπέζας· αὐτὸς δ' οὐκ ἐκέκτητο πλείω τῶν ἀναγκαίων, ἀλλὰ τοῦ πλουτεῖν ἔλεγε τὸ πλουτίζειν εἶναι βασιλικώτερον.

ΑΝΤΙΓΟΝΟΣ

[182] [a] Ἀντίγονος εἰσέπραττε χρήματα συντόνως· εἰπόντος δέ τινος 'ἀλλ' οὐκ Ἀλέξανδρος ἦν τοιοῦτος' 'εἰκότως' εἶπεν, 'ἐκεῖνος μὲν γὰρ ἐθέριζε τὴν Ἀσίαν, ἐγὼ δὲ καλαμῶμαι.'

Τῶν δὲ στρατιωτῶν ἰδών τινας ἐν τοῖς θώραξι καὶ τοῖς κράνεσι σφαιρίζοντας ἥσθη καὶ τοὺς ἡγεμόνας αὐτῶν μετεπέμπετο ἐπαινέσαι βουλόμενος· ὡς δ' ἤκουσεν ὅτι πίνουσιν, τὰς ἐκείνων ἡγεμονίας τοῖς στρατιώταις ἔδωκε.

Θαυμαζόντων δὲ πάντων ὅτι γέρων γενόμενος ἠπίως ἐχρῆτο καὶ πράως τοῖς πράγμασι, 'πρότερον μὲν γάρ' εἶπε 'δυνάμεως ἐδεόμην, νῦν δὲ δόξης καὶ εὐνοίας.'

[b] Πρὸς δὲ τὸν υἱὸν Φίλιππον πυθόμενον πλειόνων παρόντων 'πότε μέλλομεν ἀναζευγνύναι;' 'τί δέδοικας;' εἶπε 'μὴ μόνος τῆς σάλπιγγος οὐκ ἀκούσῃς;'

Σπουδάσαντος δὲ τοῦ νεανίσκου λαβεῖν κατάλυσιν παρὰ γυναικὶ χήρᾳ τρεῖς ἐχούσῃ θυγατέρας εὐπρεπεῖς, καλέσας τὸν ἐπὶ τῶν ξενίων εἶπεν 'οὐκ ἐξάξεις μου τὸν υἱὸν ἐκ τῆς στενοχωρίας;'

Νοσήσας δὲ μακρὰν νόσον ὡς ἀνέσφηλεν, ‘οὐδέν’ ἔφη ‘χεῖρον· ὑπέμνησε γὰρ ἡμᾶς ἡ νόσος μὴ μέγα φρονεῖν ὡς ὄντας θνητούς.’

Ἑρμοδότου δ’ αὐτὸν ἐν τοῖς ποιήμασιν (Bergk III 637) Ἡλίου παῖδα γράψαντος ‘οὐ ταῦτά μοι’ ἔφη ‘σύνοιδεν [c] ὁ λασανοφόρος.’

Εἰπόντος δέ τινος ὅτι ‘πάντα καλὰ καὶ δίκαια’

τοῖς βασιλεῦσι, ‘ναὶ μὰ Δία, τοῖς τῶν βαρβάρων’ εἶπεν ‘ἡμῖν δὲ μόνα καλὰ τὰ καλὰ καὶ δίκαια μόνα τὰ δίκαια.’

Μαρσύου τοῦ ἀδελφοῦ δίκην ἔχοντος, ἀξιοῦντος δὲ τὴν κρίσιν αὐτῷ γενέσθαι κατ’ οἰκίαν, ‘ἔσται μὲν οὖν’ εἶπεν ‘ἐν τῇ ἀγορᾷ καὶ πάντων ἀκουόντων, εἰ μηδὲν ἀδικοῦμεν.’

Ἐπεὶ δέ ποτε χειμῶνος ἐν τόποις σπανίζουσι τῶν ἐπιτηδείων ἠναγκάσθη καταζεῦξαι καὶ τῶν στρατιωτῶν τινες ἐλοιδόρουν αὐτὸν ἀγνοοῦντες ὅτι πλησίον ἐστίν, τῇ [d] βακτηρίᾳ τὴν σκηνὴν διαστείλας ‘οἰμώξετε’ εἶπεν ‘εἰ μὴ μακρότερον ἀποστάντες λοιδορήσετε ἡμᾶς.’

Ἀριστοδήμου δὲ τῶν φίλων τινὸς ἐκ μαγείρου γεγονέναι δοκοῦντος, συμβουλεύοντος δ’ αὐτῷ τῶν ἀναλωμάτων καὶ τῶν δωρεῶν ἀφαιρεῖν, ‘οἱ λόγοι σου’ εἶπεν ‘ὦ Ἀριστόδημε, περιζώματος ὄζουσιν.’

Ἀθηναίων δὲ δοῦλον αὐτοῦ τιμώμενον εἰς τὴν πολιτείαν ὡς ἐλεύθερον ἐγγραψάντων, ‘οὐκ ἂν’ εἶπεν ‘ἕνα μόνον βουλοίμην Ἀθηναῖον ὑπ’ ἐμοῦ μεμαστιγῶσθαι.’

Νεανίσκου δέ τινος τῶν Ἀναξιμένους τοῦ ῥήτορος μαθητῶν λόγον ἐσκεμμένον ἐκ παρασκευῆς εἰπόντος ἐπ’ [e] αὐτοῦ, βουλόμενός τι προσμαθεῖν ἠρώτησεν· ἀποσιωπήσαντος δὲ τοῦ νεανίσκου ‘τί λέγεις;’ εἶπεν ‘ἢ

‘ταῦτ’ ἐστὶ τἀν δέλτοισιν ἐγγεγραμμένα;’ (Eur. Iph. Taur. 787).

Ἑτέρου δὲ ῥήτορος ἀκούων λέγοντος ὅτι χιονοβόλος ἡ ὥρα γενομένη λιποβοτανεῖν ἐποίησε τὴν χώραν, ‘οὐ παύσῃ μοι’ εἶπεν ‘ὡς ὄχλῳ χρώμενος;’

Θρασύλλου δὲ τοῦ κυνικοῦ δραχμὴν αἰτήσαντος αὐτόν, ‘ἀλλ’ οὐ βασιλικόν’ ἔφη ‘τὸ δόμα·’ τοῦ δὲ εἰπόντος ‘οὐκοῦν τάλαντον δός μοι’, ‘ἀλλ’ οὐ κυνικόν’ ἔφη ‘τὸ λῆμμα.’

Πέμπων δὲ Δημήτριον τὸν υἱὸν μετὰ νεῶν πολλῶν καὶ δυνάμεων ἐλευθερώσοντα τοὺς Ἕλληνας ἔλεγε [f] τὴν δόξαν ὥσπερ ἀπὸ σκοπῆς τῆς Ἑλλάδος εἰς τὴν οἰκουμένην πυρσεύεσθαι.

Ἀνταγόρου δὲ τοῦ ποιητοῦ γόγγρον ἕψοντος καὶ αὐτοῦ τὴν λοπάδα σείοντος ἐπιστὰς ἐξόπισθεν ‘οἴει’ φησί ‘τὸν Ὅμηρον, ὦ Ἀνταγόρα, γόγγρον ἕψειν τὰς τοῦ Ἀγαμέμνονος γράφοντα πράξεις;’ καὶ ὁ Ἀνταγόρας ‘σὺ δέ’

εἶπεν, 'ὦ βασιλεῦ, τὸν Ἀγαμέμνονα νομίζεις πράττοντα τὰς πράξεις ἐκείνας πολυπραγμονεῖν, εἴ τις ἐν τῷ στρατοπέδῳ γόγγρον ἕψει;'

[183] [a] Ἐπεὶ δ' ὄναρ ἰδὼν χρυσοῦν θέρος ἐξαμῶντα Μιθριδάτην ἐβουλεύσατο κτεῖναι καὶ Δημητρίῳ τῷ υἱῷ φράσας ὥρκωσε σιωπῆσαι, [ὁ δὲ] παραλαβὼν τὸν Μιθριδάτην ὁ Δημήτριος καὶ συμπεριπατῶν παρὰ θάλασσαν ἐν τῷ αἰγιαλῷ κατέγραψε τῷ σαυρωτῆρι τοῦ δόρατος 'φεῦγε, Μιθριδᾶτα.' ἐκεῖνος δὲ νοήσας ἔφυγεν εἰς Πόντον κἀκεῖ βασιλεύων διετέλεσε.

ΔΗΜΗΤΡΙΟΣ

Ῥοδίους δὲ πολιορκῶν ὁ Δημήτριος ἔλαβεν ἔν τινι προαστείῳ πίνακα Πρωτογένους τοῦ ζωγράφου τὸν [b] Ἰάλυσον γράφοντος· ἐπικηρυκευσαμένων δὲ τῶν Ῥοδίων καὶ φείσασθαι τοῦ πίνακος παρακαλούντων, ἔφη μᾶλλον τὰς τοῦ πατρὸς εἰκόνας ἢ τὴν γραφὴν ἐκείνην διαφθερεῖν.

Σπεισάμενος δὲ τοῖς Ῥοδίοις τὴν ἑλέπολιν ἀπέλιπε παρ' αὐτοῖς, ὑπόδειγμα τῆς αὑτοῦ ‹μὲν› μεγαλουργίας ἐκείνων δ' ἀνδρείας ἐσομένην.

Ἀποστάντων δὲ τῶν Ἀθηναίων ἑλὼν τὴν πόλιν ἤδη κακῶς ὑπὸ σιτοδείας ἔχουσαν, εὐθὺς ἐκκλησίας αὐτῷ συναχθείσης ἐπέδωκε δωρεὰν σῖτον αὐτοῖς· δημηγορῶν δὲ περὶ τούτων ἐβαρβάρισε· τῶν δὲ καθημένων τινὸς ὡς ἔδει τὸ ῥῆμα λεχθῆναι παραφωνήσαντος, 'οὐκοῦν' ἔφη 'καὶ τῆς ἐπανορθώσεως ταύτης ἄλλους ὑμῖν [c] πεντακισχιλίους ἐπιδίδωμι μεδίμνους.'

ΑΝΤΙΓΟΝΟΣ Ο ΔΕΥΤΕΡΟΣ

Ἀντίγονος ὁ δεύτερος, Δημητρίου τοῦ πατρὸς ἁλόντος καὶ πέμψαντός τινα τῶν φίλων κελεύοντα μὴ προσέχειν, ἄν τι γράφῃ βιασθεὶς ὑπὸ Σελεύκου, μηδὲ παραχωρεῖν τῶν πόλεων, αὐτὸς ἔγραψε πρὸς Σέλευκον ἐξιστάμενος αὐτῷ τῆς ἀρχῆς ἁπάσης καὶ παραδιδοὺς ὅμηρον ἑαυτὸν ἐπὶ τῷ τὸν πατέρα Δημήτριον ἀπολυθῆναι.

Μέλλων δὲ ναυμαχεῖν πρὸς τοὺς Πτολεμαίου στρατηγούς, εἰπόντος τοῦ κυβερνήτου πολὺ πλείονας εἶναι τὰς τῶν πολεμίων ναῦς, 'ἐμὲ δέ' ἔφη 'αὐτὸν παρόντα πρὸς [d] πόσας ἀντιτάττεις;'

Ὑποχωρῶν δέ ποτε τοῖς πολεμίοις ἐπερχομένοις οὐκ ἔφη φεύγειν, ἀλλὰ διώκειν τὸ συμφέρον ὀπίσω κείμενον. Ἐπεὶ δὲ νεανίσκος ἀνδρείου πατρός, αὐτὸς δὲ μὴ πάνυ δοκῶν ἀγαθὸς εἶναι στρατιώτης ἠξίου τὰς τοῦ πατρὸς λαμβάνειν ἀποφοράς, 'ἀλλ' ἐγώ' εἶπεν 'ὦ μειράκιον, ἀνδραγαθίας οὐ πατραγαθίας μισθοὺς καὶ δωρεὰς δίδωμι.'

Ζήνωνος δὲ τοῦ Κιτιέως ἀποθανόντος, ὃν μάλιστα τῶν φιλοσόφων ἐθαύμασεν, ἔλεγε τὸ θέατρον αὐτοῦ τῶν πράξεων ἀνῃρῆσθαι.

ΛΥΣΙΜΑΧΟΣ

Λυσίμαχος ἐν Θρᾴκῃ κρατηθεὶς ὑπὸ Δρομιχαίτου [e] καὶ διὰ δίψαν ἑαυτὸν καὶ τὸ στράτευμα παραδοὺς ὡς ἔπιεν αἰχμάλωτος γενόμενος, ‘ὦ θεοί’ εἶπεν ‘ὡς μικρᾶς ἡδονῆς ἕνεκα δοῦλον ἐμαυτὸν ἐκ βασιλέως πεποίηκα.’

Πρὸς δὲ Φιλιππίδην τὸν κωμῳδοποιὸν φίλον ὄντα καὶ συνήθη ‘τίνος σοι’ εἶπε ‘τῶν ἐμῶν μεταδῶ;’ κἀκεῖνος ‘οὗ βούλει πλὴν τῶν ἀπορρήτων.’

ΑΝΤΙΠΑΤΡΟΣ

Ἀντίπατρος ἀκούσας τὴν Παρμενίωνος ὑπ’ Ἀλεξάνδρου τελευτήν ‘εἰ μὲν ἐπεβούλευσεν’ εἶπε ‘Παρμενίων Ἀλεξάνδρῳ, τίνι πιστευτέον; εἰ δὲ μή, τί πρακτέον;’

Δημάδου δὲ τοῦ ῥήτορος ἤδη πρεσβύτου γεγονότος [f] ἔφη καθάπερ ἱερείου διαπεπραγμένου καταλείπεσθαι μόνην τὴν γαστέρα καὶ τὴν γλῶτταν.

ΑΝΤΙΟΧΟΣ Ο ΤΡΙΤΟΣ

Ἀντίοχος ὁ τρίτος ἔγραψε ταῖς πόλεσιν, ἄν τι γράψῃ παρὰ τοὺς νόμους κελεύων γενέσθαι, μὴ προσέχειν ὡς ἠγνοηκότι.

Τὴν δὲ τῆς Ἀρτέμιδος ἱέρειαν ἰδὼν ὑπερβολῇ καλὴν φανεῖσαν εὐθὺς ἀνέζευξεν ἐξ Ἐφέσου, φοβούμενος μὴ παρὰ γνώμην ἐκβιασθῇ πρᾶξαί τι τῶν οὐχ ὁσίων.

ΑΝΤΙΟΧΟΣ Ο ΙΕΡΑΞ

[184] [a] Ἀντίοχος ὁ ἐπικληθεὶς Ἱέραξ ἐπολέμει περὶ τῆς βασιλείας πρὸς τὸν ἀδελφὸν Σέλευκον· ἐπεὶ δὲ ὁ Σέλευκος ἡττηθεὶς ὑπὸ Γαλατῶν οὐδαμοῦ φανερὸς ἦν ἀλλ’ ἐδόκει κατακεκόφθαι, θεὶς τὴν πορφύραν ὁ Ἀντίοχος φαιὸν ἱμάτιον ἀντέλαβε. μετ’ ὀλίγον δὲ πυθόμενος τὸν ἀδελφὸν σῴζεσθαι, εὐαγγέλια τοῖς θεοῖς ἔθυσε καὶ τὰς πόλεις τὰς ὑφ’ ἑαυτῷ στεφανηφορεῖν ἐποίησεν.

ΕΥΜΕΝΗΣ

Εὐμένης ἐπιβουλευθεὶς ὑπὸ Περσέως ἔδοξε τεθνάναι· τῆς δὲ φήμης εἰς Πέργαμον κομισθείσης Ἄτταλος ὁ [b] ἀδελφὸς αὐτοῦ περιθέμενος τὸ διάδημα καὶ τὴν γυναῖκα γήμας ἐβασίλευσε· πυθόμενος δὲ προσιόντα ζῶντα τὸν ἀδελφὸν ἀπήντησεν ὥσπερ εἰώθει μετὰ τῶν σωματοφυλάκων δοράτιον ἔχων· ὁ δ’ Εὐμένης φιλοφρόνως ἀσπασάμενος αὐτὸν καὶ πρὸς τὸ οὖς εἰπών (N^2 p. 275 Soph. 601)

‘μὴ σπεῦδε γῆμαι πρὶν τελευτήσαντ’ ἴδῃς’

οὐδὲν ἄλλο παρὰ πάντα τὸν βίον οὔτ’ εἶπεν ὕποπτον οὔτ’ ἐποίησεν, ἀλλὰ καὶ τελευτῶν ἐκείνῳ τὴν γυναῖκα καὶ τὴν βασιλείαν ἀπέλιπεν. ἀνθ’ ὧν ἐκεῖνος οὐδὲν ἐξ ἑαυτοῦ τέκνον †ἔθρεψε, πολλῶν γενομένων, ἀλλὰ τῷ Εὐμένους υἱῷ τὴν βασιλείαν ἔτι ζῶν ἐνηλίκῳ γενομένῳ παρέδωκε.

[c]

ΠΥΡΡΟΣ

Πύρρον οἱ υἱοὶ παῖδες ὄντες ἠρώτων, τίνι καταλείψει τὴν βασιλείαν· καὶ ὁ Πύρρος εἶπεν 'ὃς ἂν ὑμῶν ὀξυτέραν ἔχῃ τὴν μάχαιραν.'

Ἐρωτηθεὶς δὲ πότερον Πύθων ἢ Καφισίας αὐλητὴς ἀμείνων 'Πολυπέρχων' ἔφη 'στρατηγός.'

Ἐπεὶ δὲ συμβαλὼν Ῥωμαίοις δὶς ἐνίκησε πολλοὺς τῶν φίλων καὶ τῶν ἡγεμόνων ἀπολέσας, 'ἂν ἔτι μίαν' ἔφη 'μάχην Ῥωμαίους νικήσωμεν, ἀπολώλαμεν.'

Ἐπεὶ δὲ Σικελίας ἀποτυχὼν ἐξέπλει, μεταστραφεὶς ὀπίσω πρὸς τοὺς φίλους 'οἵαν' ἔφη 'Ῥωμαίοις καὶ Καρχηδονίοις ἀπολείπομεν παλαίστραν.'

Τῶν δὲ στρατιωτῶν Ἀετὸν αὐτὸν προσαγορευόντων [d] 'τί γάρ' εἶπεν 'οὐ μέλλω, τοῖς ὑμετέροις ὅπλοις ὥσπερ ὠκυπτέροις αἰρόμενος;'

Ἀκούσας δὲ ὅτι νεανίσκοι πολλὰ βλάσφημα περὶ αὐτοῦ πίνοντες εἰρήκασιν, ἐκέλευσεν ἀχθῆναι μεθ' ἡμέραν πρὸς αὐτὸν ἅπαντας· ἀχθέντων δὲ τὸν πρῶτον ἠρώτησεν, εἰ ταῦτ' εἰρήκασι περὶ αὐτοῦ· καὶ ὁ νεανίσκος 'ταῦτα' εἶπεν 'ὦ βασιλεῦ· πλείονα δ' ἂν τούτων εἰρήκειμεν, εἰ πλείονα οἶνον εἴχομεν.'

ΑΝΤΙΟΧΟΣ

Ἀντίοχος ὁ στρατεύσας δεύτερον ἐπὶ Πάρθους ἔν τινι κυνηγεσίῳ καὶ διωγμῷ τῶν φίλων καὶ θεραπόντων ἀποπλανηθεὶς εἰς ἔπαυλιν πενήτων ἀνθρώπων ἀγνοούμενος εἰσῆλθε καὶ παρὰ τὸ δεῖπνον ἐμβαλὼν λόγον περὶ τοῦ [e] βασιλέως ἤκουσεν, ὅτι τἆλλα χρηστός ἐστιν, φίλοις δὲ μοχθηροῖς ἐπιτρέπων τὰ πλεῖστα παρορᾷ καὶ πολλάκις ἀμελεῖ τῶν ἀναγκαίων διὰ τὸ λίαν φιλόθηρος εἶναι. τότε μὲν οὖν ἐσιώπησεν· ἅμα δὲ ἡμέρᾳ τῶν δορυφόρων παραγενομένων ἐπὶ τὴν ἔπαυλιν φανερὸς γενόμενος, προσφερομένης τῆς πορφύρας αὐτῷ καὶ τοῦ διαδήματος, 'ἀλλ' ἀφ' ἧς ἡμέρας' εἶπεν 'ὑμᾶς ἀνείληφα, πρῶτον ἐχθὲς ἀληθινῶν λόγων ἤκουσα περὶ ἐμαυτοῦ.'

Τῶν δ' Ἰουδαίων, πολιορκοῦντος αὐτοῦ τὰ Ἱεροσόλυμα, πρὸς τὴν μεγίστην ἑορτὴν αἰτησαμένων ἑπτὰ ἡμερῶν ἀνοχὰς οὐ μόνον ἔδωκε ταύτας, ἀλλὰ καὶ ταύρους χρυσόκερως παρασκευασάμενος καὶ θυμιαμάτων καὶ ἀρωμάτων [f] πλῆθος ἄχρι τῶν πυλῶν ἐπόμπευσε· καὶ παραδοὺς τοῖς ἐκείνων ἱερεῦσι τὴν θυσίαν αὐτὸς ἐπανῆλθεν εἰς τὸ στρατόπεδον. οἱ δ' Ἰουδαῖοι θαυμάσαντες εὐθὺς ἑαυτοὺς μετὰ τὴν ἑορτὴν ἐνεχείρισαν.

ΘΕΜΙΣΤΟΚΛΗΣ

Θεμιστοκλῆς ἔτι μειράκιον ὢν ἐν πότοις ἐκυλινδεῖτο καὶ γυναιξίν· ἐπεὶ δὲ Μιλτιάδης στρατηγῶν ἐνίκησεν ἐν Μαραθῶνι τοὺς βαρβάρους, οὐκέτι ἦν

ἐντυχεῖν [185] [a] ἀτακτοῦντι Θεμιστοκλεῖ· πρὸς δὲ τοὺς θαυμάζοντας τὴν μεταβολὴν ἔλεγεν ὡς 'οὐκ ἐᾷ με καθεύδειν οὐδὲ ῥᾳθυμεῖν τὸ Μιλτιάδου τρόπαιον.'

Ἐρωτηθεὶς δὲ πότερον Ἀχιλλεὺς ἐβούλετ' ἂν ἢ Ὅμηρος εἶναι, 'σὺ δ' αὐτός' ἔφη 'πότερον ‹ἂν› ἤθελες ὁ νικῶν Ὀλυμπίασιν ἢ ὁ κηρύσσων τοὺς νικῶντας εἶναι;'

Ξέρξου δὲ καταβαίνοντος ἐπὶ τὴν Ἑλλάδα τῷ μεγάλῳ στόλῳ, φοβηθεὶς Ἐπικύδην τὸν δημαγωγὸν αἰσχροκερδῆ καὶ δειλὸν ὄντα, μὴ στρατηγὸς γενόμενος ἀπολέσῃ τὴν πόλιν, ἔπεισεν ἀργυρίῳ τῆς στρατηγίας ἀποστῆναι.

Εὐρυβιάδου δὲ ναυμαχεῖν μὴ τολμῶντος, εἰπόντος δ' ‹Ἀδειμάντου› πρὸς τὸν Θεμιστοκλέα τοὺς Ἕλληνας παρακαλοῦντα [b] καὶ προτρέποντα 'ὦ Θεμιστόκλεις, τοὺς ἐν τοῖς ἀγῶσι προεξανισταμένους μαστιγοῦσιν [ἀεί]', 'ναί' εἶπεν 'ὦ Ἀδείμαντε, τοὺς δὲ λειπομένους οὐ στεφανοῦσιν.'

Ἐπαραμένου δὲ τοῦ Εὐρυβιάδου τὴν βακτηρίαν ὡς πατάξοντος 'πάταξον μὲν οὖν' εἶπεν 'ἄκουσον δέ.'

Μὴ πείθων δὲ τὸν Εὐρυβιάδην ἐν τοῖς στενοῖς ναυμαχῆσαι κρύφα πρὸς τὸν βάρβαρον ἔπεμψε παραινῶν μὴ διεῖναι τοὺς Ἕλληνας ἀποδιδράσκοντας· ἐπεὶ δὲ πεισθεὶς ἐκεῖνος ἡττήθη ναυμαχήσας ὅπου συνέφερε τοῖς Ἕλλησι, πάλιν ἔπεμψε πρὸς αὐτὸν κελεύων φεύγειν ἐπὶ τὸν Ἑλλήσποντον τὴν ταχίστην ὡς τῶν Ἑλλήνων διανοουμένων [c] λύειν τὴν γέφυραν, ἵνα σῴζων τοὺς Ἕλληνας ἐκεῖνον δοκῇ σῴζειν.

Τοῦ δὲ Σεριφίου πρὸς αὐτὸν εἰπόντος, ὡς οὐ δι' αὑτὸν ἀλλὰ διὰ τὴν πόλιν ἔνδοξός ἐστιν, 'ἀληθῆ λέγεις' εἶπεν 'ἀλλ' οὔτ' ἂν ἐγὼ Σερίφιος ὢν ἐγενόμην ἔνδοξος οὔτε σὺ Ἀθηναῖος.'

Ἀντιφάτου δὲ τοῦ καλοῦ πρότερον μὲν ἐρῶντα τὸν Θεμιστοκλέα φεύγοντος καὶ καταφρονοῦντος, ἐπεὶ δὲ δόξαν ἔσχε μεγάλην καὶ δύναμιν, προσερχομένου καὶ κολακεύοντος, 'ὦ μειράκιον' εἶπεν 'ὀψὲ μὲν ἀμφότεροι ἀλλ' ἅμα νοῦν ἐσχήκαμεν.'

Πρὸς δὲ Σιμωνίδην ἐξαιτούμενόν τινα κρίσιν οὐ δικαίαν ἔφη μήτ' ἂν ἐκεῖνον γενέσθαι ποιητὴν ἀγαθὸν [d] ᾄδοντα παρὰ μέλος, μήτ' αὑτὸν ἄρχοντα χρηστὸν δικάζοντα παρὰ τὸν νόμον.

Τὸν δὲ υἱὸν ἐντρυφῶντα τῇ μητρὶ πλεῖστον Ἑλλήνων ἔλεγε δύνασθαι· τῶν γὰρ Ἑλλήνων ἄρχειν Ἀθηναίους, Ἀθηναίων δ' ἑαυτόν, ἑαυτοῦ δὲ τὴν ἐκείνου μητέρα, τῆς δὲ μητρὸς ἐκεῖνον. Τῶν δὲ τὴν θυγατέρα μνωμένων αὐτοῦ τὸν ἐπιεικῆ τοῦ πλουσίου προτιμήσας ἄνδρα ἔφη ζητεῖν χρημάτων δεόμενον μᾶλλον ἢ χρήματα ἀνδρός.

Χωρίον δὲ πωλῶν ἐκέλευε κηρύττειν ὅτι καὶ γείτονα χρηστὸν ἔχει.

Τῶν δ’ Ἀθηναίων αὐτὸν προπηλακιζόντων ‘τί κοπιᾶτε’ [e] εἶπεν ‘ὑπὸ τῶν αὐτῶν πολλάκις εὐχρηστούμενοι;’ καὶ ταῖς πλατάνοις ἀπείκαζεν αὑτόν, αἷς ὑποτρέχουσι χειμαζόμενοι, γενομένης δ’ εὐδίας τίλλουσι παρερχόμενοι καὶ κολούουσι.

Τοὺς δ’ Ἐρετριεῖς ἐπισκώπτων ἔλεγεν ὥσπερ τευθίδας μάχαιραν μὲν ἔχειν καρδίαν δὲ μὴ ἔχειν.

Ἐπεὶ δ’ ἐξέπεσε τῶν Ἀθηνῶν τὸ πρῶτον εἶτα καὶ τῆς Ἑλλάδος, ἀναβὰς πρὸς βασιλέα καὶ κελευόμενος λέγειν, ἔφη τὸν λόγον ἐοικέναι τοῖς ποικίλοις στρώμασιν· ὡς γὰρ ἐκεῖνα, καὶ τοῦτον ἐκτεινόμενον μὲν ἐπιδεικνύναι τὰ εἴδη συστελλόμενον δὲ κρύπτειν καὶ διαφθείρειν.

Ἠιτήσατο δὲ καὶ χρόνον, ὅπως τὴν Περσικὴν διάλεκτον [f] καταμαθὼν δι’ ἑαυτοῦ καὶ μὴ δι’ ἑτέρου ποιήσαιτο τὴν πρὸς αὐτὸν ἔντευξιν.

Πολλῶν δὲ δωρεῶν ἀξιωθεὶς καὶ ταχὺ πλούσιος γενόμενος πρὸς τοὺς παῖδας εἶπεν ‘ὦ παῖδες, ἀπωλόμεθ’ ἄν, εἰ μὴ ἀπωλώλειμεν.’

ΜΥΡΩΝΙΔΗΣ

Μυρωνίδης παρήγγειλεν ἔξοδον Ἀθηναίοις ἐπὶ Βοιωτοὺς στρατεύων· ἐνστάσης δὲ τῆς ὥρας καὶ τῶν λοχαγῶν λεγόντων μηδέπω πάντας παρεῖναι, [186] [a] ‘πάρεισιν’ εἶπεν ‘οἱ μέλλοντες μάχεσθαι·’ καὶ χρησάμενος αὐτοῖς προθύμοις ἐνίκησε τοὺς πολεμίους.

ΑΡΙΣΤΕΙΔΗΣ

Ἀριστείδης δὲ ὁ δίκαιος ἀεὶ καθ’ ἑαυτὸν ἐπολιτεύετο καὶ τὰς ἑταιρείας ἔφευγεν, ὡς τῆς ἀπὸ τῶν φίλων δυνάμεως ἀδικεῖν ἐπαιρούσης.

Ἐπεὶ δὲ τῶν Ἀθηναίων ὁρμωμένων ἐπὶ τὸν ἐξοστρακισμὸν ἄνθρωπος ἀγράμματος καὶ ἄγροικος ὄστρακον ἔχων προσῆλθεν αὐτῷ κελεύων ἐγγράψαι τὸ ὄνομα τοῦ Ἀριστείδου, ‘γινώσκεις γάρ’ ἔφη ‘τὸν Ἀριστείδην;’ τοῦ δ’ ἀνθρώπου γινώσκειν μὲν οὐ φήσαντος, ἄχθεσθαι [b] δὲ τῇ τοῦ δικαίου προσηγορίᾳ, σιωπήσας ἐνέγραψε τὸ ὄνομα τῷ ὀστράκῳ καὶ ἀπέδωκεν.

Ἐχθρὸς δ’ ὢν τοῦ Θεμιστοκλέους καὶ πρεσβευτὴς ἐκπεμφθεὶς σὺν αὐτῷ ‘βούλει’ φησίν ‘ἐπὶ τῶν ὅρων, ὦ Θεμιστόκλεις, τὴν ἔχθραν ἀπολίπωμεν; ἂν γὰρ δοκῇ, πάλιν αὐτὴν ἐπανιόντες ληψόμεθα.’

Τάξας δὲ τοὺς φόρους τοῖς Ἕλλησι τοσούτῳ πτωχότερος ἐπανῆλθεν, ὅσον εἰς τὴν ἀποδημίαν ἀνήλωσεν.

Αἰσχύλου δὲ ποιήσαντος εἰς Ἀμφιάραον (Sept. 592)

‘οὐ γὰρ δοκεῖν ἄριστος ἀλλ’ εἶναι θέλει,
βαθεῖαν ἄλοκα διὰ φρενὸς καρπούμενος,
ἐξ ἧς τὰ κεδνὰ βλαστάνει βουλεύματα’

[c] καὶ λεγομένων τούτων, πάντες εἰς Ἀριστείδην ἀπέβλεψαν.

ΠΕΡΙΚΛΗΣ

Περικλῆς, ὁπότε μέλλοι στρατηγεῖν, ἀναλαμβάνων τὴν χλαμύδα πρὸς ἑαυτὸν ἔλεγε ‘πρόσεχε, Περίκλεις, ἐλευθέρων μέλλεις ἄρχειν καὶ Ἑλλήνων καὶ Ἀθηναίων.’

Ἐκέλευσε δὲ τοὺς Ἀθηναίους τὴν Αἴγιναν ὥσπερ λήμην ἀφαιρεῖν τοῦ Πειραιῶς.

Πρὸς δὲ φίλον τινὰ μαρτυρίας ψευδοῦς δεόμενον, ᾗ προσῆν καὶ ὅρκος, ἔφησε μέχρι τοῦ βωμοῦ φίλος εἶναι.

Μέλλων δ’ ἀποθνήσκειν αὐτὸς ἑαυτὸν ἐμακάριζεν ὅτι μηδεὶς Ἀθηναίων μέλαν ἱμάτιον δι’ αὐτὸν ἐνεδύσατο.

ΑΛΚΙΒΙΑΔΗΣ

[d] Ἀλκιβιάδης ἔτι παῖς ὢν ἐλήφθη λαβὴν ἐν παλαίστρᾳ· καὶ μὴ δυνάμενος διαφυγεῖν ἔδακε τὴν χεῖρα τοῦ καταπαλαίοντος· εἰπόντος δ’ ἐκείνου ‘δάκνεις ὡς αἱ γυναῖκες’, ‘οὐ μὲν οὖν’ εἶπεν ‘ἀλλ’ ὡς οἱ λέοντες.’

Ἔχων δὲ κύνα πάγκαλον ἐωνημένον ἑπτακισχιλίων

δραχμῶν ἀπέκοψεν αὐτοῦ τὴν οὐράν ‘ὅπως’ ἔφη ‘τοῦτο λέγωσιν Ἀθηναῖοι περὶ ἐμοῦ καὶ μηδὲν ἄλλο πολυπραγμονῶσι.’

Προσελθὼν δὲ διδασκαλείῳ ῥαψῳδίαν Ἰλιάδος ᾔτει· τοῦ δὲ διδασκάλου μηδὲν ἔχειν Ὁμήρου φήσαντος ἐντρίψας αὐτῷ κόνδυλον παρῆλθεν.

[e] Ἐλθὼν δ’ ἐπὶ θύρας τοῦ Περικλέους καὶ πυθόμενος αὐτὸν μὴ σχολάζειν ἀλλὰ σκοπεῖν, ὅπως ἀποδώσει λόγους Ἀθηναίοις, ‘οὐ βέλτιον’ ἔφη ‘σκοπεῖν ἦν, ὅπως οὐκ ἀποδώσει;’

Καλούμενος δ’ ἐπὶ κρίσιν θανατικὴν ὑπὸ τῶν Ἀθηναίων ἀπὸ Σικελίας ἔκρυψεν ἑαυτόν, εἰπὼν εὔηθες εἶναι τὸ δίκην ἔχοντα ζητεῖν ἀποφυγεῖν, ἐξὸν φυγεῖν.

Εἰπόντος δέ τινος ‘οὐ πιστεύεις τῇ πατρίδι τὴν περὶ σεαυτοῦ κρίσιν;’ ‘ἐγὼ μέν’ ἔφη ‘οὐδὲ τῇ μητρί, μή πως ἀγνοήσασα τὴν μέλαιναν βάλῃ ψῆφον ἀντὶ τῆς λευκῆς.’

Ἀκούσας δὲ ὅτι θάνατος αὐτοῦ κατέγνωσται καὶ τῶν σὺν αὐτῷ ‘δείξωμεν οὖν αὐτοῖς’ εἶπεν ‘ὅτι ζῶμεν·’ [f] καὶ πρὸς Λακεδαιμονίους τρεψάμενος τὸν Δεκελεικὸν ἤγειρεν ἐπὶ τοὺς Ἀθηναίους πόλεμον.

ΛΑΜΑΧΟΣ

Λάμαχος ἐπετίμα τινὶ τῶν λοχαγῶν ἁμαρτόντι· τοῦ δὲ φήσαντος μηκέτι τοῦτο ποιήσειν ‘οὐκ ἔστιν’ εἶπεν ‘ἐν πολέμῳ δὶς ἁμαρτεῖν.’

ΙΦΙΚΡΑΤΗΣ

Ἰφικράτης δοκῶν υἱὸς εἶναι σκυτοτόμου κατεφρο[187] νεῖτο· [a] δόξαν δὲ τότε πρῶτον ἔσχε, ὅτε τραυματίσας πολέμιον ἄνδρα καὶ μετὰ τῶν ὅπλων

ζῶντα συναρπάσας εἰς τὴν ἑαυτοῦ τριήρη μετήνεγκεν.

Ἐν δὲ φιλίᾳ καὶ συμμάχῳ χώρᾳ στρατοπεδεύων καὶ χάρακα βαλλόμενος καὶ τάφρον ὀρύττων ἐπιμελῶς πρὸς τὸν εἰπόντα ‘τί γὰρ φοβούμεθα;’ χειρίστην ἔφησε στρατηγοῦ φωνὴν εἶναι τὴν ‘οὐκ ἂν προσεδόκησα’.

Παρατατόμενος δὲ τοῖς βαρβάροις ἔφη δεδιέναι, μὴ τὸν Ἰφικράτην οὐκ ἴσασιν, ᾧ καταπλήττεται τοὺς ἄλλους πολεμίους.

Κρινόμενος δὲ θανάτου πρὸς τὸν συκοφάντην ‘οἷα ποιεῖς, ὦ ἄνθρωπε’ εἶπε ‘πολέμου περιεστῶτος τὴν πόλιν [b] περὶ ἐμοῦ πείθων βουλεύεσθαι καὶ μὴ μετ’ ἐμοῦ;’

Πρὸς δὲ Ἁρμόδιον, τὸν τοῦ παλαιοῦ Ἁρμοδίου ἀπόγονον, εἰς δυσγένειαν αὐτῷ λοιδορούμενον ἔφη ‘τὸ μὲν ἐμὸν ἀπ’ ἐμοῦ γένος ἄρχεται, τὸ δὲ σὸν ἐν σοὶ παύεται.’

Ῥήτορος δέ τινος ἐπερωτῶντος αὐτὸν ἐν ἐκκλησίᾳ ‘τίς ὢν μέγα φρονεῖς; πότερον ἱππεὺς ἢ ὁπλίτης ἢ τοξότης ἢ πελταστής;’ ‘οὐδείς’ ἔφη ‘τούτων, ἀλλ’ ὁ πᾶσι τούτοις ἐπιστάμενος ἐπιτάττειν.’

ΤΙΜΟΘΕΟΣ

Τιμόθεος εὐτυχὴς ἐνομίζετο στρατηγὸς εἶναι, καὶ φθονοῦντες αὐτῷ τινες ἐζωγράφουν τὰς πόλεις εἰς κύρτον αὐτομάτως ἐκείνου καθεύδοντος ἐνδυομένας· ἔλεγεν οὖν [c] ὁ Τιμόθεος ‘εἰ τηλικαύτας πόλεις λαμβάνω καθεύδων, τί με οἴεσθε ποιήσειν ἐγρηγορότα;’

Τῶν δὲ τολμηρῶν στρατηγῶν τινος τραῦμα τοῖς Ἀθηναίοις δεικνύοντος, ‘ἐγὼ δέ’ εἶπεν ‘ᾐσχύνθην ὅτι μου στρατηγοῦντος ὑμῶν ἐν Σάμῳ καταπελτικὸν βέλος ἐγγὺς ἔπεσε.’

Τῶν δὲ ῥητόρων τὸν Χάρητα προαγόντων καὶ τοιοῦτον ἀξιούντων εἶναι τὸν Ἀθηναίων στρατηγόν, ‘οὐ τὸν στρατηγόν’ εἶπεν ὁ Τιμόθεος ‘ἀλλὰ τὸν τῷ στρατηγῷ τὰ στρώματα κομίζοντα.’

ΧΑΒΡΙΑΣ

Χαβρίας ἔλεγε κάλλιστα στρατηγεῖν τοὺς μάλιστα γινώσκοντας τὰ τῶν πολεμίων.

[d] Δίκην δὲ φεύγων προδοσίας μετ’ Ἰφικράτους, ἐπιτιμῶντος αὐτῷ τοῦ Ἰφικράτους ὅτι κινδυνεύων εἰς τὸ γυμνάσιον βαδίζει καὶ τὴν εἰωθυῖαν ὥραν ἀριστᾷ, ‘τοιγαροῦν’ εἶπεν ‘ἂν ἄλλο τι γνῶσι περὶ ἡμῶν Ἀθηναῖοι, σὲ μὲν αὐχμῶντα καὶ ἄσιτον, ἐμὲ δ’ ἠριστηκότα καὶ ἀληλιμμένον ἀποκτενοῦσιν.’

Εἰώθει δὲ λέγειν ὅτι φοβερώτερόν ἐστιν ἐλάφων στρατόπεδον ἡγουμένου λέοντος ἢ λεόντων ἐλάφου.

ΗΓΗΣΙΠΠΟΣ

Ἡγησίππου τοῦ Κρωβύλου προσαγορευομένου παροξύνοντος τοὺς Ἀθηναίους ἐπὶ Φίλιππον, ὑπεφώνησέ τις ἐκ τῆς ἐκκλησίας ‘πόλεμον εἰσηγῇ;’ ‘ναὶ μὰ Δία’ εἶπε [e] ‘καὶ μέλανα ἱμάτια καὶ δημοσίας ἐκφορὰς καὶ λόγους ἐπιταφίους, εἰ μέλλομεν ἐλεύθεροι βιώσεσθαι καὶ μὴ ποιήσειν τὸ προσταττόμενον Μακεδόσι.’

ΠΥΘΕΑΣ

Πυθέας ἔτι μειράκιον ὢν παρῆλθεν ἀντερῶν τοῖς περὶ Ἀλεξάνδρου γραφομένοις ψηφίσμασιν· εἰπόντος δέ τινος ‘σὺ νέος ὢν τολμᾷς λέγειν περὶ τηλικούτων;’ ‘καὶ μὴν Ἀλέξανδρος’ εἶπεν ‘ὃν ψηφίζεσθε θεόν, ἐμοῦ νεώτερός ἐστι.’

ΦΩΚΙΩΝ

Φωκίων ὁ Ἀθηναῖος ὑπ’ οὐδενὸς οὔτε γελῶν ὤφθη οὔτε δακρύων.

Ἐκκλησίας δὲ γενομένης πρὸς τὸν εἰπόντα ‘σκεπτομένῳ, [f] ὦ Φωκίων, ἔοικας’, ‘ὀρθῶς’ ἔφη ‘τοπάζεις· σκέπτομαι γάρ, εἴ τι δύναμαι περιελεῖν ὧν μέλλω λέγειν πρὸς Ἀθηναίους.’

Μαντείας δὲ γενομένης Ἀθηναίοις, ὡς εἷς ἀνὴρ ἔστιν ἐν τῇ πόλει ταῖς πάντων ἐναντιούμενος γνώμαις, καὶ τῶν Ἀθηναίων ζητεῖν κελευόντων ὅστις ἐστὶ καὶ βοώντων, Φωκίων ἑαυτὸν ἔφησε τοῦτον εἶναι· μόνῳ γὰρ ἑαυτῷ μηδὲν ἀρέσκειν ὧν οἱ πολλοὶ πράττουσι καὶ λέγουσιν.

[188] [a]

Ἐπεὶ δὲ λέγων ποτὲ γνώμην πρὸς τὸν δῆμον εὐδοκίμει καὶ πάντας ὁμαλῶς ἑώρα τὸν λόγον ἀποδεχομένους, ἐπιστραφεὶς πρὸς τοὺς φίλους εἶπεν ‘οὐ δήπου κακόν τι λέγων ἐμαυτὸν λέληθα;’

Πρὸς δὲ θυσίαν τινὰ τῶν Ἀθηναίων αἰτούντων ἐπιδόσεις καὶ τῶν ἄλλων ἐπιδιδόντων, κληθεὶς πολλάκις ‘αἰσχυνοίμην ἄν’ εἶπεν ‘ὑμῖν μὲν ἐπιδιδούς, τούτῳ δὲ μὴ ἀποδιδούς’, ἅμα δεικνύων τὸν δανειστήν.

Δημοσθένους δὲ τοῦ ῥήτορος εἰπόντος ‘ἀποκτενοῦσί σε Ἀθηναῖοι’ ‘ἐὰν μανῶσιν [, νὴ Δία]’, εἶπε, ‘σὲ δ’ ἐὰν σωφρονῶσιν.’

Ἀριστογείτονος δὲ τοῦ συκοφάντου μέλλοντος ἀποθνήσκειν [b] ἐν τῷ δεσμωτηρίῳ κατακρίτου γεγονότος καὶ δεομένου τὸν Φωκίωνα πρὸς αὐτὸν ἐλθεῖν, τῶν δὲ φίλων οὐκ ἐώντων πρὸς ἄνθρωπον πονηρὸν βαδίζειν, ‘καὶ ποῦ τις ἄν’ εἶπεν ‘ἥδιον Ἀριστογείτονι λαλήσειεν;’

Ὀργιζομένων δὲ τοῖς Βυζαντίοις τῶν Ἀθηναίων μὴ δεξαμένοις τῇ πόλει Χάρητα πεμφθέντα μετὰ δυνάμεως βοηθὸν αὐτοῖς πρὸς Φίλιππον, εἰπὼν ὁ Φωκίων ὅτι ‘δεῖ μὴ τοῖς ἀπιστοῦσι τῶν συμμάχων, ἀλλὰ τοῖς ἀπιστουμένοις ὀργίζεσθαι τῶν στρατηγῶν’ αὐτὸς ᾑρέθη στρατηγός· καὶ πιστευθεὶς ὑπὸ τῶν Βυζαντίων ἐποίησε τὸν Φίλιππον ἀπελθεῖν ἄπρακτον.

[c] Ἀλεξάνδρου δὲ τοῦ βασιλέως ἑκατὸν τάλαντα δωρεὰν πέμψαντος ἠρώτησε τοὺς κομίζοντας τί δήποτε πολλῶν ὄντων Ἀθηναίων αὐτῷ μόνῳ ταῦτα δίδωσιν Ἀλέξανδρος· εἰπόντων δ' ἐκείνων ὡς μόνον αὐτὸν ἡγεῖται καλὸν κἀγαθὸν εἶναι, 'οὐκοῦν' ἔφη 'ἐασάτω με καὶ δοκεῖν καὶ εἶναι τοιοῦτον.'

Αἰτοῦντος δ' Ἀλεξάνδρου τριήρεις καὶ τοῦ δήμου κελεύοντος ὀνομαστὶ παριέναι τὸν Φωκίωνα καὶ συμβουλεύειν, ἀναστὰς ἔφη 'συμβουλεύω τοίνυν ὑμῖν ἢ κρατεῖν τοῖς ὅπλοις αὐτοὺς ἢ φίλους εἶναι τῶν κρατούντων.'

Λόγου δὲ περὶ τῆς Ἀλεξάνδρου τελευτῆς ἐμπεσόντος [d] ἀδεσπότου καὶ τῶν ῥητόρων ἀναπηδώντων εὐθὺς ἐπὶ τὸ βῆμα καὶ μὴ μέλλειν ἀλλὰ πολεμεῖν ἤδη κελευόντων ὁ Φωκίων ἠξίου περιμεῖναι καὶ γνῶναι βεβαίως. 'εἰ γὰρ τήμερον' ἔφη 'τέθνηκε, καὶ αὔριον ἔσται καὶ εἰς τρίτην τεθνηκώς.'

Τοῦ δὲ Λεωσθένους εἰς τὸν πόλεμον ἐμβαλόντος τὴν πόλιν ἐλπίσι λαμπραῖς πρὸς τὸ τῆς ἐλευθερίας ὄνομα καὶ τῆς ἡγεμονίας ἐπαιρομένην τοὺς λόγους αὐτοῦ ταῖς κυπαρίττοις ἀπείκαζε· 'καλοὶ γὰρ ὄντες' ἔφη 'καὶ ὑψηλοὶ καρπὸν οὐκ ἔχουσι.' κατωρθωμένων δὲ τῶν πρώτων καὶ τῆς πόλεως εὐαγγέλια θυούσης, ἐρωτηθεὶς εἰ ταῦτ' [e] ‹ἂν› ἤθελεν αὐτῷ πεπρᾶχθαι 'πεπρᾶχθαι μὲν οὖν' ἔφη 'ταῦτα, βεβουλεῦσθαι δ' ἐκεῖνα.'

Τῇ δ' Ἀττικῇ τῶν Μακεδόνων προσβαλόντων καὶ πορθούντων τὴν παραλίαν ἐξήγαγε τοὺς ἐν ἡλικίᾳ· πολλῶν δὲ συντρεχόντων πρὸς αὐτὸν καὶ παρεγκελευομένων ἐκεῖ[νον] τὸν λόφον καταλαβεῖν, ἐνταῦθα τάξαι τὴν δύναμιν, 'ὦ Ἡράκλεις' εἶπεν 'ὡς πολλοὺς ὁρῶ στρατηγούς, στρατιώτας δ' ὀλίγους.' οὐ μὴν ἀλλὰ συμβαλὼν ἐκράτησε καὶ διέφθειρε Νικίωνα τὸν ἄρχοντα τῶν Μακεδόνων.

Μετ' ὀλίγον δὲ χρόνον οἱ μὲν Ἀθηναῖοι τῷ πολέμῳ κρατηθέντες ἐδέξαντο φρουρὰν ὑπ' Ἀντιπάτρου· Μενύλλου [f] δὲ τοῦ τῆς φρουρᾶς ἄρχοντος χρήματα τῷ Φωκίωνι διδόντος ἀγανακτήσας εἶπε μήτ' ἐκεῖνον Ἀλεξάνδρου βελτίονα εἶναι καὶ χείρονα τὴν αἰτίαν, ἐφ' ᾗ λήψεται νῦν τότε μὴ δεξάμενος.

Ἀντίπατρος δ' ἔφη ὡς δυεῖν αὐτῷ φίλων Ἀθήνησιν ὄντων οὔτε Φωκίωνα λαβεῖν πέπεικεν οὔτε Δημάδην διδοὺς ἐμπέπληκεν.

Ἀξιοῦντος δ' Ἀντιπάτρου ποιῆσαί τι τῶν μὴ δικαίων αὐτόν 'οὐ δύνασαι,' εἶπεν, 'Ἀντίπατρε, καὶ φίλῳ Φωκίωνι χρῆσθαι καὶ κόλακι.'

[189] [a] Μετὰ δὲ τὴν Ἀντιπάτρου τελευτὴν δημοκρατίας Ἀθηναίοις γενομένης κατεγνώσθη θάνατος τοῦ Φωκίωνος ἐν ἐκκλησίᾳ καὶ τῶν φίλων· οἱ μὲν οὖν ἄλλοι κλαίοντες ἤγοντο, τῷ δὲ Φωκίωνι σιωπῇ βαδίζοντι τῶν ἐχθρῶν τις ἐνέπτυσεν ἀπαντήσας εἰς τὸ πρόσωπον. ὁ δὲ πρὸς τοὺς ἄρχοντας ἀποβλέψας 'οὐ παύσει τις' εἶπε 'τοῦτον ἀσχημονοῦντα;'

Τῶν δὲ μελλόντων συναποθνῄσκειν ἑνὸς ὀδυρομένου καὶ ἀγανακτοῦντος ‘οὐκ ἀγαπᾷς,’ εἶπεν, ‘ὦ Θούδιππε, μετὰ Φωκίωνος ἀποθανούμενος;’

Ἤδη δὲ τῆς κύλικος αὐτῷ προσφερομένης ἐρωτηθεὶς εἴ τι λέγει πρὸς τὸν υἱόν ‘ἔγωγε’ εἶπεν ‘ἐντέλλομαι [b] καὶ παρακαλῶ μηδὲν Ἀθηναίοις μνησικακεῖν.’

ΠΕΙΣΙΣΤΡΑΤΟΣ

Πεισίστρατος ὁ Ἀθηναίων τύραννος, ἐπεὶ τῶν φίλων τινὲς ἀποστάντες αὐτοῦ Φυλὴν κατέλαβον, ἦλθε πρὸς αὐτοὺς στρωματόδεσμον αὐτὸς κομίζων. πυνθανομένων δ’ ἐκείνων τί βούλεται, ‘πείσας ὑμᾶς’ εἶπεν ‘ἀπαγαγεῖν ἢ μὴ πείσας μένειν μεθ’ ὑμῶν, ‹καὶ› διὰ τοῦτο ἀφῖγμαι συνεσκευασμένος.’

Διαβληθείσης δὲ τῆς μητρὸς πρὸς αὐτόν, ὡς ἐρᾷ τινος νεανίσκου καὶ κρύφα σύνεστι φοβουμένῳ καὶ παραιτουμένῳ τὰ πολλά, καλέσας ἐπὶ δεῖπνον τὸν νεανίσκον ἠρώτησε δειπνήσαντα, πῶς γέγονεν· ‘ἡδέως’ δὲ φήσαντος, [c] ‘ταῦτά σοι’ ἔφη ‘καθ’ ἡμέραν ἔσται, ἐὰν τῇ μητρί μου ἀρέσκῃς.’

Ἐπεὶ δὲ Θρασύβουλος ἐρῶν αὐτοῦ τῆς θυγατρὸς ἐφίλησεν ἀπαντήσας, παροξυνόμενος ἐπ’ αὐτὸν ὑπὸ τῆς γυναικὸς ‘ἂν τοὺς φιλοῦντας’ εἶπε ‘μισῶμεν, τί ποιήσομεν τοὺς μισοῦντας;’ καὶ ἔδωκε γυναῖκα τῷ Θρασυβούλῳ τὴν παρθένον.

Κωμαστῶν δέ τινων περιτυχόντων αὐτοῦ τῇ γυναικὶ καὶ πολλὰ πραξάντων ἀσελγῆ καὶ εἰπόντων, μεθ’ ἡμέραν δὲ τοῦ Πεισιστράτου δεομένων καὶ δακρυόντων, ‘ὑμεῖς μέν’ ἔφη ‘πειρᾶσθε σωφρονεῖν τὸ λοιπόν· ἡ δ’ ἐμὴ γυνὴ τὸ παράπαν ἐχθὲς οὐδαμῇ προῆλθε.’

[d] Τῶν δὲ παίδων, αὐτοῦ γαμεῖν ἑτέραν γυναῖκα μέλλοντος, διαπυνθανομένων μή τι μεμφόμενος αὐτοῖς εἴη, ‘ἥκιστα’ εἶπεν ‘ἀλλ’ ἐπαινῶν καὶ βουλόμενος καὶ ἑτέρους μοι παῖδας τοιούτους γενέσθαι.’

ΔΗΜΗΤΡΙΟΣ Ο ΦΑΛΗΡΕΥΣ

Δημήτριος ὁ Φαληρεὺς Πτολεμαίῳ τῷ βασιλεῖ παρῄνει τὰ περὶ βασιλείας καὶ ἡγεμονίας βιβλία κτᾶσθαι καὶ ἀναγινώσκειν· ‘ἃ γὰρ οἱ φίλοι τοῖς βασιλεῦσιν οὐ θαρροῦσι παραινεῖν, ταῦτα ἐν τοῖς βιβλίοις γέγραπται.’

ΛΥΚΟΥΡΓΟΣ

Λυκοῦργος ὁ Λακεδαιμόνιος εἴθισε τοὺς πολίτας [e] κομᾶν λέγων ὅτι τοὺς μὲν καλοὺς ἡ κόμη εὐπρεπεστέρους ποιεῖ, τοὺς δὲ αἰσχροὺς φοβερωτέρους.

Πρὸς δὲ τὸν κελεύοντα ποιεῖν ἐν τῇ πόλει δημοκρατίαν ‘σὺ πρῶτος’ εἶπεν ‘ἐν τῇ οἰκίᾳ σου ποίησον δημοκρατίαν.’

Ἐκέλευε δὲ τὰς οἰκίας ποιεῖν ἀπὸ πρίονος καὶ πελέκεως μόνον· αἰσχυνεῖσθαι γὰρ εἰς οἰκίας λιτὰς ἐκπώματα καὶ στρώματα καὶ τραπέζας πολυτελεῖς εἰσφέροντας.

Πυγμὴν δὲ καὶ παγκράτιον ἀγωνίζεσθαι ἐκώλυσεν, ἵνα μηδὲ παίζοντες ἀπαυδᾶν ἐθίζωνται.

Στρατεύειν δὲ πολλάκις ἐπὶ τοὺς αὐτοὺς ἐκώλυσεν, ὅπως μὴ ποιῶσι μαχιμωτέρους. ὕστερον γοῦν τοῦ Ἀγησιλάου τρωθέντος ὁ Ἀνταλκίδας εἶπε καλὰ διδασκάλια [f] παρὰ Θηβαίων ἀπολαμβάνειν αὐτὸν ἐθίσαντα καὶ διδάξαντα πολεμεῖν ἄκοντας.

ΧΑΡΙΛΛΟΣ

Χάριλλος ὁ βασιλεὺς ἐρωτηθείς, διὰ τί νόμους ὀλίγους οὕτω Λυκοῦργος ἔθηκεν, ἀπεκρίνατο τοὺς χρωμένους ὀλίγοις λόγοις μὴ δεῖσθαι νόμων πολλῶν.

Τῶν δὲ είλώτων τινὸς θρασύτερον αὐτῷ προσφερομένου, 'ναὶ τὼ σιώ' εἶπε 'κατέκτανον κά τυ, αἰ μὴ ὠργιζόμαν.'

Πρὸς δὲ τὸν πυθόμενον διὰ τί κομῶσιν εἶπεν ὅτι τῶν κόσμων ἀδαπανώτατος οὗτός ἐστι.

ΤΗΛΕΚΛΟΣ

[190] [a] Τήλεκλος ὁ βασιλεὺς πρὸς τὸν ἀδελφὸν ἐγκαλοῦντα τοῖς πολίταις ὡς ἀγνωμονέστερον αὐτῷ προσφερομένοις ἢ ἐκείνῳ, 'σὺ γάρ' εἶπεν 'οὐκ οἶδας ἀδικεῖσθαι.'

ΘΕΟΠΟΜΠΟΣ

Θεόπομπος ἔν τινι πόλει πρὸς τὸν ἐπιδεικνύμενον τὸ τεῖχος αὐτῷ καὶ πυνθανόμενον, εἰ δοκεῖ καλὸν καὶ ὑψηλὸν εἶναι, †'οὐδ' εἰ γυναικῶν' εἶπεν ‹'ἦν'›.

ΑΡΧΙΔΑΜΟΣ

Ἀρχίδαμος ἐν τῷ Πελοποννησιακῷ πολέμῳ τῶν συμμάχων ἀξιούντων ὁρίσαι τοὺς φόρους αὐτοῖς, εἶπεν 'ὁ πόλεμος οὐ τεταγμένα σιτεῖται.'

[b]

ΒΡΑΣΙΔΑΣ

Βρασίδας ἐν ἰσχάσι συλλαβὼν μῦν καὶ δηχθεὶς ἀφῆκεν· εἶτα πρὸς τοὺς παρόντας 'οὐδὲν οὕτως' ἔφη 'μικρόν ἐστιν, ὃ μὴ σῴζεται τολμῶν ἀμύνεσθαι τοὺς ἐπιχειροῦντας.'

Ἐν δὲ μάχῃ διὰ τῆς ἀσπίδος ἀκοντισθεὶς καὶ τὸ δόρυ τοῦ τραύματος ἐξελκύσας αὐτῷ τούτῳ τὸν πολέμιον ἀπέκτεινεν· ἐπερωτηθεὶς δὲ πῶς ἐτρώθη, 'προδούσης με τῆς ἀσπίδος' εἶπεν.

Ἐπεὶ δὲ συνέβη πεσεῖν αὐτὸν ἐλευθεροῦντα τοὺς ἐπὶ Θρᾴκης Ἕλληνας, οἱ δὲ πεμφθέντες εἰς Λακεδαίμονα πρέσβεις τῇ μητρὶ προσῆλθον αὐτοῦ, πρῶτον μὲν ἠρώτησεν εἰ καλῶς ὁ Βρασίδας ἀπέθανεν· ἐγκωμιαζόντων δὲ τῶν Θρᾳκῶν αὐτὸν καὶ λεγόντων ὡς οὐδεὶς ἄλλος ἔσται [c] τοιοῦτος, 'ἀγνοεῖτε'

εἶπεν ‘ὦ ξένοι· Βρασίδας μὲν γὰρ ἦν ἀνὴρ ἀγαθός, ἁ δὲ Λακεδαίμων πολλὼς ἔχει τήνω κάρρονας.’

ΑΓΙΣ

Ἆγις ὁ βασιλεὺς οὐκ ἔφη τοὺς Λακεδαιμονίους ἐρωτᾶν πόσοι εἰσίν, ἀλλὰ ποῦ εἰσὶν οἱ πολέμιοι.

Ἐν δὲ Μαντινείᾳ κωλυόμενος διαμάχεσθαι τοῖς πολεμίοις πλείοσιν οὖσιν, εἶπεν ‘ἀνάγκη πολλοῖς μάχεσθαι τὸν ἄρχειν πολλῶν βουλόμενον.’

Ἐπαινουμένων δὲ τῶν Ἠλείων ἐπὶ τῷ τὰ Ὀλύμπια καλῶς ἄγειν ‘τί δέ’ εἶπε ‘ποιοῦσι θαυμαστόν, εἰ δι’ ἐτῶν τεσσάρων μιᾷ ἡμέρᾳ χρῶνται τῇ δικαιοσύνῃ;’ ἐπιμενόντων δὲ τοῖς ἐπαίνοις, ἔφη ‘τί θαυμαστόν, εἰ πράγματι [d] καλῷ καλῶς χρῶνται, τῇ δικαιοσύνῃ;’

Πρὸς δ’ ἄνθρωπον πονηρὸν ἐρωτῶντα πολλάκις τίς ἄριστος εἴη Σπαρτιατῶν, εἶπεν ‘ὁ τὶν ἀνομοιότατος.’

Ἑτέρου δὲ πυνθανομένου πόσοι εἰσὶ Λακεδαιμόνιοι ‘ὅσοι’ εἶπεν ‘ἱκανοὶ τοὺς κακοὺς ἀπείργειν.’

Καὶ τὸ αὐτὸ ἑτέρου πυνθανομένου, ‘πολλοί σοι’ ἔφη ‘δόξουσιν εἶναι, ἐὰν αὐτοὺς ἴδῃς μαχομένους.’

ΛΥΣΑΝΔΡΟΣ

Λύσανδρος Διονυσίου τοῦ τυράννου πέμψαντος ἱμάτια ταῖς θυγατράσιν αὐτοῦ τῶν πολυτελῶν οὐκ ἔλαβεν εἰπὼν δεδιέναι, μὴ διὰ ταῦτα μᾶλλον αἰσχραὶ φανῶσιν.

Πρὸς δὲ τοὺς ψέγοντας αὐτὸν ἐπὶ τῷ δι’ ἀπάτης τὰ [e] πολλὰ πράσσειν ὡς ἀνάξιον τοῦ Ἡρακλέους ἔλεγεν, ὅπου μὴ ἐφικνεῖται ἡ λεοντῆ, προσραπτέον εἶναι τὴν ἀλωπεκῆν.

Πρὸς δ’ Ἀργείους δικαιότερα τῶν Λακεδαιμονίων λέγειν περὶ τῆς ἀμφισβητουμένης χώρας δοκοῦντας σπασάμενος τὴν μάχαιραν ‘ὁ ταύτης’ ἔφη ‘κρατῶν βέλτιστα περὶ γῆς ὅρων διαλέγεται.’

Τοὺς δὲ Λακεδαιμονίους ὁρῶν ὀκνοῦντας προσμάχεσθαι τοῖς τείχεσι τῶν Κορινθίων, ὡς εἶδε λαγὼν ἐξαλλόμενον ἐκ τῆς τάφρου, ‘τοιούτους’ ἔφη ‘φοβεῖσθε πολεμίους, ὧν οἱ λαγοὶ δι’ ἀργίαν ἐν τοῖς τείχεσιν ἐγκαθεύδουσιν;’

Μεγαρέως δ’ ἀνδρὸς ἐν κοινῷ συλλόγῳ παρρησίᾳ [f] χρησαμένου πρὸς αὐτόν, ‘οἱ λόγοι σου’ εἶπε ‘πόλεως δέονται.’

ΑΓΗΣΙΛΑΟΣ

Ἀγησίλαος ἔλεγε τοὺς τὴν Ἀσίαν κατοικοῦντας ἐλευθέρους μὲν κακοὺς εἶναι, δούλους δ’ ἀγαθούς.

Εἰθισμένων δ’ αὐτῶν τὸν Περσῶν βασιλέα μέγαν προσαγορεύειν, ‘τί δαὶ ἐκεῖνος’ εἶπεν ‘ἐμοῦ μείζων, εἰ μὴ δικαιότερος καὶ σωφρονέστερος;’

Περὶ δ’ ἀνδρείας καὶ δικαιοσύνης ἐρωτηθεὶς ποτέρα βελτίων ‘οὐδὲν ἀνδρείας’ ἔφη ‘χρῄζομεν, ἐὰν πάντες ὦμεν δίκαιοι.’

[191] [a] Νυκτὸς δὲ μέλλων κατὰ τάχος ἀναζευγνύειν ἐκ τῆς πολεμίας καὶ τὸν ἐρώμενον ὁρῶν ἀπολειπόμενον δι’ ἀσθένειαν καὶ δακρύοντα, ‘χαλεπόν’ εἶπεν ‘ἅμα ἐλεεῖν καὶ φρονεῖν.’

Μενεκράτους δὲ τοῦ ἰατροῦ ‹τοῦ› Διὸς προσαγορευομένου γράψαντος ἐπιστολὴν πρὸς αὐτόν ‘Μενεκράτης Ζεὺς βασιλεῖ Ἀγησιλάῳ χαίρειν’ ἀντέγραψεν ‘βασιλεὺς Ἀγησίλαος Μενεκράτει ὑγιαίνειν.’

Λακεδαιμονίων δὲ νικησάντων Ἀθηναίους καὶ τοὺς συμμάχους ἐν Κορίνθῳ πυθόμενος τὸ πλῆθος τῶν πολεμίων νεκρῶν ‘φεῦ τᾶς Ἑλλάδος’ εἶπεν ‘ἃ τοσούτους ὑφ’ [b] αὑτᾶς ἀπολώλεκεν, ὅσοις ἀρκεῖ τοὺς βαρβάρους νικῆν ἅπαντας.’

Χρησμὸν δὲ λαβὼν ἐν Ὀλυμπίᾳ παρὰ τοῦ Διὸς ὃν ἤθελεν, εἶτα τῶν ἐφόρων κελευόντων καὶ τὸν Πύθιον ἐρωτῆσαι περὶ τῶν αὐτῶν, εἰς Δελφοὺς παραγενόμενος ἠρώτησε τὸν θεόν, εἰ ἅπερ τῷ πατρὶ δοκεῖ καὶ αὐτῷ.

Παραιτούμενος δέ τινα τῶν φίλων παρὰ τοῦ Καρὸς Ἱδριέως ἔγραψε πρὸς αὐτόν ‘Νικίας εἰ μὲν οὐκ ἀδικεῖ, ἄφες· εἰ δ’ ἀδικεῖ, ἐμοὶ ἄφες· πάντως δ’ ἄφες.’

Τοῦ δὲ μιμουμένου τὴν τῆς ἀηδόνος φωνὴν ἀκοῦσαι παρακαλούμενος ‘αὐτᾶς’ εἶπεν ‘ἄκουκα πολλάκις.’

Μετὰ δὲ τὴν ἐν Λεύκτροις μάχην, πάντας τοὺς τρέσαντας [c] ἀτίμους εἶναι τοῦ νόμου κελεύοντος, ὁρῶντες οἱ ἔφοροι τὴν πόλιν ἀνδρῶν ἔρημον οὖσαν ἐβούλοντο τὴν ἀτιμίαν λῦσαι καὶ νομοθέτην ἀπέδειξαν τὸν Ἀγησίλαον· ὁ δὲ προελθὼν εἰς τὸ μέσον ἐκέλευσε τοὺς νόμους ἀπὸ τῆς αὔριον κυρίους εἶναι.

Ἐπεὶ δὲ πεμφθεὶς τῷ βασιλεῖ τῶν Αἰγυπτίων

σύμμαχος ἐπολιορκεῖτο μετ’ αὐτοῦ πολλαπλασίων ὄντων τῶν πολεμίων καὶ περιταφρευόντων τὸ στρατόπεδον, κελεύσαντος ἐπεξιέναι καὶ διαμάχεσθαι τοῦ βασιλέως, οὐκ ἔφη διακωλύσειν τοὺς πολεμίους ἴσους αὐτοῖς γενέσθαι βουλομένους. ἔτι δὲ μικρὸν ἀπολειπούσης τῆς τάφρου [d] συνάψαι, κατὰ τοῦτο παρατάξας τὸ διαλεῖπον καὶ πρὸς ἴσους ἴσοις ἀγωνισάμενος ἐνίκησεν.

Ἀποθνήσκων δὲ τοὺς φίλους ἐκέλευσε μηδεμίαν πλαστὰν μηδὲ μιμηλὰν ποιήσασθαι, τὰς εἰκόνας οὕτω προσαγορεύων· ‘εἰ γάρ τι καλὸν ἔργον πεποίηκα, τοῦτό μου μνημεῖον ἔσται· εἰ δὲ μηδέν, οὐδ’ οἱ πάντες ἀνδριάντες.’

ΑΡΧΙΔΑΜΟΣ Ο ΑΓΗΣΙΛΑΟΥ

Ἀρχίδαμος ὁ Ἀγησιλάου καταπελτικὸν ἰδὼν βέλος τότε πρῶτον ἐκ Σικελίας ἀχθὲν ἀνεβόησεν 'ὦ Ἡράκλεις, ἀπόλωλεν ἀνδρὸς ἀρετά.'

ΑΓΙΣ Ο ΝΕΩΤΕΡΟΣ

[e] Ὁ δὲ νεώτερος Ἆγις, Δημάδου λέγοντος ὅτι τὰ Λακωνικὰ ξίφη διὰ μικρότητα καταπίνουσιν οἱ θαυματοποιοί, 'καὶ μήν' ἔφη 'μάλιστα οἱ Λακεδαιμόνιοι τῶν πολεμίων τοῖς ξίφεσιν ἐφικνοῦνται.'

Τῷ δὲ προδότῃ παραδοῦναι στρατιώτας τῶν ἐφόρων κελευόντων οὐκ ἔφη πιστεύειν τοὺς ἀλλοτρίους τῷ προδόντι τοὺς ἰδίους.

ΚΛΕΟΜΕΝΗΣ

Κλεομένης πρὸς τὸν ὑπισχνούμενον αὐτῷ δώσειν ἀλεκτρυόνας ἀποθνῄσκοντας ἐν τῷ μάχεσθαι 'μὴ σύ γε' εἶπεν 'ἀλλὰ δός μοι τοὺς κατακτέννοντας ἐν τῷ μάχεσθαι.'

ΠΕΔΑΡΙΤΟΣ

[f] Πεδάριτος οὐκ ἐγκριθεὶς εἰς τοὺς τριακοσίους, ἥτις ἦν ἐν τῇ πόλει πρωτεύουσα τιμὴ τῇ τάξει, ἱλαρὸς καὶ μειδιῶν ἀπῄει, χαίρειν λέγων εἰ τριακοσίους ἡ πόλις ἔχει πολίτας ἑαυτοῦ βελτίονας.

ΔΑΜΩΝΙΔΑΣ

Δαμωνίδας δὲ ταχθεὶς εἰς τὴν τελευταίαν τοῦ χοροῦ τάξιν ὑπὸ τοῦ τὸν χορὸν ἱστάντος 'εὖγε' εἶπεν 'ἐξεῦρες, πῶς καὶ αὕτη ἔντιμος γένηται.'

ΝΙΚΟΣΤΡΑΤΟΣ

[192] [a] Νικόστρατος ὁ τῶν Ἀργείων στρατηγὸς ὑπ' Ἀρχιδάμου χωρίον τι προδοῦναι παρακαλούμενος ἐπὶ χρήμασι πολλοῖς καὶ γάμῳ Λακαίνης, ἣν βούλεται, δίχα τῶν βασιλικῶν, ἀπεκρίνατο μὴ εἶναι τὸν Ἀρχίδαμον ἀφ' Ἡρακλέους· τὸν μὲν γὰρ Ἡρακλέα περιιόντα τοὺς κακοὺς κολάζειν, Ἀρχίδαμον δὲ τοὺς ἀγαθοὺς κακοὺς ποιεῖν.

ΕΥΔΑΜΙΔΑΣ

Εὐδαμίδας ἰδὼν ἐν Ἀκαδημείᾳ Ξενοκράτην πρεσβύτερον ἤδη μετὰ τῶν μαθητῶν φιλοσοφοῦντα καὶ πυθόμενος ὅτι τὴν ἀρετὴν ζητεῖ, 'πότ' οὖν' εἶπεν 'αὐτῇ χρήσεται;'

[b]

Πάλιν ἀκούσας φιλοσόφου διαλεχθέντος ὅτι μόνος ἀγαθὸς στρατηγὸς ὁ σοφός ἐστιν, 'ὁ μὲν λόγος' ἔφη 'θαυμαστός, ὁ δὲ λέγων οὐ περισεσάλπισται.'

ΑΝΤΙΟΧΟΣ

Ἀντίοχος ἐφορεύων, ὡς ἤκουσεν ὅτι Μεσσηνίοις Φίλιππος τὴν χώραν ἔδωκεν, ἠρώτησεν εἰ καὶ τὸ κρατεῖν αὐτοῖς μαχομένοις περὶ τῆς χώρας ἔδωκεν.

ΑΝΤΑΛΚΙΔΑΣ

Ἀνταλκίδας πρὸς τὸν Ἀθηναῖον ἀμαθεῖς ἀποκαλοῦντα τοὺς Λακεδαιμονίους ‘μόνοι γοῦν’ εἶπεν ‘ἡμεῖς οὐδὲν μεμαθήκαμεν κακὸν παρ’ ὑμῶν.’

Ἑτέρου δ’ Ἀθηναίου πρὸς αὐτὸν εἰπόντος ‘ἀλλὰ μὴν [c] ἡμεῖς ἀπὸ τοῦ Κηφισοῦ πολλάκις ὑμᾶς ἐδιώξαμεν’, ‘ἡμεῖς δ’ οὐδέποτε’ εἶπεν ‘ὑμᾶς ἀπὸ τοῦ Εὐρώτα.’

Σοφιστοῦ δὲ μέλλοντος ἀναγινώσκειν ἐγκώμιον Ἡρακλέους, ἔφη ‘τίς γὰρ αὐτὸν ψέγει;’

ΕΠΑΜΕΙΝΩΝΔΑΣ

Ἐπαμεινώνδου τοῦ Θηβαίου στρατηγοῦντος οὐδέποτε πανικὸς θόρυβος ἐνέπεσεν εἰς τὸ στρατόπεδον.

Ἔλεγε δὲ τὸν ἐν πολέμῳ θάνατον εἶναι ἱερόθυτον.

Τῶν δὲ ὁπλιτῶν δεῖν ἀπέφαινεν εἶναι τὸ σῶμα γεγυμνασμένον οὐκ ἀθλητικῶς μόνον ἀλλὰ καὶ στρατιωτικῶς· διὸ καὶ τοῖς πολυσάρκοις ἐπολέμει, καί τινα τοιοῦτον [d] ἀπήλασε τῆς στρατιᾶς εἰπὼν ὅτι μόλις αὐτοῦ σκέπουσι τὴν γαστέρα ἀσπίδες τρεῖς ἢ τέσσαρες, δι’ ἣν οὐχ ἑώρακεν αὑτοῦ τὸ αἰδοῖον.

Οὕτω δ’ ἦν εὐτελὴς περὶ τὴν δίαιταν, ὥστε κληθεὶς ἐπὶ δεῖπνον ὑπὸ γείτονος εὑρὼν πεμμάτων καὶ ὄψων καὶ μύρων παρασκευὴν ἀπῆλθεν εὐθύς, εἰπών ‘ἐγώ σε θύειν ᾤόμην οὐχ ὑβρίζειν.’

Τοῦ δὲ μαγείρου τοῖς συνάρχουσιν ἡμερῶν τινων δαπάνην ἀπολογιζομένου πρὸς μόνον ἠγανάκτησε τὸ πλῆθος τοῦ ἐλαίου· θαυμασάντων δὲ τῶν συναρχόντων, οὐ τὸ τῆς δαπάνης ἔφη λυπεῖν αὐτόν, ἀλλ’ εἰ τοσοῦτον ἔλαιον ἐντὸς παραδέδεκται τοῦ σώματος.

[e] Ἑορτὴν δὲ τῆς πόλεως ἀγούσης καὶ πάντων ἐν πότοις καὶ συνουσίαις ὄντων ἀπήντησέ τινι τῶν συνήθων αὐχμηρὸς καὶ σύννους βαδίζων· θαυμάζοντος δὲ καὶ πυνθανομένου τί δὴ μόνος οὕτως ἔχων περίεισιν, ‘ὅπως’ εἶπεν ‘ἐξῇ πᾶσιν ὑμῖν μεθύειν καὶ ῥᾳθυμεῖν.’

Ἄνθρωπον δὲ φαῦλον ἐξημαρτηκότα τι τῶν μετρίων τοῦ μὲν Πελοπίδου παρακαλοῦντος οὐκ ἀφῆκε, τῆς δ’ ἐρωμένης δεηθείσης ἀφῆκεν, εἰπὼν ὅτι τοιαῦτα πρέπει λαμβάνειν ἑταιριδίοις, ἀλλὰ μὴ στρατηγοῖς.

Ἐπεὶ δὲ Λακεδαιμονίων ἐπιστρατευομένων ἀνεφέροντο χρησμοὶ τοῖς Θηβαίοις, οἱ μὲν ἧτταν οἱ δὲ νίκην [f] φράζοντες, ἐκέλευε τοὺς μὲν ἐπὶ δεξιὰ τοῦ βήματος θεῖναι, τοὺς δ’ ἐπ’ ἀριστερά. τεθέντων δὲ πάντων ἀναστὰς εἶπεν ‘ἐὰν μὲν ἐθελήσητε τοῖς ἄρχουσι πείθεσθαι καὶ τοῖς πολεμίοις ὁμόσε χωρεῖν, οὗτοι ὑμῖν εἰσὶν οἱ χρησμοί’ δείξας τοὺς βελτίονας· ‘ἐὰν δ’ ἀποδειλιάσητε πρὸς τὸν κίνδυνον, ἐκεῖνοι’ πρὸς τοὺς χείρονας ἰδών.

Πάλιν δὲ προσάγων τοῖς πολεμίοις, βροντῆς γενομένης καὶ τῶν περὶ αὐτὸν πυνθανομένων τί σημαίνειν [193] [a] οἴεται τὸν θεόν, ἐμβεβροντῆσθαι τοὺς πολεμίους εἶπεν, ὅτι τοιούτων χωρίων ἐγγὺς ὄντων ἐν τοιούτοις στρατοπεδεύουσιν.

Ἥδιστον δὲ πάντων τῶν αὐτῷ γεγονότων καλῶν καὶ ἀγαθῶν εἶναι ἔλεγε τὸ [τῶν γειναμένων αὐτὸν] τοῦ πατρὸς ἔτι ζῶντος καὶ τῆς μητρὸς ἐν Λεύκτροις νικῆσαι Λακεδαιμονίους.

Εἰωθὼς δὲ φαίνεσθαι τὸν ἄλλον χρόνον ἀληλιμμένος τὸ σῶμα καὶ φαιδρὸς τῷ προσώπῳ μετὰ τὴν μάχην ἐκείνην τῇ ὑστεραίᾳ προῆλθεν αὐχμηρὸς καὶ ταπεινός· τῶν δὲ φίλων ἐρωτώντων μή τι λυπηρὸν αὐτῷ συμπέπτωκεν, ‘οὐδέν’ εἶπεν ‘ἀλλ’ ἐχθὲς ᾐσθόμην ἐμαυτοῦ μεῖζον ἢ καλῶς ἔχει φρονήσαντος· διὸ σήμερον κολάζω τὴν [b] ἀμετρίαν τῆς χαρᾶς.’

Εἰδὼς δὲ τοὺς Σπαρτιάτας ἐπικρυπτομένους τὰ τοιαῦτα συμπτώματα καὶ βουλόμενος ἐξελέγξαι τὸ μέγεθος τῆς συμφορᾶς αὐτῶν, οὐχ ὁμοῦ πᾶσι νεκρῶν ἀναίρεσιν ἀλλ’ ἑκάστοις κατὰ πόλιν ἔδωκεν, ὥστε πλείονας ἢ χιλίους ὄντας ὀφθῆναι τοὺς Λακεδαιμονίων.

Ἰάσονος δὲ τοῦ Θεσσαλῶν μονάρχου συμμάχου μὲν εἰς Θήβας παραγενομένου, δισχιλίους δὲ χρυσοῦς τῷ Ἐπαμεινώνδᾳ πέμψαντος ἰσχυρῶς πενομένῳ τὸ μὲν χρυσίον οὐκ ἔλαβε, τὸν δὲ Ἰάσονα θεασάμενος ‘ἀδίκων’ ἔφη ‘χειρῶν ἄρχεις·’ αὐτὸς δὲ πεντήκοντα δραχμὰς δανεισάμενος [c] παρά τινος τῶν πολιτῶν ἐφόδιον τῆς στρατείας ἐνέβαλεν εἰς Πελοπόννησον.

Αὖθις δὲ τοῦ Περσῶν βασιλέως τρισμυρίους δαρεικοὺς ἀποστείλαντος αὐτῷ, καθήψατο πικρῶς Διομέδοντος, εἰ τοσοῦτον πλοῦν πέπλευκε διαφθερῶν Ἐπαμεινώνδαν· πρὸς δὲ τὸν βασιλέα λέγειν ἐκέλευσεν, ὅτι τὰ συμφέροντα Θηβαίοις φρονῶν ἕξει προῖκα φίλον Ἐπαμεινώνδαν, τὰ δὲ μὴ συμφέροντα πολέμιον.

Ἐπεὶ δ’ Ἀργεῖοι μὲν ἐγένοντο σύμμαχοι Θηβαίων, Ἀθηναίων δὲ πρέσβεις εἰς Ἀρκαδίαν παραγενόμενοι κατηγόρουν ἀμφοτέρων καὶ Καλλίστρατος ὁ ῥήτωρ ὠνείδισε τὸν Ὀρέστην καὶ τὸν Οἰδίποδα ταῖς πόλεσιν, ἐπαναστὰς ὁ [d] Ἐπαμεινώνδας ‘ὁμολογοῦμεν’ ἔφη ‘καὶ παρ’ ἡμῖν πατροκτόνον γενέσθαι καὶ παρ’ Ἀργείοις μητροκτόνον· ἀλλὰ τοὺς ταῦτα δράσαντας ἡμεῖς μὲν ἐξεβάλομεν, Ἀθηναῖοι δὲ ὑπεδέξαντο.’

Πρὸς δὲ τοὺς Σπαρτιάτας πολλὰ καὶ μεγάλα τῶν

Θηβαίων κατηγοροῦντας ‘οὗτοι μέντοι’ εἶπεν ‘ὑμᾶς βραχυλογοῦντας ἔπαυσαν.’

Ἐπεὶ δ’ Ἀλέξανδρον τὸν Φεραίων τύραννον πολέμιον ὄντα Θηβαίων Ἀθηναῖοι φίλον ἐποιήσαντο καὶ σύμμαχον ὑποσχόμενον αὐτοῖς ἡμιωβολίου

τὴν μνᾶν κρεῶν ὤνιον παρέξειν, ‘ἡμεῖς δέ’ ἔφη ὁ Ἐπαμεινώνδας ‘ξύλα [e] προῖκα παρέξομεν Ἀθηναίοις ἐπὶ τὰ κρέα ταῦτα· τὴν γὰρ χώραν αὐτῶν τεμοῦμεν, ἂν πολυπραγμονῶσι.’

Τοὺς δὲ Βοιωτοὺς ὑπὸ σχολῆς ἐκλυομένους ἀεὶ βουλόμενος ἐν τοῖς ὅπλοις συνέχειν, ὁπότε βοιωτάρχης αἱρεθείη, παραινῶν ἔλεγεν ‘ἔτι βουλεύσασθε, ὦ ἄνδρες· ἐὰν γὰρ ἐγὼ στρατηγῶ, στρατευτέον ἐστὶν ὑμῖν·’ καὶ τὴν χώραν ὑπτίαν οὖσαν καὶ ἀναπεπταμένην ‘πολέμου ὀρχήστραν’ προσηγόρευεν, ὡς μὴ δυναμένους κρατεῖν αὐτῆς, ἂν μὴ τὴν χεῖρα διὰ πόρπακος ἔχωσι.

Τοῦ δὲ Χαβρίου περὶ Κόρινθον ὀλίγους τινὰς τῶν Θηβαίων ὑπὸ τὰ τείχη φιλομαχοῦντας καταβαλόντος καὶ [f] στήσαντος τρόπαιον, ὁ Ἐπαμεινώνδας καταγελῶν ἔφη ‘ἐνταῦθα δεῖ οὐ τρόπαιον ἀλλὰ Ἑκατήσιον ἑστάναι·’ τὴν γὰρ Ἑκάτην ἐπιεικῶς ἐν ταῖς πρὸ τῶν πυλῶν ἱδρύοντο τριόδοις.

Ἀπαγγείλαντος δέ τινος ὡς Ἀθηναῖοι στράτευμα καινοῖς κεκοσμημένον ὅπλοις εἰς Πελοπόννησον ἀπεστάλκασι, ‘τί οὖν;’ εἶπεν ‘Ἀντιγενίδας στένει καινοὺς Τελλῆνος αὐλοὺς ἔχοντος;’ ἦν δ’ αὐλητὴς ὁ μὲν Τελλὴν κάκιστος, ὁ δ’ Ἀντιγενίδας κάλλιστος.

[194] [a] Τὸν δὲ ὑπασπιστὴν αἰσθόμενος εἰληφότα χρήματα πολλὰ παρ’ ἀνδρὸς αἰχμαλώτου γεγονότος ‘ἐμοὶ μέν’ εἶπεν ‘ἀπόδος τὴν ἀσπίδα, σεαυτῷ δὲ πρίω καπηλεῖον, ἐν ᾧ καταζήσεις· οὐκέτι γὰρ ἐθελήσεις κινδυνεύειν ὁμοίως εἷς τῶν πλουσίων γεγονὼς καὶ μακαρίων.’

Ἐρωτηθεὶς δὲ πότερον ἑαυτὸν ἡγεῖται βελτίονα στρατηγὸν ἢ Χαβρίαν ἢ Ἰφικράτην ‘δύσκριτον’ εἶπεν ‘ἕως ζῶμεν.’

Ἐπεὶ δ’ ἐκ τῆς Λακωνικῆς ὑποστρέψας ἔφευγε θανάτου δίκην μετὰ τῶν συστρατήγων ὡς ἐπιβαλὼν τῇ βοιωταρχίᾳ παρὰ τὸν νόμον τέσσαρας μῆνας, τοὺς μὲν συνάρχοντας ἐκέλευεν εἰς ἑαυτὸν ἀναφέρειν τὴν αἰτίαν [b] ὡς ἐκβιασθέντας, αὐτὸς δ’ οὐκ ἔφη βελτίονας ἔχειν τῶν ἔργων λόγους· εἰ δὲ δεῖ τι πάντως εἰπεῖν πρὸς τοὺς δικαστάς, ἀξιοῦν, ἂν ἀποκτείνωσιν αὐτόν, ἐπιγράψαι τῇ στήλῃ τὴν καταδίκην, ὅπως οἱ Ἕλληνες εἰδῶσιν ὅτι μὴ βουλομένους Θηβαίους Ἐπαμεινώνδας ἠνάγκασε τὴν Λακωνικὴν πυρπολῆσαι, πεντακοσίοις ἐνιαυτοῖς ἀδῄωτον οὖσαν· οἰκίσαι δὲ Μεσσήνην δι’ ἐτῶν τριάκοντα καὶ διακοσίων· συντάξαι δὲ καὶ συναγαγεῖν εἰς ταὐτὸν Ἀρκάδας· ἀποδοῦναι δὲ τοῖς Ἕλλησι τὴν αὐτονομίαν. ταῦτα γὰρ ἐπράχθη κατ’ ἐκείνην τὴν στρατείαν. ἐξῆλθον οὖν οἱ δικασταὶ σὺν πολλῷ γέλωτι μηδὲ τὰς ψήφους ἐπ’ αὐτὸν [c] ἀναλαβόντες.

Ἐν δὲ τῇ τελευταίᾳ μάχῃ τρωθεὶς καὶ κομισθεὶς ἐπὶ τὴν σκηνὴν ἐκάλει Δαΐφαντον, εἶτα μετ’ ἐκεῖνον Ἰολαΐδαν· τεθνάναι δὲ τοὺς ἄνδρας πυθόμενος

ἐκέλευε διαλύεσθαι πρὸς τοὺς πολεμίους, ὡς οὐκ ὄντος αὐτοῖς στρατηγοῦ. καὶ τῷ λόγῳ τὸ ἔργον ἐμαρτύρησεν, ὡς εἰδότος ἄριστα τοὺς πολίτας.

ΠΕΛΟΠΙΔΑΣ

Πελοπίδας ὁ συστράτηγος Ἐπαμεινώνδᾳ, τῶν φίλων αὐτὸν ἀμελεῖν λεγόντων πράγματος ἀναγκαίου, χρημάτων συναγωγῆς, ‘ἀναγκαῖα τὰ χρήματα νὴ Δία’ εἶπε ‘τούτῳ’ Νικομήδη δείξας, χωλὸν καὶ ἀνάπηρον ἄνθρωπον.

Τῆς δὲ γυναικός, ἐπὶ μάχην ἐξιόντος αὐτοῦ, δεομένης [d] σῴζειν ἑαυτόν, ἄλλοις ἔφη δεῖν τοῦτο παραινεῖν, ἄρχοντι δὲ καὶ στρατηγῷ σῴζειν τοὺς πολίτας.

Εἰπόντος δέ τινος τῶν στρατιωτῶν ‘ἐμπεπτώκαμεν εἰς τοὺς πολεμίους’, ‘τί μᾶλλον’ εἶπεν ‘ἢ εἰς ἡμᾶς ἐκεῖνοι;’

Ἐπεὶ δὲ παρασπονδηθεὶς ὑπ’ Ἀλεξάνδρου τοῦ Φεραίων τυράννου καὶ δεθεὶς κακῶς αὐτὸν ἔλεγεν, εἰπόντος ἐκείνου ‘σπεύδεις ἀποθανεῖν;’ ‘πάνυ μὲν οὖν’ εἶπεν ‘ἵνα μᾶλλον παροξυνθῶσι Θηβαῖοι καὶ σὺ δίκην δῷς τάχιον.’

Θήβης δὲ τῆς τοῦ τυράννου γυναικὸς ἐλθούσης πρὸς Πελοπίδαν καὶ λεγούσης θαυμάζειν ὅτι οὕτως ἱλαρός ἐστι δεδεμένος, αὐτὸς ἔφη μᾶλλον θαυμάζειν [e] ἐκείνην, ὅτι μὴ δεδεμένη ὑπομένει Ἀλέξανδρον.

Κομισαμένου δ’ αὐτὸν τοῦ Ἐπαμεινώνδου, χάριν εἶπεν ἔχειν Ἀλεξάνδρῳ· πεπειρᾶσθαι γὰρ ἑαυτοῦ νῦν μάλιστα οὐ πρὸς πόλεμον ‹μόνον›, ἀλλὰ καὶ πρὸς θάνατον εὐθαρσῶς ἔχοντος.

ΡΩΜΑΙΚΑ

ΜΑΝΙΟΣ ΚΟΥΡΙΟΣ

Μάνιος Κούριος, ἐγκαλούντων αὐτῷ τινων ὅτι τῆς αἰχμαλώτου χώρας ὀλίγον ἑκάστῳ μέρος διένειμε τὴν δὲ πολλὴν ἐποίησε δημοσίαν, ἐπηύξατο μηδένα γενέσθαι Ῥωμαίων, ὃς ὀλίγην ἡγήσεται γῆν τὴν τρέφουσαν.

Σαυνιτῶν δὲ μετὰ τὴν ἧτταν ἀφικομένων πρὸς [f] αὐτὸν καὶ χρυσίον διδόντων ἔτυχεν ἐν χύτραις ἕψων γογγυλίδας· ἀπεκρίνατο δὴ τοῖς Σαυνίταις μηδὲν χρυσίου δεῖσθαι τοιοῦτον δεῖπνον δειπνῶν, αὑτῷ δὲ βέλτιον εἶναι τοῦ χρυσίον ἔχειν τὸ κρατεῖν τῶν ἐχόντων.

ΓΑΙΟΣ ΦΑΒΡΙΚΙΟΣ

Γάιος Φαβρίκιος τὴν ὑπὸ Πύρρου Ῥωμαίων ἧτταν πυθόμενος ‘Λαιβῖνον’ εἶπε ‘Πύρρος, οὐκ Ἠπειρῶται Ῥωμαίους νενικήκασιν.’

Ἐλθὼν δὲ πρὸς Πύρρον περὶ λύσεως αἰχμαλώτων [195] [a] χρυσίον μὲν πολὺ διδόντος οὐκ ἔλαβε· τῇ δ' ὑστεραίᾳ τὸν μέγιστον ἐλέφαντα τοῦ Πύρρου παρασκευάσαντος ἐξόπισθεν ἀγνοοῦντι τῷ Φαβρικίῳ ῥήξαντα φωνὴν ἐπιφανῆναι καὶ τούτου γενομένου, ἐπιστραφεὶς ὁ Φαβρίκιος καὶ μειδιάσας 'ἐμέ' εἶπεν 'οὔτε τὸ χρυσίον ἐχθὲς οὔτε σήμερον τὸ θηρίον ἐξέπληξε.'

Τοῦ δὲ Πύρρου παρακαλοῦντος αὐτὸν εἶναι σὺν αὐτῷ καὶ τὴν μετ' αὐτὸν ἔχειν ἡγεμονίαν 'οὐδὲ σοί' ἔφη 'τοῦτο λυσιτελές ἐστιν· Ἠπειρῶται γὰρ ἐὰν ἀμφοτέρους γνῶσιν ἡμᾶς, ὑπ' ἐμοῦ βασιλεύεσθαι μᾶλλον ἢ σοῦ ἐθελήσουσιν.'

Ὑπατεύοντι δὲ τῷ Φαβρικίῳ προσέπεμψεν ἐπιστολὴν [b] ὁ τοῦ Πύρρου ἰατρὸς ἐπαγγελλόμενος, ἐὰν κελεύῃ, φαρμάκοις τὸν Πύρρον ἀποκτενεῖν· ὁ δὲ Φαβρίκιος τὴν ἐπιστολὴν πρὸς τὸν Πύρρον ἔπεμψεν, αἰσθέσθαι κελεύσας ὅτι καὶ φίλων κάκιστός ἐστι κριτὴς καὶ πολεμίων.

Ἐπεὶ δὲ φωράσας τὴν ἐπιβουλὴν ὁ Πύρρος τὸν μὲν ἰατρὸν ἐκρέμασε, τῷ δὲ Φαβρικίῳ τοὺς αἰχμαλώτους ἄνευ λύτρων ἀπέδωκεν, οὐκ ἐδέξατο δωρεὰν ἀλλ' ἴσους ἀντέδωκε, μὴ δόξῃ λαμβάνειν μισθόν· οὐδὲ γὰρ χάριτι Πύρρου μεμηνυκέναι τὴν ἐπιβουλήν, ἀλλ' ὅπως μὴ δοκῶσι Ῥωμαῖοι δόλῳ κτείνειν, ὡς φανερῶς νικᾶν οὐ δυνάμενοι.

ΦΑΒΙΟΣ ΜΑΞΙΜΟΣ

[c] Φάβιος Μάξιμος Ἀννίβᾳ μάχεσθαι μὴ βουλόμενος ἀλλὰ τρίβειν χρόνῳ τὴν δύναμιν αὐτοῦ καὶ χρημάτων ἐνδεᾶ καὶ σιτίων οὖσαν ἐπηκολούθει διὰ τῶν τραχέων καὶ ὀρεινῶν ἀντιπαρεξιών· καταγελώντων δὲ τῶν πολλῶν καὶ παιδαγωγὸν Ἀννίβα καλούντων μικρὰ φροντίζων ἐχρῆτο τοῖς αὑτοῦ λογισμοῖς· καὶ πρὸς τοὺς φίλους ἔλεγεν ὅτι τὸν σκώμματα φοβούμενον καὶ λοιδορίας δειλότερον ἡγεῖται τοῦ φεύγοντος τοὺς πολεμίους.

Ἐπεὶ δὲ τοῦ συνάρχοντος Μινουκίου καταβαλόντος τινὰς τῶν πολεμίων πολὺς ἦν λόγος ὡς ἀνδρὸς ἀξίου τῆς Ῥώμης, μᾶλλον ἔφη τὴν εὐτυχίαν ἢ τὴν ἀτυχίαν [d] τοῦ Μινουκίου φοβεῖσθαι. καὶ μετὰ μικρὸν ἐνέδρᾳ περιπεσόντος καὶ κινδυνεύοντος ἀπολέσθαι μετὰ τῆς ἑαυτοῦ δυνάμεως ἐπιβοηθήσας τῶν τε πολεμίων πολλοὺς διέφθειρε κἀκεῖνον ἔσωσεν. ὁ μὲν οὖν Ἀννίβας εἶπε πρὸς τοὺς φίλους 'οὐ πολλάκις ἐγὼ προὔλεγον ὑμῖν τὴν ἐπὶ τῶν ὀρῶν νεφέλην ὅτι χειμάσει ποτὲ ἐφ' ἡμᾶς;'

Μετὰ δὲ τὴν ἐν Κάνναις ἀτυχίαν τῆς πόλεως ἄρχων

γεγονὼς μετὰ Κλαυδίου Μαρκέλλου, τόλμαν ἔχοντος ἀνδρὸς καὶ φιλομαχοῦντος ἀεὶ πρὸς τὸν Ἀννίβαν, αὐτὸς ἤλπιζεν, εἰ μηδεὶς μάχοιτο, ταχὺ τὴν δύναμιν τοῦ Ἀννίβα [e] παρατεινομένην ἀπαγορεύσειν· ἔλεγεν οὖν ὁ Ἀννίβας ὅτι μᾶλλον φοβεῖται Μαρκέλλου μαχομένου Φάβιον μὴ μαχόμενον.

Στρατιώτου δέ τινος Λευκανοῦ κατηγορηθέντος πρὸς αὐτόν, ὡς νύκτωρ ἀπὸ τοῦ στρατοπέδου πλανῷτο πολλάκις ἐρῶν γυναικός, τὰ δ' ἄλλα θαυμαστὸν ἐν τοῖς ὅπλοις πυνθανόμενος εἶναι τὸν ἄνδρα, συλλαβεῖν ἐκέλευσε τὴν ἐρωμένην αὐτοῦ κρύφα καὶ πρὸς αὐτὸν ἀγαγεῖν· ὡς δ' ἤχθη, μεταπεμψάμενος τὸν ἄνθρωπον 'οὐ λέληθας' ἔφη 'παρὰ τὸν νόμον ἀπονυκτερεύων· ἀλλ' οὐδὲ χρηστὸς ὢν πρότερον ἐλελήθεις· τὰ μὲν οὖν ἡμαρτημένα [f] λελύσθω τοῖς ἠνδραγαθημένοις, τὸ δὲ λοιπὸν ἔσῃ μεθ' ἡμῶν· ἔχω γὰρ ἐγγυητήν' καὶ προαγαγὼν συνέστησεν αὐτῷ τὸ γύναιον.

Ταραντίνους δὲ κατέχοντα φρουρᾷ τὸν Ἀννίβαν πλὴν τῆς ἀκροπόλεως ἀπαγαγὼν πορρωτάτω δι' ἀπάτης καὶ τὴν πόλιν ἑλὼν καὶ διαρπάσας, τοῦ γραμματέως ἐπερωτήσαντος τί περὶ τῶν ἱερῶν ἔγνωκεν ἀγαλμάτων, 'ἀπολίπωμεν' ἔφη 'Ταραντίνοις τοὺς θεοὺς κεχολωμένους.'

Μάρκου δὲ Λιβίου τοῦ τὴν ἀκρόπολιν φρουροῦντος δι' ἑαυτὸν ἑαλωκέναι τὴν πόλιν λέγοντος, οἱ μὲν ἄλλοι [196] [a] κατεγέλων, ὁ δὲ Φάβιος εἶπεν 'ἀληθῆ λέγεις· εἰ μὴ γὰρ σὺ τὴν πόλιν ἀπέβαλες, οὐκ ἂν ἐγὼ ἀνέλαβον.'

Ἤδη δὲ πρεσβύτερος ὤν, ὑπατεύοντος τοῦ υἱοῦ καὶ χρηματίζοντος ἐν δημοσίῳ πολλῶν παρόντων, ἀναβὰς ἐφ' ἵππον προσῄει· πέμψαντος δὲ τοῦ νεανίσκου ῥαβδοῦχον καὶ καταβῆναι κελεύσαντος, οἱ μὲν ἄλλοι διετράπησαν, αὐτὸς δὲ ὁ Φάβιος ἀποπηδήσας τοῦ ἵππου προσέδραμε παρ' ἡλικίαν καὶ περιβαλὼν τὸν υἱόν 'εὖγε' εἶπεν, 'ὦ παῖ, φρονεῖς, αἰσθόμενος τίνων ἄρχεις καὶ πηλίκης ἀρχῆς μέγεθος παρείληφας.'

ΣΚΙΠΙΩΝ Ο ΠΡΕΣΒΥΤΕΡΟΣ

[b] Σκιπίων δὲ ὁ πρεσβύτερος τὴν ἀπὸ τῶν στρατειῶν καὶ τῆς πολιτείας σχολὴν ἐν γράμμασι διατριβὴν ποιούμενος ἔλεγεν, ὁπότε σχολάζοι, πλείονα πράττειν.

Ἐπεὶ δὲ Καρχηδόνα κατὰ κράτος εἷλε καὶ τῶν στρατιωτῶν τινες αἰχμάλωτον λαβόντες εὐπρεπῆ παρθένον ἧκον κομίζοντες αὐτῷ τ' ἐδίδοσαν, 'ἡδέως ἄν' ἔφη 'ἔλαβον, εἴπερ ἦν ἰδιώτης καὶ μὴ ἄρχων.'

Πολιορκῶν δὲ πόλιν Βαθεῖαν, ἧς ὑπερεφαίνετο ναὸς Ἀφροδίτης, ἐκέλευσεν ἐκεῖ τὰς ἐγγύας ὁμολογεῖν, ὡς εἰς τρίτην ἐν τῷ ἱερῷ τῆς Ἀφροδίτης ἀκουσόμενος τῶν διαδικούντων· καὶ τοῦτ' ἐποίησεν, ὡς προεῖπε, τῆς πόλεως ἁλούσης.

[c] Πυνθανομένου δέ τινος ἐν Σικελίᾳ, τίνι πεποιθὼς ἐπὶ Καρχηδόνα μέλλοι τὸν στόλον περαιοῦν, δείξας αὐτῷ ἐνόπλους ἄνδρας τριακοσίους γυμναζομένους καὶ πύργον ὑψηλὸν ὑπὲρ θαλάττης 'οὐδείς' ἔφη 'τούτων ἐστίν, ὅστις ἐπὶ τὸν πύργον ἀναβὰς τοῦτον οὐκ ἂν ἑαυτὸν ῥίψειεν ἐπὶ κεφαλὴν ἐμοῦ κελεύσαντος.'

Ἐπεὶ δὲ διάρας τῆς τε γῆς ἐκράτει καὶ τὰ στρατόπεδα τῶν πολεμίων κατέκαυσεν, οἱ δὲ Καρχηδόνιοι πέμψαντες ἐποιοῦντο συνθήκας, τά τε θηρία καὶ τὰς ναῦς καὶ τὰ χρήματα δώσειν ὁμολογήσαντες, Ἀννίβου δὲ καταπλεύσαντος ἐξ Ἰταλίας μετεμέλοντο ταῖς ὁμολογίαις [d] διὰ τὸ θαρρεῖν, πυθόμενος Σκιπίων ἔφη μηδὲ βουλομένοις αὐτοῖς ἔτι τὰς σπονδὰς φυλάξειν, ἂν μὴ τάλαντα πεντακισχίλια προεκτίσωσιν, ὅτι μετεπέμψαντο τὸν Ἀννίβαν.

Ἐπεὶ δὲ νικηθέντες οἱ Καρχηδόνιοι κατὰ κράτος περὶ σπονδῶν καὶ εἰρήνης πρέσβεις ἀπέστειλαν πρὸς αὐτόν, ἐκέλευσεν εὐθὺς ἀπιέναι τοὺς ἥκοντας, ὡς οὐκ ἀκουσόμενος πρότερον αὐτῶν ἢ Λεύκιον Τερέντιον ἀναγάγωσιν· ἦν δὲ Ῥωμαῖος ὁ Τερέντιος, ἐπιεικὴς ἀνήρ, γεγονὼς αἰχμάλωτος ὑπὸ Καρχηδονίων· ἐπεὶ δὲ ἧκον ἄγοντες τὸν ἄνδρα, καθίσας ἐν τῷ συμβουλίῳ παρ’ [e] αὐτὸν ἐπὶ τοῦ βήματος, οὕτως ἐχρημάτισε τοῖς Καρχηδονίοις καὶ κατέλυσε τὸν πόλεμον.

Ὁ δὲ Τερέντιος ἐπηκολούθησεν αὐτῷ θριαμβεύοντι

πιλίον ἔχων ὥσπερ ἀπελεύθερος· ἀποθανόντος δὲ τοῖς ἐπὶ τὴν ἐκφορὰν παραγενομένοις ἐνέχει πίνειν οἰνόμελι καὶ τὰ ἄλλα περὶ τὴν ταφὴν ἐφιλοτιμήθη. ταῦτα μὲν οὖν ὕστερον.

Ἀντιόχου δὲ τοῦ βασιλέως μετὰ τὸ διαβῆναι Ῥωμαίους ἐπ’ αὐτὸν εἰς Ἀσίαν πέμψαντος πρὸς τὸν Σκιπίωνα περὶ διαλύσεως, ‘ἔδει πρότερον’ εἶπεν ‘ἀλλὰ μὴ νῦν, ὁπότε καὶ τὸν χαλινὸν καὶ τὸν ἀναβάτην προσδέδεξαι.’

Χρήματα δὲ τῆς συγκλήτου λαβεῖν αὐτὸν ἐκ τοῦ [f] ταμιείου ψηφισαμένης, τῶν δὲ ταμιῶν οὐ βουλομένων ἀνοῖξαι τῆς ἡμέρας ἐκείνης, αὐτὸς ἀνοίξειν ἔφη· καὶ γὰρ κλείεσθαι δι’ αὐτὸν πλήσαντα χρημάτων τοσούτων τὸ ταμιεῖον.

†Πετιλλίου δὲ καὶ Κοΐντου πολλὰ πρὸς τὸν δῆμον αὐτοῦ κατηγορησάντων, εἰπὼν ὅτι τῇ σήμερον ἡμέρᾳ Καρχηδονίους καὶ Ἀννίβαν ἐνίκησεν, αὐτὸς μὲν ἔφη στεφανωσάμενος ἀναβαίνειν εἰς τὸ Καπετώλιον θύσων, τὸν δὲ βουλόμενον τὴν ψῆφον ἐκέλευσε φέρειν περὶ [197] [a] αὐτοῦ· καὶ ταῦτ’ εἰπὼν ἀνέβαινεν, ὁ δὲ δῆμος ἐπηκολούθησε τοὺς κατηγόρους ἀπολιπὼν λέγοντας.

ΤΙΤΟΣ ΚΟΙΝΤΙΟΣ

Τίτος Κοΐντιος οὕτως ἦν εὐθὺς ἐξ ἀρχῆς ἐπιφανής, ὥστε πρὸ δημαρχίας καὶ στρατηγίας καὶ ἀγορανομίας ὕπατος αἱρεθῆναι. πεμφθεὶς δὲ στρατηγὸς ἐπὶ Φίλιππον εἰς λόγους ἐπείσθη συνελθεῖν αὐτῷ· τοῦ δὲ Φιλίππου λαβεῖν ὁμήρους ἀξιοῦντος, ἐκεῖνον μὲν γὰρ ‹παρ›εῖναι μετὰ πολλῶν [Ῥωμαίων], ἑαυτὸν δὲ μόνον [Μακεδόσι], ‘σὺ γὰρ μόνον’ ὁ Κοΐντιος ἔφη ‘ἑαυτὸν ἐποίησας ἀποκτείνας τοὺς φίλους καὶ συγγενεῖς.’

[b] Νικήσας δὲ μάχῃ τὸν Φίλιππον ἐκήρυξεν ἐν Ἰσθμίοις ὅτι τοὺς Ἕλληνας ἐλευθέρους καὶ αὐτονόμους ἀφίησιν· ὅσοι δὲ Ῥωμαίων αἰχμάλωτοι γενόμενοι ἐν τοῖς κατ᾽ Ἀννίβαν χρόνοις ἐδούλευον παρὰ τοῖς Ἕλλησι, τούτων ἕκαστον οἱ Ἕλληνες ἐξωνησάμενοι δραχμῶν πεντακοσίων δωρεὰν ἔδωκαν αὐτῷ, κἀκεῖνοι θριαμβεύοντι συνηκολούθησαν ἐν Ῥώμῃ πιλία περὶ ταῖς κεφαλαῖς ἔχοντες, ὥσπερ ἔθος ἐστὶ τοῖς ἐλευθερωθεῖσι.

Τοὺς δ᾽ Ἀχαιοὺς ἐπὶ τὴν Ζακυνθίων νῆσον διανοουμένους στρατεύειν ἐκέλευε φυλάττεσθαι, μὴ καθάπερ αἱ χελῶναι τὴν κεφαλὴν προτείναντες ἔξω τῆς Πελοποννήσου κινδυνεύσωσιν.

[c] Ἀντιόχου δὲ τοῦ βασιλέως μετὰ πολλῆς δυνάμεως ἥκοντος εἰς τὴν Ἑλλάδα καὶ πάντων ἐκπεπληγμένων τὰ πλήθη καὶ τοὺς ὁπλισμούς, λόγον εἶπε τοιοῦτον πρὸς τοὺς Ἀχαιούς· ἔφη γὰρ ἐν Χαλκίδι παρὰ τῷ ξένῳ δειπνῶν θαυμάζειν τὸ τῶν κρεῶν πλῆθος· εἰπεῖν δὲ τὸν ξένον ὅτι ταῦτα πάντα χοίρειά ἐστιν ἡδύσμασι καὶ σκευασίαις διαφέροντα. ‘μὴ τοίνυν μηδὲ ὑμεῖς’ ἔφη ‘θαυμάζετε τὴν βασιλικὴν δύναμιν, λογχοφόρους καὶ καταφράκτους καὶ πεζεταίρους καὶ ἀφιπποτοξότας ἀκούοντες· πάντες γάρ εἰσιν οὗτοι Σύροι ὁπλαρίοις ἀλλήλων διαφέροντες.’

Φιλοποίμενι δὲ τῷ στρατηγῷ τῶν Ἀχαιῶν ἱππεῖς [d] μὲν πολλοὺς καὶ ὁπλίτας ἔχοντι χρημάτων δ᾽ οὐκ εὐποροῦντι προσπαίζων ἔλεγεν ὅτι ‘χεῖρας ἔχει Φιλοποίμην καὶ σκέλη, γαστέρα δ᾽ οὐκ ἔχει.’ καὶ γὰρ καὶ τῇ φύσει τοῦ σώματος ἦν ὁ Φιλοποίμην τοιοῦτος.

ΓΑΙΟΣ ΔΟΜΙΤΙΟΣ

Γάιος Δομίτιος, ὃν Σκιπίων ὁ μέγας ἀνθ᾽ ἑαυτοῦ τῷ ἀδελφῷ Λευκίῳ παρακατέστησεν ἐν τῷ πρὸς Ἀντίοχον πολέμῳ, κατασκεψάμενος τὴν τῶν πολεμίων φάλαγγα καὶ τῶν περὶ αὐτὸν ἡγεμονικῶν εὐθὺς ἐπιχειρεῖν κελευόντων ἔφη τὴν ὥραν οὐκ ἐπαρκεῖν, ἵνα τοσαύτας μυριάδας [e] κατακόψαντες καὶ διαρπάσαντες τὴν ἀποσκευὴν ἐπανελθόντες εἰς τὸ στρατόπεδον ἑαυτῶν ἐπιμεληθῶσι, τὸ δ᾽ αὐτὸ ποιήσειν αὔριον καθ᾽ ὥραν. καὶ συμβαλὼν τῇ ὑστεραίᾳ πεντακισμυρίους τῶν πολεμίων ἀνεῖλεν.

ΠΟΠΛΙΟΣ ΛΙΚΙΝΙΟΣ

Πόπλιος Λικίνιος ὕπατος στρατηγὸς ἡττηθεὶς ὑπὸ Περσέως τοῦ Μακεδόνων βασιλέως ἱππομαχίᾳ δισχιλίους ὀκτακοσίους ἀπέβαλε, τοὺς μὲν πεσόντας τοὺς δὲ ἁλόντας· ἐπεὶ δὲ μετὰ τὴν μάχην ἔπεμψεν ὁ Περσεὺς πρέσβεις περὶ σπονδῶν καὶ εἰρήνης, ἐκέλευσεν ὁ νενικημένος [f] τὸν νενικηκότα Ῥωμαίοις ἐπιτρέπειν τὰ καθ᾽ αὑτόν.

ΠΑΥΛΟΣ ΑΙΜΙΛΙΟΣ

Παῦλος Αἰμίλιος δευτέραν ὑπατείαν μετελθὼν ἀπέτυχεν· ἐπεὶ δὲ τοῦ πρὸς Περσέα καὶ Μακεδόνας πολέμου μῆκος λαμβάνοντος ἀπειρίᾳ καὶ μαλακίᾳ τῶν στρατηγῶν ἐκεῖνον ὕπατον ἀπέδειξαν, οὐκ ἔφη χάριν ἔχειν αὐτοῖς· οὐ γὰρ ‹οὕτως› αὐτὸς ἀρχῆς δεόμενος, ὡς ἐκείνων ἄρχοντος, ᾑρῆσθαι στρατηγός.

Ἐλθὼν δ’ εἰς οἶκον ἐξ ἀγορᾶς καὶ τὴν Τερτίαν τὸ θυγάτριον εὑρὼν δεδακρυμένον ἐπυνθάνετο τὴν αἰτίαν· [198] [a] εἰπούσης δὲ ὅτι ‘Περσεὺς τέθνηκεν ἡμῖν’ (κυνίδιον δ’ ἦν οὕτως ὀνομαζόμενον), ‘ἀγαθῇ τύχῃ,’ εἶπεν, ‘ὦ θύγατερ, καὶ δέχομαι τὸν οἰωνόν.’

Εὑρὼν δ’ ἐπὶ στρατοπέδου πολλὴν θρασύτητα καὶ λαλιὰν παραστρατηγούντων καὶ πολυπραγμονούντων ἐκέλευσεν ἡσυχίαν ἔχειν καὶ ποιεῖν ὀξείας τὰς μαχαίρας μόνον, αὐτῷ δὲ τῶν ἄλλων μελήσειν.

Τὰς δὲ νυκτερινὰς φυλακὰς ἐκέλευσεν φυλάσσειν ἄνευ λόγχης καὶ ξίφους, ὅπως ἀμύνασθαι τοὺς πολεμίους ἀπεγνωκότες μᾶλλον διαμαχοῦνται πρὸς τὸν ὕπνον.

Ἐμβαλὼν δὲ διὰ τῶν ἄκρων εἰς Μακεδονίαν καὶ συντεταγμένους ἰδὼν τοὺς πολεμίους τοῦ Νασικᾶ παρακαλοῦντος [b] αὐτὸν εὐθὺς ἐπιχειρεῖν ‘εἴγε τὴν σήν’ εἶπεν ‘ἡλικίαν εἶχον· αἱ δὲ πολλαί με πεῖραι κωλύουσιν ἐκ πορείας πρὸς φάλαγγα συντεταγμένην μάχεσθαι.’

Νικήσας δὲ τὸν Περσέα καὶ τὰς ἐπινικίους ποιούμενος ἑστιάσεις ἔλεγε τῆς αὐτῆς ἐμπειρίας εἶναι στράτευμα φοβερώτατον πολεμίοις καὶ συμπόσιον ἥδιστον φίλοις παρασχεῖν.

Τοῦ δὲ Περσέως αἰχμαλώτου γενομένου καὶ παραιτουμένου τὸν θρίαμβον ‘ἐπὶ σοί’ εἶπε ‘τοῦτ’ ἐστίν,’ ἐξουσίαν διδοὺς αὐτῷ ἑαυτὸν ἀνελεῖν.

Χρημάτων δ’ ἀπείρων εὑρεθέντων αὐτὸς μὲν οὐκ [c] ἔλαβε, τῷ δὲ γαμβρῷ Τουβέρωνι φιάλην ἀργυρᾶν ὁλκῆς πέντε λιτρῶν ἀριστεῖον ἔδωκε. καὶ τοῦτό φασι πρῶτον εἰς τὸν ‹τῶν› Αἰλίων οἶκον εἰσελθεῖν κειμήλιον ἀργυροῦν.

Τεσσάρων δὲ παίδων ἀρρένων αὐτῷ γεγονότων δύο μὲν πρότερον ἐτύγχανεν ἐκδεδωκὼς ἑτέροις θέσθαι· δυοῖν δ’ ὄντων ἐπὶ τῆς οἰκίας ὁ μὲν ἡμέραις πέντε πρὸ τοῦ θριάμβου, τεσσαρακαίδεκα γεγονὼς ἔτη, ἀπέθανεν, ὁ δὲ ὕστερον πέντε τοῦ θριάμβου, δωδεκαέτης. προελθὼν δέ, τοῦ δήμου συναλγοῦντος αὐτῷ καὶ συμπενθοῦντος, νῦν ἔφη περὶ τῆς πατρίδος ἀδεὴς γεγονέναι καὶ ἀκίνδυνος, ὁπότε τῶν εὐτυχημάτων τὴν νέμεσιν εἰς τὸν οἶκον ἀπερεισαμένης τῆς τύχης ὑπὲρ πάντων αὐτὸς ἀναδέδεκται.

ΚΑΤΩΝ Ο ΠΡΕΣΒΥΤΕΡΟΣ

Κάτων ὁ πρεσβύτερος ἐν τῷ δήμῳ τῆς ἀσωτίας καὶ πολυτελείας καθαπτόμενος εἶπεν 'ὡς χαλεπόν ἐστι λέγειν πρὸς γαστέρα ὦτα μὴ ἔχουσαν.' Θαυμάζειν δὲ πῶς σῴζεται πόλις, ἐν ᾗ πωλεῖται πλείονος ἰχθὺς ἢ βοῦς.

Λοιδορῶν δέ ποτε τὴν ἐπιπολάζουσαν γυναικοκρατίαν 'πάντες' εἶπεν 'ἄνθρωποι τῶν γυναικῶν ἄρχουσιν, ἡμεῖς δὲ πάντων ἀνθρώπων, ἡμῶν δὲ αἱ γυναῖκες.'

Ἔφη δὲ βούλεσθαι μᾶλλον εὐεργετήσας μὴ κομίσασθαι χάριν ἢ μὴ ὑποσχεῖν κόλασιν ἀδικήσας, καὶ [e] πᾶσιν ἀεὶ τοῖς ἁμαρτάνουσι χωρὶς ἑαυτοῦ διδόναι συγγνώμην.

Παρορμῶν δὲ τοὺς ἄρχοντας ἐπιτιμᾶν τοῖς ἁμαρτάνουσιν ἔλεγε τοὺς δυναμένους κωλύειν τοὺς κακῶς ποιοῦντας, ἐὰν μὴ κωλύωσι, κελεύειν.

Τῶν δὲ νέων ἔφη χαίρειν τοῖς ἐρυθριῶσι μᾶλλον ἢ τοῖς ὠχριῶσι.

Στρατιώτην δὲ μισεῖν, ὃς ἐν τῷ περιπατεῖν τὰς χεῖρας, ἐν δὲ τῷ μάχεσθαι τοὺς πόδας κινεῖ, ῥέγχει δὲ μεῖζον ἢ ἀλαλάζει.

Κάκιστον δ' ἔλεγεν ἄρχοντα εἶναι τὸν ἄρχειν ἑαυτοῦ μὴ δυνάμενον.

Μάλιστα δ' ἐνόμιζε δεῖν ἕκαστον ἑαυτὸν αἰδεῖσθαι· μηδένα γὰρ ἑαυτοῦ μηδέποτε χωρὶς εἶναι.

Πολλῶν δ' ὁρῶν ἀνισταμένους ἀνδριάντας 'περὶ ἐμοῦ [f] δ'' ἔφη 'βούλομαι ἐρωτᾶν μᾶλλον τοὺς ἀνθρώπους, διὰ τί ἀνδριὰς οὐ κεῖται [Κάτωνος] ἢ διὰ τί κεῖται.'

Φείδεσθαι δὲ τῆς ἐξουσίας παρεκάλει τοὺς δυναμένους, ὅπως ἀεὶ παραμείνῃ τὸ ἐξεῖναι.

Τοὺς δὲ τῆς ἀρετῆς τὴν τιμὴν ἀφαιροῦντας ἔλεγε τὴν ἀρετὴν ἀφαιρεῖν τῆς νεότητος.

Τὸν δ' ἄρχοντα ἢ κριτὴν ἔλεγε δεῖν μήτε ὑπὲρ τῶν δικαίων λιπαρεῖσθαι μήτε ὑπὲρ τῶν ἀδίκων ἐκλιπαρεῖσθαι.

[199] [a] Τὴν δ' ἀδικίαν ἔλεγε τοῖς ἀδικοῦσιν ἂν μὴ φέρῃ κίνδυνον, ἅπασι φέρειν.

Τῷ δὲ γήρᾳ πολλῶν αἰσχρῶν παρόντων ἠξίου μὴ προστιθέναι τὴν ἀπὸ τῆς κακίας αἰσχύνην.

Τὸν δ' ὀργιζόμενον ἐνόμιζε τοῦ μαινομένου χρόνῳ διαφέρειν.

Ἥκιστα δὲ φθονεῖσθαι τοὺς τῇ τύχῃ χρωμένους ἐπιεικῶς καὶ μετρίως· 'οὐ γὰρ ἡμῖν ἀλλὰ τοῖς περὶ ἡμᾶς φθονοῦσι.'

Τοὺς δὲ σπουδάζοντας ἐν τοῖς γελοίοις ἔλεγεν ἐν τοῖς σπουδαίοις ἔσεσθαι καταγελάστους.

Τὰς δὲ καλὰς πράξεις ἔλεγε δεῖν καταλαμβάνειν πράξεσι καλαῖς, ἵνα μὴ τῆς δόξης ἀπορρέωσιν.

Ἐπετίμα δὲ τοῖς πολίταις ἀεὶ τοὺς αὐτοὺς αἱρουμένοις [b] ἄρχοντας· ‘δόξετε γάρ’ εἶπεν ‘ἢ μὴ πολλοῦ τὸ ἄρχειν ἄξιον ἢ μὴ πολλοὺς τοῦ ἄρχειν ἀξίους ἡγεῖσθαι.’

Τὸν δὲ τοὺς παραλίους ἀγροὺς πεπρακότα προσεποιεῖτο θαυμάζειν ὡς ἰσχυρότερον τῆς θαλάσσης· ‘ἃ γὰρ ἐκείνη μόλις ἐπικλύζει, οὗτος ῥᾳδίως καταπέπωκε.’

Τιμητείαν δὲ μετιὼν καὶ τοὺς ἄλλους ὁρῶν δεομένους τῶν πολλῶν καὶ κολακεύοντας, αὐτὸς ἐβόα τὸν δῆμον ἀποτόμου χρείαν ἔχειν ἰατροῦ καὶ μεγάλου καθαρμοῦ· δεῖν οὖν μὴ τὸν ἥδιστον, ἀλλὰ τὸν ἀπαραίτητον αἱρεῖσθαι. καὶ ταῦτα λέγων ᾑρέθη πρὸ πάντων.

Διδάσκων δὲ τοὺς νέους εὐθαρσῶς μάχεσθαι πολλάκις [c] ἔλεγε τοῦ ξίφους τὸν λόγον μᾶλλον καὶ τὴν φωνὴν τῆς χειρὸς τρέπειν καὶ καταπλήττειν τοὺς πολεμίους.

Ἐπεὶ δὲ πολεμῶν τοῖς περὶ τὸν Βαῖτιν ποταμὸν οἰκοῦσιν εἰς κίνδυνον ὑπὸ πλήθους τῶν πολεμίων κατέστη, τῶν μὲν Κελτιβήρων ἐπὶ διακοσίοις ταλάντοις βουλομένων βοηθεῖν τῶν δὲ Ῥωμαίων οὐκ ἐώντων ὁμολογεῖν μισθὸν ἀνθρώποις βαρβάροις, ἁμαρτάνειν ἔφησεν αὐτούς· νικῶντας μὲν γὰρ ἀποδώσειν οὐ παρ’ αὑτῶν ἀλλὰ παρὰ τῶν πολεμίων, ἡττωμένων δὲ μήτε τοὺς ἀπαιτουμένους μήτε τοὺς ἀπαιτοῦντας ἔσεσθαι.

Πλείονας δὲ πόλεις ἑλών, ὥς φησι, τῶν ἡμερῶν [d] ἃς διέτριψεν ἐν τοῖς πολεμίοις οὐδὲν αὐτὸς πλέον ἔλαβεν ὧν ἔπιε καὶ ἔφαγεν ἐκ τῆς πολεμίας.

Τῶν δὲ στρατιωτῶν ἑκάστῳ λίτραν ἀργυρίου διανείμας φησὶ βέλτιον εἶναι πολλοὺς ἔχοντας ἀργύριον ἢ ὀλίγους χρυσίον ἀπὸ τῆς στρατείας ἐπανελθεῖν· τῶν γὰρ ἀρχόντων οὐδὲν ἄλλο δεῖν ἐν ταῖς ἐπαρχίαις ἢ τὴν δόξαν αὐξάνεσθαι.

Πέντε δ’ οἰκέτας εἶχεν ἐπὶ τῆς στρατείας, ὧν εἷς αἰχμάλωτα τρία σώματα πριάμενος, ὡς οὐκ ἔλαθε τὸν Κάτωνα, πρὶν εἰς ὄψιν ἐλθεῖν, ἀπήγξατο.

Παρακληθεὶς δ’ ὑπὸ Σκιπίωνος Ἀφρικανοῦ τοῖς [e] Ἀχαιῶν συλλαβέσθαι φυγάσιν, ὅπως εἰς τὰς πατρίδας κατέλθωσιν, προσεποιεῖτο μηδὲν αὐτῷ μέλειν τοῦ πράγματος· ἐν δὲ τῇ συγκλήτῳ πολλῶν γινομένων λόγων ἀναστάς ‘ὥσπερ οὐκ ἔχοντες’ εἶπεν ‘ὃ πράττωμεν, καθήμεθα περὶ Γραικῶν γεροντίων ζητοῦντες πότερον ὑπὸ τῶν παρ’ ἡμῖν ἢ ὑπὸ τῶν ἐκεῖ νεκροφόρων ἐξενεχθῶσι.’

Ποστουμίου δ’ Ἀλβίνου γράψαντος ἱστορίας Ἑλληνιστὶ καὶ συγγνώμην παρὰ τῶν ἀκροωμένων αἰτοῦντος, εἰρωνευόμενος ὁ Κάτων ἔφη δοτέον εἶναι συγγνώμην, εἰ τῶν Ἀμφικτυόνων ψηφισαμένων ἀναγκασθεὶς ἔγραψε.

ΣΚΙΠΙΩΝ Ο ΝΕΩΤΕΡΟΣ

[f] Σκιπίωνα τὸν νεώτερον λέγουσιν ἔτεσι πεντήκοντα καὶ τέτταρσιν, οἷς ἐβίωσε, μηδὲν πρίασθαι μηδὲν ἀποδόσθαι μηδὲν οἰκοδομῆσαι, λίτρας δὲ ἀργυρίου τρεῖς καὶ τριάκοντα μόνας [ἐν οὐσίᾳ μεγάλῃ] δύο δὲ χρυσίου καταλιπεῖν· καὶ ταῦτα Καρχηδόνος κύριον ὄντα καὶ μάλιστα τῶν στρατηγῶν πλουτίσαντα τοὺς στρατιώτας.

Τὸ δὲ Πολυβίου παράγγελμα διαφυλάττων ἐπειρᾶτο μὴ πρότερον ἐξ ἀγορᾶς ἀπελθεῖν ἢ ποιήσασθαί τινα συνήθη καὶ φίλον ἁμωσγέπως τῶν ἐντυγχανόντων.

[200] [a] Ἔτι δὲ νέος ὢν τοσαύτην εἶχε δόξαν ἀνδρείας καὶ συνέσεως, ὥστε Κάτωνα μὲν τὸν πρεσβύτερον εἰπεῖν ἐρωτηθέντα περὶ τῶν ἐν Καρχηδόνι στρατευομένων, ἐν οἷς καὶ Σκιπίων ἦν, (κ 495)

‘οἶος πέπνυται, τοὶ δὲ σκιαὶ ἀίσσουσιν.’

Εἰς δὲ τὴν Ῥώμην ἐλθόντος ἀπὸ στρατείας ‹εἰς ὑπατείαν› ἐκάλουν αὐτὸν οὐκ ἐκείνῳ χαριζόμενοι, ἀλλ’ ὡς Καρχηδόνα δι’ ἐκείνου ταχὺ καὶ ῥᾳδίως ληψόμενοι.

Ἐπεὶ δὲ παρελθὼν εἰς τὸ τεῖχος, τῶν Καρχηδονίων ἐκ τῆς ἄκρας ἀμυνομένων, †μὴ σὺ τὴν διὰ μέσου θάλασσαν οὐ πάνυ βαθεῖαν οὖσαν· τοῦ Πολυβίου συμβουλεύοντος αὐτῷ κατασπεῖραι τριβόλους σιδηροῦς ἢ [b] σανίδας ἐμβαλεῖν κεντρωτάς, ὅπως μὴ διαβαίνοντες οἱ πολέμιοι προσμάχωνται τοῖς χώμασιν, ἔφη γελοῖον εἶναι κατειληφότας τὰ τείχη καὶ τῆς πόλεως ἐντὸς ὄντας εἶτα πράττειν ὅπως οὐ μαχοῦνται τοῖς πολεμίοις.

Εὑρὼν δὲ τὴν πόλιν ἀνδριάντων Ἑλληνιῶν καὶ ἀναθημάτων ἀπὸ Σικελίας μεστὴν οὖσαν, ἐκήρυξε τοὺς ἀπὸ τῶν πόλεων παρόντας ἐπιγινώσκειν καὶ κομίζεσθαι. Τῶν δὲ χρημάτων οὔτε δοῦλον οὔτ’ ἀπελεύθερον εἴα λαβεῖν οὐδένα, ἀλλ’ οὐδὲ πρίασθαι πάντων ἀγόντων καὶ φερόντων.

Γαΐῳ δὲ Λαιλίῳ τῷ φιλτάτῳ τῶν ἑταίρων ὑπατείαν [c] μετιόντι συμπράττων ἐπηρώτησε Πομπήιον εἰ καὶ αὐτὸς ὑπατείαν μέτεισιν· ἐδόκει δ’ ὁ Πομπήιος υἱὸς αὐλητοῦ γεγονέναι· τοῦ δὲ φήσαντος μὴ μετιέναι, ἀλλὰ καὶ τὸν Λαίλιον ἐπαγγελλομένου συμπεριάξειν καὶ συναρχαιρεσιάσειν, πιστεύσαντες καὶ περιμένοντες ἐκεῖνον ἐξηπατήθησαν· ἀπηγγέλλετο γὰρ αὐτὸς ἐν ἀγορᾷ περιιὼν καὶ δεξιούμενος τοὺς πολίτας. ἀγανακτούντων δὲ τῶν ἄλλων ὁ Σκιπίων γελάσας ‘ἀβελτερίᾳ γε’ εἶπεν ‘ἡμῶν, ‹οἳ› καθάπερ οὐκ ἀνθρώπους μέλλοντες ἀλλὰ θεοὺς παρακαλεῖν πάλαι διατρίβομεν αὐλητὴν ἀναμένοντες.’

Ἀππίου δὲ Κλαυδίου περὶ τῆς τιμητικῆς ἀρχῆς [d] ἁμιλλωμένου πρὸς αὐτὸν καὶ λέγοντος ὅτι πάντας ὀνομαστὶ Ῥωμαίους αὐτὸς ἀσπάζεται

Σκιπίωνος ὀλίγου δεῖν ἀγνοοῦντος ἅπαντας, ‘ἀληθῆ λέγεις’ εἶπεν· ‘ἐμοὶ γὰρ οὐκ εἰδέναι πολλοὺς ἀλλ’ ὑπὸ μηδενὸς ἀγνοεῖσθαι μεμέληκεν.’

Ἐκέλευε δὲ τοὺς πολίτας, ἐπειδὴ ἐτύγχανον πολεμοῦντες Κελτίβηρσιν, ἀμφοτέρους ἐπὶ τὴν στρατείαν ἐκπέμψαντας ἢ πρεσβευτὰς ἢ χιλιάρχους μάρτυρας λαμβάνειν καὶ κριτὰς τῆς ἑκάστου ἀρετῆς τοὺς πολεμοῦντας.

Ἀποδειχθεὶς δὲ τιμητὴς νεανίσκου μὲν ἀφείλετο τὸν ἵππον, ὅτι δειπνῶν πολυτελῶς, ἐν ᾧ χρόνῳ Καρχηδὼν ἐπολεμεῖτο, μελίπηκτον εἰς σχῆμα τῆς πόλεως διαπλάσας [e] καὶ τοῦτο Καρχηδόνα προσειπὼν προύθηκε διαρπάσαι τοῖς παροῦσι· καὶ πυνθανομένου τὴν αἰτίαν τοῦ νεανίσκου δι’ ἣν ἀφῄρηται τὸν ἵππον ‘ἐμοῦ γάρ’ ἔφη ‘πρότερος Καρχηδόνα διήρπασας.’

Γάιον δὲ Λικίνιον ἰδὼν παρερχόμενον ‘οἶδα’ ἔφη ‘τοῦτον ἐπιωρκηκότα τὸν ἄνδρα· μηδενὸς δὲ κατηγοροῦντος οὐ δύναμαι κατήγορος ‹ὁ› αὐτὸς εἶναι καὶ δικαστής.’

Ἐκπεμφθέντα δὲ τρίτον αὐτὸν ὑπὸ τῆς βουλῆς, ὥς φησι Κλειτόμαχος (ρ 487),

ἀνθρώπων ὕβριν τε καὶ εὐνομίην ἐφορῶντα,

πόλεων ἐθνῶν βασιλέων ἐπίσκοπον, ὡς εἰς Ἀλεξάνδρειαν ἧκε καὶ τῆς νεὼς ἀποβὰς ἐβάδιζε κατὰ τῆς κεφαλῆς [f] ἔχων τὸ ἱμάτιον, ἠξίουν ἀποκαλύψασθαι παραθέοντες οἱ Ἀλεξανδρεῖς καὶ δεῖξαι ποθοῦσιν αὐτοῖς τὸ πρόσωπον· τοῦ δ’ ἀποκαλυψαμένου κραυγὴν καὶ κρότον ἐποίησαν. τοῦ δὲ βασιλέως μόλις ἁμιλλωμένου βαδίζουσιν αὐτοῖς δι’ ἀργίαν καὶ τρυφὴν τοῦ σώματος ὁ Σκιπίων ἀτρέμα πρὸς τὸν Παναίτιον ψιθυρίσας εἶπεν ‘ἤδη [201] [a] τι τῆς ἐπιδημίας ἡμῶν Ἀλεξανδρεῖς ἀπολελαύκασι· δι’ ἡμᾶς γὰρ ἑωράκασι τὸν βασιλέα περιπατοῦντα.’

Συναπεδήμει δ’ αὐτῷ φίλος μὲν εἷς φιλόσοφος Παναίτιος, οἰκέται δὲ πέντε· καὶ τοῦ ἑνὸς ἀποθανόντος ἐπὶ τῆς ξένης ἄλλον μὴ βουλόμενος πρίασθαι ἀπὸ Ῥώμης μετεπέμψατο.

Τῶν δὲ Νομαντίνων ἀμάχων εἶναι δοκούντων καὶ πολλοὺς νενικηκότων στρατηγοὺς ὕπατον ἀπέδειξε Σκιπίωνα τὸ δεύτερον ὁ δῆμος ἐπὶ τὸν πόλεμον· ὡρμημένων δὲ πολλῶν ἐπὶ τὴν στρατείαν καὶ τοῦτο διεκώλυσεν ἡ σύγκλητος, ὡς ἐρήμου τῆς Ἰταλίας ἐσομένης, καὶ χρήματα λαβεῖν τῶν ἑτοίμων οὐκ εἴασεν, ἀλλὰ τὰς τελωνικὰς [b] προσόδους ἀπέταξεν οὔπω χρόνον ἐχούσας. ὁ δὲ Σκιπίων χρημάτων μὲν οὐκ ἔφη δεῖσθαι, τὰ γὰρ ἑαυτοῦ καὶ τῶν φίλων ἐξαρκέσειν, περὶ δὲ τῶν στρατιωτῶν ἐμέμψατο· χαλεπὸν γὰρ εἶναι τὸν πόλεμον, εἰ μὲν δι’ ἀνδρείαν τῶν πολεμίων ἥττηνται τοσαυτάκις, ὅτι πρὸς τοιούτους, εἰ δὲ δι’ ἀνανδρίαν τῶν πολιτῶν, ὅτι μετὰ τοιούτων.

Ἐπεὶ δ’ ἐλθὼν εἰς τὸ στρατόπεδον πολλὴν ἀταξίαν καὶ ἀκολασίαν καὶ δεισιδαιμονίαν καὶ τρυφὴν κατέλαβε, μάντεις μὲν εὐθὺς ἐξήλασε καὶ θύτας καὶ πορνοβοσκούς, σκεύη δὲ προσέταξεν ἀποπέμπειν ἅπαντα πλὴν χύτρας, ὀβελίσκου καὶ ποτηρίου κεραμεοῦ· τῶν δ’ ἀργυρέων [c] ἔκπωμα οὐ μεῖζον δύο λιτρῶν συνεχώρησε τοῖς βουλομένοις ἔχειν· λούεσθαι δ’ ἀπεῖπε, τῶν δ’ ἀλειφομένων τρίβειν ἕκαστον ἑαυτόν· τὰ γὰρ ὑποζύγια χεῖρας μὴ ἔχοντα ἑτέρου τρίψοντος δεῖσθαι· προσέταξε δ’ ἀριστᾶν μὲν ἑστῶτας ἄπυρον ὄψον, δειπνεῖν δὲ κατακειμένους ἄρτον ἢ πόλτον ἁπλῶς καὶ κρέας ὀπτὸν ἢ ἑφθόν· αὐτὸς δὲ σάγον ἐμπεπορπημένος μέλανα περιῄει, πενθεῖν τὴν τοῦ στρατεύματος αἰσχύνην λέγων.

Μεμμίου δέ τινος χιλιάρχου λαβὼν ὑποζύγια ψυκτῆρας διαλίθους παρακομίζοντα καὶ Θηρικλείους ‘ἐμοὶ μέν’ εἶπεν ‘ἡμέρας τριάκοντα καὶ τῇ πατρίδι, [d] σαυτῷ δὲ τὸν βίον ἅπαντα τοιοῦτος ὢν ἄχρηστον πεποίηκας σεαυτόν.’

Ἑτέρου δὲ θυρεὸν ἐπιδείξαντος εὖ κεκοσμημένον ‘ὁ μὲν θυρεός,’ εἶπεν, ‘ὦ νεανία, καλός, πρέπει δὲ Ῥωμαῖον ἄνδρα μᾶλλον ἐν τῇ δεξιᾷ τὰς ἐλπίδας ἔχειν ἢ τῇ ἀριστερᾷ.’

Τοῦ δὲ τὸν χάρακα ἄραντος σφόδρα πιέζεσθαι φάσκοντος ‘εἰκότως’ ἔφη· ‘τῷ γὰρ ξύλῳ τούτῳ μᾶλλον ἢ τῇ μαχαίρᾳ πιστεύεις.’

Ὁρῶν δὲ τὴν ἀπόνοιαν τῶν πολεμίων ἔλεγεν ὠνεῖσθαι τοῦ χρόνου τὴν ἀσφάλειαν· τὸν γὰρ ἀγαθὸν στρατηγὸν ὥσπερ ἰατρὸν ἐσχάτης δεῖσθαι τῆς διὰ τοῦ σιδήρου θεραπείας. οὐ μὴν ἀλλ’ ἐπιθέμενος ἐν καιρῷ τοὺς Νομαντίνους ἐτρέψατο.

[e] Τῶν δὲ πρεσβυτέρων τοὺς ἡττημένους κακιζόντων, ‹ὅ›τι πεφεύγασιν οὓς τοσαυτάκις ἐδίωξαν, εἰπεῖν τινα λέγεται τῶν Νομαντίνων ὡς τὰ πρόβατα ταὐτὰ καὶ νῦν ἐστιν, ὁ δὲ ποιμὴν ἄλλος.

Ἐπεὶ δὲ τὴν Νομαντίαν ἑλὼν καὶ θριαμβεύσας τὸ δεύτερον ἐν τῇ πρὸς Γάιον Γράκχον ὑπέρ τε τῆς βουλῆς καὶ τῶν συμμάχων κατέστη διαφορᾷ καὶ λυπούμενος ὁ δῆμος ἐθορύβησεν αὐτὸν ἐπὶ τοῦ βήματος, ‘ἐμέ’ εἶπεν ‘οὐδέποτε στρατοπέδων ἀλαλαγμὸς ἐθορύβησεν, οὔτι γε συγκλύδων ἀνθρώπων, ὧν οὐ μητέρα τὴν Ἰταλίαν ἀλλὰ μητρυιὰν οὖσαν ἐπίσταμαι.’

Τῶν δὲ περὶ τὸν Γάιον βοώντων κτεῖναι τὸν [f] τύραννον ‘εἰκότως’ εἶπεν ‘οἱ τῇ πατρίδι πολεμοῦντες ἐμὲ βούλονται προανελεῖν· οὐ γὰρ οἷόν τε τὴν Ῥώμην πεσεῖν Σκιπίωνος ἑστῶτος οὐδὲ ζῆν Σκιπίωνα τῆς Ῥώμης πεσούσης.’

ΚΑΙΚΙΛΙΟΣ ΜΕΤΕΛΛΟΣ

Καικίλιος Μέτελλος ὀχυρῷ χωρίῳ βουλευόμενος προσαγαγεῖν, εἰπόντος ἑκατοντάρχου πρὸς αὐτὸν ὡς, ἐὰν δέκα [202] [a] μόνους ἀποβάλῃ, λήψεται τὸ

χωρίον, ἠρώτησεν αὐτόν, εἰ βούλοιτο εἷς τῶν δέκα γενέσθαι.

Τῶν δὲ νεωτέρων τινὸς χιλιάρχου πυνθανομένου τί μέλλει ποιεῖν, 'εἰ τοῦτ'' ἔφη 'συνειδέναι μοι τὸν χιτωνίσκον ἐνόμιζον, ἀποδυσάμενος ἂν αὐτὸν ἐπὶ τὸ πῦρ ἐπέθηκα.'

Σκιπίωνι δὲ ζῶντι πολεμῶν ἀποθανόντος ἠχθέσθη καὶ τοὺς μὲν υἱοὺς ἐκέλευσεν ὑποδύντας ἄρασθαι τὸ λέχος, τοῖς δὲ θεοῖς ἔφη χάριν ἔχειν ὑπὲρ τῆς Ῥώμης, ὅτι παρ' ἄλλοις οὐκ ἐγένετο Σκιπίων.

ΓΑΙΟΣ ΜΑΡΙΟΣ

Γάιος Μάριος ἐκ γένους ἀδόξου προϊὼν εἰς πολιτείαν [b] διὰ τῶν στρατειῶν, ἀγορανομίαν τὴν μείζονα παρήγγειλεν· αἰσθόμενος δὲ ὅτι λείπεται τῆς αὐτῆς ἡμέρας ἐπὶ τὴν ἐλάττονα μετῆλθε· κἀκείνης ἀποτυχὼν ὅμως οὐκ ἀπέγνω τοῦ πρωτεύσειν Ῥωμαίων.

Ἰξίας δ' ἔχων ἐν ἀμφοτέροις τοῖς σκέλεσι παρέσχεν ἄδετος ἐκτεμεῖν τῷ ἰατρῷ καὶ μὴ στενάξας μηδὲ τὰς ὀφρῦς συναγαγὼν ἐνεκαρτέρησε τῇ χειρουργίᾳ· τοῦ δ' ἰατροῦ μεταβαίνοντος ἐπὶ θάτερον οὐκ ἠθέλησεν εἰπὼν οὐκ εἶναι τὸ θεράπευμα τῆς ἀλγηδόνος ἄξιον.

Ἐπεὶ δὲ Λούσιος ὁ ἀδελφιδοῦς αὐτοῦ τὸ δεύτερον ὑπατεύοντος ἐβιάζετο τῶν ἐν ὥρᾳ στρατευομένων τινὰ ὀνόματι Τρεβώνιον, ὁ δ' ἀπέκτεινεν αὐτὸν καὶ πολλῶν [c] κατηγορούντων οὐκ ἠρνήσατο κτεῖναι τὸν ἄρχοντα, τὴν δ' αἰτίαν εἶπε καὶ ἀπέδειξε, κελεύσας ὁ Μάριος τὸν ἐπὶ ταῖς ἀριστείαις διδόμενον στέφανον κομισθῆναι τῷ Τρεβωνίῳ περιέθηκε. Τοῖς δὲ Τεύτοσι παραστρατοπεδεύσας ἐν χωρίῳ ὀλίγον ὕδωρ ἔχοντι, τῶν στρατιωτῶν διψῆν λεγόντων, δείξας αὐτοῖς ποταμὸν ἐγγὺς παραρρέοντα τῷ χάρακι τῶν πολεμίων 'ἐκεῖθεν ὑμῖν ἔστιν' εἶπε 'ποτὸν ὤνιον αἵματος.' οἱ δ' ἄγειν παρεκάλουν, ἕως ὑγρὸν ἔχωσι τὸ αἷμα καὶ μήπω πᾶν ὑπὸ τοῦ διψῆν ἐκπεπηγός.

Ἐν δὲ τοῖς Κιμβρικοῖς πολέμοις Καμερίνων χιλίους ἄνδρας ἀγαθοὺς γενομένους ὁμοῦ Ῥωμαίους ἐποίησε, [d] κατ' οὐδένα νόμον· πρὸς δὲ τοὺς ἐγκαλοῦντας ἔλεγε τῶν νόμων οὐκ ἐξακοῦσαι διὰ τὸν τῶν ὅπλων ψόφον.

Ἐν δὲ τῷ ἐμφυλίῳ πολέμῳ περιταφρευόμενος καὶ πολιορκούμενος ἐκαρτέρει, τὸν οἰκεῖον ἀναμένων καιρόν. εἰπόντος δὲ Πομπαιδίου Σίλωνος πρὸς αὐτόν 'εἰ μέγας εἶ στρατηγός, ὦ Μάριε, καταβὰς διαγώνισαι', 'σὺ μὲν οὖν' εἶπεν 'εἰ μέγας εἶ στρατηγός, ἀνάγκασόν με διαγωνίσασθαι καὶ μὴ βουλόμενον.'

ΚΑΤΛΟΣ ΛΟΥΤΑΤΙΟΣ

Κάτλος Λουτάτιος ἐν τῷ Κιμβρικῷ πολέμῳ παρὰ τὸν Νατισῶνα ποταμὸν στρατοπεδεύων, ἐπεὶ τοὺς βαρβάρους ὁρῶντες οἱ Ῥωμαῖοι διαβαίνειν

ἐπιχειροῦντας [e] ἀνεχώρουν, μὴ δυνάμενος αὐτοὺς κατασχεῖν ὥρμησεν εἰς τοὺς πρώτους τῶν ἀποτρεχόντων, ὅπως δοκῶσι μὴ φεύγειν τοὺς πολεμίους, ἀλλὰ τῷ στρατηγῷ κατακολουθεῖν.

ΣΥΛΛΑΣ

Σύλλας ὁ εὐτυχὴς ἀναγορευθεὶς τῶν μεγίστων εὐτυχιῶν ἐποιεῖτο δύο, τὴν Πίου Μετέλλου φιλίαν καὶ τὸ μὴ κατασκάψαι τὰς Ἀθήνας ἀλλὰ φείσασθαι τῆς πόλεως.

ΓΑΙΟΣ ΠΟΠΙΛΛΙΟΣ

Γάιος Ποπίλλιος ἐπέμφθη πρὸς Ἀντίοχον ἐπιστολὴν παρὰ τῆς συγκλήτου κομίζων, κελεύουσαν ἀπάγειν ἐξ Αἰγύπτου τὸ στράτευμα καὶ μὴ σφετερίζεσθαι τῶν [f] Πτολεμαίου τέκνων ὀρφανῶν ὄντων τὴν βασιλείαν· προσιόντα δ’ αὐτὸν διὰ τοῦ στρατοπέδου πόρρωθεν ἀσπασαμένου τοῦ Ἀντιόχου φιλοφρόνως οὐκ ἀντασπασάμενος τὸ γραμματεῖον ἀπέδωκεν· ἐπεὶ δ’ ἀναγνοὺς ἔφη βουλεύσεσθαι καὶ δώσειν τὴν ἀπόκρισιν, τῷ κλήματι γῦρον περὶ αὐτὸν ὁ Ποπίλλιος περιέγραψεν εἰπών ‘ἐνταῦθα τοίνυν ἑστὼς βούλευσαι καὶ ἀπόκριναι.’ πάντων δὲ τὸ φρόνημα τοῦ ἀνδρὸς καταπλαγέντων τοῦ τ’ Ἀντιόχου ποιήσειν [203] [a] ὁμολογοῦντος τὰ δοκοῦντα Ῥωμαίοις, οὕτως ἠσπάσατο καὶ περιέπτυξεν αὐτὸν ὁ Ποπίλλιος.

ΛΕΥΚΟΥΛΛΟΣ

Λεύκουλλος ἐν Ἀρμενίᾳ μετὰ μυρίων ὁπλιτῶν καὶ χιλίων ἱππέων ἐπὶ Τιγράνην ἐχώρει πεντεκαίδεκα μυριάδας στρατιᾶς ἔχοντα τῇ πρὸ μιᾶς νωνῶν ὀκτωβρίων, ἐν ᾗ πρότερον ὑπὸ Κίμβρων ἡ μετὰ Καιπίωνος διεφθάρη δύναμις. εἰπόντος δέ τινος ὅτι Ῥωμαῖοι τὴν ἡμέραν ἀφοσιοῦνται καὶ δεδοίκασιν, ‘οὐκοῦν’ ἔφη ‘σήμερον ἀγωνισώμεθα προθύμως, ἵνα καὶ ταύτην ἐξ ἀποφράδος καὶ σκυθρωπῆς ποιήσωμεν ἱλαρὰν καὶ προσφιλῆ Ῥωμαίοις.’

Τοὺς δὲ καταφράκτους μάλιστα φοβουμένων τῶν [b] στρατιωτῶν ἐκέλευε θαρρεῖν· πλεῖον γὰρ ἔργον εἶναι τοῦ νικῆσαι τὸ τούτους σκυλεῦσαι. προσβὰς δὲ τῷ λόφῳ πρῶτος καὶ τὸ κίνημα τῶν βαρβάρων θεασάμενος ἀνεβόησε ‘νενικήκαμεν, ὦ συστρατιῶται·’ καὶ μηδενὸς ὑποστάντος διώκων πέντε Ῥωμαίων ἀπέβαλε πεσόντας, τῶν δὲ πολεμίων ὑπὲρ δέκα μυριάδας ἀπέκτεινε.

ΓΝΑΙΟΣ ΠΟΜΠΗΙΟΣ

Γναῖος Πομπήιος ὑπὸ Ῥωμαίων ἠγαπήθη τοσοῦτον ὅσον ὁ πατὴρ ἐμισήθη. νέος δ’ ὢν παντάπασι τῇ Σύλλα μερίδι προσέθηκεν αὑτόν· καὶ μήτ’ ἄρχων μήτε βουλεύων πολλοὺς ἐκ τῆς Ἰταλίας ἐστρατολόγησε. καὶ [c] Σύλλα καλοῦντος οὐκ ἔφη δίχα λαφύρων οὐδ’ ἀναίμακτον ἐπιδείξειν τῷ

αὐτοκράτορι τὴν δύναμιν· οὐδ’ ἦλθε πρότερον πρὶν ἢ πολλαῖς μάχαις νικῆσαι τοὺς στρατηγοὺς τῶν πολεμίων.

Ἐπεὶ δὲ πεμφθεὶς εἰς Σικελίαν ὑπὸ Σύλλα στρατηγὸς ἐπυνθάνετο τοὺς στρατιώτας ἐν ταῖς ὁδοιπορίαις ἐκτρεπομένους βιάζεσθαι καὶ ἁρπάζειν, τοὺς μὲν ἄλλως πλανωμένους καὶ περιθέοντας ἐκόλασε, τῶν δὲ πεμπομένων ὑπ’ αὐτοῦ σφραγῖδας ἐπέβαλε ταῖς μαχαίραις.

Μαμερτίνους δὲ τῆς ἐναντίας γενομένους μερίδος οἷός [τε] ἦν ἀποσφάττειν ἅπαντας· Σθενίου δὲ τοῦ δημαγωγοῦ [d] φήσαντος οὐ δίκαια ποιεῖν αὐτὸν ἀνθ’ ἑνὸς αἰτίου πολλοὺς ἀναιτίους κολάζοντα, τοῦτον δὲ αὐτὸν εἶναι τὸν τοὺς μὲν φίλους πείσαντα τοὺς δ’ ἐχθροὺς βιασάμενον ἑλέσθαι τὰ Μαρίου, θαυμάσας ὁ Πομπήιος ἔφη συγγνώμην ἔχειν Μαμερτίνοις ὑπὸ τοιούτου πεισθεῖσιν ἀνδρός, ὃς τὴν πατρίδα τῆς ἑαυτοῦ ψυχῆς προτιμᾷ. καὶ τήν τε πόλιν καὶ τὸν Σθένιον ἀπέλυσεν.

Εἰς δὲ Λιβύην διαβὰς ἐπὶ Δομίτιον καὶ μάχῃ μεγάλῃ κρατήσας ἀσπασαμένων αὐτὸν αὐτοκράτορα τῶν στρατιωτῶν ἔφη μὴ δέχεσθαι τὴν τιμήν, ἕως ὀρθὸς ἕστηκεν ὁ χάραξ τῶν πολεμίων. οἱ δέ, καίπερ ὄμβρου πολλοῦ [e] κατέχοντος, ὁρμήσαντες διεπόρθησαν τὸ στρατόπεδον.

Ἐπανελθόντα δ’ αὐτὸν ὁ Σύλλας ταῖς μὲν ἄλλαις τιμαῖς ἐδέξατο φιλοφρόνως καὶ Μάγνον προσηγόρευσε πρῶτος αὐτόν, θριαμβεῦσαι δὲ βουλόμενον οὐκ εἴα μηδέπω μετέχοντα βουλῆς. εἰπόντος δὲ τοῦ Πομπηίου πρὸς τοὺς παρόντας ἀγνοεῖν τὸν Σύλλαν ὅτι καὶ τὸν ἥλιον ἀνατέλλοντα πλείονες ἢ δύνοντα προσκυνοῦσιν, ὁ μὲν Σύλλας ἀνεβόησε ‘θριαμβευέτω.’

Σερουίλιος δ’ ἀνὴρ ἀριστοκρατικὸς ἠγανάκτει καὶ τῶν στρατιωτῶν ἐνίσταντο πολλοὶ τῷ θριάμβῳ δωρεάς τινας ἀπαιτοῦντες. ἐπεὶ δ’ ὁ Πομπήιος ἔφη μᾶλλον [f] ἀφήσειν τὸν θρίαμβον ἢ κολακεύσειν ἐκείνους, νῦν ἔφη καὶ μέγαν ἀληθῶς ὁρᾶν καὶ ἄξιον τοῦ θριάμβου τὸν Πομπήιον.

Ἔθους δ’ ὄντος ἐν Ῥώμῃ τοῖς ἱππεῦσιν, ὅταν στρατεύσωνται τὸν νόμιμον χρόνον, ἄγειν τὸν ἵππον εἰς ἀγορὰν ἐπὶ τοὺς δύο ἄνδρας, οὓς τιμητὰς καλοῦσι, καὶ καταριθμησαμένους τὰς στρατείας καὶ τοὺς στρατηγοὺς ὑφ’ οἷς ἐστρατεύσαντο τυγχάνειν ἐπαίνων ἢ ψόγων τῶν [204] [a] προσηκόντων, ὑπατεύων ὁ Πομπήιος κατήγαγεν αὐτὸς τὸν ἵππον ἐπὶ τοὺς τιμητὰς Γέλλιον καὶ Λέντλον· ἐκείνων δὲ ὥσπερ ἔθος ἐστὶ πυθομένων, εἰ πάσας ἐστράτευται τὰς στρατείας, ‘πάσας’ εἶπεν ‘ὑπ’ ἐμαυτῷ αὐτοκράτορι.’

Τῶν δὲ Σερτωρίου γραμμάτων κρατήσας ἐν Ἰβηρίᾳ, ἐν οἷς ἦσαν ἐπιστολαὶ πολλῶν ἡγεμόνων ἐπὶ νεωτερισμῷ καὶ μεταβολῇ τῆς πολιτείας τὸν Σερτώριον εἰς Ῥώμην καλούντων, κατέκαυσε πάσας διδοὺς μετανοῆσαι καὶ βελτίονας γενέσθαι τοὺς πονηρούς.

Ἐπεὶ δὲ Φραάτης ὁ Πάρθων βασιλεὺς ἔπεμψε πρὸς αὐτὸν ἀξιῶν ὅρῳ χρῆσθαι τῷ Εὐφράτῃ, μᾶλλον ἔφη χρήσεθαι Ῥωμαίους ὅρῳ πρὸς Πάρθους τῷ δικαίῳ.

[b] Λευκίου δὲ Λευκούλλου μετὰ τὰς στρατείας ἀφεικότος αὐτὸν εἰς ἡδονὰς καὶ πολυτελῶς ζῶντος, τὸν δὲ Πομπήιον ὡς παρ' ἡλικίαν τοῦ πολλὰ πράσσειν ὀρεγόμενον ψέγοντος, μᾶλλον ἔφη γέροντι τὸ τρυφᾶν ἢ τὸ ἄρχειν εἶναι παρ' ἡλικίαν.

Νοσοῦντι δ' αὐτῷ κίχλην ὁ ἰατρὸς λαβεῖν προσέταξεν· οἱ δὲ ζητοῦντες οὐχ εὗρον (ἦν γὰρ παρ' ὥραν), ἔφη δέ τις εὑρεθήσεσθαι παρὰ Λευκούλλῳ δι' ἔτους τρεφομένας· 'εἶτα' ἔφη 'εἰ μὴ Λεύκουλλος ἐτρύφα, Πομπήιος οὐκ ἂν ἔζησε;' καὶ χαίρειν ἐάσας τὸν ἰατρὸν ἔλαβέ τι τῶν εὐπορίστων.

Ἰσχυρᾶς δὲ σιτοδείας ἐν Ῥώμῃ γενομένης ἀποδειχθεὶς [c] λόγῳ μὲν ἀγορᾶς ἐπιμελητής, ἔργῳ δὲ γῆς καὶ θαλάσσης κύριος, ἔπλευσεν εἰς Λιβύην καὶ Σαρδόνα καὶ Σικελίαν· καὶ πολὺν ἀθροίσας σῖτον ἔσπευδεν εἰς τὴν Ῥώμην. μεγάλου δὲ χειμῶνος γενομένου καὶ τῶν κυβερνητῶν ὀκνούντων, πρῶτος ἐμβὰς καὶ τὴν ἄγκυραν ἆραι κελεύσας ἀνεβόησε 'πλεῖν ἀνάγκη, ζῆν οὐκ ἀνάγκη.'

Τῆς δὲ πρὸς τὸν Καίσαρα διαφορᾶς ἀποκαλυπτομένης καὶ Μαρκελλίνου τινὸς τῶν ὑπὸ Πομπηίου προῆχθαι δοκούντων μεταβεβλημένου δὲ πρὸς Καίσαρα πολλὰ πρὸς αὐτὸν ἐν συγκλήτῳ λέγοντος, 'οὐκ αἰσχύνῃ, Μαρκελλῖνε,' εἶπεν 'ἐμοὶ λοιδορούμενος, δι' ὃν ἐξ ἀφώνου λόγιος ἐκ δὲ πεινατικοῦ ἐμετικὸς γέγονας;'

[d] Πρὸς δὲ Κάτωνα πικρῶς καθαψάμενον, ὅτι πολλάκις αὐτοῦ προαγορεύοντος τὴν Καίσαρος δύναμιν καὶ αὔξησιν οὐκ ἐπ' ἀγαθῷ τῆς δημοκρατίας γινομένην ἀντέπραττεν αὐτός, ἀπεκρίνατο 'τὰ μὲν σὰ μαντικώτερα, τὰ δ' ἐμὰ φιλικώτερα.'

Περὶ δὲ αὑτοῦ παρρησιαζόμενος εἶπεν, ὡς πᾶσαν ἀρχὴν καὶ ἔλαβε θᾶσσον ἢ προσεδόκησε καὶ κατέθετο θᾶσσον ἢ προσεδοκήθη.

Μετὰ δὲ τὴν ἐν Φαρσάλῳ μάχην φεύγων εἰς Αἴγυπτον, ὡς ἔμελλε διαβαίνειν ἐκ τῆς τριήρους εἰς ἁλιευτικὸν πλοῖον ἀποστείλαντος τοῦ βασιλέως, ἐπιστραφεὶς πρὸς τὴν γυναῖκα καὶ τὸν υἱὸν οὐδὲν ἕτερον ἢ τὸ τοῦ Σοφοκλέους εἶπεν (frg. 789 N.^{2})

[e] 'ὅστις δὲ πρὸς τύραννον ἐμπορεύεται,

κείνου 'στὶ δοῦλος, κἂν ἐλεύθερος μόλῃ.'

μεταβὰς δὲ καὶ πληγεὶς ξίφει καὶ στενάξας ἅπαξ, εἰπὼν δὲ μηδὲν ἀλλ' ἐγκαλυψάμενος παρέδωκεν ἑαυτόν.

ΚΙΚΕΡΩΝ

Κικέρων ὁ ῥήτωρ εἰς τοὔνομα σκωπτόμενος καὶ τῶν φίλων μεταθέσθαι κελευόντων ἔφη τὸν Κικέρωνα ποιήσειν τῶν Κατώνων καὶ τῶν Κάτλων καὶ τῶν Σκαύρων ἐνδοξότερον.

Ἔκπωμα δ' ἀργυροῦν τοῖς θεοῖς ἀνατιθεὶς τὰ μὲν πρῶτα τῶν ὀνομάτων γράμμασιν ἐσήμηνεν, ἀντὶ δὲ τοῦ Κικέρωνος ἐρέβινθον ἐτόρευσε.

Τῶν δὲ ῥητόρων τοὺς μέγα βοῶντας ἔλεγε δι' [f] ἀσθένειαν ἐπὶ τὴν κραυγὴν ὡς χωλοὺς ἀναβαίνειν ἐφ' ἵππον.

Οὐέρρου δὲ υἱὸν ἔχοντος οὐκ εὖ κεχρημένον ἐφ' ὥρᾳ τῷ σώματι, τὸν δὲ Κικέρωνα λοιδοροῦντος εἰς μαλακίαν καὶ κίναιδον ἀποκαλοῦντος, 'ἀγνοεῖς' εἶπεν 'ὅτι προσήκει τοῖς τέκνοις ἐντὸς θυρῶν λοιδορεῖσθαι.'

Μετέλλου δὲ Νέπωτος εἰπόντος πρὸς αὐτὸν ὅτι 'πλείονας μαρτυρῶν ἀπέκτονας ἢ συνηγορῶν σέσωκας', [205] [a] 'καὶ γὰρ ἔστιν' ἔφη 'πλεῖον ἐμοὶ πίστεως ἢ λογιότητος.'

Ἐρωτῶντος δὲ τοῦ Μετέλλου τίς αὐτοῦ πατήρ ἐστι, 'ταύτην' ἔφη 'τὴν ἀπόκρισιν χαλεπωτέραν σοὶ ἡ μήτηρ πεποίηκεν.' ἦν γὰρ ἡ τοῦ Μετέλλου ἀκόλαστος, ὁ δὲ Μέτελλος αὐτὸς ὑπόκουφος καὶ ἀβέβαιος καὶ φερόμενος ταῖς ὁρμαῖς. Διοδότῳ δὲ τῷ διδασκάλῳ τῶν ῥητορικῶν ἀποθανόντι κόρακα λίθινον ἐπιστήσαντος αὐτοῦ δικαίαν ἔφη τὴν ἀμοιβὴν γεγονέναι· 'πέτεσθαι γὰρ τοῦτον οὐ λέγειν ἐδίδαξεν.'

Οὐατίνιον δ' ἄνθρωπον ἑαυτῷ διάφορον καὶ μοχθηρὸν ἄλλως ἀκούσας ὅτι τέθνηκεν, εἶτα γνοὺς ὕστερον ὅτι [b] ζῇ, 'κακός' εἶπεν 'ὄλοιτο κακῶς ὁ ψευσάμενος.'

Πρὸς δὲ τὸν δοκοῦντα Λίβυν ἀπὸ γένους εἶναι, φήσαντα δ' αὐτοῦ μὴ ἀκούειν λέγοντος, 'καὶ μὴν οὐκ ἀτρύπητον ἔχεις τὸ οὖς' εἶπε.

†Κάστον δὲ Ποπίλλιον νομικὸν εἶναι βουλόμενον, ὄντα δ' ἀμαθῆ καὶ ἀφυῆ, προσεκαλεῖτο μάρτυρα πρός τινα δίκην· εἰπόντος δ' ἐκείνου μηδὲν γινώσκειν, 'οἴει γὰρ ἴσως' εἶπε 'περὶ τῶν νομίμων ἐπερωτᾶσθαι.'

Ὁρτησίου δὲ τοῦ ῥήτορος λαβόντος μισθὸν ἀργυρᾶν σφίγγα παρὰ τοῦ Βέρρου καὶ πρὸς τὸν Κικέρωνα πλαγίως τι εἰπόντα φήσαντος αἰνιγμάτων λύσεως ἀπείρως ἔχειν, 'καὶ μὴν ἡ σφίγξ' ἔφη 'παρὰ σοί ἐστιν.'

[c] Οὐοκωνίῳ δ' ἀπαντήσας μετὰ τριῶν θυγατέρων ἀμορφοτάτων τὴν ὄψιν ἀτρέμα πρὸς τοὺς φίλους εἶπεν (p. 911 N.[2])

'Φοίβου ποτ' οὐκ ἐῶντος ἔσπειρεν τέκνα.'

Φαύστου δὲ τοῦ Σύλλα παιδὸς διὰ πλῆθος δανείων ἀπαρτίαν προγράψαντος 'ταύτην' ἔφη 'μᾶλλον ἀσπάζομαι τὴν προγραφὴν ἢ τὴν πατρῴαν [αὐτοῦ].'

Πομπηίου δὲ καὶ Καίσαρος διαστάντων ἔφη 'γινώσκω ὃν φύγω, μὴ γινώσκων πρὸς ὃν φύγω,' καὶ Πομπήιον ἐμέμψατο τὴν πόλιν ἐκλιπόντα καὶ Θεμιστοκλέα μᾶλλον ἢ Περικλέα μιμησάμενον, οὐκ ἐκείνοις τῶν πραγμάτων ἀλλὰ τούτοις ὁμοίων ὄντων.

Γενόμενος δ' οὖν παρὰ Πομπηίῳ καὶ πάλιν μετανοῶν, [d] ἐρωτηθεὶς ὑπὸ Πομπηίου ποῦ Πείσωνα τὸν γαμβρὸν ἀπολέλοιπεν ἔφη 'παρὰ τῷ σῷ πενθερῷ.'

Μεταβαλομένου δέ τινος ἀπὸ Καίσαρος πρὸς τὸν Πομπήιον καὶ λέγοντος ὑπὸ σπουδῆς καὶ προθυμίας ἀπολελοιπέναι τὸν ἵππον, βέλτιον ἔφη αὐτὸν περὶ τοῦ ἵππου βεβουλεῦσθαι.

Πρὸς δὲ τὸν ἀπαγγέλλοντα τοὺς Καίσαρος φίλους σκυθρωποὺς εἶναι 'λέγεις' ἔφη 'δυσνοεῖν αὐτοὺς Καίσαρι.'

Μετὰ δὲ τὴν ἐν Φαρσάλῳ μάχην Πομπηίου μὲν φυγόντος, Νωνίου δέ τινος ἔτι παρ' αὐτοῖς ἀετοὺς ἑπτὰ φήσαντος εἶναι καὶ διὰ τοῦτο θαρρεῖν παρακαλοῦντος, [e] 'καλῶς ἂν παρῄνεις' εἶπεν 'εἰ κολοιοῖς ἐπολεμοῦμεν.'

Ἐπεὶ δὲ Καῖσαρ κρατήσας τὰς Πομπηίου καταβεβλημένας εἰκόνας ἀνέστησε μετὰ τιμῆς, ἔφη περὶ αὐτοῦ [λέγων ὁ Κικέρων] ὅτι 'τοὺς Πομπηίου Καῖσαρ ἱστὰς ἀνδριάντας τοὺς αὑτοῦ πήγνυσιν.'

Οὕτω δὲ πολλοῦ τὸ καλῶς λέγειν ἐτίμα τε καὶ περὶ τοῦτο μάλιστα ἠγωνία, ὥστε προκειμένης δίκης ἐπὶ τῶν ἑκατὸν ἀνδρῶν καὶ ἐπικειμένης τῆς ἡμέρας Ἔρωτα ἀπαγγείλαντα αὐτῷ τὸν οἰκέτην εἰς τὴν ἐπιοῦσαν ὑπερτεθῆναι τὴν δίκην ἠλευθέρωσε.

ΓΑΙΟΣ ΚΑΙΣΑΡ

Γάιος Καῖσαρ, ὅτε Σύλλαν ἔφευγεν ἔτι μειράκιον [f] ὤν, περιέπεσε πειραταῖς· καὶ πρῶτον μὲν αἰτηθεὶς ἀργυρίου πλῆθος κατεγέλασε τῶν λῃστῶν ὡς ἀγνοούντων ὃν ἔχουσι καὶ διπλάσιον ὡμολόγησε δώσειν· ἔπειτα φρουρούμενος, ἕως συνῆγε τὰ χρήματα, προσέταττεν ἡσυχίαν αὐτῷ παρέχειν κοιμωμένῳ καὶ σιωπᾶν. λόγους δὲ καὶ ποιήματα γράφων ἀνεγίνωσκεν αὐτοῖς καὶ τοὺς μὴ λίαν ἐπαινοῦντας ἀναισθήτους καὶ βαρβάρους ἀπεκάλει καὶ μετὰ γέλωτος ἠπείλει κρεμᾶν αὐτούς· ὃ καὶ μετ' [206] [a] ὀλίγον ἐποίησεν. τῶν γὰρ λύτρων κομισθέντων ἀπολυθεὶς καὶ συναγαγὼν ἄνδρας ἐξ Ἀσίας καὶ πλοῖα συνήρπασε τοὺς λῃστὰς καὶ προσήλωσεν.

Ἐν δὲ Ῥώμῃ πρὸς Κάτλον πρωτεύοντα Ῥωμαίων εἰς ἅμιλλαν ὑπὲρ τῆς ἀρχιερωσύνης καταστὰς καὶ προπεμπόμενος ὑπὸ τῆς μητρὸς ἐπὶ τὰς θύρας 'σήμερον' εἶπεν 'ὦ μῆτερ, ‹ἢ› ἀρχιερέα τὸν υἱὸν ἢ φυγάδα ἕξεις.'

Πομπηίαν δὲ τὴν γυναῖκα κακῶς ἀκούσασαν ἐπὶ Κλωδίῳ παραιτησάμενος, εἶτα τοῦ Κλωδίου φεύγοντος ἐπὶ τούτῳ δίκην μάρτυς εἰσαχθεὶς οὐδὲν εἶπε

φαῦλον περὶ τῆς γυναικός· ἐρομένου δὲ τοῦ κατηγόρου ‘διὰ τί [b] τοίνυν ἐξέβαλες αὐτήν’, ‘ὅτι τὴν Καίσαρος’ ἔφη ‘γυναῖκα καὶ διαβολῆς ἔδει καθαρὰν εἶναι.’

Τὰς δ’ Ἀλεξάνδρου πράξεις ἀναγινώσκων ἐδάκρυσε

καὶ πρὸς τοὺς φίλους εἶπεν ὅτι ‘ταύτην τὴν ἡλικίαν ἔχων ἐνίκησε Δαρεῖον, ἐμοὶ δὲ μέχρι νῦν οὐδὲν πέπρακται.’

Πολίχνιον δ’ αὐτοῦ λυπρὸν ἐν ταῖς Ἄλπεσι παρερχομένου καὶ τῶν φίλων διαπορούντων εἰ καὶ ἐνταῦθά τινες στάσεις εἰσὶ καὶ ἅμιλλαι περὶ πρωτείων, ἐπιστὰς καὶ σύννους γενόμενος ‘μᾶλλον ἄν’ ἔφη ‘ἐβουλόμην πρῶτος ἐνταῦθα εἶναι ἢ δεύτερος ἐν Ῥώμῃ.’

Τῶν δὲ τολμημάτων τὰ παράβολα καὶ μεγάλα [c] πράττειν ἔφη δεῖν, ἀλλὰ μὴ βουλεύεσθαι. Καὶ διέβη τὸν Ῥουβίκωνα ποταμὸν ἐκ τῆς Γαλατικῆς ἐπαρχίας ἐπὶ Πομπήιον εἰπών ‘πᾶς ἀνερρίφθω κύβος.’

Ἐπεὶ δὲ Πομπηίου φυγόντος ἐπὶ θάλασσαν ἐκ τῆς Ῥώμης Μέτελλος ἔπαρχος ὢν τοῦ ταμιείου βουλόμενον αὐτὸν χρήματα λαβεῖν ἐκώλυε καὶ τὸ ταμιεῖον ἀπέκλεισεν, ἠπείλησεν ἀποκτενεῖν αὐτόν· καταπλαγέντος δὲ τοῦ Μετέλλου ‘τοῦτ’’ εἶπεν ‘ὦ νεανίσκε, φῆσαί μοι χαλεπώτερον ἦν ἢ ποιῆσαι.’

Τῶν δὲ στρατιωτῶν αὐτῷ βραδέως εἰς Δυρράχιον

ἐκ Βρεντεσίου κομιζομένων λαθὼν ἅπαντας εἰς πλοῖον ἐμβὰς μικρὸν ἐπεχείρησε διαπλεῖν τὸ πέλαγος· συγκλυζομένου [d] δὲ τοῦ πλοίου ποιήσας τῷ κυβερνήτῃ φανερὸν ἑαυτὸν ἀνεβόησε ‘πίστευε τῇ τύχῃ γνοὺς ὅτι Καίσαρα κομίζεις.’

Τότε μὲν οὖν ἐκωλύθη τοῦ χειμῶνος ἰσχυροῦ γενομένου καὶ τῶν στρατιωτῶν συνδραμόντων καὶ περιπαθούντων, εἰ περιμένει δύναμιν ἄλλην ὡς ἀπιστῶν αὐτοῖς· ἐπεὶ δὲ μάχης γενομένης νικῶν ὁ Πομπήιος οὐκ ἐπεξῆλθεν, ἀλλ’ ἀνεχώρησεν εἰς τὸ στρατόπεδον, ‘τήμερον’ εἶπεν ‘ἦν ἡ νίκη παρὰ τοῖς πολεμίοις, ἀλλὰ τὸν εἰδότα νικᾶν οὐκ ἔχουσιν.’

Ἐν δὲ Φαρσάλῳ Πομπηίου παρατεταγμένην τὴν φάλαγγα κατὰ χώραν ἑστάναι καὶ προσδέχεσθαι τοὺς [e] πολεμίους παρεγγυήσαντος ἁμαρτεῖν αὐτὸν ἔλεγε τὸν ἐξ ἐπιδρομῆς μετ’ ἐνθουσιασμοῦ τόνον καὶ ῥοῖζον ἐκλύσαντα τῶν στρατιωτῶν.

Φαρνάκην δὲ νικήσας τὸν Ποντικὸν ἐξ ἐφόδου πρὸς τοὺς φίλους ἔγραψεν ‘ἦλθον εἶδον ἐνίκησα.’

Μετὰ δὲ τὴν ἐν Λιβύῃ τῶν περὶ τὸν Σκιπίωνα φυγὴν καὶ ἧτταν Κάτωνος ἑαυτὸν ἀνελόντος ‘φθονῶ σοι, Κάτων,’ εἶπε ‘τοῦ θανάτου· καὶ γὰρ σὺ ἐμοὶ τῆς σῆς σωτηρίας ἐφθόνησας.’

Ἀντώνιον δὲ καὶ Δολοβέλλαν ὑφορωμένων ἐνίων καὶ φυλάττεσθαι κελευόντων, οὐ τούτους ἔφη δεδιέναι τοὺς βαναύσους καὶ λιπῶντας, ἀλλὰ τοὺς ἰσχνοὺς καὶ ὠχροὺς ἐκείνους, δείξας Βροῦτον καὶ Κάσσιον.

[f] Λόγου δὲ παρὰ δεῖπνον ἐμπεσόντος περὶ θανάτου ποῖος ἄριστος 'ὁ ἀπροσδόκητος' εἶπε.

ΚΑΙΣΑΡ Ο ΣΕΒΑΣΤΟΣ

Καῖσαρ ὁ πρῶτος ἐπικληθεὶς Σεβαστὸς ἔτι μειράκιον ὢν Ἀντώνιον ἀπῄτει ‹τὰς› δισχιλίας πεντακοσίας μυριάδας, ἃς τοῦ πρώτου Καίσαρος ἀναιρεθέντος ἐκ τῆς οἰκίας πρὸς αὑτὸν ὁ Ἀντώνιος μετήνεγκεν, ἀποδοῦναι Ῥωμαίοις βουλόμενος τὸ καταλειφθὲν ὑπὸ Καίσαρος, ἑκάστῳ δραχμὰς ἑβδομήκοντα πέντε· τοῦ δ' Ἀντωνίου τὰ μὲν χρήματα κατέχοντος, ἐκεῖνον δὲ τῆς ἀπαιτήσεως [207] [a] ἀμελεῖν, εἰ σωφρονεῖ, κελεύοντος, ἐκήρυττε τὰ πατρῷα καὶ ἐπίπρασκε· καὶ τὴν δωρεὰν ἀποδοὺς εὔνοιαν μὲν αὑτῷ, μῖσος δ' ἐκείνῳ παρὰ τῶν πολιτῶν περιεποίησεν.

Ἐπεὶ δὲ Ῥοιμητάλκης ὁ τῶν Θρᾳκῶν βασιλεὺς ἀπ' Ἀντωνίου μεταβαλόμενος πρὸς αὐτὸν οὐκ ἐμετρίαζε παρὰ τοὺς πότους, ἀλλ' ἦν ἐπαχθὴς ὀνειδίζων τὴν συμμαχίαν, προπιών τινι τῶν ἄλλων βασιλέων ὁ Καῖσαρ εἶπεν 'ἐγὼ προδοσίαν φιλῶ, προδότας δ' οὐκ ἐπαινῶ.'

Τῶν δ' Ἀλεξανδρέων μετὰ τὴν ἅλωσιν τὰ δεινότατα πείσεσθαι προσδοκώντων ἀναβὰς ἐπὶ τὸ βῆμα καὶ [b] παραστησάμενος Ἄρειον τὸν Ἀλεξανδρέα φείδεσθαι τῆς πόλεως ἔφη πρῶτον μὲν διὰ τὸ μέγεθος καὶ τὸ κάλλος, ἔπειτα διὰ τὸν κτίστην Ἀλέξανδρον, τρίτον δὲ δι' Ἄρειον τὸν φίλον.

Ἀκούσας δὲ ὅτι Ἔρως ὁ τὰ ἐν Αἰγύπτῳ διοικῶν ὄρτυγα τὸν κρατοῦντα πάντων ἐν τῷ μάχεσθαι καὶ ἀήττητον ὄντα πριάμενος ὀπτήσας κατέφαγε, μετεπέμψατο αὐτὸν καὶ ἀνέκρινεν· ὁμολογήσαντα δ' ἐκέλευσεν ἱστῷ νηὸς προσηλωθῆναι.

Ἐν δὲ Σικελίᾳ Ἄρειον ἀντὶ Θεοδώρου κατέστησε διοικητήν· ἐπιδόντος δέ τινος αὐτῷ βιβλίον, ἐν ᾧ γεγραμμένον ἦν 'φαλακρὸς †ἢ κλέπτης Θεόδωρος ὁ Ταρσεύς· τί σοι δοκεῖ;' ἀναγνοὺς Καῖσαρ ὑπέγραψε 'δοκεῖ.'

[c] Παρὰ δὲ Μαικήνα τοῦ συμβιωτοῦ καθ' ἕκαστον ἐνιαυτὸν ἐν τοῖς γενεθλίοις δῶρον ἐλάμβανε φιάλην.

Ἀθηνοδώρῳ δὲ τῷ φιλοσόφῳ διὰ γῆρας εἰς οἶκον ἀφεθῆναι δεηθέντι συνεχώρησεν. ἐπεὶ δ' ἀσπασάμενος αὐτὸν ὁ Ἀθηνόδωρος εἶπεν 'ὅταν ὀργισθῇς, Καῖσαρ, μηδὲν εἴπῃς μηδὲ ποιήσῃς πρότερον ἢ τὰ εἴκοσι καὶ τέτταρα γράμματα διελθεῖν πρὸς ἑαυτόν', ἐπιλαβόμενος αὐτοῦ τῆς χειρός 'ἔτι σοῦ παρόντος' ἔφη 'χρείαν ἔχω·' καὶ κατέσχεν αὐτὸν ὅλον ἐνιαυτόν, εἰπὼν ὅτι 'ἔστι καὶ σιγῆς ἀκίνδυνον γέρας.' (Simonid. fr. 66 II p. 78 D.)

Ἀκούσας δὲ ὅτι Ἀλέξανδρος δύο καὶ τριάκοντα [d] γεγονὼς ἔτη κατεστραμμένος τὰ πλεῖστα διηπόρει τί ποιήσει τὸν λοιπὸν χρόνον, ἐθαύμαζεν, εἰ μὴ μεῖζον Ἀλέξανδρος ἔργον ἡγεῖτο τοῦ κτήσασθαι μεγάλην ἡγεμονίαν τὸ διατάξαι τὴν ὑπάρχουσαν.

Γράψας δὲ τὸν περὶ τῶν μοιχῶν νόμον, ἐν ᾧ διώρισται πῶς δεῖ κρίνεσθαι τοὺς ἐν αἰτίαις γενομένους καὶ πῶς δεῖ κολάζεσθαι τοὺς ἁλόντας, εἶτα προπεσὼν ὑπ' ὀργῆς τὸν ἐπ' Ἰουλίᾳ τῇ θυγατρὶ διαβεβλημένον νεανίσκον ἔτυπτε ταῖς χερσίν, ἐκείνου δ' ἀναβοῶντος 'νόμον ἔθηκας, ὦ Καῖσαρ,' οὕτω μετενόησεν, ὥστε τὴν ἡμέραν ἐκείνην παραιτήσασθαι τὸ δεῖπνον.

Γάιον δὲ τὸν θυγατριδοῦν εἰς Ἀρμενίαν ἀποστέλλων [e] ᾐτεῖτο παρὰ τῶν θεῶν εὔνοιαν αὐτῷ τὴν Πομπηίου, τόλμαν δὲ τὴν Ἀλεξάνδρου, τύχην δὲ τὴν ἑαυτοῦ παρακολουθῆσαι.

Ῥωμαίοις δὲ τῆς ἀρχῆς ἔλεγεν ἀπολείψειν διάδοχον, ὃς οὐδέποτε περὶ τοῦ αὐτοῦ πράγματος δὶς ἐβουλεύσατο, Τιβέριον λέγων.

Θορυβοῦντας δὲ τοὺς ἐν ἀξιώματι νέους καταστεῖλαι βουλόμενος, ὡς οὐ προσεῖχον ἀλλ' ἐθορύβουν, 'ἀκούσατε' εἶπε 'νέοι γέροντος, οὗ νέου γέροντες ἤκουον.'

Τοῦ δ' Ἀθηναίων δήμου ἐξημαρτηκέναι τι δόξαντος ἔγραψεν ἀπ' Αἰγίνης βούλεσθαι μὴ λανθάνειν αὐτοὺς ὀργιζόμενος, οὐ γὰρ ἂν ἐν Αἰγίνῃ διαχειμάσειεν. ἄλλο δ' [f] οὐδὲν οὔτ' εἶπεν αὐτοὺς οὔτ' ἐποίησε.

Τῶν δ' Εὐρυκλέους κατηγόρων ἑνὸς ἀφειδῶς καὶ κατακόρως παρρησιαζομένου καὶ προαχθέντος εἰπεῖν τι τοιοῦτον 'εἰ ταῦτά σοι, Καῖσαρ, οὐ φαίνεται μεγάλα, κέλευσον αὐτὸν ἀποδοῦναί μοι Θουκυδίδου τὴν ἑβδόμην,' ὀργισθεὶς ἀπάγειν ἐκέλευσε· πυθόμενος δὲ ὅτι τῶν ἀπὸ Βρασίδου γεγονότων ὑπόλοιπος οὗτός ἐστι μετεπέμψατο καὶ μέτρια νουθετήσας ἀπέλυσε.

[208] [a] Πείσωνος δὲ τὴν οἰκίαν ἐκ θεμελίων ἄχρι τῆς στέγης ἐπιμελῶς οἰκοδομοῦντος, 'εὔθυμον' ἔφη 'με ποιεῖς οὕτως οἰκοδομῶν, ὡς ἀιδίου τῆς Ῥώμης ἐσομένης.'

ΑΠΟΦΘΕΓΜΑΤΑ ΛΑΚΩΝΙΚΑ

[208] ΑΓΑΣΙΚΛΗΣ

Ἀγασικλῆς ὁ Λακεδαιμονίων βασιλεύς, θαυμάζοντός [c] τινος ὅτι φιλήκοος ὢν οὐ προσδέχεται Φιλοφάνη τὸν σοφιστήν, ἔφη ‘τούτων χρῄζω μαθητὴς εἶναι, ὧν εἴην καὶ υἱός.’

Πρὸς δὲ τὸν εἰπόντα, πῶς ἄν τις ἀδορυφόρητος ὢν ‹τῶν πολιτῶν› ἄρχειν ἀσφαλῶς δύναιτο, ‘ἐὰν οὕτως’ ἔφη ‘αὐτῶν ἄρχῃ, ὥσπερ οἱ πατέρες τῶν υἱῶν.’

ΑΓΗΣΙΛΑΟΣ

Ἀγησίλαος ὁ μέγας παρὰ πότον ποτὲ λαχὼν συμποσίαρχος, ἐρωτηθεὶς ὑπὸ τοῦ οἰνοχόου πόσον ἑκάστῳ προσφέροι, ‘εἰ μὲν πολὺς οἶνός ἐστιν’ ἔφη ‘παρεσκευασμένος, [d] ὅσον ἕκαστος αἰτεῖ· εἰ δ’ ὀλίγος, ἐξ ἴσου δίδου πᾶσι.’

Κακούργου δέ τινος ἐμμόνως ὑπομείναντος βασάνους, ‘ὡς σφόδρα πονηρός’ εἶπεν ‘ἄνθρωπος, εἰς μοχθηρὰ καὶ αἰσχρὰ πράγματα τὴν ὑπομονὴν καὶ καρτερίαν κατατιθέμενος.’

Ἐπαινοῦντος δέ τινος ῥήτορα ἐπὶ τῷ δυνατῶς αὔξειν τὰ μικρὰ πράγματα, ‘οὐδὲ σκυτοτόμον’ ἔφησεν ‘ἡγοῦμαι σπουδαῖον, ὃς μικρῷ ποδὶ ὑποδήματα μεγάλα περιτίθησι.’

Φαμένου δέ τινός ποτε πρὸς αὐτόν ‘ὡμολόγηκας’, καὶ πολλάκις τὸ αὐτὸ λέγοντος, ‘ναὶ μὰ Δία, εἴ γ’ ἐστὶ δίκαιον’ ἔφη· ‘εἰ δὲ μή, ἔλεξα μέν, ὡμολόγησα δ’ οὔ.’ [e] ἐπειπόντος δέ ‘ἀλλὰ μὴν δεῖ τοὺς βασιλεῖς ἐπιτελεῖν ὅττι κεν κεφαλῇ κατανεύσωσιν’ ‘οὐ μᾶλλον’ ἔφη ‘ἢ τοὺς προσιόντας τοῖς βασιλεῦσιν αἰτεῖσθαι δεῖ τὰ δίκαια καὶ λέγειν, στοχαζομένους τε τοῦ καιροῦ καὶ τοῦ ἁρμόζοντος τοῖς βασιλεῦσιν.’

Ὁπότε δὲ ψεγόντων ἢ ἐπαινούντων τινῶν ἀκούοι, οὐχ ἧττον ᾤετο δεῖν καταμανθάνειν τοὺς τῶν λεγόντων τρόπους ἢ περὶ ὧν λέγοιεν.

Ἔτι δὲ παῖδα αὐτὸν ὄντα, γυμνοπαιδίας ἀγομένης, ὁ χοροποιὸς ἔστησεν εἰς ἄσημον τόπον· ὁ δ’ ἐπείσθη καίπερ ἤδη βασιλεὺς ἀποδεδειγμένος καὶ εἶπεν ‘εὖγε· δείξω γὰρ ὅτι οὐχ οἱ τόποι τοὺς ἄνδρας ἐντίμους, ἀλλ’ οἱ ἄνδρες [f] τοὺς τόπους ἐπιδεικνύουσι.’

Προστάττοντος δέ τινος αὐτῷ ἰατροῦ περιεργοτέραν θεραπείαν καὶ οὐχ ἁπλῆν, ‘νὴ τὼ θεώ’ φησίν, ‘οὐ πάντως μοι πρόκειται ζῆν οὐδὲ πάντ’ ἀναδεχόμενον.’

Ἐφεστὼς δέ ποτε τῷ βωμῷ τῆς Χαλκιοίκου βουθυτῶν, ἐπειδὴ φθεὶρ αὐτὸν ἔδακεν, οὐ διετράπη· λαβὼν δὲ περιφανῶς ἐναντίον πάντων ἀπέκτεινε καὶ προσεῖπε 'νὴ τοὺς θεούς, ἡδέως τὸν ἐπίβουλον καὶ ἐπὶ τῷ βωμῷ.'

Ἄλλοτ' ἰδὼν μῦν ἑλκόμενον ἐκ θυρίδος ὑπὸ παιδαρίου, ἐπεὶ ὁ μῦς ἐπιστραφεὶς ἔδακε τὴν χεῖρα τοῦ κρατοῦντος καὶ ἔφυγεν, ἐπιδείξας τοῖς παροῦσιν εἶπεν 'ὅταν τὸ ἐλάχιστον ζῷον οὕτως ἀμύνηται τοὺς ἀδικοῦντας, τί τοὺς ἄνδρας προσήκει ποιεῖν λογίζεσθε;'

Βουλόμενος δὲ τὸν πρὸς τὸν Πέρσην συστήσασθαι πόλεμον ἕνεκα τοῦ ἐλευθερῶσαι τοὺς τὴν Ἀσίαν κατοικοῦντας Ἕλληνας, τῷ κατὰ Δωδώνην Διὸς ἐχρήσατο μαντείῳ· κελεύσαντος δέ, εἴπερ ἐστίν, ᾧ δοκεῖ, στρατεύεσθαι, [209] [a] τὸ χρησθὲν ἀνήγγειλε τοῖς ἐφόροις· οἱ δ' ἐκέλευσαν αὐτὸν καὶ εἰς Δελφοὺς ἀφικόμενον περὶ τῶν αὐτῶν πυνθάνεσθαι. πορευθεὶς οὖν εἰς τὸ μαντεῖον ἐπηρώτησεν οὕτως 'Ἄπολλον, ἦ δοκεῖ σοι ὃ καὶ τῷ πατρί;' συναινέσαντος δὲ αἱρεθεὶς οὕτως ἐστρατεύσατο.

Ἐπεὶ δὲ Τισσαφέρνης ἐν ἀρχῇ μὲν φοβηθεὶς τὸν Ἀγησίλαον ἐποιήσατο σπονδὰς τὰς πόλεις αὐτῷ τὰς Ἑλληνικὰς ἀφήσειν αὐτονόμους, μεταπεμψάμενος δὲ παρὰ τοῦ βασιλέως πολὺ στράτευμα πόλεμον κατήγγειλεν αὐτῷ, εἰ μὴ ἀπίοι τῆς Ἀσίας, ἄσμενος τὴν παράβασιν δεξάμενος ὥρμησε μὲν ὡς ἐπὶ Καρίαν προάξων· [b] ἐκεῖ δὲ τὴν δύναμιν τοῦ Τισσαφέρνους ἀθροίσαντος ἄρας εἰς Φρυγίαν ἐνέβαλε· καὶ λαβὼν πόλεις πλείστας καὶ χρημάτων πλῆθος εἶπε τοῖς φίλοις ὅτι σπεισάμενον μὲν ἀδικεῖν ἀσεβές, τοὺς δὲ πολεμίους παραλογίζεσθαι οὐ μόνον δίκαιον καὶ ἐπίδοξον, ἀλλὰ καὶ ἡδὺ καὶ κερδαλέον.

Τοῖς δ' ἱππεῦσιν ἐλαττωθεὶς ἀνεχώρησεν εἰς Ἔφεσον, καὶ τοῖς εὐπόροις προεῖπε παρέχειν ἵππον ‹ἕκαστον› ἀνθ' ἑαυτοῦ καὶ ἄνδρα ἀπολυομένους τῆς στρατείας, ὥστε ταχὺ συνήχθησαν καὶ ἵπποι καὶ ἄνδρες ἐπιτήδειοι ἀντὶ δειλῶν καὶ πλουσίων. καὶ τὸν Ἀγαμέμνονα ἔφη ζηλοῦν· καὶ γὰρ ἐκεῖνον θήλειαν ἵππον ἀγαθὴν λαβόντα [c] κακὸν ἄνδρα καὶ πλούσιον τῆς στρατείας ἀπολῦσαι.

Ἐπεὶ δὲ κελεύσαντος αὐτοῦ τοὺς αἰχμαλώτους γυμνοὺς [πωλεῖν] ἐπίπρασκον οἱ λαφυροπῶλαι καὶ τῆς μὲν ἐσθῆτος ἦσαν ὠνηταὶ πολλοί, τῶν δὲ σωμάτων λευκῶν καὶ ἁπαλῶν παντάπασι διὰ τὰς σκιατροφίας κατεγέλων ὡς ἀχρήστων καὶ μηδενὸς ἀξίων, ἐπιστὰς ὁ Ἀγησίλαος 'ταῦτα μέν' εἶπεν 'ὑπὲρ ὧν μαχεῖσθε, οὗτοι δὲ οἷς μαχεῖσθε.'

Τρεψάμενος δὲ περὶ Λυδίαν Τισσαφέρνην καὶ πλείστους ἀνελών, κατέτρεχε τῆς βασιλέως χώρας. τούτου δὲ χρήματα αὐτῷ προσπέμψαντος καὶ ἀξιοῦντος διαλύσασθαι τὸν πόλεμον, ὁ Ἀγησίλαος τῆς μὲν εἰρήνης ἔφη [d]

τὴν πόλιν εἶναι κυρίαν, τοὺς δὲ στρατιώτας πλουτίζων ἥδεσθαι μᾶλλον ἢ αὐτὸς πλουτῶν· καλὸν δὲ νομίζειν Ἕλληνας οὐ δῶρα λαμβάνειν ἀπὸ τῶν πολεμίων, ἀλλὰ λάφυρα κτᾶσθαι.

Μεγαβάτου δὲ τοῦ Σπιθριδάτου παιδός, ὃς ἦν κάλλιστος τὴν μορφήν, προσελθόντος αὐτῷ ὡς ἀσπασομένου καὶ φιλήσοντος διὰ τὸ σφόδρα δοκεῖν ἀγαπᾶσθαι, ἐξέκλινεν· ὡς δ' ἐπαύσατο ἐκεῖνος προσιών, ἐπεζήτησεν αὐτὸν ὁ Ἀγησίλαος. τῶν δὲ φίλων φαμένων ὡς αὐτὸς εἴη αἴτιος, τρέσας τὸ τοῦ καλοῦ φίλημα, εἰ δ' ἐθέλει καὶ μὴ ἀποδειλιάσει, ἥξειν ἐκεῖνον, χρόνον [οὐκ] ὀλίγον πρὸς αὐτῷ [e] γενόμενος ὁ Ἀγησίλαος καὶ διασιωπήσας 'οὐδέν' ἔφη 'δεῖ πείθειν ἐκεῖνον ὑμᾶς· ἐγὼ γάρ μοι δοκῶ τῶν τοιούτων βούλεσθαι ἐπάνω εἶναι ἢ τὴν εὐανδροτάτην τῶν ἀντιτεταγμένων πόλιν κατὰ κράτος ἑλεῖν· ἄμεινον γὰρ ἑαυτῷ φυλάττειν τὴν ἐλευθερίαν τοῦ ἑτέρων ἀφαιρεῖσθαι.'

Τὰ δ' ἄλλ' ἀκριβὴς ὢν καὶ νόμιμος, ἐν τοῖς φιλικοῖς πράγμασιν ἐνόμιζε πρόφασιν εἶναι τὸ λίαν δίκαιον [πρὸς αὐτούς]. φέρεται γοῦν ἐπιστόλιον αὐτοῦ παραιτουμένου τινὰ τῶν φίλων πρὸς Ἱδριέα τὸν Κᾶρα, οὕτω· 'Νικίας εἰ μὲν οὐκ ἀδικεῖ, ἄφες· εἰ δ' ἀδικεῖ, ἐμοὶ ἄφες· πάντως δ' ἄφες.'

Ἐν μὲν οὖν τοῖς πλείστοις τοιοῦτος ὑπὲρ τῶν φίλων [f] ὁ Ἀγησίλαος· ἔστι δὲ ὅπου πρὸς τὸ συμφέρον ἐχρῆτο τῷ καιρῷ μᾶλλον. ἀναζυγῆς γοῦν ποτε γενομένης θορυβωδεστέρας ἀσθενοῦντα καταλιπὼν τὸν ἐρώμενον, ἐκείνου δεομένου καὶ ἀνακαλοῦντος μετὰ δακρύων αὐτόν, ἀποστραφεὶς εἶπεν 'ὡς χαλεπόν ἐστιν ἐλεεῖν ἅμα καὶ φρονεῖν.'

Δίαιταν δὲ τὴν περὶ τὸ σῶμα οὐδὲν ἀμείνονα τῶν συνόντων εἶχε, κόρου μὲν καὶ μέθης τὸ παράπαν ἀπεχόμενος, ὕπνῳ δ' οὐ δεσπότῃ ἀλλ' ἀρχομένῳ ὑπὸ τῶν πράξεων χρώμενος· [210] [a] πρὸς δὲ θάλπος οὕτω καὶ ψῦχος εἶχεν, ὥστε μόνος ἀεὶ χρῆσθαι ταῖς ὥραις. ἐν μέσοις δὲ τοῖς στρατιώταις σκηνῶν οὐδενὸς ἀμείνονα κοίτην εἶχε.

Διετέλει δὲ λέγων τὸν ἄρχοντα προσήκειν οὐ μαλακίᾳ καὶ τρυφῇ, καρτερίᾳ δὲ καὶ ἀνδρείᾳ [δεῖν] τῶν ἰδιωτῶν περιεῖναι.

Πυθομένου γοῦν τινος τί περιεποίησαν οἱ Λυκούργου νόμοι τῇ Σπάρτῃ, 'καταφρονεῖν' ἔφη 'τῶν ἡδονῶν.'

Πρὸς δὲ τὸν ἐπιθαυμάζοντα τὴν μετριότητα τῆς ἐσθῆτος καὶ τῆς τροφῆς αὐτοῦ τε καὶ τῶν ἄλλων Λακεδαιμονίων 'ἀντὶ ταύτης' ἔφη 'τῆς διαίτης, ὦ ξένε, τὴν ἐλευθερίαν ἀμώμεθα.'

[b] Ἄλλου δὲ προτρεπομένου ἀνίεσθαι καὶ λέγοντος διὰ τὸ τῆς τύχης ἄδηλον μὴ ‹περιμεῖναι›, πότε καιρὸς τούτου γενή‹σε›ται, 'ἀλλ' ἐγώ' εἶπεν 'ἐμαυτὸν ἐθίζω [λέγων] ὥστ' ἐν μηδεμιᾷ μεταβολῇ μεταβολὴν ζητεῖν.'

Καὶ πρεσβύτης δὲ γενόμενος τῇ αὐτῇ ἀγωγῇ ἐχρῆτο· πρὸς οὖν τὸν πυθόμενον διὰ τί σφοδροῦ χειμῶνος ὄντος ἀχίτων περιέρχεται εἰς τοῦτο ἡλικίας ἥκων, 'ἵνα' φησίν 'οἱ νέοι μιμῶνται, παράδειγμα ἔχοντες τοὺς πρεσβυτάτους καὶ ἄρχοντας.'

†Θάσιοι δὲ τὴν χώραν αὐτῶν διαπορευομένῳ μετὰ τοῦ στρατεύματος ἄλφιτα καὶ χῆνας καὶ τραγήματα καὶ [c] μελίπηκτα καὶ ἄλλα παντοδαπὰ βρώματά τε καὶ πόματα πολυτελῆ ἔπεμψαν· μόνα δὲ τὰ ἄλφιτα δεξάμενος τὰ λοιπὰ ἀπάγειν ἐκέλευσεν ὀπίσω τοὺς κομίζοντας, ὡς οὐδὲν αὐτοῖς ὄντα χρήσιμα. λιπαρούντων δὲ καὶ δεομένων πάντως λαβεῖν, ἐκέλευσεν αὐτὰ τοῖς εἵλωσι διαδοῦναι. πυθομένων δὲ τὴν αἰτίαν, ἔφη 'τοὺς ἀνδραγαθίαν ἀσκοῦντας τὰς τοιαύτας λιχνείας οὐχ ἁρμόζει προσίεσθαι· τὰ γὰρ δελεάζοντα τοὺς ἀνδραποδώδεις τῶν ἐλευθέρων ἀλλότρια.'

Πάλιν δὲ τῶν †Θασίων διὰ τὸ δοκεῖν μεγάλως ὑπ' αὐτοῦ εὐεργετεῖσθαι ναοῖς αὐτὸν καὶ ἀποθεώσεσι τιμησάντων [d] καὶ πρεσβείαν περὶ τούτου ἀποστειλάντων, ἀναγνοὺς τὰς τιμάς, ἃς αὐτῷ προσήνεγκαν οἱ πρέσβεις, ἠρώτησεν εἰ ἡ πατρὶς αὐτῶν ἀποθεοῦν ἀνθρώπους ἔχει δύναμιν· φαμένων δέ, 'ἄγετ'' ἔφη 'ποιήσατε πρώτους ἑαυτοὺς ‹θεούς›· καὶ τοῦτ' ἂν πράξητε, τότε πιστεύσω ὑμῖν ὅτι κἀμὲ δυνήσεσθε θεὸν ποιῆσαι.'

Τῶν δ' ἐπὶ τῆς Ἀσίας Ἑλληνικῶν ἐθνῶν ψηφισαμένων ἐν ταῖς ἐπιφανεστάταις πόλεσιν εἰκόνας ἀνιστᾶν αὐτοῦ, προέγραψεν 'ἐμοῦ μηδεμία εἰκὼν ἔστω μήτε γραπτὴ μήτε πλαστὴ μήτε κατασκευαστή.'

Θεασάμενος δ' ἐπὶ τῆς Ἀσίας οἰκίαν τετραγώνοις ὠροφωμένην δοκοῖς ἠρώτησε τὸν κεκτημένον εἰ τετράγωνα [e] παρ' αὐτοῖς φύεται ‹τὰ› ξύλα· φαμένου δὲ οὔ, ἀλλὰ στρογγύλα, 'τί οὖν;' εἶπεν 'εἰ τετράγωνα ἦν, στρογγύλ' ‹ἂν› ἐτελεῖτε;'

Ἐρωτηθεὶς δέ ποτε ἄχρι τίνος εἰσὶν οἱ τῆς Λακωνικῆς ὅροι, κραδάνας τὸ δόρυ εἶπεν 'ἄχρις οὗ τοῦτο φθάνει.'

Ἄλλου δ' ἐπιζητοῦντος διὰ τί ἀτείχιστος ἡ Σπάρτη, ἐπιδείξας τοὺς πολίτας ἐξωπλισμένους 'ταῦτ' ἐστιν' εἶπε 'τὰ Λακεδαιμονίων τείχη.'

Ἄλλου δὲ τὸ αὐτὸ ἐπιζητοῦντος, 'οὐ λίθοις δεῖ καὶ ξύλοις τετειχίσθαι, [τὰς πόλεις' ἔφη ']ταῖς δὲ τῶν ἐνοικούντων ἀρεταῖς.'

Τοῖς δὲ φίλοις παρήγγειλε μὴ χρήμασιν, ἀνδρείᾳ δὲ καὶ ἀρετῇ σπουδάζειν πλουτεῖν.

[f] Ὁπότε δὲ βούλοιτο ἔργον τι ταχέως ὑπὸ τῶν στρατιωτῶν γενέσθαι, αὐτὸς πρῶτος ἐφήπτετο ἐν ὄψει ἁπάντων.

Ἐμεγαλύνετο δ' ἐπὶ τῷ μηδενὸς ἧττον πονεῖν καὶ ἐπὶ τῷ ἄρχειν ἑαυτοῦ μᾶλλον ἢ ἐπὶ τῷ βασιλεύειν.

Θεωρήσας δέ τινα Λάκωνα χωλὸν ἐπὶ πόλεμον ἐξιόντα καὶ ἵππον ζητοῦντα, ‘οὐκ αἰσθάνῃ’ ἔφη ‘ὅτι οὐ φευγόντων ἀλλὰ μενόντων ὁ πόλεμος χρείαν ἔχει;’

Ἐρωτώμενος δὲ πῶς μεγάλην δόξαν περιεποιήσατο, ‘θανάτου καταφρονήσας’ ἔφη.

Ἐπιζητοῦντος δέ τινος διὰ τί Σπαρτιᾶται μετ’ αὐλῶν ἀγωνίζονται, [211] [a] ἔφη ‘ἵν’, ὅταν πρὸς ῥυθμὸν βαίνωσιν, οἵ τε δειλοὶ καὶ οἱ ἀνδρεῖοι φανεροὶ ὦσι.’

Μακαρίζοντος δέ τινος τὸν Περσῶν βασιλέα νέον ὄντα κομιδῇ, εἶπεν ‘ἀλλ’ οὐδὲ Πρίαμος ταύτην ἔχων τὴν ἡλικίαν ἠτύχησε.’

Πολλὴν δὲ τῆς Ἀσίας ὑφ’ ἑαυτῷ ποιησάμενος διέγνω χωρεῖν ἐπ’ αὐτὸν βασιλέα, ὅπως παύσῃ σχολὴν ἄγοντα καὶ διαφθείροντα τοὺς τῶν Ἑλλήνων δημαγωγούς.

Μεταπεμφθεὶς δὲ ὑπὸ τῶν ἐφόρων ἕνεκα [τῆς] τοῦ περιεστηκότος τὴν Σπάρτην Ἑλληνικοῦ πολέμου [αἰτίας] διὰ τὰ ὑπὸ τοῦ Πέρσου διαπεμφθέντα χρήματα, εἰπὼν [b] τὸν ἀγαθὸν ἄρχοντα δεῖν ὑπὸ τῶν νόμων ἄρχεσθαι ἀπέπλευσε τῆς Ἀσίας πολὺν ἑαυτοῦ πόθον τοῖς ἐνταῦθα Ἕλλησι καταλιπών.

Τοῦ δὲ Περσικοῦ νομίσματος χάραγμα τοξότην ἔχοντος, ἀναζευγνύων ἔφη τρισμυρίοις τοξόταις ὑπὸ τοῦ βασιλέως ἐξελαύνεσθαι τῆς Ἀσίας· τοσούτων γὰρ εἰς Ἀθήνας καὶ Θήβας κομισθέντων διὰ Τιμοκράτους χρυσῶν δαρεικῶν καὶ διαδοθέντων τοῖς δημαγωγοῖς, ἐξεπολεμώθησαν οἱ δῆμοι πρὸς τοὺς Σπαρτιάτας.

Καὶ ἀντέγραψε τοῖς ἐφόροις ἐπιστολὴν τήνδε· ‘Ἀγησίλαος τοῖς ἐφόροις χαίρειν· τὰν πολλὰν τᾶς Ἀσίας κατεστρεψάμεθα καὶ τὼς βαρβάρως ἐλάσαμες καὶ ἐν [c] τᾷ Ἰωνίᾳ ὅπλα ἐποιήσαμες πολλά· ἐπεὶ δὲ κέλεσθέ με κατὰ τὰν προθεσμίαν παραγίνεσθαι, ἕπομαι τᾷ ἐπιστολᾷ, σχεδὸν δ’ αὐτὰν καὶ φθάσω· ἄρχω γὰρ οὐκ ἐμαυτῷ ἀρχάν, ἀλλὰ τᾷ πόλει καὶ τοῖς συμμάχοις· καὶ τότε ἄρχων ἄρχει ἀλαθέως κατὰ δίκαν, ὅταν καὶ ἄρχηται ὑπό τε νόμων καὶ ἐφόρων ἢ οἷοι ἂν ἄλλοι ἐν πόλει ἄρχοντες ὦσιν.’

Ὡς δὲ διαβὰς τὸν Ἑλλήσποντον ἐβάδιζε διὰ τῆς Θρᾴκης, ἐδεήθη μὲν οὐδενὸς τῶν βαρβάρων, πέμπων δὲ πρὸς ἑκάστους ἐπυνθάνετο πότερον ὡς φιλίαν ἢ ὡς πολεμίαν διαπορεύηται τὴν χώραν. οἱ μὲν οὖν ἄλλοι φιλικῶς ἐδέχοντο καὶ παρέπεμπον· οἱ δὲ καλούμενοι Τρωχαλεῖς, οἷς καὶ Ξέρξης ὡς λέγεται ἔδωκε δῶρα, τῆς διόδου μισθὸν ᾔτουν τὸν Ἀγησίλαον ἑκατὸν ἀργυρίου τάλαντα καὶ τοσαύτας γυναῖκας· ὁ δὲ κατειρωνευσάμενος αὐτοὺς καὶ [d] φήσας, ‘τί οὖν οὐκ εὐθὺς ἦλθον ληψόμενοι;’ προῆγε καὶ συμβαλὼν αὐτοῖς παρατεταγμένοις τρεψάμενος καὶ διαφθείρας πολλοὺς διῆλθε.

Τῷ δὲ τῶν Μακεδόνων βασιλεῖ τὸ αὐτὸ ἐρώτημα προσέπεμψε· φήσαντος δ' ἐκείνου βουλεύ‹ς›εσθαι, 'βουλευέσθω τοίνυν' εἶπεν, 'ἡμεῖς δ' ἤδη πορευσόμεθα.' θαυμάσας οὖν τὴν τόλμαν καὶ δείσας ἐκέλευσεν ὡς φίλον προάγειν.

Τῶν δὲ Θετταλῶν τοῖς πολεμίοις συμμαχούντων [e] ἐπόρθει τὴν χώραν· εἰς δὲ Λάρισσαν ἔπεμψε Ξενοκλέα καὶ Σκύθην περὶ φιλίας. συλληφθέντων δὲ τούτων καὶ παραφυλαττομένων, οἱ μὲν ἄλλοι βαρέως φέροντες ᾤοντο δεῖν τὸν Ἀγησίλαον περιστρατοπεδεύσαντα πολιορκεῖν τὴν Λάρισσαν· ὁ δὲ φήσας οὐκ ἂν ἐθελῆσαι Θεσσαλίαν ὅλην λαβεῖν ἀπολέσας τῶν ἀνδρῶν τὸν ἕτερον, ὑποσπόνδους αὐτοὺς ἀπέλαβε.

Πυθόμενος δὲ μάχην γεγονέναι περὶ Κόρινθον καὶ Σπαρτιατῶν μὲν παντάπασιν ὀλίγους τεθνάναι, Κορινθίων δὲ καὶ Ἀθηναίων καὶ τῶν ἄλλων συμμάχων αὐτοῖς παμπόλλους, οὐκ ὤφθη περιχαρὴς οὐδ' ἐπηρμένος τῇ [f] νίκῃ, ἀλλὰ καὶ πάνυ βαρὺ στενάξας 'φεῦ τᾶς Ἑλλάδος' ἔφη 'ἃ τοσούτους ὑφ' αὑτᾶς ἀπολώλεκεν, ὅσοις ἀρκεῖ τοὺς βαρβάρους νικᾶν ἅπαντας.'

Φαρσαλίων δὲ προσκειμένων καὶ κακουργούντων αὐτοῦ τὸ στράτευμα, πεντακοσίοις ἱππεῦσι τρεψάμενος αὐτοὺς τρόπαιον ἔστησεν ὑπὸ τῷ Ναρθακίῳ· καὶ τὴν νίκην ἐκείνην πάντων ὑπερηγάπησεν, ὅτι συστησάμενος τὸ ἱππικὸν αὐτὸς δι' ἑαυτοῦ τούτῳ μόνῳ τοὺς μέγιστον ἐφ' ἱππικῇ φρονοῦντας ἐκράτησε.

[212] [a] Διφρίδα δ' οἴκοθεν ἀπαγγείλαντος αὐτῷ εὐθὺς ἐκ παρόδου ἐμβαλεῖν εἰς τὴν Βοιωτίαν, καίτοι ἐκ μείζονος παρασκευῆς ὕστερον τοῦτο ποιῆσαι διανοούμενος, οὐκ ἀπειθήσας τοῖς ἄρχουσι, μεταπεμψάμενος δύο μόρας τῶν περὶ Κόρινθον στρατευομένων ἐπέβη τῆς Βοιωτίας. καὶ συμβαλὼν ἐν Κορωνείᾳ Θηβαίοις Ἀθηναίοις Ἀργείοις Κορινθίοις Λοκροῖς ἀμφοτέροις ἐνίκησε, καίτοι ὑπὸ πολλῶν τραυμάτων κακῶς τὸ σῶμα διακείμενος, τὴν μεγίστην μάχην ὥς φησι Ξενοφῶν (Hell. IV 3, 16 Ages. II 9) τῶν καθ' ἑαυτὸν γενομένων.

Οὐδὲν δὲ τῶν περὶ τὸν βίον καὶ τὴν δίαιταν διὰ τὰς τοσαύτας εὐτυχίας καὶ νίκας ἤλλαξεν οἴκαδ' ἐπανελθών.

Ὁρῶν δ' ἐνίους τῶν πολιτῶν ἀφ' ἱπποτροφίας [b] δοκοῦντας εἶναί τινας καὶ μεγαλοφρονοῦντας, ἔπεισε τὴν ἀδελφὴν Κυνίσκαν ἅρμα καθεῖσαν Ὀλυμπίασιν ἀγωνίσασθαι, βουλόμενος ἐνδείξασθαι τοῖς Ἕλλησιν ὡς οὐδεμιᾶς ἐστιν ἀρετῆς πλούτου δὲ καὶ δαπάνης τὰ τοιαῦτα.

Ξενοφῶντα δὲ τὸν σοφὸν ἔχων μεθ' ἑαυτοῦ σπουδαζόμενον, ἐκέλευε τοὺς παῖδας ἐν Λακεδαίμονι τρέφειν μεταπεμψάμενον, ‹ὡς› τὸ κάλλιστον τῶν μαθημάτων παιδευθησομένους, ἄρχειν τε καὶ ἄρχεσθαι.

Ἄλλοτε δ' ἐρωτώμενος διὰ τί μάλιστα παρὰ τοὺς [c] ἄλλους εὐδαιμονοῦσιν οἱ Σπαρτιᾶται, 'διότι' εἶπε 'παρὰ τοὺς ἄλλους ἀσκοῦσιν ἄρχειν τε καὶ ἄρχεσθαι.'

Λυσάνδρου δὲ τελευτήσαντος εὑρὼν ἑταιρείαν πολλὴν συνεστῶσαν, ἣν ἐκεῖνος εὐθὺς ἐπανελθὼν ἀπὸ τῆς Ἀσίας συνέστησεν ἐπὶ τὸν Ἀγησίλαον, ὥρμησεν αὐτὸν ἐξελέγχειν οἷος ἦν ζῶν πολίτης. καὶ λόγον ἀναγνοὺς ἐν βιβλίῳ ἀπολελειμμένον, ὃν ἔγραψε μὲν Κλέων ὁ Ἁλικαρνασσεύς, ἔμελλε δὲ λέγειν ἀναλαβὼν ὁ Λύσανδρος ἐν τῷ δήμῳ περὶ πραγμάτων καινῶν καὶ μεταστάσεως τοῦ πολιτεύματος, ἠθέλησεν εἰς μέσον ἐξενεγκεῖν· ἐπεὶ δέ τις τῶν γερόντων τὸν λόγον ἐπελθὼν καὶ φοβηθεὶς τὴν δεινότητα [d] συνεβούλευσε μὴ τὸν Λύσανδρον ἀνορύττειν‹, ἀλλὰ τὸν λόγον μᾶλλον αὐτῷ συγκατορύττειν›, ἐπείσθη καὶ ἡσύχασε.

Τοὺς δὲ ὑπεναντιουμένους αὐτῷ φανερῶς μὲν οὐκ ἐτάραττε· διαπραττόμενος δὲ πέμπεσθαί τινας ἀεὶ στρατηγοὺς καὶ ἄρχοντας ἐξ αὐτῶν ἐπεδείκνυε γινομένους ἐν ταῖς ἐξουσίαις πονηροὺς καὶ πλεονέκτας· εἶτα κρινομένοις πάλιν αὖ βοηθῶν καὶ συναγωνιζόμενος οἰκείους ἐποιεῖτο καὶ μεθίστη πρὸς ἑαυτόν, ὥστε μηδένα ἀντίπαλον εἶναι.

Ἐδεήθη τις αὐτοῦ γράψαι πρὸς τοὺς ἐπ' Ἀσίας ξένους, ὅπως τύχῃ τοῦ δικαίου· 'ἀλλ' οἱ ἐμοὶ ξένοι' εἶπε 'τὰ δίκαια δι' ἑαυτῶν, κἂν ἐγὼ μὴ γράψω, ποιοῦσιν.'

[e] Ἐπεδείκνυέ τις αὐτῷ τῆς πόλεως τὸ τεῖχος ὀχυρὸν καὶ καρτερῶς ἄγαν ἐξῳκοδομημένον καὶ ἠρώτα εἰ καλὸν αὐτῷ φαίνεται· 'νὴ Δί'' ἔφη 'καλόν, οὐχ ὡς ἀνδράσι δὲ ἀλλ' ὡς γυναιξὶν ἐνοικεῖν.'

Μεγαρέως δέ τινος περὶ τῆς πόλεως πρὸς αὐτὸν μεγαλαυχουμένου, 'μειράκιον' ἔφη, 'οἱ λόγοι σου πολλῆς δυνάμεως δέονται.'

Ἃ δὲ τοὺς ἄλλους ἑώρα θαυμάζοντας ἐδόκει μηδὲ γινώσκειν. καί ποτε Καλλιππίδας ὁ τῶν τραγῳδιῶν ὑποκριτής, ὄνομα καὶ δόξαν ἔχων ἐν τοῖς Ἕλλησι καὶ σπουδαζόμενος ὑπὸ πάντων, πρῶτον μὲν ἀπήντησεν αὐτῷ καὶ [f] προσεῖπεν, ἔπειτα σοβαρῶς εἰς τοὺς συμπεριπατοῦντας ἐμβαλὼν ἑαυτὸν ἐπεδείκνυτο, νομίζων ἐκεῖνον ἄρξειν τινὸς φιλοφρονήσεως· τέλος δ' εἶπεν 'οὐκ ἐπιγινώσκεις με, ὦ βασιλεῦ, οὐδ' ἤκουσας ὅστις εἰμί;' ὁ δ' Ἀγησίλαος ἀποβλέψας εἰς αὐτὸν· 'ἀλλ' οὐ τύ ἐσσι Καλλιππίδας ὁ δεικηλίκτας;' οὕτω δὲ Λακεδαιμόνιοι τοὺς μίμους καλοῦσι.

Τοῦ δὲ μιμουμένου τὴν τῆς ἀηδόνος φωνὴν ἀκοῦσαι παρακαλούμενος παρῃτήσατο φήσας 'αὐτᾶς ἄκουκα πολλάκις.'

[213] [a] Μενεκράτους δὲ τοῦ ἰατροῦ, ἐπεὶ κατατυχὼν ἔν τισιν ἀπεγνωσμέναις θεραπείαις Ζεὺς ἐπεκλήθη, φορτικῶς ταύτῃ χρωμένου τῇ

προσωνυμίᾳ, καὶ δὴ πρὸς τὸν Ἀγησίλαον ἐπιστεῖλαι τολμήσαντος οὕτως ‘Μενεκράτης Ζεὺς Ἀγησιλάῳ βασιλεῖ χαίρειν’, οὐκ ἀναγνοὺς τὰ λοιπὰ ἀντέγραψε ‘βασιλεὺς Ἀγησίλαος Μενεκράτει ὑγιαίνειν.’

Ἐπεὶ δὲ Κόνων καὶ Φαρνάβαζος τῷ βασιλέως ναυτικῷ θαλαττοκρατοῦντες ἐπολιόρκουν τὰ παράλια τῆς Λακωνικῆς, ἐτειχίσθη δὲ τὸ ἄστυ τῶν Ἀθηναίων Φαρναβάζου χρήματα δόντος, εἰρήνην ἐποιήσαντο Λακεδαιμόνιοι [b] πρὸς βασιλέα· καὶ πέμπουσι πολίτην Ἀνταλκίδαν πρὸς Τιρίβαζον, τοὺς ἐν τῇ Ἀσίᾳ Ἕλληνας, ὑπὲρ ὧν ἐπολέμησεν Ἀγησίλαος, βασιλεῖ παραδιδόντες. ὅθεν δὴ ἥκιστα συνέβη τῆς κακοδοξίας ταύτης Ἀγησιλάῳ μετασχεῖν· ὁ γὰρ Ἀνταλκίδας ἐχθρὸς ἦν αὐτῷ, καὶ τὴν εἰρήνην ἐξ ἅπαντος ἔπραττεν, ὡς τοῦ πολέμου τὸν Ἀγησίλαον αὔξοντος καὶ ποιοῦντος ἐνδοξότατον καὶ μέγιστον.

Οὐ μὴν ἀλλὰ καὶ πρὸς τὸν εἰπόντα μηδίζειν τοὺς Λακεδαιμονίους ἀπεκρίθη μᾶλλον τοὺς Μήδους λακωνίζειν.

Ἐρωτηθεὶς δέ ποτε ὁποτέρα βελτίων τῶν ἀρετῶν, ἀνδρεία ἢ δικαιοσύνη, οὐδὲν ὄφελος ἀνδρείας ἔφασκεν [c] εἶναι μὴ παρούσης δικαιοσύνης· εἰ δὲ δίκαιοι πάντες γένοιντο, μηδέν’ ἀνδρείας δεηθήσεσθαι.

Εἰθισμένων δὲ τῶν τὴν Ἀσίαν κατοικούντων τὸν Περσῶν βασιλέα μέγαν προσαγορεύειν, ‘τί δαὶ ἐκεῖνος ἐμοῦ μείζων’ ἔφη, ‘εἰ μὴ καὶ δικαιότερος καὶ σωφρονέστερος;’

Ἔλεγε δὲ τοὺς τὴν Ἀσίαν κατοικοῦντας ἐλευθέρους μὲν κακούς, δούλους δ’ ἀγαθοὺς εἶναι.

Ἐρωτηθεὶς δὲ πῶς ἄν τις μάλιστα εὐδοκιμοίη παρ’ ἀνθρώποις ‘εἰ λέγοι’ εἶπε ‘τὰ ἄριστα, πράττοι δὲ τὰ κάλλιστα.’

Τὸν δὲ στρατηγὸν δεῖν ἔφασκε πρὸς μὲν τοὺς ἐναντίους τόλμαν, πρὸς δὲ τοὺς ὑποτεταγμένους εὔνοιαν ἔχειν, πρὸς δὲ τοὺς καιροὺς λογισμόν.

Ἐπιζητοῦντος δέ τινος τίνα δεῖ μανθάνειν τοὺς [d] παῖδας, ‘ταῦτ’’ εἶπεν ‘οἷς καὶ ἄνδρες γενόμενοι χρήσονται.’

Δικάζοντος δέ [τινος] δίκην αὐτοῦ καὶ τοῦ μὲν κατηγόρου εὖ εἰρηκότος τοῦ δ’ ἀπολογουμένου φαύλως, λέγοντος δὲ πρὸς ἕκαστα ‘Ἀγησίλαε, δεῖ τὸν βασιλέα τοῖς νόμοις βοηθεῖν,’ ‘καὶ τὴν οἰκίαν’ ἔφη ‘εἴ τίς σοι διέσκαπτε καὶ τὸ ἱμάτιον εἰ ἀφῃρεῖτο, προσεδέχου ἂν τὸν οἰκοδόμον ἢ τὸν τὸ ἱμάτιον ὑφάναντα ἐπικουρήσειν σοι;’

Ἐπιστολῆς δ’ αὐτῷ παρὰ τοῦ Περσῶν βασιλέως κομισθείσης - τῆς εἰρήνης γενομένης - , ἣν ὁ μετὰ Καλλίου τοῦ Λακεδαιμονίου Πέρσης ἤνεγκε, περὶ ξενίας καὶ φιλίας, οὐκ ἔλαβεν εἰπὼν ἀπαγγεῖλαι βασιλεῖ ὡς [e] ἰδίᾳ μὲν πρὸς αὐτὸν οὐδὲν δέοι ἐπιστολὰς πέμπειν· ἢν δὲ φίλος τῇ Λακεδαίμονι καὶ τῇ

Ἑλλάδι εὔνους ὢν φαίνηται, ὅτι καὶ αὐτὸς φίλος αὐτῷ κατὰ κράτος ἔσοιτο· ‘ἐὰν μέντοι ἐπιβουλεύων ἁλίσκηται, μηδ’ ἂν πάνυ πολλὰς δέχωμαι ἐπιστολάς, πιστευέτω ἕξειν με φίλον.’

Φιλοτεκνότατος δ’ ὢν διαφερόντως λέγεται ὅτι μικροῖς τοῖς παιδίοις κάλαμον περιβεβηκὼς ὥσπερ ἵππον οἴκοι συνέπαιζεν· ὀφθεὶς δὲ ὑπό τινος τῶν φίλων παρεκάλει μηδενὶ φράζειν, πρὶν καὶ αὐτὸς πατὴρ παίδων γένηται.

Συνεχῶς δ’ αὐτοῦ τοῖς Θηβαίοις πολεμοῦντος καὶ τρωθέντος ἐν τῇ μάχῃ, φασὶ τὸν Ἀνταλκίδαν εἰπεῖν [f] ‘καλὰ τὰ διδασκάλια παρὰ Θηβαίων ἀπολαμβάνεις, μὴ βουλομένους αὐτοὺς μηδ’ ἐπισταμένους μάχεσθαι διδάξας.’ τῷ γὰρ ὄντι Θηβαίους αὐτοὺς ἑαυτῶν πολεμικωτάτους τότε φασὶ γενέσθαι ταῖς πολλαῖς στρατείαις τῶν Λακεδαιμονίων ἐπ’ αὐτούς. διὸ καὶ Λυκοῦργος ὁ παλαιὸς ἐν ταῖς καλουμέναις Ῥήτραις ἀπεῖπε πολλάκις ἐπὶ τοὺς αὐτοὺς στρατεύειν, ὅπως πολεμεῖν μὴ μανθάνωσιν.

Ἐπεὶ δ’ ἤκουσέ ποτε δυσχερᾶναι τοὺς συμμάχους [214] [a] διὰ τὰς συνεχεῖς στρατείας, ὀλίγοις οὖσι τοῖς Λακεδαιμονίοις πολλοὺς ἀκολουθοῦντας, ἐλέγξαι βουλόμενος αὐτῶν τὸ πλῆθος ἐκέλευσεν ἅπαντας τοὺς συμμάχους καθίσαι μετ’ ἀλλήλων ἀναμεμιγμένους, ἰδίᾳ δὲ τοὺς Λακεδαιμονίους ἐφ’ ἑαυτῶν· εἶτα ἐκήρυττε τοὺς κεραμεῖς ἀνίστασθαι πρώτους, ὡς δ’ ἀνέστησαν οὗτοι, δευτέρους ἐκήρυττε τοὺς χαλκεῖς, εἶτα τέκτονας ἐφεξῆς καὶ οἰκοδόμους, καὶ τῶν ἄλλων τεχνῶν ἑκάστην. πάντες οὖν ὀλίγου δεῖν ἀνέστησαν οἱ σύμμαχοι, τῶν δὲ Λακεδαιμονίων οὐδείς· ἀπείρητο γὰρ αὐτοῖς τέχνην ἐργάζεσθαι ἢ μανθάνειν βάναυσον. οὕτω δὴ γελάσας ὁ Ἀγησίλαος ‘ὁρᾶτε’ [b] εἶπεν ‘ὦ ἄνδρες, ὅσῳ πλείονας ὑμῶν στρατιώτας ἐκπέμπομεν ἡμεῖς;’

Ἐν δὲ τῇ περὶ Λεῦκτρα μάχῃ πολλῶν Λακεδαιμονίων φυγόντων καὶ τούτων ταῖς ἐκ τοῦ νόμου ἀτιμίαις ὑπευθύνων ὄντων, οἱ ἔφοροι ἔρημον ἀνδρῶν τὴν πόλιν ὁρῶντες δεομένην στρατιωτῶν ἐβούλοντο τὴν ἀτιμίαν λῦσαι καὶ τοὺς νόμους τηρεῖν. αἱροῦνται οὖν νομοθέτην τὸν Ἀγησίλαον· ὁ δὲ προελθὼν εἰς τὸ δημόσιον ‘νομοθέτης μὲν οὐκ ἂν γενοίμην ἑτέρων νόμων’ εἶπε, ‘τοῖς γὰρ οὖσιν οὔτ’ ἂν προσθείην τι οὔτ’ ἂν ἀφέλοιμι οὔτε μεταποιήσαιμι· τοὺς δ’ ὄντας ἡμῖν νόμους κυρίους εἶναι καλῶς ἔχον ἐστὶν ἀπὸ τῆς αὔριον.’

[c] Τὸν δ’ Ἐπαμεινώνδαν ἐπελθόντα μετὰ τοσούτου ῥεύματος καὶ κλύδωνος, τῶν Θηβαίων καὶ συμμάχων μεγαλαυχουμένων ἐπὶ τῇ νίκῃ, ὅμως εἶρξε τῆς πόλεως καὶ ἀναστρέψαι ἐποίησεν, ὀλίγων ὄντων τῶν ἐν τῇ πόλει.

Ἐν δὲ τῇ περὶ Μαντίνειαν μάχῃ παρεκελεύσατο τοῖς Λακεδαιμονίοις τοὺς ἄλλους ἐάσαντας πάντας Ἐπαμεινώνδᾳ μάχεσθαι, μόνους λέγων τοὺς

ἔμφρονας ἀνδρείους εἶναι καὶ μόνους νίκης αἰτίους ὑπάρχειν· εἰ οὖν τοῦτον ἀνέλοιεν, ῥᾷστα τοὺς ἄλλους ὑποχειρίους ποιήσειν· ἄφρονας γὰρ εἶναι καὶ οὐδενὸς ἀξίους. ὃ καὶ συνέβη· τῆς γὰρ νίκης σὺν Ἐπαμεινώνδᾳ οὔσης καὶ φυγῆς γενομένης, [d] ἐπιστραφέντ' αὐτὸν καὶ ἀνακαλούμενον τοὺς ἰδίους τῶν Λακεδαιμονίων τις καιρίως ἐπάταξε, καὶ πεσόντος ἀναστρέψαντες ἀπὸ τῆς φυγῆς οἱ σὺν Ἀγησιλάῳ ἐφάμιλλον τὴν νίκην ἐποίησαν, παρὰ πολὺ μὲν τῶν Θηβαίων χειρόνων παρὰ πολὺ δὲ τῶν Λακεδαιμονίων ἀμεινόνων φανέντων.

Χρημάτων δὲ δεομένης τῆς Σπάρτης πρὸς πόλεμον καὶ ξενοτροφούσης ἐπορεύθη ὁ Ἀγησίλαος εἰς Αἴγυπτον μεταπεμφθεὶς ὑπὸ τοῦ βασιλέως Αἰγυπτίων ἐπὶ μισθῷ, διὰ δὲ τὸ λιτὸν τῆς ἐσθῆτος εἰς καταφρόνησιν ἦλθε τοῖς ἐγχωρίοις· προσεδόκων γὰρ τὸν Σπάρτης βασιλέα [e] καθάπερ τὸν Περσῶν κεκοσμημένον ὄψεσθαι διαπρεπῶς τὸ σῶμα, φαύλην ἔχοντες περὶ βασιλέων δόξαν. ἔδειξε γοῦν αὐτοῖς μεταξύ, ὡς τὸ μεγαλεῖον καὶ ἀξιόλογον νοήσει καὶ ἀνδρείᾳ κτᾶσθαι προσήκει.

Ἐπεὶ δὲ τοὺς παρ' αὐτῷ παραστήσεσθαι μέλλοντας ἑώρα δεδιότας τὸν ἐπιόντα κίνδυνον διὰ τὸ τῶν πολεμίων πλῆθος (εἴκοσι γὰρ ἦσαν μυριάδες) καὶ τὴν τῶν περὶ αὐτὸν ὀλιγότητα, πρὸ τῆς παρατάξεως ἔγνω προθύσασθαι· καὶ ἀσυνειδήτως τοῖς ἄλλοις ἐπὶ τὴν ἀριστερὰν ὑπεστραμμένην τῇ χειρὶ 'νίκην' προσέγραψε, λαβὼν [f] δὲ παρὰ τοῦ μάντεως τὸ ἧπαρ ἐπέθηκε μὲν ἐπὶ τὴν ὑπογεγραμμένην χεῖρα, κρατῶν δ' ἐφ' ἱκανὸν χρόνον ὑπέφαινε δισταγμὸν καὶ προσποίησιν εἶχεν ἀποροῦντος, μέχρι τῷ ἥπατι συναναλειφθέντες ἐτυπώθησαν οἱ τῶν γραμμάτων χαρακτῆρες. καὶ τότε τοῖς συναγωνίζεσθαι μέλλουσιν ἐπεδείκνυε, φάμενος τοὺς θεοὺς διὰ τῶν γεγραμμένων ἐκφῆναι νίκην. ἀσφαλὲς οὖν τεκμήριον δόξαντες ἔχειν τοῦ κρατῆσαι ἐθάρρησαν πρὸς τὴν μάχην.

Περιταφρευόντων δὲ τῶν πολεμίων τὸ στρατόπεδον αὐτοῦ διὰ τὸ πλῆθος, καὶ Νεκτανάβιος, ᾧ συνεμάχει, ἀξιοῦντος ἐπεξιέναι καὶ διαμάχεσθαι, οὐκ ἔφη διακωλύ‹ς›ειν τοὺς πολεμίους ἴσους αὐτοῖς γενέσθαι βουλομένους. [215] [a] ἔτι δὲ μικρὸν ἀπολειπούσης τῆς τάφρου συνάψαι, κατὰ τοῦτο παρατάξας τὸ διαλεῖπον καὶ πρὸς ἴσους ἴσοις ἀγωνισάμενος τροπὴν ἐποιήσατο καὶ πολὺν φόνον τῶν πολεμίων ὀλίγοις τοῖς περὶ αὐτὸν στρατιώταις καὶ χρήματα πολλὰ τῇ πόλει διεπέμψατο.

Κατὰ δὲ τὸν ‹ἀπ'› Αἰγύπτου ἀπόπλουν ἀποθνῄσκων ἐνετείλατο τοῖς περὶ αὐτὸν μήτε πλαστὰν μήτε γραπτὰν [μήτε] μιμηλὰν τοῦ σώματος [εἰκόνα] ποιήσασθαι, 'εἰ γάρ τι καλὸν ἔργον πεποίηκα, τοῦτό μου μνημεῖον ἔσται· εἰ δὲ μή, οὐδ' οἱ πάντες ἀνδριάντες, βαναύσων καὶ οὐδενὸς ἀξίων ἔργα ὄντες.'

ΑΓΗΣΙΠΟΛΙΣ Ο ΚΛΕΟΜΒΡΟΤΟΥ

Ἀγησίπολις ὁ Κλεομβρότου, εἰπόντος τινὸς ὅτι Φίλιππος ἐν ὀλίγαις ἡμέραις Ὄλυνθον κατέσκαψε, ‘μὰ τοὺς θεούς’ ἔφη ‘ἄλλην τοιαύτην ἐν πολλαπλασίονι χρόνῳ οὐκ οἰκοδομήσει.’

Ἄλλου δ’ εἰπόντος ὅτι μετὰ τῶν ἀκμαζόντων βασιλεύων ὡμήρευσε καὶ οὐχ οἱ παῖδες οὐδ’ αἱ γυναῖκες αὐτῶν, ‘δικαίως’ εἶπεν· ‘αὐτοὺς γὰρ ἡμᾶς καλῶς ἔχον ἐστὶ τὰς αὑτῶν ἁμαρτίας φέρειν.’

Βουλομένου δ’ αὐτοῦ σκύλακας οἴκοθεν μεταπέμψασθαι, ὥς τις εἶπεν ‘οὐκ ἔστιν ἐξαγωγὴ παρ’ ‹ἡμῶν› αὐτῶν’, ‘οὐδὲ γὰρ ἀνδρῶν’ ἔφη ‘πρόσθεν, ἀλλὰ νῦν ἐγένετο.’

[c]

ΑΓΗΣΙΠΟΛΙΣ Ο ΠΑΥΣΑΝΙΟΥ

Ἀγησίπολις ὁ Παυσανίου, Ἀθηναίων πρὸς αὐτὸν περὶ ὧν εἶχον πρὸς ἀλλήλους ἐγκλημάτων τὴν τῶν Μεγαρέων πόλιν ἔκκλητον λαμβανόντων, ‘αἰσχρόν’ ἔφη ‘ὦ Ἀθηναῖοι, τοὺς ἀφηγησαμένους τῶν Ἑλλήνων ἧσσον εἰδέναι Μεγαρέων τὸ δίκαιον.’

ΑΓΙΣ Ο ΑΡΧΙΔΑΜΟΥ

Ἆγις ὁ Ἀρχιδάμου, τῶν ἐφόρων ποτ’ εἰπόντων ‘βάδιζε τοὺς ἡβῶντας ἔχων ἐπὶ τὴν τούτου πατρίδα· ἡγήσεται δέ σοι αὐτὸς οὗτος ἐπὶ τὴν ἀκρόπολιν’, ‘καὶ πῶς’ εἶπε ‘καλῶς ἔχον ἐστίν, ὦ ἔφοροι, τοσούτους νέους πιστεύειν τῷ τὴν ἑαυτοῦ πατρίδα προδιδόντι;’

[d] Ἐρωτηθεὶς δὲ τί μάλιστα μάθημα ἐν Σπάρτῃ ἀσκεῖται ‘τὸ γινώσκειν’ εἶπεν ‘ἄρχειν τε καὶ ἄρχεσθαι.’

Οὐκ ἔφη δὲ τοὺς Λακεδαιμονίους ἐρωτᾶν πόσοι εἰσὶν οἱ πολέμιοι, ἀλλὰ ποῦ εἰσίν.

Ἐν δὲ Μαντινείᾳ κωλυόμενος διαμάχεσθαι τοῖς πολεμίοις πλείοσιν οὖσιν, εἶπεν ‘ἀνάγκη πολλοῖς μάχεσθαι τὸν ἄρχειν πολλῶν βουλόμενον.’

Πυνθανομένου δέ τινος πόσοι εἰσὶν οἱ Λακεδαιμόνιοι, ‘ὅσοι ἱκανοί’ εἶπε ‘τοὺς κακοὺς ἀπερύκειν.’

Διερχόμενος δὲ τὰ τῶν Κορινθίων τείχη καὶ θεασάμενος ὑψηλά τε καὶ ὀχυρὰ ἐπὶ πολύ τε παρατείνοντα, ‘τίνες’ εἶπεν ‘αἱ τὸν τόπον κατοικοῦσαι γυναῖκες;’

[e] Σοφιστοῦ δέ τινος εἰπόντος ‘πάντων λόγος ἐστὶ κράτιστον’, ‘οὐκοῦν’ ἔφη ‘σὺ ἐὰν σιωπᾷς οὐδενὸς ἄξιος εἶ.’

Ὡς δ’ Ἀργεῖοι μετὰ τὴν ἧτταν ἀπήντων αὐτῷ πάλιν θρασύτερον, ταρασσομένους ὁρῶν τοὺς συμμάχους ‘θαρρεῖτε’ εἶπεν ‘ὦ ἄνδρες· ὅπου γὰρ

ἡμεῖς οἱ νικῶντες ὀρρωδοῦμεν, τί δοκεῖτε ποιεῖν τοὺς ὑφ’ ἡμῶν νενικημένους;’

Πρὸς δὲ τὸν ἐκ τῶν Ἀβδήρων πρεσβευτήν, ὅτε κατεπαύσατο πολλ’ εἰπών, ἐρωτῶντα τί τοῖς πολίταις ἀπαγγείλῃ, ‘ὅτι’ ἔφη ‘ὅσον σὺ χρόνον λέγειν ἔχρῃζες, τοσοῦτον ἐγὼ σιωπῶν ἤκουον.’

Ἐπαινούντων δέ τινων Ἠλείους, ὅτι δικαιότατοί [f] εἰσι περὶ τὸν ἀγῶνα τῶν Ὀλυμπίων, ‘καὶ τί μέγα’ εἶπεν ‘ἢ θαυμαστὸν ποιοῦσιν, εἰ ἐν ἔτεσι πέντε μιᾷ μόνον ἡμέρᾳ δικαιοσύνῃ χρῶνται;’

Πρὸς δὲ τοὺς φάσκοντας ὅτι φθονοῦσί τινες αὐτῷ τῶν ἐκ τῆς ἑτέρας οἰκίας, ‘οὐκοῦν’ ἔφη ‘τὰ ἴδι’ αὐτοὺς κακὰ λυπήσει, καὶ πρὸς τούτοις τά τ’ ἐμὰ καὶ τὰ τῶν ἐμῶν φίλων ἀγαθά.’

Συμβουλεύοντος δέ τινος ὅτι δεῖ τοῖς φεύγουσι τῶν πολεμίων διδόναι δίοδον, ‘καὶ πῶς’ ἔφη ‘τοῖς διὰ δειλίαν φεύγουσι μὴ μαχόμενοι τοῖς δι’ ἀνδρείαν μένουσι μαχησόμεθα;’

[216] [a] Προφερομένου δέ τινος περὶ τῆς τῶν Ἑλλήνων ἐλευθερίας οὐκ ἀγεννῆ μὲν δυσχερῆ δ’ ἐπιτελεσθῆναι, ‘προσδέονταί σου, ὦ ξένε,’ ἔφη ‘οἱ λόγοι δυνάμεως καὶ χρημάτων.’

Λέγοντος δέ τινος ὅτι Φίλιππος αὐτοῖς ἀνεπίβατον τὴν Ἑλλάδα ποιήσει, ‘ἱκανὴ ἡμῖν’ ἔφη, ‘ὦ ξένε, ἡ ἐν τῇ ἰδίᾳ ἀναστροφή.’

Πρεσβευτὴς ἐκ Περίνθου παραγενόμενος εἰς Λακεδαίμον’ ἐμακρολόγει· ὡς δ’ ἐπαύσατο λέγων καὶ ἠρώτα τὸν Ἆγιν τί δεῖ τοῖς Περινθίοις ἀπαγγεῖλαι, ‘τί δ’ ἄλλ’’ ἔφη ‘ἢ ὅτι σὺ μὲν μόγις ἐπαύσω λέγων, ἐγὼ δὲ σιωπῶν;’

Πρεσβεύων δὲ μόνος ἧκε πρὸς Φίλιππον· εἰπόντος [b] δ’ ἐκείνου ‘τί τοῦτο; μόνος ἥκεις;’ ἔφη ‘καὶ γὰρ πρὸς ἕνα.’

Φήσαντος δέ τινος τῶν πρεσβυτέρων πρὸς αὐτὸν γηραιὸν ὄντα, ἐπειδὴ τὰ ἀρχαῖα νόμιμα ἐκλυόμενα ἑώρα ἄλλα δὲ παρεισδυόμενα μοχθηρά, διὰ τί τὰ ἄνω κάτω [ἤδη] γίνεται ἐν τῇ Σπάρτῃ, παίζων εἶπε ‘κατὰ λόγον οὕτω προβαίνει τὰ πράγματα, εἰ τοῦτο γίνεται· καὶ γὰρ ἐγὼ παῖς ὢν ἤκουον παρὰ τοῦ πατρός, ὅτι τὰ ἄνω κάτω γέγονε παρ’ αὐτοῖς· ἔφη δὲ καὶ τὸν πατέρ’ αὐτῷ παιδὶ ὄντι τοῦτ’ εἰρηκέναι· ὥστ’ οὐ χρὴ θαυμάζειν, εἰ χείρω τὰ μετὰ ταῦτα τῶν προτέρων, ἀλλ’ εἴ που βελτίω καὶ παραπλήσια γένοιτο.’

[c] Ἐρωτηθεὶς δὲ πῶς ἄν τις ἐλεύθερος διαμένοι, ‘θανάτου καταφρονῶν’ ἔφη.

ΑΓΙΣ Ο ΝΕΩΤΕΡΟΣ

ΑΚΡΟΤΑΤΟΣ

Ἀκρότατος, ἐπεὶ οἱ γονεῖς αὐτὸν ἄδικόν τι συμπρᾶξαι αὐτοῖς ἠξίουν, μέχρι τινὸς ἀντέλεγεν· ὡς δ’ ἐνέκειντο, εἶπεν ‘ἕως μὲν παρ’ ὑμῖν ἦν, οὐκ ἠπιστάμην δικαιοσύνης οὐδεμίαν ἔννοιαν· ἐπεὶ δέ με τῇ πατρίδι παρέδοτε καὶ τοῖς ταύτης νομίμοις, ἔτι τε δικαιοσύνῃ καὶ καλοκαγαθίᾳ ἐπαιδεύσατε ὡς ἠδύνασθε, τούτοις πειράσομαι ‹οὐχ [e] ἧττον› ἢ ὑμῖν ἕπεσθαι· καὶ ἐπεί ‹με› θέλετε ‹τὰ› ἄριστα πράττειν, ἄριστα δὲ τὰ δίκαιά ἐστι καὶ ἰδιώτῃ καὶ πολὺ μᾶλλον ἄρχοντι, πράξω ἃ θέλετε· ἃ δὲ λέγετε παραιτήσομαι.’

Ἐρωτῶντος δέ τινος αὐτὸν διὰ τί τὰς περὶ θανάτου δίκας πλείοσιν ἡμέραις οἱ γέροντες κρίνουσι, κἂν ἀποφύγῃ [b] τις, οὐδὲν ἧσσόν ἐστιν ὑπόδικος, ‘πολλαῖς μὲν ἡμέραις’ ἔφη ‘κρίνουσιν, ὅτι περὶ θανάτου τοῖς διαμαρτάνουσιν οὐκ ἔστι μεταβουλεύσασθαι· νόμῳ δ’ ὑπόδικον δεήσει εἶναι, διότι κατὰ τοῦτον τὸν νόμον ἂν εἴη καὶ τὸ κρείττονα βουλεύσασθαι.’

ΑΝΑΞΑΝΔΡΟΣ Ο ΕΥΡΥΚΡΑΤΕΟΣ

Ἀνάξανδρος ὁ Εὐρυκράτεος, πυνθανομένου τινὸς διὰ τί χρήματα οὐ συνάγουσιν εἰς τὸ δημόσιον, ‘ὅπως’ ἔφη ‘μὴ οἱ φύλακες αὐτῶν γινόμενοι διαφθείρωνται.’

ΑΝΑΞΙΛΑΣ

Ἀναξίλας πρὸς τὸν θαυμάζοντα διὰ τί οἱ ἔφοροι τοῖς [c] βασιλεῦσιν οὐχ ὑπεξανίστανται, καὶ ταῦτα ὑπὸ τῶν βασιλέων καθισταμένοι, ‘διὰ τὴν αὐτὴν αἰτίαν’ ἔφη ‘δι’ ἣν καὶ ἐφορεύουσιν.’

ΑΡΕΥΣ

[f] Ἄρευς, ἐπαινούντων τινῶν οὐκ ἰδίας ἀλλά τινας τῶν ἀλλοτρίων γυναικῶν, ‘μὰ τοὺς θεούς’ εἶπε ‘περὶ τῶν καλῶν κἀγαθῶν γυναικῶν οὐδένα δεῖ λόγον [εἰκῇ] λέγεσθαι, ἀγνοεῖσθαι δ’ αὐτὰς τὸ παράπαν, ὁποῖαι τυγχάνουσι, πλὴν μόνοις τοῖς συμβιοῦσι.’

Τοῦ δὲ Κύρου τὸν μισθὸν προπέμψαντος τοῖς στρατιώταις καὶ ξένια αὐτῷ, μόνον ἔλαβε τὸν μισθὸν τὰ δὲ ξένια ἀνέπεμψε, φήσας μὴ δεῖν φιλίαν αὐτῷ

ἰδίαν πρὸς αὐτὸν εἶναι, ἀλλὰ τὴν κοινὴν πρὸς ἅπαντας Λακεδαιμονίους γεγονυῖαν καὶ αὐτῷ ὑπάρχειν.

Μέλλων δὲ περὶ τὰς Ἀργινούσας ναυμαχεῖν, Ἕρμωνος τοῦ κυβερνήτου εἰπόντος ὅτι καλῶς ἔχει ἀποπλεῦσαι, αἱ γὰρ τριήρεις τῶν Ἀθηναίων πολλῷ πλείους εἰσίν, εἶπε 'καὶ τί τοῦτο; ἀλλὰ φεύγειν αἰσχρὸν καὶ βλαβερὸν τῇ Σπάρτῃ· μένοντα δὲ ἢ ἀποθανεῖν ἢ νικᾶν ἄριστον.'

[f] Προθυσάμενος δέ, ὡς ἤκουσε τοῦ μάντεως σημαίνεσθαι διὰ τῶν ἐμπύρων τῷ μὲν στρατῷ νίκην τῷ δὲ στρατηγοῦντι θάνατον, οὐδὲν καταπλαγεὶς εἶπεν 'οὐ παρ' ἕνα τὰ Σπάρτας· ἀποθανόντος μὲν γάρ μου οὐδὲν ἡ πατρὶς ἐλαττωθήσεται, εἴξαντος δὲ τοῖς πολεμίοις ἐλαττωθήσεται.' ἀποδείξας οὖν ἀνθ' ἑαυτοῦ Κλέανδρον ἡγεμόνα ὥρμησεν ἐπὶ τὴν ναυμαχίαν, καὶ μαχόμενος ἐτελεύτα.

ΚΛΕΟΜΒΡΟΤΟΣ Ο ΠΑΥΣΑΝΙΟΥ

Κλεόμβροτος ὁ Παυσανίου, ξένου τινὸς διαφερομένου πρὸς τὸν πατέρα περὶ ἀρετῆς, 'μέχρι τούτου' εἶπεν 'κρείσσων σού ἐστιν ὁ πατήρ, μέχρις ἂν καὶ σὺ γεννήσῃς.'

ΚΛΕΟΜΕΝΗΣ Ο ΑΝΑΞΑΝΔΡΙΔΕΩ

Κλεομένης ὁ Ἀναξανδρίδεω τὸν μὲν Ὅμηρον Λακεδαιμονίων εἶναι ποιητὴν ἔφη, τὸν δὲ Ἡσίοδον τῶν εἱλώτων· τὸν μὲν γὰρ ὡς χρὴ πολεμεῖν, τὸν δὲ ὡς χρὴ γεωργεῖν παρηγγελκέναι.

Ἀνοχὰς δὲ ἐφθημέρους πρὸς Ἀργείους ποιησάμενος, φυλάξας αὐτὰς ‹δύο ἡμέρας›, τῇ τρίτῃ νυκτὶ κοιμωμένοις [b] διὰ τὸ πεποιθέναι ταῖς σπονδαῖς ἐπέθετο· καὶ τοὺς μὲν ἀπέκτεινε τοὺς δ' αἰχμαλώτους ἔλαβεν. ὀνειδιζόμενος δ' ἐπὶ τῇ παραβάσει τῶν ὅρκων, οὐκ ἔφη προσομωμοκέναι ταῖς ἡμέραις τὰς νύκτας· ἄλλως τε [καὶ], ὅτι ἂν κακόν τις ποιῇ τοὺς πολεμίους, τοῦτο καὶ παρὰ θεοῖς καὶ παρ' ἀνθρώποις δίκης ὑπέρτερον νομίζεσθαι.

Συνέβη δ' αὐτῷ τοῦ μὲν Ἄργους, δι' ὃ παρεσπόνδησεν, ἀποπεσεῖν διὰ τὸ τὰς γυναῖκας τὰ ἀπὸ τῶν ἱερῶν καθελούσας ὅπλα τούτοις αὐτὸν ἀμύνεσθαι· καὶ ὕστερον δὲ τῶν φρενῶν ἔξω γενόμενον δράξασθαί τινος μαχαιρίου [c] καὶ αὑτὸν ἀνατεμεῖν ἀπὸ τῶν σφυρῶν ἕως ἐπὶ τοὺς καιρίους τόπους, καὶ οὕτως ἐκλιπεῖν τὸν βίον γελῶντα καὶ σεσηρότα.

Τοῦ δὲ μάντεως ἀποτρέποντος μὴ ἄγειν ἐπὶ τὴν Ἀργείων πόλιν τὸ στράτευμα (τὴν γὰρ ἐπάνοδον αἰσχρὰν γενήσεσθαι) προσελθὼν τῇ πόλει ὡς τὰς μὲν πύλας κεκλεισμένας εἶδε, τὰς δὲ γυναῖκας ἐπὶ τῶν τειχῶν, 'αὕτη σοι' ἔφη 'ἡ ἐπάνοδος αἰσχρὰ φαίνεται εἶναι, ἐν ᾗ τῶν ἀνδρῶν τεθνηκότων αἱ γυναῖκες τὰς πύλας κεκλείκασι;'

Πρὸς δὲ τοὺς λοιδοροῦντας αὐτὸν τῶν Ἀργείων ὡς ἐπίορκον καὶ ἀσεβῆ 'τοῦ μὲν κακῶς λέγειν' ἔφη 'ὑμεῖς κύριοι, τοῦ δὲ κακῶς ὑμᾶς ποιεῖν ἐγώ.'

[d] Τοῖς δ' ἀπὸ τῆς Σάμου πρέσβεσι παρακαλοῦσιν αὐτὸν Πολυκράτει τῷ τυράννῳ πολεμεῖν καὶ διὰ τοῦτο μακρολογοῦσιν, 'ὧν εἰρήκατε' ἔφη 'τὰ μὲν ἐξ ἀρχῆς οὐ μέμνημαι, διὰ τοῦτο δὲ καὶ τὰ μέσα οὐ συνίημι· τὰ δ' ἐπὶ πᾶσιν οὐ δοκιμάζω.'

Πειρατοῦ δὲ καταδραμόντος τὴν χώραν καί, ὡς ἑάλω, λέγοντος ὅτι 'τροφὴν οὐκ εἶχον τοῖς στρατιώταις παρέχειν, πρὸς τοὺς ἔχοντας οὖν ἑκοντὶ δ' οὐκ ἂν διδόντας βίᾳ ληψόμενος ἦλθον' 'νὴ τοὺς θεούς' ἔφη 'σύντομος ἡ πονηρία.'

Φαύλου δέ τινος αὐτὸν κακῶς λέγοντος 'ἆρα διὰ τοῦτο' ἔφη 'πάντας σὺ κακῶς λέγεις, ἵνα ἀπολογούμενοι [e] μὴ εὐκαιρῶμεν περὶ τῆς σῆς κακίας λέγειν;'

Τῶν δὲ πολιτῶν τινος λέγοντος, ὅτι τὸν ἀγαθὸν βασιλέα πάντῃ πάντως πρᾶον εἶναι δεῖ, 'οὐκοῦν' ἔφη 'ἄχρι τοῦ μὴ εὐκαταφρόνητον εἶναι.'

Ἑλκυσθεὶς δὲ νόσῳ μακρᾷ, ἐπεὶ καθαρταῖς καὶ μάντεσι προσεῖχε τὸ πρὶν οὐ προσέχων, θαυμάζοντός τινος, 'τί θαυμάζεις;' ἔφη 'οὐ γάρ εἰμι ὁ αὐτὸς νῦν καὶ τότε· οὐκ ὢν δὲ ὁ αὐτὸς οὐδὲ τὰ αὐτὰ δοκιμάζω.'

Σοφιστοῦ δέ τινος περὶ ἀνδρείας λέγοντος πλείω, ἐγέλασε· τοῦ δ' εἰπόντος 'τί γελᾷς, Κλεόμενες, περὶ ἀνδρείας λέγοντος ἀκούων, καὶ ταῦτα βασιλεὺς ὤν;' [f] 'ὅτι' ἔφη, 'ὦ ξένε, καὶ ἡ χελιδὼν εἰ περὶ αὐτῆς ἔλεγε, τὸ αὐτὸ τοῦτ' ἂν ἐποίουν· εἰ δ' ἀετός, πολλὴν ἂν εἶχον ἠρεμίαν.'

Τῶν δ' Ἀργείων τὴν προτέραν ἧτταν φασκόντων ἀναμαχεῖσθαι, 'θαυμάζω' ἔφη 'εἰ δύο συλλαβῶν προσθήκῃ νῦν κρείσσονες ἐγένεσθε ἢ πρόσθεν ἦτε.'

Λοιδοροῦντος δέ τινος αὐτὸν καὶ φήσαντος 'θρυπτικὸς εἶ, ὦ Κλεόμενες,' 'ἀλλὰ κρεῖσσον' ἔφη 'ἢ ἄδικον εἶναι· σὺ δὲ φιλοχρήματος καίπερ ἱκανὰ κεκτημένος.'

[Ψάλτην δέ τις αὐτῷ βουλόμενος συστῆσαι τά τ' [224] [a] ἄλλα τὸν ἄνδρα ἐπῄνει καὶ ψάλτην αὐτὸν ἔφη κράτιστον εἶναι τῶν Ἑλλήνων· ὁ δὲ δείξας τινὰ τῶν πλησίον 'νὴ τοὺς θεούς' ἔφη '‹ὡς› οὗτος παρ' ἐμοὶ ζωμοποιός.']

Μαιανδρ‹ί›ου δὲ τοῦ τῆς Σάμου τυράννου διὰ τὴν Περσῶν ἔφοδον εἰς Σπάρτην φυγόντος καὶ ἐπιδείξαντος ὅσα κεκομίκει χρύσεά τε καὶ ἀργύρεα ἐκπώματα χαριζομένου τε ὅσα βούλεται, ἔλαβε μὲν οὐδέν, εὐλαβούμενος δὲ μὴ ἑτέροις τισὶ τῶν ἀστῶν διαδῷ, πορευθεὶς ἐπὶ τοὺς ἐφόρους ἄμεινον εἶναι ἔφη τῇ Σπάρτῃ τὸν ξένον ἑαυτοῦ ‹τὸν› Σάμιον ἀπαλλάττεσθαι τῆς

Πελοποννήσου, ἵνα μὴ πείσῃ τινὰ τῶν Σπαρτιατῶν κακὸν γενέσθαι. οἱ δὲ ὑπακούσαντες [b] ἐξεκήρυξαν τὸν Μαιάνδρ‹ι›ον αὐτῆς ἡμέρας.

Εἰπόντος δέ τινος 'διὰ τί πολεμοῦντας ὑμῖν Ἀργείους πολλάκις κρατήσαντες οὐκ ἀνῃρήκατε;' 'οὐδ' ἂν ἀνέλοιμεν' ἔφη, 'ὡς ἂν γυμναστὰς τοῖς νέοισιν ἔχωμεν.'

Πυνθανομένου δέ τινος αὐτοῦ διὰ τί Σπαρτιᾶται τοῖς θεοῖς οὐκ ἀνατιθέασι τὰ ἀπὸ τῶν πολεμίων σκῦλα, 'ὅτι' ἔφη 'ἀπὸ δειλῶν ἐστι.'

ΚΛΕΟΜΕΝΗΣ Ο ΚΛΕΟΜΒΡΟΤΟΥ

Κλεομένης ὁ Κλεομβρότου, διδόντος αὐτῷ τινος μαχίμους [c] ἀλεκτρυόνας καὶ λέγοντος ὅτι μαχόμενοι ἀποθνῄσκουσι περὶ νίκης, 'τῶν κατακτεινόντων τοίνυν αὐτούς' ἔφη 'τινὰς δός μοι, ἐκεῖνοι γὰρ τούτων ἀμείνους.'

ΛΑΒΩΤΑΣ

Λαβώτας, μακρολογοῦντός τινος, εἶπε 'τί μοι μικρῶν πέρι μεγάλα φροιμιάζῃ; †ὅσον γὰρ εἴη πρᾶγμα, τοσοῦτος καὶ ὁ λόγος, ᾧ χρῆσαι.'

ΛΕΩΤΥΧΙΔΑΣ

Λεωτυχίδας ὁ πρῶτος, λέγοντός τινος ὡς ἔστιν εὐμετάβολος, 'διὰ τοὺς καιρούς' ἔφη, 'οὐχ ὡς ὑμεῖς διὰ τὴν αὑτῶν κακίαν.'

Πρὸς δὲ τὸν ἐρωτῶντα πῶς ἄν τις μάλιστα διαφυλάσσοι [d] τὰ παρόντα τῶν ἀγαθῶν, εἶπεν 'εἰ μὴ πάντα τῇ τύχῃ πιστεύοι.'

Ἐρωτηθεὶς δὲ τί δεῖ μάλιστα μανθάνειν τοὺς ἐλευθέρους παῖδας, 'ταῦτ'' ἔφη 'ὅσαπερ ἂν αὐτοὺς ὠφελήσειεν ἄνδρας γενομένους.'

Πυνθανομένου δέ τινος διὰ τίνα αἰτίαν ὀλιγοποτοῦσιν οἱ Σπαρτιᾶται, ἔφη 'ἵνα μὴ ἄλλοι ὑπὲρ ἡμῶν βουλεύωνται, ἀλλ' ἡμεῖς ὑπὲρ ἄλλων.'

ΛΕΩΤΥΧΙΔΑΣ Ο ΑΡΙΣΤΩΝΟΣ

Λεωτυχίδας ὁ Ἀρίστωνος πρὸς τὸν εἰπόντα ὅτι κακῶς αὐτὸν οἱ τοῦ Δημαράτου λέγουσι 'μὰ τοὺς θεούς' ἔφη 'οὐ θαυμάζω, καλῶς γὰρ λέγειν οὐδεὶς ἂν αὐτῶν δυνηθείη.'

[e] Τῇ δ' ἐνδοτέρω πύλῃ δράκοντος περὶ τὴν κλεῖν ἑλιχθέντος καὶ τῶν μάντεων τέρας ἀποφαινομένων εἶναι, 'οὔτι ἔμοιγ'' ἔφη 'δοκεῖ, ἀλλ' εἰ ἡ κλεὶς τῷ δράκοντι περιειλίχθη, τέρας ἂν ἦν.'

Πρὸς δὲ Φίλιππον τὸν ὀρφεοτελεστὴν παντελῶς πτωχὸν ὄντα, λέγοντα δ' ὅτι οἱ παρ' αὐτῷ μυηθέντες μετὰ τὴν τοῦ βίου τελευτὴν εὐδαιμονοῦσι, 'τί οὖν, ὦ ἀνόητε' εἶπεν, 'οὐ τὴν ταχίστην ἀποθνῄσκεις, ἵν' ἅμα παύσῃ κακοδαιμονίαν καὶ πενίαν κλαίων;'

Πυθομένου δέ τινος διὰ τί τὰ ἀπὸ τῶν πολεμίων ὅπλα τοῖς θεοῖς οὐκ ἀνατιθέασιν, 'ὅτι' ἔφη 'τὰ διὰ τὴν δειλίαν τῶν κεκτημένων θηραθέντα οὔτε

τοὺς νέους ὁρᾶν καλὸν οὔτε τοῖς θεοῖς ἀνατιθέναι.'

ΛΕΩΝ Ο ΕΥΡΥΚΡΑΤΙΔΑ

Λέων ὁ Εὐρυκρατίδα ἐρωτηθείς, ποίαν τις ἂν πόλιν [f] οἰκήσας ἀσφαλῶς οἰκοίη, 'ὅπου' ἔφη 'μήτε πλείω μήτε ἐλάσσονα κεκτήσονται οἱ ἐνοικοῦντες· καὶ ὅπου τὸ μὲν δίκαιον ἰσχύσει, τὸ δ' ἄδικον ἀσθενὲς ἔσται.'

Ὁρῶν δὲ τοὺς ἐν Ὀλυμπίᾳ δρομεῖς σπουδάζοντας περὶ τὴν ἄφεσιν ἵνα πλεονεκτήσωσιν, 'ὅσῳ μᾶλλον' ἔφη 'οἱ δρομεῖς σπουδάζουσι περὶ τῆς ταχυτῆτος ἢ περὶ τῆς δικαιοσύνης.'

Ἀκαίρως δέ τινος περὶ πραγμάτων οὐκ ἀχρήστων διαλεχθέντος, 'ὦ ξένε' εἶπεν, 'οὐκ ἐν δέοντι χρῇ τῷ δέοντι.'

ΛΕΩΝΙΔΑΣ Ο ΑΝΑΞΑΝΔΡΙΔΑ

Λεωνίδας ὁ Ἀναξανδρίδα, ἀδελφὸς δὲ Κλεομένους, [225] [a] πρός τινα εἰπόντα 'πλὴν τοῦ βασιλεύειν οὐδὲν ἡμῶν διαφέρεις' 'ἀλλ' οὐκ ἄν' ἔφη, 'εἰ μὴ βελτίων ὑμῶν ἤμην, ἐβασίλευον.'

Τῆς δὲ γυναικὸς αὐτοῦ Γοργοῦς πυνθανομένης, ὅτε εἰς Θερμοπύλας ἐξῄει τῷ Πέρσῃ μαχούμενος, εἴ τι αὐτῇ ἐντέλλεται, ἔφη 'ἀγαθοῖς γαμεῖσθαι καὶ ἀγαθὰ τίκτειν.'

Λεγόντων δὲ τῶν ἐφόρων ὀλίγους ἄγειν αὐτὸν εἰς Θερμοπύλας, †'οὐκ ἄλλας' ἔφη 'πρὸς ἣν βαδίζομεν πρᾶξιν.'

Πάλιν δ' αὐτῶν εἰπόντων 'μή τι ἕτερον διέγνωκας ποιεῖν ἢ τὰς παρόδους τῶν βαρβάρων κωλύειν;' 'τῷ λόγῳ' ἔφη 'τῷ δ' ἔργῳ ἀποθανούμενος ὑπὲρ τῶν Ἑλλήνων.'

[b] Γενόμενος δ' ἐν Θερμοπύλαις πρὸς τοὺς συστρατιώτας εἶπε 'λέγοντι τὸν βάρβαρον ἐγγύθι γενόμενον , ἄμμε δὲ χρονοτριβέειν· ἤδη γὰρ ἢ κτάμεν τὼς βαρβάρως ἢ αὐτοὶ τεθνάμεν θέλομες.'

Λέγοντος δέ τινος 'ἀπὸ τῶν οἰστευμάτων τῶν βαρβάρων οὐδὲ τὸν ἥλιον ἰδεῖν ἔστιν,' 'οὐκοῦν' ἔφη 'χάριεν, εἰ ὑπὸ σκιὰν αὐτοῖς μαχεσόμεθα.'

Ἄλλου δ' εἰπόντος 'πάρεισιν ἐγγὺς ἡμῶν,' 'οὐκοῦν' ἔφη 'καὶ ἡμεῖς αὐτῶν [ἐγγύς].'

Εἰπόντος δέ τινος 'ὦ Λεωνίδα, πρὸς πολλοὺς μετ' ὀλίγων διακινδυνεύσων οὕτως πάρει;' 'εἰ μὲν οἴεσθέ με' ἔφη 'τῷ πλήθει ‹δεῖν πιστεύειν›, οὐδ' ἡ πᾶσα Ἑλλὰς ἀρκεῖ· [c] βραχεῖα γὰρ μοῖρα τοῦ ἐκείνων πλήθους ἐστίν· εἰ δὲ ταῖς ἀφεταῖς, καὶ οὗτος ὁ ἀριθμὸς ἱκανός.'

Ἄλλου δὲ τὰ αὐτὰ λέγοντος, 'καὶ μήν' εἶπεν 'πολλοὺς ἐπάγομαι ὡς ἀποθανουμένους.'

Ξέρξου δὲ γράψαντος αὐτῷ 'ἔξεστί σοι μὴ θεομαχοῦντι, μετ' ἐμοῦ δὲ τασσομένῳ τῆς Ἑλλάδος μοναρχεῖν' ἀντέγραψεν 'εἰ τὰ καλὰ τοῦ βίου

γινώσκοις, ἀπέστης ἂν τῆς τῶν ἀλλοτρίων ἐπιθυμίας· ἐμοὶ δὲ κρείσσων ὁ ὑπὲρ τῆς Ἑλλάδος θάνατος τοῦ μοναρχεῖν τῶν ὁμοφύλων.'

Πάλιν δὲ τοῦ Ξέρξου γράψαντος 'πέμψον τὰ ὅπλα', ἀντέγραψε 'μολὼν λαβέ.'

[d] Βουλομένου δ' αὐτοῦ ἤδη τοῖς πολεμίοις ἐπιτίθεσθαι, ‹ἐπεὶ› οἱ πολέμαρχοι πρὸς αὐτὸν ἔφασαν ὅτι δεῖ προσμένειν αὐτὸν τοὺς ἄλλους συμμάχους, 'οὐ γάρ' ἔφη 'πάρεισιν οἱ μέλλοντες μάχεσθαι; ἢ οὐκ ἴστε, ὅτι μόνοι πρὸς τοὺς πολεμίους μάχονται οἱ τοὺς βασιλέας αἰδούμενοι καὶ φοβούμενοι;'

Τοῖς δὲ στρατιώταις παρήγγειλεν ἀριστοποιεῖσθαι ὡς ἐν Ἅιδου δειπνοποιησομένους.

Ἐρωτηθεὶς δὲ διὰ τί οἱ ἄριστοι τὸν ἔνδοξον θάνατον τῆς ἀδόξου προκρίνουσι ζωῆς, 'ὅτι' ἔφη 'τὸ μὲν τῆς φύσεως ἴδιον, τὸ δὲ αὑτῶν εἶναι νομίζουσιν.'

Τοὺς δ' ἠιθέους βουλόμενος σῷσαι καὶ ἐπιστάμενος ἄντικρυς οὐκ ἀνεξομένους, σκυτάλας δοὺς καθ' [e] ἕνα αὐτῶν πρὸς τοὺς ἐφόρους ἔπεμψε. καὶ τῶν τελείων δὲ τρεῖς ἐβουλήθη διασῷσαι· οἱ δὲ συννοήσαντες οὐκ ἠνέσχοντο λαβεῖν τὰς σκυτάλας· ὧν ὁ μὲν εἶπεν 'οὐ κῆρυξ ἀλλὰ μαχητὰς ἀκολούθησα'· ὁ δὲ δεύτερος 'αὐτοῦ μένων κρέσσων ἂν εἴην'· ὁ δὲ τρίτος 'οὐχ ὕστερος τούτων, πρῶτος δὲ μαχήσομαι.'

ΛΟΧΑΓΟΣ

Λόχαγος ὁ Πολυαινίδου καὶ Σείρωνος πατήρ, ἀπαγγείλαντός τινος αὐτῷ ὅτι τῶν υἱῶν τεθνήκοι ὁ ἕτερος, 'πάλαι ᾔδειν' ἔφη 'ὅτι ἀποθανεῖν αὐτὸν ἔδει.'

ΛΥΚΟΥΡΓΟΣ

Λυκοῦργος ὁ νομοθέτης βουλόμενος ἐκ τῆς προϋπαρχούσης [f] διαίτης τοὺς πολίτας εἰς σωφρονεστέραν βίου τάξιν μετάγειν καὶ καλοκαγαθικοὺς ἀπεργάζεσθαι (ἁβροδίαιτοι γὰρ ἦσαν) δύο σκύλακας ἀνέθρεψε ταὐτοῦ πατρὸς καὶ μητρὸς γενομένους· καὶ τὸν μὲν εἴθισε περὶ λιχνείας οἴκοι ἐάσας· τὸν δ' ἀπαγόμενος ἤσκησε περὶ κυνηγέσια. ἔπειτα ἀγαγὼν εἰς τὴν ἐκκλησίαν ἔθηκε †ἀκάνθας καὶ λιχνείας τινάς, ἀφῆκε δὲ καὶ λαγώ· ἑκατέρου δ' ἐπὶ τὰ συνήθη ὁρμήσαντος καὶ θατέρου τὸν λαγὼ χειρωσαμένου, εἶπεν 'ὁρᾶτε, ὦ πολῖται, ὅτι ταὐτοῦ γένους ὑπάρχοντες ἐν τῇ τοῦ βίου ἀγωγῇ παρὰ πολὺ ἀλλήλων διάφοροι ἀπέβησαν, [226] [a] καὶ ποιητικωτέρα τῆς φύσεως ἡ ἄσκησις πρὸς τὰ καλὰ τυγχάνει;' τινὲς δέ φασιν, ‹ὡς› οὐ παρῆγε σκύλακας, οἳ ἐκ τῶν αὐτῶν γεγονότες ἐτύγχανον, ἀλλ' ὁ μὲν ἐξ οἰκουρῶν, ἅτερος δ' ἐκ κυνηγετικῶν· κἄπειτα τὸν μὲν ἐκ τοῦ χείρονος γένους πρὸς τὰ κυνηγέσια

ἤσκησε, τὸν δ' ἐκ τοῦ ἀμείνονος περὶ λιχνείας μόνον εἴθισεν· εἶθ' ἑκατέρου ἐφ' ἃ εἴθιστο ὁρμήσαντος, φανερὸν ποιήσας ὅσον ἡ ἀγωγὴ πρὸς τὸ ἄμεινον καὶ χεῖρον συλλαμβάνει, εἶπεν 'οὐκοῦν καὶ ἡμᾶς, ὦ πολῖται, οὐδὲν ἡ παρὰ τοῖς πολλοῖς θαυμαζομένη εὐγένεια καὶ τὸ ἀφ' Ἡρακλέους εἶναι ὀνίνησιν, εἰ μὴ πράττοιμεν δι' ἃ [b] ἐκεῖνος ἁπάντων ἀνθρώπων ἐπιδοξότερος καὶ εὐγενέστερος ἐφάνη, ἀσκούμενοι καὶ μανθάνοντες καλὰ δι' ὅλου τοῦ βίου.'

Ἀναδασμὸν δὲ τῆς γῆς ποιήσας καὶ ἅπασιν ἴσον κλῆρον τοῖς πολίταις νείμας, λέγεται ὕστερόν ποτε χρόνῳ τὴν χώραν διερχόμενος ἐξ ἀποδημίας ἄρτι τεθερισμένην, ἰδὼν δὲ τοὺς σωροὺς κειμένους παραλλήλους καὶ ὁμαλοὺς ἡσθῆναι, καὶ μειδιάσας εἰπεῖν πρὸς τοὺς παρόντας ὡς ἡ Λακωνικὴ φαίνεται πᾶσα πολλῶν ἀδελφῶν εἶναι νεωστὶ νενεμημένων.

Καὶ τῶν χρεῶν δ' ἀποκοπὰς εἰσηγησάμενος ἐπεχείρησε καὶ τὰ κατ' οἶκον ὄντα πάντα ἐξ ἴσου διαιρεῖν, [c] ὅπως παντάπασιν ἐξέλοι τὸ ἄνισον καὶ ἀνώμαλον. ἐπεὶ δὲ χαλεπῶς ἑώρα προσδεξομένους τὴν ἄντικρυς ἀφαίρεσιν, τό τε χρυσοῦν καὶ ἀργυροῦν νόμισμα ἠκύρωσε, μόνῳ δὲ τῷ σιδηρῷ προσέταξε χρῆσθαι· καὶ μέχρις οὗ δεῖ ἔχειν τὴν ὅλην ὕπαρξιν πρὸς ἀμοιβὴν τούτου, περιώρισε. τούτου δὲ γενομένου ἐξέπεσε τῆς Λακεδαίμονος ἀδικία πᾶσα· οὔτε γὰρ κλέπτειν οὔτε δωροδοκεῖν οὔτε ἀποστερεῖν ἢ ἁρπάζειν ἔτι ἐδύνατό τις, ὃ μήτε κατακρύψαι δυνατὸν ἦν μήτε κτήσασθαι ζηλωτὸν μήτε χρήσασθαι ἀκίνδυνον μήτε ἐξάγειν ἢ ἐπάγειν ἀσφαλές. πρὸς δὲ [d] τούτοις καὶ ἁπάντων τῶν περισσῶν ξενηλασίαν ἐποιήσατο· διὸ οὔτ' ἔμπορος οὔτε σοφιστὴς οὔτε μάντις ἢ ἀγύρτης οὔτε τῶν κατασκευασμάτων δημιουργὸς εἰσῄει εἰς τὴν Σπάρτην. οὐδὲ γὰρ νόμισμα παρ' αὐτοῖς εὔχρηστον εἴασε, μόνον δὲ τὸ σιδηροῦν εἰσηγήσατο, ὅ ἐστι μνᾶ ὁλκῇ Αἰγιναία, δυνάμει δὲ χαλκοῖ τέσσαρες.

Ἐπιθέσθαι δὲ τῇ τρυφῇ καὶ τὸν ζῆλον ἀφελέσθαι τοῦ πλούτου διανοηθεὶς τὰ συσσίτια εἰσηγήσατο. πρὸς γοῦν τοὺς ἐπιζητοῦντας, διὰ τί ταῦτα συνεστήσατο καὶ μεθ' ὅπλων κατ' ὀλίγους τοὺς πολίτας διῄρηκεν, 'ὅπως' [e] εἶπεν 'ἐξ ἑτοίμου τὰ παραγγελλόμενα δέχωνται, καὶ ἐάν τι νεωτερίζωσιν, ἐν ὀλίγοις ᾖ τὸ ἀμπλάκημα, ἰσομοιρία τε τῆς τροφῆς καὶ πόσεως ᾖ, καὶ μήτε πόσει τινὶ ἢ βρώσει ἀλλὰ μηδὲ στρωμνῇ ἢ σκεύεσιν ἢ ἄλλῳ τινὶ τὸ σύνολον πλέον ἔχῃ ὁ πλούσιος τοῦ πένητος.'

Ἄζηλον δὲ ποιήσας τὸν πλοῦτον, οὐδενὸς οὔτε χρῆσθαι οὔτ' ἐπιδεῖξαι δυναμένου, ἔλεγε πρὸς τοὺς συνήθεις 'ὡς καλόν ἐστιν, ὦ ἑταῖροι, διὰ τῶν ἔργων ἐπιδεῖξαι τὸν πλοῦτον ὁποῖός ἐστι τῇ ἀληθείᾳ, ὅτι τυφλός.'

Παρεφύλαξε δὲ ὥστε μηδὲ οἴκοι προδειπνήσαντας ἐξεῖναι βαδίζειν ἐπὶ τὰ συσσίτια, πεπληρωμένους ἑτέρων [f] ἐδεσμάτων ἢ πομάτων· ἐκάκιζον δὲ οἱ

λοιποὶ τὸν μὴ πιόντα ἢ φαγόντα μετ' αὐτῶν, ὡς ἀκρατῆ καὶ πρὸς τὴν κοινὴν ἀπομαλακιζόμενον δίαιταν· ἐζημιοῦτο δὲ καὶ ὁ φανερὸς γενόμενος. Ἄγιδος γοῦν μετὰ πολὺν χρόνον τοῦ βασιλέως ἐπανελθόντος ἀπὸ στρατείας (καταπεπολεμήκει δ' Ἀθηναίους), βουλομένου παρὰ τῇ γυναικὶ μιᾷ [227] ἡμέρᾳ δειπνῆσαι καὶ μεταπεμπομένου τὰς μερίδας, οὐκ ἔπεμψαν οἱ πολέμαρχοι· μεθ' ἡμέραν δὲ φανεροῦ γενομένου τοῖς ἐφόροις, ἐζημιώθη ὑπ' αὐτῶν.

Πρὸς οὖν τὰ τοιαῦτα τῶν νομοθετημάτων χαλεπήναντες οἱ εὔποροι ἐπισυνέστησαν καὶ ἐβλασφήμουν αὐτὸν καὶ ἔβαλλον, καταλεῦσαι βουλόμενοι· διωκόμενος δὲ διέπεσε διὰ τῆς ἀγορᾶς· καὶ τοὺς μὲν ἄλλους ἔφθασεν εἰς τὸ ἱερὸν τῆς χαλκιοίκου Ἀθηνᾶς καταφυγών· Ἄλκανδρος δ' ἐπιστραφέντος αὐτοῦ διώκων τῇ βακτηρίᾳ τὸν ὀφθαλμὸν ἐξέκοψεν [αὐτοῦ]. τοῦτον δὲ κοινῷ δόγματι παραλαβὼν ἐπὶ τιμωρίᾳ οὔτε κακῶς διέθηκεν οὔτε ἐμέμψατο, [7] συνδιαιτώμενον δ' ἔχων ἀπέδειξεν ἐπαινέτην αὐτοῦ τε καὶ τῆς διαίτης ἣν εἶχε [σὺν αὐτῷ] καὶ καθόλου τῆς ἀγωγῆς ἐραστήν. τοῦ δὲ πάθους ὑπόμνημα ἱδρύσατο ἐν τῷ τῆς Χαλκιοίκου τεμένει ἱερὸν Ἀθηνᾶς, Ὀπτιλλέτιν προσαγορεύσας· τοὺς γὰρ ὀφθαλμοὺς ὀπτίλλους οἱ τῇδε Δωριεῖς λέγουσιν.

Ἐρωτηθεὶς δὲ διὰ τί οὐκ ἐχρήσατο νόμοις ἐγγράφοις, 'ὅτι' ἔφη 'οἱ πεπαιδευμένοι καὶ ἀχθέντες τῇ προσηκούσῃ ἀγωγῇ τὸ τοῦ καιροῦ χρήσιμον δοκιμάζουσι.'

Πάλιν δ' ἐπιζητούντων τινῶν, διὰ τί ὀροφὴν ἀπὸ πελέκεως ταῖς οἰκίαις ἐπιτιθέναι προσέταξε, θύραν δ' ἀπὸ πρίονος μόνου καὶ μηδενὸς τῶν ἄλλων ἐργαλείων, [8] 'ὅπως ἄν' ἔφη 'μετριάζωσιν οἱ πολῖται περὶ πάντα, ὅσα εἰς τὴν οἰκίαν εἰσάγουσι, καὶ μηδὲν τῶν παρ' ἄλλοις ζηλουμένων ἔχωσιν.'

Ἐκ δὲ ταύτης τῆς συνηθείας φασὶ καὶ Λεωτυχίδην τὸν πρῶτον βασιλέα δειπνοῦντα παρά τινι καὶ θεασάμενον τῆς στέγης τοῦ οἴκου τὴν παρασκευὴν πολυτελῆ καὶ φατνωματικὴν ἐρωτῆσαι τὸν ξένον, εἰ τετράγωνα παρ' αὐτοῖς ξύλα φύεται.

Ἐρωτηθεὶς δὲ διὰ τί ἐκώλυσεν ἐπὶ τοὺς αὐτοὺς πολεμίους πολλάκις στρατεύεσθαι, ἔφη 'ἵνα μὴ πολλάκις ἀμύνεσθαι συνεθιζόμενοι ἔμπειροι πολέμου γένωνται.' διὸ [9] καὶ Ἀγησιλάου ἔγκλημα οὐ βραχὺ ἔδοξεν εἶναι, ταῖς εἰς τὴν Βοιωτίαν συνεχέσιν εἰσβολαῖς καὶ στρατείαις τοὺς Θηβαίους ἀντιπάλους ‹τοῖς› Λακεδαιμονίοις κατασκευάσαντος. τετρωμένον γοῦν ἰδὼν αὐτὸν Ἀνταλκίδας 'καλά' εἶπε 'τροφεῖα ἀπέχεις, μὴ βουλομένους αὐτοὺς μήτ' εἰδότας μάχεσθαι διδάξας.'

Ἄλλου δ' ἐπιζητοῦντος, διὰ τί τὰ σώματα τῶν παρθένων δρόμοις καὶ πάλαις καὶ βολαῖς δίσκων καὶ ἀκοντίων διεπόνησεν, 'ἵν'' ἔφη 'ἡ τῶν

γεννωμένων ῥίζωσις ἰσχυρὰν ἐν ἰσχυροῖς σώμασιν ἀρχὴν λαβοῦσα καλῶς βλαστάνῃ, αὐταί τε μετὰ ῥώμης τοὺς τόκους ὑπομένουσαι ῥᾳδίως τε ἅμα καὶ καλῶς ἀγωνίζωνται πρὸς τὰς ὠδῖνας, καὶ εἴ τις ἀνάγκη γένοιτο, δύνωνται ὑπὲρ αὑτῶν καὶ τέκνων καὶ τῆς πατρίδος μάχεσθαι.'

[10] Μεμφομένων δέ τινων τὴν γύμνωσιν τῶν παρθένων ἐν ταῖς πομπαῖς καὶ τὴν αἰτίαν ζητούντων, 'ἵν'' ἔφη 'τὰ αὐτὰ τοῖς ἀνδράσιν ἐπιτηδεύουσαι μηδὲν μεῖον ἔχωσι μήτε κατὰ σώματος ἰσχὺν καὶ ὑγίειαν μήτε κατὰ ψυχῆς φιλοτιμίαν καὶ ἀρετήν, δόξης δὲ τῆς παρὰ τοῖς πολλοῖς ὑπερφρονῶσιν.' ὅθεν καὶ περὶ Γοργοῦς ἱστορεῖται τῆς Λεωνίδου γυναικὸς τοιοῦτον· εἰπούσης γάρ τινος, ὡς ἔοικε, ξένης πρὸς αὐτὴν ὡς 'μόναι τῶν ἀνδρῶν ἄρχετε ὑμεῖς αἱ Λάκαιναι' ἀπεκρίνατο 'μόναι γὰρ ἡμεῖς ἄνδρας τίκτομεν.'

Εἴρξας δὲ τοὺς ἀγάμους τῆς ἐν ταῖς γυμνοπαιδίαις θέας καὶ ἀτιμίαν προσθεὶς πολλὴν πρόνοιαν [11] ἐποιήσατο τῆς παιδοποιίας· τιμῆς δὲ καὶ θεραπείας, ἣν νέοι πρεσβυτέροις παρεῖχον, ἐστέρησε. καὶ τὸ πρὸς Δερκυλλίδαν ῥηθὲν οὐδεὶς ἐμέμψατο, καίπερ εὐδόκιμον ὄντα στρατηγόν· ἐπιόντι γὰρ αὐτῷ τῶν νεωτέρων τις ἕδρας οὐχ ὑπεῖξεν εἰπών 'οὐδὲ γὰρ ἐμοὶ σὺ τὸν ὑπείξοντα ἐγέννησας.'

Πυνθανομένου δέ τινος, διὰ τί τὰς κόρας ἐνομοθέτησεν ἀπροίκους ἐκδίδοσθαι, 'ὅπως' ἔφη 'μήτε δι' ἔνδειαν ἄγαμοί τινες ἐαθῶσι μήτε διὰ περιουσίαν σπουδάζωνται, ἕκαστος δ' εἰς τὸν τρόπον τῆς παιδὸς ἀφορῶν [228] [a] ἀρετῇ τὴν αἵρεσιν ποιῶνται.' διὰ τοῦτο δὲ καὶ τὸν καλλωπισμὸν τῆς πόλεως ἀπήλασεν.

Ὁρίσαντος δ' αὐτοῦ καὶ τὸν χρόνον τῶν τε γαμουμένων καὶ τῶν γαμούντων, πρὸς τὸν ζητοῦντα ‹τὴν αἰτίαν› 'ἵν'' ἔφη 'τὰ γεννώμενα ἰσχυρὰ ᾖ ἐκ τελείων γεννώμενα.'

Πρὸς δὲ τὸν θαυμάζοντα, διότι τὸν γεγαμηκότα ἀπεῖρξε μὴ συγκοιμᾶσθαι τῇ γεγαμημένῃ, προσέταξε δὲ τὸ πλεῖστον τῆς ἡμέρας συνεῖναι τοῖς ἡλικιώταις καὶ τὰς νύκτας ὅλας συναναπαύεσθαι, τῇ δὲ νύμφῃ κρύφα καὶ μετ' εὐλαβείας συνεῖναι, 'ὅπως' ἔφη 'καὶ τοῖς σώμασιν ἰσχυροὶ ὦσι διακορεῖς μὴ γινόμενοι, καὶ τῷ φιλεῖν ἀεὶ [b] καινοὶ ὑπάρχωσι καὶ τὰ ἔγγονα ἐρρωμενέστερα παρέχωσι.'

Καὶ τὸ μὲν μύρον ἐξήλασεν ὡς τοῦ ἐλαίου φθορὰν καὶ ὄλεθρον, τὴν δὲ βαφικὴν ὡς κολακείαν αἰσθήσεως.

Πᾶσι δὲ τοῖς περὶ τὸν τοῦ σώματος καλλωπισμὸν δημιουργοῖς ἀνεπίβατον ἐποίησε τὴν Σπάρτην, ὡς διὰ τῆς κακοτεχνίας τὰς τέχνας λυμαινομένοις.

Τοσαύτη δ' ἦν κατ' ἐκείνους τοὺς χρόνους σωφροσύνη τῶν γυναικῶν καὶ τοσοῦτον ἀπεῖχε τῆς ὕστερον περὶ αὐτὰς εὐχερείας, ὡς πρότερον ἄπιστον

εἶναι τὸ τῆς μοιχείας παρ’ αὐταῖς. καὶ λόγος ἀπομνημονεύεται Γεραδάτα τινὸς Σπαρτιάτου τῶν σφόδρα παλαιῶν, ὃς ἐρωτηθεὶς [c] ὑπὸ ξένου, τί πάσχουσιν οἱ μοιχοὶ παρ’ αὐτοῖς (οὐδὲν γὰρ ὁρᾶν περὶ τούτου νενομοθετημένον ὑπὸ Λυκούργου), εἶπεν ‘οὐδείς, ὦ ξένε, γίνεται μοιχὸς παρ’ ἡμῖν.’ ἐκείνου δὲ ὑπολαβόντος ‘ἂν οὖν γένηται;’ ‘ταῦρον’ ἔφη ὁ Γεραδάτας ‹’ἐκτίνει μέγαν, ὃς ὑπερκύψας τὸ Ταΰγετον ἀπὸ τοῦ Εὐρώτα πίεται.’ θαυμάσαντος δ’ ἐκείνου καὶ φήσαντος ‘πῶς δ’ ἂν γένοιτο βοῦς τηλικοῦτος;’ γελάσας ὁ Γεραδάτας› ‘πῶς γὰρ ἄν’ ἔφη ‘μοιχὸς ἐν Σπάρτῃ γένοιτο, ἐν ᾗ πλοῦτος μὲν καὶ τρυφὴ καὶ καλλωπισμὸς ἀτιμάζονται, αἰδὼς δὲ καὶ εὐκοσμία καὶ τῶν ἡγουμένων πειθὼ πρεσβεύονται;’

Πρὸς δὲ τὸν ἀξιοῦντα δημοκρατίαν ἐν τῇ πόλει καταστήσασθαι ὁ Λυκοῦργος ‘σὺ πρῶτος’ ἔφη ‘ἐν τῇ οἰκίᾳ σου ποίησον δημοκρατίαν.’

Πυνθανομένου δέ τινος διὰ τί μικρὰς οὕτω καὶ [d] εὐτελεῖς ἔταξε τῶν θεῶν τὰς θυσίας, ‘ὅπως’ ἔφη ‘μηδέποτε τιμῶντες τὸ θεῖον διαλείπωμεν.’

Μόνα δὲ ταῦτα τῶν ἀθλημάτων ἐφέντος αὐτοῦ τοὺς πολίτας ἀγωνίζεσθαι, ὅπου ἡ χεὶρ οὐκ ἀνατείνεται, ἐπύθετό τις τὴν αἰτίαν· ὁ δέ ‘ὅπως’ εἶπε ‘μηδεὶς αὐτῶν ἐν τῷ πονεῖν ἀπαυδᾶν ἐθίζηται.’

Ἐρωτῶντος δέ τινος, διὰ τί πυκνὰ μεταστρατοπεδεύειν κελεύει, ‘ὅπως’ εἶπε ‘πλείω τοὺς ἐχθροὺς βλάπτωμεν.’

Ἄλλου δ’ ἐπιζητοῦντος διὰ τί πυργομαχεῖν ἀπεῖπε, ‘ἵν’’ ἔφη ‘μὴ ὑπὸ γυναικὸς ἢ παιδὸς ἤ τινος παραπλησίου ἀνθρώπου οἱ ἀμείνονες ἀποθνῄσκωσιν.’

Τοῖς δὲ συμβουλευομένοις τῶν Θηβαίων περὶ τῆς [e] ἱερουργίας καὶ τοῦ πένθους, ἣν ποιοῦνται τῇ Λευκοθέᾳ, συνεβούλευσεν ‘εἰ μὲν θεὸν ἡγοῦνται, μὴ θρηνεῖν· εἰ δ’ ἄνθρωπον, μὴ ἱερουργεῖν ὡς θεῷ.’

Πρὸς δὲ τοὺς ἐπιζητοῦντας τῶν πολιτῶν ‘πῶς ἂν πολεμίων ἔφοδον ἀλεξοίμεθα;’ ‘ἐὰν πτωχοί’ ἔφη ‘ἦτε καὶ μὴ μείζων ἅτερος θατέρου ἐρᾷ εἶναι.’

Καὶ πάλιν ἐπιζητούντων περὶ τειχῶν, ‘οὐκ’ ἔφη ‘πόλιν εἶναι ἀτείχιστον, ἥτις ἀνδράσι καὶ οὐ πλίνθοις ἐστεφάνωται.’

Ἐπεμέλοντο δὲ οἱ Σπαρτιᾶται καὶ τῆς κόμης, ἀπομνημονεύοντές τινα Λυκούργου λόγον περὶ τούτου, ὅτι τοὺς μὲν καλοὺς ἡ κόμη εὐπρεπεστέρους ποιεῖ, τοὺς δ’ αἰσχροὺς φοβερωτέρους.

[f] Παρήγγειλε δ’ ἐν τοῖς πολέμοις τρεψαμένους καὶ νικήσαντας μέχρι τοῦ βεβαιώσασθαι τὸ νίκημα ἐπιδιώκειν, εἶτ’ εὐθὺς ἀναχωρεῖν· ‹οὔτε γενναῖον› οὔτε Ἑλληνικὸν φονεύειν τοὺς παρακεχωρηκότας φάσκων. ‹εἶναι δ’ οὐ μόνον καλὸν τοῦτο καὶ μεγαλόψυχον› ἀλλὰ καὶ χρήσιμον· εἰδότας γὰρ τοὺς

μαχομένους πρὸς αὐτοὺς ὅτι φείδονται μὲν τῶν ἐνδιδόντων, ἀναιροῦσι δὲ τοὺς ὑφισταμένους, τοῦ μένειν τὸ φεύγειν ὠφελιμώτερον ἡγήσεσθαι.

Πυνθανομένου δέ τινος, διὰ τί τοὺς τῶν πολεμίων νεκροὺς ἀπηγόρευσε σκυλεύειν, 'ὅπως' ἔφη 'μὴ κυπτάζοντες περὶ [229] [a] τὰ σκῦλα τῆς μάχης ἀμελῶσιν, ἀλλὰ καὶ τὴν πενίαν ἅμα τῇ τάξει διασῴζωσι.'

ΛΥΣΑΝΔΡΟΣ

Λύσανδρος, Διονυσίου τοῦ τῆς Σικελίας τυράννου πέμψαντος αὐτοῦ ταῖς θυγατράσιν ἱμάτια πολυτελῆ, οὐκ ἔλαβεν εἰπὼν δεδιέναι, μὴ διὰ ταῦτα μᾶλλον αἰσχραὶ φανῶσιν. ἀλλ' ὀλίγον ὕστερον πρὸς τὸν αὐτὸν τύραννον ἐκ τῆς αὐτῆς πόλεως ἀποσταλεὶς πρεσβευτής, προσπέμψαντος αὐτῷ τοῦ Διονυσίου δύο στολὰς καὶ κελεύσαντος ἣν βούλεται ταύτην ἑλόμενον τῇ θυγατρὶ κομίζειν, αὐτὴν ἐκείνην ἔφη βέλτιον αἱρήσεσθαι· καὶ λαβὼν ἀμφοτέρας ἀπῆλθεν.

Σοφιστὴς δὲ δεινὸς γενόμενος ὁ Λύσανδρος καὶ ἀπάταις τὰ πολλὰ ποικίλλων, τὸ δίκαιον ἐν μόνῳ τῷ λυσιτελεῖ τιθέμενος καὶ τὸ καλὸν ἐν τῷ συμφέροντι, τὸ ἀληθὲς ἔλεγε τοῦ ψεύδους κρεῖττον εἶναι, ἑκατέρου δὲ [b] τῇ χρείᾳ τὴν ἀξίαν καὶ τὴν τιμὴν ὁρίζεσθαι.

Πρὸς δὲ τοὺς ψέγοντας αὐτὸν ἐπὶ τῷ δι' ἀπάτης τὰ πλεῖστα πράττειν ὡς ἀνάξιον τοῦ Ἡρακλέους καὶ δόλῳ, οὐκ ἄντικρυς κατορθοῦντα, γελῶν ἔλεγεν, ὅπου μὴ ἐφικνεῖται ἡ λεοντῆ, προσραπτέον εἶναι τὴν ἀλωπεκῆν.

Ἐπιμεμφομένων δ' ἑτέρων αὐτὸν ἐπὶ ταῖς παραβάσεσι τῶν ὅρκων, οὓς ἐν Μιλήτῳ ἐποιήσατο, ἔλεγε 'τοὺς μὲν παῖδας τοῖς ἀστραγάλοις δεῖ ἐξαπατᾶν, τοὺς δὲ ἄνδρας τοῖς ὅρκοις.'

Νικήσας δὲ τοὺς Ἀθηναίους ἐξ ἐνέδρας περὶ Αἰγὸς ποταμοὺς καὶ λιμῷ πιέσας αὐτοὺς παρεστήσατο τὴν πόλιν καὶ ἔγραψε τοῖς ἐφόροις 'ἑαλώκασιν αἱ Ἀθῆναι.'

[c] Πρὸς Ἀργείους δὲ περὶ γῆς ὅρων ἀμφισβητοῦντας πρὸς Λακεδαιμονίους καὶ δικαιότερα λέγειν αὐτῶν φάσκοντας σπασάμενος τὴν μάχαιραν 'ὁ ταύτης' ἔφη 'κρατῶν βέλτιστα περὶ γῆς ὅρων διαλέγεται.'

Τοὺς δὲ Βοιωτοὺς ἐπαμφοτερίζοντας, ὅτε διῄει τὴν χώραν, ὁρῶν προσέπεμψε πυνθανόμενος πότερον ὀρθοῖς τοῖς δόρασιν ἢ κεκλιμένοις διαπορεύηται τὴν χώραν αὐτῶν.

Μεγαρέως δ' ἀνδρὸς ἔν τῳ κοινῷ συλλόγῳ παρρησίᾳ χρησαμένου πρὸς αὐτόν, 'οἱ λόγοι σου' εἶπεν 'ὦ ξένε, πόλεως δέονται.'

Ἐπεὶ δὲ Κορινθίων ἀφεστώτων διερχόμενος παρὰ [d] τὰ τείχη τοὺς Λακεδαιμονίους ἑώρα προσβάλλειν ὀκνοῦντας, καὶ λαγώς τις ὤφθη διαπηδῶν τὴν τάφρον, 'οὐκ αἰσχύνεσθε' εἶπεν, 'ὦ Σπαρτιᾶται, τοιούτους

φοβούμενοι πολεμίους, ὧν δι’ ἀργίαν οἱ λαγωοὶ τοῖς τείχεσιν ἐγκαθεύδουσιν;’

Ἐν δὲ Σαμοθρᾴκῃ χρηστηριαζομένῳ αὐτῷ ὁ ἱερεὺς ἐκέλευσεν εἰπεῖν, ὅ τι ἀνομώτατον ἔργον αὐτῷ ἐν τῷ βίῳ πέπρακται. ἐπηρώτησεν οὖν ‘πότερον σοῦ κελεύοντος ἢ τῶν θεῶν τοῦτο δεῖ ποιεῖν;’ φαμένου δέ ‘τῶν θεῶν,’ ‘σὺ τοίνυν’ ἔφη ‘ἐκποδών μοι μετάστηθι, κἀκείνοις ἐρῶ, ἐὰν πυνθάνωνται.’

Πέρσου δ’ ἐρωτήσαντος ποίαν μάλιστα ἐπαινεῖ [e] πολιτείαν, ‘ἥτις’ ἔφη ‘τοῖς ἀνδρείοις καὶ ‹τοῖς› δειλοῖς τὰ προσήκοντα ἀποδίδωσι.’

Πρὸς δὲ τὸν εἰπόντα, ὅτι ἐπαινοίη αὐτὸν καὶ ὑπερασπάζοιτο, ‘δύο βοῦς’ ἔφη ‘ἔχω ἐν ἀγρῷ· σιγώντων δ’ ἀμφοτέρων, ἀκριβῶς ἐπίσταμαι τόν τ’ ἀργὸν καὶ τὸν ἐργαζόμενον.’

Λοιδορουμένου δέ τινος αὐτῷ, εἶπε ‘λέγε πυκνῶς, ὦ ξενύλλιον, λέγε μηδὲν ἐλλείπων, ἄν σου δύνῃ τὰν ψυχὰν κενῶσαι κακῶν, ὧν ἔοικας πλήρης εἶναι.’

Χρόνῳ δ’ ὕστερον μετὰ τὴν τελευτὴν ἀντιλογίας συμμαχικῆς γενομένης, Ἀγησίλαος ἦλθεν ἐπὶ τὴν τοῦ Λυσάνδρου οἰκίαν, ὅπως τὰ περὶ αὐτῆς γράμματα διασκέψηται· [f] ταῦτα γὰρ παρ’ αὑτῷ κατέσχεν ὁ Λύσανδρος. εὗρε δὲ καὶ βιβλίον γεγραμμένον τῷ Λυσάνδρῳ περὶ τῆς πολιτείας, ὡς χρὴ τῶν Εὐρυπωντιδῶν καὶ Ἀγιαδῶν τὴν βασιλείαν ἀφελομένους εἰς μέσον θεῖναι καὶ ποιεῖσθαι τὴν αἵρεσιν ἐκ τῶν ἀρίστων, ἵνα μὴ τῶν ἀφ’ Ἡρακλέους, ἀλλὰ ‹τῶν› οἷος Ἡρακλῆς τῇ ἀρετῇ κρινομένων τὸ γέρας ᾖ, ᾗ κἀκεῖνος εἰς θεῶν τιμὰς ἀνήχθη. καὶ τοῦτον τὸν λόγον ὥρμησε μὲν εἰς τοὺς πολίτας ἐξενεγκεῖν καὶ παραδεικνύναι τὸν Λύσανδρον οἷος ὢν πολίτης διαλανθάνοι καὶ ἐπὶ διαβολῇ τῶν Λυσάνδρου φίλων. ‹Λα›κρατίδην δέ φασι τότε προεστῶτα τῶν ἐφόρων, εὐλαβηθέντα μὴ πείσῃ ‹τιν’› ἀναγνωσθεὶς ὁ λόγος, ἐπιλαβέσθαι τοῦ Ἀγησιλάου καὶ εἰπεῖν ὡς οὐ δεῖ ἀνορύττειν τὸν Λύσανδρον, [230] [a] ἀλλὰ καὶ τὸν λόγον αὐτῷ συγκατορύττειν, πανούργως καὶ πιθανῶς συντεταγμένον.

Τοὺς δὲ μνηστεύσαντας αὐτοῦ τὰς θυγατέρας, εἶτα μετὰ τὴν τελευτὴν πένητος εὑρεθέντος ἀπειπαμένους ἐζημίωσαν οἱ ἔφοροι, ὅτι πλούσιον μὲν νομίζοντες ἐθεράπευον, δίκαιον δὲ καὶ χρηστὸν ἐκ τῆς πενίας ἐπιγνόντες ὑπερεῖδον.

ΝΑΜΕΡΤΗΣ

Ναμέρτης πρεσβευτὴς ἀποσταλείς, μακαρίζοντός τινος αὐτὸν τῶν ἐκεῖθι διότι πολύφιλος εἴη, ἠρώτησεν εἰ δοκίμιον ἔχει τίνι τρόπῳ πειράζεται ὁ πολύφιλος· ἐπιζητοῦντος [b] δὲ θατέρου μαθεῖν, ‘ἀτυχίᾳ’ εἶπεν.

ΝΙΚΑΝΔΡΟΣ

Νίκανδρος, εἰπόντος τινὸς ὅτι κακῶς αὐτὸν λέγουσιν Ἀργεῖοι, 'οὐκοῦν' ἔφη 'δίκην τίνουσι τοὺς ἀγαθοὺς κακῶς λέγοντες.'

Πυθομένου δέ τινος διὰ τί κομῶσι καὶ πωγωνοτροφοῦσιν, 'ὅτι' ἔφη 'πάντων κάλλιστος καὶ ἀδαπανώτατος ἀνδρὶ ὁ ἴδιος κόσμος.'

Τῶν Ἀθηναίων δ' εἰπόντος τινός 'λίαν ἀντέχεσθε, ὦ Νίκανδρε, τοῦ σχολάζειν', 'ἀληθίζῃ' ἔφη, 'ἀλλ' οὐχ ὥσπερ ὑμεῖς ὅπως ‹ὅτι ἂν› τύχῃ σπουδάζωμεν.'

ΠΑΝΘΟΙΔΑΣ

[c] Πανθοίδας πρεσβεύων εἰς τὴν Ἀσίαν, ἐπιδεικνύντων αὐτῷ τινων τεῖχος μέγα καὶ ὑψηλόν, εἶπε 'νὴ τοὺς θεούς, ὦ ξένοι, καλὴ γυναικωνῖτις.'

Ἐν Ἀκαδημείᾳ δὲ τῶν φιλοσόφων διαλεγομένων πολλὰ καὶ σπουδαῖα, ἐπερωτώντων δὲ τὸν Πανθοίδαν μετὰ ταῦτα τί δοκοῦσιν αὐτῷ οἱ λόγοι εἶναι, 'τί δ' ἄλλο' ἔφη 'ἢ σπουδαῖοι; ὄφελος δ' οὐδέν, μὴ χρωμένων ὑμῶν αὐτοῖς.'

ΠΑΥΣΑΝΙΑΣ Ο ΚΛΕΟΜΒΡΟΤΟΥ

Παυσανίας ὁ Κλεομβρότου, Δηλίων δικαιολογουμένων περὶ τῆς νήσου πρὸς Ἀθηναίους καὶ λεγόντων, ὅτι κατὰ τὸν νόμον τὸν παρ' αὐτοῖς οὔθ' αἱ γυναῖκες ἐν τῇ [d] νήσῳ τίκτουσιν οὔθ' οἱ τελευτήσαντες θάπτονται, 'πῶς ‹ἂν› οὖν' ἔφη 'αὕτη πατρὶς ὑμῶν εἴη, ἐν ᾗ οὔτε γέγονέ τις ὑμῶν οὔτ' ἔσται;'

Τῶν δὲ φυγάδων αὐτὸν προτρεπομένων ἐπὶ τοὺς Ἀθηναίους ἄγειν τὴν στρατιὰν λεγόντων τε ὅτι τοῖς Ὀλυμπίοις ἀνακηρυττομένου αὐτοῦ ἐσύριττον αὐτὸν μόνοι, 'τί οὖν οἴεσθε' ἔφη 'τοὺς ὅτε εὖ ἔπασχον συρίττοντας κακῶς παθόντας ποιήσειν;'

Πυνθανομένου δέ τινος διὰ τί Τυρταῖον τὸν ποιητὴν ἐποιήσαντο πολίτην, 'ὅπως' ἔφη 'μηδέποτε ξένος φαίνηται ἡμῶν ἡγεμών.'

Πρὸς δὲ τὸν ἀσθενῆ μὲν τῷ σώματι, συμβουλεύοντα δὲ πρὸς τοὺς πολεμίους κατὰ γῆν καὶ κατὰ θάλατταν [e] διακινδυνεύειν, 'θέλεις οὖν' ἔφη 'δεῖξαι σεαυτὸν ἐκδύς, οἷος ὢν ἡμῖν μάχεσθαι συμβουλεύεις;'

Θαυμαζόντων δέ τινων ἐν τοῖς λαφύροις τῶν βαρβάρων τὴν πολυτέλειαν τῆς ἐσθῆτος, 'κρεῖσσον' ἔφη 'αὐτοὺς εἶναι πολλοῦ ἀξίους ἢ κεκτῆσθαι πολλοῦ ἄξια.'

Μετὰ δὲ τὴν ἐν Πλαταιαῖς κατὰ Μήδων γενομένην νίκην τοῖς ἀμφ' αὐτὸν ἐκέλευσε τὸ προητοιμασμένον Περσικὸν δεῖπνον παραθεῖναι· τούτου δὲ θαυμαστὴν πολυτέλειαν ἔχοντος, 'νὴ τοὺς θεούς' ἔφη, 'λίχνος ἦν ὁ Πέρσης, ὅτι τοσαῦτα ἔχων ἐπὶ τὴν ἡμετέραν ἦλθε μᾶζαν.'

ΠΑΥΣΑΝΙΑΣ Ο ΠΛΕΙΣΤΩΝΑΚΤΟΣ

[f] Παυσανίας ὁ Πλειστώνακτος πρὸς τὸν ἐρωτήσαντα, διὰ τί τῶν ἀρχαίων νόμων οὐδένα κινεῖν ἔξεστι παρ' αὐτοῖς, 'ὅτι τοὺς νόμους' ἔφη 'τῶν ἀνδρῶν,

οὐ τοὺς ἄνδρας τῶν νόμων κυρίους εἶναι δεῖ.'

Ἐπαινοῦντος δ' αὐτοῦ ἐν Τεγέᾳ μετὰ τὴν φυγὴν τοὺς Λακεδαιμονίους, εἶπέ τις 'διὰ τί οὖν οὐκ ἔμενες ἐν Σπάρτῃ ἀλλ' ἔφυγες;' 'ὅτι οὐδ' οἱ ἰατροί' ἔφη 'παρὰ τοῖς ὑγιαίνουσιν, ὅπου δὲ οἱ νοσοῦντες, διατρίβειν εἰώθασιν.'

Πυνθανομένου δέ τινος αὐτοῦ, πῶς ἂν δυνηθεῖεν τοὺς Θρᾷκας νικῆσαι, 'εἰ τὸν ‹μὲν› ἰατρόν' εἶπε 'στρατηγόν, ‹ἰατρὸν δὲ τὸν στρατηγὸν› καταστήσαιμεν.'

[231] [a] Ἰατροῦ δ' ἐπισκεπτομένου αὐτὸν καὶ εἰπόντος 'οὐδὲν κακὸν ἔχεις', 'οὐ γὰρ σοὶ' ἔφη 'ἰατρῷ χρῶμαι;'

Μεμφομένου δέ τινος αὐτὸν τῶν φίλων, διότι ἰατρόν τινα κακῶς λέγει, πεῖραν οὐκ ἔχων αὐτοῦ οὐδ' ἀδικηθείς τι, 'ὅτι' εἶπεν 'εἰ ἔλαβον αὐτοῦ πεῖραν, οὐκ ἂν ἔζων.'

Ἄλλου δ' ἰατροῦ εἰπόντος αὐτῷ 'γέρων γέγονας', 'διότι' εἶπεν 'οὐκ ἐχρησάμην σοὶ ἰατρῷ.'

Κράτιστον δ' ἔλεγε τοῦτον ἰατρὸν εἶναι τὸν μὴ κατασήποντα τοὺς ἀρρωστοῦντας ἀλλὰ τάχιστα θάπτοντα.

ΠΕΔΑΡΙΤΟΣ

Πεδάριτος, λέγοντός τινος ὅτι πολλοὶ εἴησαν οἱ [b] πολέμιοι, 'οὐκοῦν' ἔφη 'ἡμεῖς εὐκλεέστεροι ἐσόμεθα· πλείους γὰρ ἀποκτενοῦμεν.'

Ἰδὼν δέ τινα τῇ μὲν φύσει μαλακὸν δι' ἐπιείκειαν δ' ἐπαινούμενον ὑπὸ τῶν πολιτῶν, ἔφη 'οὔτ' ἄνδρας γυναιξὶν ὁμοίους ὄντας ἐπαινεῖν δεῖ οὔτε γυναῖκας ἀνδράσιν, ἐὰν μὴ [τὴν γυναῖκα] χρεία τις καταλάβῃ.'

Οὐκ ἐγκριθεὶς δ' εἰς τοὺς τριακοσίους, ἥτις ἐν τῇ πόλει πρωτεύουσα τιμὴ τῇ τάξει ἦν, ἱλαρὸς καὶ μειδιῶν ἀπῄει· ἀνακαλεσαμένων δ' αὐτὸν τῶν ἐφόρων καὶ πυνθανομένων διότι γελᾷ, εἶπε 'διότι συγχαίρω τῇ πόλει τριακοσίους κρείττονάς μου πολίτας ἐχούσῃ.'

[c]

Συνηγόρου δέ τινος γελοῖα λέγοντος, 'οὐ φυλάξῃ, ὦ ξένε', ἔφη, 'συνεχῶς γελοιάζων, ὅπως μὴ γελοῖος γένῃ, ὥσπερ καὶ οἱ συνεχῶς παλαίοντες παλαισταί;'

Λέγοντος δέ τινος, ὅτι κακολόγος τις αὐτὸν ἐπῄνει ‘θαυμάζω’ ἔφη ‘εἰ μή τις αὐτῷ εἶπεν ὅτι ἀπέθανον· ζῶντα γὰρ ἐκεῖνος οὐδένα καλῶς λέξαι δύναται.’

[d]

Ἐξάγοντος δ’ αὐτοῦ τὸ στράτευμα ἐπὶ Μεσσήνην, ἤρετό τις εἰ τοῖς ἀδελφοῖς μάχεσθαι μέλλει, ‘οὐκ’ ἔφη, ‘ἀλλ’ ἐπὶ τὴν ἀκλήρωτον τῆς χώρας βαδίζειν.’

[e] Ἀργείων δὲ πάλιν μετὰ τὴν τῶν τριακοσίων μάχην ἐκ παρατάξεως πανδημεὶ κρατηθέντων, τὸν Πολύδωρον οἱ σύμμαχοι παρεκελεύοντο μὴ παριέναι τὸν καιρόν, ἀλλ’ ἐπελθόντα τῷ τείχει τῶν πολεμίων τὴν πόλιν αἱρεῖν· ῥᾷστον γὰρ ἔσεσθαι, τῶν μὲν ἀνδρῶν ἀπολωλότων, τῶν γυναικῶν δ’ ἀπολελειμμένων· ἔφη οὖν πρὸς αὐτούς ‘τὸ μὲν ἐκ τοῦ ἴσου μαχόμενον νικᾶν τοὺς ἐναντιουμένους ἐστί μοι καλόν, τὸ δ’ ὑπὲρ τῶν ὅρων τῆς χώρας μεμαχημένον τὴν πόλιν ἐπιθυμεῖν λαβεῖν οὐ δίκαιον τίθεμαι. εἶναι· ἦλθον γὰρ χώραν ἀπολαβεῖν οὐ καταλαβέσθαι πόλιν.’

ΣΟΟΣ

[232] [a] Σόον λέγεται ἐν χωρίῳ χαλεπῷ καὶ ἀνύδρῳ πολιορκούμενον ὑπὸ Κλειτορίων ὁμολογῆσαι τὴν δορίκτητον αὐτοῖς ‹ἂν› ἀφεῖναι γῆν, εἰ πίοιεν ‹οἱ› μετ’ αὐτοῦ πάντες ἀπὸ τῆς πλησίον πηγῆς· ἐφρούρουν δ’ αὐτὴν οἱ πολέμιοι. γενομένων δὲ τῶν ὅρκων, συναγαγόντα τοὺς μεθ’ ἑαυτοῦ διδόναι

τῷ μὴ πιόντι τὴν βασιλείαν· οὐδενὸς δὲ καρτερήσαντος ἀλλὰ πάντων πιόντων, αὐτὸν ἐπὶ πᾶσι καταβάντα καὶ περιρρανάμενον, ἔτι τῶν πολεμίων παρόντων, ἀπελθεῖν καὶ τὴν χώραν κατασχεῖν ὡς μὴ πιόντα.

ΧΑΡΙΛΛΟΣ

Χάριλλος ἐρωτηθεὶς διὰ τί τοὺς νόμους ὁ Λυκοῦργος οὕτως ὀλίγους ἔθηκεν, ‘ὅτι’ ἔφη ‘τοῖς ὀλίγα λέγουσιν ὀλίγων καὶ νόμων ἐστὶ χρεία.’

[c] Πυνθανομένου δέ τινος διὰ τί τὰς μὲν κόρας ἀκαλύπτους, τὰς δὲ γυναῖκας ἐγκεκαλυμμένας εἰς τοὐμφανὲς ἄγουσιν, ‘ὅτι’ ἔφη ‘τὰς μὲν κόρας ἄνδρας εὑρεῖν δεῖ, τὰς δὲ γυναῖκας σῴζειν τοὺς ἔχοντας.’

Τῶν δὲ εἱλώτων τινὸς θρασύτερον αὐτῷ προσφερομένου, ‘εἰ μὴ ὠργιζόμην’ εἶπε, ‘κατέκτανον ἄν σε.’

Ἐρωτήσαντος δέ τινος αὐτὸν τίνα νομίζει πολιτείαν ἀρίστην, ἔφη ‘ἐν ᾗ ἂν περὶ ἀρετῆς πλεῖστοι πολιτευόμενοι πρὸς ἀλλήλους ἄνευ στάσεως ἀγωνίζεσθαι θέλωσι.’

Πυνθανομένου δέ τινος διὰ τί πάντα τὰ τῶν θεῶν

ξόανα μεθ’ ὅπλων ἵδρυται παρ’ αὐτοῖς, ‘ὅπως’ ἔφη ‘μήτε τὰ κατὰ τῶν ἀνθρώπων ὀνείδη λεγόμενα διὰ τὴν δειλίαν ἐπὶ τοὺς θεοὺς ἀναφέρωμεν, μήτε οἱ νέοι τοῖς θεοῖς ἀνόπλοι‹ς› εὔχωνται.’

Πρὸς δὲ τὸν πυθόμενον διὰ τί κομῶσιν εἶπεν ὅτι ‘τῶν κόσμων ὁ φυσικὸς καὶ ἀδάπανος οὗτός ἐστι.’

[d] Σαμίων πρεσβευταῖς μακρολογοῦσιν ἔφασαν οἱ Σπαρτιᾶται ‘τὰ μὲν πρῶτα ἐπιλελάθαμες, τὰ δὲ ὕστερα οὐ συνήκαμες διὰ τὸ τὰ πρῶτα ἐπιλελᾶσθαι.’

Ῥήτορος μακρὸν κατατείναντος λόγον καὶ τὰς ἀποκρίσεις αἰτοῦντος, ἵνα τοῖς πολίταις ἀπαγγείλῃ, ‘ἀπάγγελλε τοίνυν’ ἔφασαν ‘ὅτι μόλις μὲν σὺ ἐπαύσω λέγων, μόλις δὲ ἡμεῖς ἀκούοντες.’

Πρὸς Θηβαίους περί τινων ἀντιλέγοντας ‘ἢ φρονεῖν’ εἶπον ‘δεῖ ἔλασσον ἢ δύνασθαι μεῖζον.’

[e] Λάκων ἐρωτηθεὶς, δι’ ἣν αἰτίαν τὰς τοῦ πώγωνος τρίχας ἐπὶ πολὺ κομᾷ, εἶπεν ‘ἵνα βλέπων τὰς πολιὰς μηδὲν ἀνάξιον αὐτῶν πράττω.’

Ἄλλος πυθομένου τινός ‘διὰ τί ἐγχειριδίοις βραχέσι χρῆσθε;’ ‘ἵνα πλησίον’ εἶπε ‘τοῖς πολεμίοις εἰς χεῖρας ἵκωμες.’ Ἐπαινοῦντός τινος τοὺς ‹Ἀργείους ὡς› ἀρίστους μαχητάς, Λάκων εἶπεν ‘ἐν Τροίᾳ.’

Ἕτερος ἀκούσας δειπνήσαντάς τινας βιάζεσθαι πίνειν ‘μὴ καὶ ἐσθίειν’ εἶπε ‘βιάζονται;’

Πινδάρου δὲ γράψαντος (dith. 4 fr. 76 Schr.)

Ἑλλάδος ἔρεισμα Ἀθῆναι

Λάκων ἔφη καταπεσεῖν ἂν τὴν Ἑλλάδα ὀχουμένην ἐρείσματι τοιούτῳ.

Ἐπεὶ δ’ ἰδών τις ἐν πίνακι γραπτῷ Λάκωνας ὑπ’ Ἀθηναίων σφαττομένους ἔλεγεν ‘ἀνδρεῖοί γ’ Ἀθηναῖοι’, Λάκων ὑποτυχών ‘ἐν τῷ πίνακι’ εἶπε.

[f] Πρὸς δέ τινα προσιέμενον τὰς ἐκ διαβολῆς βλασφημίας Λάκων εἶπε ‘παῦσαι κατ’ ἐμοῦ τὰ ὦτα χορηγῶν.’

Πρὸς δὲ τὸν κολαζόμενον καὶ λέγοντα ‘ἄκων ἥμαρτον’ εἶπέ τις ‘ἄκων τοίνυν καὶ κολάζου.’

Ἰδών τις ἐν ἀποχωρήσει θακεύοντας ἐπὶ δίφρων ἀνθρώπους ‘μὴ γένοιτο’ εἶπεν ‘ἐνταῦθα καθίσαι, ὅθεν οὐκ ἔστιν ‹ὑπ›εξαναστῆναι πρεσβυτέρῳ.’

Χίων ποτὲ κατ’ ἐπιδημίαν ἀπὸ δείπνου ἐμεσάντων ἐν τῷ ἐφορείῳ καὶ χεσάντων ἐπὶ τῶν δίφρων, ἔνθα [233] [a] οἱ ἔφοροι ἐκάθηντο, τὸ μὲν πρῶτον ἰσχυρῶς ἀνεζήτουν τοὺς ποιήσαντας μὴ πολῖται τυγχάνουσιν· ὡς δ’ ᾔσθοντο ὅτι Χῖοι ἦσαν, ἐκήρυξαν ‹ὅτι› τοῖς Χίοις ἐφιᾶσιν ἀσελγαίνειν.

Ἐπεὶ δέ τις τῶν ἀμυγδαλῶν τὰς σκληρὰς ἑώρα διπλασίου πωλουμένας, ‘μὴ σπάνιοι’ ἔφη ‘οἱ λίθοι;’

Τίλας τις ἀηδόνα καὶ βραχεῖαν πάνυ σάρκα εὑρὼν εἶπε ‘φωνὰ τύ τίς ἐσσι καὶ οὐδὲν ἄλλο.’

Ἰδών τις τῶν Λακώνων Διογένη τὸν κύνα περιλαμβάνοντα ἀνδριάντα χάλκεον, ψύχους ὄντος σφοδροῦ, ἐπύθετο εἰ ῥιγοῖ· ἀρνησαμένου δέ, ‘τί οὖν’ ἔφη ‘μέγα ποιεῖς;’

Ὀνειδισθείς τις τῶν Μεταποντίων εἰς δειλίαν ὑπὸ [b] Λάκωνος, ‘ἀλλὰ μήν’ ἔφη ‘οὐκ ὀλίγα τῆς ἀλλοτρίας ἔχομεν·’ ὁ δέ ‘οὐ μόνον ἄρα’ ἔφη ‘δειλοὶ ἀλλὰ καὶ ἄδικοί ἐστε.’

Κατ’ ἐπιδημίαν τις ἐν Σπάρτῃ κρηπιδούμενος ὀρθὸς ἐπὶ θατέρου σκέλους εἶπε πρὸς Λάκωνα ‘οὐκ ἂν οἶμαί σε, ὦ Λάκων, τοσοῦτον χρόνον ἐπὶ τοῦ

ποδὸς ὅσον ἐγὼ στῆναι.’ καὶ ὃς ὑπολαβών ‘οὐ γάρ’ ἔφη· ‘τῶν μέντοι χηνῶν οὐκ ἔστιν ὅστις οὔ.’

Μεγαλυνομένου τινὸς ἐπὶ τῇ ῥητορικῇ τέχνῃ, εἶπέ

τις Λάκων ‘ἀλλὰ νὴ τὼ σιὼ τέχνη ἄνευ τοῦ ἀληθείας ἧφθαι οὔτε ἐστὶν οὔτε μήποτε γένηται.’

Ἀργείου ποτὲ εἰπόντος ‘πολλοὶ τάφοι παρ’ ἡμῖν εἰσὶ Σπαρτιατῶν’, Λάκων εἶπεν ‘ἀλλὰ μὴν παρ’ ἡμῖν [c] Ἀργείων οὐδὲ εἷς’, ὡς αὐτῶν μὲν πολλάκις Ἄργους ἐπιβεβηκότων Ἀργείων δὲ τῆς Σπάρτης οὐδέποτε.

Λάκων αἰχμαλωτισθεὶς καὶ πιπρασκόμενος, τοῦ κήρυκος λέγοντος ‘Λάκωνα πωλῶ’, ἐπεστόμισεν εἰπών ‘αἰχμάλωτον κήρυσσε.’

Τῶν παρὰ Λυσιμάχῳ στρατευομένων ἐρωτηθείς τις ὑπ’ αὐτοῦ, μήτι τῶν εἱλώτων ἐστί, ‘σὺ δ’ οἴει’ ἔφη ‘ἐπὶ τὸ παρὰ σοῦ τετρώβολον Λάκωνα ἥξειν;’

Ὅτε Θηβαῖοι νικήσαντες τοὺς Λάκωνας ἐν Λεύκτροις πρὸς αὐτὸν παρῆσαν τὸν Εὐρώταν, καί τις μεγαλαυχῶν εἶπε ‘ποῦ νῦν εἰσὶν οἱ Λάκωνες;’ Σπαρτιάτης [d] ληφθεὶς ὑπ’ αὐτῶν ‘οὐ πάρεισιν’ ἔφη· ‘οὐ γὰρ ἂν ὑμεῖς δεῦρο ἤλθετε.’

Ἀθηναίων ἀξιούντων, ὅτε παρέδωκαν τὸ ἄστυ, Σάμον αὐτοῖς μόνην ἐᾶσαι, εἶπον ‘ὅταν αὑτῶν ἦτε, τότε καὶ ἄλλους ἔχειν ζητεῖτε·’ ἀφ’ οὗ καὶ ἡ παροιμία (Par. gr. II 571)

‘ὃς αὐτὸς αὑτὸν οὐκ ἔχει, Σάμον θέλει.’

Πόλιν τινὰ κατὰ κράτος ἑλόντων Λακεδαιμονίων, οἱ ἔφοροι εἶπον ‘οἴχεται τὸ πάλαισμα τῶν νέων· [οὐκέτι ἕξουσιν ἀνταγωνιστὰς οἱ νέοι].’

Ἄλλην πόλιν ὑπισχνουμένου τοῦ βασιλέως αὐτῶν

τέλεον ἀφανιεῖν ἣν συμβεβήκει πράγματα πολλάκις παρεσχῆσθαι τοῖς Λάκωσιν, οὐκ ἐπέτρεψαν, φάμενοι ‘μηδαμῶς ἀφανίσῃς μηδ’ ἀνέλῃς τὴν ἀκόνην τῶν νέων.’

[e] Τοῖς παλαίουσι παιδοτρίβας οὐκ ἐφίστανον, ἵνα μὴ τέχνης ἀλλ’ ἀρετῆς ἡ φιλοτιμία γένηται. διὸ καὶ Λύσανδρος ἐρωτώμενος, ὅπως ὁ Χάρων ἐνίκησεν αὐτόν, ‘τᾷ πολυμηχανίᾳ’ εἶπε.

Φιλίππου γράφοντος, ὅτε εἰς τὴν χώραν αὐτῶν παρεγένετο, πότερον βούλονται φίλιον ἐλθεῖν ἢ πολέμιον αὐτόν, ἀντεφώνησαν ‘οὐδέτερον.’

Πρεσβευτήν τινα διαπεμψάμενοι πρὸς Ἀντίγονον τὸν Δημητρίου, πυθόμενοι ὅτι ἐκάλεσεν αὐτὸν βασιλέα, ἐζημίωσαν, καίτοι μέδιμνον πυρῶν ἑκάστῳ παρ’ αὐτοῦ σιτοδείας οὔσης κομίζοντα.

Δημητρίου ἐγκαλοῦντος ὅτι ἕνα πρεσβευτὴν ἔπεμψαν πρὸς αὐτόν, ‘οὐχ ἱκανὸς οὖν’ εἶπον, ‘εἰ πρὸς ἕνα εἷς;’

[f] Ἐνέγκαντός τινος ἀρίστην γνώμην μοχθηροῦ, ταύτην μὲν ἀπεδέξαντο, περιελόμενοι δὲ τούτου περιέθηκαν ἑτέρῳ καλῶς βεβιωκότι.

Ἀδελφῶν πρὸς ἀλλήλους διαφερομένων τὸν πατέρα ἐζημίωσαν, ὅτι τοὺς υἱεῖς στασιάζοντας περιορᾷ.

Ψάλτην ἐπιδημήσαντα ἐζημίωσαν, ὅτι δακτύλοις κιθαρίζει.

Δύο παῖδες ἐμάχοντο, ἅτερος δ' αὐτῶν τὸν ἕτερον ἔτρωσε δρεπάνῳ πληγῇ θανασίμῳ· τῶν δὲ συνήθων παίδων, ἐπεὶ διαλύεσθαι ἔμελλεν, ἐπαγγελλομένων ἀμυνεῖσθαι καὶ ἀναιρήσειν τὸν πλήξαντα, 'μηδαμῶς' εἶπε [234] [a] 'πρὸς θεῶν, οὐ γὰρ δίκαιον· καὶ γὰρ ἂν ἐγὼ ἐποίησα τοῦτο, εἰ ἔφθασα καὶ ἀγαθὸς ἐγενόμην.'

Ἕτερον παιδάριον, ἐπεὶ παρῆν ὁ καιρός, ἐν ᾧ κλέπτειν νενόμιστο τοὺς ἐλευθέρους παῖδας ὅ τι τις δύναιτο καὶ μὴ λαθεῖν αἰσχρὸν ἦν, ὡς οἱ σὺν αὐτῷ παῖδες ζῶν ἔκλεψαν ἀλωπέκιον καὶ ἔδοσαν αὐτῷ φυλάττειν, παραγενομένων τῶν ἀπολωλεκότων ἐπὶ ζήτησιν, ἔτυχε μὲν ὑποβαλὼν τὸ ἀλωπέκιον ὑπὸ τὸ αὑτοῦ ἱμάτιον, ἀγριαίνοντος δὲ τοῦ θηρίου καὶ τὴν αὑτοῦ πλευρὰν κατεσθίοντος μέχρι τῶν σπλάγχνων ἠρέμει, ἵνα μὴ γένηται καταφανής.

[b] ὡς δ' ὕστερον ἐκείνων ἀπελθόντων ἐθεάσαντο τὸ γεγονὸς οἱ παῖδες καὶ ἐμέμφοντο, λέγοντες ἄμεινον εἶναι φανερὸν ποιῆσαι τὸ ἀλωπέκιον ἢ μέχρι θανάτου κρύπτειν, 'οὐ μὲν οὖν' εἶπεν, 'ἀλλὰ κρεῖττον ταῖς ἀλγηδόσι μὴ ἐνδόντα τελευτᾶν ἢ περίφωρον γενόμενον διὰ μαλακίαν τὸ ζῆν αἰσχρῶς περιποιήσασθαι.'

Περιτυχόντες τινὲς Λάκωσι καθ' ὁδὸν εἶπον 'εὐτυχήκατε, ἀρτίως ἐντεῦθεν λῃστῶν ἀπιόντων.' οἱ δέ 'οὐ μὰ τὸν Ἐνυάλιον, ἀλλ' ἐκεῖνοι μὴ περιτυχόντες ἡμῖν.'

Λάκων ἐρωτηθεὶς τί ἐπίσταται, εἶπεν 'ἐλεύθερος εἶναι.'

Παῖς Σπαρτιάτης αἰχμαλωτισθεὶς ὑπ' Ἀντιγόνου τοῦ βασιλέως καὶ πραθεὶς τὰ μὲν ἄλλα πάντα ὑπήκοος [c] ἦν τῷ πριαμένῳ, ὅσα ᾤετο προσήκειν ἐλευθέρῳ ποιεῖν· ὡς δὲ προσέταξεν ἀμίδα κομίζειν, οὐκ ἠνέσχετο εἰπών 'οὐ δουλεύσω.' ἐνισταμένου δ' ἐκείνου, ἀναβὰς ἐπὶ τὸν κέραμον καὶ εἰπών ' †εἴσῃ τῆς ὠνῆς' ἔβαλεν ἑαυτὸν κάτω καὶ ἐτελεύτα.

Ἕτερος πωλούμενος, εἰπόντος τινός 'ἐὰν ἀγοράσω σε, χρήσιμος ἔσῃ;' 'κἂν μὴ ἀγοράσῃς' εἶπεν.

Ἄλλος αἰχμάλωτος πιπρασκόμενος, τοῦ κήρυκος ἐπιλέγοντος ἀνδράποδον πωλεῖν, 'κατάρατε' εἶπεν, 'οὐκ ἐρεῖς αἰχμάλωτον;'

Λάκων ἐπὶ τῆς ἀσπίδος μυῖαν ἔχων ἐπίσημον καὶ ταύτην οὐ μείζω τῆς ἀληθινῆς, ὡς καταγελῶντές τινες [d] ἔλεγον ‹ὅτι› ὑπὲρ τοῦ λανθάνειν τοῦτο

πεποιήκει, 'ἵνα μὲν οὖν' εἶπε 'φανερὸς ὦ· οὕτω γὰρ τοῖς πολεμίοις πλησίον προσέρχομαι, ὥστε τὸ ἐπίσημον ἡλίκον ἐστὶν ὑπ' αὐτῶν ὁρᾶσθαι.'

Ἕτερος, ἐν συμποσίῳ προσενεχθείσης λύρας, 'οὐ Λακωνικόν' εἶπε 'τὸ φλυαρεῖν.'

Σπαρτιάτης ἐρωτηθεὶς εἰ ἀσφαλὴς ἡ εἰς Σπάρτην ὁδὸς εἶπεν 'ὁποῖος †καθίσῃς· οἱ μὲν γὰρ λέοντες βαδίζοντι ὅπα κα λέωντι, τὼς δὲ λαγὼς ἐπὶ τᾷ σκηνᾷ θηρεύομες.'

Ἐν χειραψίᾳ περικρούοντος τοῦ προστραχηλίζοντος κενοσπούδως καὶ κατασπῶντος ἐπὶ τὴν γῆν, ἐπειδὴ τῷ σώματι ἐλείπετο ὁ προσπεσών, ἔδακε τὸν βραχίονα· καὶ ὁ ἕτερος εἶπε 'δάκνεις, ὦ Λάκων, ὥσπερ αἱ γυναῖκες·' 'οὐ μὲν οὖν' εἶπεν ἅτερος, 'ἀλλ' ὥσπερ οἱ λέοντες.'

Χωλὸς ἐπὶ πόλεμον ἐξιών, ἐπακολουθούντων αὐτῷ τινων καὶ διαγελώντων, ἐπιστραφεὶς εἶπε 'κακαὶ κεφαλαί, οὐ φεύγοντα δεῖ τοῖς πολεμίοις μάχεσθαι, ἀλλὰ μένοντα καὶ τὴν τάξιν φυλάττοντα.'

Ἕτερος τοξευθεὶς καὶ ἐκλείπων τὸν βίον οὐχὶ τοῦτο ἔφησεν αὐτῷ μέλειν, ὅτι ἀποθανεῖται, ἀλλ' ὅτι ὑπὸ γύννιδος τοξότου καὶ μηδὲν πράξας.

Εἰς πανδοκεῖόν τις καταλύσας καὶ δοὺς ὄψον τῷ

πανδοκεῖ κατασκευάσαι, ὡς ἅτερος τυρὸν ᾔτει καὶ ἔλαιον, 'εἶτ'' ἔφη 'εἰ τυρὸν εἶχον, ἔτι ἂν ἐδεόμην ὄψου;'

Πρὸς δὲ τὸν μακαρίζοντα Λάμπιν τὸν Αἰγινήτην, [e] διότι ἐδόκει πλουσιώτατος εἶναι ναυκλήρια πολλὰ ἔχων, Λάκων εἶπεν 'οὐ προσέχω εὐδαιμονίᾳ ἐκ σχοινίων ἀπηρτημένῃ.'

Εἰπόντος δέ τινος Λάκωνι ὅτι ψεύδεται, ἀπεκρίνατο 'ἐλεύθεροι γάρ εἰμες· οἱ δ' ἄλλοι, αἴκα μὴ τἀληθῆ λέγωντι, οἰμώξονται.'

Προθέμενός τις νεκρὸν στῆσαι ὀρθόν, ὡς πάντα ποιῶν οὐκ ἐδύνατο, 'νὴ τὼ σιώ' εἶπεν, 'ἔνδον τι εἶναι δεῖ.'

Τύννιχος, Θρασυβούλου τοῦ παιδὸς ἀποθανόντος, εὐρώστως ἤνεγκε· καὶ ἐπίγραμμα εἰς τοῦτον ἐγένετο· (Dioscorides Anth. Pal. VII 229)

[235] [a] τὰν Πιτάναν Θρασύβουλος ἐπ' ἀσπίδος ἤλυθεν ἄπνους

ἑπτὰ πρὸς Ἀργείων τραύματα δεξάμενος,

δεικνὺς ἀντία πάντα· τὸν αἱματόεντα δ' ὁ πρέσβυς

θεὶς ἐπὶ πυρκαϊὴν Τύννιχος εἶπε τάδε·

'Δειλοὶ κλαιέσθωσαν· ἐγὼ δέ σε τέκνον ἄδακρυς

θάψω, τὸν καὶ ἐμὸν καὶ Λακεδαιμόνιον.'

Ἀλκιβιάδῃ τῷ Ἀθηναίῳ βαλανέως ἐπὶ πλεῖστον παραχέοντος ὕδωρ, Λάκων εἶπε 'τί τοῦτο ὡς οὐ καθαρῷ, σφόδρα δὲ ῥυπαρῷ; πλεῖον παράχει.'

Φιλίππου τοῦ Μακεδόνος προστάσσοντός τινα δι’ ἐπιστολῆς, ἀντέγραψαν οἱ Λακεδαιμόνιοι ‘Φιλίππῳ· περὶ ὧν ἄμμιν ἔγραψας, οὔ’. ὅτε δ’ ἐνέβαλεν εἰς τὴν Λακωνικὴν ὁ Φίλιππος καὶ ἐδόκουν ἅπαντες ἀπολεῖσθαι, [b] εἶπε πρός τινα τῶν Σπαρτιατῶν ‘τί νῦν ποιήσετε, ὦ Λάκωνες;’ ‘τί γάρ’ ἔφη ‘ἄλλο ἢ ἀνδρείως ἀποθανούμεθα; μόνοι γὰρ ἡμεῖς Ἑλλήνων ἐλεύθεροι εἶναι καὶ μὴ ὑπακούειν ἄλλοις ἐμάθομεν.’

Μετὰ δὲ τὴν Ἄγιδος ἧτταν, ὁμήρους αἰτοῦντος Ἀντιπάτρου πεντήκοντα παῖδας, Ἐτεοκλῆς ἐφορεύων εἶπε παῖδας μὲν οὐ δώσειν, ἵνα μὴ ἀπαίδευτοι γένωνται, τῆς πατρίου ἀγωγῆς ἀτευκτήσαντες· οὐδὲ πολῖται γὰρ ἂν εἴησαν· πρεσβύτας δ’ ἢ γυναῖκας, εἰ βούλοιτο, διπλασίους δώσειν. ἀπειλοῦντος δ’ αὐτοῦ δεινά, εἰ μὴ λάβοι, ἀπεκρίναντο κοινῇ ‘ἐὰν χαλεπώτερα θανάτου ἐπιτάττῃς, εὐκολώτερον ἀποθανούμεθα.’

[c] Πρεσβύτης ἐν Ὀλυμπίᾳ συντελουμένου τοῦ ἀγῶνος προθυμούμενος θεάσασθαι, καθέδρας ἠπόρει· πολλοὺς δ’ ἐπιπορευόμενος τόπους ὑβρίζετο καὶ ἐσκώπτετο, μηδενὸς αὐτὸν παραδεχομένου· ὡς δὲ κατὰ τοὺς Λακεδαιμονίους ἧκεν, ἀνέστησαν πάντες οἱ παῖδες καὶ πολλοὶ τῶν ἀνδρῶν τοῦ τόπου ἐκχωροῦντες· τῶν δὲ Πανελλήνων ἐπισημειωσαμένων κρότῳ τὸ ἔθος καὶ ὑπερεπαινούντων, ὁ πρεσβύτης κινήσας ‘πολιόν τε κάρη πολιόν τε γένειον’ (Χ 74 Ω 516) καὶ δακρύσας ‘οἴμοι τῶν κακῶν’ φησίν, ‘ὡς ἅπαντες μὲν οἱ Ἕλληνες ἐπίστανται τὰ καλά, χρῶνται δ’ αὐτοῖς μόνοι Λακεδαιμόνιοι.’

[d] φασὶ δέ τινες, ὅτι καὶ Ἀθήνησι τὸ αὐτὸ ἐγένετο· Παναθηναίων γὰρ ὄντων οἱ Ἀττικοὶ γέροντα προεπηλάκιζον, προσκαλούμενοι μὲν ὡς παραδεξόμενοι, εἰ δὲ παραγένοιτο, οὐ προσδεχόμενοι· ὡς δὲ διεξιὼν σχεδὸν ἅπαντας ἐγένετο κατὰ τοὺς τῶν Λακεδαιμονίων θεωρούς, ἅπαντες τῶν βάθρων ἀναστάντες τοῦ τόπου παρεχώρουν· ἀγασθεὶς δὲ ὁ ὄχλος ἐπὶ τῷ γεγονότι ἐκρότησε μετὰ πολλῆς ἐπισημασίας, καί τις εἶπε τῶν Σπαρτιατῶν ‘νὴ τὼ σιώ, ἴσασι μὲν οἱ Ἀθηναῖοι τὰ καλά, οὐ πράσσουσι δέ.’

Ἐπαίτης ᾔτησε Λάκωνα· ‘ἀλλ’ εἰ δοίην σοι’ ἔφη ‘μᾶλλον πτωχεύσεις, τῆς δ’ ἀσχημοσύνης σου ταύτης ὁ [e] πρῶτος μεταδοὺς αἴτιος, ἀργόν σε ποιήσας.’

Λάκων ἰδὼν ἀγείροντά τινα θεοῖς ‘οὐδέν’ εἶπε ‘φροντίζειν θεῶν πτωχοτέρων ἑαυτοῦ.’

Λαβών τις μοιχὸν ἐπ’ αἰσχρᾷ γυναικί ‘ἄθλιε’ εἶπε ‘τίς τοι ἀνάγκα;’

Ἄλλος ἀκούων ῥήτορος μεγάλας στρέφοντος περιόδους, ‘ἀλλὰ νὴ τὼ σιώ’ εἶπεν ‘ἀνδρεῖός γε ὁ ἄνθρωπος, ‹ὃς› πρὸς οὐδὲν ὑποκείμενον εὖ στροβιλοῖ τὰν γλῶσσαν.’

Εἰς Λακεδαίμονα παραγενόμενός τις καὶ τὴν πρὸς τοὺς πρεσβύτας τῶν νέων τιμὴν θεασάμενος, ‘ἐν Σπάρτῃ μόνῃ’ εἶπε ‘λυσιτελεῖ γηράσκειν.’

Ἐρωτηθεὶς Λάκων ὁποῖός ἐστι Τυρταῖος ὁ ποιητής, [f] ‘ἀγαθός’ εἶπε ‘κακκονῆν νέων ψυχάς.’

Ἕτερος ἀλγῶν τοὺς ὀφθαλμοὺς ἐξῄει ἐπὶ πόλεμον· λεγόντων δ’ αὐτῷ τινων ‘ποῖ ἄπει οὕτως ἔχων ἢ τί ποιήσων;’ ‘κἂν μηδὲν ἕτερον πράξω’ ἔφη ‘πολεμίου γε μάχαιραν ἀμβλυνῶ.’

Βοῦλις καὶ Σπέρχις Λακεδαιμόνιοι πορευθέντες ἐθελονταὶ πρὸς Ξέρξην τὸν Περσῶν βασιλέα ἐπὶ τιμωρίᾳ, ἣν ὦφλεν ἡ Λακεδαίμων κατὰ χρησμόν, διότι κήρυκας [236] [a] πεμφθέντας ὑπὸ τοῦ Πέρσου ὡς αὐτοὺς ἀπέκτειναν, ἐλθόντες πρὸς τὸν Ξέρξην ἐκέλευον ᾧ βούλεται τρόπῳ διαχρήσασθαι αὐτοὺς ὑπὲρ Λακεδαιμονίων. ὡς δ’ ἐκεῖνος ἀγασθεὶς ἀπέλυσε τοὺς ἄνδρας καὶ ἠξίου μένειν παρ’ αὐτῷ, ‘καὶ πῶς ἄν’ ἔφασαν ‘δυναίμεθα ζῆν ἐνταῦθα, πατρίδα καταλιπόντες καὶ νόμους καὶ τούτους τοὺς ἄνδρας, ὑπὲρ ὧν τοσαύτην ἤλθομεν ὁδὸν ἀποθανούμενοι;’ Ἰνδάρνου δὲ τοῦ στρατηγοῦ ἐπὶ πλέον δεομένου καὶ λέγοντος τεύξεσθαι αὐτοὺς τῆς ἴσης τιμῆς τοῖς μάλιστα ἐν προαγωγῇ φίλοις τοῦ βασιλέως, ἔφασαν ‘ἀγνοεῖν ἡμῖν δοκεῖς, ἡλίκον ἐστὶ τὸ τῆς ἐλευθερίας, ἧς οὐκ ἂν ἀλλάξαιτό τις νοῦν ἔχων τὴν Περσῶν βασιλείαν.’

[b] Λάκων, ἐπεὶ τῇ μὲν προτέρᾳ ἡμέρᾳ ὁ ξένος αὐτὸν ἐξέκλινε, τῇ δ’ ἑξῆς στρώματα χρησάμενος δαψιλῶς ὑπεδέχετο, ἐπιβὰς τοῖς στρώμασι κατεπάτει, ἐπιλέγων διὰ ταῦτα ἐχθὲς οὐδ’ ἐπὶ ψιάθου ὑπνωκέναι.

Ἕτερος ἐλθὼν εἰς Ἀθήνας καὶ ὁρῶν τοὺς Ἀθηναίους τὸ τάριχος ἀποκηρύττοντας καὶ τὸ ὄψον καὶ τελωνοῦντας καὶ πορνοβοσκοῦντας καὶ ἕτερα ἔργα ἀσχήμονα πράττοντας καὶ μηδὲν αἰσχρὸν ἡγουμένους, ὅτε ἐπανῆλθεν εἰς τὴν πατρίδα, τῶν πολιτῶν πυνθανομένων αὐτοῦ ποῖά [c] τινά ἐστι τὰ ἐν Ἀθήναις, ‘πάντα’ εἶπε ‘καλά,’ εἰρωνευόμενος καὶ παριστὰς ὅτι πάντα παρὰ τοῖς Ἀθηναίοις καλὰ νομίζεται, αἰσχρὸν δ’ οὐδέν.

Ἄλλος ἐρωτώμενος περί τινος ἀπεκρίνατο ‘οὔ·’ ὡς δ’ ὁ ἐρωτήσας ἀπεκρίνατο ὅτι ‘ψεύδῃ’, ‘ὁρᾷς οὖν’ ἔφη ‘ὅτι μάταιος εἶ περὶ ὧν ἐπίστασαι ἐρωτῶν.’

Ἧκόν ποτε κατὰ πρεσβείαν Λάκωνες πρὸς Λύγδαμιν τὸν τύραννον· ὡς δ’ ἐκεῖνος ὑπερτιθέμενος πολλάκις συντυχεῖν ἀνεβάλλετο, τὸ δ’ ἐπὶ πᾶσι μαλακῶς ἔχειν αὐτὸν ἔφη τις, οἱ πρέσβεις ‘λέγε αὐτῷ’ εἶπον ‘ὅτι μὰ τοὺς θεοὺς οὐ παλαισόμενοι πρὸς αὐτὸν ἐληλύθαμεν, ἀλλὰ διαλεχθησόμενοι.’

[d] Λάκωνά τινά τις μυσταγωγῶν ἠρώτα τί πράξας ἑαυτῷ σύνοιδεν ἀσεβέστατον, ὁ δέ ‘γινώσκουσιν οἱ θεοί’ ἔφη· ἐπικειμένου δὲ μᾶλλον καὶ

λέγοντος ‘πάντως σε δεῖ εἰπεῖν’, ὁ Λάκων ἀντηρώτησε ‘τίνι με δεῖ εἰπεῖν, σοὶ ἢ τῷ θεῷ;’ τοῦ δ’ εἰπόντος ‘τῷ θεῷ’, ‘σὺ τοίνυν’ ἔφη ‘ἀποχώρησον.’

Ἕτερος νυκτὸς μνῆμα παριὼν καὶ φαντασιωθεὶς δαιμόνιόν τι ἐπέδραμε τῇ λόγχῃ διαράμενος, καὶ ἐναπερείδων εἶπε ‘πῇ με φεύγεις, δὶς ἀποθανουμένη ψυχή;’

Ἄλλος εὐξάμενος ἀπὸ τοῦ Λευκάτα ῥίπτειν ἑαυτὸν

ἀνέβη καὶ ὑπέστρεψεν ἰδὼν τὸ ὕψος· ὀνειδιζόμενος δ’ εἶπεν ‘οὐκ ᾤμαν τὰν εὐχὰν ἄλλας μείζονος εὐχᾶς δεῖσθαι.’

[e] Ἄλλος ἐπὶ παρατάξεως τῷ πολεμίῳ τὸ ξίφος καταφέρειν μέλλων, ἐπεὶ τὸ ἀνακλητικὸν ἐσήμηνεν, οὐκέτι κατήνεγκε· πυθομένου δέ τινος, διὰ τί τὸν ἐχθρὸν ἔχων ὑποχείριον οὐκ ἀπέκτεινεν, ‘ὅτι’ ἔφη ‘βέλτιόν ἐστι τοῦ φονεύειν τὸ πείθεσθαι τῷ ἄρχοντι.’

Λάκωνί τινι ἡττωμένῳ ἐν Ὀλυμπίᾳ πάλην εἶπέ τις ‘ὁ ἀνταγωνιστής, ὦ Λάκων, ἐγένετό σου κρείσσων·’ ‘οὐ μὲν οὖν’ ἔφη ‘ἀλλὰ καββαλικώτερος.’

[f] Τῶν εἰσιόντων εἰς τὰ συσσίτια ἑκάστῳ δεικνύων ὁ πρεσβύτατος τὰς θύρας, ‘διὰ τούτων’ φησίν ‘οὐδεὶς ἐξέρχεται λόγος.’

Δοκιμαζομένου μάλιστα παρ’ αὐτοῖς τοῦ μέλανος λεγομένου ζωμοῦ, ὥστε μὴ κρεαδίου δεῖσθαι τοὺς πρεσβυτέρους, παραχωρεῖν δὲ τοῖς νεανίσκοις, λέγεται Διονύσιος ὁ τῆς Σικελίας τύραννος τούτου χάριν Λακωνικὸν μάγειρον πρίασθαι καὶ προστάξαι σκευάσαι αὐτῷ μηδενὸς φειδόμενον ἀναλώματος· ἔπειτα γευσάμενον καὶ δυσχεράναντα [237] [a] ἀποπτύσαι, καὶ τὸν μάγειρον εἰπεῖν ‘ὦ βασιλεῦ, τοῦτον δεῖ τὸν ζωμὸν γυμνασάμενον Λακωνικῶς ‹ἐν› τῷ Εὐρώτᾳ λελουμένον ἐποψᾶσθαι.’

Πιόντες οἱ Λάκωνες ἐν τοῖς συσσιτίοις μετρίως

ἀπίασι δίχα λαμπάδος· οὐ γὰρ ἔξεστι πρὸς φῶς βαδίζειν οὔτε ταύτην οὔτ’ ἄλλην ὁδόν, ὅπως ἐθίζωνται σκότους καὶ νυκτὸς εὐθαρσῶς καὶ ἀδεῶς ὁδεύειν.

Γράμματα ἕνεκα τῆς χρείας ἐμάνθανον· τῶν δ’ ἄλλων παιδευμάτων ξενηλασίαν ἐποιοῦντο, οὐ μᾶλλον ἀνθρώπων ἢ λόγων. ἡ δὲ παιδεία ἦν αὐτοῖς πρὸς τὸ ἄρχεσθαι καλῶς καὶ καρτερεῖν πονοῦντα καὶ μαχόμενον νικᾶν ἢ ἀποθνήσκειν.

[b] Διετέλουν δὲ καὶ ἄνευ χιτῶνος, ἓν ἱμάτιον εἰς τὸν ἐνιαυτὸν λαμβάνοντες, αὐχμηροὶ τὰ σώματα καὶ λουτρῶν καὶ ἀλειμμάτων κατὰ τὸ πλεῖστον ἀπεχόμενοι.

Ἐκάθευδον δὲ οἱ νέοι ὁμοῦ κατ’ ἴλην καὶ κατ’ ἀγέλην ἐπὶ στιβάδων, ἃς αὐτοὶ συνεφόρουν, τοῦ παρὰ τῷ Εὐρώτᾳ πεφυκότος καλάμου τὰ ἄκρα ταῖς χερσὶν ἄνευ σιδήρου κατακλάσαντες· ἐν δὲ τῷ χειμῶνι τοὺς λεγομένους

λυκοφάνους ὑπεβάλλοντο καὶ κατεμίγνυσαν ταῖς στιβάσι, θερμαντικὸν ἔχειν τι τῆς ὕλης δοκούσης.

Ἐρᾶν τῶν τὴν ψυχὴν σπουδαίων παίδων ἐφεῖτο· τὸ δὲ πλησιάζειν αἰσχρὸν νενόμιστο, ὡς τοῦ σώματος ἐρῶντας [c] ἀλλ' οὐ τῆς ψυχῆς· ὁ δ' ἐγκληθεὶς ὡς ἐπ' αἰσχύνῃ πλησιάζων ἄτιμος διὰ βίου ἦν.

Ἔθος ἦν καὶ τοὺς νεωτέρους ὑπὸ τῶν πρεσβυτέρων ἐρωτᾶσθαι, ποῖ πορεύονται καὶ ἐπὶ τί, καὶ τὸν μὴ ἀποκρινόμενον ἢ προφάσεις πλέκοντα ἐπιπλήττειν· ὁ δὲ μὴ ἐπιπλήττων παρόντος αὐτοῦ ἁμαρτάνοντα ἔνοχος ἦν τῷ ἴσῳ ἐπιτιμίῳ ᾧπερ καὶ ὁ ἁμαρτών· καὶ ὁ δυσχεραίνων δέ, εἰ ἐπιτιμῷτο, ἐν μεγάλῳ ὀνείδει ἦν.

Εἴ τις φωραθείη ἁμαρτάνων, ἔδει τοῦτον βωμόν τινα τῶν ἐν τῇ πόλει κύκλῳ περιιέναι, ψόγον ᾄδοντα πεποιημένον εἰς ἑαυτόν· ὅπερ ἦν οὐδὲν ἕτερον ἢ ἐπιπλήττειν αὐτὸν αὑτῷ.

Καὶ τοὺς νέους δ' οὐ μόνον τοὺς ἰδίους αἰδεῖσθαι [d] πατέρας καὶ ὑπηκόους τούτοις εἶναι, ἀλλὰ πάντας τοὺς πρεσβυτέρους ἐντρέπεσθαι, καὶ ὁδῶν ὑποχωροῦντας καὶ καθέδρας ὑπεξανισταμένους καὶ παρόντων ἡσυχάζοντας. διὸ καὶ ἦρχεν ἕκαστος οὐχ ὥσπερ ἐν ταῖς ἄλλαις πόλεσι τῶν αὑτοῦ καὶ τῶν τοῦ πλησίον, ὅπως ὅτι μάλιστα κοιτῶν αὑτοῦ καὶ τῶν τοῦ πλησίον, ὅπως ὅτι μάλιστα κοινωνῶσι καὶ φροντίζωσιν ὡς οἰκείων.

Παῖς δὲ ὑπό τινος κολασθείς, εἰ τῷ πατρὶ ἐξήγγειλεν, αἰσχρὸν ἦν τῷ πατρὶ μὴ προσεντεῖναι ἀκούσαντα πάλιν ἑτέρας· ἐπίστευον γὰρ ἑαυτοῖς ἐκ τῆς πατρίου ἀγωγῆς μηδὲν αἰσχρὸν προστάξαι τοῖς τέκνοις.

Κλέπτουσι δὲ οἱ νέοι καὶ τῶν σιτίων ὅ τι ἂν δύνωνται, [e] μανθάνοντες εὐφυῶς ἐπιτίθεσθαι τοῖς καθεύδουσιν ἢ ῥᾳθύμως φυλάσσουσι· τῷ δὲ ἁλόντι ζημία πληγαὶ καὶ τὸ πεινῆν. γλίσχρον γὰρ αὐτοῖς ἐστι δεῖπνον, ὅπως δι' αὑτῶν ἀμυνόμενοι τὴν ἔνδειαν ἀναγκάζωνται τολμᾶν καὶ πανουργεῖν.

Τὸ δ' ἔργον τῆς συσσιτίας διά τε ταῦτα γλίσχρον ἦν καὶ ἵν' ἐθίζωνται μηδέποτε γίνεσθαι πλήρεις, δύνασθαι δὲ πεινῆν· οὕτω γὰρ ᾤοντο καὶ εἰς τὸν πόλεμον χρησιμωτέρους ἔσεσθαι, εἰ δύναιντο καὶ ἀσιτήσαντες ἐπιπονῆσαι, καὶ ἐγκρατεστέρους δὲ καὶ εὐτελεστέρους, εἰ πλείω χρόνον διάγοιεν ἀπὸ μικρᾶς δαπάνης· τὸ δ' [f] ἀνοψίαν ὑποφέρειν καὶ βρῶμα τὸ τυχὸν προσφέρεσθαι ᾤοντο ὑγιεινότερα τὰ σώματα καὶ εὐαυξῆ ἀπὸ τῆς ἐλλειπούσης ποιεῖν τροφῆς, νομίζοντες εἰς βάθος τε καὶ πλάτος μὴ πιεζόμενον ἐπαίρειν εἰς ὕψος τὰ σώματα· καὶ καλὰ δὲ ποιεῖν· τὰς γὰρ ἰσχνὰς καὶ διακένους ἕξεις ὑπακούειν πρὸς τὴν διάρθρωσιν, τὰς δὲ πολυτρόφους διὰ βάρος ἀντιβαίνειν.

Ἐσπούδαζον δὲ καὶ περὶ τὰ μέλη καὶ τὰς ᾠδὰς [238] [a] οὐδενὸς ἧττον· κέντρον δ’ εἶχε ταῦτα ἐγερτικὸν θυμοῦ καὶ φρονήματος καὶ παραστατικὸν ὁρμῆς ἐνθουσιώδους καὶ πρακτικῆς. καὶ ἡ λέξις ἦν ἀφελὴς καὶ ἄθρυπτος· οὐδὲν δ’ ἕτερον εἶχεν ἢ ἐπαίνους τῶν γεννικῶς ζησάντων καὶ ὑπὲρ τῆς Σπάρτης ἀποθανόντων καὶ εὐδαιμονιζομένων καὶ ψόγους τῶν τρεσάντων ὡς ἀλγεινὸν καὶ κακοδαίμονα βιούντων βίον· ἐπαγγελία τε καὶ μεγαλαυχία πρὸς ἀρετὴν πρέπουσα ταῖς ἡλικίαις.

Τριῶν οὖν χορῶν ὄντων κατὰ τὰς τρεῖς ἡλικίας καὶ συνισταμένων ἐν ταῖς ἑορταῖς, ὁ μὲν τῶν γερόντων ἀρχόμενος ᾖδεν (PLGr III 4`4 661 6 II 197 Diehl)

‘ἁμές ποτ’ ἦμες ἄλκιμοι νεανίαι·’

[b] εἶτα ὁ τῶν ἀκμαζόντων ἀνδρῶν ἀμειβόμενος [ἔλεγεν]

‘ἁμὲς δέ γ’ εἰμές· αἰ δὲ λῇς, αὐγάσδεο·’

ὁ δὲ τρίτος ὁ τῶν παίδων

‘ἁμὲς δέ γ’ ἐσσόμεσθα πολλῷ κάρρονες.’

Καὶ οἱ ἐμβατήριοι δὲ ῥυθμοὶ παρορμητικοὶ ἦσαν πρὸς ἀνδρείαν καὶ θαρραλεότητα καὶ ὑπερφρόνησιν θανάτου, οἷς ἐχρῶντο ἔν τε χοροῖς καὶ πρὸς αὐλὸν ἐπάγοντες τοῖς πολεμίοις. ὁ γὰρ Λυκοῦργος παρέζευξε τῇ κατὰ πόλεμον ἀσκήσει τὴν φιλομουσίαν, ὅπως τὸ ἄγαν πολεμικὸν τῷ ἐμμελεῖ κερασθὲν συμφωνίαν καὶ ἁρμονίαν ἔχῃ· διὸ καὶ ἐν ταῖς μάχαις προεθύετο ταῖς Μούσαις ὁ βασιλεύς, ἵνα λόγου ἀξίας παρέχωσι τὰς πράξεις οἱ [c] μαχόμενοι καὶ μνήμης εὐκλεοῦς.

Εἰ δέ τις παραβαίνοι τι τῆς ἀρχαίας μουσικῆς, οὐκ ἐπέτρεπον· ἀλλὰ καὶ τὸν Τέρπανδρον ἀρχαϊκώτατον ὄντα καὶ ἄριστον τῶν καθ’ ἑαυτὸν κιθαρῳδῶν καὶ τῶν ἡρωικῶν πράξεων ἐπαινέτην ὅμως οἱ ἔφοροι ἐζημίωσαν καὶ τὴν κιθάραν αὐτοῦ προσεπαττάλευσαν φέροντες, ὅτι μίαν μόνην χορδὴν ἐνέτεινε περισσοτέραν τοῦ ποικίλου τῆς φωνῆς χάριν· μόνα γὰρ τὰ ἁπλούστερα τῶν μελῶν ἐδοκίμαζον. Τιμοθέου δ’ ἀγωνιζομένου τὰ Κάρνεια, εἷς τῶν ἐφόρων μάχαιραν λαβὼν ἠρώτησεν αὐτόν, ἐκ ποτέρου τῶν μερῶν ἀποτέμῃ τὰς πλείους τῶν ἑπτὰ χορδῶν.

[d] Τῶν δὲ ταφῶν ἀνεῖλε τὴν δεισιδαιμονίαν ἅπασαν ὁ Λυκοῦργος, ἐν τῇ πόλει θάπτειν τοὺς νεκροὺς καὶ πλησίον ἔχειν τὰ μνημεῖα τῶν ἱερῶν συγχωρήσας. περιεῖλε δὲ καὶ τοὺς μιασμούς, συνθάπτειν δ’ οὐδὲν ἐπέτρεψεν, ἀλλ’ ἐν φοινικίδι καὶ φύλλοις ἐλαίας θέντας τὸ σῶμα περιστέλλειν κατ’ ἴσον ἅπαντας.

ἀνεῖλε καὶ τὰς ἐπιγραφὰς τὰς ἐπὶ τῶν μνημείων, πλὴν τῶν ἐν πολέμῳ τελευτησάντων, καὶ τὰ πένθη καὶ τοὺς ὀδυρμούς.

Ἀποδημεῖν δ’ οὐκ ἐξῆν αὐτοῖς, ἵνα μὴ ξενικῶν ἐθῶν καὶ βίων ἀπαιδεύτων μετάσχωσι.

Καὶ ξενηλασίας δ’ εἰσηγήσατο, ὅπως οἱ παρεισρέοντες [e] μὴ διδάσκαλοι κακοῦ τινος τοῖς πολίταις ὑπάρχωσι.

Τῶν πολιτῶν ὃς ἂν μὴ ὑπομείνῃ τὴν τῶν παίδων ἀγωγὴν οὐ μετεῖχε τῶν τῆς πόλεως δικαίων.

Ἔνιοι δ’ ἔφασαν, ὅτι καὶ τῶν ξένων ὃς ἂν ὑπομείνῃ ταύτην τὴν ἄσκησιν τῆς πολιτείας κατὰ τὸ βούλημα τοῦ Λυκούργου μετεῖχε τῆς ἀρχῆθεν διατεταγμένης μοίρας· πωλεῖν δ’ οὐκ ἐξῆν.

Τοῖς τῶν πλησίον οἰκέταις ὡς ἰδίοις χρῆσθαι ἔθος ἦν, εἴ που δέοιντο, καὶ κυσὶ καὶ ἵπποις, εἰ μὴ οἱ δεσπόται χρῄζοιεν· καὶ ἐν ἀγρῷ δ’ εἴ τίς τινος ἐλλιπὴς γενόμενος δεηθείη, ἀνοίξας καὶ βαστάσας τὰ ἐπιτήδεια τοῦ ἔχοντος, τὰ ταμιεῖα σημηνάμενος κατέλειπεν.

[f] Ἐν τοῖς πολέμοις φοινικίσιν ἐχρῶντο· ἅμα μὲν γὰρ ἡ χρόα ἐδόκει αὐτοῖς ἀνδρικὴ εἶναι, ἅμα δὲ τὸ αἱματῶδες τοῦ χρώματος πλείονα τοῖς ἀπείροις φόβον παρέχειν· καὶ τὸ μὴ εὐπερίφωρον δὲ τοῖς πολεμίοις εἶναι, ἐάν τις αὐτῶν πληγῇ, ἀλλὰ διαλανθάνειν διὰ τὸ ὁμόχρουν χρήσιμον.

Ὅταν στρατηγήματι τοὺς πολεμίους νικήσωσι, βοῦν τῷ Ἄρει θύουσιν· ὅταν δ’ ἐκ τοῦ φανεροῦ, ἀλεκτρυόνα· ἐθίζοντες τοὺς ἡγουμένους οὐ μόνον πολεμικοὺς ἀλλὰ καὶ στρατηγικοὺς εἶναι.

[239] [a] Ταῖς εὐχαῖς προστιθέασι τὸ ἀδικεῖσθαι δύνασθαι.

Εὐχὴ δ’ αὐτῶν διδόναι τὰ καλὰ ἐπὶ τοῖς ἀγαθοῖς, καὶ πλέον οὐδέν.

Ἀφροδίτην σέβουσι τὴν ἐνόπλιον· καὶ πάντας δὲ τοὺς θεοὺς θήλεις καὶ ἄρρενας λόγχας ἔχοντας ποιοῦνται, ὡς ἁπάντων τὴν πολεμικὴν ἀρετὴν ἐχόντων.

Ἐπιλέγουσι δὲ καὶ [οἱ] παροιμιαζόμενοι (Apost. XV 92 Paroem. Gr. II 653)

‘τὰν χεῖρα ποτιφέροντα τὰν τύχαν καλεῖν,’

ὡς δέον ἐπικαλεῖσθαι τοὺς θεοὺς μετὰ τοῦ ἐγχειρεῖν τι καὶ πράττειν, ἄλλως δὲ μή.

Τοῖς παισὶν ἐπεδείκνυον τοὺς εἵλωτας μεθύσαντες εἰς ἀποτροπὴν πολυοινίας.

Ἔθος ἦν αὐτοῖς μηδὲ κόπτειν τὰς αὐλείους ἀλλ’ ἔξωθεν βοᾶν.

[b] Στλεγγίσιν οὐ σιδηραῖς ἀλλὰ καλαμίναις ἐχρῶντο.

Κωμῳδίας καὶ τραγῳδίας οὐκ ἠκροῶντο, ὅπως μήτ’ ἐν σπουδῇ μήτ’ ἐν παιδιᾷ ἀκούωσι τῶν ἀντιλεγόντων τοῖς νόμοις.

Ἀρχίλοχον τὸν ποιητὴν ἐν Λακεδαίμονι γενόμενον αὐτῆς ὥρας ἐδίωξαν, διότι ἐπέγνωσαν αὐτὸν πεποιηκότα ὡς κρεῖττόν ἐστιν ἀποβαλεῖν τὰ ὅπλα ἢ ἀποθανεῖν· (I 213 D.)

'ἀσπίδι μὲν Σαΐων τις ἀγάλλεται, ἣν περὶ θάμνῳ

ἔντος ἀμώμητον κάλλιπον οὐκ ἐθέλων·

‹αὐτὸς δ' ἐξέφυγον θανάτου τέλος·› ἀσπὶς ἐκείνη

ἐρρέτω· ἐξαῦθις κτήσομαι οὐ κακίω.'

[c] Κόραις καὶ κόροις κοινὰ τὰ ἱερά.

Σκιραφίδαν ἐζημίωσαν οἱ ἔφοροι, ὅτι ὑπὸ πολεμίων ἠδικεῖτο.

Σακκοφόρον ἀνεῖλον, διότι παρυφὴν εἰς τὸν σάκκον ἐνέβαλε.

Τὸν ἐκ τοῦ γυμνασίου νεανίσκον ἐπετίμων, ὅτι τὴν εἰς Πυλαίαν ὁδὸν ἠπίστατο.

Κηφισοφῶντα, εἰπόντα περὶ τοῦ τυχόντος δύνασθαι ὅλην τὴν ἡμέραν λέγειν, ἐξέβαλον, φάμενοι τὸν ἀγαθὸν μυθικτὰν δεῖν τοῖς πράγμασιν ἴσον τὸν λόγον ἔχειν.

Οἱ παῖδες παρ' αὐτοῖς ξαινόμενοι μάστιξι δι' ὅλης τῆς ἡμέρας ἐπὶ τοῦ βωμοῦ τῆς Ὀρθίας Ἀρτέμιδος μέχρι θανάτου πολλάκις διακαρτεροῦσιν ἱλαροὶ καὶ γαῦροι, [d] ἁμιλλώμενοι περὶ νίκης πρὸς ἀλλήλους, ὅστις αὐτῶν ἐπὶ πλέον τε καὶ μᾶλλον καρτερήσει τυπτόμενος· καὶ ὁ περιγενόμενος ἐν τοῖς μάλιστα ἐπίδοξός ἐστι. καλεῖται δὲ ἡ ἅμιλλα διαμαστίγωσις· γίνεται δὲ καθ' ἕκαστον ἔτος.

Ἓν δέ τι τῶν καλῶν καὶ μακαρίων ἐδόκει παρεσκευακέναι τοῖς πολίταις ὁ Λυκοῦργος ἀφθονίαν σχολῆς· τέχνης μὲν γὰρ ἅψασθαι βαναύσου τὸ παράπαν οὐκ ἐξῆν· χρηματισμοῦ δὲ συναγωγὴν ἔχοντος ἐργώδη καὶ πραγματείας οὐδ' ὁτιοῦν ἔδει διὰ τὸ κομιδῇ τὸν πλοῦτον ἄζηλον πεποιηκέναι καὶ ἄτιμον. οἱ δὲ εἵλωτες αὐτοῖς εἰργάζοντο [e] τὴν γῆν ἀποφορὰν τὴν ἄνωθεν ἱσταμένην ‹τελοῦντες›. ἐπάρατον δ' ἦν πλειόνός τινα μισθῶσαι, ἵν' ἐκεῖνοι μὲν κερδαίνοντες ἡδέως ὑπηρετῶσιν, αὐτοὶ δὲ μὴ πλέον ἐπιζητῶσιν.

Ἀπείρητο δ' αὐτοῖς ναύταις εἶναι καὶ ναυμαχεῖν· ὕστερον μέντοι ἐναυμάχησαν, καὶ τῆς θαλάσσης κρατήσαντες πάλιν ἀπέστησαν, διαφθειρόμενα τὰ ἤθη τῶν πολιτῶν θεωροῦντες. ἀλλὰ πάλιν μετεβάλοντο καθάπερ ἐν τοῖς ἄλλοις πᾶσι· καὶ γὰρ χρημάτων συναχθέντων τοῖς Λακεδαιμονίοις οἱ συναγαγόντες θανάτῳ κατεδικάσθησαν. Ἀλκαμένει γὰρ καὶ Θεοπόμπῳ τοῖς βασιλεῦσι χρησμὸς ἐδόθη (Paroem. Gr. I 39. 201. 327 II 150)

'ἁ φιλοχρηματία Σπάρταν ὀλεῖ·'

[f] ἀλλ’ ὅμως Λύσανδρος ἑλὼν Ἀθηναίους πολὺν χρυσὸν καὶ ἄργυρον εἰσήγαγε, καὶ παρεδέξαντο καὶ ἐτίμησαν τὸν ἄνδρα.

τοῖς μὲν οὖν Λυκούργου χρωμένη νόμοις ἡ πόλις καὶ τοῖς ὅρκοις ἐμμείνασα ἐπρώτευε τῆς Ἑλλάδος εὐνομίᾳ καὶ δόξῃ χρόνον ἐτῶν πεντακοσίων· κατ’ ὀλίγον δὲ παραβαινομένων καὶ πλεονεξίας καὶ φιλοπλουτίας παρεισδυομένης [240] [a] καὶ τὰ τῆς δυνάμεως ἠλαττοῦτο· καὶ οἱ σύμμαχοι διὰ ταῦτα δυσμενῶς εἶχον πρὸς αὐτούς. ἀλλ’ ὅμως οὕτως ἔχοντες μετὰ τὴν Φιλίππου τοῦ Μακεδόνος ἐν Χαιρωνείᾳ νίκην, πάντων αὐτὸν τῶν Ἑλλήνων ἡγεμόνα κατά τε γῆν καὶ κατὰ θάλασσαν ἀναγορευσάντων, καὶ μεταξὺ δ’ Ἀλέξανδρον τὸν υἱὸν μετὰ τὴν Θηβαίων καταστροφήν, μόνοι Λακεδαιμόνιοι, καίπερ ἀτείχιστον πόλιν ἔχοντες καὶ ὀλίγοι πάνυ ὄντες διὰ τοὺς συνεχεῖς πολέμους καὶ πολὺ ἀσθενέστεροι καὶ εὐχείρωτοι γενόμενοι, πάνυ βραχέα τινὰ ζώπυρα διασῴζοντες τῆς Λυκούργου νομοθεσίας, [b] οὔτε συνεστράτευσαν οὔτε τούτοις οὔτε τοῖς μεταξὺ Μακεδονικοῖς βασιλεῦσιν, οὔτ’ εἰς συνέδριον κοινὸν εἰσῆλθον οὔτε φόρον ἤνεγκαν· ἕως οὗ παντάπασιν ὑπεριδόντες τὴν Λυκούργου νομοθεσίαν ὑπὸ τῶν ἰδίων πολιτῶν ἐτυραννεύθησαν μηδὲν ἔτι σῴζοντες τῆς πατρίου ἀγωγῆς, καὶ παραπλήσιοι τοῖς ἄλλοις γενόμενοι τὴν πρόσθεν εὔκλειαν καὶ παρρησίαν ἀπέθεντο καὶ εἰς δουλείαν μετέστησαν, καὶ νῦν ὑπὸ Ῥωμαίοις καθάπερ οἱ ἄλλοι Ἕλληνες ἐγένοντο.

ΑΡΧΙΛΕΩΝΙΣ

Ἀρχιλεωνὶς ἡ Βρασίδου μήτηρ, τελευτήσαντος αὐτῇ τοῦ υἱοῦ, ὡς παραγενόμενοί τινες τῶν Ἀμφιπολιτῶν εἰς Σπάρτην ἧκον πρὸς αὐτήν, ἠρώτησεν εἰ καλῶς καὶ ἀξίως τῆς Σπάρτης ὁ υἱὸς ἐτελεύτα· μεγαλυνόντων δ’ ἐκείνων καὶ λεγόντων ἄριστον ἐν τοῖς ἔργοις ἁπάντων Λακεδαιμονίων εἶναι, εἶπεν· ‘ὦ ξένοι, καλὸς μὲν ἦν κἀγαθὸς ὁ παῖς μου, πολλοὺς δ’ ἄνδρας Λακεδαίμων ἔχει τήνου κάρρονας.’

ΓΟΡΓΩ

[d] Γοργώ, βασιλέως Κλεομένους θυγάτηρ, Ἀρισταγόρου τοῦ Μιλησίου παρακαλοῦντος αὐτὸν ἐπὶ τὸν πρὸς βασιλέα πόλεμον ὑπὲρ Ἰώνων καὶ ὑπισχνουμένου χρημάτων πλῆθος καὶ ὅσῳ ἀντέλεγε πλείονα προστιθέντος, ‘καταφθερεῖ σε’ ἔφη, ‘ὦ πάτερ, τὸ ξενύλλιον, ἐὰν μὴ τάχιον αὐτὸν τῆς οἰκίας ἐκβάλῃς.’

Προστάξαντος δέ ποτ’ αὐτῇ τοῦ πατρὸς δοῦναί τινι σῖτον εἰς μισθοῦ λόγον καὶ προστιθέντος ‘ἐδίδαξε γάρ με τὸν οἶνον χρηστὸν ποιεῖν’, ‘οὐκοῦν, ὦ

πάτερ' ἔφη, 'ὅ τ' οἶνος πλείων ἐκποθήσεται καὶ οἱ πίνοντες θρυπτικώτεροι καὶ χείρονες ἔσονται.'

Τὸν δ' Ἀρισταγόραν ὑπό τινος τῶν οἰκετῶν ὑποδούμενον [e] θεασαμένη 'πάτερ' ἔφη, 'ὁ ξένος χεῖρας οὐκ ἔχει.'

Ξένου δέ τινος μάλα ‹κε›κοσ‹μημένῃ› στολῇ προσάγοντος, παρωσαμένη αὐτόν 'οὐκ ἄπει ἐντεῦθεν' εἶπεν 'οὐδὲ τὰ τῆς γυναικὸς δυνάμενος;'

Ἐρωτηθεῖσα δὲ ὑπό τινος Ἀττικῆς 'διὰ τί ὑμεῖς ἄρχετε μόναι τῶν ἀνδρῶν αἱ Λάκαιναι;' 'ὅτι' ἔφη 'καὶ τίκτομεν μόναι ἄνδρας.'

Προτρεπομένη δὲ τὸν ἄνδρα Λεωνίδαν ἐξιόντα εἰς Θερμοπύλας ἄξιον τῆς Σπάρτης φανῆναι, ἠρώτα τί χρὴ πράττειν· ὁ δ' ἔφη 'ἀγαθὸν γαμεῖν καὶ ἀγαθὰ τίκτειν.'

ΓΥΡΤΙΑΣ

Γυρτιάς, Ἀκροτάτου ποτὲ τοῦ θυγατριδοῦ αὐτῆς ἔκ τινος τῶν παίδων μάχης πολλὰς πληγὰς λαβόντος καὶ ἀπενεχθέντος οἴκαδε ὡς τεθνηκότος, κλαιόντων τῶν οἰκείων τε καὶ γνωρίμων, 'οὐ σιωπήσετε;' ἔφη· 'ἔδειξε γὰρ οἵου αἵματος ἦν,' καὶ οὐκ ἔφη δεῖν τοὺς ἀγαθοὺς βοᾶσθαι ἀλλ' ἰατρεύεσθαι.

[f] Ὅτε δ' ἄγγελος ἦλθεν ἐκ Κρήτης τὸν Ἀκροτάτου θάνατον ἀπαγγέλλων, 'οὐκ ἔμελλεν' ἔφη 'πρὸς τοὺς πολεμίους ἥκων ἢ αὐτὸς ὑπ' ἐκείνων ἀποθανεῖσθαι ἢ κατακανεῖν ἐκείνους; ἥδιον δ' ἀκούειν ὅτι ἀπέθανε καὶ ἑαυτῆς καὶ τῆς πόλεως ἀξίως καὶ τῶν προγόνων, ἢ εἰ ἔζη τὸν ἅπαντα χρόνον κακὸς ὤν.'

ΔΑΜΑΤΡΙΑ

Δαματρία τὸν υἱὸν δειλὸν καὶ ἀνάξιον ἑαυτῆς ἀκούσασα, παραγενόμενον ἀνεῖλε· τὸ δ' ἐπίγραμμα ἐπ' αὐτῆς τόδε· (Anth. Pal. VII 433)

'τὸν παραβάντα νόμους Δαμάτριον ἔκτανε μάτηρ,

ἁ Λακεδαιμονία τὸν Λακεδαιμόνιον.'

[241] [a] Ἑτέρα Λάκαινα τὸν υἱὸν λιποτακτήσαντα ὡς ἀνάξιον τῆς πατρίδος ἀνεῖλεν, εἰποῦσα 'οὐκ ἐμὸν τὸ φίτυμα.' ἐφ' ἧς τὸ ἐπίγραμμα τόδε· (Anth. Pal. VII 433)

'ἔρρε κακὸν φίτυμα διὰ σκότος, οὗ διὰ μῖσος

Εὐρώτας δειλαῖς μηδ' ἐλάφοισι ῥέοι.

ἀχρεῖον σκυλάκευμα, κακὰ μερίς, ἔρρε ποθ' Ἅιδαν,

ἔρρε· τὸ μὴ Σπάρτας ἄξιον οὐδ' ἔτεκον.'

Ἄλλη τὸν υἱὸν ἐν παρατάξει μαθοῦσα πεσόντα ἔφη· (Anth. Pal. 229)

'δειλοὶ κλαιέσθωσαν· ἐγὼ δέ σε, τέκνον, ἄδακρυς

θάπτω τὸν καὶ ἐμὸν καὶ Λακεδαιμόνιον.'

Ἀκούσασά τις τὸν υἱὸν σεσῳσμένον καὶ πεφευγότα ἐκ τῶν πολεμίων, γράφει αὐτῷ 'κακὰ φάμα τευ κακκέχυται· ἢ ταύταν νῦν ἔκνιψαι ἢ μὴ ἔσο.'

[b] Ἄλλη, τῶν υἱῶν φυγόντων ἐκ μάχης καὶ παραγενομένων ὡς αὐτήν, 'ποῖ' φησίν 'ἥκετε δραπετεύσαντες, κακὰ ἀνδράποδα; ἢ δεῦρο ὅθεν ἐξέδυτε καταδυσόμενοι;' ἀνασυραμένη καὶ ἐπιδείξασα αὐτοῖς τὴν κοιλίαν.

Προσάγοντά τις τὸν υἱὸν θεασαμένη ἐπύθετο τί πράσσει ἡ πατρίς· εἰπόντος δέ 'πάντες ἀπολώλασι', κεραμίδα ἄρασα ἐπαφῆκεν αὐτῷ καὶ ἀνεῖλεν, εἰποῦσα 'σὲ οὖν κακάγγελον ἔπεμψαν ἡμῖν;'

Διηγουμένου τινὸς τῇ μητρὶ γενναῖον θάνατον τοῦ ἀδελφοῦ, 'εἶτ' οὐκ αἰσχρόν' εἶπε 'τῆς τοιαύτης συνοδίας ἀτυχῆσαι;'

Ἐκπέμψασά τις τοὺς υἱοὺς αὑτῆς πέντε ὄντας ἐπὶ [c] πόλεμον, ἐν τοῖς προαστείοις εἱστήκει καραδοκοῦσα τί ἐκ τῆς μάχης ἀποβήσοιτο· ὡς δὲ παραγενόμενός τις πυθομένῃ αὐτῇ ἀπήγγειλε τοὺς παῖδας ἅπαντας τετελευτηκέναι, 'ἀλλ' οὐ τοῦτ' ἐπυθόμην' εἶπε, 'κακὸν ἀνδράποδον, ἀλλὰ τί πράσσει ἡ πατρίς.' φήσαντος δὲ ὅτι νικᾷ, 'ἀσμένη τοίνυν' εἶπε 'δέχομαι καὶ τὸν τῶν παίδων θάνατον.'

Θάπτουσά τις τὸν υἱόν, ὡς γραΐδιον εὐτελὲς προσελθὸν αὐτῇ 'ὦ γύναι, τᾶς τύχας' εἶπε, 'νὴ τὼ σιώ, ἀλλὰ τᾶς καλᾶς γ'' ἔφη· 'οὗ γὰρ αὐτὸν ἕνεκεν ἔτεκον, ἵν' ὑπὲρ τᾶς Σπάρτας ἀποθάνῃ, τοῦτό μοι συνέβη.'

Σεμνυνομένης γυναικός τινος Ἰωνικῆς ἐπί τινι τῶν [d] ἑαυτῆς ὑφασμάτων ὄντι πολυτελεῖ, Λάκαινα ἐπιδείξασα τοὺς τέσσαρας υἱοὺς ὄντας κοσμιωτάτους, τοιαῦτα ἔφη δεῖν εἶναι τὰ τῆς καλῆς καὶ ἀγαθῆς γυναικὸς ἔργα καὶ μεγαλαυχεῖν ἐπὶ τούτοις καὶ ἐπαίρεσθαι.

Ἄλλη ἀκούσασα περὶ τοῦ υἱοῦ, ὡς κακῶς ἐπὶ τῆς ξένης ἀναστρέφοιτο, ἔγραψε 'κακά τευ φάμα κακκέχυται· ἢ ταύταν ἀπόθευ ἢ μὴ ἔσο.'

Παραπλησίως δὲ καὶ Χίων φυγάδες ἐλθόντες εἰς

Σπάρτην πολλὰ Πεδαρίτου κατηγόρουν· μεταπεμψαμένη δ' αὐτοὺς ἡ μήτηρ αὐτοῦ Τελευτία καὶ ἀκούσασα ὧν ἐνεκάλουν, ἐπεὶ ἐδόκει αὐτῇ ἁμαρτάνειν ὁ υἱός, ἐπέστειλεν [e] αὐτῷ 'ἁ μάτηρ Πεδαρίτῳ. ἢ βελτίονα πρᾶσσε ἢ αὖθι μένε, ἀπογνοὺς τὰν ἐς Σπάρταν σωτηρίαν.'

Ἑτέρα ἐπ' ἀδικήματι τῷ παιδὶ κρινομένῳ 'τέκνον' εἶπεν, 'ἢ τᾶς αἰτίας σεαυτὸν ἢ τοῦ ζῆν ἀπόλυσον.'

Ἄλλη χωλὸν υἱὸν ἐπὶ παράταξιν προπέμπουσα, 'τέκνον' εἶπε, 'κατὰ βῆμα τῆς ἀρετῆς μέμνησο.'

Ἄλλη, τοῦ παιδὸς αὐτῇ ἀφικομένου ἀπὸ παρατάξεως τετρωμένου τὸν πόδα καὶ σφόδρα ἀλγοῦντος, 'ἐὰν τῆς ἀρετῆς' εἶπε 'μέμνῃ, ὦ τέκνον, καὶ ἄπονος ἔσῃ καὶ θαρρήσεις.'

Λάκων τρωθεὶς ἐν πολέμῳ καὶ βαδίζειν μὴ δυνάμενος, τετραποδιστὶ ὥδευεν. αἰσχυνομένῳ δ' αὐτῷ ἐπὶ [f] τῷ γελοίῳ ἡ μήτηρ 'καὶ πόσῳ βέλτιον, ὦ τέκνον' εἶπε, 'μᾶλλον ἐπὶ τῇ ἀνδρείᾳ γεγηθέναι ἢ αἰσχύνεσθαι ἐπὶ γέλωτι ἀνοήτων;'

Ἄλλη προσαναδιδοῦσα τῷ παιδὶ τὴν ἀσπίδα

καὶ παρακελευομένη 'τέκνον' ἔφη, 'ἢ ταύταν ἢ ἐπὶ ταύτας.'

Ἄλλη προϊόντι τῷ υἱῷ ἐπὶ πόλεμον ἀναδιδοῦσα τὴν ἀσπίδα 'ταύτην' ἔφη 'ὁ πατήρ σοι ἀεὶ ἔσῳζε· καὶ σὺ οὖν ἢ ταύτην σῷζε ἢ μὴ ἔσο.'

Ἄλλη πρὸς τὸν υἱὸν λέγοντα μικρὸν ἔχειν τὸ ξίφος εἶπε '[καὶ] βῆμα πρόσθες.'

[242] [a] Ἄλλη ἀκούσασα, ὅτι ὁ υἱὸς αὐτῆς ἐν παρατάξει ἀνδραγαθήσας ἀπέθανεν, 'ἐμὸς γὰρ ἦς' εἶπε. περὶ δὲ τοῦ ἑτέρου πυθομένη ὅτι ἀποδειλιάσας σῴζεται, 'οὐ γὰρ ἦς ἐμός' ἔφη.

Ἑτέρα ἀκούσασα τεθνηκέναι τὸν υἱὸν ἐν μάχῃ καθάπερ ἐτέτακτο 'κάτθετ' αὐτόν' ἔφη, 'ἀναπληρωσάτω δὲ τὴν ἐκείνου τάξιν ὁ ἀδελφός.'

Ἄλλη πομπὴν τελοῦσα πάνδημον ἤκουσεν ἐπὶ τῆς παρατάξεως νικᾶν τὸν υἱόν, ἐκ δὲ τῶν τραυμάτων πολλῶν γενομένων θνήσκειν. οὐ περιελομένη οὖν τὸν στέφανον, ἀλλὰ σεμνυνθεῖσα πρὸς τὰς πλησίον εἶπεν 'ὡς πολλῷ [b] κάλλιον, ὦ φίλαι, ἐστὶν ἐν παρατάξει νικῶντα τελευτᾶν ἢ τὰ Ὀλύμπια περιγενόμενον ζῆν.'

Διηγουμένου τινὸς τῇ ἀδελφῇ γενναῖον θάνατον

τοῦ παιδὸς αὐτῆς, ἐκείνη εἶπεν ὅτι 'ὅσον ἐπ' ἐκείνῳ γέγηθα, τοσοῦτον ἐπὶ σοὶ ἄχθομαι, ἐναρέτου συνοδίας ἀπολειφθέντι.'

Λακαίνῃ τις προσέπεμψεν, εἰ φθορᾷ συνεπινεύει. ἡ δ' ἔφη 'παῖς μὲν οὖσα ἔμαθον τῷ πατρὶ πείθεσθαι, καὶ τοῦτο ἔπραξα· γυνὴ δὲ γενομένη τῷ ἀνδρί· εἰ οὖν δίκαιά με παρακαλεῖ, τούτῳ φανερὸν ποιησάτω πρῶτον.'

Παρθένος πενιχρὰ ἐρωτηθεῖσα τίνα δίδωσι τῷ γαμοῦντι προῖκα, 'τὴν πάτριον' εἶπε 'σωφροσύνην.'

[c] Λάκαινα ἐρωτηθεῖσα εἰ ἀνδρὶ προσελήλυθεν 'οὐκ ἐγώ' εἶπεν 'ἀλλ' ὁ ἀνὴρ ἐμοί.'

Κρύφα τις διαπαρθενευθεῖσα καὶ διαφθείρασα τὸ βρέφος οὕτως ἐνεκαρτέρησε μηδεμίαν προενεγκαμένη φωνήν, ὥστε καὶ τὸν πατέρα καὶ ἄλλους πολλοὺς πλησίον ὄντας λαθεῖν ἀποκυήσασα· τὸ γὰρ μέγεθος τῶν ἀλγηδόνων τῇ ἀσχημοσύνῃ τὸ εὔσχημον προσπεσὸν ἐνίκησε.

Λάκαινα πιπρασκομένη καὶ ἐρωτωμένη τί ἐπίσταται ἔφη 'πιστὰ ἦμεν.'

Ἄλλη αἰχμαλωτισθεῖσα καὶ ἐρωτωμένη παραπλησίως 'εὖ οἰκεῖν οἶκον' ἔφη.

Ἐρωτηθεῖσά τις ὑπό τινος, εἰ ἔσται ἀγαθή, ἂν αὐτὴν ἀγοράσῃ, εἶπε ‘κἂν μὴ ἀγοράσῃς.’

[d] Ἄλλη πιπρασκομένη, τοῦ κήρυκος πυνθανομένου τί ἐπίσταται, ‘ἐλευθέρα’ εἶπεν ‘ἦμεν.’ ὡς δὲ ὁ ὠνησάμενος προσέτασσέ τινα αὐτῇ οὐχ ἁρμόζοντα ἐλευθέρᾳ, εἰποῦσα ‘οἰμώξῃ φθονήσας σεαυτῷ τοιούτου κτήματος’ ἐξήγαγεν ἑαυτήν.

ΓΥΝΑΙΚΩΝ ΑΡΕΤΑΙ

[242] Περὶ ἀρετῆς, ὦ Κλέα, γυναικῶν οὐ τὴν αὐτὴν τῷ Θουκυδίδῃ γνώμην ἔχομεν. ὁ μὲν γάρ, ἧς ἂν ἐλάχιστος ᾖ παρὰ τοῖς ἐκτὸς ψόγου πέρι ἢ ἐπαίνου λόγος, ἀρίστην ἀποφαίνεται, καθάπερ τὸ σῶμα καὶ τοὔνομα τῆς ἀγαθῆς γυναικὸς οἰόμενος δεῖν κατάκλειστον εἶναι καὶ ἀνέξοδον. ἡμῖν δὲ κομψότερος μὲν ὁ Γοργίας φαίνεται, κελεύων μὴ τὸ εἶδος ἀλλὰ τὴν δόξαν εἶναι πολλοῖς γνώριμον τῆς γυναικός· ἄριστα δ' ὁ Ῥωμαίων δοκεῖ νόμος ἔχειν, [f] ὥσπερ ἀνδράσι καὶ γυναιξὶ δημοσίᾳ μετὰ τὴν τελευτὴν τοὺς προσήκοντας ἀποδιδοὺς ἐπαίνους. διὸ καὶ Λεοντίδος τῆς ἀρίστης ἀποθανούσης, εὐθύς τε μετὰ σοῦ τότε πολὺν λόγον εἴχομεν οὐκ ἀμοιροῦντα παραμυθίας φιλοσόφου καὶ νῦν, ὡς ἠβουλήθης, τὰ ὑπόλοιπα τῶν λεγομένων εἰς τὸ μίαν εἶναι καὶ τὴν αὐτὴν ἀνδρός τε καὶ γυναικὸς ἀρετὴν [243] [a] προσανέγραψά σοι, τὸ ἱστορικὸν ἀποδεικτικὸν ἔχοντα καὶ πρὸς ἡδονὴν μὲν ἀκοῆς οὐ συντεταγμένον, εἰ δὲ τῷ πείθοντι καὶ τὸ τέρπον ἔνεστι φύσει τοῦ παραδείγματος, οὐ φεύγει χάριν ἀποδείξεως συνεργὸν ὁ λόγος οὐδ' αἰσχύνεται 'ταῖς Μούσαις τὰς Χάριτας συγκαταμιγνὺς καλλίστην συζυγίαν' ὡς Εὐριπίδης φησίν (Herc. 673), ἐκ τοῦ φιλοκάλου μάλιστα τῆς ψυχῆς ἀναδούμενος τὴν πίστιν.

Φέρε γάρ, εἰ λέγοντες τὴν αὐτὴν εἶναι ζωγραφίαν ἀνδρῶν καὶ γυναικῶν παρειχόμεθα τοιαύτας γραφὰς γυναικῶν, οἵας Ἀπελλῆς ἀπολέλοιπεν ἢ Ζεῦξις ἢ Νικόμαχος, [b] ἆρ' ἄν τις ἐπετίμησεν ἡμῖν, ὡς τοῦ χαρίζεσθαι καὶ ψυχαγωγεῖν μᾶλλον ἢ τοῦ πείθειν στοχαζομένοις; ἐγὼ μὲν οὐκ οἶμαι. τί δέ; ἐὰν ποιητικὴν πάλιν ἢ μαντικὴν ἀποφαίνοντες οὐχ ἑτέραν μὲν ἀνδρῶν ἑτέραν δὲ γυναικῶν οὖσαν, ἀλλὰ τὴν αὐτήν, τὰ Σαπφοῦς μέλη τοῖς Ἀνακρέοντος ἢ τὰ Σιβύλλης λόγια τοῖς Βάκιδος ἀντιπαραβάλλωμεν, ἕξει τις αἰτιάσασθαι δικαίως τὴν ἀπόδειξιν, ὅτι χαίροντα καὶ τερπόμενον ἐπάγει τῇ πίστει τὸν ἀκροατήν; οὐδὲ τοῦτ' ἂν εἴποις. καὶ μὴν οὐκ ἔστιν ἀρετῆς γυναικείας καὶ ἀνδρείας ὁμοιότητα καὶ διαφορὰν ἄλλοθεν καταμαθεῖν μᾶλλον, ἢ βίους βίοις καὶ πράξεσι [c] πράξεις ὥσπερ ἔργα μεγάλης τέχνης παρατιθέντας ἅμα καὶ σκοποῦντας, εἰ τὸν αὐτὸν ἔχει χαρακτῆρα καὶ τύπον ἡ Σεμιράμεως μεγαλοπραγμοσύνη τῇ Σεσώστριος ἢ ἡ Τανακυλλίδος σύνεσις τῇ Σερουίου τοῦ βασιλέως ἢ τὸ Πορκίας φρόνημα τῷ Βρούτου καὶ τῷ Πελοπίδου τὸ Τιμοκλείας, κατὰ τὴν κυριωτάτην κοινότητα καὶ δύναμιν· ἐπειδὴ διαφοράς γέ τινας ἑτέρας ὥσπερ χροιὰς ἰδίας αἱ ἀρεταὶ διὰ τὰς φύσεις λαμβάνουσι καὶ

συνεξομοιοῦνται τοῖς ὑποκειμένοις ἔθεσι καὶ κράσεσι σωμάτων καὶ τροφαῖς καὶ διαίταις· ἄλλως γὰρ ἀνδρεῖος ὁ Ἀχιλλεὺς ἄλλως ὁ Αἴας· καὶ φρόνησις Ὀδυσσέως οὐχ ὁμοία [d] τῇ Νέστορος, οὐδὲ δίκαιος ὡσαύτως Κάτων καὶ Ἀγησίλαος, οὐδ' Εἰρήνη φίλανδρος ὡς Ἄλκηστις οὐδὲ Κορνηλία μεγαλόφρων ὡς Ὀλυμπιάς. ἀλλὰ μὴ παρὰ τοῦτο πολλὰς καὶ διαφόρους ποιῶμεν ἀνδρείας καὶ φρονήσεις καὶ δικαιοσύνας, ἂν μόνον τοῦ λόγου τοῦ οἰκείου μηδεμίαν αἱ καθ' ἕκαστον ἀνομοιότητες ἐκβιβάζωσι. τὰ μὲν οὖν ἄγαν περιβόητα καὶ ὅσων οἶμαί σε βεβαίαν ‹ἄλλοις› βιβλίοις ἐντυχοῦσαν ἱστορίαν ἔχειν καὶ γνῶσιν ἤδη, παρήσω· πλὴν εἰ μή τινα τοὺς τὰ κοινὰ καὶ δεδημευμένα πρὸ ἡμῶν ἱστορήσαντας ἀκοῆς ἄξια διαπέφευγεν. ἐπεὶ δὲ πολλὰ καὶ κοινῇ καὶ ἰδίᾳ γυναιξὶν ἄξια λόγου πέπρακται, [e] βραχέα τῶν κοινῶν οὐ χεῖρόν ἐστι προϊστορῆσαι.

ΤΡΩΙΑΔΕΣ

Τῶν ἀπ' Ἰλίου περὶ τὴν ἅλωσιν ἐκφυγόντων οἱ πλεῖστοι χειμῶνι χρησάμενοι καὶ δι' ἀπειρίαν τοῦ πλοῦ καὶ ἄγνοιαν τῆς θαλάττης ἀπενεχθέντες εἰς τὴν Ἰταλίαν καὶ περὶ τὸν Θύμβριν ποταμὸν ὅρμοις καὶ ναυλόχοις ἀναγκαίοις μόλις ὑποδραμόντες, αὐτοὶ μὲν ἐπλανῶντο περὶ τὴν χώραν φραστήρων δεόμενοι, ταῖς δὲ γυναιξὶν ἐμπίπτει λογισμός, ὡς ἡτισοῦν ἵδρυσις ἐν γῇ πάσης πλάνης καὶ ναυτιλίας †εὖ τε καὶ καλῶς πράττουσιν ἀνθρώποις ἀμείνων ἐστί, καὶ πατρίδα δεῖ ποιεῖν αὐτοῖς ‹τοὺς› ἀπολαβεῖν [f] ἣν ἀπολωλέκασι μὴ δυναμένους. ἐκ δὲ τούτου συμφρονήσασαι κατέφλεξαν τὰ πλοῖα, μιᾶς καταρξαμένης ὥς φασι Ῥώμης. πράξασαι δὲ ταῦτα τοῖς ἀνδράσιν ἀπήντων βοηθοῦσι πρὸς τὴν θάλασσαν, καὶ φοβούμεναι τὴν ὀργὴν αἱ μὲν ἀνδρῶν αἱ δ' οἰκείων ἀντιλαμβανόμεναι [244] [a] καὶ καταφιλοῦσαι λιπαρῶς, ἐξεπράυναν τῷ τρόπῳ τῆς φιλοφροσύνης. διὸ καὶ γέγονε καὶ παραμένει ταῖς Ῥωμαίων γυναιξὶν ἔτι νῦν ἔθος ἀσπάζεσθαι μετὰ τοῦ καταφιλεῖν τοὺς κατὰ γένος προσήκοντας αὐταῖς. συνιδόντες γὰρ ὡς ἔοικε τὴν ἀνάγκην οἱ Τρῶες καὶ ἅμα πειρώμενοι τῶν ἐγχωρίων, εὐμενῶς καὶ φιλανθρώπως προσδεχομένων, ἠγάπησαν τὸ πραχθὲν ὑπὸ τῶν γυναικῶν καὶ συγκατῴκησαν αὐτόθι τοῖς Λατίνοις.

ΦΩΚΙΔΕΣ

Τὸ δὲ τῶν Φωκίδων ἐνδόξου μὲν οὐ τετύχηκε συγγραφέως, οὐδενὸς δὲ τῶν γυναικείων ἔλαττον εἰς ἀρετήν ἐστι, μαρτυρούμενον ἱεροῖς τε μεγάλοις, ἃ δρῶσι Φωκεῖς [b] ἔτι νῦν περὶ Ὑάμπολιν, καὶ δόγμασι παλαιοῖς, ὧν τὸ μὲν καθ' ἕκαστον τῆς πράξεως ἐν τῷ Δαϊφάντου βίῳ γέγραπται, τὸ δὲ τῶν γυναικῶν τοιοῦτόν ἐστιν. ἄσπονδος ἦν Θετταλοῖς πρὸς Φωκέας πόλεμος· οἱ μὲν γὰρ ἄρχοντας αὐτῶν καὶ τυράννους ἐν ταῖς Φωκικαῖς πόλεσιν ἡμέρᾳ μιᾷ

πάντας ἀπέκτειναν, οἱ δὲ πεντήκοντα καὶ διακοσίους ἐκείνων ὁμήρους κατηλόησαν· εἶτα πανστρατιᾷ διὰ Λοκρῶν ἐνέβαλον, δόγμα θέμενοι μηδενὸς φείδεσθαι τῶν ἐν ἡλικίᾳ, παῖδας δὲ καὶ γυναῖκας ἀνδραποδίσασθαι. Δαΐφαντος οὖν ὁ Βαθυλλίου, τρίτος αὐτὸς ἄρχων, ἔπεισε [c] τοὺς Φωκεῖς αὐτοὺς μὲν ἀπαντήσαντας τοῖς Θετταλοῖς μάχεσθαι, τὰς δὲ γυναῖκας ἅμα τοῖς τέκνοις εἰς ἕνα που τόπον συναγαγόντας ἐξ ἁπάσης τῆς Φωκίδος, ὕλην τε περινῆσαι ξύλων καὶ φυλακὰς καταλιπεῖν, πρόσταγμα δόντας, ἂν αἴσθωνται νικωμένους αὐτούς, κατὰ τάχος τὴν ὕλην ἀνάψαι καὶ καταπρῆσαι τὰ σώματα. ψηφισαμένων δὲ ταῦτα τῶν ἄλλων, εἷς ἐξαναστὰς ἔφη δίκαιον εἶναι ταῦτα συνδοκεῖν καὶ ταῖς γυναιξίν· εἰ δὲ μή, χαίρειν ἐᾶν καὶ μὴ προσβιάζεσθαι. τούτου τοῦ λόγου διελθόντος εἰς τὰς γυναῖκας, αὐταὶ καθ' ἑαυτὰς συνελθοῦσαι ταὐτὰ ἐψηφίσαντο [d] καὶ τὸν Δαΐφαντον ἀνέδησαν, ὡς τὰ ἄριστα τῇ Φωκίδι βεβουλευμένον· τὰ δ' αὐτὰ καὶ τοὺς παῖδας ἰδίᾳ φασὶν ἐκκλησιάσαντας ἐπιψηφίσασθαι. πραχθέντων δὲ τούτων, συμβαλόντες οἱ Φωκεῖς περὶ Κλεωνὰς τῆς Ὑαμπόλιδος ἐνίκησαν. τὸ μὲν οὖν ψήφισμα Φωκέων Ἀπόνοιαν οἱ Ἕλληνες ὠνόμασαν· ἑορτὴν δ' ἐκ πασῶν μεγίστην τὰ Ἐλαφηβόλια μέχρι νῦν τῇ Ἀρτέμιδι τῆς νίκης ἐκείνης ἐν Ὑαμπόλιδι τελοῦσιν.

ΧΙΑΙ

Χῖοι Λευκωνίαν ἐπῴκησαν ἐκ τοιαύτης αἰτίας. ἐγάμει τις ἐν Χίῳ τῶν δοκούντων γνωρίμων εἶναι· ἀγομένης [e] δὲ τῆς νύμφης ἐπὶ ζεύγους ὁ βασιλεὺς Ἵπποκλος, ἐπιτήδειος ὢν τῷ γαμοῦντι καὶ παρὼν ὥσπερ οἱ λοιποί, μέθης οὔσης καὶ γέλωτος, ἀνεπήδησεν ἐπὶ τὸ ζεῦγος, οὐδὲν ὑβριστικὸν πράξων, ἀλλ' ἔθει κοινῷ καὶ παιδιᾷ χρώμενος· οἱ δὲ φίλοι τοῦ γαμοῦντος ἀπέκτειναν αὐτόν. μηνιμάτων δὲ τοῖς Χίοις προφαινομένων καὶ τοῦ θεοῦ κελεύσαντος τοὺς Ἵπποκλον ἀνελόντας ἀνελεῖν, ἅπαντες ἔφασαν Ἵπποκλον ἀνῃρηκέναι. πάντας οὖν αὖθις ὁ θεὸς ἐκέλευσε τὴν πόλιν ἐκλιπεῖν, εἰ πᾶσι τοῦ ἄγους μέτεστιν. οὕτω δὴ τοὺς αἰτίους καὶ μετασχόντας τοῦ φόνου καὶ [f] συνεπαινέσαντας ἁμωσγέπως, οὐκ ὀλίγους γενομένους οὐδ' ἀδυνάτους ὄντας, ἀπῴκισαν εἰς Λευκωνίαν, ἣν Κορωνεῖς ἀφελόμενοι πρότερον ἐκτήσαντο μετ' Ἐρυθραίων. ὕστερον δὲ πολέμου πρὸς τοὺς Ἐρυθραίους αὐτοῖς γενομένου, μέγιστον Ἰώνων δυναμένους τότε, κἀκείνων ἐπὶ τὴν Λευκωνίαν στρατευσάντων ἀντέχειν μὴ δυνάμενοι [245] [a] συνεχώρησαν ἐξελθεῖν ὑπόσπονδοι, χλαῖναν μίαν ἑκάστου καὶ ἱμάτιον ἄλλο δὲ μηδὲν ἔχοντος. αἱ δὲ γυναῖκες ἐκάκιζον αὐτούς, εἰ προέμενοι τὰ ὅπλα γυμνοὶ διὰ τῶν πολεμίων ἐξίασιν· ὀμωμοκέναι δὲ φασκόντων, ἐκέλευον αὐτοὺς τὰ μὲν ὅπλα μὴ καταλιπεῖν, λέγειν δὲ πρὸς τοὺς πολεμίους ὅτι χλαῖνα μέν ἐστι τὸ

ξυστόν, χιτὼν δ’ ἡ ἀσπὶς ἀνδρὶ θυμὸν ἔχοντι. πεισθέντων δὲ ταῦτα τῶν Χίων καὶ πρὸς τοὺς Ἐρυθραίους παρρησιαζομένων καὶ τὰ ὅπλα δεικνυόντων, ἐφοβήθησαν οἱ Ἐρυθραῖοι τὴν τόλμαν αὐτῶν καὶ οὐδεὶς προσῆλθεν οὐδ’ ἐκώλυσεν, ἀλλ’ ἠγάπησαν ἀπαλλαγέντων. οὗτοι μὲν οὖν θαρρεῖν διδαχθέντες [b] ὑπὸ τῶν γυναικῶν οὕτως ἐσώθησαν.

Τούτου δ’ οὐδέν τι λειπόμενον ἔργον ἀρετῇ καὶ χρόνοις ὕστερον πολλοῖς ἐπράχθη ταῖς Χίων γυναιξίν, ὁπηνίκα Φίλιππος ὁ Δημητρίου πολιορκῶν τὴν πόλιν ἐκήρυξε κήρυγμα βάρβαρον καὶ ὑπερήφανον, ἀφίστασθαι τοὺς οἰκέτας πρὸς ἑαυτὸν ἐπ’ ἐλευθερίᾳ καὶ γάμῳ τῆς κεκτημένης, ὡς συνοικιῶν αὐτοὺς ταῖς τῶν δεσποτῶν γυναιξί. δεινὸν δ’ αἱ γυναῖκες καὶ ἄγριον θυμὸν λαβοῦσαι, μετὰ τῶν οἰκετῶν καὶ αὐτῶν συναγανακτούντων καὶ συμπαρόντων ὥρμησαν ἀναβαίνειν ἐπὶ τὰ τείχη, καὶ λίθους καὶ βέλη προσφέρουσαι καὶ παρακελευόμεναι καὶ προσλιπαροῦσαι [c] τοῖς μαχομένοις, τέλος δ’ ἀμυνόμεναι καὶ βάλλουσαι τοὺς πολεμίους, ἀπώσαντο τὸν Φίλιππον, οὐδενὸς δούλου τὸ παράπαν ἀποστάντος πρὸς αὐτόν.

ΑΡΓΕΙΑΙ

Οὐδενὸς δ’ ἧττον ἔνδοξόν ἐστι τῶν κοινῇ διαπεπραγμένων γυναιξὶν ἔργων ὁ πρὸς Κλεομένη περὶ Ἄργους ἀγών, ὃν ἠγωνίσαντο Τελεσίλλης τῆς ποιητρίας προτρεψαμένης. ταύτην δέ φασιν οἰκίας οὖσαν ἐνδόξου τῷ δὲ σώματι νοσηματικὴν εἰς θεοῦ πέμψαι περὶ ὑγιείας· καὶ χρησθὲν αὐτῇ Μούσας θεραπεύειν, πειθομένην τῷ θεῷ καὶ ἐπιθεμένην ᾠδῇ καὶ ἁρμονίᾳ τοῦ τε πάθους ἀπαλλαγῆναι ταχὺ καὶ θαυμάζεσθαι διὰ ποιητικὴν ὑπὸ τῶν [d] γυναικῶν. ἐπεὶ δὲ Κλεομένης ὁ βασιλεὺς τῶν Σπαρτιατῶν πολλοὺς ἀποκτείνας (οὐ μήν, ὡς ἔνιοι μυθολογοῦσιν, ἑπτὰ καὶ ἑβδομήκοντα καὶ ἑπτακοσίους πρὸς ἑπτακισχιλίοις) ἐβάδιζε πρὸς τὴν πόλιν, ὁρμὴ καὶ τόλμα δαιμόνιος παρέστη ταῖς ἀκμαζούσαις τῶν γυναικῶν ἀμύνεσθαι τοὺς πολεμίους ὑπὲρ τῆς πατρίδος. ἡγουμένης δὲ τῆς Τελεσίλλης ὅπλα λαμβάνουσαι καὶ παρ’ ἔπαλξιν ἱστάμεναι κύκλῳ τὰ τείχη περιέστεψαν, ὥστε θαυμάζειν τοὺς πολεμίους. τὸν μὲν οὖν Κλεομένη πολλῶν πεσόντων ἀπεκρούσαντο· [e] τὸν δ’ ἕτερον βασιλέα Δημάρατον, ὡς Σωκράτης φησίν (FHG IV p. 497), ἐντὸς γενόμενον καὶ κατασχόντα τὸ Παμφυλιακὸν ἐξέωσαν. οὕτω δὲ τῆς πόλεως περιγενομένης, τὰς μὲν πεσούσας ἐν τῇ μάχῃ τῶν γυναικῶν ἐπὶ τῆς ὁδοῦ τῆς Ἀργείας ἔθαψαν, ταῖς δὲ σωθείσαις ὑπόμνημα τῆς ἀριστείας ἔδοσαν ἱδρύσασθαι τὸν Ἐνυάλιον. τὴν δὲ μάχην οἱ μὲν ἑβδόμῃ λέγουσιν ἱσταμένου μηνός, οἱ δὲ νουμηνίᾳ γενέσθαι τοῦ νῦν μὲν τετάρτου, πάλαι δ’ Ἑρμαίου παρ’ Ἀργείοις, καθ’ ἣν μέχρι νῦν τὰ Ὑβριστικὰ τελοῦσι, γυναῖκας μὲν ἀνδρείοις χιτῶσι καὶ χλαμύσιν, [f] ἄνδρας δὲ πέπλοις γυναικῶν

καὶ καλύπτραις ἀμφιεννύντες. ἐπανορθούμενοι δὲ τὴν ὀλιγανδρίαν οὐχ, ὡς Ἡρόδοτος ἱστορεῖ (VI 83), τοῖς δούλοις, ἀλλὰ τῶν περιοίκων ποιησάμενοι πολίτας τοὺς ἀρίστους, συνῴκισαν τὰς γυναῖκας· ἐδόκουν δὲ καὶ τούτους ἀτιμάζειν καὶ περιορᾶν ἐν τῷ συγκαθεύδειν ὡς χείρονας. ὅθεν ἔθεντο νόμον τὸν κελεύοντα πώγωνα δεῖν ἐχούσας συναναπαύεσθαι τοῖς ἀνδράσι τὰς γεγαμημένας.

ΠΕΡΣΙΔΕΣ

[246] [a] Πέρσας Ἀστυάγου βασιλέως καὶ Μήδων ἀποστήσας Κῦρος ἡττήθη μάχῃ· φεύγουσι δὲ τοῖς Πέρσαις εἰς τὴν πόλιν, ὀλίγον ἀπεχόντων συνεισπεσεῖν τῶν πολεμίων, ἀπήντησαν αἱ γυναῖκες πρὸ τῆς πόλεως καὶ τοὺς πέπλους ἐκ τῶν κάτω μερῶν ἐπάρασαι ‘ποῖ φέρεσθε’ εἶπον, ‘ὦ κάκιστοι πάντων ἀνθρώπων; οὐ γὰρ ἐνταῦθά γε δύνασθε καταδῦναι φεύγοντες, ὅθεν ἐξεγένεσθε.’ ταύτην τὴν ὄψιν ἅμα καὶ τὴν φωνὴν αἰδεσθέντες οἱ Πέρσαι καὶ κακίσαντες ἑαυτοὺς ἀνεστρέψαντο καὶ συμβαλόντες ἐξ ἀρχῆς [b] ἐτρέψαντο τοὺς πολεμίους. ἐκ τούτου κατέστη νόμος, εἰσελάσαντος βασιλέως εἰς τὴν πόλιν ἑκάστην γυναῖκα χρυσοῦν λαμβάνειν, Κύρου νομοθετήσαντος. Ὦχον δέ φασι, τά τ’ ἄλλα μοχθηρὸν καὶ φιλοκερδέστατον βασιλέων ὄντα, περικάμψαι τὴν πόλιν ἀεὶ καὶ μὴ παρελθεῖν ἀλλ’ ἀποστερῆσαι τῆς δωρεᾶς τὰς γυναῖκας. Ἀλέξανδρος δὲ καὶ δὶς εἰσῆλθε καὶ ταῖς κυούσαις διπλοῦν ἔδωκε.

ΚΕΛΤΑΙ

Κελτοῖς, πρὶν ὑπερβαλεῖν Ἄλπεις καὶ κατοικῆσαι τῆς Ἰταλίας ἣν νῦν νέμονται χώραν, στάσις ἐμπεσοῦσα δεινὴ [c] καὶ δυσκατάπαυστος εἰς πόλεμον ἐμφύλιον προῆλθεν. αἱ δὲ γυναῖκες ἐν μέσῳ τῶν ὅπλων γενόμεναι καὶ παραλαβοῦσαι τὰ νείκη διῄτησαν οὕτως ἀμέμπτως καὶ διέκριναν, ὥστε φιλίαν πᾶσι θαυμαστὴν καὶ κατὰ πόλεις καὶ κατ’ οἴκους γενέσθαι πρὸς πάντας. ἐκ τούτου διετέλουν περί τε πολέμου καὶ εἰρήνης βουλευόμενοι μετὰ τῶν γυναικῶν καὶ τὰ πρὸς τοὺς συμμάχους ἀμφίβολα δι’ ἐκείνων βραβεύοντες. ἐν γοῦν ταῖς πρὸς Ἀννίβαν συνθήκαις ἐγράψαντο, Κελτῶν μὲν ἐγκαλούντων Καρχηδονίοις τοὺς ἐν Ἰβηρίᾳ Καρχηδονίων ἐπάρχους καὶ στρατηγοὺς εἶναι δικαστάς· ἂν δὲ Καρχηδόνιοι Κελτοῖς ἐγκαλῶσι, [d] τὰς Κελτῶν γυναῖκας.

ΜΗΛΙΑΙ

Μήλιοι γῆς χρῄζοντες ἀμφιλαφοῦς Νυμφαῖον ἡγεμόνα τῆς ἀποικίας ἐποιήσαντο, νέον ἄνδρα καὶ κάλλει διαφέροντα· τοῦ ‹δὲ› θεοῦ πλεῖν κελεύσαντος αὐτούς, ὅπου δ’ ἂν ἀποβάλωσι τοὺς κομιστῆρας, ἐκεῖ κατοικεῖν, συνέπεσε τῇ Καρίᾳ προσβαλοῦσιν αὐτοῖς καὶ ἀποβᾶσι τὰς ναῦς ὑπὸ χειμῶνος

διαφθαρῆναι. τῶν δὲ Καρῶν οἱ Κρύασσαν οἰκοῦντες, εἴτε τὴν ἀπορίαν οἰκτείραντες εἴτε δείσαντες αὐτῶν τὴν τόλμαν, ἐκέλευον οἰκεῖν παρ' αὐτοῖς καὶ τῆς χώρας μετέδωκαν· εἶτα πολλὴν ἐν ὀλίγῳ χρόνῳ [e] λαμβάνοντας αὔξησιν ὁρῶντες, ἐπεβούλευον ἀνελεῖν εὐωχίαν τινὰ καὶ θοίνην παρασκευάσαντες. ἔτυχε δὲ Καρίνη παρθένος ἐρῶσα τοῦ Νυμφαίου [καὶ] λανθάνουσα τοὺς ἄλλους· ἐκαλεῖτο δὲ Καφένη· πραττομένων δὲ τούτων οὐ δυναμένη τὸν Νυμφαῖον περιορᾶν ἀπολλύμενον ἐξήγγειλε τὴν διάνοιαν αὐτῷ τῶν πολιτῶν. ὡς οὖν ἧκον οἱ Κρυασσεῖς καλοῦντες αὐτούς, οὐκ ἔφη νόμον ὁ Νυμφαῖος Ἕλλησιν εἶναι βαδίζειν ἐπὶ δεῖπνον ἄνευ γυναικῶν· ἀκούσαντες δ' οἱ Κᾶρες ἐκέλευον ἄγειν καὶ τὰς γυναῖκας. οὕτω δὴ φράσας τὰ πεπραγμένα Μηλίοις ἐκέλευσεν [f] αὐτοὺς μὲν ἀνόπλους ἐν ἱματίοις βαδίζειν, τῶν δὲ γυναικῶν ἑκάστην ξίφος ἐν τῷ κόλπῳ κομίζειν καὶ καθέζεσθαι παρὰ τὸν αὑτῆς. ἐπεὶ δὲ τοῦ δείπνου μεσοῦντος ἐδόθη τὸ σύνθημα τοῖς Καρσὶ καὶ συνῄσθοντο τὸν καιρὸν οἱ Ἕλληνες, αἱ μὲν γυναῖκες ἅμα πᾶσαι τοὺς κόλπους διέσχον, οἱ δὲ τὰ ξίφη λαβόντες ἐπέθεντο τοῖς βαρβάροις καὶ διέφθειραν αὐτοὺς ἅμα πάντας· κτησάμενοι δὲ τὴν χώραν καὶ τὴν πόλιν ἐκείνην καταβαλόντες ᾤκισαν ἑτέραν, [247] [a] ἣν Νέαν Κρύασσαν ὠνόμασαν. ἡ δὲ Καφένη τῷ Νυμφαίῳ γαμηθεῖσα τιμὴν καὶ χάριν ἔσχε ταῖς εὐεργεσίαις πρέπουσαν. ἄξιον οὖν ἄγασθαι τῶν γυναικῶν καὶ τὴν σιωπὴν καὶ τὸ θάρσος καὶ τὸ μηδεμίαν ἐν πολλαῖς μηδ' ἄκουσαν ὑπὸ δειλίας κακὴν γενέσθαι.

ΤΥΡΡΗΝΙΔΕΣ

Τυρρηνῶν τοίνυν τῶν Λῆμνον καὶ Ἴμβρον κατασχόντων, ἁρπασάντων δὲ Βραυρωνόθεν τὰς Ἀθηναίων γυναῖκας, ἐγένοντο παῖδες, οὓς ἐξήλασαν Ἀθηναῖοι μιξοβαρβάρους ὄντας ἐκ τῶν νήσων. οἱ δ' εἰς Ταίναρον κατάραντες ἐγένοντο χρήσιμοι Σπαρτιάταις περὶ τὸν εἱλωτικὸν [b] πόλεμον, καὶ διὰ τοῦτο πολιτείας καὶ γάμων τυχόντες, οὐκ ἀξιούμενοι δ' ἀρχείων καὶ βουλῆς, ὑπόνοιαν ἔσχον ὡς ἐπὶ νεωτερισμῷ συνερχόμενοι καὶ διανοούμενοι τὰ καθεστῶτα κινεῖν. συλλαβόντες οὖν αὐτοὺς οἱ Λακεδαιμόνιοι καὶ καθείρξαντες ἐφύλαττον ἰσχυρῶς, ζητοῦντες ἑλεῖν σαφέσι καὶ βεβαίοις ἐλέγχοις· αἱ δὲ τῶν καθειργμένων γυναῖκες ἐπὶ τὴν εἱρκτὴν παραγενόμεναι, πολλαῖς ἱκεσίαις καὶ δεήσεσι παρείθησαν ὑπὸ τῶν φυλάκων ὅσον ἀσπάσασθαι καὶ προσειπεῖν τοὺς ἄνδρας. ἐπεὶ δ' εἰσῆλθον, ἐκέλευον αὐτοὺς μεταμφιέννυσθαι ταχὺ τὰ ἱμάτια καὶ τὰ μὲν αὑτῶν ἐκείναις ἀπολιπεῖν, τὰ δ' [c] ἐκείνων ἐνδύντας αὐτοὺς ἀπιέναι περικαλυψαμένους. γενομένων δὲ τούτων, αἱ μὲν ὑπέμειναν αὐτοῦ παραταξάμεναι πρὸς πάντα τὰ δεινά, τοὺς δ' ἄνδρας ἐξαπατηθέντες οἱ φύλακες παρῆκαν ὡς δὴ γυναῖκας. ἐκ δὴ τούτου καταλαβομένων αὐτῶν τὰ Ταΰγετα καὶ τὸ εἱλωτικὸν ἀφιστάντων καὶ

προσδεχομένων, οἱ Σπαρτιᾶται εἰς πολὺν φόβον καταστάντες ἐπεκηρυκεύσαντο καὶ διηλλάγησαν ἐπὶ τῷ κομίσασθαι μὲν αὐτοὺς τὰς γυναῖκας, χρήματα δὲ καὶ ναῦς λαβόντας ἐκπλεῦσαι καὶ γῆς τυχόντας ἀλλαχόθι καὶ πόλεως ἀποίκους Λακεδαιμονίων καὶ συγγενεῖς νομίζεσθαι.

[d] ταῦτ' ἔπραττον οἱ Πελασγοὶ Πόλλιν ἡγεμόνα καὶ Δελφὸν καὶ Κραταΐδαν Λακεδαιμονίους λαβόντες· καὶ μέρος μὲν αὐτῶν ἐν Μήλῳ κατῴκησαν· τοὺς δὲ πλείστους οἱ περὶ Πόλλιν ἔχοντες εἰς Κρήτην ἔπλευσαν, ἀποπειρώμενοι τῶν λογίων. ἐχρήσθη γὰρ αὐτοῖς, ὅταν τὴν θεὸν καὶ τὴν ἄγκυραν ἀπολέσωσι, παύσασθαι πλάνης καὶ πόλιν ἐκεῖ συνοικίζειν. ὁρμισθεῖσιν οὖν πρὸς τῇ λεγομένῃ Χερρονήσῳ θόρυβοι πανικοὶ προσέπεσον νύκτωρ, ὑφ' ὧν διαπτοηθέντες ἐνεπήδησαν εἰς τὰς ναῦς ἀκόσμως, ἀπολιπόντες ἐν τῇ γῇ ξόανον τῆς Ἀρτέμιδος, [e] ὃ πατρῷον ἦν αὐτοῖς εἰς Λῆμνον ἐκ Βραύρωνος κομισθέν, ἐκ δὲ Λήμνου πανταχοῦ συμπεριαγόμενον. ἐπεὶ δὲ τοῦ θορύβου λήξαντος ἐπόθησαν αὐτὸ κατὰ πλοῦν, ἅμα δ' ὁ Πόλλις κατέμαθε τῇ ἀγκύρᾳ τὸν ὄνυχα μὴ προσόντα (βίᾳ γὰρ ἑλκομένης ὡς ἔοικεν ἐν τόποις ὑποπέτροις ἀποσπασθεὶς ἔλαθε), περαίνεσθαι τὰ πυθόχρηστα φήσας ἐσήμαινεν ἀναστρέφειν· καὶ κατέσχε τὴν χώραν, καὶ μάχαις πολλαῖς τῶν ἀντιταξαμένων ἐπικρατήσας Λύκτον ᾤκησε καὶ πόλεις ἄλλας ἔλαβεν ὑποχειρίους. διὸ καὶ νομίζουσιν αὐτοὺς Ἀθηναίοις τε διὰ τὰς μητέρας κατὰ γένος προσήκειν καὶ Σπαρτιατῶν ἀποίκους εἶναι.

ΛΥΚΙΑΙ

Τὸ δ' ἐν Λυκίᾳ γενέσθαι λεγόμενον μυθῶδες μέν ἐστιν, ἔχει δέ τινα φήμην ὁμοῦ μαρτυροῦσαν. Ἀμισώδαρος γάρ, ὥς φασιν, ὃν Ἰσάραν Λύκιοι καλοῦσιν, ἧκεν ἐκ τῆς περὶ Ζέλειαν ἀποικίας Λυκίων, λῃστρίδας ἄγων ναῦς, ὧν Χίμαρρος ἡγεῖτο, πολεμιστὴς μὲν ἀνὴρ ὠμὸς δὲ καὶ θηριώδης. ἔπλει δὲ πλοίῳ λέοντα μὲν ἔχοντι πρῴραθεν [248] [a] ἐπίσημον, ἐκ δὲ πρύμνης δράκοντα, καὶ πολλὰ κακὰ τοὺς Λυκίους ἐποίει, καὶ πλεῦσαι τὴν θάλατταν οὐκ ἦν οὐδὲ τὰς ἐγγὺς θαλάττης πόλεις οἰκεῖν. τοῦτον οὖν ἀποκτείνας ὁ Βελλεροφόντης φεύγοντα τῷ Πηγάσῳ διώξας, ἐκβαλὼν δὲ καὶ τὰς Ἀμαζόνας, οὐδενὸς ἐτύγχανε τῶν δικαίων, ἀλλ' ἦν ἀδικώτατος περὶ αὐτὸν Ἰοβάτης· ὅθεν εἰς τὴν θάλατταν ἐμβὰς ηὔξατο κατ' αὐτοῦ τῷ Ποσειδῶνι τὴν χώραν ἄκαρπον γενέσθαι καὶ ἀνόνητον. εἶθ' ὁ μὲν ἀπῄει κατευξάμενος, κῦμα δὲ διαρθὲν ἐπέκλυζε τὴν γῆν, καὶ θέαμα δεινὸν ἦν ἑπομένης μετεώρου τῆς θαλάττης καὶ ἀποκρυπτούσης τὸ πεδίον. ἐπεὶ δὲ τῶν [b] ἀνδρῶν δεομένων τὸν Βελλεροφόντην ἐπισχεῖν οὐδὲν ἔπειθον, αἱ γυναῖκες ἀνασυράμεναι τοὺς χιτωνίσκους ἀπήντησαν αὐτῷ· πάλιν οὖν ὑπ' αἰσχύνης ἀναχωροῦντος ὀπίσω

καὶ τὸ κῦμα λέγεται συνυποχωρῆσαι. τινὲς δὲ τοῦ λόγου τούτου παραμυθούμενοι τὸ μυθῶδες οὔ φασι κατάραις ὑπαγαγέσθαι τὴν θάλασσαν αὐτόν, ἀλλὰ τοῦ πεδίου τὸ πιότατον ὑποκεῖσθαι τῇ θαλάσσῃ ταπεινότερον· ὀφρὺν δὲ παρατείνουσαν ἀκτῆς, ἣ διεῖργε τὴν θάλασσαν, ἐκρῆξαι τὸν Βελλεροφόντην, καὶ βίᾳ τοῦ πελάγους ἐπιφερομένου καὶ κατακλύζοντος τὸ πεδίον τοὺς μὲν ἄνδρας οὐδὲν [c] περαίνειν δεομένους αὐτοῦ, τὰς δὲ γυναῖκας ἀθρόας περιχυθείσας αἰδοῦς τυχεῖν καὶ ἀποπαῦσαι τὴν ὀργήν. οἱ δ' ὅλως τὴν λεγομένην Χίμαιραν ὄρος ἀντήλιον γεγονέναι φασὶ καὶ ποιεῖν ἀνακλάσεις [καὶ ἀνακαύσεις] ἐν τῷ θέρει χαλεπὰς καὶ πυρώδεις, ὑφ' ὧν ἀνὰ τὸ πεδίον σκεδαννυμένων μαραίνεσθαι τοὺς καρπούς. τὸν δὲ Βελλεροφόντην συμφρονήσαντα διακόψαι τοῦ κρημνοῦ τὸ λειότατον καὶ μάλιστα τὰς ἀνακλάσεις ἀνταποστέλλον· ἐπεὶ δ' οὐκ ἐτύγχανε χάριτος, ὀργῇ πρὸς ἄμυναν τραπέσθαι τῶν Λυκίων, πεισθῆναι δ' ὑπὸ τῶν γυναικῶν. ἣν [d] δὲ Νύμφις ἐν τῷ τετάρτῳ περὶ Ἡρακλείας (FHG III p. 14) αἰτίαν εἴρηκεν, ἥκιστα μυθώδης ἐστί· λέγει γάρ, ὅτι σῦν ἄγριον ἐν τῇ Ξανθίων χώρᾳ καὶ ζῷα καὶ καρποὺς λυμαινόμενον ἀνελὼν ὁ Βελλεροφόντης οὐδεμιᾶς ἐτύγχανεν ἀμοιβῆς· καταρασαμένου δὲ τῶν Ξανθίων αὐτοῦ πρὸς τὸν Ποσειδῶνα πᾶν τὸ πεδίον ἐξήνθησεν ἁλμυρίδα καὶ διέφθαρτο παντάπασι, τῆς γῆς πικρᾶς γενομένης· μέχρι οὗ τὰς γυναῖκας αἰδεσθεὶς δεομένας εὔξατο τῷ Ποσειδῶνι τὴν ὀργὴν ἀφεῖναι. διὸ καὶ νόμος ἦν τοῖς Ξανθίοις μὴ πατρόθεν ἀλλ' ἀπὸ μητέρων χρηματίζειν.

ΣΑΛΜΑΤΙΔΕΣ

[e] Ἀννίβα δὲ τοῦ Βάρκα, πρὶν ἐπὶ Ῥωμαίους στρατεύειν, ἐν Ἰβηρίᾳ πόλει μεγάλῃ Σαλματικῇ προσμαχομένου, πρῶτον μὲν ἔδεισαν οἱ πολιορκούμενοι καὶ συνέθεντο ποιήσειν τὸ προσταττόμενον Ἀννίβᾳ τριακόσια δόντες ἀργυρίου τάλαντα καὶ τριακοσίους ὁμήρους. ἀνέντος δὲ τὴν πολιορκίαν ἐκείνου μεταγνόντες οὐδὲν ἔπραττον ὧν ὡμολόγησαν. αὖθις οὖν ἐπιστρέψαντος αὐτοῦ καὶ τοὺς στρατιώτας ἐπὶ διαρπαγῇ χρημάτων κελεύσαντος ἐπιχειρεῖν τῇ πόλει, παντάπασι καταπλαγέντες οἱ βάρβαροι συνεχώρησαν ἐξελθεῖν ἐν ἱματίῳ τοὺς ἐλευθέρους, [f] ὅπλα καὶ χρήματα καὶ ἀνδράποδα καὶ τὴν πόλιν καταλιπόντας. αἱ δὲ γυναῖκες οἰόμεναι τῶν μὲν ἀνδρῶν φωράσειν ἕκαστον ἐξιόντα τοὺς πολεμίους, αὐτῶν δ' οὐκ ἂν ἅψασθαι, ξίφη λαβοῦσαι καὶ ἀποκρύψασαι συνεξέπιπτον τοῖς ἀνδράσιν. ἐξελθόντων δὲ πάντων ὁ Ἀννίβας φρουρὰν Μασαισυλίων ἐπιστήσας ἐν τῷ προαστείῳ συνεῖχεν αὐτούς, οἱ δ' ἄλλοι τὴν πόλιν ἀτάκτως ἐμπεσόντες διήρπαζον. πολλῶν δ' ἀγομένων οἱ Μασαισύλιοι καρτερεῖν οὐκ ἠδύναντο βλέποντες [249] [a] οὐδὲ τῇ φυλακῇ τὸν νοῦν προσεῖχον, ἀλλ' ἠγανάκτουν καὶ

ἀπεχώρουν ὡς μεθέξοντες τῆς ὠφελείας. ἐν τούτῳ δ’ αἱ γυναῖκες ἐμβοήσασαι τοῖς ἀνδράσι τὰ ξίφη παρέδοσαν, ἔνιαι δὲ καὶ δι’ ἑαυτῶν ἐπετίθεντο τοῖς φρουροῦσι· μία δὲ καὶ λόγχην ἐξαρπάσασα Βάνωνος τοῦ ἑρμηνέως αὐτὸν ἐκεῖνον ἔπαισεν· ἔτυχε δὲ τεθωρακισμένος· τῶν δ’ ἄλλων τοὺς μὲν καταβαλόντες, τοὺς δὲ τρεψάμενοι διεξέπεσον ἀθρόοι μετὰ τῶν γυναικῶν. πυθόμενος δ’ ὁ Ἀννίβας καὶ διώξας τοὺς μὲν καταληφθέντας ἀνεῖλεν· οἱ δὲ τῶν ὀρῶν ἐπιλαβόμενοι παραχρῆμα μὲν διέφυγον, ὕστερον δὲ πέμψαντες ἱκετηρίαν εἰς [b] τὴν πόλιν ὑπ’ αὐτοῦ κατήχθησαν, ἀδείας καὶ φιλανθρωπίας τυχόντες.

ΜΙΛΗΣΙΑΙ

Τὰς Μιλησίων ποτὲ παρθένους δεινὸν πάθος καὶ ἀλλόκοτον κατέσχεν ἐκ δή τινος αἰτίας ἀδήλου· μάλιστα δ’ εἰκάζετο κρᾶσιν ἐκστατικὴν καὶ φαρμακώδη λαβὼν ὁ ἀὴρ τροπὴν αὐταῖς καὶ παραφορὰν τῆς διανοίας ἐνεργάσασθαι. πάσαις μὲν γὰρ ἐξαίφνης ἐπιθυμία θανάτου καὶ πρὸς ἀγχόνην ὁρμὴ περιμανὴς ἐνέπιπτε, πολλαὶ δ’ ἀπήγχοντο λανθάνουσαι· λόγοι δὲ καὶ δάκρυα γονέων καὶ παρηγορίαι φίλων οὐδὲν ἐπέραινον, ἀλλὰ περιῆσαν [c] ἐπινοίας καὶ πανουργίας ἁπάσης τῶν φυλαττόντων ἑαυτὰς διαχρώμεναι. καὶ τὸ κακὸν ἐδόκει δαιμόνιον εἶναι καὶ κρεῖττον ἀνθρωπίνης βοηθείας, ἄχρις οὗ γνώμῃ νοῦν ἔχοντος ἀνδρὸς ἐγράφη προβούλευμα, τὰς ἀπαγχομένας γυμνὰς ἐκκομίζεσθαι διὰ τῆς ἀγορᾶς· καὶ τοῦτο κυρωθὲν οὐ μόνον ἐπέσχεν, ἀλλὰ καὶ παντελῶς ἔπαυσε θανατώσας τὰς παρθένους. μέγα δὴ τεκμήριον εὐφυΐας καὶ ἀρετῆς ἡ τῆς ἀδοξίας εὐλάβεια καὶ τὸ πρὸς τὰ δεινότατα τῶν ὄντων, θάνατον καὶ πόνον, ἀδεῶς ἐχούσας αἰσχροῦ φαντασίαν μὴ ὑπομεῖναι μηδ’ ἐνεγκεῖν αἰσχύνην μετὰ θάνατον ἐσομένην.

ΚΙΑΙ

Ταῖς Κίων παρθένοις ἔθος ἦν εἰς ἱερὰ δημόσια συμπορεύεσθαι καὶ διημερεύειν μετ’ ἀλλήλων, οἱ δὲ μνηστῆρες ἐθεῶντο παιζούσας καὶ χορευούσας· ἑσπέρας δὲ πρὸς ἑκάστην ἀνὰ μέρος βαδίζουσαι διηκονοῦντο τοῖς ἀλλήλων γονεῦσι καὶ ἀδελφοῖς ἄχρι τοῦ καὶ τοὺς πόδας ἀπονίζειν. ‹τῶν δὲ μνηστήρων› ἤρων πολλάκις μιᾶς πλείονες οὕτω κόσμιον ἔρωτα καὶ νόμιμον, ὥστε τῆς κόρης ἐγγυηθείσης ἑνὶ τοὺς ἄλλους εὐθὺς πεπαῦσθαι. κεφάλαιον δὲ τῆς εὐταξίας τῶν γυναικῶν τὸ μήτε μοιχείαν μήτε φθορὰν ἀνέγγυον ἐτῶν ἑπτακοσίων μνημονεύεσθαι παρ’ αὐτοῖς γενομένην.

ΦΩΚΙΔΕΣ

Τῶν ἐν Φωκεῦσι τυράννων κατειληφότων Δελφοὺς καὶ τὸν ἱερὸν κληθέντα πόλεμον Θηβαίων πολεμούντων πρὸς αὐτούς, αἱ περὶ τὸν Διόνυσον γυναῖκες, ἃς Θυιάδας ὀνομάζουσιν, ἐκμανεῖσαι καὶ περιπλανηθεῖσαι νυκτὸς ἔλαθον ἐν Ἀμφίσσῃ γενόμεναι· κατάκοποι δ’ οὖσαι καὶ μηδέπω τοῦ φρονεῖν παρόντος αὐταῖς ἐν τῇ ἀγορᾷ προέμεναι τὰ σώματα σποράδην ἔκειντο καθεύδουσαι. τῶν δ’ Ἀμφισσέων αἱ γυναῖκες, φοβηθεῖσαι μὴ διὰ τὸ σύμμαχον τὴν πόλιν Φωκέων γεγονέναι καὶ συχνοὺς στρατιώτας παρεῖναι τῶν τυράννων ἀγνωμονηθῶσιν αἱ Θυιάδες, ἐξέδραμον [f] εἰς τὴν ἀγορὰν ἅπασαι καὶ κύκλῳ περιστᾶσαι σιωπῇ κοιμωμέναις μὲν οὐ προσῄεσαν, ἐπεὶ δ’ ἐξανέστησαν, ἄλλαι περὶ ἄλλας ἐγίνοντο θεραπεύουσαι καὶ τροφὴν προσφέρουσαι· τέλος δὲ πείσασαι τοὺς ἄνδρας ἐπηκολούθησαν αὐταῖς ἄχρι τῶν ὅρων ἀσφαλῶς προπεμπομέναις.

ΟΥΑΛΕΡΙΑ ΚΑΙ ΚΛΟΙΛΙΑ

Ταρκύνιον Σούπερβον, ἕβδομον ἀπὸ Ῥωμύλου βασιλεύοντα Ῥωμαίων, ἐξήλασεν ὕβρις καὶ ἀρετὴ Λουκρητίας, γυναικὸς ἀνδρὶ γεγαμημένης λαμπρῷ καὶ κατὰ γένος προσήκοντι τοῖς βασιλεῦσιν. ἐβιάσθη μὲν γὰρ ὑφ’ ἑνὸς τῶν Ταρκυνίου παίδων ἐπιξενωθέντος αὐτῇ· φράσασα δὲ τοῖς φίλοις καὶ οἰκείοις τὸ πάθος εὐθὺς ἀπέσφαξεν ἑαυτήν. ἐκπεσὼν δὲ τῆς ἀρχῆς ὁ Ταρκύνιος ἄλλους τε πολλοὺς ἐπολέμησε πολέμους, πειρώμενος ἀναλαβεῖν τὴν ἡγεμονίαν, καὶ τέλος ἄρχοντα Τυρρηνῶν Πορσίναν ἔπεισεν ἐπὶ τὴν Ῥώμην στρατεῦσαι μετὰ [b] πολλῆς δυνάμεως. ἅμα δὲ τῷ πολέμῳ καὶ λιμοῦ συνεπιτιθεμένου τοῖς Ῥωμαίοις, πυνθανόμενοι τὸν Πορσίναν οὐ πολεμικὸν εἶναι μόνον, ἀλλὰ καὶ δίκαιον ἄνδρα καὶ χρηστόν, ἐβούλοντο χρῆσθαι ‹τούτῳ› δικαστῇ πρὸς τὸν Ταρκύνιον. ἀπαυθαδισαμένου δὲ τοῦ Ταρκυνίου καὶ τὸν Πορσίναν, εἰ μὴ μενεῖ σύμμαχος βέβαιος, οὐδὲ κριτὴν δίκαιον ἔσεσθαι φάσκοντος, ἀφεὶς ἐκεῖνον ὁ Πορσίνας ἔπραττεν, ὅπως φίλος ἄπεισι Ῥωμαίων, τῆς τε χώρας ὅσην ἀπετέτμηντο Τυρρηνῶν καὶ τοὺς αἰχμαλώτους κομισάμενος. ἐπὶ τούτοις ὁμήρων αὐτῷ δοθέντων δέκα [c] μὲν ἀρρένων παίδων δέκα δὲ θηλειῶν (ἐν αἷς ἦν ἡ Ποπλικόλα τοῦ ὑπάτου θυγάτηρ Οὐαλερία), πᾶσαν εὐθὺς ἀνῆκε τὴν πρὸς τὸν πόλεμον παρασκευήν, καίπερ οὔπω τέλος ἐχούσης τῆς ὁμολογίας. αἱ δὲ παρθένοι κατέβησαν μὲν ἐπὶ τὸν ποταμὸν ὡς λουσόμεναι μικρὸν ἀπωτέρω τοῦ στρατοπέδου· μιᾶς δ’ αὐτῶν ὄνομα Κλοιλίας προτρεψαμένης ἀναδησάμεναι περὶ τὰς κεφαλὰς τοὺς χιτωνίσκους παρεβάλοντο πρὸς ῥεῦμα πολὺ καὶ δίνας βαθείας νέουσαι ‹καὶ› διεπέρασαν ἀλλήλων ἐχόμεναι πολυπόνως καὶ μόλις. εἰσὶ δ’ οἱ λέγοντες ἵππου τὴν Κλοιλίαν εὐπορήσασαν αὐτὴν μὲν ἐπιβῆναι καὶ διεξελαύνειν [d]

ἠρέμα, ταῖς δ’ ἄλλαις ὑφηγεῖσθαι παραθαρσύνουσαν νηχομένας καὶ παραβοηθοῦσαν. ᾧ δὲ τεκμηρίῳ χρῶνται, μετ’ ὀλίγον ἐροῦμεν. ἐπεὶ δὲ σωθείσας εἶδον οἱ Ῥωμαῖοι, τὴν μὲν ἀρετὴν καὶ τὴν τόλμαν ἐθαύμασαν, τὴν δὲ κομιδὴν οὐκ ἠγάπησαν οὐδ’ ὑπέμειναν ἐν πίστει χείρονες ἀνδρὸς ἑνὸς γενέσθαι. πάλιν οὖν τὰς κόρας ἐκέλευσαν ἀπιέναι καὶ συνέπεμψαν αὐταῖς ἀγωγούς, οἷς διαβᾶσι τὸν ποταμὸν ἐνέδραν ὑφεὶς ὁ Ταρκύνιος ὀλίγον ἐδέησεν ἐγκρατὴς γενέσθαι τῶν παρθένων. ἡ μὲν οὖν τοῦ ὑπάτου Ποπλικόλα θυγάτηρ Οὐαλερία μετὰ τριῶν προεξέφυγεν [e] οἰκετῶν εἰς τὸ τοῦ Πορσίνα στρατόπεδον, τὰς δ’ ἄλλας ὁ τοῦ Πορσίνα υἱὸς Ἄρρους ταχὺ προσβοηθήσας ἐξείλετο τῶν πολεμίων. ἐπεὶ δ’ ἤχθησαν, ἰδὼν αὐτὰς ὁ Πορσίνας ἐκέλευσεν εἰπεῖν, ἥτις ἐστὶν ἡ προτρεψαμένη καὶ κατάρξασα τοῦ βουλεύματος. αἱ μὲν οὖν ἄλλαι φοβηθεῖσαι περὶ τῆς Κλοιλίας ἐσιώπησαν· αὐτῆς δὲ τῆς Κλοιλίας εἰπούσης ἑαυτήν, ἀγασθεὶς ὁ Πορσίνας ἐκέλευσεν ἵππον ἀχθῆναι κεκοσμημένον εὐπρεπῶς, καὶ τῇ Κλοιλίᾳ δωρησάμενος ἀπέπεμψεν εὐμενῶς καὶ φιλανθρώπως πάσας. τοῦτο ποιοῦνται σημεῖον οἱ πολλοὶ τοῦ τὴν Κλοιλίαν ἵππῳ διεξελάσαι τὸν ποταμόν· οἱ δ’ οὔ [f] φασιν, ἀλλὰ τὴν ῥώμην θαυμάσαντα καὶ τὴν τόλμαν αὐτῆς ὡς κρείττονα γυναικὸς ἀξιῶσαι δωρεᾶς ἀνδρὶ πολεμιστῇ πρεπούσης. ἀνέκειτο γοῦν ἔφιππος εἰκὼν γυναικὸς ἐπὶ τῆς ὁδοῦ τῆς ἱερᾶς λεγομένης, ἣν οἱ μὲν τῆς Κλοιλίας οἱ δὲ τῆς Οὐαλερίας λέγουσιν εἶναι.

ΜΙΚΚΑ ΚΑΙ ΜΕΓΙΣΤΩ

Ἀριστότιμος Ἠλείοις ἐπαναστὰς τύραννος ἴσχυε μὲν δι’ Ἀντιγόνου τοῦ βασιλέως, ἐχρῆτο δὲ τῇ δυνάμει πρὸς οὐδὲν ἐπιεικὲς οὐδὲ μέτριον· καὶ γὰρ αὐτὸς ἦν φύσει [251] [a] θηριώδης, καὶ τοῖς φυλάττουσι τὴν ἀρχὴν καὶ τὸ σῶμα βαρβάροις μιγάσι δουλεύων ὑπὸ φόβου, πολλὰ μὲν ὑβριστικὰ πολλὰ δ’ ὠμὰ τοὺς πολίτας ὑπ’ αὐτῶν περιεώρα πάσχοντας· οἷον ἦν καὶ τὸ Φιλοδήμου πάθος. ἔχοντος γὰρ αὐτοῦ θυγατέρα καλὴν ὄνομα Μίκκαν ἐπεχείρησέ τις τῶν περὶ τὸν τύραννον ξεναγῶν ὄνομα Λεύκιος ὕβρει μᾶλλον ἢ ἔρωτι συγγενέσθαι· καὶ πέμψας ἐκάλει τὴν παρθένον. οἱ μὲν οὖν γονεῖς τὴν ἀνάγκην ὁρῶντες ἐκέλευον βαδίζειν· ἡ δὲ παῖς οὖσα γενναία καὶ μεγαλόφρων ἐδεῖτο τοῦ πατρὸς περιπλεκομένη καὶ καθικετεύουσα [b] μᾶλλον αὐτὴν περιιδεῖν ἀποθανοῦσαν ἢ τὴν παρθενίαν αἰσχρῶς καὶ παρανόμως ἀφαιρεθεῖσαν. καὶ διατριβῆς γενομένης σπαργῶν καὶ μεθύων ὁ Λεύκιος αὐτὸς ἐξανέστη μεταξὺ πίνων πρὸς ὀργήν· καὶ τὴν Μίκκαν εὑρὼν ἐν τοῖς γόνασι τοῦ πατρὸς τὴν κεφαλὴν ἔχουσαν ἐκέλευεν αὐτῷ συνακολουθεῖν· οὐ βουλομένης δὲ τὸ χιτώνιον περιρρήξας ἐμαστίγου γυμνήν, αὐτὴν μὲν ἐγκαρτεροῦσαν σιωπῇ ταῖς ἀλγηδόσιν· ὁ δὲ πατὴρ καὶ ἡ μήτηρ, ὡς οὐδὲν

ἀντιβολοῦντες καὶ δακρύοντες ἐπέραινον, ἐτράποντο πρὸς θεῶν καὶ ἀνθρώπων ἀνάκλησιν ὡς δεινὰ καὶ παράνομα πάσχοντες. ὁ δὲ βάρβαρος ἐκμανεὶς παντάπασιν [c] ὑπὸ τοῦ θυμοῦ καὶ μέθης ἀποσφάττει τὴν παρθένον, ὡς ἔτυχεν ἐν τοῖς κόλποις τοῦ πατρὸς ἔχουσα τὸ πρόσωπον.

Ἀλλ' οὐδὲ τούτοις ὁ τύραννος ἐκάμπτετο, πολλοὺς δ' ἀνῄρει καὶ πλείονας ἐφυγάδευεν· ὀκτακόσιοι γοῦν λέγονται καταφυγεῖν ἐπ' Αἰτωλοὺς δεόμενοι τὰς γυναῖκας αὐτοῖς καὶ τὰ νήπια τῶν τέκνων κομίσασθαι παρὰ τοῦ τυράννου. ὀλίγῳ δ' ὕστερον αὐτὸς ἐκήρυξε τὰς βουλομένας γυναῖκας ἀπιέναι πρὸς τοὺς ἄνδρας, ὅσα βούλονται τῶν γυναικείων χρημάτων ἐπιφερομένας. ἐπεὶ δὲ πάσας ᾔσθετο μεθ' ἡδονῆς τὸ κήρυγμα δεδεγμένας (ἐγένοντο [d] γὰρ ὑπερεξακόσιαι τὸ πλῆθος), ἐκέλευσεν ἀθρόας ἡμέρᾳ ῥητῇ βαδίζειν, ὡς τὴν ἀσφάλειαν αὐτὸς παρέξων. ἐνστάσης δὲ τῆς ἡμέρας αἱ μὲν ἐπὶ τὰς πύλας ἠθροίζοντο τὰ χρήματα συσκευασάμεναι, καὶ τῶν τέκνων τὰ μὲν ἐν ταῖς ἀγκάλαις φέρουσαι τὰ δ' ἐπὶ τῶν ἁμαξῶν ἔχουσαι, καὶ περιέμενον ἀλλήλας· ἄφνω δὲ πολλοὶ τῶν τοῦ τυράννου ἐπεφέροντο, μένειν βοῶντες ἔτι πόρρωθεν. ὡς δ' ἐγγὺς ἐγένοντο, τὰς μὲν γυναῖκας ἐκέλευον ἀναχωρεῖν ὀπίσω, τὰ δὲ ζεύγη καὶ τὰς ἁμάξας ὑποστρέψαντες ἔωσαν εἰς αὐτὰς καὶ διὰ μέσων ἀφειδῶς διήλαυνον, οὔτ' ἀκολουθεῖν οὔτε μένειν ἐῶντες οὔτε τοῖς νηπίοις βοηθεῖν [e] ἀπολλυμένοις (τὰ μὲν γὰρ ἐκπίπτοντα τῶν ἁμαξῶν τὰ δ' ὑποπίπτοντα διεφθείροντο), βοῇ καὶ μάστιξιν ὥσπερ πρόβατα τῶν μισθοφόρων ἐπειγόντων ἀνατρεπομένας ὑπ' ἀλλήλων, ἕως εἰς τὸ δεσμωτήριον ἐνέβαλον ἁπάσας, τὰ δὲ χρήματα πρὸς τὸν Ἀριστότιμον ἀπεκομίσθη. χαλεπῶς δὲ τῶν Ἠλείων ἐπὶ τούτοις ἐχόντων αἱ περὶ τὸν Διόνυσον ἱεραὶ γυναῖκες, ἃς ‹τὰς› ἑκκαίδεκα καλοῦσιν, ἱκετηρίας καὶ στέμματα τῶν ἀπὸ τοῦ θεοῦ λαβοῦσαι περὶ τὴν ἀγορὰν ἀπήντησαν τῷ Ἀριστοτίμῳ, καὶ τῶν δορυφόρων ὑπ' αἰδοῦς διαστάντων, ἔστησαν τὸ πρῶτον σιωπῇ [f] ‹καὶ› ὁσίως προϊσχόμεναι τὰς ἱκετηρίας. ἐπεὶ δ' ἐγένοντο φανεραὶ δεόμεναι καὶ παραιτούμεναι τὴν ὀργὴν ὑπὲρ τῶν γυναικῶν, παροξυνθεὶς πρὸς τοὺς δορυφόρους καὶ κεκραγὼς ὅτι προσελθεῖν εἴασαν αὐτὰς ἐποίησε τὰς μὲν ὠθοῦντας τὰς δὲ τύπτοντας ἐξελάσαι [ἐκ] τῆς ἀγορᾶς, ἑκάστην δὲ δυσὶ ταλάντοις ἐζημίωσε.

Γενομένων δὲ τούτων, ἐν μὲν τῇ πόλει συνέστησε πρᾶξιν ἐπὶ τὸν τύραννον Ἑλλάνικος, ἀνὴρ διὰ γῆρας ἤδη καὶ δύο τέκνων θάνατον ὡς οὐδὲν ἂν πράξας ὑπὸ τοῦ [252] [a] τυράννου περιορώμενος. ἐκ δ' Αἰτωλίας διαπεράσαντες οἱ φυγάδες καταλαμβάνουσι τῆς χώρας ἐπιτήδειον ἐμπολεμεῖν ἔρυμα τὴν Ἀμυμώνην, καὶ συχνοὺς προσεδέχοντο τῶν πολιτῶν ἐκ τῆς Ἤλιδος ἀποδιδράσκοντας. ταῦτα δὲ δείσας ὁ Ἀριστότιμος εἰσῆλθε πρὸς τὰς γυναῖκας,

καὶ νομίζων φόβῳ μᾶλλον ἢ χάριτι διαπράξεσθαι προσέταττε πέμπειν καὶ γράφειν αὐτὰς τοῖς ἀνδράσιν ὅπως ἀπίωσιν ἐκ τῆς χώρας· εἰ δὲ μή, κατασφάξειν ἠπείλει πάσας αἰκισάμενος καὶ προανελὼν τοὺς παῖδας. αἱ μὲν οὖν ἄλλαι, πολὺν χρόνον ἐφεστῶτος καὶ κελεύοντος εἰπεῖν [b] εἴ τι πράξουσι τούτων, οὐδὲν ἀπεκρίναντο πρὸς ἐκεῖνον, ἀλλὰ προσέβλεψαν ἀλλήλαις σιωπῇ καὶ διένευσαν, ἀνθομολογούμεναι τὸ μὴ δεδιέναι μηδ' ἐκπεπλῆχθαι τὴν ἀπειλήν. Μεγιστὼ δ' ἡ Τιμολέοντος γυνὴ καὶ διὰ τὸν ἄνδρα καὶ τὴν ἀρετὴν ἡγεμονικὴν ἔχουσα τάξιν, διαναστῆναι μὲν οὐκ ἠξίωσεν οὐδ' εἴασε τὰς ἄλλας· καθεζομένη δ' ἀπεκρίνατο πρὸς αὐτόν 'εἰ μὲν ἦς ἀνὴρ φρόνιμος, οὐκ ἂν διελέγου γυναιξὶ περὶ ἀνδρῶν, ἀλλὰ πρὸς ἐκείνους ἂν ὡς κυρίους ἡμῶν ἔπεμπες, ἀμείνονας λόγους εὑρὼν ἢ δι' ὧν ἡμᾶς ἐξηπάτησας· εἰ δ' αὐτὸς ἐκείνους πεῖσαι [c] ἀπεγνωκὼς δι' ἡμῶν ἐπιχειρεῖς παραλογίζεσθαι, μήθ' ἡμᾶς ἔλπιζε πάλιν ἐξαπατήσειν μήτ' ἐκεῖνοι κακῶς οὕτω φρονήσειαν, ὥστε φειδόμενοι παιδαρίων καὶ γυναικῶν ἐγκαταλιπεῖν τὴν τῆς πατρίδος ἐλευθερίαν· οὐ γὰρ τοσοῦτο κακὸν αὐτοῖς ἡμᾶς ἀπολέσαι μηδὲ νῦν ἔχοντας, ὅσον ἀγαθὸν ἐξελέσθαι τῆς σῆς ὠμότητος καὶ ὕβρεως τοὺς πολίτας.' ταῦτα τῆς Μεγιστοῦς λεγούσης, οὐκ ἀνασχόμενος ὁ Ἀριστότιμος ἐκέλευσε τὸ παιδίον αὐτῆς ὡς ἀποκτενῶν ἐν ὄψει κομισθῆναι. ζητούντων δὲ τῶν ὑπηρετῶν ἀναμεμιγμένον ἐν τοῖς ἄλλοις παίζουσι καὶ διαπαλαίουσιν, ἡ μήτηρ ὀνομαστὶ προσκαλεσαμένη 'δεῦρο' [d] ἔφη 'τέκνον, πρὶν αἰσθέσθαι καὶ φρονεῖν ἀπαλλάγηθι τῆς πικρᾶς τυραννίδος· ὡς ἐμοὶ βαρύτερόν ἐστι δουλεύοντά σε παρ' ἀξίαν ἐφορᾶν ἢ ἀποθνήσκοντα.' τοῦ δ' Ἀριστοτίμου σπασαμένου τὴν μάχαιραν ἐπ' αὐτὴν ἐκείνην καὶ μετ' ὀργῆς ἐπιφερομένου, τῶν συνήθων τις αὐτῷ Κύλ‹λ›ων ὄνομα πιστὸς δοκῶν εἶναι, μισῶν δὲ καὶ μετέχων τῆς συνωμοσίας τοῖς περὶ τὸν Ἑλλάνικον, ἀντέστη καὶ ἀπέστρεψε δεόμενος καὶ λέγων ἀγεννὲς εἶναι καὶ γυναικῶδες, οὐκ ἀνδρὸς ἡγεμονικοῦ καὶ πράγμασι χρῆσθαι μεμαθηκότος τὸ ἔργον· ὥστε μόλις ἔννουν γενόμενον τὸν Ἀριστότιμον ἀπελθεῖν. γίγνεται δὲ σημεῖον [e] αὐτῷ μέγα· μεσημβρία μὲν γὰρ ἦν καὶ μετὰ τῆς γυναικὸς ἀνεπαύετο· παρασκευαζομένων δὲ τῶν περὶ τὸ δεῖπνον, ἀετὸς μετέωρος ὤφθη δινούμενος ὑπὲρ τῆς οἰκίας, εἶθ' ὥσπερ ἐκ προνοίας καὶ στοχασμοῦ λίθον ἀφῆκεν εὐμεγέθη κατ' ἐκεῖνο τῆς στέγης τὸ μέρος, οὗ τὸ δωμάτιον ἦν, ἐν ᾧ κατακείμενος ἐτύγχανεν ὁ Ἀριστότιμος. ἅμα δ' ἄνωθεν ψόφου μεγάλου καὶ κραυγῆς ἔξωθεν ὑπὸ τῶν ἰδόντων τὸν ὄρνιν γενομένης, ἐκπλαγεὶς καὶ πυθόμενος τὸ γεγονὸς μετεπέμψατο μάντιν, ᾧ χρώμενος διετέλει κατ' ἀγοράν, καὶ διηρώτα περὶ τοῦ σημείου συντεταραγμένος.

[f] ὁ δ' ἐκεῖνον μὲν παρεκάλει ὡς τοῦ Διὸς αὐτὸν ἐξεγείροντος καὶ βοηθοῦντος, οἷς δ' ἐπίστευε τῶν πολιτῶν ἔφρασεν ὅσον οὔπω τὴν δίκην αἰωρουμένην ὑπὲρ κεφαλῆς ἐμπεσεῖσθαι τῷ τυράννῳ. διὸ καὶ τοῖς περὶ τὸν Ἑλλάνικον ἔδοξε μὴ μέλλειν, ἀλλ' ἐπιτίθεσθαι τῇ ὑστεραίᾳ. τῆς δὲ νυκτὸς Ἑλλάνικος ἐδόκει κατὰ τοὺς ὕπνους τῶν τεθνηκότων υἱῶν τὸν ἕτερον λέγειν αὐτῷ παραστάντα 'τί πέπονθας, ὦ πάτερ, καθεύδων; αὔριον δέ σε [253] [a] δεῖ τῆς πόλεως στρατηγεῖν.' οὗτός τε δὴ διὰ τὴν ὄψιν εὐθαρσὴς γεγενημένος παρεκάλει τοὺς ἑταίρους, ὅ τ' Ἀριστότιμος πυθόμενος Κρατερὸν αὐτῷ βοηθοῦντα μετὰ πολλῆς δυνάμεως ἐν Ὀλυμπίᾳ καταστρατοπεδεύειν, οὕτως ἐξεθάρσησεν, ὥστ' ἄνευ δορυφόρων εἰς τὴν ἀγορὰν προελθεῖν μετὰ τοῦ Κύλ‹λ›ωνος. ὡς οὖν συνεῖδε τὸν καιρὸν Ἑλλάνικος, ὃ μὲν ἦν σημεῖον αὐτῷ πρὸς τοὺς μέλλοντας ἐπιχειρεῖν συγκείμενον οὐκ ἔδωκε, λαμπρᾷ δὲ τῇ φωνῇ καὶ ἅμα τὰς χεῖρας προτείνων ἀμφοτέρας 'τί μέλλετ',' ‹ἀνεβόησεν,› 'ἄνδρες ἀγαθοί; καλὸν τὸ θέατρον ἐν μέσῳ τῆς πατρίδος ἐναγωνίσασθαι.' πρῶτος οὖν [b] ὁ Κύλ‹λ›ων σπασάμενος τὸ ξίφος παίει τινὰ τῶν ἑπομένων τῷ Ἀριστοτίμῳ· Θρασυβούλου δὲ καὶ Λάμπιδος ἐξ ἐναντίας ἐπιφερομένων, ἔφθη μὲν ὁ Ἀριστότιμος εἰς τὸ τοῦ Διὸς ἱερὸν καταφυγών· ἐκεῖ δ' ἀποκτείναντες αὐτὸν καὶ τὸ σῶμα προβαλόντες εἰς τὴν ἀγορὰν ἐκάλουν τοὺς πολίτας ἐπὶ τὴν ἐλευθερίαν. οὐ μὴν ἔφθησάν γε πολλῷ τὰς γυναῖκας· εὐθὺς γὰρ ἐξέδραμον μετὰ χαρᾶς καὶ ὀλολυγμοῦ, καὶ περιστᾶσαι τοὺς ἄνδρας ἀνέδουν καὶ κατέστεφον. εἶτα τοῦ πλήθους ἐπὶ τὴν οἰκίαν τοῦ τυράννου ῥυέντος, ἡ μὲν γυνὴ συγκλείσασα τὸν θάλαμον αὑτὴν [c] ἀνήρτησε. δύο δ' ἦσαν αὐτῷ θυγατέρες, παρθένοι μὲν ἔτι, κάλλισται δὲ τὴν ὄψιν, ἤδη γάμων ὥραν ἔχουσαι· ταύτας συλλαβόντες εἷλκον ἔξω πάντως μὲν ἀνελεῖν, αἰκίσασθαι δὲ καὶ καθυβρίσαι πρότερον ἐγνωκότες. ἀπαντήσασα δ' ἡ Μεγιστὼ μετὰ τῶν ἄλλων ἐβόα δεινὰ ποιεῖν αὐτούς, εἰ δῆμος ἀξιοῦντες εἶναι ταῦτα τολμῶσι καὶ ἀσελγαίνουσι τοῖς τυράννοις ὅμοια. ἐντρεπομένων δὲ πολλῶν τὸ ἀξίωμα τῆς γυναικὸς παρρησιαζομένης καὶ δακρυούσης, ἔδοξεν ἀφελεῖν τὴν ὕβριν, αὐτὰς δ' ἐᾶσαι δι' αὑτῶν ἀποθανεῖν. ὡς δ' οὖν ἀναστρέψαντες ἔνδον ἐκέλευον εὐθὺς ἀποθνήσκειν τὰς παρθένους, ἡ πρεσβυτέρα Μυρὼ [d] λύσασα τὴν ζώνην καὶ βρόχον ἅψασα τὴν ἀδελφὴν κατησπάζετο καὶ παρεκάλει προσέχειν καὶ ποιεῖν ἅπερ ἂν αὐτὴν θεάσηται ποιοῦσαν, 'ὅπως ἄν' ἔφη 'μὴ ταπεινῶς μηδ' ἀναξίως ἑαυτῶν καταστρέψωμεν.' τῆς δὲ νεωτέρας δεομένης αὐτῇ παρεῖναι πρότερον ἀποθανεῖν καὶ τῆς ζώνης ἀντιλαμβανομένης 'οὐδ' ἄλλο πώποτ'' εἶπεν 'οὐδὲν ἤρνημαί σοι δεομένῃ, καὶ ταύτην οὖν λαβὲ τὴν χάριν, ἐγὼ δ' ὑπομενῶ καὶ τλήσομαι τοῦ θανάτου βαρύτερον τὸ σέ, φιλτάτη, προτέραν ἰδεῖν

ἀποθνήσκουσαν.’ ἐκ τούτου τὴν μὲν ἀδελφὴν αὐτὴν διδάξασα τῷ τραχήλῳ [e] περιβαλέσθαι τὸν βρόχον, ὡς ᾔσθετο τεθνηκυῖαν, καθεῖλε καὶ κατεκάλυψεν· αὑτῆς δὲ τὴν Μεγιστὼ παρεκάλεσεν ἐπιμεληθῆναι, καὶ μὴ περιιδεῖν αἰσχρῶς, ἐπειδὰν ἀποθάνῃ, ‹ἐκ›τεθεῖσαν· ὥστε μηδένα πικρὸν μηδὲ μισοτύραννον οὕτω γενέσθαι τῶν παρόντων, ὃς οὐκ ἔκλαυσεν οὐδὲ κατηλέησε τὴν τῶν παρθένων εὐγένειαν.

Τῶν μὲν οὖν κοινῇ πεπραγμένων γυναιξὶ μυρίων ὄντων ἱκανὰ ταῦτα παραδείγματα· τὰς δὲ καθ’ ἑκάστην ἀρετάς, ὅπως ἂν ἐπίῃ, σποράδην ἀναγράψομεν, οὐδὲν οἰόμενοι τῆς κατὰ χρόνον τάξεως δεῖσθαι τὴν ὑποκειμένην ἱστορίαν.

ΠΙΕΡΙΑ

Τῶν εἰς Μίλητον ἀφικομένων Ἰώνων στασιάσαντες ἔνιοι πρὸς τοὺς Νείλεω παῖδας ἀπεχώρησαν εἰς Μυοῦντα κἀκεῖ κατῴκουν, πολλὰ κακὰ πάσχοντες ὑπὸ τῶν Μιλησίων· ἐπολέμουν γὰρ αὐτοῖς διὰ τὴν ἀποστασίαν. οὐ μὴν ἀκήρυκτος ἦν οὐδ’ ἀνεπίμικτος ὁ πόλεμος, ἀλλ’ ἔν τισιν ἑορταῖς ἐφοίτων εἰς Μίλητον ἐκ τοῦ Μυοῦντος αἱ γυναῖκες. ἦν δὲ Πύθης ἀνὴρ ἐν αὐτοῖς ἐμφανής, γυναῖκα μὲν ἔχων Ἰαπυγίαν, θυγατέρα δὲ Πιερίαν. οὔσης οὖν ἑορτῆς Ἀρτέμιδι [254] [a] καὶ θυσίας παρὰ Μιλησίοις, ἣν Νηληίδα προσαγορεύουσιν, ἔπεμψε τὴν γυναῖκα καὶ τὴν θυγατέρα, δεηθείσας ὅπως τῆς ἑορτῆς μετάσχωσι· τῶν δὲ Νείλεω παίδων ὁ δυνατώτατος ὄνομα Φρύγιος τῆς Πιερίας ἐρασθεὶς ἐνενόει, τί ἂν αὐτῇ μάλιστα γένοιτο παρ’ αὐτοῦ κεχαρισμένον. εἰπούσης δ’ ἐκείνης ‘εἰ διαπράξαιό μοι τὸ πολλάκις ἐνταῦθα καὶ μετὰ πολλῶν βαδίζειν’, συνεὶς [οὖν] ὁ Φρύγιος δεομένην φιλίας καὶ εἰρήνης τοῖς πολίταις κατέπαυσε τὸν πόλεμον. ἦν οὖν ἐν ἀμφοτέραις ταῖς πόλεσι δόξα καὶ τιμὴ τῆς Πιερίας, ὥστε καὶ τὰς Μιλησίων εὔχεσθαι γυναῖκας ἄχρι νῦν οὕτως ἐρᾶν ‹τοὺς [b] ἄνδρας› αὐτῶν, ὡς Φρύγιος ἠράσθη Πιερίας.

ΠΟΛΥΚΡΙΤΗ

Ναξίοις καὶ Μιλησίοις συνέστη πόλεμος διὰ τὴν Ὑψικρέοντος τοῦ Μιλησίου γυναῖκα Νέαιραν. αὕτη γὰρ ἠράσθη Προμέδοντος Ναξίου καὶ συνεπένευσεν· ὃς ἦν μὲν ξένος τοῦ Ὑψικρέοντος, ἐρασθείσῃ δὲ τῇ Νεαίρᾳ συνῆλθε, καὶ τὸν ἄνδρα φοβουμένην ἀπαγαγὼν εἰς Νάξον ἱκέτιν τῆς Ἑστίας ἐκάθισεν. τῶν δὲ Ναξίων οὐκ ἐκδιδόντων χάριν τοῦ Προμέδοντος, ἄλλως δὲ ποιουμένων πρόφασιν τὴν ἱκετείαν ὁ πόλεμος συνέστη. τοῖς δὲ Μιλησίοις ἄλλοι τε πολλοὶ καὶ προθυμότατα τῶν Ἰώνων [c] Ἐρυθραῖοι συνεμάχουν, καὶ μῆκος ἔσχε καὶ συμφορὰς ἤνεγκε μεγάλας ὁ πόλεμος· εἶτ’ ἐπαύσατο δι’ ἀρετὴν γυναικός, ὡς συνέστη διὰ μοχθηρίαν. Διόγνητος γὰρ ὁ τῶν

Ἐρυθραίων στρατηγὸς [ἔχων καὶ] πεπιστευμένος ἔρυμα κατὰ τῆς Ναξίων πόλεως εὖ πεφυκὸς καὶ κατεσκευασμένον, ἠλάσατο λείαν τῶν Ναξίων πολλὴν καὶ γυναῖκας ἐλευθέρας καὶ παρθένους ἔλαβεν. ὧν μιᾶς Πολυκρίτης ἐρασθεὶς εἶχεν αὐτὴν οὐχ ὡς αἰχμάλωτον ἀλλ' ἐν τάξει γαμετῆς γυναικός. ἑορτῆς δὲ τοῖς Μιλησίοις καθηκούσης ἐν τῇ στρατιᾷ καὶ πρὸς πόσιν ἁπάντων καὶ συνουσίας τραπομένων, ἠρώτησε τὸν Διόγνητον [d] ἡ Πολυκρίτη, μή τι κωλύοι πεμμάτων μερίδας ἀποπέμψαι τοῖς ἀδελφοῖς αὐτῆς. ἐπιτρέψαντος δ' ἐκείνου καὶ κελεύσαντος, ἐνέβαλε μολίβδινον γραμματίδιον εἰς πλακοῦντα, κελεύσασα φράσαι τὸν κομίζοντα τοῖς ἀδελφοῖς, ὅπως αὐτοὶ μόνοι καταναλώσωσιν ἃ ἔπεμψε. οἱ δ' ἐντυχόντες τῷ μολίβδῳ καὶ τὰ γράμματα τῆς Πολυκρίτης ἀναγνόντες, κελευούσης νυκτὸς ἐπιθέσθαι τοῖς πολεμίοις, ὡς ὑπὸ μέθης διὰ τὴν ἑορτὴν ἐξημελημένων πάντων, προσήγγειλαν τοῖς στρατηγοῖς καὶ παρώρμησαν ἐξελθεῖν μετ' αὐτῶν. ἁλόντος δὲ τοῦ χωρίου καὶ πολλῶν διαφθαρέντων, [e] ἐξῃτήσατο τὸν Διόγνητον ἡ Πολυκρίτη παρὰ τῶν πολιτῶν καὶ διέσῳσεν. αὐτὴ δὲ πρὸς ταῖς πύλαις γενομένη ‹καὶ θεασαμένη› τοὺς πολίτας ἀπαντῶντας αὐτῇ, μετὰ χαρᾶς καὶ στεφάνων ὑποδεχομένους καὶ θαυμάζοντας, οὐκ ἤνεγκε τὸ μέγεθος τῆς χαρᾶς, ἀλλ' ἀπέθανεν αὐτοῦ πεσοῦσα παρὰ τὴν πύλην, ὅπου τέθαπται, καὶ καλεῖται βασκάνου τάφος, ὡς βασκάνῳ τινὶ τύχῃ τὴν Πολυκρίτην φθονηθεῖσαν ‹οὐκ› ἀπολαῦσαι τῶν τιμῶν.

Οὕτω μὲν οἱ Ναξίων συγγραφεῖς ἱστοροῦσιν· ὁ δ' Ἀριστοτέλης φησὶν (fr. 511) οὐχ ἁλούσης τῆς Πολυκρίτης, ἄλλως δέ πως ἰδόντα τὸν Διόγνητον ἐρασθῆναι [f] καὶ πάντα διδόναι καὶ ποιεῖν ἕτοιμον εἶναι· τὴν δ' ὁμολογεῖν ἀφίξεσθαι πρὸς αὐτόν, ἑνὸς μόνου τυχοῦσαν, περὶ οὗ τὸν Διόγνητον, ὥς φησιν ὁ φιλόσοφος, ὅρκον ᾔτησεν· ἐπεὶ δ' ὤμοσεν, ἠξίου τὸ Δήλιον αὐτῇ δοθῆναι (Δήλιον γὰρ ἐκαλεῖτο τὸ χωρίον), ἄλλως δ' οὐκ ἂν ἔφη συνελθεῖν. ὁ δὲ καὶ διὰ τὴν ἐπιθυμίαν καὶ διὰ τὸν ὅρκον ἐξέστη καὶ παρέδωκε τῇ Πολυκρίτῃ τὸν τόπον, ἐκείνη δὲ τοῖς πολίταις. ἐκ δὲ τούτου πάλιν εἰς ἴσον καταστάντες, ἐφ' οἷς ἠβούλοντο πρὸς τοὺς Μιλησίους διελύθησαν.

ΛΑΜΨΑΚΗ

Ἐκ Φωκαίας τοῦ Κοδριδῶν γένους ἦσαν ἀδελφοὶ δίδυμοι Φόξος καὶ Βλέψος· ὧν ὁ Φόξος ἀπὸ τῶν Λευκάδων πετρῶν πρῶτος ἀφῆκεν ἑαυτὸν εἰς θάλασσαν, ὡς Χάρων ὁ Λαμψακηνὸς (fr. 7 M.) ἱστόρηκεν. ἔχων δὲ δύναμιν καὶ βασιλικὸν ἀξίωμα παρέπλευσεν εἰς Πάριον ἰδίων ἕνεκα πραγμάτων· καὶ γενόμενος φίλος καὶ ξένος Μάνδρωνι, βασιλεύοντι Βεβρύκων τῶν Πιτυοεσσηνῶν προσαγορευομένων, ἐβοήθησε καὶ συνεπολέμησεν αὐτοῖς

ὑπὸ τῶν προσοίκων ἐνοχλουμένοις. ὁ δὲ Μάνδρων ἄλλην τε πολλὴν ἐνεδείξατο τῷ Φόξῳ φιλοφροσύνην ἀποπλέοντι [b] καὶ μέρος τῆς τε χώρας καὶ τῆς πόλεως ὑπισχνεῖτο δώσειν, εἰ βούλοιτο Φωκαεῖς ἔχων ἐποίκους εἰς τὴν Πιτυόεσσαν ἀφικέσθαι. πείσας οὖν τοὺς πολίτας ὁ Φόξος ἐξέπεμψε τὸν ἀδελφὸν ἄγοντα τοὺς ἐποίκους. καὶ τὰ μὲν παρὰ τοῦ Μάνδρωνος ὑπῆρχεν αὐτοῖς, ὥσπερ προσεδόκησαν· ὠφελείας δὲ μεγάλας καὶ λάφυρα [καὶ λείας] ἀπὸ τῶν προσοίκων βαρβάρων λαμβάνοντες, ἐπίφθονοι τὸ πρῶτον εἶτα καὶ φοβεροὶ τοῖς Βέβρυξιν ἦσαν. ἐπιθυμοῦντες οὖν αὐτῶν ἀπαλλαγῆναι, τὸν μὲν Μάνδρωνα, χρηστὸν ὄντα καὶ δίκαιον ἄνδρα περὶ τοὺς Ἕλληνας, οὐκ [c] ἔπεισαν, ἀποδημήσαντος δ’ ἐκείνου παρεσκευάζοντο τοὺς Φωκαεῖς δόλῳ διαφθεῖραι. τοῦ δὲ Μάνδρωνος ἡ θυγάτηρ Λαμψάκη παρθένος οὖσα τὴν ἐπιβουλὴν προέγνω, καὶ πρῶτον μὲν ἐπεχείρει τοὺς φίλους καὶ οἰκείους ἀποτρέπειν καὶ διδάσκειν, ὡς ἔργον δεινὸν καὶ ἀσεβὲς ἐγχειροῦσι πράττειν, εὐεργέτας καὶ συμμάχους ἄνδρας νῦν δὲ καὶ πολίτας ἀποκτιννύντες. ὡς δ’ οὐκ ἔπειθε, τοῖς Ἕλλησιν ἔφρασε κρύφα τὰ πραττόμενα καὶ παρεκελεύσατο φυλάττεσθαι. οἱ δὲ θυσίαν τινὰ παρασκευασάμενοι καὶ θοίνην ἐξεκαλέσαντο τοὺς Πιτυοεσσηνοὺς εἰς τὸ προάστειον· αὐτοὺς δὲ διελόντες δίχα, τοῖς μὲν τὰ τείχη [d] κατελάβοντο τοῖς δὲ τοὺς ἀνθρώπους ἀνεῖλον. οὕτω δὴ τὴν πόλιν κατασχόντες τόν τε Μάνδρωνα μετεπέμποντο, συμβασιλεύειν τοῖς παρ’ αὐτῶν κελεύοντες· καὶ τὴν Λαμψάκην ἐξ ἀρρωστίας ἀποθανοῦσαν ἔθαψαν ἐν τῇ πόλει μεγαλοπρεπῶς καὶ τὴν πόλιν ἀπ’ αὐτῆς Λάμψακον προσηγόρευσαν. ἐπεὶ δ’ ὁ Μάνδρων προδοσίας ὑποψίαν φεύγων τὸ μὲν οἰκεῖν μετ’ αὐτῶν παρῃτήσατο, παῖδας δὲ τῶν τεθνηκότων καὶ γυναῖκας ἠξίωσε κομίσασθαι, καὶ ταῦτα προθύμως οὐδὲν ἀδικήσαντες ἐξέπεμψαν καὶ τῇ Λαμψάκῃ πρότερον ἡρωικὰς τιμὰς ἀποδιδόντες, ὕστερον [e] ὡς θεῷ θύειν ἐψηφίσαντο καὶ διατελοῦσιν οὕτω θύοντες.

ΑΡΕΤΑΦΙΛΑ

Ἀρεταφίλα δ’ ἡ Κυρηναία παλαιὰ μὲν οὐ γέγονεν ἀλλ’ ἐν τοῖς Μιθριδατικοῖς καιροῖς, ἀρετὴν δὲ καὶ πρᾶξιν ἐνάμιλλον τῇ [βουλῇ] τῶν ἡρωίδων παρέσχεν. ἦν δὲ θυγάτηρ μὲν Αἰγλάνορος Φαιδίμου δὲ γυνή, γνωρίμων ἀνδρῶν· καλὴ δὲ τὴν ὄψιν οὖσα καὶ τὸ φρονεῖν ἐδόκει περιττή τις εἶναι καὶ πολιτικῆς δεινότητος οὐκ ἄμοιρος· ἐπιφανῆ δ’ αὐτὴν αἱ κοιναὶ τύχαι τῆς πατρίδος ἐποίησαν. Νικοκράτης γὰρ ἐπαναστὰς Κυρηναίοις τύραννος ἄλλους τε πολλοὺς ἐφόνευε τῶν πολιτῶν καὶ τὸν ἱερέα τοῦ [f] Ἀπόλλωνος αὐτόχειρ ἀνελὼν Μελάνιππον εἶχε τὴν ἱερωσύνην· ἀνεῖλε δὲ καὶ Φαίδιμον τὸν τῆς Ἀρεταφίλας ἄνδρα καὶ τὴν Ἀρεταφίλαν ἔγημεν ἄκουσαν. πρὸς δὲ μυρίοις ἄλλοις παρανομήμασι φύλακας ἐπὶ τῶν πυλῶν κατέστησεν, οἳ τοὺς

ἐκφερομένους νεκροὺς ἐλυμαίνοντο νύττοντες ξιφιδίοις καὶ καυτήρια προσβάλλοντες ὑπὲρ τοῦ μηδένα τῶν πολιτῶν ὡς νεκρὸν λαθεῖν ἐκκομιζόμενον. δύσφορα μὲν οὖν ἦν τῇ Ἀρεταφίλᾳ τὰ οἰκεῖα κακά, καίπερ ἐνδιδόντος αὐτῇ δι’ ἔρωτα τοῦ τυράννου [256] [a] πλεῖστον ἀπολαύειν τῆς δυνάμεως (ἥττητο γὰρ ἐκείνης καὶ μόνῃ χειροήθη παρεῖχεν αὑτὸν ἄτεγκτος ὢν τἆλλα καὶ θηριώδης)· ἠνία δὲ μᾶλλον αὐτὴν ἡ πατρὶς οἰκτρὰ πάσχουσα παρ’ ἀξίαν. ἄλλος γὰρ ἐπ’ ἄλλῳ τῶν πολιτῶν ἐσφάττετο, τιμωρία δ’ ἀπ’ οὐδενὸς ἠλπίζετο· καὶ γὰρ οἱ φυγάδες, ἀσθενεῖς παντάπασιν ὄντες καὶ περίφοβοι, διεσπάρησαν. αὑτὴν οὖν ἡ Ἀρεταφίλα ὑποθεῖσα μόνην τοῖς κοινοῖς ἐλπίδα καὶ τὰ Θήβης ζηλώσασα τῆς Φεραίας καλὰ καὶ περιβόητα τολμήματα, συμμάχων δὲ πιστῶν καὶ οἰκείων, οἵους ἐκείνῃ τὰ πράγματα παρέσχεν, ἔρημος οὖσα, φαρμάκοις ἐπεχείρησε διεργάσασθαι τὸν ἄνδρα.

[b] παρασκευαζομένη δὲ καὶ πορίζουσα καὶ διαπειρωμένη πολλῶν δυνάμεων οὐκ ἔλαθεν ἀλλ’ ἐμηνύθη· καὶ γινομένων ἐλέγχων, Καλβία μὲν ἡ τοῦ Νικοκράτους μήτηρ, φύσει φονικὴ γυνὴ καὶ ἀπαραίτητος, εὐθὺς ᾤετο δεῖν ἀναιρεῖν αἰκισαμένην τὴν Ἀρεταφίλαν· τοῦ δὲ Νικοκράτους μέλλησιν ἐνεποίει τῇ ὀργῇ καὶ ἀσθένειαν ὁ ἔρως, καὶ τὸ τὴν Ἀρεταφίλαν ἐρρωμένως ὁμόσε χωρεῖν ταῖς κατηγορίαις ἀμύνουσαν ἑαυτῇ πρόφασίν τινα τῷ πάθει παρεῖχεν. ἐπεὶ δὲ κατελαμβάνετο τοῖς ἐλέγχοις καὶ τὴν παρασκευὴν τῆς φαρμακείας ἑώρα μὴ δεχομένην ἄρνησιν, ὡμολόγει, παρασκευάσασθαι δ’ οὐκ ὀλέθριον φαρμακείαν, [c] ‘ἀλλ’ ὑπὲρ μεγάλων’ εἶπεν, ‘ὦ ἄνερ, ἀγωνίζομαι, τῆς σῆς εὐνοίας πρὸς ἐμὲ καὶ δόξης καὶ δυνάμεως, ἣν διὰ σὲ καρποῦμαι πολλαῖς ἐπίφθονος οὖσα κακαῖς γυναιξίν· ὧν φάρμακα δεδοικυῖα καὶ μηχανὰς ἐπείσθην ἀντιμηχανήσασθαι, μωρὰ μὲν ἴσως καὶ γυναικεῖα, θανάτου δ’ οὐκ ἄξια· πλὴν εἰ κριτῇ σοι δόξειε φίλτρων ἕνεκα καὶ γοητείας κτεῖναι γυναῖκα, πλεῖον ἢ σὺ βούλει φιλεῖσθαι δεομένην.’ τοιαῦτα τὴν Ἀρεταφίλαν ἀπολογουμένην ἔδοξε τῷ Νικοκράτει βασανίσαι· καὶ τῆς Καλβίας ἐφεστώσης ἀτέγκτου καὶ [d] ἀπαραιτήτου, ταῖς βασάνοις ἀνέκρινε· καὶ διεφύλαττεν αὐτὴν ἀήττητον ἐν ταῖς ἀνάγκαις ἄχρι καὶ τὴν Καλβίαν ἀποκαμεῖν ἄκουσαν. ὁ δὲ Νικοκράτης ἀφῆκε πεισθεὶς καὶ μετενόει βασανίσας· καὶ χρόνον οὐ πολὺν διαλιπὼν αὖθις ἧκεν ὑπὸ τοῦ πάθους εἰς αὐτὴν φερόμενος, καὶ συνῆν αὖθις ἀναλαμβάνων τιμαῖς καὶ φιλοφροσύναις τὴν εὔνοιαν. ἡ δ’ οὐκ ἔμελλε χάριτος ἡττᾶσθαι κρατήσασα βασάνων καὶ πόνων, ἀλλὰ τῷ φιλοκάλῳ φιλονεικίας προσγενομένης ἑτέρας ἥπτετο μηχανῆς. ἦν γὰρ αὐτῇ θυγάτηρ ἀνδρὸς ὥραν ἔχουσα καὶ τὴν [e] ὄψιν ἱκανή· ταύτην ὑφῆκε τἀδελφῷ τοῦ τυράννου δέλεαρ, ὄντι μειρακίῳ πρὸς ἡδονὰς εὐαλώτῳ. πολὺς δὲ λόγος ἐστὶ χρησαμένην γοητείᾳ καὶ φαρμάκοις ἐπὶ τῇ

κόρῃ τὴν Ἀρεταφίλαν χειρώσασθαι καὶ διαφθεῖραι τοῦ νεανίσκου τὸν λογισμόν· ἐκαλεῖτο δὲ Λάανδρος. ἐπεὶ δ' ἡλώκει καὶ λιπαρήσας τὸν ἀδελφὸν ἔτυχε τοῦ γάμου, τὰ μὲν ἡ κόρη παρῆγεν αὐτὸν ὑπὸ τῆς μητρὸς διδασκομένη καὶ ἀνέπειθεν ἐλευθεροῦν τὴν πόλιν, ὡς μηδ' αὐτὸν ἐλεύθερον ἐν τυραννίδι ζῶντα μηδὲ τοῦ λαβεῖν γάμον ἢ φυλάξαι κύριον ὄντα, τὰ δ' οἱ φίλοι τῇ Ἀρεταφίλᾳ χαριζόμενοι [f] διαβολάς τινας ἀεὶ καὶ ὑπονοίας κατεσκεύαζον αὐτῷ πρὸς τὸν ἀδελφόν. ὡς δ' ᾔσθετο καὶ τὴν Ἀρεταφίλαν τὰ αὐτὰ βουλευομένην καὶ σπουδάζουσαν, ἐπεχείρει τὸ ἔργον, καὶ Δάφνιν οἰκέτην παρορμήσας ἀπέκτεινε δι' ἐκείνου τὸν Νικοκράτην. τὰ λοιπὰ δ' οὐκέτι τῇ Ἀρεταφίλᾳ προσεῖχεν, ἀλλ' εὐθὺς ἔδειξε τοῖς ἔργοις ἀδελφοκτόνος οὐ τυραννοκτόνος γεγονώς· ἦρχε γὰρ ἐμπλήκτως [257] [a] καὶ ἀνοήτως. τιμὴ δέ τις ὅμως ἦν τῆς Ἀρεταφίλας παρ' αὐτῷ καὶ δύναμις, οὐκ ἀπεχθανομένης οὐδὲ πολεμούσης ἄντικρυς ἀλλ' ἀδήλως διαταττούσης τὰ πράγματα. πρῶτον μὲν γὰρ αὐτῷ Λιβυκὸν ὑπεκίνησε πόλεμον, Ἀνάβουν τινὰ πείσασα δυνάστην τὴν χώραν ἐπιδραμεῖν καὶ τῇ πόλει προσαγαγεῖν, ἔπειτα διέβαλε τοὺς φίλους καὶ τοὺς στρατηγοὺς πρὸς τὸν Λάανδρον, ὡς πολεμεῖν οὐκ ὄντας προθύμους, εἰρήνης δὲ μᾶλλον δεομένους καὶ ἡσυχίας, ἣν καὶ τὰ πράγματα ποθεῖν αὐτοῦ καὶ τὴν τυραννίδα, βουλομένου βεβαίως κρατεῖν τῶν πολιτῶν· αὐτὴ δὲ πράξειν ἔφη τὰς διαλύσεις καὶ τὸν [b] Ἀνάβουν εἰς λόγους αὐτῷ συνάξειν, ἐὰν κελεύῃ, πρὶν ἀνήκεστόν τι τὸν πόλεμον ἐξεργάσασθαι. κελεύσαντος δὲ τοῦ Λαάνδρου, πρότερον αὐτὴ τῷ Λίβυι διελέχθη, συλλαβεῖν δεομένη τὸν τύραννον ἐπὶ δωρεαῖς μεγάλαις καὶ χρήμασιν, ὅταν εἰς λόγους αὐτῷ παραγένηται. πεισθέντος δὲ τοῦ Λίβυος, ὤκνει μὲν ὁ Λάανδρος, αἰδεσθεὶς δὲ τὴν Ἀρεταφίλαν αὐτὴν παρέσεσθαι φάσκουσαν, ἐξῆλθεν ἄνοπλος καὶ ἀφύλακτος. ὡς δ' ἐγγὺς ἦλθε καὶ τὸν Ἀνάβουν εἶδεν, αὖθις ἐδυσχέραινε καὶ περιμένειν ἐβούλετο τοὺς δορυφόρους· ἡ δ' Ἀρεταφίλα παροῦσα τὰ μὲν ἐθάρρυνεν αὐτὸν τὰ δ' ἐκάκιζε· τέλος δὲ γενομένης [c] διατριβῆς, ἐφελκυσαμένη τῆς χειρὸς ἰταμῶς πάνυ καὶ τεθαρρηκότως προσήγαγε τῷ βαρβάρῳ καὶ παρέδωκεν. εὐθὺς οὖν ἀνήρπαστο καὶ συνείληπτο καὶ δεθεὶς ὑπὸ τῶν Λιβύων ἐτηρεῖτο, ἄχρι οὗ τὰ χρήματα τῇ Ἀρεταφίλᾳ κομίζοντες οἱ φίλοι παρεγένοντο μετὰ τῶν ἄλλων πολιτῶν. πυθόμενοι γὰρ οἱ πλεῖστοι ἐξέδραμον ἐπὶ τὴν παράκλησιν· ὡς δ' εἶδον τὴν Ἀρεταφίλαν, ὀλίγου ἐδέησαν ἐκλαθέσθαι τῆς πρὸς τὸν τύραννον ὀργῆς, καὶ πάρεργον τὴν ἐκείνου τιμωρίαν ἐνόμιζον· ἔργον δὲ πρῶτον ἦν αὐτοῖς καὶ ἀπόλαυσμα τῆς ἐλευθερίας ἐκείνην ἀσπάσασθαι μετὰ χαρᾶς καὶ δακρύων, ὥσπερ ἀγάλματι θεοῦ [d] προσπίπτοντας. ἄλλων δ' ἐπ' ἄλλοις ἐπιρρεόντων, μόλις ἑσπέρας τὸν Λάανδρον παραλαβόντες ἐπανῆλθον εἰς τὴν πόλιν. ἐπεὶ δὲ τῶν τιμῶν τῆς

Ἀρεταφίλας καὶ τῶν ἐπαίνων ἐνεπλήσθησαν, οὕτω τραπόμενοι πρὸς τοὺς τυράννους τὴν μὲν Καλβίαν ζῶσαν κατέκαυσαν, τὸν δὲ Λάανδρον ἐνράψαντες εἰς βύρσαν κατεπόντισαν. ἠξίουν δὲ τὴν Ἀρεταφίλαν συνάρχειν καὶ συνδιοικεῖν τοῖς ἀρίστοις ἀνδράσι τὴν πολιτείαν. ἡ δ' ὡς ποικίλον τι δρᾶμα καὶ πολυμερὲς ἀγωνισαμένη μέχρι στεφάνου διαδόσεως, ὡς ἐπεῖδε τὴν πόλιν ἐλευθέραν, εὐθὺς εἰς τὴν γυναικωνῖτιν [e] ἐνεδύετο, καὶ τοῦ πολυπραγμονεῖν ὁτιοῦν προβαλλομένη τὸν λοιπὸν χρόνον ἐν ἱστοῖς ἡσυχίαν ἄγουσα μετὰ τῶν φίλων καὶ οἰκείων διετέλεσεν.

ΚΑΜΜΑ

Ἦσαν ἐν Γαλατίᾳ δυνατώτατοι τῶν τετραρχῶν καί τι καὶ κατὰ γένος προσήκοντες ἀλλήλοις Σινάτος τε καὶ Σινόριξ. ὧν ὁ Σινάτος γυναῖκα παρθένον ἔσχε Κάμμαν ὄνομα, περίβλεπτον μὲν ἰδέᾳ σώματος καὶ ὥρᾳ, θαυμαζομένην δὲ μᾶλλον δι' ἀρετήν· οὐ γὰρ μόνον σώφρων καὶ φίλανδρος, ἀλλὰ καὶ συνετὴ καὶ μεγαλόφρων καὶ ποθεινὴ τοῖς ὑπηκόοις ἦν διαφερόντως ὑπ' εὐμενείας καὶ χρηστότητος· ἐπιφανεστέραν δ' αὐτὴν ἐποίει καὶ τὸ τῆς Ἀρτέμιδος [f] ἱέρειαν εἶναι, ἣν μάλιστα Γαλάται σέβουσι, περί τε πομπὰς ἀεὶ καὶ θυσίας κεκοσμημένην ὁρᾶσθαι μεγαλοπρεπῶς. ἐρασθεὶς οὖν αὐτῆς ὁ Σινόριξ, καὶ μήτε πεῖσαι μήτε βιάσασθαι ζῶντος τοῦ ἀνδρὸς δυνατὸς ὤν, ἔργον εἰργάσατο δεινόν· ἀπέκτεινε γὰρ δόλῳ τὸν Σινάτον, καὶ χρόνον οὐ πολὺν διαλιπὼν ἐμνᾶτο τὴν Κάμμαν ἐν τῷ [258] [a] ἱερῷ ποιουμένην τὰς διατριβὰς καὶ φέρουσαν οὐκ οἰκτρῶς καὶ ταπεινῶς ἀλλὰ θυμῷ νοῦν ἔχοντι καὶ καιρὸν περιμένοντι τὴν τοῦ Σινόριγος παρανομίαν. ὁ δὲ λιπαρὴς ἦν περὶ τὰς δεήσεις, καὶ λόγων ἐδόκει μὴ παντάπασιν ἀπορεῖν εὐπρέπειαν ἐχόντων, ὡς τὰ μὲν ἄλλα Σινάτου βελτίονα παρεσχηκὼς ἑαυτὸν ἀνελὼν δ' ἐκεῖνον ἔρωτι τῆς Κάμμας, μὴ δι' ἑτέραν τινὰ πονηρίαν. ἦσαν οὖν τὸ πρῶτον ἀρνήσεις οὐκ ἄγαν ἀπηνεῖς τῆς γυναικός, εἶτα κατὰ μικρὸν ἐδόκει μαλάσσεσθαι· καὶ γὰρ οἰκεῖοι καὶ φίλοι προσέκειντο θεραπείᾳ καὶ χάριτι τοῦ Σινόριγος μέγιστον δυναμένου, πείθοντες αὐτὴν καὶ καταβιαζόμενοι· [b] τέλος δὲ συνεχώρει καὶ μετεπέμπετο πρὸς ἑαυτὴν ἐκεῖνον, ὡς παρὰ τῇ θεῷ τῆς συναινέσεως καὶ καταπιστώσεως γενησομένης. ἐλθόντα δὲ δεξαμένη φιλοφρόνως καὶ προσαγαγοῦσα τῷ βωμῷ κατέσπεισεν ἐκ φιάλης, καὶ τὸ μὲν ἐξέπιεν αὐτὴ τὸ δ' ἐκεῖνον ἐκέλευσεν· ἦν δὲ πεφαρμαγμένον μελίκρατον. ὡς δ' εἶδε πεπωκότα, λαμπρὸν ἀνωλόλυξε καὶ τὴν θεὸν προσκυνήσασα 'μαρτύρομαί σε' εἶπεν, 'ὦ πολυτίμητε δαῖμον, ὅτι ταύτης ἕνεκα τῆς ἡμέρας ἐπέζησα τῷ Σινάτου φόνῳ, χρόνον τοσοῦτον οὐδὲν ἀπολαύουσα τοῦ βίου χρηστὸν ἀλλ' ἢ τὴν ἐλπίδα τῆς δίκης, ἣν ἔχουσα καταβαίνω πρὸς τὸν [c] ἐμὸν ἄνδρα. σοὶ δ', ὦ πάντων ἀνοσιώτατε ἀνθρώπων, τάφον ἀντὶ θαλάμου

καὶ γάμου παρασκευαζέτωσαν οἱ προσήκοντες.’ ταῦτα δ’ ἀκούσας ὁ Γαλάτης καὶ τοῦ φαρμάκου δρῶντος ἤδη καὶ διακινοῦντος τὸ σῶμα συναισθόμενος ἐπέβη μὲν ὀχήματος ὡς σάλῳ καὶ τιναγμῷ χρησόμενος, ἐξέστη δὲ παραχρῆμα καὶ μεταβὰς εἰς φορεῖον ἑσπέρας ἀπέθανεν. ἡ δὲ Κάμμα διενεγκοῦσα τὴν νύκτα καὶ πυθομένη τέλος ἔχειν ἐκεῖνον, εὐθύμως καὶ ἱλαρῶς κατέστρεψεν.

ΣΤΡΑΤΟΝΙΚΗ

[d] Παρέσχε δ’ ἡ Γαλατία καὶ Στρατονίκην τὴν Δηιοτάρου καὶ Χιομάραν τὴν Ὀρτιάγοντος ἀξίας μνήμης γυναῖκας· ἡ μὲν οὖν Στρατονίκη δεόμενον γνησίων παίδων ἐπὶ διαδοχῇ τῆς βασιλείας ἐπισταμένη τὸν ἄνδρα, μὴ τίκτουσα δ’ αὐτὴ συνέπεισεν ἐξ ἑτέρας γυναικὸς παιδοποιησάμενον αὐτῇ τὸ παιδίον περιιδεῖν ὑποβαλλόμενον. τοῦ δὲ Δηιοτάρου τήν τε γνώμην θαυμάσαντος καὶ πᾶν ἐπ’ αὐτῇ ποιησαμένου, παρθένον εὐπρεπῆ παρασκευάσασα τῶν αἰχμαλώτων ὄνομα Ἠλέκτραν συνεῖρξε τῷ Δηιοτάρῳ καὶ τοὺς γενομένους παῖδας ὥσπερ γνησίους αὐτῆς ἔθρεψε φιλοστόργως καὶ μεγαλοπρεπῶς.

ΧΙΟΜΑΡΑ

Χιομάραν δὲ συνέβη τὴν Ὀρτιάγοντος αἰχμάλωτον γενέσθαι μετὰ τῶν ἄλλων γυναικῶν, ὅτε Ῥωμαῖοι καὶ Γναῖος ἐνίκησαν μάχῃ τοὺς ἐν Ἀσίᾳ Γαλάτας. ὁ δὲ λαβὼν αὐτὴν ταξίαρχος ἐχρήσατο τῇ τύχῃ στρατιωτικῶς καὶ κατῄσχυνεν. ἦν δ’ ἄρα καὶ πρὸς ἡδονὴν καὶ ἀργύριον ἐμπαθὴς καὶ ἀκρατὴς ἄνθρωπος, ἡττήθη δ’ ὅμως ὑπὸ τῆς φιλαργυρίας, καὶ χρυσίου συχνοῦ διομολογηθέντος ὑπὲρ τῆς γυναικὸς ἦγεν αὐτὴν ἀπολυτρώσων, ποταμοῦ τινος ἐν μέσῳ διείργοντος. ὡς δὲ διαβάντες οἱ Γαλάται τὸ χρυσίον ἔδωκαν αὐτῷ καὶ παρελάμβανον τὴν Χιομάραν, [f] ἡ μὲν ἀπὸ νεύματος προσέταξεν ἑνὶ παῖσαι τὸν Ῥωμαῖον ἀσπαζόμενον αὐτὴν καὶ φιλοφρονούμενον· ἐκείνου δὲ πεισθέντος καὶ τὴν κεφαλὴν ἀποκόψαντος, ἀραμένη καὶ περιστείλασα τοῖς κόλποις ἀπήλαυνεν. ὡς δ’ ἦλθε πρὸς τὸν ἄνδρα καὶ τὴν κεφαλὴν αὐτῷ προύβαλεν, ἐκείνου θαυμάσαντος καὶ εἰπόντος ‘ὦ γύναι, καλὸν ἡ πίστις’, ‘ναί’ εἶπεν ‘ἀλλὰ κάλλιον ἕνα μόνον ζῆν ἐμοὶ συγγεγενημένον.’ ταύτῃ μὲν ὁ Πολύβιός φησι διὰ λόγων ἐν Σάρδεσι γενόμενος θαυμάσαι τό τε φρόνημα καὶ τὴν σύνεσιν.

‹ΓΥΝΑΙΟΝ ΠΕΡΓΑΜΗΝΟΝ›

Ἐπεὶ δὲ Μιθριδάτης ἑξήκοντα Γαλατῶν τοὺς ἀρίστους μεταπεμψάμενος εἰς Πέργαμον ὡς φίλους ὑβριστικῶς ἐδόκει καὶ δεσποτικῶς προσφέρεσθαι

καὶ πάντες ἠγανάκτουν, ‹Ἐ›πορηδόριξ, ἀνὴρ τό τε σῶμα ῥωμαλέος καὶ τὴν ψυχὴν διαφέρων (ἦν δὲ †Τοσιωπῶν τετράρχης), ἀνεδέξατο τὸν Μιθριδάτην, ὅταν ἐν τῷ βήματι ‹τοῦ› γυμνασίου χρηματίζῃ, συναρπάσας ὤσειν ἅμα σὺν αὐτῷ κατὰ τῆς φάραγγος. τύχῃ δέ τινι τῆς ἡμέρας ἐκείνης οὐκ ἀναβάντος εἰς τὸ γυμνάσιον αὐτοῦ, μεταπεμπομένου δὲ τοὺς Γαλάτας οἴκαδε, θαρρεῖν παρεκάλει, καὶ ὅταν ἐν [b] ταὐτῷ γένωνται, διασπάσαι τὸ σῶμα καὶ διαφθεῖραι πανταχόθεν προσπεσόντας. τοῦτ᾽ οὐκ ἔλαθε τὸν Μιθριδάτην, ἀλλὰ μηνύσεως γενομένης, καθ᾽ ἕνα τῶν Γαλατῶν παρεδίδου σφαγησόμενον· εἶτά πως ἀναμνησθεὶς νεανίσκου πολὺ προέχοντος ὥρᾳ καὶ κάλλει τῶν καθ᾽ αὑτὸν ᾤκτειρε καὶ μετενόει, καὶ δῆλος ἦν ἀχθόμενος ὡς ἐν πρώτοις ἀπολωλότος, ὅμως δ᾽ ἔπεμψεν, εἰ ζῶν εὑρεθείη, μεθεῖναι κελεύων· ἦν δ᾽ ὄνομα τῷ νεανίσκῳ Βηπολιτανός. καί τις αὐτῷ τύχη θαυμαστὴ συνέπεσε· καλὴν γὰρ ἐσθῆτα καὶ πολυτελῆ συνελήφθη φορῶν· ἣν ὁ δήμιος ἀναίμακτον αὐτῷ καὶ καθαρὰν διαφυλάξαι [c] βουλόμενος, καὶ ἀποδύων ἀτρέμα τὸν νεανίσκον, εἶδε τοὺς παρὰ τοῦ βασιλέως προσθέοντας ἅμα καὶ τοὔνομα τοῦ μειρακίου βοῶντας. τὸν μὲν οὖν Βηπολιτανὸν ἡ πολλοὺς ἀπολέσασα φιλαργυρία διέσωσεν ἀπροσδοκήτως. ὁ δ᾽ ‹Ἐ›πορηδόριξ κατακοπεὶς ἄταφος ἐξεβέβλητο, καὶ τῶν φίλων οὐδεὶς ἐτόλμησε προσελθεῖν· γύναιον δὲ Περγαμηνὸν ἐγνωσμένον ἀφ᾽ ὥρας ζῶν [τι] τῷ Γαλάτῃ παρεκινδύνευσε θάψαι καὶ περιστεῖλαι τὸν νεκρόν· ᾔσθοντο δ᾽ οἱ φύλακες καὶ συλλαβόντες ἀνήγαγον πρὸς τὸν βασιλέα. λέγεται μὲν οὖν τι καὶ πρὸς τὴν ὄψιν αὐτῆς παθεῖν ὁ Μιθριδάτης, νέας παντάπασι καὶ ἀκάκου τῆς παιδίσκης [d] φανείσης· ἔτι δὲ μᾶλλον ὡς ἔοικε τὴν αἰτίαν γνοὺς ἐρωτικὴν οὖσαν ἐπεκλάσθη καὶ συνεχώρησεν ἀνελέσθαι καὶ θάψαι τὸν νεκρὸν ἐσθῆτα καὶ κόσμον ἐκ τῶν ἐκείνου λαβοῦσαν.

ΤΙΜΟΚΛΕΙΑ

Θεαγένης ὁ Θηβαῖος, Ἐπαμεινώνδᾳ καὶ Πελοπίδᾳ καὶ τοῖς ἀρίστοις ἀνδράσι τὴν αὐτὴν ὑπὲρ τῆς πόλεως λαβὼν διάνοιαν, ἔπταισε περὶ τὴν κοινὴν τύχην τῆς Ἑλλάδος ἐν Χαιρωνείᾳ, κρατῶν ἤδη καὶ διώκων τοὺς κατ᾽ αὐτὸν ἀντιτεταγμένους. ἐκεῖνος γὰρ ἦν ὁ πρὸς τὸν ἐμβοήσαντα ‘μέχρι ποῦ διώκεις;’ ἀποκρινάμενος ‘μέχρι Μακεδονίας.’ [e] ἀποθανόντι δ᾽ αὐτῷ περιῆν ἀδελφὴ μαρτυροῦσα κἀκεῖνον ἀρετῇ γένους καὶ φύσει μέγαν ἄνδρα καὶ λαμπρὸν γενέσθαι· πλὴν ταύτῃ γε καὶ χρηστὸν ἀπολαῦσαί τι τῆς ἀρετῆς ὑπῆρξεν, ὥστε κουφότερον, ὅσον τῶν κοινῶν ἀτυχημάτων εἰς αὐτὴν ἦλθεν, ἐνεγκεῖν. ἐπεὶ γὰρ ἐκράτησε Θηβαίων Ἀλέξανδρος, ἄλλοι δ᾽ ἄλλα τῆς πόλεως ἐπόρθουν ἐπιόντες, ἔτυχε τῆς Τιμοκλείας τὴν οἰκίαν καταλαβὼν ἄνθρωπος οὐκ ἐπιεικὴς οὐδ᾽ ἥμερος ἀλλ᾽ ὑβριστὴς καὶ ἀνόητος· ἦρχε δὲ Θρᾳκίου τινὸς ἴλης καὶ

ὁμώνυμος ἦν τοῦ βασιλέως οὐδὲν δ’ ὅμοιος. οὔτε γὰρ τὸ γένος οὔτε τὸν βίον αἰδεσθεὶς τῆς γυναικός, ὡς ἐνέπλησεν [f] ἑαυτὸν οἴνου, μετὰ δεῖπνον ἐκάλει συναναπαυσομένην. καὶ τοῦτο πέρας οὐκ ἦν· ἀλλὰ καὶ χρυσὸν ἐζήτει καὶ ἄργυρον, εἴ τις εἴη κεκρυμμένος ὑπ’ αὐτῆς, τὰ μὲν [ὡς] ἀπειλῶν τὰ δ’ ὡς ἕξων διὰ παντὸς ἐν τάξει γυναικός. ἡ δὲ δεξαμένη λαβὴν αὐτοῦ διδόντος ‘ὤφελον μέν’ εἶπε ‘τεθνάναι πρὸ ταύτης ἐγὼ τῆς νυκτὸς ἢ ζῆν, ‹ὥστε› τὸ γοῦν σῶμα πάντων ἀπολλυμένων ἀπείρατον ὕβρεως διαφυλάξαι· [260] [a] πεπραγμένων δ’ οὕτως, εἴ σε κηδεμόνα καὶ δεσπότην καὶ ἄνδρα δεῖ νομίζειν, τοῦ δαίμονος διδόντος, οὐκ ἀποστερήσω σε τῶν σῶν· ἐμαυτὴν γάρ, ὅ τι βούλῃ σύ, ὁρῶ γεγενημένην. ἐμοὶ περὶ σῶμα κόσμος ἦν καὶ ἄργυρος ἐν ἐκπώμασιν, ἦν τι καὶ χρυσοῦ καὶ νομίσματος. ὡς δ’ ἡ πόλις ἡλίσκετο, πάντα συλλαβεῖν κελεύσασα τὰς θεραπαινίδας ἔρριψα, μᾶλλον δὲ κατεθέμην εἰς φρέαρ ὕδωρ οὐκ ἔχον· οὐδ’ ἴσασιν αὐτὸ πολλοί· πῶμα γὰρ ἔπεστι καὶ κύκλῳ περιπέφυκεν ὕλη σύσκιος. ταῦτα σὺ μὲν εὐτυχοίης λαβών, ἐμοὶ δ’ ἔσται πρός σε μαρτύρια [b] καὶ γνωρίσματα τῆς περὶ τὸν οἶκον εὐτυχίας καὶ λαμπρότητος.’ ἀκούσας οὖν ὁ Μακεδὼν οὐ περιέμεινε τὴν ἡμέραν, ἀλλ’ εὐθὺς ἐβάδιζεν ἐπὶ τὸν τόπον, ἡγουμένης τῆς Τιμοκλείας· καὶ τὸν κῆπον ἀποκλεῖσαι κελεύσας, ὅπως αἴσθοιτο μηδείς, κατέβαινεν ἐν τῷ χιτῶνι. στυγερὰ δ’ ἡγεῖτο Κλωθὼ τιμωρὸς ὑπὲρ τῆς Τιμοκλείας ἐφεστώσης ἄνωθεν. ὡς δ’ ᾔσθετο τῇ φωνῇ κάτω γεγονότος, πολλοὺς μὲν αὐτὴ τῶν λίθων ἐπέφερε πολλοὺς δὲ καὶ μεγάλους αἱ θεραπαινίδες ἐπεκυλίνδουν, ἄχρι οὗ κατέκοψαν αὐτὸν καὶ κατέχωσαν. ὡς δ’ ἔγνωσαν οἱ Μακεδόνες καὶ τὸν νεκρὸν ἀνείλοντο κηρύγματος ἤδη γεγονότος [c] μηδένα κτείνειν Θηβαίων, ἦγον αὐτὴν συλλαβόντες ἐπὶ τὸν βασιλέα καὶ προσήγγειλαν τὸ τετολμημένον. ὁ δὲ καὶ τῇ καταστάσει τοῦ προσώπου καὶ τῷ σχολαίῳ τοῦ βαδίσματος ἀξιωματικόν τι καὶ γενναῖον ἐνιδὼν πρῶτον ἀνέκρινεν αὐτὴν τίς εἴη γυναικῶν. ἡ δ’ ἀνεκπλήκτως πάνυ καὶ τεθαρρηκότως εἶπεν ‘ἐμοὶ Θεαγένης ἦν ἀδελφός, ὃς ἐν Χαιρωνείᾳ στρατηγῶν καὶ μαχόμενος πρὸς ὑμᾶς ὑπὲρ τῆς τῶν Ἑλλήνων ἐλευθερίας ἔπεσεν, ὅπως ἡμεῖς μηδὲν τοιοῦτον πάθωμεν· ἐπεὶ δὲ πεπόνθαμεν ἀνάξια τοῦ γένους, ἀποθανεῖν οὐ φεύγομεν· οὐδὲ γὰρ ἄμεινον ἴσως ζῶσαν ἑτέρας πειρᾶσθαι νυκτός, εἰ σὺ [d] τοῦτο μὴ κωλύσεις.’ οἱ μὲν οὖν ἐπιεικέστατοι τῶν παρόντων ἐδάκρυσαν, Ἀλεξάνδρῳ δ’ οἰκτείρειν μὲν οὐκ ἐπῄει τὴν ἄνθρωπον ὡς μείζονα συγγνώμης πράξασαν, θαυμάσας δὲ τὴν ἀρετὴν καὶ τὸν λόγον εὖ μάλα καθαψάμενον αὐτοῦ, τοῖς μὲν ἡγεμόσι παρήγγειλε προσέχειν καὶ φυλάττειν, μὴ πάλιν ὕβρισμα τοιοῦτον εἰς οἰκίαν ἔνδοξον γένηται, τὴν δὲ Τιμόκλειαν ἀφῆκεν αὐτήν τε καὶ πάντας, ὅσοι κατὰ γένος αὐτῇ προσήκοντες εὑρέθησαν.

ΕΡΥΞΩ

Βάττου τοῦ ἐπικληθέντος Εὐδαίμονος υἱὸς Ἀρκεσίλαος ἦν οὐδὲν ὅμοιος τῷ πατρὶ τοὺς τρόπους· καὶ γὰρ ζῶντος [e] ἔτι περὶ τὴν οἰκίαν περιθεὶς ἐπάλξεις ὑπὸ τοῦ πατρὸς ἐζημιώθη ταλάντῳ· καὶ τελευτήσαντος ἐκείνου, τοῦτο μὲν φύσει χαλεπὸς ὤν (ὅπερ καὶ ἐπεκλήθη), τοῦτο δὲ φίλῳ πονηρῷ, Λαάρχῳ, χρώμενος ἀντὶ βασιλέως ἐγεγόνει τύραννος. ὁ δὲ Λάαρχος ἐπιβουλεύων τῇ τυραννίδι καὶ τοὺς ἀρίστους τῶν Κυρηναίων ἐξελαύνων ἢ φονεύων ἐπὶ τὸν Ἀρκεσίλαον τὰς αἰτίας ἔτρεπε· καὶ τέλος ἐκεῖνον μὲν εἰς νόσον ἐμβαλὼν φθινάδα καὶ χαλεπὴν λαγὼν πιόντα θαλάσσιον διέφθειρεν, αὐτὸς δὲ τὴν ἀρχὴν εἶχεν ὡς τῷ παιδὶ τῷ ἐκείνου Βάττῳ διαφυλάττων. ὁ μὲν οὖν παῖς καὶ διὰ τὴν χωλότητα καὶ διὰ τὴν ἡλικίαν [f] κατεφρονεῖτο, τῇ δὲ μητρὶ πολλοὶ προσεῖχον αὐτοῦ· σώφρων τε γὰρ ἦν καὶ φιλάνθρωπος οἰκείους τε πολλοὺς καὶ δυνατοὺς εἶχε. διὸ καὶ θεραπεύων αὐτὴν ὁ Λάαρχος ἐμνηστεύετο καὶ τὸν Βάττον ἠξίου παῖδα θέσθαι γήμας ἐκείνην καὶ κοινωνὸν ἀποδεῖξαι τῆς ἀρχῆς· ἡ δ' Ἐρυξὼ (τοῦτο γὰρ ἦν ὄνομα τῇ γυναικὶ) βουλευσαμένη μετὰ τῶν ἀδελφῶν ἐκέλευε τὸν Λάαρχον ἐντυγχάνειν ἐκείνοις, ὡς [261] [a] αὐτῆς προσιεμένης τὸν γάμον. ἐπεὶ δ' ὁ Λάαρχος ἐνετύγχανε τοῖς ἀδελφοῖς, ἐκεῖνοι δ' ἐπίτηδες παρῆγον καὶ ἀνεβάλλοντο, πέμπει πρὸς αὐτὸν ἡ Ἐρυξὼ θεραπαινίδα παρ' αὐτῆς παραγγέλλουσαν, ὅτι νῦν μὲν ἀντιλέγουσιν οἱ ἀδελφοί, γενομένης δὲ τῆς συνόδου παύσονται διαφερόμενοι καὶ συγχωρήσουσι· δεῖν οὖν αὐτόν, εἰ βούλεται, νύκτωρ ἀφικέσθαι πρὸς αὐτήν· καλῶς γὰρ ἕξειν καὶ τὰ λοιπὰ τῆς ἀρχῆς γενομένης. ἦν οὖν ταῦτα πρὸς ἡδονὴν τῷ Λαάρχῳ, καὶ παντάπασιν ἀναπτοηθεὶς πρὸς τὴν φιλοφροσύνην τῆς γυναικὸς ὡμολόγησεν ἥξειν, ὅταν ἐκείνη κελεύσῃ· ταῦτα δ' ἔπραττεν ἡ Ἐρυξὼ μετὰ Πολυάρχου [b] τοῦ πρεσβυτάτου τῶν ἀδελφῶν. ὁρισθέντος δὲ καιροῦ πρὸς τὴν σύνοδον, ὁ Πολύαρχος εἰς τὸ δωμάτιον τῆς ἀδελφῆς παρεισήχθη κρύφα, νεανίσκους ἔχων δύο σὺν αὐτῷ ξιφήρεις, φόνῳ πατρὸς ἐπεξιόντας, ὃν ὁ Λάαρχος ἐτύγχανεν ἀπεκτονὼς νεωστί. μεταπεμψαμένης δὲ τῆς Ἐρυξοῦς αὐτὸν ἄνευ δορυφόρων εἰσῆλθε, καὶ τῶν νεανίσκων αὐτῷ προσπεσόντων τυπτόμενος τοῖς ξίφεσιν ἀπέθανε. τὸν μὲν οὖν νεκρὸν ἔρριψαν ὑπὲρ τὸ τεῖχος, τὸν δὲ Βάττον προαγαγόντες ἀνέδειξαν ἐπὶ τοῖς πατρίοις βασιλέα, καὶ τὴν ἀπ' ἀρχῆς πολιτείαν ὁ Πολύαρχος ἀπέδωκε τοῖς Κυρηναίοις. ἐτύγχανον δ' Ἀμάσιδος τοῦ [c] Αἰγυπτίων βασιλέως στρατιῶται συχνοὶ παρόντες, οἷς ὁ Λάαρχος ἐχρῆτο πιστοῖς, καὶ φοβερὸς ἦν οὐχ ἥκιστα δι' ἐκείνων τοῖς πολίταις. οὗτοι πρὸς Ἄμασιν ἔπεμψαν τοὺς κατηγορήσοντας τοῦ τε Πολυάρχου καὶ τῆς Ἐρυξοῦς. χαλεπαίνοντος δ' ἐκείνου καὶ διανοουμένου πολεμεῖν τοῖς Κυρηναίοις

συνέβη τὴν μητέρα τελευτῆσαι, καὶ ταφὰς αὐτῆς ἐπιτελοῦντος ‹τοὺς› ἀπαγγέλλοντας ἐλθεῖν παρὰ τοῦ Ἀμάσιδος. ἔδοξεν οὖν τῷ Πολυάρχῳ βαδίζειν ἀπολογησομένῳ· τῆς δ' Ἐρυξοῦς μὴ ἀπολειπομένης, ἀλλ' ἕπεσθαι καὶ συγκινδυνεύειν βουλομένης οὐδ' ἡ μήτηρ Κριτόλα, καίπερ οὖσα πρεσβῦτις, ἀπελείπετο. μέγιστον [d] δ' αὐτῆς ἦν ἀξίωμα, Βάττου γεγενημένης ἀδελφῆς τοῦ Εὐδαίμονος. ὡς οὖν ἦλθον εἰς Αἴγυπτον, οἵ τ' ἄλλοι θαυμαστῶς ἀπεδέξαντο τὴν πρᾶξιν αὐτῶν, καὶ ὁ Ἄμασις οὐ μετρίως ἀπεδέξατο τήν τε σωφροσύνην καὶ τὴν ἀνδρείαν τῆς Ἐρυξοῦς· δώροις δὲ τιμήσας καὶ θεραπείᾳ βασιλικῇ τόν τε Πολύαρχον καὶ τὰς γυναῖκας εἰς Κυρήνην ἀπέστειλεν.

ΞΕΝΟΚΡΙΤΗ

Οὐχ ἧττον δ' ἄν τις ἀγάσαιτο τὴν Κυμαίαν Ξενοκρίτην ἐπὶ τοῖς πραχθεῖσι περὶ Ἀριστόδημον τὸν τύραννον, ᾧ τινες Μαλακὸν ἐπίκλησιν οἴονται γεγονέναι, τὸ [e] ἀληθὲς ἀγνοοῦντες. ἐπεκλήθη γὰρ ὑπὸ τῶν βαρβάρων Μαλακός, ὅπερ ἐστὶν ἀντίπαις, ὅτι μειράκιον ὢν παντάπασι μετὰ τῶν ἡλίκων ἔτι κομώντων (οὓς κορωνιστὰς ὡς ἔοικεν ἀπὸ τῆς κόμης ὠνόμαζον) ἐν τοῖς πρὸς τοὺς βαρβάρους πολέμοις ἐπιφανὴς ἦν καὶ λαμπρὸς οὐ τόλμῃ μόνον οὐδὲ χειρὸς ἔργοις, ἀλλὰ καὶ συνέσει καὶ προνοίᾳ φανεὶς περιττός. ὅθεν εἰς τὰς μεγίστας προῆλθεν ἀρχὰς θαυμαζόμενος ὑπὸ τῶν πολιτῶν, καὶ Ῥωμαίοις ἐπικουρίαν ἄγων ἐπέμφθη πολεμουμένοις ὑπὸ τῶν Τυρρηνῶν, Ταρκύνιον Σούπερβον ἐπὶ τὴν βασιλείαν καταγόντων. ἐν ταύτῃ δὲ τῇ στρατείᾳ μακρᾷ γενομένῃ πάντα [f] πρὸς χάριν ἐνδιδοὺς τοῖς στρατευομένοις τῶν πολιτῶν καὶ δημαγωγῶν μᾶλλον ἢ στρατηγῶν ἔπεισεν αὐτοὺς συνεπιθέσθαι τῇ βουλῇ καὶ συνεκβαλεῖν τοὺς ἀρίστους καὶ δυνατωτάτους. ἐκ δὲ τούτου γενόμενος τύραννος ἦν μὲν ἐν ταῖς περὶ γυναῖκας καὶ παῖδας ἐλευθέρους ἀδικίαις αὐτὸς ἑαυτοῦ μοχθηρότατος. ἱστόρηται γάρ, ὅτι τοὺς μὲν ἄρρενας παῖδας ἤσκει κομᾶν καὶ χρυσοφορεῖν, τὰς δὲ θηλείας ἠνάγκαζε περιτρόχαλα κείρεσθαι καὶ φορεῖν ἐφηβικὰς χλαμύδας κατὰ τῶν ἀνακώλων χιτωνίσκων. [262] [a] οὐ μὴν ἀλλ' ἐξαιρέτως ἐρασθεὶς τῆς Ξενοκρίτης εἶχεν αὐτὴν φυγάδος οὖσαν πατρός, οὐ καταγαγὼν οὐδὲ πείσας ἐκεῖνον, ἀλλ' ὁπωσοῦν ἡγούμενος ἀγαπᾶν συνοῦσαν αὐτῷ τὴν κόρην, ἅτε δὴ ζηλουμένην καὶ μακαριζομένην ὑπὸ τῶν πολιτῶν. τὴν δὲ ταῦτα μὲν οὐκ ἐξέπληττεν· ἀχθομένη δ' ἐπὶ τῷ συνοικεῖν ἀνέκδοτος καὶ ἀνέγγυος οὐδεν‹ὸς› ἧττον ἐπόθει τῶν μισουμένων ὑπὸ τοῦ τυράννου τὴν τῆς πατρίδος ἐλευθερίαν. ἔτυχε δὲ κατ' ἐκεῖνο καιροῦ τάφρον ἄγων κύκλῳ περὶ τὴν χώραν ὁ Ἀριστόδημος, οὔτ' ἀναγκαῖον ἔργον οὔτε χρήσιμον, ἄλλως δὲ τρίβειν καὶ ἀποκναίειν πόνοις καὶ ἀσχολίαις [b] τοὺς πολίτας βουλόμενος· ἦν γὰρ προστεταγμένον ἑκάστῳ μέτρων τινῶν ἀριθμὸν

ἐκφέρειν τῆς γῆς. ὡς εἶδεν ἐπιόντα τὸν Ἀριστόδημον, ἐξέκλινε καὶ παρεκαλύψατο τῷ χιτωνίσκῳ τὸ πρόσωπον. ἀπελθόντος οὖν τοῦ Ἀριστοδήμου, σκώπτοντες οἱ νεανίσκοι καὶ παίζοντες ἠρώτων, ὅ τι δὴ μόνον ὑπ' αἰδοῦς φύγοι τὸν Ἀριστόδημον, πρὸς δὲ τοὺς ἄλλους οὐδὲν πάθοι τοιοῦτον· ἡ δὲ καὶ μάλα μετὰ σπουδῆς ἀπεκρίνατο 'μόνος γάρ' ἔφη 'Κυμαίων Ἀριστόδημος ἀνήρ ἐστι.' τοῦτο γὰρ λεχθὲν τὸ ῥῆμα πάντων μὲν ἥψατο, τοὺς δὲ γενναίους καὶ παρώξυνεν αἰσχύνῃ τῆς ἐλευθερίας ἀντέχεσθαι. λέγεται [c] δὲ καὶ Ξενοκρίτην ἀκούσασαν εἰπεῖν, ὡς ἐβούλετ' ἂν καὶ αὐτὴ γῆν ὑπὲρ τοῦ πατρὸς φέρειν παρόντος ἢ τρυφῆς συμμετέχειν Ἀριστοδήμῳ καὶ δυνάμεως τοσαύτης. ἐπέρρωσεν οὖν ταῦτα τοὺς συνισταμένους ἐπὶ τὸν Ἀριστόδημον, ὧν ἡγεῖτο Θυμοτέλης· καὶ τῆς Ξενοκρίτης εἰσόδου παρεχούσης αὐτοῖς ἄδειαν καὶ τὸν Ἀριστόδημον ἄοπλον καὶ ἀφύλακτον, οὐ χαλεπῶς παρεισπεσόντες διαφθείρουσιν αὐτόν. οὕτω μὲν ἡ Κυμαίων πόλις ἠλευθερώθη δυεῖν ἀρετῇ γυναικῶν, τῆς μὲν ἐπίνοιαν αὐτοῖς καὶ ὁρμὴν ἐμβαλούσης τοῦ ἔργου, τῆς δὲ πρὸς τὸ τέλος συλλαβομένης. τιμῶν δὲ καὶ δωρεῶν μεγάλων τῇ Ξενοκρίτῃ προτεινομένων ἐάσασα πάσας ἓν ᾐτήσατο, θάψαι [d] τὸ σῶμα τοῦ Ἀριστοδήμου· καὶ τοῦτ' οὖν ἔδοσαν αὐτῇ καὶ Δήμητρος ἱέρειαν αὐτὴν εἵλοντο, οὐχ ἧττον οἰόμενοι τῇ θεῷ κεχαρισμένην ἢ πρέπουσαν ἐκείνῃ τιμὴν ἔσεσθαι.

ΠΥΘΕΩ ΓΥΝΗ

Λέγεται δὲ καὶ τὴν Πύθεω τοῦ κατὰ Ξέρξην γυναῖκα σοφὴν γενέσθαι καὶ χρηστήν. αὐτὸς μὲν γὰρ ὁ Πύθης ὡς ἔοικε χρυσείοις ἐντυχὼν μετάλλοις καὶ ἀγαπήσας τὸν ἐξ αὐτῶν πλοῦτον οὐ μετρίως ἀλλ' ἀπλήστως καὶ περιττῶς, αὐτός τε περὶ ταῦτα διέτριβε καὶ τοὺς πολίτας καταβιβάζων ἅπαντας ὁμαλῶς ὀρύττειν ἢ φορεῖν ἢ καθαίρειν ἠνάγκαζε τὸ χρυσίον, ἄλλο μηδὲν [e] ἐργαζομένους τὸ παράπαν μηδὲ πράττοντας. ἀπολλυμένων δὲ πολλῶν πάντων δ' ἀπαγορευόντων αἱ γυναῖκες ἱκετηρίαν ἔθεσαν ἐπὶ τὰς θύρας ἐλθοῦσαι τῆς τοῦ Πύθεω γυναικός. ἡ δ' ἐκείνας μὲν ἀπιέναι καὶ θαρρεῖν ἐκέλευσεν, αὐτὴ δὲ τῶν περὶ τὸ χρυσίον τεχνιτῶν οἷς ἐπίστευε μάλιστα καλέσασα καὶ καθείρξασα, ποιεῖν ἐκέλευεν ἄρτους τε χρυσοῦς καὶ πέμματα παντοδαπὰ καὶ ὀπώρας, καὶ ὅσοις δὴ μάλιστα τὸν Πύθην ἐγίνωσκεν ἡδόμενον ὄψοις καὶ βρώμασι. ποιηθέντων δὲ πάντων ὁ μὲν Πύθης ἧκεν ἀπὸ τῆς ξένης· ἐτύγχανε γὰρ ἀποδημῶν· ἡ δὲ γυνὴ δεῖπνον αἰτοῦντι παρέθηκε χρυσῆν τράπεζαν [f] οὐδὲν ἐδώδιμον ἔχουσαν ἀλλὰ πάντα χρυσᾶ. τὸ μὲν οὖν πρῶτον ἔχαιρε Πύθης τοῖς μιμήμασιν, ἐμπλησθεὶς δὲ τῆς ὄψεως ᾔτει φαγεῖν· ἡ δὲ χρυσοῦν ὅ τι τύχοι ποθήσας προσέφερε. δυσχεραίνοντος δ' αὐτοῦ καὶ πεινῆν βοῶντος, 'ἀλλὰ σύ γε τούτων' εἶπεν 'ἄλλου δ' οὐδενὸς [263] [a]

εὐπορίαν πεποίηκας ἡμῖν· καὶ γὰρ ἐμπειρία καὶ τέχνη πᾶσα φροῦδος, γεωργεῖ δ' οὐδείς, ἀλλὰ τὰ σπειρόμενα καὶ φυτευόμενα καὶ τρέφοντα τῆς γῆς ὀπίσω καταλιπόντες ὀρύσσομεν ἄχρηστα καὶ ζητοῦμεν, ἀποκναίοντες αὑτοὺς καὶ τοὺς πολίτας.' ἐκίνησε ταῦτα τὸν Πύθην, καὶ πᾶσαν μὲν οὐ κατέλυσε τὴν περὶ τὰ μέταλλα πραγματείαν, ἀνὰ μέρος δὲ τὸ πέμπτον ἐργάζεσθαι κελεύσας τῶν πολιτῶν τοὺς λοιποὺς ἐπὶ γεωργίαν καὶ τὰς τέχνας ἔτρεψε.

Ξέρξου δὲ καταβαίνοντος ἐπὶ τὴν Ἑλλάδα λαμπρότατος ἐν ταῖς ὑποδοχαῖς καὶ ταῖς δωρεαῖς γενόμενος χάριν ᾐτήσατο παρὰ τοῦ βασιλέως, πλειόνων αὐτῷ [b] παίδων ὄντων, ἕνα παρεῖναι τῆς στρατείας καὶ καταλιπεῖν αὐτῷ γηροβοσκόν. ὁ δὲ Ξέρξης ὑπ' ὀργῆς τοῦτον μὲν, ὃν ἐξῃτήσατο, σφάξας καὶ διατεμὼν ἐκέλευσε τὸν στρατὸν διελθεῖν, τοὺς δ' ἄλλους ἀπηγάγετο, καὶ πάντες ἀπώλοντο κατὰ τὰς μάχας. ἐφ' οἷς ὁ Πύθης ἀθυμήσας ἔπαθεν ὅμοια πολλοῖς τῶν κακῶν καὶ ἀνοήτων· τὸν μὲν γὰρ θάνατον ἐφοβεῖτο, τῷ βίῳ δ' ἤχθετο. βουλόμενος δὲ μὴ ζῆν, προέσθαι δὲ τὸ ζῆν μὴ δυνάμενος, χώματος ὄντος ἐν τῇ πόλει μεγάλου καὶ ποταμοῦ διαρρέοντος, ὃν Πυθοπολίτην ὠνόμαζον, ἐν μὲν τῷ χώματι κατεσκεύασε μνημεῖον, ἐκτρέψας δὲ τὸ ῥεῖθρον, [c] ὥστε διὰ τοῦ χώματος φέρεσθαι ψαύοντα τοῦ τάφου τὸν ποταμόν, ἐπὶ τούτοις συντελεσθεῖσιν αὐτὸς μὲν εἰς τὸ μνημεῖον κατῆλθε, τῇ δὲ γυναικὶ τὴν ἀρχὴν καὶ τὴν πόλιν ἀναθεὶς ἅπασαν ἐκέλευσε μὴ προσιέναι, πέμπειν δὲ τὸ δεῖπνον αὐτῷ καθ' ἑκάστην ἡμέραν εἰς βᾶριν ἐντιθεῖσαν, ἄχρις οὗ τὸν τάφον ἡ βᾶρις παρέλθῃ τὸ δεῖπνον ἀκέραιον ἔχουσα, τότε δὲ παύσασθαι πέμπουσαν, ὡς αὐτοῦ τεθνηκότος. ἐκεῖνος μὲν οὕτω τὸν λοιπὸν βίον διῆγεν, ἡ δὲ γυνὴ τῆς ἀρχῆς καλῶς ἐπεμελήθη καὶ μεταβολὴν κακῶν τοῖς ἀνθρώποις παρέσχεν.

ΑΙΤΙΑ ΡΩΜΑΙΚΑ

‘Διὰ τί τὴν γαμουμένην ἅπτεσθαι πυρὸς καὶ [e] ὕδατος κελεύουσι;’ πότερον τούτων ὡς ἐν στοιχείοις καὶ ἀρχαῖς τὸ μὲν ἄρρεν ἐστὶ τὸ δὲ θῆλυ, καὶ τὸ μὲν ἀρχὰς κινήσεως ἐνίησι τὸ δ’ ὑποκειμένου καὶ ὕλης δύναμιν· ἢ διότι τὸ πῦρ καθαίρει καὶ τὸ ὕδωρ ἁγνίζει, δεῖ δὲ καθαρὰν καὶ ἁγνὴν διαμένειν τὴν γαμηθεῖσαν; ἢ ὅτι, καθάπερ τὸ πῦρ χωρὶς ὑγρότητος ἄτροφόν ἐστι καὶ ξηρὸν τὸ δὲ ὕδωρ ἄνευ θερμότητος ἄγονον καὶ ἀργόν, οὕτω καὶ τὸ ἄρρεν ἀδρανὲς καὶ τὸ θῆλυ χωρὶς ἀλλήλων, ἡ δὲ σύνοδος ἀμφοῖν ἐπιτελεῖ τοῖς γήμασι τὴν συμβίωσιν, ἣν οὐκ ἀπολειπτέον καὶ κοινωνητέον ἁπάσης τύχης, [f] κἂν ἄλλου μηδενὸς ἢ πυρὸς καὶ ὕδατος μέλλωσι κοινωνεῖν ἀλλήλοις;

τὸν οὖν Ἀριστῖνον συμφρονήσαντα παρασχεῖν ἑαυτὸν ὥσπερ ἐξ ἀρχῆς τικτόμενον ταῖς γυναιξὶν ἀπολοῦσαι καὶ σπαργανῶσαι καὶ θηλὴν ἐπισχεῖν, οὕτω τε δρᾶν καὶ τοὺς ἄλλους ἅπαντας, ὑστεροπότμους προσαγορευομένους. ἔνιοι δὲ καὶ πρὸ τοῦ Ἀριστίνου ταῦτα γενέσθαι περὶ τοὺς ὑστεροπότμους καὶ τὸ ἔθος εἶναι παλαιόν. οὐδὲν οὖν θαυμαστόν, εἰ καὶ Ῥωμαῖοι τοῖς δοκοῦσιν ἅπαξ τεθάφθαι καὶ γεγονέναι τῆς τῶν φθιτῶν μερίδος οὐκ ᾤοντο δεῖν παριέναι τὴν αὔλειον, ᾗ θύσοντες ἐξίασι καὶ θύσαντες [b] εἰσίασιν, ἀλλ’

ἄνωθεν ἐκέλευον εἰς τὰ ὕπαιθρα καταβαίνειν ἐκ τοῦ περιέχοντος· καὶ γὰρ τοὺς καθαρμοὺς ἐπιεικῶς πάντας ἐν ὑπαίθρῳ τελοῦσι.

'Διὰ τί τοὺς συγγενεῖς τῷ στόματι φιλοῦσιν αἱ γυναῖκες;' πότερον, ὡς οἱ πλεῖστοι νομίζουσιν, ἀπειρημένον ἦν πίνειν οἶνον ταῖς γυναιξίν· ὅπως οὖν αἱ πιοῦσαι μὴ λανθάνωσιν ἀλλ' ἐλέγχωνται περιτυγχάνουσαι τοῖς οἰκείοις, ἐνομίσθη καταφιλεῖν; ἢ δι' ἣν Ἀριστοτέλης (fr. 609) ὁ φιλόσοφος αἰτίαν ἱστόρηκε; τὸ γὰρ πολυθρύλλητον [c] ἐκεῖνο καὶ πολλαχοῦ γενέσθαι λεγόμενον ὡς ἔοικεν ἐτολμήθη καὶ ταῖς Τρῳάσι περὶ τὴν Ἰταλίαν. τῶν γὰρ ἀνδρῶν, ὡς προσέπλευσαν, ἀποβάντων ἐνέπρησαν τὰ πλοῖα, πάντως ἀπαλλαγῆναι τῆς πλάνης δεόμεναι καὶ τῆς θαλάττης· φοβηθεῖσαι δὲ τοὺς ἄνδρας ἠσπάζοντο τῶν συγγενῶν καὶ οἰκείων μετὰ τοῦ καταφιλεῖν καὶ περιπλέκεσθαι τοὺς προστυγχάνοντας. παυσαμένων δὲ τῆς ὀργῆς καὶ διαλλαγέντων ἐχρῶντο καὶ τὸ λοιπὸν [d] ταύτῃ τῇ φιλοφροσύνῃ πρὸς αὐτούς. ἢ μᾶλλον ἐδόθη τοῦτο ταῖς γυναιξὶν ὡς τιμὴν ἅμα καὶ δύναμιν αὐταῖς φέρον, εἰ φαίνοιντο πολλοὺς καὶ ἀγαθοὺς ἔχουσαι συγγενεῖς καὶ οἰκείους; ἤ, μὴ νενομισμένου συγγενίδας γαμεῖν, ἄχρι φιλήματος ἡ φιλοφροσύνη προῆλθεν καὶ τοῦτο μόνον ἀπελείφθη σύμβολον καὶ κοινώνημα τῆς συγγενείας; πρότερον γὰρ οὐκ ἐγάμουν τὰς ἀφ' αἵματος, ὥσπερ οὐδὲ νῦν τιτθίδας οὐδ' ἀδελφὰς γαμοῦσιν, ἀλλ' ὀψὲ συνεχώρησαν ἀνεψιαῖς συνοικεῖν ἐκ τοιαύτης αἰτίας· ἀνὴρ χρημάτων ἐνδεὴς τὰ δ' ἄλλα χρηστὸς καὶ παρ' ὁντινοῦν τῷ δήμῳ τῶν πολιτευομένων ἀρέσκων ἐπίκληρον [e] ἀνεψιὰν ἔχειν ἔδοξε καὶ πλουτεῖν ἀπ' αὐτῆς· ἐπὶ τούτῳ δὲ γενομένης αὐτοῦ κατηγορίας ὁ δῆμος ἀφεὶς τὴν αἰτίαν ἐλέγχειν ἔλυσε τὸ ἔγκλημα, ψηφισάμενος πᾶσιν ἐξεῖναι γαμεῖν ἄχρις ἀνεψιῶν, τὰ δ' ἀνωτέρω κεκωλῦσθαι.

'Διὰ τί δὲ δῶρον λαβεῖν ἀνδρὶ παρὰ γυναικὸς καὶ γυναικὶ παρ' ἀνδρὸς ἀπείρηται;' πότερον, ὡς Σόλων γράψας τὰς δόσεις κυρίας εἶναι τῶν τελευτώντων, πλὴν εἰ μή τις ἀνάγκῃ συνεχόμενος ἢ γυναικὶ πειθόμενος τὴν [f] μὲν ἀνάγκην ὡς βιαζομένην ὑπεξείλετο, τὴν δ' ἡδονὴν ὡς παραλογιζομένην, οὕτως ὑπενοήθησαν αἱ γυναικῶν καὶ ἀνδρῶν δόσεις; ἢ φαυλότατον ἡγούμενοι σημεῖον εὐνοίας τὸ διδόναι (διδόασι γὰρ καὶ ἀλλότριοι καὶ μὴ φιλοῦντες) ἐκ τοῦ γάμου τὴν τοιαύτην ἀρέσκειαν ἀνεῖλον, ὅπως ἄμισθον ᾖ καὶ προῖκα καὶ δι' αὑτὸ μὴ δι' ἄλλο τὸ φιλεῖσθαι καὶ φιλεῖν; ἤ, ὅτι τῷ λαμβάνειν διαφθειρόμεναι μάλιστα προσίενται τοὺς ἀλλοτρίους, σεμνὸν ἐφάνη τὸ μὴ διδόντας ἀγαπᾶν τοὺς ἰδίους; ἢ μᾶλλον ὅτι δεῖ κοινὰ καὶ γυναιξὶν εἶναι τὰ ἀνδρῶν καὶ ἀνδράσι [266] [a] τὰ γυναικῶν; μανθάνει γὰρ ὁ λαβὼν τὸ δοθὲν ἀλλότριον ἡγεῖσθαι τὸ μὴ δοθέν, ὥστ' ὀλίγον διδόντες ἀλλήλοις τὸ πᾶν ἀφαιροῦνται.

‘Διὰ τί δὲ παρὰ γαμβροῦ καὶ παρὰ πενθεροῦ λαβεῖν ἐκείνοις κεκώλυται δῶρον;’ ἦ παρὰ γαμβροῦ μέν, ἵνα μὴ δόξῃ διὰ τοῦ πατρὸς εἰς τὴν γυναῖκα περιχωρεῖν τὸ δῶρον· παρὰ πενθεροῦ δέ, ὅτι τὸν μὴ διδόντα δίκαιον ἐφάνη μηδὲ λαμβάνειν;

[b] ‘Διὰ τί, κἂν ἐξ ἀγροῦ κἂν ἀπὸ ξένης ἐπανίωσιν, ἔχοντες οἴκοι γυναῖκας προπέμπουσι δηλοῦντες αὐταῖς ὅτι παραγίνονται;’ πότερον ὅτι τοῦτο πιστεύοντός ἐστι τὴν γυναῖκα μηδὲν ῥᾳδιουργεῖν, τὸ δ’ ἐξαίφνης καὶ ἀπροσδοκήτως οἷον ἐνέδρα καὶ παρατήρησις; ἢ σπεύδουσιν ὡς ποθούσαις καὶ προσδεχομέναις εὐαγγελίζεσθαι περὶ αὑτῶν; ἢ μᾶλλον αὐτοὶ περὶ ἐκείνων πυθέσθαι ποθοῦσιν, εἰ σῳζομένας καὶ ποθούσας ἐπὶ τῆς οἰκίας καταλαμβάνουσιν; ἢ πλείονες ταῖς γυναιξὶν οἰκονομίαι καὶ ἀσχολίαι τῶν ἀνδρῶν ἀπόντων τυγχάνουσι καὶ διαφοραὶ καὶ ὁρμαὶ πρὸς τοὺς ἔνδον· ἵν’ οὖν ἀπαλλαγεῖσα τούτων ἀθόρυβον τῷ ἀνδρὶ παρέχῃ τὴν ὑποδοχὴν καὶ ἡδεῖαν, ἡ προδήλωσις γίνεται;

[c] ‘Διὰ τί τοὺς θεοὺς προσκυνοῦντες ἐπικαλύπτονται τὴν κεφαλήν, τῶν δ’ ἀνθρώπων τοῖς ἀξίοις τιμῆς ἀπαντῶντες, κἂν τύχωσιν ἐπὶ τῆς κεφαλῆς ἔχοντες τὸ ἱμάτιον, ἀποκαλύπτονται;’ τοῦτο γὰρ ἔοικε κἀκείνην ἐπιτείνειν τὴν ἀπορίαν. εἰ μὲν οὖν ὁ περὶ Αἰνείου λεγόμενος λόγος ἀληθής ἐστι καὶ τοῦ Διομήδους παρεξιόντος ἐπικαλυψάμενος τὴν θυσίαν ἐπετέλεσε, λόγον ἔχει καὶ ἀκολουθεῖ τῷ συγκαλύπτεσθαι πρὸς τοὺς πολεμίους τὸ τοῖς φίλοις καὶ ἀγαθοῖς ἐντυγχάνοντας ἀποκαλύπτεσθαι· τὸ γὰρ πρὸς τοὺς θεοὺς οὐκ ἴδιόν ἐστιν ἀλλὰ κατὰ συμβεβηκός, καὶ ἀπ’ ἐκείνου μεμένηκε τηρούμενον. εἰ δ’ ἄλλο τι λέγειν χρή, σκόπει μὴ μόνον ἐκεῖνο δεῖ ζητεῖν, δι’ ὃ τοὺς θεοὺς προσκυνοῦντες ἐπικαλύπτονται, θάτερον δ’ ἀκόλουθόν ἐστι· τῶν γὰρ ἀνθρώπων ἀποκαλύπτονται [d] τοῖς δυνατωτέροις οὐ τιμὴν αὐτοῖς προστιθέντες, ἀλλὰ τὸν φθόνον αὐτῶν μᾶλλον ἀφαιροῦντες, ἵνα μὴ δόξωσι τὰς αὐτὰς τοῖς θεοῖς τιμὰς ἀπαιτεῖν μηδ’ ὑπομένειν μηδὲ χαίρειν θεραπευόμενοι παραπλησίως ἐκείνοις. τοὺς δὲ θεοὺς οὕτω προσεκύνουν ἢ ταπεινοῦντες ἑαυτοὺς τῇ ἐπικρύψει τῆς κεφαλῆς, ἢ μᾶλλον εὐλαβούμενοί τινα φωνὴν προσπεσεῖν αὐτοῖς ἔξωθεν εὐχομένοις ἀπαίσιον καὶ δύσφημον ἄχρι τῶν ὤτων ἀνελάμβανον τὸ ἱμάτιον· ὅτι γὰρ ἰσχυρῶς ἐφυλάττοντο ταῦτα, δῆλόν ἐστι τῷ προσιόντας ἐπὶ μαντείαν χαλκωμάτων πατάγῳ περιψοφεῖσθαι.

[e] ἢ ὡς Κάστωρ (Fr. Gr. Hist. 250 F 15) λέγει τὰ Ῥωμαϊκὰ τοῖς Πυθαγορικοῖς συνοικειῶν, τὸν ἐν ἡμῖν δαίμονα δεῖσθαι τῶν ἐκτὸς θεῶν καὶ ἱκετεύειν τῇ τῆς κεφαλῆς ἐπικαλύψει τὴν τῆς ψυχῆς αἰνιττόμενον ὑπὸ τοῦ σώματος ἐγκάλυψιν καὶ ἀπόκρισιν.

‘Διὰ τί δὲ τῷ Κρόνῳ θύουσιν ἀπαρακαλύπτῳ τῇ κεφαλῇ;’ πότερον ὅτι τὴν ἐγκάλυψιν Αἰνείας παρέδωκεν, ἡ δὲ τοῦ Κρόνου θυσία παμπάλαιός ἐστιν· ἢ ὅτι τοῖς οὐρανίοις ἐπικαλύπτονται, τὸν δὲ Κρόνον ἡγοῦνται θεὸν ὑπουδαῖον καὶ χθόνιον; ἢ ὅτι τῆς ἀληθείας οὐδὲν ἐπίκρυφον ἢ ἐπίσκιον, ἀληθείας δὲ νομίζουσι Ῥωμαῖοι πατέρα τὸν Κρόνον εἶναι;

‘Διὰ τί δὲ τὸν Κρόνον πατέρα τῆς ἀληθείας νομίζουσι;’ πότερον, ὥσπερ ἔνιοι τῶν φιλοσόφων, χρόνον [f] οἴονται τὸν Κρόνον εἶναι, τὸ δ’ ἀληθὲς εὑρίσκει χρόνος; ἢ τὸν μυθολογούμενον ἐπὶ Κρόνου βίον, εἰ δικαιότατος ἦν, εἰκός ἐστι μάλιστα μετέχειν ἀληθείας;

‘Διὰ τί καὶ τῷ λεγομένῳ Ὁνώρει θύουσιν ἀκαλύπτῳ τῇ κεφαλῇ (τὸν δὲ Ὁνῶρεμ δόξαν ἄν τις ἢ τιμὴν μεθερμηνεύσειε);’ πότερον [δὲ] ὅτι λαμπρὸν ἡ δόξα καὶ περιφανὲς καὶ ἀναπεπταμένον· δι’ ἣν αἰτίαν τοῖς ἀγαθοῖς [267] [a] καὶ τιμωμένοις ἀνδράσιν ἀποκαλύπτονται, διὰ ταύτην καὶ τὸν ἐπώνυμον τῆς τιμῆς θεὸν οὕτω προσκυνοῦσι;

‘Διὰ τί τοὺς γονεῖς ἐκκομίζουσιν οἱ μὲν υἱοὶ συγκεκαλυμμέναις, αἱ δὲ θυγατέρες γυμναῖς ταῖς κεφαλαῖς καὶ ταῖς κόμαις λελυμέναις;’ πότερον, ὅτι τιμᾶσθαι μὲν ὑπὸ τῶν ἀρρένων δεῖ τοὺς πατέρας ὡς θεοὺς πενθεῖσθαι δ’ ὑπὸ τῶν θυγατέρων ὡς τεθνηκότας, ἑκατέρῳ τὸ οἰκεῖον ὁ νόμος ἀποδοὺς ἐξ ἀμφοτέρων ἐποίησε τὸ ἁρμόττον; ἢ πένθους μὲν οἰκεῖον τὸ μὴ σύνηθες, συνηθέστερον δὲ ταῖς μὲν γυναιξὶν ἐγκεκαλυμμέναις, τοῖς δ’ [b] ἀνδράσιν ἀκαλύπτοις εἰς τὸ δημόσιον προϊέναι; καὶ γὰρ παρ’ Ἕλλησιν ὅταν δυστυχία τις γένηται, κείρονται μὲν αἱ γυναῖκες κομῶσι δ’ οἱ ἄνδρες, ὅτι τοῖς μὲν τὸ κείρεσθαι ταῖς δὲ τὸ κομᾶν σύνηθές ἐστιν. ἢ τοὺς μὲν υἱοὺς ἐπικαλύπτεσθαι δι’ ἣν εἰρήκαμεν αἰτίαν ἐνομίσθη (καὶ γὰρ ἐπὶ τῶν τάφων ὥς φησι Βάρρων περιστρέφονται, καθάπερ θεῶν ἱερὰ τιμῶντες τὰ τῶν πατέρων μνήματα, καὶ καύσαντες τοὺς γονεῖς, ὅταν ὀστέῳ πρῶτον ἐντύχωσι, θεὸν γεγονέναι τὸν τεθνηκότα λέγουσι)· ταῖς δὲ γυναιξὶν οὐδ’ ὅλως ἐξῆν ἐπικαλύπτεσθαι τὴν κεφαλήν; ἱστορεῖται [c] γοῦν ὅτι πρῶτος μὲν ἐξέβαλε γυναῖκα Σπόριος Καρβίλιος ἐπ’ ἀτεκνίᾳ, δεύτερος δὲ Σουλπίκιος Γάλλος ἐφελκυσαμένην ἰδὼν κατὰ κεφαλῆς τὸ ἱμάτιον, τρίτος δὲ Πόπλιος Σεμπρώνιος ἀγῶνα θεωρήσασαν ἐπιτάφιον.

‘Διὰ τί τὸν Τέρμινον, ᾧ τὰ Τερμινάλια ποιοῦσι, θεὸν νομίζοντες οὐδὲν ἔθυον αὐτῷ ζῷον;’ ἢ Ῥωμύλος μὲν ὅρους οὐκ ἔθηκε τῆς χώρας, ὅπως ἐξῇ προϊέναι καὶ ἀποτέμνεσθαι καὶ νομίζειν πᾶσαν ἰδίαν, ὥσπερ ὁ Λάκων εἶπεν, ἧς ἂν τὸ δόρυ ἐφικνῆται· Νομᾶς δὲ Πομπίλιος, ἀνὴρ δίκαιος καὶ πολιτικὸς ὢν καὶ φιλόσοφος γενόμενος, τήν τε χώραν ὡρίσατο πρὸς τοὺς γειτνιῶντας καὶ

τοῖς ὅροις ἐπιφημίσας τὸν Τέρμινον ὡς ἐπίσκοπον καὶ φύλακα φιλίας καὶ εἰρήνης ᾤετο δεῖν αἵματος καὶ φόνου καθαρὸν καὶ ἀμίαντον διαφυλάττειν;

[d] ‘Διὰ τί δούλαις τὸ τῆς Λευκοθέας ἱερὸν ἄβατόν ἐστι, μίαν δὲ μόνην αἱ γυναῖκες εἰσάγουσαι παίουσιν ἐπὶ κόρρης καὶ ῥαπίζουσιν;’ ἢ τὸ μὲν ταύτην ῥαπίζεσθαι σύμβολόν ἐστι τοῦ μὴ ἐξεῖναι, κωλύουσι δὲ τὰς ἄλλας διὰ τὸν μῦθον; ἡ γὰρ Ἰνὼ ζηλοτυπήσασα δούλην ἐπὶ τῷ ἀνδρὶ λέγεται περὶ τὸν υἱὸν ἐκμανῆναι· τὴν δὲ δούλην Ἕλληνες Αἰτωλίδα γένει φασὶν εἶναι, καλεῖσθαι δ’ Ἀντιφέραν. διὸ καὶ παρ’ ἡμῖν ἐν Χαιρωνείᾳ πρὸ τοῦ σηκοῦ τῆς Λευκοθέας ὁ νεωκόρος λαβὼν μάστιγα κηρύσσει ‘μὴ δοῦλον εἰσιέναι μὴ δούλαν, μὴ Αἰτωλὸν μὴ Αἰτωλάν.’

[e] ‘Διὰ τί παρὰ τῇ θεῷ ταύτῃ τοῖς μὲν ἰδίοις τέκνοις οὐκ εὔχονται τἀγαθὰ τοῖς δὲ τῶν ἀδελφῶν;’ πότερον ὅτι φιλάδελφος μέν τις ἡ Ἰνὼ καὶ τὸν ἐκ τῆς ἀδελφῆς ἐτιθηνήσατο, αὐτὴ δὲ περὶ τοὺς ἑαυτῆς παῖδας ἐδυστύχησεν; ἢ καὶ ἄλλως ἠθικὸν καὶ καλὸν τὸ ἔθος καὶ πολλὴν παρασκευάζον εὔνοιαν ταῖς οἰκειότησι;

‘Διὰ τί τῷ Ἡρακλεῖ πολλοὶ τῶν πλουσίων ἐδεκάτευον τὰς οὐσίας;’ πότερον ὅτι κἀκεῖνος ἐν Ῥώμῃ [f] τῶν Γηρυόνου βοῶν ἀπέθυσε τὴν δεκάτην; ἢ ὅτι Ῥωμαίους ὑπὸ Τυρρηνῶν δεκατευομένους ἀπήλλαξεν; ἢ ταῦτα μὲν οὐκ ἔχει τὴν ἱστορίαν ἀξιόπιστον, ὡς δ’ ἀδηφάγῳ τινὶ τῷ Ἡρακλεῖ καὶ εὐθοίνῳ δαψιλῶς καὶ ἀφθόνως ἀπέθυον; ἢ μᾶλλον ὡς ἐπαχθῆ τοῖς πολίταις τὸν ὑπερβάλλοντα πλοῦτον κολούοντες καὶ καθάπερ εὐεξίας ἐπ’ ἄκρον εὐσωματούσης ἀφαιροῦντες ᾤοντο μάλιστα τιμᾶσθαι τὸν Ἡρακλέα καὶ χαίρειν ταῖς τοιαύταις ἀποχρήσεσι καὶ συστολαῖς τῶν περιττῶν, εὐτελῆ καὶ αὐτάρκη καὶ ἀπέριττον τῷ βίῳ γενόμενον;

‘Διὰ τί τὸν Ἰανουάριον μῆνα νέου ἔτους ἀρχὴν [268] [a] λαμβάνουσι;’ τὸ γὰρ παλαιὸν ὁ Μάρτιος ἠριθμεῖτο πρότερος, ὡς ἄλλοις τε πολλοῖς δῆλόν ἐστι τεκμηρίοις καὶ μάλιστα τῷ τὸν πέμπτον ἀπὸ τοῦ Μαρτίου Πέμπτον καὶ τὸν ἕκτον Ἕκτον ὀνομάζεσθαι, καὶ τοὺς ἄλλους ἐφεξῆς ἄχρι τοῦ τελευταίου, ὃν Δεκέμβριον καλοῦσιν ἀπὸ τοῦ Μαρτίου δέκατον ἀριθμούμενον. ἐξ οὗ δὴ καὶ παρέστη τισὶν οἴεσθαι καὶ λέγειν, ὡς οὐ δώδεκα μησὶν ἀλλὰ δέκα συνεπλήρουν οἱ τότε Ῥωμαῖοι τὸν ἐνιαυτὸν ἐνίοις τῶν μηνῶν ἡμέρας πλείονας τῶν τριάκοντα προστιθέντες.

[b] ἄλλοι δ’ ἱστοροῦσι τὸν μὲν Δεκέμβριον ἀπὸ τοῦ Μαρτίου δέκατον εἶναι, τὸν δ’ Ἰανουάριον ἑνδέκατον, τὸν δὲ Φεβρουάριον δωδέκατον, ἐν ᾧ καθαρμοῖς τε χρῶνται καὶ τοῖς φθιμένοις ἐναγίζουσι τοῦ ἐνιαυτοῦ τελευτῶντος. μετατεθῆναι δὲ τούτους καὶ γενέσθαι τὸν Ἰανουάριον πρῶτον, ὅτι τῇ νουμηνίᾳ τούτου τοῦ μηνός, ἣν ἡμέραν καλάνδας Ἰανουαρίας

καλοῦσιν, οἱ πρῶτοι κατεστάθησαν ὕπατοι τῶν βασιλέων ἐκπεσόντων. πιθανώτεροι δ' εἰσὶν οἱ λέγοντες, ὅτι τὸν μὲν Μάρτιον ὁ Ῥωμύλος πολεμικὸς καὶ ἀρειμάνιος ὢν καὶ δοκῶν ἐξ Ἄρεος γεγονέναι προέταξε τῶν μηνῶν ἐπώνυμον ὄντα τοῦ Ἄρεος, Νομᾶς δ' αὖθις εἰρηνικὸς γενόμενος καὶ [c] πρὸς ἔργα τῆς γῆς φιλοτιμούμενος τρέψαι τὴν πόλιν ἀποστῆσαι δὲ τῶν πολεμικῶν, τῷ Ἰανουαρίῳ τὴν ἡγεμονίαν ἔδωκε καὶ τὸν Ἰανὸν εἰς τιμὰς προήγαγε μεγάλας, ὡς πολιτικὸν καὶ γεωργικὸν μᾶλλον ἢ πολεμικὸν γενόμενον. ὅρα δὲ μὴ μᾶλλον ὁ Νομᾶς τῇ φύσει προσήκουσαν ἀρχὴν ἔλαβε τοῦ ἔτους ὡς πρὸς ἡμᾶς. καθόλου μὲν γὰρ οὐδέν ἐστι φύσει τῶν ἐν κύκλῳ περιφερομένων οὔτ' ἔσχατον οὔτε πρῶτον, νόμῳ δ' ἄλλην ἄλλοι τοῦ [d] χρόνου λαμβάνουσιν ἀρχήν· ἄριστα δ' οἱ τὴν μετὰ τροπὰς χειμερίας λαμβάνοντες, ὁπηνίκα τοῦ πρόσω βαδίζειν πεπαυμένος ὁ ἥλιος ἐπιστρέφει καὶ ἀνακάμπτει πάλιν πρὸς ἡμᾶς· γίνεται γὰρ αὐτοῖς τρόπον τινὰ καὶ φύσει, τὸν μὲν τοῦ φωτὸς αὔξουσα χρόνον ἡμῖν, μειοῦσα δὲ τὸν τοῦ σκότους, ἐγγυτέρω δὲ ποιοῦσα τὸν κύριον καὶ ἡγεμόνα τῆς ῥευστῆς οὐσίας ἁπάσης.

'Διὰ τί τῇ γυναικείᾳ θεῷ, ἣν Ἀγαθὴν καλοῦσιν, κοσμοῦσαι σηκὸν αἱ γυναῖκες οἴκοι μυρσίνας οὐκ εἰσφέρουσι, καίτοι πᾶσι φιλοτιμούμεναι χρῆσθαι τοῖς βλαστάνουσι καὶ ἀνθοῦσι;' πότερον ὡς οἱ μυθολογοῦντες ἱστοροῦσι, Φαύνου μὲν ἦν γυνὴ τοῦ μάντεως, οἴνῳ δὲ χρησαμένη [e] κρύφα καὶ μὴ λαθοῦσα ῥάβδοις ὑπὸ τοῦ ἀνδρὸς ἐκολάσθη μυρσίνης (ὅθεν μυρσίνην μὲν οὐκ εἰσφέρουσιν, οἶνον δ' αὐτῇ σπένδουσι, γάλα προσαγορεύουσαι); ἢ πολλῶν μὲν ἁγναὶ μάλιστα δ' ἀφροδισίων τὴν ἱερουργίαν ἐκείνην ἐπιτελοῦσιν; οὐ γὰρ μόνον ἐξοικίζουσι τοὺς ἄνδρας, ἀλλὰ καὶ πᾶν ἄρρεν ἐξελαύνουσι τῆς οἰκίας, ὅταν τὰ νενομισμένα τῇ θεῷ ποιῶσι. τὴν οὖν μυρσίνην ὡς ἱερὰν Ἀφροδίτης ἀφοσιοῦνται· καὶ γὰρ ἣν νῦν Μουρκίαν Ἀφροδίτην καλοῦσι, Μυρτίαν τὸ παλαιὸν ὡς ἔοικεν ὠνόμαζον.

'Διὰ τί τὸν δρυοκολάπτην οἱ Λατῖνοι σέβονται, [f] καὶ ἀπέχονται πάντες ἰσχυρῶς τοῦ ὄρνιθος;' πότερον ὅτι τὸν Πῖκον λέγουσιν ὑπὸ φαρμάκων τῆς γυναικὸς μεταβαλεῖν τὴν φύσιν καὶ γενόμενον δρυοκολάπτην ἀποφθέγγεσθαι λόγια καὶ χρησμῳδεῖν τοῖς ἐρωτῶσιν; ἢ τοῦτο μὲν ἄπιστόν ἐστιν ὅλως καὶ τερατῶδες, ἅτερος δὲ τῶν μύθων πιθανώτερος, ὡς ἄρα τοῖς περὶ Ῥωμύλον καὶ Ῥῶμον ἐκτεθεῖσιν οὐ μόνον ἡ λύκαινα θηλὴν ἐπεῖχεν, ἀλλὰ δρυοκολάπτης τις ἐπιφοιτῶν ἐψώμιζεν; ἐπιεικῶς γὰρ ἔτι καὶ νῦν ‹ἐν› τοῖς ὑπωρείοις καὶ δρυμώδεσι τόποις ὅπου φαίνεται δρυοκολάπτης, ἐκεῖ καὶ λύκος, ὡς Νιγίδιος (fr. 119. p. 132 Swoboda) ἱστορεῖ. ἢ μᾶλλον, ὡς ἄλλον ἄλλου θεοῦ, καὶ τοῦτον Ἄρεος ἱερὸν νομίζουσι [269] [a] τὸν ὄρνιν; καὶ γὰρ

εὐθαρσὴς καὶ γαῦρός ἐστι καὶ τὸ ῥύγχος οὕτως ἔχει κραταιόν, ὥστε δρῦς ἀνατρέπειν, ὅταν κόπτων πρὸς τὴν ἐντεριώνην ἐξίκηται.

'Διὰ τί τὸν Ἰανὸν διπρόσωπον οἴονται γεγονέναι καὶ γράφουσιν οὕτω καὶ πλάττουσιν;' πότερον ὅτι τῷ μὲν γένει Ἕλλην ἐκ Περραιβίας ἦν, ὡς ἱστοροῦσι, διαβὰς δ' εἰς Ἰταλίαν καὶ συνοικήσας τοῖς αὐτόθι βαρβάροις μετέβαλε καὶ γλῶτταν καὶ δίαιταν; ἢ μᾶλλον ὅτι τοὺς περὶ τὴν Ἰταλίαν αὐτὸς ἀγρίοις καὶ ἀνόμοις χρωμένους ἔθεσιν εἰς ἕτερον βίου σχῆμα, πείσας γεωργεῖν καὶ πολιτεύεσθαι, μετέβαλε καὶ μετεκόσμησε;

'Διὰ τί τὰ πρὸς τὰς ταφὰς πιπράσκουσιν ἐν τῷ [b] τεμένει τῷ Λιβιτίνης, νομίζοντες Ἀφροδίτην εἶναι τὴν Λιβιτίνην;' πότερον καὶ τοῦτο τῶν Νομᾶ τοῦ βασιλέως φιλοσοφημάτων ἕν ἐστιν, ὅπως μανθάνωσι μὴ δυσχεραίνειν τὰ τοιαῦτα μηδὲ φεύγειν ὡς μιασμόν; ἢ μᾶλλον ὑπόμνησίς ἐστι τοῦ φθαρτὸν εἶναι τὸ γεννητόν, ὡς μιᾶς θεοῦ τὰς γενέσεις καὶ τὰς τελευτὰς ἐπισκοπούσης; καὶ γὰρ ἐν Δελφοῖς Ἀφροδίτης ἐπιτυμβίας ἀγαλμάτιόν ἐστι πρὸς ὃ τοὺς κατοιχομένους ἐπὶ τὰς χοὰς ἀνακαλοῦνται.

'Διὰ τί τρεῖς τοῦ μηνὸς ἀρχὰς καὶ προθεσμίας ἔχουσιν, οὐ ταὐτὸ διάστημα τῶν ἡμερῶν μεταξὺ λαμβάνοντες;' πότερον ὡς οἱ περὶ τὸν Ἰόβαν (FHG III p. 470) [c] ἱστοροῦσιν ὅτι ταῖς καλάνδαις ἐκάλουν τὸν δῆμον οἱ ἄρχοντες καὶ κατήγγελλον εἰς πέμπτην τὰς νόννας, εἰδοὺς δ' ἡμέραν ἱερὰν ἐνόμιζον· ἢ μᾶλλον ὅτι ταῖς τῆς σελήνης διαφοραῖς ὁρίζοντες τὸν χρόνον, ἑώρων ἐν τρισὶ γινομένην διαφοραῖς τὴν σελήνην κατὰ μῆνα ταῖς μεγίσταις, πρώτῃ μὲν ὅτε κρύπτεται σύνοδον ποιησαμένη πρὸς ἥλιον, δευτέρᾳ δ' ὅταν ἐκφυγοῦσα τὰς αὐγὰς τοῦ ἡλίου καταφανὴς πρῶτον ἀπὸ δυσμῶν γένηται, τρίτῃ δὲ τῇ περὶ τὴν πλήρωσιν αὐτῆς πανσελήνου γενομένης; ὀνομάζουσι [d] δὲ τὸν μὲν ἀφανισμὸν αὐτῆς καὶ τὴν κρύψιν 'καλάνδας', ὅτι πᾶν τὸ κρύφα καὶ λάθρα 'κλάμ' καὶ 'κηλάρι' τὸ λανθάνειν· τὴν δὲ πρώτην φάσιν 'νόννας' τῷ δικαιοτάτῳ τῶν ὀνομάτων, νουμηνίαν οὖσαν· καὶ γὰρ αὐτοὶ τὸ νέον καὶ καινὸν ὥσπερ ἡμεῖς προσαγορεύουσι· τὰς δ' 'εἰδούς' ἢ διὰ τὸ κάλλος καὶ τὸ εἶδος ὁλοκλήρου καθισταμένης τῆς σελήνης ἢ τῷ Διὶ τὴν ἐπωνυμίαν ἀποδιδόντες. οὐ δεῖ δὲ τῶν ἡμερῶν τὸν ἀκριβέστατον ἀριθμὸν διώκειν οὐδὲ τὸ παρ' ὀλίγον συκοφαντεῖν, ὅπου καὶ νῦν ἐπίδοσιν τοσαύτην ἀστρολογίας ἐχούσης περιγίνεται τῆς ἐμπειρίας τῶν μαθηματικῶν ἡ τῆς κινήσεως ἀνωμαλία διαφεύγουσα τὸν λόγον.

[e] 'Διὰ τί τὴν μετὰ καλάνδας ἡμέραν καὶ νόννας καὶ εἰδοὺς ἀνέξοδον καὶ ἀνεκδήμητον τίθενται;' πότερον, ὡς οἱ πλεῖστοι νομίζουσι καὶ Λίβιος (VI 1, 2) ἱστορεῖ, μετὰ τὰς Κυιντιλίας εἰδούς, ἃς νῦν Ἰουλίας καλοῦσιν, ἐξάγοντες οἱ χιλίαρχοι τὸ στράτευμα περὶ τὸν Ἀλλίαν ποταμὸν ἐκρατήθησαν ὑπὸ

Κελτῶν μάχῃ καὶ τὴν πόλιν ἀπώλεσαν, νομισθείσης δὲ τῆς μετὰ τὰς εἰδοὺς ἀποφράδος προήγαγεν ὥσπερ φιλεῖ πορρωτέρω τὸ ἔθος ἡ δεισιδαιμονία καὶ κατέστησεν εἰς τὴν αὐτὴν εὐλάβειαν τήν τε μετὰ νόννας καὶ τὴν μετὰ καλάνδας; ἢ τοῦτο [f] μὲν ἔχει πολλὰς ἀλογίας; ἄλλῃ τε γὰρ ἡμέρᾳ τὴν μάχην ἡττήθησαν, ἣν Ἀλλιάδα διὰ τὸν ποταμὸν καλοῦντες ἀφοσιοῦνται, καὶ πολλῶν ἀποφράδων οὐσῶν οὐκ ἐν παντὶ μηνὶ τὰς ὁμωνύμους παραφυλάττουσιν, ἀλλ' ἑκάστην ἐν ᾧ συνέτυχε, τό τε ταῖς μετὰ νόννας καὶ καλάνδας ἁπλῶς ἁπάσαις προστρίψασθαι τὴν δεισιδαιμονίαν ἀπιθανώτατον. ὅρα δὴ μή, καθάπερ τῶν μηνῶν τὸν μὲν πρῶτον ὀλυμπίοις θεοῖς ἱέρωσαν, τὸν δὲ δεύτερον χθονίοις ἐν ᾧ καὶ καθαρμούς τινας τελοῦσι καὶ τοῖς κατοιχομένοις [270] [a] ἐναγίζουσιν, οὕτω τῶν ἡμερῶν τὰς μὲν οἷον ἀρχὰς καὶ κυρίας ὥσπερ εἴρηται τρεῖς οὔσας ἑορτασίμους καὶ ἱερὰς ἔθεντο, τὰς δ' ἐφεξῆς δαίμοσι καὶ φθιτοῖς ἐπιφημίσαντες ἀποφράδας καὶ ἀπράκτους ἐνόμισαν. καὶ γὰρ Ἕλληνες ἐν τῇ νουμηνίᾳ τοὺς θεοὺς σεβόμενοι τὴν δευτέραν ἥρωσι καὶ δαίμοσιν ἀποδεδώκασι καὶ τῶν κρατήρων ὁ δεύτερος ἥρωσιν ἐπικίρναται καὶ ἡρωίσι. καὶ ὅλως ἀριθμός τις ὁ χρόνος, ἀριθμοῦ δὲ θεῖον ἡ ἀρχή· μονὰς γάρ ἐστιν· ἡ δὲ μετ' αὐτὴν δυὰς ἀντίπαλος τῇ ἀρχῇ καὶ ἀρτίων πρώτη.

[b] τὸ δ' ἄρτιον ἐνδεὲς καὶ ἀτελὲς καὶ ἀόριστον, ὥσπερ αὖ τὸ περιττὸν ὥρισται καὶ περαίνει καὶ τέλειόν ἐστι. διὸ καὶ νόνναι μὲν ἐπιβάλλουσι διὰ πέμπτης καλάνδαις, νόνναις δ' εἰδοὶ δι' ἐνάτης. ὁρίζουσι γὰρ οἱ περισσοὶ τὰς ἀρχάς· οἱ δὲ μετὰ τὰς ἀρχὰς ἄρτιοι ὄντες οὐκ ἔχουσι τάξιν οὐδὲ δύναμιν, ὅθεν οὐκ ἄρχονται πράξεως οὐδ' ἀποδημίας ἐν ταύταις. ἢ καὶ τὸ τοῦ Θεμιστοκλέους ἔχει λόγον, ἐρίσαι ποτὲ τὴν ὑστεραίαν πρὸς τὴν ἑορτήν, ἐκείνης μὲν ἀσχολίαν καὶ κόπον ἐχούσης πολύν, αὐτὴ δὲ παρέχουσα μετὰ σχολῆς καὶ ἡσυχίας ἀπολαῦσαι τῶν παρεσκευασμένων πρὸς τὴν ἑορτήν· ἀποκρίνασθαι δὲ [c] πρὸς ταῦτα τὴν ἑορτήν 'ἀληθῆ λέγεις, ἀλλ' ἐμοῦ μὴ γενομένης οὐδ' ἂν σὺ ἦς;' ταῦτα δ' ὁ Θεμιστοκλῆς πρὸς τοὺς αὖθις ἔλεγε στρατηγοὺς τῶν Ἀθηναίων ὡς οὐκ ἂν οὐδαμοῦ φανέντας, εἰ μὴ τὴν πόλιν αὐτὸς ἔσωσεν. ἐπεὶ τοίνυν πᾶσα μὲν ἀξία σπουδῆς ἀποδημία καὶ πρᾶξις οἰκονομίας δεῖται καὶ παρασκευῆς, Ῥωμαῖοι δὲ τὸ παλαιὸν ἐν ταῖς ἑορταῖς οὐδὲν ᾠκονόμουν οὐδ' ἐφρόντιζον ἀλλ' ἢ περὶ τοὺς θεοὺς ἠσχολοῦντο καὶ τοῦτ' ἔπραττον, ὥσπερ ἔτι νῦν προκηρύττουσιν οἱ ἱερεῖς ἐπὶ τὰς θυσίας βαδίζοντες, εἰκότως εὐθὺς οὐκ ἐξεδήμουν μετὰ τὰς ἑορτὰς οὐδ' ἔπραττον (ἀπαράσκευοι γὰρ ἦσαν), ἀλλ' ἐκφροντίζοντες [d] οἴκοι καὶ παρασκευαζόμενοι τὴν ἡμέραν ἐκείνην διετέλουν. ἢ καθάπερ ἔτι νῦν προσευξάμενοι καὶ προσκυνήσαντες ἐν τοῖς ἱεροῖς ἐπιμένειν καὶ καθίζειν εἰώθασιν, οὕτως οὐκ εὐθὺς ἐπέβαλλον ταῖς ἱεραῖς ἡμέραις τὰς ἐνεργούς, ἀλλ'

ἐποίουν τι διάλειμμα καὶ διάστημα, πολλὰ τῶν πραγμάτων δυσχερῆ καὶ ἀβούλητα φερόντων;

'Διὰ τί λευκὰ φοροῦσιν ἐν τοῖς πένθεσιν αἱ γυναῖκες ἱμάτια καὶ λευκοὺς κεκρυφάλους;' πότερον ὡς τοὺς μάγους φασὶν πρὸς τὸν Ἅιδην καὶ τὸ σκότος ἀντιταττομένους τῷ δὲ φωτεινῷ καὶ λαμπρῷ συνεξομοιοῦντας ἑαυτοὺς τοῦτο ποιεῖν; ἤ, καθάπερ τὸ σῶμα τοῦ τεθνηκότος [e] ἀμφιεννύουσι λευκοῖς, καὶ τοὺς προσήκοντας ἀξιοῦσι; τὸ δὲ σῶμα κοσμοῦσιν οὕτως, ἐπεὶ μὴ δύνανται τὴν ψυχήν· βούλονται δ' ἐκείνην λαμπρὰν καὶ καθαρὰν προπέμπειν, ὡς ἀφειμένην ἤδη καὶ διηγωνισμένην μέγαν ἀγῶνα καὶ ποικίλον. ἢ τὸ μὲν λιτὸν ἐν τούτοις μάλιστα καὶ τὸ ἁπλοῦν πρέπει; τῶν δὲ βαπτῶν τὰ μὲν καὶ πολυτέλειαν ἐμφαίνει τὰ δὲ περιεργίαν· οὐ γὰρ ἧττον ἔστι πρὸς τὸ μέλαν ἢ τὸ ἁλουργὸν εἰπεῖν 'δολερὰ μὲν τὰ εἵματα, [f] δολερὰ δὲ τὰ χρώματα.' τὸ δ' αὐτόχρουν μέλαν οὐχ ὑπὸ τέχνης ἀλλὰ φύσει βαπτόν ἐστι, καὶ μεμιγμένον τῷ σκιώδει κεκράτηται. μόνον οὖν τὸ λευκὸν εἰλικρινὲς καὶ ἀμιγὲς καὶ ἀμίαντόν ἐστι βαφῇ καὶ ἀμίμητον· οἰκειότατον οὖν τοῖς θαπτομένοις. καὶ γὰρ ὁ τεθνηκὼς ἁπλοῦν τι γέγονε καὶ ἀμιγὲς καὶ καθαρὸν ἀτεχνῶς οὐδὲν ἀλλ' ἢ φαρμάκου δευσοποιοῦ τοῦ σώματος ἀπηλλαγμένος. ἐν δ' Ἄργει λευκὰ φοροῦσιν ἐν τοῖς πένθεσιν, ὡς Σωκράτης (FHG IV p. 498) φησίν, ὑδατόκλυστα.

'Διὰ τί πᾶν τεῖχος ἀβέβηλον καὶ ἱερὸν νομίζουσι, [271] [a] τὰς δὲ πύλας οὐ νομίζουσιν;' ἦ καθάπερ ἔγραψε Βάρρων, τὸ μὲν τεῖχος ἱερὸν δεῖ νομίζειν, ὅπως ὑπὲρ αὐτοῦ μάχωνται προθύμως καὶ ἀποθνήσκωσιν; οὕτω γὰρ δοκεῖ καὶ Ῥωμύλος ἀποκτεῖναι τὸν ἀδελφὸν ὡς ἄβατον καὶ ἱερὸν τόπον ἐπιχειροῦντα διαπηδᾶν καὶ ποιεῖν ὑπερβατὸν καὶ βέβηλον. τὰς δὲ πύλας οὐχ οἷόν τ' ἦν ἀφιερῶσαι, δι' ὧν ἄλλα τε πολλὰ τῶν ἀναγκαίων καὶ τοὺς νεκροὺς ἐκκομίζουσιν. ὅθεν οἱ πόλιν ἀπ' ἀρχῆς κτίζοντες ὅσον ἂν μέλλωσι τόπον ἀνοικοδομεῖν, ἐπίασιν ἀρότρῳ, βοῦν ἄρρενα καὶ θήλειαν ὑποζεύξαντες· ὅταν δὲ τὰ τείχη περιορίζωσι, τὰς τῶν πυλῶν χώρας διαμετροῦντες τὴν [b] ὕννιν ὑφαιροῦσι, καὶ μεταφέρουσιν οὕτω τὸ ἄροτρον, ὡς τὴν ἀρουμένην πᾶσαν ἱερὰν καὶ ἄσυλον ἐσομένην.

'Διὰ τί τοὺς παῖδας, ὅταν ὀμνύωσι τὸν Ἡρακλέα,

κωλύουσιν ὑπὸ στέγῃ τοῦτο ποιεῖν καὶ κελεύουσιν εἰς ὕπαιθρον προϊέναι;' πότερον ὡς ἔνιοι λέγουσιν οὐκ οἰκουρίᾳ τὸν Ἡρακλέα χαίρειν ἀλλ' ὑπαίθρῳ βίῳ καὶ θυραυλίαις νομίζοντες; ἢ μᾶλλον, ὅτι τῶν θεῶν οὐκ ἐπιχώριος οὗτος ἀλλὰ πόρρωθεν καὶ ξένος; οὐδὲ γὰρ τὸν Διόνυσον ὀμνύουσιν ὑπὸ στέγῃ, ξένον ὄντα καὶ αὐτόν, εἴπερ †ἐστὶ Διόνυσος. ἢ ταῦτα μὲν λέγεται καὶ παίζεται [c] πρὸς τοὺς παῖδας, ἄλλως δ' ἐπίσχεσίς ἐστι τῆς πρὸς τὸν ὅρκον εὐχερείας

καὶ ταχύτητος τὸ γινόμενον, ὡς Φαβωρῖνος ἔλεγε; τὸ γὰρ ὥσπερ ἐκ παρασκευῆς μέλλησιν ἐμποιεῖ καὶ βουλεύσασθαι δίδωσι. συμβάλοιτο δ' ἄν τις τῷ Φαβωρίνῳ πρὸς τὸ μὴ κοινὸν ἀλλ' ἴδιον εἶναι τοῦ θεοῦ τούτου τὸ γινόμενον ἐκ τῶν περὶ Ἡρακλέους λεγομένων. ἱστορεῖται γὰρ οὕτως εὐλαβὴς γεγονέναι πρὸς ὅρκον, ὥσθ' ἅπαξ ὀμόσαι καὶ μόνῳ Φυλεῖ τῷ Αὐγέου· διὸ καὶ τὴν Πυθίαν προφέρειν τὰ ὅρκια ταῦτα Λακεδαιμονίοις ὡς 'ἐμπεδοῦσι λῷον εἴη καὶ ἄμεινον.'

[d] 'Διὰ τί τὴν γαμουμένην οὐκ ἐῶσιν αὐτὴν ὑπερβῆναι τὸν οὐδὸν τῆς οἰκίας, ἀλλ' ὑπεραίρουσιν οἱ προπέμποντες;' πότερον ὅτι καὶ τὰς πρώτας γυναῖκας ἁρπάσαντες οὕτως εἰσήνεγκαν, αὐταὶ δ' οὐκ εἰσῆλθον; ἢ βούλονται δοκεῖν εἰσιέναι βιαζομένας οὐχ ἑκούσας, ὅπου μέλλουσι διαλύειν τὴν παρθενίαν; ἢ σύμβολόν ἐστι τοῦ μηδ' ἐξιέναι δι' αὐτῆς μηδὲ καταλιπεῖν τὴν οἰκίαν, εἰ μὴ βιασθείη, καθάπερ καὶ εἰσῆλθε βιασθεῖσα; καὶ γὰρ παρ' ἡμῖν ἐν Βοιωτίᾳ καίουσι πρὸ τῆς θύρας τὸν ἄξονα τῆς ἁμάξης, ἐμφαίνοντες δεῖν τὴν νύμφην ἐμμένειν ὡς ἀνῃρημένου τοῦ ἀπάξοντος.

'Διὰ τί τὴν νύμφην εἰσάγοντες λέγειν κελεύουσιν [e] 'ὅπου σὺ Γάιος, ἐγὼ Γαΐα';' πότερον ὥσπερ ἐπὶ ῥητοῖς εὐθὺς εἴσεισι τῷ κοινωνεῖν ἁπάντων καὶ συνάρχειν (καὶ τὸ μὲν δηλούμενόν ἐστιν 'ὅπου σὺ κύριος καὶ οἰκοδεσπότης, καὶ ἐγὼ κυρία καὶ οἰκοδέσποινα·' τοῖς δ' ὀνόμασι τούτοις ἄλλως κέχρηνται κοινοῖς οὖσιν, ὥσπερ οἱ νομικοὶ Γάιον Σήιον καὶ Λούκιον Τίτιον, καὶ οἱ φιλόσοφοι Δίωνα καὶ Θέωνα παραλαμβάνουσιν); ἢ διὰ Γαΐαν Καικιλίαν καλὴν καὶ ἀγαθὴν γυναῖκα, τῶν Ταρκυνίου παίδων ἑνὶ συνοικήσασαν, ἧς ἐν τῷ τοῦ Σάγκτου ἱερῷ χαλκοῦς ἀνδριὰς ἕστηκεν; ἔκειτο δὲ πάλαι καὶ σανδάλια καὶ ἄτρακτος, τὸ μὲν οἰκουρίας αὐτῆς, τὸ δ' ἐνεργείας σύμβολον.

[f] 'Διὰ τί ὁ πολυθρύλλητος ᾄδεται Ταλάσιος ἐν τοῖς γάμοις;' πότερον ἀπὸ τῆς ταλασίας (καὶ γὰρ τὸν τάλαρον τάλασον ὀνομάζουσι· καὶ τὴν νύμφην εἰσάγοντες νάκος ὑποστρωννύουσιν, αὐτὴ δ' εἰσφέρει μὲν ἠλακάτην καὶ τὴν ἄτρακτον, ἐρίῳ δὲ τὴν θύραν περιστέφει τοῦ ἀνδρός); ἢ τὸ λεγόμενον ὑπὸ τῶν ἱστορικῶν ἀληθές, ὅτι νεανίας ἦν τις λαμπρὸς ἐν τοῖς πολεμικοῖς καὶ τἆλλα χρηστὸς ὄνομα Ταλάσιος· ἐπεὶ δ' ἥρπαζον οἱ Ῥωμαῖοι τὰς τῶν [272] [a] Σαβίνων θυγατέρας ἐλθούσας ἐπὶ θέαν, ἐκομίζετο τῷ Ταλασίῳ παρθένος ἐκπρεπὴς τὴν ὄψιν ὑπὸ δημοτικῶν τινων καὶ πελατῶν τοῦ Ταλασίου, βοώντων ὑπὲρ ἀσφαλείας καὶ τοῦ μηδένα πελάζειν μηδ' ἀντιλαμβάνεσθαι τῆς παιδός, ὡς Ταλασίῳ γυνὴ φέροιτο. τιμῶντες οὖν οἱ λοιποὶ τὸν Ταλάσιον καὶ συνευχόμενοι καὶ συνευφημοῦντες εἵποντο καὶ παρέπεμπον· ὅθεν, εὐτυχοῦς γάμου [b] γενομένου, καὶ τοῖς ἄλλοις εἰθίσθησαν ἐπιφωνεῖν τὸν Ταλάσιον, ὥσπερ Ἕλληνες τὸν Ὑμέναιον;

‘Διὰ τί τοῦ Μαΐου μηνὸς περὶ τὴν πανσέληνον ἀπὸ τῆς ξυλίνης γεφύρας εἴδωλα ῥιπτοῦντες ἀνθρώπων εἰς τὸν ποταμὸν Ἀργείους τὰ ῥιπτούμενα καλοῦσιν;’ ἦ τὸ παλαιὸν οἱ περὶ τὸν τόπον οἰκοῦντες βάρβαροι τοὺς ἁλισκομένους Ἕλληνας οὕτως ἀπώλλυσαν, Ἡρακλῆς δὲ θαυμασθεὶς ὑπ’ αὐτῶν ἔπαυσε μὲν τὴν ξενοκτονίαν, ἐδίδαξε δὲ τὸ ἔθος καὶ τὴν δεισιδαιμονίαν ἀπομιμουμένους εἴδωλα ῥιπτεῖν; Ἀργείους δὲ τοὺς Ἕλληνας οἱ παλαιοὶ πάντας ὁμαλῶς προσηγόρευον. εἰ μὴ νὴ Δία τῶν Ἀρκάδων πολεμίους καὶ τοὺς Ἀργείους διὰ τὴν γειτνίασιν ἡγουμένων [c] οἱ περὶ Εὔανδρον ἐκ τῆς Ἑλλάδος φυγόντες καὶ κατοικήσαντες αὐτόθι τὴν μνησικακίαν καὶ τὴν ἔχθραν διεφύλαττον.

‘Διὰ τί τὸ παλαιὸν οὐκ ἐδείπνουν ἔξω χωρὶς τῶν υἱῶν ἔτι τὴν παιδικὴν ἡλικίαν ἐχόντων;’ ἦ τοῦτο μὲν καὶ Λυκοῦργος εἴθισε, τοὺς παῖδας ἐπεισάγων τοῖς φιδιτίοις, ὅπως ἐθίζωνται μὴ θηριωδῶς μηδ’ ἀτάκτως ἀλλὰ μετ’ εὐλαβείας ταῖς ἡδοναῖς προσφέρεσθαι, τοὺς πρεσβυτέρους οἷον ἐπισκόπους καὶ θεατὰς ἔχοντες; οὐκ ἔλαττον δὲ τούτου καὶ τὸ τοὺς πατέρας αὐτοὺς μᾶλλον αἰδεῖσθαι καὶ σωφρονεῖν τῶν υἱῶν παρόντων· ὅπου γὰρ ἀναισχυντοῦσι γέροντες, ὥς φησιν ὁ Πλάτων (Legg. 729c), ἐνταῦθ’ ἀνάγκη καὶ νέους ἀναισχυντοτάτους εἶναι.

‘Διὰ τί τῶν ἄλλων Ῥωμαίων ἐν τῷ Φεβρουαρίῳ [d] μηνὶ ποιουμένων χοὰς καὶ ἐναγισμοὺς τοῖς τεθνηκόσι Δέκιμος Βροῦτος, ὡς Κικέρων (Legg. II 21) ἱστόρηκεν, ἐν τῷ Δεκεμβρίῳ τοῦτ’ ἔπραττεν (ἦν δ’ οὗτος ὁ Λυσιτάνειαν ἐπελθὼν καὶ πρῶτος ἐπέκεινα στρατῷ διαβὰς τὸν τῆς Λήθης ποταμόν);’ πότερον, ὥσπερ ἡμέρας ληγούσης καὶ μηνὸς φθίνοντος εἰώθασιν ἐναγίζειν οἱ πολλοί, λόγον ἔχει καὶ τοῦ ἐνιαυτοῦ καταστρέφοντος ἐν τῷ τελευταίῳ μηνὶ τιμᾶν τοὺς τεθνηκότας (ἔστι δὲ τῶν μηνῶν τελευταῖος ὁ Δεκέμβριος); ἢ χθονίων μὲν αἱ τιμαὶ θεῶν, τιμᾶν δὲ τοὺς χθονίους ὡραῖόν [e] ἐστι τῶν καρπῶν ἁπάντων εἰληφότων συντέλειαν; ἢ ὅτε κινοῦσι τὴν γῆν ἀρχόμενοι σπόρου, μεμνῆσθαι μάλιστα τῶν κάτω προσήκει; ἢ Κρόνῳ μὲν οὗτος ὁ μὴν ὑπὸ Ῥωμαίων καθιέρωται, Κρόνον δὲ τῶν κάτω θεῶν οὐ τῶν ἄνω νομίζουσιν; ἢ μεγίστης αὐτοῖς ἑορτῆς τῶν Κρονίων καθεστώσης καὶ συνουσίας τε πλείστας καὶ ἀπολαύσεις ἔχειν δοκούσης ἔδοξε καὶ ταύτης ἀπονέμειν τινὰς ἀπαρχὰς τοῖς τεθνηκόσιν; ἢ τοῦτο, μόνον Βροῦτον ἐναγίζειν ἐν τῷ μηνὶ τούτῳ, καθόλου ψεῦδός ἐστι; καὶ γὰρ τῇ Λαρεντίᾳ ποιοῦσι τὸν ἐναγισμὸν καὶ χοὰς ἐπιφέρουσιν ἐπὶ τὸν τάφον τοῦ Δεκεμβρίου μηνός.

‘Διὰ τί δὲ τὴν Λαρεντίαν, ἑταίραν γεγενημένην, [f] οὕτω τιμῶσιν;’ ἄλλην γὰρ εἶναι Λαρεντίαν Ἄκκαν ἱστοροῦσι τὴν Ῥωμύλου τροφόν, ἣν τῷ Ἀπριλλίῳ μηνὶ τιμῶσι. τῇ δ’ ἑταίρᾳ Λαρεντίᾳ Φαβόλαν ἐπίκλησιν εἶναι

λέγουσιν, ἐγνωρίσθη δὲ διὰ τοιαύτην αἰτίαν. ζάκορός τις Ἡρακλέους ὡς ἔοικεν ἀπολαύων σχολῆς ἔθος εἶχεν ἐν πεττοῖς καὶ κύβοις τὰ πολλὰ διημερεύειν· καί ποτε, τῶν εἰωθότων παίζειν σὺν αὐτῷ καὶ μετέχειν τῆς τοιαύτης διατριβῆς κατὰ τύχην μηδενὸς παρόντος, ἀδημονῶν τὸν θεὸν προυκαλεῖτο διαβαλέσθαι τοῖς κύβοις πρὸς αὐτὸν ὥσπερ ἐπὶ ῥητοῖς, νικήσας μὲν εὑρέσθαι τι παρὰ τοῦ [273] [a] θεοῦ χρηστόν, ἂν δὲ λειφθῇ, δεῖπνον αὐτὸς τῷ θεῷ παρασχεῖν καὶ μείρακα καλὴν συναναπαυσομένην. ἐκ τούτου δὲ τοὺς κύβους προθέμενος τὸν μὲν ὑπὲρ ἑαυτοῦ, τὸν δ' ὑπὲρ τοῦ θεοῦ βαλὼν ἐλείφθη. ταῖς οὖν προκλήσεσιν ἐμμένων τράπεζάν τε λαμπροτέραν παρεσκεύασε τῷ θεῷ, καὶ τὴν Λαρεντίαν παραλαβὼν ἐμφανῶς ἑταιροῦσαν εἱστίασε καὶ κατέκλινεν ἐν τῷ ἱερῷ καὶ τὰς θύρας ἀπιὼν ἔκλεισε. λέγεται δὲ νύκτωρ ἐντυχεῖν αὐτῇ τὸν θεὸν οὐκ ἀνθρωπίνως καὶ κελεῦσαι βαδίζειν ἕωθεν εἰς [b] ἀγοράν, ᾧ δ' ἂν ἐντύχῃ πρώτῳ, προσέχειν μάλιστα καὶ ποιεῖσθαι φίλον. ἀναστᾶσαν οὖν τὴν Λαρεντίαν βαδίζειν, καὶ συντυχεῖν τινι τῶν πλουσίων, ἀγάμων δὲ καὶ παρηκμακότων, ὄνομα Ταρρουτίῳ· γνωρισθεῖσαν δὲ τούτῳ καὶ ζῶντος ἄρχειν τοῦ οἴκου καὶ κληρονομῆσαι τελευτήσαντος· ὕστερον δὲ χρόνοις αὐτὴν τελευτῶσαν τῇ πόλει τὴν οὐσίαν ἀπολιπεῖν· διὸ τὰς τιμὰς ἔχειν ταύτας.

'Διὰ τί πύλην μίαν θυρίδα καλοῦσι (τὴν γὰρ 'φαινέστραν' τοῦτο σημαίνει), καὶ παρ' αὐτὴν ὁ καλούμενος Τύχης θάλαμός ἐστι;' πότερον ὅτι Σέρβιος ὁ βασιλεὺς εὐτυχέστατος γενόμενος δόξαν ἔσχε τῇ Τύχῃ [c] συνεῖναι φοιτώσῃ διὰ θυρίδος πρὸς αὐτόν; ἢ τοῦτο μὲν μῦθός ἐστιν, ἐπεὶ δὲ Ταρκυνίου Πρίσκου τοῦ βασιλέως ἀποθανόντος ἡ γυνὴ Τανακυλλὶς ἔμφρων οὖσα καὶ βασιλικὴ διὰ θυρίδος προκύψασα τοῖς πολίταις ἐνέτυχε καὶ συνέπεισεν ἀποδεῖξαι βασιλέα τὸν Σέρβιον, ἔσχε ταύτην ὁ τόπος τὴν ἐπωνυμίαν;

'Διὰ τί τῶν τοῖς θεοῖς ἀνατιθεμένων μόνα τὰ σκῦλα νενόμισται περιορᾶν ἀφανιζόμενα τῷ χρόνῳ, καὶ μήτε προσκυνεῖν μήτ' ἐπισκευάζειν;' πότερον ἵνα τὴν δόξαν οἰόμενοι τοῖς πρώτοις συνεκλιπεῖν ἀεί τι πρόσφατον [d] ὑπόμνημα τῆς ἀρετῆς ζητῶσι κομίζειν; ἢ μᾶλλον ὅτι τοῦ χρόνου τὰ σημεῖα τῆς πρὸς τοὺς πολεμίους διαφορᾶς ἀμαυροῦντος, αὐτοὺς ἀναλαμβάνειν καὶ καινοποιεῖν ἐπίφθονόν ἐστι καὶ φιλαπέχθημον; οὐδὲ γὰρ παρ' Ἕλλησιν οἱ πρῶτοι λίθινον καὶ χαλκοῦν στήσαντες τρόπαιον εὐδοκιμοῦσι.

'Διὰ τί Κόιντος Μέτελλος ἀρχιερεὺς γενόμενος καὶ τἆλλα δοκῶν φρόνιμος εἶναι καὶ πολιτικὸς ἀνὴρ ἐκώλυεν οἰωνίζεσθαι μετὰ τὸν Σεξτίλιον μῆνα τὸν νῦν Αὔγουστον προσαγορευόμενον;' πότερον ὅτι καθάπερ ἡμέρας ἀκμαζούσης ἢ ἀρχομένης πράττομεν τὰ τοιαῦτα καὶ μηνὸς ἱσταμένου καὶ αὐξομένου, τὰς δ' ἀποκλίτους [e] ὡς ἀχρηματίστους φυλαττόμεθα,

παραπλησίως τὸν μετὰ μῆνας ὀκτὼ χρόνον ὥσπερ ἑσπέραν τινὰ τοῦ ἐνιαυτοῦ καὶ δείλην ἀποκλίνοντος ἤδη καὶ φθίνοντος ‹δεῖ› νομίζειν; ἢ καὶ τοῖς ὄρνισι χρηστέον ἀκμαίοις καὶ τελείοις; εἰσὶ δὲ πρὸ τοῦ θέρους τοιοῦτοι· περὶ δὲ τὸ φθινόπωρον οἱ μὲν ἀσθενεῖς καὶ νοσώδεις, οἱ δὲ νεοσσοὶ καὶ ἀτελεῖς, οἱ δὲ παντάπασι φροῦδοι διὰ τὴν ὥραν ἐκτοπίζοντες.

‘Διὰ τί τοῖς μὴ στρατευομένοις μὲν ἐν στρατοπέδῳ δ’ ἄλλως ἀναστρεφομένοις οὐκ ἐξῆν ἄνδρα βαλεῖν πολέμιον οὐδὲ τρῶσαι;’ καὶ τοῦτο Κάτων (Ep. fr. 4 Jordan) ὁ πρεσβύτης ἐν ἐπιστολῇ τινι δεδήλωκε, γράφων πρὸς τὸν υἱὸν καὶ κελεύων, εἰ παρεθείη τῆς στρατείας [f] ἀποπληρώσας τὸν χρόνον, ὑποστρέφειν, ἢ προσμένοντα λαβεῖν παρὰ τοῦ στρατηγοῦ τὸ ἐξεῖναι τρῶσαι καὶ ἀνελεῖν πολέμιον. πότερον ὅτι τὴν ἀνάγκην μόνην ἐξουσίαν εἶναι δεῖ τοῦ ἀνελεῖν ἄνθρωπον, ὁ δ’ ἄνευ νόμου καὶ προστάγματος τοῦτο ποιῶν ἀνδροφόνος ἐστί (διὸ καὶ Χρυσάνταν ἐπῄνεσεν ὁ Κῦρος, ὅτι μέλλων ἀναιρεῖν πολέμιον καὶ τὴν κοπίδα διηρμένος ἀκούσας τὸ ἀνακλητικὸν ἀφῆκε τὸν ἄνδρα καὶ οὐκ ἔπαισεν ὡς κεκωλυμένος); ἢ δεῖ τὸν συνιστάμενον πολεμίοις καὶ μαχόμενον, [274] [a] ἂν ἀποδειλιάσῃ, μὴ ἀνυπεύθυνον εἶναι μηδ’ ἀθῷον; οὐ γὰρ οὕτω βαλών τινα καὶ τρώσας ὠφέλησεν, ὡς φυγὼν καὶ ἀναχωρήσας ἔβλαψεν. ὁ μὲν οὖν ἀφειμένος στρατείας ἀπήλλακται τῶν στρατιωτικῶν νόμων, ὁ δ’ αἰτησάμενος τὸ πράττειν τὰ τῶν στρατευομένων πάλιν ἑαυτὸν ὑπεύθυνον τῷ νόμῳ καὶ τῷ στρατηγῷ δέδωκεν.

‘Διὰ τί τῷ ἱερεῖ τοῦ Διὸς οὐκ ἔξεστιν ἐν ὑπαίθρῳ ἀλείφεσθαι;’ πότερον ὅτι καὶ παῖδας γυμνοῦσθαι πατρὸς ὁρῶντος καὶ πενθεροῦ γαμβρὸν οὐχ ὅσιον ἦν οὐδὲ καλόν, [b] οὐδὲ συνελούοντο τὸ παλαιὸν ἀλλήλοις; πατὴρ δ’ ὁ Ζεὺς καὶ τὸ ἐν ὑπαίθρῳ μάλιστά πως εἶναι δοκεῖ τοῦ Διὸς ἐνώπιον· ἤ, καθάπερ ἐν ναῷ καὶ ἱερῷ γυμνοῦν ἑαυτὸν ἀθέμιτόν ἐστιν, οὕτω τὸν ὕπαιθρον ἀέρα καὶ τὸν ὑπουράνιον, ὄντα καὶ θεῶν καὶ δαιμόνων μεστόν, ἐξευλαβοῦντο; διὸ καὶ τὰ πολλὰ τῶν ἀναγκαίων ὑπὸ στέγῃ δρῶμεν ἐπικρυπτόμενοι καὶ ἐπικαλυπτόμενοι ταῖς οἰκίαις πρὸς τὸ θεῖον. ἢ τὰ μὲν μόνῳ τῷ ἱερεῖ, τὰ δὲ πᾶσιν ὑπὸ τοῦ νόμου προστέτακται διὰ τοῦ ἱερέως; διὸ καὶ παρ’ ἡμῖν τὸ μὲν στεφανηφορεῖν καὶ κομᾶν καὶ ‹μὴ› σιδηροφορεῖν μηδὲ τοῖς Φωκέων ὅροις ἐμβαίνειν ἴδια λειτουργήματα [c] τοῦ ἄρχοντός ἐστι, τὸ δ’ ὀπώρας μὴ γεύεσθαι πρὸ ἰσημερίας μετοπωρινῆς μηδ’ ἄμπελον τέμνειν πρὸ ἰσημερίας ἐαρινῆς ὁμοῦ τι πᾶσι δηλοῦται διὰ τοῦ ἄρχοντος· ἑκατέρου γὰρ ὁ καιρὸς ἐκεῖνός ἐστι. τὸν αὐτὸν οὖν τρόπον ὡς ἔοικε καὶ τοῦ παρὰ Ῥωμαίοις ἱερέως ἴδιόν ἐστι τὸ μήθ’ ἵππῳ χρῆσθαι μήτε πλείονας νύκτας ἀποδημεῖν τριῶν μήτ’ ἀποτίθεσθαι τὸν πῖλον, ἀφ’ οὗ καί ‘φλᾶμεν’ κέκληται, πολλὰ δ’ ἄλλα δηλοῦται πᾶσι [d] διὰ τοῦ ἱερέως· ὧν ἕν ἐστι καὶ τὸ ἐν ὑπαίθρῳ μὴ

ἀλείφεσθαι. τὸ γὰρ ξηραλοιφεῖν ὑφεωρῶντο Ῥωμαῖοι σφόδρα, καὶ τοῖς Ἕλλησιν οἴονται μηδὲν οὕτως αἴτιον δουλείας γεγονέναι καὶ μαλακίας, ὡς τὰ γυμνάσια καὶ τὰς παλαίστρας, πολὺν ἄλυν καὶ σχολὴν ἐντεκούσας ταῖς πόλεσι καὶ κακοσχολίαν καὶ τὸ παιδεραστεῖν καὶ τὸ διαφθείρειν τὰ σώματα τῶν νέων ὕπνοις καὶ περιπάτοις καὶ κινήσεσιν εὐρύθμοις καὶ διαίταις ἀκριβέσιν, ὑφ’ ὧν ἔλαθον ἐκρυέντες τῶν ὅπλων καὶ ἀγαπήσαντες ἀνθ’ ὁπλιτῶν καὶ ἱππέων ἀγαθῶν εὐτράπελοι καὶ παλαιστρῖται καὶ καλοὶ [e] λέγεσθαι. ταῦτα γοῦν ἔργον ἐστὶν ἀποφυγεῖν εἰς ὕπαιθρον ἀποδυομένους· οἱ δὲ κατ’ οἰκίαν ἀλειφόμενοι καὶ θεραπεύοντες ἑαυτοὺς οὐδὲν ἁμαρτάνουσι.

‘Διὰ τί τὸ παλαιὸν νόμισμα πῇ μὲν εἶχεν Ἰανοῦ διπρόσωπον εἰκόνα, πῇ δὲ πλοίου πρύμναν ἢ πρῷραν ἐγκεχαραγμένην;’ πότερον ὡς οἱ πολλοὶ λέγουσιν ἐπὶ τιμῇ τοῦ Κρόνου πλοίῳ διαπεράσαντος εἰς Ἰταλίαν, ἢ τοῦτο μὲν ἔστιν ἐπὶ πολλῶν λέγειν (καὶ γὰρ Ἰανὸς καὶ Εὔανδρος καὶ Αἰνείας ἐκ θαλάττης προσεκομίσθησαν), ἐκεῖνο δ’ ἄν τις μᾶλλον εἰκάσειεν, ὅτι τὰ μὲν καλὰ ταῖς πόλεσίν ἐστι τὰ δ’ ἀναγκαῖα, καὶ μέγιστον τῶν μὲν [f] καλῶν ἡ εὐνομία τῶν δ’ ἀναγκαίων ἡ εὐπορία; ἐπεὶ τοίνυν εὐνομίαν μὲν Ἰανὸς κατέστησεν αὐτοῖς ἐξημερώσας τὸν βίον, ἀφθονίαν δὲ παρέχει τῶν ἀναγκαίων ὁ ποταμὸς πλώιμος ὢν καὶ τὰ μὲν ἐκ θαλάττης τὰ δ’ ἀπὸ τῆς χώρας κατακομίζων, σύμβολον ἔσχε τὸ νόμισμα τοῦ μὲν νομοθέτου τὸ δίμορφον ὡς εἴρηται διὰ τὴν μεταβολήν, τοῦ δὲ ποταμοῦ τὸ πορθμεῖον. ἑτέρῳ δ’ ἐχρήσαντο νομίσματι βοῦν ἔχοντι καὶ πρόβατον καὶ ὗν παράσημον, εὐποροῦντες ἀπὸ τῶν θρεμμάτων μάλιστα καὶ τὴν περιουσίαν ἀπὸ τούτων ἔχοντες· διὸ καὶ τῶν ὀνομάτων πολλὰ [275] [a] τοῖς παλαιοῖς Συίλλιοι καὶ Βουβολκοὶ καὶ Πόρκιοι ἦσαν, ὡς Φενεστέλλας (Annal. fr. 5 Peter) εἴρηκεν.

‘Διὰ τί τῷ τοῦ Κρόνου ναῷ χρῶνται ταμείῳ τῶν δημοσίων χρημάτων, ἅμα δὲ καὶ φυλακτηρίῳ τῶν συμβολαίων;’ πότερον ὅτι δόξα κατεῖχε καὶ λόγος οὐκ εἶναι πλεονεξίαν ἐν ἀνθρώποις οὐδ’ ἀδικίαν Κρόνου βασιλεύοντος, ἀλλὰ πίστιν καὶ δικαιοσύνην; ἢ ὅτι καρπῶν εὑρετὴς καὶ γεωργίας ἡγεμὼν ὁ θεός; ἡ γὰρ ἅρπη τοῦτο σημαίνει καὶ οὐχ ὡς γέγραφεν Ἀντίμαχος (fr. 35 Kinkel) Ἡσιόδῳ (Th. 178) πειθόμενος

‘λέχρις δὲ δρεπάνῳ τέμνων ἀπὸ μήδεα πατρὸς

καρπῶν δ’ ἀφθονία καὶ διάθεσις γένεσίς ἐστι νομίσματος· [b] διὸ τὸν αἴτιον καὶ φύλακα ποιοῦνται τῆς εὐδαιμονίας. μαρτυρεῖ δὲ τούτῳ τὸ τὰς ἀγομένας δι’ ἐννέα ἡμερῶν ἐπ’ ἀγορὰν συνόδους, νουνδίνας δὲ καλουμένας, ἱερὰς τοῦ Κρόνου νομίζεσθαι· πράσεως γὰρ καὶ ὠνῆς περιουσία καρπῶν ἀρχὴν παρέσχεν. ἢ ταῦτα μέν ἐστι παλαιά, πρῶτος δὲ ταμεῖον ἀπέδειξε τὸ

Κρόνιον τῶν βασιλέων καταλυθέντων Οὐαλέριος Ποπλικόλας πειθόμενος εὐερκῆ καὶ καταφανῆ καὶ δυσεπιβούλευτον εἶναι τὸν τόπον;

'Διὰ τί δ' οἱ πρεσβεύοντες εἰς Ῥώμην ὁποθενοῦν ἐπὶ τὸν τοῦ Κρόνου ναὸν βαδίζοντες ἀπογράφονται πρὸς [c] τοὺς ἐπάρχους τοῦ ταμείου;' πότερον ὡς ξένου τοῦ Κρόνου γενομένου καὶ διὰ τοῦτο τοῖς ξένοις χαίροντος; ἢ καὶ τοῦτο λύεται τῇ ἱστορίᾳ; τὸ γὰρ παλαιὸν ὡς ἔοικεν οἱ ταμίαι ξένια τοῖς πρεσβεύουσιν ἔπεμπον (ἐκαλεῖτο δὲ 'λαύτια' τὰ πεμπόμενα) καὶ νοσούντων ἐπεμέλοντο καὶ τελευτήσαντας ἔθαπτον ἐκ δημοσίου, νῦν δ' ὑπὸ πλήθους τῶν ἀφικνουμένων πρέσβεων ἐκλέλειπται τὸ τῆς δαπάνης μένει δ' ἔτι τὸ τοῖς ἐπάρχοις τοῦ ταμείου προεντυγχάνειν διὰ τῆς ἀπογραφῆς.

'Διὰ τί τῷ ἱερεῖ τοῦ Διὸς οὐκ ἔξεστιν ὀμόσαι;' πότερον ὅτι βάσανός τις ἐλευθέρων ὁ ὅρκος ἐστί, δεῖ δ' ἀβασάνιστον εἶναι καὶ τὸ σῶμα καὶ τὴν ψυχὴν τοῦ [d] ἱερέως; ἢ ὅτι περὶ μικρῶν ἀπιστεῖσθαι τὸν τὰ θεῖα καὶ μέγιστα πεπιστευμένον οὐκ εἰκός ἐστιν; ἢ ὅτι πᾶς ὅρκος εἰς κατάραν τελευτᾷ τῆς ἐπιορκίας, κατάρα δὲ δύσφημον καὶ σκυθρωπόν; ὅθεν οὐδ' ἄλλοις ἐπαρᾶσθαι νομίζεται τοὺς ἱερεῖς. ἐπῃνέθη γοῦν Ἀθήνησιν ἡ ἱέρεια μὴ θελήσασα καταράσασθαι τῷ Ἀλκιβιάδῃ τοῦ δήμου κελεύοντος· ἔφη γὰρ εὐχῆς οὐ κατάρας ἱέρεια γεγονέναι. ἢ κοινὸς ὁ τῆς ἐπιορκίας κίνδυνος, ἂν ἀνὴρ ἀσεβὴς καὶ ἐπίορκος εὐχῶν κατάρχηται καὶ ἱερῶν ὑπὲρ τῆς πόλεως;

[e] 'Διὰ τί τῶν Οὐενεραλίων τῇ ἑορτῇ πολὺν οἶνον ἐκχέουσιν ἐκ τοῦ ἱεροῦ τῆς Ἀφροδίτης;' πότερον, ὡς οἱ πλεῖστοι λέγουσι, Μεζέντιος ὁ Τυρρηνῶν στρατηγὸς ἔπεμψε πρὸς Αἰνείαν σπενδόμενος ἐπὶ τῷ λαβεῖν τὸν ἐπέτειον οἶνον· ἀρνησαμένου δ' ἐκείνου τοῖς Τυρρηνοῖς ὑπέσχετο κρατήσας μάχῃ δώσειν τὸν οἶνον· Αἰνείας δὲ τὴν ὑπόσχεσιν αὐτοῦ πυθόμενος τοῖς θεοῖς τὸν οἶνον καθιέρωσε, καὶ μετὰ τὸ νικῆσαι συναγαγὼν τὸ καρπευθὲν ἐξέχεε πρὸ τοῦ ἱεροῦ τῆς Ἀφροδίτης· ἢ καὶ τοῦτο σύμβολόν ἐστι τοῦ χρῆναι νήφοντας ἑορτάζειν ἀλλὰ μὴ μεθύοντας, ὡς τῶν θεῶν μᾶλλον τοῖς ἐκχέουσι χαιρόντων τὸν πολὺν ἄκρατον ἢ τοῖς πίνουσι;

[f] 'Διὰ τί τὸν τῆς Ὅρτας ναὸν ἀνεῳγμένον εἶχον οἱ παλαιοὶ διὰ παντός;' πότερον, ὡς Ἀντίστιος Λαβεὼν (Huschke 4`6 p. 58 fr. 20) ἱστόρηκε, τοῦ παρορμᾶν 'ὁρτάρι' λεγομένου, τὴν οἷον ἐγκελευομένην πρὸς τὰ καλὰ καὶ παρορμῶσαν θεὸν Ὅρταν λεγομένην ᾤοντο δεῖν ὡς ἐνεργὸν ἀεὶ μηδέποτε μέλλειν μηδ' ἀποκεκλεῖσθαι μηδ' ἐλιννύειν· ἢ μᾶλλον ὡς νῦν ὀνομάζουσιν αὐτὴν Ὥραν μηκυνομένης τῆς προτέρας συλλαβῆς, ἐπιστρεφῆ τινα καὶ πολυωρητικὴν θεόν, [276] [a] ἣν διαφυλακτικὴν καὶ φροντιστικὴν οὖσαν οὐδέποτε ῥάθυμον οὐδ' ὀλίγωρον εἶναι τῶν ἀνθρωπίνων ἐνόμιζον; ἤ, καθάπερ ἄλλα πολλά, καὶ τοῦτο τῶν Ἑλληνικῶν ὀνομάτων ἐστὶ καὶ δηλοῖ

θεὸν ἐπισκοποῦσαν καὶ ἐφορῶσαν; ὅθεν ὡς ἀκοιμήτου καὶ ἀύπνου διὰ παντὸς ἀνεῳγμένον ἦν τὸ ἱερὸν αὐτῆς. εἰ μέντοι τὴν ὥραν ὀρθῶς ὁ Λαβεὼν ἀπὸ τοῦ παρορμᾶν ὠνομάσθαι δέδεκται, σκόπει μὴ τὸν ‘ὡράτορα’ προτρεπτικόν τινα καὶ παρορμητικὸν ὄντα σύμβουλον ἢ δημαγωγὸν οὕτως ὠνομάσθαι φατέον, οὐκ ἀπὸ τῆς ἀρᾶς καὶ εὐχῆς ὡς ἔνιοι λέγουσι.

[b] ‘Διὰ τί τὸ τοῦ Ἡφαίστου ἱερὸν ἔξω πόλεως ὁ Ῥωμύλος ἱδρύσατο;’ πότερον διὰ τὴν μυθολογουμένην πρὸς Ἄρη ζηλοτυπίαν τοῦ Ἡφαίστου δι’ Ἀφροδίτην υἱὸς εἶναι δοκῶν Ἄρεος οὐκ ἐποιήσατο σύνοικον οὐδ’ ὁμόπολιν αὐτόν; ἢ τοῦτο μὲν ἀβέλτερον, ᾠκοδομήθη δ’ ὁ ναὸς ἐξ ἀρχῆς συνέδριον καὶ βουλευτήριον ἀπόρρητον αὐτῷ μετὰ Τατίου τοῦ συμβασιλεύσαντος, ὅπως συνιόντες ἐνταῦθα μετὰ τῶν γερόντων ἄνευ τοῦ παρενοχλεῖσθαι καθ’ ἡσυχίαν βουλεύοιντο περὶ τῶν πραγμάτων; ἢ πρὸς ἐμπρησμὸν ἄνωθεν ἐπισφαλῶς τῆς Ῥώμης ἐχούσης ἔδοξε τιμᾶν μὲν ἐξοικίσαι δὲ τῆς πόλεως τὸν θεόν;

[c] ‘Διὰ τί τῇ τῶν Κωνσυαλίων ἑορτῇ καὶ τοὺς ἵππους καὶ τοὺς ὄνους στεφανοῦσι καὶ σχολάζειν ἐῶσι;’ πότερον ὅτι Ποσειδῶνι μὲν ἄγουσιν Ἱππείῳ τὴν ἑορτὴν ὁ δ’ ὄνος τῷ ἵππῳ συναπολαύει καὶ συμμετέχει τῆς ἀδείας; ἢ ὅτι ναυτιλίας φανείσης καὶ κομιδῆς κατὰ θάλατταν ὑπῆρξέ τις ἀμωσγέπως ῥᾳστώνη καὶ ἀνάπαυσις τοῖς ὑποζυγίοις;

‘Διὰ τί τοὺς παραγγέλλοντας ἀρχὴν ἔθος ἦν ἐν ἱματίῳ τοῦτο ποιεῖν ἀχίτωνας, ὡς Κάτων (Orig. VII 11 J.) ἱστόρηκε;’ πότερον ἵνα μὴ δεκάζωσιν ἀργύριον ἐν τῷ κόλπῳ [d] κομίζοντες; ἢ μᾶλλον ὅτι τοὺς ἀξίους ἄρχειν οὐ γένεσιν οὐδὲ χρήμασιν οὐδὲ δόξαις ἀλλὰ τραύμασι καὶ ὠτειλαῖς ἔκρινον; ὅπως οὖν ταῦτα καθορῷτο τοῖς ἐντυγχάνουσιν, ἀχίτωνες ἐπὶ τὰς παραγγελίας κατῄεσαν; ἢ καθάπερ τῷ δεξιοῦσθαι καὶ παρακαλεῖν καὶ ὑποπίπτειν, οὕτω τῇ γυμνότητι ταπεινοῦντες ἑαυτοὺς ἐδημαγώγουν;

‘Διὰ τί ὁ ἱερεὺς τοῦ Διὸς ἀποθανούσης αὐτῷ τῆς γυναικὸς ἀπετίθετο τὴν ἀρχήν, ὡς Ἀτήιος (Huschke 4`6 p. 66 fr. 12) ἱστόρηκε;’ πότερον ὅτι τοῦ μὴ λαβόντος ὁ λαβὼν εἶτ’ ἀποβαλὼν γυναῖκα γαμετὴν ἀτυχέστερος; ὁ μὲν γὰρ τοῦ γεγαμηκότος οἶκος τέλειος, ὁ δὲ τοῦ γήμαντος εἶτ’ ἀποβαλόντος οὐκ ἀτελὴς μόνον ἀλλὰ καὶ πεπηρωμένος· ἢ συνιερᾶται μὲν ἡ γυνὴ τῷ ἀνδρί (ὡς [e] καὶ πολλὰ τῶν ἱερῶν οὐκ ἔστι δρᾶσαι μὴ γαμετῆς συμπαρούσης), τὸ δὲ γαμεῖν εὐθὺς ἑτέραν ἀποβαλόντα τὴν προτέραν οὔτ’ ἴσως δυνατὸν οὔτ’ ἄλλως ἐπιεικές; ὅθεν οὐδ’ ἀποπέμψασθαι πρότερον ἐξῆν, οὐδὲ νῦν ὡς ἔοικεν ἔξεστιν, ἀλλ’ ἐφ’ ἡμῶν ἐπέτρεψεν ἐντευχθεὶς Δομετιανός· οἱ δ’ ἱερεῖς παρεγένοντο τῇ τοῦ γάμου διαλύσει, πολλὰ φρικώδη καὶ ἀλλόκοτα καὶ

σκυθρωπὰ δρῶντες. ἧττον δ’ ἄν τις τοῦτο θαυμάσειε προσιστορήσας, ὅτι καὶ τῶν τιμητῶν θατέρου τελευτήσαντος ἔδει [f] καὶ τὸν ἕτερον πεπαῦσθαι τῆς ἀρχῆς· ἀποθανόντος δὲ τιμητοῦ Λιβίου Δρούσου, Σκαῦρος Αἰμίλιος συνάρχων οὐκ ἐβούλετο τὴν ἀρχὴν ἀπείπασθαι, μέχρι οὗ τῶν δημάρχων τινὲς αὐτὸν ἐκέλευον εἰς τὸ δεσμωτήριον ἀπάγεσθαι.

‘Διὰ τί τῶν Λαρητῶν, οὓς ἰδίως ‘πραιστίτεις’ καλοῦσι, τούτοις κύων παρέστηκεν, αὐτοὶ δὲ κυνῶν διφθέραις ἀμπέχονται;’ ἦ πραιστίτεις μὲν οἱ προεστῶτές εἰσι, τοὺς δὲ προεστῶτας οἴκου φυλακτικοὺς εἶναι προσήκει, καὶ φοβεροὺς μὲν τοῖς ἀλλοτρίοις, ὥσπερ ὁ κύων ἐστίν, ἠπίους δὲ καὶ πράους τοῖς συνοικοῦσιν; ἢ μᾶλλον, ὃ λέγουσιν ἔνιοι Ῥωμαίων, ἀληθές ἐστι καί, καθάπερ οἱ περὶ Χρύσιππον (deest in St. V. Fr.) οἴονται φιλόσοφοι [277] [a] φαῦλα δαιμόνια περινοστεῖν, οἷς οἱ θεοὶ δημίοις χρῶνται ‹καὶ› κολασταῖς ἐπὶ τοὺς ἀνοσίους καὶ ἀδίκους ἀνθρώπους, οὕτως οἱ Λάρητες ἐριννυώδεις τινές εἰσι καὶ ποίνιμοι δαίμονες, ἐπίσκοποι βίων καὶ οἴκων· διὸ καὶ κυνῶν δέρμασιν ἀμπέχονται, καὶ κύων πάρεδρός ἐστιν, ὡς δεινοῖς οὖσιν ἐξιχνεῦσαι καὶ μετελθεῖν τοὺς πονηρούς;

‘Διὰ τί τῇ καλουμένῃ Γενείτῃ Μάνῃ κύνα θύουσι καὶ κατεύχονται μηδένα χρηστὸν ἀποβῆναι τῶν οἰκογενῶν;’ ἢ ὅτι δαίμων ἐστὶν ἡ Γενείτα περὶ τὰς γενέσεις καὶ τὰς λοχείας τῶν φθαρτῶν; ῥύσιν γάρ τινα σημαίνει τοὔνομα καὶ γένεσιν ἢ ῥέουσαν γένεσιν. ὥσπερ οὖν οἱ [b] Ἕλληνες τῇ Ἑκάτῃ, καὶ τῇ Γενείτῃ κύνα Ῥωμαῖοι θύουσιν ὑπὲρ τῶν οἰκογενῶν. Ἀργείους δὲ Σωκράτης (FHG IV p. 498) φησὶ τῇ Εἰλιονείᾳ κύνα θύειν διὰ τὴν ῥᾳστώνην τῆς λοχείας. τὸ δὲ τῆς εὐχῆς πότερον οὐκ ἐπ’ ἀνθρώπων ἐστὶν οἰκογενῶν, μηδένα χρηστὸν γενέσθαι [ἀλλὰ κυνῶν]· χαλεποὺς γὰρ εἶναι δεῖ καὶ φοβεροὺς τοὺς κύνας· ἢ διὰ τὸ χρηστοὺς κομψῶς λέγεσθαι τοὺς τελευτῶντας αἰνιττόμενοι διὰ τῆς εὐχῆς αἰτοῦνται μηδένα τῶν συνοίκων ἀποθανεῖν; οὐ δεῖ δὲ τοῦτο θαυμάζειν· καὶ γὰρ Ἀριστοτέλης (fr. 592) ἐν ταῖς Ἀρκάδων πρὸς [c] Λακεδαιμονίους συνθήκαις γεγράφθαι φησὶ μηδένα χρηστὸν ποιεῖν βοηθείας χάριν τοῖς λακωνίζουσι τῶν Τεγεατῶν, ὅπερ εἶναι μηδένα ἀποκτιννύναι.

‘Διὰ τί τοῖς Καπιτωλίοις θέας ἄγοντες ἔτι νῦν κηρύττουσι Σαρδιανοὺς ὠνίους, καὶ γέρων τις ἐπὶ χλευασμῷ προάγεται παιδικὸν ἐναψάμενος περιδέραιον, ὃ καλοῦσι βοῦλλαν;’ ἢ ὅτι Ῥωμύλῳ πολὺν χρόνον ἐπολέμησαν οἱ λεγόμενοι Οὐήιοι Τυρρηνῶν, καὶ ταύτην τὴν πόλιν ἐσχάτην εἷλε, καὶ πολλοὺς αἰχμαλώτους ἀπεκήρυξε μετὰ τοῦ βασιλέως ἐπισκώπτων αὐτοῦ τὴν ἠλιθιότητα [d] καὶ τὴν ἀβελτερίαν; ἐπεὶ δὲ Λυδοὶ μὲν ἦσαν οἱ Τυρρηνοὶ ἐξ

ἀρχῆς Λυδῶν δὲ μητρόπολις αἱ Σάρδεις, οὕτω τοὺς Οὐηίους ἀπεκήρυττον· καὶ μέχρι νῦν ἐν παιδιᾷ τὸ ἔθος διαφυλάττουσι.

‘Διὰ τί τὰ κρεωπώλια ‘μάκελλα’ καί ‘μακέλλους’ καλοῦσι;’ πότερον ἀπὸ τῶν μαγείρων τοὔνομα διαφθαρέν, ὥσπερ ἄλλα πολλά, τῇ συνηθείᾳ κεκράτηκε (καὶ γὰρ τὸ κάππα πρὸς τὸ γάμμα συγγένειαν ἔχει παρ’ αὐτοῖς· ὀψὲ γὰρ ἐχρήσαντο τῷ γάμμα Καρβιλίου Σπορίου (Gramm. Rom. Fr. p. IX 2) προσεξευρόντος· καὶ τὸ λάμβδα πάλιν τοῖς ἀπολισθαίνουσι τοῦ ρ δι’ ἀμβλύτητα τῆς γλώττης ὑπόκειται τραυλιζόμενον)· ἢ καὶ τοῦτο [e] λυτέον τῇ ἱστορίᾳ; λέγεται γὰρ ἐν Ῥώμῃ βίαιον ἄνδρα καὶ ληστρικὸν γενόμενον καὶ περικόψαντα πολλοὺς μόγις ἁλῶναι καὶ κολασθῆναι, τοὔνομα Μάκελλον· ἐκ δὲ τῶν χρημάτων αὐτοῦ δημόσιον οἰκοδομηθῆναι κρεωπώλιον ἀπ’ ἐκείνου κτησάμενον τὴν προσηγορίαν.

‘Διὰ τί ταῖς Ἰανουαρίαις εἰδοῖς περιιέναι δέδοται τοῖς αὐληταῖς τὴν πόλιν ἐσθῆτας γυναικείας φοροῦντας;’ ἦ διὰ τὴν λεγομένην αἰτίαν; μεγάλας γὰρ ὡς ἔοικε τιμὰς [f] ἐκαρποῦντο τοῦ βασιλέως Νομᾶ δόντος αὐτοῖς διὰ τὴν πρὸς τὸ θεῖον ὁσιότητα· ταύτας δ’ ὕστερον ἀφαιρεθέντες ὑπὸ τῆς ἀνθυπατικῆς δεκαδαρχίας ἀπεχώρησαν ἐκ τῆς πόλεως. ἦν οὖν ἐπιζήτησις αὐτῶν καί τις ἥπτετο δεισιδαιμονία τῶν ἱερέων ἄναυλα θυόντων. ἐπεὶ δ’ οὐκ ἐπείθοντο μεταπεμπομένοις ἀλλ’ ἐν Τιβοῦρι διέτριβον, ἀνὴρ ἀπελεύθερος κρύφα τοῖς ἄρχουσιν ἐπηγγείλατο κατάξειν αὐτούς. καὶ παρασκευάσας θοίνην ἄφθονον ὡς τεθυκὼς θεοῖς ἐκάλεσε τοὺς αὐλητάς· καὶ γύναια παρῆν ἅμα τῷ πότῳ καὶ παννυχὶς συνεκροτεῖτο παιζόντων καὶ χορευόντων. εἶτ’ ἐξαίφνης ὁ ἄνθρωπος ἐμβαλὼν λόγον ὡς τοῦ [278] [a] πάτρωνος ἐπιόντος αὐτῷ καὶ ταραττόμενος συνέπεισε τοὺς αὐλητὰς ἀναβάντας ἐφ’ ἁμάξας δέρρεσι κύκλῳ περικαλυπτομένας εἰς τὸ Τιβοὺρ κομίζεσθαι. τοῦτο δ’ ἦν ἀπάτη· περιαγαγὼν γὰρ τὰς ἁμάξας οὐ συνορῶντας αὐτοὺς διὰ τὸν οἶνον καὶ τὸ σκότος ἔλαθεν εἰς Ῥώμην καταγαγὼν ἅπαντας ἕωθεν· ἐτύγχανον δ’ οἱ πολλοὶ διὰ τὴν παννυχίδα καὶ τὸν πότον ἐν ἐσθῆσιν ἀνθιναῖς καὶ γυναικείαις ὄντες. ὡς οὖν ἐπείσθησαν ὑπὸ τῶν ἀρχόντων [b] καὶ διηλλάγησαν, ἐνομίσθη τὴν ἡμέραν ἐκείνην οὕτως ἀμπεχομένους σοβεῖν διὰ τῆς πόλεως.

‘Διὰ τί τὸ τῆς Καρμέντης ἱερὸν ἐξ ἀρχῆς δοκοῦσιν αἱ μητέρες ἱδρύσασθαι καὶ νῦν μάλιστα σέβονται;’ λέγεται γάρ τις λόγος, ὡς ἐκωλύθησαν ὑπὸ τῆς βουλῆς αἱ γυναῖκες ὀχήμασι χρῆσθαι ζευκτοῖς· συνέθεντο οὖν ἀλλήλαις μὴ κυΐσκεσθαι μηδὲ τίκτειν ἀμυνόμεναι τοὺς ἄνδρας, ἄχρις οὗ μετέγνωσαν καὶ συνεχώρησαν αὐταῖς· γενομένων δὲ παίδων εὐτεκνοῦσαι καὶ πολυτεκνοῦσαι τὸ τῆς Καρμέντης ἱερὸν ἱδρύσαντο. τὴν δὲ Καρμένταν οἱ μὲν Εὐάνδρου μητέρα λέγουσιν οὖσαν ἐλθεῖν εἰς Ἰταλίαν [c] ὀνομαζομένην Θέμιν, ὡς δ’

ἔνιοι, Νικοστράτην· ἐμμέτρους δὲ χρησμοὺς ᾄδουσαν ὑπὸ τῶν Λατίνων Καρμένταν ὀνομάζεσθαι· τὰ γὰρ ἔπη ‘κάρμινα’ καλοῦσιν. οἱ δὲ Μοῖραν ἡγοῦνται τὴν Καρμένταν εἶναι καὶ διὰ τοῦτο θύειν αὐτῇ τὰς μητέρας. ἔστι δὲ τοῦ ὀνόματος τὸ ἔτυμον ‘ὑστερημένη νοῦ’ διὰ τὰς θεοφορήσεις. ὅθεν οὐ τὰ κάρμινα τῇ Καρμέντῃ τοὔνομα παρέσχεν, ἀλλὰ μᾶλλον ἀπ’ ἐκείνης ἐκλήθη διὰ τὸ τοὺς χρησμοὺς ἐν ἔπεσι καὶ μέτροις ἐνθουσιῶσαν ᾄδειν.

‘Διὰ τί τῇ Ῥουμίνᾳ θύουσαι γάλα κατασπένδουσι τῶν ἱερῶν, οἶνον δ’ οὐ προσφέρουσιν;’ ἦ ῥοῦμαν Λατῖνοι τὴν θηλὴν καλοῦσι, καὶ Ῥουμινᾶλιν ὀνομασθῆναι λέγουσιν, παρ’ ὅσον ἡ λύκαινα τῷ Ῥωμύλῳ τὴν θηλὴν παρέσχεν· [d] ὥσπερ οὖν ἡμεῖς τὰς τρεφούσας τὰ παιδία γάλακτι θηλονὰς ἀπὸ τῆς θηλῆς καλοῦμεν, οὕτως ἡ Ῥουμῖνα θηλώ τις οὖσα καὶ τιθήνη καὶ κουροτρόφος οὐ προσίεται τὸν ἄκρατον ὡς βλαβερὸν ὄντα τοῖς νηπίοις;

‘Διὰ τί τῶν συγκλητικῶν τοὺς μὲν πατέρας συγγεγραμμένους, τοὺς δ’ ἁπλῶς πατέρας προσηγόρευον;’ ἦ τοὺς μὲν ἐξ ἀρχῆς κατανεμηθέντας ὑπὸ τοῦ Ῥωμύλου πατέρας ἐκάλουν καὶ πατρικίους, οἷον εὐπατρίδας ὄντας, πατέρας αὑτῶν ἔχοντας ἀποδεῖξαι· τοὺς δ’ ὕστερον ἐπεγγραφέντας ἐκ τῶν δημοτικῶν συγγεγραμμένους πατέρας ὠνόμασαν;

‘Διὰ τί κοινὸς ἦν βωμὸς Ἡρακλέους καὶ Μουσῶν;’ [e] ἢ ὅτι γράμματα τοὺς περὶ Εὔανδρον ἐδίδαξεν Ἡρακλῆς, ὡς Ἰόβας (FHG III p. 470) ἱστόρηκε; καὶ τὸ πρᾶγμα σεμνὸν ἐνομίζετο, φίλους καὶ συγγενεῖς διδασκόντων· ὀψὲ δ’ ἤρξαντο μισθοῦ διδάσκειν, καὶ πρῶτος ἀνέῳξε γραμματοδιδασκαλεῖον Σπόριος Καρβίλιος, ἀπελεύθερος Καρβιλίου τοῦ πρώτου γαμετὴν ἐκβαλόντος.

‘Διὰ τί, δυεῖν βωμῶν Ἡρακλέους ὄντων, οὐ μεταλαμβάνουσι γυναῖκες οὐδὲ γεύονται τῶν ἐπὶ τοῦ μείζονος θυομένων;’ πότερον ὅτι τῶν ἱερῶν αἱ περὶ τὴν Καρμένταν ὑστέρησαν, ὑστέρησε δὲ καὶ τὸ Πιναρίων [f] γένος; ὅθεν εἰργόμενοι τῆς θοίνης ἑστιωμένων τῶν ἄλλων Πινάριοι προσηγορεύθησαν· ἢ διὰ τὰ μυθολογούμενα περὶ τοῦ χιτῶνος καὶ τῆς Δηιανείρας;

‘Διὰ τί τὸν θεὸν ἐκεῖνον, ᾧ μάλιστα τὴν Ῥώμην σῴζειν προσήκει καὶ φυλάττειν, εἴτ’ ἐστὶν ἄρρην εἴτε θήλεια, καὶ λέγειν ἀπείρηται καὶ ζητεῖν καὶ ὀνομάζειν· ταύτην δὲ τὴν ἀπόρρησιν ἐξάπτουσι δεισιδαιμονίας, ἱστοροῦντες Οὐαλέριον Σωρανὸν ἀπολέσθαι κακῶς διὰ τὸ ἐξειπεῖν;’ πότερον, ὡς τῶν Ῥωμαϊκῶν τινες ἱστορήκασιν, ἐκκλήσεις εἰσὶ καὶ γοητεῖαι θεῶν, αἷς νομίζοντες καὶ αὐτοὶ θεούς τινας ἐκκεκλῆσθαι παρὰ τῶν πολεμίων [279] [a] καὶ μετῳκηκέναι πρὸς αὐτοὺς ἐφοβοῦντο τὸ αὐτὸ παθεῖν ὑφ’ ἑτέρων; ὥσπερ οὖν Τύριοι δεσμοὺς ἀγάλμασι λέγονται περιβαλεῖν, ἕτεροι δ’ αἰτεῖν ἐγγυητὰς ἐπὶ λουτρὸν ἢ καθαρμόν τινα προπέμποντες, οὕτως ᾤοντο Ῥωμαῖοι τὸ ἄρρητον

‘Διὰ τί περιπόρφυρον ὁ δήμαρχος οὐ φορεῖ τῶν [b] ἄλλων ἀρχόντων φορούντων;’ ἦ τὸ παράπαν οὐδ’ ἐστὶν ἄρχων; οὐδὲ γὰρ ῥαβδούχους ἔχουσι οὐδ’ ἐπὶ δίφρου καθήμενοι χρηματίζουσιν, οὐδ’ ἔτους ἀρχῇ καθάπερ οἱ λοιποὶ πάντες ἄρχοντες εἰσίασιν, οὐδὲ παύονται δικτάτωρος αἱρεθέντος ἀλλὰ πᾶσαν ἀρχὴν ἐκείνου μετατιθέντος εἰς ἑαυτὸν αὐτοὶ μόνοι διαμένουσιν, ὥσπερ οὐκ ὄντες ἄρχοντες ἀλλ’ ἑτέραν τινὰ τάξιν ἔχοντες. ὡς δὲ τῶν ῥητόρων ἔνιοι τὴν παραγραφὴν οὐ βούλονται δίκην εἶναι, τοὐναντίον τῇ δίκῃ δρῶσαν, (ἡ μὲν γὰρ εἰσάγει καὶ ποιεῖ κρίσιν, ἡ δ’ ἀναιρεῖ καὶ λύει), τὸν αὐτὸν τρόπον οἴονται τὴν δημαρχίαν κώλυσιν ἀρχῆς μᾶλλον εἶναι [c] καὶ πρὸς ἀρχὴν ἀντίταξιν ἢ ἀρχήν. τὸ γὰρ ἐνστῆναι πρὸς δύναμιν ἄρχοντος καὶ τὴν ἄγαν ἐξουσίαν ἀφελεῖν ἐξουσία καὶ δύναμίς ἐστιν αὐτῆς. ἢ ταῦτα μὲν ἄν τις εἴποι καὶ τὰ τοιαῦτα χρώμενος εὑρεσιλογίᾳ; τῆς δὲ δημαρχίας τὴν γένεσιν ἐκ τοῦ δήμου λαμβανούσης τὸ δημοτικὸν ἰσχυρόν ἐστι, καὶ μέγα τὸ μὴ μεῖζον φρονεῖν τῶν λοιπῶν ἀλλ’ ὁμοιοῦσθαι καὶ σχήματι καὶ στολῇ καὶ διαίτῃ τοῖς ἐπιτυγχάνουσι τῶν πολιτῶν. ὁ γὰρ ὄγκος ὑπάτῳ προσήκει καὶ στρατηγῷ, τὸν

δὲ δήμαρχον, ὡς Γάιος Κουρίων ἔλεγε, καταπατεῖσθαι δεῖ καὶ μὴ σεμνὸν [d] εἶναι τῇ ὄψει μηδὲ δυσπρόσοδον μηδὲ τοῖς πολλοῖς χαλεπόν, ἀλλ᾽ ὑπὲρ τῶν ἄλλων ... τοῖς δὲ πολλοῖς εὐμεταχείριστον. ὅθεν οὐδ᾽ οἰκίας αὐτοῦ κλείεσθαι νενόμισται θύραν, ἀλλὰ καὶ νύκτωρ ἀνέῳγε καὶ μεθ᾽ ἡμέραν ὥσπερ λιμὴν καὶ καταφυγὴ τοῖς δεομένοις. ὅσῳ δὲ μᾶλλον ἐκταπεινοῦται τῷ σώματι, τοσούτῳ μᾶλλον αὔξεται τῇ δυνάμει. κοινὸν γὰρ αὐτὸν ἀξιοῦσι τῇ χρείᾳ καὶ πᾶσιν ἐφικτὸν ὥσπερ βωμὸν εἶναι. τῇ δὲ τιμῇ ποιοῦσιν ἱερὸν καὶ ἅγιον καὶ ἄσυλον· ὅπου κἂν βαδίζων ἐν δημοσίῳ ... πᾶσι νόμος ἐστὶ καθαίρεσθαι καὶ ἁγνίζεσθαι τὸ σῶμα καθάπερ μεμιασμένον.

[e] ‘Διὰ τί τῶν στρατηγῶν αἱ ῥάβδοι συνδεδεμέναι προσηρτημένων τῶν πελέκεων φέρονται;’ πότερον ὅτι σύμβολόν ἐστι τοῦ μὴ δεῖν πρόχειρον εἶναι καὶ λελυμένην τὴν ὀργὴν τοῦ ἄρχοντος; ἢ διατριβὴν καὶ μέλλησιν ἐμποιοῦν τῇ ὀργῇ τὸ λύειν ἀτρέμα τὰς ῥάβδους πολλάκις ἐποίησε μεταγνῶναι περὶ τῆς κολάσεως; ἐπεὶ δὲ τῆς κακίας τὸ μὲν ἰάσιμόν ἐστι τὸ δ᾽ ἀνήκεστον, αἱ μὲν [f] ῥάβδοι νουθετοῦσι τὸ μεταθέσθαι δυνάμενον, οἱ δὲ πελέκεις ἀποκόπτουσι τὸ ἀνουθέτητον.

‘Διὰ τί τοὺς καλουμένους Βλετωνησίους βαρβάρους ὄντας ἄνθρωπον τεθυκέναι θεοῖς πυθόμενοι μετεπέμψαντο τοὺς ἄρχοντας αὐτῶν ὡς κολάσοντες, ἐπεὶ δὲ νόμῳ τινὶ τοῦτ᾽ ἐφαίνοντο πεποιηκότες, ἐκείνους μὲν ἀπέλυσαν, ἐκώλυσαν δὲ πρὸς τὸ λοιπόν· αὐτοὶ δ᾽ οὐ πολλοῖς ἔτεσιν ἔμπροσθεν δύο μὲν ἄνδρας δύο δὲ γυναῖκας ἐν τῇ βοῶν ἀγορᾷ λεγομένῃ, τοὺς μὲν Ἕλληνας, τοὺς δὲ Γαλάτας, ζῶντας κατώρυξαν; φαίνεται γὰρ ἄτοπον ταῦτα μὲν ποιεῖν αὐτούς, ἐπιτιμᾶν δὲ βαρβάροις ὡς οὐχ ὅσια ποιοῦσι.’ πότερον τὸ μὲν θεοῖς θύειν [284] [a] ἀνθρώπους ἀνόσιον ἡγοῦντο, τὸ δὲ δαίμοσιν ἀναγκαῖον; ἢ τοὺς μὲν ἔθει καὶ νόμῳ τοῦτο πράττοντας ἁμαρτάνειν ἐνόμιζον, αὐτοὶ δὲ προσταχθέντες ἐκ τῶν Σιβυλλείων ἔπραξαν; λέγεται γὰρ Ἐλβίαν τινὰ παρθένον ὀχουμένην ἐφ᾽ ἵππου βληθῆναι κεραυνῷ, καὶ γυμνὸν μὲν εὑρεθῆναι κείμενον τὸν ἵππον, γυμνὴν δ᾽ αὐτὴν ὡς ἐπίτηδες ἀνηγμένου τοῦ χιτῶνος ἀπὸ τῶν ἀπορρήτων, ὑποδημάτων δὲ καὶ δακτυλίων καὶ κεκρυφάλου διερριμμένων χωρὶς ἄλλων ἀλλαχόθι, τοῦ δὲ στόματος ἔξω προβεβληκότος τὴν [b] γλῶσσαν. ἀποφηναμένων δὲ τῶν μάντεων δεινὴν μὲν αἰσχύνην ταῖς ἱεραῖς παρθένοις εἶναι καὶ γενήσεσθαι περιβόητον, ἅψεσθαι δέ τινα καὶ ἱππέων ὕβριν, ἐμήνυσε Βάρρου τινὸς ἱππικοῦ θεράπων τρεῖς παρθένους τῶν ἑστιάδων, Αἰμιλίαν καὶ Λικινίαν καὶ Μαρκίαν, ὑπὸ ταὐτὸ διεφθαρμένας καὶ συνούσας πολὺν χρόνον ἀνδράσιν, ὧν εἷς ἦν Βετούτιος Βάρρος τοῦ μηνυτοῦ δεσπότης. ἐκεῖναι μὲν οὖν ἐκολάσθησαν ἐξελεγχθεῖσαι, τῆς δὲ πράξεως δεινῆς φανείσης ἔδοξεν ἀνερέσθαι τὰ Σιβύλλεια τοὺς ἱερεῖς.

εὑρεθῆναι δέ φασι χρησμοὺς ταῦτά τε προδηλοῦντας [c] ὡς ἐπὶ κακῷ γενησόμενα καὶ προστάττοντας ἀλλοκότοις τισὶ δαίμοσι καὶ ξένοις ἀποτροπῆς ἕνεκα τοῦ ἐπιόντος προέσθαι δύο μὲν Ἕλληνας, δύο δὲ Γαλάτας ζῶντας αὐτόθι κατορυγέντας.

'Διὰ τί τὴν τῆς ἡμέρας ἀρχὴν ἐκ μέσης νυκτὸς λαμβάνουσι;' πότερον ὅτι ἡ πολιτεία στρατιωτικὴν ἐν ἀρχῇ σύνταξιν εἶχε, τὰ δὲ πολλὰ νύκτωρ ἐν ταῖς στρατείαις προλαμβάνεται τῶν χρησίμων; ἢ πράξεως μὲν ἀρχὴν ἐποιοῦντο τὴν ἀνατολήν, παρασκευῆς δὲ τὴν νύκτα; δεῖ γὰρ παρασκευασαμένους πράττειν, ἀλλὰ μὴ παρασκευάζεσθαι πράττοντας, ὡς Μύσων πρὸς Χίλωνα τὸν σοφὸν εἶπεν ἐν χειμῶνι θρίνακα τεκταινόμενος.

[d] ἢ καθάπερ ἡ μεσημβρία πέρας ἐστὶ τοῖς πολλοῖς τοῦ τὰ δημόσια καὶ σπουδαῖα πράττειν, οὕτως ἀρχὴν ἔδοξε ποιεῖσθαι τὸ μεσονύκτιον; τεκμήριον δὲ τούτου μέγα τὸ μὴ ποιεῖσθαι Ῥωμαῖον ἄρχοντα συνθήκας μηδ' ὁμολογίας μετὰ μέσον ἡμέρας. ἢ δύσει μὲν καὶ ἀνατολῇ λαμβάνειν ἀρχὴν ἡμέρας καὶ τελευτὴν ‹οὐ› δυνατόν ἐστιν; ὡς μὲν γὰρ οἱ πολλοὶ τῇ αἰσθήσει διορίζουσιν ἡμέρας μὲν ἀρχὴν τὴν πρώτην ἀνάσχεσιν τοῦ ἡλίου, νυκτὸς δὲ ‹τὴν› τελευταίαν ἀπόκρυψιν λαμβάνοντες, οὐχ ἕξομεν [e] ἰσημερίαν, ἀλλ' ἣν μάλιστα τῇ ἡμέρᾳ νύκτα παρισοῦσθαι δοκοῦμεν, αὕτη τῆς ἡμέρας ἐλάττων φανεῖται τῷ τοῦ ἡλίου μεγέθει. ὃ δ' αὖ πάλιν οἱ μαθηματικοὶ ταύτην ἰώμενοι τὴν ἀτοπίαν τίθενται, τὸ τοῦ ἡλίου κέντρον, ὅταν ἅψηται τοῦ ὁρίζοντος, ἡμέρας διορισμὸν εἶναι καὶ νυκτός, ἀναίρεσίς ἐστι τῆς ἐναργείας. συμβήσεται γὰρ ἔτι πολλοῦ φωτὸς ὑπὲρ γῆν ὄντος καὶ τοῦ ἡλίου καταλάμποντος ἡμᾶς μηδέπω ἡμέραν ὁμολογεῖν ἀλλ' ἔτι νύκτα εἶναι. ἐπεὶ τοίνυν ἐν ταῖς ἀνατολαῖς καὶ δύσεσι τοῦ ἡλίου δύσληπτός ἐστιν ἡ ἀρχὴ διὰ τὰς εἰρημένας ἀλογίας, ἀπολείπεται τὸ μεσουρανοῦν ἢ τὸ ἀντιμεσουρανοῦν αὐτοῦ λαμβάνειν ἀρχήν. βέλτιον δὲ τὸ [f] δεύτερον· φέρεται γὰρ ἐκ μεσημβρίας ἐπὶ τὰς δύσεις ἀφ' ἡμῶν, ἐκ δὲ μεσονυκτίου πρὸς ἡμᾶς ἐπὶ τὰς ἀνατολάς.

'Διὰ τί τὰς γυναῖκας οὔτ' ἀλεῖν εἴων οὔτ' ὀψοποιεῖν τὸ παλαιόν;' ἦ τὰς συνθήκας διαμνημονεύοντες, ἃς ἐποιήσαντο πρὸς τοὺς Σαβίνους; ἐπεὶ γὰρ ἥρπασαν τὰς θυγατέρας αὐτῶν εἶτα πολεμήσαντες διηλλάγησαν, ἐν ταῖς ἄλλαις ὁμολογίαις καὶ τοῦτ' ἐγράφη, μήτ' ἀλεῖν ἀνδρὶ Ῥωμαίῳ γυναῖκα μήτε μαγειρεύειν.

'Διὰ τί τοῦ Μαΐου μηνὸς οὐκ ἄγονται γυναῖκας;' πότερον ὅτι μέσος ἐστὶ τοῦ Ἀπριλλίου καὶ τοῦ Ἰουνίου [285] [a] μηνός, ὧν τὸν μὲν Ἀφροδίτης τὸν δ' Ἥρας, γαμηλίων θεῶν, ἱερὸν νομίζοντες προλαμβάνουσι μικρὸν ἢ περιμένουσιν; ἢ ὅτι τῷ μηνὶ τούτῳ τὸν μέγιστον ποιοῦνται τῶν καθαρμῶν, νῦν μὲν εἴδωλα ῥιπτοῦντες ἀπὸ τῆς γεφύρας εἰς τὸν ποταμὸν πάλαι δ'

ἀνθρώπους; διὸ καὶ τὴν Φλαμινίκαν, ἱερὰν τῆς Ἥρας εἶναι δοκοῦσαν, νενόμισται σκυθρωπάζειν, μήτε λουομένην τηνικαῦτα μήτε κοσμουμένην. ἢ ὅτι πολλοὶ Λατίνων ἐν τῷ μηνὶ τούτῳ [b] τοῖς κατοιχομένοις ἐναγίζουσι; καὶ διὰ τοῦτ' ἴσως Ἑρμῆν ἐν αὐτῷ σέβονται καὶ Μαίας ἐπώνυμός ἐστιν. ἤ, καθάπερ ἔνιοι λέγουσιν, ὁ μὲν Μάιος ἀπὸ τῆς πρεσβυτέρας, ὁ δ' Ἰούνιος ἀπὸ τῆς νεωτέρας ἡλικίας ὠνόμασται; γάμῳ δ' ἁρμοδιώτερον τὸ νέον, ὡς καὶ Εὐριπίδης (fr. 23) φησίν

'ἀλλ' ἢ τὸ γῆρας τὴν Κύπριν χαίρειν ἐᾷ,

ἥ τ' Ἀφροδίτη τοῖς γέρουσιν ἄχθεται.'

οὐ γαμοῦσιν οὖν ἐν τῷ Μαΐῳ, περιμένοντες τὸν Ἰούνιον, ὃς εὐθύς ἐστι μετὰ τὸν Μάιον.

'Διὰ τί τῶν γαμουμένων αἰχμῇ δορατίου τὴν κόμην διακρίνουσιν;' ἆρα σύμβολόν ἐστι τοῦτο τοῦ βίᾳ [c] καὶ μετὰ πολέμου γαμηθῆναι τὰς πρώτας; ἢ μανθάνουσιν ἀνδράσι συνοικοῦσαι μαχίμοις καὶ πολεμικοῖς ἄθρυπτον καὶ ἄθηλυν καὶ ἀφελῆ προσίεσθαι καλλωπισμόν; ὥσπερ ὁ Λυκοῦργος ἀπὸ πρίονος καὶ πελέκεως κελεύσας τὰ θυρώματα ταῖς οἰκίαις ποιεῖν καὶ τὰς ὀροφάς, ἄλλῳ δὲ μὴ χρῆσθαι τὸ παράπαν ἐργαλείῳ, πᾶσαν ἐξέβαλε περιεργίαν καὶ πολυτέλειαν. ἢ τὴν διάστασιν αἰνίττεται τὸ γινόμενον, ὡς μόνῳ σιδήρῳ τοῦ γάμου διακριθησομένου; ἢ τὰ μὲν πλεῖστα τῶν γαμικῶν εἰς τὴν Ἥραν ἀνῆπτο, Ἥρας δ' ἱερὸν τὸ δόρυ νενόμισται, καὶ τῶν ἀγαλμάτων αὐτῆς δόρατι στηρίζεται τὰ πλεῖστα καὶ Κυρῖτις ἡ θεὸς ἐπωνόμασται; τὸ γὰρ δόρυ 'κύριν' ἐκάλουν [d] οἱ παλαιοί· διὸ καί φασι Κυρῖνον ὀνομασθῆναι τὸν Ἐνυάλιον.

'Διὰ τί τὸ τελούμενον εἰς θέας Λοῦκαρ καλοῦσιν;' ἦ ὅτι πολλὰ ἔστιν ἄλση περὶ τὴν πόλιν ἀνειμένα θεοῖς, ἃ καλοῦσι 'λούκους', καὶ τὴν ἀπὸ τούτων πρόσοδον εἰς τὰς θέας ἀνήλισκον;

'Διὰ τί τὰ Κυρινάλια μωρῶν ἑορτὴν ὀνομάζουσιν;' ἦ ὅτι τὴν ἡμέραν ταύτην ἀποδεδώκεσαν, ὡς Ἰόβας (FHG III p. 470) φησί, τοῖς τὰς αὑτῶν φατρίας ἀγνοοῦσιν; ἢ τοῖς μὴ θύσασιν, ὥσπερ οἱ λοιποί, κατὰ φυλὰς ἐν τοῖς Φουρνικαλίοις δι' ἀσχολίαν ἢ ἀποδημίαν ἢ ἄγνοιαν ἐδόθη τῇ ἡμέρᾳ ταύτῃ τὴν ἑορτὴν ἐκείνην ἀπολαβεῖν;

[e] 'Διὰ τί τῷ Ἡρακλεῖ γινομένης θυσίας ἄλλον οὐδένα θεῶν ὀνομάζουσιν οὐδὲ φαίνεται κύων ἐντὸς τῶν περιβόλων, ὡς Βάρρων (13, 1 Merkel) ἱστόρηκεν;' ἦ θεὸν μὲν ἄλλον οὐκ ὀνομάζουσι διὰ τὸ τοῦτον ἡμίθεον νομίζειν, ὡς δέ φασιν ἔνιοι, καὶ μετὰ τῶν ἀνθρώπων ὄντος ἔτι βωμὸν ἱδρύσασθαι τὸν Εὔανδρον αὐτοῦ καὶ θυσίαν προσαγαγεῖν; κυνὶ δὲ πάντων μάλιστα τῶν ζῴων ἐπολέμησε· καὶ γὰρ ὁ Ὄρθος αὐτῷ [ἀεὶ] πολλὰ πράγματα

[f] παρέσχε καὶ ὁ Κέρβερος· καὶ ἐπὶ πᾶσι, τοῦ Λικυμνίου παιδὸς Οἰωνοῦ διὰ κύνα φονευθέντος ὑπὸ τῶν Ἱπποκοωντιδῶν, ἀναγκασθεὶς μάχην συνάψαι τῶν τ' ἄλλων φίλων πολλοὺς ἀπέβαλε καὶ τὸν ἀδελφὸν Ἰφικλέα.

'Διὰ τί τοῖς πατρικίοις οὐκ ἐξῆν περὶ τὸ Καπετώλιον κατοικεῖν;' πότερον ὅτι Μᾶρκος Μάλλιος αὐτόθι κατοικῶν ἐπεχείρησε τυραννίδι, ‹δι'› ὃν ἀπώμοτόν φασιν εἶναι τῷ οἴκῳ μηδενὶ Μαλλίων ὄνομα Μᾶρκον γενέσθαι; ἢ παλαιὸς ἦν φόβος οὗτος; Ποπλικόλαν γοῦν ἄνδρα δημοτικώτατον οὐκ ἐπαύσαντο διαβάλλοντες μὲν οἱ δυνατοὶ δεδιότες δ' οἱ πολλοί, μέχρι οὗ τὴν οἰκίαν αὐτὸς κατέσκαψεν ἐπικεῖσθαι τῇ ἀγορᾷ δοκοῦσαν.

'Διὰ τί τῷ σώσαντι πολίτην ἐν πολέμῳ δρύινον [286] [a] διδόασι στέφανον;' πότερον ὅτι πανταχοῦ καὶ ῥᾳδίως ἔστιν εὐπορῆσαι δρυὸς ἐπὶ στρατείας; ἢ ὅτι Διὸς καὶ Ἥρας ἱερὸς ὁ στέφανός ἐστιν, οὓς πολιούχους νομίζουσιν; ἢ παλαιὸν ἀπ' Ἀρκάδων τὸ ἔθος, οἷς ἔστι τις συγγένεια πρὸς τὴν δρῦν; πρῶτοι γὰρ ἀνθρώπων γεγονέναι δοκοῦσιν ἐκ γῆς, ὥσπερ ἡ δρῦς τῶν φυτῶν.

'Διὰ τί γυψὶ χρῶνται μάλιστα πρὸς τοὺς οἰωνισμούς;' πότερον ὅτι καὶ Ῥωμύλῳ δώδεκα γῦπες ἐφάνησαν ἐπὶ τῇ κτίσει τῆς Ῥώμης; ἢ ὅτι τῶν ὀρνίθων ἥκιστα συνεχὴς καὶ συνήθης οὗτος; οὐδὲ γὰρ νεοττιᾷ γυπὸς ἐντυχεῖν ῥᾳδίως ἔστιν, ἀλλὰ πόρρωθέν ποθεν ἐξαπίνης [b] καταίρουσι· διὸ καὶ σημειώδης ἡ ὄψις αὐτῶν ἐστιν. ἢ καὶ τοῦτο παρ' Ἡρακλέους ἔμαθον; εἰ λέγει ἀληθῶς Ἡρόδωρος (Fr. Gr. Hist. 31 F. 22), ὅτι πάντων μάλιστα γυψὶν ἐπὶ πράξεως ἀρχῇ φανεῖσιν ἔχαιρεν Ἡρακλῆς, ἡγούμενος δικαιότατον εἶναι τὸν γῦπα τῶν σαρκοφάγων πάντων· πρῶτον μὲν γὰρ οὐδενὸς ἅπτεται ζῶντος οὐδ' ἀποκτίννυσιν ἔμψυχον οὐδὲν ὡς ἀετοὶ καὶ ἱέρακες καὶ τὰ νυκτίνομα, χρῆται δὲ τοῖς ἄλλως ἀποθανοῦσιν· ἔπειτα καὶ τούτων τὰ ὁμόφυλα παρίησι· πετεινοῦ γὰρ οὐδεὶς ἑώρακε γῦπα γευόμενον, ὡς ἀετοὶ καὶ ἱέρακες [c] μάλιστα τὰ συγγενῆ διώκουσι καὶ κόπτουσι. καίτοι κατ' Αἰσχύλον (Suppl. 226)

'ὄρνιθος ὄρνις πῶς ἂν ἁγνεύοι φαγών;'

ἀνθρώποις τε πάντων ὡς ἔπος εἰπεῖν ἀβλαβέστατός ἐστιν, οὔτε καρπὸν ἀφανίζων οὔτε φυτὸν οὔτε ζῷον ἥμερον κακουργῶν. εἰ δ' ὡς Αἰγύπτιοι μυθολογοῦσι, θῆλυ πᾶν τὸ γένος ἐστὶ καὶ κυΐσκονται δεχόμενοι καταπνέοντα τὸν ἀπηλιώτην ὥσπερ τὰ δένδρα τὸν ζέφυρον, καὶ παντάπασιν ἀπλανῆ τὰ σημεῖα καὶ βέβαια γίνεσθαι πιθανόν ἐστιν ἀπ' αὐτῶν, ἐν δὲ τοῖς ἄλλοις αἱ περὶ τὰς ὀχείας σοβήσεις ἔτι δ' ἁρπαγαὶ καὶ φυγαὶ καὶ διώξεις πολὺ τὸ θορυβῶδες καὶ ἀκατάστατον ἔχουσι.

[d] 'Διὰ τί τοῦ Ἀσκληπιοῦ τὸ ἱερὸν ἔξω πόλεώς ἐστι;' πότερον ὅτι τὰς ἔξω διατριβὰς ὑγιεινοτέρας ἐνόμιζον εἶναι τῶν ἐν ἄστει; καὶ γὰρ Ἕλληνες ἐν

τόποις καθαροῖς καὶ ὑψηλοῖς ἐπιεικῶς ἱδρυμένα τὰ Ἀσκληπιεῖα ἔχουσιν· ἢ ὅτι τὸν θεὸν ἐξ Ἐπιδαύρου μετάπεμπτον ἥκειν νομίζουσιν; Ἐπιδαυρίοις δ’ οὐ κατὰ πόλιν ἀλλὰ πόρρω τὸ Ἀσκληπιεῖόν ἐστιν. ἢ ὅτι τοῦ δράκοντος ἐκ τῆς τριήρους κατὰ τὴν νῆσον ἀποβάντος καὶ ἀφανισθέντος αὐτὸν ᾤοντο τὴν ἵδρυσιν ὑφηγεῖσθαι τὸν θεόν;

‘Διὰ τί νενόμισται τοὺς ἁγνεύοντας ὀσπρίων ἀπέχεσθαι;’ πότερον, ὡς οἱ Πυθαγορικοὶ τοὺς μὲν κυάμους ἀφωσιοῦντο διὰ τὰς λεγομένας αἰτίας, τὸν δὲ λάθυρον [e] καὶ τὸν ἐρέβινθον ὡς παρωνύμους τοῦ ἐρέβους καὶ τῆς λήθης; ἢ ὅτι πρὸς τὰ περίδειπνα καὶ τὰς προκλήσεις τῶν νεκρῶν μάλιστα χρῶνται τοῖς ὀσπρίοις; ἢ μᾶλλον ὅτι δεῖ πρὸς τὰς ἁγνείας καὶ ἁγιστείας καθαρὰ καὶ λιτὰ τὰ σώματα ἔχειν; ἔστι δὲ τὰ ὄσπρια πνευματώδη καὶ περίσσευμα ποιεῖ πολλῆς καθάρσεως δεόμενον. ἢ ὅτι καὶ πρὸς συνουσίαν παρορμᾷ διὰ τὸ φυσῶδες καὶ πνευματικόν;

‘Διὰ τί τῶν παναγῶν παρθένων τὰς διαφθαρείσας [f] ἄλλως οὐ κολάζουσιν, ἀλλὰ ζώσας κατορύττουσι;’ πότερον ὅτι καίουσι τοὺς ἀποθανόντας, θάπτειν δὲ πυρὶ τὴν τὸ πῦρ τὸ θεῖον ὁσίως μὴ φυλάξασαν οὐκ ἦν δίκαιον; ἢ σῶμα ταῖς μεγίσταις καθωσιωμένον ἁγιστείαις ἀναιρεῖν καὶ προσφέρειν ἱερᾷ γυναικὶ χεῖρας οὐ θεμιτὸν ἐνόμιζον; αὐτὴν οὖν ἀποθανεῖν μηχανώμενοι δι’ αὑτῆς κατεβίβαζον ὑπὸ γῆν εἰς οἴκημα πεποιημένον, ὅπου καὶ λύχνος ἔκειτο καιόμενος καὶ ἄρτος καὶ γάλακτός τι [287] [a] καὶ ὕδατος, εἶτα γῇ τὸ οἴκημα κατέκρυπτον ἄνωθεν. καὶ οὐδὲ τοῦτον τὸν τρόπον ἀφοσιωσάμενοι τὴν δεισιδαιμονίαν ἐκπεφεύγασιν, ἀλλὰ μέχρι νῦν ἐναγίζουσιν οἱ ἱερεῖς ἐκεῖ βαδίζοντες ἐπὶ τὸν τόπον.

‘Διὰ τί ταῖς Δεκεμβρίαις εἰδοῖς ἱπποδρομίας γενομένης ὁ νικήσας δεξιόσειρος Ἄρει θύεται, καὶ τὴν μὲν οὐρὰν ἀποκόψας τις ἐπὶ τὴν Ῥηγίαν καλουμένην κομίζει καὶ τὸν βωμὸν αἱμάσσει, περὶ δὲ τῆς κεφαλῆς οἱ μὲν ἀπὸ τῆς ἱερᾶς ὁδοῦ λεγομένης οἱ δ’ ἀπὸ τῆς Συβούρης καταβάντες διαμάχονται;’ πότερον, ὡς ἔνιοι λέγουσιν, ἵππῳ τὴν Τροίαν ἡλωκέναι νομίζοντες ἵππον κολάζουσιν, ἅτε δὴ καὶ γεγονότες

[b] ‘Τρώων ἀγλαὰ τέκνα μεμιγμένα παισὶ Λατίνων’;

ἢ ὅτι θυμοειδὲς καὶ πολεμικὸν καὶ ἀρήιον ὁ ἵππος ἐστὶ τὰ δὲ προσφιλῆ μάλιστα καὶ πρόσφορα θύουσι τοῖς θεοῖς, ὁ δὲ νικήσας θύεται διὰ τὸ νίκης καὶ κράτους οἰκεῖον εἶναι τὸν θεόν; ἢ μᾶλλον ὅτι τοῦ θεοῦ στάσιμον τὸ ἔργον ἐστὶ καὶ νικῶσιν οἱ μένοντες ἐν τάξει τοὺς μὴ μένοντας ἀλλὰ φεύγοντας, καὶ κολάζεται τὸ τάχος ὡς δειλίας ἐφόδιον, καὶ μανθάνουσι συμβολικῶς ὅτι σωτήριον οὐκ ἔστι τοῖς φεύγουσι;

‘Διὰ τί οἱ τιμηταὶ τὴν ἀρχὴν παραλαβόντες οὐδὲν ἄλλο πράττουσι πρότερον ἢ τὴν τροφὴν ἀπομισθοῦσι [c] τῶν ἱερῶν χηνῶν καὶ τὴν γάνωσιν τοῦ ἀγάλματος;’ πότερον ἀπὸ τῶν εὐτελεστάτων ἀρχόμενοι καὶ μὴ πολλῆς δεομένων δαπάνης μηδὲ πραγματείας; ἢ παλαιά τις αὕτη χάρις ἀπομνημονεύεται τοῖς ζῴοις ἀπὸ τῶν Κελτικῶν, ὅτι τοὺς βαρβάρους ὑπερβαίνοντας ἤδη τὸ περιτείχισμα τοῦ Καπετωλίου νύκτωρ οἱ χῆνες ᾔσθοντο τῶν κυνῶν καθευδόντων καὶ βοῇ τοὺς φύλακας ἐπήγειραν; ἢ φύλακες ὄντες οἱ τιμηταὶ τῶν μεγίστων, καὶ προσῆκον ἐπισκοπεῖν καὶ πολυπραγμονεῖν αὐτοῖς ἱερὰ καὶ δημόσια καὶ βίους καὶ ἤθη καὶ διαίτας, τὸ φυλακτικώτατον ζῷον εὐθὺς ἐν λόγῳ τίθενται, καὶ ἅμα τῇ τούτων ἐπιμελείᾳ προτρέπονται τοὺς πολίτας μὴ ἀμελεῖν μηδὲ [d] ῥᾳθυμεῖν τῶν ἱερῶν; ἡ δὲ γάνωσις τοῦ ἀγάλματος ἀναγκαία· ταχὺ γὰρ ἐξανθεῖ τὸ μίλτινον, ᾧ τὰ παλαιὰ τῶν ἀγαλμάτων ἔχρωζον.

‘Διὰ τί τῶν ἄλλων ἱερέων τὸν καταδικασθέντα καὶ φυγόντα παύοντες ἕτερον αἱροῦνται, τοῦ δ’ ‘αὔγουρος’, ἕως ζῇ, κἂν ἐπὶ τοῖς μεγίστοις ἀδικήμασι καταγνῶσιν, οὐκ ἀφαιροῦνται τὴν ἱερωσύνην (‘αὔγουρας’ δὲ τοὺς ἐπὶ τῶν οἰωνῶν καλοῦσι);’ πότερον, ὡς ἔνιοι λέγουσι, βούλονται μηδένα τὰ τῶν ἱερῶν ἀπόρρητα γινώσκειν, ὃς οὐκ ἔστιν ἱερεύς; ἢ κατειλημμένον ὅρκοις τὸν αὔγουρα μηδενὶ φράσειν τὰ τῶν ἱερέων ἀπολῦσαι τῶν [e] ὅρκων οὐ θέλουσιν ἰδιώτην γενόμενον; ἢ τιμῆς οὐκ ἔστιν οὐδ’ ἀρχῆς ἀλλ’ ἐπιστήμης ὄνομα καὶ τέχνης ὁ αὔγουρ; ὅμοιον οὖν τῷ τὸν μουσικὸν ἀποψηφίσασθαι μουσικὸν μὴ εἶναι καὶ τὸν ἰατρὸν ἰατρὸν τὸ κωλύειν μάντιν εἶναι τὸν μάντιν, ἀφελέσθαι μὴ δυναμένους τὴν δύναμιν αὐτοῦ, κἂν ἀφέλωνται τὴν προσηγορίαν. ἄλλον δ’ οὐ καθιστᾶσιν, εἰκότως τὸν ἐξ ἀρχῆς ἀριθμὸν τῶν αὐγούρων φυλάττοντες.

‘Διὰ τί ταῖς Αὐγούσταις εἰδοῖς, Σεκστιλίαις δὲ πρότερον λεγομέναις, ἑορτάζουσιν αἵ τε δοῦλαι καὶ οἱ [f] δοῦλοι πάντες, αἱ δὲ γυναῖκες μάλιστα ῥύπτεσθαι τὰς κεφαλὰς καὶ καθαίρειν ἐπιτηδεύουσιν;’ ἦ διὰ τὸ Σερούιον τὸν βασιλέα κατὰ ταύτην τὴν ἡμέραν ἐξ αἰχμαλώτου γενέσθαι θεραπαινίδος ἄδειαν ἔργων ἔχουσιν οἱ θεράποντες, τὸ δὲ πλύνειν τὰς κεφαλὰς ἀρξάμενον ἀπὸ τῶν θεραπαινίδων διὰ τὴν ἑορτὴν ἄχρι τῶν ἐλευθέρων προῆλθεν;

‘Διὰ τί κοσμοῦσι τοὺς παῖδας τοῖς περιδεραίοις, ἃ βούλλας καλοῦσι;’ πότερον ἐπὶ τιμῇ τῶν ἡρπασμένων γυναικῶν ὥσπερ ἄλλα πολλὰ καὶ τοῦτ’ ἐψηφίσαντο τοῖς ἐξ αὐτῶν γεννωμένοις ὑπάρχειν; ἢ τὴν Ταρκυνίου τιμῶντες ἀνδραγαθίαν; λέγεται γὰρ ἔτι παῖς ὢν ἐν τῇ [288] [a] μάχῃ τῇ πρὸς Λατίνους ἅμα καὶ Τυρρηνοὺς ἐμβαλεῖν εἰς τοὺς πολεμίους, ἀπορρυεὶς δὲ τοῦ ἵππου καὶ τοὺς ἐπιφερομένους ἰταμῶς ὑποστὰς ἐπιρρῶσαι τοὺς Ῥωμαίους, γενομένης

δὲ λαμπρᾶς τροπῆς τῶν πολεμίων καὶ μυρίων ἑξακισχιλίων ἀναιρεθέντων τοῦτο λαβεῖν ἀριστεῖον παρὰ τοῦ πατρὸς καὶ βασιλέως. ἢ τοῖς παλαιοῖς οἰκετῶν μὲν ἐρᾶν ὥραν ἐχόντων οὐκ ἦν ἄδοξον οὐδ’ αἰσχρόν, ὡς ἔτι νῦν αἱ κωμῳδίαι μαρτυροῦσιν· ἐλευθέρων δὲ παίδων ἰσχυρῶς ἀπείχοντο, καὶ ὅπως μηδὲ γυμνοῖς ἐντυχόντες [b] ἀμφιγνοήσειαν, ἐφόρουν οἱ παῖδες τὸ παράσημον; ἢ καὶ πρὸς ἀταξίαν ἐστὶ φυλακτήριον τοῦτο, καὶ τρόπον τινὰ τοῦ ἀκολάστου χαλινός, αἰσχυνομένων ἀνδροῦσθαι πρὶν ἢ τὸ παιδικὸν ἀποθέσθαι παράσημον; ὃ μὲν γὰρ οἱ περὶ Βάρρωνα λέγουσιν οὐ πιθανόν ἐστι, τῆς βούλλης ὑπ’ Αἰολέων βόλλας προσαγορευομένης, τοῦτο σύμβολον εὐβουλίας περιτίθεσθαι τοὺς παῖδας. ἀλλ’ ὅρα μὴ καὶ τοῦτο διὰ τὴν σελήνην φοροῦσι. τὸ γὰρ φαινόμενον σχῆμα τῆς σελήνης, ὅταν ᾖ διχόμηνος, οὐ σφαιροειδὲς ἀλλὰ φακοειδές ἐστι καὶ δισκοειδές, ὡς δ’ Ἐμπεδοκλῆς (Vorsokr.4`4 21 A 60) οἴεται, καὶ τὸ ὑποκείμενον.

‘Διὰ τί τῶν παίδων τοῖς μὲν ἄρρεσιν ἐναταίοις, [c] τοῖς δὲ θήλεσιν ὀγδοαίοις τὰ ὀνόματα τίθενται;’ ἦ τὸ μὲν προτέροις τοῖς θήλεσιν αἰτίαν ἔχει τὴν φύσιν; καὶ γὰρ αὔξεται τὸ θῆλυ καὶ ἀκμάζει καὶ τελειοῦται πρότερον τοῦ ἄρρενος. τῶν δ’ ἡμερῶν τὰς μετὰ τὴν ἑβδόμην λαμβάνουσιν· ἡ γὰρ ἑβδόμη σφαλερὰ τοῖς νεογνοῖς πρός τε τὰ ἄλλα καὶ τὸν ὀμφαλόν· ἑβδομαῖος γὰρ ἀπολύεται τοῖς πλείστοις· ἕως δ’ ἀπολυθῇ, φυτῷ μᾶλλον ἢ ζῴῳ προσέοικε τὸ νήπιον. ἢ καθάπερ οἱ Πυθαγορικοὶ τοῦ ἀριθμοῦ τὸν μὲν ἄρτιον θῆλυν ἄρρενα δὲ τὸν περιττὸν [d] ἐνόμιζον; γόνιμος γάρ ἐστι καὶ κρατεῖ τοῦ ἀρτίου συντιθέμενος. καὶ διαιρουμένων εἰς τὰς μονάδας ὁ μὲν ἄρτιος καθάπερ τὸ θῆλυ χώραν μεταξὺ κενὴν ἐνδίδωσι, τοῦ δὲ περιττοῦ μόριον ἀεί τι πλῆρες ὑπολείπεται· διὸ τὸν μὲν ἄρρενι τὸν δὲ θήλει πρόσφορον νομίζουσιν. ἦ ὅτι τῶν ἀριθμῶν ἁπάντων τὰ μὲν ἐννέα πρῶτός ἐστι τετράγωνος ἀπὸ περιττοῦ καὶ τελείου τῆς τριάδος, τὰ δ’ ὀκτὼ πρῶτος κύβος ἀπὸ ἀρτίου τῆς δυάδος; δεῖ δὲ τὸν μὲν ἄνδρα τετράγωνον εἶναι καὶ περιττὸν καὶ τέλειον, τὴν δὲ γυναῖκα καθάπερ τὸν κύβον ἑδραῖον καὶ οἰκουρὸν καὶ δυσμετακίνητον. τούτῳ δὲ προσληπτέον, ὅτι τὰ μὲν [e] ὀκτὼ κύβος ἐστὶν ἀπὸ δυάδος, τὰ δ’ ἐννέα τετράγωνος ἀπὸ τριάδος· χρῶνται δὲ δυσὶ μὲν ὀνόμασιν αἱ θήλειαι τρισὶ δ’ οἱ ἄρρενες.

‘Διὰ τί τοὺς ἀπάτορας ‘σπορίους’ υἱοὺς καλοῦσιν;’ οὐ γάρ, ὡς Ἕλληνες νομίζουσι καὶ λέγουσιν οἱ ῥήτορες ἐν ταῖς δίκαις, συμφορητοῦ τινος καὶ κοινοῦ σπέρματος γεγόνασιν, ἀλλ’ ἔστιν ὁ Σπόριος τῶν πρώτων ὀνομάτων, ὡς ὁ Σέξτος καὶ ὁ Δέκιμος καὶ ὁ Γάιος. τὰ δὲ πρῶτα τῶν ὀνομάτων οὐχ ὁλογραφοῦσιν ἀλλ’ ἢ δι’ ἑνὸς γράμματος, ὡς τὸν Τίτον καὶ τὸν Λούκιον καὶ τὸν Μᾶρκον, ἢ διὰ δυεῖν, ὡς τὸν Τιβέριον καὶ τὸν Γναῖον, ἢ διὰ τριῶν, ὡς τὸν

Σέξτον καὶ τὸν Σερούιον. ἔστιν οὖν καὶ ὁ Σπόριος τῶν διὰ δυεῖν γραφομένων, τοῦ σ [f] καὶ τοῦ π. γράφουσι δὲ διὰ τούτων καὶ τοὺς ἀπάτορας 'σίνε πάτρις' οἷον ἄνευ πατρός, τῷ μὲν σ τό 'σίνε' τῷ δὲ π τό 'πάτρις' σημαίνοντες. τοῦτ' οὖν τὴν πλάνην ἐποίησε, τὸ διὰ τῶν αὐτῶν γραμμάτων τό 'σίνε πάτρις' καὶ τὸν Σπόριον γράφεσθαι. λεκτέον δὲ καὶ τὸν ἕτερον λόγον, ἔστι δ' ἀτοπώτερος· τοὺς γὰρ Σαβίνους φασὶ τὸ τῆς γυναικὸς αἰδοῖον ὀνομάζειν σπόριον, εἶθ' οἷον ἐφυβρίζοντας οὕτω προσαγορεύειν τὸν ἐκ γυναικὸς ἀγάμου καὶ ἀνεγγύου γεγενημένον.

'Διὰ τί τὸν Διόνυσον 'Λίβερουμ πάτρεμ' καλοῦσι;' πότερον ὡς ἐλευθερίας πατέρα τοῖς πιοῦσι γενόμενον; [289] [a] γίνονται γὰρ οἱ πολλοὶ θρασεῖς καὶ παρρησίας ὑποπιμπλῶνται περὶ τὰς μέθας. ἢ ὅτι τὴν λοιβὴν παρέσχεν; ἤ, ὡς Ἀλέξανδρός (FHG III p. 244) φησιν, ἀπὸ τοῦ παρ' Ἐλευθερὰς τῆς Βοιωτίας Ἐλευθερέως Διονύσου προσαγορευομένου;

'Διὰ τίνα αἰτίαν ἐν ταῖς δημοσίαις ἑορταῖς ἔθος οὐκ ἔστι γαμεῖσθαι παρθένους, αἱ δὲ χῆραι γαμοῦνται;' πότερον, ὡς ὁ Βάρρων (8, 3 Merkel) εἴρηκεν, ὅτι λυπούμεναι μὲν αἱ παρθένοι γαμοῦνται, χαίρουσι δ' αἱ γυναῖκες, ἑορτῇ δὲ ‹δεῖ› μηθὲν λυπουμένους ποιεῖν μηδὲ πρὸς ἀνάγκην; ἢ μᾶλλον ὅτι ταῖς μὲν παρθένοις καλὸν [b] μὴ ὀλίγων, ταῖς δὲ χήραις αἰσχρὸν πολλῶν ‹παρ›όντων γαμεῖσθαι; ζηλωτὸς γὰρ ὁ πρῶτος γάμος ὁ δὲ δεύτερος ἀπευκταῖος· αἰσχύνονται γάρ, ἂν ζώντων τῶν προτέρων ἑτέρους λαμβάνωσιν, ὀδύρονται δέ, ἂν ἀποθανόντων. ὅθεν ἡσυχίᾳ χαίρουσι μᾶλλον ἢ θορύβοις καὶ προπομπαῖς. αἱ δ' ἑορταὶ περισπῶσι τοὺς πολλούς, ὥστε τοῖς τοιούτοις μὴ σχολάζειν. ἢ ὅτι καὶ τὰς Σαβίνων θυγατέρας ἁρπάσαντες ἐν ἑορτῇ παρθένους οὔσας εἰς πόλεμον κατέστησαν, ἐξοιωνίσαντο τὸ γαμεῖν παρθένους ἐν ἱεραῖς ἡμέραις;

'Διὰ τί Ῥωμαῖοι Τύχην σέβονται Πριμιγένειαν, ἣν ἄν τις εἴποι πρωτογένειαν;' ἆρ' ὅτι Σερουίῳ κατὰ [c] τύχην, ὥς φασιν, ἐκ θεραπαινίδος γενομένῳ βασιλεῦσαι τῆς Ῥώμης ἐπιφανῶς ὑπῆρξεν (οὕτω γὰρ οἱ πολλοὶ Ῥωμαίων ὑπειλήφασιν); ἢ μᾶλλον, ὅτι τῆς Ῥώμης ἡ τύχη παρέσχε τὴν ἀρχὴν καὶ τὴν γένεσιν; ἢ φυσικώτερον ἔχει λόγον τὸ πρᾶγμα καὶ φιλοσοφώτερον, ὡς τὴν τύχην πάντων οὖσαν ἀρχὴν καὶ τὴν φύσιν ἐκ τοῦ κατὰ τύχην συνισταμένην, ὅταν τισὶν ὡς ἔτυχεν ὑποκειμένοις τάξις ἐγγένηται;

'Διὰ τί τοὺς περὶ τὸν Διόνυσον τεχνίτας 'ἱστρίωνας' Ῥωμαῖοι καλοῦσιν;' ἢ δι' ἣν αἰτίαν Κλούβιος Ῥοῦφος (fr. 4 Peter) ἱστόρηκε; φησὶ γὰρ ἐν τοῖς [d] πάνυ παλαιοῖς χρόνοις Γαΐου τε Σουλπικίου καὶ Λικινίου Στόλωνος ὑπατευόντων λοιμώδη νόσον ἐν Ῥώμῃ γενομένην πάντας ὁμαλῶς διαφθεῖραι τοὺς ἐπὶ σκηνὴν προερχομένους· δεηθεῖσιν οὖν αὐτοῖς ἐκ Τυρρηνίας ἐλθεῖν

πολλοὺς καὶ ἀγαθοὺς τεχνίτας, ὧν τὸν πρωτεύοντα δόξῃ καὶ χρόνον πλεῖστον ἐνευημεροῦντα τοῖς θεάτροις Ἵστρον ὀνομάζεσθαι· καὶ διὰ τοῦτο πάντας 'ἱστρίωνας' ἀπ' ἐκείνου προσαγορεύεσθαι.

'Διὰ τί δὲ τὰς ἐγγὺς γένους οὐ γαμοῦσι;' πότερον αὔξειν τοῖς γάμοις βουλόμενοι τὰς οἰκειότητας καὶ συγγενεῖς πολλοὺς ἐπικτᾶσθαι, διδόντες ἑτέροις καὶ [e] λαμβάνοντες παρ' ἑτέρων γυναῖκας; ἢ φοβούμενοι τὰς ἐν τοῖς γάμοις τῶν συγγενῶν διαφορὰς ὡς καὶ τὰ φύσει δίκαια προσαπολλυούσας; ἢ πολλῶν βοηθῶν τὰς γυναῖκας ὁρῶντες δι' ἀσθένειαν δεομένας οὐκ ἐβούλοντο τὰς ἐγγὺς γένους συνοικίζειν, ὅπως, ἂν οἱ ἄνδρες ἀδικῶσιν αὐτάς, οἱ συγγενεῖς βοηθῶσιν;

'Διὰ τί τῷ ἱερεῖ τοῦ Διός, ὃν Φλάμινα Διᾶλιν καλοῦσιν, οὐκ ἐξῆν ἀλεύρου θιγεῖν οὐδὲ ζύμης;' ἦ τὸ μὲν ἄλευρον ἀτελὴς τροφὴ καὶ ἄπεπτός ἐστιν; οὔτε γὰρ ὃ ἦν μεμένηκεν ὁ πυρὸς οὔθ' ὃ δεῖ γενέσθαι γέγονεν, ὁ ἄρτος, ἀλλὰ καὶ τὴν σπέρματος δύναμιν ἀπολώλεκεν [f] ἅμα καὶ τὴν σιτίου χρείαν οὐκ ἔσχηκε· διὸ καὶ 'μυλήφατον' ὁ ποιητής 'ἄλφιτον' ἐκ μεταφορᾶς ὠνόμακεν (β 355) ὥσπερ φονευόμενον ἐν τῷ ἀλέτῳ καὶ φθειρόμενον. ἡ δὲ ζύμη καὶ γέγονεν ἐκ φθορᾶς αὐτὴ καὶ φθείρει τὸ φύραμα μιγνυμένη· γίνεται γὰρ ἄτονον καὶ ἀδρανὲς καὶ ὅλως ἔοικε σῆψις ἡ ζύμωσις εἶναι· πλεονάσασα γοῦν ἀποξύνει παντάπασι καὶ φθείρει τὸ ἄλευρον.

'Διὰ τί καὶ σαρκὸς ὠμῆς ἀπείρηται τῷ ἱερεῖ ψαύειν;' πότερον ὠμοφαγίας πάνυ πόρρωθεν ἀποτρέπει τὸ ἔθος; ἢ δι' ἣν τὸ ἄλευρον αἰτίαν ἀφοσιοῦνται καὶ τὸ [290] [a] κρέας; οὔτε γάρ ἐστι ζῷον οὔτ' ὄψον ἤδη γέγονεν. ἡ γὰρ ἕψησις καὶ ὄπτησις ἀλλοίωσις οὖσα καὶ μετακόσμησις ἐξίστησι τὴν μορφήν, τὸ δὲ πρόσφατον καὶ ὠμὸν οὐδὲ τὴν ὄψιν ἔχει καθαρὰν καὶ ἀμίαντον, ἀλλ' εἰδεχθῆ καὶ ἑλκώδη.

'Διὰ τί δὲ καὶ κυνὸς καὶ αἰγὸς ἐκέλευον ἀπέχεσθαι τὸν ἱερέα, μήθ' ἁπτόμενον μήτ' ὀνομάζοντα;' πότερον τῆς μὲν αἰγὸς βδελυττόμενοι τὸ ἀκόλαστον καὶ δυσῶδες; ἢ φοβούμενοι τὸ νοσηματικόν; δοκεῖ γὰρ ἐπιληψίᾳ καταλαμβάνεσθαι μάλιστα τῶν ζῴων καὶ προσαναχρώννυσθαι τοῖς φαγοῦσιν ἢ θιγοῦσιν ὑπὸ τοῦ πάθους ἐχομένης. αἰτίαν δὲ λέγουσι τὴν στενότητα τῶν [b] πνευματικῶν πόρων πολλάκις ἐπιλαμβανομένην, τεκμαιρόμενοι τῇ λεπτότητι τῆς φωνῆς· καὶ γὰρ ἀνθρώπων ὅσοις ἐπιληπτίζουσι συμβαίνει φθέγγεσθαι μηκασμῷ παραπλησίαν φωνὴν ἀφιᾶσι. τῷ δὲ κυνὶ τοῦ μὲν ἀκολάστου καὶ δυσώδους ἧττον ἴσως μέτεστι· καίτοι φασὶν ἔνιοι μήτε τῆς Ἀθηναίων ἀκροπόλεως ἐπιβαίνειν κύνα μήτε τῆς Δηλίων νήσου διὰ τὴν ἐμφανῆ μῖξιν, ὥσπερ βοῶν καὶ συῶν καὶ ἵππων ἐν θαλάμοις ἀλλ' οὐκ ἐμφανῶς καὶ ἀνέδην ὀχευόντων. τὴν γὰρ ἀληθινὴν αἰτίαν ἀγνοοῦσιν, ὅτι

μάχιμον ὄντα τὸν κύνα τῶν ἀσύλων καὶ [c] ἁγίων ἐξείργουσιν ἱερῶν, ἀσφαλῆ καταφυγὴν τοῖς ἱκέταις διδόντες. εἰκὸς μὲν οὖν ἐστι καὶ τὸν ἱερέα τοῦ Διὸς ὥσπερ ἔμψυχον καὶ ἱερὸν ἄγαλμα καὶ καταφύξιμον ἀνεῖσθαι τοῖς δεομένοις καὶ ἱκετεύουσι, μηδενὸς ἀπείργοντος μηδ’ ἐκφοβοῦντος. διὸ κλινίδιον μὲν ἦν αὐτοῦ κείμενον ἐν τῷ θυρῶνι τῆς οἰκίας· ὁ δὲ προσπεσὼν τοῖς γόνασι τὴν ἡμέραν ἐκείνην ἄδειαν εἶχε πληγῶν καὶ κολάσεως· εἰ δὲ δεσμώτης φθαίη προσελθών, ἐλύετο· τοὺς δὲ δεσμοὺς ἐκτὸς οὐ κατὰ θύρας ἀλλ’ ὑπὲρ τοῦ στέγους ἀπερρίπτουν. οὐδὲν οὖν ὄφελος ἦν οὕτως αὐτὸν ἥμερον παρέχειν καὶ φιλάνθρωπον, εἰ κύων προειστήκει δεδιττόμενος καὶ ἀπερύκων τοὺς προσφυγεῖν δεομένους.

[d] οὐ μὴν οὐδὲ καθαρεύειν ᾤοντο παντάπασιν οἱ παλαιοὶ τὸ ζῷον· ὀλυμπίων μὲν γὰρ οὐδενὶ θεῶν καθιέρωται, χθονίᾳ δὲ δεῖπνον Ἑκάτῃ πεμπόμενος εἰς τριόδους ἀποτροπαίων καὶ καθαρσίων ἐπέχει μοῖραν. ἐν δὲ Λακεδαίμονι τῷ φονικωτάτῳ θεῶν Ἐνυαλίῳ σκύλακας ἐντέμνουσι· Βοιωτοῖς δὲ δημοσίᾳ καθαρμός ἐστι κυνὸς διχοτομηθέντος ‹διὰ› τῶν μερῶν διεξελθεῖν· αὐτοὶ δὲ Ῥωμαῖοι τοῖς Λυκαίοις, ἃ Λουπερκάλια καλοῦσιν, ἐν τῷ καθαρσίῳ μηνὶ κύνα θύουσιν. ὅθεν οὐκ ἀπὸ τρόπου τοῖς τὸν ὑπέρτατον καὶ καθαρώτατον εἰληφόσι θεραπεύειν θεὸν ἀπειρῆσθαι κύνα ποιεῖσθαι συνήθη καὶ σύνοικον.

[e] ‘Διὰ τίνα δ’ αἰτίαν οὐδὲ κιττοῦ θιγεῖν ἐφίετο τῷ ἱερεῖ τοῦ Διός, οὐδ’ ὁδὸν διελθεῖν ἀναδενδράδος ἄνωθεν διατεταμένης;’ ἦ τοῦτο μὲν ὅμοιόν ἐστι τῷ ‘μὴ ἐσθίειν ἀπὸ δίφρου’ ‘μηδ’ ἐπὶ χοίνικος καθῆσθαι’ ‘μηδὲ σάρον ὑπερβαίνειν’, οὐ ταῦτα τῶν Πυθαγορικῶν δεδιότων καὶ φυλαττομένων, ἀλλ’ ἕτερα τούτοις ἀπαγορευόντων; καὶ γὰρ τὸ ὑπ’ ἄμπελον ὑποπορεύεσθαι τὴν ἀναφορὰν ἐπὶ τὸν οἶνον εἶχεν, ὡς οὐ θεμιτὸν τῷ ἱερεῖ μεθύσκεσθαι. τῶν γὰρ μεθυσκομένων ὑπὲρ κεφαλῆς ὁ οἶνός ἐστι καὶ πιεζοῦνται καὶ ταπεινοῦνται, δέον ὑπερτέρους [f] εἶναι καὶ κρατεῖν ἀεὶ τῆς ἡδονῆς ταύτης ἀλλὰ μὴ κρατεῖσθαι. τὸν δὲ κιττὸν πότερον ὡς ἄκαρπον καὶ ἄχρηστον ἀνθρώποις, ἀδρανῆ δὲ καὶ δι’ ἀσθένειαν ἑτέρων ὀχούντων δεόμενον, σκιᾷ δὲ καὶ χλωρότητος ὄψει γοητεύοντα τοὺς πολλοὺς οὐκ ᾤοντο δεῖν ἀσύμβολον ἐν ταῖς οἰκίαις μάτην ἐντρέφεσθαι καὶ περιπλέκεσθαι βλαβερὸν ὄντα τοῖς προσδεχομένοις φυτοῖς; ‹ἢ ὡς› τῆς γῆς ἐχόμενον; [291] [a] διὸ τῶν μὲν ὀλυμπίων ἱερῶν εἴργεται, καὶ οὔτ’ ἐν Ἥρας Ἀθήνησιν οὔτε Θήβησιν ἐν Ἀφροδίτης ἴδοι τις ἂν κιττόν· Ἀγριωνίοις δὲ καὶ Νυκτελίοις, ὧν τὰ πολλὰ διὰ σκότους δρᾶται, πάρεστιν. ἢ καὶ τοῦτο συμβολικὴ θιάσων καὶ βακχευμάτων ἀπαγόρευσις ἦν; αἱ γὰρ ἔνοχοι τοῖς βακχικοῖς πάθεσι γυναῖκες εὐθὺς ἐπὶ τὸν κιττὸν φέρονται, καὶ σπαράττουσι δραττόμεναι ταῖς χερσὶ καὶ διεσθίουσαι

τοῖς στόμασιν· ὥστε μὴ παντελῶς ἀπιθάνους εἶναι τοὺς λέγοντας, ὅτι καὶ πνεῦμα μανίας ἔχων ἐγερτικὸν καὶ παρακινητικὸν ἐξίστησι καὶ σπαράττει, καὶ [b] ὅλως ἄοινον ἐπάγει μέθην καὶ χάριν τοῖς ἐπισφαλῶς πρὸς ἐνθουσιασμὸν ἔχουσι.

'Διὰ τί τοῖς ἱερεῦσι τούτοις ἀρχὴν οὐκ ἐφεῖτο λαβεῖν οὐδὲ μετελθεῖν, ἀλλὰ ῥαβδούχῳ τε χρῶνται καὶ δίφρον ἡγεμονικὸν ἐπὶ τιμῇ καὶ παραμυθίᾳ τοῦ μὴ ἄρχειν ἔχουσι;' πότερον, ὡς ἐνιαχοῦ τῆς Ἑλλάδος ἀντίρροπον ἦν τὸ τῆς ἱερωσύνης ἀξίωμα πρὸς τὸ τῆς βασιλείας, ‹τοὺς› μὴ τυχόντας ἱερεῖς ἀπεδείκνυσαν; ἢ μᾶλλον ὅτι, τῶν μὲν ἱερέων ὡρισμένας πράξεις ἐχόντων τῶν δ' [c] ἀρχόντων ἀτάκτους καὶ ἀορίστους, οὐκ ἦν δυνατὸν εἰς ἓν ἅμα τῶν καιρῶν συμπεσόντων ἑκατέρῳ παρεῖναι τὸν αὐτόν, ἀλλ' ἔδει θάτερα πολλάκις ἀμφοτέρων ἐπειγόντων ἀπολείποντα νῦν μὲν ἀσεβεῖν τοὺς θεούς, νῦν δὲ βλάπτειν τοὺς πολίτας; ἢ ταῖς ἀνθρωπίναις ἐνορῶντες ἀρχαῖς οὐκ ἐλάττονα τῆς ἐξουσίας τὴν ἀνάγκην προσοῦσαν καὶ τὸν ἄρχοντα δήμου, καθάπερ Ἱπποκράτης (π. φυσ. 1 p. 91 H.) ἔφη τὸν ἰατρόν, δεινὰ μὲν ὁρῶντα δεινῶν δ' ἁπτόμενον, ἐπ' ἀλλοτρίοις δὲ κακοῖς ἰδίας λύπας καρπούμενον, οὐχ ὅσιον ἡγοῦντο θύειν θεοῖς καὶ ἱερῶν κατάρχεσθαι γενόμενον ἐν καταδίκαις καὶ θανατώσεσι πολιτῶν, πολλάκις δὲ καὶ συγγενῶν καὶ οἰκείων, οἷα καὶ Βρούτῳ συνέτυχε;

ΑΙΤΙΑ ΕΛΛΗΝΙΚΑ

'Τίνες οἱ ἐν Ἐπιδαύρῳ κονίποδες καὶ ἄρτυνοι;' οἱ [e] μὲν τὸ πολίτευμα ... ὀγδοήκοντα καὶ ἑκατὸν ἄνδρες ἦσαν· ἐκ δὲ τούτων ᾑροῦντο βουλευτάς, οὓς 'ἀρτύνους' ἐκάλουν. τοῦ δὲ δήμου τὸ πλεῖστον ἐν ἀγρῷ διέτριβεν· ἐκαλοῦντο δέ 'κονίποδες', ὡς συμβαλεῖν ἔστιν ἀπὸ τῶν ποδῶν γνωριζόμενοι κεκονιμένων, ὁπότε κατέλθοιεν εἰς τὴν πόλιν.

'Τίς ἡ παρὰ Κυμαίοις ὀνοβάτις;' τῶν γυναικῶν [f] τὴν ἐπὶ μοιχείᾳ ληφθεῖσαν ἀγαγόντες εἰς ἀγορὰν ἐπὶ λίθου τινὸς ἐμφανῆ πᾶσι καθίστασαν· εἶθ' οὕτως ἀνεβίβαζον ἐπ' ὄνον, καὶ τὴν πόλιν κύκλῳ περιαχθεῖσαν ἔδει πάλιν ἐπὶ τὸν αὐτὸν λίθον κατασταθῆναι καὶ τὸ λοιπὸν ἄτιμον διατελεῖν, 'ὀνοβάτιν' προσαγορευομένην. τὸν δὲ λίθον ἀπὸ τούτου καθαρὸν οὐ νομίζοντες ἀφωσιοῦντο. ἦν δὲ καὶ φυλάκτου τις ἀρχὴ παρ' αὐτοῖς· ὁ δὲ ταύτην ἔχων τὸν μὲν ἄλλον χρόνον ἐτήρει τὸ δεσμωτήριον, εἰς [292] [a] δὲ τὴν βουλὴν ἐν τῷ νυκτερινῷ συλλόγῳ παριὼν ἐξῆγε τοὺς βασιλεῖς τῆς χειρὸς καὶ κατεῖχε, μέχρι περὶ αὐτῶν ἡ βουλὴ διαγνοίη, πότερον ἀδικοῦσιν ἢ οὔ, κρύβδην φέρουσα τὴν ψῆφον.

'Τίς ἡ παρὰ Σόλοις ὑπεκκαύστρια;' τὴν τῆς Ἀθηνᾶς ἱέρειαν οὕτω καλοῦσιν, ὅτι ποιεῖταί τινας θυσίας καὶ ἱερουργίας ἀποτροπαίους.

'Τίνες ἐν Κνίδῳ οἱ ἀμνήμονες καὶ τίς ὁ ἀφεστήρ;' ἑξήκοντα προκρίτοις ἀνδράσιν ἐκ τῶν ἀρίστων οἷον ἐπισκόποις ἐχρῶντο διὰ βίου καὶ προβούλοις τῶν μεγίστων· ἐκαλοῦντο δ' 'ἀμνήμονες' ὡς ἄν τις εἰκάσειε διὰ τὸ [b] ἀνυπεύθυνον, εἰ μὴ νὴ Δία πολυμνήμονές τινες ὄντες. ὁ δὲ τὰς γνώμας ἐρωτῶν 'ἀφεστήρ'.

'Τίνες οἱ παρ' Ἀρκάσι καὶ Λακεδαιμονίοις χρηστοί;' Λακεδαιμόνιοι Τεγεάταις διαλλαγέντες ἐποιήσαντο συνθήκας καὶ στήλην ἐπ' Ἀλφειῷ κοινὴν ἀνέστησαν, ἐν ᾗ μετὰ τῶν ἄλλων γέγραπται 'Μεσσηνίους ἐκβαλεῖν ἐκ τῆς χώρας καὶ μὴ ἐξεῖναι 'χρηστούς' ποιεῖν.' ἐξηγούμενος οὖν ὁ Ἀριστοτέλης (fr. 592) τοῦτό φησι δύνασθαι τὸ μὴ ἀποκτιννύναι βοηθείας χάριν τοῖς λακωνίζουσι τῶν Τεγεατῶν.

'Τίς ὁ παρ' Ὀπουντίοις κριθολόγος;' οἱ πλεῖστοι τῶν Ἑλλήνων πρὸς τὰς πάνυ παλαιὰς θυσίας ἐχρῶντο [c] ταῖς κριθαῖς, ἀπαρχομένων τῶν πολιτῶν. τὸν μὲν οὖν ἐπὶ τῶν θυσιῶν ἄρχοντα καὶ ταύτας κομιζόμενον τὰς ἀπαρχάς 'κριθολόγον' ὠνόμαζον. δύο δ' ἦσαν ἱερεῖς παρ' αὐτοῖς, ὁ μὲν περὶ τὰ θεῖα τεταγμένος, ὁ δὲ περὶ τὰ δαιμόνια.

'Τίνες αἱ πλωιάδες νεφέλαι;' τὰς ὑπόμβρους μάλιστα καὶ περιφερομένας ἐκάλουν 'πλωιάδας', ὡς Θεόφραστος ἐν τετάρτῃ περὶ μεταρσίων εἴρηκε κατὰ λέξιν 'ἐπεὶ καὶ αἱ πλωιάδες αὗται νεφέλαι καὶ αἱ συνεστῶσαι, ἀκίνητοι δὲ καὶ τοῖς χρώμασιν ἔκλευκοι, δηλοῦσι διαφοράν [d] τινα τῆς ὕλης, ὡς οὔτ' ἐξυδατουμένης οὔτ' ἐκπνευματουμένης.'

'Τίς ὁ παρὰ Βοιωτοῖς πλατυχαίτας;' τοὺς οἰκίᾳ γειτνιῶντας ἢ χωρίοις ὁμοροῦντας αἰολίζοντες οὕτω καλοῦσιν ὡς τὸ πλησίον ἔχοντας. παραθήσομαι δὲ λέξιν μίαν ἐκ τοῦ θεσμοφυλακίου νόμου, πλειόνων οὐσῶν

'Τίς ὁ παρὰ Δελφοῖς ὁσιωτὴρ καὶ διὰ τί βύσιον ἕνα τῶν μηνῶν καλοῦσιν;' 'ὁσιωτῆρα' μὲν καλοῦσι τὸν θυόμενον ἱερεῖον, ὅταν 'ὅσιος' ἀποδειχθῇ. πέντε δ' εἰσὶν ὅσιοι διὰ βίου, καὶ τὰ πολλὰ μετὰ τῶν προφητῶν δρῶσιν οὗτοι καὶ συνιερουργοῦσιν, ἅτε γεγονέναι δοκοῦντες ἀπὸ [e] Δευκαλίωνος. ὁ δέ 'βύσιος' μήν, ὡς μὲν οἱ πολλοὶ νομίζουσι, φύσιός ἐστιν· ἔαρος γὰρ ἄρχει καὶ τὰ πολλὰ φύεται τηνικαῦτα καὶ διαβλαστάνει. τὸ δ' ἀληθὲς οὐκ ἔχει οὕτως· οὐ γὰρ ἀντὶ τοῦ φ τῷ β χρῶνται Δελφοί, καθάπερ Μακεδόνες 'Βίλιππον' καί 'βαλακρόν' καί 'Βερονίκην' λέγοντες, ἀλλ' ἀντὶ τοῦ π· καὶ γὰρ τὸ πατεῖν 'βατεῖν' καὶ τὸ πικρόν 'βικρόν' ἐπιεικῶς καλοῦσιν. ἔστιν οὖν πύσιος ὁ 'βύσιος', ἐν ᾧ πυστιῶνται καὶ πυνθάνονται τοῦ θεοῦ· †τὸ γὰρ ἐννοεῖν καὶ πάτριον. ἐν τῷ μηνὶ γὰρ τούτῳ χρηστήριον ἐγίγνετο καὶ ἑβδόμην ταύτην

νομίζουσι τοῦ [f] θεοῦ γενέσθλιον, καὶ πολύφθοον ὀνομάζουσιν οὐ διὰ τὸ πέττεσθαι φθόις, ἀλλὰ πολυπευθῆ καὶ πολυμάντευτον οὖσαν. ὀψὲ γὰρ ἀνείθησαν αἱ κατὰ μῆνα μαντεῖαι τοῖς δεομένοις, πρότερον δ' ἅπαξ ἐθεμίστευσεν ἡ Πυθία τοῦ ἐνιαυτοῦ κατὰ ταύτην τὴν ἡμέραν, ὡς Καλλισθένης [293] [a] (Fr. Gr. Hist. 124 F. 49) καὶ Ἀναξανδρίδης ἱστορήκασι.

'Τί τὸ φυξίμηλον;' τῶν μικρῶν ἐστι καὶ χαμαιζήλων φυτῶν, ὧν ἐπιόντα τοὺς βλαστοὺς τὰ βοσκήματα κολούει καὶ ἀδικεῖ καὶ λυμαίνεται τὴν αὔξησιν· ὅταν οὖν ἀναδραμόντα μέγεθος λάβῃ καὶ διαφύγῃ τὸ βλάπτεσθαι ὑπὸ τῶν ἐπινεμομένων, 'φυξίμηλα' καλεῖται. τὸ δὲ μαρτύριον Αἰσχύλος (fr. 447).

'Τίνες οἱ ἀποσφενδόνητοι;' Κέρκυραν τὴν νῆσον Ἐρετριεῖς κατῴκουν· Χαρικράτους δὲ πλεύσαντος ἐκ Κορίνθου μετὰ δυνάμεως καὶ τῷ πολέμῳ κρατοῦντος ἐμβάντες εἰς τὰς ναῦς οἱ Ἐρετριεῖς ἀπέπλευσαν οἴκαδε.

[b] προαισθόμενοι δ' οἱ πολῖται τῆς χώρας εἶργον αὐτοὺς καὶ ἀποβαίνειν ἐκώλυον σφενδονῶντες. μὴ δυνάμενοι δὲ μήτε πεῖσαι μήτε βιάσασθαι πολλοὺς καὶ ἀπαραιτήτους ὄντας ἐπὶ Θρᾴκης ἔπλευσαν καὶ κατασχόντες χωρίον, ἐν ᾧ πρότερον οἰκῆσαι Μέθωνα τὸν Ὀρφέως πρόγονον ἱστοροῦσι, τὴν μὲν πόλιν ὠνόμασαν Μεθώνην, ὑπὸ δὲ τῶν προσοίκων 'ἀποσφενδόνητοι' προσωνομάσθησαν.

'Τίς ἡ παρὰ Δελφοῖς Χάριλα;' τρεῖς ἄγουσι Δελφοὶ ἐνναετηρίδας κατὰ τὸ ἑξῆς, ὧν τὴν μὲν Σεπτήριον [c] καλοῦσι, τὴν δ' Ἡρωίδα, τὴν δὲ Χάριλαν. τὸ μὲν οὖν Σεπτήριον ἔοικε μίμημα τῆς πρὸς τὸν Πύθωνα τοῦ θεοῦ μάχης εἶναι καὶ τῆς μετὰ τὴν μάχην ἐπὶ τὰ Τέμπη φυγῆς καὶ ἐκδιώξεως. οἱ μὲν γὰρ φυγεῖν ἐπὶ τῷ φόνῳ φασὶ χρῄζοντα καθαρσίων, οἱ δὲ τῷ Πύθωνι τετρωμένῳ καὶ φεύγοντι κατὰ τὴν ὁδόν, ἣν νῦν ἱερὰν καλοῦμεν, ἐπακολουθεῖν καὶ μικρὸν ἀπολειφθῆναι τῆς τελευτῆς· κατέλαβε γὰρ αὐτὸν ἐκ τοῦ τραύματος ἄρτι τεθνηκότα καὶ κεκηδευμένον ὑπὸ τοῦ παιδός, ᾧ ὄνομα ἦν Αἴξ, ὡς λέγουσι. τὸ μὲν οὖν Σεπτήριον τούτων ἢ τοιούτων τινῶν ἀπομίμησίς ἐστιν ἑτέρων. τῆς δ' Ἡρωίδος τὰ πλεῖστα μυστικὸν ἔχει λόγον, ὃν ἴσασιν αἱ Θυιάδες, ἐκ δὲ τῶν [d] δρωμένων φανερῶς Σεμέλης ἄν τις ἀναγωγὴν εἰκάσειε. περὶ δὲ τῆς Χαρίλας τοιαῦτά τινα μυθολογοῦσι. λιμὸς ἐξ αὐχμοῦ τοὺς Δελφοὺς κατέσχε, καὶ πρὸς τὰς θύρας τοῦ βασιλέως ἐλθόντες μετὰ τέκνων καὶ γυναικῶν ἱκέτευον. ὁ δὲ τῶν ἀλφίτων καὶ τῶν χεδρόπων μετεδίδου τοῖς γνωριμωτέροις αὐτῶν· οὐ γὰρ ἦν ἱκανὰ πᾶσιν. ἐλθούσης δὲ παιδὸς ἔτι μικρᾶς ὀρφανῆς γονέων καὶ προσλιπαρούσης ἐρράπισεν αὐτὴν ὑποδήματι καὶ τῷ προσώπῳ τὸ ὑπόδημα προσέρριψεν· ἡ δέ, πενιχρά τις οὖσα καὶ ἔρημος οὐκ ἀγεννὴς δὲ τὸ ἦθος, ἐκποδὼν γενομένη [e] καὶ λύσασα τὴν ζώνην ἀνήρτησεν ἑαυτήν. ἐπιτείνοντος δὲ τοῦ λιμοῦ καὶ νοσημάτων προσγενομένων ἀνεῖλεν ἡ Πυθία

τῷ βασιλεῖ Χάριλαν ἱλάσκεσθαι παρθένον αὐτοθάνατον. μόλις οὖν ἀνευρόντες, ὅτι τοὔνομα τοῦτ' ἦν τῇ ῥαπισθείσῃ παιδί, μεμιγμένην τινὰ καθαρμῷ θυσίαν ἀπετέλεσαν, ἣν ἐπιτελοῦσιν ἔτι καὶ νῦν δι' ἐννέα ἐτῶν. προκάθηται μὲν γὰρ ὁ βασιλεὺς τῶν ἀλφίτων καὶ τῶν χεδρόπων ἐπιδιδοὺς πᾶσι καὶ ξένοις καὶ πολίταις, κομίζεται [f] δὲ τῆς Χαρίλας παιδικὸν εἴδωλον· ὅταν οὖν πάντες λάβωσιν, ὁ μὲν βασιλεὺς ῥαπίζει τῷ ὑποδήματι τὸ εἴδωλον, ἡ δὲ τῶν Θυιάδων ἀρχηγὸς ἀραμένη κομίζει πρός τινα τόπον φαραγγώδη, κἀκεῖ σχοινίον περιάψαντες τῷ τραχήλῳ τοῦ εἰδώλου κατορύττουσιν, ὅπου τὴν Χάριλαν ἀπαγξαμένην ἔθαψαν.

'Τί τὸ πτωχικὸν κρέας παρ' Αἰνιᾶσι;' πλείονες γεγόνασιν Αἰνιάνων μεταναστάσεις. πρῶτον μὲν γὰρ οἰκοῦντες περὶ τὸ Δώτιον πεδίον ἐξέπεσον ὑπὸ Λαπιθῶν εἰς Αἴθικας. ἐκεῖθεν τῆς Μολοσσίας τὴν περὶ τὸν Ἀραούαν χώραν κατέσχον, ὅθεν ὠνομάσθησαν Παραοῦαι.

[294] [a] μετὰ ταῦτα Κίρραν κατέσχον· ἐν δὲ Κίρρῃ καταλεύσαντες Οἴνοκλον τὸν βασιλέα τοῦ θεοῦ προστάξαντος, εἰς τὴν περὶ τὸν Ἴναχον χώραν κατέβησαν οἰκουμένην ὑπ' Ἰναχιέων καὶ Ἀχαιῶν. γενομένου δὲ χρησμοῦ τοῖς μὲν ἂν μεταδῶσι τῆς χώρας ἀποβαλεῖν ἅπασαν, τοῖς δ' ἂν λάβωσι παρ' ἑκόντων καθέξειν, Τέμων, ἀνὴρ ἐλλόγιμος τῶν Αἰνιάνων, ἀναλαβὼν ῥάκια καὶ πήραν ὡς προσαίτης ὢν ἀφίκετο πρὸς τοὺς Ἰναχιεῖς· ὕβρει δὲ καὶ πρὸς γέλωτα [b] τοῦ βασιλέως βῶλον ἐπιδόντος αὐτῷ, δεξάμενος εἰς τὴν πήραν ἐνέβαλε καὶ ἀφανὴς ἦν ἠγαπηκὼς τὸ δῶρον· ἀπεχώρησε γὰρ εὐθὺς οὐδὲν προσαιτήσας. οἱ δὲ πρεσβύτεροι θαυμάσαντες ἀνεμιμνήσκοντο τοῦ χρησμοῦ, καὶ τῷ βασιλεῖ προσιόντες ἔλεγον μὴ καταφρονῆσαι μηδὲ προέσθαι τὸν ἄνθρωπον. αἰσθόμενος οὖν ὁ Τέμων τὴν διάνοιαν αὐτῶν ὥρμησε φεύγειν, καὶ διέφυγεν εὐξάμενος τῷ Ἀπόλλωνι καθ' ἑκατόμβης. ἐκ δὲ τούτου μονομαχοῦσιν οἱ βασιλεῖς, καὶ τὸν τῶν Ἰναχιέων Ὑπέροχον ὁ τῶν Αἰνιάνων [c] Φήμιος ὁρῶν μετὰ κυνὸς αὐτῷ προσφερόμενον οὐκ ἔφη δίκαια ποιεῖν, δεύτερον ἐπάγοντα μαχόμενον, ἀπελαύνοντος δὲ τοῦ Ὑπερόχου τὸν κύνα καὶ μεταστρεφομένου, λίθῳ βαλὼν ὁ Φήμιος ἀναιρεῖ. κτησάμενοι δὲ τὴν χώραν, τοὺς Ἰναχιεῖς μετὰ τῶν Ἀχαιῶν ἐκβαλόντες, τὸν μὲν λίθον ἐκεῖνον ὡς ἱερὸν σέβονται καὶ θύουσιν αὐτῷ καὶ τοῦ ἱερείου τῷ δημῷ περικαλύπτουσιν. ὅταν δὲ τῷ Ἀπόλλωνι τὴν ἑκατόμβην ἀποδιδῶσι, τῷ Διὶ βοῦν καθιερεύσαντες, μερίδα τοῖς Τέμωνος ἀπογόνοις ἐξαίρετον νέμουσι καί 'πτωχικὸν κρέας' ἐπονομάζουσι.

'Τίνες οἱ παρ' Ἰθακησίοις Κολιάδαι καὶ τίς ὁ φάγιλος;' τῷ Ὀδυσσεῖ μετὰ τὴν μνηστηροφονίαν οἱ ἐπιτήδειοι τῶν τεθνηκότων ἐπανέστησαν, μεταπεμφθεὶς δ' ὑπ' ἀμφοτέρων διαιτητὴς Νεοπτόλεμος ἐδικαίωσε τὸν [d]

μὲν Ὀδυσσέα μεταναστῆναι καὶ φεύγειν ἐκ τῆς Κεφαλληνίας καὶ Ζακύνθου καὶ Ἰθάκης ἐφ' αἵματι, τοὺς δὲ τῶν μνηστήρων ἑταίρους καὶ οἰκείους ἀποφέρειν ποινὴν Ὀδυσσεῖ τῶν εἰς τὸν οἶκον ἀδικημάτων καθ' ἕκαστον ἐνιαυτόν. αὐτὸς μὲν οὖν εἰς Ἰταλίαν μετέστη· τὴν δὲ ποινὴν τῷ υἱεῖ καθιερώσας ἀποφέρειν ἐκέλευσε τοὺς Ἰθακησίους. ἦν δ' ἄλφιτα οἶνος κηρία ἔλαιον ἅλες ἱερεῖα πρεσβύτερα 'φαγίλων'· 'φάγιλον' δέ φησιν Ἀριστοτέλης (fr. 507) τὸν ἀμνὸν εἶναι. τοὺς δὲ περὶ Εὔμαιον ἐλευθερώσας ὁ Τηλέμαχος κατέμιξεν εἰς τοὺς πολίτας, καὶ τὸ γένος ἐστὶ Κολιαδῶν ἀπ' Εὐμαίου καὶ Βουκολιδῶν ἀπὸ Φιλοιτίου.

'Τίς ἡ ξυλίνη κύων παρὰ Λοκροῖς;' Φυσκίου τοῦ [e] Ἀμφικτύονος υἱὸς ἦν Λοκρός· ἐκ δὲ τούτου καὶ Καβύης Ὀποῦς. πρὸς ὃν ὁ πατὴρ διενεχθεὶς καὶ συχνοὺς τῶν πολιτῶν ἀναλαβὼν περὶ ἀποικίας ἐμαντεύετο. τοῦ δὲ θεοῦ φήσαντος κτίζειν πόλιν ὅπουπερ ἂν τύχῃ δηχθεὶς ὑπὸ κυνὸς ξυλίνης, ὑπερβαίνων εἰς τὴν ἑτέραν θάλασσαν ἐπάτησε κυνόσβατον. ἐνοχληθεὶς δὲ τῇ πληγῇ διέτριψεν ἡμέρας αὐτόθι πλείονας, ἐν αἷς καταμαθὼν τὸ χωρίον ἔκτισε πόλεις Φυσκεῖς καὶ Ὑάντειαν καὶ τὰς ἄλλας, ὅσας [f] οἱ κληθέντες Ὀζόλαι Λοκροὶ κατῴκησαν. Ὀζόλας δὲ Λοκροὺς οἱ μὲν διὰ Νέσσον, οἱ δὲ ‹διὰ› τὸν Πύθωνα δράκοντα κληθῆναι λέγουσιν, ἐκβρασθέντας ὑπὸ τῆς θαλάττης καὶ σαπέντας ἐν τῇ τῶν Λοκρῶν χώρᾳ· τινὲς δὲ κώδια καὶ τραγέας τοὺς ἀνθρώπους φοροῦντας καὶ τὰ πλεῖστα συνόντας αἰπολίοις γενέσθαι δυσώδεις. ἔνιοι δὲ τοὐναντίον πολυάνθεμον τὴν χώραν οὖσαν ὑπ' εὐωδίας τοὔνομα λαβεῖν· ὧν ἐστι καὶ Ἀρχύτας ὁ Ἀμφισσεύς· γέγραφε γὰρ οὕτω·

[295] [a] 'τὴν βοτρυοστέφανον μυρίπνουν Μάκυναν ἐραννήν.'

'Τί τὸ καλούμενον ὑπὸ Μεγαρέων ἀφάβρωμα;' Νῖσος, ἀφ' οὗ προσηγορεύθη Νίσαια, βασιλεύων ἐκ Βοιωτίας ἔγημεν Ἀβρώτην, Ὀγχήστου θυγατέρα Μεγαρέως δ' ἀδελφήν, γυναῖκα καὶ τῷ φρονεῖν ὡς ἔοικε περιττὴν καὶ σώφρονα διαφερόντως. ἀποθανούσης δ' αὐτῆς οἵ τε Μεγαρεῖς ἐπένθησαν ἑκουσίως καὶ ὁ Νῖσος ἀιδίαν τινὰ μνήμην καὶ δόξαν αὐτῆς καταστῆσαι βουλόμενος ἐκέλευε [b] τὰς ἀστὰς φορεῖν ἣν ἐκείνη στολὴν ἐφόρει, καὶ τὴν στολὴν 'ἀφάβρωμα' δι' ἐκείνην ὠνόμασε. δοκεῖ δὲ τῇ δόξῃ τῆς γυναικὸς καὶ ὁ θεὸς βοηθῆσαι· πολλάκις γὰρ τὰς ἐσθῆτας ἀλλάξαι βουλομένας τὰς Μεγαρίδας χρησμῷ διεκώλυσε.

'Τίς ὁ δορύξενος;' τὸ παλαιὸν ἡ Μεγαρὶς ᾠκεῖτο κατὰ κώμας, εἰς πέντε μέρη νενεμημένων τῶν πολιτῶν. ἐκαλοῦντο δ' Ἡραεῖς καὶ Πιραεῖς καὶ Μεγαρεῖς καὶ Κυνοσουρεῖς καὶ Τριποδίσκιοι. τῶν δὲ Κορινθίων πόλεμον αὐτοῖς ἐξεργασαμένων πρὸς ἀλλήλους (ἀεὶ γὰρ ἐπεβούλευον ὑφ' αὑτοῖς ποιήσασθαι τὴν Μεγαρικήν), ὅμως δι' [c] ἐπιείκειαν ἡμέρως ἐπολέμουν καὶ

συγγενικῶς. τοὺς μὲν γὰρ γεωργοῦντας οὐδεὶς ἠδίκει τὸ παράπων, τοὺς δ' ἁλισκομένους λύτρον τι τεταγμένον ἔδει καταβαλεῖν, καὶ τοῦτ' ἐλάμβανον ἀφέντες. πρότερον δ' οὐκ εἰσέπραττον, ἀλλ' ὁ λαβὼν αἰχμάλωτον ἀπῆγεν οἴκαδε, καὶ μεταδοὺς ἁλῶν καὶ τραπέζης ἀπέπεμπεν οἴκαδε. ὁ μὲν οὖν τὰ λύτρα κομίσας ἐπῃνεῖτο καὶ φίλος ἀεὶ διετέλει τοῦ λαβόντος ἐκ δορυαλώτου 'δορύξενος' προσαγορευόμενος· ὁ δ' ἀποστερήσας οὐ μόνον παρὰ τοῖς πολεμίοις ἀλλὰ καὶ παρὰ τοῖς πολίταις ὡς ἄδικος καὶ ἄπιστος ἠδόξει.

'Τίς ἡ παλιντοκία;' Μεγαρεῖς Θεαγένη τὸν τύραννον ἐκβαλόντες ὀλίγον χρόνον ἐσωφρόνησαν κατὰ τὴν [d] πολιτείαν· εἶτα πολλὴν κατὰ Πλάτωνα (Rep. 562d) καὶ ἄκρατον αὐτοῖς ἐλευθερίαν τῶν δημαγωγῶν οἰνοχοούντων διαφθαρέντες παντάπασι τά τ' ἄλλα τοῖς πλουσίοις ἀσελγῶς προσεφέροντο, καὶ παριόντες εἰς τὰς οἰκίας αὐτῶν οἱ πένητες ἠξίουν ἑστιᾶσθαι καὶ δειπνεῖν πολυτελῶς· εἰ δὲ μὴ τυγχάνοιεν, πρὸς βίαν καὶ μεθ' ὕβρεως ἐχρῶντο πᾶσι. τέλος δὲ δόγμα θέμενοι τοὺς τόκους ἀνεπράττοντο παρὰ τῶν δανειστῶν οὓς δεδωκότες ἐτύγχανον, 'παλιντοκίαν' τὸ γινόμενον προσαγορεύσαντες.

'Τίς ἡ Ἀνθηδών, περὶ ἧς ἡ Πυθιὰς εἶπε

[e] 'πῖν' οἶνον τρυγίαν, ἐπεὶ οὐκ Ἀνθηδόνα ναίεις'

(ἡ γὰρ ἐν Βοιωτοῖς οὐκ ἔστι πολύοινος);' τὴν Καλαύρειαν Εἰρήνην τὸ παλαιὸν ὠνόμαζον ἀπὸ γυναικὸς Εἰρήνης, ἣν ἐκ Ποσειδῶνος καὶ Μελανθείας τῆς Ἀλφειοῦ γενέσθαι μυθολογοῦσιν. ὕστερον δὲ τῶν περὶ Ἄνθην καὶ Ὑπέρην αὐτόθι κατοικούντων Ἀνθηδονίαν καὶ Ὑπέρειαν ἐκάλουν τὴν νῆσον. εἶχε δ' ὁ χρησμὸς οὕτως, ὡς Ἀριστοτέλης φησί,

'πῖν' οἶνον τρυγίαν, ἐπεὶ οὐκ Ἀνθηδόνα ναίεις

οὐδ' ἱερὰν Ὑπέραν, ὅθι κ' ἄτρυγον οἶνον ἔπινες.'

[f] ταῦτα μὲν ὁ Ἀριστοτέλης (fr. 597). ὁ δὲ Μνασιγείτων (FHG III p. 158) φησὶν Ὑπέρητος ἀδελφὸν ὄντα τὸν Ἄνθον ἔτι νήπιον ἀπολέσθαι, καὶ τὸν Ὑπέρην κατὰ ζήτησιν αὐτοῦ πλανώμενον εἰς Φερὰς πρὸς Ἄκαστον [ἢ Ἄδραστον] ἐλθεῖν, ὅπου κατὰ τύχην ὁ Ἄνθος ἐδούλευεν οἰνοχοεῖν τεταγμένος. ὡς οὖν εἱστιῶντο, τὸν παῖδα προσφέροντα τῷ ἀδελφῷ τὸ ποτήριον ἐπιγνῶναι καὶ εἰπεῖν πρὸς αὐτὸν ἡσυχῇ

'πῖν' οἶνον τρυγίαν, ἐπεὶ οὐκ Ἀνθηδόνα ναίεις.'

'Τίς ὁ λεγόμενος ἐν Πριήνῃ παρὰ δρυῒ σκότος;' [296] [a] Σάμιοι καὶ Πριηνεῖς πολεμοῦντες ἀλλήλοις τὰ μὲν ἄλλα μετρίως ἐβλάπτοντο καὶ ἔβλαπτον, μάχης δὲ μεγάλης γενομένης χιλίους Σαμίων οἱ Πριηνεῖς ἀπέκτειναν· ἑβδόμῳ δ' ὕστερον ἔτει Μιλησίοις συμβαλόντες παρὰ τὴν καλουμένην δρῦν τοὺς ἀρίστους ὁμοῦ τι καὶ πρώτους ἀπέβαλον τῶν πολιτῶν· ὅτε καὶ Βίας ὁ σοφὸς εἰς Σάμον ἐκ Πριήνης πρεσβεύσας εὐδοκίμησε. ταῖς δὲ

Πριηνέων γυναιξὶν ὠμοῦ τοῦ πάθους τούτου καὶ τῆς συμφορᾶς ἐλεεινῆς γενομένης, ἀρὰ κατέστη καὶ ὅρκος περὶ τῶν μεγίστων [b] ‘ὁ παρὰ δρυῒ σκότος’ διὰ τὸ παῖδας αὐτῶν καὶ πατέρας καὶ ἄνδρας ἐκεῖ φονευθῆναι.

‘Τίνες οἱ παρὰ Κρησὶ λεγόμενοι κατακαῦται;’ Τυρρηνούς φασι τοὺς τὰς Ἀθηναίων θυγατέρας καὶ γυναῖκας ἐκ Βραύρωνος ἁρπάσαντας, ὁπηνίκα Λῆμνον καὶ Ἴμβρον κατῴκουν, εἶτ’ ἐκπεσόντας εἰς τὴν Λακωνικὴν ἀφικέσθαι καὶ γενέσθαι ἐπιμιξίαν αὐτοῖς μέχρι παίδων γενέσεως πρὸς τὰς ἐγχωρίους γυναῖκας· ἐκ δ’ ὑποψίας καὶ διαβολῆς πάλιν ἀναγκασθέντας ἐκλιπεῖν τὴν Λακωνικὴν μετὰ παίδων καὶ γυναικῶν εἰς Κρήτην καταῖραι, [c] Πόλλιν ἡγεμόνα καὶ Δελφὸν ἔχοντας. ἐκεῖ δὲ πολεμοῦντας τοῖς κατέχουσι τὴν Κρήτην πολλοὺς περιορᾶν τῶν ἐν ταῖς μάχαις ἀποθνησκόντων ἀτάφους, τὸ μὲν πρῶτον ἀσχόλους διὰ τὸν πόλεμον ὄντας καὶ τὸν κίνδυνον, ὕστερον δὲ φεύγοντας ἅπτεσθαι νεκρῶν ἐφθαρμένων ὑπὸ χρόνου καὶ διερρυηκότων. τὸν οὖν Πόλλιν ἐξευρόντα τιμάς τινας καὶ προνομίας καὶ ἀτελείας ἀποδοῦναι τὰς μὲν τοῖς ἱερεῦσι τῶν θεῶν, τὰς δὲ τοῖς ταφεῦσι τῶν τετελευτηκότων, ἐπιφημίσαντα καὶ ταύτας δαίμοσι χθονίοις, ὅπως ἀναφαίρετοι διαμένοιεν· ὀνομασθῆναι δὲ τοὺς μὲν ἱερεῖς, τοὺς δέ ‘κατακαύτας’. εἶτα κλήρῳ διαλαχεῖν πρὸς τὸν Δελφὸν καὶ πολιτεύεσθαι μὲν αὐτοὺς καθ’ αὑτούς, [d] ἔχειν δὲ μετὰ τῶν ἄλλων φιλανθρώπων καὶ ἄδειαν ἀδικημάτων, οἷς οἱ ἄλλοι Κρῆτες εἰώθασι χρῆσθαι πρὸς ἀλλήλους ἄγοντες λαθραίως καὶ ἀποφέροντες· ἐκείνους γὰρ οὐδὲν ἀδικεῖν οὐδὲ κλέπτειν οὐδὲν οὐδ’ ἀφαιρεῖσθαι.

‘Τίς ὁ παίδων τάφος παρὰ Χαλκιδεῦσι;’ Κόθος καὶ Αἶκλος οἱ Ξούθου παῖδες εἰς Εὔβοιαν ἧκον οἰκήσοντες, Αἰολέων τότε τὰ πλεῖστα τῆς νήσου κατεχόντων. ἦν δὲ τῷ Κόθῳ λόγιον εὖ πράξειν καὶ περιέσεσθαι τῶν πολεμίων, ἐὰν πρίηται τὴν χώραν. ἀποβὰς οὖν μετ’ ὀλίγον ἐνέτυχε παίζουσι παιδαρίοις παρὰ τὴν θάλασσαν· συμπαίζων [e] οὖν αὐτοῖς καὶ φιλοφρονούμενος ἔδειξε παίγνια πολλὰ τῶν ξενικῶν. ὡς δ’ ἑώρα τοὺς παῖδας ἐπιθυμοῦντας λαβεῖν, οὐκ ἔφησεν αὐτοῖς δώσειν ἄλλως, εἰ μὴ τῆς γῆς λάβοι παρ’ αὐτῶν· οἱ δὲ παῖδες οὕτως ἀναιρούμενοι χαμαῖθεν ἰδίδοσαν καὶ τὸ παίγνια λαβόντες ἀπηλλάγησαν. οἱ δ’ Αἰολεῖς αἰσθόμενοι τὸ γεγονός, καὶ τῶν πολεμίων αὐτοῖς ἐπιπλεόντων, ὑπ’ ὀργῆς καὶ λύπης διεχρήσαντο τοὺς παῖδας. ἐτάφησαν δὲ παρὰ τὴν ὁδόν, ᾗ βαδίζουσιν ἐκ πόλεως ἐπὶ τὸν Εὔριπον, καὶ ὁ τόπος ‘τάφος παίδων’ καλεῖται.

‘Τίς ὁ μιξαρχαγέτας ἐν Ἄργει καὶ τίνες οἱ ἐλάσιοι;’ [f] ‘μιξαρχαγέταν’ τὸν Κάστορα καλοῦσι καὶ νομίζουσι παρ’ αὐτοῖς τεθάφθαι· τὸν δὲ Πολυδεύκην ὡς ἕνα τῶν Ὀλυμπίων σέβονται. τοὺς δὲ τὰς ἐπιληψίας ἀποτρέπειν

δοκοῦντας ‘ἐλασίους’ μὲν ὀνομάζουσι, δοκοῦσι δὲ τῶν Ἀλεξίδας τῆς Ἀμφιαράου θυγατρὸς ἀπογόνων εἶναι.

‘Τί τὸ παρ’ Ἀργείοις λεγόμενον ἔγκνισμα;’ τοῖς ἀποβαλοῦσί τινα συγγενῶν ἢ συνήθων ἔθος ἐστὶ μετὰ τὸ πένθος εὐθὺς τῷ †Ἀπόλλωνι †θύειν, ἡμέραις δ’ ὕστερον τριάκοντα τῷ Ἑρμῇ. νομίζουσι γάρ, ὥσπερ τὰ σώματα τῶν ἀποθανόντων δέχεσθαι τὴν γῆν, οὕτω τὰς [297] [a] ψυχὰς τὸν Ἑρμῆν· τοῦ δ’ Ἀπόλλωνος τῷ ἀμφιπόλῳ κριθὰς διδόντες λαμβάνουσι κρέας τοῦ ἱερείου, καὶ τὸ πῦρ ἀποσβέσαντες ὡς μεμιασμένον παρ’ ἑτέρων δ’ ἐναυσάμενοι, τοῦτο τὸ κρέας ὀπτῶσιν ‘ἔγκνισμα’ προσαγορεύοντες.

‘Τίς ἀλάστωρ ἀλιτήριος παλαμναῖος;’ οὐ γὰρ πειστέον τοῖς λέγουσιν ‘ἀλιτηρίους’ κεκλῆσθαι τοὺς ἐπιτηροῦντας ἐν τῷ λιμῷ τὸν ἀλοῦντα καὶ διαρπάζοντας· ἀλλ’ ‘ἀλάστωρ’ μὲν κέκληται ὁ ἄληστα καὶ πολὺν χρόνον μνημονευθησόμενα δεδρακώς, ‘ἀλιτήριος’ δ’ ὃν ἀλεύασθαι καὶ φυλάξασθαι διὰ μοχθηρίαν καλῶς εἶχε. ταῦτα, φησὶν ὁ Σωκράτης (FHG IV p. 498), ἐν διφθέραις χαλκαῖς γεγράφασι.

[b] ‘Τίνος ἔχεται διανοίας τὸ τοὺς ἀπάγοντας εἰς Κασσιοπαίαν τὸν βοῦν ἐξ Αἴνου τὰς παρθένους προπεμπούσας ἐπᾴδειν ἄχρι τῶν ὅρων

Αἰνιᾶνες ὑπὸ Λαπιθῶν ἐξαναστάντες τὸ πρῶτον ᾤκησαν περὶ τὴν Αἰθακίαν, εἶτα περὶ τὴν Μολοσσίδα καὶ Κασσιοπαίαν· οὐδὲν δὲ χρηστὸν ἀπὸ τῆς χώρας ἔχοντες, ἀλλὰ [c] καὶ χαλεποῖς χρώμενοι προσοίκοις εἰς τὸ Κιρραῖον πεδίον ἧκον, Οἰνόκλου τοῦ βασιλέως ἄγοντος αὐτούς. ἐκεῖ δὲ μεγάλων αὐχμῶν γενομένων, κατὰ χρησμὸν ὡς λέγεται τὸν Οἴνοκλον καταλεύσαντες καὶ πάλιν πλανηθέντες εἰς ταύτην ἀφίκοντο τὴν χώραν, ἣν νῦν ἔχουσιν, ἀγαθὴν καὶ πάμφορον οὖσαν. ὅθεν εἰκότως εὔχονται τοῖς θεοῖς εἰς τὴν παλαιὰν πατρίδα μὴ ἐπανελθεῖν, ἀλλ’ αὐτοῦ καταμένειν εὐδαιμονοῦντας.

‘Τί δήποτε παρὰ Ῥοδίοις εἰς τὸ τοῦ Ὀκριδίωνος ἡρῷον οὐκ εἰσέρχεται κῆρυξ’; ἢ ὅτι Ὄχιμος τὴν θυγατέρα Κυδίππην ἐνεγύησεν Ὀκριδίωνι; Κέρκαφος δ’ ἀδελφὸς ὢν Ὀχίμου τῆς δὲ παιδὸς ἐρῶν, ἔπεισε τὸν κήρυκα (διὰ κηρύκων γὰρ ἔθος ἦν τὸ μετέρχεσθαι τὰς [d] νύμφας), ὅταν παραλάβῃ τὴν Κυδίππην, πρὸς ἑαυτὸν ἀγαγεῖν. τούτου δὲ πραχθέντος, ὁ μὲν Κέρκαφος ἔχων τὴν κόρην ἔφυγεν, ὕστερον δὲ τοῦ Ὀχίμου γηράσαντος ἐπανῆλθε. τοῖς δὲ Ῥοδίοις ἔθος κατέστη κήρυκα μὴ προσιέναι τῷ τοῦ Ὀκριδίωνος ἡρῴῳ διὰ τὴν γενομένην ἀδικίαν.

‘Τί δήποτε παρὰ Τενεδίοις εἰς τὸ τοῦ Τένου ἱερὸν οὐκ ἔξεστιν αὐλητὴν εἰσελθεῖν οὐδ’ Ἀχιλλέως ἐν τῷ ἱερῷ μνησθῆναι;’ ἢ ὅτι τῆς μητρυιᾶς τὸν

ἱεροσυλίαν ἁλόντα βασανίζεσθαι δι’ ἐνιαυτοῦ περὶ ἑκάστου τῶν κεκοινωνηκότων ἀνακρινόμενον, καὶ οὕτως ἀποθανεῖν καὶ τὴν παροιμίαν ἐπὶ τοῖς ἐκείνου πάθεσι γενέσθαι.

‘Διὰ τί ἐν Λακεδαίμονι παρὰ τὸ τῶν Λευκιππίδων ἱερὸν ἵδρυται τοῦ Ὀδυσσέως ἡρῷον;’ Ἐργίαιος, εἷς τῶν Διομήδους ἀπογόνων, ὑπὸ Τημένου πεισθεὶς ἐξέκλεψε [d] τὸ παλλάδιον ἐξ Ἄργους, συνειδότος Λεάγρου καὶ συνεκκλέπτοντος· ἦν δ’ οὗτος εἷς τῶν Τημένου συνήθων. ὕστερον δὲ τῷ Τημένῳ γενόμενος δι’ ὀργῆς ὁ Λέαγρος εἰς Λακεδαίμονα μετέστη τὸ παλλάδιον κομίζων. οἱ δὲ βασιλεῖς δεξάμενοι προθύμως ἱδρύσαντο πλησίον τοῦ τῶν Λευκιππίδων ἱεροῦ, καὶ πέμψαντες εἰς Δελφοὺς διεμαντεύοντο περὶ σωτηρίας αὐτοῦ καὶ φυλακῆς. ἀνελόντος δὲ τοῦ θεοῦ ἕνα τῶν ὑφελομένων τὸ παλλάδιον φύλακα ποιεῖσθαι κατεσκεύασαν αὐτόθι τοῦ Ὀδυσσέως τὸ ἡρῷον, ἄλλως τε καὶ προσήκειν τῇ πόλει τὸν ἥρωα διὰ τὸν τῆς Πηνελόπης γάμον ὑπολαβόντες.

[e] ‘Διὰ τί ταῖς Χαλκηδονίαις ἔθος ἐστίν, ὅταν ἀνδράσιν ἀλλοτρίοις ἐντύχωσι, μάλιστα δ’ ἄρχουσι, τὴν ἑτέραν παρακαλύπτεσθαι παρειάν;’ πόλεμος ἦν αὐτοῖς πρὸς Βιθυνοὺς ἐκ πάσης παροξυνομένοις προφάσεως· Ζειποίτου δὲ βασιλεύοντος αὐτῶν, πανστρατιᾷ καὶ Θρᾳκῶν ἐπικουρίας προσγενομένης ἐπυρπόλουν καὶ κατέτρεχον τὴν χώραν. ἐπιθεμένου δὲ τοῦ Ζειποίτου περὶ τὸ καλούμενον Φάλιον αὐτοῖς, κακῶς ἀγωνισάμενοι διὰ θράσος καὶ ἀταξίαν ὑπὲρ ὀκτακισχιλίους ἀπέβαλον στρατιώτας· [f] καὶ παντελῶς μὲν οὐκ ἀνῃρέθησαν τότε, Ζειποίτου Βυζαντίοις χαρισαμένου τὰς διαλύσεις· πολλῆς δὲ τὴν πόλιν ἐρημίας ἀνδρῶν κατεχούσης, αἱ μὲν πλεῖσται γυναῖκες ὑπ’ ἀνάγκης ἀπελευθέροις καὶ μετοίκοις συνῴκησαν· αἱ δ’ ἀνανδρίαν ἀντὶ τοιούτων ἑλόμεναι γάμων, αὐταὶ δι’ αὑτῶν ἔπραττον ὅτου δεηθεῖεν παρὰ δικασταῖς καὶ ἄρχουσιν, ἀπάγουσαι θάτερον μέρος τοῦ προσώπου τῆς [303] [a] καλύπτρας. αἱ δὲ γεγαμημέναι δι’ αἰσχύνην ἀναμιμούμεναι ταύτας ὡς ἑαυτῶν βελτίονας εἰς ἔθος ὅμοιον κατέστησαν.

‘Διὰ τί πρὸς τὸ τοῦ Ἀγήνορος τέμενος τὰς ὄις προσελαύνοντες οἱ Ἀργεῖοι βιβάζουσιν;’ ἦ ὅτι κάλλιστα προβάτων ὁ Ἀγήνωρ ἐπεμελήθη καὶ πλεῖστα ποίμνια τῶν βασιλέων ἐκτήσατο;

‘Διὰ τί Βαλλαχράδας ἑαυτοὺς Ἀργείων παῖδες ἐν ἑορτῇ τινι παίζοντες ἀποκαλοῦσιν;’ ἦ ὅτι τοὺς πρώτους ὑπ’ Ἰνάχου καταχθέντας ἐκ τῶν ἄκρων εἰς τὰ πεδία ἀχράσι διατραφῆναι λέγουσιν; ἀχράδας δὲ πρῶτον ἐν Πελοποννήσῳ φανῆναι τοῖς Ἕλλησιν, ἔτι τῆς χώρας [b] ἐκείνης Ἀπίας προσαγορευομένης· ὅθεν ἄπιοι αἱ ἀχράδες μετωνομάσθησαν.

‘Τίς ἡ αἰτία, δι’ ἣν Ἠλεῖοι τὰς †ἐνόδας †ἵππους ἐκτὸς ὅρων ἀπάγοντες βιβάζουσιν;’ ἦ ὅτι πάντων τῶν βασιλέων φιλιππότατος ὁ Οἰνόμαος καὶ μάλιστα τὸ ζῷον ἀγαπήσας τοῦτ’ ἐπηράσατο πολλὰ καὶ δεινὰ κατὰ τῶν ἵππον ὀχευόντων ἐν Ἤλιδι, καὶ φοβούμενοι τὴν κατάραν ἐκείνην ἀφοσιοῦνται;

‘Διὰ τί παρὰ Κνωσσίοις ἔθος ἦν ἁρπάζειν τοῖς δανειζομένοις τὸ ἀργύριον;’ ἦ ὅπως ἀποστεροῦντες ἔνοχοι τοῖς βιαίοις ὦσι καὶ μᾶλλον κολάζωνται;

[c] ‘Τίς ἡ αἰτία, δι’ ἣν ἐν Σάμῳ τὴν Δεξικρέοντος Ἀφροδίτην καλοῦσι;’ πότερον ὅτι τὰς γυναῖκας αὐτῶν ὑπὸ τρυφῆς καὶ ὕβρεως ἀκόλαστα ποιούσας Δεξικρέων ἀνὴρ ἀγύρτης καθαρμῷ χρησάμενος ἀπήλλαξεν· ἢ ὅτι ναύκληρος ὢν ὁ Δεξικρέων ἔπλευσεν εἰς Κύπρον ἐπ’ ἐμπορίαν καὶ μέλλοντα γεμίζειν τὴν Ἀφροδίτην κελεύειν ὕδωρ ἐμβαλόμενον καὶ μηδὲν ἄλλο πλεῖν τὴν ταχίστην· πεισθεὶς δὲ καὶ πολὺ ὕδωρ ἐνθέμενος ἐξέπλευσεν, εἶτα νηνεμίας καὶ γαλήνης ἐν τῷ πελάγει κατασχούσης, διψῶσι τοῖς ἄλλοις ἐμπόροις καὶ ναυκλήροις ὕδωρ πιπράσκων ἀργύριον πολὺ συνήθροισεν, ἐκ δὲ τούτου [d] κατασκευάσας τὴν θεὸν ἀφ’ ἑαυτοῦ προσηγόρευσεν; εἰ δὴ τοῦτ’ ἀληθές ἐστι, φαίνεται οὐχ ἕνα πλουτίσαι, πολλοὺς δὲ σῶσαι δι’ ἑνὸς ἡ θεὸς θελήσασα.

‘Διὰ τί τοῖς Σαμίοις, ὅταν τῷ Ἑρμῇ τῷ χαριδότῃ θύωσι, κλέπτειν ἐφεῖται τῷ βουλομένῳ καὶ λωποδυτεῖν;’ ὅτι κατὰ χρησμὸν ἐκ τῆς νήσου μεταστάντες εἰς Μυκάλην ἀπὸ λῃστείας δέκα ἔτη διεγένοντο, καὶ μετὰ ταῦτα πλεύσαντες αὖθις εἰς τὴν νῆσον ἐκράτησαν τῶν πολεμίων οἱ Σάμιοι.

‘Ἀπὸ τίνος Πάναιμα τόπος ἐν τῇ Σαμίων νήσῳ καλεῖται;’ ἦ ὅτι φεύγουσαι Διόνυσον αἱ Ἀμαζόνες ἐκ [e] τῆς Ἐφεσίων χώρας εἰς Σάμον διέπεσον· ὁ δὲ ποιησάμενος πλοῖα καὶ διαβὰς μάχην συνῆψε καὶ πολλὰς αὐτῶν ἀπέκτεινε περὶ τὸν τόπον τοῦτον, ὃν διὰ τὸ πλῆθος τοῦ ῥυέντος αἵματος οἱ θεώμενοι Πάναιμα θαυμάζοντες ἐκάλουν; τῶν δ’ ἐλεφάντων ἀποθανεῖν τινες λέγονται περὶ τὸ Φλοιὸν καὶ τὰ ὀστᾶ δείκνυται αὐτῶν· τινὲς δὲ λέγουσι καὶ τὸ Φλοιὸν ὑπ’ ἐκείνων ῥαγῆναι, φθεγγομένων μέγα τι καὶ διάτορον.

‘Ἀπὸ ποίας αἰτίας ὁ ἀνδρὼν ἐν Σάμῳ πεδήτης καλεῖται;’ τῶν γεωμόρων ἐχόντων τὴν πολιτείαν μετὰ τὴν Δημοτέλους σφαγὴν καὶ τὴν κατάλυσιν τῆς ἐκείνου μοναρχίας οἱ Μεγαρεῖς Περινθίοις ἐπεστράτευσαν ἀποίκοις [f] οὖσι Σαμίων, πέδας κομίζοντες ὡς λέγεται ἐπὶ τοὺς αἰχμαλώτους. ταῦτα δ’ οἱ γεωμόροι πυνθανόμενοι βοήθειαν ἔπεμπον κατὰ τάχος, στρατηγοὺς μὲν ἀποδείξαντες ἐννέα, ναῦς δὲ πληρώσαντες τριάκοντα. τούτων [304] [a] ἐκπλέουσαι δύο πρὸ τοῦ λιμένος ὑπὸ κεραυνοῦ διεφθάρησαν· οἱ δὲ στρατηγοὶ ταῖς ἄλλαις πλεύσαντες ἐνίκων τοὺς Μεγαρέας καὶ ζῶντας αὐτῶν ἔλαβον ἑξακοσίους. ἐπαρθέντες δὲ τῇ νίκῃ διενοοῦντο καταλύειν τὴν οἴκοι

γεωμόρων ὀλιγαρχίαν. ἀφορμὴν δὲ παρέσχον οἱ προεστῶτες τῆς πολιτείας, γράψαντες αὐτοῖς ὅπως τοὺς αἰχμαλώτους τῶν Μεγαρέων κομίσωσι ταῖς αὐτῶν ἐκείνων πέδαις δεδεμένους. λαβόντες οὖν τὰ γράμματα ταῦτα καὶ δείξαντες [b] κρύφα τισὶ τῶν Μεγαρέων ἔπεισαν αὐτοὺς συστῆναι μεθ' αὐτῶν καὶ τὴν πόλιν ἐλευθερῶσαι· βουλευομένοις δὲ κοινῇ περὶ τῆς πράξεως ἔδοξε τῶν πεδῶν τοὺς κρίκους διακροτῆσαι, καὶ περιθέντας οὕτω τοῖς σκέλεσι τῶν Μεγαρέων ἀναλαβεῖν πρὸς τὰς ζώνας ἱμᾶσιν, ὅπως μὴ περιρρέωσι μηδ' ἐκβαίνωσιν αὐτῶν ἐν τῷ βαδίζειν χαλαρῶν γενομένων. οὕτω δὲ τοὺς ἄνδρας ἐνσκευάσαντες καὶ ξίφος ἑκάστῳ δόντες, ἐπεὶ κατέπλευσαν εἰς Σάμον καὶ ἀπέβησαν, ἦγον αὐτοὺς δι' ἀγορᾶς εἰς τὸ βουλευτήριον, ὁμοῦ τι πάντων τῶν γεωμόρων συγκαθεζομένων. εἶτα σημείου δοθέντος οἱ Μεγαρεῖς προσπεσόντες ἔκτεινον τοὺς ἄνδρας. οὕτω δὲ τῆς πόλεως ἐλευθερωθείσης [c] τούς τε βουλομένους τῶν Μεγαρέων πολίτας ἐποιήσαντο καὶ κατασκευάσαντες οἶκον εὐμεγέθη τὰς πέδας ἀνέθηκαν, καὶ ἀπὸ τούτου 'πεδήτης' ὁ οἶκος ὠνομάσθη.

'Διὰ τί παρὰ Κῴοις ὁ τοῦ Ἡρακλέους ἱερεὺς ἐν Ἀντιμαχείᾳ γυναικείαν ἐνδεδυμένος ἐσθῆτα καὶ τὴν κεφαλὴν ἀναδούμενος μίτρᾳ κατάρχεται τῆς θυσίας;' Ἡρακλῆς ταῖς ἓξ ναυσὶν ἀπὸ Τροίας ἀναχθεὶς ἐχειμάσθη, καὶ τῶν νεῶν διαφθαρεισῶν μιᾷ μόνῃ πρὸς τὴν Κῶν ὑπὸ τοῦ πνεύματος ἐλαυνόμενος ἐξέπεσε κατὰ τὸν Λακητῆρα καλούμενον, οὐδὲν ἄλλο περισώσας ἢ τὰ ὅπλα καὶ τοὺς [d] ἄνδρας. ἐντυχὼν δὲ προβάτοις ᾔτει κριὸν ἕνα παρὰ τοῦ νέμοντος· ὁ δ' ἄνθρωπος ἐκαλεῖτο μὲν Ἀνταγόρας, ἀκμάζων δὲ τῇ ῥώμῃ τοῦ σώματος ἐκέλευσεν αὐτῷ διαπαλαῖσαι τὸν Ἡερακλέα, κἂν καταβάλῃ, τὸν κριὸν φέρεσθαι. καὶ συμπεσόντος αὐτῷ τοῦ Ἡρακλέους ἐς χεῖρας οἱ Μέροπες τῷ Ἀνταγόρᾳ παραβοηθοῦντες, οἱ δ' Ἕλληνες τῷ Ἡρακλεῖ μάχην καρτερὰν συνῆψαν. ἐν ᾗ λέγεται τῷ πλήθει καταπονούμεος ὁ Ἡρακλῆς καταφυγεῖν πρὸς γυναῖκα Θρᾷτταν καὶ διαλαθεῖν ἐσθῆτι γυναικείᾳ κατακρύψας ἑαυτόν. ἐπεὶ δὲ τῶν Μερόπων αὖθις κρατήσας [e] καὶ καθαρθεὶς ἐγάμει τὴν Χαλκιοπήν, ἀνέλαβε στολὴν ἀνθίνην. διὸ θύει μὲν ὁ ἱερεὺς ὅπου τὴν μάχην συνέβη γενέσθαι, τὰς δὲ νύμφας οἱ γαμοῦντες δεξιοῦνται γυναικείαν στολὴν περιθέμενοι.

'Πόθεν ἐν Μεγάροις γένος ἁμαξοκυλιστῶν;' ἐπὶ τῆς ἀκολάστου δημοκρατίας, ἣ καὶ τὴν παλιντοκίαν ἐποίησε καὶ τὴν ἱεροσυλίαν, ἐπορεύετο θεωρία Πελοποννησίων εἰς Δελφοὺς διὰ τῆς Μεγαρικῆς καὶ κατηυλίσθησαν [f] ἐν Αἰγείροις παρὰ τὴν λίμνην μετὰ παίδων καὶ γυναικῶν ὡς ἔτυχεν ἐν ταῖς ἁμάξαις. τῶν δὲ Μεγαρέων οἱ θρασύτατοι μεθυσθέντες, ὕβρει καὶ ὠμότητι τὰς ἁμάξας ἀνακυλίσαντες εἰς τὴν λίμνην ἐνεώσαντο, ὥστε πολλοὺς

ἀποπνιγῆναι τῶν θεωρῶν. οἱ μὲν οὖν Μεγαρεῖς δι’ ἀταξίαν τῆς πολιτείας ἠμέλησαν τοῦ ἀδικήματος, οἱ δ’ Ἀμφικτύονες, ἱερᾶς τῆς θεωρίας οὔσης, ἐπιστραφέντες τοὺς μὲν φυγῇ τοὺς δὲ θανάτῳ τῶν ἐναγῶν ἐζημίωσαν. οἱ δ’ ἀπὸ τοῦ γένους ‘ἁμαξοκυλισταί’ προσηγορεύθησαν.

[305] Τὰς ἀρχαίας ἱστορίας διὰ τὰ παράδοξα τῆς πράξεως οἱ πλεῖστοι νομίζουσι πλάσματα καὶ μύθους τυγχάνειν· [b] εὑρὼν δ᾽ ἐγὼ καὶ ἐν τοῖς νῦν χρόνοις γεγονότα ὅμοια τὰ ἐν τοῖς Ῥωμαϊκοῖς καιροῖς συμβεβηκότα ἐξελεξάμην καὶ ἑκάστῳ πράγματι ἀρχαίῳ νεωτέραν ὁμοίαν διήγησιν ὑπέταξα, ἀναγράψας καὶ τοὺς ἱστορήσαντας ἄνδρας.

ΔΑΤΙΣ ὁ Περσῶν σατράπης μετὰ τριάκοντα μυριάδων εἰς Μαραθῶνα παραγενόμενος, πεδίον τῆς Ἀττικῆς, καὶ στρατοπεδευσάμενος πόλεμον τοῖς ἐγχωρίοις κατήγγειλεν· Ἀθηναῖοι δὲ τοῦ βαρβαρικοῦ πλήθους καταφρονήσαντες ἐνακισχιλίους ἔπεμψαν, στρατηγοὺς ποιήσαντες [c] Κυνέγειρον Πολύζηλον Καλλίμαχον Μιλτιάδην. συμβληθείσης δὲ τῆς παρατάξεως Πολύζηλος μὲν ὑπεράνθρωπον φαντασίαν θεασάμενος τὴν ὅρασιν ἀπέβαλε καὶ τυφλὸς ἐγένετο· Καλλίμαχος δὲ πολλοῖς περιπεπαρμένος δόρασι καὶ νεκρὸς ἐστάθη· Κυνέγειρος δὲ Περσικὴν ἀναγομένην ναῦν κατασχὼν ἐχειροκοπήθη.

ΑΣΔΡΟΥΒΑΣ βασιλεὺς Σικελίαν καταλαβόμενος πόλεμον Ῥωμαίοις κατήγγειλε· Μέτελλος δ᾽ ὑπὸ τῆς συγκλήτου στρατηγὸς χειροτονηθεὶς ἐγκρατὴς ἐγένετο τῆς νίκης ταύτης, ἐν ᾗ Λεύκιος Γλαύκων εὐγενὴς ἀνὴρ τὴν Ἀσδρούβα κατέχων ναῦν ἀμφοτέρας ἀπέβαλε τὰς [d] χεῖρας· καθάπερ ἱστορεῖ Ἀριστείδης Μιλήσιος ἐν πρώτῃ Σικελικῶν (FHGr. IV 324), παρ᾽ οὗ τὴν ὑπόθεσιν ἔμαθε Διονύσιος ὁ Σικελιώτης.

ΞΕΡΞΗΣ μετὰ πεντακοσίων μυριάδων Ἀρτεμισίῳ προσορμίσας πόλεμον τοῖς ἐγχωρίοις κατήγγειλεν· Ἀθηναῖοι δὲ συγκεχυμένοι κατάσκοπον ἔπεμψαν Ἀγησίλαον, τὸν Θεμιστοκλέους ἀδελφόν, καίπερ Νεοκλέους τοῦ πατρὸς αὐτοῦ κατ᾽ ὄναρ ἑωρακότος ἀμφοτέρας ἀποβεβληκότα τὰς χεῖρας. παραγενόμενος δ᾽ εἰς τοὺς βαρβάρους ἐν σχήματι Περσικῷ Μαρδόνιον, ἕνα τῶν σωματοφυλάκων, ἀνεῖλεν ὑπολαμβάνων Ξέρξην εἶναι. συλληφθεὶς δὲ [e] πρὸς τῶν πέριξ δέσμιος ἤχθη πρὸς τὸν βασιλέα. βουθυτεῖν δὲ τοῦ προειρημένου μέλλοντος ἐπὶ τῷ τοῦ Ἡλίου βωμῷ τὴν δεξιὰν ἐπέθηκε χεῖρα, καὶ ἀστένακτος ὑπομείνας τὴν ἀνάγκην τῶν βασάνων ἠλευθερώθη τῶν δεσμῶν εἰπών ‘πάντες ἐσμὲν τοιοῦτοι Ἀθηναῖοι· εἰ δ᾽ ἀπιστεῖς, καὶ τὴν ἀριστερὰν ἐπιθήσω.’ φοβηθεὶς δ᾽ ὁ Ξέρξης φρουρεῖσθαι αὐτὸν προσέταξε·

καθάπερ ἱστορεῖ Ἀγαθαρχίδης Σάμιος ἐν δευτέρᾳ τῶν Περσικῶν (FHGr. III 197).

ΠΟΡΣΙΝΑΣ Τούσκων βασιλεὺς πέραν ποταμοῦ Θύμβρεως στρατεύσας ἐπολέμησε Ῥωμαίοις καὶ τὴν ἀπὸ σιτίων φερομένην εὐθηνίαν Ῥωμαίοις μέσην λαβὼν [f] λιμῷ τοὺς προειρημένους ἔτρυχε. τῆς δὲ συγκλήτου συγκεχυμένης Μούκιος τῶν ἐπισήμων ἀνὴρ λαβὼν τετρακοσίους ἀπὸ τῶν ὑπάτων ὁμήλικας ἐν ἰδιωτικῷ σχήματι τὸν ποταμὸν διῆλθεν. ἰδὼν δὲ τὸν σωματοφύλακα τοῦ τυράννου τὰ ἐπιτήδεια διαδιδόντα τοῖς στρατηγοῖς, ὑπολαβὼν αὐτὸν τὸν Πορσίναν εἶναι ἀνεῖλεν. ἀχθεὶς δ' ἐπὶ τὸν βασιλέα τοῖς ἐμπύροις ἐπέθηκε τὴν δεξιὰν χεῖρα καὶ [306] [a] στέξας τὰς ἀλγηδόνας εὐψύχως ἐμειδίασεν εἰπών 'βάρβαρε, λέλυμαι, κἂν μὴ θέλῃς· καὶ ἴσθι ἡμᾶς κατὰ σοῦ τετρακοσίους ὄντας ἐν τῷ στρατοπέδῳ, οἵ σε ἀνελεῖν ζητοῦμεν.' ὁ δὲ φοβηθεὶς σπονδὰς πρὸς Ῥωμαίους ἐποιήσατο· καθάπερ ἱστορεῖ Ἀριστείδης ὁ Μιλήσιος ἐν τρίτῃ ἱστοριῶν (FHGr. IV 320).

ΑΡΓΕΙΩΝ καὶ Λακεδαιμονίων ὑπὲρ Θυρεάτιδος χώρας πολεμούντων οἱ Ἀμφικτύονες ἔκριναν πολεμῆσαι ἑκατέρ‹ων τριακοσί›ους καὶ τῶν νικησάντων εἶναι τὴν χώραν. Λακεδαιμόνιοι μὲν οὖν Ὀθρυάδην ἐποίησαν στρατηγὸν Ἀργεῖοι δὲ Θέρσανδρον. πολεμούντων δὲ δύο [b] ἐκ τῶν Ἀργείων περιελείφθησαν, Ἀγήνωρ καὶ Χρόμιος, οἵτινες εἰς τὴν πόλιν ἤγγειλαν τὴν νίκην. ἠρεμίας δ' ὑπαρχούσης ὁ Ὀθρυάδης ἐπιζήσας καὶ ἡμικλάστοις δόρασιν ἐπερειδόμενος τὰς τῶν νεκρῶν ἁπάντων ἀσπίδας περιείλετο· καὶ τρόπαιον στήσας ἐκ τοῦ ἰδίου αἵματος ἐπέγραψε 'Διὶ τροπαιούχῳ.' καὶ τῶν δήμων στάσιν ἐχόντων οἱ Ἀμφικτύονες αὐτόπται γενόμενοι Λακεδαιμονίους προκρίνουσι· καθάπερ Χρύσερμος ἐν τρίτῳ Πελοποννησιακῶν (FHGr. IV 361).

ΡΩΜΑΙΟΙ πρὸς Σαμνίτας πόλεμον ἔχοντες στρατηγὸν ἐχειροτόνησαν Μινούκιον Αὐγουρῖνον. οὗτος κατὰ τὰς καλουμένας φορκούλας Καυδίνας (ἔστι δὲ τόπος [c] στενώτατος) ἐνεδρευθεὶς τρεῖς ἀπέβαλε λεγεῶνας καὶ αὐτὸς καιρίως τρωθεὶς ἔπεσε. βαθείας δὲ νυκτὸς ὀλίγον ἐπιζήσας περιείλετο τῶν ἀνῃρημένων πολεμίων τὰς ἀσπίδας καὶ εἰς τὸ αἷμα τὴν χεῖρα βαπτίσας ἔστησε τρόπαιον ἐπιγράψας 'Ῥωμαῖοι κατὰ Σαμνιτῶν Διὶ τροπαιούχῳ.' Μάξιμος δὲ ὁ ἐπικληθεὶς Λαίμαργος, στρατηγὸς πεμφθεὶς καὶ παραγενόμενος ἐπὶ τὸν τόπον, ἰδὼν τὸ τρόπαιον τὸν οἰωνὸν ἀσμένως ἐδέξατο· καὶ συμβαλὼν ἐνίκησε καὶ αἰχμάλωτον λαβὼν τὸν βασιλέα εἰς Ῥώμην ἔπεμψεν· ὡς Ἀριστείδης ὁ Μιλήσιος ἐν τρίτῃ Ἰταλικῶν (FHGr. IV 321).

ΠΕΡΣΩΝ μετὰ πεντακοσίων μυριάδων ἐπὶ [d] τὴν Ἑλλάδα ἐρχομένων Λεωνίδας ἅμα τριακοσίοις ἐπέμφθη εἰς Θερμοπύλας ὑπὸ Λακεδαιμονίων.

εὐωχουμένων δ’ ἐκεῖ ἐπέκειτο τὸ τῶν βαρβάρων πλῆθος· καὶ ὁ Λεωνίδας εἶπεν ἰδὼν τοὺς βαρβάρους ‘οὕτως ἀριστᾶτε ὡς ἐν Ἅιδου δειπνήσοντες.’ καὶ ὁρμήσας κατὰ τῶν βαρβάρων καὶ πολλοῖς περιπαρεὶς δόρασιν ἀνέβη ἐπὶ τὸν Ξέρξην καὶ τὸ διάδημα ἀφείλετο. οὗ ἀποθανόντος ὁ βάρβαρος τέμνει τὴν καρδίαν καὶ εὗρε δασεῖαν· ὡς Ἀριστείδης ἐν πρώτῃ Περσικῶν (FHGr. IV 324).

ΡΩΜΑΙΟΙ πρὸς Ποινοὺς πόλεμον ἔχοντες ἔπεμψαν τριακοσίους καὶ στρατηγὸν Φάβιον Μάξιμον.

[e] συμβαλὼν δ’ ἀπέβαλε πάντας, αὐτὸς δὲ καιρίως τρωθεὶς μεθ’ ὁρμῆς ἐπὶ τὸν Ἀννίβαν ἠνέχθη, καὶ καθελὼν τὸ διάδημα συναπέθανεν αὐτῷ, καθάπερ ἱστορεῖ Ἀριστείδης ὁ Μιλήσιος (FHGr. IV 322).

ΚΑΤΑ Κελαινὰς πόλιν τῆς Φρυγίας χάσμα μεθ’ ὕδατος γενόμενον πολλὰς οἰκίας αὐτάνδρους εἰς τὸν βυθὸν εἵλκυσε. Μίδας δ’ ὁ βασιλεὺς χρησμὸν ἔλαβεν, ἐὰν τὸ τιμιώτατον ἐμβάλῃ, συνελεύσεσθαι· ὁ δὲ χρυσὸν καὶ ἄργυρον ἐμβαλὼν οὐδὲν ἐβοήθησεν. Ἄγχουρος δ’ υἱὸς τοῦ Μίδα λογισάμενος μηδὲν εἶναι τιμιώτερον ἐν βίῳ ψυχῆς ἀνθρωπίνης, δοὺς περιπλοκὰς τῷ γεννήσαντι καὶ τῇ [f] γυναικὶ Τιμοθέᾳ ἔφιππος εἰς τὸν τόπον τοῦ χάσματος ἠνέχθη. συνελθούσης δὲ τῆς γῆς χρύσεον βωμὸν ἐποίησεν Ἰδαίου Διὸς ἁψάμενος τῇ χειρί. οὗτος ὁ βωμὸς περὶ ἐκεῖνον τὸν καιρόν, ἐν ᾧ τὸ χάσμα συνέβη γενέσθαι, λίθος γίνεται· τῆς δὲ ὡρισμένης προθεσμίας παρελθούσης, χρύσεος ὁρᾶται· ὡς Καλλισθένης ἐν δευτέρῳ Μεταμορφώσεων (Scr. rer. Alex. M. ed. M. fr. 45).

ΔΙΑ μέσης τῆς ἀγορᾶς ῥέων ὁ Τίβερις διὰ μῆνιν Ταρπ‹η›ίου Διὸς μέγιστον ἀπέρρηξε χάσμα καὶ πολλὰς οἰκίας ἐβύθισε· χρησμὸς δ’ ἐδόθη λήξεσθαι, ἐὰν τὸ τίμι‹ώτατ›ον ἐμβάλωσι. τῶν δὲ χρυσὸν καὶ ἄργυρον ἐμβαλόντων, [307] [a] Κούρτιος τῶν ἐπισήμων νέος τὸν χρησμὸν νοήσας καὶ λογισάμενος τὴν ψυχὴν τιμιωτέραν, ἔφιππον ἑαυτὸν ἔρριψεν εἰς τὸ χάσμα καὶ τοὺς οἰκείους ἐξέσωσε τῶν κακῶν· ὡς Ἀριστείδης ἐν τεσσαρακοστῷ Ἰταλικῶν (FHGr. IV 321).

ΤΩΝ ἅμα Πολυνείκει εὐωχουμένων λοχαγῶν ἀετὸς καταπτὰς τὸ Ἀμφιάρεω ἐβάστασε δόρυ εἰς ὕψος καὶ εἴασε· τὸ δὲ παγὲν ἐν γῇ δάφνη ἐγένετο. τῇ δ’ ὑστεραίᾳ πολεμούντων κατ’ ἐκεῖνο κατεπόθη ὁ Ἀμφιάρεως ‹αὐτῷ› τῷ ἅρματι, ἔνθα νῦν πόλις Ἅρμα καλεῖται· ὡς Τεισίμαχος ἐν τρίτῳ Κτίσεων (FHGr. IV 471).

ΡΩΜΑΙΩΝ πρὸς Πύρρον Ἠπειρώτην πολεμούντων, [b] Αἰμίλιος Παῦλος χρησμὸν ἔλαβε νικῆσαι, βωμὸν ἐὰν ποιήσῃ, ἔνθα ἂν ἴδῃ χάσματι κρυπτόμενον ἄνδρα τῶν ἐπισήμων μετὰ ἅρματος. μετὰ τρεῖς ἡμέρας

Οὐαλέριος ‹Τορ›κουᾶτος κατ’ ὄναρ ἰδὼν ἀναλαβεῖν ἱερέως κόσμον (καὶ γὰρ ἦν μαντικῆς ἔμπειρος), στρατηγήσας καὶ πολλοὺς φονεύσας ὑπὸ γῆς κατεπόθη. ὁ Αἰμίλιος δὲ βωμὸν ἱδρύσας ἐνίκησε καὶ ἑκατὸν ἑξήκοντα πυργοφόρους ἐλέφαντας εἰς Ῥώμην κατέπεμψεν. ὁ δὲ βωμὸς μαντεύεται κατ’ ἐκεῖνον τὸν καιρόν, καθ’ ὃν ἐνικήθη Πύρρος· ὡς ἱστορεῖ Κριτόλας ἐν τρίτῃ Ἠπειρωτικῶν (FHGr. IV 372).

ΠΥΡΑΙΧΜΗΣ βασιλεὺς Εὐβοέων ἐπολέμει [c] Βοιωτοῖς. ὃν Ἡρακλῆς ἔτι νέος ὢν ἐνίκησε· πώλοις δὲ προσδήσας καὶ εἰς δύο μέρη διελὼν τὸν Πυραίχμην ἄταφον ἔρριψεν. ὁ δὲ τόπος προσαγορεύεται ‘πῶλοι Πυραίχμου’, κεῖται δὲ παρὰ ποταμὸν Ἡράκλειον, χρεμετισμὸν δ’ ἀναδίδωσι πινόντων ἵππων· ὡς ... ἐν τρίτῳ περὶ Ποταμῶν.

ΤΟΥΛΛΟΣ Ὁστίλιος βασιλεὺς Ῥωμαίων ἐπολέμησεν Ἀλβανοῖς, βασιλέως ὄντος Μετίου Φουφετίου, καὶ τὴν μάχην πολλάκις ὑπερέθετο. οἱ δ’ ‹ὡς› ἡττωμένου εἰς εὐωχίαν ἐτράπησαν· οἰνωμένοις δ’ ἐπέθετο καὶ τὸν βασιλέα δύο πώλοις συζεύξας διεσπάραξεν· ὡς Ἀλέξαρχος ἐν τετάρτῃ Ἰταλικῶν (FHGr. IV 298).

[d] ΦΙΛΙΠΠΟΣ Μεθώνην καὶ Ὄλυνθον βουλόμενος πορθῆσαι καὶ βιαζόμενος ἐπὶ τῷ Σανδάνῳ ποταμῷ διαβῆναι πέραν ὑπό τινος τῶν Ὀλυνθίων Ἀστέρος ὀνόματι ἐτοξεύθη τὸν ὀφθαλμόν, εἰπόντος

‘Ἀστὴρ Φιλίππῳ θανάσιμον πέμπει βέλος·’

ὁ δ’ ὀπίσω διανηξάμενος πρὸς τοὺς οἰκείους σῴζεται ἀπολέσας τὸν ὀφθαλμόν· ὡς Καλλισθένης ἐν τρίτῳ Μακεδονικῶν (Scr. rer. Alex. M. ed. M. fr. 42).

ΠΟΡΣΙΝΑΣ Τούσκων βασιλεὺς πέραν Θύμβρεος ποταμοῦ στρατεύσας ἐπολέμησε Ῥωμαίοις καὶ τὴν ἀπὸ σιτίων φερομένην εὐθηνίαν μέσην λαβὼν λιμῷ τοὺς προειρημένους ἔτρυχεν. Ὁράτιος δὲ Κάτλος στρατηγὸς [e] χειροτονηθεὶς τὴν ξυλίνην κατελάβετο γέφυραν καὶ τὸ πλῆθος τῶν βαρβάρων διαβῆναι βουλόμενον ἐπεῖχε. πλεονεκτούμενος δ’ ὑπὸ τῶν πολεμίων προσέταξε τοῖς ὑποτεταγμένοις κόπτειν τὴν γέφυραν καὶ τὸ πλῆθος τῶν βαρβάρων διαβῆναι βουλόμενον ἐκώλυσε. βέλει δὲ τὸν ὀφθαλμὸν πληγείς, ῥίψας ἑαυτὸν εἰς τὸν ποταμὸν διενήξατο εἰς τοὺς οἰκείους· ὡς Θεότιμος ἐν δευτέρῳ Ἰταλικῶν (FHGr. ΠΑΠΙΡΙΟΣ Οὐόλουκερ γήμας Ἰουλίαν Ποῦλχραν ἔσχεν ἓξ θυγατέρας καὶ ἴσους ἄρρενας. τούτων ὁ πρεσβύτατος Παπίριος Ῥωμᾶνος τῆς ἀδελφῆς ἐρασθεὶς Κανουλ‹η›ίας ἔγκυον ἐποίησε. μαθὼν δ’ ὁ πατὴρ τῇ θυγατρὶ ξίφος ἔπεμψεν· ἡ δ’ ἑαυτὴν ἀνεῖλε· τὸ αὐτὸ δὲ καὶ ὁ Ῥωμᾶνος ἔπραξεν· ὡς Χρύσιππος ἐν τῷ πρώτῳ Ἰταλικῶν (FHGr. IV 362).

ΑΡΙΣΤΩΝΥΜΟΣ Ἐφέσιος υἱὸς Δημοστράτου ἐμίσει γυναῖκας, ὄνῳ δ’ ἐμίσγετο· ἡ δὲ κατὰ [e] χρόνον ἔτεκε κόρην εὐειδεστάτην Ὀνόσκελιν τοὔνομα· ὡς Ἀριστοκλῆς ἐν δευτέρᾳ Παραδόξων (FHGr. IV 330).

ΦΟΥΛΟΥΙΟΣ Στέλλος μισῶν γυναῖκας ἵππῳ συνεμίσγετο· ἡ δὲ κατὰ χρόνον ἔτεκε κόρην εὔμορφον καὶ ὠνόμασεν Ἔποναν· ἔστι δὲ θεὸς πρόνοιαν ποιουμένη ἵππων· ὡς Ἀγησίλαος ἐν τρίτῳ Ἰταλικῶν (FHGr. IV 292).

ΣΑΡΔΙΑΝΟΙ πρὸς Σμυρναίους πόλεμον ἔχοντες περὶ τὰ τείχη ἐστρατοπεδεύσαντο καὶ διὰ πρέσβεων ἔπεμψαν μὴ πρότερον ἀναχωρῆσαι, ἐὰν μὴ τὰς γυναῖκας συνελθεῖν αὐτοῖς συγχωρήσωσι. τῶν δὲ Σμυρναίων διὰ τὴν ἀνάγκην μελλόντων πάσχειν κακῶς, θεραπαινὶς ἦν [f] μία τῶν εὐσχημόνων, ἣ προσδραμοῦσα ἔφη τῷ δεσπότῃ Φιλάρχῳ δεῖν τὰς θεραπαίνας κοσμήσαντας ἀντ’ ἐλευθέρων πέμπειν. ὃ δὴ καὶ ἔδρασαν. οἱ δὲ κοπωθέντες ὑπὸ τῶν θεραπαινῶν ἑάλωσαν. ὅθεν καὶ νῦν παρὰ Σμυρναίοις ἑορτὴ [313] [a] λέγεται Ἐλευθέρια, ἐν ᾗ αἱ δοῦλαι τὸν κόσμον τῶν ἐλευθέρων φοροῦσιν· ὡς Δοσίθεος ἐν τρίτῳ Λυδιακῶν (FHGr. IV 401).

ΑΤΕΠΟΜΑΡΟΣ Γάλλων βασιλεὺς Ῥωμαίοις πολεμῶν ἔφη μὴ πρότερον ἀναχωρῆσαι, ἐὰν μὴ τὰς γυναῖκας εἰς συνουσίαν ἐκδῶσι. τῶν δὲ διὰ συμβουλὴν θεραπαινίδων πεμψάντων τὰς δούλας κοπωθέντες οἱ βάρβαροι τῇ ἀλήκτῳ συνουσίᾳ ὑπνώθησαν. ἡ δὲ Ῥητᾶνα (αὕτη γὰρ ἦν ἡ τοῦτο συμβουλεύσασα) ἀγρίας ἐπιλαβομένη συκῆς ἀναβαίνει εἰς τὸ τεῖχος καὶ μηνύει τοῖς ὑπάτοις· οἱ δ’ ἐπελθόντες ἐνίκησαν. ἀφ’ οὗ καὶ ἑορτὴ θεραπαινῶν καλεῖται· ὡς Ἀριστείδης Μιλήσιος ἐν πρώτῃ Ἰταλικῶν (FHGr. IV 320).

[b] ΑΘΗΝΑΙΩΝ πόλεμον ἐχόντων πρὸς Εὔμολπον καὶ τῆς εὐθηνίας μὴ ἐπαρκούσης Πύρανδρος ταμίας τῶν δημοσίων ὑπεσπάσατο τὸ μέτρον, φειδωλῶς χρώμενος· οἱ δ’ ἐγχώριοι ὡς προδότην ὑποπτεύσαντες

λιθόλευστον ἐποίησαν· ὡς Καλλισθένης ἐν τρίτῳ Θρᾳκικῶν (Script. rer. Alex. ed. M. 30, 44).

ῬΩΜΑΙΩΝ πρὸς Γάλλους πολεμούντων καὶ τῆς εὐθηνίας μὴ ἀρκούσης Κίννας τοῦ δήμου τὸ σιτόμετρον ὑπέσπασε· Ῥωμαῖοι δ' ὡς ἀντιποιούμενον αὐτὸν τῆς βασιλείας λιθόλευστον ἐποίησαν· ὡς Ἀριστείδης Μιλήσιος ἐν τρίτῳ Ἰταλικῶν (FHGr. IV 322).

ΕΝ τῷ Πελοποννησιακῷ πολέμῳ Πεισίστρατος [c] Ὀρχομένιος τοὺς μὲν εὐγενεῖς ἐμίσει, τοὺς δ' εὐτελεῖς ἐφίλει. ἐβουλεύσαντο δ' οἱ ἐν τῇ βουλῇ φονεῦσαι καὶ διακόψαντες αὐτὸν εἰς τοὺς κόλπους ἔβαλον καὶ τὴν γῆν ἔξυσαν. ὁ δὲ δημότης ὄχλος ὑπόνοιαν λαβὼν ἔδραμεν εἰς τὴν βουλήν. ὁ δὲ νεώτερος υἱὸς τοῦ βασιλέως Τλησίμαχος εἰδὼς τὴν συνωμοσίαν ἀπὸ τῆς ἐκκλησίας ἀπέσπασε τὸν ὄχλον, εἰπὼν ἑωρακέναι τὸν πατέρα μεθ' ὁρμῆς εἰς τὸ Πισαῖον ὄρος φέρεσθαι, μείζονα μορφὴν ἀνθρώπου κεκτημένον. καὶ οὕτως ἠπατήθη ὁ ὄχλος· ὡς Θεόφιλος ἐν δευτέρῳ Πελοποννησιακῶν (FHGr. IV 515).

ΔΙΑ τοὺς ἀστυγείτονας πολέμους ἡ σύγκλητος [d] τῶν Ῥωμαίων τοῦ δήμου τὸ σιτόμετρον ἦρε· Ῥωμύλος δ' ὁ βασιλεὺς βαρέως ἐνεγκὼν τῷ δήμῳ ἀπέδωκε· πολλοὺς δὲ τῶν μειζόνων ἐκόλαζεν. οἱ δὲ φονεύσαντες αὐτὸν ἐν τῇ συγκλήτῳ βουλῇ καὶ διακόψαντες εἰς τοὺς κόλπους ἔβαλον. Ῥωμαῖοι δὲ μετὰ πυρὸς εἰς τὴν σύγκλητον ἔδραμον. Αἴλιος δὲ Πρᾶος τῶν ἐπισήμων ἀνὴρ εἶπε τὸν Ῥωμύλον ἐν ὄρει ἑωρακέναι μείζονα παντὸς ἀνθρώπου θεὸν γεγενῆσθαι. Ῥωμαῖοι δὲ πιστεύσαντες ἀνεχώρησαν· ὡς Ἀριστόβουλος ἐν τρίτῳ Ἰταλικῶν (FHGr. IV 329. Jac. I 54 F 1 C p. 533).

ΠΕΛΟΨ Ταντάλου καὶ Εὐρυανάσσης γήμας Ἱπποδάμειαν ἔσχεν Ἀτρέα καὶ Θυέστην· ἐκ δὲ Δαναΐδος [e] νύμφης Χρύσιππον, ὃν πλέον τῶν γνησίων ἔστερξε. Λάιος δ' ὁ Θηβαῖος ἐπιθυμήσας ἥρπασεν αὐτόν. καὶ συλληφθεὶς ὑπὸ Θυέστου καὶ Ἀτρέως ἐλέους ἔτυχε παρὰ Πέλοπος διὰ τὸν ἔρωτα. Ἱπποδάμεια δ' ἀνέπειθεν Ἀτρέα καὶ Θυέστην ἀναιρεῖν αὐτόν, εἰδυῖα ἔσεσθαι ἔφεδρον βασιλείας. τῶν δ' ἀρνησαμένων αὐτὴ τῷ μύσει τὰς χεῖρας ἔχρισε. νυκτὸς γὰρ βαθείας κοιμωμένου Λαΐου τὸ ξίφος ἑλκύσασα καὶ τρώσασα τὸν Χρύσιππον ἐγκαταπήγνυσι τὸ ξίφος. ὑπονοηθεὶς δ' ὁ Λάιος διὰ τὸ ξίφος ῥύεται ὑπὸ ἡμιθνῆτος τοῦ Χρυσίππου τὴν ἀλήθειαν ὁμολογήσαντος· ὁ δὲ θάψας τὴν Ἱπποδάμειαν ἐξώρισεν· ὡς Δοσίθεος ἐν Πελοπίδαις (FHGr. IV 402). [f] ΟΥΙΒΙΟΣ Πολίαξ γήμας Νουκερίαν ἔσχε δύο παῖδας ἐκ ταύτης. ἔσχε δὲ καὶ ἐξ ἀπελευθέρας κάλλει περίβλεπτον Φίρμον, ὃν τῶν γνησίων μᾶλλον ἔστεργε. ἡ δὲ Νουκερία πρὸς τὸν πρόγονον μισοπονήρως διακειμένη τοὺς παῖδας ἀνέπειθεν φονεύειν. τῶν δ' εὐσεβῶς ἀνανευσάντων αὐτὴ τὸν

φόνον ἐνήργησε νυκτὸς τοῦ σωματοφύλακος [314] [a] τὸ ξίφος ἑλκύσασα ‹καὶ› καιρίως ἔτρωσε τὸν κοιμώμενον, ἐγκαταλιποῦσα τὸ ξίφος. τοῦ δὲ σωματοφύλακος ὑποπτευθέντος ὁ παῖς τὴν ἀλήθειαν λέγει. ὁ δὲ τοῦτον θάψας τὴν γυναῖκα ἐφυγάδευσεν· ὡς Δοσίθεος ἐν τρίτῳ Ἰταλικῶν (FHGr. IV 401).

ΘΗΣΕΥΣ ταῖς ‹δ'› ἀληθείαις παῖς Ποσειδῶνος, ἔχων δ' ἐξ Ἱππολύτης Ἀμαζόνος Ἱππόλυτον, ἐπέγημε μητρυιὰν Φαίδραν τὴν Μίνωος, ἥτις τοῦ προγόνου εἰς ἐπιθυμίαν ἐμπεσοῦσα τὴν τροφὸν ἔπεμψεν. ὁ δὲ καταλείψας Ἀθήνας καὶ εἰς Τροιζῆνα παραγενόμενος κυνηγεσίαις προσανέκειτο. τῆς δὲ προαιρέσεως ἡ ἀσελγὴς [b] ἀποτυχοῦσα ψευδεῖς κατὰ τοῦ σώφρονος ἐπιστολὰς ἐχάραξε καὶ βρόχῳ τὸ ζῆν ἀνήρτησε. Θησεὺς δὲ πιστεύσας ᾐτήσατο παρὰ Ποσειδῶνος ἀπολέσθαι τὸν Ἱππόλυτον, ἐκ τῶν τριῶν εὐχῶν ἃς εἶχε παρ' αὐτοῦ. ὁ δὲ παρ' αἰγιαλὸν ἐπὶ ἅρματος τυχόντι ταῦρον ἔπεμψε καὶ ἐπτόησε τοὺς ἵππους, οἳ συνέτριψαν τὸν Ἱππόλυτον.

ΚΟΜΜΙΝΙΟΣ Σουπέρ‹στης› Λαυρεντῖνος ἔχων υἱὸν ἐξ Ἐγερίας νύμφης Κομμίνιον ἐπήγαγε μητρυιὰν †Γινδίκαν· ἥτις ἐρασθεῖσα τοῦ προγόνου καὶ ἀποτυχοῦσα βρόχῳ κατέστρεψε τὸν βίον, ἐπιστολὰς καταλείψασα ψευδεῖς. ὁ δὲ Κομμίνιος ἀναγνοὺς τὰ ἐκγλήματα καὶ τῷ [c] ζήλῳ πιστεύσας ἐπεκαλέσατο τὸν Ποσειδῶνα. ὁ δὲ τῷ παιδὶ ἐπὶ ἅρματος ὀχουμένῳ ταῦρον ἔδειξε, καὶ οἱ ἵπποι τὸν νέον σύραντες ἀπώλεσαν· ὡς Δοσίθεος ἐν τρίτῳ Ἰταλικῶν (FHGr. IV 400).

ΛΟΙΜΟΥ κατασχόντος Λακεδαίμονα ἔχρησεν ὁ θεὸς παύσασθαι, ἐὰν παρθένον εὐγενῆ κατ' ἔτος θύωσιν. Ἑλένης δέ ποτε κληρωθείσης καὶ προαχθείσης κεκοσμημένης ἀετὸς καταπτὰς ἥρπασε τὸ ξίφος καὶ ἐς τὰ βουκόλια κομίσας ἐπὶ δάμαλιν κατέθηκεν· ὅθεν ἀπέσχοντο τῆς παρθενοκτονίας· ὡς Ἀριστόδημος ἐν τρίτῃ μυθικῇ συναγωγῇ (FHGr. M. III 311. FGH Jac. I 22 F 1a K. 498).

[d] ΛΟΙΜΟΥ κατασχόντος Φαλερίους καὶ φθορᾶς γενομένης χρησμὸς ἐδόθη λωφῆσαι τὸ δεινόν, ἐὰν παρθένον τῇ Ἥρᾳ θύωσιν κατ' ἐνιαυτόν. ἀεὶ δὲ τῆς δεισιδαιμονίας μενούσης κατὰ κλῆρον καλουμένη Οὐαλερία Λουπέρκα †σπασαμένη δὲ τὸ ξίφος ἀετὸς καταπτὰς ἥρπασε καὶ ἐπὶ τῶν ἐμπύρων ἔθηκε ῥάβδον μικρὰν ἔχουσαν σφῦραν, τὸ δὲ ξίφος ἐπέβαλε δαμάλει τινὶ παρὰ τὸν ναὸν βοσκομένῃ. νοήσασα δ' ἡ παρθένος καὶ τὴν βοῦν θύσασα καὶ τὴν σφῦραν ἄρασα κατ' οἰκίαν περιῆλθε καὶ τοὺς ἀσθενοῦντας ἠρέμα πλήττουσα διήγειρεν, ἐρρῶσθαι ἑνὶ ἑκάστῳ λέγουσα. ὅθεν καὶ νῦν τὸ μυστήριον τελεῖται· [e] ὡς Ἀριστείδης ἐν ἐννεακαιδεκάτῳ Ἰταλικῶν (FHGr. IV 322).

ΦΥΛΟΝΟΜΗ Νυκτίμου καὶ Ἀρκαδίας θυγάτηρ ἐκυνήγει σὺν τῇ Ἀρτέμιδι· Ἄρης δ' ἐν σχήματι ποιμένος ἔγκυον ἐποίησεν. ἡ δὲ τεκοῦσα διδύμους παῖδας καὶ φοβουμένη τὸν πατέρα ἔρριψεν εἰς τὸν Ἐρύμανθον. οἱ δὲ κατὰ πρόνοιαν ἀκινδύνως περιφερόμενοι προσηνέχθησαν ἐν κοίλῃ δρυΐ· λύκαινα δ' ἐμφωλεύουσα τοὺς μὲν ἰδίους σκύμνους εἰς τὸν ῥοῦν ἔρριψε, τοῖς δὲ βρέφεσι θηλὴν παρέσχε. Τύλιφος δὲ ποιμὴν αὐτόπτης γενόμενος καὶ ἀναλαβὼν τοὺς παῖδας ὡς ἰδίους ἔθρεψε, τὸν μὲν καλέσας Λύκαστον τὸν δὲ Παρράσιον, τοὺς διαδεξαμένους τὴν [f] βασιλείαν τῶν Ἀρκάδων· ὡς Ζώπυρος Βυζάντιος ἐν τρίτῳ Ἱστορικῶν (FHGr. M. IV 531).

ΑΜΟΥΛΙΟΣ πρὸς Νομίτορα τὸν ἀδελφὸν τυραννικῶς διακείμενος τὸν μὲν υἱὸν Αἴνιτον ἐπὶ κυνηγίᾳ ἀνεῖλε, τὴν δὲ θυγατέρα Σιλουίαν ἢ Ἰλίαν τῆς Ἥρας ἱέρειαν ἐποιήσατο. ταύτην Ἄρης ἐγκύμονα ποιεῖ· ἡ δ' ἔτεκε διδύμους ὡμολόγησέ τε τῷ τυράννῳ τὴν ἀλήθειαν. ὁ δὲ φοβηθεὶς ἀμφοτέρους κατεπόντισε, βαλὼν παρὰ τὰς ὄχθας [315] [a] τοῦ Θύμβρεως. οἱ δὲ προσηνέχθησαν ἐν τόπῳ, ἔνθα λύκαινα ἦν φωλεύουσα νεοτόκος· καὶ τοὺς μὲν σκύμνους ἔρριψε, τὰ δὲ βρέφη ἔτρεφε. Φαῦστος δὲ ποιμὴν αὐτόπτης γενόμενος τοὺς παῖδας ἀνέθρεψε καὶ τὸν μὲν Ῥῶμον τὸν δὲ Ῥωμύλον προσηγόρευσε, τοὺς κτίστας Ῥώμης· ὡς Ἀριστείδης Μιλήσιος ἐν τοῖς Ἰταλικοῖς (FHGr. M. IV 323).

ΜΕΤΑ τὴν Ἰλίου ἅλωσιν Ἀγαμέμνων μετὰ Κασάνδρας ἀνῃρέθη. Ὀρέστης δὲ παρὰ Στροφίῳ ἀνατραφεὶς τοὺς φονεῖς τοῦ πατρὸς ἐτιμωρήσατο· ὡς Πύρανδρος ἐν τετάρτῳ Πελοποννησιακῶν (FHGr. M. IV 486).

ΦΑΒΙΟΣ ΦΑΒΡΙΚΙΑΝΟΣ τοῦ μεγάλου συγγενὴς Φαβίου, πορθήσας Τούξιον μητρόπολιν Σαυνιτῶν, [b] τὴν παρ' αὐτοῖς τιμωμένην νικηφόρον Ἀφροδίτην ἔπεμψεν εἰς Ῥώμην. τούτου γυνὴ Πετρωνία μοιχευθεῖσα ὑπό τινος εὐπρεποῦς νεανίου τοὔνομα [Πετρωνίου] Οὐαλεντίνου, τὸν ἄνδρα ἐδολοφόνησε. Φαβία δὲ τὸν ἀδελφὸν ἔτι νήπιον Φαβρικιανὸν τῶν κινδύνων ἐρρύσατο καὶ ἔπεμψε κρύφα τραφησόμενον. ἀκμάσας δ' ὁ νεανίας τήν τε μητέρα καὶ τὸν μοιχὸν ἀπέκτεινε καὶ ἀπελύθη ὑπὸ τῆς συγκλήτου· ὡς ἱστορεῖ Δοσίθεος ἐν τρίτῳ Ἰταλικῶν (FHGr. IV 401).

ΒΟΥΣΙΡΙΣ, παῖς Ποσειδῶνος καὶ Ἀνίππης τῆς Νείλου, τοὺς παριόντας ὑπούλῳ φιλοξενίᾳ κατέθυε· μετῆλθε δ' αὐτὸν ἡ τῶν τετελευτηκότων νέμεσις· [c] Ἡρακλῆς γὰρ ἐπιτεθεὶς τῷ ῥοπάλῳ διεχρήσατο· ὡς Ἀγάθων Σάμιος (FHGr. IV 291).

ΗΡΑΚΛΗΣ τὰς Γηρυόνου βοῦς ἐλαύνων δι' Ἰταλίας ἐπεξενώθη Φαύνῳ βασιλεῖ, ὃς ἦν Ἑρμοῦ παῖς καὶ τοὺς ξένους τῷ γεννήσαντι ἔθυεν· ἐπιχειρήσας δὲ τῷ Ἡρακλεῖ ἀνῃρέθη· ὡς Δέρκυλλος ἐν τρίτῳ Ἰταλικῶν (FHGr. IV 387).

ΦΑΛΑΡΙΣ Ἀκραγαντίνων τύραννος ἀποτόμως τοὺς παριόντας ξένους ἐστρέβλου καὶ ἐκόλαζε. Πέριλλος δὲ τῇ τέχνῃ χαλκουργὸς δάμαλιν κατασκευάσας χαλκῆν ἔδωκε τῷ βασιλεῖ, ὡς ἂν τοὺς ξένους κατακαίῃ ζῶντας ἐν αὐτῇ· ὁ δὲ τότε μόνον γενόμενος δίκαιος αὐτὸν ἐνέβαλεν. ἐδόκει δὲ μυκηθμὸν ἀναδιδόναι ἡ δάμαλις· ὡς ἐν [d] δευτέρῳ Αἰτίων.

ΕΝ ΑΙΓΕΣΤΗΙ [τῇ] πόλει τῆς Σικελίας ἐγένετό τις ὠμὸς τύραννος Αἰμίλιος Κενσωρῖνος. οὗτος τοὺς καινότερα βασανιστήρια κατασκευάσαντας ἐδωροδόκει. εἷς δέ τις Ἀρ‹ρ›ούντιος Πατέρκουλος δημιουργήσας ἵππον χαλκοῦν τῷ προειρημένῳ δῶρον ἔδωκεν, ἵνα βάλλῃ αὐτούς. ὁ δὲ τότε πρῶτον νομίμως ἀναστραφεὶς τὸν χαρισάμενον πρότερον ἔβαλεν, ὡς ἄν, ἣν ἐπενόησε βάσανον ἄλλοις, αὐτὸς πάθῃ πρῶτος. [τοῦτον συλλαβὼν ἀπὸ τοῦ Ταρπ‹η›ίου ὄρους ἔρριψε.] καὶ δοκοῦσιν οἱ ἀποτόμως βασιλεύσαντες ἀπ’ ἐκείνου Αἰμίλιοι προσαγορεύεσθαι· ὡς [e] Ἀριστείδης ἐν τετάρτῳ Ἰταλικῶν (FHGr. IV 322).

ΕΥΗΝΟΣ Ἄρεος καὶ Στερόπης τὴν Οἰνομάου γήμας Ἀλκίππην ἐγέννησε θυγατέρα Μάρπησσαν, ἣν παρθένον ἐφρούρει. ‹ἰδὼν δ’› Ἴδας ὁ Ἀφαρήϊος καὶ ἁρπάσας ἐκ χοροῦ ἔφυγεν. ὁ δὲ πατὴρ διώξας καὶ μὴ συλλαβὼν εἰς τὸν Λυκόρμαν ἔρριψεν ἑαυτὸν ποταμὸν καὶ ἀθάνατος ἐγένετο· ὡς Δοσίθεος ἐν πρώτῳ Αἰτωλικῶν (FHGr. IV 401).

ΑΝΙΟΣ δὲ Τούσκων βασιλεὺς ἔχων θυγατέρα εὔμορφον τοὔνομα Σαλίαν παρθένον ἐτήρει. Κάθητος δ’ ἐκ τῶν ἐπισήμων ἰδὼν τὴν παρθένον παίζουσαν ἠράσθη, καὶ μὴ στέγων τὸν ἔρωτα ἥρπασε καὶ ἦγεν εἰς Ῥώμην.

[f] ὁ δὲ πατὴρ ἐπιδιώξας καὶ μὴ συλλαβὼν ἥλατο εἰς τὸν Περεούσιον ποταμόν, ὃς Ἀνίων μετωνομάσθη· τῇ δὲ Σαλίᾳ συγγενόμενος Κάθητος ἐποιήσατο Λατῖνον καὶ Σάλιον, ἀφ’ ὧν οἱ εὐγενέστατοι κατῆγον τὸ γένος· ὡς Ἀριστείδης Μιλήσιος καὶ Ἀλέξανδρος ὁ Πολυΐστωρ ἐν τρίτῳ Ἰταλικῶν (FHGr. III 230).

ΗΓΗΣΙΣΤΡΑΤΟΣ ἀνὴρ Ἐφέσιος ἐμφύλιον φόνον δράσας ἔφυγεν εἰς Δελφοὺς καὶ ἠρώτα τὸν θεὸν ποῦ οἰκήσειεν. ὁ δ’ Ἀπόλλων ἀνεῖλεν, ἔνθα ἂν ἴδῃ χορεύοντας [316] [a] ἀγροίκους θαλλοῖς ἐλαίας ἐστεφανωμένους. γενόμενος δὲ κατά τινα τόπον τῆς Ἀσίας καὶ θεασάμενος γεωργοὺς φύλλοις ἐλαίας ἐστεφανωμένους καὶ χορεύοντας, ἔκτισεν αὐτοῦ πόλιν καὶ ἐκάλεσεν Ἐλαιοῦντα· ὡς Πυθοκλῆς Σάμιος ἐν τρίτῳ Γεωργικῶν (FHGr. IV 488).

ΤΗΛΕΓΟΝΟΣ Ὀδυσσέως καὶ Κίρκης ἐπ’ ἀναζήτησιν τοῦ πατρὸς πεμφθεὶς ἔμαθε πόλιν κτίσαι, ἔνθα ἂν ἴδῃ γεωργοὺς ἐστεφανωμένους καὶ χορεύοντας. γενόμενος δὲ κατά τινα τόπον τῆς Ἰταλίας καὶ θεασάμενος ἀγροίκους πρινίνοις κλάδοις ἐστεφανωμένους καὶ ὀρχήσει

προσευκαιροῦντας, ἔκτισε πόλιν, ἀπὸ τοῦ συγκυρήματος [b] Πρίνιστον ὀνομάσας, ἣν Ῥωμαῖοι παραγώγως Πραίνεστον καλοῦσιν· ὡς ἱστορεῖ Ἀριστοκλῆς ἐν τρίτῳ Ἰταλικῶν (FHGr. IV 330).

De fortuna Romanorum

ΠΕΡΙ ΤΗΣ ΡΩΜΑΙΩΝ ΤΥΧΗΣ

[316] Αἱ πολλοὺς πολλάκις ἠγωνισμέναι καὶ μεγάλους ἀγῶνας Ἀρετὴ καὶ Τύχη πρὸς ἀλλήλας μέγιστον ἀγωνίζονται τὸν παρόντα, περὶ τῆς Ῥωμαίων ἡγεμονίας διαδικαζόμεναι ποτέρας γέγονεν ἔργον καὶ ποτέρα τὴν τηλικαύτην δύναμιν γεγέννηκεν. οὐ γὰρ μικρὸν ἔσται τῇ περιγενομένῃ τοῦτο μαρτύριον, μᾶλλον δ' ἀπολόγημα πρὸς κατηγορίαν. κατηγορεῖται δ' Ἀρετὴ μὲν ὡς καλὸν μὲν ἀνωφελὲς δέ, Τύχη δ' ὡς ἀβέβαιον μὲν ἀγαθὸν δέ· καὶ τὴν μὲν ἄκαρπα πονεῖν λέγουσι, τὴν δ' ἄπιστα δωρεῖσθαι. τίς οὖν οὐχὶ λέξει, τῇ ἑτέρᾳ τῆς Ῥώμης προστεθείσης, ἢ λυσιτελέστατον [d] Ἀρετήν, εἰ τηλικαῦτα τοὺς ἀγαθοὺς δέδρακεν ἀγαθά, ἢ βεβαιότατον Εὐτυχίαν, χρόνον ἤδη τοσοῦτον ἃ δέδωκε τηροῦσαν; Ἴων μὲν οὖν ὁ ποιητὴς ἐν τοῖς δίχα μέτρου καὶ καταλογάδην αὐτῷ γεγραμμένοις φησὶν ἀνομοιότατον πρᾶγμα τῇ σοφίᾳ τὴν τύχην οὖσαν ὁμοιοτάτων πραγμάτων γίνεσθαι δημιουργόν· αὔξουσιν ἀμφότεραι πόλεις, κοσμοῦσιν ἄνδρας, εἰς δόξαν ἀνάγουσιν εἰς δύναμιν εἰς ἡγεμονίαν. τί δεῖ τὰ πολλὰ μηκύνειν ἐξαριθμούμενον; αὐτὴν τὴν τὰ πάντα γεννῶσαν ἡμῖν καὶ φέρουσαν φύσιν οἱ μὲν τύχην εἶναι νομίζουσιν, οἱ δὲ σοφίαν. διὸ καλόν τι τῇ Ῥώμῃ καὶ ζηλωτὸν ὁ [e] ἐνεστὼς λόγος ἀξίωμα περιτίθησιν, εἰ διαποροῦμεν περὶ αὐτῆς, ὡς ὑπὲρ γῆς καὶ θαλάσσης καὶ οὐρανοῦ καὶ ἄστρων, πότερον κατὰ τύχην συνέστηκεν ἢ κατὰ πρόνοιαν.

Ἐγὼ δέ, ὅτι μέν, εἰ καὶ πάνυ πρὸς ἀλλήλας ἀεὶ πολεμοῦσι καὶ διαφέρονται Τύχη καὶ Ἀρετή, πρός γε τηλικαύτην σύμπηξιν ἀρχῆς καὶ δυνάμεως εἰκός ἐστιν αὐτὰς σπεισαμένας συνελθεῖν καὶ συνελθούσας ἐπιτελειῶσαι καὶ συναπεργάσασθαι τῶν ἀνθρωπίνων ἔργων τὸ κάλλιστον, ὀρθῶς ὑπονοεῖν οἴομαι. καὶ νομίζω, καθάπερ Πλάτων (Tim. p. 28b 32b) φησὶν ἐκ πυρὸς καὶ γῆς ὡς ἀναγκαίων τε καὶ πρώτων γεγονέναι τὸν σύμπαντα κόσμον, ἵν' ὁρατός τε γένηται καὶ [f] ἁπτός, γῆς μὲν τὸ ἐμβριθὲς καὶ στάσιμον αὐτῷ συμβαλλομένης, πυρὸς δὲ χρῶμα καὶ μορφὴν καὶ κίνησιν, αἱ δ' ἐν μέσῳ φύσεις, ὕδωρ καὶ ἀήρ, μαλάξασαι καὶ σβέσασαι τὴν ἑκατέρου τῶν ἄκρων ἀνομοιότητα συνήγαγον καὶ ἀνεμίξαντο τὴν ὕλην δι' αὐτῶν, οὕτως ἄρα καὶ ὁ τὴν Ῥώμην ὑποβαλόμενος χρόνος μετὰ θεοῦ [317] [a] τύχην καὶ ἀρετὴν ἐκέρασε καὶ συνέζευξεν, ἵν' ἑκατέρας λαβὼν τὸ οἰκεῖον ἀπεργάσηται πᾶσιν ἀνθρώποις ἑστίαν ἱερὰν ὡς ἀληθῶς καὶ ἀνησιδώραν καὶ 'πεῖσμα' μόνιμον καὶ στοιχεῖον ἀίδιον, ὑποφερομένοις τοῖς πράγμασιν 'ἀγκυρηβόλιον· σάλου καὶ πλάνης' ὥς φησι Δημόκριτος (B 148). ὡς γὰρ οἱ φυσικοὶ τὸν κόσμον

λέγουσιν οὐκ εἶναι κόσμον οὐδ' ἐθέλειν τὰ σώματα συνελθόντα καὶ συμμιγέντα κοινὸν ἐκ πάντων εἶδος τῇ φύσει παρασχεῖν, ἀλλὰ τῶν μὲν ἔτι μικρῶν καὶ σποράδην φερομένων [καὶ] διολισθανόντων καὶ ὑποφευγόντων τὰς ἐναπολήψεις καὶ περιπλοκάς, τῶν δ' ἁδροτέρων καὶ συνεστηκότων ἤδη δεινοὺς ἀγῶνας πρὸς ἄλληλα καὶ διατραχηλισμοὺς λαμβανόντων κλύδωνα καὶ βρασμὸν εἶναι καὶ φθόρου καὶ πλάνης καὶ ναυαγίων μεστὰ πάντα, πρίν γε τὴν γῆν μέγεθος λαβοῦσαν ἐκ τῶν συνισταμένων καὶ φερομένων ἱδρυθῆναί πως αὐτὴν καὶ τοῖς ἄλλοις ἵδρυσιν ἐν αὑτῇ καὶ περὶ αὑτὴν παρασχεῖν, οὕτω τῶν μεγίστων ἐν ἀνθρώποις δυνάμεων καὶ ἡγεμονιῶν κατὰ τύχας ἐλαυνομένων καὶ συμφερομένων ὑπὸ τοῦ μηδένα κρατεῖν βούλεσθαι δὲ πάντας, ἀμήχανος ‹ἦν› ἡ φθορὰ καὶ πλάνη καὶ μεταβολὴ πᾶσα πάντων, μέχρις οὗ τῆς Ῥώμης ἰσχὺν καὶ αὔξησιν λαβούσης καὶ ἀναδησαμένης [b] τοῦτο μὲν ἔθνη καὶ δήμους ἐν αὑτῇ τοῦτο δ' ἀλλοφύλους καὶ διαποντίους βασιλέων ἡγεμονίας ἕδραν ἔσχε τὰ μέγιστα καὶ ἀσφάλειαν, εἰς κόσμον εἰρήνης καὶ ἕνα κύκλον τῆς ἡγεμονίας ἄπταιστον περιφερομένης, πάσης μὲν ἀρετῆς ἐγγενομένης τοῖς ταῦτα μηχανησαμένοις, πολλῆς δὲ καὶ τύχης συνελθούσης, ὡς ἐνέσται τοῦ λόγου προϊόντος ἐνδείξασθαι.

Νυνὶ δέ μοι δοκῶ τοῦ προβλήματος ‹ἀρχόμενος› ὥσπερ ἀπὸ σκοπῆς καθορᾶν ἐπὶ τὴν σύγκρισιν καὶ τὸν ἀγῶνα τήν τε Τύχην καὶ τὴν Ἀρετὴν βαδιζούσας. ἀλλὰ τῆς μὲν Ἀρετῆς πρᾷόν τε τὸ βάδισμα καὶ τὸ βλέμμα καθεστηκός, ἐπιτρέχει δέ τι καὶ τῷ προσώπῳ πρὸς τὴν [c] ἅμιλλαν ἐρύθημα τῆς φιλοτιμίας· καὶ πολὺ μὲν ὑστερεῖ σπευδούσης τῆς Τύχης, ἄγουσι δ' αὐτὴν καὶ δορυφοροῦσι κατὰ πλῆθος (Od. λ 41)

Νομᾶ δ' ἀποθανόντος ἀνεῴχθη, τοῦ πρὸς Ἀλβανοὺς πολέμου συρραγέντος. εἶτα μυρίων ἄλλων συνεχῶς ὑπολαμβανόντων, πάλιν δι' ἐτῶν ὀγδοήκοντα καὶ τετρακοσίων ἐκλείσθη μετὰ τὸν πρὸς Καρχηδονίους πόλεμον εἰρήνης γενομένης, Γαΐου Ἀτιλίου καὶ Τίτου ‹Μαλλίου› ὑπατ‹ευόντ›ων. μετὰ δὲ τοῦτον τὸν ἐνιαυτὸν αὖθις ἀνεῴχθη καὶ διέμειναν οἱ πόλεμοι μέχρι τῆς ἐν Ἀκτίῳ νίκης Καίσαρος· τότε δ' ἤργησε τὰ Ῥωμαίων ὅπλα χρόνον οὐ πολύν· αἱ γὰρ ἀπὸ Καντάβρων ταραχαὶ [c] καὶ Γαλατίαι συρραγεῖσαι Γερμανοῖς, συνετάραξαν τὴν εἰρήνην. ἀλλὰ ταῦτα μὲν εὐτυχίας τῆς Νομᾶ προσιστόρηται μαρτύρια.

Τὴν δὲ Τύχην καὶ οἱ μετ' ἐκεῖνον ἐθαύμασαν βασιλεῖς ὡς πρωτόπολιν καὶ τιθηνὸν καί 'φερέπολιν' τῆς Ῥώμης ἀληθῶς κατὰ Πίνδαρον (fr. 39 `14]).

Ἔξεστι δ' οὕτω θεωρεῖν. ἱερόν ἐστιν Ἀρετῆς ἐν Ῥώμῃ τιμώμενον, ὃ Οὐιρτοῦτις αὐτοὶ καλοῦσιν, ἀλλ' ὀψὲ καὶ μετὰ πολλοὺς χρόνους ἱδρυθὲν ὑπὸ Μαρκέλλου τοῦ Συρακούσας ἑλόντος. ἔστι δὲ καὶ Γνώμης, ἢ νὴ Δία Εὐβουλίας νεώς, ἣν Μέντεμ καλοῦσιν, ἀλλὰ καὶ τοῦτο Σκαῦρος Αἰμίλιος περὶ τὰ Κιμβρικὰ τοῖς [d] χρόνοις γεγονὼς καθιέρωσεν, ἤδη τότε λόγων καὶ σοφισμάτων καὶ στωμυλίας Ἑλληνικῆς εἰς τὴν πόλιν παρεισρυείσης. Ἀλλὰ τί δεῖ περὶ ταῦτα διατρίβειν, ἃ σαφὲς οὐδὲν οὐδ' ὡρισμένον ἔχει τῷ καὶ τὰ γράμματα διαφθαρῆναι τῶν Ῥωμαίων καὶ συγχυθῆναι τοὺς ὑπ' αὐτῶν ὑπομνηματισμούς, ὡς Λίβιος (VI 1) ἱστόρηκε; τὰ γὰρ ὕστερον μᾶλλον ὄντα δῆλα καὶ καταφανῆ δεικνύει τὴν τῆς Τύχης εὐμένειαν. ἐγὼ δὲ ‹ταύτης› τίθεμαι καὶ τὴν Ἀλεξάνδρου τελευτήν, ἀνδρὸς εὐτυχήμασι μεγάλοις καὶ κατορθώμασι λαμπροῖς ὑπὸ θάρσους ἀμάχου καὶ [b] φρονήματος ὥσπερ ἄστρου φερομένου [καὶ] διᾴττοντος ἐπὶ δυσμὰς ἐξ ἀνατολῶν καὶ βάλλοντος ἤδη τὰς τῶν ὅπλων αὐγὰς εἰς τὴν Ἰταλίαν· ὡς πρόφασις μὲν ἦν αὐτῷ τῆς στρατείας ὁ Μολοττὸς Ἀλέξανδρος ὑπὸ Βρεττίων καὶ Λευκανῶν περὶ Πανδοσίαν κατακεκομμένος, ὁ δ' ἄγων αὐτὸν ὡς ἀληθῶς ἐπὶ πάντας ἀνθρώπους δόξης ἔρως καὶ ἡγεμονίας ζῆλον ἔσχε καὶ ἅμιλλαν ὑπερβαλέσθαι τὰ Διονύσου καὶ Ἡρακλέους πέρατα τῇ στρατηλασίᾳ, τῆς δ' Ἰταλίας ἐπυνθάνετο τὴν ἐν Ῥώμῃ δύναμιν καὶ ἀλκὴν ὥσπερ στόμωμα προτεταγμένην, [c] ὄνομα γὰρ καὶ δόξα τούτων ἐπιφανεστάτη διεπέμπετο πρὸς αὐτὸν ὥσπερ ἀθλητῶν μυρίοις ἐγγεγυμνασμένων πολέμοις,

ΛΟΓΟΣ Α΄

Οὗτος ὁ τῆς Τύχης λόγος ἐστίν, ἴδιον καὶ μόνης αὑτῆς ἔργον ἀποφαινομένης Ἀλέξανδρον. δεῖ δ' ἀντειπεῖν ὑπὲρ φιλοσοφίας, μᾶλλον δ' ὑπὲρ Ἀλεξάνδρου δυσχεραίνοντος καὶ ἀγανακτοῦντος, εἰ προῖκα δόξει καὶ παρὰ τῆς Τύχης λαβεῖν τὴν ἡγεμονίαν, ἣν ὤνιον αἵματος πολλοῦ καὶ τραυμάτων ἐπαλλήλων κτώμενος (Hom. I 325)

[e] 'πολλὰς μὲν ἀύπνους νύκτας ἴαυεν,

ἤματα δ' αἱματόεντα διέπρησσεν πολεμίζων'

πρὸς ἀμάχους δυνάμεις καὶ ἄπειρα φῦλα καὶ ποταμοὺς ἀπεράτους καὶ πέτρας ἀτοξεύτους, εὐβουλίᾳ καὶ ἀνδρείᾳ καὶ καρτερίᾳ καὶ σωφροσύνῃ παραπεμπόμενος.

Οἶμαι δ' ἂν αὐτὸν εἰπεῖν πρὸς τὴν Τύχην τοῖς κατορθώμασιν αὑτὴν ἐπιγράφουσαν 'μή μου διάβαλλε τὴν ἀρετὴν μηδ' ἀφαιροῦ περισπῶσα τὴν δόξαν. Δαρεῖος ἦν σὸν ἔργον, ὃν ἐκ δούλου καὶ ἀστάνδου βασιλέως κύριον Περσῶν ἐποίησας· καὶ Σαρδανάπαλος, ᾧ τὸ διάδημα [f] τῆς βασιλείας πορφύραν ξαίνοντι περιέθηκας. ἐγὼ δ' εἰς Σοῦσα νικῶν δι' Ἀρβήλων ἀναβέβηκα, καὶ Κιλικία μοι πλατεῖαν ἀνέῳξεν Αἴγυπτον, Κιλικίαν δὲ Γράνικος, ὃν Μιθριδάτῃ καὶ Σπιθριδάτῃ νεκροῖς ἐπιβὰς διεπέρασα. κόσμει σεαυτὴν καὶ σεμνύνου βασιλεῦσιν ἀτρώτοις καὶ ἀναιμάκτοις· ἐκεῖνοι γὰρ εὐτυχεῖς ἦσαν, [327] [a] Ὦχοι καὶ Ἀρτοξέρξαι, οὓς εὐθὺς ἐκ γενετῆς τῷ Κύρου θρόνῳ ἐνίδρυσας. τοὐμὸν δὲ σῶμα πολλὰ σύμβολα φέρει Τύχης ἀνταγωνιζομένης οὐ συμμαχούσης. πρῶτον ἐν Ἰλλυριοῖς λίθῳ τὴν κεφαλὴν ὑπέρῳ δὲ τὸν τράχηλον ἠλοήθην· ἔπειτα περὶ Γράνικον τὴν κεφαλὴν βαρβαρικῇ μαχαίρᾳ διεκόπην, ἐν δ' Ἰσσῷ ξίφει τὸν μηρόν· πρὸς δὲ Γάζῃ τὸ μὲν σφυρὸν ἐτοξεύθην, τὸν δ' ὦμον ἐμπεσὼν βῶλος ἐξ ἕδρας περιεδίνησε· πρὸς δὲ Μαρακανδάνοις τοξεύμασι τὸ τῆς κνήμης ὀστέον διεσχίσθην· τὰ λοιπὰ δ' Ἰνδῶν πληγαὶ καὶ βίαι θυμῶν· ἐν Ἀσπασίοις [b] ἐτοξεύθην τὸν ὦμον, ἐν δὲ Γανδρίδαις τὸ σκέλος· ἐν Μαλλοῖς βέλει μὲν ἀπὸ τόξου τὸ στέρνον ἐνερεισθέντι καὶ καταδύσαντι τὸν σίδηρον, ὑπέρου δὲ πληγῇ παρὰ τὸν τράχηλον, ὅτε προστεθεῖσαι τοῖς τείχεσιν αἱ κλίμακες ἐκλάσθησαν, ἐμὲ δ' ἡ Τύχη μόνον συνεῖρξεν οὐδὲ λαμπροῖς ἀνταγωνισταῖς, ἀλλὰ βαρβάροις ἀσήμοις χαριζομένη τηλικοῦτον ἔργον· εἰ δὲ μὴ Πτολεμαῖος ὑπερέσχε τὴν πέλτην, Λιμναῖος δὲ πρὸ ἐμοῦ τοῖς μυρίοις ἀπαντήσας βέλεσιν ἔπεσεν,

ἤρειψαν δὲ θυμῷ καὶ βίᾳ Μακεδόνες τὸ τεῖχος, ἔδει τάφον Ἀλεξάνδρου τὴν βάρβαρον ἐκείνην καὶ ἀνώνυμον κώμην γενέσθαι.'

Ἄβουλος οὖν καὶ προπετὴς Ἀλέξανδρος ἐξ εὐτελῶν οὕτως ἐπὶ τηλικαύτην δύναμιν ὁρμώμενος; οὐ μὲν οὖν. τίς γὰρ ἀπὸ μειζόνων ἢ καλλιόνων ἀφορμῶν ἀνήγετο μεγαλοψυχίας, συνέσεως, σωφροσύνης, ἀνδραγαθίας, αἷς αὐτὸν ἐφωδίαζε φιλοσοφία πρὸς τὴν στρατείαν; καὶ πλείονας παρ' Ἀριστοτέλους τοῦ καθηγητοῦ ἢ παρὰ [e] Φιλίππου τοῦ πατρὸς ἀφορμὰς ἔχων διέβαινεν ἐπὶ Πέρσας. ἀλλὰ τοῖς μὲν γράφουσιν, ὡς Ἀλέξανδρος ἔφη ποτὲ τὴν Ἰλιάδα καὶ τὴν Ὀδύσσειαν ἀκολουθεῖν αὐτῷ τῆς στρατείας ἐφόδιον, πιστεύομεν, Ὅμηρον σεμνύνοντες· ἂν δέ τις φῇ τὴν Ἰλιάδα καὶ τὴν Ὀδύσσειαν παραμύθια [328] [a] πόνου καὶ διατριβὴν ἕπεσθαι σχολῆς γλυκείας, ἐφόδιον δ' ἀληθῶς γεγονέναι τὸν ἐκ φιλοσοφίας λόγον καὶ τοὺς περὶ ἀφοβίας καὶ ἀνδρείας ἔτι δὲ σωφροσύνης καὶ μεγαλοψυχίας ὑπομνηματισμούς, καταφρονοῦμεν· ὅτι δηλαδὴ περὶ συλλογισμῶν οὐδὲν οὐδὲ περὶ ἀξιωμάτων ἔγραψεν, οὐδ' ἐν Λυκείῳ περίπατον συνέσχεν οὐδ' ἐν Ἀκαδημείᾳ θέσεις εἶπεν· τούτοις γὰρ ὁρίζουσι φιλοσοφίαν οἱ λόγον αὐτὴν οὐκ ἔργον νομίζοντες. καίτοι γ' οὐδὲ Πυθαγόρας ἔγραψεν οὐδὲν οὐδὲ Σωκράτης οὐδ'

Καὶ πρῶτον τὸ παραδοξότατον, εἰ βούλει, σκόπει, τοὺς Ἀλεξάνδρου μαθητὰς τοῖς Πλάτωνος, τοῖς Σωκράτους ἀντιπαραβάλλων. εὐφυεῖς οὗτοι καὶ ὁμογλώσσους [c] ἐπαίδευον, εἰ μηδὲν ἄλλο, φωνῆς Ἑλληνίδος συνιέντας· καὶ πολλοὺς οὐκ ἔπεισαν, ἀλλὰ Κριτίαι καὶ Ἀλκιβιάδαι καὶ Κλειτοφῶντες, ὥσπερ χαλινὸν τὸν λόγον ἐκπτύσαντες, ἄλλῃ πη παρετράπησαν. τὴν δ' Ἀλεξάνδρου παιδείαν ἂν ἐπιβλέπῃς, Ὑρκανοὺς γαμεῖν ἐπαίδευσε καὶ γεωργεῖν ἐδίδαξεν Ἀραχωσίους, καὶ Σογδιανοὺς ἔπεισε πατέρας τρέφειν καὶ μὴ φονεύειν, καὶ Πέρσας σέβεσθαι μητέρας ἀλλὰ μὴ γαμεῖν. ὢ θαυμαστῆς φιλοσοφίας, δι' ἣν Ἰνδοὶ θεοὺς Ἑλληνικοὺς προσκυνοῦσι, Σκύθαι θάπτουσι τοὺς ἀποθανόντας οὐ κατεσθίουσι. θαυμάζομεν τὴν Καρνεάδου [d] δύναμιν, εἰ Κλειτόμαχον, Ἀσδρούβαν καλούμενον πρότερον καὶ Καρχηδόνιον τὸ γένος, ἑλληνίζειν ἐποίησε, θαυμάζομεν τὴν διάθεσιν Ζήνωνος, εἰ Διογένη τὸν Βαβυλώνιον ἔπεισε φιλοσοφεῖν· ἀλλ' Ἀλεξάνδρου τὴν Ἀσίαν ἐξημεροῦντος Ὅμηρος ἦν ἀνάγνωσμα, Περσῶν καὶ Σουσιανῶν καὶ Γεδρωσίων παῖδες τὰς Εὐριπίδου καὶ Σοφοκλέους τραγῳδίας ᾖδον. καὶ Σωκράτης μὲν ξένα παρεισάγων δαιμόνια δίκην τοῖς Ἀθήνησιν ὠφλίσκανε συκοφάνταις· διὰ δ' Ἀλέξανδρον τοὺς Ἑλλήνων θεοὺς Βάκτρα καὶ Καύκασος προσεκύνησε. Πλάτων μὲν γὰρ μίαν γράψας [e] πολιτείαν οὐδένα πέπεικεν αὐτῇ χρῆσθαι διὰ τὸ αὐστηρόν, Ἀλέξανδρος δ' ὑπὲρ ἑβδομήκοντα πόλεις βαρβάροις ἔθνεσιν ἐγκτίσας καὶ κατασπείρας τὴν Ἀσίαν Ἑλληνικοῖς †τέλεσι τῆς ἀνημέρου καὶ θηριώδους ἐκράτησε διαίτης. καὶ τοὺς μὲν Πλάτωνος ὀλίγοι νόμους ἀναγιγνώσκομεν, τοῖς δ' Ἀλεξάνδρου μυριάδες ἀνθρώπων ἐχρήσαντο καὶ χρῶνται, μακαριώτεροι τῶν διαφυγόντων Ἀλέξανδρον οἱ κρατηθέντες γενόμενοι· τοὺς μὲν γὰρ οὐδεὶς ἔπαυσεν ἀθλίως ζῶντας, τοὺς δ' ἠνάγκασεν εὐδαιμονεῖν ὁ νικήσας. ὥσθ' ὅπερ εἶπε Θεμιστοκλῆς, ὁπηνίκα φυγὼν ἔτυχε δωρεῶν μεγάλων παρὰ βασιλέως καὶ τρεῖς πόλεις ὑποφόρους [f] ἔλαβε, τὴν μὲν εἰς σῖτον τὴν δ' εἰς οἶνον τὴν δ' εἰς ὄψον, 'ὦ παῖδες, ἀπωλόμεθ' ἄν, εἰ μὴ ἀπωλόμεθα,' τοῦτο περὶ τῶν ἁλόντων ὑπ' Ἀλεξάνδρου δικαιότερόν ἐστιν εἰπεῖν· 'οὐκ ἂν ἡμερώθησαν, εἰ μὴ ἐκρατήθησαν.' οὐκ ἂν εἶχεν

Ἀλεξάνδρειαν Αἴγυπτος οὐδὲ Μεσοποταμία Σελεύκειαν οὐδὲ Προφθασίαν Σογδιανὴ οὐδ᾽ Ἰνδία Βουκεφαλίαν οὐδὲ πόλιν Ἑλλάδα Καύκασος παροικοῦσαν, [329] [a] αἷς ἐμπολισθείσαις ἐσβέσθη τὸ ἄγριον καὶ μετέβαλε τὸ χεῖρον ὑπὸ τοῦ κρείττονος ἐθιζόμενον. εἰ τοίνυν μέγιστον μὲν οἱ φιλόσοφοι φρονοῦσιν ἐπὶ τῷ τὰ σκληρὰ καὶ ἀπαίδευτα τῶν ἠθῶν ἐξημεροῦν καὶ μεθαρμόζειν, μυρία δὲ φαίνεται γένη καὶ φύσεις θηριώδεις μεταβαλὼν Ἀλέξανδρος, εἰκότως ἂν φιλοσοφώτατος νομίζοιτο.

Καὶ μὴν ἡ πολὺ θαυμαζομένη πολιτεία τοῦ τὴν Στωικῶν αἵρεσιν καταβαλομένου Ζήνωνος (fr. 262) εἰς ἓν τοῦτο συντείνει κεφάλαιον, ἵνα μὴ κατὰ πόλεις μηδὲ δήμους οἰκῶμεν ἰδίοις ἕκαστοι διωρισμένοι δικαίοις, ἀλλὰ [b] πάντας ἀνθρώπους ἡγώμεθα δημότας καὶ πολίτας, εἷς δὲ βίος ᾖ καὶ κόσμος, ὥσπερ ἀγέλης συννόμου νόμῳ κοινῷ συντρεφομένης. τοῦτο Ζήνων μὲν ἔγραψεν ὥσπερ ὄναρ ἢ εἴδωλον εὐνομίας φιλοσόφου καὶ πολιτείας ἀνατυπωσάμενος, Ἀλέξανδρος δὲ τῷ λόγῳ τὸ ἔργον παρέσχεν. οὐ γάρ, ὡς Ἀριστοτέλης (fr. 658) συνεβούλευεν αὐτῷ, τοῖς μὲν Ἕλλησιν ἡγεμονικῶς τοῖς δὲ βαρβάροις δεσποτικῶς χρώμενος, καὶ τῶν μὲν ὡς φίλων καὶ οἰκείων ἐπιμελόμενος τοῖς δ᾽ ὡς ζῴοις ἢ φυτοῖς προσφερόμενος, πολέμων πολλῶν ‹καὶ› φυγῶν ἐνέπλησε καὶ στάσεων ὑπούλων τὴν ἡγεμονίαν, ἀλλὰ κοινὸς ἥκειν θεόθεν ἁρμοστὴς [c] καὶ διαλλακτὴς τῶν ὅλων νομίζων, οὓς τῷ λόγῳ μὴ συνῆγε τοῖς ὅπλοις βιαζόμενος ‹καὶ› εἰς ταὐτὸ συνενεγκὼν τὰ πανταχόθεν, ὥσπερ ἐν κρατῆρι φιλοτησίῳ μίξας τοὺς βίους καὶ τὰ ἤθη καὶ τοὺς γάμους καὶ ‹τὰς› διαίτας, πατρίδα μὲν τὴν οἰκουμένην προσέταξεν ἡγεῖσθαι πάντας, ἀκρόπολιν δὲ καὶ φρουρὰν τὸ στρατόπεδον, συγγενεῖς δὲ τοὺς ἀγαθούς, ἀλλοφύλους δὲ τοὺς πονηρούς· τὸ δ᾽ Ἑλληνικὸν καὶ βαρβαρικὸν μὴ χλαμύδι μηδὲ πέλτῃ μηδ᾽ ἀκινάκῃ μηδὲ κάνδυι διορίζειν, ἀλλὰ τὸ μὲν Ἑλληνικὸν ἀρετῇ τὸ δὲ βαρβαρικὸν κακίᾳ τεκμαίρεσθαι, κοινὰς δ᾽ [d] ἐσθῆτας ἡγεῖσθαι καὶ τραπέζας καὶ γάμους καὶ διαίτας, δι᾽ αἵματος καὶ τέκνων ἀνακεραννυμένους.

Δημάρατος μὲν οὖν ὁ Κορίνθιος εἷς ὢν τῶν Φιλίππου ξένων καὶ φίλων, ὅτ᾽ Ἀλέξανδρον εἶδεν ἐν Σούσοις, περιχαρὴς γενόμενος καὶ δακρύσας μεγάλης ἔφη χαρᾶς ἐστερῆσθαι τοὺς ἔμπροσθεν τεθνηκότας Ἕλληνας, ὅτι Ἀλέξανδρον οὐκ εἶδον ἐν τῷ Δαρείου θρόνῳ καθεζόμενον· ἐγὼ δ᾽ οὐδὲ τούτου μὰ Δία τοῦ θεάματος ζηλῶ τοὺς ἰδόντας, ὃ καὶ τύχης ἦν καὶ κοινὸν ἑτέρων βασιλέων· ἀλλ᾽ ἐκείνης ἡδέως ἄν μοι δοκῶ γενέσθαι τῆς καλῆς καὶ ἱερᾶς νυμφαγωγίας θεατής, ὅτε μιᾷ σκηνῇ χρυσωρόφῳ περιλαβών, [e] ἐφ᾽ ἑστίας κοινῆς καὶ τραπέζης, ἑκατὸν Περσίδας νύμφας ‹καὶ› ἑκατὸν νυμφίους Μακεδόνας καὶ Ἕλληνας, αὐτὸς ἐστεφανωμένος πρῶτος ἀναμέλπων τὸν

ὑμέναιον, ὥσπερ φιλοτήσιον ἐπᾴδων μέλος εἰς κοινωνίαν συνιοῦσι τοῖς μεγίστοις καὶ δυνατωτάτοις γένεσι, μιᾶς νυμφίος, πασῶν δὲ νυμφαγωγὸς ἅμα καὶ πατὴρ καὶ ἁρμοστὴς κατὰ ζυγὰ συνῆπτεν. ἡδέως γὰρ ἂν εἶπον ‘ὦ βάρβαρε Ξέρξη καὶ ἀνόητε καὶ μάτην πολλὰ περὶ τὴν Ἑλλησποντίαν πονηθεὶς γέφυραν, οὕτως ἔμφρονες βασιλεῖς Ἀσίαν Εὐρώπῃ συνάπτουσιν, οὐ ξύλοις οὐδὲ σχεδίαις οὐδ’ ἀψύχοις καὶ [f] ἀσυμπαθέσι δεσμοῖς, ἀλλ’ ἔρωτι νομίμῳ καὶ γάμοις σώφροσι καὶ κοινωνίαις παίδων τὰ γένη συνάπτοντες.’

Πρὸς τοῦτον ἀποβλέπων τὸν κόσμον Ἀλέξανδρος οὐ τὴν ἐσθῆτα προσήκατο τὴν Μηδικήν, ἀλλὰ τὴν Περσικὴν πολλῷ τῆς Μηδικῆς εὐτελεστέραν οὖσαν. τὰ γὰρ ἔξαλλα καὶ τραγικὰ τοῦ βαρβαρικοῦ κόσμου παραιτησάμενος, [330] [a] οἷον τιάραν καὶ κάνδυν καὶ ἀναξυρίδας, ἐκ τοῦ Περσικοῦ καὶ Μακεδονικοῦ τρόπου μεμιγμένην τινὰ στολὴν ἐφόρει, καθάπερ Ἐρατοσθένης ἱστόρηκεν, ὡς μὲν φιλόσοφος τοῖς ἀδιαφόροις χρώμενος, ὡς δ’ ἡγεμὼν κοινὸς καὶ βασιλεὺς φιλάνθρωπος τῇ περὶ τὴν ἐσθῆτα τιμῇ τὴν τῶν κεκρατημένων ἀνακτώμενος εὔνοιαν, ἵνα βεβαίως παραμένωσιν ἀγαπῶντες ὡς ἄρχοντας Μακεδόνας, μὴ μισοῦντες ὡς πολεμίους. τοὐναντίον γὰρ ἦν ἀσόφου καὶ τετυφωμένης ψυχῆς τὴν μὲν αὐτόχρουν χλαμύδα θαυμάζειν τὸν δὲ παραπόρφυρον χιτῶνα δυσχεραίνειν, [b] ἢ πάλιν ἐκεῖνα μὲν ἀτιμάζειν τούτοις δ’ ἐκπεπλῆχθαι, δίκην νηπίου παιδὸς φυλάττοντα τὴν περιβολήν, ἣν ἡ πάτριος αὐτῷ συνήθεια καθάπερ τίτθη περιέθηκε. ζῷα θηρεύοντες ἄνθρωποι δορὰς ἐλάφων περιτίθενται καὶ πτερωτοῖς ἀμπέχονται χιτωνίσκοις ἄγραις ἐπιχειροῦντες ὀρνίθων καὶ φυλάττονται ταύροις ὀφθῆναι φοινικίδας ἔχοντες, ἐλέφασι δὲ λευκοὺς χιτῶνας· ἐρεθίζεται γὰρ ὑπὸ τῶν χρωμάτων τὰ ζῷα τούτων καὶ διαθηριοῦται. εἰ δὲ βασιλεὺς μέγας ἔθνη δυσκάθεκτα καὶ μαχόμενα καθάπερ ζῷα τιθασεύων καὶ μειλισσόμενος ἐσθῆσιν οἰκείαις καὶ συνήθεσιν ἐξεπράυνε διαίταις καὶ [c] κατέστελλεν, οἰκειούμενος αὐτῶν τὸ δύσθυμον καὶ παρηγορῶν τὸ σκυθρωπόν, ἐγκαλοῦσιν, οὐχὶ θαυμάζουσι τὴν σοφίαν, ὅτι τῷ τυχόντι μετασχηματισμῷ τὴν Ἀσίαν ἐδημαγώγησε, τοῖς μὲν ὅπλοις τῶν σωμάτων ἐπικρατήσας, τῇ δ’ ἐσθῆτι τὰς ψυχὰς προσαγαγόμενος; καίτοι γ’ Ἀρίστιππον θαυμάζουσι τὸν Σωκρατικόν, ὅτι καὶ τρίβωνι λιτῷ καὶ Μιλησίᾳ χλανίδι χρώμενος δι’ ἀμφοτέρων ἐτήρει τὸ εὔσχημον· Ἀλεξάνδρῳ δ’ ἐγκαλοῦσιν, ὅτι τὴν πάτριον ἐσθῆτα κοσμῶν οὐδὲ τὴν δορίκτητον ὑπερεῖδε, μεγάλων πραγμάτων καταβαλλόμενος ἀρχάς. οὐ γὰρ λῃστρικῶς [d] τὴν Ἀσίαν καταδραμὼν οὐδ’ ὥσπερ ἅρπαγμα καὶ λάφυρον εὐτυχίας ἀνελπίστου σπαράξαι καὶ ἀνασύρασθαι διανοηθείς, καθάπερ ὕστερον μὲν Ἀννίβας Ἰταλίαν, πρότερον δὲ Τρῆρες Ἰωνίαν καὶ Σκύθαι Μηδίαν ἐπῆλθον· ἀλλ’ ἑνὸς ὑπήκοα λόγου τὰ ἐπὶ γῆς καὶ μιᾶς πολιτείας, ἕνα δῆμον ἀνθρώπους

ἅπαντας ἀποφῆναι βουλόμενος, οὕτως ἑαυτὸν ἐσχημάτιζεν· εἰ δὲ μὴ ταχέως ὁ δεῦρο καταπέμψας τὴν Ἀλεξάνδρου ψυχὴν ἀνεκαλέσατο δαίμων, εἷς ἂν νόμος ἅπαντας ἀνθρώπους διῳκεῖτο καὶ πρὸς ἓν δίκαιον ὡς πρὸς κοινὸν ἐπέβλεπον φῶς. νῦν δὲ τῆς γῆς [e] ἀνήλιον μέρος ἔμεινεν, ὅσον Ἀλέξανδρον οὐκ εἶδεν.

Οὐκοῦν πρώτη μὲν ἡ τῆς στρατείας ὑπόθεσις φιλόσοφον τὸν ἄνδρα συνίστησιν, οὐχ ἑαυτῷ τρυφὴν καὶ πολυτέλειαν ἀλλὰ πᾶσιν ἀνθρώποις ὁμόνοιαν καὶ εἰρήνην καὶ κοινωνίαν πρὸς ἀλλήλους παρασκευάσαι διανοηθέντα. δεύτερον δ' αὐτοῦ καὶ τὰς φωνὰς ἴδωμεν, ἐπεὶ καὶ τὰ τῶν ἄλλων ἤθη βασιλέων καὶ δυναστῶν μάλιστα ταῖς φωναῖς αἱ ψυχαὶ προβάλλουσιν. Ἀντίγονος ὁ γέρων, σοφιστοῦ τινος αὐτῷ σύγγραμμα προσδόντος περὶ δικαιοσύνης, 'ἀβέλτερος εἶ' εἶπεν 'ὃς ὁρῶν με τὰς ἀλλοτρίας πόλεις τύπτοντα λέγεις περὶ δικαιοσύνης.' Διονύσιος [f] δ' ὁ τύραννος ἐκέλευε τοὺς μὲν παῖδας ἀστραγάλοις τοὺς δ' ἄνδρας ὅρκοις ἐξαπατᾶν. τοῖς δὲ Σαρδαναπάλου μνημείοις ἐπιγέγραπται (Anth. Pal. VII 325)

τίς οὐκ ἂν εἴποι τῶν ἀποφθεγμάτων τούτων τῷ μὲν ἐμφαίνεσθαι φιληδονίαν, τῷ δ' ἀθεότητα, τῷ δ' ἀδικίαν καὶ πλεονεξίαν; τῶν δ' Ἀλεξάνδρου φωνῶν ἂν ἀφέλῃς τὸ [331] [a] διάδημα καὶ τὸν Ἄμμωνα καὶ τὴν εὐγένειαν, Σωκράτους ἢ Πλάτωνος ἢ Πυθαγόρου σοι φανοῦνται. μὴ γὰρ ἃς οἱ ποιηταὶ ταῖς εἰκόσιν αὐτοῦ καὶ τοῖς ἀνδριᾶσι μεγαληγορίας ἐπεχάραττον, οὐ τῆς μετριότητος ἀλλὰ τῆς δυνάμεως τῆς Ἀλεξάνδρου στοχαζόμενοι, σκοπῶμεν· (Anth. πῶς γὰρ αὐτὸν οἴει τοῖς ἰδίοις ἀγάλλεσθαι τραύμασι, καθ’ ἕκαστον μέρος ἔθνους μνημονεύοντα καὶ νίκης καὶ πόλεων ἁλισκομένων καὶ βασιλέων παραδιδόντων, οὐκ ἐγκαλυπτόμενον οὐδὲ κατακρύπτοντα τὰς οὐλάς, ἀλλ’ ὥσπερ εἰκόνας ἐγκεχαραγμένας ἀρετῆς καὶ ἀνδραγαθίας περιφέροντα;

ΠΕΡΙ ΤΗΣ ΑΛΕΞΑΝΔΡΟΥ ΤΥΧΗΣ Η ΑΡΕΤΗΣ

ΛΟΓΟΣ Β΄

Διέφυγεν ἡμᾶς, ὡς ἔοικε, χθὲς εἰπεῖν, ὅτι καὶ τέχνας πολλὰς καὶ φύσεις μεγάλας ὁ κατ' Ἀλέξανδρον χρόνος ἐνεγκεῖν εὐτύχησεν· ἢ τοῦτο μὲν οὐ τῆς Ἀλεξάνδρου [e] τύχης γέγονεν ἀλλὰ τῆς ἐκείνων, μάρτυρα λαβεῖν καὶ θεατὴν τὸν ἄριστα κρῖναι τὸ κατορθούμενον καὶ μάλιστ' ἀμείψασθαι δυνάμενον; λέγεται γοῦν, ὅτι χρόνοις ὕστερον, Ἀρχεστράτου γενομένου ποιητοῦ χαρίεντος ἐν δὲ πενίᾳ καὶ ἀδοξίᾳ διάγοντος, εἶπέ τις πρὸς αὐτόν 'ἀλλ' εἰ κατ' Ἀλέξανδρον ἐγένου, κατὰ στίχον ἄν σοι Κύπρον ἢ Φοινίκην ἔδωκεν.' οἶμαι δὲ καὶ τῶν τότε τεχνιτῶν οὐ κατ' Ἀλέξανδρον ἀλλὰ δι' Ἀλέξανδρον τοὺς πρώτους γενέσθαι. καρπῶν μὲν γὰρ εὐφορίαν εὐκρασία ποιεῖ καὶ λεπτότης τοῦ περιέχοντος ἀέρος, τεχνῶν δὲ καὶ φύσεων ἀγαθῶν αὔξησιν εὐμένεια καὶ τιμὴ καὶ φιλανθρωπία βασιλέως ἐκκαλεῖται· καὶ [f] τοὐναντίον ὑπὸ φθόνου καὶ σμικρολογίας ἢ φιλονεικίας τῶν κρατούντων σβέννυται καὶ φθίνει πᾶν τὸ

τοιοῦτον. Διονύσιος γοῦν ὁ τύραννος, ὥς φασι, κιθαρῳδοῦ τινος ἀκούων εὐδοκιμοῦντος ἐπηγγείλατο δωρεὰν αὐτῷ τάλαντον· τῇ δ' ὑστεραίᾳ τοῦ ἀνθρώπου τὴν ὑπόσχεσιν ἀπαιτοῦντος [334] [a] 'χθές' εἶπεν 'εὐφραινόμενος ὑπὸ σοῦ παρ' ὃν ᾖδες χρόνον εὔφρανα κἀγώ σε ταῖς ἐλπίσιν· ὥστ' ἀπέχεις τὸν μισθὸν ὧν ἔτερπες ἀντιτερπόμενος.' Ἀλέξανδρος δ' ὁ Φεραίων τύραννος (ἔδει δὲ τοῦτο μόνον αὐτὸν καλεῖσθαι καὶ μὴ καταισχύνειν τὴν ἐπωνυμίαν) θεώμενος τραγῳδὸν ἐμπαθέστερον ὑφ' ἡδονῆς διετέθη πρὸς τὸν οἶκτον. ἀναπηδήσας οὖν ἐκ τοῦ θεάτρου θᾶττον ἢ βάδην ἀπῄει, δεινὸν εἶναι λέγων, εἰ τοσούτους ἀποσφάττων πολίτας ὀφθήσεται τοῖς Ἑκάβης καὶ Πολυξένης πάθεσιν ἐπιδακρύων. οὗτος μὲν οὖν μικροῦ καὶ δίκην ἐπράξατο τὸν [b] τραγῳδόν, ὅτι τὴν ψυχὴν αὐτοῦ καθάπερ σίδηρον ἐμάλαξεν. Ἀρχελάῳ δὲ δοκοῦντι γλισχροτέρῳ περὶ τὰς δωρεὰς εἶναι Τιμόθεος ᾄδων ἐνεσήμαινε πολλάκις τουτὶ τὸ κομμάτιον (II 152 D.)

'σὺ δὲ τὸν γηγενέταν ἄργυρον αἰνεῖς.'

ὁ δ' Ἀρχέλαος οὐκ ἀμούσως ἀντεφώνησε 'σὺ δέ γ' αἰτεῖς.' ὁ δὲ τῶν Σκυθῶν βασιλεὺς Ἀντέας Ἰσμηνίαν τὸν αὐλητὴν λαβὼν αἰχμάλωτον ἐκέλευσεν αὐλῆσαι παρὰ πότον. θαυμαζόντων δὲ τῶν ἄλλων καὶ κροτούντων, αὐτὸς ὤμοσεν ἀκροᾶσθαι τοῦ ἵππου χρεμετίζοντος ἥδιον. οὕτω μακρὰν ἀπεσκηνώκει τὰ ὦτα τῶν Μουσῶν, καὶ τὴν ψυχὴν ἐν ταῖς φάτναις εἶχεν, οὐχ ἵππων ἀλλ' ὄνων ἐπιτηδειοτέραν [c] ἀκούειν. τίς ἂν οὖν παρὰ τοιούτοις βασιλεῦσιν αὔξησις ἢ τιμὴ τέχνης γένοιτο καὶ Μούσης τοιαύτης; ἀλλ' οὐδὲ παρὰ τοῖς κακοτέχνοις ἐθέλουσιν εἶναι καὶ διὰ τοῦτο βασκανίᾳ καὶ δυσμενείᾳ τοὺς ἀληθῶς τεχνίτας καθαιροῦσιν. οἷος ἦν πάλιν αὖ Διονύσιος ὁ τὸν ποιητὴν Φιλόξενον εἰς τὰς λατομίας ἐμβαλών, ὅτι τραγῳδίαν αὐτοῦ διορθῶσαι κελευσθεὶς εὐθὺς ἀπὸ τῆς ἀρχῆς ὅλην μέχρι τῆς κορωνίδος περιέγραψεν. ἦν δὲ καὶ Φίλιππος ἐν τούτοις ὑπ' ὀψιμαθίας ἑαυτοῦ μικρότερος καὶ νεοπρεπέστερος· ὅθεν καί φασι πρός τινα ψάλτην περὶ κρουμάτων αὐτοῦ [d] διαφερομένου καὶ δοκοῦντος ἐξελέγχειν, ἀτρέμα μειδιάσαντα τὸν ἄνθρωπον εἰπεῖν 'μὴ γένοιτό σοι, βασιλεῦ, ἀθλίως οὕτως, ἵνα ταῦτ' ἐμοῦ βέλτιον εἰδῇς.' Ἀλλ' Ἀλέξανδρος εἰδὼς τίνων δεῖ θεατὴν εἶναι καὶ ἀκροατὴν καὶ τίνων ἀγωνιστὴν καὶ αὐτουργόν, ἤσκει μὲν ἀεὶ διὰ τῶν ὅπλων δεινὸς εἶναι καὶ κατὰ τὸν Αἰσχύλον (Bgk. II p. 242)

'βριθὺς ὁπλιτοπάλας, δάιος ἀντιπάλοις.'

ταύτην τέχνην ἔχων προγονικὴν ἀπ' Αἰακιδῶν, ἀφ' Ἡρακλέους, ταῖς δ' ἄλλαις τέχναις τὸ τιμᾶν ἄνευ τοῦ ζηλοῦν ἀπεδίδου κατὰ τὸ ἔνδοξον αὐτῶν καὶ χαρίεν, τῷ τέρπειν δ' οὐκ ἦν εὐάλωτος εἰς τὸ μιμεῖσθαι. γεγόνασι [e] δὲ κατ' αὐτὸν τραγῳδοὶ μὲν οἱ περὶ Θετταλὸν καὶ Ἀθηνόδωρον, ὧν

ἀνταγωνιζομένων ἀλλήλοις, ἐχορήγουν μὲν οἱ Κύπριοι βασιλεῖς ἔκρινον δ' οἱ δοκιμώτατοι τῶν στρατηγῶν. ἐπεὶ δ' ἐνίκησεν Ἀθηνόδωρος, 'ἐβουλόμην ἄν' ἔφη 'μᾶλλον ἀπολωλεκέναι μέρος τῆς βασιλείας ἢ Θετταλὸν ἐπιδεῖν ἡττημένον.' ἀλλ' οὔτ' ἐνέτυχε τοῖς κριταῖς οὔτε τὴν κρίσιν ἐμέμψατο, πάντων οἰόμενος δεῖν περιεῖναι, τοῦ δικαίου δ' ἡττᾶσθαι. κωμῳδοὶ δ' ἦσαν οἱ περὶ Λύκωνα τὸν Σκαρφέα· τούτῳ δ' εἴς τινα κωμῳδίαν ἐμβαλόντι στίχον αἰτητικὸν γελάσας ἔδωκε δέκα τάλαντα. κιθαρῳδοὶ δ' ἄλλοι τε καὶ Ἀριστόνικος, ὃς ἐν μάχῃ τινὶ προσβοηθήσας [f] ἔπεσε λαμπρῶς ἀγωνισάμενος. ἐκέλευσεν οὖν αὐτοῦ γενέσθαι χαλκοῦν ἀνδριάντα καὶ σταθῆναι Πυθοῖ, κιθάραν ἔχοντα καὶ δόρυ προβεβλημένον, οὐ τὸν ἄνδρα τιμῶν μόνον, ἀλλὰ καὶ μουσικὴν κοσμῶν ὡς ἀνδροποιὸν καὶ μάλιστα δὴ πληροῦσαν ἐνθουσιασμοῦ καὶ ὁρμῆς τοὺς [335] [a] γνησίως ἐντρεφομένους. καὶ γὰρ αὐτός, Ἀντιγενίδου ποτὲ τὸν ἁρμάτειον αὐλοῦντος νόμον, οὕτω παρεξέστη καὶ διεφλέγη τὸν θυμὸν ὑπὸ τῶν μελῶν, ὥστε τοῖς ὅπλοις ᾄξας ἐπιβαλεῖν τὰς χεῖρας ἐγγὺς παρακειμένοις καὶ μαρτυρῆσαι τοῖς Σπαρτιάταις ᾄδουσιν (Bgk. III p. 51 Alcman. fr. 100 D)

'ἕρπει γὰρ ἄντα τῶ σιδάρω τὸ καλῶς κιθαρίδδειν.'

ἦν δὲ καὶ Ἀπελλῆς ὁ ζωγράφος καὶ Λύσιππος ὁ πλάστης κατ' Ἀλέξανδρον· ὧν ὁ μὲν ἔγραψε τὸν κεραυνοφόρον οὕτως ἐναργῶς καὶ κεκραμένως, ὥστε λέγειν, ὅτι δυεῖν Ἀλεξάνδρων ὁ μὲν Φιλίππου γέγονεν ἀνίκητος, ὁ δ' Ἀπελλοῦ ἀμίμητος. Λυσίππου δὲ τὸ πρῶτον Ἀλέξανδρον [b] πλάσαντος ἄνω βλέποντα τῷ προσώπῳ πρὸς τὸν οὐρανὸν (ὥσπερ αὐτὸς εἰώθει βλέπειν Ἀλέξανδρος ἡσυχῇ παρεγκλίνων τὸν τράχηλον) ἐπέγραψέ τις οὐκ ἀπιθάνως (Anth. Pal. XVI 120)

'αὐδασοῦντι δ' ἔοικεν ὁ χάλκεος εἰς Δία λεύσσων·

Γᾶν ὑπ' ἐμοὶ τίθεμαι· Ζεῦ, σὺ δ' Ὄλυμπον ἔχε.'

διὸ καὶ μόνον Ἀλέξανδρος ἐκέλευε Λύσιππον εἰκόνας αὐτοῦ δημιουργεῖν. μόνος γὰρ οὗτος, ὡς ἔοικε, κατεμήνυε τῷ χαλκῷ τὸ ἦθος αὐτοῦ καὶ συνεξέφαινε τῇ μορφῇ τὴν ἀρετήν· οἱ δ' ἄλλοι τὴν ἀποστροφὴν τοῦ τραχήλου καὶ τῶν ὀμμάτων τὴν διάχυσιν καὶ ὑγρότητα μιμεῖσθαι [c] θέλοντες οὐ διεφύλαττον αὐτοῦ τὸ ἀρρενωπὸν καὶ λεοντῶδες. ἐν δ' οὖν τοῖς ἄλλοις τεχνίταις καὶ Στασικράτης ἦν ἀρχιτέκτων, οὐδὲν ἀνθηρὸν οὐδ' ἡδὺ καὶ πιθανὸν τῇ ὄψει διώκων, ἀλλὰ καὶ χειρὶ μεγαλουργῷ καὶ διαθέσει χορηγίας βασιλικῆς οὐκ ἀποδεούσῃ χρώμενος. οὗτος ἀναβὰς πρὸς Ἀλέξανδρον ἐμέμφετο τὰς γραφομένας εἰκόνας αὐτοῦ καὶ πλαττομένας καὶ γλυφομένας, ὡς ἔργα δειλῶν καὶ ἀγεννῶν τεχνιτῶν· 'ἐγὼ δ'' εἶπεν 'εἰς ἄφθαρτον, ὦ βασιλεῦ, καὶ ζῶσαν ὕλην καὶ ῥίζας ἔχουσαν ἀιδίους καὶ βάρος ἀκίνητον καὶ

Ἀλλὰ φέρε πρὸς θεῶν ἐκτελεσθῆναι καὶ φανῆναι τοιοῦτον ἔργον· ἔσθ’ ὅστις ἂν ἰδὼν ὑπέλαβε κατὰ τύχην γεγονέναι καὶ αὐτομάτως τὸ σχῆμα καὶ τὴν διάθεσιν καὶ [f] τὸ εἶδος; οὐδεὶς ἂν οἶμαι. τί δέ; τὸν κεραυνοφόρον; τί δέ; τὸν ἐπὶ τῆς αἰχμῆς προσαγορευόμενον; εἶτ’ ἀνδριάντος μὲν μέγεθος οὐκ ἂν ἄνευ τέχνης ὑπὸ τύχης γένοιτο χρυσὸν καὶ χαλκὸν καὶ ἐλέφαντα καὶ πολλὴν καὶ πλουσίαν ὕλην καταχεαμένης καὶ παραβαλούσης, ἄνδρα δὲ μέγαν, μᾶλλον δὲ τῶν γεγονότων ἁπάντων μέγιστον, ἐνδέχεται χωρὶς ἀρετῆς ἀποτελεσθῆναι διὰ τύχην, ὅπλα [336] [a] καὶ χρήματα καὶ στόλους καὶ ἵππους παρασκευάσασαν; ἃ τῷ μὴ μαθόντι χρῆσθαι κίνδυνός ἐστιν οὐ δύναμις, οὐδὲ κόσμος ἀλλ’ ἔλεγχος τῆς ἀσθενείας καὶ μικρότητος. ὀρθῶς γὰρ Ἀντισθένης ἔλεγεν ὅτι ‘πάντα δεῖ τοῖς πολεμίοις εὔχεσθαι τἀγαθὰ πλὴν ἀνδρείας· γίνεται γὰρ οὕτως οὐ τῶν ἐχόντων, ἀλλὰ τῶν κρατούντων.’ διὰ τοῦτό φασι καὶ τὴν φύσιν ἀγεννεστάτῳ ζῴῳ τῷ ἐλάφῳ κέρατα θαυμαστὰ τῷ μεγέθει καὶ τραχύτητι πρὸς ἄμυναν ἐμφῦσαι, διδάσκουσαν ἡμᾶς ὡς οὐδὲν ὠφελεῖ τὸ ἰσχύειν καὶ ὡπλίσθαι τοὺς μένειν καὶ θαρρεῖν μὴ δυναμένους. οὕτως [b] καὶ ἡ τύχη πολλάκις ἀτόλμοις καὶ ἀνοήτοις προσάπτουσα δυνάμεις καὶ ἀρχάς, αἷς ἐνασχημονοῦσι, κοσμεῖ καὶ συνίστησι τὴν ἀρετὴν ὡς μόνην μέγεθος ἀνδρὸς καὶ κάλλος οὖσαν. εἰ μὲν γάρ, ὥς φησιν Ἐπίχαρμος (fr. 249), ‘νοῦς ὁρῇ καὶ νοῦς ἀκούει, τἆλλα δὲ τυφλὰ καὶ κωφά’, λόγου τυγχάνει δεόμενα. αἱ γὰρ αἰσθήσεις ἰδίας ἔχειν ἀφορμὰς δοκοῦσιν, ὅτι δὲ νοῦς ὠφελεῖ καὶ νοῦς κοσμεῖ καὶ νοῦς τὸ νικῶν καὶ κρατοῦν καὶ βασιλεῦον, τὰ δ’ ἄλλα τυφλὰ καὶ κωφὰ καὶ ἄψυχα παρέλκει καὶ βαρύνει καὶ καταισχύνει χωρὶς ἀρετῆς τοὺς ἔχοντας, ἀπὸ τῶν πραγμάτων λαβεῖν ἔστι. τῆς γὰρ αὐτῆς δυνάμεως ὑποκειμένης [c]

καὶ ἡγεμονίας Σεμίραμις μὲν οὖσα γυνὴ στόλους ἐπλήρου καὶ φάλαγγας ὥπλιζε καὶ Βαβυλῶνας ἔκτιζε, καὶ περιέπλει τὴν Ἐρυθρὰν θάλασσαν Αἰθίοπας καταστρεφομένη καὶ Ἄραβας, Σαρδανάπαλος δ' ἀνὴρ πεφυκὼς ἔξαινεν οἴκοι πορφύραν, ἀναβάδην ἐν ταῖς παλλακαῖς καθήμενος· ἀποθανόντος δ' αὐτοῦ, λιθίνην εἰκόνα κατασκευάσαντες ἐπορχουμένην ἑαυτῇ βαρβαριστὶ καὶ τοῖς δακτύλοις ὑπὲρ κεφαλῆς οἷον ὑποψοφοῦσαν, ἐπέγραψαν 'ἔσθιε, πῖνε, ἀφροδισίαζε· τἄλλα δ' οὐδέν' (Aristobul. fr. 6). ὁ μὲν οὖν Κράτης ἰδὼν χρυσῆν εἰκόνα Φρύνης τῆς [d] ἑταίρας ἑστῶσαν ἐν Δελφοῖς ἀνέκραγεν, ὅτι τοῦτο τῆς τῶν Ἑλλήνων ἀκρασίας τρόπαιον ἕστηκε· τὸν δὲ Σαρδαναπάλου βίον ἄν τις ἢ τάφον (οὐδὲν γάρ, οἶμαι, διαφέρει) θεασάμενος εἴποι τοῦτο τῶν τῆς Τύχης ἀγαθῶν τρόπαιον εἶναι. τί οὖν; ἐάσωμεν τὴν Τύχην Ἀλεξάνδρου μετὰ Σαρδανάπαλον ἅψασθαι καὶ τοῦ μεγέθους ἐκείνου καὶ τῆς δυνάμεως ἀντιποιεῖσθαι; τί γὰρ αὐτῷ πλέον ἔδωκεν ὧν οἱ λοιποὶ βασιλεῖς ἔλαβον παρ' αὐτῆς; ὅπλων, ἵππων, βελῶν, χρημάτων, δορυφόρων; ποιησάτω τούτοις ἡ Τύχη μέγαν Ἀριδαῖον, εἰ δύναται· ποιησάτω τούτοις μέγαν [Ἄμασιν ἢ] Ὦχον ἢ Ὀάρσην ἢ Τιγράνην τὸν Ἀρμένιον ἢ [e] τὸν Βιθυνὸν Νικομήδην· ὧν ὁ μὲν τὸ διάδημα τοῖς Πομπηίου ποσὶν ὑπορρίψας αἰσχρῶς τὴν βασιλείαν ἀνέλαβε, λάφυρον γενομένην· Νικομήδης δὲ τὴν κεφαλὴν ξυράμενος καὶ πιλίον ἐπιθέμενος ἀπελεύθερον ἑαυτὸν Ῥωμαίων ἀνηγόρευσεν.

Εἴπωμεν οὖν, ὅτι μικροὺς ἡ Τύχη ποιεῖ καὶ περιδεεῖς καὶ ταπεινόφρονας - ἀλλ' οὐ δίκαιον οὔτε κακίαν εἰς ἀτυχίαν οὔτ' ἀνδρείαν καὶ φρόνησιν εἰς εὐτυχίαν τινὰ τίθεσθαι - , μέγα‹ν› δὲ τῷ ἄρχειν Ἀλέξανδρον; ἡ Τύχη; καὶ γὰρ ἔνδοξος ἐν ἐκείνῳ καὶ ἀήττητος καὶ μεγαλόφρων καὶ ἀνύβριστος καὶ φιλάνθρωπος· εἶτ' [f] ἐκλιπόντος εὐθὺς ὁ Λεωσθένης ἔλεγε τὴν δύναμιν ἐμπλανωμένην ἑαυτῇ καὶ περιπίπτουσαν ἐοικέναι τῷ Κύκλωπι μετὰ τὴν τύφλωσιν ἐκτείνοντι πανταχοῖ τὰς χεῖρας ἐπ' οὐδένα σκοπὸν φερομένας· οὕτως ἐρρέμβετο κενεμβατοῦν καὶ σφαλλόμενον ὑπ' ἀναρχίας τὸ μέγεθος αὐτῆς. μᾶλλον δ' ὥσπερ τὰ νεκρὰ σώματα, τῆς ψυχῆς ἐκλιπούσης, οὐκέτι συνέστηκεν οὐδὲ συμπέφυκεν, ἀλλ' ἐξίσταται καὶ διαλύεται [ἀπ' ἀλλήλων] καὶ ἄπεισι καὶ φεύγει, οὕτως ἀφεῖσα τὸν Ἀλέξανδρον ἡ δύναμις ἤσπαιρεν, ἐπάλλετο, [337] [a] ἐφλέγμαινε Περδίκκαις καὶ Μελεάγροις καὶ Σελεύκοις καὶ Ἀντιγόνοις ὥσπερ πνεύμασι θερμοῖς ἔτι καὶ σφυγμοῖς διᾴττουσι καὶ διαφερομένοις· τέλος δ' ἀπομαραινομένη καὶ φθίνουσα περὶ αὑτὴν οἷον εὐλάς τινας ἀνέζεσεν ἀγεννῶν βασιλέων καὶ ἡγεμόνων ψυχορραγούντων. αὐτὸς μὲν οὖν ταῦθ' ὡς ἔοικεν Ἡφαιστίωνι διενεχθέντι πρὸς Κρατερὸν ἐπιτιμῶν 'τίς δ'' εἶπεν 'ἡ σὴ δύναμις ἢ πρᾶξις, ἄν σού τις ἀφέλῃ τὸν

Ἀλέξανδρον;’ ἐγὼ δὲ τοῦτ’ εἰπεῖν πρὸς τὴν τότε Τύχην οὐκ ὀκνήσω ‘τί σου τὸ μέγεθος, τίς δ’ ἡ δόξα, ποῦ δ’ ἡ δύναμις, ποῦ δὲ τὸ ἀνίκητον, ἄν [b] σού τις ἀφέλῃ τὸν Ἀλέξανδρον;’ τουτέστιν ‘ἄν σού τις ἀφέλῃ τῶν ὅπλων τὴν ἐμπειρίαν, τοῦ πλούτου τὴν φιλοτιμίαν, τῆς πολυτελείας τὴν ἐγκράτειαν, ὧν ἀγωνίζῃ τὸ θάρσος, ἐν οἷς κρατεῖς τὴν πραότητα; ποίησον ἄλλον εἰ δύνασαι μέγαν, τοῖς χρήμασι μὴ χαριζόμενον, τοῖς στρατεύμασι μὴ προκινδυνεύοντα, τοὺς φίλους μὴ τιμῶντα, τοὺς αἰχμαλώτους μὴ ἐλεοῦντα, ταῖς ἡδοναῖς μὴ σωφρονοῦντα, τοῖς καιροῖς μὴ ἀγρυπνοῦντα, ταῖς νίκαις μὴ εὐδιάλλακτον, τοῖς κατορθώμασι μὴ φιλάνθρωπον. τίς μέγας ἐν ἐξουσίαις μετ’ ἀβελτερίας καὶ μοχθηρίας; ἄφελε [c] τὴν ἀρετὴν τοῦ εὐτυχοῦντος, καὶ πανταχοῦ μικρός ἐστιν, ἐν χάρισι διὰ σμικρολογίαν, ἐν πόνοις διὰ μαλακίαν, παρὰ θεοῖς διὰ δεισιδαιμονίαν, πρὸς ἀγαθοὺς διὰ φθόνον, ἐν ἀνδράσι διὰ φόβον, ἐν γυναιξὶ διὰ φιληδονίαν.’ ὥσπερ γὰρ οἱ φαῦλοι τεχνῖται βάσεις μεγάλας μικροῖς ὑφιστάντες ἀναθήμασιν ἐλέγχουσιν αὐτῶν [καὶ] τὰς μικρότητας, οὕτως ἡ Τύχη ὅταν μικρὸν ἦθος ἐξάρῃ πράγμασιν ἔχουσιν ὄγκον τινὰ καὶ περιφάνειαν, ἐπιδείκνυσι μᾶλλον καὶ καταισχύνει σφαλλόμενον καὶ σαλευόμενον ὑπὸ κουφότητος.

Ὅθεν οὐκ ἐν τῇ κτήσει τῶν ἀγαθῶν ἀλλ’ ἐν τῇ [d] χρήσει τὸ μέγ’ ἐστίν, ἐπεὶ καὶ νήπια βρέφη κληρονομεῖ βασιλείας πατρῴας καὶ ἀρχάς, ὡς Χάριλλος, ὃν Λυκοῦργος ἅμα τῷ σπαργάνῳ κομίσας εἰς τὸ φιδίτιον ἀνθ’ ἑαυτοῦ βασιλέα τῆς Σπάρτης ἀνηγόρευσε· καὶ οὐκ ἦν μέγας ὁ νήπιος, ἀλλ’ ὁ τῷ νηπίῳ τὸ πατρῷον ἀποδοὺς γέρας καὶ μὴ σφετερισάμενος μηδ’ ἀποστερήσας. Ἀριδαῖον δὲ τίς ἂν ἐποίησε μέγαν, ὃν οὐδὲν νηπίου διαφέροντα μονονοὺ σπαργανώσας τῇ πορφύρᾳ Μελέαγρος εἰς τὸν Ἀλεξάνδρου θρόνον ἔθηκεν, εὖ γε ποιῶν, ἵν’ ὀφθῇ παρ’ ἡμέρας ὀλίγας, πῶς ἀρετῇ βασιλεύουσιν ἄνθρωποι καὶ πῶς τύχῃ. ἀγωνιστῇ γὰρ ἡγεμονίας ὑποκριτὴν ἐπεισήγαγε, μᾶλλον [e] δ’ ὡς ἐπὶ σκηνῆς δορυφόρημα κωφὸν διεξῆλθε τῆς οἰκουμένης.

‘καί κε γυνὴ φέροι ἄχθος, ἐπεί κεν ἀνὴρ ἀναθείη·’

(Aristoph. Equ. 1056) τοὐναντίον μὲν οὖν εἴποι τις ἄν, ὅτι λαβεῖν καὶ ἀναθέσθαι δύναμιν καὶ πλοῦτον καὶ ἀρχὴν καὶ γυναικός ἐστι καὶ παιδός· (Ὀάρσῃ καὶ Δαρείῳ Βαγώας ὁ εὐνοῦχος ἀράμενος ἐπέθηκε τὴν Περσῶν βασιλείαν·) τὸ δὲ λαβόντα μεγάλην ἐξουσίαν ἐνεγκεῖν καὶ μεταχειρίσασθαι καὶ μὴ συντριβῆναι μηδὲ διαστραφῆναι τῷ βάρει καὶ μεγέθει τῶν πραγμάτων, ἀνδρός ἐστιν ἀρετὴν καὶ φρόνημα καὶ νοῦν ἔχοντος· ἣν Ἀλέξανδρος ἔσχεν, ᾧ [f] μέθην τινὲς ἐγκαλοῦσι καὶ οἴνωσιν. ὁ δ’ ἦν μέγας, ἐν τοῖς πράγμασι νήφων καὶ μὴ μεθυσθεὶς μηδὲ βακχευθεὶς ὑπ’ ἐξουσίας καὶ δυνάμεως, ἧς

Λυσίμαχος τὰ περὶ Θρᾴκην ὥσπερ ἐσχατιάς τινας τῆς βασιλείας κατασχὼν εἰς τοσοῦτον ὑπεροψίας ἔφθασε καὶ θρασύτητος, ὥστ' εἰπεῖν 'νῦν Βυζάντιοι πρὸς ἐμὲ ἥκουσιν, ὅτε τῇ λόγχῃ τοῦ οὐρανοῦ ἅπτομαι.' ὅμως τῶν θυγατέρων τὴν μὲν Ἀρετὴν τὴν δὲ Σωφροσύνην ὠνόμασε τὴν δὲ Δικαιοσύνην. οἱ δ' Εὐεργέτας οἱ δὲ Καλλινίκους οἱ δὲ Σωτῆρας οἱ δὲ Μεγάλους ἀνηγόρευσαν ἑαυτούς. γάμους δ' αὐτῶν ἐπαλλήλους ὥσπερ ἵππων ἐν ἀγέλαις γυναικῶν ἀνέδην διημερευόντων καὶ φθορὰς παίδων καὶ τυμπανισμοὺς ἐν ἀνδρογύνοις καὶ κυβείας μεθημερινὰς καὶ αὐλήσεις ἐν θεάτροις καὶ νύκτα μὲν ἐν δείπνοις ἡμέραν δ' ἐν ἀρίστοις ἐπιλείπουσαν οὐδεὶς ἂν ἐφίκοιτο τῷ λόγῳ διελθεῖν.

[d] Ἀλλ' Ἀλέξανδρος ἠρίστα μὲν ὄρθρου καθεζόμενος, ἐδείπνει δὲ πρὸς ἑσπέραν βαθεῖαν, ἔπινε δὲ θύσας τοῖς θεοῖς, ἐκύβευε δὲ πρὸς Μήδιον πυρέττων, ἔπαιζε δ' ὁδοιπορῶν ἅμα καὶ μανθάνων τοξεύειν καὶ ἀποβαίνειν ἅρματος. ἔγημε δὲ Ῥωξάνην ἑαυτῷ μόνην ἐρασθείς, τὴν δὲ Δαρείου Στάτειραν τῇ βασιλείᾳ καὶ τοῖς πράγμασι (συνέφερε γὰρ ἡ τῶν γενῶν

ἀνάμιξις), τῶν δ’ ἄλλων Περσίδων ἐκράτησε τοσοῦτον σωφροσύνῃ, ὅσον ἀνδρείᾳ Περσῶν· ἄκουσαν μὲν γὰρ οὐδεμίαν εἶδεν, ἃς δ’ εἶδε μᾶλλον ἢ ἃς οὐκ εἶδε παρῆλθε. καὶ πᾶσιν ὢν τοῖς ἄλλοις φιλάνθρωπος, μόνοις ὑπερηφάνως τοῖς καλοῖς ἐχρῆτο.

[e] περὶ δὲ τῆς Δαρείου γυναικός, εὐπρεπεστάτης γενομένης, οὐδὲ φωνὴν ἐπαινοῦσαν τὸ κάλλος ἤκουσεν· ἀποθανοῦσαν δ’ οὕτω βασιλικῶς ἐκόσμησε καὶ συμπαθῶς ἐδάκρυσεν, ὥστ’ ἄπιστον αὐτοῦ τὸ σῶφρον ἐν τῷ φιλανθρώπῳ γενέσθαι καὶ λαβεῖν ἀδικίας ἔγκλημα τὴν χρηστότητα. Δαρεῖος γὰρ οὕτως ἐκινήθη πρὸς τὴν ἐξουσίαν αὐτοῦ καὶ τὴν ἡλικίαν (εἷς γὰρ ἦν καὶ αὐτὸς ἔτι τῶν νομιζόντων διὰ Τύχην κρατεῖν Ἀλέξανδρον)· ἐπεὶ δὲ τἀληθὲς ἔγνω βασανίσας πανταχόθεν, ‘οὐ πάντως’ εἶπεν ‘ἄρα φαύλως ἔχει τὰ Περσῶν, οὐδέ τις ἐρεῖ παντάπασι κακοὺς ἡμᾶς [f] οὐδ’ ἀνάνδρους ὑπὸ τοιούτου κρατηθέντας. ἐγὼ δ’ εὐτυχίαν μὲν εὔχομαι καὶ κράτος πολέμου παρὰ θεῶν, ἵν’ εὖ ποιῶν Ἀλέξανδρον ὑπερβάλωμαι· καί μέ τις ἔχει φιλοτιμία καὶ ζῆλος ἡμερώτερον αὐτοῦ φανῆναι· εἰ δ’ οἴχεται τὰ ἐμά, Ζεῦ πατρῷε Περσῶν καὶ βασίλειοι θεοί, μηδεὶς εἰς τὸν Κύρου θρόνον ἄλλος ἢ Ἀλέξανδρος καθίσειε.’ τοῦτ’ εἰσποίησις ἦν Ἀλεξάνδρου διὰ θεῶν [339] [a] μαρτύρων. οὕτω νικῶσιν ἀρετῇ.

Πρόσγραψον, εἰ βούλει, τῇ Τύχῃ τὰ Ἄρβηλα καὶ τὴν Κιλικίαν, καὶ τἆλλα, ἃ γέγονε βίας ἔργα καὶ πολέμου· Τύχη τὴν Τύρον ἔσεισεν αὐτῷ, καὶ Τύχη τὴν Αἴγυπτον ἀνέῳξε· διὰ Τύχην Ἁλικαρνασσὸς ἔπεσε καὶ Μίλητος ἑάλω καὶ Μαζαῖος Εὐφράτην ἔρημον ἀπέλιπε καὶ νεκρῶν τὸ Βαβυλώνιον ἐπλήσθη πεδίον· ἀλλ’ οὔτι γε σώφρων ἀπὸ Τύχης οὔτ’ ἐγκρατὴς διὰ Τύχην, οὔτ’ ἀνάλωτον ὑφ’ ἡδονῆς ἡ Τύχη καὶ ἄτρωτον ἐπιθυμίαις κατακλείσασα τὴν ψυχὴν ἐφρούρει. καὶ μὴν ταῦτ’ ἦν, οἷς αὐτὸν ἐτρέψατο Δαρεῖον· τἄλλα δ’ ὅπλων ἦσαν ἧτται καὶ ἵππων καὶ [b] μάχαι καὶ φόνοι καὶ φυγαὶ ἀνδρῶν. τὴν δὲ μεγάλην καὶ ἀναντίρρητον ἧτταν ἡττήθη Δαρεῖος καὶ ἐνέκλινεν ἀρετῇ καὶ μεγαλοφροσύνῃ καὶ ἀνδρείᾳ καὶ δικαιοσύνῃ, θαυμάσας τὸ ἐν ἡδονῇ καὶ πόνοις καὶ χάρισιν ἀνίκητον. ἐπεί γ’ ἐν πέλταις καὶ σαρίσσαις καὶ ἀλαλαγμοῖς καὶ συρράξεσιν ὅπλων ἀνίκητος ἦν καὶ ‹Ἀ›ταρρίας ὁ Δεινομένους καὶ Ἀντιγένης ὁ Πελληναῖος καὶ Φιλώτας ὁ Παρμενίωνος, ἀλλὰ πρὸς ἡδονὰς καὶ γύναια καὶ χρυσίον καὶ ἀργύριον οὐθέν τι βελτίους τῶν αἰχμαλώτων· ἀλλ’ Ἀταρρίας μὲν ὅτε τῶν χρεῶν ἠλευθέρου Μακεδόνας Ἀλέξανδρος καὶ διελύετο τοῖς δανείσασιν ὑπὲρ πάντων, [c] ψευσάμενος ὀφείλειν καὶ δανειστήν τινα φάσκοντα εἶναι τῇ τραπέζῃ προσαγαγών, εἶτα φωραθεὶς ὀλίγου διέφθειρεν αὐτὸς ἑαυτόν· εἰ μὴ γνοὺς Ἀλέξανδρος ἀφῆκε τῆς αἰτίας αὐτὸν καὶ συνεχώρησεν ἔχειν τἀργύριον, ἀναμνησθεὶς ὅτι Φιλίππου

Ἀντιγένης δὲ τοῖς ἀποπεμφθεῖσιν εἰς Μακεδονίαν διὰ νόσον καὶ πήρωσιν ἀναμίξας ἑαυτὸν καὶ ἀπογραψάμενος, ὡς ἐλήφθη μηδὲν κακὸν ἔχων, ἀλλὰ προσποιούμενος [d] ἀρρωστίαν τινά, ἀνὴρ πολεμικὸς καὶ τραυμάτων τὸ σῶμα μεστὸς ὀφθεὶς ἠνίασε τὸν Ἀλέξανδρον· πυνθανομένου δὲ τὴν αἰτίαν ὡμολόγησε Τελεσίππας ἐρᾶν καὶ συνακολουθεῖν ἐπὶ θάλασσαν ἀπιούσῃ μὴ δυνάμενος ἀπολειφθῆναι. ‘καὶ τίνος’ ἔφη ‘τὸ γύναιόν ἐστιν’ ὁ Ἀλέξανδρος ‘καὶ πρὸς τίνα δεῖ διαλέγεσθαι;’ τοῦ δ᾽ Ἀντιγένους εἰπόντος ὡς ἐλευθέρα ἐστίν, ‘οὐκοῦν’ εἶπε ‘πείθωμεν αὐτὴν καταμένειν, ἐπαγγελλόμενοι καὶ διδόντες.’ οὕτω παντὶ μᾶλλον ἐρῶντι συγγνώμην εἶχεν ἢ αὑτῷ. καὶ μὴν καὶ Φιλώτας ὁ Παρμενίωνος τροφόν τινα τῶν κακῶν ἔσχε τὴν ἀκρασίαν.

[e] Ἀντιγόνα γὰρ ἦν Πελλαῖον γύναιον ἐν τοῖς περὶ Δαμασκὸν αἰχμαλώτοις, ἡλώκει δ᾽ ὑπ᾽ Αὐτοφραδάτου πρότερον εἰς Σαμοθρᾴκην διαπλεύσασα, τὴν δ᾽ ὄψιν ἦν ἱκανή, καὶ τὸν Φιλώταν ἁψάμενον αὐτῆς εἶχε μάλα. καὶ δὴ ὁ σιδάρεος †ἕκ τινος πεπαινόμενος οὐκ ἐκράτει τῶν λογισμῶν ἐν ταῖς ἡδοναῖς, ἀλλ᾽ ἀνοιγόμενος ἐξέφερε πολλὰ τῶν ἀπορρήτων πρὸς αὐτήν. ‘τί γὰρ ἦν ἐκεῖνος ὁ Φίλιππος, εἰ μὴ Παρμενίων; τί δ᾽ Ἀλέξανδρος οὗτος, εἰ μὴ Φιλώτας; ποῦ δ᾽ ὁ Ἄμμων, ποῦ δ᾽ οἱ δράκοντες, ἂν ἡμεῖς μὴ θέλωμεν;’ τούτους τοὺς λόγους ἡ Ἀντιγόνα πρός τινα τῶν συνήθων [f] ἐξήνεγκε γυναικῶν, ἐκείνη δὲ πρὸς Κρατερόν· Κρατερὸς δὲ πρὸς Ἀλέξανδρον αὐτὴν εἰσήγαγε τὴν Ἀντιγόναν κρύφα, καὶ τοῦ μὲν σώματος οὐκ ἔθιγεν ἀλλ᾽ ἀπέσχετο· τὸν δὲ Φιλώταν ὑποικουρῶν δι᾽ αὐτῆς ὅλον ἐφώρασε, καὶ πλέον ἢ ἑπτὰ ἐτῶν διαγενομένων, οὐκ ἐν οἴνῳ ποτὲ τὴν ὑπόνοιαν ταύτην ἐξέφηνεν ὁ μεθύων, οὐ δι᾽ ὀργὴν ὁ θυμοειδής, οὐ πρὸς φίλον ὁ πάντα πιστεύων Ἡφαιστίωνι καὶ πάντων [340] [a] μεταδιδούς. λέγεται γὰρ ὅτι καὶ τῆς μητρὸς ἀπόρρητον ἐπιστολὴν λύσαντος αὐτοῦ καὶ σιωπῇ πρὸς ἑαυτὸν ἀναγινώσκοντος, Ἡφαιστίων ἀτρέμα παραβάλλων τὴν κεφαλὴν συνανεγίνωσκεν· ὁ δὲ κωλῦσαι μὲν οὐχ ὑπέμεινεν, ἐξελὼν δὲ τὸν δακτύλιον προσέθηκε τὴν σφραγῖδα τῷ στόματι τοῦ Ἡφαιστίωνος.

Ἀλλὰ ταῦτα μὲν ἄν τις ἀπείποι λέγων, οἷς ἀποδείκνυται κάλλιστα καὶ βασιλικώτατα τὴν ἐξουσίαν διατιθέμενος. καὶ γὰρ εἰ διὰ Τύχην μέγας γέγονε, μείζων ἐστίν, ὅτι τῇ Τύχῃ καλῶς κέχρηται· καὶ ὅσῳ τις ἂν μᾶλλον αὐτοῦ τὴν Τύχην ἐπαινῇ, τοσούτῳ μᾶλλον αὔξει τὴν [b] ἀρετήν, δι᾽ ἣν ἄξιος τῆς Τύχης ἐγένετο. οὐ μὴν ἀλλ᾽ ἤδη πρὸς τὰ πρῶτα τῆς αὐξήσεως αὐτοῦ καὶ τὰς ἀρχὰς τῆς δυνάμεως βαδίζω, καὶ σκοπῶ τί τὸ τῆς Τύχης ἔργον ἐν ἐκείνοις γέγονε, δι᾽ ὅ φασιν Ἀλέξανδρον ὑπὸ τῆς Τύχης μέγαν γεγονέναι. πῶς γὰρ οὐχί; τὸν

ἄτρωτον, ὦ Ζεῦ, τὸν ἀναίμακτον, τὸν ἀστράτευτον, ὃν χρεμετίσας ἵππος εἰς τὸν Κύρου θρόνον ἐκάθισεν, ὡς Δαρεῖον τὸν Ὑστάσπου πρότερον, ἢ κολακευθεὶς ἀνὴρ ὑπὸ τῆς γυναικός, ὡς Ξέρξην Δαρεῖος ὑπ' Ἀτόσσης; ἐπὶ θύρας αὐτῷ τὸ διάδημα τῆς Ἀσίας ἦλθεν, ὥσπερ Ὀάρσῃ διὰ Βαγώαν, [c] καὶ στολὴν ἐκδυσάμενος ἀστάνδου περιέθετο τὴν βασιλικὴν καὶ ὀρθοπαγῆ κίταριν; ἐξαίφνης καὶ ἀπροσδοκήτως κλήρῳ λαχὼν τῆς οἰκουμένης ἐβασίλευσεν, ὡς Ἀθήνησι κλήρῳ θεσμοθετοῦσι καὶ ἄρχουσι; βούλει μαθεῖν, πῶς βασιλεύουσιν ἄνθρωποι διὰ Τύχην; ἐξέλιπέ ποτ' Ἀργείοις τὸ Ἡρακλειδῶν γένος, ἐξ οὗ βασιλεύεσθαι πάτριον ἦν αὐτοῖς· ζητοῦσι δὲ καὶ διαπυνθανομένοις ὁ θεὸς ἔχρησεν ἀετὸν δείξειν· καὶ μεθ' ἡμέρας ὀλίγας ἀετὸς ὑπερφανεὶς καὶ κατάρας ἐπὶ τὴν Αἴγωνος οἰκίαν ἐκάθισε, καὶ βασιλεὺς ᾑρέθη Αἴγων. πάλιν ἐν Πάφῳ, τοῦ βασιλεύοντος ἀδίκου καὶ πονηροῦ φανέντος, ἐκβαλὼν τοῦτον Ἀλέξανδρος [d] ἕτερον ἐζήτει, τοῦ Κινυραδῶν γένους ἤδη φθίνειν καὶ ἀπολείπειν δοκοῦντος. ἕνα δ' οὖν ἔφασαν περιεῖναι πένητα καὶ ἄδοξον ἄνθρωπον ἐν κήπῳ τινὶ παρημελημένως διατρεφόμενον. ἐπὶ τοῦτον οἱ πεμφθέντες ἧκον, εὑρέθη δὲ πρασιαῖς ὕδωρ ἐπαντλῶν· καὶ διεταράχθη τῶν στρατιωτῶν ἐπιλαμβανομένων αὐτοῦ καὶ βαδίζειν κελευόντων. ἀχθεὶς δὲ πρὸς Ἀλέξανδρον ἐν εὐτελεῖ σινδονίσκῃ βασιλεὺς ἀνηγορεύθη καὶ πορφύραν ἔλαβε καὶ εἷς ἦν τῶν ἑταίρων προσαγορευομένων· ἐκαλεῖτο δ' Ἀβδαλώνυμος. οὕτως αἱ τύχαι ποιοῦσι βασιλεῖς, μεταμφιάζουσι, μεταγράφουσι ταχύ, ῥᾳδίως, μὴ προσδεχομένους μηδ' ἐλπίζοντας.

Ἀλεξάνδρῳ δὲ τί παρ' ἀξίαν, τί ἀνιδρωτί, τί ἀναιμωτί, τί προῖκα, τί μὴ πονήσαντι τῶν μεγάλων; αἵματι κεκραμένους ποταμοὺς ἔπιε καὶ νεκροῖς γεγεφυρωμένους διέβη, καὶ πόαν ἔφαγε διὰ λιμὸν ἣν πρώτην εἶδε, καὶ βάθεσι χιόνων κατακεχωσμένα ἔθνη καὶ πόλεις ὑπὸ γῆν δεδυκυίας ἐξώρυξε, καὶ θάλατταν μαχομένην ἔπλευσε, καὶ θῖνας ἀνύδρους τὰς Γεδρωσίων καὶ Ἀραχωσίων ὁδεύων ἐν θαλάσσῃ πρότερον ἢ ἐν γῇ φυτὸν εἶδεν. εἰ γὰρ ἦν ὡς πρὸς ἄνθρωπον ἀγαγεῖν Παρρησίαν ὑπὲρ Ἀλεξάνδρου πρὸς τὴν Τύχην, οὐκ ἂν εἶπε 'ποῦ σὺ καὶ πότε ταῖς Ἀλεξάνδρου [e] πράξεσιν ὁδὸν ἔδωκας; ποίαν πέτραν ἀναιμωτὶ διὰ σὲ εἷλε; ποίαν πόλιν ἀφρούρητον αὐτῷ παρέδωκας ἢ ποίαν ἄνοπλον φάλαγγα; τίς εὑρέθη βασιλεὺς ῥᾴθυμος ἢ στρατηγὸς ἀμελὴς ἢ κοιμώμενος πυλωρός; ἀλλ' οὐδ' εὔβατος [341] [a] ποταμὸς οὐδὲ χειμὼν μέτριος οὐδὲ θέρος ἄλυπον. ἄπιθι πρὸς Ἀντίοχον τὸν Σελεύκου, πρὸς Ἀρτοξέρξην τὸν Κύρου ἀδελφόν· ἄπελθε πρὸς Πτολεμαῖον τὸν Φιλάδελφον. ἐκείνους ζῶντες οἱ πατέρες βασιλεῖς ἀνηγόρευσαν, ἐκεῖνοι μάχας ἀδακρύτους ἐνίκων, ἐκεῖνοι πανηγυρίζοντες ἐν πομπαῖς καὶ θεάτροις διετέλεσαν, ἐκείνων ἕκαστος δι' εὐτυχίαν βασιλεύων ἐγήρασεν. Εὖγ’, ὦ Τύχη, τὸν Ἀλέξανδρον αὔξεις καὶ μέγαν ποιεῖς, διορύττουσα πανταχόθεν, ὑπερείπουσα, πᾶν μέρος [d] ἀνοίγουσα τοῦ σώματος· οὐχ ὥσπερ ἡ Ἀθηνᾶ πρὸ τοῦ Μενελάου (Hom. βασιλέων ἀφηνιασμοῖς, ἐν ἔθνεσιν ἀπίστοις καὶ ἐπιβούλοις ὕδραν τέμνων ἀεί τισι πολέμοις ἐπιβλαστάνουσαν;

Ἄτοπόν τι δόξω λέγειν, ἐρῶ δ’ ἀληθές· μικροῦ διὰ τὴν Τύχην Ἀλέξανδρος ἀπώλεσε τὸ δοκεῖν Ἄμμωνος εἶναι. τίς γὰρ ἐκ θεῶν γεγονὼς ἐπισφαλεῖς οὕτω καὶ πολυπόνους καὶ τλήμονας ἐξεμόχθησεν ἄθλους πλὴν ὁ [342] [a] Διὸς Ἡρακλῆς; ἀλλ’ ἐκείνῳ μὲν εἷς ἀνὴρ ὑβριστὴς ἐπέταττε λέοντας αἱρεῖν καὶ κάπρους διώκειν καὶ σοβεῖν ὄρνιθας, ἵνα μὴ σχολάζῃ τοῖς μείζοσι περιιών, Ἀνταίους κολάζειν καὶ Βουσίριδας παύειν μιαιφονοῦντας· Ἀλεξάνδρῳ δ’ ἐπέταττε μὲν ἡ Ἀρετὴ τὸν βασιλικὸν καὶ θεῖον ἆθλον, οὗ τέλος ἦν οὐ χρυσὸς ὑπὸ μυρίων καμήλων παρακομιζόμενος οὐδὲ τρυφαὶ Μηδικαὶ καὶ τράπεζαι καὶ γυναῖκες οὐδὲ Χαλυβώνιος οἶνος οὐδ’ Ὑρκανικοὶ ἰχθύες, ἀλλ’ ἑνὶ κόσμῳ κοσμήσαντα πάντας ἀνθρώπους μιᾶς ὑπηκόους ἡγεμονίας καὶ μιᾶς ἐθάδας διαίτης καταστῆσαι.

[b] τοῦτον ἐκ παιδὸς ἔμφυτον ἔχων ἔρωτα συντρεφόμενον καὶ συναυξανόμενον, ὡς ἀφίκοντο πρέσβεις παρὰ τοῦ Περσῶν βασιλέως πρὸς Φίλιππον, ὁ δ’ οὐκ ἔνδημος ἦν, φιλοφρονούμενος καὶ ξενίζων αὐτοὺς Ἀλέξανδρος οὐδὲν ἠρώτα παιδικόν, οἷον οἱ ἄλλοι, περὶ τῆς χρυσῆς ἀναδενδράδος ἢ τῶν κρεμαστῶν κήπων ἢ πῶς ὁ βασιλεὺς κεκόσμηται, ἀλλ’ ὅλος ἐν τοῖς κυριωτάτοις ἦν τῆς ἡγεμονίας, διαπυνθανόμενος πόση δύναμις ἡ Περσῶν, ποῦ τεταγμένος βασιλεὺς ἐν ταῖς μάχαις διαγωνίζεται (καθάπερ Ὀδυσσεὺς ἐκεῖνος (Hom. Κ 407) ‘ποῦ δέ οἱ ἔντεα κεῖται ἀρήια, ποῦ δέ οἱ ἵπποι;’), τίνες ὁδοὶ βραχύταται τοῖς ἄνω [c] πορευομένοις ἀπὸ θαλάττης· ὥστε τοὺς ξένους ἐκπεπλῆχθαι καὶ λέγειν ὡς ‘ὁ παῖς οὗτος βασιλεὺς μέγας, ὁ δ’ ἡμέτερος πλούσιος.’ ἐπεὶ δὲ Φιλίππου τελευτήσαντος ὥρμητο διαβαλεῖν καὶ ταῖς ἐλπίσιν ἤδη καὶ ταῖς παρασκευαῖς ἐμπεφυκὼς ἔσπευδεν ἅψασθαι τῆς Ἀσίας, ἐνίστατο δὴ ἡ Τύχη καὶ ἀπέστρεφε καὶ ἀνθεῖλκεν ὀπίσω καὶ μυρίας περιέβαλλεν ἀσχολίας καὶ διατριβὰς ἐπιλαμβανομένη· ‹ἣ› πρῶτον αὐτῷ τὰ βαρβαρικὰ τῶν προσοίκων διετάραξεν, Ἰλλυρικοὺς καὶ Τριβαλλικοὺς μηχανωμένη πολέμους· οἷς μέχρι Σκυθίας τῆς παρ’ Ἴστρον ἀποσπασθεὶς [d] ἀπὸ τῶν ἄνω πράξεων καὶ περιδραμὼν καὶ κατεργασάμενος πάντα κινδύνοις καὶ ἀγῶσι μεγάλοις, αὖθις ὥρμητο καὶ ἔσπευδε πρὸς τὴν διάβασιν [πάλιν]· ἡ δὲ πάλιν αὐτῷ τὰς Θήβας ἐνέσεισε καὶ πόλεμον Ἑλληνικὸν ἐμποδὼν κατέβαλε, καὶ δεινὴν πρὸς ἄνδρας ὁμοφύλους καὶ συγγενεῖς διὰ φόνου καὶ σιδήρου καὶ πυρὸς ἀνάγκην ἀμύνης, ἀτερπέστατον τέλος ἔχουσαν. ἐκ τούτου διέβαινεν, ὡς μὲν Φύλαρχός φησιν, ἡμερῶν τριάκοντ’ ἔχων ἐφόδιον, ὡς δ’ Ἀριστόβουλος, ἑβδομήκοντα τάλαντα· τῶν δ’ οἴκοι κτημάτων καὶ προσόδων βασιλικῶν διένειμε τὰς πλείστας τοῖς ἑταίροις, μόνος δὲ Περδίκκας οὐδὲν [e]

ἔλαβε διδόντος, ἀλλ' ἠρώτησε 'σαυτῷ δὲ τί καταλείπεις, Ἀλέξανδρε;' τοῦ δ' εἰπόντος ὅτι 'τὰς ἐλπίδας', 'οὐκοῦν' ἔφη 'καὶ ἡμεῖς τούτων μεθέξομεν· οὐ γὰρ δίκαιον τὰ σὰ λαμβάνειν ἀλλὰ τὰ Δαρείου περιμένειν.'

Τίνες οὖν ἦσαν ‹αἱ› ἐλπίδες, ἐφ' αἷς διέβαινεν εἰς Ἀσίαν Ἀλέξανδρος; οὐ τείχεσι πόλεων μυριάνδρων ἐκμετρουμένη δύναμις οὐδὲ στόλοι δι' ὀρῶν πλέοντες, οὐδὲ μάστιγες οὐδὲ πέδαι, μανικὰ καὶ βάρβαρα κολαστήρια θαλάσσης, ἀλλὰ τὰ μὲν ἐκτὸς ἐν ὀλίγοις ὅπλοις φιλοτιμία πολλὴ καὶ ζῆλος ἡλικίας παραλλήλου καὶ ἅμιλλα περὶ δόξης καὶ ἀρετῆς ἑταίρων· αὐτὸς δ' εἶχεν ἐν ἑαυτῷ [f] τὰς μεγάλας ἐλπίδας, εὐσέβειαν περὶ θεοὺς πίστιν πρὸς φίλους, εὐτέλειαν ἐγκράτειαν εὐποιίαν, ἀφοβίαν πρὸς θάνατον εὐψυχίαν, φιλανθρωπίαν ὁμιλίαν εὐάρμοστον, ἀψευδὲς ἦθος εὐστάθειαν ἐν βουλαῖς τάχος ἐν πράξεσιν, ἔρωτα δόξης προαίρεσιν ἐν τῷ καλῷ τελεσιουργόν. Ὅμηρος μὲν γὰρ οὐ πρεπόντως οὐδὲ πιθανῶς τὸ Ἀγαμέμνονος κάλλος ἐκ τριῶν συνήρμοσεν εἰκόνων ὁμοιώσας, (Hom. B 478)

[343] [a] 'ὄμματα καὶ κεφαλὴν ἴκελος Διὶ τερπικεραύνῳ,

Ἄρεϊ δὲ ζώνην, στέρνον δὲ Ποσειδάωνι.'

τὴν δ' Ἀλεξάνδρου φύσιν, εἴπερ ἐκ πολλῶν συνήρμοσε καὶ συνέθηκεν ἀρετῶν ὁ γεννήσας θεός, ἆρ' οὐκ ἂν εἴποιμεν ἔχειν φρόνημα μὲν τὸ Κύρου, σωφροσύνην δὲ τὴν Ἀγησιλάου, σύνεσιν δὲ τὴν Θεμιστοκλέους, ἐμπειρίαν δὲ τὴν Φιλίππου, τόλμαν δὲ τὴν Βρασίδου, δεινότητα δὲ καὶ πολιτείαν τὴν Περικλέους; τῶν δ' ἔτι παλαιοτέρων σωφρονέστερος μὲν Ἀγαμέμνονος· ὁ μὲν γὰρ προύκρινε τῆς γαμετῆς τὴν αἰχμάλωτον, ὁ δὲ καὶ πρὶν ἢ γῆμαι τῶν [b] ἁλισκομένων ἀπείχετο. μεγαλοψυχότερος δ' Ἀχιλλέως· ὁ μὲν γὰρ χρημάτων ὀλίγων τὸν Ἕκτορος νεκρὸν ἀπελύτρωσεν, ὁ δὲ πολλοῖς χρήμασι Δαρεῖον ἔθαψε· καὶ ὁ μὲν παρὰ τῶν φίλων δῶρα καὶ μισθὸν ἀντὶ τῆς ὀργῆς διαλλαγεὶς ἔλαβεν, ὁ δὲ τοὺς πολεμίους κρατῶν ἐπλούτιζεν. εὐσεβέστερος δὲ Διομήδους· ὁ μὲν γὰρ μάχεσθαι θεοῖς ἦν ἕτοιμος, ὁ δὲ πάντα τοὺς θεοὺς ἐνόμιζε κατορθοῦν. ποθεινότερος δὲ τοῖς προσήκουσιν Ὀδυσσέως· ἐκείνου μὲν γὰρ ἡ τεκοῦσα διὰ λύπην ἀπέθανε, τούτῳ δ' ἡ τοῦ πολεμίου μήτηρ ὑπ' εὐνοίας συναπέθανε.

Τὸ δ' ὅλον, εἰ μὲν καὶ Σόλων διὰ Τύχην ἐπολιτεύσατο [c] καὶ Μιλτιάδης διὰ Τύχην ἐστρατήγησε καὶ Ἀριστείδης ἀπὸ Τύχης ἦν δίκαιος, οὐδὲν ἄρα τῆς Ἀρετῆς ἔργον ἐστίν, ἀλλ' ὄνομα τοῦτο καὶ λόγος ἔχων δόξαν ἄλλως διέξεισι τοῦ βίου, πλαττόμενος ὑπὸ τῶν σοφιστῶν καὶ τῶν νομοθετῶν. εἰ δὲ τούτων καὶ τῶν ὁμοίων ἀνδρῶν ἕκαστος πένης μὲν ἢ πλούσιος ἢ ἀσθενὴς ἢ ἰσχυρὸς ἢ ἄμορφος ἢ καλὸς ἢ εὔγηρως ἢ ὠκύμορος διὰ τύχην γέγονε, μέγαν δὲ στρατηγὸν καὶ μέγαν νομοθέτην καὶ μέγαν ἐν ἀρχαῖς καὶ πολιτείαις ἕκαστος

ἑαυτὸν ἀρετῇ καὶ λόγῳ παρέσχηκε, φέρε θεῷ τὸν Ἀλέξανδρον ἅπασι παραβάλλων. Σόλων χρεῶν ἀποκοπὴν ἐν Ἀθήναις ἐποίησε, [d] σεισάχθειαν προσαγορεύσας· Ἀλέξανδρος δὲ τὰ χρέα τοῖς δανείσασιν ὑπὲρ τῶν ὀφειλόντων αὐτὸς ἐξέτισε. Περικλῆς φορολογήσας τοὺς Ἕλληνας ἐκ τῶν χρημάτων ἐκόσμησεν ἱεροῖς τὴν ἀκρόπολιν· Ἀλέξανδρος δὲ τὰ τῶν Βαρβάρων χρήματα λαβὼν ἔπεμψεν εἰς τὴν Ἑλλάδα, ναοὺς τοῖς θεοῖς ἀπὸ μυρίων ταλάντων οἰκοδομῆσαι κελεύσας. Βρασίδαν ἐν τῇ Ἑλλάδι περιβόητον ἐποίησε τὸ πρὸς Μεθώνῃ διαδραμεῖν τὸ στρατόπεδον τῶν πολεμίων βαλλόμενον παρὰ τὴν θάλασσαν· Ἀλεξάνδρου δ’ ἐν Ὀξυδράκαις τὸ δεινὸν ἐκεῖνο πήδημα καὶ ἄπιστον ἀκούουσι καὶ θεωμένοις φοβερόν, ἐκ τειχῶν ἀφέντος ἑαυτὸν εἰς τοὺς πολεμίους [e] δόρασι καὶ βέλεσι καὶ ξίφεσι γυμνοῖς ἐκδεχομένους, τίνι ἄν τις εἰκάσειεν ἢ πυρὶ κεραυνίῳ ῥαγέντι καὶ φερομένῳ μετὰ πνεύματος, οἷον ἐπὶ γῆν κατέσκηψε ‘φάσμα Φοίβου φλογοειδέσιν ὅπλοις’ περιλαμπόμενον; οἱ δὲ τὸ πρῶτον ἐκπλαγέντες ἅμα φρίκῃ διέτρεσαν καὶ ἀνεχώρησαν, εἶθ’ ὡς ἑώρων ἄνθρωπον ἕνα πολλοῖς ἐπιφερόμενον, ἀντέστησαν. ἐνταῦθ’ ἄρ’ ἡ Τύχη μεγάλα καὶ λαμπρὰ διέφηνεν ἔργα τῆς πρὸς Ἀλέξανδρον εὐμενείας, ὅτ’ αὐτὸν μὲν εἰς χωρίον ἄσημον καὶ βάρβαρον ἐμβαλοῦσα κατέκλεισε καὶ περιετείχισε, τοὺς δ’ ὑπὸ σπουδῆς ἐπιβοηθοῦντας [f] ἔξωθεν καὶ τῶν τειχῶν ἐφιεμένους, κλάσασα καὶ συντρίψασα τὰς κλίμακας, ὑπεσκέλισε καὶ κατεκρήμνισε. τριῶν δ’ οἵπερ ἔφθησαν μόνοι τοῦ τείχους λαβέσθαι καὶ καθέντες ἑαυτοὺς παραστῆναι τῷ βασιλεῖ, τὸν μὲν εὐθὺς ἀνήρπασε καὶ προανεῖλεν, ὁ δὲ τοξεύμασι πολλοῖς διαπεπαρμένος, ὅσον ὁρᾶν καὶ συναισθάνεσθαι μόνον ἀπεῖχε [344] [a] τοῦ τεθνάναι· κεναὶ δ’ ἔξωθεν προσδρομαὶ καὶ ἀλαλαγμοὶ Μακεδόνων, οὐ μηχανῆς τινος οὐκ ὀργάνων παρόντων, ἀλλ’ ὑπὸ σπουδῆς ξίφεσι τυπτόντων τὰ τείχη καὶ χερσὶ γυμναῖς περιρρῆξαι καὶ μονονοὺ διαφαγεῖν βιαζομένων. ὁ δ’ εὐτυχὴς βασιλεὺς καὶ ὑπὸ τῆς Τύχης φυλαττόμενος ἀεὶ καὶ δορυφορούμενος, ὥσπερ θηρίον ἄρκυσιν ἐνσχεθείς, ἔρημος καὶ ἀβοήθητος, οὐχ ὑπὲρ Σούσων οὐδὲ Βαβυλῶνος οὐδὲ ‹τοῦ› Βάκτρα λαβεῖν οὐδὲ τοῦ μεγάλου Πώρου κρατῆσαι (τοῖς γὰρ ἐνδόξοις καὶ μεγάλοις ἀγῶσι, κἂν δυστυχῶνται, τὸ γοῦν αἰσχρὸν οὐ πρόσεστιν)· ἀλλ’ οὕτω δύσερις ἦν καὶ βάσκανος ἡ Τύχη καὶ φιλοβάρβαρος [b] καὶ μισαλέξανδρος, ὥστε μὴ τὸ σῶμα μόνον αὐτοῦ μηδὲ τὸν βίον, ἀλλὰ καὶ τὴν δόξαν ἀνελεῖν ὅσον ἐφ’ ἑαυτῇ καὶ διαφθεῖραι τὴν εὔκλειαν. οὐ γὰρ παρ’ Εὐφράτην Ἀλέξανδρον ἢ Ὑδάσπην πεσόντα κεῖσθαι δεινὸν ἦν, οὐδ’ ἀγεννὲς ἐν χερσὶ Δαρείου γενόμενον καὶ ἵπποις καὶ ξίφεσι καὶ κοπίσι Περσῶν ἀμυνομένων ὑπὲρ τοῦ βασιλέως ἀποθανεῖν· οὐδὲ τῶν Βαβυλῶνος ἐπιβαίνοντα τειχῶν σφαλῆναι καὶ

Λιμναῖοι γὰρ καὶ Πτολεμαῖοι καὶ Λεοννάτοι, καὶ ὅσοι τὸ τεῖχος ὑπερκαταβάντες ἢ ῥήξαντες ἔστησαν πρὸ αὐτοῦ, τεῖχος ἀρετῆς ἦσαν, εὐνοίᾳ καὶ φιλίᾳ τοῦ βασιλέως τὰ σώματα καὶ τὰ πρόσωπα καὶ τὰς ψυχὰς προβαλλόμενοι. οὐ γὰρ διὰ Τύχην ἀγαθῶν βασιλέων ἑταῖροι προαποθνήσκουσιν ἑκουσίως καὶ προκινδυνεύουσιν, ἀλλ’ ἔρωτι τῆς [e] Ἀρετῆς ὥσπερ ὑπὸ φίλτρων μέλιτται τῷ ἄρχοντι προσέχονται καὶ προσπεφύκασι. τίς οὖν οὐκ ἂν εἴποι τότε παρὼν ἀκίνδυνος θεατής, ὅτι Τύχης μέγαν ἀγῶνα κατ’ Ἀρετῆς θεᾶται, καὶ τὸ μὲν βάρβαρον παρ’ ἀξίαν ἐπικρατεῖ διὰ Τύχην, τὸ δ’ Ἑλληνικὸν ἀντέχει παρὰ δύναμιν δι’ Ἀρετήν, κἂν μὲν ἐκεῖνοι περιγένωνται, Τύχης καὶ δαίμονος φθονεροῦ καὶ νεμέσεως ἔσται τὸ ἔργον· ἂν δ’ οὗτοι κρατήσωσιν, Ἀρετὴ καὶ τόλμα καὶ φιλία καὶ πίστις ἐξοίσεται τὸ νικητήριον; ταῦτα γὰρ μόνα παρῆν Ἀλεξάνδρῳ, τῆς δ’ ἄλλης δυνάμεως καὶ παρασκευῆς στόλων καὶ [f] ἵππων καὶ στρατοπέδων μέσον ἔθηκεν ἡ Τύχη τὸ τεῖχος. ἐτρέψαντο μὲν οὖν τοὺς βαρβάρους οἱ Μακεδόνες, καὶ πεσοῦσιν αὐτοῖς ἐπικατέσκαψαν τὴν πόλιν. Ἀλεξάνδρῳ δ’ οὐδὲν ἦν ὄφελος· ‹ἀν›ήρπαστο γὰρ μετὰ τοῦ βέλους, καὶ τὸν κάλαμον ἐν τοῖς σπλάγχνοις εἶχε, καὶ δεσμὸς ἦν αὐτῷ καὶ ἧλος τὸ τόξευμα τοῦ θώρακος πρὸς τὸ σῶμα. καὶ [345] [a] σπάσαι μὲν ὥσπερ ἐκ ῥίζης τοῦ τραύματος βιαζομένοις οὐχ ὑπήκουεν ὁ σίδηρος, ἕδραν ἔχων τὰ πρὸ τῆς καρδίας στερεὰ τοῦ στήθους· ἐκπρῖσαι δὲ τοῦ δόνακος οὐκ ἐθάρρουν τὸ προῦχον, ἀλλ’ ἐφοβοῦντο, μήπως σπαραγμῷ σχιζόμενον τὸ ὀστέον ὑπερβολὰς ἀλγηδόνων παράσχῃ καὶ ῥῆξις αἵματος ἐκ βάθους γένηται. πολλὴν δ’ ἀπορίαν καὶ διατριβὴν ὁρῶν αὐτὸς ἐπεχείρησεν ἐν χρῷ τοῦ σώματος ἀποτέμνειν τῷ

γέγραφε δὲ καὶ τὴν ἐν Μαντινείᾳ πρὸς Ἐπαμεινώνδαν ἱππομαχίαν οὐκ ἀνενθουσιάστως Εὐφράνωρ. τὸ δ' ἔργον ἔσχεν οὕτως· Ἐπαμεινώνδας Θηβαῖος ἀπὸ τῆς ἐν Λεύκτροις μάχης ἀρθεὶς μέγας ἐπεμβῆναι τῇ Σπάρτῃ πεσούσῃ καὶ πατῆσαι τὸ φρόνημα καὶ τὸ ἀξίωμα τῆς πόλεως ἠθέλησε. καὶ πρῶτα μὲν ἐμβαλὼν ἑπτὰ μυριάσι στρατοῦ διεπόρθησε τὴν χώραν καὶ τοὺς περιοίκους ἀπέστησεν αὐτῶν· ἔπειτα περὶ Μαντίνειαν ἀντιτεταγμένους εἰς μάχην [c] προυκαλεῖτο. μὴ βουλομένων δὲ μηδὲ τολμώντων, ἀλλὰ τὴν Ἀθήνηθεν ἐπικουρίαν ἐκδεχομένων, νυκτὸς ἄρας καὶ λαθὼν ἅπαντας εἰς τὴν Λακωνικὴν κατέβη, καὶ μικρὸν ἔφθη τὴν πόλιν ἔρημον ἐξ ἐφόδου λαβεῖν καὶ κατασχεῖν. αἰσθομένων δὲ τῶν συμμάχων καὶ βοηθείας ‹κατὰ› τάχος πρὸς τὴν πόλιν γενομένης, ὑπειξε μὲν ὡς αὖθις ἐπὶ λεηλασίαν καὶ φθορὰν τῆς χώρας τρεψόμενος, ἐξαπατήσας δὲ καὶ κατακοιμίσας οὕτω τοὺς πολεμίους ἀνέζευξε νυκτὸς ἐκ τῆς Λακωνικῆς· καὶ διαδραμὼν [εἰς] τὴν μεταξὺ χώραν ἐπεφαίνετο τοῖς Μαντινεῦσιν ἀπροσδόκητος διαβουλευομένοις [αὐτοῖς] ἀκμὴν τοῦ πέμπειν τὴν εἰς [d] Λακεδαίμονα βοήθειαν καὶ εὐθέως ὁπλίζεσθαι προσέταξε τοῖς Θηβαίοις. οἱ μὲν οὖν Θηβαῖοι μέγα φρονοῦντες ἐν τοῖς ὅπλοις ἐπεφέροντο καὶ περιελάμβανον κύκλῳ τὰ τείχη· τῶν δὲ Μαντινέων ἔκπληξις ἦν καὶ ἀλαλαγμὸς καὶ διαδρομή, ὡς ῥεῦμα τὴν δύναμιν ἀθρόαν ἐμπίπτουσαν ‹ἀπ›ώσασθαι μὴ δυναμένων μηδ' ἐπινοούντων βοήθειαν. ἐν τούτῳ δὲ καιροῦ καὶ τύχης Ἀθηναῖοι κατέβαινον ἀπὸ τῶν ἄκρων εἰς τὴν Μαντινικήν, οὐκ εἰδότες τὴν ῥοπὴν οὐδὲ τὴν ὀξύτητα τοῦ ἀγῶνος, ἀλλ' ὁδῷ πορευόμενοι καθ' ἡσυχίαν· ὡς δέ τις αὐτῶν ἐκδραμὼν ἀπήγγειλε τὸν [e] κίνδυνον, ὀλίγοι μὲν ὄντες ὡς πρὸς τὸ πλῆθος τῶν πολεμίων, ἐξ ὁδοῦ δὲ κεκμηκότες, οὐδενὸς δὲ τῶν ἄλλων συμμάχων παρόντος, ὅμως εὐθὺς εἰς τάξιν καθίσταντο τοῖς πλείστοις. οἱ δ' ἱππεῖς διασκευασάμενοι καὶ προεξελάσαντες ὑπὸ τὰς πύλας αὐτὰς καὶ τὸ τεῖχος ἔθεντο καρτερὰν ἱππομαχίαν· καὶ κρατήσαντες ἐκ τῶν χειρῶν τοῦ Ἐπαμεινώνδα ἀφείλοντο τὴν Μαντίνειαν. τοῦτο τὸ ἔργον Εὐφράνωρ ἔγραψε, καὶ πάρεστιν ὁρᾶν ἐν εἰκόνι τῆς μάχης τὸ σύρρηγμα καὶ τὴν ἀντέρεισιν ἀλκῆς καὶ θυμοῦ καὶ πνεύματος γέμουσαν. ἀλλ' οὐκ ἂν οἶμαι τῷ ζωγράφῳ [f] κρίσιν προθείητε πρὸς τὸν στρατηγὸν οὐδ' ἀνάσχοισθε τῶν προτιμώντων τὸν πίνακα τοῦ τροπαίου καὶ τὸ μίμημα τῆς ἀληθείας.

ΠΕΡΙ ΙΣΙΔΟΣ ΚΑΙ ΟΣΙΡΙΔΟΣ

[351] Πάντα μέν, ὦ Κλέα, δεῖ τἀγαθὰ τοὺς νοῦν ἔχοντας αἰτεῖσθαι παρὰ τῶν θεῶν, μάλιστα δὲ τῆς περὶ αὐτῶν ἐπιστήμης ὅσον ἐφικτόν ἐστιν ἀνθρώποις μετιόντες εὐχόμεθα τυγχάνειν παρ’ αὐτῶν ἐκείνων· ὡς οὐθὲν [d] ἀνθρώπῳ λαβεῖν μεῖζον, οὐ χαρίσασθαι θεῷ σεμνότερον ἀληθείας. τἆλλα μὲν γὰρ ἀνθρώποις ὁ θεὸς ὧν δέονται δίδωσιν, ‹νοῦ δὲ καὶ φρονήσεως μεταδίδωσιν,› οἰκεῖα κεκτημένος ταῦτα καὶ χρώμενος. οὐ γὰρ ἀργύρῳ καὶ χρυσῷ μακάριον τὸ θεῖον οὐδὲ βρονταῖς καὶ κεραυνοῖς ἰσχυρόν, ἀλλ’ ἐπιστήμῃ καὶ φρονήσει, καὶ τοῦτο κάλλιστα πάντων Ὅμηρος ὧν εἴρηκε περὶ θεῶν ἀναφθεγξάμενος (N 354)

‘ἦ μὰν ἀμφοτέροισιν ὁμὸν γένος ἠδ’ ἴα πάτρη,

ἀλλὰ Ζεὺς πρότερος γεγόνει καὶ πλείονα ᾔδει’

σεμνοτέραν ἀπέφηνε τὴν τοῦ Διὸς ἡγεμονίαν ἐπιστήμῃ [e] καὶ σοφίᾳ πρεσβυτέραν οὖσαν. οἶμαι δὲ καὶ τῆς αἰωνίου ζωῆς, ἣν ὁ θεὸς εἴληχεν, εὔδαιμον εἶναι τὸ τῇ γνώσει μὴ προαπολείπειν τὰ γινόμενα· τοῦ δὲ γινώσκειν τὰ ὄντα καὶ φρονεῖν ἀφαιρεθέντος οὐ βίον ἀλλὰ χρόνον εἶναι τὴν ἀθανασίαν. διὸ θειότητος ὄρεξίς ἐστιν ἡ τῆς ἀληθείας μάλιστα δὲ τῆς περὶ θεῶν ἔφεσις, ὥσπερ ἀνάληψιν ἱερῶν τὴν μάθησιν ἔχουσα καὶ τὴν ζήτησιν, ἁγνείας τε πάσης καὶ νεωκορίας ἔργον ὁσιώτερον, οὐχ ἥκιστα δὲ τῇ θεῷ ταύτῃ κεχαρισμένον, ἣν σὺ θεραπεύεις ἐξαιρέτως σοφὴν καὶ φιλόσοφον οὖσαν, ὡς τοὔνομά γε φράζειν ἔοικε παντὸς μᾶλλον αὐτῇ τὸ εἰδέναι καὶ τὴν ἐπιστήμην [f] προσήκουσαν. Ἑλληνικὸν γὰρ ἡ Ἶσίς ἐστι καὶ ὁ Τυφὼν πολέμιος ‹ὢν› τῇ θεῷ καὶ δι’ ἄγνοιαν καὶ ἀπάτην τετυφωμένος καὶ διασπῶν καὶ ἀφανίζων τὸν ἱερὸν λόγον, ὃν ἡ θεὸς συνάγει καὶ συντίθησι καὶ παραδίδωσι τοῖς τελουμένοις ‹διὰ› θειώσεως σώφρονι μὲν ἐνδελεχῶς διαίτῃ καὶ βρωμάτων πολλῶν καὶ ἀφροδισίων ἀποχαῖς κολουούσης [352] [a] τὸ ἀκόλαστον καὶ φιλήδονον, ἀθρύπτους δὲ καὶ στερρὰς ἐν ἱεροῖς λατρείας ἐθιζούσης ὑπομένειν, ὧν τέλος ἐστὶν ἡ τοῦ πρώτου καὶ κυρίου καὶ νοητοῦ γνῶσις[, ὃν ἡ θεὸς παρακαλεῖ ζητεῖν παρ’ αὐτῇ καὶ μετ’ αὐτῆς ὄντα καὶ συνόντα]. τοῦ δ’ ἱεροῦ τοὔνομα καὶ σαφῶς ἐπαγγέλλεται καὶ γνῶσιν καὶ εἴδησιν τοῦ ὄντος· ὀνομάζεται γὰρ Ἰσεῖον ὡς εἰσομένων τὸ ὄν, ἂν μετὰ λόγου καὶ ὁσίως εἰς τὰ ἱερὰ τῆς θεοῦ παρέλθωμεν.

Ἔτι πολλοὶ μὲν Ἑρμοῦ, πολλοὶ δὲ Προμηθέως ἱστορήκασιν αὐτὴν θυγατέρα, [ὧν] τὸν μὲν ἕτερον σοφίας καὶ προνοίας, Ἑρμῆν δὲ γραμματικῆς

αὖον ἀπὸ χλωροῦ τάμνειν αἴθωνι σιδήρῳ'

διδάσκειν ὅτι δεῖ καθαροὺς τῶν τοιούτων γενομένους ἑορτάζειν, οὐκ ἐν αὐταῖς ταῖς ἱερουργίαις χρῆσθαι καθάρσει καὶ ἀφαιρέσει τῶν περιττωμάτων. τὸ δὲ λίνον φύεται μὲν ἐξ ἀθανάτου τῆς γῆς καὶ καρπὸν ἐδώδιμον ἀναδίδωσι, λιτὴν δὲ παρέχει καὶ καθαρὰν ἐσθῆτα καὶ τῷ σκέποντι μὴ βαρύνουσαν, εὐάρμοστον δὲ πρὸς πᾶσαν ὥραν, ἥκιστα δὲ φθειροποιόν, ὡς λέγουσι· περὶ ὧν ἕτερος [f] λόγος. οἱ δ' ἱερεῖς οὕτω δυσχεραίνουσι τὴν τῶν περιττωμάτων φύσιν, ὥστε μὴ μόνον παραιτεῖσθαι τῶν ὀσπρίων τὰ πολλὰ καὶ τῶν κρεῶν τὰ μήλεια καὶ ὕεια πολλὴν ποιοῦντα περίττωσιν, ἀλλὰ καὶ τοὺς ἅλας τῶν σιτίων

ἐν ταῖς ἁγνείαις ἀφαιρεῖν, ἄλλας τε πλείονας αἰτίας ἔχοντας καὶ ‹τὸ› ποτικωτέρους καὶ βρωτικωτέρους ποιεῖν ἐπιθήγοντας τὴν ὄρεξιν. τὸ γάρ, ὡς Ἀρισταγόρας (FHG II 99) ἔλεγε, διὰ τὸ πηγνυμένοις πολλὰ τῶν μικρῶν ζῴων ἐναποθνήσκειν ἁλισκόμενα μὴ καθαροὺς λογίζεσθαι τοὺς [353] [a] ἅλας εὔηθές ἐστι. λέγονται δὲ καὶ τὸν Ἆπιν ἐκ φρέατος ἰδίου ποτίζειν, τοῦ δὲ Νείλου παντάπασιν ἀπείργειν, οὐ μιαρὸν ἡγούμενοι τὸ ὕδωρ διὰ τὸν κροκόδειλον, ὡς ἔνιοι νομίζουσιν (οὐδὲν γὰρ οὕτως τίμιον Αἰγυπτίοις ὡς ὁ Νεῖλος)· ἀλλὰ πιαίνειν δοκεῖ καὶ μάλιστα πολυσαρκίαν ποιεῖν τὸ Νειλῷον ὕδωρ πινόμενον· οὐ βούλονται δὲ τὸν Ἆπιν οὕτως ἔχειν οὐδ᾽ ἑαυτούς, ἀλλ᾽ εὐσταλῆ καὶ κοῦφα ταῖς ψυχαῖς περικεῖσθαι τὰ σώματα καὶ μὴ πιέζειν μηδὲ καταθλίβειν ἰσχύοντι τῷ θνητῷ καὶ βαρύνοντι τὸ θεῖον.

Οἶνον δ᾽ οἱ μὲν ἐν Ἡλίου πόλει θεραπεύοντες τὸν θεὸν οὐκ εἰσφέρουσι τὸ παράπαν εἰς τὸ ἱερόν, ὡς οὐ [b] προσῆκον ὑπηρέτας πίνειν τοῦ κυρίου καὶ βασιλέως ἐφορῶντος· οἱ δ᾽ ἄλλοι χρῶνται μὲν ὀλίγῳ δέ. πολλὰς δ᾽ ἀοίνους ἁγνείας ἔχουσιν, ἐν αἷς φιλοσοφοῦντες καὶ μανθάνοντες καὶ διδάσκοντες τὰ θεῖα διατελοῦσιν. οἱ δὲ βασιλεῖς καὶ μετρητὸν ἔπινον ἐκ τῶν ἱερῶν γραμμάτων, ὡς Ἑκαταῖος (Vors. 60 B 11) ἱστόρηκεν, ἱερεῖς ὄντες· ἤρξαντο δὲ πίνειν ἀπὸ Ψαμμητίχου, πρότερον δ᾽ οὐκ ἔπινον οἶνον οὐδ᾽ ἔσπενδον ὡς φίλιον θεοῖς ἀλλ᾽ ὡς αἷμα τῶν πολεμησάντων ποτὲ τοῖς θεοῖς, ἐξ ὧν οἴονται πεσόντων καὶ τῇ γῇ συμμιγέντων ἀμπέλους γενέσθαι· διὸ καὶ τὸ μεθύειν [c] ἔκφρονας ποιεῖν καὶ παραπλῆγας, ἅτε δὴ τῶν προγόνων τοῦ αἵματος ἐμπιπλαμένους. ταῦτα μὲν οὖν Εὔδοξος ἐν τῇ δευτέρᾳ τῆς περιόδου (fr. 17 Br.) λέγεσθαί φησιν οὕτως ὑπὸ τῶν ἱερέων.

Ἰχθύων δὲ θαλαττίων πάντες μὲν οὐ πάντων ἀλλ᾽ ἐνίων ἀπέχονται, καθάπερ Ὀξυρυγχῖται τῶν ἀπ᾽ ἀγκίστρου· σεβόμενοι γὰρ τὸν ὀξύρυγχον ἰχθὺν δεδίασι μή ποτε τὸ ἄγκιστρον οὐ καθαρόν ἐστιν ὀξυρύγχου περιπεσόντος αὐτῷ· Συηνῖται δὲ φάγρου· δοκεῖ γὰρ ἐπιόντι τῷ Νείλῳ συνεπιφαίνεσθαι καὶ τὴν αὔξησιν ἀσμένοις φράζειν αὐτάγγελος ὁρώμενος. οἱ δ᾽ ἱερεῖς ἀπέχονται [d] πάντων· πρώτου δὲ μηνὸς ἐνάτῃ τῶν ἄλλων Αἰγυπτίων ἑκάστου πρὸ τῆς αὐλείου θύρας ὀπτὸν ἰχθὺν κατεσθίοντος οἱ ἱερεῖς οὐ γεύονται μὲν κατακαίουσι δὲ πρὸ τῶν θυρῶν τοὺς ἰχθῦς δύο λόγους ἔχοντες, ὧν τὸν μὲν ἱερὸν καὶ περιττὸν αὖθις (363d sqq.) ἀναλήψομαι συνᾴδοντα τοῖς περὶ Ὀσίριδος καὶ Τυφῶνος ὁσίως φιλοσοφουμένοις, ὁ δ᾽ ἐμφανὴς καὶ πρόχειρος οὐκ ἀναγκαῖον οὐδ᾽ ἀπερίεργον ὄψον ἀποφαίνων τὸν ἰχθὺν Ὁμήρῳ μαρτυρεῖ μήτε Φαίακας τοὺς ἁβροβίους μήτε τοὺς Ἰθακησίους ἀνθρώπους νησιώτας ἰχθύσι χρωμένους ποιοῦντι μήτε τοὺς Ὀδυσσέως ἑταίρους ἐν πλῷ τοσούτῳ καὶ ἐν θαλάττῃ πρὶν εἰς ἐσχάτην [e] ἐλθεῖν ἀπορίαν

Οὐδὲν γὰρ ἄλογον οὐδὲ μυθῶδες οὐδ' ὑπὸ δεισιδαιμονίας, ὥσπερ ἔνιοι νομίζουσιν, ἐγκατεστοιχειοῦτο ‹ταῖς› ἱερουργίαις, ἀλλὰ τὰ μὲν ἠθικὰς ἔχοντα καὶ χρειώδεις αἰτίας, τὰ δ' οὐκ ἄμοιρα κομψότητος ἱστορικῆς ἢ φυσικῆς ἐστιν, οἷον τὸ περὶ κρομμύου. τὸ γὰρ ἐμπεσεῖν εἰς τὸν ποταμὸν καὶ ἀπολέσθαι τὸν τῆς Ἴσιδος τρόφιμον Δίκτυν ου κρομμύων ἐπιδρασσόμενον ἐσχάτως ἀπίθανον· οἱ δ' ἱερεῖς ἀφοσιοῦνται καὶ δυσχεραίνουσι καὶ τὸ κρόμμυον [f] παραφυλάττοντες, ὅτι τῆς σελήνης φθινούσης μόνον εὐτροφεῖν τοῦτο καὶ τεθηλέναι πέφυκεν. ἔστι δὲ πρόσφορον οὔθ' ἁγνεύουσιν οὔθ' ἑορτάζουσι, τοῖς μὲν ὅτι διψῆν τοῖς δ' ὅτι δακρύειν ποιεῖ τοὺς προσφερομένους. ὁμοίως δὲ καὶ τὴν ὗν ἀνίερον ζῷον ἡγοῦνται· ὡς μάλιστα γὰρ ὀχεύεσθαι δοκεῖ τῆς σελήνης φθινούσης, καὶ τῶν τὸ γάλα πινόντων ἐξανθεῖ τὰ σώματα λέπραν καὶ ψωρικὰς [354] [a] τραχύτητας. τὸν δὲ λόγον, ὃν θύοντες ἅπαξ ὗν ἐν πανσελήνῳ καὶ [κατ]ἐσθίοντες ἐπιλέγουσιν, ὡς ὁ Τυφὼν ὗν διώκων πρὸς τὴν πανσέληνον εὗρε τὴν ξυλίνην σορόν, ἐν ᾗ τὸ σῶμα τοῦ Ὀσίριδος ἔκειτο, καὶ διέρριψεν, οὐ πάντες ἀποδέχονται, παράκουσμα τῶν ‹νεωτέρων› ὥσπερ ἄλλα πολλὰ νομίζοντες.

Ἀλλὰ τρυφήν γε καὶ πολυτέλειαν καὶ ἡδυπάθειαν οὕτω

Ἡ μὲν οὖν εὐλάβεια τῆς περὶ τὰ θεῖα σοφίας Αἰγυπτίων τοσαύτη [ἦν], μαρτυροῦσι δὲ καὶ τῶν Ἑλλήνων οἱ σοφώτατοι, [e] Σόλων Θαλῆς Πλάτων Εὔδοξος Πυθαγόρας, ὡς δ' ἔνιοί φασι, καὶ Λυκοῦργος εἰς Αἴγυπτον ἀφικόμενοι καὶ συγγενόμενοι τοῖς ἱερεῦσιν. Βουσιρῖται δὲ καὶ Λυκοπολῖται σάλπιγξιν οὐ χρῶνται τὸ παράπαν ὡς ὄνῳ φθεγγομέναις ἐμφερές. καὶ ὅλως τὸν ὄνον οὐ καθαρὸν ἀλλὰ δαιμονικὸν ἡγοῦνται ζῷον εἶναι διὰ τὴν πρὸς ἐκεῖνον ὁμοιότητα καὶ πόπανα ποιοῦντες ἐν θυσίαις τοῦ τε Παϋνὶ καὶ τοῦ Φαωφὶ μηνὸς ἐπιπλάττουσι παράσημον [363] [a] ὄνον δεδεμένον. ἐν δὲ τῇ τοῦ Ἡλίου θυσίᾳ τοῖς σεβομένοις τὸν θεὸν παρεγγυῶσι μὴ φορεῖν ἐπὶ τῷ σώματι χρυσία μηδ' ὄνῳ τροφὴν διδόναι. φαίνονται δὲ καὶ οἱ Πυθαγορικοὶ τὸν Τυφῶνα δαιμονικὴν ἡγούμενοι δύναμιν· λέγουσι γὰρ ἐν ἀρτίῳ μέτρῳ †ἕκτῳ καὶ πεντηκοστῷ

γεγονέναι Τυφῶνα· καὶ πάλιν τὴν μὲν τοῦ τριγώνου ‹φύσιν› Ἅιδου καὶ Διονύσου καὶ Ἄρεος εἶναι· τὴν δὲ τοῦ τετραγώνου Ῥέας καὶ Ἀφροδίτης καὶ Δήμητρος καὶ Ἑστίας καὶ Ἥρας· τὴν δὲ τοῦ δωδεκαγώνου Διός· τὴν δὲ ‹τοῦ› ἑκκαιπεντηκονταγωνίου Τυφῶνος, ὡς Εὔδοξος ἱστόρηκεν. Αἰγύπτιοι δὲ πυρρόχρουν γεγονέναι τὸν Τυφῶνα νομίζοντες καὶ τῶν βοῶν τοὺς πυρροὺς [b] καθιερεύουσιν, οὕτως ἀκριβῆ ποιούμενοι τὴν παρατήρησιν, ὥστε, κἂν μίαν ἔχῃ τρίχα μέλαιναν ἢ λευκήν, ἄθυτον ἡγεῖσθαι· θύσιμον γὰρ οὐ φίλον εἶναι θεοῖς, ἀλλὰ τοὐναντίον, ὅσα ψυχαῖς ἀνοσίων ἀνθρώπων καὶ ἀδίκων εἰς ἕτερα μεταμορφουμένων σώματα συνείληχε. διὸ τῇ μὲν κεφαλῇ τοῦ ἱερείου καταρασάμενοι καὶ ἀποκόψαντες εἰς τὸν ποταμὸν ἐρρίπτουν πάλαι, νῦν δὲ τοῖς ξένοις ἀποδίδονται· τὸν δὲ μέλλοντα θύεσθαι βοῦν οἱ σφραγισταὶ λεγόμενοι τῶν ἱερέων κατεσημαίνοντο, τῆς σφραγῖδος, ὡς ἱστορεῖ Κάστωρ (FGrHist. 250 fr. 17), γλυφὴν μὲν ἐχούσης ἄνθρωπον εἰς γόνυ καθεικότα [c] ταῖς χερσὶν ὀπίσω περιηγμέναις, ἔχοντα κατὰ τῆς σφαγῆς ξίφος ἐγκείμενον. ἀπολαύειν δὲ καὶ τὸν ὄνον, ὥσπερ εἴρηται (362f), τῆς ὁμοιότητος διὰ τὴν ἀμαθίαν καὶ τὴν ὕβριν οὐχ ἧττον ἢ διὰ τὴν χρόαν οἴονται· διὸ καὶ τῶν Περσικῶν βασιλέων ἐχθραίνοντες μάλιστα τὸν Ὦχον ὡς ἐναγῆ καὶ μιαρόν, ὄνον ἐπωνόμασαν. κἀκεῖνος εἰπών ‘ὁ μέντοι ὄνος οὗτος ὑμῶν κατευωχήσεται τὸν βοῦν’ ἔθυσε τὸν Ἆπιν, ὡς Δείνων (fr. 30 M.) ἱστόρηκεν. οἱ δὲ λέγοντες ἐκ τῆς μάχης ἐπ’ ὄνου τῷ Τυφῶνι τὴν φυγὴν ἑπτὰ ἡμέρας γενέσθαι καὶ σωθέντα γεννῆσαι [d] παῖδας Ἱεροσόλυμον καὶ Ἰουδαῖον, αὐτόθεν εἰσὶ κατάδηλοι τὰ Ἰουδαϊκὰ παρέλκοντες εἰς τὸν μῦθον.

Ταῦτα μὲν οὖν τοιαύτας ὑπονοίας δίδωσιν· ἀπ’ ἄλλης δ’ ἀρχῆς τῶν φιλοσοφώτερόν τι λέγειν δοκούντων τοὺς ἁπλουστάτους σκεψώμεθα πρῶτον. οὗτοι δ’ εἰσὶν οἱ λέγοντες, ὥσπερ Ἕλληνες Κρόνον ἀλληγοροῦσι τὸν χρόνον, Ἥραν δὲ τὸν ἀέρα, γένεσιν δὲ Ἡφαίστου τὴν εἰς πῦρ ἀέρος μεταβολήν, οὕτω παρ’ Αἰγυπτίοις Νεῖλον εἶναι τὸν Ὄσιριν Ἴσιδι συνόντα τῇ γῇ, Τυφῶνα δὲ τὴν θάλασσαν, εἰς ἣν ὁ Νεῖλος ἐμπίπτων ἀφανίζεται καὶ διασπᾶται, πλὴν ὅσον ἡ γῆ μέρος ἀναλαμβάνουσα καὶ δεχομένη γίγνεται γόνιμος ὑπ’ αὐτοῦ. καὶ θρῆνός ἐστιν [e] ἱερὸς ἐπ’ αὐτοῦ [Κρόνου] γενόμενος, θρηνεῖ δὲ τὸν ἐν τοῖς ἀριστεροῖς γινόμενον μέρεσιν, ἐν δὲ τοῖς δεξιοῖς φθειρόμενον. Αἰγύπτιοι γὰρ οἴονται τὰ μὲν ἑῷα τοῦ κόσμου πρόσωπον εἶναι, τὰ δὲ πρὸς βορρᾶν δεξιά, τὰ δὲ πρὸς νότον ἀριστερά· φερόμενος οὖν ἐκ τῶν νοτίων ὁ Νεῖλος, ἐν δὲ τοῖς βορείοις ὑπὸ τῆς θαλάσσης καταναλισκόμενος εἰκότως λέγεται τὴν μὲν γένεσιν ἐν τοῖς ἀριστεροῖς ἔχειν, τὴν δὲ φθορὰν ἐν τοῖς δεξιοῖς. διὸ τήν τε θάλασσαν οἱ ἱερεῖς ἀφοσιοῦνται καὶ τὸν ἅλα Τυφῶνος ἀφρὸν καλοῦσι, καὶ τῶν ἀπαγορευομένων ἕν ἐστιν αὐτοῖς ἐπὶ τραπέζης ἅλα

μὴ προτίθεσθαι· καὶ κυβερνήτας οὐ [f] προσαγορεύουσιν, ὅτι χρῶνται θαλάττῃ καὶ τὸν βίον ἀπὸ τῆς θαλάττης ἔχουσιν· οὐχ ἥκιστα δὲ καὶ τὸν ἰχθὺν ἀπὸ ταύτης προβάλλονται τῆς αἰτίας καὶ τὸ μισεῖν ἰχθύι γράφουσιν. ἐν Σάι γοῦν ἐν τῷ προπύλῳ τοῦ ἱεροῦ τῆς Ἀθηνᾶς ἦν γεγλυμμένον βρέφος, γέρων καὶ μετὰ τοῦτον ἱέραξ, ἐφεξῆς δ' ἰχθύς, ἐπὶ πᾶσι δ' ἵππος ποτάμιος. ἐδήλου δὲ συμβολικῶς 'ὦ γινόμενοι καὶ ἀπογινόμενοι, ‹θεὸς ἀναίδειαν μισεῖ'. τὸ μὲν γὰρ βρέφος γενέσεως σύμβολον, φθορᾶς› δ' ὁ γέρων· ἱέρακι δὲ τὸν θεὸν φράζουσιν, ἰχθύι δὲ μῖσος, ὥσπερ εἴρηται, [364] [a] διὰ τὴν θάλατταν, ἵππῳ ποταμίῳ δ' ἀναίδειαν· λέγεται γὰρ ἀποκτείνας τὸν πατέρα τῇ μητρὶ βίᾳ μίγνυσθαι. δόξειε δ' ἂν καὶ τὸ ὑπὸ τῶν Πυθαγορικῶν λεγόμενον, ὡς ἡ θάλαττα Κρόνου δάκρυόν ἐστιν, αἰνίττεσθαι τὸ μὴ καθαρὸν μηδὲ σύμφυλον αὐτῆς.

Ταῦτα μὲν οὖν ἔξωθεν εἰρήσθω κοινὴν ἔχοντα τὴν ἱστορίαν· οἱ δὲ σοφώτεροι τῶν ἱερέων οὐ μόνον τὸν Νεῖλον Ὄσιριν καλοῦσιν οὐδὲ Τυφῶνα τὴν θάλασσαν, ἀλλ' Ὄσιριν μὲν ἁπλῆς ἅπασαν τὴν ὑγροποιὸν ἀρχὴν καὶ δύναμιν, αἰτίαν γενέσεως καὶ σπέρματος οὐσίαν νομίζοντες, Τυφῶνα δὲ πᾶν τὸ αὐχμηρὸν καὶ πυρῶδες καὶ ξηραντικὸν ὅλως καὶ πολέμιον τῇ ὑγρότητι· [b] διὸ καὶ πυρρόχρουν γεγονέναι τῷ σώματι καὶ πάρωχρον νομίζοντες οὐ πάνυ προθύμως ἐντυγχάνουσιν οὐδ' ἡδέως ὁμιλοῦσι τοῖς τοιούτοις τὴν ὄψιν ἀνθρώποις. τὸν δ' Ὄσιριν αὖ πάλιν μελάγχρουν γεγονέναι μυθολογοῦσιν, ὅτι πᾶν ὕδωρ καὶ γῆν καὶ ἱμάτια καὶ νέφη μελαίνει μιγνύμενον, καὶ τῶν νέων ὑγρότης ἐνοῦσα παρέχει τὰς τρίχας μελαίνας, ἡ δὲ πολίωσις οἷον ὠχρίασις ὑπὸ ξηρότητος ἐπιγίνεται τοῖς παρακμάζουσι. καὶ τὸ μὲν ἔαρ θαλερὸν καὶ γόνιμον καὶ προσηνές, τὸ δὲ φθινόπωρον ὑγρότητος ἐνδείᾳ καὶ φυτοῖς πολέμιον καὶ ζῴοις νοσῶδες. ὁ δ' ἐν Ἡλίου πόλει τρεφόμενος βοῦς, ὃν [c] Μνεῦιν καλοῦσιν (Ὀσίριδος δ' ἱερόν, ἔνιοι δὲ καὶ τοῦ Ἄπιδος πατέρα νομίζουσι), μέλας ἐστὶ καὶ δευτέρας ἔχει τιμὰς μετὰ τὸν Ἆπιν. ἔτι τὴν Αἴγυπτον ἐν τοῖς μάλιστα μελάγγειον οὖσαν, ὥσπερ τὸ μέλαν τοῦ ὀφθαλμοῦ, Χημίαν καλοῦσι καὶ καρδίᾳ παρεικάζουσι· θερμὴ γάρ ἐστι καὶ ὑγρὰ καὶ τοῖς νοτίοις μέρεσι τῆς οἰκουμένης, ὥσπερ ἡ καρδία τοῖς εὐωνύμοις τοῦ ἀνθρώπου, μάλιστα ἐγκέκλεισται καὶ προσκεχώρηκεν. Ἥλιον δὲ καὶ Σελήνην οὐχ ἅρμασιν ἀλλὰ πλοίοις ὀχήμασι χρωμένους περιπολεῖν φασιν αἰνιττόμενοι τὴν ἀφ' ὑγροῦ τροφὴν αὐτῶν καὶ γένεσιν. οἴονται δὲ καὶ Ὅμηρον ὥσπερ Θαλῆν [d] μαθόντα παρ' Αἰγυπτίων ὕδωρ ἀρχὴν ἁπάντων καὶ γένεσιν τίθεσθαι (Ξ 201)· τὸν γὰρ Ὠκεανὸν Ὄσιριν εἶναι, τὴν δὲ Τηθὺν Ἶσιν ὡς τιθηνουμένην πάντα καὶ συνεκτρέφουσαν. καὶ γὰρ Ἕλληνες τὴν τοῦ σπέρματος πρόεσιν ἀπουσίαν καλοῦσι καὶ συνουσίαν τὴν μῖξιν, καὶ τὸν υἱὸν

ἀπὸ τοῦ ὕδατος καὶ τοῦ ὗσαι, καὶ τὸν Διόνυσον ‘ὕην’ ὡς κύριον τῆς ὑγρᾶς φύσεως οὐχ ἕτερον ὄντα τοῦ Ὀσίριδος· καὶ γὰρ τὸν Ὄσιριν Ἑλλάνικος (FGrHist. 3 fr. 176) Ὕσιριν ἔοικεν ἀκηκοέναι ὑπὸ τῶν ἱερέων λεγόμενον· οὕτω γὰρ ὀνομάζων διατελεῖ τὸν θεόν, εἰκότως ἀπὸ τῆς φύσεως καὶ τῆς εὑρέσεως.

Ὅτι μὲν οὖν ὁ αὐτός ἐστι Διονύσῳ, τίνα μᾶλλον [e] ἢ σὲ γινώσκειν, ὦ Κλέα, δὴ προσῆκόν ἐστιν, ἀρχηίδα μὲν οὖσαν ἐν Δελφοῖς τῶν Θυιάδων, τοῖς δ’ Ὀσιριακοῖς καθωσιωμένην ἱεροῖς ἀπὸ πατρὸς καὶ μητρός; εἰ δὲ τῶν ἄλλων ἕνεκα δεῖ μαρτύρια παραθέσθαι, τὰ μὲν ἀπόρρητα κατὰ χώραν ἐῶμεν, ἃ δ’ ἐμφανῶς δρῶσι θάπτοντες τὸν Ἆπιν οἱ ἱερεῖς, ὅταν παρακομίζωσιν ἐπὶ σχεδίας τὸ σῶμα, βακχείας οὐδὲν ἀποδεῖ· καὶ γὰρ νεβρίδας περικαθάπτονται καὶ θύρσους φοροῦσι καὶ βοαῖς χρῶνται καὶ κινήσεσιν ὥσπερ οἱ κάτοχοι τοῖς περὶ τὸν Διόνυσον ὀργιασμοῖς. διὸ καὶ ταυρόμορφα Διονύσου ποιοῦσιν ἀγάλματα πολλοὶ τῶν Ἑλλήνων· αἱ δ’ Ἠλείων γυναῖκες καὶ παρακαλοῦσιν [f] εὐχόμεναι ‘ποδὶ βοείῳ τὸν θεὸν ἐλθεῖν’ πρὸς αὐτάς. Ἀργείοις δὲ βουγενὴς Διόνυσος ἐπίκλην ἐστίν· ἀνακαλοῦνται δ’ αὐτὸν ὑπὸ σαλπίγγων ἐξ ὕδατος ἐμβάλλοντες εἰς τὴν ἄβυσσον ἄρνα τῷ Πυλαόχῳ· τὰς δὲ σάλπιγγας ἐν θύρσοις ἀποκρύπτουσιν, ὡς Σωκράτης ἐν τοῖς περὶ ὁσίων (fr. 5 M.) εἴρηκεν. ὁμολογεῖ δὲ καὶ τὰ Τιτανικὰ καὶ Νυκτέλια τοῖς λεγομένοις Ὀσίριδος διασπασμοῖς καὶ ταῖς ἀναβιώσεσι καὶ παλιγγενεσίαις· ὁμοίως [365] [a] δὲ καὶ τὰ περὶ τὰς ταφάς. Αἰγύπτιοί τε γὰρ Ὀσίριδος πολλαχοῦ θήκας, ὥσπερ εἴρηται (358a 359a), δεικνύουσι, καὶ Δελφοὶ τὰ τοῦ Διονύσου λείψανα παρ’ αὐτοῖς παρὰ τὸ χρηστήριον ἀποκεῖσθαι νομίζουσι, καὶ θύουσιν οἱ ὅσιοι θυσίαν ἀπόρρητον ἐν τῷ ἱερῷ τοῦ Ἀπόλλωνος, ὅταν αἱ Θυιάδες ἐγείρωσι τὸν Λικνίτην. ὅτι δ’ οὐ μόνον τοῦ οἴνου Διόνυσον, ἀλλὰ καὶ πάσης ὑγρᾶς φύσεως Ἕλληνες ἡγοῦνται κύριον καὶ ἀρχηγόν, ἀρκεῖ Πίνδαρος μάρτυς εἶναι λέγων (fr. 153) ‘δενδρέων δὲ νομὸν Διόνυσος πολυγαθὴς αὐξάνοι, ἁγνὸν φέγγος ὀπώρας·’ διὸ καὶ τοῖς τὸν Ὄσιριν σεβομένοις ἀπαγορεύεται δένδρον ἥμερον ἀπολλύναι καὶ πηγὴν ὕδατος ἐμφράττειν.

[b] Οὐ μόνον δὲ τὸν Νεῖλον, ἀλλὰ πᾶν ὑγρὸν ἁπλῶς Ὀσίριδος ἀπορροὴν καλοῦσι, καὶ τῶν ἱερῶν ἀεὶ προπομπεύει τὸ ὑδρεῖον ἐπὶ τιμῇ τοῦ θεοῦ. καὶ θρύῳ βασιλέα καὶ τὸ νότιον κλίμα τοῦ κόσμου γράφουσι, καὶ μεθερμηνεύεται τὸ θρύον ποτισμὸς καὶ κύησις πάντων καὶ δοκεῖ γεννητικῷ μορίῳ τὴν φύσιν ἐοικέναι. τὴν δὲ τῶν Παμυλίων ἑορτὴν ἄγοντες, ὥσπερ εἴρηται (355e), φαλλικὴν οὖσαν ἄγαλμα προτίθενται καὶ περιφέρουσιν, οὗ τὸ αἰδοῖον τριπλάσιόν ἐστιν· ἀρχὴ γὰρ ὁ θεός, ἀρχὴ δὲ πᾶσα τῷ γονίμῳ πολλαπλασιάζει τὸ ἐξ αὑτῆς. τὸ δὲ πολλάκις εἰώθαμεν καὶ τρὶς λέγειν, ὡς τό

‘τρισμάκαρες’ [c] καὶ (θ 340) ‘δεσμοὶ μὲν τρὶς τόσσοι ἀπείρονες’, εἰ μὴ νὴ Δία κυρίως ἐμφαίνεται τὸ τριπλάσιον ὑπὸ τῶν παλαιῶν· ἡ γὰρ ὑγρὰ φύσις ἀρχὴ καὶ γένεσις οὖσα πάντων ἐξ αὑτῆς τὰ πρῶτα τρία σώματα, γῆν ἀέρα καὶ πῦρ, ἐποίησε. καὶ γὰρ ὁ προστιθέμενος τῷ μύθῳ λόγος, ὡς τοῦ Ὀσίριδος ὁ Τυφὼν τὸ αἰδοῖον ἔρριψεν εἰς τὸν ποταμόν, ἡ δ’ Ἶσις οὐχ εὗρεν, ἀλλ’ ἐμφερὲς ἄγαλμα θεμένη καὶ κατασκευάσασα τιμᾶν καὶ φαλληφορεῖν ἔταξεν, ἐνταῦθα δὴ περιχωρεῖ διδάσκων, ὅτι τὸ γόνιμον καὶ τὸ σπερματικὸν τοῦ θεοῦ πρώτην ἔσχεν ὕλην τὴν ὑγρότητα καὶ δι’ ὑγρότητος [d] ἐνεκράθη τοῖς πεφυκόσι μετέχειν γενέσεως. ἄλλος δὲ λόγος ἐστὶν Αἰγυπτίων, ὡς Ἄποπις Ἡλίου ὢν ἀδελφὸς ἐπολέμει τῷ Διί, τὸν δ’ Ὄσιριν ὁ Ζεὺς συμμαχήσαντα καὶ συγκαταστρεψάμενον αὐτῷ τὸν πολέμιον παῖδα θέμενος Διόνυσον προσηγόρευσε. καὶ τούτου δὲ τοῦ λόγου τὸ μυθῶδες ἔστιν ἀποδεῖξαι τῆς περὶ φύσιν ἀληθείας ἁπτόμενον. Δία μὲν γὰρ Αἰγύπτιοι τὸ πνεῦμα καλοῦσιν, ᾧ πολέμιον τὸ αὐχμηρὸν καὶ πυρῶδες· τοῦτο δ’ ἥλιος μὲν οὐκ ἔστι, πρὸς δ’ ἥλιον ἔχει τινὰ συγγένειαν· ἡ δ’ ὑγρότης σβεννύουσα τὴν ὑπερβολὴν τῆς ξηρότητος αὔξει καὶ ῥώννυσι τὰς ἀναθυμιάσεις, ὑφ’ ὧν τὸ πνεῦμα τρέφεται [e] καὶ τέθηλεν.

Ἔτι τε τὸν κιττὸν [ὃν] Ἕλληνές τε καθιεροῦσι Διονύσῳ καὶ παρ’ Αἰγυπτίοις λέγεται ‘χενόσιρις’ ὀνομάζεσθαι σημαίνοντος τοῦ ὀνόματος, ὥς φασι, φυτὸν Ὀσίριδος. Ἀρίστων τοίνυν ὁ γεγραφὼς Ἀθηναίων ἀποικίας (FHG III 324) ἐπιστολῇ τινι Ἀλεξάρχου περιέπεσεν, ἐν ᾗ Διὸς ἱστορεῖται [δὲ] καὶ Ἴσιδος υἱὸς ὢν ὁ Διόνυσος ὑπ’ Αἰγυπτίων οὐκ Ὄσιρις ἀλλ’ Ἀρσαφὴς [ἐν τῷ ἄλφα γράμματι] λέγεσθαι δηλοῦντος τὸ ἀνδρεῖον τοῦ ὀνόματος. ἐμφαίνει δὲ τοῦτο καὶ ὁ Ἑρμαῖος (FHG IV 427) ἐν τῇ πρώτῃ περὶ τῶν Αἰγυπτίων ‹ἑορτῶν›· ὄβριμον γάρ φησι μεθερμηνευόμενον εἶναι τὸν Ὄσιριν. ἐῶ δὲ [f] Μνασέαν (FHG III 155) τῷ Ἐπάφῳ προστιθέντα τὸν Διόνυσον καὶ τὸν Ὄσιριν καὶ τὸν Σάραπιν, ἐῶ καὶ Ἀντικλείδην (FGrHist. 140 fr. 13) λέγοντα τὴν Ἶσιν Προμηθέως οὖσαν θυγατέρα Διονύσῳ συνοικεῖν· αἱ γὰρ εἰρημέναι περὶ τὰς ἑορτὰς καὶ τὰς θυσίας οἰκειότητες ἐναργεστέραν τῶν μαρτύρων τὴν πίστιν ἔχουσι.

Τῶν τ’ ἄστρων τὸν σείριον Ὀσίριδος νομίζουσιν [366] [a] ὑδραγωγὸν ὄντα καὶ τὸν λέοντα τιμῶσι καὶ χάσμασι λεοντείοις τὰ τῶν ἱερῶν θυρώματα κοσμοῦσιν, ὅτι πλημμυρεῖ Νεῖλος (Ar. Phaen. 151)

‘ἠελίου τὰ πρῶτα συνερχομένοιο λέοντι.’

ὡς δὲ Νεῖλον Ὀσίριδος ἀπορροήν, οὕτως Ἴσιδος σῶμα γῆν λέγουσι καὶ νομίζουσιν οὐ πᾶσαν, ἀλλ’ ἧς ὁ Νεῖλος ἐπιβαίνει σπερμαίνων καὶ μιγνύμενος· ἐκ δὲ τῆς συνουσίας ταύτης γεννῶσι τὸν Ὧρον. ἔστι δ’ Ὧρος ἡ

πάντα σῴζουσα καὶ τρέφουσα τοῦ περιέχοντος ὥρα καὶ κρᾶσις ἀέρος, ὃν ἐν τοῖς ἕλεσι τοῖς περὶ Βοῦτον ὑπὸ Λητοῦς τραφῆναι λέγουσιν· ἡ γὰρ ὑδατώδης καὶ διάβροχος γῆ μάλιστα τὰς σβεννυούσας καὶ χαλώσας τὴν ξηρότητα [b] καὶ τὸν αὐχμὸν ἀναθυμιάσεις τιθηνεῖται. Νέφθυν δὲ καλοῦσι τῆς γῆς τὰ ἔσχατα καὶ παρόρια καὶ ψαύοντα τῆς θαλάττης· διὸ καὶ Τελευτὴν ἐπονομάζουσι τὴν Νέφθυν καὶ Τυφῶνι δὲ συνοικεῖν λέγουσιν. ὅταν δ' ὑπερβαλὼν καὶ πλεονάσας ὁ Νεῖλος ἐπέκεινα πλησιάσῃ τοῖς ἐσχατεύουσι, τοῦτο μῖξιν Ὀσίριδος πρὸς Νέφθυν καλοῦσιν ὑπὸ τῶν ἀναβλαστανόντων φυτῶν ἐλεγχομένην· ὧν καὶ τὸ μελίλωτόν ἐστιν, οὗ φησι μῦθος ἀπορρυέντος καὶ ὑπολειφθέντος αἴσθησιν γενέσθαι Τυφῶνι τῆς περὶ τὸν γάμον ἀδικίας. ὅθεν ἡ μὲν Ἶσις ἔτεκε γνησίως τὸν [c] Ὧρον, ἡ δὲ Νέφθυς σκότιον τὸν Ἄνουβιν. ἐν μέντοι ταῖς διαδοχαῖς τῶν βασιλέων ἀναγράφουσι τὴν Νέφθυν Τυφῶνι γημαμένην πρώτην γενέσθαι στεῖραν· εἰ δὲ τοῦτο μὴ περὶ γυναικὸς ἀλλὰ περὶ τῆς θεοῦ λέγουσιν, αἰνίττονται τὸ παντελῶς τῆς γῆς ἄγονον καὶ ἄκαρπον ὑπὸ στερρότητος.

Ἡ δὲ Τυφῶνος ἐπιβουλὴ καὶ τυραννὶς αὐχμοῦ δύναμις ἦν ἐπικρατήσαντος καὶ διαφορήσαντος τήν τε γεννῶσαν ὑγρότητα τὸν Νεῖλον καὶ αὔξουσαν, ἡ δὲ συνεργὸς αὐτοῦ βασιλὶς Αἰθιόπων αἰνίττεται πνοὰς νοτίους ἐξ Αἰθιοπίας· ὅταν γὰρ αὗται τῶν ἐτησίων ἐπικρατήσωσι τὰ νέφη πρὸς τὴν Αἰθιοπίαν ἐλαυνόντων καὶ [d] κωλύσωσι τοὺς τὸν Νεῖλον αὔξοντας ὄμβρους καταρραγῆναι, κατέχων ὁ Τυφὼν ἐπιφλέγει, καὶ τότε κρατήσας παντάπασι τὸν Νεῖλον εἰς ἑαυτὸν ὑπ' ἀσθενείας συσταλέντα καὶ ῥυέντα κοῖλον καὶ ταπεινὸν ἐξέωσεν εἰς τὴν θάλασσαν. ἡ γὰρ λεγομένη κάθειρξις εἰς τὴν σορὸν Ὀσίριδος οὐδὲν ἔοικεν ἀλλ' ἢ κρύψιν ὕδατος καὶ ἀφανισμὸν αἰνίττεσθαι· διὸ μηνὸς Ἀθὺρ ἀφανισθῆναι τὸν Ὄσιριν λέγουσιν, ὅτε τῶν ἐτησίων ἀπολειπόντων παντάπασιν ὁ μὲν Νεῖλος ὑπονοστεῖ, γυμνοῦται δ' ἡ χώρα, μηκυνομένης δὲ τῆς νυκτὸς αὔξεται τὸ σκότος, ἡ δὲ τοῦ φωτὸς μαραίνεται καὶ κρατεῖται δύναμις, οἱ ‹δ'› ἱερεῖς [e] ἄλλα τε δρῶσι σκυθρωπὰ καὶ βοῦν διάχρυσον ἱματίῳ μέλανι βυσσίνῳ περιβάλλοντες ἐπὶ πένθει τῆς θεοῦ δεικνύουσι (βοῦν γὰρ Ἴσιδος εἰκόνα καὶ γῆς νομίζουσιν) ἐπὶ τέσσαρας ἡμέρας ἀπὸ τῆς ἑβδόμης ἐπὶ δέκα ἑξῆς· καὶ γὰρ τὰ πενθούμενα τέσσαρα, πρῶτον μὲν ὁ Νεῖλος ἀπολείπων καὶ ὑπονοστῶν, δεύτερον δὲ τὰ βόρεια πνεύματα κατασβεννύμενα κομιδῇ τῶν νοτίων ἐπικρατούντων, τρίτον δὲ τὸ τὴν ἡμέραν ἐλάττονα γίνεσθαι τῆς νυκτός, ἐπὶ πᾶσι δ' ἡ τῆς γῆς ἀπογύμνωσις ἅμα τῇ τῶν φυτῶν ψιλότητι τηνικαῦτα φυλλορροούντων. τῇ δ' ἐνάτῃ ἐπὶ [f] δέκα νυκτὸς ἐπὶ θάλασσαν κατίασι, καὶ τὴν ἱερὰν κίστην οἱ στολισταὶ καὶ οἱ ἱερεῖς ἐκφέρουσι χρυσοῦν ἐντὸς ἔχουσαν κιβώτιον, εἰς ὃ ποτίμου λαβόντες

ὕδατος ἐγχέουσι, καὶ γίνεται κραυγὴ τῶν παρόντων ὡς εὑρημένου τοῦ Ὀσίριδος· εἶτα γῆν κάρπιμον φυρῶσι τῷ ὕδατι καὶ συμμίξαντες ἀρώματα καὶ θυμιάματα τῶν πολυτελῶν ἀναπλάττουσι μηνοειδὲς ἀγαλμάτιον καὶ τοῦτο στολίζουσι καὶ κοσμοῦσιν ἐμφαίνοντες ὅτι γῆς οὐσίαν καὶ ὕδατος τοὺς θεοὺς τούτους νομίζουσι.

Τῆς δ’ Ἴσιδος πάλιν ἀναλαμβανούσης τὸν Ὄσιριν [367] [a] καὶ αὐξανούσης τὸν Ὦρον ἀναθυμιάσεσι καὶ ὁμίχλαις καὶ νέφεσι ῥωννύμενον ἐκρατήθη μέν, οὐκ ἀνῃρέθη δ’ ὁ Τυφών· οὐ γὰρ εἴασεν ἡ κυρία τῆς γῆς θεὸς ἀναιρεθῆναι παντάπασι τὴν ἀντικειμένην τῇ ὑγρότητι φύσιν, ἀλλ’ ἐχάλασε καὶ ἀνῆκε βουλομένη διαμένειν τὴν κρᾶσιν· οὐ γὰρ ἦν κόσμον εἶναι τέλειον ἐκλιπόντος καὶ ἀφανισθέντος τοῦ πυρώδους. εἰ δὲ ταῦτα μὴ λέγεται παρὰ τὸ εἰκός, οὐδ’ ἐκεῖνον ἄν τις ἀπορρίψειε τὸν λόγον, ὡς Τυφὼν μὲν ἐκράτει πάλαι τῆς Ὀσίριδος μοίρας· θάλασσα γὰρ ἦν ἡ Αἴγυπτος. διὸ πολλὰ μὲν ἐν τοῖς μετάλλοις καὶ τοῖς ὄρεσιν εὑρίσκεται μέχρι νῦν κογχύλια [ἔχειν]· πᾶσαι δὲ πηγαὶ καὶ φρέατα πάντα πολλῶν ὑπαρχόντων [b] ἁλμυρὸν ὕδωρ καὶ πικρὸν ἔχουσιν, ὡς ἂν ὑπόλειμμα τῆς πάλαι θαλάσσης ἕωλον ἐνταυθοῖ συνερρυηκός. ὁ δ’ Ὦρος χρόνῳ τοῦ Τυφῶνος ἐπεκράτησε, τουτέστιν εὐκαιρίας ὀμβρίων γενομένης ὁ Νεῖλος ἐξώσας τὴν θάλασσαν ἀνέφηνε τὸ πεδίον καὶ ἀνεπλήρωσε ταῖς προσχώσεσιν. ὃ δὴ μαρτυροῦσαν ἔχει τὴν αἴσθησιν· ὁρῶμεν γὰρ ἔτι νῦν ἐπιφέροντι τῷ ποταμῷ νέαν ἰλὺν καὶ προάγοντι τὴν γῆν κατὰ μικρὸν ὑποχωροῦν ὀπίσω τὸ πέλαγος καὶ τὴν θάλασσαν [τὸ] ὕψος τῶν ἐν βάθει λαμβανόντων διὰ τὰς προσχώσεις ἀπορρέουσαν· τὴν δὲ Φάρον, ἣν Ὅμηρος (δ 354 sqq.) ᾔδει δρόμον ἡμέρας ἀπέχουσαν Αἰγύπτου, [c] νῦν μέρος οὖσαν αὐτῆς, οὐκ αὐτὴν ἀναδραμοῦσαν οὐδὲ προσαναβᾶσαν, ἀλλὰ τῆς μεταξὺ θαλάττης ἀναπλάττοντι τῷ ποταμῷ καὶ τρέφοντι τὴν ἤπειρον ἀνασταλείσης.

Ἀλλὰ ταῦτα μὲν ὅμοια τοῖς ὑπὸ τῶν Στωικῶν (StVFr. II 1093) θεολογουμένοις ἐστί· καὶ γὰρ ἐκεῖνοι τὸ μὲν γόνιμον πνεῦμα καὶ τρόφιμον Διόνυσον εἶναι λέγουσι, τὸ πληκτικὸν δὲ καὶ διαιρετικὸν Ἡρακλέα, τὸ δὲ δεκτικὸν Ἄμμωνα, Δήμητρα δὲ καὶ Κόρην τὸ διὰ τῆς γῆς καὶ τῶν καρπῶν διῆκον, Ποσειδῶνα δὲ τὸ διὰ τῆς θαλάττης. οἱ δὲ τοῖσδε τοῖς φυσικοῖς καὶ τῶν ἀπ’ ἀστρολογίας μαθηματικῶν ἔνια μιγνύντες Τυφῶνα μὲν οἴονται [d] τὸν ἡλιακὸν κόσμον, Ὄσιριν δὲ τὸν σεληνιακὸν λέγεσθαι· τὴν μὲν γὰρ σελήνην γόνιμον τὸ φῶς καὶ ὑγροποιὸν ἔχουσαν εὐμενῆ καὶ γοναῖς ζῴων καὶ φυτῶν εἶναι βλαστήσεσι· τὸν δ’ ἥλιον ἀκράτῳ πυρὶ καὶ σκληρῷ καταθάλπειν [τε] καὶ καταυαίνειν τὰ φυόμενα καὶ τεθηλότα καὶ τὸ πολὺ μέρος τῆς γῆς παντάπασιν ὑπὸ φλογμοῦ ποιεῖν ἀοίκητον καὶ κατακρατεῖν πολλαχοῦ καὶ τῆς

σελήνης. διὸ τὸν Τυφῶνα Σὴθ [ἀεὶ] Αἰγύπτιοι καλοῦσιν, ὅπερ ἐστὶ καταδυναστεῦον ἢ καταβιαζόμενον, καὶ τῷ μὲν ἡλίῳ τὸν Ἡρακλέα μυθολογοῦσιν ἐνιδρυμένον συμπεριπολεῖν, τῇ δὲ σελήνῃ τὸν Ἑρμῆν· λόγου γὰρ ἔργοις ἔοικε καὶ [e] [περὶ] σοφίας τὰ τῆς σελήνης, τὰ δ' ἡλίου πληγαῖς ὑπὸ βίας καὶ ῥώμης περαινομέναις. οἱ δὲ Στωικοὶ (StVFr. II 663) τὸν μὲν ἥλιον ἐκ θαλάττης ἀνάπτεσθαι καὶ τρέφεσθαί φασι, τῇ δὲ σελήνῃ τὰ κρηναῖα καὶ λιμναῖα νάματα γλυκεῖαν ἀναπέμπειν καὶ μαλακὴν ἀναθυμίασιν.

Ἑβδόμῃ ἐπὶ δέκα τὴν Ὀσίριδος γενέσθαι τελευτὴν Αἰγύπτιοι μυθολογοῦσιν, ἐν ᾗ μάλιστα γίνεται μειουμένη κατάδηλος ἡ πανσέληνος. διὸ καὶ τὴν ἡμέραν ταύτην ἀντίφραξιν οἱ Πυθαγόρειοι καλοῦσι, καὶ ὅλως τὸν ἀριθμὸν τοῦτον ἀφοσιοῦνται· τοῦ γὰρ ἑξκαίδεκα τετραγώνου καὶ τοῦ ὀκτωκαίδεκα ἑτερομήκους, οἷς μόνοις [f] ἀριθμῶν ἐπιπέδων συμβέβηκε τὰς περιμέτρους ἴσας ἔχειν τοῖς περιεχομένοις ὑπ' αὐτῶν χωρίοις, μέσος ὁ τῶν ἑπτακαίδεκα παρεμπίπτων ἀντιφράττει καὶ διαζεύγνυσιν ἀπ' ἀλλήλων καὶ διαιρεῖ, ‹κατὰ› τὸν ἐπόγδοον λόγον εἰς ἄνισα διαστήματα τεμνόμενος. ἐτῶν δ' ἀριθμὸν οἱ μὲν βιῶσαι τὸν Ὄσιριν οἱ δὲ βασιλεῦσαι λέγουσιν ὀκτὼ καὶ [368] [a] εἴκοσι· τοσαῦτα γὰρ ἔστι φῶτα τῆς σελήνης καὶ τοσαύταις ἡμέραις τὸν αὑτῆς κύκλον ἐξελίσσει. τὸ δὲ ξύλον ἐν ταῖς λεγομέναις Ὀσίριδος ταφαῖς τέμνοντες κατασκευάζουσι λάρνακα μηνοειδῆ διὰ τὸ τὴν σελήνην, ὅταν τῷ ἡλίῳ πλησιάζῃ, μηνοειδῆ γινομένην ἀποκρύπτεσθαι. τὸν δ' εἰς δεκατέσσαρα μέρη τοῦ Ὀσίριδος διασπασμὸν αἰνίττονται πρὸς τὰς ἡμέρας, ἐν αἷς φθίνει μετὰ πανσέληνον ἄχρι νουμηνίας τὸ ἄστρον. ἡμέραν δέ, ἐν ᾗ φαίνεται πρῶτον ἐκφυγοῦσα τὰς αὐγὰς καὶ παρελθοῦσα τὸν ἥλιον, 'ἀτελὲς ἀγαθόν' προσαγορεύουσιν· ὁ γὰρ Ὄσιρις ἀγαθοποιός, [b] καὶ τοὔνομα πολλὰ φράζειν, οὐχ ἥκιστα δὲ κράτος ἐνεργοῦν καὶ ἀγαθοποιὸν [ὃ] λέγουσι. τὸ δ' ἕτερον ὄνομα τοῦ θεοῦ τὸν Ὄμφιν εὐεργέτην ὁ Ἑρμαῖός (FHG IV 427) φησι δηλοῦν ἑρμηνευόμενον.

Οἴονται δὲ πρὸς τὰ φῶτα τῆς σελήνης ἔχειν τινὰ λόγον τοῦ Νείλου τὰς ἀναβάσεις. ἡ μὲν γὰρ μεγίστη περὶ τὴν Ἐλεφαντίνην ὀκτὼ γίνεται καὶ εἴκοσι πήχεων, ὅσα φῶτα καὶ μέτρα τῶν ἐμμήνων περιόδων ἑκάστης ἔστιν· ἡ δὲ περὶ Μένδητα καὶ Ξόιν βραχυτάτη πήχεων ἓξ πρὸς τὴν διχότομον· ἡ δὲ μέση περὶ Μέμφιν, ὅταν ᾖ δικαία, δεκατεσσάρων πήχεων πρὸς τὴν πανσέληνον. τὸν [c] δ' Ἆπιν εἰκόνα μὲν Ὀσίριδος ἔμψυχον εἶναι, γίνεσθαι δέ, ὅταν φῶς ἐρείσῃ γόνιμον ἀπὸ τῆς σελήνης καὶ καθάψηται βοὸς ὀργώσης. διὸ καὶ τοῖς τῆς σελήνης σχήμασιν ἔοικε πολλὰ τοῦ Ἄπιδος περιμελαινομένου τὰ λαμπρὰ τοῖς σκιεροῖς. ἔτι ‹δὲ› τῇ νουμηνίᾳ τοῦ Φαμενὼθ μηνὸς ἑορτὴν ἄγουσιν ἔμβασιν Ὀσίριδος εἰς τὴν σελήνην ὀνομάζοντες, ἔαρος ἀρχὴν οὖσαν. οὕτω

τὴν Ὀσίριδος δύναμιν ἐν τῇ σελήνῃ τιθέντες τὴν Ἶσιν αὐτῷ γένεσιν οὖσαν συνεῖναι λέγουσι. διὸ καὶ μητέρα τὴν σελήνην τοῦ κόσμου καλοῦσι καὶ φύσιν ἔχειν ἀρσενόθηλυν οἴονται πληρουμένην [d] ὑφ' ἡλίου καὶ κυισκομένην, αὐτὴν δὲ πάλιν εἰς τὸν ἀέρα προϊεμένην γεννητικὰς ἀρχὰς καὶ κατασπείρουσαν· οὐ γὰρ ἀεὶ τὴν φθορὰν ἐπικρατεῖν τὴν Τυφώνειον, πολλάκις δὲ κρατουμένην ὑπὸ τῆς γενέσεως καὶ συνδεομένην αὖθις ἀναλύεσθαι καὶ διαμάχεσθαι πρὸς τὸν Ὦρον. ἔστι δ' οὗτος ὁ περίγειος κόσμος οὔτε φθορᾶς ἀπαλλαττόμενος παντάπασιν οὔτε γενέσεως.

Ἔνιοι δὲ καὶ τῶν ἐκλειπτικῶν αἴνιγμα ποιοῦνται τὸν μῦθον· ἐκλείπει μὲν γὰρ ἡ σελήνη πανσέληνος ἐναντίαν τοῦ ἡλίου στάσιν ἔχοντος πρὸς αὐτὴν εἰς τὴν σκιὰν ἐμπίπτουσα τῆς γῆς, ὥσπερ φασὶ τὸν Ὄσιριν εἰς τὴν σορόν. αὐτὴ δὲ πάλιν ἀποκρύπτει καὶ ἀφανίζει ταῖς [e] τριακάσιν, οὐ μὴν ἀναιρεῖ[ται] παντάπασι τὸν ἥλιον, ὥσπερ οὐδὲ τὸν Τυφῶνα ἡ Ἶσις.

γεννώσης τῆς Νέφθυος τὸν Ἄνουβιν Ἶσις ὑποβάλλεται· Νέφθυς γάρ ἐστι τὸ ὑπὸ γῆν καὶ ἀφανές, Ἶσις δὲ τὸ ὑπὲρ τὴν γῆν καὶ φανερόν, ὁ δὲ τούτων ὑποψαύων καὶ καλούμενος ὁρίζων κύκλος ἐπίκοινος ὢν ἀμφοῖν Ἄνουβις κέκληται καὶ κυνὶ τὸ εἶδος ἀπεικάζεται· καὶ γὰρ ὁ κύων χρῆται τῇ ὄψει νυκτός τε καὶ ἡμέρας ὁμοίως. καὶ τοιαύτην ἔχειν δοκεῖ παρ' Αἰγυπτίοις τὴν δύναμιν ὁ Ἄνουβις, οἵαν ἡ Ἑκάτη παρ' Ἕλλησι, χθόνιος ὢν ὁμοῦ καὶ Ὀλύμπιος. ἐνίοις δὲ δοκεῖ Κρόνος ὁ Ἄνουβις εἶναι· διὸ [f] πάντα τίκτων ἐξ ἑαυτοῦ καὶ κύων ἐν ἑαυτῷ τὴν τοῦ κυνὸς ἐπίκλησιν ἔσχεν. ἔστι δ' οὖν τοῖς σεβομένοις τὸν Ἄνουβιν ἀπόρρητόν τι, καὶ πάλαι μὲν τὰς μεγίστας ἐν Αἰγύπτῳ τιμὰς ὁ κύων ἔσχεν· ἐπεὶ δὲ Καμβύσου τὸν Ἆπιν ἀνελόντος καὶ ῥίψαντος οὐδὲν προσῆλθεν οὐδ' ἐγεύσατο τοῦ σώματος ἀλλ' ἢ μόνος ὁ κύων, ἀπώλεσε τὸ πρῶτος εἶναι καὶ μάλιστα τιμᾶσθαι τῶν ἑτέρων ζῴων.

Εἰσὶ δέ τινες οἱ τὸ σκίασμα τῆς γῆς, εἰς ὃ τὴν σελήνην ὀλισθάνουσαν ἐκλείπειν νομίζουσι, Τυφῶνα καλοῦντες· [369] [a] ὅθεν οὐκ ἀπέοικεν εἰπεῖν, ὡς ἰδίᾳ μὲν οὐκ ὀρθῶς ἕκαστος, ὁμοῦ δὲ πάντες ὀρθῶς λέγουσιν· οὐ γὰρ αὐχμὸν ‹μόνον› οὐδ' ἄνεμον οὐδὲ θάλατταν οὐδὲ σκότος, ἀλλὰ πᾶν ὅσον ἡ φύσις βλαβερὸν καὶ φθαρτικὸν ἔχει, μόριον τοῦ Τυφῶνος ἔστιν ‹εἰπεῖν›. οὔτε γὰρ ἐν ἀψύχοις σώμασι τὰς τοῦ παντὸς ἀρχὰς θετέον, ὡς Δημόκριτος καὶ Ἐπίκουρος, οὔτ' ἀποίου δημιουργὸν ὕλης ἕνα λόγον καὶ μίαν πρόνοιαν, ὡς οἱ Στωικοί (StVFr. II 1108), περιγινομένην ἁπάντων καὶ κρατοῦσαν· ἀδύνατον γὰρ ἢ φλαῦρον ὁτιοῦν, ὅπου πάντων, ἢ χρηστόν, ὅπου μηδενὸς ὁ θεὸς αἴτιος, [b] ἐγγενέσθαι. 'παλίντονος' γὰρ 'ἁρμονίη κόσμου, ὅκωσπερ λύρης καὶ τόξου' καθ' Ἡράκλειτον (B 51)· καὶ κατ' Εὐριπίδην (fr. 21)

'οὐκ ἂν γένοιτο χωρὶς ἐσθλὰ καὶ κακά,

ἀλλ’ ἔστι τις σύγκρασις ὥστ’ ἔχειν καλῶς.’

διὸ καὶ παμπάλαιος αὕτη κάτεισιν ἐκ θεολόγων καὶ νομοθετῶν εἴς τε ποιητὰς καὶ φιλοσόφους δόξα, τὴν ἀρχὴν ἀδέσποτον ἔχουσα, τὴν δὲ πίστιν ἰσχυρὰν καὶ δυσεξάλειπτον, οὐκ ἐν λόγοις μόνον οὐδ’ ἐν φήμαις, ἀλλ’ ἔν τε τελεταῖς ἔν τε θυσίαις καὶ βαρβάροις καὶ Ἕλλησι πολλαχοῦ περιφερομένη, ὡς οὔτ’ ἄνουν καὶ ἄλογον καὶ [c] ἀκυβέρνητον αἰωρεῖται τῷ αὐτομάτῳ τὸ πᾶν, οὔθ’ εἷς ἐστιν ὁ κρατῶν καὶ κατευθύνων ὥσπερ οἴαξιν ἤ τισι πειθηνίοις χαλινοῖς λόγος, ἀλλὰ πολλὰ καὶ μεμιγμένα κακοῖς καὶ ἀγαθοῖς μᾶλλον δὲ μηδὲν ὡς ἁπλῶς εἰπεῖν ἄκρατον ἐνταῦθα τῆς φύσεως φερούσης οὐ δυεῖν πίθων εἷς ταμίας ὥσπερ νάματα τὰ πράγματα καπηλικῶς διανέμων ἀνακεράννυσιν ἡμῖν, ἀλλ’ ἀπὸ δυεῖν ἐναντίων ἀρχῶν καὶ δυεῖν ἀντιπάλων δυνάμεων, τῆς μὲν ἐπὶ τὰ δεξιὰ καὶ κατ’ εὐθεῖαν ὑφηγουμένης, τῆς δ’ ἔμπαλιν ἀναστρεφούσης καὶ ἀνακλώσης ὅ τε βίος μικτὸς ὅ τε κόσμος, εἰ καὶ μὴ πᾶς, ἀλλ’ ὁ περίγειος οὗτος καὶ [d] μετὰ σελήνην ἀνώμαλος καὶ ποικίλος γέγονε καὶ μεταβολὰς πάσας δεχόμενος. εἰ γὰρ οὐδὲν ἀναιτίως πέφυκε γίνεσθαι, αἰτίαν δὲ κακοῦ τἀγαθὸν οὐκ ἂν παράσχοι, δεῖ γένεσιν ἰδίαν καὶ ἀρχὴν ὥσπερ ἀγαθοῦ καὶ κακοῦ τὴν φύσιν ἔχειν.

Καὶ δοκεῖ τοῦτο τοῖς πλείστοις καὶ σοφωτάτοις· νομίζουσι γὰρ οἱ μὲν θεοὺς εἶναι δύο καθάπερ ἀντιτέχνους, τὸν μὲν ἀγαθῶν, τὸν δὲ φαύλων δημιουργόν· οἱ δὲ τὸν μὲν [γὰρ] ἀμείνονα θεόν, τὸν δ’ ἕτερον δαίμονα καλοῦσιν, ὥσπερ Ζωροάστρης ὁ μάγος, ὃν πεντακισχιλίοις ἔτεσι τῶν Τρωικῶν γεγονέναι πρεσβύτερον ἱστοροῦσιν.

[e] οὗτος οὖν ἐκάλει τὸν μὲν Ὡρομάζην, τὸν δ’ Ἀρειμάνιον· καὶ προσαπεφαίνετο τὸν μὲν ἐοικέναι φωτὶ μάλιστα τῶν αἰσθητῶν, τὸν δ’ ἔμπαλιν σκότῳ καὶ ἀγνοίᾳ, μέσον δ’ ἀμφοῖν τὸν Μίθρην εἶναι· διὸ καὶ Μίθρην Πέρσαι τὸν μεσίτην ὀνομάζουσιν· ἐδίδαξε ‹δὲ› τῷ μὲν εὐκταῖα θύειν καὶ χαριστήρια, τῷ δ’ ἀποτρόπαια καὶ σκυθρωπά. πόαν γάρ τινα κόπτοντες ὄμωμι καλουμένην ἐν ὅλμῳ τὸν Ἅιδην ἀνακαλοῦνται καὶ τὸν σκότον, εἶτα μίξαντες αἵματι λύκου σφαγέντος εἰς τόπον ἀνήλιον ἐκφέρουσι καὶ ῥίπτουσι. καὶ γὰρ τῶν φυτῶν νομίζουσι τὰ μὲν τοῦ ἀγαθοῦ θεοῦ, τὰ δὲ τοῦ κακοῦ δαίμονος εἶναι, καὶ τῶν [f] ζῴων ὥσπερ κύνας καὶ ὄρνιθας καὶ χερσαίους ἐχίνους τοῦ ἀγαθοῦ, τοῦ [δὲ] φαύλου μῦς ἐνύδρους εἶναι· διὸ καὶ τὸν κτείναντα πλείστους εὐδαιμονίζουσιν. οὐ μὴν ‹ἀλλὰ› κἀκεῖνοι πολλὰ μυθώδη περὶ τῶν θεῶν λέγουσιν, οἷα καὶ ταῦτ’ ἐστίν. ὁ μὲν Ὡρομάζης ἐκ τοῦ καθαρωτάτου φάους ὁ δ’ Ἀρειμάνιος ἐκ τοῦ ζόφου γεγονὼς πολεμοῦσιν [370] [a] ἀλλήλοις· καὶ ὁ μὲν ἓξ θεοὺς ἐποίησε, τὸν μὲν πρῶτον εὐνοίας, τὸν δὲ δεύτερον ἀληθείας, τὸν δὲ τρίτον εὐνομίας, τῶν δὲ λοιπῶν τὸν μὲν σοφίας,

τὸν δὲ πλούτου, τὸν δὲ τῶν ἐπὶ τοῖς καλοῖς ἡδέων δημιουργόν· ὁ δὲ τούτοις ὥσπερ ἀντιτέχνους ἴσους τὸν ἀριθμόν. εἶθ' ὁ μὲν Ὡρομάζης τρὶς ἑαυτὸν αὐξήσας ἀπέστη τοῦ ἡλίου τοσοῦτον, ὅσον ὁ ἥλιος τῆς γῆς ἀφέστηκε, καὶ τὸν οὐρανὸν ἄστροις ἐκόσμησεν· ἕνα δ' ἀστέρα πρὸ πάντων οἷον φύλακα καὶ προόπτην ἐγκατέστησε τὸν σείριον. ἄλλους δὲ ποιήσας τέσσαρας καὶ εἴκοσι θεοὺς εἰς ᾠὸν ἔθηκεν. οἱ δ' ἀπὸ τοῦ Ἀρειμανίου γενόμενοι καὶ αὐτοὶ τοσοῦτοι [b] διατρήσαντες τὸ ᾠὸν γαν, ὅθεν ἀναμέμικται τὰ κακὰ τοῖς ἀγαθοῖς. ἔπεισι δὲ χρόνος εἱμαρμένος, ἐν ᾧ τὸν Ἀρειμάνιον λοιμὸν ἐπάγοντα καὶ λιμὸν ὑπὸ τούτων ἀνάγκη φθαρῆναι παντάπασι καὶ ἀφανισθῆναι, τῆς δὲ γῆς ἐπιπέδου καὶ ὁμαλῆς γενομένης ἕνα βίον καὶ μίαν πολιτείαν ἀνθρώπων μακαρίων καὶ ὁμογλώσσων ἁπάντων γενέσθαι. Θεόπομπος δέ φησι (fr. 65 FGrHist.) κατὰ τοὺς μάγους ἀνὰ μέρος τρισχίλια ἔτη τὸν μὲν κρατεῖν τὸν δὲ κρατεῖσθαι τῶν θεῶν, ἄλλα δὲ τρισχίλια μάχεσθαι καὶ πολεμεῖν καὶ ἀναλύειν τὰ τοῦ ἑτέρου τὸν ἕτερον, τέλος δ' ἀπολείπεσθαι τὸν Ἅιδην· καὶ τοὺς μὲν ἀνθρώπους [c] εὐδαίμονας ἔσεσθαι μήτε τροφῆς δεομένους μήτε σκιὰν ποιοῦντας, τὸν δὲ ταῦτα μηχανησάμενον θεὸν ἠρεμεῖν καὶ ἀναπαύεσθαι χρόνον [καλῶς] μὲν οὐ πολύν [τῷ θεῷ], ὥσπερ ἀνθρώπῳ κοιμωμένῳ μέτριον.

Ἡ μὲν οὖν μάγων μυθολογία τοιοῦτον ἔχει τρόπον· Χαλδαῖοι δὲ τῶν πλανήτων, οὓς θεοὺς γενεθλίους καλοῦσι, δύο μὲν ἀγαθουργούς, δύο δὲ κακοποιούς, μέσους δὲ τοὺς τρεῖς ἀποφαίνουσι καὶ κοινούς. τὰ δ' Ἑλλήνων πᾶσί που δῆλα, τὴν μὲν ἀγαθὴν Διὸς Ὀλυμπίου μερίδα, τὴν δ' ἀποτρόπαιον Ἅιδου ποιουμένων, ἐκ δ' Ἀφροδίτης καὶ Ἄρεος Ἁρμονίαν γεγονέναι μυθολογούντων, [d] ὧν ὁ μὲν ἀπηνὴς καὶ φιλόνεικος, ἡ δὲ μειλίχιος καὶ γενέθλιος. σκόπει δὲ τοὺς φιλοσόφους τούτοις συμφερομένους. Ἡράκλειτος μὲν γὰρ ἄντικρυς (B 53) 'πόλεμον' ὀνομάζει 'πατέρα καὶ βασιλέα καὶ κύριον πάντων', καὶ τὸν μὲν Ὅμηρον εὐχόμενον (Σ 107) 'ἔκ τε θεῶν ἔριν ἔκ τ' ἀνθρώπων ἀπολέσθαι' 'λανθάνειν' φησί (B 94) 'τῇ πάντων γενέσει καταρώμενον ἐκ μάχης καὶ ἀντιπαθείας τὴν γένεσιν ἐχόντων, ἥλιον δὲ μὴ ὑπερβήσεσθαι τοὺς προσήκοντας ὅρους· εἰ δὲ μή, Κλῶθάς μιν Δίκης ἐπικούρους ἐξευρήσειν'. Ἐμπεδοκλῆς δὲ (B 18) τὴν μὲν ἀγαθουργὸν ἀρχήν 'Φιλότητα' καὶ 'Φιλίαν' πολλάκις, ‹ἔτι› δ' 'Ἁρμονίαν' καλεῖ 'θεμερῶπιν', τὴν δὲ χείρονα (B 17 [e] v. 19) 'Νεῖκος οὐλόμενον' καὶ (B 122 v. 2) 'Δῆριν αἱματόεσσαν'. ‹καὶ› οἱ μὲν Πυθαγορικοὶ διὰ πλειόνων ὀνομάτων κατηγοροῦσι τοῦ μὲν ἀγαθοῦ τὸ ἓν τὸ πεπερασμένον τὸ μένον τὸ εὐθὺ τὸ περισσὸν τὸ τετράγωνον ‹τὸ ἴσον› τὸ δεξιὸν τὸ λαμπρόν, τοῦ δὲ κακοῦ τὴν δυάδα τὸ ἄπειρον τὸ φερόμενον τὸ καμπύλον τὸ ἄρτιον τὸ ἑτερόμηκες τὸ ἄνισον τὸ ἀριστερὸν τὸ σκοτεινόν, ὡς ταύτας ἀρχὰς γενέσεως ὑποκειμένας·

Ἀναξαγόρας δὲ νοῦν καὶ ἄπειρον, Ἀριστοτέλης δὲ τὸ μὲν εἶδος τὸ δὲ στέρησιν, Πλάτων δὲ πολλαχοῦ μὲν οἷον ἐπηλυγαζόμενος καὶ παρακαλυπτόμενος τῶν ἐναντίων ἀρχῶν τὴν μὲν ταὐτὸν ὀνομάζει, τὴν δὲ θάτερον (Tim. 35a)· ἐν δὲ [f] τοῖς Νόμοις (896d sqq.) ἤδη πρεσβύτερος ὢν οὐ δι' αἰνιγμῶν οὐδὲ συμβολικῶς, ἀλλὰ κυρίοις ὀνόμασιν οὐ μιᾷ ψυχῇ φησι κινεῖσθαι τὸν κόσμον, ἀλλὰ πλείοσιν ἴσως δυεῖν δὲ πάντως οὐκ ἐλάττοσιν· ὧν τὴν μὲν ἀγαθουργὸν εἶναι, τὴν δ' ἐναντίαν ταύτῃ καὶ τῶν ἐναντίων δημιουργόν· ἀπολείπει δὲ καὶ τρίτην τινὰ μεταξὺ φύσιν οὐκ ἄψυχον οὐδ' ἄλογον οὐδ' ἀκίνητον ἐξ αὑτῆς, ὥσπερ ἔνιοι νομίζουσιν, ἀλλ' ἀνακειμένην ἀμφοῖν ἐκείναις, [371] [a] ἐφιεμένην δὲ τῆς ἀμείνονος ἀεὶ καὶ ποθοῦσαν καὶ διώκουσαν, ὡς τὰ ἐπιόντα δηλώσει τοῦ λόγου τὴν Αἰγυπτίων θεολογίαν μάλιστα ταύτῃ τῇ φιλοσοφίᾳ συνοικειοῦντος.

Μεμιγμένη γὰρ ἡ τοῦδε τοῦ κόσμου γένεσις καὶ σύστασις ἐξ ἐναντίων, οὐ μὴν ἰσοσθενῶν, δυνάμεων, ἀλλὰ τῆς βελτίονος τὸ κράτος ἐστίν· ἀπολέσθαι δὲ τὴν φαύλην παντάπασιν ἀδύνατον, πολλὴν μὲν ἐμπεφυκυῖαν τῷ σώματι, πολλὴν δὲ τῇ ψυχῇ τοῦ παντὸς καὶ πρὸς τὴν βελτίονα ἀεὶ δυσμαχοῦσαν. ἐν μὲν οὖν τῇ ψυχῇ νοῦς καὶ λόγος ὁ τῶν ἀρίστων πάντων ἡγεμὼν καὶ κύριος Ὄσιρίς ἐστιν, ἐν δὲ γῇ καὶ πνεύμασι καὶ ὕδασι καὶ [b] οὐρανῷ καὶ ἄστροις τὸ τεταγμένον καὶ καθεστηκὸς καὶ ὑγιαῖνον ὥραις καὶ κράσεσι καὶ περιόδοις Ὀσίριδος ἀπορροὴ καὶ εἰκὼν ἐμφαινομένη· Τυφὼν δὲ τῆς ψυχῆς τὸ παθητικὸν καὶ τιτανικὸν καὶ ἄλογον καὶ ἔμπληκτον, τοῦ δὲ σωματικοῦ τὸ ἐπίκηρον καὶ νοσῶδες καὶ ταρακτικὸν ἀωρίαις καὶ δυσκρασίαις καὶ κρύψεσιν ἡλίου καὶ ἀφανισμοῖς σελήνης οἷον ἐκδρομαὶ καὶ ἀφηνιασμοὶ [καὶ] Τυφῶνος· καὶ τοὔνομα κατηγορεῖ τὸ Σήθ, ᾧ τὸν Τυφῶνα καλοῦσι· φράζει μὲν τὸ ‹κατα›δυναστεῦον καὶ καταβιαζόμενον, φράζει δὲ τὴν πολλάκις ἀναστροφὴν καὶ πάλιν ὑπεκπήδησιν. Βέβωνα δὲ τινὲς μὲν ἕνα τῶν τοῦ Τυφῶνος [c] ἑταίρων γεγονέναι λέγουσιν, Μανεθὼς ‹δ'› αὐτὸν τὸν Τυφῶνα καὶ Βέβωνα καλεῖσθαι (fr. 76 M.)· σημαίνει δὲ τοὔνομα κάθεξιν ἢ κώλυσιν, ὡς τοῖς πράγμασιν ὁδῷ βαδίζουσι καὶ πρὸς ὃ χρὴ φερομένοις ἐνισταμένης τῆς τοῦ Τυφῶνος δυνάμεως. διὸ καὶ τῶν μὲν ἡμέρων ζῴων ἀπονέμουσιν αὐτῷ τὸ ἀμαθέστατον, ὄνον· τῶν δ' ἀγρίων τὰ θηριωδέστατα, κροκόδειλον καὶ τὸν ποτάμιον ἵππον· περὶ μὲν ‹οὖν› τοῦ ὄνου προδεδηλώκαμεν (362f)· ἐν Ἑρμοῦ πόλει δὲ Τυφῶνος ἄγαλμα δεικνύουσιν ἵππον ποτάμιον, ἐφ' οὗ βέβηκεν ἱέραξ ὄφει μαχόμενος, τῷ μὲν ἵππῳ τὸν Τυφῶνα δεικνύντες, τῷ δ' ἱέρακι δύναμιν καὶ [d] ἀρχήν, ἣν βίᾳ κτώμενος ὁ Τυφὼν πολλάκις οὐκ ἀνίεται ταραττόμενος ὑπὸ τῆς κακίας καὶ ταράττων. διὸ καὶ θύοντες ἑβδόμῃ τοῦ Τυβὶ μηνός, ἣν καλοῦσιν ἄφιξιν Ἴσιδος ἐκ Φοινίκης, ἐπιπλάττουσι τοῖς ποπάνοις ἵππον

ποτάμιον δεδεμένον. ἐν δ' Ἀπόλλωνος πόλει νενομισμένον ἐστὶ κροκοδείλου φαγεῖν πάντως ἕκαστον· ἡμέρᾳ δὲ μιᾷ θηρεύσαντες ὅσους ἂν δύνωνται καὶ κτείναντες ἀπαντικρὺ τοῦ ἱεροῦ προβάλλουσι καὶ λέγουσιν ὡς ὁ Τυφὼν τὸν Ὦρον ἀπέδρα κροκόδειλος γενόμενος, πάντα καὶ ζῷα καὶ φυτὰ καὶ πάθη τὰ φαῦλα καὶ βλαβερὰ Τυφῶνος [e] ἔργα καὶ μέρη ‹καὶ› κινήματα ποιούμενοι.

Τὸν δ' Ὄσιριν αὖ πάλιν ὀφθαλμῷ καὶ σκήπτρῳ γράφουσιν, ὧν τὸ μὲν τὴν πρόνοιαν ἐμφαίνειν, τὸ δὲ τὴν δύναμιν, ὡς Ὅμηρος (Θ 22) τὸν ἄρχοντα καὶ βασιλεύοντα πάντων 'Ζῆν' ὕπατον καὶ μήστωρα' καλῶν [καὶ] ἔοικε τῷ μὲν ὑπάτῳ τὸ κράτος αὐτοῦ, τῷ δὲ μήστωρι τὴν εὐβουλίαν καὶ τὴν φρόνησιν σημαίνειν. γράφουσι ‹δὲ› καὶ ἱέρακι τὸν θεὸν τοῦτον πολλάκις· εὐτονίᾳ γὰρ ὄψεως ὑπερβάλλει καὶ πτήσεως ὀξύτητι καὶ διοικεῖν αὑτὸν ἐλαχίστῃ τροφῇ πέφυκε. λέγεται δὲ καὶ νεκρῶν ἀτάφων ὄμμασι γῆν ὑπερπετόμενος ἐπιβάλλειν· [f] ὅταν δὲ πιόμενος ἐπὶ τὸν ποταμὸν καταίρῃ, τὸ πτερὸν ἵστησιν ὀρθόν· πιὼν δὲ κλίνει τοῦτο πάλιν· ᾧ δῆλός ἐστι σεσωσμένος καὶ διαπεφευγὼς τὸν κροκόδειλον· ἂν γὰρ ἁρπασθῇ, μένει τὸ πτερὸν ὥσπερ ἔστη πεπηγός. πανταχοῦ δὲ καὶ ἀνθρωπόμορφον Ὀσίριδος ἄγαλμα δεικνύουσιν ἐξορθιάζον τῷ αἰδοίῳ διὰ τὸ γόνιμον καὶ τὸ τρόφιμον. ἀμπεχόνῃ δὲ φλογοειδεῖ στέλλουσιν αὐτοῦ τὰς [372] [a] εἰκόνας, ἥλιον σῶμα τῆς τἀγαθοῦ δυνάμεως [ὡς] ὁρατὸν οὐσίας νοητῆς ἡγούμενοι. διὸ καὶ καταφρονεῖν ἄξιόν ἐστι τῶν τὴν ἡλίου σφαῖραν Τυφῶνι προσνεμόντων, ᾧ λαμπρὸν οὐδὲν οὐδὲ σωτήριον οὐδὲ τάξις οὐδὲ γένεσις οὐδὲ κίνησις μέτρον ἔχουσα καὶ λόγον, ἀλλὰ τἀναντία προσήκει· καὶ ‹ξηρότητα καὶ› αὐχμόν, οἷς φθείρει πολλὰ τῶν ζῴων καὶ βλαστανόντων, οὐχ ἡλίου θετέον ἔργον, ἀλλὰ τῶν ἐν γῇ καὶ ἀέρι μὴ καθ' ὥραν κεραννυμένων πνευμάτων καὶ ὑδάτων, ὅταν ἡ τῆς ἀτάκτου καὶ ἀορίστου δυνάμεως ἀρχὴ πλημμελήσασα κατασβέσῃ τὰς ἀναθυμιάσεις.

[b] Ἐν δὲ τοῖς ἱεροῖς ὕμνοις τοῦ Ὀσίριδος ἀνακαλοῦνται τὸν ἐν ταῖς ἀγκάλαις κρυπτόμενον τοῦ Ἡλίου καὶ τῇ τριακάδι τοῦ Ἐπιφὶ μηνὸς ἑορτάζουσιν ὀφθαλμῶν Ὥρου γενέθλιον, ὅτε σελήνη καὶ ἥλιος ἐπὶ μιᾶς εὐθείας γεγόνασιν, ὡς οὐ μόνον τὴν σελήνην ἀλλὰ καὶ τὸν ἥλιον ὄμμα τοῦ Ὥρου καὶ φῶς ἡγούμενοι. τῇ δὲ ὀγδόῃ φθίνοντος τοῦ Φαωφὶ βακτηρίας ἡλίου γενέθλιον ἄγουσι μετὰ φθινοπωρινὴν ἰσημερίαν, ἐμφαίνοντες οἷον ὑπερείσματος δεῖσθαι καὶ ῥώσεως τῷ τε θερμῷ γιγνόμενον ἐνδεᾶ καὶ τῷ φωτί [ἐνδεᾶ], κλινόμενον καὶ πλάγιον ἀφ' ἡμῶν φερόμενον. ἔτι δὲ τὴν βοῦν ὑπὸ τροπὰς χειμερινὰς [c] ἑπτάκις περὶ τὸν ναὸν τοῦ Ἡλίου περιφέρουσι, καὶ καλεῖται ζήτησις Ὀσίριδος ἡ περιδρομή, τὸ ὕδωρ χειμῶνος τῆς θεοῦ ποθούσης· τοσαυτάκις δὲ περιίασιν, ὅτι τὴν ἀπὸ τροπῶν χειμερινῶν ἐπὶ τροπὰς θερινὰς πάροδον ἑβδόμῳ μηνὶ συμπεραίνει. λέγεται δὲ καὶ θῦσαι τῷ

ἡλίῳ τετράδι μηνὸς ἱσταμένου πάντων πρῶτος Ὧρος ὁ Ἴσιδος, ὡς ἐν τοῖς ἐπιγραφομένοις Γενεθλίοις Ὥρου γέγραπται. καὶ μὴν ἡμέρας ἑκάστης τριχῶς ἐπιθυμιῶσι τῷ ἡλίῳ, ῥητίνην μὲν ὑπὸ τὰς ἀνατολάς, σμύρναν δὲ μεσουρανοῦντι, τὸ δὲ καλούμενον κῦφι περὶ δυσμάς· ὧν ἕκαστον ὃν ἔχει λόγον, ὕστερον (383a sqq.) ἀφηγήσομαι.

[d] τὸν δ’ ἥλιον πᾶσι τούτοις προστρέπεσθαι καὶ θεραπεύειν οἴονται. καὶ τί δεῖ πολλὰ τοιαῦτα συνάγειν; εἰσὶ γὰρ οἱ τὸν Ὄσιριν ἄντικρυς ἥλιον εἶναι καὶ ὀνομάζεσθαι Σείριον ὑφ’ Ἑλλήνων λέγοντες, εἰ καὶ παρ’ Αἰγυπτίοις ἡ πρόθεσις τοῦ ἄρθρου τοὔνομα πεποίηκεν ἀμφιγνοεῖσθαι, τὴν δ’ Ἶσιν οὐχ ἑτέραν τῆς σελήνης ἀποφαίνοντες· ὅθεν καὶ τῶν ἀγαλμάτων αὐτῆς τὰ μὲν κερασφόρα τοῦ μηνοειδοῦς γεγονέναι μιμήματα, τοῖς δὲ μελανοστόλοις ἐμφαίνεσθαι τὰς κρύψεις καὶ τοὺς περισκιασμοὺς ἐν οἷς διώκει ποθοῦσα τὸν ἥλιον. διὸ καὶ πρὸς τὰ ἐρωτικὰ τὴν σελήνην ἐπικαλοῦνται, καὶ τὴν Ἶσιν Εὔδοξός φησι (fr. 61) [e] βραβεύειν τὰ ἐρωτικά. καὶ τούτοις μὲν ἁμωσγέπως τοῦ πιθανοῦ μέτεστι, τῶν δὲ Τυφῶνα ποιούντων τὸν ἥλιον οὐδ’ ἀκούειν ἄξιον. ἀλλ’ ἡμεῖς αὖθις τὸν οἰκεῖον λόγον ἀναλάβωμεν.

Ἡ γὰρ Ἶσίς ἐστι μὲν τὸ τῆς φύσεως θῆλυ καὶ δεκτικὸν ἁπάσης γενέσεως, καθὸ τιθήνη καὶ πανδεχὴς ὑπὸ τοῦ Πλάτωνος (Tim. 49a 51a), ὑπὸ δὲ τῶν πολλῶν μυριώνυμος κέκληται διὰ τὸ πάσας ὑπὸ τοῦ λόγου τρεπομένη μορφὰς δέχεσθαι καὶ ἰδέας. ἔχει δὲ σύμφυτον ἔρωτα τοῦ πρώτου καὶ κυριωτάτου πάντων, ὃ τἀγαθῷ ταὐτόν ἐστι, κἀκεῖνο ποθεῖ καὶ διώκει· τὴν δ’ ἐκ τοῦ κακοῦ φεύγει καὶ διωθεῖται μοῖραν, ἀμφοῖν μὲν [f] οὖσα χώρα καὶ ὕλη, ῥέπουσα δ’ ἀεὶ πρὸς τὸ βέλτιον καὶ παρέχουσα γεννᾶν ἐξ ἑαυτῆς ἐκείνῳ καὶ κατασπείρειν εἰς ἑαυτὴν ἀπορροὰς καὶ ὁμοιότητας, αἷς χαίρει καὶ γέγηθε κυισκομένη καὶ ὑποπιμπλαμένη τῶν γενέσεων. εἰκὼν γάρ ἐστιν οὐσίας ‹ἡ› ἐν ὕλῃ γένεσις καὶ μίμημα [373] [a] τοῦ ὄντος τὸ γινόμενον. ὅθεν οὐκ ἀπὸ τρόπου μυθολογοῦσι τὴν Ὀσίριδος ψυχὴν ἀίδιον εἶναι καὶ ἄφθαρτον, τὸ δὲ σῶμα πολλάκις διασπᾶν καὶ ἀφανίζειν τὸν Τυφῶνα, τὴν δ’ Ἶσιν πλανωμένην καὶ ζητεῖν καὶ συναρμόττειν πάλιν. τὸ γὰρ ὂν καὶ νοητὸν καὶ ἀγαθὸν φθορᾶς καὶ μεταβολῆς κρεῖττόν ἐστιν· ἃς δ’ ἀπ’ αὐτοῦ τὸ αἰσθητὸν καὶ σωματικὸν εἰκόνας ἐκμάττεται καὶ λόγους καὶ εἴδη καὶ ὁμοιότητας ἀναλαμβάνει, καθάπερ ἐν κηρῷ σφραγῖδες οὐκ ἀεὶ διαμένουσιν ἀλλὰ καταλαμβάνει τὸ ἄτακτον αὐτὰς καὶ ταραχῶδες ἐνταῦθα τῆς ἄνω χώρας ἀπεληλαμένον καὶ μαχόμενον πρὸς τὸν Ὧρον, ὃν ἡ Ἶσις [b] εἰκόνα τοῦ νοητοῦ κόσμον αἰσθητὸν ὄντα γεννᾷ· διὸ καὶ δίκην φεύγειν λέγεται νοθείας ὑπὸ Τυφῶνος, ὡς οὐκ ὢν καθαρὸς οὐδ’ εἰλικρινὴς οἷος ὁ πατήρ, λόγος αὐτὸς καθ’ ἑαυτὸν ἀμιγὴς καὶ ἀπαθής, ἀλλὰ νενοθευμένος τῇ ὕλῃ διὰ τὸ σωματικόν. περιγίνεται

δὲ καὶ νικᾷ τοῦ Ἑρμοῦ, τουτέστι τοῦ λόγου, μαρτυροῦντος καὶ δεικνύοντος, ὅτι πρὸς τὸ νοητὸν ἡ φύσις μετασχηματιζομένη τὸν κόσμον ἀποδίδωσιν. ἡ μὲν γὰρ ἔτι τῶν θεῶν ἐν γαστρὶ τῆς Ῥέας ὄντων ἐξ Ἴσιδος καὶ Ὀσίριδος λεγομένη γένεσις Ἀπόλλωνος αἰνίττεται τὸ πρὶν ἐκφανῆ γενέσθαι τόνδε τὸν κόσμον καὶ συντελεσθῆναι τῷ λόγῳ τὴν ὕλην [c] †φύσει ἐλεγχομένην ἐπ’ αὐτὴν ἀτελῆ τὴν πρώτην γένεσιν ἐξενεγκεῖν· διὸ καί φασι τὸν θεὸν ἐκεῖνον ἀνάπηρον ὑπὸ σκότῳ γενέσθαι καὶ πρεσβύτερον Ὦρον καλοῦσιν· οὐ γὰρ ἦν κόσμος, ἀλλ’ εἴδωλόν τι καὶ κόσμου φάντασμα μέλλοντος· ὁ δ’ Ὧρος οὗτος αὐτός ἐστιν ὡρισμένος καὶ τέλειος, οὐκ ἀνῃρηκὼς τὸν Τυφῶνα παντάπασιν, ἀλλὰ τὸ δραστήριον καὶ ἰσχυρὸν αὐτοῦ παρῃρημένος. ὅθεν ἐν Κοπτῷ τὸ ἄγαλμα τοῦ Ὥρου λέγουσιν ἐν τῇ ἑτέρᾳ χειρὶ Τυφῶνος αἰδοῖα κατέχειν καὶ τὸν Ἑρμῆν μυθολογοῦσιν ἐξελόντα τοῦ Τυφῶνος τὰ νεῦρα χορδαῖς χρήσασθαι, διδάσκοντες ὡς τὸ πᾶν ὁ λόγος διαρμοσάμενος [d] σύμφωνον ἐξ ἀσυμφώνων μερῶν ἐποίησε καὶ τὴν φθαρτικὴν οὐκ ἀπώλεσεν ἀλλ’ ἀνεπήρωσε δύναμιν. ὅθεν ἐκείνη μὲν ἀσθενὴς καὶ ἀδρανὴς ἐνταῦθα, φυρομένη καὶ προσπλεκομένη τοῖς παθητικοῖς καὶ μεταβολικοῖς μέρεσι, σεισμῶν μὲν ἐν γῇ καὶ τρόμων, αὐχμῶν δ’ ἐν ἀέρι καὶ πνευμάτων ἀτόπων, αὖθις δὲ πρηστήρων καὶ κεραυνῶν δημιουργός ἐστι· φαρμάττει δὲ καὶ λοιμοῖς ὕδατα καὶ πνεύματα καὶ μέχρι σελήνης ἀνατρέχει καὶ ἀναχαιτίζει συγχέουσα καὶ μελαίνουσα πολλάκις τὸ λαμπρόν, ὡς Αἰγύπτιοι νομίζουσι καὶ λέγουσιν, ὅτι τοῦ Ὥρου νῦν μὲν [e] ἐπάταξε νῦν δ’ ἐξελὼν κατέπιεν ὁ Τυφὼν τὸν ὀφθαλμόν, εἶτα τῷ Ἡλίῳ πάλιν ἀπέδωκε· πληγὴν μὲν αἰνιττόμενοι τὴν κατὰ μῆνα μείωσιν τῆς σελήνης, πήρωσιν δὲ τὴν ἔκλειψιν, ἣν ὁ ἥλιος ἰᾶται διαφυγούσῃ τὴν σκιὰν τῆς γῆς εὐθὺς ἀντιλάμπων. ἡ δὲ κρείττων καὶ θειοτέρα φύσις ἐκ τριῶν ἐστι, τοῦ νοητοῦ καὶ τῆς ὕλης καὶ τοῦ ἐκ τούτων, ὃν κόσμον Ἕλληνες ὀνομάζουσιν. ὁ μὲν οὖν Πλάτων (Tim. 50c d) τὸ μὲν νοητὸν καὶ ἰδέαν καὶ παράδειγμα καὶ πατέρα, τὴν δ’ ὕλην καὶ μητέρα καὶ τιθήνην ἕδραν τε καὶ χώραν γενέσεως, τὸ δ’ ἐξ ἀμφοῖν ἔγγονον καὶ γένεσιν ὀνομάζειν [f] εἴωθεν. Αἰγυπτίους δ’ ἄν τις εἰκάσειε τῶν τριγώνων τὸ κάλλιστον ‹τιμᾶν› μάλιστα τούτῳ τὴν τοῦ παντὸς φύσιν ὁμοιοῦντας, ὡς καὶ Πλάτων ἐν τῇ πολιτείᾳ (546b) δοκεῖ τούτῳ προσκεχρῆσθαι τὸ γαμήλιον διάγραμμα συντάττων. ἔχει δ’ ἐκεῖνο τὸ τρίγωνον τριῶν τὴν πρὸς ὀρθίαν καὶ τεττάρων τὴν βάσιν καὶ πέντε τὴν ὑποτείνουσαν ἴσον [374] [a] ταῖς περιεχούσαις δυναμένην. εἰκαστέον οὖν τὴν μὲν πρὸς ὀρθίαν ἄρρενι, τὴν δὲ βάσιν θηλείᾳ, τὴν δ’ ὑποτείνουσαν ἀμφοῖν ἐγγόνῳ· καὶ τὸν μὲν Ὄσιριν ὡς ἀρχήν, τὴν δ’ Ἶσιν ὡς ὑποδοχήν, τὸν δ’ Ὧρον ὡς ἀποτέλεσμα. τὰ μὲν γὰρ τρία πρῶτος περισσός ἐστι καὶ τέλειος· τὰ δὲ τέτταρα τετράγωνος ἀπὸ πλευρᾶς ἀρτίου τῆς

δυάδος· τὰ δὲ πέντε πῆ μὲν τῷ πατρὶ πῆ δὲ τῇ μητρὶ προσέοικεν ἐκ τριάδος συγκείμενα καὶ δυάδος. καὶ τὰ πάντα τῶν πέντε γέγονε παρώνυμα, καὶ τὸ ἀριθμήσασθαι πεμπάσασθαι λέγουσι. ποιεῖ δὲ τετράγωνον ἡ πεντὰς ἀφ' ἑαυτῆς, ὅσον τῶν γραμμάτων παρ' Αἰγυπτίοις τὸ [b] πλῆθός ἐστι, καὶ ὅσων ἐνιαυτῶν ἔζη χρόνον ὁ Ἆπις. τὸν μὲν οὖν Ὧρον εἰώθασι καὶ Μὶν προσαγορεύειν, ὅπερ ἐστὶν ὁρώμενον· αἰσθητὸν γὰρ καὶ ὁρατὸν ὁ κόσμος. ἡ δ' Ἶσις ἔστιν ὅτε καὶ Μοὺθ καὶ πάλιν Ἄθυρι καὶ Μεθύερ προσαγορεύεται· σημαίνουσι δὲ τῷ μὲν πρώτῳ τῶν ὀνομάτων μητέρα, τῷ δὲ δευτέρῳ οἶκον Ὥρου κόσμιον, ὡς καὶ Πλάτων (Tim. 52d53a) χώραν γενέσεως καὶ δεξαμενήν, τὸ δὲ τρίτον σύνθετόν ἐστιν ἔκ τε τοῦ πλήρους καὶ τοῦ αἰτίου· πλήρης γάρ ἐστιν ἡ ὕλη τοῦ κόσμου καὶ τῷ ἀγαθῷ καὶ καθαρῷ καὶ κεκοσμημένῳ σύνεστιν.

Δόξειε δ' ἂν ἴσως καὶ ὁ Ἡσίοδος (Th. 116 sqq.) [c] τὰ πρῶτα πάντων Χάος καὶ Γῆν καὶ Τάρταρον καὶ Ἔρωτα ποιῶν οὐχ ἑτέρας λαμβάνειν ἀρχάς, ἀλλὰ ταύτας· ‹εἴ› γε δὴ τῶν ὀνομάτων τῇ μὲν Ἴσιδι τὸ τῆς Γῆς, τῷ δ' Ὀσίριδι τὸ τοῦ Ἔρωτος, τῷ δὲ Τυφῶνι τὸ τοῦ Ταρτάρου μεταλαμβάνοντές πως ἀποδίδομεν· τὸ γὰρ Χάος δοκεῖ χώραν τινὰ καὶ τόπον τοῦ παντὸς ὑποτίθεσθαι. προσκαλεῖται δὲ καὶ τὸν Πλάτωνος ἁμωσγέπως τὰ πράγματα μῦθον, ὃν Σωκράτης ἐν Συμποσίῳ (203b sqq.) περὶ τῆς τοῦ Ἔρωτος γενέσεως διῆλθε, τὴν Πενίαν λέγων τέκνων δεομένην τῷ Πόρῳ καθεύδοντι παρακλιθῆναι καὶ κυήσασαν ἐξ αὐτοῦ τεκεῖν τὸν Ἔρωτα φύσει μικτὸν ὄντα καὶ παντοδαπόν, ἅτε δὴ πατρὸς μὲν ἀγαθοῦ [d] καὶ σοφοῦ καὶ πᾶσιν αὐτάρκους, μητρὸς δ' ἀμηχάνου καὶ ἀπόρου καὶ δι' ἔνδειαν ἀεὶ γλιχομένης ἑτέρου καὶ περὶ ἕτερον λιπαρούσης γεγενημένον. ὁ γὰρ Πόρος οὐχ ἕτερός ἐστι τοῦ πρώτως ἐρατοῦ καὶ ἐφετοῦ καὶ τελείου καὶ αὐτάρκους· Πενίαν δὲ τὴν ὕλην προσεῖπεν ἐνδεᾶ μὲν οὖσαν αὐτὴν καθ' ἑαυτὴν τοῦ ἀγαθοῦ, πληρουμένην δ' ὑπ' αὐτοῦ καὶ ποθοῦσαν ἀεὶ καὶ μεταλαμβάνουσαν. ὁ δὲ γενόμενος ἐκ τούτων κόσμος καὶ Ὧρος οὐκ ἀίδιος οὐδ' ἀπαθὴς οὐδ' ἄφθαρτος, ἀλλ' ἀειγενὴς ὢν μηχανᾶται ταῖς τῶν παθῶν μεταβολαῖς καὶ περιόδοις ἀεὶ νέος καὶ μηδέποτε [e] φθαρησόμενος διαμένειν.

Χρηστέον δὲ τοῖς μύθοις οὐχ ὡς λόγοις πάμπαν οὖσιν, ἀλλὰ τὸ πρόσφορον ἑκάστου [τὸ] κατὰ τὴν ὁμοιότητα λαμβάνοντας. ὅταν οὖν ὕλην λέγωμεν, οὐ δεῖ πρὸς ἐνίων φιλοσόφων δόξας ἀποφερομένους ἄψυχόν τι σῶμα καὶ ἄποιον ἀργόν τε καὶ ἄπρακτον ἐξ ἑαυτοῦ διανοεῖσθαι· καὶ γὰρ ἔλαιον ὕλην μύρου καλοῦμεν καὶ χρυσὸν ἀγάλματος, οὐκ ὄντα πάσης ἔρημα ποιότητος· αὐτήν τε τὴν ψυχὴν καὶ τὴν διάνοιαν τοῦ ἀνθρώπου ὡς ὕλην ἐπιστήμης καὶ ἀρετῆς τῷ λόγῳ κοσμεῖν καὶ ῥυθμίζειν παρέχομεν, τόν τε νοῦν

Οἱ δὲ Πυθαγόρειοι καὶ ἀριθμοὺς καὶ σχήματα θεῶν ἐκόσμησαν προσηγορίαις. τὸ μὲν γὰρ ἰσόπλευρον τρίγωνον ἐκάλουν Ἀθηνᾶν κορυφαγενῆ καὶ τριτογένειαν, ὅτι τρισὶ [f] καθέτοις ἀπὸ τῶν τριῶν γωνιῶν ἀγομέναις διαιρεῖται· τὸ δ' ἓν Ἀπόλλωνα πλήθους ἀποφάσει καὶ δι' ἁπλότητα τῆς μονάδος· ἔριν δὲ τὴν δυάδα καὶ †τόλμαν, δίκην δὲ τὴν τριάδα· τοῦ γὰρ ἀδικεῖν καὶ ἀδικεῖσθαι κατ' ἔλλειψιν καὶ ὑπερβολὴν ὄντος ‹τὸ› ἰσότητι δίκαιον ἐν μέσῳ γέγονεν· ἡ δὲ καλουμένη τετρακτύς, τὰ ἓξ καὶ τριάκοντα, [382] [a] μέγιστος ἦν ὅρκος, ὡς τεθρύληται, καὶ κόσμος ὠνόμασται, τεσσάρων μὲν ἀρτίων τῶν πρώτων, τεσσάρων δὲ τῶν περισσῶν εἰς ταὐτὸ συντιθεμένων ἀποτελούμενος. εἴπερ οὖν οἱ δοκιμώτατοι τῶν φιλοσόφων οὐδ' ἐν ἀψύχοις καὶ ἀσωμάτοις πράγμασιν αἴνιγμα τοῦ θείου κατιδόντες ἠξίουν ἀμελεῖν οὐδὲν οὐδ' ἀτιμάζειν, ἔτι μᾶλλον, οἶμαι, τὰς ἐν αἰσθανομέναις καὶ ψυχὴν ἐχούσαις καὶ πάθος καὶ ἦθος φύσεσιν ἰδιότητας [κατὰ τὸ ἦθος] ἀγαπητέον [οὖν] οὐ ταῦτα τιμῶντας, ἀλλὰ διὰ τούτων τὸ θεῖον ὡς ἐναργεστέρων ἐσόπτρων καὶ φύσει γεγονότων. ‹ἀληθὲς δὲ καὶ τοῦτ' ἔστιν,› ὡς ὄργανον τὴν

ψυχὴν δεῖ τοῦ πάντα [b] κοσμοῦντος θεοῦ νομίζειν καὶ ὅλως ἀξιοῦν γε μηδὲν ἄψυχον ἐμψύχου μηδ' ἀναίσθητον αἰσθανομένου κρεῖττον εἶναι μηδ' ἂν τὸν σύμπαντά τις χρυσὸν ὁμοῦ καὶ σμάραγδον εἰς ταὐτὸ συμφορήσῃ. οὐκ ἐν χρόαις γὰρ οὐδ' ἐν σχήμασιν οὐδ' ἐν λειότησιν ἐγγίνεται τὸ θεῖον, ἀλλ' ἀτιμοτέραν ἔχει νεκρῶν μοῖραν, ὅσα μὴ μετέσχε μηδὲ μετέχειν τοῦ ζῆν πέφυκεν. ἡ δὲ ζῶσα καὶ βλέπουσα καὶ κινήσεως ἀρχὴν ἐξ αὑτῆς ἔχουσα καὶ γνῶσιν οἰκείων καὶ ἀλλοτρίων φύσις κάλλους τ' ἔσπακεν ἀπορροὴν καὶ μοῖραν ἐκ τοῦ φρονοῦντος, 'ὅτῳ κυβερνᾶται τὸ [τε] σύμπαν' καθ' Ἡράκλειτον (B 41). ὅθεν οὐ χεῖρον ἐν τούτοις εἰκάζεται τὸ θεῖον ἢ χαλκοῖς καὶ λιθίνοις [c] δημιουργήμασιν, ἃ φθορὰς μὲν ὁμοίως δέχεται καὶ ἐπιχρώσεις, αἰσθήσεως δὲ πάσης φύσει καὶ συνέσεως ἐστέρηται.

Περὶ μὲν οὖν τῶν τιμωμένων ζῴων ταῦτα δοκιμάζω μάλιστα τῶν λεγομένων· στολαὶ δ' αἱ μὲν Ἴσιδος ποικίλαι ταῖς βαφαῖς (περὶ γὰρ ὕλην ἡ δύναμις αὐτῆς πάντα γινομένην καὶ δεχομένην, φῶς σκότος, ἡμέραν νύκτα, πῦρ ὕδωρ, ζωὴν θάνατον, ἀρχὴν τελευτήν)· ἡ δ' Ὀσίριδος οὐκ ἔχει σκιὰν οὐδὲ ποικιλμόν, ἀλλ' ἓν ἁπλοῦν τὸ φωτοειδές· ἄκρατον γὰρ ἡ ἀρχὴ καὶ ἀμιγὲς τὸ πρῶτον καὶ νοητόν. ὅθεν ἅπαξ ταύτην ἀναλαβόντες ἀποτίθενται [d] καὶ φυλάττουσιν ἀόρατον καὶ ἄψαυστον, ταῖς δ' Ἰσιακαῖς χρῶνται πολλάκις. ἐν χρήσει γὰρ τὰ αἰσθητὰ καὶ πρόχειρα ὄντα πολλὰς ἀναπτύξεις καὶ θέας αὑτῶν ἄλλοτ' ἄλλως ἀμειβομένων δίδωσιν· ἡ δὲ τοῦ νοητοῦ καὶ εἰλικρινοῦς καὶ ἁπλοῦ νόησις ὥσπερ ἀστραπὴ διαλάμψασα τῆς ψυχῆς ἅπαξ ποτὲ θιγεῖν καὶ προσιδεῖν παρέσχε. διὸ καὶ Πλάτων (Conv. 210a) καὶ Ἀριστοτέλης ἐποπτικὸν τοῦτο τὸ μέρος τῆς φιλοσοφίας καλοῦσιν, καθ' ὅσον οἱ τὰ δοξαστὰ καὶ μικτὰ καὶ παντοδαπὰ ταῦτα παραμειψάμενοι τῷ λόγῳ πρὸς τὸ πρῶτον ἐκεῖνο καὶ ἁπλοῦν καὶ ἄυλον ἐξάλλονται καὶ θιγόντες ἀληθῶς [e] τῆς περὶ αὐτὸ καθαρᾶς ἀληθείας οἷον ἐν τελετῇ τέλος ἔχειν φιλοσοφίας νομίζουσι.

Καὶ τοῦθ' ὅπερ οἱ νῦν ἱερεῖς ἀφοσιούμενοι καὶ παρακαλυπτόμενοι μετ' εὐλαβείας ὑποδηλοῦσιν, ὡς ὁ θεὸς οὗτος ἄρχει καὶ βασιλεύει τῶν τεθνηκότων οὐχ ἕτερος ὢν τοῦ καλουμένου παρ' Ἕλλησιν Ἅιδου καὶ Πλούτωνος, ἀγνοούμενον ὅπως ἀληθές ἐστι, διαταράττει τοὺς πολλοὺς ὑπονοοῦντας ἐν γῇ καὶ ὑπὸ γῆν τὸν ἱερὸν καὶ ὅσιον ὡς ἀληθῶς Ὄσιριν οἰκεῖν, ὅπου τὰ σώματα κρύπτεται τῶν τέλος ἔχειν δοκούντων. ὁ δ' ἔστι μὲν αὐτὸς ἀπωτάτω τῆς γῆς ἄχραντος καὶ ἀμίαντος [f] καὶ καθαρὸς οὐσίας ἁπάσης φθορὰν δεχομένης καὶ θάνατον, ἀνθρώπων δὲ ψυχαῖς ἐνταυθοῖ μὲν ὑπὸ σωμάτων καὶ παθῶν περιεχομέναις οὐκ ἔστι μετουσία τοῦ θεοῦ πλὴν ὅσον ὀνείρατος ἀμαυροῦ θιγεῖν νοήσει διὰ φιλοσοφίας· ὅταν δ' ἀπολυθεῖσαι

Ταῦτα μὲν οὖν οὕτως ἔχει τὸν μάλιστα θεοῖς πρέποντα λόγον· εἰ δὲ δεῖ καὶ περὶ τῶν θυμιωμένων ἡμέρας ἑκάστης εἰπεῖν, ὥσπερ ὑπεσχόμην (372c), ἐκεῖνο διανοηθείη τις ‹ἂν› πρότερον, ὡς ἀεὶ μὲν οἱ ἄνδρες ἐν σπουδῇ μεγίστη τίθενται τὰ πρὸς ὑγίειαν ἐπιτηδεύματα, [b] μάλιστα δὲ ταῖς ἱερουργίαις καὶ ταῖς ἁγνείαις καὶ διαίταις οὐχ ἧττον ἔνεστι [τουτὶ] τοῦ ὁσίου τὸ ὑγιεινόν. οὐ γὰρ ᾤοντο καλῶς ἔχειν οὔτε σώμασιν οὔτε ψυχαῖς ὑπούλοις καὶ νοσώδεσι θεραπεύειν τὸ καθαρὸν καὶ ἀβλαβὲς πάντῃ καὶ ἀμίαντον. ἐπεὶ τοίνυν ὁ ἀήρ, ᾧ πλεῖστα χρώμεθα καὶ σύνεσμεν, οὐκ ἀεὶ τὴν αὐτὴν ἔχει διάθεσιν καὶ κρᾶσιν, ἀλλὰ νύκτωρ πυκνοῦται καὶ πιέζει τὸ σῶμα καὶ συνάγει τὴν ψυχὴν εἰς τὸ δύσθυμον καὶ πεφροντικὸς οἷον ἀχλυώδη γινομένην καὶ βαρεῖαν, ἀναστάντες εὐθὺς ἐπιθυμιῶσι ῥητίνην θεραπεύοντες καὶ καθαίροντες τὸν ἀέρα τῇ διακρίσει καὶ τὸ σύμφυτον τῷ [c] σώματι πνεῦμα μεμαρασμένον ἀναρριπίζοντες ἐχούσης τι τῆς ὀσμῆς σφοδρὸν καὶ καταπληκτικόν. αὖθις δὲ μεσημβρίας αἰσθανόμενοι σφόδρα πολλὴν καὶ βαρεῖαν ἀναθυμίασιν ἀπὸ γῆς ἕλκοντα βίᾳ τὸν ἥλιον καὶ καταμιγνύοντα τῷ ἀέρι τὴν σμύρναν ἐπιθυμιῶσι· διαλύει γὰρ ἡ θερμότης καὶ σκίδνησι τὸ συνιστάμενον ἐν τῷ περιέχοντι θολερὸν καὶ ἰλυῶδες. καὶ γὰρ οἱ ἰατροὶ πρὸς τὰ λοιμικὰ πάθη βοηθεῖν δοκοῦσι φλόγα πολλὴν ποιοῦντες ὡς λεπτύνουσαν τὸν ἀέρα· λεπτύνει δὲ βέλτιον, ἐὰν εὐώδη ξύλα καίωσιν, οἷα κυπαρίττου καὶ ἀρκεύθου καὶ πεύκης.

ΠΕΡΙ ΤΟΥ ΕΙ ΤΟΥ ΕΝ ΔΕΛΦΟΙΣ

[384] Στιχιδίοις τισὶν οὐ φαύλως ἔχουσιν, ὦ φίλε Σαραπίων, ἐνέτυχον πρῴην, ἃ Δικαίαρχος (fr. 40 M.) Εὐριπίδην οἴεται πρὸς Ἀρχέλαον εἰπεῖν (fr. 969)·

'οὐ βούλομαι πλουτοῦντι δωρεῖσθαι πένης,

μή μ' ἄφρονα κρίνῃς ἢ διδοὺς αἰτεῖν δοκῶ.'

χαρίζεται μὲν γὰρ οὐδὲν ὁ διδοὺς ἀπ' ὀλίγων μικρὰ τοῖς πολλὰ κεκτημένοις, ἀπιστούμενος δ' ἀντὶ μηδενὸς διδόναι κακοηθείας καὶ ἀνελευθερίας προσλαμβάνει δόξαν. ὅρα δ' [e] ὅσον ἐλευθεριότητι καὶ κάλλει τὰ χρηματικὰ δῶρα λείπεται τῶν ἀπὸ λόγου καὶ σοφίας, ‹ἃ› καὶ διδόναι καλόν ἐστι καὶ διδόντας ἀνταιτεῖν ὅμοια παρὰ τῶν λαμβανόντων. ἐγὼ γοῦν πρὸς σὲ καὶ διὰ σοῦ τοῖς αὐτόθι φίλοις τῶν Πυθικῶν λόγων ἐνίους ὥσπερ ἀπαρχὰς ἀποστέλλων ὁμολογῶ προσδοκᾶν ἑτέρους καὶ πλείονας καὶ βελτίονας παρ' ὑμῶν, ἅτε δὴ καὶ πόλει χρωμένων μεγάλῃ καὶ σχολῆς μᾶλλον ἐν βιβλίοις πολλοῖς καὶ παντοδαπαῖς διατριβαῖς εὐπορούντων. ὁ δ' οὖν φίλος Ἀπόλλων ἔοικε τὰς μὲν περὶ τὸν βίον ἀπορίας ἰᾶσθαι καὶ διαλύειν θεμιστεύων τοῖς χρωμένοις, [f] τὰς δὲ περὶ τὸν λόγον αὐτὸς ἐνιέναι καὶ προβάλλειν τῷ φύσει φιλοσόφῳ τῆς ψυχῆς ὄρεξιν ἐμποιῶν ἀγωγὸν ἐπὶ τὴν ἀλήθειαν, ὡς ἄλλοις τε πολλοῖς δῆλόν ἐστι καὶ τῇ [περὶ] τοῦ εἶ καθιερώσει. τοῦτο γὰρ εἰκὸς οὐ κατὰ τύχην οὐδ' οἷον ἀπὸ κλήρου τῶν γραμμάτων μόνον ἐν προεδρίᾳ [385] [a] παρὰ τῷ θεῷ γενέσθαι καὶ λαβεῖν ἀναθήματος τάξιν ἱεροῦ καὶ θεάματος, ἀλλ' ἢ δύναμιν αὐτοῦ κατιδόντας ἰδίαν καὶ περιττὴν ἢ συμβόλῳ χρωμένους πρὸς ἕτερόν τι τῶν ἀξίων σπουδῆς τοὺς ἐν ἀρχῇ περὶ τὸν θεὸν φιλοσοφήσαντας οὕτω προσέσθαι. πολλάκις οὖν ἄλλοτε τὸν λόγον ἐν τῇ σχολῇ προβαλλόμενον ἐκκλίνας ἀτρέμα καὶ παρελθὼν ἔναγχος ὑπὸ τῶν υἱῶν ἐλήφθην ξένοις τισὶ συμφιλοτιμουμένων, οὓς εὐθὺς ἐκ Δελφῶν ἀπαίρειν μέλλοντας οὐκ ἦν εὐπρεπὲς παράγειν οὐδὲ παραιτεῖσθαι πάντως ἀκοῦσαί τι προθυμουμένους. ὡς δὲ καθίσας παρὰ τὸν νεὼν τὰ μὲν αὐτὸς [b] ἠρξάμην ζητεῖν τὰ δ' ἐκείνους ἐρωτᾶν, ὑπὸ τοῦ τόπου καὶ τῶν λόγων αὐτῶν ‹ἀνεμνήσθην› ἃ πάλαι ποτὲ καθ' ὃν καιρὸν ἐπεδήμει Νέρων ἠκούσαμεν Ἀμμωνίου καί τινων ἄλλων διεξιόντων ἐνταῦθα τῆς αὐτῆς ἀπορίας ὁμοίως ἐμπεσούσης.

Ὅτι μὲν γὰρ οὐχ ἧττον ὁ θεὸς φιλόσοφος ἢ μάντις, ἐδόκει πᾶσιν ὀρθῶς πρὸς τοῦτο τῶν ὀνομάτων ἕκαστον Ἀμμώνιος τίθεσθαι καὶ διδάσκειν, ὡς

Πύθιος μέν ἐστι τοῖς ἀρχομένοις μανθάνειν καὶ διαπυνθάνεσθαι, Δήλιος δὲ καὶ Φαναῖος οἷς ἤδη τι δηλοῦται καὶ ὑποφαίνεται τῆς ἀληθείας, Ἰσμήνιος δὲ τοῖς ἔχουσι τὴν ἐπιστήμην, καὶ [c] Λεσχηνόριος ὅταν ἐνεργῶσι καὶ ἀπολαύωσι χρώμενοι τῷ διαλέγεσθαι καὶ φιλοσοφεῖν πρὸς ἀλλήλους. 'ἐπεὶ δὲ τοῦ φιλοσοφεῖν' ἔφη 'τὸ ζητεῖν ‹ἀρχή, τοῦ δὲ ζητεῖν› τὸ θαυμάζειν καὶ ἀπορεῖν, εἰκότως τὰ πολλὰ τῶν περὶ τὸν θεὸν ἔοικεν αἰνίγμασι κατακεκρύφθαι [καὶ] λόγον τινὰ ποθοῦντα διὰ τί καὶ διδασκαλίαν τῆς αἰτίας· οἷον ἐπὶ τοῦ πυρὸς τοῦ ἀθανάτου τὸ καίεσθαι μόνον αὐτόθι τῶν ξύλων ἐλάτην καὶ δάφνην ἐπιθυμιᾶσθαι, καὶ τὸ δύο Μοίρας ἱδρῦσθαι πανταχοῦ τριῶν νομιζομένων, καὶ τὸ μηδεμιᾷ γυναικὶ πρὸς τὸ χρηστήριον εἶναι προσελθεῖν, καὶ τὸ τοῦ τρίποδος, καὶ ὅσα τοιαῦτα, τοῖς μὴ παντάπασιν ἀλόγοις [d] καὶ ἀψύχοις ὑφειμένα δελεάζει καὶ παρακαλεῖ πρὸς τὸ σκοπεῖν τι καὶ ἀκούειν καὶ διαλέγεσθαι περὶ αὐτῶν. ὅρα δὲ καὶ ταυτὶ τὰ προγράμματα, τὸ 'γνῶθι σαυτόν' καὶ τό 'μηδὲν ἄγαν', ὅσας ζητήσεις κεκίνηκε φιλοσόφοις καὶ ὅσον λόγων πλῆθος ἀφ' ἑκάστου καθάπερ ἀπὸ σπέρματος ἀναπέφυκεν· ὧν οὐδενὸς ἧττον οἶμαι γόνιμον λόγων εἶναι τὸ νῦν ζητούμενον.'

Εἰπόντος δὲ ταῦτα τοῦ Ἀμμωνίου Λαμπρίας ὁ ἀδελφὸς εἶπε 'καὶ μὴν ὃν ἡμεῖς ἀκηκόαμεν λόγον ἁπλοῦς τίς ἐστι καὶ κομιδῇ βραχύς. λέγουσι γὰρ ἐκείνους τοὺς σοφοὺς ὑπ' ἐνίων δὲ σοφιστὰς προσαγορευθέντας αὐτοὺς μὲν [e] εἶναι πέντε, Χίλωνα καὶ Θαλῆν καὶ Σόλωνα καὶ Βίαντα καὶ Πιττακόν· ἐπεὶ δὲ Κλεόβουλος ὁ Λινδίων τύραννος, εἶτα Περίανδρος ὁ Κορίνθιος, οὐδὲν αὐτοῖς ἀρετῆς μετὸν οὐδὲ σοφίας, ἀλλὰ δυνάμει καὶ φίλοις καὶ χάρισι καταβιαζόμενοι τὴν δόξαν ἐνέβαλλον εἰς τοὔνομα τῶν σοφῶν καί τινας γνώμας καὶ λόγους ἐξέπεμπον καὶ διέσπειρον εἰς τὴν Ἑλλάδα τοῖς ὑπ' ἐκείνων λεγομένοις ὁμοίους· δυσχεράναντας ἄρα τοὺς ἄνδρας ἐξελέγχειν μὲν οὐκ ἐθέλειν τὴν ἀλαζονείαν οὐδὲ φανερῶς ὑπὲρ δόξης ἀπεχθάνεσθαι καὶ διαμάχεσθαι πρὸς ἀνθρώπους μέγα δυναμένους, ἐνταῦθα [f] δὲ συνελθόντας αὐτοὺς καθ' αὑτοὺς καὶ διαλεχθέντας ἀλλήλοις ἀναθεῖναι τῶν γραμμάτων ὃ τῇ τε τάξει πέμπτον ἐστὶ καὶ τοῦ ἀριθμοῦ τὰ πέντε δηλοῖ, μαρτυρομένους μὲν ὑπὲρ αὑτῶν πρὸς τὸν θεὸν ὅτι πέντ' εἰσί, τὸν δ' ἕβδομον καὶ τὸν ἕκτον ἀποποιουμένους καὶ ἀποβάλλοντας ὡς οὐ προσήκοντας αὐτοῖς. ὅτι δ' οὐκ ἀπὸ σκοποῦ ταῦτα λέγεται, γνοίη τις ἂν ἀκούσας τῶν κατὰ τὸ ἱερὸν τὸ μὲν χρυσοῦν εἶ Λιβίας τῆς Καίσαρος γυναικὸς ὀνομαζόντων, τὸ δὲ [386] [a] χαλκοῦν Ἀθηναίων· τὸ δὲ πρῶτον καὶ παλαιότατον τῇ δ' οὐσίᾳ ξύλινον ἔτι νῦν τῶν σοφῶν καλοῦσιν, ὡς οὐχ ἑνὸς ἀλλὰ κοινὸν ἀνάθημα πάντων γενόμενον.'

Ὁ μὲν οὖν Ἀμμώνιος ἡσυχῇ διεμειδίασεν, ὑπονοήσας ἰδίᾳ τὸν Λαμπρίαν δόξῃ κεχρῆσθαι, πλάττεσθαι δ' ἱστορίαν καὶ ἀκοὴν ἑτέρων πρὸς τὸ ἀνυπεύθυνον· ἕτερος δέ τις ἔφη τῶν παρόντων, ὡς ὅμοια ταῦτ' ἐστὶν οἷς πρῴην ὁ Χαλδαῖος ἐφλυάρει ξένος, ἑπτὰ μὲν εἶναι τὰ φωνὴν ἰδίαν ἀφιέντα τῶν γραμμάτων, ἑπτὰ δὲ τοὺς κίνησιν αὐτοτελῆ καὶ ἀσύνδετον ἐν οὐρανῷ κινουμένους ἀστέρας· εἶναι δὲ τῇ [b] τάξει δεύτερον τό τ' εἶ τῶν φωνηέντων ἀπ' ἀρχῆς καὶ τὸν ἥλιον ἀπὸ σελήνης τῶν πλανήτων· ἡλίῳ δ' Ἀπόλλωνα τὸν αὐτὸν ὡς ἔπος εἰπεῖν πάντας Ἕλληνας νομίζειν. 'ἀλλὰ ταυτὶ μέν' ἔφη 'παντάπασιν ἐκ πίνακος καὶ πυλαίας.'

Ὁ δὲ Λαμπρίας ἔλαθεν, ὡς ἔοικε, τοὺς ἀφ' ἱεροῦ κινήσας ἐπὶ τὸν αὑτοῦ λόγον. ἃ μὲν γὰρ ἐκεῖνος εἶπεν, οὐδεὶς ἐγίγνωσκε Δελφῶν· τὴν δὲ κοινὴν καὶ περιηγητικὴν δόξαν εἰς τὸ μέσον προῆγον, οὔτε τὴν ὄψιν ἀξιοῦντες οὔτε τὸν φθόγγον ἀλλὰ τοὔνομα μόνον τοῦ γράμματος ἔχειν τι σύμβολον. 'ἔστι γάρ' ὡς ὑπολαμβάνουσι Δελφοὶ καὶ τότε προηγορῶν ἔλεγε Νίκανδρος ὁ ἱερεύς 'σχῆμα καὶ μορφὴ τῆς πρὸς τὸν θεὸν ἐντεύξεως καὶ τάξιν ἡγεμονικὴν [c] ἐν τοῖς ἐρωτήμασιν ἔχει τῶν χρωμένων ἑκάστοτε διαπυνθανομένων, εἰ νικήσουσιν, εἰ γαμήσουσιν, εἰ συμφέρει πλεῖν, εἰ γεωργεῖν, εἰ ἀποδημεῖν. τοῖς δὲ διαλεκτικοῖς χαίρειν ἔλεγε σοφὸς ὢν ὁ θεὸς οὐδὲν οἰομένοις ἐκ τοῦ 'εἰ' μορίου καὶ τοῦ μετ' αὐτοῦ ‹ταχθέντος› ἀξιώματος πρᾶγμα γίγνεσθαι, πάσας τὰς ἐρωτήσεις ὑποτεταγμένας τούτῳ καὶ νοῶν ὡς πράγματα καὶ προσιέμενος. ἐπεὶ δ' ἴδιον τὸ ἐρωτᾶν ὡς μάντιν ἐστὶν ἡμῖν καὶ τὸ εὔχεσθαι κοινὸν ὡς πρὸς θεόν, οὐχ ἧττον οἴονται τῆς [d] πευστικῆς τὴν εὐκτικὴν τὸ γράμμα περιέχειν δύναμιν· 'εἰ γάρ' [ὤφελον] φησὶν ἕκαστος τῶν εὐχομένων. καὶ Ἀρχίλοχος (fr. 71)

ΠΕΡΙ ΤΟΥ ΜΗ ΧΡΑΝ ΕΜΜΕΤΡΑ ΝΥΝ ΤΗΝ ΠΥΘΙΑΝ

[394] Β. Ἑσπέραν ἐποιήσατε βαθεῖαν, ὦ Φιλῖνε, διὰ τῶν [e] ἀναθημάτων παραπέμποντες τὸν ξένον· ἐγὼ γὰρ ὑμᾶς ἀναμένων ἀπηγόρευσα.

Φ. Βραδέως γὰρ ὡδεύομεν, ὦ Βασιλόκλεις, σπείροντες λόγους καὶ θερίζοντες εὐθὺς μετὰ μάχης ὑπούλους καὶ πολεμικούς, ὥσπερ οἱ Σπαρτοί, βλαστάνοντας ἡμῖν καὶ ὑποφυομένους κατὰ τὴν ὁδόν.

Β. Ἕτερον οὖν τινα δεήσει παρακαλεῖν τῶν παραγεγονότων, ἢ σὺ βούλει χαριζόμενος ἡμῖν διελθεῖν, τίνες ἦσαν οἱ λόγοι καὶ τίνες οἱ λέγοντες;

Φ. Ἐμόν, ὡς ἔοικεν, ὦ Βασιλόκλεις, τὸ ἔργον. τῶν γὰρ ἄλλων οὐδενὶ ῥᾳδίως ἂν ἐντύχοις κατὰ πόλιν· τοὺς γὰρ [f] πλείστους ἑώρων αὖθις εἰς τὸ Κωρύκιον τῷ ξένῳ καὶ τὴν Λυκώρειαν συναναβαίνοντας.

Β. Ἦ φιλοθεάμων τις ἡμῖν καὶ περιττῶς φιλήκοός ἐστιν ὁ ξένος.

Φ. Φιλόλογος δὲ καὶ φιλομαθὴς ἔτι μᾶλλον. οὐ μὴν ταῦτα μάλιστα θαυμάζειν ἄξια, ἀλλὰ πραότης τε πολλὴν [395] [a] χάριν ἔχουσα, καὶ τὸ μάχιμον καὶ διαπορητικὸν ὑπὸ συνέσεως, οὔτε δύσκολον οὔτ' ἀντίτυπον πρὸς τὰς ἀποκρίσεις· ὥστε καὶ βραχὺ συγγενόμενον εὐθὺς εἰπεῖν †'τέκος ‹ἀγαθὸν› ἀγαθοῦ πατρός.' οἶσθα γὰρ Διογενιανὸν ἀνδρῶν ἄριστον.

Β. Αὐτὸς μὲν οὐκ εἶδον, ὦ Φιλῖνε, πολλοῖς δ' ἐντετύχηκα καὶ τὸν λόγον καὶ τὸ ἦθος τοῦ ἀνδρὸς ἰσχυρῶς ἀποδεχομένοις, ὅμοια δὲ τούτοις ἕτερα περὶ τοῦ νεανίσκου λέγουσιν. ἀλλὰ τίνα, ὦ ἑταῖρε, ἀρχὴν ἔσχον οἱ λόγοι καὶ πρόφασιν;

Φ. Ἐπέραινον οἱ περιηγηταὶ τὰ συντεταγμένα μηδὲν ἡμῶν φροντίσαντες δεηθέντων ἐπιτεμεῖν τὰς ῥήσεις καὶ τὰ πολλὰ τῶν ἐπιγραμμάτων. τὸν δὲ ξένον ἡ μὲν ἰδέα καὶ τὸ τεχνικὸν τῶν ἀνδριάντων μετρίως προσήγετο πολλῶν καὶ [b] καλῶν ἔργων ὡς ἔοικε θεατὴν γεγενημένον· ἐθαύμαζε δὲ τοῦ χαλκοῦ τὸ ἀνθηρὸν ὡς οὐ πίνῳ προσεοικὸς οὐδ' ἰῷ, βαφῇ δὲ κυάνου στίλβοντος, ὥστε καὶ παῖξαί τι πρὸς τοὺς ναυάρχους (ἀπ' ἐκείνων γὰρ ἦρκτο τῆς θέας) οἷον ἀτεχνῶς θαλαττίους τῇ χρόᾳ καὶ βυθίους ἑστῶτας. 'ἆρ' οὖν' ἔφη 'κρᾶσίς τις ἦν καὶ φάρμαξις τῶν πάλαι τεχνιτῶν περὶ τὸν χαλκὸν ὥσπερ ἡ λεγομένη τῶν ξιφῶν στόμωσις, ἧς ἐκλαμπούσης ἐκεχειρίαν ἔσχεν ἔργων πολεμικῶν ὁ χαλκός; τὸν μὲν γὰρ Κορίνθιον οὐ τέχνῃ ‹φασὶν› ἀλλὰ συντυχίᾳ τῆς χρόας λαβεῖν τὸ κάλλος, ἐπινειμαμένου πυρὸς οἰκίαν ἔχουσάν τι χρυσοῦ καὶ ἀργύρου, πλεῖστον δὲ χαλκὸν ἀποκείμενον· [c] ὧν συγχυθέντων καὶ συντακέντων ὄνομα τοῦ χαλκοῦ τῷ μείγματι τὸ πλῆθος παρέσχεν'. ὁ δὲ Θέων

[396] [a] Ὡς οὖν ἐκελεύομεν καὶ συνεχωροῦμεν, ἔφη τὸν ἀέρα τὸν ἐν Δελφοῖς πυκνὸν ὄντα καὶ συνεχῆ καὶ τόνον ἔχοντα διὰ τὴν ἀπὸ τῶν ὀρῶν ἀνάκλασιν καὶ ἀντέρεισιν ἔτι καὶ λεπτὸν εἶναι καὶ δηκτικόν, ὥς που μαρτυρεῖ καὶ τὰ περὶ τὰς πέψεις τῆς τροφῆς· ἐνδυόμενον οὖν ὑπὸ λεπτότητος καὶ τέμνοντα τὸν χαλκὸν ἀναχαράσσειν πολὺν ἰὸν ἐξ αὐτοῦ καὶ γεώδη, στέγειν δὲ τοῦτον αὖ πάλιν καὶ πιέζειν τῆς πυκνότητος ‹διάχυσιν› μὴ διδούσης, τὸν δ’ ὑφιστάμενον αὐτῷ διὰ πλῆθος ἐξανθεῖν καὶ λαμβάνειν αὐγὴν καὶ γάνωμα

περὶ τὴν ἐπιφάνειαν. ἀποδεξαμένων δ’ ἡμῶν ὁ ξένος ἔφη τὴν ἑτέραν ἀρκεῖν ὑπόθεσιν πρὸς τὸν λόγον.

[b] ‘ἡ δὲ λεπτότης’ ἔφη ‘δόξει μὲν ὑπεναντιοῦσθαι καὶ πρὸς τὴν λεγομένην πυκνότητα τοῦ ἀέρος, λαμβάνεται δ’ οὐκ ἀναγκαίως· αὐτὸς γὰρ ὑφ’ ἑαυτοῦ παλαιούμενος ὁ χαλκὸς ἀποπνεῖ καὶ μεθίησι τὸν ἰόν, ὃν ἡ πυκνότης συνέχουσα καὶ παχνοῦσα ποιεῖ ἐκφανῆ διὰ τὸ πλῆθος.’ ὑπολαβὼν δ’ ὁ Θέων ‘τί γάρ’ εἶπεν ‘ὦ ξένε, κωλύει ταὐτὸν εἶναι καὶ λεπτὸν καὶ πυκνόν, ὥσπερ τὰ σηρικὰ καὶ τὰ βύσσινα τῶν ὑφασμάτων, ἐφ’ ὧν καὶ Ὅμηρος (η 107) εἶπε

Ἐκ τούτου γενομένης σιωπῆς πάλιν οἱ περιηγηταὶ προεχειρίζοντο τὰς ῥήσεις. χρησμοῦ δέ τινος ἐμμέτρου λεχθέντος, οἶμαι, περὶ τῆς Αἴγωνος τοῦ Ἀργείου βασιλείας πολλάκις ἔφη θαυμάσαι τῶν ἐπῶν ὁ Διογενιανός, ἐν οἷς οἱ χρησμοὶ λέγονται, τὴν φαυλότητα καὶ τὴν εὐτέλειαν. ‘καίτοι μουσηγέτης ὁ θεὸς καὶ τῆς λεγομένης λογιότητος [d] οὐχ ἧττον αὐτῷ [τὸ] καλὸν ἢ τῆς περὶ μέλη καὶ ᾠδὰς [καὶ] εὐφωνίας μετεῖναι καὶ πολὺ τὸν Ἡσίοδον εὐεπείᾳ καὶ τὸν Ὅμηρον ὑπερφθέγγεσθαι· τοὺς δὲ πολλοὺς τῶν χρησμῶν ὁρῶμεν καὶ τοῖς μέτροις καὶ τοῖς ὀνόμασι πλημμελείας καὶ φαυλότητος ἀναπεπλησμένους.’ παρὼν οὖν Ἀθήνηθεν ὁ ποιητὴς Σαραπίων ‘εἶτ’’ ἔφη ‘ταῦτα τὰ ἔπη τοῦ θεοῦ πιστεύοντες εἶναι τολμῶμεν αὖ πάλιν, ὡς λείπεται κάλλει τῶν Ὁμήρου καὶ Ἡσιόδου, λέγειν; οὐ χρησόμεθα τούτοις ὡς ἄριστα καὶ κάλλιστα πεποιημένοις, ἐπανορθούμενοι τὴν αὑτῶν κρίσιν προκατειλημμένην ὑπὸ φαύλης συνηθείας;’

[e] Ὑπολαβὼν οὖν Βόηθος ὁ γεωμέτρης (οἶσθα γὰρ τὸν ἄνδρα μεταταττόμενον ἤδη πρὸς τὸν Ἐπίκουρον), ‘ἆρ’ οὖν’ ἔφη ‘τὸ τοῦ ζωγράφου Παύσωνος ἀκήκοας;’ ‘οὐκ ἔγωγε’ εἶπεν ὁ Σαραπίων. ‘ἀλλὰ μὴν ἄξιον. ἐκλαβὼν γὰρ ὡς ἔοικεν ἵππον ἀλινδούμενον γράψαι τρέχοντα ἔγραψεν· ἀγανακτοῦντος δὲ τοῦ ἀνθρώπου γελάσας ὁ Παύσων κατέστρεψε τὸν πίνακα, καὶ γενομένων ἄνω τῶν κάτω πάλιν ὁ ἵππος οὐ τρέχων ἀλλ’ ἀλινδούμενος ἐφαίνετο. τοῦτό φησιν ὁ Βίων ἐνίους τῶν λόγων πάσχειν, ὅταν ἀναστραφῶσι. διὸ καὶ τοὺς χρησμοὺς ἔνιοι φήσουσιν οὐ καλῶς ἔχειν, ὅτι τοῦ θεοῦ εἰσιν, ἀλλὰ τοῦ θεοῦ μὴ εἶναι, ὅτι φαύλως ἔχουσιν.

[f] ἐκεῖνο μὲν γὰρ ἐν ἀδήλῳ· τὸ δ' ‹οὐκ εὖ τὰ ἔπη› πεποιῆσθαι τὰ περὶ τοὺς χρησμοὺς καὶ σοὶ κριτῇ δήπουθεν, ὦ φίλε Σαραπίων', εἶπεν, 'ἐναργές ἐστι. ποιήματα [μὲν] γὰρ γράφεις τοῖς μὲν πράγμασι φιλοσόφως καὶ αὐστηρῶς, δυνάμει δὲ καὶ χάριτι καὶ κατασκευῇ ‹τῇ› περὶ λέξιν ἐοικότα τοῖς Ὁμήρου καὶ Ἡσιόδου μᾶλλον ἢ τοῖς ὑπὸ τῆς Πυθίας ἐκφερομένοις.'

Καὶ ὁ Σαραπίων 'νοσοῦμεν γάρ' εἶπεν 'ὦ Βόηθε, καὶ τὰ ὦτα καὶ τὰ ὄμματα, συνειθισμένοι διὰ τρυφὴν καὶ [397] [a] μαλακίαν τὰ ἡδίω καλὰ νομίζειν καὶ ἀποφαίνεσθαι. τάχα δὴ μεμψόμεθα τὴν Πυθίαν, ὅτι Γλαύκης οὐ φθέγγεται τῆς κιθαρῳδοῦ λιγυρώτερον οὐδὲ χριομένη μύροις οὐδ' ἁλουργίδας ἀμπεχομένη κάτεισιν εἰς τὸ ‹χρηστήριον› οὐδ' ἐπιθυμιᾷ κασσίαν ἢ λήδανον ἢ λιβανωτὸν ἀλλὰ δάφνην καὶ κρίθινον ἄλευρον. οὐχ ὁρᾷς', εἶπεν, 'ὅσην χάριν ἔχει τὰ Σαπφικὰ μέλη κηλοῦντα καὶ καταθέλγοντα τοὺς ἀκροωμένους; 'Σίβυλλα δὲ μαινομένῳ στόματι' καθ' Ἡράκλειτον (fr. 92) 'ἀγέλαστα καὶ ἀκαλλώπιστα καὶ ἀμύριστα φθεγγομένη χιλίων ἐτῶν ἐξικνεῖται τῇ φωνῇ διὰ τὸν θεόν.' ὁ δὲ Πίνδαρος (fr. 32) 'ἀκοῦσαι' φησὶ 'τοῦ θεοῦ τὸν Κάδμον [οὐ] μουσικὰν ὀρθάν', οὐχ ἡδεῖαν οὐδὲ [b] τρυφερὰν οὐδ' ἐπικεκλασμένην τοῖς μέλεσιν. Ἡδονὴν γὰρ οὐ προσίεται τὸ ἀπαθὲς καὶ ἁγνόν, ἀλλ' ἐνταῦθα μετὰ τῆς Ἄτης ἐρρίφη καὶ τὸ πλεῖστον αὐτῆς [καὶ] ὡς ἔοικεν εἰς τὰ ὦτα τῶν ἀνθρώπων συνερρύηκεν.'

Εἰπόντος δὲ ταῦτα τοῦ Σαραπίωνος ὁ Θέων μειδιάσας 'ὁ Σαραπίων μέν' εἶπε 'τὸ εἰωθὸς ἀποδέδωκε τῷ τρόπῳ, λόγου περὶ Ἄτης καὶ Ἡδονῆς παραπεσόντος ἀπολαύσας· ἡμεῖς δ', ὦ Βόηθε, κἂν ᾖ ‹μὴ› φαυλότερα τῶν Ὁμήρου ταῦτα τὰ ἔπη, μὴ νομίσωμεν αὐτὰ πεποιηκέναι τὸν θεόν, ἀλλ' ἐκείνου τὴν ἀρχὴν τῆς κινήσεως ἐνδιδόντος ὡς ἑκάστη [c] πέφυκε κινεῖσθαι τῶν προφητίδων. καὶ γὰρ εἰ γράφειν ἔδει μὴ λέγειν τοὺς χρησμούς, οὐκ ἂν οἶμαι τοῦ θεοῦ τὰ γράμματα νομίζοντες ἐψέγομεν, ὅτι λείπεται καλλιγραφίᾳ τῶν βασιλικῶν. οὐ γὰρ ἔστι θεοῦ ‹γ'› ἡ γῆρυς οὐδ' ὁ φθόγγος οὐδ' ἡ λέξις οὐδὲ τὸ μέτρον ἀλλὰ τῆς γυναικός· ἐκεῖνος δὲ μόνας τὰς φαντασίας παρίστησι καὶ φῶς ἐν τῇ ψυχῇ ποιεῖ πρὸς τὸ μέλλον· ὁ γὰρ ἐνθουσιασμὸς τοιοῦτόν ἐστι. καθόλου δ' εἰπεῖν ὑμᾶς τοὺς τοῦ Ἐπικούρου (fr. 395) προφήτας (δῆλος γὰρ εἶ καὶ αὐτὸς ὑποφερόμενος) οὐκ ἔστι διαφυγεῖν, ἀλλὰ κἀκείνας αἰτιᾶσθε τὰς πάλαι προφήτιδας [d] ὡς φαύλοις ποιήμασι χρωμένας καὶ τὰς νῦν καταλογάδην καὶ διὰ τῶν ἐπιτυχόντων ὀνομάτων τοὺς χρησμοὺς λεγούσας, ὅπως ὑμῖν ἀκεφάλων καὶ λαγαρῶν μέτρων καὶ μειούρων εὐθύνας μὴ ὑπέχωσι.' καὶ ὁ Διογενιανός 'μὴ παῖζ'' εἶπεν 'ὦ πρὸς θεῶν, ἀλλὰ διάλυσον ἡμῖν ταύτην τὴν ἀπορίαν κοινὴν οὖσαν. οὐδεὶς γὰρ ἔστιν ἡμῶν ὃς οὐκ αἰτίαν ἐπιζητεῖ καὶ λόγον, πῶς πέπαυται τὸ μαντεῖον ἔπεσι καὶ ἐλεγείοις

Ἤδη δὲ προϊόντες ἦμεν κατὰ τὸν Ἱέρωνος ἀνδριάντα τοῦ τυράννου· καὶ τῶν μὲν ἄλλων ὁ ξένος εἰδὼς ἅπαντα παρεῖχεν ὅμως ὑπ’ εὐκολίας ἀκροατὴν αὑτόν· ἀκούσας δ’ ὅτι κίων τις ἑστὼς ἄνω χαλκοῦς Ἱέρωνος ἔπεσεν αὐτομάτως τῆς ἡμέρας ἐκείνης, ᾗ τὸν Ἱέρωνα συνέβαινεν ἐν Συρακούσαις τελευτᾶν, ἐθαύμασε. κἀγὼ τῶν ὁμοίων ἅμα συνανεμίμνησκον, οἷα δὴ τοῦ Ἕρμωνος μὲν τοῦ Σπαρτιάτου, ὅτι πρὸ τῆς ἐν Λεύκτροις αὐτῷ γενομένης τελευτῆς ἐξέπεσον οἱ ὀφθαλμοὶ τοῦ ἀνδριάντος, οἱ δ’ ἀστέρες ἠφανίσθησαν [f] οὓς Λύσανδρος ἀνέθηκεν ἀπὸ τῆς ἐν Αἰγὸς ποταμοῖς ναυμαχίας, ὁ δ’ αὐτοῦ ‹τοῦ› Λυσάνδρου λίθινος ἀνδριὰς ἐξήνθησεν ἀγρίαν λόχμην καὶ πόαν τοσαύτην τὸ πλῆθος, ὥστε κατακρύψαι τὸ πρόσωπον, ἐν δὲ τοῖς Σικελικοῖς τῶν Ἀθηναίων ἀτυχήμασιν αἵ τε χρυσαῖ τοῦ φοίνικος ἀπέρρεον βάλανοι, καὶ τὴν ἀσπίδα τοῦ Παλλαδίου κόρακες περιέκοπτον, ὁ δὲ Κνιδίων στέφανος, ὃν Φαρσαλίᾳ τῇ ὀρχηστρίδι Φιλόμηλος ὁ Φωκέων τύραννος ἐδωρήσατο, μεταστᾶσαν αὐτὴν ἐκ τῆς Ἑλλάδος εἰς τὴν Ἰταλίαν ἀπώλεσεν ἐν Μεταποντίῳ παίζουσαν περὶ τὸν νεὼν τοῦ [398] [a] Ἀπόλλωνος· ὁρμήσαντες γὰρ ἐπὶ τὸν στέφανον οἱ νεανίσκοι καὶ μαχόμενοι περὶ τοῦ χρυσίου πρὸς ἀλλήλους διέσπασαν τὴν ἄνθρωπον. Ἀριστοτέλης (fr. 130) μὲν οὖν μόνον Ὅμηρον ἔλεγε κινούμενα ποιεῖν ὀνόματα διὰ τὴν ἐνέργειαν, ἐγὼ δὲ φαίην ἂν καὶ τῶν ἀναθημάτων τὰ ἐνταυθοῖ μάλιστα συγκινεῖσθαι καὶ συνεπισημαίνειν τῇ τοῦ θεοῦ προνοίᾳ, καὶ τούτων μέρος μηδὲν εἶναι κενὸν μηδ’ ἀναίσθητον, ἀλλὰ πεπλῆσθαι πάντα θειότητος. καὶ ὁ Βόηθος ‘ναί’ εἶπεν· ‘οὐ γὰρ ἀρκεῖ τὸν θεὸν εἰς σῶμα καθειργνύναι θνητὸν ἅπαξ ἑκάστου μηνός, ἀλλὰ καὶ λίθῳ παντὶ καὶ χαλκῷ συμφυράσομεν αὐτόν, ὥσπερ οὐκ ἔχοντες [b] ἀξιόχρεων τῶν τοιούτων συμπτωμάτων τὴν τύχην δημιουργὸν καὶ ταὐτόματον.’ ‘εἶτ’’ ἔφην ἐγώ ‘τύχῃ σοι δοκεῖ καὶ αὐτομάτῳ τῶν τοιούτων ἕκαστον ἐοικέναι, καὶ πιθανόν ἐστι τὰς ἀτόμους ἐξολισθεῖν καὶ διαχυθῆναι καὶ παρεγκλῖναι μήτε πρότερον μήθ’ ὕστερον, ἀλλὰ κατ’ ἐκεῖνον τὸν χρόνον, ἐν ᾧ τῶν ἀναθέντων ἕκαστος ἢ χεῖρον ἔμελλε πράξειν ἢ βέλτιον; καὶ σὲ μὲν Ἐπίκουρος (fr. 383) ὠφελεῖ νῦν ὡς ἔοικεν ἀφ’ ὧν εἶπεν ἢ ἔγραψε πρὸ ἐτῶν τριακοσίων· ὁ θεὸς δ’, εἰ μὴ συνείρξειε φέρων ἑαυτὸν εἰς ἅπαντα μηδ’ ἀνακερασθείη πᾶσιν, οὐκ ἄν σοι δοκεῖ κινήσεως [c] ἀρχὴν καὶ πάθους αἰτίαν παρασχεῖν οὐδενὶ τῶν ὄντων;’

Τοιαῦτα μὲν ἐγὼ πρὸς τὸν Βόηθον ἀπεκρινάμην, ὅμοια δὲ περὶ τῶν Σιβυλλείων. ἐπειδὴ γὰρ ἔστημεν κατὰ τὴν πέτραν γενόμενοι τὴν κατὰ τὸ βουλευτήριον, ἐφ' ἧς λέγεται καθίζεσθαι τὴν πρώτην Σίβυλλαν ἐκ τοῦ Ἑλικῶνος παραγενομένην ὑπὸ τῶν Μουσῶν τραφεῖσαν (ἔνιοι δέ φασιν ἐκ Μαλιέων ἀφικέσθαι Λαμίας οὖσαν θυγατέρα τῆς Ποσειδῶνος), ὁ μὲν Σαραπίων ἐμνήσθη τῶν ἐπῶν, ἐν οἷς ὕμνησεν ἑαυτήν, ὡς οὐδ' ἀποθανοῦσα λήξει μαντικῆς, ἀλλ' αὐτὴ μὲν ἐν τῇ σελήνῃ περίεισι τὸ [καλούμενον] φαινόμενον γενομένη πρόσωπον, τῷ δ' ἀέρι [d] τὸ πνεῦμα συγκραθὲν ἐν φήμαις ἀεὶ φορήσεται καὶ κληδόσιν· ἐκ δὲ τοῦ σώματος μεταβαλόντος ἐν τῇ γῇ πόας καὶ ὕλης ἀναφυομένης βοσκήσεται ταύτην ἱερὰ θρέμματα χρόας τε παντοδαπὰς ἴσχοντα καὶ μορφὰς καὶ ποιότητας ἐπὶ τῶν σπλάγχνων ἀφ' ὧν αἱ προδηλώσεις ἀνθρώποις τοῦ μέλλοντος. ὁ δὲ Βόηθος ἔτι μᾶλλον ἦν φανερὸς καταγελῶν· τοῦ δὲ ξένου * * * εἰπόντος, ὡς, εἰ καὶ ταῦτα μύθοις ἔοικεν, ἀλλὰ ταῖς γε μαντείαις ἐπιμαρτυροῦσι πολλαὶ μὲν ἀναστάσεις καὶ μετοικισμοὶ πόλεων Ἑλληνίδων, πολλαὶ δὲ βαρβαρικῶν στρατιῶν ἐπιφάνειαι καὶ ἀναιρέσεις ἡγεμονιῶν· [e] 'ταυτὶ δὲ τὰ πρόσφατα καὶ νέα πάθη περί τε Κύμην καὶ Δικαιάρχειαν οὐχ ὑμνούμενα πάλαι καὶ ᾀδόμενα διὰ τῶν Σιβυλλείων ὁ χρόνος ὥσπερ ὀφείλων ἀποδέδωκεν, ἐκρήξεις πυρὸς ὀρείου καὶ ζέσεις θαλασσίας καὶ πετρῶν καὶ φλογμῶν ὑπὸ πνεύματος ἀναρρίψεις καὶ φθορὰς πόλεων ἅμα τοσούτων καὶ τηλικούτων, ὡς μεθ' ἡμέραν ἐπελθοῦσιν ἄγνοιαν εἶναι καὶ ἀσάφειαν ὅπου κατῴκηντο τῆς χώρας συγκεχυμένης; ταῦτα γὰρ εἰ γέγονε πιστεῦσαι χαλεπόν ἐστι, μή τί γε προειπεῖν ἄνευ θειότητος.'

Καὶ ὁ Βόηθος 'ποῖον γάρ' εἶπεν 'ὦ δαιμόνιε, τῇ [f] φύσει πάθος ὁ χρόνος οὐκ ὀφείλει; τί δ' ἔστι τῶν ἀτόπων καὶ ἀπροσδοκήτων περὶ γῆν ἢ θάλατταν ἢ πόλεις ἢ ἄνδρας, ὅ τις ἂν προειπὼν οὐ τύχοι γενομένου; καίτοι τοῦτό γε σχεδὸν οὐδὲ προειπεῖν ἔστιν ἀλλ' εἰπεῖν, μᾶλλον δὲ ῥῖψαι καὶ διασπεῖραι λόγους οὐκ ἔχοντας ἀρχὴν εἰς τὸ ἄπειρον· οἷς πλανωμένοις ἀπήντησε πολλάκις ἡ τύχη καὶ συνέπεσεν αὐτομάτως. διαφέρει γὰρ οἶμαι γενέσθαι τὸ ῥηθὲν ἢ ῥηθῆναι τὸ γενησόμενον. ὁ γὰρ εἰπὼν τὰ μὴ ὑπάρχοντα λόγος ἐν ἑαυτῷ τὸ ἡμαρτημένον ἔχων οὐ [399] [a] δικαίως ἀναμένει τὴν ἐκ τοῦ αὐτομάτου πίστιν οὐδ' ἀληθεῖ τεκμηρίῳ χρῆται τοῦ προειπεῖν ἐπιστάμενος ‹τῷ› μετὰ τὸ εἰπεῖν γενομένῳ, πάντα τῆς ἀπειρίας φερούσης· μᾶλλον δ' ὁ μὲν 'εἰκάζων καλῶς', ὃν 'ἄριστον μάντιν' ἀνηγόρευκεν ἡ παροιμία (Eur. fr. 973), ἰχνοσκοποῦντι καὶ στιβεύοντι διὰ τῶν εὐλόγων τὸ μέλλον ὅμοιός ἐστι, Σίβυλλαι δ' αὗται καὶ Βάκιδες ὥσπερ εἰς πόντον ἀτεκμάρτως τὸν χρόνον κατέβαλον καὶ διέσπειραν ὡς ἔτυχε παντοδαπῶν ὀνόματα καὶ ῥήματα παθῶν

Τοιαῦτα τοῦ Βοήθου διελθόντος ὁ Σαραπίων 'δίκαιον' [b] ἔφη 'τὸ ἀξίωμα περὶ τῶν οὕτως, ‹ὡς› λέγει Βόηθος, ἀορίστως καὶ ἀνυποθέτως λεγομένων, ‹οἷον› εἰ νίκη στρατηγῷ προείρηται ‹καὶ› νενίκηκεν, εἰ πόλεως ἀναίρεσις ‹καὶ› ἀπόλωλεν· ὅπου δ' οὐ μόνον λέγεται τὸ γενησόμενον, ἀλλὰ καὶ πῶς καὶ πότε καὶ μετὰ τί καὶ μετὰ τίνος, οὐκ ἔστιν εἰκασμὸς τῶν τάχα γενησομένων ἀλλὰ τῶν πάντως ἐσομένων προδήλωσις ‹οἷα› καὶ ταῦτ' ἔστιν εἰς τὴν Ἀγησιλάου χωλότητα·

ἐκεῖνον μὲν οὖν εἰκότως ὁ θεὸς ἠμύνατο μύθου παλαιοῦ [410] [a] καθάπερ ζωγραφήματος ἁφῇ διαπειρώμενον· ὀλίγον δὲ πρὸ Πυθίων τῶν ἐπὶ Καλλιστράτου ‹τοῦ› καθ’ ἡμᾶς ἀπὸ τῶν ἐναντίων τῆς οἰκουμένης περάτων ἔτυχον ἄνδρες ἱεροὶ δύο συνδραμόντες εἰς Δελφούς, Δημήτριος μὲν ὁ γραμματικὸς ἐκ Βρεττανίας εἰς Ταρσὸν ἀνακομιζόμενος οἴκαδε, Κλεόμβροτος δ’ ὁ Λακεδαιμόνιος, πολλὰ μὲν ἐν Αἰγύπτῳ καὶ περὶ τὴν Τρωγλοδυτικὴν πεπλανημένος, πόρρω δὲ τῆς Ἐρυθρᾶς θαλάσσης ἀναπεπλευκὼς οὐ κατ’ ἐμπορίαν, ἀλλ’ ἀνὴρ φιλοθεάμων καὶ φιλομαθὴς οὐσίαν δ’ ἔχων [b] ἱκανὴν καὶ τὸ πλείονα τῶν ἱκανῶν ἔχειν οὐκ ἄξιον πολλοῦ ποιούμενος ἐχρῆτο τῇ σχολῇ πρὸς τὰ τοιαῦτα καὶ συνῆγεν ἱστορίαν οἷον ὕλην φιλοσοφίας θεολογίαν ὥσπερ αὐτὸς ἐκάλει τέλος ἐχούσης. νεωστὶ δὲ γεγονὼς παρ’ Ἄμμωνα τὰ μὲν ἄλλα τῶν ἐκεῖ δῆλος ἦν μὴ πάνυ τεθαυμακώς, περὶ δὲ τοῦ λύχνου τοῦ ἀσβέστου διηγεῖτο λόγον ἄξιον σπουδῆς λεγόμενον ὑπὸ τῶν ἱερέων. ἀεὶ γὰρ ἔλαττον ἀναλίσκειν ἔλαιον ἔτους ἑκάστου, καὶ τοῦτο ποιεῖσθαι τεκμήριον ἐκείνους τῆς τῶν ἐνιαυτῶν ἀνωμαλίας τὸν ὕστερον τοῦ προάγοντος ἀεὶ τῷ χρόνῳ βραχύτερον ποιούσης· εἰκὸς γὰρ ἐν ἐλάττονι χρόνῳ τὸ δαπανώμενον ἔλαττον εἶναι.

Θαυμασάντων δὲ τῶν παρόντων, τοῦ δὲ Δημητρίου [c] καὶ γελοῖον φήσαντος εἶναι ἀπὸ μικρῶν πραγμάτων οὕτω μεγάλα θηρᾶν, οὐ κατ’ Ἀλκαῖον (fr. 113) ‘ἐξ ὄνυχος τὸν λέοντα’ γράφοντας, ἀλλὰ θρυαλλίδι καὶ λύχνῳ τὸν οὐρανὸν ὁμοῦ καὶ τὰ σύμπαντα μεθιστάντας καὶ τὴν μαθηματικὴν ἄρδην ἀναιροῦντας, ὁ Κλεόμβροτος ‘οὐδέτερον’ ἔφη ‘τούτων διαταράξει τοὺς ἄνδρας· ἀλλὰ τοῖς μαθηματικοῖς οὐχ ὑφήσονται τῆς ἀκριβείας, ὡς μᾶλλον ἂν ἐκείνους διαφυγόντα τὸν χρόνον ἐν κινήσεσι καὶ περιόδοις οὕτω μακρὰν ἀφεστώσαις, ἢ τὸ μέτρον αὐτοὺς τοῦ ἐλαίου προσέχοντας ἀεὶ διὰ τὴν ἀτοπίαν τῷ παραλόγῳ καὶ παραφυλάττοντας.

[d] τὸ δὲ μικρὰ μὴ διδόναι σημεῖα γίγνεσθαι μεγάλων, ὦ Δημήτριε, πολλαῖς ἔσται τέχναις ἐμποδών, ἐπεὶ [καὶ] πολλῶν μὲν ἀποδείξεις παραιρεῖσθαι συμβήσεται πολλῶν δὲ προαγορεύσεις. καίτοι καὶ ἡμῖν οὐ μικρὸν ἀποδείκνυτε πρᾶγμα, λεαίνεσθαι ξυρῷ τὰ σώματα τοὺς ἥρωας, ἐντυχόντες [γὰρ] Ὁμήρῳ (Κ 173) ξυρὸν ὀνομάσαντι, καὶ δανείζειν ἐπὶ τόκοις, ὅτι που (γ 367) ‘χρέος ὀφέλλεσθαι’ φησίν ‘οὔτι νέον οὐδ’ ὀλίγον,’ ὡς τοῦ ὀφέλλεσθαι τὸ αὔξεσθαι δηλοῦντος. αὖθις δὲ τὴν νύκτα ‘θοήν’ εἰπόντος ἀγαπητῶς ἐμφύεσθε τῷ ῥήματι καὶ τοῦτ’ ἐκεῖνό φατε, φράζεσθαι τὴν σκιὰν τῆς γῆς ὑπ’ αὐτοῦ κωνικήν, [e] οὖσαν ἀπὸ σφαιροειδοῦς. ἰατρικὴν δὲ λοιμῶδες θέρος ἀραχνίων πλήθει προδηλοῦν καὶ θρίοις ἐαρινοῖς ὅταν κορώνης ποσὶν εἴκελα γένηται τίς ἐάσει τῶν ἀξιούντων μικρὰ σημεῖα μὴ γίγνεσθαι τῶν μεγάλων; τίς δ’ ἀνέξεται πρὸς χοῦν καὶ κοτύλην ὕδατος τὸ τοῦ ἡλίου μέγεθος μετρούμενον, ἢ τῆς ἐνταῦθα πλινθίδος ἣν ποιεῖ γωνίαν ὀξεῖαν κεκλιμένη πρὸς τὸ ἐπίπεδον, μέτρον εἶναι λεγομένην τοῦ ἐξάρματος, ὃ ἐξῆρται τῶν πόλων ὁ ἀεὶ φανερὸς ἀπὸ τοῦ ὁρίζοντος; ταῦτα γὰρ ἦν ἀκούειν τῶν ἐκεῖ προφητῶν. ὥστ’ ἄλλο τι λεγόντων πρὸς αὐτοὺς οἱ βουλόμενοι τῷ ἡλίῳ κατὰ τὰ πάτρια τὴν νενομισμένην τάξιν [f] ἀπαράβατον ποιῆσαι.’

Παρὼν οὖν ἀνεφώνησεν Ἀμμώνιος ὁ φιλόσοφος ‘οὐ τῷ ἡλίῳ μόνον, εἰπέ, ἀλλὰ τῷ οὐρανῷ παντί. συστέλλεσθαι γὰρ ἀνάγκη τὴν ἀπὸ τροπῶν ἐπὶ τροπὰς πάροδον αὐτοῦ [411] [a] καὶ μὴ διαμένειν τηλικοῦτο μέρος οὖσαν τοῦ ὁρίζοντος ἡλίκον οἱ μαθηματικοὶ λέγουσιν, ἀλλ’ ἐλάττονα γίγνεσθαι, ἀεὶ πρὸς τὰ βόρεια τῶν νοτίων συναγωγὴν λαμβανόντων, καὶ τὸ θέρος ἡμῖν βραχύτερον καὶ ψυχρότερον εἶναι τὴν κρᾶσιν, ἐνδοτέρω κάμπτοντος αὐτοῦ καὶ μειζόνων παραλλήλων ἐφαπτομένου τοῖς τροπικοῖς σημείοις· ἔτι δὲ τοὺς μὲν ἐν Συήνῃ γνώμονας ἀσκίους μηκέτι φαίνεσθαι περὶ τροπὰς θερινὰς πολλοὺς δὲ ὑποδεδραμηκέναι τῶν ἀπλανῶν ἀστέρων ἐνίους δὲ ψαύειν καὶ συγκεχύσθαι πρὸς ἀλλήλους τοῦ διαστήματος ἐκλελοιπότος. εἰ δ’ αὖ [b] φήσουσι τῶν ἄλλων ὁμοίως ἐχόντων ἀτακτεῖν ταῖς κινήσεσι τὸν ἥλιον, οὔτε τὴν μόνον τοῦτον ἐκ τοσούτων ἐπιταχύνουσαν αἰτίαν εἰπεῖν ἕξουσι καὶ τὰ πολλὰ τῶν φαινομένων συνταράξουσι, τὰ δὲ πρὸς σελήνην καὶ παντάπασιν, ὥστε μὴ δεῖσθαι μέτρων ἐλαίου τὴν διαφορὰν ἐλεγχόντων. αἱ γὰρ ἐκλείψεις ἐλέγξουσιν αὐτοῦ τε τῇ σελήνῃ πλεονάκις ἐπιβάλλοντος καὶ τῆς σελήνης τῇ ‹τῆς γῆς› σκιᾷ, τὰ δ’ ἄλλα δῆλα καὶ οὐδὲν δεῖ περαιτέρω τὴν ἀλαζονείαν τοῦ λόγου διελίττειν.’ ‘ἀλλὰ μήν’ ὁ Κλεόμβροτος ἔφη ‘καὶ τὸ μέτρον αὐτὸς εἶδον· πολλὰ γὰρ ἐδείκνυσαν· τὸ δ’ ἐπέτειον ἀπέδει τῶν παλαιοτάτων οὐκ ὀλίγον.’ [c] ὑπολαβὼν δ’ αὖθις ὁ Ἀμμώνιος ‘εἶτα τοὺς ἄλλους ἀνθρώπους’ εἶπεν ‘ἔλαθε παρ’ οἷς ἄσβεστα θεραπεύεται πυρὰ καὶ σῴζεται χρόνον ἐτῶν

Παυσαμένου δὲ τοῦ Ἀμμωνίου ‘μᾶλλον’ ἔφην ἐγώ ‘περὶ τοῦ μαντείου δίελθ’ ἡμῖν, ὦ Κλεόμβροτε· μεγάλη γὰρ ἡ παλαιὰ δόξα τῆς ἐκεῖ θειότητος, τὰ δὲ νῦν ἔοικεν [e] ὑπομαραίνεσθαι.’ τοῦ δὲ Κλεομβρότου σιωπῶντος καὶ κάτω βλέποντος ὁ Δημήτριος ‘οὐδέν’ ἔφη ‘δεῖ περὶ τῶν ἐκεῖ πυνθάνεσθαι καὶ διαπορεῖν τὴν ἐνταῦθα τῶν χρηστηρίων ἀμαύρωσιν μᾶλλον δὲ πλὴν ἑνὸς ἢ δυεῖν ἁπάντων ἔκλειψιν ὁρῶντας, ἀλλ’ ἐκεῖνο σκοπεῖν, δι’ ἣν αἰτίαν οὕτως ἐξησθένηκε. τὰ γὰρ ἄλλα τί δεῖ λέγειν, ὅπου γε τὴν Βοιωτίαν ἕνεκα χρηστηρίων πολύφωνον οὖσαν ἐν τοῖς πρότερον χρόνοις νῦν ἐπιλέλοιπε κομιδῇ καθάπερ νάματα, καὶ πολὺς ἐπέσχηκε μαντικῆς αὐχμὸς τὴν χώραν; οὐδαμοῦ γὰρ [f] ἀλλαχόθι νῦν ἢ περὶ Λεβάδειαν ἡ Βοιωτία παρέχει τοῖς χρῄζουσιν ἀρύσασθαι μαντικῆς, τῶν δ’ ἄλλων τὰ μὲν σιγὴ τὰ δὲ παντελὴς ἐρημία κατέσχηκε. καίτοι γε περὶ τὰ Μηδικὰ .... μὲν εὐδοκίμησεν, ‹τὸ δὲ Πτῷον› οὐχ ἧττον [412] [a] ἢ τὸ τοῦ Ἀμφιάρεω ‹καὶ› ἀπεπειράθη μὲν ὡς ἔοικεν ἀμφοτέρων ὡς . ὁ μὲν οὖν τοῦ μαντείου προφήτης φωνῇ Αἰολίδι χρώμενος .... τὸ πρὸ τοῦ ‹τότε τῇ› τῶν βαρβάρων χρησμὸν ἐξήνεγκεν, ὥστε μηδένα ξυνεῖναι [ἁγίων] τῶν παρόντων .... ὃν ἐκεῖνον, ὡς .... τοῦ ἐνθουσιασμοῦ .... τι τοῖς βαρβάροις οὐκ ἔστιν οὐ‹δὲ› δέδοται φωνὴν Ἑλληνίδα λαβεῖν τὸ προσταττόμενον ὑπηρετοῦσαν. ὁ δὲ πεμφθεὶς εἰς Ἀμφιάρεω Λυδὸς ἔδοξε κατὰ τοὺς ὕπνους ὑπηρέτην τοῦ θεοῦ φανέντα πρῶτον μὲν ἀπὸ φωνῆς ἐκβάλλειν αὐτόν, ὡς τοῦ θεοῦ μὴ παρόντος, ἔπειτα ταῖς χερσὶν ὠθεῖν, ἐπιμένοντος δὲ λίθον εὐμεγέθη λαβόντα τὴν κεφαλὴν [b] πατάξαι. ταῦτα δ’ ἦν ὥσπερ ἀντίφωνα τῶν γενησομένων· ἡττήθη γὰρ ὁ Μαρδόνιος, οὐ βασιλέως ἀλλ’ ἐπιτρόπου καὶ διακόνου βασιλέως ἡγουμένου τῶν Ἑλλήνων, καὶ λίθῳ πληγεὶς ἔπεσεν, ὥσπερ ὁ Λυδὸς ἔδοξε πληγῆναι κατὰ τοὺς ὕπνους.

Ὁ δὲ Δημήτριος ἔφη τῶν περὶ τὴν Βρεττανίαν νήσων εἶναι πολλὰς ἐρήμους σποράδας, ὧν ἐνίας δαιμόνων καὶ ἡρώων ὀνομάζεσθαι· πλεῦσαι δὲ αὐτὸς ἱστορίας καὶ θέας ἕνεκα πομπῇ τοῦ βασιλέως εἰς τὴν ἔγγιστα κειμένην τῶν ἐρήμων ἔχουσαν οὐ πολλοὺς ‹τοὺς› ἐποικοῦντας ἱεροὺς δὲ καὶ ἀσύλους πάντας ὑπὸ τῶν Βρεττανῶν ὄντας. ἀφικομένου δ’ αὐτοῦ νεωστὶ σύγχυσιν μεγάλην περὶ τὸν ἀέρα καὶ διοσημίας πολλὰς γενέσθαι καὶ πνεύματα καταρραγῆναι καὶ πεσεῖν πρηστῆρας· ἐπεὶ δ’ ἐλώφησε, λέγειν τοὺς νησιώτας [f] ὅτι τῶν κρεισσόνων τινὸς ἔκλειψις γέγονεν. ‘ὡς γὰρ λύχνος ἀναπτόμενος’ φάναι ‘δεινὸν οὐδὲν ἔχει σβεννύμενος δὲ πολλοῖς λυπηρός ἐστιν, οὕτως αἱ μεγάλαι ψυχαὶ τὰς μὲν ἀναλάμψεις εὐμενεῖς καὶ ἀλύπους ἔχουσιν, αἱ δὲ σβέσεις αὐτῶν καὶ φθοραὶ πολλάκις μέν, ὡς νυνί, πνεύματα καὶ ζάλας τρέφουσι, πολλάκις δὲ λοιμικοῖς πάθεσι τὸν ἀέρα [420] [a] φαρμάττουσιν.’ ἐκεῖ μέντοι μίαν εἶναι νῆσον, ἐν ᾗ τὸν Κρόνον καθεῖρχθαι φρουρούμενον ὑπὸ τοῦ Βριάρεω καθεύδοντα· δεσμὸν γὰρ αὐτῷ τὸν ὕπνον μεμηχανῆσθαι, πολλοὺς δὲ περὶ αὐτὸν εἶναι δαίμονας ὀπαδοὺς καὶ θεράποντας.

Ὑπολαβὼν δ’ ὁ Κλεόμβροτος ‘ἔχω μέν’ ἔφη ‘καὶ ἐγὼ τοιαῦτα διελθεῖν, ἀρκεῖ δὲ πρὸς τὴν ὑπόθεσιν τὸ μηδὲν ἐναντιοῦσθαι μηδὲ κωλύειν ἔχειν οὕτω ταῦτα. καίτοι τοὺς Στωικούς (St. V. Fr. Καὶ ὁ Κλεόμβροτος 'ἀλλὰ θαυμάσαιμ' ἄν' εἶπεν 'εἰ μὴ πολὺ φαίνεται τῶν εἰρημένων ὑμῖν ἀτοπώτερος.

ΕΙ ΔΙΔΑΚΤΟΝ Η ΑΡΕΤΗ

[439] Περὶ τῆς ἀρετῆς βουλευόμεθα καὶ διαποροῦμεν, εἰ διδακτόν ἐστι τὸ φρονεῖν τὸ δικαιοπραγεῖν τὸ εὖ ζῆν· εἶτα θαυμάζομεν, εἰ ῥητόρων μὲν ἔργα καὶ κυβερνητῶν καὶ ἁρμονικῶν καὶ οἰκοδόμων καὶ γεωργῶν μυρί' ἐστίν, [b] ἀγαθοὶ δ' ἄνδρες ὀνομάζονται καὶ λέγονται μόνον, ὡς ἱπποκένταυροι καὶ γίγαντες καὶ κύκλωπες, ἔργον δ' ἀμεμφὲς εἰς ἀρετὴν [καὶ ἀκέραιον] οὐκ ἔστιν εὑρεῖν οὐδὲ πάθους ἀκέραιον ἦθος οὐδ' ἄθικτον αἰσχροῦ βίον, ἀλλ' εἰ καί τι καλὸν ἡ φύσις αὐτομάτως ἐκφέρει, τοῦτο πολλῷ τῷ ἀλλοτρίῳ, καθάπερ ὕλῃ καρπὸς ἀγρίᾳ καὶ ἀκαθάρτῳ μιγνύμενος, ἐξαμαυροῦται; ψάλλειν μανθάνουσιν οἱ ἄνθρωποι καὶ ὀρχεῖσθαι καὶ ἀναγινώσκειν γράμματα καὶ γεωργεῖν καὶ ἱππεύειν· καὶ τί δεινόν; ὑποδεῖσθαι μανθάνουσι περιβάλλεσθαι, οἰνοχοεῖν διδάσκουσιν ὀψοποιεῖν· ταῦτ' [c] ἄνευ τοῦ μαθεῖν οὐκ ἔστι χρησίμως ποιεῖν, δι' ὃ δὲ ταῦτα πάντα, τὸ εὖ βιοῦν, ἀδίδακτον καὶ ἄλογον καὶ ἄτεχνον καὶ αὐτόματον;

Ὦ ἄνθρωποι, τί τὴν ἀρετὴν λέγοντες ἀδίδακτον εἶναι ποιοῦμεν ἀνύπαρκτον; εἰ γὰρ ἡ μάθησις γένεσίς ἐστιν, ἡ τοῦ μαθεῖν κώλυσις ἀναίρεσις. καίτοι γ', ὥς φησιν ὁ Πλάτων (Clit. 407c), διὰ τὴν τοῦ ποδὸς πρὸς τὴν λύραν ἀμετρίαν καὶ ἀναρμοστίαν οὔτ' ἀδελφὸς ἀδελφῷ πολεμεῖ οὔτε φίλος φίλῳ διαφέρεται οὔτε πόλεις πόλεσι δι' ἀπεχθείας γινόμεναι τὰ ἔσχατα [κακὰ] δρῶσί τε καὶ [d] πάσχουσιν ὑπ' ἀλλήλων, οὐδὲ περὶ προσῳδίας ἔχει τις εἰπεῖν στάσιν ἐν πόλει γενομένην, ποτέρως Τελχινας ἀναγνωστέον, οὐδ' ἐν οἰκίᾳ διαφορὰν ἀνδρὸς καὶ γυναικὸς ὑπὲρ κρόκης ἢ στήμονος· ἀλλ' ὅμως οὔτ' ἂν ἱστὸν οὔτε βιβλίον ἢ λύραν ὁ μὴ μαθὼν μεταχειρίσαιτο, καίπερ εἰς οὐδὲν μέγα βλαβησόμενος, ἀλλ' αἰδεῖται γενέσθαι καταγέλαστος ('ἀμαθίην' γὰρ Ἡράκλειτός (B 95) φησι 'κρύπτειν ἄμεινον'), οἶκον δὲ καὶ γάμον καὶ πολιτείαν καὶ ἀρχὴν οἴεται καλῶς μεταχειρίσασθαι ‹μὴ παισὶ μαθὼν ὀρθῶς συμφέρεσθαι› μὴ γυναικὶ μὴ θεράποντι μὴ πολίτῃ μὴ ἀρχομένῳ μὴ ἄρχοντι; παιδὸς ὀψοφαγοῦντος ὁ Διογένης τῷ παιδαγωγῷ κόνδυλον ἔδωκεν, ὀρθῶς οὐ τοῦ μὴ μαθόντος [e] ἀλλὰ τοῦ μὴ διδάξαντος τὸ ἁμάρτημα ποιήσας. εἶτα παροψίδος μὲν ἢ κύλικος οὐκ ἔστι κοινωνεῖν ἐπιδεξίως, ἂν μὴ μάθῃ τις εὐθὺς ἐκ παίδων ἀρξάμενος, ὡς Ἀριστοφάνης (Nub. 979), 'μὴ κιχλίζειν μηδ' ὀψοφαγεῖν μηδ' ἴσχειν τὼ πόδ' ἐπαλλάξ', οἴκου δὲ καὶ πόλεως καὶ γάμου καὶ βίου καὶ ἀρχῆς κοινωνίαν ἀνέγκλητον ἐνδέχεται γενέσθαι μὴ μαθόντων ὅντινα χρὴ τρόπον ἀλλήλοις συμφέρεσθαι;

ΠΕΡΙ ΗΘΙΚΗΣ ΑΡΕΤΗΣ

[440] Περὶ τῆς ἠθικῆς λεγομένης ἀρετῆς καὶ δοκούσης, ᾧ δὴ μάλιστα τῆς θεωρητικῆς διαφέρει, τῷ τὸ μὲν πάθος ὕλην ἔχειν τὸν δὲ λόγον εἶδος, εἰπεῖν πρόκειται τίνα τ' οὐσίαν ἔχει καὶ πῶς ὑφίστασθαι πέφυκε· καὶ πότερον οἰκείῳ λόγῳ κεκόσμηται τὸ δεδεγμένον μόριον αὐτὴν τῆς ψυχῆς ἢ μετέσχηκεν ἀλλοτρίου· καὶ εἰ μετέσχηκε, πότερον ὡς τὰ μεμιγμένα πρὸς τὸ βέλτιον ἢ μᾶλλον ὡς ἐπιστασίᾳ τινὶ χρώμενον καὶ ἀρχῇ μετέχειν λέγεται τῆς τοῦ ἄρχοντος δυνάμεως. ὅτι μὲν γὰρ δύναται καὶ ἀρετὴ γεγονέναι [e] καὶ μένειν παντάπασιν ἄυλος καὶ ἄκρατος, οἶμαι δῆλον εἶναι.

Βέλτιον δὲ βραχέως ἐπιδραμεῖν καὶ τὰ τῶν ἑτέρων, οὐχ ἱστορίας ἕνεκα μᾶλλον ἢ τοῦ σαφέστερα γενέσθαι τὰ οἰκεῖα καὶ βεβαιότερα προεκτεθέντων ἐκείνων.

Μενέδημος μὲν ὁ ἐξ Ἐρετρίας ἀνῄρει τῶν ἀρετῶν καὶ τὸ πλῆθος καὶ τὰς διαφοράς, ὡς μιᾶς οὔσης καὶ χρωμένης πολλοῖς ὀνόμασι· τὸ γὰρ αὐτὸ σωφροσύνην καὶ ἀνδρείαν καὶ δικαιοσύνην λέγεσθαι, καθάπερ βροτὸν καὶ ἄνθρωπον. Χρύσιππος δὲ (fr. eth. 255) κατὰ [b] τὸν ποιὸν ἀρετὴν ἰδίᾳ ποιότητι συνίστασθαι νομίζων ἔλαθεν αὑτὸν κατὰ τὸν Πλάτωνα (Men. 72a) 'σμῆνος ἀρετῶν' οὐ σύνηθες οὐδὲ γνώριμον ἐγείρας· ὡς γὰρ παρὰ τὸν ἀνδρεῖον ἀνδρείαν καὶ παρὰ τὸν πρᾶον πραότητα καὶ δικαιοσύνην παρὰ τὸν δίκαιον, οὕτω παρὰ τὸν χαρίεντα χαριεντότητας καὶ παρὰ τὸν ἐσθλὸν ἐσθλότητας καὶ παρὰ τὸν μέγαν μεγαλότητας καὶ παρὰ τὸν καλὸν καλότητας ἑτέρας τε τοιαύτας ἐπιδεξιότητας εὐαπαντησίας

Διὸ καὶ καλῶς ὠνόμασται τὸ ἦθος. ἔστι μὲν γάρ, ὡς τύπῳ εἰπεῖν, ποιότης τοῦ ἀλόγου τὸ ἦθος, ὠνόμασται δ' ὅτι τὴν ποιότητα ταύτην καὶ τὴν διαφορὰν ἔθει λαμβάνει τὸ ἄλογον ὑπὸ τοῦ λόγου πλαττόμενον, οὐ βουλομένου τὸ πάθος ἐξαιρεῖν παντάπασιν (οὔτε γὰρ δυνατὸν οὔτ' ἄμεινον), ἀλλ' ὅρον τινὰ καὶ τάξιν ἐπιτιθέντος αὐτῷ καὶ τὰς ἠθικὰς ἀρετάς, οὐκ ἀπαθείας οὔσας ἀλλὰ συμμετρίας [d] παθῶν καὶ μεσότητας, ἐμποιοῦντος· ἐμποιεῖ δὲ τῇ φρονήσει τὴν τοῦ παθητικοῦ δύναμιν εἰς ἕξιν ἀστείαν καθιστάς. τρία γὰρ δὴ ταῦτά φασι περὶ τὴν ψυχὴν ὑπάρχειν, δύναμιν πάθος ἕξιν. ἡ μὲν οὖν δύναμις ἀρχὴ καὶ ὕλη τοῦ πάθους, οἷον ὀργιλότης αἰσχυντηλία θαρραλεότης· τὸ δὲ πάθος κίνησίς τις ἤδη τῆς δυνάμεως, οἷον ὀργὴ θάρσος αἰδώς [θράσος]· ἡ δ' ἕξις ἰσχὺς καὶ κατασκευὴ τῆς περὶ τὸ ἄλογον δυνάμεως ἐξ ἔθους ἐγγενομένη,

κακία μέν, ἂν φαύλως, ἀρετὴ δ’, ἂν καλῶς ὑπὸ τοῦ λόγου παιδαγωγηθῇ τὸ πάθος.

Ἐπεὶ δ’ οὐ πᾶσαν ἀρετὴν μεσότητα ποιοῦσιν οὐδ’ [e] ἠθικὴν καλοῦσι, λεκτέον ἂν εἴη περὶ τῆς διαφορᾶς ἀρξαμένοις ἄνωθεν. ἔστι τοίνυν τῶν πραγμάτων τὰ μὲν ἁπλῶς ἔχοντα τὰ δὲ πῶς ἔχοντα πρὸς ἡμᾶς· ἁπλῶς μὲν οὖν ἔχοντα γῆ οὐρανὸς ἄστρα θάλασσα, πῶς δ’ ἔχοντα πρὸς ἡμᾶς ἀγαθὸν κακόν, αἱρετὸν φευκτόν, ἡδὺ ἀλγεινόν. ἀμφοῖν δὲ τοῦ λόγου θεωρητικοῦ ὄντος τὸ μὲν περὶ τὰ ἁπλῶς ἔχοντα μόνον ἐπιστημονικὸν καὶ θεωρητικόν ἐστι, τὸ δ’ ἐν τοῖς πῶς ἔχουσι πρὸς ἡμᾶς βουλευτικὸν καὶ πρακτικόν· ἀρετὴ δὲ τούτου μὲν ἡ φρόνησις ἐκείνου δ’ ἡ σοφία. διαφέρει δὲ σοφίας φρόνησις, ᾗ τοῦ θεωρητικοῦ πρὸς τὸ [f] πρακτικὸν καὶ παθητικὸν ἐπιστροφῆς καὶ σχέσεώς τινος γενομένης ὑφίσταται κατὰ λόγον ἡ φρόνησις. διὸ φρόνησις μὲν τύχης δεῖται σοφία δ’ οὐ δεῖται πρὸς τὸ οἰκεῖον τέλος οὐδὲ βουλῆς· ἔστι γὰρ περὶ τὰ ἀεὶ κατὰ ταὐτὰ καὶ ὡσαύτως ἔχοντα. καὶ καθάπερ ὁ γεωμέτρης οὐ βουλεύεται περὶ [444] [a] τοῦ τριγώνου, εἰ δυεῖν ὀρθαῖς ἴσας ἔχει τὰς ἐντὸς γωνίας ἀλλ’ οἶδεν (αἱ γὰρ βουλαὶ περὶ τῶν ἄλλοτ’ ἄλλως ἐχόντων, οὐ περὶ τῶν βεβαίων καὶ ἀμεταπτώτων), οὕτως ὁ θεωρητικὸς νοῦς περὶ τὰ πρῶτα καὶ μόνιμα καὶ μίαν ἀεὶ φύσιν ἔχοντα μὴ δεχομένην μεταβολὰς ἐνεργῶν ἀπήλλακται τοῦ βουλεύεσθαι· τὴν δὲ φρόνησιν εἰς πράγματα πλάνης μεστὰ καὶ ταραχῆς καθιεῖσαν ἐπιμίγνυσθαι τοῖς τυχηροῖς πολλάκις ἀναγκαῖόν ἐστι καὶ τῷ βουλευτικῷ χρῆσθαι περὶ τῶν ἀδηλοτέρων, τῷ δὲ πρακτικῷ τὸ βουλευτικὸν ἐκδεχομένην ἐνεργεῖν ἤδη καὶ τοῦ ἀλόγου συμπαρόντος καὶ συνεφελκομένου [b] ταῖς κρίσεσιν. ὁρμῆς γὰρ δέονται· τὴν δ’ ὁρμὴν τῷ πάθει ποιεῖ τὸ ἦθος, λόγου δεομένην ὁρίζοντος, ὅπως μετρία παρῇ καὶ μήθ’ ὑπερβάλλῃ μήτ’ ἐγκαταλείπῃ τὸν καιρόν. τὸ γὰρ δὴ παθητικὸν καὶ ἄλογον κινήσεσι χρῆται ταῖς μὲν ἄγαν σφοδραῖς καὶ ὀξείαις ταῖς δὲ μαλακωτέραις ἢ προσήκει καὶ ἀργοτέραις. ὅθεν ἕκαστον ὧν πράττομεν ἀεὶ μοναχῶς μὲν κατορθοῦται πλεοναχῶς δ’ ἁμαρτάνεται· τὸ γὰρ βαλεῖν τὸν σκοπὸν ἕν ἐστι καὶ ἁπλοῦν, ἀστοχοῦσι δ’ ἄλλοτ’ ἄλλως, ὑπερβάλλοντες τὸ μέτριον ἢ προαπολείποντες. τοῦτ’ οὖν τοῦ πρακτικοῦ λόγου κατὰ [c] φύσιν ἔργον ἐστί, τὸ ἐξαιρεῖν τὰς ἀμετρίας τῶν παθῶν καὶ πλημμελείας. ὅπου μὲν γὰρ ὑπ’ ἀρρωστίας καὶ μαλακίας ἢ δέους καὶ ὄκνου προενδίδωσιν ἡ ὁρμὴ καὶ προαπολείπει τὸ καλόν, ἐνταῦθα πάρεστιν ἐξεγείρων καὶ ἀναρριπίζων, ὅπου δὲ πάλιν ἐκφέρεται ῥυεῖσα πολλὴ καὶ ἄτακτος, ἐκεῖ τὸ σφοδρὸν ἀφαιρεῖ καὶ ἵστησιν. οὕτως δ’ ὁρίζων τὴν παθητικὴν κίνησιν ἐμποιεῖ τὰς ἠθικὰς ἀρετὰς περὶ τὸ ἄλογον, ἐλλείψεως καὶ ὑπερβολῆς μεσότητας οὔσας. οὐ γὰρ ἅπασαν ἀρετὴν μεσότητι γίνεσθαι ῥητέον· ἀλλ’ ἡ μὲν ἀπροσδεὴς τοῦ ἀλόγου καὶ περὶ

τὸν εἰλικρινῆ [d] καὶ ἀπαθῆ νοῦν συνισταμένη σοφία καὶ φρόνησις αὐτοτελής τίς ἐστιν ἀκρότης τοῦ λόγου καὶ δύναμις, ᾗ τὸ θειότατον ἐγγίνεται τῆς ἐπιστήμης καὶ μακαριώτατον, ἡ δ' ἀναγκαία διὰ τὸ σῶμα καὶ δεομένη τῆς παθητικῆς ὥσπερ ὀργανικῆς ὑπηρεσίας ἐπὶ τὸ πρακτικόν, οὐκ οὖσα φθορὰ τοῦ ἀλόγου τῆς ψυχῆς οὐδ' ἀναίρεσις ἀλλὰ τάξις καὶ διακόσμησις, ἀκρότης μέν ἐστι τῇ δυνάμει καὶ τῇ ποιότητι, τῷ ποσῷ δὲ μεσότης γίνεται τὸ ὑπερβάλλον ἐξαιροῦσα καὶ τὸ ἐλλεῖπον.

Ἐπεὶ δὲ πολλαχῶς τὸ μέσον (καὶ γὰρ τὸ κεκραμένον τῶν ἀκράτων μέσον, ὡς λευκοῦ καὶ μέλανος τὸ [e] φαιόν· καὶ τὸ περιέχον καὶ περιεχόμενον τοῦ περιεχομένου καὶ περιέχοντος, ὡς τῶν δώδεκα καὶ τεττάρων τὰ ὀκτώ· καὶ τὸ μηδετέρου τῶν ἄκρων μετέχον, ὡς ἀγαθοῦ καὶ κακοῦ τὸ ἀδιάφορον), τούτων μὲν οὐδενὶ τῶν τρόπων ἡ ἀρετὴ προσρητέα μεσότης. οὔτε γὰρ μῖγμα τῶν κακιῶν ἐστιν, οὔτ' ἐμπεριέχουσα τοὔλαττον ἐμπεριέχεται τῷ πλεονάζοντι τοῦ προσήκοντος, οὔτ' ἀπήλλακται παντάπασι τῶν παθητικῶν ὁρμῶν, ἐν αἷς τὸ μᾶλλον καὶ τὸ ἧττόν ἐστι. γίνεται δὲ μεσότης καὶ λέγεται μάλιστα τῇ περὶ φθόγγους καὶ ἁρμονίας ὁμοίως· ἐκείνη τε γὰρ ἐμμελὴς οὖσα φωνὴ καθάπερ ἡ νήτη καὶ ὑπάτη τῆς μὲν τὴν ὀξύτητα τῆς δὲ τὴν βαρύτητα τὴν ἄγαν διαπέφευγεν· αὕτη τε κίνησις οὖσα καὶ δύναμις περὶ τὸ ἄλογον, τὰς ἐκλύσεις καὶ τὰς ἐπιτάσεις καὶ ὅλως τὸ μᾶλλον καὶ τὸ [445] [a] ἧττον ἐξαιρεῖ τῆς ὁρμῆς, εἰς τὸ μέτριον καὶ ἀναμάρτητον καθιστᾶσα τῶν παθῶν ἕκαστον. αὐτίκα τὴν μὲν ἀνδρείαν μεσότητά φασιν εἶναι δειλίας καὶ θρασύτητος, ὧν ἡ μὲν ἔλλειψις ἡ δ' ὑπερβολὴ τοῦ θυμοειδοῦς ἐστι· τὴν δ' ἐλευθεριότητα μικρολογίας καὶ ἀσωτίας, πραότητα δ' ἀναλγησίας καὶ ὠμότητος· αὐτήν τε σωφροσύνην καὶ δικαιοσύνην, τὴν μὲν περὶ τὰ συμβόλαια μήτε πλέον νέμουσαν αὑτῇ τοῦ προσήκοντος μήτ' ἔλαττον, τὴν δ' εἰς τὸ μέσον [ἀπαθείας] ἀναισθησίας καὶ ἀκολασίας ἀεὶ τὰς ἐπιθυμίας καθιστᾶσαν.

Ἐν ᾧ δὴ καὶ μάλιστα δοκεῖ τὸ ἄλογον τῆς πρὸς τὸ [b] λογικὸν διαφορᾶς αὐτοῦ παρέχειν κατανόησιν, καὶ δεικνύειν τὸ πάθος ὡς ἕτερόν τι κομιδῇ τοῦ λόγου ἐστίν. οὐ γὰρ ἂν διέφερε σωφροσύνης ἐγκράτεια, καὶ ἀκολασίας ἀκρασία περὶ τὰς ἡδονὰς καὶ τὰς ἐπιθυμίας, εἰ ταὐτὸν ἦν τῆς ψυχῆς ᾧ ἐπιθυμεῖν ᾧ τε κρίνειν πέφυκε. νῦν δὲ σωφροσύνη μέν ἐστιν, οὗ τὸ παθητικὸν ὥσπερ εὐήνιον θρέμμα καὶ πρᾶον ὁ λογισμὸς ἡνιοχεῖ καὶ μεταχειρίζεται, περὶ τὰς ἐπιθυμίας χρώμενος ὑπείκοντι καὶ δεχομένῳ τὸ μέτριον καὶ τὸ εὔσχημον ἑκουσίως, ὁ δ' ἐγκρατὴς ἄγει μὲν ἐρρωμένῳ τῷ λογισμῷ καὶ κρατοῦντι τὴν ἐπιθυμίαν, ἄγει δ' οὐκ ἀλύπως οὐδὲ πειθομένην ἀλλὰ [c] πλαγίαν καὶ ἀντιτείνουσαν, οἷον ὑπὸ πληγῆς καὶ χαλινοῦ καταβιαζόμενος καὶ ἀνακρούων, ἀγῶνος ὢν ἐν ἑαυτῷ καὶ θορύβου μεστός·

οἷον ὁ Πλάτων (Phaedr. 254 sqq.) ἐξεικονίζει περὶ τὰ τῆς ψυχῆς ὑποζύγια, τοῦ χείρονος πρὸς τὸ βέλτιον ζυγομαχοῦντος ἅμα καὶ τὸν ἡνίοχον διαταράττοντος ἀντέχειν ὀπίσω καὶ κατατείνειν ὑπὸ σπουδῆς ἀναγκαζόμενον ἀεί, ‘μὴ βάλῃ φοίνικας ἐκ χειρῶν ἱμάντας’ κατὰ Σιμωνίδην (fr. 17). ὅθεν οὐδ’ ἀρετὴν ἀξιοῦσιν αὐτοτελῆ τὴν ἐγκράτειαν ἀλλ’ ἔλαττον ἀρετῆς εἶναι· μεσότης γὰρ οὐ γέγονεν ἐκ συμφωνίας τοῦ χείρονος πρὸς τὸ βέλτιον οὐδ’ ἀνῄρηται τοῦ πάθους τὸ ὑπερβάλλον, [d] οὐδὲ πειθόμενον οὐδ’ ὁμολογοῦν τῷ φρονοῦντι τῆς ψυχῆς τὸ ἐπιθυμοῦν ἀλλὰ λυποῦν καὶ λυπούμενον καὶ καθειργόμενον ὑπ’ ἀνάγκης ὥσπερ ἐν στάσει δυσμενὲς καὶ πολέμιον συνοικεῖ·

θινῶδες ἄγκιστρον οὐ φαύλως λέγων τὸ μὴ κάτοχον τοῦ λογισμοῦ μηδ’ ἀραρός, ἀλλὰ μανότητι τῆς ψυχῆς καὶ μαλακίᾳ προϊέμενον τὴν κρίσιν. οὐ πόρρω δὲ τῆς εἰκόνος [b] ταύτης κἀκεῖνα εἴρηται

‘ναῦς ὥς τις ἐκ μὲν γῆς ἀνήρτημαι βρόχοις,

πνεῖ δ’ οὖρος, ἡμῖν δ’ οὐ κρατεῖ τὰ πείσματα·’

(Trag. ad. 380)

πείσματα γὰρ λέγει τὰς ἀντεχούσας κρίσεις πρὸς τὸ αἰσχρόν, εἶθ’ ὥσπερ ὑπὸ πνεύματος πολλοῦ ῥηγνυμένας τοῦ πάθους. τῷ γὰρ ὄντι πλησίστιος μὲν ἐπὶ τὰς ἡδονὰς ὁ ἀκόλαστος ὑπὸ τῶν ἐπιθυμιῶν φέρεται καὶ δίδωσιν ἑαυτὸν καὶ συγκατευθύνει· πλάγιος δ’ ὁ ἀκρατής, οἷον ἐξαναφέρειν γλιχόμενος καὶ διωθεῖσθαι τὸ πάθος, ὑποσύρεται καὶ περιπίπτει περὶ τὸ αἰσχρόν· ὡς Ἀνάξαρχον ἐσίλλαινε Τίμων (fr. 58 D)

οὔτε γὰρ ὁ σοφὸς ἐγκρατὴς ἀλλὰ σώφρων, οὔθ’ ὁ ἀμαθὴς ἀκρατὴς ἀλλ’ ἀκόλαστος· ὁ μὲν γὰρ ἥδεται τοῖς καλοῖς ὁ δ’ οὐκ ἄχθεται τοῖς αἰσχροῖς. σοφιστικῆς οὖν ψυχῆς ἡ ἀκρασία λόγον ἐχούσης οἷς ἔγνωκεν ὀρθῶς ἐμμένειν μὴ δυνάμενον.

Ἡ μὲν οὖν ἀκρασία τοιαύτας ἔχει διαφορὰς πρὸς τὴν ἀκολασίαν, ἡ δ’ ἐγκράτεια πρὸς τὴν σωφροσύνην αὖθις αὖ τὰς ἀντιστρόφους ἀναλόγως. τὸ γὰρ δάκνον καὶ τὸ λυποῦν καὶ τὸ ἀγανακτοῦν οὔπω τὴν ἐγκράτειαν ἀπολέλοιπε· [d] τῆς δὲ σώφρονος ψυχῆς τὸ πανταχόθεν ὁμαλὲς καὶ ἄσφυκτον καὶ ὑγιαῖνον, ᾧ συνήρμοσται καὶ συγκέκραται τὸ ἄλογον πρὸς τὸν λογισμὸν εὐπειθείᾳ καὶ πραότητι θαυμαστῇ κεκοσμημένον, εἴποις ἂν ἐπιβλέψας

‘δὴ τότ’ ἔπειτ’ ἄνεμος μὲν ἐπαύσατο, ἡ δὲ γαλήνη

ἔπλετο νηνεμίη, κοίμησε δὲ κύματα δαίμων’ (μ 168),

τὰ σφοδρὰ καὶ περιμανῆ καὶ οἰστρώδη κινήματα τῶν ἐπιθυμιῶν τοῦ λόγου κατασβέσαντος, ὧν δ’ ἡ φύσις ἀναγκαίως δεῖται, ταῦθ’ ὁμοπαθῆ καὶ ὑπήκοα καὶ φίλα καὶ συνεργὰ πεποιημένου ταῖς πρακτικαῖς προαιρέσεσιν, ὥστε μὴ

προεκθεῖν τοῦ λογισμοῦ μηδ' ὑπενδιδόναι μηδ' ἀτακτεῖν [e] μηδ' ἀπειθεῖν, ἀλλὰ πᾶσαν ὁρμὴν εὐάγωγον οὖσαν 'ἄθηλον ἵππῳ πῶλον ὣς ἅμα τρέχειν' (Semon. fr. 5), ἐπιβεβαιοῦσαν τὸν Ξενοκράτους (fr. 3) λόγον, ὃν ἐκεῖνος εἶπε περὶ τῶν ἀληθῶς φιλοσοφούντων, ὅτι μόνοι ποιοῦσιν ἑκουσίως ἃ ποιοῦσιν ἄκοντες οἱ λοιποὶ διὰ τὸν νόμον, ὥσπερ ὑπὸ πληγῆς κύνες ἢ γαλαῖ ψόφῳ τῶν ἡδονῶν ἀποτρεπόμενοι καὶ πρὸς τὸ δεινὸν ὑποβλέποντες.

Ὅτι μὲν οὖν γίνεταί τις ἐν τῇ ψυχῇ τοιαύτης ἑτερότητος αἴσθησις καὶ διαφορᾶς περὶ τὰς ἐπιθυμίας, ὥς τινος μαχομένου καὶ τἀναντία λέγοντος αὐταῖς, οὐκ ἄδηλόν [f] ἐστιν. ἔνιοι δέ φασιν (St. V. Fr. III 459) οὐχ ἕτερον εἶναι τοῦ λόγου τὸ πάθος οὐδὲ δυεῖν διαφορὰν καὶ στάσιν, ἀλλ' ἑνὸς λόγου τροπὴν ἐπ' ἀμφότερα, λανθάνουσαν ἡμᾶς [447] [a] ὀξύτητι καὶ τάχει μεταβολῆς, οὐ συνορῶντας ὅτι ταὐτόν ἐστι τῆς ψυχῆς ᾧ πέφυκεν ἐπιθυμεῖν καὶ μετανοεῖν, ὀργίζεσθαι καὶ δεδιέναι, φέρεσθαι πρὸς τὸ αἰσχρὸν ὑφ' ἡδονῆς καὶ φερομένης πάλιν αὐτῆς ἐπιλαμβάνεσθαι· καὶ γὰρ ἐπιθυμίαν καὶ ὀργὴν καὶ φόβον καὶ τὰ τοιαῦτα πάντα δόξας εἶναι καὶ κρίσεις πονηράς, οὐ περὶ ἕν τι γινομένας τῆς ψυχῆς μέρος, ἀλλ' ὅλου τοῦ ἡγεμονικοῦ ῥοπὰς καὶ εἴξεις καὶ συγκαταθέσεις καὶ ὁρμὰς καὶ ὅλως ἐνεργείας τινὰς οὔσας ἐν ὀλίγῳ μεταπτωτάς, ὥσπερ αἱ τῶν παίδων ἐπιδρομαὶ τὸ ῥαγδαῖον καὶ τὸ σφοδρὸν ἐπισφαλὲς ὑπ' ἀσθενείας καὶ ἀβέβαιον ἔχουσι.

Ταῦτα δὲ πρῶτον μὲν παρὰ τὴν ἐνάργειάν ἐστι καὶ τὴν [b] αἴσθησιν. οὐδεὶς γὰρ ἐν ἑαυτῷ τοῦ ἐπιθυμοῦντος αἰσθάνεται μεταβολὴν εἰς τὸ κρῖνον οὐδὲ τοῦ κρίνοντος αὖ πάλιν εἰς τὸ ἐπιθυμοῦν, οὐδὲ παύεται μὲν ἐρῶν, ὅτε λογίζεται καθεκτέον εἶναι τὸν ἔρωτα καὶ διαμαχετέον πρὸς αὐτόν, ἐξίσταται δὲ πάλιν τοῦ λογίζεσθαι καὶ κρίνειν, ὅταν ἐνδιδῷ μαλασσόμενος ὑπὸ τῆς ἐπιθυμίας· ἀλλὰ καὶ τῷ λόγῳ πρὸς τὸ πάθος ἀντιβαίνων ἐν τῷ πάθει ἐστὶν ἔτι καὶ πάλιν κρατούμενος ὑπὸ τοῦ πάθους διορᾷ τῷ λογισμῷ τὸ ἁμαρτανόμενον, καὶ οὔτε τῷ πάθει τὸν λόγον ἀνῄρηκεν οὔτε τῷ λογίζεσθαι τοῦ πάθους ἀπήλλακται, φερόμενος δ' ἑκατέρωσε μέσος ἀμφοῖν καὶ κοινός ἐστιν.

[c] οἱ δὲ νῦν μὲν ἐπιθυμίαν γίνεσθαι τὸ ἡγεμονικὸν νῦν δὲ τὸν ἀντιταττόμενον τῇ ἐπιθυμίᾳ λογισμὸν ὑπολαμβάνοντες οὐδὲν ἀπέχουσι τῶν μὴ δύο τὸν κυνηγὸν εἶναι καὶ τὸ θηρίον ὑπολαμβανόντων, ἀλλὰ ταὐτὸ σῶμα χρώμενον μεταβολῇ νῦν μὲν εἶναι θηρίον νῦν δὲ γίνεσθαι κυνηγόν· ἐκεῖνοί τε γὰρ ἐμφανές τι παρορῶσιν οὗτοί τε πρὸς τὴν αἴσθησιν ἀντιμαρτυροῦσιν, οὐχ ἑνός τινος μεταβολῆς ἀλλὰ δυεῖν ἅμα μάχης καὶ διαφορᾶς ἐν αὑτοῖς αἰσθανομένην.

‘Τί οὖν;’ φασίν, ‘οὐχὶ καὶ τὸ βουλευόμενον τοῦ ἀνθρώπου πολλάκις διχοφορεῖ καὶ πρὸς ἐναντίας ἀνθέλκεται [d] δόξας περὶ τοῦ συμφέροντος ἀλλ’ ἕν ἐστι’; ‘πάνυ μὲν οὖν’ φήσομεν, ‘ἀλλὰ τὸ συμβαῖνον οὐχ ὅμοιον.’ οὐ γὰρ μάχεται πρὸς ἑαυτὸ τῆς ψυχῆς τὸ φρονοῦν, ἀλλὰ μιᾷ χρώμενον δυνάμει διαφόρων ἐφάπτεται λογισμῶν· μᾶλλον δ’ εἷς λογισμὸς ἔστιν ἐν πράγμασι γινόμενος ἑτέροις ὥσπερ ὕλαις διαφερούσαις. ὅθεν οὔτε λύπη τοῖς ἄνευ πάθους λογισμοῖς ἔνεστιν, οὔθ’ ὥσπερ ἐκβιαζόμενοι παρὰ γνώμην αἱροῦνται θάτερον, ἂν μὴ νὴ Δία λανθάνῃ πάθος τι προσηρτημένον ὥσπερ ἐπὶ ζυγοῦ. καὶ γὰρ τοῦτο συμβαίνει πολλάκις, οὐ λογισμοῦ τινος πρὸς λογισμὸν ἀλλὰ φιλοτιμίας ἢ φιλονεικίας ἢ χάριτος ἢ ζηλοτυπίας ἢ δέους [e] ἀντιβαίνοντος οἴεσθαι λόγων εἶναι δυεῖν διαφοράν· ὥσπερ ἐν τούτοις (Η 93)·

[452] ΣΥΛ. Καλῶς μοι δοκοῦσιν, ὦ Φουνδάνε, ποιεῖν οἱ ζωγράφοι διὰ χρόνου τὰ ἔργα πρὶν ἢ συντελεῖν ἐπισκοποῦντες· ὅτι τὴν ὄψιν αὐτῶν ἀφιστάντες τῇ πολλάκις κρίσει ποιοῦσι καινὴν καὶ μᾶλλον ἁπτομένην τῆς παρὰ μικρὸν διαφορᾶς, ἣν ἀποκρύπτει τὸ συνεχὲς καὶ τὸ [453] [a] σύνηθες. ἐπεὶ τοίνυν οὐκ ἔστιν αὐτὸν αὑτῷ διὰ χρόνου προσελθεῖν χωρὶς γενόμενον καὶ διαστήσαντα τῆς συνεχείας τὴν αἴσθησιν, ἀλλὰ τοῦτ᾽ ἐστὶ τὸ μάλιστα ποιοῦν ἕκαστον αὑτοῦ φαυλότερον κριτὴν ἢ ἑτέρων, δεύτερον ἂν εἴη τὸ τοὺς φίλους ἐφορᾶν διὰ χρόνου καὶ παρέχειν ὁμοίως ἐκείνοις ἑαυτόν, οὐκ εἰ γέρων γέγονε ταχὺ καὶ τὸ σῶμα βέλτιον ἢ χεῖρον ἔσχηκεν, ἀλλὰ τὸν τρόπον καὶ τὸ ἦθος ἐπισκοπεῖν, εἴ τι χρηστὸν ὁ χρόνος προστέθεικεν ἢ τῶν φαύλων ἀφῄρηκεν. ἐγὼ γοῦν ἐνιαυτῷ μὲν ἀφιγμένος εἰς Ῥώμην δευτέρῳ, συνὼν δέ σοι μῆνα τουτονὶ πέμπτον τὸ μὲν ἐξ ὑπαρχόντων δι᾽ εὐφυΐαν ἀγαθῶν ἐπίδοσιν γεγονέναι [b] τοσαύτην καὶ αὔξησιν οὐ πάνυ θαυμαστὸν ἡγοῦμαι, τὸ δὲ σφοδρὸν ἐκεῖνο καὶ διάπυρον πρὸς ὀργὴν ὁρῶντί μοι πρᾶον οὕτως καὶ χειρόηθες τῷ λογισμῷ γεγενημένον ἐπέρχεται πρὸς τὸν θυμὸν εἰπεῖν (X 373)

‘ὢ πόποι, ἦ μάλα δὴ μαλακώτερος.’

αὕτη δ᾽ ἡ μαλακότης οὐκ ἀργίαν οὐδ᾽ ἔκλυσιν, ἀλλ᾽ ὥσπερ ἡ κατειργασμένη γῆ λειότητα καὶ βάθος ἐνεργὸν ἐπὶ τὰς πράξεις ἔσχηκεν ἀντὶ τῆς φορᾶς ἐκείνης καὶ τῆς ὀξύτητος. διὸ καὶ δῆλόν ἐστιν οὐ παρακμῇ τινι δι᾽ ἡλικίαν τὸ θυμοειδὲς οὐδ᾽ αὐτομάτως ἀπομαραινόμενον, ἀλλ᾽ ὑπὸ λόγων τινῶν χρηστῶν θεραπευόμενον. καίτοι (τὸ γὰρ ἀληθὲς εἰρήσεται πρὸς σέ) ταῦθ᾽ ἡμῖν Ἔρως ὁ ἑταῖρος [c] ἀπαγγέλλων ὕποπτος ἦν τὰ μὴ προσόντα πρέποντα δὲ προσεῖναι τοῖς καλοῖς κἀγαθοῖς δι᾽ εὔνοιαν ἐπιμαρτυρεῖν, καίπερ, ὡς οἶσθα, οὐδαμῇ πιθανὸς ὢν τῷ πρὸς χάριν ὑφίεσθαι τοῦ δοκοῦντος. ἀλλὰ νῦν ἐκεῖνός τε τῶν ψευδομαρτυριῶν ἀφεῖται, καὶ σύ, τῆς ὁδοιπορίας σχολὴν διδούσης, ὥσπερ ἰατρείαν τινὰ σεαυτοῦ δίελθ᾽ ἡμῖν, ᾗ χρησάμενος οὕτως εὐήνιον καὶ ἁπαλὸν καὶ τῷ λόγῳ πρᾶον καὶ ὑπήκοον ἐποιήσω τὸν θυμόν.

ΦΟΥΝΔ. Εἶτ᾽ οὐ σκοπεῖς, ὦ προθυμότατε Σύλλα, μὴ καὶ αὐτὸς εὐνοίᾳ καὶ φιλίᾳ τῇ πρὸς ἡμᾶς παρορᾷς τι τῶν ἡμετέρων; Ἔρωτι μὲν γὰρ οὐδ᾽ αὐτῷ πολλάκις ἔχοντι [d] κατὰ χώραν ἐν τῇ Ὁμηρικῇ πείσῃ (υ 23) μένοντα τὸν θυμόν, ἀλλὰ τραχύτερον ὑπὸ μισοπονηρίας εἰκός ἐστι πραοτέρους ἡμᾶς

φανῆναι, καθάπερ ἐν διαγραμμάτων μεταβολαῖς νῆταί τινες πρὸς ἑτέρας νήτας τάξιν ὑπάτων λαμβάνουσιν.

ΣΥΛ. Οὐδέτερα τούτων ἔστιν, ὦ Φουνδάνε· ποίει δ' ὡς λέγω, χαριζόμενος ἡμῖν.

ΦΟΥΝΔ. Καὶ μὴν ὧν γε μεμνήμεθα Μουσωνίου (fr. 36) καλῶν ἕν ἐστιν, ὦ Σύλλα, τὸ δεῖν ἀεὶ θεραπευομένους βιοῦν τοὺς σῴζεσθαι μέλλοντας. οὐ γὰρ ὡς ἐλλέβορον, οἶμαι, δεῖ θεραπεύσαντα συνεκφέρεσθαι τῷ νοσήματι τὸν λόγον, ἀλλ' ἐμμένοντα τῇ ψυχῇ συνέχειν τὰς κρίσεις καὶ [e] φυλάσσειν. φαρμάκοις γὰρ οὐκ ἔοικεν ἀλλὰ σιτίοις ὑγιεινοῖς ἡ δύναμις αὐτοῦ, μετ' εὐτονίας ἕξιν ἐμποιοῦσα χρηστὴν οἷς ἂν γένηται συνήθης· αἱ δὲ πρὸς ἀκμάζοντα τὰ πάθη καὶ οἰδοῦντα παραινέσεις καὶ νουθεσίαι σχολῇ μὲν ἀνύτουσι καὶ μόλις, οὐδενὶ δὲ τῶν ὀσφραντῶν διαφέρουσιν, ἃ τοὺς ἐπιληπτικοὺς ἐγείροντα πίπτοντας οὐκ ἀπαλλάττει τοῦ νοσήματος. ὅμως δὲ τὰ μὲν ἄλλα καὶ παρ' ὃν ἀκμάζει καιρὸν ἁμωσγέπως ὑπείκει καὶ παρίησι βοηθοῦντα λόγον ἔξωθεν εἰς τὴν ψυχήν, ὁ δὲ θυμὸς οὐχ ᾗ φησιν ὁ Μελάνθιος (Tr. fr. p. 760)

'τὰ δεινὰ πράσσει τὰς φρένας μετοικίσας,'

ἀλλ' ἐξοικίσας τελείως καὶ ἀποκλείσας, ὥσπερ οἱ συνεμπιπράντες [f] ἑαυτοὺς ταῖς οἰκίαις, πάντα ταραχῆς καὶ καπνοῦ καὶ ψόφου μεστὰ ποιεῖ τὰ ἐντός, ὥστε μήτ' ἰδεῖν μήτ' ἀκοῦσαι τῶν ὠφελούντων. διὸ μᾶλλον ἐν πελάγει καὶ χειμῶνι ναῦς ἔρημος ἀναλήψεται κυβερνήτην ἔξωθεν [454] [a] ἢ προσδέξεται λόγον ἀλλότριον ἄνθρωπος ἐν θυμῷ καὶ ὀργῇ σαλεύων, ἂν μὴ παρεσκευασμένον ἔχῃ τὸν οἰκεῖον λογισμόν. ἀλλ' ὥσπερ οἱ πολιορκίαν προσδεχόμενοι συνάγουσι καὶ παρατίθενται τὰ χρήσιμα τὰς ἔξωθεν ἐλπίδας ἀπεγνωκότες, οὕτω μάλιστα δεῖ τὰ πρὸς τὸν θυμὸν βοηθήματα πόρρωθεν λαμβάνοντας ἐκ φιλοσοφίας κατακομίζειν εἰς τὴν ψυχήν, ὡς, ὅταν ὁ τῆς χρείας ἀφίκηται καιρός, μὴ ῥᾳδίως παρεισάγειν δυνησομένους. οὐδὲ γὰρ ἀκούει τῶν ἐκτὸς ἡ ψυχὴ διὰ τὸν θόρυβον, ἐὰν μὴ καθάπερ κελευστὴν ἔνδοθεν ἔχῃ τὸν αὑτῆς λόγον ὀξέως δεχόμενον [b] καὶ συνιέντα τῶν παραγγελλομένων ἕκαστον· ἀκούσασα δὲ τῶν μὲν ἠρέμα καὶ πράως λεγομένων καταφρονεῖ, πρὸς δὲ τοὺς ἐνισταμένους τραχύτερον ἐρεθίζεται. καὶ γὰρ ὑπερήφανος καὶ αὐθάδης καὶ ὅλως ὑφ' ἑτέρου δυσκίνητος ὁ θυμὸς ὢν ὥσπερ ὀχυρὰ τυραννὶς ἐξ ἑαυτῆς ἔχειν ὀφείλει σύνοικον καὶ συγγενὲς τὸ καταλῦον.

Ἡ μὲν οὖν συνέχεια τῆς ὀργῆς καὶ τὸ προσκρούειν πολλάκις ἕξιν ἐμποιεῖ πονηρὰν τῇ ψυχῇ, ἣν ὀργιλότητα καλοῦσιν, εἰς ἀκραχολίαν καὶ πικρίαν καὶ δυσκολίαν τελευτῶσαν, ὅταν ἑλκώδης καὶ μικρόλυπος ὁ θυμὸς γένηται [c]

καὶ φιλαίτιος ὑπὸ τῶν τυχόντων ὡς σίδηρος ἀσθενὴς καὶ λεπτὸς ἀναχαρασσόμενος, ἡ δὲ παραχρῆμα ταῖς ὀργαῖς ἐνισταμένη καὶ πιέζουσα κρίσις οὐ τὸ παρὸν ἰᾶται μόνον, ἀλλὰ καὶ πρὸς τὸ λοιπὸν εὔτονον ποιεῖ καὶ δυσπαθῆ τὴν ψυχήν. ἐμοὶ γοῦν συνέβη δὶς ἢ τρὶς ἐνστάντι πρὸς ὀργὴν τὸ τῶν Θηβαίων παθεῖν, οἳ τὸ πρῶτον ὠσάμενοι Λακεδαιμονίους ἀηττήτους εἶναι δοκοῦντας οὐδεμίαν ὕστερον ἡττήθησαν ὑπ' αὐτῶν μάχην· φρόνημα γὰρ ἔσχον ὡς κρατεῖν ἔστι τῷ λογισμῷ. ἑώρων δ' οὐ μόνον ψυχροῦ κατασκεδαννυμένου λήγουσαν ὀργὴν ὡς Ἀριστοτέλης ἱστόρησεν, ἀλλὰ καὶ φόβου προσαχθέντος ἀποσβεννυμένην· [d] καὶ νὴ Δία χαρᾶς ἐπιγενομένης ἄφνω καθ' Ὅμηρον 'ἰάνθη' (Ψ 598. 600 al.) καὶ διεχύθη πολλοῖς ὁ θυμός. ὥστε μοι παρίστατο μὴ παντελῶς ἀβοήθητον εἶναι τοῖς γε βουλομένοις τὸ πάθος.

Οὐδὲ γὰρ ἀρχὰς ἔχει μεγάλας ἀεὶ καὶ ἰσχυράς, ἀλλὰ καὶ σκῶμμα καὶ παιδιὰ καὶ τὸ γελάσαι τινὰ καὶ τὸ διανεῦσαι καὶ πολλὰ τοιαῦτα πολλοὺς εἰς ὀργὴν καθίστησιν, ὥσπερ ἡ Ἑλένη τὴν ἀδελφιδῆν προσαγορεύσασα (Eurip. Or. 72)

'παρθένε μακρὸν δὴ μῆκος Ἠλέκτρα χρόνου'

'ὀψέ γε φρονεῖς εὖ, τότε λιποῦσ' αἰσχρῶς δόμους·'

καὶ τὸν Ἀλέξανδρον ὁ Καλλισθένης εἰπὼν τῆς μεγάλης [e] κύλικος περιφερομένης 'οὐ βούλομαι πιὼν Ἀλεξάνδρου Ἀσκληπιοῦ δεῖσθαι.' καθάπερ οὖν τὴν φλόγα θριξὶ λαγῴαις ἀναπτομένην καὶ θρυαλλίσι καὶ συρφετῷ ῥᾴδιόν ἐστιν ἐπισχεῖν, ἐὰν δ' ἐπιλάβηται τῶν στερεῶν καὶ βάθος ἐχόντων, ταχὺ διέφθειρε καὶ συνεῖλεν 'ὑψηλὸν ἡβήσασα τεκτόνων πόνον' ὥς φησιν Αἰσχύλος (fr. 357), οὕτως ὁ τῷ θυμῷ προσέχων ἐν ἀρχῇ καὶ κατὰ μικρὸν ἔκ τινος λαλιᾶς καὶ βωμολοχίας συρφετώδους ὁρῶν καπνιῶντα καὶ διακαιόμενον οὐ μεγάλης δεῖται πραγματείας, ἀλλὰ πολλάκις αὐτῷ τῷ σιωπῆσαι καὶ καταμελῆσαι κατέπαυσε.

[f] καὶ γὰρ τὸ πῦρ ὁ μὴ παρασχὼν ὕλην ἔσβεσε, καὶ ὀργὴν ὁ μὴ θρέψας ἐν ἀρχῇ καὶ μὴ φυσήσας ἑαυτὸν ἐφυλάξατο καὶ καθεῖλεν. οὐκ ἤρεσκεν οὖν μοι, καίπερ ἄλλα χρήσιμα λέγων καὶ παραινῶν, ὁ Ἱερώνυμος (Sat. Saupp. p. 103), ἐν οἷς οὔ φησι γινομένης ἀλλὰ γεγενημένης καὶ οὔσης αἴσθησιν ὀργῆς εἶναι διὰ τὸ τάχος. οὐθὲν γὰρ οὕτω τῶν παθῶν συλλεγόμενον καὶ διακινούμενον ἔχει τὴν γένεσιν [455] [a] ἐμφανῆ καὶ τὴν αὔξησιν. ὡς δὴ καὶ Ὅμηρος ἐμπείρως διδάσκει, λυπηθέντα μὲν εὐθὺς ἐξαίφνης ποιῶν τὸν Ἀχιλλέα τοῦ λόγου προσπεσόντος, ἐν οἷς λέγει (Σ 22)

'ὣς φάτο· τὸν δ' ἄχεος νεφέλη ἐκάλυψε μέλαινα,'

θυμούμενον δὲ βραδέως τῷ Ἀγαμέμνονι καὶ διὰ λόγων πολλῶν ἐκκαιόμενον (A 101 sqq.)· οὓς εἴ τις ὑφεῖλεν αὐτῶν ἐν ἀρχῇ καὶ διεκώλυσεν, οὐκ ἂν ἔσχεν αὔξησιν ἡ διαφορὰ τηλικαύτην καὶ μέγεθος. ὅθεν ὁ Σωκράτης ὁσάκις αἴσθοιτο κινουμένου τραχύτερον αὑτοῦ πρός τινα τῶν φίλων (PLG. III 721), 'πρὸ χείματος ὥστ' ἀνὰ ποντίαν ἄκραν' στελλόμενος, ἐνεδίδου τε τῇ φωνῇ καὶ [b] διεμειδία τῷ προσώπῳ καὶ τὸ βλέμμα πραότερον παρεῖχε, τῷ ῥέπειν ἐπὶ θάτερα καὶ πρὸς τοὐναντίον ἀντικινεῖσθαι τῷ πάθει διαφυλάττων ἑαυτὸν ἀπτῶτα καὶ ἀήττητον.

Ἔστι γάρ τις, ὦ ἑταῖρε, πρώτη καθάπερ τυράννου κατάλυσις τοῦ θυμοῦ, μὴ πείθεσθαι μηδ' ὑπακούειν προστάττοντος αὐτοῦ μέγα βοᾶν καὶ δεινὸν βλέπειν καὶ κόπτειν ἑαυτόν, ἀλλ' ἡσυχάζειν καὶ μὴ συνεπιτείνειν ὥσπερ νόσημα ῥιπτασμῷ καὶ διαβοήσει τὸ πάθος. αἱ μὲν γὰρ ἐρωτικαὶ πράξεις, οἷον ἐπικωμάσαι καὶ ᾆσαι καὶ στεφανῶσαι θύραν, ἔχουσιν ἁμωσγέπως κουφισμὸν οὐκ ἄχαριν οὐδ' ἄμουσον·

(Callim. ep. 42, 5. 6),

αἵ τε τοῖς πενθοῦσιν ἐφέσεις τοῦ ἀποκλαῦσαι καὶ ἀποδύρασθαι πολύ τι τῆς λύπης ἅμα τῷ δακρύῳ συνεξάγουσιν· ὁ δὲ θυμὸς ἐκριπίζεται μᾶλλον οἷς πράττουσι καὶ λέγουσιν οἱ ἐν αὐτῷ καθεστῶτες. ἀτρεμεῖν οὖν κράτιστον ἢ φεύγειν καὶ ἀποκρύπτειν καὶ καθορμίζειν ἑαυτὸν εἰς ἡσυχίαν, ὥσπερ ἐπιληψίας ἀρχομένης συναισθανομένους, ἵνα μὴ πέσωμεν μᾶλλον δ' ἐπιπέσωμεν· ἐπιπίπτομεν δὲ τοῖς φίλοις μάλιστά γε καὶ πλειστάκις, οὐ γὰρ πάντων ἐρῶμεν οὐδὲ πᾶσι φθονοῦμεν οὐδὲ πάντας φοβούμεθα, θυμῷ δ' ἄθικτον οὐδὲν οὐδ' ἀνεπιχείρητον, ἀλλ' ὀργιζόμεθα καὶ [d] πολεμίοις καὶ φίλοις καὶ τέκνοις καὶ γονεῦσι καὶ θεοῖς νὴ Δία καὶ θηρίοις καὶ ἀψύχοις σκεύεσιν, ὡς ὁ Θαμύρας (Soph. fr. 223)

Ἐγὼ γοῦν, εἰ μὲν ὀρθῶς, οὐκ οἶδα, ταύτην δὲ τῆς ἰατρείας ἀρχὴν ποιησάμενος, ὥσπερ οἱ Λάκωνες ἐν τοῖς εἵλωσι τὸ μεθύειν οἷόν ἐστι, κατεμάνθανον τὴν ὀργὴν ἐν ἑτέροις. καὶ πρῶτον μέν, ᾗ φησιν Ἱπποκράτης (Progn. 2) χαλεπωτάτην εἶναι νόσον ἐν ᾗ τοῦ νοσοῦντος ἀνομοιότατον αὑτῷ γίνεται τὸ πρόσωπον, οὕτως ὁρῶν ὑπ' ὀργῆς ἐξισταμένους μάλιστα καὶ μεταβάλλοντας ὄψιν χρόαν βάδισμα φωνὴν οἷον εἰκόνα τοῦ πάθους ἀπεματτόμην ἐμαυτῷ, πάνυ δυσχεραίνων εἰ φοβερὸς οὕτως καὶ παρακεκινηκὼς [f] ὁρῶμαί ποτε τοῖς φίλοις καὶ τῇ γυναικὶ καὶ τοῖς θυγατρίοις, οὐ μόνον ἰδεῖν ἄγριος καὶ ἀσυνήθης ἀλλὰ καὶ φωνὴν ἀπηνῆ καὶ τραχεῖαν ἀφιείς· ὥσπερ ἑτέροις τῶν συνήθων ἐνετύγχανον οὐκ ἦθος οὐ μορφὴν οὐ λόγου χάριν οὐ τὸ πιθανὸν καὶ προσηνὲς ἐν ὁμιλίᾳ δυναμένοις ὑπ' [456] [a] ὀργῆς διαφυλάττειν. Γαΐῳ μὲν οὖν Γράκχῳ τῷ ῥήτορι καὶ τὸν τρόπον ὄντι χαλεπῷ καὶ περιπαθέστερον λέγοντι διηρμοσμένον ἦν συρίγγιον, ᾧ τὴν φωνὴν οἱ ἁρμονικοὶ σχέδην ἐπ' ἀμφότερα διὰ τῶν τόνων ἄγουσι, καὶ τοῦτ' ἔχων οἰκέτης αὐτοῦ λέγοντος ὄπισθεν ἑστὼς ἐνεδίδου τόνον ἐπιεικῆ καὶ πρᾶον, ᾧ τὴν κραυγὴν ἀνεκαλεῖτο καὶ τὸ τραχὺ καὶ τὸ θυμικὸν ἀφῄρει τῆς φωνῆς, ὥσπερ ὁ τῶν βουκόλων (Aisch. ἐπιθέλγων καὶ καθιστὰς τὴν ὀργὴν τοῦ ῥήτορος· ἐμοὶ δ' εἴ τις ἐμμελὴς καὶ κομψὸς ἀκόλουθος ἦν, οὐκ ἂν ἠχθόμην [b] αὐτοῦ προσφέροντος ἐπὶ ταῖς ὀργαῖς ἔσοπτρον, ὥσπερ ἐνίοις προσφέρουσι λουσαμένοις ἐπ' οὐδενὶ χρησίμῳ. τὸ γὰρ αὑτὸν ἰδεῖν παρὰ φύσιν ἔχοντα καὶ συντεταραγμένον οὐ μικρόν ἐστιν εἰς διαβολὴν τοῦ πάθους. καὶ γὰρ τὴν Ἀθηνᾶν λέγουσιν οἱ παίζοντες αὐλοῦσαν ὑπὸ τοῦ σατύρου νουθετεῖσθαι καὶ μὴ προσέχειν (Tr. ad. 381)·

θεασαμένην δὲ τοῦ προσώπου τὴν ὄψιν ἐν ποταμῷ τινι δυσχερᾶναι καὶ προέσθαι τοὺς αὐλούς· καίτοι παραμυθίαν ἡ τέχνη τῆς ἀμορφίας ἔχει τὴν ἐμμέλειαν. καὶ ὁ Μαρσύας, ὡς ἔοικε, φορβειᾷ τινι καὶ περιστομίοις [βίᾳ] τοῦ [c] πνεύματος τὸ ῥαγδαῖον ἐγκαθεῖρξε καὶ τοῦ προσώπου κατεκόσμησε καὶ ἀπέκρυψε τὴν ἀνωμαλίαν,

τὴν μὲν γὰρ θάλασσαν, ὅταν ἐκταραχθεῖσα τοῖς πνεύμασι τὰ βρύα καὶ τὸ φῦκος ἀναβάλλῃ, καθαίρεσθαι λέγουσιν· ἃ δ’ ὁ θυμὸς ἐκβράσσει τῆς ψυχῆς περιτρεπομένης ἀκόλαστα καὶ πικρὰ καὶ σπερμολόγα ῥήματα, τοὺς λέγοντας πρώτους καταρρυπαίνει καὶ καταπίμπλησιν ἀδοξίας, [d] ὡς ἀεὶ μὲν ἔχοντας ἐν αὑτοῖς ταῦτα καὶ πλήρεις ὄντας ὑπὸ δὲ τῆς ὀργῆς ἀνακαλυπτομένους. διὸ ‘κουφοτάτου πράγματος’ ὥς φησι Πλάτων ‘λόγου βαρυτάτην ζημίαν’ τίνουσιν, ἐχθροὶ καὶ κακολόγοι καὶ κακοήθεις δοκοῦντες εἶναι. ταῦτ’ οὖν ὁρῶντί μοι καὶ παραφυλάττοντι συμβαίνει τίθεσθαι καὶ διαμνημονεύειν ἐπιεικῶς πρὸς ἐμαυτόν, ὡς ἀγαθὸν μέν ἐστιν ἐν πυρετῷ κρεῖττον δ’ ἐν ὀργῇ τὴν γλῶτταν ἁπαλὴν ἔχειν καὶ λείαν. ἡ μὲν γὰρ τῶν πυρεττόντων ἐὰν μὴ κατὰ φύσιν σχῇ, σημεῖόν ἐστι πονηρὸν οὐκ αἴτιον, ἡ δὲ τῶν θυμουμένων τραχεῖα καὶ ῥυπαρὰ γενομένη καὶ [e] ῥυεῖσα πρὸς λόγους ἀτόπους ἔχθρας ἀνηκέστου δημιουργὸν ὕβριν ἐκφέρει καὶ δυσμενείας ὑπούλου κατήγορον. οὐδὲν γὰρ ὁ ἄκρατος ἀκόλαστον οὕτω καὶ δυσχερὲς ὡς ὁ θυμὸς ἀναδίδωσι, κἀκεῖνα μὲν γέλωτι καὶ παιδιᾷ μέλει, ταῦτα δὲ χολῇ κέκραται· καὶ παρὰ πότον μὲν ὁ σιωπῶν ἐπαχθὴς τοῖς συνοῦσι καὶ φορτικός, ἐν ὀργῇ δὲ σεμνότερον οὐδὲν ἡσυχίας, ὡς ἡ Σαπφὼ παραινεῖ (PLG. III fr. 27) ‘σκιδναμένης ἐν στήθεσιν ὀργῆς πεφυλάχθαι γλῶσσαν μαψυλάκαν.’

Οὐ ταῦτα δὲ μόνον ἐπιλογίζεσθαι δίδωσι τὸ προσέχειν ἀεὶ τοῖς ἁλισκομένοις ὑπ’ ὀργῆς, ἀλλὰ καὶ τὴν ἄλλην [f] τοῦ θυμοῦ κατανοεῖν φύσιν, ὡς οὐκ εὐγενὴς οὐδ’ ἀνδρώδης οὐδ’ ἔχουσα φρόνημα καὶ μέγεθός ἐστιν, ἀλλὰ δοκεῖ τοῖς πολλοῖς τὸ ταρακτικὸν αὐτοῦ πρακτικὸν καὶ τὸ ἀπειλητικὸν εὐθαρσὲς εἶναι καὶ τὸ ἀπειθὲς ἰσχυρόν. ἔνιοι δὲ καὶ τὴν ὠμότητα μεγαλουργίαν καὶ τὸ δυσπαραίτητον εὐτονίαν καὶ μισοπονηρίαν τὸ δύσκολον οὐκ ὀρθῶς τίθενται· τὰ γὰρ ἔργα καὶ τὰ κινήματα καὶ τὰ σχήματα μικρότητα [457] [a] πολλὴν καὶ ἀσθένειαν κατηγορεῖ, οὐ μόνον ἐν οἷς παιδάρια σπαράττουσι καὶ πρὸς γύναια διαπικραίνονται καὶ κύνας καὶ ἵππους καὶ ἡμιόνους οἴονται δεῖν κολάζειν, ὡς Κτησιφῶν ὁ παγκρατιαστὴς ἀντιλακτίσαι τὴν ἡμίονον ἀξιῶν, ἀλλὰ καὶ περὶ τὰς τυραννικὰς μιαιφονίας τῷ πικρῷ τὸ μικρόψυχον αὐτῶν καὶ τῷ δρῶντι τὸ πεπονθὸς ἐνορώμενον ἔοικε τοῖς δήγμασι τῶν ἑρπετῶν, ὅταν διακαῆ καὶ περιώδυνα γένηται, τὴν φλεγμονὴν ἀπερειδομένων σφοδρὰν τοῖς λελυπηκόσιν. ὡς γὰρ οἴδημα μεγάλης ἐστὶν ἐν σαρκὶ πληγῆς πάθος, οὕτως ἐν ταῖς μαλακωτάταις [b] ψυχαῖς ἡ πρὸς τὸ λυπῆσαι ἔνδοσις ἐκφέρει μείζονα θυμὸν ἀπὸ μείζονος ἀσθενείας. διὸ καὶ γυναῖκες ἀνδρῶν ὀργιλώτεραι καὶ νοσοῦντες ὑγιαινόντων καὶ γέροντες ἀκμαζόντων καὶ κακῶς πράττοντες εὐτυχούντων. ὀργιλώτατος γὰρ ὁ

Πτολεμαῖος δὲ γραμματικὸν εἰς ἀμαθίαν ἐπισκώπτων ἠρώτησε τίς ὁ τοῦ Πηλέως πατὴρ ἦν· κἀκεῖνος 'ἂν σὺ [b] πρότερον εἴπῃς' ἔφη 'τίς ὁ τοῦ Λάγου·' τὸ δὲ σκῶμμα τῆς δυσγενείας ἥπτετο τοῦ βασιλέως, καὶ πάντες ἠγανάκτησαν ὡς οὐκ ἐπιτήδειον ὂν καὶ ἄκαιρον· ὁ δὲ Πτολεμαῖος 'εἰ μὴ τὸ φέρειν' ἔφη 'σκωπτόμενον, οὐδὲ τὸ σκώπτειν βασιλικόν ἐστιν.' Αὕτη μὲν οὖν ἴσως οὐκ ὀργῆς ἰατρεία φανεῖται, διάκρουσις δὲ καὶ φυλακὴ τῶν ἐν ὀργῇ τινος ἁμαρτημάτων. καίτοι καὶ σπληνὸς οἴδημα σύμπτωμα μέν ἐστι πυρετοῦ πραϋνόμενον δὲ κουφίζει τὸν πυρετόν, ὥς φησιν Ἱερώνυμος [d] (Sat. κλίνοι παλαιστοῦ παντὸς εὐμαρέστερον’ (Tr. ad. 383)·

ἀλλ’ ἡμεῖς ἀγριαίνοντα τιθασεύομεν ζῷα καὶ πραΰνομεν, λυκιδεῖς καὶ σκύμνους λεόντων ἐν ταῖς ἀγκάλαις περιφέροντες, εἶτα τέκνα καὶ φίλους καὶ συνήθεις ἐκβάλλομεν ὑπ’ ὀργῆς, οἰκέταις δὲ καὶ πολίταις τὸν θυμὸν ὥσπερ θηρίον ἐφίεμεν, οὐ καλῶς ὑποκοριζόμενοι μισοπονηρίαν, [f] ἀλλ’ ὥσπερ, οἶμαι, τῶν ἄλλων παθῶν τῆς ψυχῆς καὶ νοσημάτων τὸ μὲν πρόνοιαν τὸ δ’ ἐλευθεριότητα τὸ δ’ εὐσέβειαν καλοῦντες οὐδενὸς ἀπαλλαγῆναι δυνάμεθα.

Καίτοι, καθάπερ ὁ Ζήνων (fr. 128) ἔλεγε τὸ σπέρμα σύμμιγμα καὶ κέρασμα τῶν τῆς ψυχῆς δυνάμεων ὑπάρχειν ἀπεσπασμένον, οὕτως ἔοικε τῶν παθῶν πανσπερμία [463] [a] τις ὁ θυμὸς εἶναι. καὶ γὰρ λύπης ἀπέσπασται καὶ ἡδονῆς καὶ ὕβρεως, καὶ φθόνου μὲν ἔχει τὴν ἐπιχαιρεκακίαν, φόβου δὲ καὶ χείρων ἐστίν· ἀγωνίζεται γὰρ οὐχὶ μὴ παθεῖν αὐτὸς ἀλλὰ παθεῖν κακῶς ἐπιτρίψας ἕτερον· ἐπιθυμίας δ’ αὐτῷ τὸ ἀτερπέστατον ἐμπέφυκεν, εἴ γε δὴ τοῦ λυπεῖν ἕτερον ὄρεξίς ἐστι. διὸ τῶν μὲν ἀσώτων ταῖς οἰκίαις προσιόντες αὐλητρίδος ἀκούομεν ἑωθινῆς, καί ‘πηλόν’, ὥς τις εἶπεν, οἴνου καὶ σπαράγματα στεφάνων καὶ κραιπαλῶντας ὁρῶμεν ἐπὶ θύραις ἀκολούθους· τὰ δὲ τῶν πικρῶν ἐκκλύσματα καὶ δυσκόλων ἐν τοῖς προσώποις [b] τῶν οἰκετῶν ὄψει καὶ τοῖς στίγμασι καὶ ταῖς πέδαις· ‘ἀεὶ δ’ ἀοιδῶν μοῦνος ἐν στέγαις’ ὀργίλου ἀνδρός ‘κωκυτὸς ἐμπέπτωκε’ (Tr. ad. 387), μαστιγουμένων ἔνδον οἰκονόμων καὶ στρεβλουμένων θεραπαινίδων, ὥστε τοῦ θυμοῦ τὰς λύπας ἐν ταῖς ἐπιθυμίαις καὶ ταῖς ἡδοναῖς οἰκτείρειν ὁρῶντας.

Οὐ μὴν ἀλλ’ ὅσοις γε συμβαίνει διὰ μισοπονηρίαν ἀληθῶς ἁλίσκεσθαι πολλάκις ὑπ’ ὀργῆς, τὸ ἄγαν ἀφαιρετέον αὐτῆς καὶ τὸ ἄκρατον ἅμα τῇ σφοδρᾷ πίστει περὶ τῶν συνόντων. αὕτη γὰρ αὔξει μάλιστα τῶν αἰτιῶν τὸν θυμόν, ὅταν ἢ χρηστὸς ὑποληφθεὶς ἀναφανῇ μοχθηρὸς ἢ [c] φιλεῖν δόξας ἐν διαφορᾷ τινι καὶ μέμψει γένηται. τὸ δ’ ἐμὸν ἦθος οἶσθα δήπουθεν ἡλίκαις ῥοπαῖς φέρεται πρὸς εὔνοιαν ἀνθρώπων καὶ πίστιν. ὥσπερ οὖν οἱ κατὰ κενοῦ βαίνοντες, ὅσῳ μᾶλλον ἐπερείδω τῷ φιλεῖν ἐμαυτόν, ἁμαρτάνω μᾶλλον καὶ σφαλλόμενος ἀνιῶμαι· καὶ τοῦ μὲν φιλεῖν ἀπαρύσαι τὸ ἐμπαθὲς ἄγαν καὶ πρόθυμον οὐκ ἂν ἔτι δυνηθείην, τοῦ δὲ πιστεύειν σφόδρα χρησαίμην ἂν ἴσως χαλινῷ τῇ Πλάτωνος εὐλαβείᾳ· καὶ γὰρ Ἑλίκωνα τὸν μαθηματικὸν οὕτως ἐπαινεῖν φησιν, ὡς φύσει εὐμετάβολον ζῷον (ep. XIII 360d), καὶ τοὺς τεθραμμένους ἐν τῇ πόλει καλῶς δεδιέναι, μὴ ἄνθρωποι καὶ σπέρματα [d] ἀνθρώπων ὄντες ἐκφήνωσί που τῆς φύσεως τὴν ἀσθένειαν (Legg. 853c). ὁ δὲ Σοφοκλῆς λέγων ὅτι (fr. 769)

ἄγαν ἔοικεν ἡμῖν ἐπεμβαίνειν καὶ κολούειν. οὐ μὴν ἀλλὰ τὸ δύσκολον τοῦτο τῆς κρίσεως καὶ φιλαίτιον εὐκολωτέρους ποιεῖ ταῖς ὀργαῖς· ἐκστατικὸν γάρ ἐστι τὸ ἄφνω καὶ τὸ ἀπροσδόκητον· δεῖ δ', ὥς που καὶ Παναίτιος ἔφη, χρῆσθαι τῷ Ἀναξαγόρου (A 33), καὶ καθάπερ ἐκεῖνος ἐπὶ τῇ τελευτῇ τοῦ παιδὸς εἶπεν 'ᾔδειν ὅτι θνητὸν ἐγέννησα,' τοῦτο τοῖς παροξύνουσιν ἑκάστοτ' ἐπιφωνεῖν ἁμαρτήμασιν 'ᾔδειν ὅτι σοφὸν οὐκ ἐπριάμην δοῦλον' 'ᾔδειν ὅτι †καὶ τὸν ἄφιλον οὐκ [e] ἐκτησάμην' 'ᾔδειν ὅτι τὴν γυναῖκα γυναῖκ' εἶχον.' ἂν δὲ κἀκεῖνό τις ἐπιφθεγγόμενος ἀεὶ τὸ τοῦ Πλάτωνος 'ἦ που ἄρ' ἐγὼ τοιοῦτος;' ἔξωθεν εἴσω τὸν λογισμὸν ἀναστρέφῃ καὶ παρεμβάλλῃ ταῖς μέμψεσι τὴν εὐλάβειαν, οὐ πολλῇ χρήσεται μισοπονηρίᾳ πρὸς ἑτέρους πολλῆς ὁρῶν ἑαυτὸν συγγνώμης δεόμενον. νῦν δ' ἕκαστος ἡμῶν ὀργιζόμενος καὶ κολάζων Ἀριστείδου φωνὰς ἐπιφέρει καὶ Κάτωνος 'μὴ κλέπτε' 'μὴ ψεύδου,' 'διὰ τί ῥᾳθυμεῖς;' καὶ ὃ δὴ πάντων αἴσχιστόν ἐστιν, ὀργιζομένοις ἐπιτιμῶμεν μετ' ὀργῆς καὶ τὰ διὰ θυμὸν ἡμαρτημένα θυμῷ κολάζομεν, [f] οὐχ ὥσπερ ἰατροί 'πικρῷ πικρὰν κλύζουσι φαρμάκῳ χολήν' (Soph. fr. 770), ἀλλὰ μᾶλλον ἐπιτείνοντες καὶ προσεκταράττοντες. ὅταν οὖν ἐν τούτοις γένωμαι τοῖς ἐπιλογισμοῖς, ἅμα τι πειρῶμαι καὶ τοῦ πολυπράγμονος [464] [a] ἀφαιρεῖν. τὸ γὰρ ἐξακριβοῦν ἅπαντα καὶ φωρᾶν καὶ πᾶσαν ἕλκειν εἰς μέσον ἀσχολίαν οἰκέτου καὶ πρᾶξιν φίλου καὶ διατριβὴν υἱοῦ καὶ ψιθυρισμὸν γυναικὸς ὀργὰς φέρει πολλὰς καὶ συνεχεῖς καὶ καθημερινάς, ὧν δυσκολία τρόπου καὶ χαλεπότης τὸ κεφάλαιόν ἐστιν. ὁ μὲν οὖν θεός, ὡς Εὐριπίδης φησί (fr. 974), 'τῶν ἄγαν ἅπτεται, τὰ μικρὰ δ' εἰς τύχην ἀφεὶς ἐᾷ·' ἐγὼ δὲ τῇ τύχῃ μὲν οὐδὲν οἶμαι δεῖν ἐπιτρέπειν οὐδὲ παρορᾶν τὸν νοῦν ἔχοντα, πιστεύειν δὲ καὶ χρῆσθαι τὰ μὲν γυναικὶ τὰ δ' οἰκέταις τὰ δὲ φίλοις οἷον ἄρχοντ' ἐπιτρόποις τισὶ καὶ λογισταῖς καὶ διοικηταῖς, αὐτὸν ἐπὶ τῶν κυριωτάτων ὄντα τῷ λογισμῷ [b] καὶ μεγίστων. ὡς γὰρ τὰ λεπτὰ γράμματα τὴν ὄψιν, οὕτω τὰ μικρὰ πράγματα μᾶλλον ἐντείνοντα νύττει καὶ ταράττει τὴν ὀργήν, ἔθος πονηρὸν ἐπὶ τὰ μείζονα λαμβάνουσαν.

Ἐπὶ πᾶσι τοίνυν τὸ μὲν τοῦ Ἐμπεδοκλέους μέγα καὶ θεῖον ἡγούμην, τὸ 'νηστεῦσαι κακότητος' (B 144), ἐπῄνουν δὲ κἀκείνας ὡς οὐκ ἀχαρίστους οὐδ' ἀφιλοσόφους ἐν εὐχαῖς ὁμολογίας, ἀφροδισίων ἐνιαυτὸν ἁγνεῦσαι καὶ οἴνου, τιμῶντας ἐγκρατείᾳ τὸν θεόν, ἢ ψευδολογίας πάλιν ἀπέχεσθαι χρόνον ὡρισμένον, αὑτοῖς προσέχοντας πῶς ἀληθεύσομεν [c] ἔν τε παιδιᾷ καὶ μετὰ σπουδῆς ἁπάσης· εἶτα ταύταις τὴν ἐμαυτοῦ παρέβαλλον εὐχὴν ὡς οὐχ ἧττον θεοφιλῆ καὶ ἱεράν, ἡμέρας πρῶτον ὀλίγας ἀοργήτους οἷον ἀμεθύστους καὶ ἀοίνους διαγαγεῖν, ὥσπερ νηφάλια καὶ μελίσπονδα θύοντα, εἶτα μῆν' ἕνα καὶ

δύο, καὶ πειρώμενος ἐμαυτοῦ κατὰ μικρὸν οὕτως τῷ χρόνῳ προύβαινον εἰς τὸ πρόσθεν τῆς ἀνεξικακίας, ἐγκρατῶς προσέχων καὶ διαφυλάττων μετ’ εὐφημίας ἵλεω καὶ ἀμήνιτον ἐμαυτόν, ἁγνεύοντα καὶ λόγων πονηρῶν καὶ πράξεων ἀτόπων καὶ πάθους ἐφ’ ἡδονῇ μικρᾷ καὶ ἀχαρίστῳ ταραχάς τε μεγάλας καὶ μεταμέλειαν αἰσχίστην φέροντος. ὅθεν, οἶμαι, καὶ θεοῦ [d] τι συλλαμβάνοντος, ἐσαφήνιζεν ἡ πεῖρα τὴν κρίσιν ἐκείνην, ὅτι τὸ ἵλεων τοῦτο καὶ πρᾶον καὶ φιλάνθρωπον οὐδενὶ τῶν συνόντων εὐμενές ἐστιν οὕτω καὶ φίλον καὶ ἄλυπον ὡς αὐτοῖς τοῖς ἔχουσιν.

ΠΕΡΙ ΕΥΘΥΜΙΑΣ

[464] Πλούταρχος Πακκίῳ εὖ πράττειν.

Ὀψέ σου τὴν ἐπιστολὴν ἐκομισάμην, ἐν ᾗ παρεκάλεις περὶ εὐθυμίας σοί τι γραφῆναι καὶ περὶ τῶν ἐν Τιμαίῳ δεομένων ἐπιμελεστέρας ἐξηγήσεως. ἅμα δέ πως τὸν ἑταῖρον ἡμῶν Ἔρωτα κατελάμβανεν αἰτία τοῦ πλεῖν εὐθὺς εἰς Ῥώμην, παρὰ Φουνδάνου τοῦ κρατίστου γράμματα δεδεγμένον, οἷος ἐκεῖνος, ἐπιταχύνοντα. μήτε δὲ [f] χρόνον ἔχων, ὡς προῃρούμην, γενέσθαι πρὸς οἷς ἐβούλου μήθ' ὑπομένων κεναῖς παντάπασι τὸν ἄνδρα χερσὶν ὀφθῆναί σοι παρ' ἡμῶν ἀφιγμένον, ἀνελεξάμην περὶ εὐθυμίας ἐκ τῶν ὑπομνημάτων ὧν ἐμαυτῷ πεποιημένος ἐτύγχανον, ἡγούμενος καὶ σὲ τὸν λόγον τοῦτον οὐκ ἀκροάσεως ἕνεκα [465] [a] θηρωμένης καλλιγραφίαν ἀλλὰ χρείας βοηθητικῆς ἐπιζητεῖν καὶ συνηδόμενος, ὅτι καὶ φιλίας ἔχων ἡγεμονικὰς καὶ δόξαν οὐδενὸς ἐλάττονα τῶν ἐν ἀγορᾷ λεγόντων τὸ τοῦ τραγικοῦ Μέροπος οὐ πέπονθας, οὐδ' ὡς ἐκεῖνον (Eurip. fr. 778) 'εὐδαιμονίζων σ' ὄχλος ἐξέπληξε' τῶν φυσικῶν παθῶν, ἀλλὰ πολλάκις ἀκηκοὼς μνημονεύεις ὡς οὔτε ποδάγρας ἀπαλλάττει κάλτιος οὔτε δακτύλιος πολυτελὴς παρωνυχίας οὐδὲ διάδημα κεφαλαλγίας. πόθεν γε δὴ πρὸς ἀλυπίαν ψυχῆς καὶ βίον ἀκύμονα χρημάτων ὄφελος ἢ δόξης ἢ δυνάμεως ἐν αὐλαῖς, ἂν μὴ τὸ χρώμενον [b] εὐχάριστον ᾖ τοῖς ἔχουσι καὶ τὸ τῶν ἀπόντων μὴ δεόμενον ἀεὶ παρακολουθῇ; τί δὲ τοῦτ' ἐστὶν ἄλλο ἢ λόγος εἰθισμένος καὶ μεμελετηκὼς τοῦ παθητικοῦ καὶ ἀλόγου τῆς ψυχῆς ἐξισταμένου πολλάκις ἐπιλαμβάνεσθαι ταχὺ καὶ μὴ περιορᾶν ἀπορρέον καὶ καταφερόμενον ἀπὸ τῶν παρόντων; ὥσπερ οὖν ὁ Ξενοφῶν (Cyr. I 6, 3) παρῄνει τῶν θεῶν εὐτυχοῦντας μάλιστα μεμνῆσθαι καὶ τιμᾶν, ὅπως, ὅταν ἐν χρείᾳ γενώμεθα, θαρροῦντες αὐτοὺς παρακαλῶμεν ὡς εὐμενεῖς ὄντας ἤδη καὶ φίλους, οὕτω καὶ τῶν λόγων, ὅσοι πρὸς τὰ πάθη βοηθοῦσι, δεῖ πρὸ τῶν παθῶν ἐπιμελεῖσθαι τοὺς νοῦν ἔχοντας, ἵν' ἐκ πολλοῦ παρεσκευασμένοι [c] μᾶλλον ὠφελῶσιν. ὡς γὰρ οἱ χαλεποὶ κύνες πρὸς πᾶσαν ἐκταραττόμενοι βοὴν ὑπὸ μόνης καταπραΰνονται τῆς συνήθους, οὕτω καὶ τὰ πάθη τὰ τῆς ψυχῆς διαγριαινόμενα καταπαῦσαι ῥᾳδίως οὐκ ἔστιν, ἂν μὴ λόγοι παρόντες οἰκεῖοι καὶ συνήθεις ἐπιλαμβάνωνται τῶν ταραττομένων.

Ὁ μὲν οὖν εἰπὼν (Democrit. B 3) ὅτι 'δεῖ τὸν εὐθυμεῖσθαι μέλλοντα μὴ πολλὰ πρήσσειν μήτε ἰδίῃ μήτε ξυνῇ,' πρῶτον μὲν ἡμῖν πολυτελῆ τὴν εὐθυμίαν καθίστησι, γινομένην ὤνιον ἀπραξίας· οἷον ἀρρώστῳ παραινῶν ἑκάστῳ (Eurip. Or. 258)

‘μέν’, ὦ ταλαίπωρ’, ἀτρέμα σοῖς ἐν δεμνίοις.’

καίτοι κακὸν μὲν ἀναισθησία σώματι φάρμακον ἀπονίας, [d] οὐδὲν δὲ βελτίων ψυχῆς ἰατρὸς ὁ ῥᾳθυμίᾳ καὶ μαλακίᾳ καὶ προδοσίᾳ φίλων καὶ οἰκείων καὶ πατρίδος ἐξαιρῶν τὸ ταραχῶδες αὐτῆς καὶ λυπηρόν. ἔπειτα καὶ ψεῦδός ἐστι τὸ εὐθυμεῖν τοὺς μὴ πολλὰ πράσσοντας. ἔδει γὰρ εὐθυμοτέρας εἶναι γυναῖκας ἀνδρῶν οἰκουρίᾳ τὰ πολλὰ συνούσας· νυνὶ δ’ ὁ μὲν βορέας

‘διὰ παρθενικῆς ἁπαλόχροος οὐ διάησιν’

ὥς φησιν Ἡσίοδος (OD 519), λῦπαι δὲ καὶ ταραχαὶ καὶ κακοθυμίαι διὰ ζηλοτυπίας καὶ δεισιδαιμονίας καὶ φιλοτιμίας καὶ κενῶν δοξῶν, ὅσας οὐκ ἂν εἴποι τις, εἰς τὴν γυναικωνῖτιν ὑπορρέουσιν· ὁ δὲ Λαέρτης εἴκοσιν ἔτη καθ’ [e] αὑτὸν ἐν ἀγρῷ διαιτώμενος ‘γρηὶ σὺν ἀμφιπόλῳ, ἥ οἱ βρῶσίν τε πόσιν τε παρτίθει’ (α 191), τὴν μὲν πατρίδα καὶ τὸν οἶκον καὶ τὴν βασιλείαν ἔφυγε, τὴν δὲ λύπην μετ’ ἀπραξίας καὶ κατηφείας ἀεὶ συνοικοῦσαν εἶχεν. ἐνίους δὲ καὶ τὸ μὴ πράσσειν αὐτὸ πολλάκις εἰς ἀθυμίαν καθίστησιν, ὡς τοῦτον (Α 488)·

‘αὐτὰρ ὁ μήνιε νηυσὶ παρήμενος ὠκυπόροισι
διογενὴς Πηλέως υἱός, πόδας ὠκὺς Ἀχιλλεύς·
οὔτε ποτ’ εἰς ἀγορὴν πωλέσκετο κυδιάνειραν,
οὔτε ποτ’ ἐς πόλεμον, ἀλλὰ φθινύθεσκε φίλον κῆρ
αὖθι μένων, ποθέεσκε δ’ ἀυτήν τε πτόλεμόν τε·’

[f] καὶ λέγει περιπαθῶν ἐπὶ τούτῳ καὶ ἀσχάλλων αὐτός (Σ 104)

‘ἀλλ’ ἧμαι παρὰ νηυσὶν ἐτώσιον ἄχθος ἀρούρης.’

ὅθεν οὐδ’ Ἐπίκουρος (fr. 555) οἴεται δεῖν ἡσυχάζειν, ἀλλὰ τῇ φύσει χρῆσθαι πολιτευομένους καὶ πράσσοντας τὰ κοινὰ τοὺς φιλοτίμους καὶ φιλοδόξους, ὡς μᾶλλον ὑπ’ [466] [a] ἀπραγμοσύνης ταράττεσθαι καὶ κακοῦσθαι πεφυκότας, ἂν ὧν ὀρέγονται μὴ τυγχάνωσιν. ἀλλ’ ἐκεῖνος μὲν ἄτοπος οὐ τοὺς δυναμένους τὰ κοινὰ πράσσειν προτρεπόμενος ἀλλὰ τοὺς ἡσυχίαν ἄγειν μὴ δυναμένους· δεῖ δὲ μὴ πλήθει μηδ’ ὀλιγότητι πραγμάτων, ἀλλὰ τῷ καλῷ καὶ τῷ αἰσχρῷ τὸ εὔθυμον ὁρίζειν καὶ τὸ δύσθυμον· τῶν γὰρ καλῶν ἡ παράλειψις οὐχ ἧττον ἢ τῶν φαύλων ἡ πρᾶξις ἀνιαρόν ἐστι καὶ ταραχῶδες, ὡς εἴρηται.

Τοὺς μὲν γὰρ ἀφωρισμένως ἕνα βίον ἄλυπον νομίζοντας, ὡς ἔνιοι τὸν τῶν γεωργῶν ἢ τὸν τῶν ἠιθέων ἢ τὸν τῶν βασιλέων, ἱκανῶς ὁ Μένανδρος ὑπομιμνήσκει λέγων (fr. 281)

[b] ‘ᾤμην ἐγὼ τοὺς πλουσίους, ὦ Φανία,
οἷς μὴ τὸ δανείζεσθαι πρόσεστιν, οὐ στένειν
τὰς νύκτας οὐδὲ στρεφομένους ἄνω κάτω

‘οἴμοι’ λέγειν, ἡδὺν δὲ καὶ πρᾶόν τινα

ὕπνον καθεύδειν·’

εἶτα προσδιελθὼν ὡς καὶ τοὺς πλουσίους ὁρᾷ ταὐτὰ πάσχοντας τοῖς πένησιν

‘ἆρ’ ἐστί’ φησί ‘συγγενές τι λύπη καὶ βίος;

τρυφερῷ βίῳ σύνεστιν, ἐνδόξῳ βίῳ

πάρεστιν, ἀπόρῳ συγκαταγηράσκει βίῳ.’

ἀλλ’ ὥσπερ οἱ δειλοὶ καὶ ναυτιῶντες ἐν τῷ πλεῖν, εἶτα ῥᾷον οἰόμενοι διάξειν, ἐὰν εἰς γαῦλον ἐξ ἀκάτου καὶ πάλιν [c] ἐὰν εἰς τριήρη μεταβῶσιν, οὐδὲν περαίνουσι τὴν χολὴν καὶ τὴν δειλίαν συμμεταφέροντες αὑτοῖς, οὕτως αἱ τῶν βίων ἀντιμεταλήψεις οὐκ ἐξαιροῦσι τῆς ψυχῆς τὰ λυποῦντα καὶ ταράττοντα· ταῦτα δ’ ἐστὶν ἀπειρία πραγμάτων, ἀλογιστία, τὸ μὴ δύνασθαι μηδ’ ἐπίστασθαι χρῆσθαι τοῖς παροῦσιν ὀρθῶς. ταῦτα καὶ πλουσίους χειμάζει καὶ πένητας, ταῦτα καὶ γεγαμηκότας ἀνιᾷ καὶ ἀγάμους· διὰ ταῦτα φεύγουσι τὴν ἀγορὰν εἶτα τὴν ἡσυχίαν οὐ φέρουσι, διὰ ταῦτα προαγωγὰς ἐν αὐλαῖς διώκουσι καὶ παρελθόντες εὐθὺς βαρύνονται.

‘δυσάρεστον οἱ νοσοῦντες ἀπορίας ὕπο’ (Eur. Or. 232)·

καὶ γὰρ ἡ γυνὴ λυπεῖ καὶ τὸν ἰατρὸν αἰτιῶνται καὶ δυσχεραίνουσι τὸ κλινίδιον,

[d] ‘φίλων δ’ ὅ τ’ ἐλθὼν λυπρὸς ὅ τ’ ἀπιὼν βαρύς’

ὡς ὁ Ἴων φησίν (fr. 56 N.). εἶτα τῆς νόσου διαλυθείσης καὶ κράσεως ἑτέρας ἐγγενομένης ἦλθεν ἡ ὑγίεια φίλα πάντα ποιοῦσα καὶ προσηνῆ. ὁ γὰρ ἐχθὲς ᾠὰ καὶ ἀμύλια καὶ σητάνειον ἄρτον διαπτύων τήμερον αὐτόπυρον ἐπ’ ἐλαίαις ἢ καρδαμίδι σιτεῖται προσφιλῶς καὶ προθύμως.

Τοιαύτην ὁ λογισμὸς εὐκολίαν καὶ μεταβολὴν ἐγγενόμενος ποιεῖ πρὸς ἕκαστον βίον. Ἀλέξανδρος Ἀναξάρχου (Vors. 59 A 11) περὶ κόσμων ἀπειρίας ἀκούων ἐδάκρυε, καὶ τῶν φίλων ἐρωτώντων ὅ τι πέπονθεν, ‘οὐκ ἄξιον’ ἔφη ‘δακρύειν, εἰ κόσμων ὄντων ἀπείρων ἑνὸς οὐδέπω [e] κύριοι γεγόναμεν;’ Κράτης δὲ πήραν ἔχων καὶ τριβώνιον παίζων καὶ γελῶν ὥσπερ ἐν ἑορτῇ τῷ βίῳ διετέλεσε. καὶ μὴν καὶ τὸν Ἀγαμέμνονα τὸ πολλῶν βασιλεύειν ἐλύπει (K 88)

‘γνώσεαι Ἀτρείδην Ἀγαμέμνονα, τὸν περὶ πάντων Ζεὺς

ἐνέηκε πόνοισι διαμπερές·’

Διογένης δὲ πωλούμενος ἔσκωπτε τὸν κήρυκα κατακείμενος· ἀναστῆναι δ’ οὐκ ἐβούλετο κελεύοντος, ἀλλὰ παίζων καὶ καταγελῶν ἔλεγεν ‘εἰ δ’ ἰχθῦν ἐπίπρασκες, - ;’ καὶ Σωκράτης μὲν ἐν δεσμωτηρίῳ φιλοσοφῶν διελέγετο τοῖς ἑταίροις, ὁ δὲ Φαέθων ἀναβὰς εἰς τὸν οὐρανὸν ἔκλαιεν, εἰ [f] μηδεὶς αὐτῷ

τοὺς τοῦ πατρὸς ἵππους καὶ τὰ ἅρματα παραδίδωσιν. ὥσπερ οὖν τὸ ὑπόδημα τῷ ποδὶ συνδιαστρέφεται καὶ οὐ τοὐναντίον, οὕτω τοὺς βίους αἱ διαθέσεις συνεξομοιοῦσιν αὑταῖς. οὐ γὰρ ἡ συνήθεια ποιεῖ τοῖς ἑλομένοις τὸν ἄριστον βίον ἡδὺν ὥς τις εἶπεν, ἀλλὰ τὸ φρονεῖν ἅμα [467] [a] τὸν αὐτὸν βίον ποιεῖ καὶ ἄριστον καὶ ἥδιστον. διὸ τὴν πηγὴν τῆς εὐθυμίας ἐν αὐτοῖς οὖσαν ἡμῖν ἐκκαθαίρωμεν, ἵνα καὶ τὰ ἐκτὸς ὡς οἰκεῖα καὶ φίλια μὴ χαλεπῶς χρωμένοις συμφέρηται·

'τοῖς πράγμασιν γὰρ οὐχὶ θυμοῦσθαι χρεών·
μέλει γὰρ αὐτοῖς οὐδέν· ἀλλ' οὑντυγχάνων
τὰ πράγματ' ὀρθῶς ἂν τιθῇ, πράξει καλῶς'
(Eurip. Bell. fr. 287).

Κυβείᾳ γὰρ ὁ Πλάτων (Resp. 604c) τὸν βίον ἀπείκασεν, ἐν ᾧ καὶ βάλλειν δεῖ τὰ πρόσφορα, καὶ βαλόντα χρῆσθαι καλῶς τοῖς πεσοῦσι. τούτων δὲ τὸ μὲν βάλλειν οὐκ ἐφ' ἡμῖν, τὸ δὲ προσηκόντως δέχεσθαι τὰ γινόμενα [b] παρὰ τῆς τύχης καὶ νέμειν ἑκάστῳ τόπον, ἐν ᾧ καὶ τὸ οἰκεῖον ὠφελήσει μάλιστα καὶ τὸ ἀβούλητον ἥκιστα λυπήσει τοὺς ἐπιτυγχάνοντας, ἡμέτερον ἔργον ἐστίν, ἂν εὖ φρονῶμεν. τοὺς μὲν γὰρ ἀτέχνους καὶ ἀνοήτους περὶ τὸν βίον, ὥσπερ τοὺς νοσώδεις τοῖς σώμασι μήτε καῦμα φέρειν μήτε κρύος δυναμένους, ἐξίστησι μὲν εὐτυχία συστέλλει δὲ δυστυχία, ταράττονται δ' ὑπ' ἀμφοτέρων, μᾶλλον δ' ὑφ' αὑτῶν ἐν ἀμφοτέροις καὶ οὐχ ἧττον ἐν τοῖς λεγομένοις ἀγαθοῖς. Θεόδωρος μὲν γὰρ ὁ κληθεὶς ἄθεος ἔλεγε τῇ δεξιᾷ τοὺς λόγους ὀρέγοντος αὐτοῦ τῇ ἀριστερᾷ δέχεσθαι τοὺς ἀκροωμένους, οἱ δ' ἀπαίδευτοι πολλάκις τὴν τύχην [c] δεξιὰν παρισταμένην ἐπαριστέρως μεταλαμβάνοντες ἀσχημονοῦσιν. οἱ δὲ φρόνιμοι, καθάπερ ταῖς μελίτταις μέλι φέρει τὸ δριμύτατον καὶ ξηρότατον ὁ θύμος, οὕτως ἀπὸ τῶν δυσχερεστάτων πολλάκις πραγμάτων οἰκεῖόν τι καὶ χρήσιμον αὑτοῖς λαμβάνουσι.

Τοῦτ' οὖν δεῖ πρῶτον ἀσκεῖν καὶ μελετᾶν, ὥσπερ ὁ τῆς κυνὸς ἁμαρτὼν τῷ λίθῳ καὶ τὴν μητρυιὰν πατάξας 'οὐδ' οὕτως' ἔφη 'κακῶς·' ἔξεστι γὰρ μεθιστάναι τὴν τύχην ἐκ τῶν ἀβουλήτων. ἐφυγαδεύθη Διογένης· 'οὐδ' οὕτως κακῶς'· ἤρξατο γὰρ φιλοσοφεῖν μετὰ τὴν φυγήν.

[d] Ζήνωνι τῷ Κιτιεῖ μία ναῦς περιῆν φορτηγός· πυθόμενος δὲ ταύτην αὐτόφορτον ἀπολωλέναι συγκλυσθεῖσαν 'εὖγ'' εἶπεν (fr. 277) 'ὦ τύχη ποιεῖς, εἰς τὸν τρίβωνα καὶ τὴν στοὰν συνελαύνουσ' ἡμᾶς.' τί οὖν κωλύει μιμεῖσθαι τούτους; ἀρχὴν παραγγέλλων διήμαρτες; ἐν ἀγρῷ διάξεις ἐπιμελόμενος τῶν ἰδίων. ἀλλὰ φιλίαν μνώμενος ἡγεμόνος ἀπώσθης; ἀκινδύνως καὶ ἀπραγμόνως βιώσῃ. πάλιν ἐν πράγμασιν ἀσχολίας ἔχουσι καὶ φροντίδας γέγονας;

'οὐδὲ θερμὸν ὕδωρ τόσον γε τεύξει μαλθακὰ γυῖα'

κατὰ Πίνδαρον (Nem. 4, 4), ὡς δόξα ποιεῖ καὶ τὸ τιμᾶσθαι μετά τινος δυνάμεως ‘πόνον ἡδὺν κάματόν τ’ εὐκάματον’ [e] (Eur. Bacch. 66). ἀλλά τις ἀπήντηκεν ἐκ διαβολῆς ἢ φθόνου δυσημερία καὶ σκορακισμός; ἐπὶ τὰς Μούσας οὔριον τὸ πνεῦμα καὶ τὴν Ἀκαδήμειαν, ὥσπερ Πλάτωνι χειμασθέντι περὶ τὴν Διονυσίου φιλίαν.

Διὸ καὶ τοῦτο πρὸς εὐθυμίαν μέγα, τὸ τοὺς ἐνδόξους ἀποθεωρεῖν, εἰ μηδὲν ὑπὸ τῶν αὐτῶν πεπόνθασιν. οἷον ἀπαιδία τὸ λυποῦν ἐστι; τοὺς Ῥωμαίων ὅρα βασιλεῖς, ὧν οὐδεὶς υἱῷ τὴν ἀρχὴν ἀπέλιπε. πενίᾳ δυσφορεῖς παρούσῃ; καὶ τίς ἂν ἐβούλου μᾶλλον εἶναι Βοιωτῶν ἢ Ἐπαμεινώνδας; τίς δὲ Ῥωμαίων ἢ Φαβρίκιος; ‘ἀλλὰ διέφθαρταί μου τὸ γύναιον.’ οὐκ ἀνέγνωκας οὖν τὸ ἐπίγραμμα τὸ ἐν Δελφοῖς

[f] ‘ὑγρᾶς καὶ τραφερᾶς βασιλεὺς Ἆγίς μ’ ἀνέθηκεν,’

οὐδ’ ἀκήκοας, ὅτι τούτου τὴν γυναῖκα Τιμαίαν Ἀλκιβιάδης διέφθειρε, καὶ τὸ γεννηθὲν Ἀλκιβιάδην ἐκάλει ψιθυρίζουσα πρὸς τὰς θεραπαινίδας; ἀλλὰ τοῦτ’ Ἆγιν οὐκ ἐκώλυσεν ἐνδοξότατον Ἑλλήνων εἶναι καὶ μέγιστον· ὥσπερ [468] [a] οὐδὲ Στίλπωνα τῶν κατ’ αὐτὸν φιλοσόφων ἱλαρώτατα ζῆν ἀκόλαστος οὖσ’ ἡ θυγάτηρ· ἀλλὰ καὶ Μητροκλέους ὀνειδίσαντος ‘ἐμὸν οὖν’ ἔφη ‘ἁμάρτημα τοῦτ’ ἐστὶν ἢ ἐκείνης;’ εἰπόντος δὲ τοῦ Μητροκλέους ‘ἐκείνης μὲν ἁμάρτημα σὸν δ’ ἀτύχημα’ ‘πῶς λέγεις;’ εἶπεν ‘οὐχὶ τὰ ἁμαρτήματα καὶ διαπτώματ’ ἐστί;’ ‘πάνυ μὲν οὖν’ ἔφη. ‘τὰ δὲ διαπτώματ’ οὐχ ὧν διαπτώματα, καὶ ἀποτεύγματα;’ συνωμολόγησεν ὁ Μητροκλῆς. ‘τὰ δ’ ἀποτεύγματ’ οὐχ ὧν ἀποτεύγματ’, ἀτυχήματα;’ πρᾴῳ λόγῳ καὶ φιλοσόφῳ κενὸν ἀποδείξας ὕλαγμα τὴν τοῦ κυνικοῦ βλασφημίαν.

καταφρονοῦμεν ὡς ἐνδεῶς καὶ εὐτελῶς βιούντων. [473] [a] πρὸς δὲ τούτοις καὶ τὴν φύσιν ὁρῶμεν ὑπομιμνήσκουσαν ἡμᾶς. ὡς γὰρ τῶν θηρίων ἑτέροις ἀφ' ἑτέρων παρεσκεύασε τὴν τροφὴν εἶναι καὶ οὐ πάντα σαρκοφαγεῖν ἢ σπερμολογεῖν ἢ ῥιζωρυχεῖν ἐποίησεν, οὕτω τοῖς ἀνθρώποις ποικίλας πρὸς τὸν βίον ἀφορμὰς ἔδωκε,

'μηλοβότᾳ τ' ἀρότᾳ τ' ὀρνιθολόχῳ τε καὶ ὃν πόντος

τρέφει' (Pind. I. 1, 48).

δεῖ δὴ τὸ πρόσφορον ἑαυτοῖς ἑλομένους καὶ διαπονοῦντας ἐᾶν τὰ τῶν ἄλλων, καὶ μὴ τὸν Ἡσίοδον ἐλέγχειν ἐνδεέστερον εἰπόντα (OD 25)

'καὶ κεραμεὺς κεραμεῖ κοτέει καὶ τέκτονι τέκτων.'

οὐ γὰρ μόνον τοὺς ὁμοτέχνους καὶ τοὺς ὁμοτρόπους [b] ζηλοτυποῦντες, ἀλλὰ καὶ λογίους πλούσιοι καὶ πλουσίους ἔνδοξοι καὶ δικολόγοι σοφιστάς, καὶ ναὶ μὰ Δία κωμῳδοὺς εὐημεροῦντας ἐν θεάτροις καὶ ὀρχηστὰς καὶ θεράποντας ἐν αὐλαῖς βασιλέων ἐλεύθεροι καὶ εὐπατρίδαι κατατεθαμβημένοι καὶ μακαρίζοντες οὐ μετρίως λυποῦσιν αὑτοὺς καὶ ταράττουσιν.

Ὅτι δ' ἕκαστος ἐν ἑαυτῷ τὰ τῆς εὐθυμίας καὶ δυσθυμίας ἔχει ταμιεῖα, καὶ τοὺς τῶν ἀγαθῶν καὶ κακῶν πίθους οὐκ 'ἐν Διὸς οὔδει κατακειμένους' (Ω 527) ἀλλ' ἐν τῇ ψυχῇ κειμένους αἱ διαφοραὶ τῶν παθῶν δηλοῦσιν. οἱ μὲν γὰρ ἀνόητοι καὶ παρόντα τὰ χρηστὰ παρορῶσι καὶ [c] ἀμελοῦσιν ὑπὸ τοῦ συντετάσθαι πρὸς τὸ μέλλον ἀεὶ ταῖς φροντίσιν, οἱ δὲ φρόνιμοι καὶ τὰ μηκέτ' ὄντα τῷ μνημονεύειν ἐναργῶς ὄντα ποιοῦσιν ἑαυτοῖς. τὸ γὰρ παρὸν τῷ ἐλαχίστῳ τοῦ χρόνου μορίῳ θιγεῖν παρασχὸν εἶτα τὴν αἴσθησιν ἐκφυγὸν οὐκέτι δοκεῖ πρὸς ἡμᾶς οὐδ' ἡμέτερον εἶναι τοῖς ἀνοήτοις· ἀλλ' ὥσπερ ὁ ζωγραφούμενος ἐν Ἅιδου σχοινοστρόφος ὄνῳ τινὶ παρίησιν ἐπιβοσκομένῳ καταναλίσκειν τὸ πλεκόμενον, οὕτω τῶν πολλῶν ἀναίσθητος καὶ ἀχάριστος ὑπολαμβάνουσα λήθη καὶ κατανεμομένη πρᾶξίν τε πᾶσαν ἀφανίζουσα καὶ κατόρθωμα καὶ [d] σχολὴν ἐπίχαριν καὶ συμπεριφορὰν καὶ ἀπόλαυσιν οὐκ ἐᾷ τὸν βίον ἕνα γενέσθαι συμπλεκομένων τοῖς παροῦσι τῶν παρῳχημένων, ἀλλ' ὥσπερ ἕτερον τὸν ἐχθὲς ὄντα τοῦ σήμερον καὶ τὸν αὔριον ὁμοίως οὐ τὸν αὐτὸν τῷ σήμερον διαιροῦσα πᾶν τὸ γιγνόμενον εὐθὺς εἰς τὸ ἀγένητον τῷ ἀμνημονεύτῳ καθίστησιν. οἱ μὲν γὰρ ἐν ταῖς σχολαῖς τὰς αὐξήσεις ἀναιροῦντες, ὡς τῆς οὐσίας ἐνδελεχῶς ῥεούσης, λόγῳ ποιοῦσιν ἡμῶν ἕκαστον ἄλλον ἑαυτοῦ καὶ ἄλλον, οἱ δὲ τῇ μνήμῃ τὰ πρότερον μὴ στέγοντες μηδ' ἀναλαμβάνοντες ἀλλ' ὑπεκρεῖν ἐῶντες ἔργῳ ποιοῦσιν ἑαυτοὺς καθ' ἡμέραν ἀποδεεῖς καὶ κενοὺς καὶ τῆς αὔριον ἐκκρεμαμένους, [e] ὡς τῶν πέρυσι καὶ πρῴην καὶ χθὲς οὐ πρὸς αὐτοὺς ὄντων οὐδ' ὅλως αὐτοῖς γενομένων.

Καὶ τοῦτ᾽ οὖν τὴν εὐθυμίαν ἐπιταράσσει κἀκεῖνο μᾶλλον, ὅταν, ὥσπερ αἱ μυῖαι τῶν λείων τόπων ἐν τοῖς κατόπτροις ἀπολισθάνουσι ταῖς δὲ τραχύτησι προσέχονται καὶ ταῖς ἀμυχαῖς, οὕτως ἄνθρωποι τῶν ἱλαρῶν καὶ προσηνῶν ἀπορρέοντες ἐμπλέκωνται ταῖς τῶν ἀηδῶν ἀναμνήσεσι, μᾶλλον δ᾽ ὥσπερ ἐν Ὀλύνθῳ τοὺς κανθάρους λέγουσιν εἴς τι χωρίον ἐμβαλόντας ὃ καλεῖται ‘κανθαρώλεθρον’, ἐκβῆναι μὴ δυναμένους ἀλλ᾽ ἐκεῖ στρεφομένους καὶ κυκλοῦντας [f] ἐναποθνῄσκειν, οὕτως εἰς τὴν τῶν κακῶν μνήμην ὑπορρυέντες ἀνενεγκεῖν μὴ θέλωσι μηδ᾽ ἀναπνεῦσαι. δεῖ δ᾽ ὥσπερ ἐν πινακίῳ χρωμάτων ἐν τῇ ψυχῇ τῶν πραγμάτων τὰ λαμπρὰ καὶ φαιδρὰ προβάλλοντας ἀποκρύπτειν τὰ σκυθρωπὰ καὶ πιέζειν. ἐξαλεῖψαι γὰρ οὐκ ἔστι παντάπασιν οὐδ᾽ ἀπαλλαγῆναι· ‘παλίντροπος γὰρ ἁρμονίη κόσμου, [474] [a] ὅκωσπερ λύρης καὶ τόξου’ (Heracl. B 51), καὶ τῶν ἀνθρωπίνων καθαρὸν οὐδὲν οὐδ᾽ ἀμιγές. ἀλλ᾽ ὥσπερ ἐν μουσικῇ βαρεῖς φθόγγοι καὶ ὀξεῖς ἐν δὲ γραμματικῇ φωνήεντα καὶ ἄφωνα γράμματα, μουσικὸς δὲ καὶ γραμματικὸς οὐχ ὁ θάτερα δυσχεραίνων καὶ ὑποφεύγων ἀλλ᾽ ὁ πᾶσι χρῆσθαι καὶ μειγνύναι πρὸς τὸ οἰκεῖον ἐπιστάμενος, οὕτω καὶ τῶν πραγμάτων ἀντιστοιχίας ἐχόντων (ἐπεὶ κατὰ τὸν Εὐριπίδην (fr. 21)

‘οὐκ ἂν γένοιτο χωρὶς ἐσθλὰ καὶ κακά,
ἀλλ᾽ ἔστι τις σύγκρασις, ὥστ᾽ ἔχειν καλῶς’),

οὐ δεῖ τοῖς ἑτέροις ἐξαθυμεῖν οὐδ᾽ ἀπαγορεύειν, ἀλλ᾽ [b] ὥσπερ ἁρμονικοὺς ἀμβλύνοντας ἀεὶ τοῖς κρείττοσι τὰ χείρονα καὶ τὰ φαῦλα τοῖς χρηστοῖς ἐμπεριλαμβάνοντας ἐμμελὲς τὸ τοῦ βίου μῖγμα ποιεῖν καὶ οἰκεῖον αὑτοῖς.

Οὐ γάρ, ὡς ὁ Μένανδρός φησιν (fr. 551),

‘ἅπαντι δαίμων ἀνδρὶ συμπαρίσταται
εὐθὺς γενομένῳ, μυσταγωγὸς τοῦ βίου
ἀγαθός,’

ἀλλὰ μᾶλλον, ὡς Ἐμπεδοκλῆς (B 122), διτταί τινες ἕκαστον ἡμῶν γινόμενον παραλαμβάνουσι καὶ κατάρχονται μοῖραι καὶ δαίμονες·

‘ἔνθ᾽ ἦσαν Χθονίη τε καὶ Ἡλιόπη ταναῶπις,
Δῆρίς θ᾽ αἱματόεσσα καὶ Ἁρμονίη θεμερῶπις,
Καλλιστώ τ᾽ Αἴσχρη τε Θόωσά τε Δηναίη τε,
[c] Νημερτής τ᾽ ἐρόεσσα μελάγκαρπός τ᾽ Ἀσάφεια.’

ὥστε τούτων ἑκάστου σπέρματα τῶν παθῶν ἀνακεκραμένα δεδεγμένης ἡμῶν τῆς γενέσεως καὶ διὰ τοῦτο πολλὴν ἀνωμαλίαν ἐχούσης, εὔχεται μὲν ὁ νοῦν ἔχων τὰ βελτίονα προσδοκᾷ δὲ καὶ θάτερα, χρῆται δ᾽ ἀμφοτέροις τὸ ἄγαν ἀφαιρῶν. οὐ γὰρ μόνον ‘ὁ τῆς αὔριον ἥκιστα δεόμενος’ ὥς φησιν

Ἐπίκουρος (fr. 490) 'ἥδιστα πρόσεισι πρὸς τὴν αὔριον,' ἀλλὰ καὶ πλοῦτος εὐφραίνει καὶ δόξα καὶ δύναμις καὶ ἀρχὴ [καὶ] μάλιστα τοὺς ἥκιστα τἀναντία ταρβοῦντας. ἡ γὰρ σφοδρὰ περὶ ἕκαστον ἐπιθυμία σφοδρότατον [d] φόβον ἐμποιοῦσα τοῦ μὴ παραμένειν ἀσθενῆ τὴν χάριν ποιεῖ καὶ ἀβέβαιον ὥσπερ φλόγα καταπνεομένην· ᾧ δὲ δίδωσι πρὸς τὴν τύχην ἀδεῶς καὶ ἀτρόμως εἰπεῖν ὁ λογισμός

'ἡδὺ μὲν ἄν τι φέρῃς, ὀλίγον δ' ἄχος ἂν ἀπολείπῃς,'

τοῦτον ἥδιστα ποιεῖ χρῆσθαι τοῖς παροῦσι τὸ θαρραλέον καὶ μὴ δεδιὸς αὐτῶν τὴν ἀποβολὴν ὡς ἀφόρητον. ἔξεστι γὰρ τὴν Ἀναξαγόρου διάθεσιν, ἀφ' ἧς ἐπὶ τῇ τελευτῇ τοῦ παιδὸς ἀνεφώνησεν 'ᾔδειν θνητὸν γεννήσας' (A 33), μὴ θαυμάζοντας μόνον ἀλλὰ καὶ μιμουμένους ἐπιλέγειν ἑκάστῳ τῶν τυχηρῶν 'οἶδα τὸν πλοῦτον ἐφήμερον ἔχων καὶ [e] οὐ βέβαιον·' 'οἶδα τὴν ἀρχὴν ἀφελέσθαι δυναμένους τοὺς δεδωκότας·' 'οἶδα τὴν γυναῖκα χρηστὴν γυναῖκα δ' οὖσαν· καὶ τὸν φίλον ἄνθρωπον ὄντα', 'ζῷον φύσει εὐμετάβολον' ὡς ὁ Πλάτων εἶπεν (ep. XIII 360d). αἱ γὰρ τοιαῦται παρασκευαὶ καὶ διαθέσεις, ἐάν τι συμβῇ τῶν ἀβουλήτων μὲν οὐκ ἀπροσδοκήτων δέ, μὴ δεχόμεναι τὸ 'οὐκ ἂν ᾤμην' καὶ τὸ 'ἄλλ' ἤλπιζον' καὶ τὸ 'ταῦτ' οὐ προσεδόκων,' οἷον πηδήματα καρδίας καὶ σφυγμοὺς ἀφαιροῦσι καὶ ταχὺ πάλιν τὸ μανιῶδες καὶ ταραττόμενον ἱδρύουσιν. ὁ μὲν οὖν Καρνεάδης ἐπὶ πραγμάτων μεγάλων ὑπεμίμνησκεν, ὅτι [f] πᾶν καὶ ὅλον ἐστὶν εἰς λύπην καὶ ἀθυμίαν τὸ ἀπροσδόκητον. ἡ γὰρ Μακεδόνων βασιλεία τῆς Ῥωμαίων ἡγεμονίας πολλοστημόριον ἦν· ἀλλὰ Περσεὺς μὲν ἀποβαλὼν Μακεδονίαν αὐτός τε κατεθρήνει τὸν ἑαυτοῦ δαίμονα καὶ πᾶσιν ἐδόκει δυστυχέστατος ἀνθρώπων γεγονέναι καὶ βαρυποτμότατος, [475] [a] ὁ δὲ τούτου κρατήσας Αἰμίλιος ἑτέρῳ παραδιδοὺς τὴν ὁμοῦ τι γῆς καὶ θαλάττης ἄρχουσαν δύναμιν ἐστεφανοῦτο καὶ ἔθυεν εὐδαιμονιζόμενος, εἰκότως. οὗτος μὲν γὰρ ᾔδει λαμβάνων ἀρχὴν ἀποδοθησομένην, ἐκεῖνος δ' ἀπέβαλε μὴ προσδοκήσας. εὖ δὲ καὶ ὁ ποιητὴς οἷόν ἐστι τὸ παρὰ προσδοκίαν ἐδίδαξεν· ὁ γὰρ Ὀδυσσεὺς τοῦ μὲν κυνὸς σαίνοντος ἐξεδάκρυσε (ρ 302. 304), τῇ δὲ γυναικὶ κλαιούσῃ παρακαθήμενος οὐδὲν ἔπαθε τοιοῦτον (τ 211)· ἐνταῦθα μὲν γὰρ ἀφῖκτο τῷ λογισμῷ τὸ πάθος ὑποχείριον ἔχων καὶ προκατειλημμένον, εἰς δ' ἐκεῖνον μὴ προσδοκήσας ἀλλ' ἐξαίφνης διὰ τὸ παράδοξον ἐνέπεσε.

[b] Καθόλου δ' ἐπεὶ τῶν ἀβουλήτων τὰ μὲν φύσει τὸ λυποῦν καὶ βαρῦνον ἐπιφέρει, τὰ δὲ πλεῖστα δόξῃ δυσχεραίνειν ἐθιζόμεθα καὶ μανθάνομεν, [καὶ] οὐκ ἄχρηστόν ἐστι πρὸς ταῦτα μὲν ἔχειν ἀεὶ τὸ τοῦ Μενάνδρου πρόχειρον (Epitr. fr. 179)

'οὐδὲν πέπονθας δεινὸν ἂν μὴ προσποιῇ'

(τί γὰρ πρὸς σέ ἐστι, φησίν, ἂν μήτε σαρκὸς ἅπτηται μήτε ψυχῆς, οἷόν ἐστι δυσγένεια πατρὸς ἢ μοιχεία γυναικὸς ἢ στεφάνου τινὸς ἢ προεδρίας ἀφαίρεσις, ὧν οὐ κωλύεται παρόντων ἄνθρωπος καὶ τὸ σῶμα βέλτιστα διακείμενον ἔχειν καὶ τὴν ψυχήν;), πρὸς δὲ τὰ φύσει δοκοῦντα λυπεῖν, οἷα νόσοι καὶ πόνοι καὶ θάνατοι φίλων καὶ τέκνων, [c] ἐκεῖνο τὸ Εὐριπίδειον (Beller. fr. 300)

'οἴμοι· - τί δ' οἴμοι; θνητά τοι πεπόνθαμεν.'

οὐδεὶς γὰρ οὕτω τοῦ παθητικοῦ καταφερομένου καὶ ὀλισθάνοντος ἀντιλαμβάνεται λόγος ὡς ὁ τῆς κοινῆς καὶ φυσικῆς ἀνάμνησιν ποιῶν ἀνάγκης, ᾗ διὰ τὸ σῶμα μεμειγμένος ὁ ἄνθρωπος μόνην ταύτην τῇ τύχῃ λαβὴν δίδωσιν, ἐν δὲ τοῖς κυριωτάτοις καὶ μεγίστοις ἀσφαλὴς ἕστηκεν. ὁ Δημήτριος τὴν Μεγαρέων πόλιν καταλαβὼν ἠρώτησε τὸν Στίλπωνα, μή τι τῶν ἐκείνου διήρπασται· καὶ ὁ Στίλπων ἔφη μηδέν' ἰδεῖν 'τἀμά' φέροντα. καὶ τοίνυν τῆς τύχης πάντα τἆλλα λεηλατούσης καὶ περιαιρουμένης, ἔχομέν τι [d] τοιοῦτον ἐν ἑαυτοῖς (Ε 484)

'οἷόν κ' οὔτε φέροιεν Ἀχαιοὶ οὔτ' ἂν ἄγοιεν.'

ὅθεν οὐ δεῖ παντάπασιν ἐκταπεινοῦν οὐδὲ καταβάλλειν τὴν φύσιν ὡς μηδὲν ἰσχυρὸν μηδὲ μόνιμον μηδ' ὑπὲρ τὴν τύχην ἔχουσαν, ἀλλὰ τοὐναντίον εἰδότας, ὅτι μικρόν ἐστι μέρος τοῦ ἀνθρώπου τὸ σαθρὸν καὶ τὸ ἐπίκηρον, ᾧ δέχεται τὴν τύχην, τῆς δὲ βελτίονος μερίδος αὐτοὶ κρατοῦμεν, ἐν ᾗ τὰ μέγιστα τῶν ἀγαθῶν ἱδρυθέντα, δόξαι τε χρησταὶ καὶ μαθήματα καὶ λόγοι τελευτῶντες εἰς ἀρετήν, ἀναφαίρετον ἔχουσι τὴν οὐσίαν καὶ ἀδιάφθορον, ἀνεκπλήκτους πρὸς τὸ μέλλον εἶναι καὶ θαρραλέους, πρὸς τὴν τύχην [e] λέγοντας, ἃ Σωκράτης δοκῶν πρὸς τοὺς κατηγόρους [Ἄνυτον καὶ Μέλητον] λέγειν πρὸς τοὺς δικαστὰς ἔλεγεν, ὡς ἀποκτεῖναι μὲν Ἄνυτος καὶ Μέλητος δύνανται, βλάψαι δ' οὐ δύνανται (Plato Apol. 30c). καὶ γὰρ ἡ τύχη δύναται νόσῳ περιβαλεῖν, ἀφελέσθαι χρήματα, διαβαλεῖν πρὸς δῆμον ἢ τύραννον· κακὸν δὲ καὶ δειλὸν καὶ ταπεινόφρονα καὶ ἀγεννῆ καὶ φθονερὸν οὐ δύναται ποιῆσαι τὸν ἀγαθὸν καὶ ἀνδρώδη καὶ μεγαλόψυχον οὐδὲ παρελέσθαι τὴν διάθεσιν, ἧς ἀεὶ παρούσης πλέον ἢ κυβερνήτου πρὸς θάλατταν ὄφελός ἐστι πρὸς τὸν βίον. κυβερνήτῃ γὰρ οὔτε [f] κῦμα πραῦναι τραχὺ καὶ πνεῦμα δυνατόν ἐστιν, οὔθ' ὅποι βούλεται δεομένῳ λιμένος τυχεῖν οὔτε θαρραλέως καὶ ἀτρόμως ὑπομεῖναι τὸ συμβαῖνον· ἀλλ' ἕως οὐκ ἀπέγνωκε τῇ τέχνῃ χρώμενος,

'φεύγει μέγα λαῖφος ὑποστολίσας ἐς ἐνέρτερον ἱστὸν
ἐρεβώδεος ἐκ θαλάσσης' (PL. III p. 730),

‹ἐπειδὰν δὲ τὸ πέλαγος› ὑπέρσχῃ, τρέμων κάθηται καὶ [476] [a] παλλόμενος. ἡ δὲ τοῦ φρονίμου διάθεσις τοῖς τε σωματικοῖς παρέχει γαλήνην ἐπὶ πλεῖστον, ἐκλύουσα τὰς τῶν νόσων κατασκευὰς ἐγκρατείᾳ καὶ διαίτῃ σώφρονι καὶ μετρίοις πόνοις, κἄν τις ἔξωθεν ἀρχὴ πάθους ὥσπερ διαδρομὴ γένηται σπιλάδος, 'εὐσταλεῖ καὶ κούφῃ κεραίᾳ παρήνεγκεν' ὥς φησιν Ἀσκληπιάδης· παραλόγου δέ τινος καὶ μεγάλου καταλαβόντος καὶ κρατήσαντος, ἐγγὺς ὁ λιμὴν καὶ πάρεστιν ἀπονήξασθαι τοῦ σώματος ὥσπερ ἐφολκίου μὴ στέγοντος.

Τὸν μὲν γὰρ ἀνόητον ὁ τοῦ θανάτου φόβος οὐχ ὁ τοῦ ζῆν πόθος ἐκκρέμασθαι τοῦ σώματος ποιεῖ, περιπεπλεγμένον [b] ὥσπερ τὸν Ὀδυσσέα τῷ ἐρινεῷ (μ 432), δεδοικότα τὴν Χάρυβδιν ὑποκειμένην,

'ἔνθ' οὔτε μίμνειν ἄνεμος οὔτε πλεῖν ἐᾷ' (Aisch. fr. 250),

καὶ πρὸς ταῦτα δυσαρέστως καὶ πρὸς ἐκεῖνα περιδεῶς ἔχοντα. ὁ δὲ τὴν τῆς ψυχῆς φύσιν ἁμωσγέπως ὑπονοῶν καὶ τὴν εἰς τὸ βέλτιον αὐτῆς ἢ μηθὲν κάκιον ἐν τῇ τελευτῇ μεταβολὴν ἐπιλογιζόμενος οὐ μικρὸν ἔχει τῆς πρὸς τὸν βίον εὐθυμίας ἐφόδιον τὴν πρὸς τὸν θάνατον ἀφοβίαν. ᾧ γὰρ ἔξεστι τῆς μὲν ἀρεστῆς καὶ οἰκείας μερίδος ἐπικρατούσης ἡδέως ζῆν, τῶν δ' ἀλλοτρίων καὶ παρὰ φύσιν ὑπερβαλλόντων ἀδεῶς ἀπελθεῖν εἰπόντα (Eur. Bacch. 498)

'λύσει μ' ὁ δαίμων αὐτός, ὅταν ἐγὼ θέλω,'

[c] τί ἂν τούτῳ χαλεπὸν ἢ δύσκολον ἢ ταραχῶδες ἐμπίπτον ἐπινοήσαιμεν; ὁ γὰρ εἰπών 'προκατείλημμαί σ', ὦ τύχη, καὶ πᾶσαν τὴν σὴν ἀφῄρημαι παρείσδυσιν' (Metrodorus Ep. fr. 49) οὐ μοχλοῖς οὐδὲ κλεισὶν οὐδὲ τείχεσιν ἐθάρρυνεν ἑαυτόν, ἀλλὰ δόγμασι καὶ λόγοις ὧν πᾶσι μέτεστι τοῖς βουλομένοις. καὶ δεῖ μηδὲν ἀπογινώσκειν μηδ' ἀπιστεῖν τῶν οὕτω λεγομένων, ἀλλὰ θαυμάζοντα καὶ ζηλοῦντα καὶ συνενθουσιῶντα πεῖραν ἅμα λαμβάνειν ἑαυτοῦ καὶ κατανόησιν ἐν τοῖς ἐλάττοσι πρὸς τὰ μείζονα, μὴ φεύγοντα μηδ' ἀπωθοῦντα τῆς ψυχῆς τὴν ἐπιμέλειαν αὐτῶν μηδὲ διαδιδράσκοντ' [d] ‹εἰς τὸ› 'τάχα δ' οὐδὲν ἔσται δυσχερέστερον.' ἀτονίαν γὰρ ἐμποιεῖ καὶ μαλακίαν ἀγύμναστον ἡ περὶ τὸ ῥᾷστον ἀεὶ διατρίβουσα καὶ πρὸς τὸ ἥδιστον ἐκ τῶν ἀβουλήτων ἀναχωροῦσα γλυκυθυμία τῆς ψυχῆς· ἡ δὲ καὶ νόσου καὶ πόνου καὶ φυγῆς μελετῶσα φαντασίαν ὑφίστασθαι καὶ προσβιαζομένη τῷ λογισμῷ πρὸς ἕκαστον εὑρήσει πολὺ τὸ κατεψευσμένον καὶ διάκενον καὶ σαθρὸν ἐν τοῖς δοκοῦσι χαλεποῖς καὶ φοβεροῖς, ὡς ὁ καθ' ἕκαστον ἀποδείκνυσι λόγος.

Καίτοι πολλοὶ καὶ τὸ τοῦ Μενάνδρου πεφρίκασιν (fr. 355, 4)

'οὐκ ἔστιν εἰπεῖν ζῶντα Τοῦτ' οὐ πείσομαι,'

ἀγνοοῦντες ὅσον ἐστὶ πρὸς ἀλυπίαν ἀγαθὸν τὸ μελετᾶν [e] καὶ δύνασθαι πρὸς τὴν τύχην ἀνεῳγόσι τοῖς ὄμμασιν ἀντιβλέπειν καὶ μὴ ποιεῖν ἐν αὑτῷ τὰς φαντασίας ἀτρίπτους καὶ ἁπαλὰς ὥσπερ ἐνσκιατραφούμενον πολλαῖς ἐλπίσιν ὑπεικούσαις ἀεὶ καὶ πρὸς μηθὲν ἀντιτεινούσαις. ἐκεῖνο μέντοι καὶ πρὸς τὸν Μένανδρον ἔχομεν εἰπεῖν· 'οὐκ ἔστιν εἰπεῖν ζῶντα 'τοῦτ' οὐ πείσομαι,'' ἀλλ' ἔστιν εἰπεῖν ζῶντα 'τοῦτ' οὐ ποιήσω. οὐ ψεύσομαι, οὐ ῥᾳδιουργήσω, οὐκ ἀποστερήσω, οὐκ ἐπιβουλεύσω.' τοῦτο γὰρ ἐφ' ἡμῖν κείμενον οὐ μικρὸν ἀλλὰ μέγα πρὸς εὐθυμίαν πάρεστιν. ὥσπερ αὖ τοὐναντίον

ΠΕΡΙ ΦΙΛΑΔΕΛΦΙΑΣ

[478] Τὰ παλαιὰ τῶν Διοσκόρων ἀφιδρύματα Σπαρτιᾶται ‘δόκανα’ καλοῦσιν· ἔστι δὲ δύο ξύλα παράλληλα δυσὶ πλαγίοις [b] ἐπεζευγμένα, καὶ δοκεῖ τῷ φιλαδέλφῳ τῶν θεῶν οἰκεῖον εἶναι τοῦ ἀναθήματος τὸ κοινὸν καὶ ἀδιαίρετον. οὕτω δὴ καὶ αὐτὸς ὑμῖν, ὦ Νιγρῖνε καὶ Κυῆτε, τὸ σύγγραμμα τοῦτο περὶ φιλαδελφίας ἀνατίθημι, κοινὸν ἀξίοις οὖσι δῶρον. ἐφ’ ἃ γὰρ προτρέπεται, ταῦτα πράττοντες ἤδη μαρτυρεῖσθαι μᾶλλον ἢ παρακαλεῖσθαι δόξετε· καὶ τὸ χαῖρον ὑμῶν ἐφ’ οἷς κατορθοῦτε ποιήσει τῇ κρίσει τὴν ἐπιμονὴν βεβαιοτέραν, ὥσπερ ἐν χρηστοῖς καὶ φιλοκάλοις θεαταῖς εὐημερούντων. Ἀρίσταρχος μὲν οὖν ὁ Θεοδέκτου πατὴρ ἐπισκώπτων τὸ πλῆθος τῶν σοφιστῶν ἔλεγε [c] πάλαι μὲν ἑπτὰ σοφιστὰς μόλις γενέσθαι, τότε δὲ μὴ ῥᾳδίως ἂν ἰδιώτας τοσούτους εὑρεθῆναι· ἐγὼ δ’ ὁρῶ καθ’ ἡμᾶς τὴν φιλαδελφίαν οὕτω σπάνιον οὖσαν ὡς τὴν μισαδελφίαν ἐπὶ τῶν παλαιῶν· ἧς γε τὰ φανέντα παραδείγματα τραγῳδίαις καὶ θεάτροις ὁ βίος ἐξέδωκε διὰ τὸ παράδοξον· οἱ δὲ νῦν ἄνθρωποι πάντες, ὅταν ἐντυγχάνωσι χρηστοῖς ἀδελφοῖς, θαυμάζουσιν οὐδὲν ἧττον ἢ τοὺς Μολιονίδας ἐκείνους, συμφυεῖς τοῖς σώμασι γεγονέναι δοκοῦντας, καὶ τὸ χρῆσθαι κοινῶς τοῖς πατρῴοις χρήμασι καὶ φίλοις καὶ δούλοις οὕτως ἄπιστον ἡγοῦνται καὶ τερατῶδες ὡς [d] τὸ χρῆσθαι μίαν ψυχὴν δυεῖν σωμάτων χερσὶ καὶ ποσὶ καὶ ὀφθαλμοῖς.

Καίτοι τὸ παράδειγμα τῆς χρήσεως τῶν ἀδελφῶν ἡ φύσις οὐ μακρὰν ἔθηκεν, ἀλλ’ ἐν αὐτῷ τῷ σώματι τὰ πλεῖστα τῶν ἀναγκαίων διττὰ καὶ ἀδελφὰ καὶ δίδυμα μηχανησαμένη, χεῖρας πόδας ὄμματ’ ὦτα ῥῖνας, ἐδίδαξεν ὅτι ταῦτα σωτηρίας ἕνεκα καὶ συμπράξεως κοινῆς οὐ διαφορᾶς καὶ μάχης οὕτως διέστησεν· αὐτάς τε τὰς χεῖρας εἰς πολλοὺς καὶ ἀνίσους δακτύλους σχίσασα πάντων ὀργάνων ἐμμελέστατα καὶ τεχνικώτατα παρέσχεν, ὥστ’ Ἀναξαγόραν [e] (A 102) τὸν παλαιὸν ἐν ταῖς χερσὶ τὴν αἰτίαν τίθεσθαι τῆς ἀνθρωπίνης σοφίας καὶ συνέσεως. ἀλλὰ τούτου μὲν ἔοικεν ἀληθὲς εἶναι τοὐναντίον· οὐ γὰρ ὅτι χεῖρας ἔσχεν ἄνθρωπος, σοφώτατον, ἀλλ’ ὅτι φύσει λογικὸν ἦν καὶ τεχνικόν, ὀργάνων φύσει τοιούτων ἔτυχεν. ἐκεῖνο δὲ παντὶ δῆλον, ὡς ἀπὸ σπέρματος ἑνὸς καὶ μιᾶς ἀρχῆς ἡ φύσις ἀδελφοὺς δύο καὶ τρεῖς καὶ πλείονας ἐποίησεν οὐ πρὸς διαφορὰν καὶ ἀντίταξιν, ἀλλ’ ὅπως χωρὶς ὄντες ἀλλήλοις μᾶλλον συνεργῶσιν. οἱ γὰρ δὴ τρισώματοι καὶ ἑκατόγχειρες, εἴπερ ἐγένοντο, συμφυεῖς ὄντες πᾶσι τοῖς μέρεσιν, [f] οὐθὲν ἐκτὸς αὐτῶν οὐδὲ χωρὶς ἐδύναντο ποιεῖν· ὃ τοῖς ἀδελφοῖς ὑπάρχει, καὶ μένειν καὶ ἀποδημεῖν ἅμα καὶ

πολιτεύεσθαι καὶ γεωργεῖν δυναμένοις δι᾽ ἀλλήλων, ἄνπερ ἣν ἡ φύσις ἔδωκεν εὐνοίας καὶ συμφωνίας ἀρχὴν φυλάττωσιν· εἰ δὲ μή, ποδῶν οὐθέν, οἶμαι, διοίσουσιν ἀλλήλους ὑποσκελιζόντων καὶ δακτύλων ἐμπλεκομένων καὶ διαστρεφομένων παρὰ φύσιν ὑπ᾽ ἀλλήλων. μᾶλλον δ᾽ ὥσπερ ἐν ταὐτῷ σώματι μιᾶς κοινωνοῦντα φύσεως καὶ τροφῆς τὰ ὑγρὰ καὶ [479] [a] ξηρὰ καὶ ψυχρὰ καὶ θερμὰ τῇ ὁμονοίᾳ καὶ συμφωνίᾳ τὴν ἀρίστην καὶ ἡδίστην κρᾶσιν ἐμποιεῖ καὶ ἁρμονίαν, ἧς χωρὶς οὔτε ‘πλούτου’ φασὶν οὔτε ‘τᾶς ἰσοδαίμονος ἀνθρώποις βασιληίδος ἀρχᾶς’ (Ariphronis paean PL. [c] αὐτὴ γὰρ ἡ προσδεχομένη καὶ ζητοῦσα φιλίαν καὶ ὁμιλίαν χρεία διδάσκει τὸ συγγενὲς τιμᾶν καὶ περιέπειν καὶ διαφυλάττειν, ὡς ἀφίλους καὶ ἀμίκτους καὶ μονοτρόπους ζῆν μὴ δυναμένους μηδὲ πεφυκότας. ὅθεν ὁ Μένανδρος ὀρθῶς (fr. 554)

Διὸ καὶ γονέων κακὴν γηροτρόφον οὖσαν καὶ κακίονα παιδοτρόφον τέκνων ἐκκαθαίρειν προσήκει τὴν μισαδελφίαν. ἔστι δὲ καὶ πρὸς πολίτας διάβολος καὶ κατήγορος· οἴονται γὰρ οὐκ ἂν ἐκ τοσῆσδε συντροφίας καὶ συνηθείας καὶ οἰκειότητος ἐχθροὺς καὶ πολεμίους γενέσθαι μὴ πολλὰ καὶ πονηρὰ συνειδότας ἀλλήλοις· μεγάλαι [c] γὰρ αἰτίαι μεγάλην διαλύουσιν εὔνοιαν καὶ φιλίαν. ὅθεν οὐδὲ ῥᾳδίως αὖθις ἐνδέχονται διαλύσεις. ὥσπερ γὰρ τὰ συμπαγέντα, κἂν χαλάσῃ τὸ ἐχέκολλον, ἐνδέχεται πάλιν δεθῆναι καὶ συνελθεῖν, συμφυοῦς δὲ σώματος ῥαγέντος ἢ σχισθέντος ἔργον ἐστὶ κόλλησιν εὑρεῖν καὶ σύμφυσιν, οὕτως αἱ μὲν ὑπὸ χρείας συνημμέναι φιλίαι κἂν διαστῶσιν οὐ χαλεπῶς αὖθις ἀναλαμβάνουσιν, ἀδελφοὶ δὲ τοῦ κατὰ φύσιν ἐκπεσόντες οὔτε ῥᾳδίως συνέρχονται, κἂν συνέλθωσι, ῥυπαρὰν καὶ ὕποπτον οὐλὴν αἱ διαλύσεις ἐφέλκονται. πᾶσα μὲν οὖν ἔχθρα πρὸς ἄνθρωπον ἀνθρώπῳ μετὰ [d] τῶν μάλιστα λυπούντων ἐνδυομένη παθῶν, φιλονεικίας ὀργῆς φθόνου μνησικακίας, ὀδυνηρόν ἐστι καὶ ταραχῶδες· ἡ δὲ πρὸς ἀδελφόν, ᾧ θυσιῶν τε κοινωνεῖν ἀνάγκη καὶ ἱερῶν πατρῴων ὁμόταφόν τε γενέσθαι καί που σύνοικον ἢ γείτονα χωρίων, ἐν ὄμμασιν ἔχει τὸ λυπηρόν, ὑπομιμνήσκουσα καθ’ ἡμέραν τῆς ἀνοίας καὶ παραφροσύνης, δι’ ἣν τὸ ἥδιστον καὶ συγγενέστατον πρόσωπον ἰδεῖν σκυθρωπότατον ἥ τε προσφιλὴς ἐκ νέων φωνὴ καὶ συνήθης ἀκοῦσαι φοβερωτάτη γέγονε, πολλοὺς δὲ τῶν ἄλλων ἀδελφῶν ὁρῶντες οἰκίᾳ μιᾷ τε χρωμένους καὶ τραπέζῃ καὶ [e] χωρίοις ἀνεμήτοις καὶ ἀνδραπόδοις αὐτοὶ καὶ φίλους διῄρηνται καὶ ξένους, ἐχθρὰ πάντα τὰ προσφιλῆ τοῖς ἀδελφοῖς νέμοντες· καὶ ταῦτα πᾶσιν ἐν μέσῳ λογίζεσθαι παρόντος, ὅτι ‘ληιστοί’ (I 406. 7) μέν τε φίλοι καὶ συμπόται ‘κτητοί’ δὲ κηδεσταὶ καὶ συνήθεις τῶν πρώτων ὥσπερ ὅπλων ἢ ὀργάνων διαφθαρέντων, ἀδελφοῦ δ’ ἀντίκτησις οὐκ ἔστιν, ὥσπερ οὐδὲ χειρὸς ἀφαιρεθείσης οὐδ’ ὄψεως ἐκκοπείσης, ἀλλ’ ὀρθῶς ἡ Περσὶς εἶπεν, ἀντὶ τῶν τέκνων ἑλομένη σῶσαι τὸν ἀδελφόν, ὅτι παῖδας μὲν ἑτέρους κτήσασθαι δύναιτ’ ἄν, ἀδελφὸς δ’ ἄλλος αὐτῇ γονέων μὴ ὄντων οὐκ ἂν γένοιτο (Herod. ἀλλὰ καὶ τῶν νεωτέρων φιλοσόφων Ἀπολλώνιος ὁ περιπατητικὸς ἤλεγξε τὸν εἰπόντα δόξαν ἀκοινώνητον εἶναι, Σωτίωνα νεώτερον ἀδελφὸν αὑτοῦ ποιήσας ἐνδοξότερον. ἐμοὶ μὲν γὰρ ὅτι πολλῶν ἀξίων χάριτος παρὰ τῆς τύχης γεγονότων [e] ἡ Τίμωνος εὔνοια τοῦ ἀδελφοῦ πρὸς ἅπαντα τἄλλα γέγονε καὶ ἔστιν, οὐδεὶς ἀγνοεῖ τῶν ὁπωσοῦν ἐντετυχηκότων ἡμῖν, ἥκιστα δ' ὑμεῖς οἱ συνήθεις.

Ἕτερα τοίνυν ταῖς παραλλήλοις καὶ σύνεγγυς ἡλικίαις ἀδελφῶν φυλακτέον ἐστὶ πάθη, μικρὰ μὲν συνεχῆ δὲ καὶ πολλὰ καὶ πονηρὰν ποιοῦντα τοῦ λυπεῖν καὶ παροξύνειν ἑαυτοὺς ἐπὶ πᾶσι μελέτην, τελευτῶσαν εἰς ἀνήκεστα μίση καὶ κακοθυμίας. ἀρξάμενοι γὰρ ἐπὶ παιδιαῖς διαφέρεσθαι, περὶ τροφὰς ζῴων καὶ ἀγῶνας, οἷον ὀρτύγων ἢ ἀλεκτρυόνων, εἶτα παίδων ἐν παλαίστραις καὶ κυνῶν ἐν [f] θήραις καὶ ἵππων ἐν ἁμίλλαις, οὐκέτι κρατεῖν ἐν τοῖς μείζοσιν οὐδὲ καταπαύειν τὸ φιλόνικον δύνανται καὶ φιλότιμον. ὥσπερ Ἑλλήνων οἱ καθ' ἡμᾶς δυνατώτατοι περὶ σπουδὰς ὀρχηστῶν εἶτα κιθαρῳδῶν διαστάντες, ἐκ τούτου τὰς ἐν Αἰδηψῷ κολυμβήθρας καὶ παστάδας καὶ ἀνδρῶνας ἀντιπαραβάλλοντες ἀεὶ καὶ τοπομαχοῦντες καὶ ἀποκόπτοντες ὀχετοὺς καὶ ἀποστρέφοντες οὕτως ἐξηγριώθησαν [488] [a] καὶ διεφθάρησαν, ὥστε πάντων ἀφαιρεθέντες ὑπὸ τοῦ τυράννου καὶ φυγάδες καὶ πένητες καὶ ὀλίγου δέω λέγειν ἕτεροι τῶν πρότερον γενόμενοι μόνῳ διέμειναν οἱ αὐτοὶ τῷ μισεῖν ἀλλήλους. ὅθεν οὐχ ἥκιστα δεῖ περὶ τὰ μικρὰ καὶ πρῶτα παραδυομένῃ τῇ πρὸς τοὺς ἀδελφοὺς φιλονικίᾳ καὶ ζηλοτυπίᾳ διαμάχεσθαι, μελετῶντας ἀνθυπείκειν καὶ ἡττᾶσθαι καὶ χαίρειν τῷ χαρίζεσθαι μᾶλλον αὐτοῖς ἢ τῷ νικᾶν. οὐ γὰρ ἑτέραν οἱ παλαιοὶ Καδμείαν νίκην ἀλλὰ τὴν περὶ Θήβας τῶν ἀδελφῶν ὡς αἰσχίστην καὶ κακίστην προσηγόρευσαν.

Τί οὖν; οὐχὶ πολλὰς τὰ πράγματα καὶ τοῖς ἐπιεικῶς [b] ἔχειν δοκοῦσι καὶ πράως φέρει προφάσεις ἀντιλογιῶν καὶ διαφορῶν; καὶ μάλα· ἀλλὰ κἀκεῖ φυλακτέον, ὅπως τὰ πράγματα μάχηται καθ' αὑτὰ, μηδὲν ἐκ φιλονικίας μηδ' ὀργῆς πάθος οἷον ἄγκιστρον προσθέντας ἀλλ' ὥσπερ ἐπὶ ζυγοῦ τοῦ δικαίου τὴν ῥοπὴν κοινῶς ἀποθεωροῦντας καὶ τάχιστα ταῖς κρίσεσι καὶ ταῖς διαίταις τὴν ἀμφιλογίαν παραδιδόντας ἀποκαθῆραι, πρὶν ἐνδῦσαν ὥσπερ βαφὴν ἢ κηλῖδα δευσοποιὸν γενέσθαι καὶ δυσέκπλυτον· εἶτα μιμεῖσθαι τοὺς Πυθαγορικούς, οἳ γένει μηθὲν προσήκοντες ἀλλὰ [c] κοινοῦ λόγου μετέχοντες, εἴ ποτε προαχθεῖεν εἰς λοιδορίαν ὑπ' ὀργῆς, πρὶν ἢ τὸν ἥλιον δῦναι τὰς δεξιὰς ἐμβαλόντες ἀλλήλοις καὶ ἀσπασάμενοι διελύοντο. καθάπερ γὰρ ἐπὶ βουβῶνι πυρετοῦ γενομένου δεινὸν οὐθέν ἐστιν, ἂν δὲ παυσαμένου παραμένῃ, νόσος εἶναι δοκεῖ καὶ βαθυτέραν ἔχειν ἀρχήν, οὕτως ἀδελφῶν ἡ

μετὰ τὸ πρᾶγμα παυομένη διαφορὰ τοῦ πράγματός ἐστι, τῆς δ’ ἐπιμενούσης πρόφασις ἦν τὸ πρᾶγμα μοχθηράν τινα καὶ ὕπουλον αἰτίαν ἔχον.

Ἄξιον δὲ πυθέσθαι βαρβάρων ἀδελφῶν διαδικασίαν, οὐ περὶ γηδίου μερίδος οὐδ’ ἐπ’ ἀνδραπόδοις ἢ προβατίοις [d] γενομένην ἀλλὰ περὶ τῆς Περσῶν ἡγεμονίας. Δαρείου γὰρ ἀποθανόντος οἱ μὲν ἠξίουν Ἀριαμένην βασιλεύειν, πρεσβύτατον ὄντα τῆς γενεᾶς, οἱ δὲ Ξέρξην, Ἀτόσσης τε μητρὸς ὄντα τῆς Κύρου θυγατρὸς ἔκ τε Δαρείου βασιλεύοντος ἤδη γεγενημένον. Ἀριαμένης μὲν οὖν κατέβαινεν ἐκ Μήδων οὐ πολεμικῶς ἀλλ’ ἐπὶ δίκην ἡσυχαῖος, Ξέρξης δὲ παρὼν ἔπραττεν ἅπερ ἦν βασιλεῖ προσήκοντα. ἐλθόντος δὲ τοῦ ἀδελφοῦ θεὶς τὸ διάδημα καὶ καταβαλὼν τὴν τιάραν, ἣν φοροῦσιν ὀρθὴν οἱ βασιλεύοντες, ἀπήντησεν αὐτῷ καὶ ἠσπάσατο, καὶ δῶρα πέμπων [e] ἐκέλευσεν εἰπεῖν τοὺς κομίζοντας ‘τούτοις σε νῦν τιμᾷ Ξέρξης ὁ ἀδελφός· ἂν δὲ βασιλεὺς κρίσει καὶ ψήφῳ Περσῶν ἀναγορευθῇ, δίδωσί σοι δευτέρῳ μεθ’ ἑαυτὸν εἶναι.’ καὶ ὁ Ἀριαμένης ‘ἐγὼ δ’’ ἔφη ‘τὰ μὲν δῶρα δέχομαι, βασιλείαν δὲ τὴν Περσῶν ἐμαυτῷ νομίζω προσήκειν· τιμὴν δὲ τὴν μετ’ ἐμὲ τοῖς ἀδελφοῖς φυλάξω, Ξέρξῃ δὲ πρώτῳ τῶν ἀδελφῶν.’ ἐπεὶ δ’ ἡ κρίσις ἐνέστη, Πέρσαι μὲν Ἀρτάβανον, ἀδελφὸν ὄντα Δαρείου, δικαστὴν ἀπέφηναν †δόξαν αὐτοῖς, Ξέρξης δ’ ἔφευγεν ἐπ’ ἐκείνου κριθῆναι τῷ πλήθει πεποιθώς. Ἄτοσσα δ’ ἡ μήτηρ ἐπέπληξεν [f] αὐτῷ ‘τί φεύγεις Ἀρτάβανον, ὦ παῖ, θεῖον ὄντα καὶ Περσῶν ἄριστον; τί δ’ οὕτως τὸν ἀγῶνα δέδοικας, ἐν ᾧ καλὰ καὶ τὰ δευτερεῖα, Περσῶν βασιλέως ἀδελφὸν κριθῆναι;’ πεισθέντος οὖν Ξέρξου καὶ γενομένων λόγων Ἀρτάβανος μὲν ἀπεφήνατο Ξέρξῃ τὴν βασιλείαν προσήκειν, Ἀριαμένης δ’ εὐθὺς ἀναπηδήσας προσεκύνησε τὸν ἀδελφὸν καὶ λαβόμενος τῆς δεξιᾶς εἰς τὸν θρόνον ἐκάθισε τὸν βασίλειον. ἐκ τούτου μέγιστος ἦν παρ’ αὐτῷ καὶ παρεῖχεν εὔνουν ἑαυτόν, ὥστ’ ἀριστεύων ἐν τῇ περὶ Σαλαμῖνα ναυμαχίᾳ [489] [a] πεσεῖν ὑπὲρ τῆς ἐκείνου δόξης. τοῦτο μὲν οὖν ὥσπερ ἀρχέτυπον ἐκκείσθω καθαρὸν καὶ ἀμώμητον εὐμενείας καὶ μεγαλοφροσύνης· Ἀντιόχου δὲ τὴν μὲν φιλαρχίαν ψέξειεν ἄν τις, ὅτι δ’ οὐ παντάπασιν αὐτῇ τὸ φιλάδελφον ἐνηφανίσθη, θαυμάσειεν. ἐπολέμει γὰρ ὑπὲρ τῆς βασιλείας Σελεύκῳ νεώτερος ὢν ἀδελφὸς καὶ τὴν μητέρα συλλαμβάνουσαν εἶχεν· ἀκμάζοντος δὲ τοῦ πολέμου μάχην ὁ Σέλευκος Γαλάταις συνάψας καὶ ἡττηθεὶς οὐδαμοῦ φανερὸς ἦν ἀλλ’ ἔδοξε τεθνάναι, πάσης ὁμοῦ τι τῆς στρατιᾶς ὑπὸ τῶν βαρβάρων κατακοπείσης. πυθόμενος οὖν ὁ Ἀντίοχος τὴν πορφύραν ἔθηκε καὶ φαιὸν ἱμάτιον ἔλαβε, καὶ [b] τὰ βασίλεια κλείσας ἐπένθει τὸν ἀδελφόν· ὀλίγῳ δ’ ὕστερον ἀκούσας, ὅτι σῴζεται καὶ δύναμιν αὖθις ἑτέραν ἀθροίζει, τοῖς τε θεοῖς ἔθυσε προελθὼν καὶ ταῖς πόλεσιν ὧν ἦρχε θύειν καὶ στεφανηφορεῖν ἐπήγγειλεν. Ἀθηναῖοι δὲ τὸν

περὶ τῆς ἔριδος τῶν θεῶν μῦθον ἀτόπως πλάσαντες ἐπανόρθωμα τῆς ἀτοπίας οὐ φαῦλον ἐνέμιξαν αὐτῷ· τὴν γὰρ δευτέραν ἐξαιροῦσιν ἀεὶ τοῦ Βοηδρομιῶνος, ὡς ἐν ἐκείνῃ τῷ Ποσειδῶνι πρὸς τὴν Ἀθηνᾶν γενομένης τῆς διαφορᾶς. τί οὖν κωλύει καὶ ἡμᾶς ἐν διαφορᾷ ποτε πρὸς οἰκείους καὶ συγγενεῖς γενομένους ἐν ἀμνηστίᾳ τὴν ἡμέραν [c] ἐκείνην τίθεσθαι καὶ μίαν τῶν ἀποφράδων νομίζειν, ἀλλὰ μὴ πολλῶν καὶ ἀγαθῶν ἐν αἷς συνετράφημεν καὶ συνεβιώσαμεν ἡμερῶν διὰ μίαν ἐπιλανθάνεσθαι; ἢ γὰρ μάτην καὶ πρὸς οὐθὲν ἡ φύσις ἡμῖν ἔδωκε πραότητα καὶ μετριοπαθείας ἔκγονον ἀνεξικακίαν, ἢ μάλιστα χρηστέον τούτοις πρὸς συγγενεῖς καὶ οἰκείους. οὐχ ἧττον δὲ τοῦ διδόναι συγγνώμην ἁμαρτοῦσι τὸ αἰτεῖσθαι καὶ λαμβάνειν αὐτοὺς ἁμαρτόντας εὔνοιαν ἐμφαίνει καὶ φιλοστοργίαν. ὅθεν ὀργιζομένων τε δεῖ μὴ ἀμελεῖν καὶ παραιτουμένοις μὴ ἀντιτείνειν, ἀλλὰ καὶ φθάνειν πολλάκις ἁμαρτόντας αὐτοὺς τῇ παραιτήσει [d] τὴν ὀργὴν ἀδικηθέντας τε πάλιν αὖ τῇ συγγνώμῃ τὴν παραίτησιν.

Ὁ μὲν οὖν Σωκρατικὸς Εὐκλείδης ἐν ταῖς σχολαῖς περιβόητός ἐστιν, ὅτι φωνὴν ἀκούσας ἀγνώμονα καὶ θηριώδη τοῦ ἀδελφοῦ πρὸς αὐτὸν εἰπόντος ‘ἀπολοίμην, εἰ μή σε τιμωρησαίμην’ ‘ἐγὼ δ’,’ εἶπεν ‘εἰ μή σε πείσαιμι παύσασθαι τῆς ὀργῆς καὶ φιλεῖν ἡμᾶς ὡς πρότερον ἐφίλεις.’ τὸ δ’ Εὐμένους τοῦ βασιλέως ἔργον οὐ λόγος ὑπερβολὴν οὐδενὶ πραότητος ἀπολέλοιπεν. Περσεὺς γὰρ ὁ τῶν Μακεδόνων βασιλεὺς ἐχθρὸς ὢν αὐτῷ παρεσκεύασε τοὺς ἀποκτενοῦντας· οἱ δὲ περὶ Δελφοὺς ἐνήδρευον [e] αἰσθόμενοι βαδίζοντα πρὸς τὸν θεὸν ἀπὸ θαλάσσης. γενόμενοι δ’ ὄπισθεν αὐτοῦ λίθους μεγάλους ἐμβάλλουσιν εἴς τε τὴν κεφαλὴν καὶ τὸν τράχηλον, ὑφ’ ὧν σκοτωθεὶς καὶ πεσὼν ἔδοξε τεθνάναι· καὶ περιῆλθε φήμη πανταχόσε, καὶ φίλοι τινὲς ἀφίκοντο καὶ θεράποντες εἰς Πέργαμον αὐτάγγελοι τοῦ πάθους ἥκειν δοκοῦντες. Ἄτταλος οὖν ὁ πρεσβύτατος αὐτοῦ τῶν ἀδελφῶν, ἀνὴρ ἐπιεικὴς καὶ περὶ τὸν Εὐμένη πάντων ἄριστος, οὐ μόνον βασιλεὺς ἀνηγορεύθη διαδησάμενος, ἀλλὰ καὶ τὴν γυναῖκα τοῦ ἀδελφοῦ Στρατονίκην ἔγημε καὶ συνῆλθεν· ἐπεὶ δ’ ἀπηγγέλη ζῶν ὁ [f] Εὐμένης καὶ προσῄει, θεὶς τὸ διάδημα καὶ λαβὼν ὥσπερ εἰώθει τὰ δοράτια μετὰ τῶν ἄλλων ἀπήντησεν αὐτῷ δορυφόρων. ὁ δὲ κἀκεῖνον εὐμενῶς ἐδεξιώσατο καὶ τὴν βασίλισσαν ἠσπάσατο μετὰ τιμῆς καὶ φιλοφροσύνης, καὶ χρόνον οὐκ ὀλίγον ἐπιβιώσας ἀμέμπτως καὶ ἀνυπόπτως ἀπέθανε, τῷ Ἀττάλῳ τήν τε βασιλείαν καὶ τὴν γυναῖκα παρεγγυήσας. τί οὖν ἐκεῖνος; ἀποθανόντος αὐτοῦ παιδίον οὐδὲ ἓν ἠθέλησεν ἐκ τῆς γυναικὸς ἀνελέσθαι τεκούσης [490] [a] πολλάκις, ἀλλὰ τὸν ἐκείνου παῖδα θρέψας καὶ ἀνδρώσας ἔτι ζῶν ἐπέθηκε τὸ διάδημα καὶ βασιλέα προσηγόρευσεν. ἀλλὰ Καμβύσης ἐξ ἐνυπνίου φοβηθεὶς ὡς βασιλεύσοντα τῆς

Ἀσίας τὸν ἀδελφόν, οὐδεμίαν ἀπόδειξιν οὐδ’ ἔλεγχον ἀναμείνας ἀπέκτεινεν. ὅθεν ἐξέπεσε τῆς Κύρου διαδοχῆς ἡ ἀρχὴ τελευτήσαντος αὐτοῦ, καὶ τὸ Δαρείου γένος ἐβασίλευσεν, ἀνδρὸς οὐ μόνον ἀδελφοῖς ἀλλὰ καὶ φίλοις ἐπισταμένου κοινωνεῖν πραγμάτων καὶ δυνάμεως.

Ἔτι τοίνυν ἐκεῖνο δεῖ μνημονεύειν ἐν ταῖς πρὸς τοὺς ἀδελφοὺς διαφοραῖς καὶ φυλάττειν, τὸ τοῖς φίλοις αὐτῶν [b] ὁμιλεῖν καὶ πλησιάζειν τότε μάλιστα, φεύγειν δὲ τοὺς

Ἔτι τοίνυν ἐκεῖνο δεῖ μνημονεύειν ἐν ταῖς πρὸς τοὺς τοῦτο τὸ Κρητῶν, οἳ πολλάκις στασιάζοντες ἀλλήλοις καὶ πολεμοῦντες ἔξωθεν ἐπιόντων πολεμίων διελύοντο καὶ συνίσταντο· καὶ τοῦτ’ ἦν ὁ καλούμενος ὑπ’ αὐτῶν ‘συγκρητισμός’. ἔνιοι γὰρ ὥσπερ ὕδωρ τοῖς χαλῶσι καὶ διισταμένοις ὑπορρέοντες ἀνατρέπουσιν οἰκειότητας καὶ φιλίας, μισοῦντες μὲν ἀμφοτέρους ἐπιτιθέμενοι δὲ τῷ μᾶλλον ὑπ’ ἀσθενείας ἐνδιδόντι. τῷ μὲν γὰρ ἐρῶντι συνερῶσιν οἱ νεαροὶ καὶ ἄκακοι τῶν φίλων, τῷ δ’ ὀργιζομένῳ καὶ διαφερομένῳ [c] πρὸς ἀδελφὸν οἱ κακοηθέστατοι τῶν ἐχθρῶν συναγανακτεῖν καὶ συνοργίζεσθαι δοκοῦσι. καθάπερ οὖν ἡ Αἰσώπειος ἀλεκτορὶς (fab. 16) πρὸς τὴν αἴλουρον, ὡς δὴ κατ’ εὔνοιαν αὐτῆς νοσούσης ὅπως ἔχει πυνθανομένην, ‘καλῶς’ εἶπεν ‘ἂν σὺ ἀποστῇς’, οὕτω πρὸς τοιοῦτον ἄνθρωπον ἐμβάλλοντα λόγον ὑπὲρ τῆς διαφορᾶς καὶ πυνθανόμενον καὶ ὑπορύττοντα τῶν ἀπορρήτων ἔνια χρὴ λέγειν ‘ἀλλ’ ἔμοιγε πρᾶγμα πρὸς τὸν ἀδελφὸν οὐθέν ἐστιν, ἂν μήτ’ ἐγὼ τοῖς διαβάλλουσι προσέχω μήτ’ ἐκεῖνος.’ νυνὶ δ’ οὐκ οἶδ’ ὅπως ὀφθαλμιῶντες μὲν οἰόμεθα δεῖν ἀποστρέφειν ἐπὶ τὰ μὴ ποιοῦντα πληγὴν μηδ’ ἀντιτυπίαν χρώματα [d] καὶ σώματα τὴν ὄψιν, ἐν δὲ μέμψεσι καὶ ὀργαῖς καὶ ὑπονοίαις πρὸς ἀδελφοὺς γενόμενοι χαίρομεν καὶ προσαναχρωννύμεθα τοῖς ἐκταράττουσιν, ὅτε καλῶς εἶχε τοὺς μὲν ἐχθροὺς καὶ δυσμενεῖς ἀποδιδράσκειν καὶ λανθάνειν, συνεῖναι δὲ καὶ συνδιημερεύειν μάλιστα κηδεσταῖς ἐκείνων καὶ οἰκείοις καὶ φίλοις καὶ πρὸς γυναῖκας αὐτῶν εἰσιόντας αἰτιᾶσθαι καὶ παρρησιάζεσθαι. καίτοι λίθον οὔ φασι χρῆναι μέσον ἀδελφοὺς λαμβάνειν ὁδὸν βαδίζοντας, ἄχθονται δὲ καὶ κυνὸς διεκδραμόντος, καὶ πολλὰ τοιαῦτα δεδίασιν ὧν οὐδὲν ὁμόνοιαν ἀδελφῶν διέστησεν, ἀνθρώπους [e] δὲ κυνικοὺς καὶ διαβόλους ἐν μέσῳ λαμβάνοντες αὐτῶν καὶ περιπταίοντες οὐ συνορῶσι.

Διὸ τοῦ λόγου τὸ συνεχὲς ὑπαγορεύοντος, εὖ μὲν εἶπε Θεόφραστος (fr. 75) ὡς ‘εἰ κοινὰ τὰ φίλων ἐστί, μάλιστα δεῖ κοινοὺς τῶν φίλων εἶναι τοὺς φίλους·’ οὐχ ἥκιστα δ’ ἄν τις ἀδελφοῖς τοῦτο παραινέσειεν. αἱ γὰρ ἰδίᾳ καὶ χωρὶς ὁμιλίαι καὶ συνήθειαι πρὸς ἄλλους ἀποστρέφουσι καὶ ἀπάγουσιν ἀπ’ ἀλλήλων· τῷ γὰρ φιλεῖν ἑτέρους εὐθὺς ἕπεται τὸ χαίρειν ἑτέροις καὶ ζηλοῦν

ἑτέρους καὶ ἄγεσθαι ὑφ’ ἑτέρων. ἠθοποιοῦσι γὰρ αἱ φιλίαι, καὶ μεῖζον οὐθέν ἐστιν ἠθῶν διαφορᾶς σημεῖον ἢ φίλων αἱρέσεις διαφερόντων.

[f] ὅθεν οὔτε τὸ συνεσθίειν ἀδελφῷ καὶ συμπίνειν οὔτε τὸ συμπαίζειν καὶ συνδιημερεύειν οὕτω συνεκτικόν ἐστιν ὁμονοίας ὡς τὸ συμφιλεῖν καὶ συνεχθραίνειν ἥδεσθαι τε τοῖς αὐτοῖς συνόντα καὶ πάλιν βδελύττεσθαι καὶ φεύγειν. οὐδὲ γὰρ διαβολὰς αἱ κοιναὶ φιλίαι φέρουσιν οὐδὲ συγκρούσεις· ἀλλὰ κἂν γένηταί τις ὀργὴ καὶ μέμψις, ἐκλύεται διὰ μέσου τῶν φίλων ἐκδεχομένων καὶ διασκεδαννύντων, ἄνπερ ἀμφοτέροις οἰκείως ἔχωσι καὶ πρὸς ἀμφοτέρους [491] [a] ὁμοῦ τῇ εὐνοίᾳ συννεύωσιν. ὡς γὰρ ὁ κασσίτερος ῥαγέντα τὸν χαλκὸν συναρμόττει καὶ συγκεράννυσι τῷ ψαύειν ἑκατέρου πέρατος οἰκείως ὁμοπαθὴς γινόμενος, οὕτως δεῖ τὸν φίλον εὐάρμοστον ὄντα καὶ κοινὸν ἀμφοτέροις τοῖς ἀδελφοῖς προσκαταπυκνοῦν τὴν εὔνοιαν· οἱ δ’ ἄνισοι καὶ ἄμικτοι καθάπερ ἐν διαγράμματι μουσικῷ φθόγγοι διάζευξιν οὐ συναφὴν ποιοῦσιν. ἔστιν οὖν διαπορῆσαι πότερον ὀρθῶς ἢ τοὐναντίον ὁ Ἡσίοδος εἶπε (OD 707)

‘μηδὲ κασιγνήτῳ ἶσον ποιεῖσθαι ἑταῖρον.’

ὁ μὲν γὰρ εὐγνώμων καὶ κοινός, ὥσπερ εἴρηται, μᾶλλον ἐγκραθεὶς δι’ ἀμφοτέρων σύνδεσμος ἔσται τῆς φιλαδελφίας· [b] ὁ δ’ Ἡσίοδος ὡς ἔοικεν ἐφοβήθη τοὺς πολλοὺς καὶ φαύλους διὰ τὸ δύσζηλον καὶ φίλαυτον. ὃ δὴ καλῶς ἔχει φυλαττομένους, κἂν εὔνοιαν ἴσην φίλῳ νέμῃ τις, ἀεὶ τὰ πρωτεῖα τῷ ἀδελφῷ φυλάττειν ἐν ἀρχαῖς καὶ πολιτείαις ἔν τε κλήσεσι καὶ γνωρίσεσιν ἡγεμόνων καὶ ὅσα τοῖς πολλοῖς ἐπιφανῆ καὶ πρὸς δόξαν ἐστί, τὸ προσῆκον ἀξίωμα τῇ φύσει καὶ γέρας ἀποδιδόντας. οὐ γὰρ οὕτως τῷ φίλῳ τὸ πλέον ἐν τούτοις σεμνόν, ὡς ἀδελφῷ τοὔλαττον αἰσχρὸν γίνεται καὶ ἄδοξον.

Ἀλλὰ περὶ ταύτης μὲν ἑτέρωθι τῆς γνώμης γέγραπται [c] τὰ δοκοῦντα διὰ πλειόνων· τὸ δὲ Μενάνδρειον ὀρθῶς ἔχον, ὡς ‘οὐδεὶς ἀγαπῶν αὐτὸς ἀμελεῖθ’ ἡδέως’ (fr. 757), ὑπομιμνήσκει καὶ διδάσκει τῶν ἀδελφῶν ἐπιμελεῖσθαι καὶ μὴ τῇ φύσει πιστεύοντας ὀλιγωρεῖν. καὶ γὰρ ἵππος τῇ φύσει φιλάνθρωπον καὶ κύων φιλοδέσποτον, ἀλλὰ μὴ τυγχάνοντα θεραπείας μηδ’ ἐπιμελείας ἀπόστοργα γίνεται καὶ ἀλλότρια· καὶ τὸ σῶμα τῆς ψυχῆς συγγενέστατόν ἐστιν, ἀμελούμενον δὲ καὶ παρορώμενον ὑπ’ αὐτῆς οὐκ ἐθέλει συνεργεῖν ἀλλὰ λυμαίνεται καὶ προλείπει τὰς πράξεις. ἐπιμέλεια δὲ καλὴ μὲν αὐτῶν [d] τῶν ἀδελφῶν, ἔτι δὲ καλλίων πενθεροῖς καὶ γαμβροῖς τοῖς ἐκείνων εὔνουν ἀεὶ παρέχειν εἰς ἅπαντα καὶ πρόθυμον ἑαυτόν, οἰκέτας τε φιλοδεσπότους ἀσπάζεσθαι καὶ φιλοφρονεῖσθαι, καὶ χάριν ἔχειν ἰατροῖς θεραπεύσασιν αὐτοὺς καὶ φίλοις πιστοῖς καὶ προθύμως συνδιενεγκοῦσιν ἀποδημίαν ἢ στρατείαν· γυναῖκα δ’ ἀδελφοῦ γαμετὴν ὡς ἁπάντων ἱερῶν ἁγιώτατον

προσορῶντα καὶ σεβόμενον, τιμᾶν τὸν ἄνδρα καὶ εὐφημεῖν, ἀμελουμένῃ δὲ συναγανακτεῖν χαλεπαίνουσαν δὲ πραΰνειν, ἂν δ' ἁμάρτῃ τι τῶν μετρίων, συνδιαλλάττειν καὶ συμπαρακαλεῖν τὸν ἄνδρα, κἂν αὐτῷ τις ἰδίᾳ γένηται διαφορὰ πρὸς τὸν ἀδελφόν, αἰτιᾶσθαι παρ' [e] ἐκείνῃ καὶ διαλύεσθαι τὴν μέμψιν. ἀγαμίαν δ' ἀδελφοῦ καὶ ἀπαιδίαν μάλιστα δυσχεραίνειν καὶ παρακαλοῦντα καὶ λοιδοροῦντα συνελαύνειν πανταχόθεν εἰς γάμον καὶ συνειργνύναι νομίμοις κηδεύμασι· κτησαμένου δὲ παῖδας ἐμφανέστερον χρῆσθαι τῇ τε πρὸς αὐτὸν εὐνοίᾳ καὶ τῇ πρὸς τὴν γυναῖκα τιμῇ· τοῖς δὲ παισὶν εὔνουν μὲν ὥσπερ ἰδίοις ἤπιον δὲ μᾶλλον εἶναι καὶ μείλιχον, ὅπως ἁμαρτάνοντες οἷα νέοι μὴ δραπετεύωσι μηδὲ καταδύωνται διὰ φόβον πατρὸς ἢ μητρὸς εἰς ὁμιλίας φαύλας καὶ ὀλιγώρους, ἀλλ' ἀποστροφὴν καὶ καταφυγὴν ἅμα νουθετοῦσαν εὐνοίᾳ καὶ [f] παραιτουμένην ἔχωσιν. οὕτω καὶ Πλάτων ἀδελφιδοῦν ὄντα Σπεύσιππον ἐκ πολλῆς ἀνέσεως καὶ ἀκολασίας ἐπέστρεψεν, οὐδὲν οὔτ' εἰπὼν ἀνιαρὸν οὔτε ποιήσας πρὸς αὐτόν, ἀλλὰ φεύγοντι τοὺς γονεῖς ἐλέγχοντας ἀεὶ καὶ λοιδοροῦντας [492] [a] ἐνδιδοὺς ἑαυτὸν εὐμενῆ καὶ ἀμήνιτον αἰδῶ τε πολλὴν ἐνειργάσατο καὶ ζῆλον ἑαυτοῦ καὶ φιλοσοφίας. καίτοι πολλοὶ τῶν φίλων ἐνεκάλουν ὡς μὴ νουθετοῦντι τὸ μειράκιον· ὁ δὲ καὶ πάνυ νουθετεῖν ἔλεγε, τῷ βίῳ καὶ τῇ διαίτῃ τῆς πρὸς τὰ αἰσχρὰ τῶν καλῶν διαφορᾶς παρέχων κατανόησιν. Ἀλεύαν δὲ τὸν Θεσσαλὸν ὁ μὲν πατὴρ ἀγέρωχον ὄντα καὶ ὑβριστὴν ἐκόλουε καὶ χαλεπὸς ἦν, ὁ δὲ θεῖος ἀνελάμβανε καὶ προσήγετο· πεμπόντων δὲ τῶν Θεσσαλῶν φρυκτοὺς περὶ βασιλέως πρὸς τὸν θεὸν εἰς Δελφοὺς ἐνέβαλε [b] κρύφα τοῦ πατρὸς ὁ θεῖος ὑπὲρ τοῦ Ἀλεύα· καὶ τῆς Πυθίας τοῦτον ἀνελούσης ὅ τε πατὴρ ἀπέφησεν ἐμβεβληκέναι τὸν φρυκτὸν ὑπὲρ αὐτοῦ, καὶ πᾶσιν ἐδόκει πλάνη τις ἐν ταῖς καταγραφαῖς τῶν ὀνομάτων γεγονέναι. διὸ καὶ πέμψαντες αὖθις ἐπανήροντο τὸν θεόν· ἡ δὲ Πυθία καθάπερ ἐκβεβαιουμένη τὴν προτέραν ἀναγόρευσιν εἶπε

'τὸν πυρρόν τοί φημι, τὸν Ἀρχεδίκη τέκε παῖδα.'

καὶ τοῦτον τὸν τρόπον ὁ Ἀλεύας ὑπὸ τοῦ θεοῦ βασιλεὺς διὰ τὸν τοῦ πατρὸς ἀδελφὸν ἀποδειχθεὶς αὐτός τε πολὺ πάντων ἐπρώτευσε τῶν πρὸ αὐτοῦ καὶ τὸ ἔθνος εἰς δόξαν προήγαγε μεγάλην καὶ δύναμιν. ἀλλὰ μὴν εὐπραξίαις τε [c] καὶ τιμαῖς καὶ ἀρχαῖς παίδων ἀδελφοῦ χαίροντα καὶ σεμνυνόμενον αὔξειν προσήκει καὶ συνεξορμᾶν πρὸς τὰ καλὰ καὶ κατορθοῦντας ἀφειδῶς ἐπαινεῖν· αὑτοῦ γὰρ υἱὸν ἐπαχθὲς ἴσως ἐγκωμιάζειν, ἀδελφοῦ δὲ σεμνὸν καὶ οὐ φίλαυτον ἀλλὰ φιλόκαλον καὶ θεῖον ὡς ἀληθῶς· δοκεῖ γάρ μοι καὶ τοὔνομα καλῶς ὑφηγεῖσθαι πρὸς εὔνοιαν ἀδελφιδῶν καὶ ἀγάπησιν. δεῖ δὲ καὶ τὰ τῶν κρειττόνων ζηλοῦν. Ἡρακλῆς τε γὰρ δυεῖν

δέοντας ἑβδομήκοντα γεννήσας παῖδας οὐδενὸς ἧττον αὐτῶν τὸν ἀδελφιδοῦν ἠγάπησεν· ἀλλὰ καὶ νῦν πολλαχοῦ σύμβωμός ἐστιν Ἰόλαος αὐτῷ, καὶ συγκατεύχονται παραστάτην Ἡρακλέους ὀνομάζοντες· [d] Ἰφικλέους δὲ τοῦ ἀδελφοῦ πεσόντος ἐν τῇ περὶ Λακεδαίμονα μάχῃ περίλυπος γενόμενος πᾶσαν ἐξέλιπε Πελοπόννησον. ἥ τε Λευκοθέα τῆς ἀδελφῆς ἀποθανούσης ἔθρεψε τὸ βρέφος καὶ συνεξεθείασεν· ὅθεν αἱ Ῥωμαίων γυναῖκες ἐν ταῖς τῆς Λευκοθέας ἑορταῖς, ἣν Ματοῦταν ὀνομάζουσιν, οὐ τοὺς ἑαυτῶν παῖδας ἀλλὰ τοὺς τῶν ἀδελφῶν ἐναγκαλίζονται καὶ τιμῶσιν.

ΠΕΡΙ ΤΗΣ ΕΙΣ ΤΑ ΕΓΓΟΝΑ ΦΙΛΟΣΤΟΡΓΙΑΣ

[493] Ἔκκλητοι κρίσεις καὶ ξενικῶν δικαστηρίων ἀγωγαὶ τοῖς Ἕλλησι τὸ πρῶτον ἀπιστίᾳ τῇ πρὸς ἀλλήλους ἐπενοήθησαν, [b] ἀλλοτρίας δικαιοσύνης ὥσπερ ἑτέρου τινὸς τῶν ἀναγκαίων μὴ φυομένου παρ' αὐτοῖς δεηθεῖσιν. ἆρ' οὖν καὶ οἱ φιλόσοφοι τῶν προβλημάτων ἔνια διὰ τὰς πρὸς ἀλλήλους διαφορὰς ἐπὶ τὴν τῶν ἀλόγων φύσιν ζῴων ὥσπερ ἀλλοδαπὴν πόλιν ἐκκαλοῦνται καὶ τοῖς ἐκείνων πάθεσι καὶ ἤθεσιν ὡς ἀνεντεύκτοις καὶ ἀδεκάστοις ἐφιᾶσι τὴν κρίσιν; ἢ καὶ τοῦτο τῆς ἀνθρωπίνης κακίας ἔγκλημα κοινόν ἐστι, τὸ περὶ τῶν ἀναγκαιοτάτων καὶ μεγίστων ἀμφιδοξοῦντας ἡμᾶς ζητεῖν ἐν ἵπποις καὶ κυσὶ καὶ ὄρνισι, [c] πῶς γαμοῦμεν αὐτοὶ καὶ γεννῶμεν καὶ τεκνοτροφοῦμεν, ὡς μηδὲν ἐν ἑαυτοῖς δήλωμα τῆς φύσεως ὄν, τὰ ‹δὲ› τῶν θηρίων ἤθη καὶ πάθη προαγορεῦσαι καὶ καταμαρτυρῆσαι τοῦ βίου ἡμῶν πολλὴν τοῦ κατὰ φύσιν ἐκδιαίτησιν καὶ παράβασιν, εὐθὺς ἐν ἀρχῇ καὶ περὶ τὰ πρῶτα συγχεομένων καὶ ταραττομένων; ἄκρατον γὰρ ἐν ἐκείνοις ἡ φύσις καὶ ἀμιγὲς καὶ ἁπλοῦν φυλάττει τὸ ἴδιον, ἐν δ' ἀνθρώποις ὑπὸ τοῦ λόγου καὶ τῆς συνηθείας, ὃ τοὔλαιον ὑπὸ τῶν μυρεψῶν πέπονθε, πρὸς πολλὰ μιγνυμένη δόγματα καὶ κρίσεις ἐπιθέτους ποικίλη γέγονε καὶ ἡδεῖα, τὸ δ' οἰκεῖον οὐ τετήρηκε. καὶ μὴ θαυμάζωμεν, εἰ τὰ [d] ἄλογα ζῷα τῶν λογικῶν μᾶλλον ἕπεται τῇ φύσει· καὶ γὰρ τὰ φυτὰ τῶν ζῴων· οἷς οὔτε φαντασίαν οὔθ' ὁρμὴν ἔδωκε ‹δι'› ἑτέρων ὄρεξιν τοῦ κατὰ φύσιν ἀποσαλεύουσαν, ἀλλ' ὥσπερ ἐν δεσμῷ συνειργμένα μένει καὶ κεκράτηται, μίαν ἀεὶ πορείαν ἣν ἡ φύσις ἄγει πορευόμενα. τοῖς δὲ θηρίοις τὸ μὲν πολύτροπον τοῦ λόγου καὶ περιττὸν καὶ φιλελεύθερον ἄγαν οὐκ ἔστιν, ἀλόγους δ' ὁρμὰς καὶ ὀρέξεις ἔχοντα καὶ χρώμενα πλάναις καὶ περιδρομαῖς πολλάκις ἀλλ' οὐ μακρὰν ὡς ἐπ' ἀγκύρας τῆς φύσεως σαλεύει, †καθάπερ οὖν ὁδὸν ὑφ' ἡνίᾳ καὶ χαλινῷ βαδίζοντα δείκνυσιν εὐθεῖαν ὁ δεσπότης. ‹ὁ δ' ἀδέσποτος› ἐν ἀνθρώπῳ καὶ [e] αὐτοκρατὴς λόγος ἄλλας ἄλλοτε παρεκβάσεις καὶ καινοτομίας ἀνευρίσκων οὐδὲν ἴχνος ἐμφανὲς οὐδ' ἐναργὲς ἀπολέλοιπε τῆς φύσεως.

Ὅρα περὶ τοὺς γάμους ὅσον ἐστὶν ἐν τοῖς ζῴοις τὸ κατὰ φύσιν. πρῶτον οὐκ ἀναμένει νόμους ἀγαμίου καὶ ὀψιγαμίου, καθάπερ οἱ Λυκούργου πολῖται καὶ Σόλωνος, οὐδ' ἀτιμίας ἀτέκνων δέδοικεν, οὐδὲ τιμὰς διώκει τριπαιδίας, ὡς Ῥωμαίων πολλοὶ γαμοῦσι καὶ γεννῶσιν, οὐχ ἵνα κληρονόμους ἔχωσιν ἀλλ' ἵνα κληρονομεῖν δύνωνται. ἔπειτα μίγνυται τῷ θήλει τὸ ἄρρεν οὐχ ἅπαντα χρόνον· ἡδονὴν γὰρ οὐκ ἔχει τέλος ἀλλὰ γέννησιν καὶ τέκνωσιν· [f]

διὰ τοῦτ’ ἔτους ὥρᾳ, ἣ πνοάς τε γονίμους ἔχει καὶ πρόσφορον ὀχευομένοις κρᾶσιν, ἦλθεν εἰς τὸ αὐτὸ τῷ ἄρρενι τὸ θῆλυ χειρόηθες καὶ ποθεινόν, ἡδείᾳ μὲν ὀσμῇ χρωτὸς ἰδίῳ δὲ κόσμῳ σώματος ἀγαλλόμενον, δρόσου καὶ βοτάνης ἀνάπλεων καθαρᾶς· αἰσθόμενον δ’ ὅτι κύει καὶ πεπλήρωται, [494] [a] κοσμίως ἄπεισι καὶ προνοεῖ περὶ τὴν κύησιν καὶ σωτηρίαν τοῦ ἀποτεχθέντος. ἀξίως δ’ οὐκ ἔστιν εἰπεῖν τὰ δρώμενα, πλὴν †ὅτι γίνεται ἕκαστον αὐτῶν ἐν τῷ φιλοστόργῳ ταῖς προνοίαις ταῖς καρτερίαις ταῖς ἐγκρατείαις. ἀλλὰ τὴν ‹μὲν› μέλιτταν ἡμεῖς σοφὴν καλοῦμεν καὶ νομίζομεν ‘ξανθὸν μέλι μηδομέναν’ (Simon. fr. 47 B) κολακεύοντες τὸ ἡδὺ καὶ γαργαλίζον ἡμᾶς τῆς γλυκύτητος, τὴν δὲ τῶν ἄλλων περὶ τὰς λοχείας καὶ τὰς ἀνατροφὰς σοφίαν καὶ τέχνην παρορῶμεν. οἷον εὐθύς, ἡ ἁλκυὼν κύουσα τὴν νεοττιὰν συντίθησι συλλαμβάνουσα τὰς ἀκάνθας τῆς θαλαττίας βελόνης καὶ ταύτας δι’ ἀλλήλων ἐγκαταπλέκουσα [b] καὶ συνείρουσα τὸ μὲν σχῆμα περιαγὲς ὡς ἁλιευτικοῦ κύρτου καὶ πρόμηκες ἀπεργάζεται, τῇ δ’ ἁρμονίᾳ καὶ πυκνότητι συμφράξασα τὰς ἀκάνθας ἀκριβῶς ὑπέθηκε τῷ κλύσματι τοῦ κύματος, ὡς τυπτόμενον ἡσυχῇ καὶ πηγνύμενον τὸ πίλημα τῆς ἐπιφανείας στεγανὸν γένηται· γίγνεται δὲ σιδήρῳ καὶ λίθῳ δυσδιαίρετον. ὃ δ’ ἐστὶ θαυμασιώτερον, οὕτω τὸ στόμα τῆς νεοττιᾶς συμμέτρως πεπλάσθαι πρὸς τὸ μέγεθος καὶ τὸ μέτρον τῆς ἁλκυόνος, ὥστε μήτε μεῖζον ἄλλο μήτε μικρότερον ἐνδύεσθαι ζῷον, ὡς δέ φασι, μηδὲ θαλάττης παραδέχεσθαι μηδὲ τὰ ἐλάχιστα.

[c] μάλιστα δ’ οἱ γαλεοὶ ζῳογονοῦσι μὲν ἐν ἑαυτοῖς, ἐκβαίνειν δὲ παρέχουσιν ἐκτὸς καὶ νέμεσθαι τοῖς σκυμνίοις, εἶτα πάλιν ἀναλαμβάνουσι καὶ περιπτύσσουσιν ἐγκοιμώμενα τοῖς σπλάγχνοις. ἡ δ’ ἄρκτος, ἀγριώτατον καὶ σκυθρωπότατον θηρίον, ἄμορφα καὶ ἄναρθρα τίκτει, τῇ δὲ γλώττῃ καθάπερ ἐργαλείῳ διατυποῦσα τοὺς ὑμένας οὐ δοκεῖ γεννᾶν μόνον ἀλλὰ καὶ δημιουργεῖν τὸ τέκνον. ὁ δ’ Ὁμηρικὸς λέων (P 134),

[d] ἆρ’ [οὐχ] ὅμοιός ἐστι διανοουμένῳ πρὸς τοὺς κυνηγοὺς σπένδεσθαι περὶ τῶν τέκνων; καθόλου γὰρ ἡ πρὸς τὰ ἔγγονα φιλοστοργία καὶ τὰ δειλὰ τολμηρὰ ποιεῖ καὶ φιλόπονα τὰ ῥᾴθυμα καὶ φειδωλὰ τὰ γαστρίμαργα· [καὶ] ὥσπερ ἡ Ὁμηρικὴ ὄρνις προσφέρουσα τοῖς νεοττοῖς (I 324)

τῷ γὰρ αὑτῆς τρέφει λιμῷ τὰ ἔγγονα, καὶ τὴν τροφὴν τῆς γαστρὸς ἁπτομένην ἀποκρατεῖ καὶ πιέζει τῷ στόματι, μὴ λάθῃ καταπιοῦσα·

‘ὡς δὲ κύων ἀμαλῇσι περὶ σκυλάκεσσι βεβῶσα

σύρεται δὲ καὶ πλανᾶται τριβόμενος ἔν τισιν ἐλπίσιν καὶ προπηλακιζόμενος, ἂν δὲ καὶ τύχῃ τινὸς ὧν ποθεῖ, περιενεχθεὶς καὶ σκοτοδινιάσας πρὸς τὸν τῆς τύχης πεταυρισμὸν ἀπόβασιν ζητεῖ καὶ μακαρίζει τοὺς ἀδόξως καὶ ἀσφαλῶς ζῶντας· οἱ δ' ἐκεῖνον πάλιν ἄνω βλέποντες ὑπὲρ αὑτοὺς φερόμενον.

Πάντως ‹ἀθλίως› ἡ κακία διατίθησι πάντας ἀνθρώπους, [d] αὐτοτελής τις οὖσα τῆς κακοδαιμονίας δημιουργός· οὔτε γὰρ ὀργάνων οὔθ' ὑπηρετῶν ἔχει χρείαν. ἄλλοι δὲ τύραννοι σπουδάζοντες οὓς ἂν κολάζωσιν ἀθλίους ποιεῖν δημίους τρέφουσι καὶ βασανιστὰς ἢ καυτήρια καὶ σφῆνας ἐπιμηχανῶνται [ἀλόγου ψυχῆς], ἡ δὲ κακία δίχα πάσης παρασκευῆς τῇ ψυχῇ συνελθοῦσα συνέτριψε καὶ κατέβαλε, λύπης ἐνέπλησε θρήνων βαρυθυμίας μεταμελείας τὸν ἄνθρωπον. τεκμήριον δέ· τεμνόμενοι πολλοὶ σιωπῶσι καὶ μαστιγούμενοι καρτεροῦσι καὶ σφηνούμενοι ὑπὸ δεσποτῶν ἢ τυράννων φωνὴν οὐκ ἀφῆκαν, ὅταν ἡ ψυχὴ μύσασα [e] τῷ λόγῳ τὸν πόνον ὥσπερ χειρὶ πιέσῃ καὶ κατάσχῃ· θυμῷ δ' οὐκ ἂν ἐπιτάξειας ἡσυχίαν οὐδὲ πένθει σιωπήν, οὔτε φοβούμενον στῆναι πείσειας, οὔτε δυσφοροῦντα μετανοίᾳ μὴ βοῆσαι μηδὲ τῶν τριχῶν λαβέσθαι ἢ τὸν μηρὸν ἀλοῆσαι· οὕτω καὶ πυρός ἐστιν ἡ κακία καὶ σιδήρου βιαιοτέρα.

Αἱ πόλεις δήπουθεν, ὅταν ἔκδοσιν ναῶν ἢ κολοσσῶν προγράφωσιν, ἀκροῶνται τῶν τεχνιτῶν ἁμιλλωμένων περὶ τῆς ἐργολαβίας καὶ λόγους καὶ παραδείγματα κομιζόντων, εἶθ' αἱροῦνται τὸν ἀπ' ἐλάττονος δαπάνης τὸ αὐτὸ ποιοῦντα καὶ βέλτιον καὶ τάχιον. φέρε δὴ καὶ ἡμᾶς ἔκδοσίν τινα βίου [καὶ ἀνθρώπου] κακοδαίμονος προκηρύσσειν, [f] εἶτα προσιέναι τῇ ἐργολαβίᾳ τὴν Τύχην καὶ τὴν Κακίαν διαφερομένας, τὴν μὲν ὀργάνων τε παντοδαπῶν κατάπλεω καὶ παρασκευῆς πολυτελοῦς εἰς ἀπεργασίαν κακοδαίμονος ζωῆς καὶ οἰκτρᾶς, λῃστήρια δεινὰ καὶ πολέμους καὶ τυράννων μιαιφονίας καὶ χειμῶνας ἐκ θαλάττης καὶ κεραυνὸν ἐξ ἀέρος ἐφελκομένην καὶ κώνεια τρίβουσαν [499] [a] καὶ ξίφη φέρουσαν καὶ συκοφάντας ξενολογοῦσαν καὶ πυρὰς ἐξάπτουσαν καὶ πέδας περικρούουσαν καὶ περιοικοδομοῦσαν εἱρκτάς· καίτοι τούτων τὰ πλεῖστα τῆς Κακίας μᾶλλον ἢ τῆς Τύχης ἐστίν· ἀλλὰ πάντ' ἔστω τῆς Τύχης. ἡ δὲ Κακία παρεστῶσα γυμνὴ καὶ μηδενὸς δεομένη τῶν ἔξωθεν [ἐπὶ τὸν ἄνθρωπον] ἐρωτάτω [καὶ] τὴν Τύχην, πῶς ποιήσει κακοδαίμονα καὶ ἄθυμον τὸν ἄνθρωπον. 'Τύχη, πενίαν ἀπειλεῖς; καταγελᾷ σου Μητροκλῆς, ὃς χειμῶνος ἐν τοῖς προβάτοις καθεύδων καὶ θέρους ἐν τοῖς προπυλαίοις τῶν ἱερῶν τὸν ἐν Βαβυλῶνι χειμάζοντα [b] καὶ περὶ Μηδίαν θερίζοντα Περσῶν βασιλέα περὶ εὐδαιμονίας εἰς ἀγῶνα προυκαλεῖτο. δουλείαν καὶ δεσμὰ καὶ πρᾶσιν ἐπάγεις; καταφρονεῖ σου Διογένης, ὃς ὑπὸ τῶν λῃστῶν πωλούμενος ἐκήρυττε 'τίς ὠνήσασθαι βούλεται ‹δεσπότην›;' κύλικα φαρμάκου ταράττεις; οὐχὶ καὶ Σωκράτει ταύτην προέπιες; ὁ δ' ἵλεως καὶ πρᾶος, οὐ τρέσας οὐδὲ διαφθείρας οὔτε χρώματος οὐδὲν οὔτε σχήματος μάλ' εὐκόλως ἐξέπιεν, ἀποθνῄσκοντα δ' αὐτὸν ἐμακάριζον οἱ ζῶντες, ὡς οὐδ' ἐν Ἅιδου θείας ἄνευ μοίρας ἐσόμενον. καὶ μὴν τὸ πῦρ σου Δέκιος ὁ Ῥωμαίων στρατηγὸς προέλαβεν, [c] ὅτε τῶν στρατοπέδων ἐν μέσῳ πυρὰν νήσας τῷ Κρόνῳ κατ' εὐχὴν αὐτὸς ἑαυτὸν ἐκαλλιέρησεν ὑπὲρ τῆς ἡγεμονίας. Ἰνδῶν δὲ φίλανδροι καὶ σώφρονες γυναῖκες ὑπὲρ τοῦ πυρὸς ἐρίζουσι καὶ μάχονται πρὸς ἀλλήλας, τὴν δὲ νικήσασαν τεθνηκότι τῷ ἀνδρὶ συγκαταφλεγῆναι μακαρίαν ᾄδουσιν αἱ λοιπαί· τῶν δ' ἐκεῖ σοφῶν οὐδεὶς ζηλωτὸς οὐδὲ μακαριστός ἐστιν, ἂν μὴ ζῶν ἔτι καὶ φρονῶν καὶ ὑγιαίνων τοῦ σώματος τὴν ψυχὴν πυρὶ διαστήσῃ καὶ καθαρὸς ἐκβῇ τῆς σαρκὸς ἐκνιψάμενος τὸ θνητόν. ἀλλ' ἐξ οὐσίας λαμπρᾶς καὶ οἴκου καὶ τραπέζης καὶ πολυτελείας εἰς τρίβωνα καὶ πήραν καὶ προσαίτησιν ἐφημέρου [d] τροφῆς κατάξεις; ταῦτ' εὐδαιμονίας ἀρχαὶ Διογένει, ταῦτ' ἐλευθερίας Κράτητι καὶ δόξης. ἀλλ' εἰς σταυρὸν καθηλώσεις ἢ σκόλοπι πήξεις; καὶ τί Θεοδώρῳ μέλει, πότερον ὑπὲρ γῆς ἢ ὑπὸ γῆς σήπεται; Σκυθῶν εὐδαίμονες αὗται ταφαί· Ὑρκανῶν δὲ κύνες Βακτριανῶν δ'

ὄρνιθες νεκροὺς ἐσθίουσι κατὰ νόμους, ὅταν μακαρίου τέλους τυγχάνωσιν.’

Τίνας οὖν ταῦτα κακοδαίμονας ποιεῖ; τοὺς ἀνάνδρους καὶ ἀλογίστους, τοὺς ἀτρίπτους καὶ ἀγυμνάστους, τοὺς ἐκ νηπίων ἃς ἔχουσι δόξας φυλάττοντας. οὐκοῦν οὐκ ἔστιν ἡ Τύχη κακοδαιμονίας τελεσιουργός, ἂν μὴ κακίαν ἔχῃ [e] συνεργοῦσαν. ὡς γὰρ ἡ κρόκη τὸ ὀστέον πρίει τέφρᾳ καὶ ὄξει διάβροχον γενόμενον, καὶ τὸν ἐλέφαντα τῷ ζύθει μαλακὸν γενόμενον καὶ χαλῶντα κάμπτουσι καὶ διασχηματίζουσιν, ἄλλως δ’ οὐ δύνανται, οὕτως ἡ τύχη τὸ πεπονθὸς ἐξ αὑτοῦ καὶ μαλακὸν ‹ἐκ› κακίας προσπεσοῦσα κοιλαίνει καὶ τιτρώσκει. καὶ καθάπερ ὁ παρθικὸς ‹ἰὸς› τῶν ἄλλων οὐδενὶ βλαβερὸς ὢν οὐδὲ λυπῶν ἁπτομένους καὶ περιφέροντας, ἐὰν τετρωμένοις ἐπεισενεχθῇ μόνον, εὐθὺς ἀπόλλυσι τῷ προπεπονθότι [καὶ] τὴν ἀπορροὴν δεχομένους, οὕτω τὸν ὑπὸ τῆς τύχης συντριβήσεσθαι μέλλοντα τὴν [f] ψυχὴν ἴδιον ἕλκος ἐν ἑαυτῷ καὶ κακὸν ἔχειν δεῖ [ἐντὸς σαρκός], ὅπως τὰ προσπίπτοντα ἔξωθεν οἰκτρὰ καὶ ὀδυρτὰ ποιήσῃ.

Ἆρ’ οὖν ἡ κακία τοιοῦτον ὥστε τῆς τύχης δεῖσθαι πρὸς κακοδαιμονίας ἀπεργασίαν; πόθεν; οὐ τραχὺ καὶ δυσχείμερον ἐπαίρει πέλαγος, οὐ λῃστῶν ἐνοδίοις διαζώννυσιν ἐνέδραις ἐρήμους ὑπωρείας, οὐ νέφη χαλαζοβόλα πεδίοις περιρρήγνυσι καρποφόροις, οὐ Μέλητον οὐδ’ Ἄνυτον οὐδὲ Καλλίξενον ἐπάγει συκοφάντην, οὐκ ἀφαιρεῖται πλοῦτον, [500] [a] οὐκ ἀπείργει στρατηγίας, ἵνα ποιήσῃ κακοδαίμονας· ἀλλὰ πτοεῖ πλουτοῦντας εὐροοῦντας κληρονομοῦντας, ἐν γῇ διὰ θαλάττης ἐνδέδυκε προσπέφυκεν, ἐκτήκουσα ταῖς ἐπιθυμίαις, διακαίουσα τοῖς θυμοῖς, συντρίβουσα ταῖς δεισιδαιμονίαις, διασύρουσα τοῖς ὀφθαλμοῖς * * *

ΠΕΡΙ ΤΟΥ ΠΟΤΕΡΟΝ ΤΑ ΨΥΧΗΣ Η ΤΑ ΣΩΜΑΤΟΣ ΠΑΘΗ ΧΕΙΡΟΝΑ

[500] Ὅμηρος μὲν ἐπιβλέψας τὰ θνητὰ τῶν ζῴων γένη καὶ πρὸς ἄλληλα συγκρίνας κατὰ τοὺς βίους καὶ τὰς διαιτήσεις ἐξεφώνησεν ὡς οὐδέν ἐστιν

'ὀιζυρώτερον ἀνδρός,

πάντων ὅσσα τε γαῖαν ἔπι πνείει τε καὶ ἕρπει' (Ρ 446),

πρωτεῖον οὐκ εὐτυχὲς εἰς κακῶν ὑπεροχὴν ἀποδιδοὺς τῷ [c] ἀνθρώπῳ· ἡμεῖς δ' ὥσπερ ἤδη νικῶντα κακοδαιμονίᾳ τὸν ἄνθρωπον καὶ τῶν ἄλλων ἀθλιώτατον ζῴων ἀνηγορευμένον αὐτὸν αὑτῷ συγκρίνωμεν, εἰς ἰδίων κακῶν ἀγῶνα σῶμα καὶ ψυχὴν διαιροῦντες, οὐκ ἀχρήστως ἀλλὰ καὶ πάνυ δεόντως, ἵνα μάθωμεν πότερον διὰ τὴν τύχην ἢ δι' ἑαυτοὺς ἀθλιώτερον ζῶμεν. νόσος μὲν γὰρ ἐν σώματι φύεται διὰ τύχην, κακία δὲ καὶ μοχθηρία περὶ ψυχὴν ἔργον ἐστὶ πρῶτον εἶτα πάθος αὐτῆς. οὐ μικρὸν δὲ πρὸς εὐθυμίαν ὄφελος, ἂν ἰάσιμον ᾖ τὸ χεῖρον καὶ κουφότερον καὶ ἄσφυκτον.

Ἡ μὲν οὖν Αἰσώπειος ἀλώπηξ (fab. 42) περὶ ποικιλίας δικαζομένη πρὸς τὴν πάρδαλιν, ὡς ἐκείνη τὸ [d] σῶμα καὶ τὴν ἐπιφάνειαν εὐανθῆ καὶ κατάστικτον ἐπεδείξατο, τῆς δ' ἦν τὸ ξανθὸν αὐχμηρὸν καὶ οὐχ ἡδὺ προσιδεῖν, 'ἀλλ' ἐμοῦ τοι τὸ ἐντός' ἔφη 'σκοπῶν, ὦ δικαστά, ποικιλωτέραν με τῆσδ' ὄψει', δηλοῦσα τὴν περὶ τὸ ἦθος εὐτροπίαν ἐπὶ πολλὰ ταῖς χρείαις ἀμειβομένην· †λέγομεν οὖν ἐν ἡμῖν, ὅτι πολλὰ μέν, ὦ ἄνθρωπε, σοῦ καὶ τὸ σῶμα νοσήματα καὶ πάθη φύσει τ' ἀνίησιν ἐξ ἑαυτοῦ καὶ προσπίπτοντα δέχεται θύραθεν· ἂν δὲ σαυτὸν ἀνοίξῃς ἔνδοθεν, ποικίλον τι καὶ πολυπαθὲς κακῶν ταμιεῖον εὑρήσεις καὶ θησαύρισμα, ὥς φησι Δημόκριτος (B 149), οὐκ ἔξωθεν [e] ἐπιρρεόντων, ἀλλ' ὥσπερ ἐγγείους καὶ αὐτόχθονας πηγὰς ἐχόντων, ἃς ἀνίησιν ἡ κακία πολύχυτος καὶ δαψιλὴς οὖσα τοῖς πάθεσιν. εἰ δὲ τὰ μὲν ἐν σαρκὶ νοσήματα σφυγμοῖς καὶ ὤχραις [ἐρυθαινόμενα] φωρᾶται καὶ θερμότητες αὐτὰ καὶ πόνοι προπετεῖς ἐλέγχουσι, τὰ δ' ἐν ψυχῇ λανθάνει τοὺς πολλοὺς κακὰ ὄντα, διὰ τοῦτ' ἐστι κακίω, προσαφαιρούμενα τὴν τοῦ πάσχοντος αἴσθησιν. τῶν μὲν γὰρ περὶ τὸ σῶμα νοσημάτων ἐρρωμένος ὁ λογισμὸς αἰσθάνεται, τοῖς δὲ τῆς ψυχῆς συννοσῶν αὐτὸς οὐκ ἔχει κρίσιν ἐν οἷς πάσχει, πάσχει γὰρ ᾧ κρίνει· καὶ δεῖ τῶν ψυχικῶν πρῶτον καὶ μέγιστον ἀριθμεῖν τὴν ἄνοιαν, δι' [f] ἧς ἀνήκεστος ἡ κακία τοῖς πολλοῖς συνοικεῖ καὶ συγκαταβιοῖ καὶ συναποθνῄσκει. ἀρχὴ γὰρ ἀπαλλαγῆς νόσου μὲν αἴσθησις εἰς χρείαν ἄγουσα τοῦ βοηθοῦντος τὸ πάσχον· ὁ δ' ἀπιστίᾳ τοῦ νοσεῖν οὐκ

'κινοῦσι χορδὰς τὰς ἀκινήτους φρενῶν' (Tr. ad. 361).

διὸ παῖδες ἰατρῶν βούλονται μὲν μὴ νοσεῖν τὸν ἄνθρωπον, νοσοῦντα δὲ μὴ ἀγνοεῖν ὅτι νοσεῖ· ὃ τοῖς ψυχικοῖς πάθεσι πᾶσι συμβέβηκεν. οὔτε γὰρ ἀφραίνοντες οὔτ' ἀσελγαίνοντες οὔτ' ἀδικοπραγοῦντες ἁμαρτάνειν δοκοῦσιν, ἀλλ' ἔνιοι καὶ κατορθοῦν. πυρετὸν μὲν γὰρ οὐδεὶς ὑγίειαν ὠνόμασεν οὐδὲ φθίσιν εὐεξίαν οὐδὲ ποδάγραν [b] ποδώκειαν οὐδ' ὠχρίασιν ἐρύθημα, θυμὸν δὲ πολλοὶ καλοῦσιν ἀνδρείαν καὶ ἔρωτα φιλίαν καὶ φθόνον ἅμιλλαν καὶ δειλίαν ἀσφάλειαν. εἶθ' οἱ μὲν καλοῦσι τοὺς ἰατροὺς (αἰσθάνονται γὰρ ὧν δέονται πρὸς ἃ νοσοῦσιν), οἱ δὲ φεύγουσι τοὺς φιλοσόφους, οἴονται γὰρ ἐπιτυγχάνειν ἐν οἷς διαμαρτάνουσιν. ἐπεὶ τούτῳ γε τῷ λόγῳ χρώμενοι λέγομεν, ὅτι κουφότερόν ἐστιν ὀφθαλμία μανίας καὶ ποδάγρα φρενίτιδος· ὁ μὲν αἰσθάνεται καὶ καλεῖ τὸν ἰατρὸν κεκραγώς, καὶ παρόντι τὴν ὄψιν ἀλεῖψαι τὴν φλέβα τεμεῖν [τὴν κεφαλὴν] παραδίδωσιν, τῆς δὲ μαινομένης Ἀγαύης [c] ἀκούεις ὑπὸ τοῦ πάθους τὰ φίλτατ' ἠγνοηκυίας (Eur. Bacch. 1169)·

'ἄγομεν ἐξ ὄρεος
ἕλικα νεότομον ἐπὶ μέλαθρα,
μακάριον θήραμα.'

Καὶ γὰρ ὁ μὲν τῷ σώματι νοσῶν εὐθὺς ἐνδοὺς καὶ καθεὶς ἑαυτὸν εἰς τὸ κλινίδιον ἡσυχίαν ἄγει θεραπευόμενος, ἂν δέ που μικρὸν ἐξᾴξῃ καὶ διασκιρτήσῃ τὸ σῶμα φλεγμονῆς προσπεσούσης, εἰπών τις τῶν παρακαθημένων πράως (Eur. Or. 258)

ἐπέστησε καὶ κατέσχεν· οἱ δ' ἐν τοῖς ψυχικοῖς πάθεσιν ὄντες τότε μάλιστα πράττουσι, τόθ' ἥκισθ' ἡσυχάζουσιν. αἱ γὰρ ὁρμαὶ τῶν πράξεων ἀρχαί, τὰ δὲ πάθη σφοδρότητες [d] ὁρμῶν· διὸ τὴν ψυχὴν ἠρεμεῖν οὐκ ἐῶσιν, ἀλλ' ὅτε μάλιστα δεῖται μονῆς καὶ σιωπῆς καὶ ὑποστολῆς ὁ ἄνθρωπος, τότ' αὐτὸν εἰς ὕπαιθρον ἕλκουσι, τότ' ἀποκαλύπτουσιν οἱ θυμοὶ αἱ φιλονεικίαι οἱ ἔρωτες αἱ λῦπαι, πολλὰ καὶ δρᾶν ἄνομα καὶ λαλεῖν ἀνάρμοστα τοῖς καιροῖς ἀναγκαζόμενον. ὥσπερ οὖν ἐπισφαλέστερος χειμὼν τοῦ πλεῖν οὐκ ἐῶντος ὁ κωλύων καθορμίσασθαι, οὕτως οἱ κατὰ ψυχὴν χειμῶνες βαρύτεροι στείλασθαι τὸν ἄνθρωπον οὐκ ἐῶντες οὐδ' ἐπιστῆσαι τεταραγμένον τὸν λογισμόν· ἀλλ' ἀκυβέρνητος καὶ ἀνερμάτιστος ἐν ταραχῇ καὶ πλάνῃ δρόμοις

λεχρίοις καὶ παραφόροις διατραχηλιζόμενος εἴς τι [e] ναυάγιον φοβερὸν ἐξέπεσε καὶ συνέτριψε τὸν ἑαυτοῦ βίον. ὥστε καὶ ταύτῃ χεῖρον νοσεῖν ταῖς ψυχαῖς ἢ τοῖς σώμασιν· τοῖς μὲν γὰρ πάσχειν μόνον τοῖς δὲ καὶ πάσχειν καὶ ποιεῖν κακῶς συμβέβηκε.

Καὶ τί δεῖ τὰ πολλὰ λέγειν τῶν παθῶν; αὐτὸς ὁ καιρὸς ὑπόμνησίς ἐστιν· ὁρᾶτε τὸν πολὺν τοῦτον καὶ παμμιγῆ, τὸν ἐνταῦθα συνηραγμένον καὶ κυκώμενον ὄχλον περὶ τὸ βῆμα καὶ τὴν ἀγοράν; οὐ θύσοντες οὗτοι συνεληλύθασι πατρίοις θεοῖς οὐδ’ ὁμογνίων μεθέξοντες ἱερῶν ἀλλήλοις, οὐκ Ἀσκραίῳ Διὶ Λυδίων καρπῶν ἀπαρχὰς [f] φέροντες οὐδὲ Διονύσῳ βεβακχευμένον θύσθλον ἱεραῖς νυξὶ καὶ κοινοῖς ὀργιάσοντες κώμοις· ἀλλ’ ὥσπερ ἐτησίοις περιόδοις ἀκμὴ νοσήματος ἐκτραχύνουσα τὴν Ἀσίαν ἐπὶ δίκας καὶ ἀγῶνας ἐμπροθέσμους ἥκουσαν [502] [a] ἐνταῦθα συμβάλλει καὶ πλῆθος ὥσπερ ῥευμάτων ἀθρόον εἰς μίαν ἐμπέπτωκεν ἀγορὰν καὶ φλεγμαίνει καὶ συνέρρωγεν ‘ὀλλύντων τε καὶ ὀλλυμένων’ (Δ 451). ποίων ταῦτα πυρετῶν ἔργα, ποίων ἠπιάλων; τίνες ἐνστάσεις ἢ παρεμπτώσεις ἢ δυσκρασία θερμῶν ἢ ὑπέρχυσις ὑγρῶν; ἂν ἑκάστην δίκην ὥσπερ ἄνθρωπον ἀνακρίνῃς πόθεν πέφυκε πόθεν ἥκει, τὴν μὲν θυμὸς αὐθάδης γεγέννηκε τὴν δὲ μανιώδης φιλονεικία τὴν δ’ ἄδικος ἐπιθυμία * * *

ΠΕΡΙ ΑΔΟΛΕΣΧΙΑΣ

[502] Δύσκολον μὲν ἀναλαμβάνει θεράπευμα καὶ χαλεπὸν ἡ φιλοσοφία τὴν ἀδολεσχίαν. τὸ γὰρ φάρμακον αὐτῆς, ὁ λόγος, ἀκουόντων ἐστίν, οἱ δ' ἀδόλεσχοι οὐδενὸς ἀκούουσιν· [c] ἀεὶ γὰρ λαλοῦσι. καὶ τοῦτ' ἔχει πρῶτον κακὸν ἡ ἀσιγησία, τὴν ἀνηκοΐαν. κωφότης γὰρ αὐθαίρετός ἐστιν, ἀνθρώπων οἶμαι μεμφομένων τὴν φύσιν, ὅτι μίαν μὲν γλῶτταν δύο δ' ὦτ' ἔχουσιν. εἴπερ οὖν ὁ Εὐριπίδης καλῶς εἶπε πρὸς τὸν ἀσύνετον ἀκροατήν (fr. 899)

'οὐκ ἂν δυναίμην μὴ στέγοντα πιμπλάναι,

σοφοὺς ἐπαντλῶν ἀνδρὶ μὴ σοφῷ λόγους,'

δικαιότερον ἄν τις εἴποι πρὸς τὸν ἀδόλεσχον [μᾶλλον δὲ περὶ τοῦ ἀδολέσχου] 'οὐκ ἂν δυναίμην μὴ δεχόμενον πιμπλάναι, σοφοὺς ἐπαντλῶν' μᾶλλον δὲ περιαντλῶν λόγους [d] ἀνθρώπῳ λαλοῦντι μὲν πρὸς τοὺς οὐκ ἀκούοντας, μὴ ἀκούοντι δὲ τῶν λαλούντων. καὶ γὰρ ἂν ἀκούσῃ τι βραχύ, τῆς ἀδολεσχίας ὥσπερ ἄμπωτιν λαβούσης, τοῦτο παραχρῆμα πολλαπλάσιον ἀνταποδίδωσι. τὴν μὲν γὰρ ἐν Ὀλυμπίᾳ στοὰν ἀπὸ μιᾶς φωνῆς πολλὰς ἀντανακλάσεις ποιοῦσαν ἑπτάφωνον καλοῦσι· τῆς δ' ἀδολεσχίας ἂν ἐλάχιστος ἅψηται λόγος, εὐθὺς ἀντιπεριηχεῖ

'κινοῦσα χορδὰς τὰς ἀκινήτους φρενῶν' (Tr. adesp. 361).

μήποτε γὰρ αὐτοῖς οὐκ εἰς τὴν ψυχὴν ἀλλ' εἰς τὴν γλῶτταν ἡ ἀκοὴ συντέτρηται· διὸ τοῖς μὲν ἄλλοις ἐμμένουσιν οἱ λόγοι, τῶν δ' ἀδολέσχων διαρρέουσιν· εἶθ' ὥσπερ ἀγγεῖα [e] κενοὶ φρενῶν ἤχου δὲ μεστοὶ περιίασιν. εἰ δ' οὖν δοκεῖ πείρας μηδὲν ἐλλελεῖφθαι, εἴπωμεν πρὸς τὸν ἀδόλεσχον 'ὦ παῖ, σιώπα· πόλλ' ἔχει σιγὴ καλά' (Soph. fr. 78), δύο δὲ τὰ πρῶτα καὶ μέγιστα, τὸ ἀκοῦσαι καὶ ἀκουσθῆναι· ὧν οὐδετέρου τυχεῖν ἐγγίνεται τοῖς ἀδολέσχοις, ἀλλὰ καὶ περὶ αὐτὴν τὴν ἐπιθυμίαν ἀποδυσπετοῦσι. τοῖς μὲν γὰρ ἄλλοις νοσήμασι τῆς ψυχῆς, οἷον φιλαργυρίᾳ φιλοδοξίᾳ φιληδονίᾳ, τὸ γοῦν τυγχάνειν ὧν ἐφίενται περίεστι, τοῖς δ' ἀδολέσχοις τοῦτο συμβαίνει χαλεπώτατον· ἐπιθυμοῦντες γὰρ ἀκροατῶν οὐ τυγχάνουσιν, ἀλλὰ πᾶς φεύγει προτροπάδην· [f] κἂν ἐν ἡμικυκλίῳ τινὶ καθεζόμενοι κἂν περιπατοῦντες ἐν ξυστῷ θεάσωνται προσφοιτῶντα, ταχέως ἀνάζευξιν αὐτοῖς παρεγγυῶσι. καὶ καθάπερ ὅταν ἐν συλλόγῳ τινὶ σιωπὴ γένηται, τὸν Ἑρμῆν ἐπεισεληλυθέναι λέγουσιν, οὕτως ὅταν εἰς συμπόσιον ἢ συνέδριον γνωρίμων [503] [a] λάλος εἰσέλθῃ, πάντες ἀποσιωπῶσι μὴ βουλόμενοι λαβὴν παρασχεῖν· ἂν δ' αὐτὸς ἄρξηται διαίρειν τὸ στόμα, 'πρὸ χείματος ὥστ' ἀνὰ ποντίαν ἄκραν βορρᾶ

ζαέντος' (Lyr. adesp. 100 II p. 163 D) ὑφορώμενοι σάλον καὶ ναυτίαν ἐξανέστησαν. ὅθεν αὐτοῖς συμβαίνει μήτε παρὰ δεῖπνον συγκλιτῶν μήτε συσκήνων τυγχάνειν προθύμων, ὅταν ὁδοιπορῶσιν ἢ πλέωσιν, ἀλλ' ἀναγκαστῶν· πρόσκειται γὰρ ἁπανταχοῦ, τῶν ἱματίων ἀντιλαμβανόμενος, ‹ἁπτόμενος› τοῦ γενείου, τὴν πλευρὰν θυροκοπῶν τῇ χειρί.

'πόδες δὴ κεῖθι τιμιώτατοι'

κατὰ τὸν Ἀρχίλοχον (fr. 132), καὶ νὴ Δία κατὰ τὸν σοφὸν Ἀριστοτέλην. καὶ γὰρ αὐτὸς ἐνοχλούμενος ὑπ' ἀδολέσχου [b] καὶ κοπτόμενος ἀτόποις τισὶ διηγήμασι, πολλάκις αὐτοῦ λέγοντος 'οὐ θαυμαστόν, Ἀριστότελες;' 'οὐ τοῦτο' φησί 'θαυμαστόν, ἀλλ' εἴ τις πόδας ἔχων σὲ ὑπομένει.' ἑτέρῳ δέ τινι τοιούτῳ μετὰ πολλοὺς λόγους εἰπόντι 'κατηδολέσχηκά σου, φιλόσοφε·' 'μὰ Δί'' εἶπεν· 'οὐ γὰρ προσεῖχον.' καὶ γὰρ ἂν βιάσωνται λαλεῖν οἱ ἀδόλεσχοι, παρέδωκεν αὐτοῖς ἡ ψυχὴ τὰ ὦτα περιαντλεῖν ἔξωθεν, αὐτὴ δ' ἐντὸς ἑτέρας τινὰς ἀναπτύσσει καὶ διέξεισι πρὸς αὑτὴν φροντίδας. ὅθεν οὔτε προσεχόντων οὔτε πιστευόντων ἀκροατῶν εὐποροῦσι· τῶν μὲν γὰρ πρὸς τὰς συνουσίας εὐκαταφόρων ἄγονον εἶναι τὸ σπέρμα λέγουσι, τῶν δ' ἀδολέσχων [c] ὁ λόγος ἀτελὴς καὶ ἄκαρπός ἐστι.

Καίτοι γ' οὐδὲν οὕτως ἡ φύσις εὐερκῶς κεχαράκωκε τῶν ἐν ἡμῖν ὡς τὴν γλῶτταν, βαλομένη φρουρὰν πρὸ αὐτῆς τοὺς ὀδόντας, ἵν', ἐὰν ἐντὸς κατατείνοντος 'ἡνία σιγαλόεντα' (E 226 al.) τοῦ λογισμοῦ μὴ ὑπακούῃ μηδ' ἀνειλῆται, δήγμασιν αὐτῆς κατέχωμεν τὴν ἀκρασίαν αἱμάττοντες. 'ἀχαλίνων' γὰρ οὐ ταμιείων οὐδ' οἰκημάτων ἀλλὰ 'στομάτων τὸ τέλος δυστυχίαν' ὁ Εὐριπίδης φησίν (Bacch. 386)· οἱ δ' οἰκημάτων μὲν ἀθύρων καὶ βαλλαντίων ἀδέσμων μηδὲν ὄφελος οἰόμενοι τοῖς κεκτημένοις εἶναι, στόμασι δ' ἀκλείστοις καὶ ἀθύροις ὥσπερ τὸ τοῦ [d] Πόντου διὰ παντὸς ἔξω ῥέουσι χρώμενοι πάντων ἀτιμότατον ἡγεῖσθαι τὸν λόγον ἐοίκασιν.

Ὅθεν οὐδὲ πίστιν ἔχουσιν ἧς πᾶς λόγος ἐφίεται· τὸ γὰρ οἰκεῖον αὐτοῦ τέλος τοῦτ' ἐστί, πίστιν ἐνεργάσασθαι τοῖς ἀκούουσιν· ἀπιστοῦνται δ' οἱ λάλοι, κἂν ἀληθεύωσιν. ὥσπερ γὰρ ὁ πυρὸς εἰς ἀγγεῖον κατακλεισθεὶς τῷ μὲν μέτρῳ πλείων εὑρίσκεται τῇ δὲ χρείᾳ μοχθηρότερος, οὕτω λόγος εἰς ἀδόλεσχον ἐμπεσὼν ἄνθρωπον πολὺ ποιεῖ τοῦ ψεύδους ἐπίμετρον, ᾧ διαφθείρει τὴν πίστιν.

Ἔτι τοίνυν τὸ μεθύειν πᾶς ἄνθρωπος αἰδήμων καὶ κόσμιος οἶμαι φυλάξαιτ' ἄν. μανίᾳ γὰρ ὁμότοιχος μὲν ἡ [e] ὀργὴ κατ' ἐνίους ἡ δὲ μέθη σύνοικος, μᾶλλον δὲ μανία τῷ μὲν χρόνῳ ἧττων τῇ δ' αἰτίᾳ μείζων, ὅτι τὸ αὐθαίρετον αὐτῇ πρόσεστι. τῆς δὲ μέθης οὐθὲν οὕτω κατηγοροῦσιν ὡς τὸ περὶ τοὺς λόγους ἀκρατὲς καὶ ἀόριστον· 'οἶνος γάρ' φησιν (ξ 4635)

καὶ τί τὸ δεινότατον; ᾠδὴ καὶ γέλως καὶ ὄρχησις; οὐδὲν ἄχρι τούτων·

‘καί τι ἔπος προέηκεν, ὅπερ τ’ ἄρρητον ἄμεινον’ -

τοῦτ’ ἤδη δεινὸν καὶ ἐπικίνδυνον. καὶ μή ποτε τὸ ζητούμενον παρὰ τοῖς φιλοσόφοις λύων ὁ ποιητὴς οἰνώσεως καὶ [f] μέθης διαφορὰν εἴρηκεν, οἰνώσεως μὲν ἄνεσιν μέθης δὲ φλυαρίαν. τὸ γὰρ ἐν τῇ καρδίᾳ τοῦ νήφοντος ἐπὶ τῆς γλώττης ἐστὶ τοῦ μεθύοντος, ὡς οἱ παροιμιαζόμενοι λέγουσιν. ὅθεν ὁ μὲν Βίας ἔν τινι πότῳ σιωπῶν καὶ σκωπτόμενος εἰς ἀβελτερίαν ὑπό τινος ἀδολέσχου ‘καὶ τίς ἄν’ [504] [a] ἔφη ‘δύναιτο μωρὸς ἐν οἴνῳ σιωπᾶν;’ Ἀθήνησι δέ τις ἑστιῶν πρέσβεις βασιλικοὺς ἐφιλοτιμήθη σπουδάζουσιν αὐτοῖς συναγαγεῖν εἰς ταὐτὸ τοὺς φιλοσόφους· χρωμένων δὲ τῶν ἄλλων κοινολογίᾳ καὶ τὰς συμβολὰς ἀποδιδόντων τοῦ δὲ Ζήνωνος ἡσυχίαν ἄγοντος, φιλοφρονησάμενοι καὶ προπιόντες οἱ ξένοι ‘περὶ σοῦ δὲ τί χρὴ λέγειν’ ἔφασαν ‘ὦ Ζήνων τῷ βασιλεῖ;’ κἀκεῖνος ‘ἄλλο μηθέν’ εἶπεν ‘ἢ ὅτι πρεσβύτης ἐστὶν ἐν Ἀθήναις παρὰ πότον σιωπᾶν δυνάμενος.’ οὕτω τι βαθὺ καὶ μυστηριῶδες ἡ σιγὴ καὶ νηφάλιον, ἡ δὲ μέθη λάλον· ἄνουν γὰρ καὶ ὀλιγόφρον, διὰ τοῦτο [b] καὶ πολύφωνον. οἱ δὲ φιλόσοφοι καὶ ὁριζόμενοι τὴν μέθην λέγουσιν εἶναι λήρησιν πάροινον· οὕτως οὐ ψέγεται τὸ πίνειν, εἰ προσείη τῷ πίνειν τὸ σιωπᾶν, ἀλλ’ ἡ μωρολογία μέθην ποιεῖ τὴν οἴνωσιν. ὁ μὲν οὖν μεθύων ληρεῖ παρ’ οἶνον, ὁ δ’ ἀδόλεσχος πανταχοῦ ληρεῖ, ἐν ἀγορᾷ ἐν θεάτρῳ ἐν περιπάτῳ μεθ’ ἡμέραν νύκτωρ· ἔστι δὲ θεραπεύων τῆς νόσου βαρύτερος, συμπλέων τῆς ναυτίας ἀηδέστερος, ἐπαινῶν τοῦ ψέγοντος ἐπαχθέστερος. ἥδιόν γέ τοι πονηροῖς ὁμιλοῦμεν ἐπιδεξίοις ἢ χρηστοῖς ἀδολέσχαις. ὁ μὲν γὰρ Σοφοκλέους Νέστωρ τὸν Αἴαντα τραχυνόμενον τῷ λόγῳ πραΰνων ἠθικῶς τοῦτ’ εἴρηκεν (Soph. fr. 771)

[c] ‘οὐ μέμφομαί σε· δρῶν γὰρ εὖ κακῶς λέγεις,’

πρὸς δὲ τὸν ἀδολέσχην οὐχ οὕτως ἔχομεν, ἀλλὰ πᾶσαν ἔργου χάριν ἡ τῶν λόγων ἀκαιρία διαφθείρει καὶ ἀπόλλυσι.

Λυσίας τινὶ δίκην ἔχοντι λόγον συγγράψας ἔδωκεν· ὁ δὲ πολλάκις ἀναγνοὺς ἧκε πρὸς τὸν Λυσίαν ἀθυμῶν καὶ λέγων τὸ μὲν πρῶτον αὐτῷ διεξιόντι θαυμαστὸν φανῆναι τὸν λόγον, αὖθις δὲ καὶ τρίτον ἀναλαμβάνοντι παντελῶς ἀμβλὺν καὶ ἄπρακτον· ὁ δὲ Λυσίας γελάσας ‘τί οὖν;’ εἶπεν ‘οὐχ ἅπαξ μέλλεις λέγειν αὐτὸν ἐπὶ τῶν δικαστῶν;’ καὶ σκόπει τὴν Λυσίου πειθὼ καὶ χάριν· ‘κεῖνον’ γὰρ ‘ἐγὼ’ (Lyr. adesp. 53 II p. 162 D)

‘φαμὶ ἰοπλοκάμων Μοισᾶν εὖ λαχεῖν’.

[d] τῶν δὲ περὶ τοῦ ποιητοῦ λεγομένων ἀληθέστατόν ἐστιν, ὅτι μόνος Ὅμηρος τῆς τῶν ἀνθρώπων ἁψικορίας περιγέγονεν, ἀεὶ καινὸς ὢν καὶ πρὸς χάριν ἀκμάζων· ἀλλ' ὅμως εἰπὼν καὶ ἀναφωνήσας ἐκεῖνο περὶ αὐτοῦ τὸ (μ 452)

φεύγει καὶ φοβεῖται τὸν ἐφεδρεύοντα παντὶ λόγῳ κόρον, εἰς ἄλλα ἐξ ἄλλων διηγήματα τὴν ἀκοὴν ἄγων καὶ τῇ καινότητι τὴν πλησμονὴν αὐτῆς παραμυθούμενος. οἱ δ' ἀποκναίουσι δήπου τὰ ὦτα ταῖς ταυτολογίαις ὥσπερ παλίψηστα διαμολύνοντες.

Τοῦτο τοίνυν πρῶτον ὑπομιμνήσκωμεν αὐτούς, ὅτι, [e] καθάπερ τὸν οἶνον ἡδονῆς ἕνεκα καὶ φιλοφροσύνης εὑρημένον οἱ προσβιαζόμενοι πολὺν πίνειν καὶ ἄκρατον ἐνίους εἰς ἀηδίαν καὶ παροινίαν τρέπουσιν, οὕτω τὸν λόγον ἥδιστον ὄντα καὶ φιλανθρωπότατον συμβόλαιον οἱ χρώμενοι κακῶς καὶ προχείρως ἀπάνθρωπον ποιοῦσι καὶ ἄμικτον, οἷς οἴονται χαρίζεσθαι λυποῦντες καὶ ἀφ' ὧν θαυμάζεσθαι καταγελώμενοι καὶ δι' ὧν φιλεῖσθαι δυσχεραινόμενοι. ὥσπερ οὖν ὁ τῷ κεστῷ τοὺς ὁμιλοῦντας ἀποστρέφων καὶ ἀπελαύνων ἀναφρόδιτος, οὕτως ὁ τῷ λόγῳ λυπῶν καὶ ἀπεχθανόμενος ἄμουσός τις καὶ ἄτεχνός ἐστι.

Τῶν δ' ἄλλων παθῶν καὶ νοσημάτων τὰ μέν ἐστιν [f] ἐπικίνδυνα τὰ δὲ μισητὰ τὰ δὲ καταγέλαστα, τῇ δ' ἀδολεσχίᾳ πάντα συμβέβηκε· χλευάζονται μὲν γὰρ ἐν ταῖς κοιναῖς διηγήσεσι, μισοῦνται δὲ διὰ τὰς τῶν κακῶν προσαγγελίας, κινδυνεύουσι δὲ τῶν ἀπορρήτων μὴ κρατοῦντες. [505] [a] ὅθεν Ἀνάχαρσις ἑστιαθεὶς παρὰ Σόλωνι καὶ κοιμώμενος ὤφθη τὴν μὲν ἀριστερὰν χεῖρα τοῖς μορίοις τὴν δὲ δεξιὰν τῷ στόματι προσκειμένην ἔχων· ἐγκρατεστέρου γὰρ ᾤετο χαλινοῦ δεῖσθαι τὴν γλῶτταν, ὀρθῶς οἰόμενος. οὐ γὰρ ἄν τις ἐξαριθμήσαιτο ῥᾳδίως ἄνδρας τοσούτους ἀφροδισίων ἀκρασίᾳ πεπτωκότας, ὅσας πόλεις καὶ ἡγεμονίας λόγος ἐξενεχθεὶς ἀπόρρητος ἀναστάτους ἐποίησε. Σύλλας ἐπολιόρκει τὰς Ἀθήνας, οὐκ ἔχων σχολὴν ἐνδιατρῖψαι χρόνον πολύν, 'ἐπεὶ πόνος ἄλλος ἔπειγεν' (λ 54), ἡρπακότος μὲν Ἀσίαν Μιθριδάτου τῶν δὲ περὶ Μάριον αὖθις ἐν Ῥώμῃ κρατούντων· ἀλλὰ πρεσβυτῶν τινων ἐπὶ κουρείου [b] διαλεγομένων ὡς οὐ φυλάττεται τὸ Ἑπτάχαλκον καὶ κινδυνεύει τὸ ἄστυ κατ' ἐκεῖνο ληφθῆναι τὸ μέρος ἀκούσαντες οἱ κατάσκοποι πρὸς τὸν Σύλλαν ἐξήγγειλαν. ὁ δ' εὐθὺς τὴν δύναμιν προσαγαγὼν περὶ μέσας νύκτας εἰσήγαγε τὸ στράτευμα, καὶ μικροῦ μὲν κατέσκαψεν ἐνέπλησε δὲ φόνου καὶ νεκρῶν, ὥστε τὸν Κεραμεικὸν αἵματι ῥυῆναι. χαλεπῶς δὲ πρὸς τοὺς Ἀθηναίους ἔσχε διὰ τοὺς λόγους

μᾶλλον ἢ διὰ τὰ ἔργα· κακῶς γὰρ αὐτὸν ἔλεγον καὶ τὴν Μετέλλαν, ἀναπηδῶντες ἐπὶ τὰ τείχη καὶ σκώπτοντες

'συκάμινον ἔσθ' ὁ Σύλλας ἀλφίτῳ πεπασμένον,'

[c] καὶ τοιαῦτα πολλὰ φλυαροῦντες ἐπεσπάσαντο 'κουφοτάτου πράγματος, λόγων,' ὥς φησιν ὁ Πλάτων 'βαρυτάτην ζημίαν.' τὴν δὲ Ῥωμαίων πόλιν ἐκώλυσεν ἐλευθέραν γενέσθαι Νέρωνος ἀπαλλαγεῖσαν ἑνὸς ἀνδρὸς ἀδολεσχία. μία γὰρ ἦν νύξ, μεθ' ἣν ἔδει τὸν τύραννον ἀπολωλέναι, παρεσκευασμένων ἁπάντων· ὁ δὲ μέλλων αὐτὸν ἀποκτιννύναι πορευόμενος εἰς τὸ θέατρον ἰδών τινα τῶν δεδεμένων ἐπὶ θύραις μέλλοντα προσάγεσθαι τῷ Νέρωνι καὶ τὴν αὑτοῦ τύχην ἀποδυρόμενον ἐγγὺς προσῆλθεν αὐτῷ καὶ προσψιθυρίσας 'εὔχου' φησίν 'ὦ ἄνθρωπε, τὴν σήμερον ἡμέραν [d] παρελθεῖν μόνον, αὔριον δέ μοι εὐχαριστήσεις.' ἁρπάσας οὖν τὸ αἰνιχθὲν ἐκεῖνος καὶ νοήσας, οἶμαι, ὅτι (Hes. fr. 219)

'νήπιος, ὃς τὰ ἕτοιμα λιπὼν ἀνέτοιμα διώκει,'

τὴν βεβαιοτέραν εἵλετο σωτηρίαν πρὸ τῆς δικαιοτέρας. ἐμήνυσε γὰρ τῷ Νέρωνι τὴν φωνὴν τοῦ ἀνθρώπου· κἀκεῖνος εὐθὺς ἀνήρπαστο, καὶ βάσανοι καὶ πῦρ καὶ μάστιγες ἐπ' αὐτόν, ἀρνούμενον πρὸς τὴν ἀνάγκην ἃ χωρὶς ἀνάγκης ἐμήνυσε. Ζήνων δ' ὁ φιλόσοφος, ἵνα μηδ' ἄκοντος αὐτοῦ πρόηταί τι τῶν ἀπορρήτων ἐκβιαζόμενον τὸ σῶμα ταῖς ἀνάγκαις, διαφαγὼν τὴν γλῶτταν προσέπτυσε τῷ τυράννῳ. καλὸν δὲ καὶ Λέαινα τῆς ἐγκρατείας [e] ἔχει γέρας. ἑταίρα τῶν περὶ Ἁρμόδιον ἦν καὶ Ἀριστογείτονα καὶ τῆς ἐπὶ τοὺς τυράννους συνωμοσίας ἐκοινώνει ταῖς ἐλπίσιν ὡς γυνή· καὶ γὰρ αὕτη περὶ τὸν καλὸν ἐκεῖνον ἐβάκχευσε κρατῆρα τοῦ ἔρωτος καὶ κατωργίαστο [διὰ] τοῦ θεοῦ τοῖς ἀπορρήτοις. ὡς οὖν ἐκεῖνοι πταίσαντες ἀνῃρέθησαν, ἀνακρινομένη καὶ κελευομένη φράσαι τοὺς ἔτι λανθάνοντας οὐκ ἔφρασεν, ἀλλ' ἐνεκαρτέρησεν, ἐπιδείξασα τοὺς ἄνδρας οὐδὲν ἀνάξιον ἑαυτῶν παθόντας, εἰ τοιαύτην ἠγάπησαν. Ἀθηναῖοι δὲ χαλκῆν ποιησάμενοι λέαιναν ἄγλωσσον ἐν πύλαις τῆς ἀκροπόλεως ἀνέθηκαν, τῷ μὲν θυμοειδεῖ τοῦ ζῴου τὸ ἀήττητον αὐτῆς τῷ δ' [f] ἀγλώσσῳ τὸ σιωπηρὸν καὶ μυστηριῶδες ἐμφαίνοντες.

οὐδεὶς γὰρ οὕτω λόγος ὠφέλησε ῥηθεὶς ὡς πολλοὶ σιωπηθέντες· ἔστι γὰρ εἰπεῖν ποτε τὸ σιγηθέν, οὐ μὴν σιωπῆσαί γε τὸ λεχθέν, ἀλλ' ἐκκέχυται καὶ διαπεφοίτηκεν. ὅθεν οἶμαι τοῦ μὲν λέγειν ἀνθρώπους τοῦ δὲ σιωπᾶν θεοὺς διδασκάλους ἔχομεν, ἐν τελεταῖς καὶ μυστηρίοις σιωπὴν [506] [a] παραλαμβάνοντες. ὁ δὲ ποιητὴς τὸν λογιώτατον Ὀδυσσέα σιωπηλότατον πεποίηκε καὶ τὸν υἱὸν αὐτοῦ καὶ τὴν γυναῖκα καὶ τὴν τροφόν· ἀκούεις γὰρ λεγούσης (τ 494)

'ἕξω δ' ἠύτε περ κρατερὴ δρῦς ἠὲ σίδηρος.'

αὐτὸς δὲ τῇ Πηνελόπῃ παρακαθήμενος (τ 2102)

‘θυμῷ μὲν γοόωσαν ἑὴν ἐλέαιρε γυναῖκα,

ὀφθαλμοὶ δ’ ὡς εἰ κέρα ἕστασαν ἠὲ σίδηρος,

ἀτρέμας ἐν βλεφάροισιν·’

οὕτω τὸ σῶμα μεστὸν ἦν αὐτῷ πανταχόθεν ἐγκρατείας, καὶ πάντ’ ἔχων ὁ λόγος εὐπειθῆ καὶ ὑποχείρια προσέταττε [b] τοῖς ὄμμασι μὴ δακρύειν, τῇ γλώττῃ μὴ φθέγγεσθαι, τῇ καρδίᾳ μὴ τρέμειν μηδ’ ὑλακτεῖν (υ 13).

‘τῷ δ’ αὖτ’ ἐν πείσῃ κραδίη μένε τετληυῖα’ (υ 23),

μέχρι τῶν ἀλόγων κινημάτων διήκοντος τοῦ λογισμοῦ καὶ τὸ πνεῦμα καὶ τὸ αἷμα πεποιημένου κατήκοον ἑαυτῷ καὶ χειρόηθες. τοιοῦτοι δὲ καὶ οἱ πολλοὶ τῶν ἑταίρων· τὸ γὰρ ἑλκομένους καὶ προσουδιζομένους (ι 289) ὑπὸ τοῦ Κύκλωπος μὴ κατειπεῖν τοῦ Ὀδυσσέως μηδὲ δεῖξαι τὸ πεπυρακτωμένον ἐκεῖνο καὶ παρεσκευασμένον ὄργανον ἐπὶ τὸν ὀφθαλμόν, ἀλλ’ ὠμοὺς ἐσθίεσθαι μᾶλλον ἢ φράσαι τι τῶν ἀπορρήτων ὑπερβολὴν ἐγκρατείας καὶ πίστεως οὐ λέλοιπεν.

[c] ὅθεν ὁ Πιττακὸς οὐ κακῶς τοῦ Αἰγυπτίων βασιλέως πέμψαντος ἱερεῖον αὐτῷ καὶ κελεύσαντος τὸ κάλλιστον καὶ χείριστον ἐξελεῖν κρέας ἔπεμψεν ἐξελὼν τὴν γλῶτταν ὡς ὄργανον μὲν ἀγαθῶν ὄργανον δὲ κακῶν τῶν μεγίστων οὖσαν. ἡ δ’ Εὐριπίδειος Ἰνὼ παρρησίαν ἄγουσα περὶ αὑτῆς εἰδέναι φησί (fr. 413, 2)

‘σιγᾶν θ’ ὅπου δεῖ καὶ λέγειν ἵν’ ἀσφαλές.’

οἱ γὰρ εὐγενοῦς καὶ βασιλικῆς τῷ ὄντι παιδείας τυχόντες πρῶτον σιγᾶν εἶτα λαλεῖν μανθάνουσιν. Ἀντίγονος γοῦν ὁ βασιλεὺς [ἐκεῖνος] ἐρωτήσαντος αὐτὸν τοῦ υἱοῦ πηνίκα μέλλουσιν ἀναζευγνύειν ‘τί δέδοικας;’ εἶπε ‘μὴ μόνος οὐκ [d] ἀκούσῃς τῆς σάλπιγγος;’ οὐκ ἄρα φωνὴν ἐπίστευεν ἀπόρρητον ᾧ τὴν βασιλείαν ἀπολείπειν ἔμελλεν; ἐδίδασκε μὲν οὖν αὐτὸν ἐγκρατῶς ἔχειν πρὸς τὰ τοιαῦτα καὶ πεφυλαγμένως. Μέτελλος δ’ ὁ γέρων ἕτερόν τι τοιοῦτον ἐπερωτώμενος ἐπὶ στρατείας ‘εἰ’ φησίν ‘ᾤμην τὸν χιτῶνά μοι συνειδέναι τοῦτο [τὸ ἀπόρρητον], ἀποδυσάμενος ἂν αὐτὸν ἐπὶ πῦρ ἔθηκα.’ Εὐμένης δ’ ἀκούσας ἐπέρχεσθαι Κρατερὸν οὐδενὶ τῶν φίλων ἔφρασεν, ἀλλ’ ἐψεύσατο Νεοπτόλεμον εἶναι· τούτου γὰρ οἱ στρατιῶται κατεφρόνουν, ἐκείνου δὲ καὶ τὴν δόξαν ἐθαύμαζον καὶ τὴν ἀρετὴν ἠγάπων. ἔγνω δ’ οὐδεὶς ἄλλος, ἀλλὰ συμβαλόντες [e] ἐκράτησαν καὶ ἀπέκτειναν αὐτὸν ἀγνοοῦντες καὶ νεκρὸν ἐπέγνωσαν. οὕτως ἐστρατήγησεν ἡ σιωπὴ τὸν ἀγῶνα καὶ τηλικοῦτον ἀνταγωνιστὴν ἀπέκρυψεν· ὥστ’ αὐτὸν τοὺς φίλους μὴ προειπόντα θαυμάζειν μᾶλλον ἢ μέμφεσθαι. κἂν μέμφηταί δέ τις, ἐγκαλεῖσθαι βέλτιόν ἐστι σωθέντας δι’ ἀπιστίαν ἢ κατηγορεῖν ἀπολλυμένους διὰ τὸ πιστεῦσαι.

Τίς δ' ὅλως ἑαυτῷ παρρησίαν ἀπολέλοιπε κατὰ τοῦ μὴ σιωπήσαντος; εἰ γὰρ ἀγνοεῖσθαι τὸν λόγον ἔδει, κακῶς ἐλέχθη πρὸς ἄλλον· εἰ δ' ἀφεὶς ἐκ σεαυτοῦ κατέχεις ἐν ἑτέρῳ τὸ ἀπόρρητον, εἰς ἀλλοτρίαν πίστιν καταπέφευγας [f] τὴν σεαυτοῦ προέμενος· κἂν μὲν ἐκεῖνος ὅμοιός σοι γένηται, δικαίως ἀπόλωλας, ἂν δὲ βελτίων, σῴζῃ παραλόγως ἕτερον εὑρὼν ὑπὲρ σεαυτοῦ πιστότερον. 'ἀλλὰ φίλος οὗτος ἐμοί.' τούτῳ δ' ἕτερός τις, ᾧ πιστεύσει καὶ οὗτος ὡς ἐγὼ τούτῳ· κἀκεῖνος ἄλλῳ πάλιν· εἶθ' οὕτως ἐπιγονὴν λαμβάνει καὶ πολλαπλασιασμόν, εἰρομένης τῆς ἀκρασίας ὁ [507] [a] λόγος. ὡς γὰρ ἡ μονὰς οὐκ ἐκβαίνει τὸν ἑαυτῆς ὅρον ἀλλ' ἅπαξ τὸ ἓν μένει (διὸ κέκληται μονάς), ἡ δὲ δυὰς ἀρχὴ διαφορᾶς ἀόριστος (εὐθὺς γὰρ ἑαυτὴν ἐξίστησι τῷ διπλασιασμῷ εἰς τὸ πλῆθος τρεπομένη), οὕτω λόγος ἐν τῷ πρώτῳ καταμένων ἀπόρρητος ὡς ἀληθῶς ἐστιν· ἂν δ' εἰς ἕτερον ἐκβῇ, φήμης ἔσχε τάξιν. 'ἔπεα' γὰρ 'πτερόεντα' φησὶν ὁ ποιητής (Hom. passim)· οὔτε γὰρ πτηνὸν ἐκ τῶν χειρῶν ἀφέντα ῥᾴδιόν ἐστιν αὖθις κατασχεῖν, οὔτε λόγον ἐκ τοῦ στόματος προέμενον συλλαβεῖν καὶ κρατῆσαι δυνατόν, ἀλλὰ φέρεται 'λαιψηρὰ κυκλώσας πτερά', δι' ἄλλων ἐπ' ἄλλους σκιδνάμενος. νεὼς μὲν γὰρ ἁρπαγείσης [b] ὑπὸ πνεύματος ἐπιλαμβάνονται σπείραις καὶ ἀγκύραις τὸ τάχος ἀμβλύνοντες· λόγου δ' ὥσπερ ἐκ λιμένων ἐκδραμόντος οὐκ ἔστιν ὅρμος οὐδ' ἀγκυροβόλιον, ἀλλὰ ψόφῳ πολλῷ καὶ ἤχῳ φερόμενος προσέρρηξε καὶ κατέδυσεν εἰς μέγαν τινὰ καὶ δεινὸν τὸν φθεγξάμενον κίνδυνον.

'φθεγγομένου δ' ἄρα τοῦ γε κάρη κονίῃσιν ἐμίχθη' (K 457).

εἰ δ' ἐσίγησε τότε καρτερήσας ὀλίγον χρόνον, εὐτυχήσαντος [f] ὕστερον τοῦ βασιλέως καὶ μεγάλου γενομένου μείζονας οἶμαι χάριτας ἐκομίσατ' ἂν τῆς σιωπῆς ἢ τῆς φιλοξενίας.

Οὗτος μὲν οὖν ἁμωσγέπως ἔσχε πρόφασιν τῆς ἀκρασίας τὴν ἐλπίδα καὶ τὴν φιλοφροσύνην, οἱ δὲ πλεῖστοι τῶν ἀδολέσχων οὐδ' αἰτίαν ἔχοντες ἀπολλύουσιν αὑτούς. οἷον ἐν κουρείῳ τινὶ γινομένων λόγων περὶ τῆς Διονυσίου τυραννίδος ὡς ἀδαμαντίνη καὶ ἄρρηκτός ἐστι, γελάσας ὁ κουρεύς 'ταῦθ' ὑμᾶς' ἔφη 'περὶ Διονυσίου λέγειν, οὗ ἐγὼ [509] [a] παρ' ἡμέρας ὀλίγας ἐπὶ τοῦ τραχήλου τὸ ξυρὸν ἔχω.' ταῦτ' ἀκούσας ὁ Διονύσιος ἀνεσταύρωσεν αὐτόν. ἐπιεικῶς δὲ λάλον ἐστὶ τὸ τῶν κουρέων γένος· οἱ γὰρ ἀδολεσχότατοι προσρέουσι καὶ προσκαθίζουσιν, ὥστ' αὐτοὺς ἀναπίμπλασθαι τῆς συνηθείας. χαριέντως γοῦν ὁ βασιλεὺς Ἀρχέλαος ἀδολέσχου κουρέως περιβαλόντος αὐτῷ τὸ ὠμόλινον καὶ πυθομένου 'πῶς σε κείρω, βασιλεῦ;' 'σιωπῶν' ἔφη. κουρεὺς δὲ καὶ τὴν ἐν Σικελίᾳ τῶν Ἀθηναίων μεγάλην κακοπραγίαν ἀπήγγειλε πρῶτος, ἐν Πειραιεῖ πυθόμενος οἰκέτου τινὸς τῶν ἀποδεδρακότων

ἐκεῖθεν· εἶτ' ἀφεὶς τὸ ἐργαστήριον εἰς ἄστυ συνέτεινε δρόμῳ 'μή τις κῦδος ἄροιτο' [b] τὸν λόγον εἰς τὴν πόλιν ἐμβαλών, 'ὁ δὲ δεύτερος ἔλθοι' (X 207). γενομένης δὲ ταραχῆς οἷον εἰκὸς εἰς ἐκκλησίαν ἀθροισθεὶς ὁ δῆμος ἐπὶ τὴν ἀρχὴν ἐβάδιζε τῆς φήμης. ἤγετ' οὖν ὁ κουρεὺς καὶ ἀνεκρίνετο, μηδὲ τοὔνομα τοῦ φράσαντος εἰδὼς ἀλλ' εἰς ἀνώνυμον καὶ ἄγνωστον ἀναφέρων τὴν ἀρχὴν πρόσωπον. ὀργὴ δὴ καὶ βοὴ τοῦ θεάτρου· 'βασάνιζε καὶ στρέβλου τὸν ἀλάστορα· πέπλασται ταῦτα καὶ συντέθεικε· τίς δ' ἄλλος ἤκουσε; τίς δ' ἐπίστευσεν;' ἐκομίσθη τροχός, κατετάθη ὁ ἄνθρωπος. ἐν τούτῳ παρῆσαν οἱ τὴν συμφορὰν ἀπαγγέλλοντες, ἐξ [c] αὐτοῦ τοῦ ἔργου διαπεφευγότες. ἐσκεδάσθησαν οὖν πάντες ἐπὶ τὰ οἰκεῖα πένθη, καταλιπόντες ἐν τῷ τροχῷ τὸν ἄθλιον ἐνδεδεμένον. ὀψὲ δὲ λυθεὶς ἤδη πρὸς ἑσπέραν ἠρώτα τὸν δήμιον, εἰ καὶ περὶ Νικίου τοῦ στρατηγοῦ, ὃν τρόπον ἀπόλωλεν, ἀκηκόασιν. οὕτως ἄμαχόν τι κακὸν καὶ ἀνουθέτητον ἡ συνήθεια ποιεῖ τὴν ἀδολεσχίαν.

Καίτοι γ' ὥσπερ οἱ τὰ πικρὰ καὶ τὰ δυσώδη φάρμακα πιόντες δυσχεραίνουσι καὶ τὰς κύλικας, οὕτως οἱ τὰ κακὰ προσαγγέλλοντες ὑπὸ τῶν ἀκουόντων δυσχεραίνονται καὶ μισοῦνται. ὅθεν χαριέντως ὁ Σοφοκλῆς διηπόρηκεν (Ant. 317)·

'ἐν τοῖσιν ὠσὶν ἢ 'πὶ τῇ ψυχῇ δάκνῃ;'

[d] 'τί δὲ ῥυθμίζεις τὴν ἐμὴν λύπην ὅπου;'

'ὁ δρῶν σ' ἀνιᾷ τὰς φρένας, τὰ δ' ὦτ' ἐγώ.'

λυποῦσι δ' οὖν ὥσπερ οἱ δρῶντες καὶ οἱ λέγοντες, ἀλλ' ὅμως οὐκ ἔστι γλώσσης ῥεούσης ἐπίσχεσις οὐδὲ κολασμός. ἐν Λακεδαίμονι τῆς Χαλκιοίκου τὸ ἱερὸν ὤφθη σεσυλημένον, καὶ κειμένη ἔνδον κενὴ λάγυνος. ἦν οὖν ἀπορία πολλῶν συνδεδραμηκότων, καί τις τῶν παρόντων 'εἰ βούλεσθ', ἐγὼ φράσω ὑμῖν ὅ μοι παρίσταται περὶ τῆς λαγύνου· νομίζω γάρ' ἔφη 'τοὺς ἱεροσύλους ἐπὶ τηλικοῦτον ἐλθεῖν κίνδυνον κώνειον ἐμπιόντας καὶ κομίζοντας οἶνον, ἵν', εἰ [e] μὲν αὐτοῖς λαθεῖν ἐγγένοιτο, τῷ ἀκράτῳ ποθέντι σβέσαντες καὶ διαλύσαντες τὸ φάρμακον ἀπέλθοιεν ἀσφαλῶς· εἰ δ' ἁλίσκοιντο, πρὸ τῶν βασάνων ὑπὸ τοῦ φαρμάκου ῥᾳδίως καὶ ἀνωδύνως ἀποθάνοιεν.' ταῦτ' εἰπόντος αὐτοῦ τὸ πρᾶγμα πλοκὴν ἔχον καὶ περινόησιν τοσαύτην οὐχ ὑπονοοῦντος ἀλλ' εἰδότος ἐφαίνετο· καὶ περιστάντες αὐτὸν ἀνέκριναν ἀλλαχόθεν ἄλλος 'τίς εἶ;' καί 'τίς σ' οἶδε;' καί 'πόθεν ἐπίστασαι ταῦτα;' καὶ τὸ πέρας ἐλεγχόμενος οὕτως ὡμολόγησεν εἷς εἶναι τῶν ἱεροσύλων. οἱ δ' Ἴβυκον ἀποκτείναντες οὐχ οὕτως ἑάλωσαν, ἐν θεάτρῳ καθεζόμενοι καὶ [f] γεράνων παραφανεισῶν πρὸς ἀλλήλους ἅμα γέλωτι ψιθυρίζοντες, ὡς αἱ Ἰβύκου ἔκδικοι πάρεισιν; ἀκούσαντες γὰρ οἱ καθεζόμενοι πλησίον, ἤδη τοῦ Ἰβύκου πολὺν χρόνον ὄντος ἀφανοῦς καὶ ζητουμένου, ἐπελάβοντο τῆς φωνῆς

καὶ προσήγγειλαν τοῖς ἄρχουσιν. ἐλεγχθέντες δ’ οὕτως ἀπήχθησαν, οὐχ ὑπὸ τῶν γεράνων κολασθέντες ἀλλ’ ὑπὸ τῆς [510] [a] αὑτῶν γλωσσαλγίας ὥσπερ Ἐρινύος ἢ Ποινῆς βιασθέντες ἐξαγορεῦσαι τὸν φόνον. ὡς γὰρ ἐν τῷ σώματι πρὸς τὰ πεπονθότα μέρη καὶ ἀλγοῦντα γίνεται φορὰ καὶ ὁλκὴ τῶν πλησίον, οὕτως ἡ γλῶττα τῶν ἀδολέσχων ἀεὶ φλεγμονὴν ἔχουσα καὶ σφυγμὸν ἕλκει τι καὶ συνάγει τῶν ἀπορρήτων καὶ κεκρυμμένων ἐφ’ ἑαυτήν. διὸ δεῖ πεφράχθαι, καὶ τὸν λογισμὸν ὡς πρόβολον ἐμποδὼν ἀεὶ τῇ γλώττῃ κείμενον ἐπισχεῖν τὸ ῥεῦμα καὶ τὸν ὄλισθον αὐτῆς, ἵνα μὴ τῶν χηνῶν ἀφρονέστεροι εἶναι δοκῶμεν, οὕς φασιν, ὅταν ὑπερβάλλωσιν ἐκ Κιλικίας τὸν Ταῦρον ἀετῶν ὄντα μεστόν, εἰς [b] τὸ στόμα λαμβάνειν εὐμεγέθη λίθον ὥσπερ κλεῖθρον ἢ χαλινὸν ἐμβάλλοντας τῇ φωνῇ καὶ νυκτὸς οὕτως ὑπερφέρεσθαι λανθάνοντας.

Εἰ τοίνυν ἔροιτό τις (Com. adesp. 774)

‘τὸν κάκιστον ὅστις ἐστὶ καὶ τὸν ἐξωλέστατον’,

οὐδεὶς ἂν ἄλλον εἴποι τὸν προδότην παρελθών. Εὐθυκράτης μὲν οὖν ‘ἤρεψε τὴν οἰκίαν τοῖς ἐκ Μακεδονίας ξύλοις’ ὥς φησι Δημοσθένης (19, 265), Φιλοκράτης δὲ χρυσίον πολὺ λαβὼν ‘πόρνας καὶ ἰχθῦς ἠγόραζεν’ (ib. 229), Εὐφόρβῳ δὲ καὶ Φιλάγρῳ τοῖς Ἐρέτριαν προδοῦσι χώραν ὁ βασιλεὺς ἔδωκεν· ὁ δ’ ἀδόλεσχος ἄμισθός ἐστι προδότης καὶ αὐτεπάγγελτος, οὐχ ἵππους οὐδὲ τείχη προδιδούς, [c] ἀλλὰ λόγους ἐκφέρων ἀπορρήτους ἐν δίκαις ἐν στάσεσιν ἐν διαπολιτείαις, μηδενὸς αὐτῷ χάριν ἔχοντος, ἀλλ’ αὐτός, ἂν ἀκούηται, προσοφείλων χάριν. ὥστε τὸ λελεγμένον πρὸς τὸν εἰκῇ καὶ ἀκρίτως ἐκχέοντα τὰ ἑαυτοῦ καὶ καταχαριζόμενον

‘οὐ φιλάνθρωπος σύ γ’ ἐσσ’· ἔχεις νόσον, χαίρεις διδούς’

(Epich. 274)

ἐναρμόττει καὶ πρὸς τὸν φλύαρον· ‘οὐ φίλος εἶ σὺ ταῦτα μηνύων οὐδ’ εὔνους· ἔχεις νόσον, χαίρεις λαλῶν καὶ φλυαρῶν.’

Ταῦτα δ’ οὐ κατηγορίαν ἡγητέον ἀλλ’ ἰατρείαν τῆς ἀδολεσχίας· τῶν γὰρ παθῶν κρίσει καὶ ἀσκήσει περιγινόμεθα, προτέρα δ’ ἡ κρίσις ἐστίν. οὐδεὶς γὰρ ἐθίζεται [d] φεύγειν καὶ ἀποτρίβεσθαι τῆς ψυχῆς ὃ μὴ δυσχεραίνει· δυσχεραίνομεν δὲ τὰ πάθη, ὅταν τὰς βλάβας καὶ τὰς αἰσχύνας τὰς ἀπ’ αὐτῶν τῷ λόγῳ κατανοήσωμεν. ὥσπερ νῦν κατανοοῦμεν ἐπὶ τῶν ἀδολέσχων, ὅτι φιλεῖσθαι βουλόμενοι μισοῦνται, χαρίζεσθαι θέλοντες ἐνοχλοῦσι, θαυμάζεσθαι δοκοῦντες καταγελῶνται, κερδαίνοντες οὐδὲν ἀναλίσκουσιν, ἀδικοῦσι τοὺς φίλους, ὠφελοῦσι τοὺς ἐχθρούς, ἑαυτοὺς ἀπολλύουσιν. ὥστε τοῦτο πρῶτον ἴαμα καὶ φάρμακόν ἐστι τοῦ πάθους, ὁ τῶν ἀπ’ αὐτοῦ γινομένων αἰσχρῶν καὶ ὀδυνηρῶν ἐπιλογισμός.

Δευτέρῳ δὲ χρηστέον ἐπιλογισμῷ τῷ τῶν ἐναντίων, [e] ἀκούοντας ἀεὶ καὶ μεμνημένους καὶ πρόχειρ' ἔχοντας τὰ τῆς ἐχεμυθίας ἐγκώμια καὶ τὸ σεμνὸν καὶ τὸ ἅγιον καὶ τὸ μυστηριῶδες τῆς σιωπῆς, καὶ ὅτι θαυμάζονται μᾶλλον καὶ ἀγαπῶνται καὶ σοφώτεροι δοκοῦσι τῶν ἐξηνίων τούτων καὶ ἐκφερομένων οἱ στρογγύλοι καὶ βραχυλόγοι, καὶ ὧν πολὺς νοῦς ἐν ὀλίγῃ λέξει συνέσταλται. καὶ γὰρ Πλάτων τοὺς τοιούτους ἐπαινεῖ, δεινοῖς ἀκοντισταῖς ἐοικέναι λέγων, οὖλα καὶ πυκνὰ καὶ συνεστραμμένα φθεγγομένους (Prot. 342e). καὶ ὁ Λυκοῦργος εἰς ταύτην τὴν δεινότητα τοὺς πολίτας εὐθὺς ἐκ παίδων τῇ σιωπῇ πιέζων συνῆγε καὶ [f] κατεπύκνου. καθάπερ γὰρ οἱ Κελτίβηρες ἐπὶ τοῦ σιδήρου τὸ στόμωμα ποιοῦσιν, ὅταν κατορύξαντες εἰς τὴν γῆν τὸ πολὺ καὶ γεῶδες ἀποκαθάρωσιν, οὕτως ὁ Λακωνικὸς λόγος οὐκ ἔχει φλοιόν, ἀλλ' εἰς αὐτὸ τὸ δραστήριον ἀφαιρέσει τοῦ περιττοῦ διακονώμενος στομοῦται· τὸ γὰρ ἀποφθεγματικὸν αὐτοῖς τοῦτο καὶ μετ' εὐστροφίας ὀξὺ πρὸς [511] [a] τὰς ἀπαντήσεις ἐκ τῆς πολλῆς περιγίγνεται σιωπῆς. καὶ δεῖ τὰ τοιαῦτα μάλιστα τοῖς ἀδολέσχοις προβάλλειν ὅσην χάριν ἔχει καὶ δύναμιν, οἷόν ἐστι τὸ 'Λακεδαιμόνιοι Φιλίππῳ· Διονύσιος ἐν Κορίνθῳ'. καὶ πάλιν γράψαντος αὐτοῖς τοῦ Φιλίππου 'ἂν ἐμβάλω εἰς τὴν Λακωνικήν, ἀναστάτους ὑμᾶς ποιήσω', ἀντέγραψαν 'αἴκα.' Δημητρίου δὲ τοῦ βασιλέως ἀγανακτοῦντος καὶ βοῶντος 'ἕνα πρὸς ἐμὲ Λακεδαιμόνιοι πρεσβευτὴν ἔπεμψαν,' οὐ καταπλαγεὶς ὁ πρεσβευτής 'ἕν'' εἶπε 'ποτὶ ἕνα.' θαυμάζονται δὲ καὶ τῶν παλαιῶν οἱ βραχυλόγοι, καὶ τῷ ἱερῷ τοῦ Πυθίου Ἀπόλλωνος [b] οὐ τὴν Ἰλιάδα καὶ τὴν Ὀδύσσειαν οὐδὲ τοὺς Πινδάρου παιᾶνας ἐπέγραψαν οἱ Ἀμφικτύονες, ἀλλὰ τὸ 'γνῶθι σαυτόν' καὶ τὸ 'μηδὲν ἄγαν' καὶ τὸ 'ἐγγύα πάρα δ' ἄτα,' θαυμάσαντες τῆς λέξεως τὸ εὔογκον καὶ τὸ λιτόν, ἐν βραχεῖ σφυρήλατον νοῦν περιεχούσης. αὐτὸς δ' ὁ θεὸς οὐ φιλοσύντομός ἐστι καὶ βραχυλόγος ἐν τοῖς χρησμοῖς, καὶ Λοξίας καλεῖται διὰ τὸ φεύγειν τὴν ἀδολεσχίαν μᾶλλον ἢ τὴν ἀσάφειαν; οἱ δὲ συμβολικῶς ἄνευ φωνῆς ἃ δεῖ φράζοντες οὐκ ἐπαινοῦνται καὶ θαυμάζονται διαφερόντως; ὡς Ἡράκλειτος (A 3b), ἀξιούντων αὐτὸν τῶν πολιτῶν γνώμην [c] τιν' εἰπεῖν περὶ ὁμονοίας, ἀναβὰς ἐπὶ τὸ βῆμα καὶ λαβὼν ψυχροῦ κύλικα καὶ τῶν ἀλφίτων ἐπιπάσας καὶ τῷ γλήχωνι κινήσας ἐκπιὼν ἀπῆλθεν, ἐνδειξάμενος αὐτοῖς ὅτι τὸ τοῖς τυχοῦσιν ἀρκεῖσθαι καὶ μὴ δεῖσθαι τῶν πολυτελῶν ἐν εἰρήνῃ καὶ ὁμονοίᾳ διατηρεῖ τὰς πόλεις. Σκιλοῦρος δὲ καταλιπὼν ὀγδοήκοντα παῖδας, ὁ Σκυθῶν βασιλεύς, ᾔτησε δέσμην δορατίων, ὅτ' ἀπέθνῃσκε, καὶ λαβόντας ἐκέλευσε καταθραῦσαι καὶ κατᾶξαι συνδεδεμένην καὶ ἀθρόαν, ὡς δ' ἀπεῖπον, αὐτὸς ἕλκων ἓν καθ' ἓν ἅπαντα ῥᾳδίως διέκλασε, τὴν συμφωνίαν αὐτῶν καὶ τὴν ὁμόνοιαν ἰσχυρὸν ἀποφαίνων καὶ δυσκαθαίρετον, ἀσθενὲς [d] δὲ τὴν διάλυσιν καὶ οὐ μόνιμον.

εἰ δὴ ταῦτα καὶ τὰ τοιαῦτα συνεχῶς τις ἐπίοι καὶ ἀναλαμβάνοι, παύσαιτ' ἂν ἴσως ἡδόμενος τῷ φλυαρεῖν. ἐμὲ δὲ κἀκεῖνος ὁ οἰκέτης εὖ μάλα δυσωπεῖ, τὸ προσέχειν τῷ λόγῳ καὶ κρατεῖν προαιρέσεως ἡλίκον ἐστὶν ἐνθυμούμενον. Πούπιος Πείσων ὁ ῥήτωρ μὴ βουλόμενος ἐνοχλεῖσθαι προσέταξε τοῖς οἰκέταις πρὸς τὰ ἐρωτώμενα λαλεῖν καὶ μηδὲν πλέον. εἶτα Κλώδιον ἄρχοντα δεξιώσασθαι βουλόμενος ἐκέλευσε κληθῆναι καὶ παρεσκευάσατο λαμπρὰν ὡς εἰκὸς ἑστίασιν. ἐνστάσης δὲ τῆς ὥρας οἱ μὲν ἄλλοι παρῆσαν ὁ δὲ Κλώδιος [e] προσεδοκᾶτο· καὶ πολλάκις ἔπεμπε τὸν εἰωθότα καλεῖν οἰκέτην ἐποψόμενον εἰ πρόσεισιν. ὡς δ' ἦν ἑσπέρα καὶ ἀπέγνωστο 'τί δ';' ἔφη πρὸς τὸν οἰκέτην 'ἐκάλεσας αὐτόν;' 'ἔγωγ'' εἶπε. 'διὰ τί οὖν οὐκ ἀφῖκται;' κἀκεῖνος 'ὅτι ἠρνήσατο.' 'πῶς οὖν οὐκ εὐθὺς ἔφρασας;' 'ὅτι τοῦτό μ' οὐκ ἠρώτησας.' οὕτως μὲν Ῥωμαϊκὸς οἰκέτης, ὁ δ' Ἀττικὸς ἐρεῖ τῷ δεσπότῃ σκάπτων (Com. ad. 347) 'ἐφ' οἷς γεγόνασιν αἱ διαλύσεις.' οὕτως μέγα πρὸς πάνθ' ὁ ἐθισμός ἐστι, καὶ περὶ τούτου γ' ἤδη λέγωμεν.

Οὐ γὰρ ἔστιν ὡς χαλινῶν ἐφαψαμένους ἐπισχεῖν τὸν ἀδολέσχην, ἀλλ' ἔθει δεῖ κρατῆσαι τοῦ νοσήματος. πρῶτον μὲν οὖν ἐν ταῖς τῶν πέλας ἐρωτήσεσιν ἑαυτὸν [f] ἐθιζέτω σιωπᾶν, μέχρις οὗ πάντες ἀπείπωνται τὴν ἀπόκρισιν·

'οὐ γάρ τι βουλῆς ταὐτὸ καὶ δρόμου τέλος'

ὥς φησιν ὁ Σοφοκλῆς (fr. 772), οὐδέ γε φωνῆς καὶ ἀποκρίσεως· ἀλλ' ἐκεῖ μὲν ἡ νίκη τοῦ φθάσαντός ἐστιν, ἐνταῦθα δέ, ἐὰν μὲν ἱκανῶς ἕτερος ἀποκρίνηται, καλῶς ἔχει συνεπαινέσαντα καὶ συνεπιφήσαντα δόξαν εὐμενοῦς ἀνθρώπου [512] [a] λαβεῖν· ἐὰν δὲ μή, τότε καὶ διδάξαι τὸ ἠγνοημένον καὶ ἀναπληρῶσαι τὸ ἐλλεῖπον ἀνεπίφθονον καὶ οὐκ ἄκαιρόν ἐστι. μάλιστα δὲ φυλάττωμεν ἑαυτούς, ὅπως μὴ ἑτέρου τινὸς ἐρωτηθέντος αὐτοὶ προλαμβάνωμεν ὑποφθάνοντες τὴν ἀπόκρισιν. ἴσως μὲν γὰρ οὐδ' ἄλλοτε καλῶς ἔχον ἐστὶν αἰτηθέντος ἑτέρου παρωσαμένους ἐκεῖνον αὐτοὺς ἐπαγγέλλεσθαι (δόξομεν γὰρ ἅμα καὶ τοῦτον ὡς παρασχεῖν ὃ αἰτεῖται μὴ δυνάμενον, κἀκεῖνον ὡς αἰτεῖν παρ' ὧν δύναται λαβεῖν οὐκ ἐπιστάμενον ὀνειδίζειν)· μάλιστα δ' ὕβριν φέρει περὶ τὰς ἀποκρίσεις ἡ τοιαύτη προπέτεια καὶ θρασύτης. συνεμφαίνει γὰρ ὁ φθάνων ἐν τῷ [b] ἀποκρίνασθαι τὸν ἐρωτώμενον τὸ 'τί τούτου δέῃ;' καί 'τί οὗτος οἶδεν;' καὶ 'ἐμοῦ παρόντος περὶ τούτων οὐδένα δεῖ ἄλλον ἐρωτᾶν.' καίτοι πολλάκις τινὰς ἐρωτῶμεν οὐ τοῦ λόγου δεόμενοι, φωνὴν δέ τινα καὶ φιλοφροσύνην ἐκκαλούμενοι παρ' αὐτῶν καὶ προαγαγεῖν εἰς ὁμιλίαν ἐθέλοντες, ὡς Σωκράτης Θεαίτητον καὶ Χαρμίδην. ὅμοιον οὖν τῷ τὸν ὑφ' ἑτέρου βουλόμενον φιληθῆναι προσδραμόντα φιλεῖν αὐτὸν ἢ τὸν ἑτέρῳ προσβλέποντα μεταστρέφειν εἰς ἑαυτὸν τὸ προλαμβάνειν τὰς ἀποκρίσεις καὶ τὰ ὦτα μετάγειν καὶ τὴν

διάνοιαν ἕλκειν καὶ ἀποστρέφειν πρὸς ἑαυτόν· [c] ὅπου, κἂν ἀπείπηται τὸν λόγον ὁ αἰτηθείς, ἐπισχόντα καλῶς ἔχει καὶ πρὸς τὸ βουλόμενον τοῦ ἐρωτῶντος ἁρμοσάμενον ὡς ἐπὶ κλῆσιν ἀλλοτρίαν [τὴν ἀπόκρισιν] αἰδημόνως καὶ κοσμίως ἀπαντᾶν. καὶ γὰρ οἱ μὲν ἐρωτηθέντες, ἂν σφαλῶσιν ἐν τῷ ἀποκρίνασθαι, συγγνώμης δικαίας τυγχάνουσιν, ὁ δ' αὐθαιρέτως ὑφιστάμενος καὶ προλαμβάνων τὸν λόγον ἀηδὴς μέν ἐστι καὶ κατορθῶν, διαμαρτάνων δὲ παντάπασιν ἐπίχαρτος γίνεται καὶ καταγέλαστος.

Δεύτερον τοίνυν ἄσκημα πρὸς τὰς ἰδίας ἀποκρίσεις ἐστίν, αἷς οὐχ ἥκιστα δεῖ προσέχειν τὸν ἀδόλεσχον. πρῶτον [d] μέν, ἵνα μὴ λάθῃ τοῖς ἐπὶ γέλωτι καὶ ὕβρει προκαλουμένοις εἰς λόγους αὐτὸν ἀποκρινόμενος μετὰ σπουδῆς. ἔνιοι γὰρ οὐδὲν δεόμενοι, διατριβῆς δὲ καὶ παιδιᾶς ἕνεκα συνθέντες τινὰς ἐρωτήσεις προβάλλουσι τοῖς τοιούτοις καὶ ἀνακινοῦσιν αὐτῶν τὸν λῆρον· ὃ δεῖ φυλάττεσθαι καὶ μὴ ταχὺ τῷ λόγῳ μηδ' ὥσπερ χάριν ἔχοντας ἐπιπηδᾶν, ἀλλὰ καὶ τὸν τρόπον τοῦ πυνθανομένου σκοπεῖν καὶ τὴν χρείαν. ὅταν δὲ φαίνηται τῷ ὄντι βουλόμενος μαθεῖν, ἐθιστέον ἐφιστάναι καὶ ποιεῖν τι διάλειμμα μεταξὺ τῆς ἐρωτήσεως καὶ τῆς ἀποκρίσεως, ἐν ᾧ προσθεῖναι μὲν ὁ ἐρωτῶν, εἴ τι βούλεται, δύναται, σκέψασθαι δ' αὐτὸς περὶ ὧν ἀποκρινεῖται, [e] καὶ μὴ κατατρέχειν μηδὲ καταχωννύναι τὴν ἐρώτησιν, ἔτι πυνθανομένοις πολλάκις ὑπὸ σπουδῆς ἄλλας ἀντ' ἄλλων ἀποκρίσεις διδόντα. ἡ μὲν γὰρ Πυθία καὶ πρὸ ἐρωτήσεως αὐθωρὶ χρησμοὺς εἴωθέ τινας ἐκφέρειν· ὁ γὰρ θεός, ᾧ λατρεύει,

'καὶ κωφοῦ ξυνίησι καὶ οὐ λαλέοντος ἀκούει,'

τὸν δὲ βουλόμενον ἐμμελῶς ἀποκρίνασθαι δεῖ τὴν διάνοιαν ἀναμεῖναι καὶ τὴν προαίρεσιν ἀκριβῶς καταμαθεῖν τοῦ πυνθανομένου, μὴ γένηται τὸ κατὰ τὴν παροιμίαν 'ἄμας ἀπῄτουν ...'. ἄλλως δὲ τὸ λάβρον τοῦτο καὶ πρὸς [f] τοὺς λόγους ὀξύπεινον ἀνακρουστέον, ἵνα μὴ δοκῇ καθάπερ ῥεῦμα τῇ γλώττῃ πάλαι προσιστάμενον ἀσμένως ὑπὸ τῆς ἐρωτήσεως ἐξερᾶσθαι. καὶ γὰρ ὁ Σωκράτης οὕτως ἐκόλουε τὴν δίψαν, οὐκ ἐφιεὶς ἑαυτῷ πιεῖν μετὰ γυμνάσιον, εἰ μὴ τὸν πρῶτον ἐκχέαι κάδον ἀνιμήσας, ὅπως ἐθίζηται τὸν τοῦ λόγου καιρὸν ἀναμένειν τὸ ἄλογον.

[513] [a] Ἔστι τοίνυν τρία γένη τῶν πρὸς τὰς ἐρωτήσεις ἀποκρίσεων, τὸ μὲν ἀναγκαῖον τὸ δὲ φιλάνθρωπον τὸ δὲ περισσόν. οἷον πυθομένου τινὸς εἰ Σωκράτης ἔνδον, ὁ μὲν ὥσπερ ἄκων καὶ ἀπροθύμως ἀποκρίνεται τὸ 'οὐκ ἔνδον', ἐὰν δὲ βούληται λακωνίζειν, καὶ τὸ 'ἔνδον' ἀφελὼν αὐτὴν μόνην φθέγξεται τὴν ἀπόφασιν· ὡς ἐκεῖνοι, Φιλίππου γράψαντος εἰ δέχονται τῇ πόλει αὐτόν, εἰς χάρτην 'οὐ' μέγα γράψαντες ἀπέστειλαν. ὁ δὲ φιλανθρωπότερον ἀποκρίνεται 'οὐκ ἔνδον ἀλλ' ἐπὶ ταῖς τραπέζαις', κἂν

βούληται προσεπιμετρῆσαι, ‘ξένους τινὰς ἐκεῖ περιμένων.’ ὁ δὲ [b] περιττὸς καὶ ἀδολέσχης, ἄν γε δὴ τύχῃ καὶ τὸν Κολοφώνιον ἀνεγνωκὼς Ἀντίμαχον, ‘οὐκ ἔνδον’ φησίν ‘ἀλλ’ ἐπὶ ταῖς τραπέζαις, ξένους ἀναμένων Ἴωνας, ὑπὲρ ὧν αὐτῷ γέγραφεν Ἀλκιβιάδης περὶ Μίλητον ὢν καὶ παρὰ Τισσαφέρνῃ διατρίβων, τῷ τοῦ μεγάλου σατράπῃ βασιλέως, ὃς πάλαι μὲν ἐβοήθει Λακεδαιμονίοις, νῦν δὲ προστίθεται δι’ Ἀλκιβιάδην Ἀθηναίοις· ὁ γὰρ Ἀλκιβιάδης ἐπιθυμῶν κατελθεῖν εἰς τὴν πατρίδα τὸν Τισσαφέρνην μετατίθησι’, καὶ ὅλως τὴν ὀγδόην Θουκυδίδου κατατεινάμενος ἐρεῖ καὶ κατακλύσει τὸν ἄνθρωπον, ἕως φθάσει καὶ Μίλητος [c] ἐκπολεμωθεῖσα καὶ φυγαδευθεὶς τὸ δεύτερον Ἀλκιβιάδης. μάλιστα δὴ περὶ τοῦτο δεῖ τὴν ἀδολεσχίαν συνέχειν ὥσπερ εἰς ἴχνος ἐμβιβάζοντα τὴν ἐρώτησιν καὶ κέντρῳ καὶ διαστήματι τῇ χρείᾳ τοῦ πυνθανομένου περιγράψαντα τὴν ἀπόκρισιν. Καρνεάδην μὲν γὰρ οὔπω μεγάλην ἔχοντα δόξαν ἐν τῷ γυμνασίῳ διαλεγόμενον πέμψας ὁ γυμνασίαρχος ἐκέλευσεν ὑφεῖναι τὸ μέγεθος τῆς φωνῆς (ἦν γὰρ μεγαλοφωνότατος)· εἰπόντος δ’ ἐκείνου ‘δός μοι μέτρον φωνῆς’ οὐ φαύλως ὑπέτυχε ‘δίδωμι τὸν προσδιαλεγόμενον.’ τῷ δ’ ἀποκρινομένῳ μέτρον [ἔστω] ἡ τοῦ ἐρωτῶντος βούλησις.

Καὶ μὴν ὥσπερ ὁ Σωκράτης (Xen. Mem. I 3, 6) [d] ἐκέλευε φυλάττεσθαι τῶν σιτίων ὅσα μὴ πεινῶντας ἐσθίειν ἀναπείθει καὶ τῶν πομάτων ὅσα πίνειν μὴ διψῶντας, οὕτω χρὴ καὶ τῶν λόγων τὸν ἀδολέσχην, οἷς ἥδεται μάλιστα καὶ κέχρηται κατακόρως, τούτους φοβεῖσθαι καὶ πρὸς τούτους ἐπιρρέοντας ἀντιβαίνειν. οἷον οἱ στρατιωτικοὶ πολέμων εἰσὶ διηγητικοί, καὶ τὸν Νέστορα τοιοῦτον ὁ ποιητὴς εἰσάγει, τὰς αὑτοῦ πολλάκις ἀριστείας καὶ πράξεις διηγούμενον. ἐπιεικῶς δὲ καὶ τοῖς περὶ δίκας εὐστοχήσασιν ἢ παρ’ ἡγεμόσι καὶ βασιλεῦσιν ἀπροσδοκήτως εὐημερήσασιν ὥσπερ νόσημά τι προσπίπτει καὶ [e] παρακολουθεῖ τὸ μεμνῆσθαι καὶ διηγεῖσθαι πολλάκις, ὃν τρόπον εἰσῆλθον προσήχθησαν ἠγωνίσαντο διελέχθησαν, ἐξήλεγξαν ἀντιδίκους τινὰς ἢ κατηγόρους, ἐπῃνέθησαν. πολλῷ γάρ ἐστιν ἡ χαρὰ τῆς κωμικῆς ἐκείνης ἀγρυπνίας λαλίστερον (Men. fr. 164), ἀναρριπίζουσα πολλάκις ἑαυτὴν καὶ πρόσφατον ποιοῦσα τοῖς διηγήμασιν. ὅθεν ὀλισθηροὶ πρὸς τοὺς τοιούτους τῶν λόγων εἰσὶν ἐκ πάσης προφάσεως· οὐ γὰρ μόνον ‘ὅπου τις ἀλγεῖ, κεῖθι καὶ τὴν χεῖρ’ ἔχει,’ ἀλλὰ καὶ τὸ ἡδόμενον ἕλκει τὴν φωνὴν ἐφ’ ἑαυτὸ καὶ περιάγει τὴν γλῶτταν ἐπερείδειν ἀεὶ τῇ μνήμῃ βουλόμενον. οὕτω καὶ τοῖς ἐρωτικοῖς ἡ πλείστη διατριβὴ περὶ [f] λόγους μνήμην τινὰ τῶν ἐρωμένων ἀναδιδόντας· οἵ γε κἂν μὴ πρὸς ἀνθρώπους, πρὸς ἄψυχα περὶ αὐτῶν διαλέγονται·

‘ὦ φιλτάτη κλίνη’

καὶ

ἔστι μὲν οὖν ἀτεχνῶς ἡ λευκὴ στάθμη πρὸς τοὺς λόγους [514] [a] ὁ ἀδόλεσχος, οὐ μὴν ἀλλ' ‹ὁ› μᾶλλον ἑτέρων ἑτέροις προσπεπονθὼς ὀφείλει τούτους φυλάττεσθαι καὶ ἀνέχειν ἑαυτὸν ἀπὸ τούτων καὶ ἀνακρούειν ὡς πορρωτάτω, προαγαγεῖν καὶ ἀπομηκῦναι δι' ἡδονὴν ἀεὶ δυναμένων. τὸ δ' αὐτὸ τοῦτο καὶ πρὸς τοὺς λόγους ἐκείνους πεπόνθασιν, ἐν οἷς κατ' ἐμπειρίαν ἢ ἕξιν τινὰ τῶν ἄλλων διαφέρειν νομίζουσι. φίλαυτος γὰρ ὢν καὶ φιλόδοξος ὁ τοιοῦτος (Eur. fr. 183)

'νέμει τὸ πλεῖστον ἡμέρας τούτῳ μέρος,

ἐν ἱστορίαις ὁ ἀναγνωστικός, ἐν τεχνολογίαις ὁ γραμματικός, [b] ἐν διηγήμασι ξενικοῖς ὁ πολλὴν χώραν ἐπεληλυθὼς καὶ πεπλανημένος. ὥστε καὶ ταῦτα δεῖ φυλάττεσθαι· δελεαζομένη γὰρ ὑπ' αὐτῶν ἡ ἀδολεσχία καθάπερ ζῷον ἐπὶ νομὰς συνήθεις πρόεισι. θαυμαστὸς δ' ὁ Κῦρος (Xen. Cyr. I 4, 4), ὅτι καὶ τὰς ἁμίλλας ἐποιεῖτο πρὸς τοὺς ἥλικας, οὐκ ἐν οἷς κρείττων ἀλλ' ἐν οἷς ἀπειρότερος ἦν ἐκείνων, εἰς ταῦτα προκαλούμενος, ἵνα μήτε λυπῇ παρευδοκιμῶν καὶ μανθάνων ὠφελῆται. ὁ δ' ἀδολέσχης τοὐναντίον, ἂν μέν τις ἐμπέσῃ λόγος, ἐξ οὗ μαθεῖν τι δύναται καὶ πυθέσθαι τῶν ἀγνοουμένων, τοῦτον ἐξωθεῖ καὶ ἐκκρούει, μισθὸν οὕτω βραχὺν δοῦναι τὸ σιωπῆσαι μὴ [c] δυνάμενος· εἰς δὲ τὰς ἑώλους καὶ πολυπατήτους κύκλῳ περιιὼν εἰσελαύνει ῥαψῳδίας τὸν λόγον. ὡς τῶν παρ' ἡμῖν τις κατὰ τύχην ἀνεγνωκὼς δύο τῶν Ἐφόρου βιβλίων ἢ τρία πάντας ἀνθρώπους κατέτριβε καὶ πᾶν ἀνάστατον ἐποίει συμπόσιον, ἀεὶ τὴν ἐν Λεύκτροις μάχην καὶ τὰ συνεχῆ διηγούμενος· ὅθεν Ἐπαμεινώνδας παρωνύμιον ἔσχεν.

Οὐ μὴν ἀλλὰ τοῦτό γε τῶν κακῶν ἐλάχιστόν ἐστι, καὶ δεῖ παρατρέπειν εἰς ταῦτα τὴν ἀδολεσχίαν· ἧττον γὰρ ἀηδὲς ἔσται τὸ λάλον ἐν τῷ φιλολόγῳ πλεονάζον. ἐθιστέον δὲ καὶ γράφειν τι τοὺς τοιούτους καὶ διαλέγεσθαι κατ' ἰδίαν.

[d] ὁ μὲν γὰρ Στωικὸς Ἀντίπατρος (fr. 5), ὡς ἔοικε, μὴ δυνάμενος μηδὲ βουλόμενος ὁμόσε χωρεῖν τῷ Καρνεάδῃ μετὰ πολλοῦ ῥεύματος εἰς τὴν Στοὰν φερομένῳ, γράφων δὲ καὶ πληρῶν τὰ βιβλία τῶν πρὸς αὐτὸν ἀντιλογιῶν 'καλαμοβόας' ἐπεκλήθη· τὸν δ' ἀδολέσχην ἴσως ἂν ἡ πρὸς τὸ γραφεῖον σκιαμαχία καὶ βοὴ τοῦ πλήθους ἀπερύκουσα καθ' ἡμέραν ἐλαφρότερον παρασκευάσειε τοῖς συνοῦσιν, ὥσπερ οἱ κύνες εἰς λίθους καὶ

Τούτοις δ' ἀεὶ δεῖ καταμεμῖχθαι καὶ συμπεπλέχθαι τοῖς ἐθισμοῖς τὴν προσοχὴν ἐκείνην καὶ τὸν ἐπιλογισμόν, ὅταν τι μέλλωμεν λαλεῖν καὶ τὰ ῥήματα τῷ στόματι προστρέχῃ, 'τίς οὗτος ὁ λόγος ὁ ἐφεστὼς καὶ καταβιαζόμενος; ἐπὶ τί δ' ἡ γλῶσσ' ἀσπαίρει; τί δ' εἰπόντι περιγίγνεται καλὸν ἢ τί σιωπήσαντι δυσχερές;' οὐ γὰρ ὡς βάρος τι δεῖ πιέζον ἀποθέσθαι τὸν λόγον (ἐπεὶ παραμένει γε καὶ ῥηθεὶς ὁμοίως), ἀλλ' ἢ δι' αὑτοὺς ἄνθρωποι δεόμενοί τινος λαλοῦσιν ἢ τοὺς ἀκούοντας ὠφελοῦντες ἢ χάριν τινὰ παρασκευάζοντες ἀλλήλοις ὥσπερ ἁλσὶ τοῖς [f] λόγοις ἐφηδύνουσι τὴν διατριβὴν καὶ τὴν πρᾶξιν, ἐν ᾗ τυγχάνουσιν ὄντες. εἰ δὲ μήτε τῷ λέγοντι χρήσιμον μήτ' ἀναγκαῖον τοῖς ἀκούουσι τὸ λεγόμενον ἡδονὴ δὲ καὶ χάρις οὐ πρόσεστι, διὰ τί λέγεται; τὸ γὰρ μάτην καὶ διακενῆς οὐχ ἧττον ἐν τοῖς λόγοις ἢ τοῖς ἔργοις ἐστίν. ἐπὶ πᾶσι δὲ καὶ παρὰ ταῦτα πάντα δεῖ πρόχειρον ἔχειν καὶ μνημονεύειν [515] [a] τὸ Σιμωνίδειον, ὅτι λαλήσας μὲν πολλάκις μετενόησε σιωπήσας δ' οὐδέποτε, καὶ τὴν ἄσκησιν, ὅτι πάντων ἐπικρατεῖ καὶ ἰσχυρότερόν ἐστιν· ὅπου καὶ λυγμὸν καὶ βῆχ' ἄνθρωποι τῷ προσέχειν ἀποβιαζόμενοι μετὰ πόνου καὶ ἀλγηδόνος ἐξεκρούσαντο. σιγὴ δ' οὐ μόνον ἄδιψον, ὥς φησιν Ἱπποκράτης (ubi?), ἀλλὰ καὶ ἄλυπον καὶ ἀνώδυνον.

[515] Ἄπνουν ἢ σκοτεινὴν ἢ δυσχείμερον οἰκίαν ἢ νοσώδη φυγεῖν μὲν ἴσως ἄριστον· ἂν δὲ φιλοχωρῇ τις ὑπὸ συνηθείας, ἔστι καὶ φῶτα μεταθέντα καὶ κλίμακα μεταβαλόντα καὶ θύρας τινὰς ἀνοίξαντα τὰς δὲ κλείσαντα λαμπροτέραν εὐπνουστέραν ὑγιεινοτέραν μηχανήσασθαι. καὶ πόλεις τινὲς [c] οὕτω μεταθέντες ὠφέλησαν· ὥσπερ τὴν ἐμὴν πατρίδα πρὸς ζέφυρον ἄνεμον κεκλιμένην καὶ τὸν ἥλιον ἐρείδοντα δείλης ἀπὸ τοῦ Παρνασσοῦ δεχομένην ἐπὶ τὰς ἀνατολὰς τραπῆναι λέγουσιν ὑπὸ τοῦ Χαίρωνος. ὁ δὲ φυσικὸς Ἐμπεδοκλῆς (A 14) ὄρους τινὰ διασφάγα βαρὺν καὶ νοσώδη κατὰ τῶν πεδίων τὸν νότον ἐμπνέουσαν ἐμφράξας λοιμὸν ἔδοξεν ἐκκλεῖσαι τῆς χώρας. ἐπεὶ τοίνυν ἔστι τινὰ πάθη νοσώδη καὶ βλαβερὰ καὶ χειμῶνα παρέχοντα τῇ ψυχῇ καὶ σκότος, ἄριστον μὲν ἐξωθεῖν ταῦτα καὶ καταλύειν εἰς ἔδαφος, αἰθρίαν καὶ φῶς καὶ πνεῦμα καθαρὸν [d] διδόντας ἑαυτοῖς· εἰ δὲ μή, μεταλαμβάνειν γε καὶ μεθαρμόττειν ἁμωσγέπως περιάγοντας ἢ στρέφοντας.

Οἷον εὐθὺς ἡ πολυπραγμοσύνη φιλομάθειά τίς ἐστιν ἀλλοτρίων κακῶν, οὔτε φθόνου δοκοῦσα καθαρεύειν νόσος οὔτε κακοηθείας·

μετάθες ἔξωθεν καὶ μετάστρεψον εἴσω τὴν πολυπραγμοσύνην· εἰ χαίρεις κακῶν μεταχειριζόμενος ἱστορίαν, ἔχεις οἴκοι πολλὴν διατριβήν· ‘ὅσσον ὕδωρ †κατ’ Ἀλιζόνος ἢ δρυὸς ἀμφὶ πέτηλα,’ τοσοῦτον πλῆθος εὑρήσεις ἁμαρτημάτων [e] ἐν τῷ βίῳ καὶ παθῶν ἐν τῇ ψυχῇ καὶ παροραμάτων ἐν τοῖς καθήκουσιν. ὡς γὰρ ὁ Ξενοφῶν (Oecon. 8, 19) λέγει τοῖς οἰκονομικοῖς ἴδιον εἶναι τῶν ἀμφὶ θυσίαν σκευῶν, ἴδιον τῶν ἀμφὶ δεῖπνα τόπον, ἀλλαχοῦ κεῖσθαι τὰ γεωργικά, χωρὶς τὰ πρὸς πόλεμον, οὕτω σοὶ τὰ μέν ἐστιν ἀπὸ φθόνου κακὰ κείμενα τὰ δ’ ἀπὸ ζηλοτυπίας τὰ δ’ ἀπὸ δειλίας τὰ δ’ ἀπὸ μικρολογίας· ταῦτ’ ἔπελθε, ταῦτ’ ἀναθεώρησον· τὰς εἰς γειτόνων θυρίδας καὶ [τὰς] παρόδους τῆς πολυπραγμοσύνης ἔμφραξον, ἑτέρας δ’ ἄνοιξον εἰς τὴν ἀνδρωνῖτιν τὴν σεαυτοῦ φερούσας, εἰς τὴν γυναικωνῖτιν, εἰς τὰς τῶν θεραπόντων διαίτας· ἐνταῦθ’ ἔχει διατριβὰς [f] οὐκ ἀχρήστους οὐδὲ κακοήθεις ἀλλ’ ὠφελίμους καὶ σωτηρίους τὸ φιλοπευθὲς τοῦτο καὶ φιλόπραγμον, ἑκάστου πρὸς ἑαυτὸν λέγοντος (Carm. aur. 42)

Σωκράτης δὲ περιῄει διαπορῶν, τί Πυθαγόρας λέγων ἔπειθε· καὶ Ἀρίστιππος Ὀλυμπίασιν Ἰσχομάχῳ συμβαλὼν ἠρώτα τί Σωκράτης διαλεγόμενος οὕτω τοὺς νέους διατίθησι, καὶ μίκρ’ ἄττα τῶν λόγων αὐτοῦ σπέρματα καὶ δείγματα λαβὼν οὕτως ἐμπαθῶς ἔσχεν, ὥστε τῷ σώματι συμπεσεῖν καὶ γενέσθαι παντάπασιν ὠχρὸς καὶ ἰσχνός· ἄχρις οὗ πλεύσας Ἀθήναζε διψῶν καὶ διακεκαυμένος ἠρύσατο τῆς πηγῆς καὶ τὸν ἄνδρα καὶ τοὺς λόγους αὐτοῦ καὶ τὴν φιλοσοφίαν ἱστόρησεν, ἧς ἦν τέλος ἐπιγνῶναι τὰ ἑαυτοῦ κακὰ καὶ ἀπαλλαγῆναι.

Ἀλλ’ ἔνιοι τὸν ἴδιον βίον ὡς ἀτερπέστατον θέαμα [d] προσιδεῖν οὐχ ὑπομένουσιν οὐδ’ ἀνακλάσαι τὸν λογισμὸν ὡς φῶς ἐφ’ ἑαυτοὺς καὶ περιαγαγεῖν, ἀλλ’ ἡ ψυχὴ γέμουσα κακῶν παντοδαπῶν καὶ φρίττουσα καὶ φοβουμένη τὰ ἔνδον ἐκπηδᾷ θύραζε καὶ πλανᾶται περὶ τἀλλότρια, βόσκουσα καὶ πιαίνουσα τὸ κακόηθες. ὡς γὰρ ὄρνις ἐν οἰκίᾳ πολλάκις τροφῆς παρακειμένης εἰς γωνίαν καταδῦσα σκαλεύει,

παραπλησίως οἱ πολυπράγμονες, ὑπερβάντες τοὺς ἐν μέσῳ λόγους καὶ ἱστορίας καὶ ἃ μηδεὶς κωλύει πυνθάνεσθαι μηδ’ ἄχθεται πυνθανομένοις, τὰ κρυπτόμενα καὶ λανθάνοντα [e] κακὰ πάσης οἰκίας ἐκλέγουσι. καίτοι τό γε τοῦ Αἰγυπτίου χάριεν πρὸς τὸν ἐρωτῶντα τί φέρει συγκεκαλυμμένον, ‘διὰ

οὕτω τοῦ πολυπράγμονος ὁ νοῦς ἅμ' ἐν πλουσίων οἴκοις ἐστὶν ἐν δωματίοις πενήτων ἐν αὐλαῖς βασιλέων ἐν θαλάμοις νεογάμων· πάντα πράγματα ζητεῖ, τὰ ξένων τὰ ἡγεμόνων, οὐδ' ἀκινδύνως ταῦτα ζητῶν, ἀλλ' οἷον, εἴ τις ἀκονίτου γεύοιτο πολυπραγμονῶν τὴν ποιότητα, φθάσει τῆς αἰσθήσεως προανελὼν τὸ αἰσθανόμενον, οὕτως οἱ τὰ τῶν μειζόνων κακὰ ζητοῦντες προαναλίσκουσι τῆς γνώσεως [b] ἑαυτούς. καὶ γὰρ οἱ τοῦ ἡλίου τὴν ἄφθονόν γε ταύτην καὶ κατακεχυμένην ἅπασιν ἀκτῖνα παρορῶντες, αὐτὸν δὲ τὸν κύκλον ἀναιδῶς καταβλέπειν καὶ διαστέλλειν τὸ φῶς εἴσω βιαζόμενοι καὶ τολμῶντες ἀποτυφλοῦνται. διὸ καλῶς Φιλιππίδης ὁ κωμῳδιοποιὸς εἰπόντος αὐτῷ ποτε Λυσιμάχου τοῦ βασιλέως 'τίνος σοι τῶν ἐμῶν μεταδῶ;' 'μόνον' εἶπεν, 'ὦ βασιλεῦ, μὴ τῶν ἀπορρήτων.' τὰ γὰρ ἥδιστα καὶ κάλλιστα τῶν βασιλέων ἔξω πρόκειται, τὰ δεῖπνα οἱ πλοῦτοι αἱ πανηγύρεις αἱ χάριτες· εἰ δέ τι ἀπόρρητόν ἐστι, μὴ προσέλθῃς μηδὲ κινήσῃς. οὐ κρύπτεται χαρὰ βασιλέως [c] εὐτυχοῦντος οὐδὲ γέλως παίζοντος οὐδὲ φιλανθρωπίας παρασκευὴ καὶ χάριτος· φοβερόν ἐστι τὸ κρυπτόμενον, σκυθρωπὸν ἀγέλαστον δυσπρόσιτον, ὀργῆς τινος ὑπούλου θησαυρὸς ἢ τιμωρίας βαρυθύμου σκέψις ἢ ζηλοτυπία γυναικὸς ἢ πρὸς υἱὸν ὑποψία τις ἢ πρὸς φίλον ἀπιστία. φεῦγε τὸ μελαῖνον τοῦτο καὶ συνιστάμενον νέφος· οὐ λήσεταί σε βροντῆσαν οὐδ' ἀστράψαν, ὅταν ἐκραγῇ τὸ νῦν κρυπτόμενον.

Τίς οὖν ἡ φυγή; περισπασμός, ὡς εἴρηται (p. 515d), καὶ μεθολκὴ τῆς πολυπραγμοσύνης μάλιστα μὲν ἐπὶ τὰ βελτίω καὶ τὰ ἡδίω τρέψαντι τὴν

καὶ ταῦτ' ἀπόρρητ' ἐστὶ φύσεως, ἀλλ' οὐκ ἄχθεται τοῖς ἐλέγχουσιν. ἀλλὰ τῶν μεγάλων ἀπέγνωκας; πολυπραγμόνει τὰ μικρότερα, πῶς τῶν φυτῶν τὰ μὲν ἀεὶ τέθηλε καὶ χλοάζει καὶ ἀγάλλεται παντὶ καιρῷ τὸν ἑαυτῶν ἐπιδεικνύμενα [e] πλοῦτον, τὰ δὲ νῦν μέν ἐστιν ὅμοια τούτοις νῦν δ' ὥσπερ ἀνοικονόμητος ἄνθρωπος ἀθρόως ἐκχέαντα τὴν περιουσίαν γυμνὰ καὶ πτωχὰ καταλείπεται, διὰ τί δὲ τὰ μὲν προμήκεις τὰ δὲ γωνιώδεις τὰ δὲ στρογγύλους καὶ περιφερεῖς ἐκδίδωσι καρπούς. ἴσως δὲ ταῦτ' οὐ πολυπραγμονήσεις, ὅτι τούτοις οὐθὲν κακὸν ἔνεστιν. ἀλλ' εἰ δεῖ πάντως τὸ περίεργον ἐν φαύλοις τισὶν ὥσπερ ἑρπετὸν ἐν θανασίμοις ὕλαις ἀεὶ νέμεσθαι καὶ διατρίβειν, ἐπὶ τὰς ἱστορίας ἀγάγωμεν αὐτὸ καὶ παραβάλωμεν ἀφθονίαν κακῶν καὶ περιουσίαν. ἐνταῦθα γὰρ ἔνεισι

Ἔστι γὰρ ἡ πολυπραγμοσύνη φιλοπευστία τῶν ἐν ἀποκρύψει καὶ λανθανόντων· οὐδεὶς δ' ἀγαθὸν ἀποκρύπτει κεκτημένος, ὅπου καὶ τὰ μὴ ὄντα προσποιοῦνται. κακῶν οὖν ἱστορίας ὁ πολυπράγμων ὀρεγόμενος ἐπιχαιρεκακίας συνέχεται πάθει, φθόνου καὶ βασκανίας ἀδελφῷ. φθόνος μὲν γάρ ἐστι λύπη ἐπ' ἀλλοτρίοις ἀγαθοῖς, ἐπιχαιρεκακία δ' ἡδονὴ ἐπ' ἀλλοτρίοις κακοῖς· ἀμφότερα δ' ἐκ πάθους ἀνημέρου καὶ θηριώδους γεγένηται τῆς κακοηθείας.

ἐφ’ οἷς γεγόνασιν αἱ διαλύσεις· ταῦτα γὰρ
πολυπραγμονῶν νῦν ὁ κατάρατος περιπατεῖ,’

οἱ δὲ πολυπράγμονες ὡς ἕωλόν τι πρᾶγμα καὶ ψυχρὸν καὶ ἀτράγῳδον φεύγοντες τὴν ἀγροικίαν εἰς τὸ δεῖγμα καὶ τὴν ἀγορὰν καὶ τοὺς λιμένας ὠθοῦνται· ‘μή τι καινόν;’ - ‘οὐ γὰρ ἦς πρωῒ κατ’ ἀγοράν;’ - ‘τί οὖν; ἐν ὥραις τρισὶν οἴει τὴν πόλιν μετακεκοσμῆσθαι;’ οὐ μὴν ἀλλ’ ἂν μέν τις ἔχῃ τι τοιοῦτον εἰπεῖν, καταβὰς ἀπὸ τοῦ ἵππου δεξιωσάμενος καταφιλήσας ἕστηκεν ἀκροώμενος· ἐὰν δ’ ἀπαντήσας εἴπῃ τις ὅτι οὐθὲν καινόν, ὥσπερ ἀχθόμενος ‘τί [b] λέγεις;’ φησίν ‘οὐ γέγονας κατ’ ἀγοράν; οὐ παρελήλυθας τὸ στρατήγιον; οὐδὲ τοῖς ἐξ Ἰταλίας ἥκουσιν ἐντετύχηκας;’ διὸ καλῶς οἱ τῶν Λοκρῶν ἄρχοντες· ἐπεὶ γάρ τις ἐξ ἀποδημίας προσιὼν ἠρώτησε ‘μή τι καινόν;’ ἐζημίωσαν αὐτόν. ὡς γὰρ οἱ μάγειροι φορὰν εὔχονται βοσκημάτων οἱ δ’ ἁλιεῖς ἰχθύων, οὕτως οἱ πολυπράγμονες εὔχονται φορὰν κακῶν καὶ πλῆθος πραγμάτων καὶ καινότητας καὶ μεταβολάς, ἵν’ ἀεί τι θηρεύειν καὶ κατακόπτειν ἔχωσιν. εὖ δὲ καὶ ὁ τῶν Θουρίων νομοθέτης· κωμῳδεῖσθαι γὰρ ἐκώλυσε τοὺς πολίτας πλὴν μοιχοὺς καὶ πολυπράγμονας. ἔοικε γὰρ ἥ τε μοιχεία πολυπραγμοσύνη τις ἀλλοτρίας [c] ἡδονῆς εἶναι καὶ ζήτησις καὶ ἔρευνα τῶν φυλαττομένων καὶ λανθανόντων τοὺς πολλούς, ἥ τε πολυπραγμοσύνη παράδυσίς ἐστι καὶ φθορὰ καὶ ἀπογύμνωσις τῶν ἀπορρήτων.

Τῇ μὲν οὖν πολυμαθείᾳ τὴν πολυλογίαν ἕπεσθαι συμβαίνει (διὸ καὶ Πυθαγόρας ἔταξε τοῖς νέοις πενταετῆ σιωπήν, ἐχεμυθίαν προσαγορεύσας), τῇ δὲ περιεργίᾳ τὴν κακολογίαν ἀνάγκη συνακολουθεῖν· ἃ γὰρ ἡδέως ἀκούουσιν ἡδέως λαλοῦσι, καὶ ἃ παρ’ ἄλλων σπουδῇ συλλέγουσι πρὸς ἑτέρους μετὰ χαρᾶς ἐκφέρουσιν. ὅθεν αὐτοῖς μετὰ τῶν ἄλλων κακῶν τὸ νόσημα καὶ πρὸς τὴν ἐπιθυμίαν [d] ἐμποδών ἐστι. πάντες γὰρ αὐτοὺς φυλάττονται καὶ ἀποκρύπτονται, καὶ οὔτε πρᾶξαί τι πολυπράγμονος ὁρῶντος οὔτ’ εἰπεῖν ἀκούοντος ἡδέως ἔχουσιν, ἀλλὰ καὶ βουλὰς ἀνατίθενται καὶ σκέψεις πραγμάτων ὑπερβάλλονται, μέχρις ἂν ἐκποδὼν ὁ τοιοῦτος γένηται· κἂν ἢ λόγου τινὸς ἀπορρήτου παρόντος ἢ πράξεως σπουδαίας περαινομένης ἀνὴρ πολυπράγμων ἐπιφανῇ, καθάπερ ὄψον γαλῆς παραδραμούσης αἴρουσιν ἐκ μέσου καὶ ἀποκρύπτουσιν· ὥστε πολλάκις τὰ τοῖς ἄλλοις ῥητὰ καὶ θεατὰ τούτοις μόνοις ἄρρητα καὶ ἀθέατα γίνεσθαι.

Διὸ καὶ πίστεως πάσης ἔρημος ὁ πολυπράγμων ἐστίν· [e] οἰκέταις γοῦν καὶ ξένοις πιστεύομεν μᾶλλον ἐπιστολὰς καὶ γράμματα καὶ σφραγῖδας ἢ φίλοις καὶ οἰκείοις πολυπράγμοσιν. ὁ δὲ Βελλεροφόντης ἐκεῖνος (Z 155 sqq.) οὐδὲ καθ' ἑαυτοῦ γράμματα κομίζων ἔλυσεν, ἀλλ' ἀπέσχετο τῆς ἐπιστολῆς τοῦ βασιλέως ὡς τῆς γυναικὸς διὰ τὴν αὐτὴν ἐγκράτειαν. ἀκρασίας γὰρ τὸ πολυπραγμονεῖν ὡς καὶ τὸ μοιχεύειν, καὶ πρὸς τῇ ἀκρασίᾳ δεινῆς ἀνοίας καὶ ἀφροσύνης· τὸ γὰρ τοσαύτας παρελθόντα κοινὰς καὶ δεδημοσιωμένας γυναῖκας ἐπὶ τὴν κατάκλειστον ὠθεῖσθαι καὶ πολυτελῆ, πολλάκις ἂν οὕτω τύχῃ καὶ ἄμορφον οὖσαν, ὑπερβολὴ μανίας καὶ παραφροσύνης.

[f] ταὐτὸν δ' οἱ πολυπράγμονες ποιοῦσι· πολλὰ καὶ καλὰ θεάματα καὶ ἀκούσματα καὶ σχολὰς καὶ διατριβὰς παρελθόντες ἐπιστόλια διορύττουσιν ἀλλότρια καὶ παραβάλλουσι γειτόνων τοίχοις τὰ ὦτα καὶ συμψιθυρίζουσιν οἰκέταις καὶ γυναίοις, πολλάκις μὲν οὐδ' ἀκινδύνως ἀεὶ δ' ἀδόξως.

Διὸ καὶ χρήσιμον ὡς ἔνι μάλιστα πρὸς τὴν ἀποτροπὴν τοῖς πολυπράγμοσιν ἡ τῶν προεγνωσμένων ἀνάμνησις. [520] [a] ἂν γάρ, ὥσπερ ὁ Σιμωνίδης ἔλεγε τὰς κιβωτοὺς ἀνοίγων διὰ χρόνου τὴν μὲν τῶν μισθῶν ἀεὶ μεστὴν τὴν δὲ τῶν χαρίτων εὑρίσκειν κενήν, οὕτως τῆς πολυπραγμοσύνης τὴν ἀποθήκην ἀνοίγῃ διὰ χρόνου καὶ κατασκέπτηται πολλῶν ἀχρήστων καὶ ματαίων καὶ ἀτερπῶν γέμουσαν, ἴσως ἂν αὐτῷ τὸ πρᾶγμα προσταίη, φανὲν ἀηδὲς παντάπασι καὶ φλυαρῶδες. φέρε γάρ, εἴ τις ἐπιὼν τὰ συγγράμματα τῶν παλαιῶν ἐκλαμβάνοι τὰ κάκιστα τῶν ἐν αὐτοῖς καὶ βιβλίον ἔχοι συντεταγμένον οἷον Ὁμηρικῶν στίχων ἀκεφάλων καὶ τραγικῶν σολοικισμῶν καὶ τῶν ὑπ' Ἀρχιλόχου [b] πρὸς τὰς γυναῖκας ἀπρεπῶς καὶ ἀκολάστως εἰρημένων, ἑαυτὸν παραδειγματίζοντος, ἆρ' οὐκ ἔστι τῆς τραγικῆς κατάρας ἄξιος (Tr. adesp. 388)

'ὄλοιο θνητῶν ἐκλέγων τὰς συμφοράς';

καὶ ἄνευ δὲ τῆς κατάρας ἀπρεπὴς καὶ ἀνωφελὴς ὁ θησαυρισμὸς αὐτοῦ τῶν ἀλλοτρίων ἁμαρτημάτων· ὥσπερ ἡ πόλις, ἣν ἐκ τῶν κακίστων καὶ ἀναγωγοτάτων κτίσας ὁ Φίλιππος Πονηρόπολιν προσηγόρευσεν. οἱ τοίνυν πολυπράγμονες οὐ στίχων οὐδὲ ποιημάτων, ἀλλὰ βίων ἀστοχήματα καὶ πλημμελήματα καὶ σολοικισμοὺς ἀναλεγόμενοι καὶ συνάγοντες ἀμουσότατον καὶ ἀτερπέστατον κακῶν γραμματοφυλακεῖον τὴν ἑαυτῶν μνήμην περιφέρουσιν. ὥσπερ [c] οὖν ἐν Ῥώμῃ τινὲς τὰς γραφὰς καὶ τοὺς ἀνδριάντας καὶ νὴ Δία τὰ κάλλη τῶν ὠνίων παίδων καὶ γυναικῶν ἐν μηδενὶ λόγῳ τιθέμενοι περὶ τὴν τῶν τεράτων ἀγορὰν ἀναστρέφονται, τοὺς ἀκνήμους καὶ τοὺς γαλεάγκωνας καὶ τοὺς τριοφθάλμους καὶ τοὺς στρουθοκεφάλους καταμανθάνοντες καὶ ζητοῦντες εἴ τι γεγένηται 'σύμμικτον εἶδος καὶ

Μέγιστον μέντοι πρὸς τὴν τοῦ πάθους ἀποτροπὴν ὁ ἐθισμός, ἐὰν πόρρωθεν ἀρξάμενοι γυμνάζωμεν ἑαυτοὺς καὶ διδάσκωμεν ἐπὶ ταύτην τὴν ἐγκράτειαν· καὶ γὰρ ἡ αὔξησις ἔθει γέγονε τοῦ νοσήματος κατὰ μικρὸν εἰς τὸ πρόσω χωροῦντος. ὃν δὲ τρόπον, εἰσόμεθα περὶ τῆς ἀσκήσεως ὁμοῦ διαλεγόμενοι. πρῶτον μὲν οὖν ἀπὸ τῶν βραχυτάτων καὶ φαυλοτάτων ἀρξώμεθα. τί γὰρ χαλεπόν ἐστιν ἐν ταῖς ὁδοῖς τὰς ἐπὶ τῶν τάφων ἐπιγραφὰς μὴ ἀναγινώσκειν, ἢ τί δυσχερὲς ἐν τοῖς περιπάτοις τὰ κατὰ τῶν τοίχων [e] γράμματα τῇ ὄψει παρατρέχειν, ὑποβάλλοντας αὑτοῖς ὅτι χρήσιμον οὐθὲν οὐδ' ἐπιτερπὲς ἐν τούτοις γέγραπται, ἀλλ' 'ἐμνήσθη' ὁ δεῖνα τοῦ δεῖνος 'ἐπ' ἀγαθῷ' καὶ 'φίλων ἄριστος' ὅδε τις, καὶ πολλὰ τοιαύτης γέμοντα φλυαρίας; ἃ δοκεῖ μὲν οὐ βλάπτειν ἀναγινωσκόμενα, βλάπτει δὲ λεληθότως τῷ μελέτην παρεμποιεῖν τοῦ ζητεῖν τὰ μὴ προσήκοντα. καὶ καθάπερ οἱ κυνηγοὶ τοὺς σκύλακας οὐκ ἐῶσιν ἐκτρέπεσθαι καὶ διώκειν πᾶσαν ὀδμήν, ἀλλὰ τοῖς ῥυτῆρσιν ἕλκουσι καὶ ἀνακρούουσι καθαρὸν αὐτῶν καὶ ἄκρατον φυλάττοντες τὸ αἰσθητήριον ἐπὶ τὸ οἰκεῖον ἔργον, ἵν' εὐτονώτερον ἐμφύηται τοῖς ἴχνεσι

οὕτω δεῖ τὰς ἐπὶ πᾶν θέαμα καὶ πᾶν ἄκουσμα τοῦ πολυπράγμονος ἐκδρομὰς καὶ περιπλανήσεις ἀφαιρεῖν καὶ ἀντισπᾶν ἐπὶ τὰ χρήσιμα φυλάττοντας. ὥσπερ γὰρ οἱ †ἀετοὶ καὶ οἱ λέοντες ἐν τῷ περιπατεῖν συστρέφουσιν εἴσω τοὺς ὄνυχας, ἵνα μὴ τὴν ἀκμὴν αὐτῶν καὶ τὴν ὀξύτητα [521] [a] κατατρίβωσιν, οὕτω τὸ πολύπραγμον τοῦ φιλομαθοῦς ἀκμήν τινα καὶ στόμωμα νομίζοντες ἔχειν μὴ καταναλίσκωμεν μηδ' ἀπαμβλύνωμεν ἐν τοῖς ἀχρήστοις.

Δεύτερον τοίνυν ἐθιζώμεθα θύραν παριόντες ἀλλοτρίαν μὴ βλέπειν εἴσω μηδὲ τῶν ἐντὸς ἐπιδράττεσθαι [τῇ ὄψει] καθάπερ χειρὶ τῇ περιεργίᾳ, ἀλλὰ τὸ τοῦ Ξενοκράτους ἔχωμεν πρόχειρον, ὃς ἔφη μηδὲν διαφέρειν, ἢ τοὺς πόδας ἢ τοὺς ὀφθαλμοὺς εἰς ἀλλοτρίαν οἰκίαν τιθέναι· οὔτε γὰρ δίκαιον οὔτε καλόν, ἀλλ' οὐδ' ἡδὺ τὸ θέαμα·

ΠΕΡΙ ΦΘΟΝΟΥ ΚΑΙ ΜΙΣΟΥΣ

[536] Οὕτω δὴ καὶ δοκεῖ μηθὲν τοῦ μίσους διαφέρειν ἀλλ' ὁ αὐτὸς εἶναι. καθόλου μὲν γὰρ ὥσπερ πολυάγκιστρον ἡ κακία τοῖς ἐξηρτημένοις αὐτῆς πάθεσι κινουμένη δεῦρο κἀκεῖσε πολλὰς πρὸς ἄλληλα συναφὰς καὶ περιπλοκὰς ἐνδίδωσι, ταῦτα δ' ὥσπερ νοσήματα συμπαθεῖ ταῖς ἀλλήλων φλεγμοναῖς. ὁ γὰρ εὐτυχῶν ὁμοίως καὶ τὸν μισοῦντα λυπεῖ καὶ τὸν φθονοῦντα. διὸ καὶ τὴν εὔνοιαν ἀμφοτέροις νομίζομεν ἀντικεῖσθαι, βούλησιν οὖσαν ἀγαθῶν τοῖς πλησίον, [f] καὶ τὸ μισεῖν τῷ φθονεῖν ταὐτὸν εἶναι, ὅτι τὴν ἐναντίαν τῷ φιλεῖν ἔχει προαίρεσιν. ἐπεὶ δ' οὐχ οὕτω ταὐτὸν αἱ ὁμοιότητες ὡς ἕτερον αἱ διαφοραὶ ποιοῦσι, κατὰ ταύτας τὸ ζητούμενον μεταδιώξωμεν, ἀπὸ τῆς γενέσεως ἀρξάμενοι τῶν παθῶν.

Γεννᾶται τοίνυν τὸ μῖσος ἐκ φαντασίας τοῦ ὅτι [537] [a] πονηρὸς ἢ κοινῶς ἢ πρὸς αὑτόν ἐστιν ὁ μισούμενος (καὶ γὰρ ἀδικεῖσθαι δόξαντες αὐτοὶ πεφύκασι μισεῖν καὶ τοὺς ἄλλως ἀδικητικοὺς ἢ πονηροὺς προβάλλονται καὶ δυσχεραίνουσι)· φθονοῦσι δ' ἁπλῶς τοῖς εὖ πράττειν δοκοῦσιν. ὅθεν ἔοικεν ὁ μὲν φθόνος ἀόριστος εἶναι, καθάπερ ὀφθαλμία πρὸς ἅπαν τὸ λαμπρὸν ἐκταρασσόμενος, τὸ δὲ μῖσος ὥρισται, καθ' ὑποκειμένων ἀεί τινων ἀπερειδόμενον προσώπων.

Δεύτερον δὲ τὸ μισεῖν γίνεται καὶ πρὸς ἄλογα ζῷα (καὶ γὰρ γαλᾶς καὶ κανθαρίδας ἔνιοι μισοῦσι καὶ φρύνους καὶ ὄφεις· Γερμανικὸς δ' ἀλεκτρυόνος οὔτε φωνὴν οὔτ' ὄψιν ὑπέμεινεν· οἱ δὲ Περσῶν μάγοι τοὺς μῦς ἀπεκτίννυσαν, [b] ὡς αὐτοί τε μισοῦντες καὶ τοῦ θεοῦ δυσχεραίνοντος τὸ ζῷον· ὁμοῦ τι γὰρ πάντες Ἄραβες καὶ Αἰθίοπες μυσάττονται)· τὸ μέντοι φθονεῖν πρὸς μόνον ἄνθρωπον ἀνθρώπῳ γίνεται.

Ἐν τοῖς θηρίοις φθόνον μὲν οὐκ εἰκὸς ἐγγίνεσθαι πρὸς ἄλληλα (τοῦ γὰρ εὖ πράττειν ἢ κακῶς ἕτερον φαντασίαν οὐ λαμβάνουσιν, οὐδ' ἅπτεται τὸ ἔνδοξον ἢ ἄδοξον αὐτῶν, οἷς ὁ φθόνος ἐκτραχύνεται μάλιστα)· μισοῦσι δ' ἄλληλα καὶ ἀπεχθάνονται καὶ πολεμοῦσιν ὥσπερ ἀσπείστους τινὰς πολέμους ἀετοὶ καὶ δράκοντες, κορῶναι καὶ γλαῦκες, αἰγιθαλλοὶ καὶ ἀκανθυλλίδες, ὥστε τούτων γέ φασι μηδὲ τὸ αἷμα κίρνασθαι σφαττομένων, ἀλλὰ κἂν [c] μίξῃς, ἰδίᾳ πάλιν ἀπορρεῖν διακρινόμενον. εἰκὸς δὲ καὶ τῷ λέοντι πρὸς τὸν ἀλεκτρυόνα καὶ τῷ ἐλέφαντι πρὸς τὴν ὗν μῖσος ἰσχυρὸν γεγεννηκέναι τὸν φόβον· ὃ γὰρ δεδίασι, καὶ μισεῖν πεφύκασιν. ὥστε καὶ ταύτῃ φαίνεσθαι

διαφέροντα τοῦ μίσους τὸν φθόνον, τὸ μὲν δεχομένης τῆς τῶν θηρίων φύσεως τὸν δὲ μὴ δεχομένης.

Ἔτι τοίνυν τὸ μὲν φθονεῖν πρὸς οὐδένα γίνεται δικαίως (οὐδεὶς γὰρ ἀδικεῖ τῷ εὐτυχεῖν, ἐπὶ τούτῳ δὲ φθονοῦνται)· μισοῦνται δὲ πολλοὶ δικαίως, [ὡς] οὓς ἀξιομισήτους καλοῦμεν, ‹ὥστε καὶ τοῖς ἄλλοις ἐγκαλοῦμεν›, ἂν μὴ φεύγωσι τοὺς τοιούτους μηδὲ βδελύττωνται [d] καὶ δυσχεραίνωσι. μέγα δὲ τούτου τεκμήριον, ὅτι μισεῖν μὲν πολλοὺς ὁμολογοῦσιν ἔνιοι, φθονεῖν δ' οὐδενὶ λέγουσι. καὶ γὰρ ἡ μισοπονηρία τῶν ἐπαινουμένων ἐστί· καὶ τὸν ἀδελφιδοῦν τοῦ Λυκούργου Χάριλλον, βασιλεύοντα τῆς Σπάρτης ἐπιεικῆ δ' ὄντα καὶ πρᾶον, ἐπαινούντων τινῶν ὁ συνάρχων 'καὶ πῶς' ἔφη 'χρηστός ἐστι Χάριλλος, ὃς οὐδὲ τοῖς πονηροῖς χαλεπός ἐστι;' καὶ τοῦ Θερσίτου ὁ ποιητὴς τὴν μὲν τοῦ σώματος κακίαν πολυμερῶς καὶ περιωδευμένως ἐξεμόρφησε, τὴν δὲ τοῦ ἤθους μοχθηρίαν συντομώτατα καὶ δι' ἑνὸς ἔφρασεν·

'ἔχθιστος δ' Ἀχιλῆι μάλιστ' ἦν ἠδ' Ὀδυσῆι' (B 220).

[e]ὑπερβολὴ γάρ τις φαυλότητος τὸ τοῖς κρατίστοις ἐχθρὸν εἶναι. [καὶ] φθονεῖν δ' ἀρνοῦνται· κἂν ἐλέγχωνται, μυρίας σκήψεις προΐσχονται, ὀργίζεσθαι λέγοντες ἢ φοβεῖσθαι τὸν ἄνθρωπον ἢ μισεῖν ἢ ὅ τι ἂν τύχωσιν ἄλλο [τῷ φθόνῳ] τοῦ πάθους ὄνομα περιβάλλοντες καὶ καλύπτοντες ὡς μόνον τοῦτο τῶν τῆς ψυχῆς νοσημάτων ἀπόρρητον.

Ἀνάγκη τοίνυν τὰ πάθη ταῦτα τοῖς αὐτοῖς ὥσπερ τὰ φυτὰ καὶ τρέφεσθαι καὶ αὔξεσθαι, ‹ὅθεν› καὶ ἐπιτείνεσθαι πέφυκεν †ἀλλήλοις. μισοῦμέν γε μᾶλλον τοὺς μᾶλλον εἰς πονηρίαν ἐπιδιδόντας, φθονοῦσι δὲ μᾶλλον τοῖς μᾶλλον ἐπ' ἀρετῇ προϊέναι δοκοῦσι. διὸ καὶ Θεμιστοκλῆς [f] ἔτι μειράκιον ὢν οὐδὲν ἔφη πράττειν λαμπρόν· οὔπω γὰρ φθονεῖσθαι. καθάπερ γὰρ αἱ κανθαρίδες ἐμφύονται μάλιστα τῷ ἀκμάζοντι σίτῳ καὶ τοῖς εὐθαλέσι ῥόδοις, οὕτως ὁ φθόνος ἅπτεται μάλιστα τῶν χρηστῶν καὶ αὐξομένων πρὸς ἀρετὴν καὶ δόξαν ἠθῶν καὶ προσώπων. καὶ τοὐναντίον αὖ πάλιν αἱ μὲν ἄκρατοι πονηρίαι συνεπιτείνουσι τὸ μῖσος. τοὺς γοῦν Σωκράτη συκοφαντήσαντας [538] [a] ὡς εἰς ἔσχατον κακίας ἐληλακότας οὕτως ἐμίσησαν οἱ πολῖται καὶ ἀπεστράφησαν, ὡς μήτε πῦρ αὔειν μήτ' ἀποκρίνεσθαι πυνθανομένοις, μὴ λουομένοις κοινωνεῖν ὕδατος, ἀλλ' ἀναγκάζειν ἐκχεῖν ἐκεῖνο τοὺς παραχύτας ὡς μεμιασμένον, ἕως ἀπήγξαντο μὴ φέροντες τὸ μῖσος. αἱ δὲ τῶν εὐτυχημάτων ὑπεροχαὶ καὶ λαμπρότητες πολλάκις τὸν φθόνον κατασβεννύουσιν. οὐ γὰρ εἰκὸς Ἀλεξάνδρῳ τινὰ φθονεῖν οὐδὲ Κύρῳ, κρατήσασι καὶ γενομένοις κυρίοις ἁπάντων. ἀλλ' ὥσπερ ὁ ἥλιος, ὧν ἂν ὑπὲρ κορυφῆς γένηται, καταχεόμενος τὸ φῶς ἢ παντάπασι τὴν [b] σκιὰν ἀνεῖλεν ἢ μικρὰν ἐποίησεν, οὕτως πολὺ τῶν εὐτυχημάτων ὕψος λαβόντων καὶ

γενομένων κατὰ κεφαλῆς τοῦ φθόνου συστέλλεται καὶ ἀναχωρεῖ καταλαμπόμενος· τὸ μέντοι μῖσος οὐκ ἀνίησιν ἡ τῶν ἐχθρῶν ὑπεροχὴ καὶ δύναμις. ὁ γοῦν Ἀλέξανδρος φθονοῦντα μὲν οὐδέν' εἶχε, μισοῦντας δὲ πολλούς, ὑφ' ὧν τέλος ἐπιβουλευθεὶς ἀπέθανεν. ὁμοίως τοίνυν καὶ τὰ δυστυχήματα τοὺς μὲν φθονοῦντας παύει τὰς δ' αὖ ἔχθρας οὐκ ἀναιρεῖ. μισοῦσι γὰρ καὶ ταπεινοὺς τοὺς ἐχθροὺς γενομένους, φθονεῖ δ' οὐδεὶς τῷ δυστυχοῦντι, ἀλλὰ καὶ τὸ ῥηθὲν ὑπό τινος τῶν καθ' ἡμᾶς σοφιστῶν, ὅτι ἥδισθ' οἱ φθονοῦντες ἐλεοῦσιν, ἀληθές [c] ἐστιν. ὥστε καὶ ταύτῃ μεγάλην εἶναι τῶν παθῶν διαφοράν, ὡς τὸ μὲν μῖσος οὔτ' εὐτυχούντων οὔτε δυστυχούντων ἀφίστασθαι πέφυκεν, ὁ δὲ φθόνος πρὸς τὴν ἀμφοῖν ὑπερβολὴν ἀπαγορεύει. ἔτι τοίνυν μᾶλλον ἢ οὕτως ἀπὸ τῶν ἐναντίων τὸ αὐτὸ σκοπῶμεν. λύουσι γὰρ ἔχθρας καὶ μῖσος ἢ πεισθέντες μηδὲν ἀδικεῖσθαι ἢ δόξαν ὡς χρηστῶν, οὓς ἐμίσουν ὡς πονηρούς, λαβόντες ἢ τρίτον εὖ παθόντες· 'ἡ γὰρ τελευταία χάρις', ὡς Θουκυδίδης φησί (I 42, 3), 'κἂν ἐλάττων ᾖ, καιρὸν ἔχουσα δύναται μεῖζον ἔγκλημα λῦσαι.' τούτων δὲ τὸ μὲν πρῶτον οὐ λύει τὸν φθόνον (πεπεισμένοι γὰρ ἐξ ἀρχῆς μηδὲν ἀδικεῖσθαι φθονοῦσι), [d] τὰ δὲ λοιπὰ καὶ παροξύνει· τοῖς τε γὰρ δοκοῦσι χρηστοῖς βασκαίνουσι μᾶλλον ὡς δὴ τὸ μέγιστον ἀγαθὸν τὴν ἀρετὴν ἔχουσι, κἂν εὖ πάσχωσιν ὑπὸ τῶν εὐτυχούντων, ἀνιῶνται φθονοῦντες αὐτοῖς καὶ τῆς προαιρέσεως καὶ τῆς δυνάμεως· τὸ μὲν γὰρ ἀρετῆς ἐστι τὸ δ' εὐτυχίας, ἀγαθὰ δ' ἀμφότερα. διὸ παντελῶς ἕτερόν ἐστι τοῦ μίσους πάθος ὁ φθόνος, εἰ, δι' ὧν ἐκεῖνο πραΰνεται, τοῦτο λυπεῖται καὶ παροξύνεται.

Ἤδη τοίνυν καὶ τὴν προαίρεσιν αὐτὴν ἑκατέρου πάθους σκοπῶμεν. ἔστι δὲ μισοῦντος μὲν προαίρεσις [e] κακῶς ποιῆσαι κατὰ δύναμιν (οὕτως ὁρίζονται, διάθεσίν τινα καὶ προαίρεσιν ἐπιτηρητικὴν τοῦ κακῶς ποιῆσαι), τῷ φθόνῳ δὲ τοῦτο γοῦν ἄπεστι. πολλοὺς ‹γὰρ› οἱ φθονοῦντες τῶν συνήθων καὶ οἰκείων ἀπολέσθαι μὲν οὐκ ἂν ἐθέλοιεν οὐδὲ δυστυχῆσαι, βαρύνονται δ' εὐτυχοῦντας· καὶ κολούουσι μέν, εἰ δύνανται, τὴν δόξαν αὐτῶν καὶ λαμπρότητα, συμφορὰς δ' ἀνηκέστους οὐκ ἂν προσβάλοιεν, ἀλλ' ὥσπερ οἰκίας ὑπερεχούσης τὸ ἐπισκοτοῦν αὐτοῖς καθελόντες ἀρκοῦνται.

Μιλήσιος τὸν Κάμωνος τὸν ἰωνοκάμπταν’’

εἰκότως δυσχεραίνομεν ὡς ἀμούσως καὶ παρανόμως ἀνακηρύττοντα [d] τὴν ἑαυτοῦ νίκην. αὐτῷ μὲν γὰρ ὁ παρ’ ἄλλων ἔπαινος ἥδιστον ἀκουσμάτων ἐστίν, ὥσπερ ὁ Ξενοφῶν εἴρηκεν (Mem. II 1, 31), ἑτέροις δ’ ὁ περὶ αὑτοῦ λυπηρότατον. πρῶτον μὲν γὰρ ἀναισχύντους ἡγούμεθα τοὺς ἑαυτοὺς ἐπαινοῦντας, αἰδεῖσθαι προσῆκον αὐτοῖς κἂν ὑπ’ ἄλλων ἐπαινῶνται· δεύτερον δ’ ἀδίκους, ἃ λαμβάνειν ἔδει παρ’ ἑτέρων, ‹αὐτοὺς› αὑτοῖς διδόντας· τρίτον ἢ σιωπῶντες ἄχθεσθαι καὶ φθονεῖν δοκοῦμεν, ἢ τοῦτο δεδοικότες ἀναγκαζόμεθα συνεφάπτεσθαι παρὰ γνώμην τῶν ἐπαίνων καὶ συνεπιμαρτυρεῖν, πρᾶγμα κολακείᾳ μᾶλλον ἀνελευθέρῳ προσῆκον ἢ τιμῇ τὸ ἐπαινεῖν παρόντας ὑπομένοντες.

[e] Οὐ μὴν ἀλλὰ καίπερ οὕτω τούτων ἐχόντων ἔστιν ᾗ παρακινδυνεύσειεν ἂν ὁ πολιτικὸς ἀνὴρ ἅψασθαι τῆς καλουμένης περιαυτολογίας πρὸς οὐδεμίαν αὑτοῦ δόξαν ἢ χάριν, ἀλλὰ καιροῦ καὶ πράξεως ἀπαιτούσης ὡς περὶ ἄλλου τι

λεχθῆναι καὶ περὶ αὑτοῦ τῶν ἀληθῶν· μάλιστα δ’ ὅταν ᾖ, τὰ πεπραγμένα καὶ προσόντα χρηστὰ [τὸ] μὴ φεισάμενον εἰπεῖν [ἢ] διαπράξασθαί τι τῶν ὁμοίων. καλὸν γὰρ ὁ τοιοῦτος ἔπαινος ἐκφέρει καρπόν, ὥσπερ ἀπὸ σπέρματος πλειόνων ἑτέρων ἀπ’ αὐτοῦ καὶ κρειττόνων φυομένων ἐπαίνων. καὶ γὰρ τὴν δόξαν ὁ πολιτικὸς ἀνὴρ οὐχ ὥς τινα μισθὸν ἢ παραμυθίαν τῆς ἀρετῆς ἀπαιτεῖ [f] καὶ ἀγαπᾷ ταῖς πράξεσι παροῦσαν, ἀλλ’ ὅτι τὸ πιστεύεσθαι καὶ δοκεῖν χρηστὸν εἶναι πλειόνων καὶ καλλιόνων πράξεων ἀφορμὰς δίδωσι. πειθομένους γὰρ ἅμα καὶ φιλοῦντας ἡδὺ καὶ ῥᾴδιον ὠφελεῖν, πρὸς δ’ ὑποψίαν καὶ διαβολὴν οὐκ ἔστι χρήσασθαι τῇ ἀρετῇ, φεύγοντας εὖ παθεῖν προσβιαζόμενον.

Εἰ δὲ καὶ δι’ ἑτέρας αἰτίας ὁ πολιτικὸς ἂν αὑτὸν ἐπαινέσειε, [540] [a] [τίνες εἰσὶν αὗται] σκεπτέον, ὅπως ἐξευλαβούμενοι τὸ κενὸν καὶ δυσχεραινόμενον, εἴ τι χρήσιμον ἔχει, μὴ παραλίπωμεν.

Ἔστιν οὖν κενὸς ἔπαινος ὁ τῶν ἑαυτοὺς ἐπαινεῖν,

ὅπως ἐπαινεθῶσι, δοκούντων· καὶ καταφρονεῖται μάλιστα, φιλοτιμίας ἕνεκα γίγνεσθαι καὶ δόξης ἀκαίρου φαινόμενος. ὡς γὰρ οἱ τροφῆς ἀποροῦντες ἐξ αὐτοῦ τοῦ σώματος ἀναγκάζονται παρὰ φύσιν τρέφεσθαι, καὶ τοῦτο τοῦ λιμοῦ τέλος ἐστίν, οὕτως οἱ πεινῶντες ἐπαίνων, ἂν μὴ τυγχάνωσιν ἑτέρων ἐπαινούντων, αὐτοὶ τῇ φιλοδοξίᾳ παρ’ αὑτῶν ἐπαρκεῖν τι βούλεσθαι καὶ συνεισφέρειν δοκοῦντες ἀσχημονοῦσιν.

[b] ὅταν δὲ μηδ’ ἁπλῶς καὶ καθ’ ἑαυτοὺς ἐπαινεῖσθαι ζητῶσιν, ἀλλ’ ἁμιλλώμενοι πρὸς ἀλλοτρίους ἐπαίνους ἔργα καὶ πράξεις ἀντιπαραβάλλωσιν αὑτῶν ὡς ἀμαυρώσοντες ἑτέρους, πρὸς τῷ κενῷ βάσκανον πρᾶγμα καὶ κακόηθες ποιοῦσι. τὸν μὲν γὰρ ἐν ἀλλοτρίῳ χορῷ πόδα τιθέντα περίεργον ἡ παροιμία καὶ γελοῖον ἀποδείκνυσι, τὴν δ’ ἐν ἀλλοτρίοις ἐπαίνοις εἰς μέσον ὑπὸ φθόνου καὶ ζηλοτυπίας ἐξωθουμένην περιαυτολογίαν εὖ μάλα δεῖ φυλάττεσθαι, καὶ μηδ’ ἑτέρων ὑπομένειν ἐπαινούντων αὑτόν, ἀλλὰ παραχωρεῖν τοῖς τιμωμένοις ἀξίοις οὖσιν· ἂν δ’ ἀνάξιοι καὶ φαῦλοι δόξωσιν εἶναι, μὴ τοῖς ἰδίοις ἐπαίνοις [c] ἀφαιρώμεθα τοὺς ἐκείνων, ἀλλ’ ἄντικρυς ἐλέγχοντες καὶ δεικνύντες οὐ προσηκόντως εὐδοκιμοῦντας.

Ταῦτα μὲν οὖν δῆλον ὅτι φυλακτέον. αὑτὸν δ’ ἐπαινεῖν ἀμέμπτως ἔστι πρῶτον μέν, ἂν ἀπολογούμενος τοῦτο ποιῇς πρὸς διαβολὴν ἢ κατηγορίαν, ὡς ὁ Περικλῆς (Thuc. II 60, 5)· ‘καίτοι ἐμοὶ τοιούτῳ ἀνδρὶ ὀργίζεσθε, ὃς οὐδενὸς ἥσσων οἴομαι εἶναι γνῶναί τε τὰ δέοντα καὶ ἑρμηνεῦσαι ταῦτα, φιλόπολίς τε καὶ χρημάτων κρείσσων.’ οὐ γὰρ μόνον ἀλαζονείαν καὶ κενότητα καὶ φιλοτιμίαν ἐκπέφευγε τὸ λέγειν τι τηνικαῦτα περὶ αὑτοῦ σεμνόν, ἀλλὰ καὶ φρόνημα καὶ μέγεθος ἀρετῆς διαδείκνυσι τῷ μὴ

ταπεινοῦσθαι ταπεινούσης [d] καὶ χειρουμένης τὸν φθόνον. οὐδὲ γὰρ κρίνειν ἔτι τοὺς τοιούτους ἀξιοῦσιν, ἀλλ' ἐπαίρονται καὶ γάνυνται καὶ συνενθουσιῶσι ταῖς μεγαλαυχίαις, ἄνπερ ὦσι βέβαιοι καὶ ἀληθεῖς· ὡς ἐπιμαρτυρεῖ τὰ γινόμενα. Θηβαῖοι γοῦν, ἐγκαλουμένων τῶν στρατηγῶν ὅτι τοῦ χρόνου τῆς βοιωταρχίας ἐξήκοντος αὐτοῖς οὐκ εὐθὺς ἐπανῆλθον ἀλλ' εἰς τὴν Λακωνικὴν ἐνέβαλον καὶ τὰ περὶ Μεσσήνην διῴκησαν, Πελοπίδαν μὲν ὑποπίπτοντα καὶ δεόμενον μόλις ἀπέλυσαν, Ἐπαμεινώνδου δὲ πολλὰ περὶ τῶν πεπραγμένων μεγαληγορήσαντος, τέλος δὲ φήσαντος ὡς ἕτοιμός ἐστιν ἀποθνῄσκειν, [e] ἂν ὁμολογήσωσιν, ὅτι τὴν Λακωνικὴν διεπόρθησε καὶ Μεσσήνην ᾤκισε καὶ συνέστησεν Ἀρκαδίαν ἀκόντων ἐκείνων, οὐδὲ τὰς ψήφους ἀναλαβεῖν ἐπ' αὐτὸν ὑπέμειναν, ἀλλὰ θαυμάζοντες τὸν ἄνδρα καὶ χαίροντες ἅμα καὶ γελῶντες ἀπηλλάγησαν. ὅθεν οὐδὲ τοῦ Ὁμηρικοῦ Σθενέλου παντάπασιν αἰτιατέον τὸ (Δ 405)

'ἡμεῖς τοι πατέρων μέγ' ἀμείνονες εὐχόμεθ' εἶναι'

μεμνημένους τοῦ (Δ 370)

'ὤ μοι, Τυδέος υἱὲ δαΐφρονος ἱπποδάμοιο,

τί πτώσσεις; τί δ' ὀπιπεύεις πολέμοιο γεφύρας;'

οὐδὲ γὰρ αὐτὸς ἀκούσας κακῶς ἀλλ' ὑπὲρ τοῦ φίλου λοιδορηθέντος [f] ἠμύνατο, τῇ περιαυτολογίᾳ παρρησίαν συγγνώμονα τῆς αἰτίας διδούσης. ἀλλὰ μὴν καὶ Ῥωμαῖοι Κικέρωνι μὲν ἐδυσχέραινον ἐγκωμιάζοντι πολλάκις ἑαυτοῦ τὰς περὶ Κατιλίναν πράξεις, Σκιπίωνι δ' εἰπόντι μὴ πρέπειν αὐτοῖς κρίνειν περὶ Σκιπίωνος, δι' ὃν ἔχουσι τὸ κρίνειν πᾶσιν ἀνθρώποις, στεφανωσάμενοι συνανέβησαν εἰς τὸ [541] [a] Καπιτώλιον καὶ συνέθυσαν. ὁ μὲν γὰρ οὐκ ἀναγκαίως ἀλλ' ὑπὲρ δόξης ἐχρῆτο τοῖς ἐπαίνοις, τοῦ δ' ἀφῄρει τὸν φθόνον ὁ κίνδυνος.

Οὐ μόνον δὲ κρινομένοις καὶ κινδυνεύουσιν, ἀλλὰ καὶ δυστυχοῦσι μᾶλλον ἁρμόζει μεγαλαυχία καὶ κόμπος ἢ εὐτυχοῦσιν. οἱ μὲν γὰρ οἷον ἐπιδράττεσθαι τῆς δόξης καὶ ἀπολαύειν χαριζόμενοι τῷ φιλοτίμῳ δοκοῦσιν, οἱ δὲ πόρρω φιλοτιμίας διὰ τὸν καιρὸν ὄντες ἐξαναφέρειν πρὸς τὴν τύχην καὶ ὑπερείδειν τὸ φρόνημα καὶ φεύγειν ὅλως τὸ ἐλεεινὸν καὶ συνεπιθρηνοῦν τοῖς ἀβουλήτοις καὶ ταπεινούμενον. ὥσπερ οὖν τοὺς ἐν τῷ περιπατεῖν ἐπαιρομένους καὶ [b] ὑψαυχενοῦντας ἀνοήτους ἡγούμεθα καὶ κενούς, ἂν δὲ πυκτεύοντες ἢ μαχόμενοι διεγείρωσι καὶ ἀνάγωσιν ἑαυτούς, ἐπαινοῦμεν, οὕτως ἀνὴρ ὑπὸ τύχης σφαλλόμενος ἑαυτὸν εἰς ὀρθὸν καθιστὰς καὶ ἀντίπαλον 'πύκτης ὅπως εἰς χεῖρας' (Soph. Tr. 442), ἐκ τοῦ ταπεινοῦ καὶ οἰκτροῦ τῇ μεγαλαυχίᾳ μεταφέρων εἰς τὸ γαῦρον καὶ ὑψηλόν, οὐκ ἐπαχθὴς οὐδὲ θρασὺς ἀλλὰ μέγας εἶναι δοκεῖ καὶ ἀήττητος. ὥς που καὶ τὸν

Πάτροκλον ὁ ποιητὴς μέτριον καὶ ἀνεπίφθονον ἐν τῷ κατορθοῦν ἐν δὲ τῷ τελευτᾶν μεγαλήγορον πεποίηκε λέγοντα (Π 847)

'τοιοῦτοι δ' εἴπερ μοι ἐείκοσιν ἀντεβόλησαν.'

[c] καὶ Φωκίων τἄλλα πρᾶος ἦν, μετὰ δὲ τὴν καταδίκην ἄλλοις τε πολλοῖς διεδείκνυε τὴν μεγαλοφροσύνην, καὶ πρὸς ἕνα τῶν συναποθνῃσκόντων ὀδυρόμενον καὶ δυσανασχετοῦντα 'τί λέγεις' εἶπεν 'οὗτος; οὐκ ἀγαπᾷς ἀποθνῄσκων μετὰ Φωκίωνος;'

Ἔτι τοίνυν οὐχ ἧττον ἀλλὰ καὶ μᾶλλον ἀδικουμένῳ τῷ πολιτικῷ δέδοται τὸ λέγειν τι περὶ αὑτοῦ πρὸς τοὺς ἀγνωμονοῦντας. ὥσπερ ὁ Ἀχιλλεὺς ἄλλως μὲν ὑφίετο τῷ θείῳ τῆς δόξης καὶ μέτριος ἦν λέγων (Α 128)

'αἴ κέ ποθι Ζεύς

δῷσι πόλιν Τροίην εὐτείχεον ἐξαλαπάξαι,'

ὑβρισθεὶς δὲ παρ' ἀξίαν καὶ προπηλακισθεὶς ἐφίησι τὴν [d] μεγαλαυχίαν τῇ ὀργῇ (Ι 328)

'δώδεκα γὰρ σὺν νηυσὶ πόλεις ἀλάπαξ' ἀνθρώπων'

καί (Π 70)

'οὐ γὰρ ἐμῆς κόρυθος λεύσουσι μέτωπον

ἐγγύθι λαμπομένης.'

δέχεται γὰρ ἡ παρρησία, μέρος οὖσα τῆς δικαιολογίας, τὴν μεγαληγορίαν. ἀμέλει δὲ καὶ Θεμιστοκλῆς οὐδὲν ἐπὶ τῶν πράξεων εἰπὼν οὐδὲ ποιήσας ἐπαχθές, ὁπηνίκα τοὺς Ἀθηναίους ἑώρα μεστοὺς ὄντας αὐτοῦ καὶ περιορῶντας, οὐκ ἐφείδετο λέγειν 'τί, ὦ μακάριοι, κοπιᾶτε πολλάκις ὑπὸ τῶν αὐτῶν εὖ πάσχοντες;' καὶ ὅτι 'χειμαζόμενοι μὲν [e] ὥσπερ ὑπὸ δένδρον ὑποφεύγετε, γενομένης δ' εὐδίας τίλλετε παρεξιόντες.'

Οὗτοι μὲν οὖν ἄλλως ἀδικούμενοι τῶν κατωρθωμένων ἐμέμνηντο πρὸς τοὺς ἀγνωμονοῦντας· ὁ δ' ἐπ' αὐτοῖς ψεγόμενος οἷς κατώρθωκε καὶ παντάπασι συγγνωστός ἐστι καὶ ἄμεμπτος ἐγκωμιάζων τὰ πεπραγμένα· δοκεῖ γὰρ οὐκ ὀνειδίζειν ἀλλ' ἀπολογεῖσθαι. τοῦτο γοῦν λαμπρὰν τῷ Δημοσθένει παρρησίαν ἐδίδου καὶ τὸν κόρον ἀφῄρει τῶν ἐπαίνων, οἷς παρὰ πάντα τὸν λόγον ὁμοῦ τι τὸν ὑπὲρ τοῦ στεφάνου κέχρηται, σεμνυνόμενος οἷς ἐνεκαλεῖτο περὶ τοῦ πολέμου πρεσβεύμασι καὶ ψηφίσμασιν.

Οὐ πόρρω δὲ τούτου τεταγμένον ἔχει τινὰ χάριν τὸ [f] τῆς ἀντιθέσεως, ὅταν, ἐφ' ᾧ τις ἐγκαλεῖται, τούτου τοὐναντίον αἰσχρὸν ἀποδεικνύῃ καὶ φαῦλον. ὡς ὁ Λυκοῦργος ἐν Ἀθήναις ἐπὶ τῷ πεπεικέναι τὸν συκοφάντην ἀργυρίου λοιδορούμενος 'εἶτ'' ἔφη 'ποῖός τις ὑμῖν δοκῶ εἶναι πολίτης, ὃς τοσοῦτον χρόνον τὰ δημόσια πράττων παρ' ὑμῖν διδοὺς μᾶλλον ἀδίκως ἢ λαμβάνων εἴλημμαι;' καὶ ὁ Κικέρων, [542] [a]τ οῦ Μετέλλου πρὸς αὐτὸν

εἰπόντος ὅτι πλείονας ἀνῄρηκε καταμαρτυρήσας ἢ συνηγορήσας σέσωκε, ‘τίς δ’’ εἶπεν ‘οὔ φησιν ἐν ἐμοὶ πλέον εἶναι πίστεως ἢ δεινότητος;’ καὶ τὰ Δημοσθένους τοιαῦτα (18, 101)· ‘τίς δ’ οὐκ ἂν ἀπέκτεινέ με δικαίως, εἴ τι τῶν τῇ πόλει καλῶν ὑπαρχόντων λόγῳ μόνον αἰσχύνειν ἐπεχείρησα;’ καί (18, 240) ‘τί ἂν οἴεσθε λέγειν τοὺς μιαροὺς τούτους ἀνθρώπους, εἰ τότε μου περὶ τούτων ἀκριβολογουμένου ἀπῆλθον αἱ πόλεις;’ καὶ ὅλως ὁ περὶ τοῦ στεφάνου λόγος εὐφυεστάταις ἀντιθέσεσι ταῖς λύσεσι τῶν αἰτιῶν ἐπεισάγει τοὺς ἐπαίνους.

Οὐ μὴν ἀλλὰ καὶ τοῦτο χρήσιμόν ἐστιν ἐν ἐκείνῳ τῷ [b] λόγῳ καταμαθεῖν, ὅτι μιγνύων ἐμμελέστατα τῷ περὶ αὑτοῦ λόγῳ τὸν περὶ τῶν ἀκουόντων ἔπαινον ἀνεπίφθονον ἐποίει καὶ ἀφίλαυτον, οἵους μὲν Εὐβοεῦσιν οἱ Ἀθηναῖοι παρέσχον αὑτοὺς οἵους δὲ Θηβαίοις, ὅσα δὲ Βυζαντίους ἀγαθὰ καὶ Χερρονησίτας ἐποίησαν, αὑτῷ δὲ τῆς διακονίας μετεῖναι φάσκων. λανθάνει γὰρ οὕτως ὁ ἀκροατὴς τοῖς ἰδίοις ἐπαίνοις συνυποδυόμενον τὸν τοῦ λέγοντος ἡδέως προσδεχόμενος, καὶ χαίρει μὲν ἐφ’ οἷς κατώρθωσε λεγομένοις, τῷ δὲ χαίρειν εὐθὺς ἕπεται τὸ θαυμάζειν καὶ ἀγαπᾶν δι’ ὃν κατώρθωσεν. ὅθεν καὶ Ἐπαμεινώνδας Μενεκλείδου ποτὲ χλευάζοντος αὐτὸν ὡς μεῖζον τοῦ Ἀγαμέμνονος [c] φρονοῦντα ‘δι’ ὑμᾶς γ’,’ εἶπεν ‘ὦ ἄνδρες Θηβαῖοι, μεθ’ ὧν μόνων ἐν ἡμέρᾳ μιᾷ κατέλυσα τὴν Λακεδαιμονίων ἀρχήν.’

Ἐπεὶ δὲ τῷ μὲν ἑαυτὸν ἐπαινοῦντι πολεμοῦσιν οἱ πολλοὶ σφόδρα καὶ ἄχθονται, τῷ δ’ ἕτερον οὐχ ὁμοίως, ἀλλὰ καὶ χαίρουσι πολλάκις καὶ συνεπιμαρτυροῦσι προθύμως, εἰώθασιν ἔνιοι τοὺς ταὐτὰ προαιρουμένους καὶ πράττοντας αὐτοῖς καὶ ὅλως ὁμοιοτρόπους ἐπαινοῦντες ἐν καιρῷ συνοικειοῦν καὶ συνεπιστρέφειν πρὸς ἑαυτοὺς τὸν ἀκροατήν· ἐπιγινώσκει γὰρ εὐθὺς ἐν τῷ λέγοντι, κἂν περὶ ἄλλου λέγηται, δι’ ὁμοιότητα τὴν ἀρετὴν τῶν αὐτῶν ἀξίαν [d] ἐπαίνων οὖσαν. ὡς γὰρ ὁ λοιδορῶν ἕτερον οἷς αὐτὸς ἔνοχός ἐστιν οὐ λανθάνει λοιδορῶν μᾶλλον ἑαυτὸν ἢ ἐκεῖνον, οὕτως οἱ ἀγαθοὶ τοὺς ἀγαθοὺς τιμῶντες ἀναμιμνήσκουσιν αὑτῶν τοὺς συνειδότας· ὥστ’ εὐθὺς ἐπιφωνεῖν ‘σὺ γὰρ οὐ τοιοῦτος;’ Ἀλέξανδρος μὲν οὖν Ἡρακλέα τιμῶν καὶ πάλιν Ἀλέξανδρον Ἀνδρόκοττος ἑαυτοὺς εἰς τὸ τιμᾶσθαι προῆγον ἀπὸ τῶν ὁμοίων, Διονύσιος δὲ τὸν Γέλωνα διασύρων καὶ γέλωτα τῆς Σικελίας ἀποκαλῶν ἐλάνθανεν ὑπὸ φθόνου καθαιρῶν τὸ μέγεθος καὶ τὸ ἀξίωμα τῆς περὶ αὑτὸν δυνάμεως.

Ταῦτα μὲν οὖν καὶ ἄλλως ἐπίστασθαι καὶ παραφυλάττειν τῷ πολιτικῷ προσήκει. τοὺς δ’ ἀναγκασθέντας [e] ἐπαινεῖν αὑτοὺς ἐλαφροτέρους παρέχει καὶ τὸ μὴ πάντα προσποιεῖν ἑαυτοῖς, ἀλλ’ ὥσπερ φορτίου τῆς δόξης τὸ μὲν

εἰς τὴν τύχην τὸ δ’ εἰς τὸν θεὸν ἀποτίθεσθαι. διὸ καλῶς μὲν ὁ Ἀχιλλεύς (Χ 379)

‘ἐπεὶ δὴ τόνδ’ ἄνδρα θεοὶ δαμάσασθαι ἔδωκαν,’

καλῶς δὲ Τιμολέων, ἐν Συρακούσαις Αὐτοματίας βωμὸν ἱδρυσάμενος ἐπὶ ταῖς πράξεσι καὶ τὴν οἰκίαν Ἀγαθῷ Δαίμονι καθιερώσας· ἄριστα δὲ Πύθων ὁ Αἴνιος, ἐπειδὴ Κότυν ἀποκτείνας ἧκεν εἰς Ἀθήνας καὶ τῶν δημαγωγῶν διαμιλλωμένων τοῖς ἐγκωμίοις αὐτοῦ πρὸς τὸν δῆμον ᾔσθετο βασκαίνοντας ἐνίους καὶ βαρυνομένους, παρελθών [f] ‘ταῦτ’,’ εἶπεν ‘ἄνδρες Ἀθηναῖοι, θεός τις ἔπραξεν, ἡμεῖς δὲ τὰς χεῖρας ἐχρήσαμεν.’ ἀφῄρει δὲ καὶ Σύλλας τὸν φθόνον ἀεὶ τὴν Τύχην ἐπαινῶν, καὶ τέλος Ἐπαφρόδιτον ἑαυτὸν ἀνηγόρευσε. μᾶλλον γὰρ εὐτυχίας ἢ ἀρετῆς ἡττᾶσθαι βούλονται, τὸ μὲν ἀλλότριον ἀγαθὸν ἡγούμενοι τὸ δ’ [543] [a] οἰκεῖον ἔλλειμμα καὶ παρ’ αὐτοὺς γενόμενον. οὐχ ἥκιστα γοῦν λέγουσιν ἀρέσαι Λοκροῖς τὴν Ζαλεύκου νομοθεσίαν, ὅτι τὴν Ἀθηνᾶν ἔφασκεν αὐτῷ φοιτῶσαν εἰς ὄψιν ἑκάστοτε τοὺς νόμους ὑφηγεῖσθαι καὶ διδάσκειν αὐτοῦ δὲ μηδὲν εἶναι διανόημα μηδὲ βούλευμα τῶν εἰσφερομένων.

Ἀλλὰ ταῦτα μὲν ἴσως πρὸς τοὺς παντάπασι χαλεποὺς καὶ βασκάνους ἀνάγκη τὰ φάρμακα καὶ τὰ παρηγορήματα μηχανᾶσθαι· πρὸς δὲ τοὺς μετρίους οὐκ ἄτοπόν ἐστι χρῆσθαι καὶ ταῖς ἐπανορθώσεσι τῶν ἐπαίνων, εἴ τις ὡς λόγιον ἢ πλούσιον ἢ δυνατὸν ἐπαινοίη, κελεύοντα μὴ ταῦτα περὶ αὐτοῦ λέγειν, ἀλλὰ μᾶλλον, εἰ χρηστὸς καὶ [b] ἀβλαβὴς καὶ ὠφέλιμος. οὐ γὰρ εἰσφέρει τὸν ἔπαινον ὁ τοῦτο ποιῶν ἀλλὰ μετατίθησιν, οὐδὲ χαίρειν δοκεῖ τοῖς ἐγκωμιάζουσιν αὐτὸν ἀλλὰ μᾶλλον, ὅτι μὴ προσηκόντως μηδ’ ἐφ’ οἷς δεῖ, δυσχεραίνειν καὶ ἀποκρύπτειν τὰ φαυλότερα τοῖς βελτίοσιν, οὐκ ἐπαινεῖσθαι βουλόμενος ἀλλ’ ἐπαινεῖν ὡς χρὴ διδάσκων. τὸ γὰρ (Dem. 18, 299) ‘οὐ λίθοις ἐτείχισα τὴν πόλιν οὐδὲ πλίνθοις ἐγώ· ἀλλ’ ἐὰν τὸν ἐμὸν τειχισμὸν βούλῃ σκοπεῖν, εὑρήσεις ὅπλα καὶ ἵππους καὶ συμμάχους’ τοιούτου τινὸς ἔοικεν ἅπτεσθαι. καὶ τὸ τοῦ Περικλέους ἔτι μᾶλλον· ὀλοφυρόμενοι γάρ, ὡς ἔοικεν, ἤδη καταστρέφοντος αὐτοῦ καὶ δυσφοροῦντες οἱ ἐπιτήδειοι [c] τῶν στρατηγιῶν ἐμέμνηντο καὶ τῆς δυνάμεως καὶ ὅσα δὴ τρόπαια καὶ νίκας καὶ πόλεις Ἀθηναίοις κτησάμενος ἀπολέλοιπεν· ὁ δὲ μικρὸν ἐπαναστὰς ἐμέμψατ’ αὐτούς, ὡς κοινὰ πολλῶν καὶ τῆς τύχης ἔνια μᾶλλον ἢ τῆς ἀρετῆς ἐγκώμια λέγοντας, τὸ δὲ κάλλιστον καὶ μέγιστον καὶ ἴδιον αὐτοῦ παραλείποντας, ὅτι δι’ αὐτὸν οὐδεὶς Ἀθηναίων μέλαν ἱμάτιον ἀνείληφε. τοῦτο δὴ τὸ παράδειγμα καὶ ῥήτορι δίδωσιν, ἄνπερ ᾖ χρηστός, ἐπαινουμένῳ περὶ λόγου δεινότητα μεταθεῖναι τὸν ἔπαινον ἐπὶ τὸν βίον καὶ τὸ ἦθος· καὶ στρατηγῷ θαυμαζομένῳ δι’ ἐμπειρίαν πολεμικὴν ἢ [d] δι’

εὐτυχίαν περὶ πραότητός τι καὶ δικαιοσύνης αὐτοῦ παρρησιάσασθαι· καὶ τοὐναντίον αὖ πάλιν, ὑπερφυῶν τινων λεγομένων ἐπαίνων, οἷα πολλοὶ κολακεύοντες ἐπίφθονα λέγουσιν, εἰπεῖν (π 187)

'οὔ τίς τοι θεός εἰμι· τί μ' ἀθανάτοισιν ἐίσκεις;

ἀλλ' εἴ με γινώσκεις ἀληθῶς, ἐπαίνει τὸ ἀδωροδόκητον ἢ τὸ σῶφρον ἢ τὸ εὔγνωμον ἢ τὸ φιλάνθρωπον.' ὁ γὰρ φθόνος οὐκ ἀηδῶς τῷ τὰ μείζονα παραιτουμένῳ τὰ μετριώτερα δίδωσι, καὶ τὸ ἀληθὲς ἐγκώμιον οὐκ ἀφαιρεῖται τῶν τὰ ψευδῆ καὶ κενὰ μὴ προσδεχομένων. διὸ καὶ τῶν βασιλέων τοὺς μὴ θεοὺς μηδὲ παῖδας θεῶν ἀναγορεύεσθαι θέλοντας [e] ἀλλὰ Φιλαδέλφους ἢ Φιλομήτορας ἢ Εὐεργέτας ἢ Θεοφιλεῖς οὐκ ἤχθοντο ταῖς καλαῖς μὲν ἀνθρωπικαῖς δὲ ταύταις προσηγορίαις τιμῶντες. ὥσπερ αὖ καὶ τῶν γραφόντων καὶ λεγόντων βαρυνόμενοι τοὺς τῆς σοφίας ἐπιγραφομένους τοὔνομα χαίρουσι τοῖς φιλοσοφεῖν ἢ προκόπτειν ἤ τι τοιοῦτο περὶ αὐτῶν ἀνεπίφθονον καὶ μέτριον λέγουσιν. οἱ δὲ ῥητορικοὶ σοφισταὶ τὸ 'θείως' καὶ τὸ 'δαιμονίως' ἐν ταῖς ἐπιδείξεσι προσδεχόμενοι καὶ τὸ 'μετρίως' καὶ τὸ 'ἀνθρωπίνως' προσαπολλύουσι.

Καὶ μὴν ὥσπερ οἱ τοὺς ὀφθαλμιῶντας ἐνοχλεῖν φυλαττόμενοι [f] τοῖς ἄγαν λαμπροῖς σκιάν τινα παραμιγνύουσιν, οὕτως ἔνιοι τοὺς αὐτῶν ἐπαίνους μὴ παντελῶς λαμπροὺς μηδ' ἀκράτους προσφέροντες, ἀλλά τινας ἐλλείψεις ἢ ἀποτεύξεις ἢ ἁμαρτίας ἐλαφρὰς ἐμβάλλοντες ἀφαιροῦσι τὸ ἐπαχθὲς αὐτῶν καὶ νεμεσητόν. ὥσπερ ὁ Ἐπειός, οὐ μέτρια περὶ τῆς πυκτικῆς εἰπὼν καὶ θρασυνάμενος ὡς 'ἀντικρὺ χρόα τε ῥήξει - ' 'ἦ οὐχ ἅλις' φησίν 'ὅττι μάχης ἐπιδεύομαι;' (Ψ 673. 670) [544] [a] ἀλλ' οὗτος μὲν ἴσως γελοῖος, ἀθλητικὴν ἀλαζονείαν δειλίας καὶ ἀνανδρίας ἐξομολογήσει παραμυθούμενος· ἐμμελὴς δὲ καὶ χαρίεις ὁ λήθην τινὰ καθ' αὑτοῦ λέγων ἢ ἄγνοιαν ἢ φιλοτιμίαν ἢ πρός τινα μαθήματα καὶ λόγους ἀκρασίαν ὡς ὁ Ὀδυσσεύς (μ 192)

καὶ ὅλως ὅσαι μὴ παντάπασιν αἰσχραὶ μηδ' ἀγεννεῖς ἁμαρτίαι, παρατιθέμεναι τοῖς ἐπαίνοις τὸν φθόνον ἀφαιροῦσι. πολλοὶ δὲ καὶ πενίας καὶ ἀπορίας καὶ νὴ Δία δυσγενείας ἐξομολόγησιν ἔστιν ὅτε τοῖς ἐγκωμίοις παρεμβάλλοντες ἀμβλυτέρῳ τῷ φθόνῳ χρῶνται. καθάπερ Ἀγαθοκλῆς χρυσᾶ ποτήρια καὶ τορευτὰ τοῖς νέοις προπίνων ἐκέλευσε καὶ κεραμεᾶ κομισθῆναι,

καί ‘τοιοῦτόν ἐστιν’ ἔφη ‘τὸ ἐνδελεχὲς καὶ φιλόπονον καὶ ἀνδρεῖον· ἡμεῖς πάλαι ταῦτα, νῦν δ’ ἐκεῖνα ποιοῦμεν.’ ἐδόκει γὰρ ἐν κεραμείῳ τεθράφθαι [c] διὰ δυσγένειαν καὶ πενίαν ὁ Ἀγαθοκλῆς, εἶτα συμπάσης ὀλίγου δεῖν ἐβασίλευσε Σικελίας.

Καὶ ταῦτα μὲν ἔξωθεν ἔστιν ἐπεισάγεσθαι φάρμακα τῆς περιαυτολογίας. ἕτερα δ’ αὐτοῖς τρόπον τινὰ τοῖς ἐπαινουμένοις ἔνεστιν· οἷς καὶ Κάτων ἐχρῆτο φθονεῖσθαι λέγων, ὅτι τῶν ἰδίων ἀμελεῖ καὶ τὰς νύκτας ἀγρυπνεῖ διὰ τὴν πατρίδα· καὶ τὸ (Eurip. Philoct. fr. 787)

καὶ τὸ (ibid. 789)

[d] ὡς γὰρ οἰκίαν καὶ χωρίον, οὕτως καὶ δόξαν οἱ πολλοὶ καὶ ἀρετὴν τοῖς προῖκα καὶ ῥᾳδίως ἔχειν δοκοῦσιν οὐ τοῖς πριαμένοις πόνων πολλῶν καὶ κινδύνων φθονοῦσιν.

Ἐπεὶ δ’ οὐ μόνον ἀλύπως καὶ ἀνεπιφθόνως ἀλλὰ καὶ χρησίμως καὶ ὠφελίμως προσοιστέον ἐστὶ τοὺς ἐπαίνους, ἵνα μὴ τοῦτο πράττειν ἀλλ’ ἕτερόν τι διὰ τούτου δοκῶμεν, ὅρα πρῶτον, εἰ προτροπῆς ἕνεκα καὶ ζήλου καὶ φιλοτιμίας τῶν ἀκουόντων αὑτὸν ἄν τις ἐπαινέσειεν, ὡς ὁ Νέστωρ τὰς ἑαυτοῦ διηγούμενος ἀριστείας καὶ μάχας τόν τε Πάτροκλον παρώρμησε καὶ τοὺς ἐννέα πρὸς τὴν μονομαχίαν ἀνέστησεν (Λ 655 sqq. Η 123 sqq.). ἡ γὰρ ἔργον ὁμοῦ [e] καὶ λόγον ἔχουσα προτροπὴ καὶ παράδειγμα καὶ ζῆλον οἰκεῖον ἔμψυχός ἐστι καὶ κινεῖ καὶ παροξύνει καὶ μεθ’ ὁρμῆς καὶ προαιρέσεως ἐλπίδας ὡς ἐφικτῶν καὶ οὐκ ἀδυνάτων παρίστησι. διὸ καὶ τῶν ἐν Λακεδαίμονι χορῶν ᾄδουσιν οἱ μὲν τῶν γερόντων (Carm. pop. 17 II 197 D)

‘ἁμές ποτ’ ἦμες ἄλκιμοι νεανίαι,’

οἱ δὲ τῶν νεανίσκων

καλῶς καὶ πολιτικῶς τοῦ νομοθέτου τὰ πλησίον καὶ οἰκεῖα παραδείγματα τοῖς νέοις δι’ αὐτῶν τῶν εἰργασμένων ἐκτιθέντος.

Οὐ μὴν ἀλλὰ καὶ καταπλήξεως ἐνιαχοῦ καὶ συστολῆς [f] ἕνεκα καὶ τοῦ ταπεινῶσαι καὶ λαβεῖν ὑποχείριον τὸν αὐθάδη καὶ ἰταμὸν οὐ χεῖρόν ἐστι

κομπάσαι τι περὶ αὑτοῦ καὶ μεγαληγορῆσαι· καθάπερ αὖ πάλιν ὁ Νέστωρ (Α 260)

'ἤδη γάρ ποτ' ἐγὼ καὶ ἀρείοσιν ἠέπερ ὑμῖν
ἀνδράσιν ὡμίλησα, καὶ οὔ ποτέ μ' οἵ γ' ἀθέριζον.'

[545] [a] οὕτω δὴ καὶ πρὸς Ἀλέξανδρον ὁ Ἀριστοτέλης (fr. 664) οὐ μόνον ἔφη τοῖς πολλῶν κρατοῦσιν ἐξεῖναι μέγα φρονεῖν, ἀλλὰ καὶ τοῖς περὶ θεῶν δόξας ἀληθεῖς ἔχουσι. χρήσιμα δὲ καὶ πρὸς πολεμίους καὶ πρὸς ἐχθροὺς τὰ τοιαῦτα (Ζ 127)

'δυστήνων δέ τε παῖδες ἐμῷ μένει ἀντιόωσι.'

καὶ περὶ τοῦ Περσῶν βασιλέως μεγάλου δὲ καλουμένου ὁ Ἀγησίλαος 'τί δ' ἐμοῦ γε μείζων ἐκεῖνος, εἰ μὴ καὶ δικαιότερος;' καὶ πρὸς τοὺς Λακεδαιμονίους τῶν Θηβαίων κατηγοροῦντας ὁ Ἐπαμεινώνδας 'ἡμεῖς μέντοι ὑμᾶς βραχυλογοῦντας ἐπαύσαμεν.' ἀλλὰ ταῦτα μὲν πρὸς ἐχθροὺς [b] καὶ πολεμίους· τῶν δὲ φίλων καὶ πολιτῶν οὐ μόνον ἔστι τοὺς θρασυνομένους καταστορέσαι καὶ ποιῆσαι ταπεινοτέρους, ἀλλὰ καὶ τοὺς περιφόβους καὶ καταπλῆγας ἐξᾶραι πάλιν καὶ παρορμῆσαι χρησάμενον ἐν δέοντι μεγαλαυχίᾳ. καὶ γὰρ ὁ Κῦρος παρὰ τὰ δεινὰ καὶ τὰς μάχας 'ἐμεγαληγόρει ἄλλοτε δ' οὐ μεγαλήγορος ἦν' (Xen. Cyr. VII 1, 17)· καὶ Ἀντίγονος ὁ δεύτερος τἄλλα μὲν ἦν ἄτυφος καὶ μέτριος, ἐν δὲ τῇ περὶ Κῶ ναυμαχίᾳ τῶν φίλων τινὸς εἰπόντος 'οὐχ ὁρᾷς, ὅσῳ πλείους εἰσὶν αἱ πολέμιαι νῆες;' 'ἐμὲ δέ γ' αὐτόν' εἶπε 'πρὸς πόσας ἀντιτάττετε;' καὶ τοῦτο δ' ἔοικε συνιδεῖν Ὅμηρος· τὸν γὰρ Ὀδυσσέα πεποίηκεν ἀποδειλιώντων [c] τῶν ἑταίρων πρὸς τὸν ψόφον καὶ κλύδωνα τὸν περὶ τὴν Χάρυβδιν ἀναμιμνήσκοντα τῆς αὑτοῦ δεινότητος καὶ ἀνδρείας (μ 209)· 'οὐ μὴν τόδε μεῖζον [οἱ] κακὸν ἢ ὅτε Κύκλωψ

εἴλει ἐνὶ σπῆι γλαφυρῷ κρατερῇ γε βίῃφι·
ἀλλὰ καὶ ἔνθεν ἐμῇ ἀρετῇ βουλῇ τε νόῳ τε
ἐκφύγομεν.'

οὐ γάρ ἐστι δημαγωγοῦντος οὐδὲ σοφιστιῶντος ὁ τοιοῦτος ἔπαινος οὐδὲ κρότον οὐδὲ ποππυσμὸν αἰτοῦντος, ἀλλὰ τὴν ἀρετὴν καὶ τὴν ἐπιστήμην ἐνέχυρον τοῦ θαρρεῖν τοῖς φίλοις διδόντος. μέγα γὰρ ἐν καιροῖς ἐπισφαλέσι πρὸς σωτηρίαν [d] δόξα καὶ πίστις ἀνδρὸς ἡγεμονικὴν ἐμπειρίαν καὶ δύναμιν ἔχοντος.

Ὅτι μὲν οὖν τὸ πρὸς ἔπαινον ἀλλότριον καὶ δόξαν ἀντιπαραβάλλειν ἑαυτὸν ἥκιστα πολιτικόν, εἴρηται πρότερον (c. 3)· οὐ μὴν ἀλλ' ὅπου βλάπτει καὶ διαφθείρει ζῆλον ἐμποιῶν πρὸς τὰ φαῦλα καὶ προαίρεσιν πονηρὰν ἐν πράγμασι μεγάλοις ἡμαρτημένος ἔπαινος, οὐκ ἄχρηστόν ἐστιν ἐκκροῦσαι μᾶλλον δ' ἀποστρέψαι τὸν ἀκροατὴν ἐπὶ τὰ κρείττω τὴν διαφορὰν

ἐνδεικνύμενον. ἀγαπήσειε γὰρ ἄν τις οἶμαι λοιδορουμένης κακίας καὶ ψεγομένης ἐθέλοντας ἀπέχεσθαι τοὺς πολλοὺς ὁρῶν· εἰ δὲ προσλάβοι δόξαν ἡ κακία [e] καὶ τῷ καθ’ ἡδονὰς αὐτῆς ἢ πλεονεξίας ἄγοντι προσγένοιτο τιμὴ καὶ τὸ εὐδοκιμεῖν, οὐκ ἔστιν εὐτυχὴς οὕτως οὐδ’ ἰσχυρὰ φύσις, ἧς οὐκ ἂν κρατήσειε. διὸ δεῖ μὴ τοῖς τῶν ἀνθρώπων ἐπαίνοις, ἀλλὰ τοῖς τῶν πραγμάτων, ἅνπερ ᾖ φαῦλα, πολεμεῖν τὸν πολιτικόν· οὗτοι γὰρ διαστρέφουσι καὶ τούτοις τὸ μιμεῖσθαι τὰ αἰσχρὰ καὶ ζηλοῦν ὡς καλὰ συνεισέρχεται. μάλιστα δ’ ἐξελέγχονται τοῖς ἀληθινοῖς παρατιθεμένοις· οἷον ὁ τῶν τραγῳδιῶν ὑποκριτὴς Θεόδωρος εἰπεῖν ποτε πρὸς τὸν κωμικὸν λέγεται Σάτυρον, ὡς οὐ θαυμαστόν ἐστι τὸ γελᾶν ποιεῖν τοὺς θεατὰς ἀλλὰ τὸ [f] δακρύειν καὶ κλαίειν· ἂν δέ γ’ οἶμαι πρὸς τοῦτον αὐτὸν εἴπῃ φιλόσοφος ἀνήρ ‘ἀλλ’ οὐ τὸ ποιεῖν, ὦ βέλτιστε, κλαίειν καὶ δακρύειν, τὸ δὲ παύειν λυπουμένους καὶ κλαίοντας σεμνόν ἐστιν,’ ἐπαινῶν ἑαυτὸν ὠφελεῖ τὸν ἀκούοντα καὶ μετατίθησι τὴν κρίσιν. οὕτως καὶ ὁ Ζήνων (St. V. Fr. I 280) πρὸς τὸ πλῆθος τῶν Θεοφράστου μαθητῶν ‘ὁ [546] [a] ἐκείνου χορός’ ἔφη ‘μείζων, οὑμὸς δὲ συμφωνότερος.’ καὶ ὁ Φωκίων ἔτι τοῦ Λεωσθένους εὐημεροῦντος ὑπὸ τῶν ῥητόρων ἐρωτώμενος τί τὴν πόλιν αὐτὸς ἀγαθὸν πεποίηκεν ‘οὐδέν’ εἶπεν ‘ἀλλ’ ἢ τὸ ὑμᾶς ἐμοῦ στρατηγοῦντος ἐπιτάφιον λόγον μὴ εἰπεῖν ἀλλὰ πάντας ἐν τοῖς πατρῴοις μνήμασι θάπτεσθαι τοὺς ἀποθνῄσκοντας.’ πάνυ δὲ χαριέντως καὶ ὁ Κράτης (fr. 8 Diels) πρὸς τό

τέρπν’ ἔπαθον’

ἀντέγραψε τό

‘ταῦτ’ ἔχω, ὅσσ’ ἔμαθον καὶ ἐφρόντισα καὶ μετὰ Μουσῶν
σέμν’ ἐδάην.’

[b] καλὸς γὰρ ὁ τοιοῦτος ἔπαινος καὶ ὠφέλιμος καὶ διδάσκων τὰ χρήσιμα καὶ τὰ συμφέροντα θαυμάζειν καὶ ἀγαπᾶν ἀντὶ τῶν κενῶν καὶ περιττῶν. διὸ τοῦτο μὲν συγκατατετάχθω τοῖς εἰρημένοις εἰς τὸ πρόβλημα.

Λείπεται δ’ ἡμῖν, τοῦ λόγου τὸ ἐφεξῆς ἀπαιτοῦντος καὶ παρακαλοῦντος, εἰπεῖν ὅπως ἂν ἕκαστος ἐκφύγοι τὸ ἐπαινεῖν ἀκαίρως ἑαυτόν. μέγα γὰρ ἡ περιαυτολογία τὴν φιλαυτίαν ὁρμητήριον ἔχουσα καὶ τοῖς πάνυ δοκοῦσι μετρίως ἔχειν πρὸς δόξαν ἐμφαίνεται πολλάκις ἐπιτιθεμένη. καθάπερ γὰρ τῶν ὑγιεινῶν ἕν ἐστι παραγγελμάτων τὸ τὰ νοσώδη χωρία φυλάττεσθαι παντάπασιν ἢ προσέχειν μᾶλλον αὑτῷ γινόμενον ἐν αὐτοῖς, οὕτως ἔχει τινὰς ἡ περιαυτολογία [c] καιροὺς καὶ τόπους ὀλισθηροὺς καὶ περιφέροντας εἰς αὑτὴν ἐκ πάσης προφάσεως. πρῶτον μὲν γὰρ ἐν τοῖς ἀλλοτρίοις ἐπαίνοις, ὥσπερ εἴρηται (c. 3), τὸ φιλότιμον ἐξανθεῖ τὴν περιαυτολογίαν· καί τις αὐτὸ

καταλαμβάνει δακνόμενον καὶ γαργαλιζόμενον οἷον ὑπὸ κνησμοῦ δυσκαρτέρητος ἐπιθυμία καὶ ὁρμὴ πρὸς δόξαν, ἄλλως τε κἂν ἐπὶ τοῖς ἴσοις ἕτερος ἢ τοῖς ἐλάττοσιν ἐπαινῆται. καθάπερ γὰρ οἱ πεινῶντες ἑτέρων ἐσθιόντων ἐν ὄψει μᾶλλον ἐρεθίζονται καὶ παροξύνονται τὴν ὄρεξιν, οὕτως ὁ τῶν πλησίον ἔπαινος ἐκκαίει τῇ ζηλοτυπίᾳ τοὺς πρὸς δόξαν [d] ἀκρατῶς ἔχοντας. δεύτερον αἱ τῶν εὐτυχῶς καὶ κατὰ νοῦν πεπραγμένων διηγήσεις λανθάνουσι πολλοὺς εἰς μεγαλαυχίαν ὑπὸ χαρᾶς ἐκφέρουσαι καὶ κόμπον· ἐμπεσόντες γὰρ εἰς τὸ λέγειν νίκας τινὰς ἑαυτῶν ἢ κατορθώσεις ἐν πολιτεύμασιν ἢ παρ' ἡγεμόσι πράξεις καὶ λόγους εὐδοκιμήσαντας οὐ κρατοῦσιν οὐδὲ μετριάζουσιν. ᾧ γένει μάλιστα τῆς περιαυτολογίας τὸ αὐλικὸν ἰδεῖν ἔστι καὶ στρατιωτικὸν ἁλισκόμενον. συμβαίνει δὲ καὶ τοῖς ἐκ πότων ἡγεμονικῶν καὶ πραγμάτων μεγάλων ἐπανήκουσι τοῦτο πάσχειν ἐπιεικῶς· μεμνημένοι γὰρ ἀνδρῶν ἐπιφανῶν καὶ βασιλικῶν [e] συγκαταπλέκουσι περὶ αὑτῶν εὐφημίας τινὰς ὑπ' ἐκείνων εἰρημένας, καὶ νομίζουσιν οὐχ αὑτοὺς ἐπαινεῖν ἀλλ' ἑτέρων ἐπαίνους διηγεῖσθαι περὶ αὑτῶν γενομένους. οἱ δ' ὅλως οἴονται λανθάνειν τοὺς ἀκούοντας, ὅταν βασιλέων καὶ αὐτοκρατόρων δεξιώσεις καὶ προσαγορεύσεις καὶ φιλοφροσύνας ἀπαγγέλλωσιν, ὡς οὐχ αὑτῶν ἐπαίνους ἀποδείξεις δὲ τῆς ἐκείνων ἐπιεικείας καὶ φιλανθρωπίας διεξιόντες. ὅθεν εὖ μάλα δεῖ προσέχειν ἑαυτοῖς περὶ τοὺς ἑτέρων ἐπαίνους, ὅπως καθαροὶ καὶ ἀνύποπτοι φιλαυτίας καὶ περιαυτολογίας ὦσι καὶ μὴ δοκῶμεν 'Πάτροκλον πρόφασιν' [f] σφᾶς δ' αὐτοὺς δι' ἐκείνων ἐπαινεῖν.

Ἀλλὰ μὴν καὶ τὸ περὶ τοὺς ψόγους καὶ τὰς καταιτιάσεις γένος ἐπισφαλές ἐστι καὶ παρέχον ἐκτροπὰς τοῖς περὶ δόξαν νοσοῦσιν. ᾧ μάλιστα περιπίπτουσιν οἱ γέροντες, ὅταν εἰς τὸ νουθετεῖν ἑτέρους καὶ κακίζειν ἔθη φαῦλα καὶ πράξεις ἡμαρτημένας προαχθῶσι, μεγαλύνοντες αὑτοὺς [547] [a] ὡς περὶ ταὐτὰ θαυμασίους δή τινας γενομένους. τούτοις μὲν οὖν, ἂν μὴ μόνον ἔχωσιν ἡλικίαν ἀλλὰ καὶ δόξαν καὶ ἀρετήν, δοτέον (οὐ γὰρ ἀνωφελὲς ἀλλὰ μέγα, ζῆλον ἐμποιοῦν ἅμα καὶ φιλοτιμίαν τινὰ τοῖς οὕτω κολαζομένοις)· οἱ δ' ἄλλοι σφόδρα φυλάττεσθαι καὶ δεδιέναι τὴν ἐκτροπὴν ταύτην ὀφείλομεν. ἀνιαροῦ γὰρ ὄντος ἄλλως καὶ μόλις ἀνεκτοῦ τοῦ τῶν πλησίον ἐλέγχου καὶ δεομένου πολλῆς εὐλαβείας ὁ μιγνύων ἔπαινον ἴδιον ἀλλοτρίῳ ψόγῳ καὶ δι' ἀδοξίας ἑτέρου δόξαν αὑτῷ θηρώμενος ἐπαχθὴς παντάπασι καὶ φορτικός ἐστιν, ὡς ἐνευδοκιμεῖν ἀσχημονοῦσιν ἄλλοις βουλόμενος.

Ἔτι τοίνυν τοῖς μὲν πρὸς τοὺς γέλωτας εὐκαταφόροις [b] φύσει καὶ προχείροις μάλιστα φεύγειν προσήκει καὶ φυλάττεσθαι τοὺς γαργαλισμοὺς καὶ τὰς ψηλαφήσεις, ἐν αἷς τὰ λειότατα τοῦ σώματος ὀλισθάνοντα καὶ

συρρέοντα κινεῖ καὶ συνεξορμᾷ τὸ πάθος· ὅσοι δὲ πρὸς δόξαν ἐμπαθέστερον ἐρρυήκασι, τούτοις ἄν τις οὐχ ἥκιστα παραινέσειεν ἀπέχεσθαι τοῦ σφᾶς αὐτοὺς ἐπαινεῖν, ὅταν ὑπ' ἄλλων ἐπαινῶνται. δεῖ γὰρ ἐρυθριᾶν ἐπαινούμενον οὐκ ἀπερυθριᾶν, καὶ καταστέλλειν τοὺς μέγα τι περὶ αὑτῶν λέγοντας οὐκ ἐλέγχειν ὡς ἐνδεέστερον ἐπαινοῦντας· ὅπερ οἱ πολλοὶ ποιοῦσιν, ὑπομιμνήσκοντες αὐτοὶ καὶ [c] προσεμφοροῦντες ἄλλας τινὰς πράξεις καὶ ἀνδραγαθίας, ἄχρι οὗ τῷ παρ' αὑτῶν καὶ τὸν παρ' ἑτέρων ἔπαινον διαφθείρωσιν. ἔνιοι μὲν οὖν κολακεύοντες αὐτοὺς ὥσπερ γαργαλίζουσι καὶ φυσῶσιν, ἔνιοι δὲ κακοήθως οἷόν τι δέλεαρ μικρὸν εὐλογίας ὑποβάλλοντες ἐκκαλοῦνται τὴν περιαυτολογίαν, οἱ δὲ προσπυνθάνονται καὶ διερωτῶσιν, ὡς παρὰ τῷ Μενάνδρῳ (fr. 562) τὸν στρατιώτην, ἵνα γελάσωσι·

'πῶς τὸ τραῦμα τοῦτ' ἔχεις;'
'μεσαγκύλῳ.' 'πῶς πρὸς θεῶν'; 'ἐπὶ κλίμακα
πρὸς τεῖχος ἀναβαίνων.' 'ἐγὼ μὲν δεικνύω
ἐσπουδακώς, οἱ δὲ πάλιν ἐπεμυκτήρισαν.'

Ἐν ἅπασιν οὖν τούτοις εὐλαβητέον ὡς ἔνι μάλιστα, μήτε συνεκπίπτοντα τοῖς ἐπαίνοις μήτε ταῖς [d] ἐρωτήσεσιν ἑαυτὸν προϊέμενον. ἐντελεστάτη δὲ τούτων εὐλάβεια καὶ φυλακὴ τὸ προσέχειν ἑτέροις ἑαυτοὺς ἐπαινοῦσι καὶ μνημονεύειν, ὡς ἀηδὲς τὸ πρᾶγμα καὶ λυπηρὸν ἅπασι καὶ λόγος ἄλλος οὐδεὶς οὕτως ἐπαχθὴς οὐδὲ βαρύς. οὐδὲ γὰρ ἔχοντες εἰπεῖν ὅ τι πάσχομεν ἄλλο κακὸν ὑπὸ τῶν αὑτοὺς ἐπαινούντων ὥσπερ φύσει βαρυνόμενοι τὸ πρᾶγμα καὶ φεύγοντες ἀπαλλαγῆναι καὶ ἀναπνεῦσαι σπεύδομεν· ὅπου καὶ κόλακι καὶ παρασίτῳ καὶ δεομένῳ δύσοιστον ἐν χρείᾳ καὶ δυσεγκαρτέρητον ἑαυτὸν ἐγκωμιάζων πλούσιός τις ἢ σατράπης ἢ βασιλεύς, καὶ 'συμβολὰς [e] ταύτας ἀποτίνειν μεγίστας' λέγουσιν, ὡς ὁ παρὰ Μενάνδρῳ (fr. 563)·

'σφάττει με, λεπτὸς γίνομ' εὐωχούμενος·
τὰ σκώμμαθ' οἷα τὰ σοφὰ καὶ στρατηγικά·
οἷος δ' ἀλαζών ἐστιν ἁλιτήριος.'

ταῦτα γὰρ οὐ πρὸς στρατιώτας μόνον οὐδὲ νεοπλούτους εὐπάρυφα καὶ σοβαρὰ διηγήματα περαίνοντας, ἀλλὰ καὶ πρὸς σοφιστὰς καὶ φιλοσόφους καὶ στρατηγοὺς ὀγκουμένους ἐφ' ἑαυτοῖς καὶ μεγαληγοροῦντας εἰωθότες πάσχειν καὶ λέγειν, ἂν μνημονεύωμεν, ὅτι τοῖς ἰδίοις ἐπαίνοις ἀλλότριος ἕπεται ψόγος ἀεὶ καὶ γίνεται τέλος ἀδοξία τῆς κενοδοξίας ταύτης καὶ τὸ λυπεῖν τοὺς ἀκούοντας, ὡς ὁ [f] Δημοσθένης φησί (18, 128), περίεστιν οὐ τὸ δοκεῖν εἶναι τοιούτους, ἀφεξόμεθα τοῦ λέγειν περὶ αὑτῶν, ἂν μή τι μεγάλα μέλλωμεν ὠφελεῖν ἑαυτοὺς ἢ τοὺς ἀκούοντας.

De sera numinis vindicta

ΠΕΡΙ ΤΩΝ ΥΠΟ ΤΟΥ ΘΕΙΟΥ ΒΡΑΔΕΩΣ ΤΙΜΩΡΟΥΜΕΝΩΝ

[548] Τοιαῦτα μὲν ὁ Ἐπικούρειος εἰπών, ὦ Κυῆτε, καὶ [b] πρὶν ἀποκρίνασθαί τινα, πρὸς τῷ πέρατι τῆς στοᾶς γενομένων ἡμῶν ᾤχετ' ἀπιών· ἡμεῖς δ' ὅσον τι θαυμάσαι τοῦ ἀνθρώπου τὴν ἀτοπίαν, ἐπιστάντες σιωπῇ καὶ πρὸς ἀλλήλους διαβλέψαντες ἀνεστρέφομεν πάλιν ὥσπερ ἐτυγχάνομεν περιπατοῦντες. εἶτα πρῶτος ὁ Πατροκλέας 'τί οὖν;' εἶπεν 'ἐᾶν δοκεῖ τὴν ζήτησιν, ἢ τῷ λόγῳ καθάπερ παρόντος ἀποκρινώμεθα τοῦ εἰπόντος;' ὑπολαβὼν δ' ὁ Τίμων 'ἀλλ' οὐδ' εἰ βαλών' εἶπεν 'ἀπηλλάγη, καλῶς εἶχε περιορᾶν τὸ βέλος ἐγκείμενον. ὁ μὲν γὰρ Βρασίδας ὡς ἔοικεν [c] ἐξελκύσας τὸ δόρυ τοῦ σώματος αὐτῷ τούτῳ τὸν βαλόντα πατάξας ἀνεῖλεν· ἡμῶν δ' ἀμύνασθαι μὲν οὐδὲν ἔργον ἐστὶ δήπου τοὺς ἄτοπον ἢ ψευδῆ λόγον εἰς ἡμᾶς ἀφέντας, ἀρκεῖ δ' αὐτοὶ πρὶν ἅψασθαι τὴν δόξαν ἂν ἐκβάλωμεν.' 'τί οὖν' ἔφην ἐγώ 'μάλιστα κεκίνηκεν ὑμᾶς τῶν εἰρημένων; ἀθρόα γὰρ πολλὰ καὶ κατὰ τάξιν οὐδέν, ἄλλο δ' ἀλλαχόθεν ἄνθρωπος ὥσπερ ὀργῇ τινι καὶ λοιδορίᾳ σπαράττων ἅμα κατεφόρει τῆς προνοίας.'

Καὶ ὁ Πατροκλέας 'ἡ περὶ τὰς τιμωρίας' εἶπε 'τῶν πονηρῶν βραδυτὴς τοῦ δαιμονίου καὶ μέλλησις ἐμοὶ δοκεῖ μάλιστα δεινὸν εἶναι· καὶ νῦν ὑπὸ τῶν λόγων τούτων [d] ὥσπερ πρόσφατος γέγονα τῇ δόξῃ καὶ καινός, ἔκπαλαι δ' ἠγανάκτουν ἀκούων Εὐριπίδου λέγοντος (Or. 420)

'μέλλει, τὸ θεῖον δ' ἐστὶ τοιοῦτον φύσει.'

καίτοι πρὸς οὐθὲν ἥκιστα δὲ πρέπει πρὸς τοὺς πονηροὺς ῥᾴθυμον εἶναι τὸν θεόν, οὐ ῥᾳθύμους ὄντας αὐτοὺς οὐδ' 'ἀμβολιεργούς' τοῦ κακῶς ποιεῖν, ἀλλ' ὀξυτάταις ὁρμαῖς ὑπὸ τῶν παθῶν φερομένους πρὸς τὰς ἀδικίας. καὶ μήν 'τὸ ἀμύνασθαι τῷ παθεῖν,' ὡς Θουκυδίδης (III 38, 1) φησίν, 'ὅτι ἐγγυτάτω κείμενον' εὐθὺς ἀντιφράττει τὴν ὁδὸν τοῖς ἐπὶ πλεῖστον εὐροούσῃ τῇ κακίᾳ χρωμένοις. οὐθὲν γὰρ οὕτω χρέος ὡς τὸ τῆς δίκης ὑπερήμερον γινόμενον ἀσθενῆ [e] μὲν ταῖς ἐλπίσι ποιεῖ καὶ ταπεινὸν τὸν ἀδικούμενον, αὔξει δὲ θρασύτητι καὶ τόλμῃ τὸν μοχθηρόν· αἱ δ' ὑπὸ χεῖρα τοῖς τολμωμένοις ἀπαντῶσαι τιμωρίαι καὶ τῶν μελλόντων εἰσὶν ἐπισχέσεις ἀδικημάτων καὶ μάλιστα τὸ παρηγοροῦν τοὺς πεπονθότας ἔνεστιν αὐταῖς. ὡς ἔμοιγε καὶ τὸ τοῦ Βίαντος ἐνοχλεῖ πολλάκις ἀναλαμβάνοντι τὸν λόγον· ἔφη γάρ, ὡς ἔοικε, πρός τινα πονηρόν, ὡς οὐ δέδιε μὴ οὐ δῷ δίκην, ἀλλὰ μὴ οὐκ αὐτὸς ἐπίδῃ. τί γὰρ Μεσσηνίοις ὄφελος τοῖς προαναιρεθεῖσι τῆς Ἀριστοκράτους τιμωρίας, ὃς προδοὺς τὴν ἐπὶ Κάπρῳ μάχην καὶ λαθὼν ὑπὲρ εἴκοσιν [f] ἔτη καὶ πάντα

ταῦτα βασιλεύσας Ἀρκάδων ὕστερον ἔδωκε δίκην φωραθείς, οἱ δ’ οὐκέτ’ ἦσαν; ἢ τίν’ Ὀρχομενίων τοῖς ἀποβαλοῦσι παῖδας καὶ φίλους καὶ οἰκείους ὑπὸ Λυκίσκου προδοθέντας ἤνεγκε παραμυθίαν ἡ χρόνοις ὕστερον πολλοῖς [549] [a] ἁψαμένη νόσος κατανεμηθεῖσα τοῦ σώματος, ὅσον ἀεὶ βάπτων καὶ βρέχων εἰς τὸν ποταμὸν ὤμοσε καὶ κατηράσατο σαπῆναι προδόντος αὐτοῦ καὶ ἀδικήσαντος; τὰς μὲν γὰρ Ἀθήνησι τῶν ἐναγῶν σωμάτων ῥίψεις καὶ νεκρῶν ἐξορισμοὺς οὐδὲ παίδων παισὶν ἐπιδεῖν ὑπῆρξε τῶν ἀποσφαγέντων ἐκείνων. ὅθεν Εὐριπίδης ἄτοπος εἰς ἀποτροπὴν κακίας τούτοις χρώμενος (fr. 979)·

‘οὔτοι προσελθοῦσ’ ἡ Δίκη σε, μὴ τρέσῃς,
παίσει πρὸς ἧπαρ οὐδὲ τῶν ἄλλων βροτῶν
τὸν ἄδικον, ἀλλὰ σῖγα καὶ βραδεῖ ποδὶ
στείχουσα μάρψει τοὺς κακούς, ὅταν τύχῃ.’

[b] οὐ γὰρ ἄλλα δήπου, ταῦτα δ’ αὐτὰ τοὺς κακοὺς εἰκός ἐστιν ἑαυτοῖς διακελευομένους καὶ παρεγγυῶντας ἐπιχειρεῖν τοῖς παρανομήμασιν, ὡς τῆς ἀδικίας τὸν μὲν καρπὸν εὐθὺς ὡραῖον καὶ προὔπτον ἀποδιδούσης, τὴν δὲ τιμωρίαν ὀψὲ καὶ πολὺ τῆς ἀπολαύσεως καθυστεροῦσαν.’

Ταῦτα τοῦ Πατροκλέου διελθόντος ἐπιβαλὼν ὁ Ὀλύμπιχος ‘ἐκεῖνο δ’’ εἶπεν ‘ὦ Πατροκλέα, πηλίκον αἱ περὶ ταῦτα τοῦ θείου διατριβαὶ καὶ μελλήσεις ἄτοπον ἔχουσιν, ὅτι τὴν πίστιν ἡ βραδυτὴς ἀφαιρεῖ τῆς προνοίας, καὶ τὸ μὴ παρ’ ἕκαστον ἀδίκημα τοῖς πονηροῖς ἐπακολουθοῦν [c] κακὸν ἀλλ’ ὕστερον εἰς ἀτυχήματος χώραν τιθέμενοι καὶ συμφορὰν οὐ τιμωρίαν ὀνομάζοντες οὐθὲν ὠφελοῦνται, τοῖς μὲν συμβαίνουσιν ἀχθόμενοι τοῖς δὲ πεπραγμένοις μὴ μεταμελόμενοι; καθάπερ γὰρ ἵππον ἡ παραχρῆμα τὸ πταῖσμα καὶ τὴν ἁμαρτίαν διώκουσα πληγὴ καὶ νύξις ἐπανορθοῖ καὶ μετάγει πρὸς τὸ δέον, οἱ δ’ ὕστερον καὶ μετὰ χρόνον σπαραγμοὶ καὶ ἀνακρούσεις καὶ περιψοφήσεις ἑτέρου τινὸς ἕνεκα μᾶλλον δοκοῦσι γίνεσθαι ἢ διδασκαλίας, δι’ ὃ τὸ λυποῦν ἄνευ τοῦ παιδεύειν ἔχουσιν, οὕτως ἡ καθ’ ἕκαστον ὧν πταίει καὶ προσπίπτει ῥαπιζομένη καὶ ἀνακρουομένη τῷ κολάζεσθαι κακία μόλις ἂν γένοιτο σύννους [d] καὶ ταπεινὴ καὶ κατάφοβος πρὸς τὸν θεὸν ὡς ἐφεστῶτα τοῖς ἀνθρωπίνοις πράγμασι καὶ πάθεσιν οὐχ ὑπερήμερον δικαιωτήν· ἡ δ’ ἀτρέμα καί ‘βραδεῖ ποδί’ κατ’ Εὐριπίδην (cf. p. 397, 3) καὶ ὡς ἔτυχεν ἐπιπίπτουσα Δίκη τοῖς πονηροῖς τῷ αὐτομάτῳ μᾶλλον ἢ τῷ κατὰ πρόνοιαν ὅμοιον ἔχει τὸ πεπλανημένον καὶ ὑπερήμερον καὶ ἄτακτον. ὥστ’ οὐχ ὁρῶ, τί χρήσιμον ἔνεστι τοῖς ὀψὲ δὴ τούτοις ἀλεῖν λεγομένοις μύλοις τῶν θεῶν καὶ ποιοῦσι τὴν δίκην ἀμαυρὰν καὶ τὸν φόβον ἐξίτηλον τῆς κακίας.’

φίλος, ἐν πολλῇ βιώσας ἀκολασίᾳ τὸν πρῶτον χρόνον εἶτα ταχὺ τὴν οὐσίαν ἀπολέσας ἤδη χρόνον τινὰ καὶ διὰ τὴν ἀνάγκην ἐγένετο πονηρός, καὶ τὸν πλοῦτον ἐκ μετανοίας διώκων ταὐτὸ τοῖς ἀκολάστοις ἔπασχε πάθος, οἳ τὰς γυναῖκας ἔχοντες μὲν οὐ φυλάττουσι, προέμενοι δὲ πειρῶσιν αὖθις ἀδίκως ἑτέροις συνούσας [διαφθείρειν]. οὐδενὸς οὖν ἀπεχόμενος αἰσχροῦ φέροντος εἰς ἀπόλαυσιν ἢ κέρδος οὐσίαν μὲν οὐ πολλὴν δόξαν δὲ πονηρίας ἐν ὀλίγῳ πλείστην συνήγαγε. μάλιστα δ' αὐτὸν διέβαλεν ἀνενεχθεῖσά τις ἐξ Ἀμφιλόχου μαντεία. πέμψας [d] γὰρ ὡς ἔοικεν ἠρώτα τὸν θεόν, εἰ βέλτιον βιώσεται τὸν ἐπίλοιπον βίον· ὁ δ' ἀνεῖλεν ὅτι πράξει βέλτιον, ὅταν ἀποθάνῃ. καὶ δὴ τρόπον τινὰ τοῦτο μετ' οὐ πολὺν χρόνον αὐτῷ συνέπεσε. κατενεχθεὶς γὰρ ἐξ ὕψους τινὸς εἰς τράχηλον οὐ γενομένου τραύματος ἀλλὰ πληγῆς μόνον ἐξέθανε, καὶ τριταῖος ἤδη περὶ τὰς ταφὰς αὐτὰς ἀνήνεγκε. ταχὺ δὲ ῥωσθεὶς καὶ παρ' αὑτῷ γενόμενος ἄπιστόν τινα τοῦ βίου τὴν μεταβολὴν ἐποίησεν. οὔτε γὰρ δικαιότερον περὶ τὰ συμβόλαια γινώσκουσιν ἕτερον Κίλικες ἐν τοῖς τότε χρόνοις γενόμενον, οὔτε πρὸς τὸ θεῖον ὁσιώτερον οὔτε λυπηρότερον ἐχθροῖς ἢ βεβαιότερον φίλοις· ὥστε καὶ [e] ποθεῖν τοὺς ἐντυγχάνοντας αὐτῷ τὴν αἰτίαν ἀκοῦσαι τῆς διαφορᾶς, οὐκ ἀπὸ τοῦ τυχόντος οἰομένους γεγονέναι διακόσμησιν εἰς ἦθος τοσαύτην. ὅπερ ἦν ἀληθές, ὡς αὐτὸς διηγεῖτο τῷ τε Πρωτογένει καὶ τοῖς ὁμοίως ἐπιεικέσι τῶν φίλων.

Ἐπεὶ γὰρ ἐξέπεσε τὸ φρονοῦν τοῦ σώματος, οἷον ἄν τις ἐκ πλοίου κολυμβητὴς εἰς βυθὸν ἀπορριφεὶς πάθοι τὸ πρῶτον, οὕτως ὑπὸ τῆς μεταβολῆς ἔσχεν· εἶτα μικρὸν ἐξαρθεὶς ἔδοξεν ἀναπνεῖν ὅλος καὶ περιορᾶν πανταχόθεν, ὥσπερ ἑνὸς ὄμματος ἀνοιχθείσης τῆς ψυχῆς. ἑώρα δὲ τῶν πρότερον οὐδὲν ἀλλ' ἢ τὰ ἄστρα παμμεγέθη καὶ ἀπέχοντα [f] πλῆθος ἀλλήλων ἄπλετον, αὐγήν τε τῇ χρόᾳ θαυμαστὴν ἀφιέντα καὶ τόνον ἔχουσαν, ὥστε τὴν ψυχὴν ἐποχουμένην λείως πλοῖον ὥσπερ ἐν γαλήνῃ τῷ φωτὶ ῥᾳδίως πάντῃ καὶ ταχὺ διαφέρεσθαι. τὰ δὲ πλεῖστα τῶν θεαμάτων παραλιπὼν ἔφη τὰς ψυχὰς τῶν τελευτώντων κάτωθεν ἀνιούσας [564] [a] πομφόλυγα φλογοειδῆ ποιεῖν ἐξισταμένου τοῦ ἀέρος, εἶτα ῥηγνυμένης ἀτρέμα τῆς πομφόλυγος ἐκβαίνειν τύπον ἐχούσας ἀνθρωποειδῆ τὸν δ' ὄγκον εὐσταλεῖς, κινουμένας δ' οὐχ ὁμοίως, ἀλλὰ τὰς μὲν ἐκπηδᾶν ἐλαφρότητι θαυμαστῇ καὶ διᾴττειν ἐπ' εὐθείας ἄνω, τὰς δ' ὥσπερ οἱ ἄτρακτοι περιστρεφομένας ἅμα κύκλῳ, καὶ τοτὲ μὲν κάτω τοτὲ δ' ἄνω ῥεπούσας μικτήν τινα ‹φορὰν› φέρεσθαι καὶ τεταραγμένην [καὶ] πολλῷ πάνυ χρόνῳ καὶ μόλις ἀποκαθισταμένην. τὰς μὲν οὖν πολλὰς ἠγνόει τίνες εἰσί, δύο δ' ἢ τρεῖς ἰδὼν γνωρίμους ἐπειρᾶτο προσμῖξαι καὶ προσειπεῖν· αἱ δ' οὔτ' ἤκουον οὔτ' ἦσαν παρ' ἑαυταῖς, ἀλλ' ἔκφρονες καὶ [b] διεπτοημέναι, πᾶσαν ὄψιν ἀποφεύγουσαι καὶ ψαῦσιν

ἐρέμβοντο πρῶτον αὐταὶ καθ’ ἑαυτάς, εἶτα πολλαῖς ὁμοίως διακειμέναις ἐντυγχάνουσαι καὶ περιπλεκόμεναι φοράς τε πάσας πρὸς οὐδὲν ἀκρίτως ἐφέροντο καὶ φωνὰς ἵεσαν ἀσήμους, οἷον ἀλαλαγμοῖς θρήνου καὶ φόβου μεμιγμένας. ἄλλαι δ’ ἄνωθεν ἐν ‹τῷ› καθαρῷ τοῦ περιέχοντος ὀφθῆναί τε φαιδραὶ καὶ πρὸς ἀλλήλας ὑπ’ εὐμενείας θαμὰ πελάζουσαι τὰς δὲ θορυβώδεις ἐκείνας ἐκτρεπόμεναι διεσήμαινον ὡς ἔοικε συστολῇ μὲν εἰς αὑτὰς τὸ δυσχεραῖνον, ἐκπετάσει δὲ καὶ διαχύσει τὸ χαῖρον καὶ προσιέμενον.

Ἐνταῦθα μίαν ἔφη ‹γνῶναι› συγγενοῦς τινος, οὐ [c] μέντοι σαφῶς· ἀποθανεῖν γὰρ ἔτι παιδὸς ὄντος· ἀλλ’ ἐκείνην προσαγαγοῦσαν ἐγγὺς εἰπεῖν ‘χαῖρε, Θεσπέσιε.’ θαυμάσαντος δ’ αὐτοῦ καὶ φήσαντος ὡς οὐ Θεσπέσιος ἀλλ’ Ἀριδαῖός ἐστι, ‘πρότερόν γε’ φάναι, ‘τὸ δ’ ἀπὸ τοῦδε Θεσπέσιος. οὐδὲ γάρ τοι τέθνηκας, ἀλλὰ μοίρᾳ τινὶ θεῶν ἥκεις δεῦρο τῷ φρονοῦντι, τὴν δ’ ἄλλην ψυχὴν ὥσπερ ἀγκύριον ἐν τῷ σώματι καταλέλοιπας. σύμβολον δέ σοι καὶ νῦν καὶ αὖθις ἔστω τὸ τὰς ψυχὰς τῶν τεθνηκότων μήτε σκιὰν ποιεῖν μήτε σκαρδαμύττειν.’ ταῦτ’ ἀκούσας ὁ Θεσπέσιος ἤδη τε μᾶλλον ἑαυτὸν τῷ λογίζεσθαι συνήγαγε καὶ [d] διαβλέψας εἶδεν ἑαυτῷ μὲν [τινα] συναιωρουμένην ἀμυδράν τινα καὶ σκιώδη γραμμήν, ἐκείνους δὲ περιλαμπομένους κύκλῳ καὶ διαφανεῖς ἐντός, οὐ μὴν ὁμοίως ἅπαντας· ἀλλὰ τοὺς μέν, ὥσπερ ἡ καθαρωτάτη πανσέληνος, ἓν χρῶμα λεῖον καὶ συνεχὲς ὁμαλῶς ἱέντας, ἑτέρων δὲ φολίδας τινὰς διατρεχούσας ἢ μώλωπας ἀραιούς, ἄλλους δὲ κομιδῇ ποικίλους καὶ ἀτόπους τὴν ὄψιν, ὥσπερ οἱ ἔχεις μελάσμασι κατεστιγμένους, ἄλλους δέ τινας ἀμβλείας ἀμυχὰς ἔχοντας.

Ἔλεγεν οὖν ἕκαστα φράζων ὁ τοῦ Θεσπεσίου συγγενὴς (οὐδὲν γὰρ οὕτω κωλύει τὰς ψυχὰς ὀνόματι τῶν [e] ἀνθρώπων προσαγορεύειν), ὡς Ἀδράστεια μέν, Ἀνάγκης καὶ Διὸς θυγάτηρ, ἐπὶ πᾶσι τιμωρὸς ἀνωτάτω τέτακται τοῖς ἀδικήμασι. καὶ τῶν πονηρῶν οὔτε μέγας ‹οὕτως› οὐδεὶς οὔτε μικρὸς γέγονεν ὥστ’ ἢ λαθὼν διαφυγεῖν ἢ βιασάμενος. ἄλλῃ δ’ ἄλλη τιμωρία τριῶν οὐσῶν φύλακι καὶ χειρουργῷ προσήκει· τοὺς μὲν γὰρ εὐθὺς ἐν σώμασι καὶ διὰ σωμάτων κολαζομένους μεταχειρίζεται Ποινὴ ταχεῖα, πρᾴῳ τινὶ τρόπῳ καὶ παραλείποντι πολλὰ τῶν καθαρμοῦ δεομένων· ὧν δὲ μεῖζόν ἐστιν ἔργον ἡ περὶ τὴν κακίαν [f] ἰατρεία, τούτους Δίκῃ μετὰ τὴν τελευτὴν ὁ δαίμων παραδίδωσι· τοὺς δὲ πάμπαν ἀνιάτους ἀπωσαμένης τῆς Δίκης ἡ τρίτη καὶ ἀγριωτάτη τῶν Ἀδραστείας ὑπουργῶν Ἐρινύς, μεταθέουσα πλανωμένους καὶ περιφεύγοντας ἄλλον ἄλλως οἰκτρῶς δὲ καὶ χαλεπῶς ἅπαντας ἠφάνισε καὶ κατέδυσεν εἰς τὸ ἄρρητον καὶ ἀόρατον. ΠΕΡΙ ΕΙΜΑΡΜΕΝΗΣ

[568] Τὰ περὶ τῆς εἱμαρμένης δοκοῦνθ' ἡμῖν ὡς οἷόν τε σαφῶς [c] καὶ συντόμως πειράσομαι ἐπιστεῖλαί σοι, φίλτατε Πείσων, ἐπειδὴ σὺ τοῦτ' ἠξίωσας οὐκ ἀγνοῶν ἣν ἔχω πρὸς τὸ γράφειν εὐλάβειαν.

Πρῶτον τοίνυν ἴσθι, ὅτι εἱμαρμένη διχῶς καὶ λέγεται καὶ νοεῖται· ἡ μὲν γάρ ἐστιν ἐνέργεια ἡ δ' οὐσία. πρῶτον μὲν οὖν ἐνέργειαν τύπῳ ὑπέγραψεν ὁ Πλάτων ἔν τε τῷ Φαίδρῳ (248c) λέγων 'θεσμός τε Ἀδραστείας ὅδε, ἥτις ἂν ‹ψυχὴ› θεῷ ξυνοπαδὸς γενομένη ...' ἔν τε τῷ Τιμαίῳ (41e) 'νόμους' οὓς ἐπὶ τῇ τοῦ παντὸς φύσει ὁ θεὸς εἶπε ταῖς ἀθανάτοις ψυχαῖς· ἐν δὲ τῇ Πολιτείᾳ (617d) [d] 'Ἀνάγκης θυγατρὸς κόρης Λαχέσεως λόγον' φησὶν εἶναι τὴν εἱμαρμένην, οὐ τραγικῶς ἀλλὰ θεολογικῶς τὸ ἀρέσκον αὑτῷ ἀποφαινόμενος. εἰ δὲ κοινότερον ἐθέλοι τις ταῦτα μεταλαβὼν ὑπογράψαι, ὡς μὲν ἐν Φαίδρῳ, λέγοιτ' ἂν ἡ εἱμαρμένη λόγος θεῖος ἀπαράβατος δι' αἰτίαν ἀνεμπόδιστον, ὡς δ' ἐν τῷ Τιμαίῳ, νόμος ἀκόλουθος τῇ τοῦ παντὸς φύσει, καθ' ὃν διεξάγεται τὰ γινόμενα τοῦτο γὰρ ἡ Λάχεσις ἐργάζεται, ἡ τῆς Ἀνάγκης ἀληθῶς θυγάτηρ, ὡς καὶ πρότερον παρελάβομεν καὶ ὕστερον ἔτι μᾶλλον εἰσόμεθ' ἐν τοῖς [e] κατὰ σχολὴν λόγοις. ἥδε μὲν οὖν ἡ κατ' ἐνέργειαν εἱμαρμένη, ἡ ‹δὲ› κατ' οὐσίαν ἔοικεν εἶναι σύμπασ' ἡ τοῦ κόσμου ψυχὴ τριχῇ διανεμηθεῖσα, εἴς τε τὴν ἀπλανῆ μοῖραν καὶ εἰς τὴν πλανᾶσθαι νομιζομένην καὶ τρίτην [εἰς] τὴν ὑπουράνιον τὴν περὶ γῆν ὑπάρχουσαν· ὧν ἡ μὲν ἀνωτάτω Κλωθὼ προσαγορεύεται, ἡ δὲ μετ' αὐτὴν Ἄτροπος, ἡ κατωτάτω δ' αὖ Λάχεσις, δεχομένη μὲν τὰς οὐρανίας τῶν ἀδελφῶν ἐνεργείας, συμπλέκουσα δὲ καὶ διαδιδοῦσα ταύτας εἰς τὰ ὑπ' αὐτῇ τεταγμένα τὰ ἐπίγεια. δυνάμει μὲν οὖν εἴρηται, ὁποῖα χρὴ λέγεσθαι περὶ τῆς κατ' οὐσίαν [f] εἱμαρμένης· καὶ γὰρ ἥτις ἐστὶ καὶ πόση τις καὶ ὁποία καὶ ὅπως τέτακται καὶ ὅπως ἔχει αὐτή τε πρὸς ἑαυτὴν καὶ δὴ καὶ πρὸς ἡμᾶς, ὡς ἐν ἐπιτομῇ εἴρηται· τὰ δὲ καθ' ἕκαστα περὶ τούτων ὁ ἕτερος μῦθος ὁ ἐν τῇ Πολιτείᾳ μετρίως αἰνίττεται, καὶ ἡμεῖς εἰς δύναμίν σοι ταῦτ' ἐπειράθημεν ἐξηγήσασθαι.

Πάλιν γε μὴν τὴν κατ' ἐνέργειαν εἱμαρμένην ἀναλαβόντες λέγωμεν· περὶ γὰρ ταύτην τὰ πολλὰ ζητήματα φυσικά τε καὶ ἠθικὰ καὶ διαλεκτικὰ τυγχάνει ὄντα. τίς μὲν οὖν ἐστιν, ἐπιεικῶς ἀφώρισται· ὁποία δ' ἐστίν, ἑξῆς [569] [a] ῥητέον, εἰ καὶ πολλοῖς ἄτοπον φαίνεται. ἀπείρων γὰρ ἐξ ἀπείρου καὶ εἰς ἄπειρον ‹ὄντων› τῶν γινομένων τὰ πάντα περιβαλοῦσ' ἐν κύκλῳ ἡ εἱμαρμένη οὐκ ἄπειρος ἀλλὰ πεπερασμένη ἐστίν· οὔτε γὰρ νόμος οὔτε λόγος οὔτε τι

θεῖον ἄπειρον ἂν εἴη. ἔτι δ' ἂν μάθοις τὸ λεγόμενον νοήσας τήν τε ὅλην περίοδον καὶ τὸν σύμπαντα χρόνον, 'ὅταν τῶν ὀκτὼ περιόδων' ὥς φησιν ὁ Τίμαιος (39d) 'τὰ πρὸς ἄλληλα συμπερανθέντα τάχη σχῇ κεφαλήν, τῷ ‹τοῦ› ταὐτοῦ καὶ ὁμοίως ἰόντος ἀναμετρηθέντα κύκλῳ.' ἐν γὰρ τούτῳ τῷ χρόνῳ ὡρισμένῳ τ' ὄντι καὶ θεωρουμένῳ πάνθ' [b] ὅσα τε κατ' οὐρανὸν ἅ τ' ἐπὶ τὴν γῆν ἐξ ἀνάγκης ἄνωθεν συνίσταται, πάλιν μὲν εἰς τὸ αὐτὸ καταστήσεται, πάλιν δ' ἐξ ἀρχῆς ὅλα κατὰ τὰ αὐτὰ ὡσαύτως ἀποδοθήσεται. μόνη γοῦν ἡ κατ' οὐρανὸν σχέσις αὐτή τε πρὸς ἑαυτὴν κατὰ πάντα τεταγμένη πρός τε τὴν γῆν καὶ πρὸς τὰ ἐπίγεια πάντα διὰ μακρῶν περιόδων πάλιν ἐπανήξει ποτέ· αἵ τε μετ' αὐτὴν ἐφεξῆς καὶ [ἐχόμεναι ἀλλήλαις] ἐχομένως παρέσονται, ἑκάστη τὰ αὑτῆς ἐξ ἀνάγκης φέρουσαι. ἔστω δὲ πρὸς τὸ σαφὲς τῶν περὶ ἡμᾶς νῦν ὄντων, ὅτι οὐ συμβαίνει ἀπὸ τῶν οὐρανίων ὡς πάντων αἰτιῶν ὄντων καὶ [c] τὸ ἐμὲ γράφειν νυνὶ τάδε καὶ ὡδὶ σέ τε πράττειν ἅπερ καὶ ὅπως τυγχάνεις πράττων· †πάλιν τοίνυν ἐπειδὰν ἡ αὐτὴ ἀφίκηται αἰτία, τὰ αὐτὰ καὶ ὡσαύτως οἱ αὐτοὶ γενόμενοι πράξομεν, οὕτω δὲ καὶ πάντες ἄνθρωποι· καὶ τά θ' ἑξῆς κατὰ τὴν ἑξῆς αἰτίαν γενήσεται καὶ πραχθήσεται, καὶ πάνθ' ὅσα ‹καὶ› κατὰ μίαν τὴν ὅλην περίοδον καὶ καθ' ἑκάστην τῶν ὅλων, ὡσαύτως ἀποδοθήσεται. φανερὸν τοίνυν ἤδη ὅ τι ἔφαμεν, τὴν εἱμαρμένην ἄπειρον τρόπον τινὰ οὖσαν μὴ ἄπειρον εἶναι, καὶ τό γε ῥηθέν, ὅτι κύκλος τίς ἐστι, μετρίως που κατῶπται· ὡς γὰρ καὶ ἡ τοῦ κύκλου κίνησις ὅ τε ταύτην παραμετρῶν χρόνος κύκλος τίς ἐστιν, οὕτω καὶ τῶν κατὰ κύκλον γινομένων ὁ λόγος κύκλος ἂν νομισθείη.

[d] Σχεδὸν μὲν οὖν καὶ τοῦτο δηλοῖ, ὁποῖόν τι τυγχάνει ἡ εἱμαρμένη, πλὴν οὐχ ἥ γε κατὰ μέρος οὐδ' ἡ καθ' ἕκαστα. ποία τις οὖν καὶ ἥδε κατ' αὐτὸ δὴ τὸ εἶδος τοῦ λόγου; ἔστι τοίνυν, ὡς ἄν τις εἰκάσαι, οἷος ὁ πολιτικὸς νόμος, ‹ὃς› πρῶτον μὲν τὰ πλεῖστα, εἰ καὶ μὴ πάντα, ἐξ ὑποθέσεως προστάττει, ἔπειτα μὴν καθόλου τὰ πόλει προσήκοντα εἰς δύναμιν περιλαμβάνει. πάλιν δὴ τούτων ἑκάτερον ὁποῖόν τί ἐστι, σκεπτέον. ἀκολούθως τοίνυν ὁ πολιτικὸς νόμος περί τ' ἀριστέως καὶ λιποτάκτου διαλέγεται καὶ περὶ τῶν ἄλλων ὡσαύτως, ἀλλ' οὐ περὶ τοῦδ' ἢ τοῦδ' ‹ᾗ› νόμιμόν ἐστιν, ἀλλὰ τὰ μὲν καθόλου προηγουμένως, [e] τὰ δ' ὑποπίπτοντα τούτοις ἑπομένως. καὶ γὰρ τὸ τιμῆσαι τόνδε τινὰ ἠριστευκότα καὶ τὸ κολάσαι τόνδε τινὰ λιποτακτήσαντα νόμιμον ἂν φήσαιμεν, ὡς δυνάμει καὶ περὶ τούτων διατεταγμένου τοῦ νόμου, ὃν τρόπον ὁ ἰατρικὸς καὶ ὁ γυμναστικὸς ὡς εἰπεῖν νόμος δυνάμει τὰ καθ' ἕκαστα τοῖς ὅλοις συμπεριλαμβάνει· οὕτω δὲ καὶ ὁ τῆς φύσεως νόμος τὰ μὲν καθόλου προηγουμένως, τὰ δὲ καθ' [f] ἕκαστα ἑπομένως. ἔστι θ' εἱμαρμένα τρόπον τινὰ καὶ ταῦτα, ὄντ' ἐκείνοις συνειμαρμένα. τάχα δ' ἄν τις τῶν ἄγαν ἀκριβολογουμένων τὰ τοιαῦτα καὶ τοὐναντίον φαίη προηγούμενα

συντετάχθαι τὰ καθ’ ἕκαστα, εἶναί τε τούτων ἕνεκα καὶ τὸ καθόλου, προηγεῖσθαι δὲ τῶν ἕνεκά του τὸ οὗ ἕνεκα. ἀλλὰ περὶ μὲν τούτων ἐν ἄλλοις σκεπτέον· ὅτι δ’ οὐ πάντα καθαρῶς οὐδὲ διαρρήδην ἡ εἱμαρμένη περιέχει ἀλλ’ ὅσα καθόλου, τοῦτο δὴ ἐν τῷ παρόντι ῥηθὲν πρός τε τὸν ἑξῆς λόγον καὶ τὸν ὀλίγον ἔμπροσθεν χώραν ἔχει. [570] [a] τὸ μὲν γὰρ ὡρισμένον οἰκεῖον τῇ θείᾳ φρονήσει ἐν τῷ καθόλου μᾶλλον θεωρεῖται (τοιοῦτος μέντοι γε ὁ θεῖος νόμος καὶ ὁ πολιτικός), τὸ δ’ ἄπειρον ἐν τῷ καθ’ ἕκαστα.

μετὰ δὴ ταῦτα, οἷον μέν ἐστι ‹τὸ› ἐξ ὑποθέσεως, ὅτι δὲ τοιοῦτον καὶ ἡ εἱμαρμένη, ὁριζέσθω. ἐξ ὑποθέσεως δὴ ἔφαμεν τὸ μὴ καθ’ ἑαυτὸ τιθέμενον, ἀλλά πως ἑτέρῳ τινὶ ὡς ἀληθῶς ὑποτεθέν, ὁπόσα ἀκολουθίαν σημαίνει. ‘θεσμός τε Ἀδραστείας ὅδε· ἥτις ἂν ψυχὴ συνοπαδὸς γενομένη κατίδῃ τι τῶν ἀληθῶν, μέχρι τῆς ἑτέρας περιόδου εἶναι ἀπήμονα· κἂν ἀεὶ δύνηται τοῦτο ποιεῖν, ‹ἀεὶ› [b] ἀβλαβῆ εἶναι’ (Plat. Phaedr. 248c). τοιοῦτον μὲν δὴ τὸ ἐξ ὑποθέσεως ἅμα καὶ καθόλου. ὅτι δὲ καὶ ἡ εἱμαρμένη τοιοῦτον τυγχάνει ὄν, ἔκ τε τῆς οὐσίας αὐτῆς καὶ ἐκ τῆς προσηγορίας δῆλον. εἱμαρμένη τε γὰρ προσαγορεύεται ὡς ἂν εἰρομένη τις· θεσμὸς δὲ καὶ νόμος ὑπάρχει τῷ τὰ ἀκόλουθα τοῖς γινομένοις πολιτικῶς διατετάχθαι.

Ἑξῆς δὲ σκεπτέον καὶ τὰ κατὰ τὸ πρός τι, πῶς μὲν πρὸς τὴν πρόνοιαν ἡ εἱμαρμένη ἔχει, πῶς δὲ πρὸς τὴν τύχην καὶ τό γ’ ἐφ’ ἡμῖν καὶ τὸ ἐνδεχόμενον καὶ ὅσα τοιαῦτα· [c] πρὸς δὲ τούτῳ διωρίσθω, πῇ μὲν ἀληθὲς πῇ δὲ ψεῦδος τό ‘πάντα καθ’ εἱμαρμένην.’ εἰ μὲν οὖν τὸ ἐν τῇ εἱμαρμένῃ πάντα περιέχεσθαι δηλοῖ, συγχωρητέον εἶναι ἀληθές· εἴ θ’ ὅσα περὶ ἀνθρώπους εἴτε κατὰ γῆν ἅπαντα εἴτε κατ’ οὐρανὸν γινόμενα βούλεταί τις ἐν τῇ εἱμαρμένῃ τίθεσθαι, καὶ ταῦθ’ ὡς πρὸς τὸ παρὸν συγκεχωρήσθω· εἰ δ’, ὅπερ καὶ μᾶλλον ἐμφαίνει, τὸ καθ’ εἱμαρμένην οὐχ ἅπαντα, ἀλλ’ αὐτὸ μόνον τὸ ἑπόμενον αὐτῇ σημαίνει, οὐ πάντα ῥητέον καθ’ εἱμαρμένην, οὐδ’ εἰ καθ’ εἱμαρμένην πάντα. οὐδὲ γὰρ νόμιμα οὐδὲ κατὰ νόμον πάνθ’ ὁπόσα περιείληφεν ὁ νόμος· καὶ γὰρ προδοσίαν καὶ λιποταξίαν καὶ μοιχείαν [d] καὶ πολλὰ ἕτερα τοιαῦτα περιλαμβάνει, ὧν οὐδὲν ἄν τις εἴποι νόμιμον, ὁπότ’ οὐδὲ τὸ ἀριστεῦσαι ἢ τυραννοκτονῆσαι ἤ τι ἄλλο κατορθῶσαι φαίην ἂν ἔγωγε νόμιμον. τὸ μὲν γὰρ δὴ νόμιμον πρόσταγμα νόμου ἐστί· τὰ δ’ εἴπερ ὁ νόμος προστάττει, πῶς οὐκ ἂν ἀπειθοῖεν καὶ παρανομοῖεν οἵ γε μὴ ἀριστεύοντες καὶ τυραννοκτονοῦντες καὶ ὅσοι τὰ τοιαῦτα μὴ κατορθοῦσιν; ἢ πῶς, εἰ παράνομοι οἵδε, οὐ δίκαιον κολάζειν τοὺς τοιούτους; εἴ γε μὴν ταῦτα λόγον οὐκ ἔχει, μόνα ῥητέον νόμιμά τε καὶ κατὰ νόμον τὰ ὑπὸ τοῦ νόμου ὁρισθέντ’ ἐπὶ τοῖς ὁπωσοῦν πραττομένοις· [e] μόνα δ’ εἱμαρμένα καὶ καθ’ εἱμαρμένην τὰ ἀκόλουθα τοῖς ἐν τῇ θείᾳ διατάξει προηγησαμένοις. ὥστε πάντα μὲν τὰ γινόμεν’ ἡ

εἱμαρμένη περιλαμβάνει, πολλὰ δὲ τῶν ἐν αὐτῇ καὶ σχεδὸν ὅσα προηγεῖται οὐκ ὀρθὸν λέγειν καθ' εἱμαρμένην.

Τούτων δ' οὕτως ἐχόντων ἑξῆς ῥητέον, ὡς τό γ' ἐφ' ἡμῖν καὶ ἡ τύχη τό τε δυνατὸν καὶ τὸ ἐνδεχόμενον καὶ τὰ τούτων συγγενῆ ταχθέντα ἐν τοῖς προηγουμένοις αὐτά τε σῴζοιτ' ἂν καὶ τὴν εἱμαρμένην σῴζοι. ἡ μὲν γὰρ εἱμαρμένη πάντα περιέχει καθάπερ καὶ δοκεῖ· τὰ δ' οὐκ ἐξ [f] ἀνάγκης γενήσεται, ἀλλ' ἕκαστον αὐτῶν οἷον καὶ πέφυκεν εἶναι. πέφυκε δὲ τὸ δυνατὸν ὡς γένος προϋφεστάναι τοῦ ἐνδεχομένου, τὸ ‹δ'› ἐνδεχόμενον ὡς ὕλη τῶν ἐφ' ἡμῖν προϋποκεῖσθαι, τὸ δ' ἐφ' ἡμῖν ὡς κύριον χρῆσθαι τῷ ἐνδεχομένῳ· ἡ δὲ τύχη παρεμπίπτει τῷ ἐφ' ἡμῖν διὰ τὴν ἐφ' ἑκάτερα ῥοπὴν τοῦ ἐνδεχομένου. μάθοις δ' ἂν τὸ λεγόμενον σαφῶς ἐννοήσας, ὡς τὸ γινόμενον ἅπαν καὶ ἡ γένεσις [571] [a] αὐτὴ οὐ δίχα δυνάμεως, ἡ δὲ δύναμις οὐκ ἄνευ οὐσίας. οἷον ‹ἀνθρώπου› εἴτε γένεσις εἴτε γενητὸν οὐκ ἄνευ τῆς δυνάμεως, αὕτη δὲ περὶ ἄνθρωπον, οὐσία δ' ὁ ἄνθρωπος. ἀπὸ δὲ τῆς δυνάμεως μεταξὺ οὔσης ἡ μὲν οὐσία δυνάμενον, ἡ δὲ γένεσις καὶ τὸ γινόμενον ἄμφω δυνατά. τριῶν τοίνυν τούτων, δυνάμεως καὶ δυναμένου καὶ δυνατοῦ, δυνάμεως μὲν ὡς τὸ εἶναι προϋπόκειται τὸ δυνάμενον, δυνατοῦ δ' ἡ δύναμις προϋφίσταται. σαφὲς μὲν οὖν καὶ οὕτως τὸ δυνατόν· τύπῳ δ' ἂν ἀφορισθείη κοινότερον μὲν τὸ κατὰ δύναμιν πεφυκὸς γίνεσθαι, κυριώτερον δὲ ταὐτὸ τοῦτο, ὁπόταν μηδὲν ἔξωθεν ἔχῃ πρὸς τὸ [b] γίνεσθαι ἐμποδών. τῶν δὲ δυνατῶν τὰ μὲν οὐκ ἂν κωλυθείη ποτέ, ὥσπερ τὰ κατ' οὐρανόν, ἀνατολαὶ καὶ δύσεις καὶ τὰ τούτοις παραπλήσια· τὰ δ' οἷά τε κωλυθῆναί ἐστιν, ὡς πολλὰ μὲν τῶν ἀνθρωπίνων πολλὰ δὲ καὶ τῶν μεταρσίων. τὰ μὲν οὖν πρότερ' ὡς ἐξ ἀνάγκης γινόμεν' ἀναγκαῖα προσαγορεύεται, ἃ δέ πως τοὐναντίον ἐπιδέχεται ἐνδεχόμενα. ἀφορίζοιτο δ' ἂν κατὰ ταῦτα· τὸ μὲν ἀναγκαῖον δυνατὸν τὸ ἀντικείμενον ἀδυνάτῳ, τὸ δ' ἐνδεχόμενον δυνατόν, οὗ καὶ τὸ ἀντικείμενον δυνατόν. τὸ μὲν γὰρ [c] καταδῦναι τὸν ἥλιον ἀναγκαῖόν θ' ἅμα καὶ δυνατόν, ἀντίκειται ‹γὰρ› ἀδύνατον τὸ μὴ καταδῦναι· τὸ δὲ καταδύντος ἡλίου ὄμβρον γενέσθαι ‹καὶ μὴ γενέσθαι›, ἀμφότερα δυνατὰ καὶ ἐνδεχόμενα. πάλιν δὲ καὶ ἐπὶ τοῦ ἐνδεχομένου, τὸ μὲν ὡς ἐπὶ τὸ πολύ, τὸ δ' ὡς ἐπ' ἔλαττον, τὸ δ' ὡς ἐπίσης καὶ ὁπότερον ἔτυχε· τοῦτο μὲν φανερὸν ὡς αὐτὸ αὑτῷ ἀντιτέτακται, τὸ δὲ ὡς ἐπὶ τὸ πολὺ καὶ ἐπ' ἔλαττον ἀλλήλοις· καὶ ταῦτα μὲν ἐπὶ τῇ φύσει τὸ πλεῖστον, ἐφ' ἡμῖν δὲ τὸ ἐπίσης. τὸ μὲν γὰρ ὑπὸ κύνα καῦμ' ἢ ψῦχος, ‹ὧν τὸ μὲν› ὡς ἐπὶ τὸ πολὺ τὸ δ' ὡς ἐπ' ἔλαττον, τῇ φύσει ἄμφω ὑποτέτακται· τὸ δὲ περιπατεῖν [d] καὶ μὴ καὶ ὅσα τοιαῦτα, ὧν ἑκάτερον ἐπί‹σης›, τῇ ἀνθρωπίνῃ ὁρμῇ ὑποτέτακται, ὃ δὴ ἐφ' ἡμῖν καὶ κατὰ προαίρεσιν λέγεται. γενικώτερον δὲ μᾶλλον τὸ ἐφ' ἡμῖν· δύο γὰρ ἔχει εἴδη, τό τ' ἐκ

ΠΕΡΙ ΤΟΥ ΣΩΚΡΑΤΟΥΣ ΔΑΙΜΟΝΙΟΥ

[575] Α. Ζωγράφου τινός, ὦ Καφισία, ‹μέμνημαί ποτε› περὶ τῶν θεωμένων τοὺς γεγραμμένους πίνακας λόγον [b] οὐ φαῦλον ἀκούσας ἐν εἰκόνι λελεγμένον. ἔφη γὰρ ἐοικέναι τοὺς μὲν ἰδιώτας καὶ ἀτέχνους θεατὰς ὄχλον ὁμοῦ πολὺν ἀσπαζομένοις, τοὺς δὲ κομψοὺς καὶ φιλοτέχνους καθ’ ἕκαστον ἰδίᾳ τῶν ἐντυγχανόντων προσαγορεύουσι. τοῖς μὲν γὰρ οὐκ ἀκριβὴς ἀλλὰ τύπῳ τινὶ γίγνεται μόνον ἡ τῶν ἀποτελεσμάτων σύνοψις, τοὺς δὲ τῇ κρίσει κατὰ μέρος τὸ ἔργον διαλαμβάνοντας οὐδὲν ἀθέατον οὐδ’ ἀπροσφώνητον ἐκφεύγει τῶν καλῶς ἢ τοὐναντίον γεγονότων. οἶμαι δὴ καὶ περὶ τὰς ἀληθινὰς πράξεις ὁμοίως τῷ μὲν [c] ἀργοτέρῳ τὴν διάνοιαν ἐξαρκεῖν πρὸς ἱστορίαν, εἰ τὸ κεφάλαιον αὐτὸ καὶ τὸ πέρας πύθοιτο τοῦ πράγματος, τὸν δὲ φιλότιμον καὶ φιλόκαλον τῶν ὑπ’ ἀρετῆς ὥσπερ τέχνης μεγάλης ἀπειργασμένων θεατὴν τὰ καθ’ ἕκαστα μᾶλλον εὐφραίνειν, ‹ὡς› τοῦ μὲν τέλους πολλὰ κοινὰ πρὸς τὴν τύχην ἔχοντος, τοὺς δ’ ἐν ταῖς αἰτίαις καὶ τοῖς .... μέρους ἀγῶνας ἀρετῆς πρὸς τὰ συντυγχάνοντα καὶ τόλμας ἔμφρονας παρὰ τὰ δεινὰ καθορῶντα καιρῷ καὶ πάθει μεμιγμένου [d] λογισμοῦ. τούτου δὴ τοῦ γένους τῶν θεατῶν καὶ ἡμᾶς ὑπολαμβάνων εἶναι δίελθέ τε τὴν πρᾶξιν ἡμῖν ἀπ’ ἀρχῆς ὡς ἐπράχθη καὶ τοῦ λόγου ‹μετάδος ὃν ἀκούομεν› γενέσθαι ‹τότε σοῦ› παρόντος, ὡς ἐμοῦ μηδ’ ἂν εἰς Θήβας ἐπὶ τούτῳ κατοκνήσαντος ἐλθεῖν, εἰ μὴ καὶ νῦν Ἀθηναίοις πέρα τοῦ δέοντος ἐδόκουν βοιωτίζειν.

Κ. Ἀλλ’ ἔδει μέν, ὦ Ἀρχίδαμε, σοῦ δι’ εὔνοιαν οὕτω προθύμως τὰ πεπραγμένα μαθεῖν σπουδάζοντος ἐμέ ‘καὶ ἀσχολίας ὑπέρτερον θέσθαι’ κατὰ Πίνδαρον (Isthm. Κ. Εὖ λέγεις. ἀλλὰ τίς ἂν ὑμῖν μέτριος ἀρχὴ γένοιτο τῆς διηγήσεως πρὸς ἃς ἴστε πράξεις;

Α. Ἡμεῖς, ὦ Καφισία, σχεδὸν ὡς εἶχον αἱ Θῆβαι πρὸ τῆς καθόδου τῶν φυγάδων ἐπιστάμεθα. καὶ γάρ, ὡς οἱ περὶ Ἀρχίαν καὶ Λεοντίδην Φοιβίδαν πείσαντες ἐν σπονδαῖς καταλαβεῖν τὴν Καδμείαν τοὺς μὲν ἐξέβαλον τῶν [576] [a] πολιτῶν τοὺς δὲ φόβῳ κατεῖργον ἄρχοντες αὐτοὶ παρανόμως καὶ βιαίως, ἔγνωμεν ἐνταῦθα τῶν περὶ Μέλωνα καὶ Πελοπίδαν, ὡς οἶσθα, ἰδιόξενοι γενόμενοι καὶ παρ’ ὃν χρόνον ἔφευγον ἀεὶ συνδιατρίβοντες αὐτοῖς· καὶ πάλιν ὡς Λακεδαιμόνιοι Φοιβίδαν μὲν ἐζημίωσαν ἐπὶ τῷ τὴν Καδμείαν καταλαβεῖν καὶ τῆς εἰς Ὄλυνθον στρατηγίας ἀπέστησαν, Λυσανορίδαν δὲ τρίτον αὐτὸν ἀντ’ ἐκείνου πέμψαντες ἐγκρατέστερον ἐφρούρουν τὴν ἄκραν, ἠκούσαμεν· ἔγνωμεν δὲ καὶ τὸν Ἰσμηνίαν οὐ τοῦ βελτίστου θανάτου τυχόντ’ εὐθὺς ἀπὸ τῆς δίκης τῆς περὶ αὐτοῦ γενομένης, [b] Γοργίδου πάντα τοῖς φυγάσι δεῦρο διὰ γραμμάτων ἐξαγγείλαντος. ὥστε σοι λείπεται τὰ περὶ τὴν κάθοδον αὐτὴν τῶν φίλων καὶ τὴν κατάλυσιν τῶν τυράννων διηγεῖσθαι.

Κ. Καὶ μὴν ἐκείναις γε ταῖς ἡμέραις, ὦ Ἀρχίδαμε, πάντες οἱ τῶν πραττομένων μετέχοντες εἰώθειμεν εἰς τὴν Σιμμίου συνιόντες οἰκίαν ἔκ τινος πληγῆς περὶ τὸ σκέλος ἀναλαμβάνοντος αὐτὸν ἐντυγχάνειν μὲν ἀλλήλοις εἴ του δεήσειε, φανερῶς δὲ διατρίβειν ἐπὶ λόγοις καὶ φιλοσοφίᾳ, πολλάκις ἐφελκόμενοι τὸν Ἀρχίαν καὶ τὸν Λεοντίδην εἰς τὸ ἀνύποπτον οὐκ ὄντας ἀλλοτρίους παντάπασι τῆς [c] τοιαύτης διατριβῆς. καὶ γὰρ ὁ Σιμμίας πολὺν χρόνον ἐπὶ τῆς ξένης γεγονὼς καὶ πεπλανημένος ἐν ἀλλοδαποῖς ἀνθρώποις ὀλίγῳ πρόσθεν εἰς Θήβας ἀφῖκτο μύθων τε παντοδαπῶν καὶ λόγων βαρβαρικῶν ὑπόπλεως· ὧν ὁπότε τυγχάνοι σχολὴν ἄγων ὁ Ἀρχίας, ἡδέως ἠκροᾶτο συγκαθιεὶς μετὰ τῶν νέων καὶ βουλόμενος ἡμᾶς ἐν λόγοις διάγειν μᾶλλον ἢ προσέχειν τὸν νοῦν οἷς ἔπραττον ἐκεῖνοι. τῆς δ’ ἡμέρας ἐκείνης, ἐν ᾗ σκότους ἔδει γενομένου τοὺς φυγάδας ἥκειν κρύφα πρὸς τὸ τεῖχος, ἀφικνεῖταί τις ἐνθένδε Φερενίκου πέμψαντος ἄνθρωπος οὐδενὶ τῶν παρ’ ἡμῖν ἢ Χάρωνι γνώριμος· ἐδήλου δὲ τῶν φυγάδων ὄντας δώδεκα τοὺς νεωτάτους μετὰ κυνῶν περὶ τὸν Κιθαιρῶνα [d] θηρεῦσαι ὡς πρὸς ἑσπέραν ἀφιξομένους· αὐτὸς δὲ πεμφθῆναι ταῦτά τε προερῶν καὶ τὴν οἰκίαν ἐν ᾗ κρυβήσονται παρελθόντες, ὃς παρέξει, γνωσόμενος, ὡς ἂν εἰδότες εὐθὺς ἐκεῖ βαδίζοιεν. ἀπορουμένων δ’ ἡμῶν καὶ σκοπούντων αὐτὸς ὡμολόγησεν ὁ Χάρων παρέξειν. ὁ μὲν οὖν ἄνθρωπος ἔγνω πάλιν ἀπελθεῖν σπουδῇ πρὸς τοὺς φυγάδας· ἐμοῦ δ’ ὁ μάντις Θεόκριτος τὴν χεῖρα πιέσας σφόδρα καὶ πρὸς τὸν

Χάρωνα βλέψας προερχόμενον 'οὗτος,' εἶπεν 'ὦ Καφισία, φιλόσοφος οὐκ ἔστιν οὐδὲ μετείληφε παιδείας διαφόρου καὶ περιττῆς ὥσπερ Ἐπαμεινώνδας ὁ σὸς ἀδελφός· ἀλλ' ὁρᾷς, ὅτι φύσει πρὸς τὸ [e] καλὸν ὑπὸ τῶν νόμων ἀγόμενος τὸν μέγιστον ὑποδύεται κίνδυνον ἑκουσίως ὑπὲρ τῆς πατρίδος. Ταῦτά μου διαλεγομένου πρὸς τὸν Θεόκριτον διέκρουσεν ὁ Γαλαξίδωρος, ἐγγὺς γὰρ ‹Ἀρχίαν ἔδειξε› καὶ Λυσανορίδαν τὸν Σπαρτιάτην ἀπὸ τῆς Καδμείας ὥσπερ [b] εἰς ταὐτὸν ἡμῖν σπεύδοντας. ἡμεῖς μὲν οὖν ἐπέσχομεν, ὁ δ' Ἀρχίας καλέσας τὸν Θεόκριτον καὶ τῷ Λυσανορίδᾳ προσαγαγὼν ἰδίᾳ ‹διε›λάλει πολὺν χρόνον ἐκνεύσας τῆς ὁδοῦ μικρὸν ὑπὸ τὸ Ἄμφιον, ὥσθ' ἡμᾶς ἀγωνιᾶν, μή τις ὑπόνοια προσπέπτωκεν ἢ μήνυσις αὐτοῖς, περὶ ἧς ἀνακρίνουσι τὸν Θεόκριτον. ἐν τούτῳ δὲ Φυλλίδας, ὃν οἶσθ', ὦ Ἀρχίδαμε, τότε τοῖς περὶ τὸν Ἀρχίαν πολεμαρχοῦσι γραμματεύων .... ἤξειν καὶ τῆς πράξεως μετέχων, λαβόμενός μου τῆς χειρὸς ὥσπερ εἰώθει φανερῶς ἔσκωπτεν εἰς τὰ γυμνάσια καὶ τὴν πάλην, εἶτα πόρρω τῶν ἄλλων ἀπαγαγὼν ἐπυνθάνετο περὶ τῶν φυγάδων, εἰ τὴν ἡμέραν φυλάττουσιν.

[c] ἐμοῦ δὲ φήσαντος 'οὐκοῦν' εἶπεν 'ὀρθῶς ἐγὼ τὴν ὑποδοχὴν παρεσκεύακα σήμερον ὡς δεξόμενος Ἀρχίαν καὶ παρέξων ἐν οἴνῳ καὶ μέθῃ τοῖς ἀνδράσιν εὐχείρωτον.' 'ἄριστα μὲν οὖν,' εἶπον 'ὦ Φυλλίδα, καὶ πειράθητι πάντας ἢ ‹τούς γε› πλείους εἰς ταὐτὸ τῶν ἐχθρῶν συναγαγεῖν.'

‘ἀλλ’ οὐ ῥᾴδιον,’ ἔφη ‘μᾶλλον δ’ ἀδύνατον· ὁ γὰρ Ἀρχίας ἐλπίζων τινὰ τῶν ἐν ἀξιώματι γυναικῶν ἀφίξεσθαι τηνικαῦτα πρὸς αὐτὸν οὐ βούλεται παρεῖναι τὸν Λεοντίδην. ὥσθ’ ἡμῖν δίχα διαιρετέον αὐτοὺς ἐπὶ τὰς οἰκίας· Ἀρχίου [d] γὰρ ἅμα καὶ Λεοντίδου προκαταληφθέντων οἶμαι τοὺς ἄλλους ἐκποδὼν ἔσεσθαι φεύγοντας ἢ μενεῖν μεθ’ ἡσυχίας ἀγαπῶντας ἄν τις διδῷ τὴν ἀσφάλειαν.’ ‘οὕτως’ ἔφην ‘ποιήσομεν. ἀλλὰ τί πρᾶγμα τούτοις πρὸς Θεόκριτόν ἐστιν, ὑπὲρ οὗ διαλέγονται;’ καὶ ὁ Φυλλίδας ‘οὐ σαφῶς’ εἶπεν ‹’ἔχω λέγειν› οὐδ’ ὡς ἐπιστάμενος, ἤκουον δὲ σημεῖα καὶ μαντεύματα δυσχερῆ καὶ χαλεπὰ προτεθεσπίσθαι τῇ Σπάρτῃ.’ ... κομιδῇ γελοῖόν ἐστι μὴ τῆς σαρκὸς πυνθάνεσθαι τί πέπονθε μηδὲ τῆς ψυχῆς εἰ διὰ τὸ σύμπτωμα τοῦτο χείρων γέγονεν, ἀλλὰ τοῖς ἔξωθεν συναχθομένοις καὶ συναγανακτοῦσι διδασκάλοις χρῆσθαι τῆς λύπης.

Ὅθεν αὐτοὶ καθ’ αὑτοὺς γινόμενοι τῶν συμπτωμάτων ὥσπερ φορτίων ἑκάστου τὸν σταθμὸν ἐξετάζωμεν.

[d] τὸ μὲν γὰρ σῶμα πιέζεται τῷ τοῦ βαρύνοντος ἄχθει, ἡ δὲ ψυχὴ τοῖς πράγμασι πολλάκις τὸ βάρος ἐξ αὑτῆς προστίθησιν. ὁ λίθος φύσει σκληρός, ὁ κρύσταλλος φύσει ψυχρός ἐστιν, οὐκ ἔξωθεν εἰκῆ ταύτας τὰς ἀντιτυπίας ἐπιφέροντες καὶ τὰς πήξεις· φυγὰς δὲ καὶ ἀδοξίας καὶ τιμῶν ἀποβολάς, ὥσπερ αὖ τἀναντία, στεφάνους καὶ ἀρχὰς καὶ προεδρίας, οὐ τὴν αὑτῶν φύσιν ἀλλὰ τὴν ἡμετέραν κρίσιν μέτρον ἔχοντα τοῦ λυπεῖν καὶ εὐφραίνειν ἕκαστος ἑαυτῷ κοῦφα καὶ βαρέα καὶ ῥᾴδια φέρειν ποιεῖ καὶ τοὐναντίον. ἔξεστι δ’ [e] ἀκούειν τοῦ μὲν Πολυνείκους ἀποκρινομένου πρὸς τὸ ἐρώτημα τοῦτο (Eur. ‘τί τὸ στέρεσθαι πατρίδος; ἦ κακὸν μέγα;’

[f] τὸ γὰρ αὐτὸ πρᾶγμα τῷ μὲν εὔχρηστον ἡ δόξα καθάπερ νόμισμα δόκιμον, τῷ δὲ δύσχρηστον καὶ βλαβερὸν ἐποίησεν.

Ἔστω δὲ δεινόν, ὥσπερ οἱ πολλοὶ λέγουσι καὶ ᾄδουσιν, ἡ φυγή. καὶ γὰρ τῶν βρωμάτων πικρὰ πολλὰ καὶ δριμέα καὶ δάκνοντα τὴν αἴσθησίν ἐστιν, ἀλλὰ μιγνύντες αὐτοῖς ἔνια τῶν γλυκέων καὶ προσηνῶν τὴν ἀηδίαν ἀφαιροῦμεν. ἔστι δὲ καὶ χρώματα λυπηρὰ τῇ ὄψει, πρὸς ἃ γίνεται τὸ συγχεῖσθαι καὶ μαραυγεῖν διὰ σκληρότητα [600] [a] καὶ βίαν ἄκρατον. εἰ τοίνυν ἴαμα τῆς δυσχρηστίας ἐκείνης ἐμίξαμεν τὴν σκιὰν αὐτοῖς ἢ τὴν ὄψιν ἀπεστρέψαμεν ἐπί τι τῶν χλοερῶν καὶ προσηνῶν, τοῦτ' ἔξεστι ποιεῖν καὶ πρὸς τὰ συμπτώματα, κεραννύντας αὐτοῖς τὰ χρήσιμα καὶ φιλάνθρωπα τῶν νυνί σοι παρόντων, εὐπορίαν φίλους ἀπραγμοσύνην τὸ μηδὲν ἐνδεῖν τῶν ἀναγκαίων πρὸς τὸν βίον. οὐ γὰρ οἶμαι πολλοὺς εἶναι Σαρδιανῶν, οἳ μὴ τὰ σὰ πράγματα καὶ μετὰ φυγῆς μᾶλλον ἐθελήσουσιν αὑτοῖς ὑπάρχειν καὶ ἀγαπήσουσιν ἐπὶ ξένης οὕτω διάγοντες [b] ἢ καθάπερ οἱ κοχλίαι τοῖς ὀστράκοις συμφυεῖς ὄντες ἄλλο δὲ μηδὲν ἀγαθὸν ἔχοντες τῶν οἴκοι μετέχειν ἀλύπως. ὥσπερ οὖν ἐν κωμῳδίᾳ τις ἠτυχηκότα φίλον θαρρεῖν καὶ τὴν τύχην ἀμύνεσθαι παρακαλῶν ἐρομένου 'τίνα τρόπον;' ἀποκρίνεται 'φιλοσόφως,' οὕτω καὶ ἡμεῖς αὐτὴν ἀμυνώμεθα φιλοσοφοῦντες ἀξίως· (Com. adesp. 118)

'τὸν Δία δὲ πῶς ὕοντα; τὸν βορέαν δὲ πῶς;'

πῦρ ζητοῦμεν βαλανεῖον ἱμάτιον στέγην· καὶ γὰρ οὐχ ὑόμενοι καθήμεθ' οὐδὲ κλαίομεν. καὶ σοὶ τοίνυν παρ' ὀντιναοῦν ἔστι τὸ κατεψυγμένον τοῦτο τοῦ βίου μέρος ἀναζωπυρεῖν καὶ ἀναθάλπειν ἑτέρων βοηθημάτων μὴ δεόμενον ἀλλὰ χρώμενον εὐλογίστως τοῖς παροῦσιν. αἱ μὲν [c] γὰρ ἰατρικαὶ σικύαι τὸ φαυλότατον ἐκ τοῦ σώματος ἀναλαμβάνουσαι κουφίζουσι καὶ σῴζουσι τὸ λοιπόν, οἱ δὲ φιλόλυποι καὶ φιλαίτιοι τῷ τὰ χείριστα τῶν ἰδίων συνάγειν ἀεὶ καὶ διαλογίζεσθαι καὶ προστετηκέναι τοῖς ἀνιαροῖς ἄχρηστα καὶ τὰ χρήσιμα ποιοῦσιν ἑαυτοῖς, ἐν ᾧ μάλιστα καιρῷ βοηθεῖν πέφυκε. τοὺς γὰρ δοιοὺς πίθους, ὦ φίλε, οὓς Ὅμηρος (Ω 527 sqq.) ἔφη κηρῶν ἐμπλείους ἐν οὐρανῷ κεῖσθαι τὸν μὲν ἀγαθῶν τὸν δὲ φαύλων, οὐχ ὁ Ζεὺς ταμιεύων κάθηται καὶ μεθιεὶς τοῖς μὲν ἤπια καὶ μεμιγμένα [d] τοῖς δ' ἄκρατα ῥεύματα τῶν κακῶν, ἀλλ' ἡμῶν αὐτῶν οἱ μὲν νοῦν ἔχοντες ἐκ τῶν ἀγαθῶν τοῖς κακοῖς ἐπαρυτόμενοι τὸν βίον ποιοῦσιν ἡδίω καὶ ποτιμώτερον, τοῖς δὲ πολλοῖς ὥσπερ ἠθμοῖς ἐμμένει καὶ προσίσχεται τὰ φαυλότατα τῶν βελτιόνων

Οἷόν ἐστιν ἡ νῦν σοι παροῦσα μετάστασις ἐκ τῆς νομιζομένης πατρίδος. φύσει γὰρ οὐκ ἔστι πατρίς, ὥσπερ οὐδ' οἶκος οὐδ' ἀγρὸς οὐδὲ χαλκεῖον, ὡς Ἀρίστων (St. V. Fr. ὁ δὲ Σωκράτης βέλτιον, οὐκ Ἀθηναῖος οὐδ' Ἕλλην ἀλλὰ κόσμιος εἶναι φήσας, ὡς ἄν τις Ῥόδιος εἶπεν ἢ Κορίνθιος, [601] [a] ὅτι μηδὲ Σουνίῳ μηδὲ Ταινάρῳ μηδὲ τοῖς Κεραυνίοις ἐνέκλεισεν ἑαυτόν.

'ἥδε δ' ὥστ' ὄνου ῥάχις

ἕστηκεν ὕλης ἀγρίας ἐπιστεφής,'

οὕτω τῆς φυγῆς πρὸς ἓν μέρος τὸ ἄδοξον ἐντεινόμενοι παρορῶμεν τὴν ἀπραγμοσύνην καὶ τὴν σχολὴν καὶ τὴν ἐλευθερίαν. καίτοι τούς γε Περσῶν βασιλέας ἐμακάριζον ἐν Βαβυλῶνι τὸν χειμῶνα διάγοντας, ἐν δὲ Μηδίᾳ τὸ θέρος, ἐν δὲ Σούσοις τὸ ἥδιστον τοῦ ἔαρος. ἔξεστι δήπου καὶ τῷ μεθεστῶτι μυστηρίοις ἐν Ἐλευσῖνι διατρίβειν, Διονυσίοις ἐν ἄστει πανηγυρίζειν, Πυθίων ἀγομένων εἰς Δελφοὺς παρελθεῖν, Ἰσθμίων εἰς Κόρινθον, ἄνπερ ᾖ φιλοθέωρος· [d] εἰ δὲ μή, σχολὴ περίπατος ἀνάγνωσις ὕπνος ἀθορύβητος τὸ τοῦ Διογένους 'Ἀριστοτέλης ἀριστᾷ, ὅταν δοκῇ Φιλίππῳ, Διογένης, ὅταν Διογένει' μήτε πραγματείας μήτ' ἄρχοντος μήθ' ἡγεμόνος τὴν συνήθη δίαιταν περισπῶντος.

Διὰ τοῦτο τῶν φρονιμωτάτων καὶ σοφωτάτων ὀλίγους ἂν εὕροις ἐν ταῖς ἑαυτῶν πατρίσι κεκηδευμένους, οἱ δὲ πλεῖστοι μηδενὸς ἀναγκάζοντος αὐτοὶ τὸ ἀγκύριον ἀράμενοι μεθωρμίσαντο τοὺς βίους καὶ μετέστησαν οἱ μὲν εἰς Ἀθήνας οἱ δ' ἐξ Ἀθηνῶν. τίς γὰρ εἴρηκε τῆς ἑαυτοῦ πατρίδος ἐγκώμιον τοιοῦτον, οἷον Εὐριπίδης;

'ᾗ πρῶτα μὲν λεὼς οὐκ ἐπακτὸς ἄλλοθεν,

[e] αὐτόχθονες δ' ἔφυμεν· αἱ δ' ἄλλαι πόλεις

πεσσῶν ὁμοίως διαφορηθεῖσαι βολαῖς

ἄλλαι παρ' ἄλλων εἰσὶν εἰσαγώγιμοι.' (fr. 360)

'εἰ δ' ‹οὖν› πάρεργον χρή τι κομπάσαι, γύναι,

οὐρανὸν ὑπὲρ γῆς ἔχομεν εὖ κεκραμένον,

ἵν' οὔτ' ἄγαν πῦρ οὔτε χεῖμα συμπίτνει.

ἃ δ' Ἑλλὰς Ἀσία τ' ἐκτρέφει κάλλιστα, γῆς

δέλεαρ ἔχοντες ‹τῆσδε› συνθηρεύομεν·' (fr. 981)

ἀλλ’ ὁ ταῦτα γράψας εἰς Μακεδονίαν ᾤχετο καὶ παρ’ Ἀρχελάῳ κατεβίωσεν. ἀκήκοας δὲ δήπου καὶ τουτὶ τὸ ἐπιγραμμάτιον (PL. II p. 241)

[f] ‘Αἰσχύλον Εὐφορίωνος Ἀθηναῖον τόδε κεύθει
μνῆμα καταφθίμενον πυροφόροιο Γέλας·’

καὶ γὰρ καὶ οὗτος εἰς Σικελίαν ἀπῆρε καὶ Σιμωνίδης πρότερον. τὸ δ’ ‘Ἡροδότου Ἁλικαρνασσέως ἱστορίης ἀπόδεξις ἥδε’ πολλοὶ μεταγράφουσιν ‘Ἡροδότου Θουρίου’· μετῴκησε γὰρ εἰς Θουρίους καὶ τῆς ἀποικίας ἐκείνης [605] [a] μετέσχε. τὸ δ’ ἱερὸν καὶ δαιμόνιον ἐν μούσαις πνεῦμα, ‘Φρυγίας κοσμήτορα μάχας,’ Ὅμηρον οὐ τοῦτο πεποίηκε πολλαῖς ἀμφισβητήσιμον πόλεσιν, ὅτι μὴ μιᾶς ἐστιν ἐγκωμιαστής; καὶ ξενίου Διὸς πολλαὶ τιμαὶ καὶ μεγάλαι.

εἰ δὲ φήσει τις ὅτι δόξαν οὗτοι καὶ τιμὰς ἐθήρευον, ἐπὶ τοὺς σοφοὺς ἐλθὲ καὶ τὰς σοφὰς Ἀθήνησι σχολὰς καὶ διατριβάς· ἀναπέμπασαι τὰς ἐν Λυκείῳ τὰς ἐν Ἀκαδημείᾳ τὴν Στοὰν τὸ Παλλάδιον τὸ Ὠιδεῖον. εἰ τὴν Περιπατητικὴν ἀσπάζῃ μάλιστα καὶ τεθαύμακας, Ἀριστοτέλης [b] ἦν ἐκ Σταγίρων, Θεόφραστος ἐξ Ἐρέσου, Στράτων ἐκ Λαμψάκου, Λύκων ἐκ Τρωάδος, Ἀρίστων ἐκ Κέω, Κριτόλαος Φασηλίτης· εἰ τὴν Στωικήν, Ζήνων Κιτιεύς, Κλεάνθης Ἄσσιος, Χρύσιππος Σολεύς, Διογένης Βαβυλώνιος, Ἀντίπατρος Ταρσεύς, ὁ δ’ Ἀθηναῖος Ἀρχέδημος εἰς τὴν Πάρθων μεταστὰς ἐν Βαβυλῶνι Στωικὴν διαδοχὴν ἀπέλιπε. τίς οὖν τούτους ἐδίωξεν; οὐδείς· ἀλλ’ αὐτοὶ διώκοντες ἡσυχίαν, ἧς οὐ πάνυ μέτεστιν οἴκοι τοῖς ἡντιναοῦν δόξαν ἢ δύναμιν ἔχουσι, τὰ μὲν ἄλλα λόγοις τοῦτο δ’ ἔργοις ἡμᾶς διδάσκουσι. καὶ γὰρ νῦν οἱ δοκιμώτατοι καὶ κράτιστοι ζῶσιν ἐπὶ ξένης οὐ μετασταθέντες [c] ἀλλὰ μεταστάντες οὐδὲ φυγαδευθέντες ἀλλὰ φυγόντες αὐτοὶ πράγματα καὶ περισπασμοὺς καὶ ἀσχολίας, ἃς αἱ πατρίδες φέρουσι. καὶ γὰρ τοῖς παλαιοῖς ὡς ἔοικεν αἱ Μοῦσαι τὰ κάλλιστα τῶν συνταγμάτων καὶ δοκιμώτατα φυγὴν λαβοῦσαι συνεργὸν ἐπετέλεσαν. ‘Θουκυδίδης Ἀθηναῖος συνέγραψε τὸν πόλεμον τῶν Πελοποννησίων καὶ Ἀθηναίων’ (I 1) ἐν Θρᾴκῃ περὶ τὴν Σκαπτὴν ὕλην, Ξενοφῶν ἐν Σκιλλοῦντι τῆς Ἠλείας, Φίλιστος ἐν Ἠπείρῳ, Τίμαιος ὁ Ταυρομενείτης ἐν Ἀθήναις, Ἀνδροτίων Ἀθηναῖος [d] ἐν Μεγάροις, Βακχυλίδης ὁ Ἰουλιήτης ἐν Πελοποννήσῳ. πάντες οὗτοι καὶ πλείονες ἄλλοι τῶν πατρίδων ἐκπεσόντες οὐκ ἀπέγνωσαν οὐδ’ ἔρριψαν ἑαυτούς, ἀλλ’ ἐχρήσαντο ταῖς εὐφυΐαις ἐφόδιον παρὰ τῆς τύχης τὴν φυγὴν λαβόντες, δι’ ἣν πανταχοῦ καὶ τεθνηκότες μνημονεύονται· τῶν δ’ ἐκβαλόντων καὶ ‹κατα›στασιασάντων οὐδὲ εἷς λόγος οὐδενὸς ἀπολέλειπται. διὸ καὶ γελοῖός ἐστιν ὁ νομίζων ἀδοξίαν τῇ φυγῇ προσεῖναι. τί λέγεις; ἄδοξός ἐστι Διογένης ὃν ἰδὼν Ἀλέξανδρος ἐν ἡλίῳ [e] καθήμενον ἐπιστὰς ἠρώτησεν, εἴ τινος

δεῖται, τοῦ δὲ μηδὲν ἀλλ' ἢ σμικρὸν ἀποσκοτίσαι κελεύσαντος ἐκπλαγεὶς τὸ φρόνημα πρὸς τοὺς φίλους εἶπεν 'εἰ μὴ Ἀλέξανδρος ἤμην, Διογένης ἂν ἤμην'; ἠδόξει δὲ Κάμιλλος ἐκ τῆς Ῥώμης ἐλαυνόμενος, ἧς δεύτερος κτίστης νῦν ἀναγορεύεται; καὶ μὴν Θεμιστοκλῆς οὐ τὴν ἐν τοῖς Ἕλλησι δόξαν φυγὼν ἀπέβαλεν ἀλλὰ τὴν ἐν τοῖς βαρβάροις προσέλαβε· καὶ οὐδείς ἐστιν οὕτως ἀφιλότιμος οὐδ' ἀγεννής, ὃς μᾶλλον ἂν ἐβούλετο Λεωβώτης ὁ γραψάμενος ἢ Θεμιστοκλῆς [f] ὁ φυγαδευθεὶς εἶναι καὶ Κλώδιος ὁ ἐκβαλὼν ἢ Κικέρων ὁ ἐκβληθεὶς καὶ Ἀριστοφῶν ὁ κατηγορήσας ἢ Τιμόθεος ὁ μεταστὰς ἐκ τῆς πατρίδος.

Ἀλλ' ἐπεὶ πολλοὺς τὰ τοῦ Εὐριπίδου κινεῖ δυνατῶς τῆς φυγῆς κατηγορεῖν δοκοῦντος, ἴδωμεν ἃ λέγει καθ' ἕκαστον ἐρωτῶν καὶ ἀποκρινόμενος (Phoen. 388)·

'τί τὸ στέρεσθαι πατρίδος; ἦ κακὸν μέγα;'

'μέγιστον· ἔργῳ δ' ἐστὶ μεῖζον ἢ λόγῳ.'

'τίς ὁ τρόπος αὐτοῦ; τί φυγάσιν τὸ δυστυχές;'

'ἓν μὲν μέγιστον· οὐκ ἔχει παρρησίαν.'

'δούλου τόδ' εἶπας, μὴ λέγειν ἅ τις φρονεῖ.'

[606] [a] 'τὴν τῶν κρατούντων ἀμαθίαν φέρειν χρεών.'

ταῦτα πρῶθ' ‹ὁρᾷς› ὡς οὐκ ὀρθῶς οὐδ' ἀληθῶς ἀξιοῦται. πρῶτον μὲν γὰρ οὐ δούλου τό 'μὴ λέγειν ἅ τις φρονεῖ', ἀλλὰ νοῦν ἔχοντος ἀνδρὸς ἐν καιροῖς καὶ πράγμασιν ἐχεμυθίας καὶ σιωπῆς δεομένοις, ὥσπερ αὐτὸς ἀλλαχόθι βέλτιον εἴρηκε (fr. 413, 2)

'σιγᾶν θ' ὅπου δεῖ καὶ λέγειν ἵν' ἀσφαλές·'

ἔπειτα 'τὴν τῶν κρατούντων ἀμαθίαν' οὐχ ἧττον οἴκοι μένοντας ἢ φεύγοντας ἀνάγκη φέρειν, ἀλλὰ καὶ μᾶλλον πολλάκις οἱ μένοντες τῶν ἀπαλλαγέντων τοὺς ἰσχύοντας [b] ἐν πόλεσιν ἀδίκως τῷ συκοφαντεῖν ἢ βιάζεσθαι δεδίασι. τὸ δὲ μέγιστον καὶ ἀτοπώτατον, εἰ παρρησίαν τῶν φυγάδων ἀφαιρεῖται· θαυμαστὸν γάρ, εἰ Θεόδωρος ἀπαρρησίαστος ἦν, ὃς Λυσιμάχου τοῦ βασιλέως εἰπόντος πρὸς αὐτόν 'ἡ πατρίς σε τοιοῦτον ὄντ' ἐξέβαλε;' 'ναί,' εἶπε 'μὴ δυναμένη φέρειν ὥσπερ ἡ Σεμέλη τὸν Διόνυσον.' ἐπιδείξαντος δ' αὐτῷ Τελεσφόρον ἐν γαλεάγρᾳ τοὺς ὀφθαλμοὺς ἐξορωρυγμένον καὶ περικεκομμένον τὴν ῥῖνα καὶ τὰ ὦτα καὶ τὴν γλῶτταν ἐκτετμημένον καὶ εἰπόντος 'οὕτως ἐγὼ διατίθημι τοὺς κακῶς με ποιοῦντας·' ‹'τί δὲ Θεοδώρῳ μέλει', ἔφη, 'πότερον ὑπὲρ γῆς ἢ ὑπὸ γῆς σήπεται;'› τί δέ; Διογένης οὐκ εἶχε παρρησίαν, ὃς εἰς τὸ Φιλίππου στρατόπεδον [c] παρελθών, ὁπηνίκα μαχούμενος ἐχώρει τοῖς Ἕλλησι, καὶ πρὸς αὐτὸν ἀναχθεὶς ὡς κατάσκοπος· ναί, κατάσκοπος ἔφη ἀφῖχθαι τῆς ἀπληστίας αὐτοῦ καὶ τῆς

ἀφροσύνης ἥκοντος ἐν βραχεῖ καιρῷ διακυβεῦσαι περὶ τῆς ἡγεμονίας ἅμα καὶ τοῦ σώματος; τί δέ; Ἀννίβας ὁ Καρχηδόνιος οὐκ ἐχρῆτο παρρησίᾳ πρὸς Ἀντίοχον βασιλέα ὄντα φυγὰς ὤν, ὁπηνίκα καιροῦ διδόντος ἐκέλευσεν αὐτὸν ἐπιχειρεῖν τοῖς πολεμίοις, τοῦ δὲ θυσαμένου καὶ τὰ σπλάγχνα κωλύειν φάσκοντος ἐπετίμησεν εἰπών ‘σὺ τί κρέας λέγει σκοπεῖς, οὐ τί νοῦν ἔχων ἄνθρωπος;’ ἀλλ’ οὐδὲ γεωμετρῶν φυγὴ παρρησίαν οὐδὲ γραμματικῶν ἀφαιρεῖται, περὶ ὧν ἴσασι [d] καὶ μεμαθήκασι διαλεγομένων, πόθεν γε δὴ καλῶν καὶ ἀγαθῶν ἀνθρώπων; ἀλλὰ τὸ ἀγεννὲς πανταχοῦ τὴν φωνήν ‘ἐμφράττει, τὴν γλῶσσαν ἀποστρέφει, ἄγχει, σιωπᾶν ποιεῖ (Dem. 19, 208).’ τὰ δ’ ἑξῆς τοῦ Εὐριπίδου ποῖά τιν’ ἐστίν; (Phoen. 396)

‘αἱ δ’ ἐλπίδες βόσκουσι φυγάδας, ὡς λόγος.’

‘καλοῖς βλέπουσαί γ’ ὄμμασιν, μέλλουσι δέ.’

καὶ τοῦτο τῆς ἀβελτερίας ἔγκλημα μᾶλλον ἢ τῆς φυγῆς ἐστιν. οὐ γὰρ οἱ μαθόντες οὐδ’ ἐπιστάμενοι χρῆσθαι τοῖς παροῦσιν, ἀλλ’ οἱ ἀεὶ τοῦ μέλλοντος ἐκκρεμάμενοι καὶ γλιχόμενοι τῶν ἀπόντων ὡς ἐπὶ σχεδίας διαφέρονται τῆς [e] ἐλπίδος, κἂν μηδέποτε τοῦ τείχους ἐκτὸς προέλθωσι. (Phoen. 402)

‘φίλοι δὲ πατρὸς καὶ ξένοι σ’ οὐκ ὠφέλουν;’

‘εὖ πρᾶσσε· τὰ φίλων δ’ οὐδέν, ἤν τι δυστυχῇς.’

‘οὐδ’ ηὑγένειά σ’ ᾖρεν εἰς ὕψος μέγα;’

‘κακὸν τὸ μὴ ἔχειν· τὸ γένος [δὲ] οὐκ ἔβοσκέ με.’

ταῦτ’ ἤδη καὶ ἀχάριστα τοῦ Πολυνείκους ἀτιμίαν μὲν εὐγενείας ἀφιλίαν δὲ τῆς φυγῆς κατηγοροῦντος, ὃς διὰ τὴν εὐγένειαν ἠξιώθη μὲν φυγὰς ὢν γάμων βασιλικῶν, φίλων δὲ συμμαχίᾳ καὶ δυνάμει τοσαύτῃ πεφραγμένος ἐστράτευσεν, [f] ὡς αὐτὸς μετὰ μικρὸν ὁμολογεῖ (v. 430)·

‘πολλοὶ ‹δὲ› Δαναῶν καὶ Μυκηναίων ἄκροι
πάρεισι, λυπρὰν χάριν ἀναγκαίαν δ’ ἐμοὶ
διδόντες.’

ὅμοια δὲ καὶ τὰ τῆς μητρὸς ὀλοφυρομένης (v. 344)· ‘ἐγὼ δέ σοι οὔτε πῦρ ἀνῆψα νόμιμον ἐν γάμοις .... ἀνυμέναια δ’ Ἰσμηνὸς ἐκηδεύθη λουτροφόρου χλιδᾶς.’ ταύτην ἔδει χαίρειν καὶ ἀγαπᾶν πυνθανομένην ναίοντα βασίλεια τηλικαῦτα τὸν υἱόν· ἡ δὲ θρηνοῦσα τὴν οὐκ ἀναφθεῖσαν λαμπάδα καὶ τὸν οὐ παρασχόντα λουτρὸν [607] [a] Ἰσμηνόν, ὡς ἐν Ἄργει μήθ’ ὕδωρ τῶν γαμούντων μήτε πῦρ ἐχόντων, τὰ τοῦ τύφου κακὰ καὶ τῆς ἀβελτερίας τῇ φυγῇ περιτίθησιν.

Ἀλλ’ ἐπονείδιστον ὁ φυγάς ἐστι; παρά γε τοῖς ἄφροσιν, οἳ καὶ τὸν πτωχὸν λοιδόρημα ποιοῦνται καὶ τὸν φαλακρὸν καὶ τὸν μικρὸν καὶ νὴ Δία τὸν ξένον καὶ τὸν μέτοικον. ἀλλὰ μὴν οἱ μὴ τούτοις ὑποφερόμενοι θαυμάζουσι τοὺς

'οὐ γὰρ αἷμα' φησίν 'ἡμῖν οὐδὲ πνεῦμα συγκραθέν, ὦ ἄνθρωποι, ψυχῆς οὐσίαν καὶ ἀρχὴν παρέσχεν, ἀλλ' ἐκ τούτων τὸ σῶμα συμπέπλασται γηγενὲς καὶ θνητόν', τῆς δὲ ψυχῆς ἀλλαχόθεν ἡκούσης δεῦρο τὴν γένεσιν ἀποδημίαν ὑποκορίζεται τῷ πραοτάτῳ τῶν ὀνομάτων. τὸ δ' ἀληθέστατον, φεύγει καὶ πλανᾶται θείοις ἐλαυνομένη δόγμασι [e] καὶ νόμοις, εἶθ' ὥσπερ ἐν νήσῳ σάλον ἐχούσῃ πολύν, καθάπερ φησὶν ὁ Πλάτων (Phaedr. 250c), 'ὀστρέου τρόπον' ἐνδεδεμένη τῷ σώματι διὰ τὸ μὴ ἀναφέρειν μηδὲ μνημονεύειν (Emp. fr. 119, 1) 'ἐξ οἵης τιμῆς τε καὶ ὅσσου μήκεος ὄλβου' μεθέστηκεν, οὐ Σάρδεων Ἀθήνας οὐδὲ Κορίνθου Λῆμνον ἢ Σκῦρον ἀλλ' οὐρανοῦ καὶ σελήνης γῆν ἀμειψαμένη καὶ τὸν ἐπὶ γῆς βίον, ἂν μικρὸν ἐνταῦθα τόπον ἐκ τόπου παραλλάξῃ, δυσανασχετεῖ καὶ ξενοπαθεῖ καθάπερ φυτὸν ἀγεννὲς ἀπομαραινομένη. καίτοι φυτῷ μὲν ἔστι τις χώρα μᾶλλον ἑτέρας ἑτέρα πρόσφορος, ἐν ᾗ τρέφεται καὶ βλαστάνει βέλτιον, ἀνθρώπου δ' οὐδεὶς ἀφαιρεῖται τόπος [f] εὐδαιμονίαν, ὥσπερ οὐδ' ἀρετὴν

οὐδὲ φρόνησιν. ἀλλ’ Ἀναξαγόρας (A 38) μὲν ἐν τῷ δεσμωτηρίῳ τὸν τοῦ κύκλου τετραγωνισμὸν ἔγραφε, Σωκράτης δὲ φάρμακον πίνων ἐφιλοσόφει καὶ παρεκάλει φιλοσοφεῖν τοὺς συνήθεις εὐδαιμονιζόμενος ὑπ’ αὐτῶν· τὸν δὲ Φαέθοντα καὶ τὸν Τάνταλον εἰς τὸν οὐρανὸν ἀναβάντας οἱ ποιηταὶ λέγουσι ταῖς μεγίσταις συμφοραῖς περιπεσεῖν διὰ τὴν ἀφροσύνην.

Consolatio ad uxorem

ΠΑΡΑΜΥΘΗΤΙΚΟΣ ΠΡΟΣ ΤΗΝ ΓΥΝΑΙΚΑ

[608] Πλούταρχος τῇ γυναικὶ εὖ πράττειν.

[b] Ὃν ἔπεμψας ἀπαγγελοῦντα περὶ τῆς τοῦ παιδίου τελευτῆς, ἔοικε διημαρτηκέναι καθ’ ὁδὸν εἰς Ἀθήνας πορευόμενος· ἐγὼ δ’ εἰς Τάναγραν ἐλθὼν ἐπυθόμην παρὰ τῆς θυγατριδῆς. τὰ μὲν οὖν περὶ τὴν ταφὴν ἤδη νομίζω γεγονέναι, γεγονότα δ’ ἐχέτω ὥς σοι μέλλει καὶ νῦν ἀλυπότατα καὶ πρὸς τὸ λοιπὸν ἕξειν. εἰ δέ τι βουλομένη μὴ πεποίηκας ἀλλὰ μένεις τὴν ἐμὴν γνώμην, οἴει δὲ κουφότερον οἴσειν γενομένου, καὶ τοῦτ’ ἔσται δίχα πάσης περιεργίας καὶ δεισιδαιμονίας, ὧν ἥκιστά σοι μέτεστι.

Μόνον, ὦ γύναι, τήρει κἀμὲ τῷ πάθει καὶ σεαυτὴν [c] ἐπὶ τοῦ καθεστῶτος. ἐγὼ γὰρ αὐτὸς μὲν οἶδα καὶ ὁρίζω τὸ συμβεβηκὸς ἡλίκον ἐστίν· ἂν δέ σε τῷ δυσφορεῖν ὑπερβάλλουσαν εὕρω, τοῦτό μοι μᾶλλον ἐνοχλήσει τοῦ γεγονότος. καίτοι οὐδ’ αὐτός ‘ἀπὸ δρυὸς οὐδ’ ἀπὸ πέτρης’ ἐγενόμην· οἶσθα δὲ καὶ αὐτὴ τοσούτων μοι τέκνων ἀνατροφῆς κοινωνήσασα, πάντων ἐκτεθραμμένων οἴκοι δι’ αὐτῶν ἡμῶν, τοῦτο δέ, ὅτι καὶ σοὶ ποθούσῃ θυγάτηρ μετὰ τέσσαρας υἱοὺς ἐγεννήθη κἀμοὶ τὸ σὸν ὄνομα θέσθαι παρέσχεν ἀφορμήν, [οἶδα] ἀγαπητὸν διαφερόντως γενόμενον. πρόσεστι δὲ καὶ δριμύτης ἰδία τις τῷ πρὸς τὰ τηλικαῦτα φιλοστόργῳ τὸ εὐφραῖνον αὐτῶν καθαρόν τε ὂν ἀτεχνῶς καὶ πάσης ἀμιγὲς ὀργῆς καὶ μέμψεως. αὕτη [d] δὲ καὶ φύσει θαυμαστὴν ἔσχεν εὐκολίαν καὶ πραότητα, καὶ τὸ ἀντιφιλοῦν καὶ χαριζόμενον αὐτῆς ἡδονὴν ἅμα καὶ κατανόησιν τοῦ φιλανθρώπου παρεῖχεν· οὐ γὰρ μόνον βρέφεσιν ἄλλοις ἀλλὰ καὶ σκεύεσιν, οἷς ἐτέρπετο, καὶ παιγνίοις ἐκέλευε τὴν τίτθην διδόναι [καὶ προσφέρειν τὸν μαστὸν] καὶ προσεκαλεῖτο καθάπερ πρὸς τράπεζαν ἰδίαν ὑπὸ φιλανθρωπίας, μεταδιδοῦσα τῶν καλῶν ὧν εἶχε καὶ τὰ ἥδιστα κοινουμένη τοῖς εὐφραίνουσιν αὐτήν.

Ἀλλ’ οὐχ ὁρῶ, γύναι, διὰ τί ταῦτα καὶ τὰ τοιαῦτα ζώσης μὲν ἔτερπεν ἡμᾶς νυνὶ δ’ ἀνιάσει καὶ συνταράξει λαμβάνοντας ἐπίνοιαν αὐτῶν. ἀλλὰ καὶ δέδια πάλιν, μὴ [e] συνεκβάλωμεν τῷ λυποῦντι τὴν μνήμην, ὥσπερ ἡ Κλυμένη λέγουσα (Eur. fr. 785) ‘μισῶ δ’ ἀγκύλον τόξον κρανείας, γυμνάσιά τ’ †οἴχοιτ’ ἀεί’ φεύγουσα καὶ τρέμουσα τὴν ὑπόμνησιν τοῦ παιδός, ὅτι συμπαροῦσαν λύπην εἶχε· πᾶν γὰρ ἡ φύσις φεύγει τὸ δυσχεραινόμενον. δεῖ δέ, ὥσπερ αὐτὴ πάντων ἥδιστον ἡμῖν ἄσπασμα καὶ θέαμα καὶ ἄκουσμα παρεῖχεν ἑαυτήν, οὕτω καὶ τὴν ἐπίνοιαν αὐτῆς ἐνδιαιτᾶσθαι καὶ συμβιοῦν ἡμῖν πλέον [f] ἔχουσαν μᾶλλον δὲ πολλαπλάσιον τὸ εὐφραῖνον ἢ τὸ λυποῦν·

εἴπερ ἄρα τι τῶν λόγων, οὓς πολλάκις εἰρήκαμεν πρὸς ἑτέρους, εἰκός ἐστι καὶ ἡμῖν ὄφελος ἐν καιρῷ γενέσθαι, καὶ μὴ καθῆσθαι μηδ' ἐγκεκλεῖσθαι πολλαπλασίας ταῖς ἡδοναῖς ἐκείναις λύπας ἀνταποδιδόντας.

Καὶ τοῦτο λέγουσιν οἱ παραγενόμενοι καὶ θαυμάζουσιν, ὡς οὐδ' ἱμάτιον ἀνείληφας πένθιμον οὐδὲ σαυτῇ τινα προσήγαγες ἢ θεραπαινίσιν ἀμορφίαν καὶ αἰκίαν, οὐδ' ἦν παρασκευὴ πολυτελείας πανηγυρικῆς περὶ τὴν ταφήν, ἀλλ' ἐπράττετο κοσμίως πάντα καὶ σιωπῇ μετὰ [609] [a] τῶν ἀναγκαίων. ἐγὼ δὲ τοῦτο μὲν οὐκ ἐθαύμαζον, εἰ μηδέποτε καλλωπισαμένη περὶ θέατρον ἢ πομπὴν ἀλλὰ καὶ πρὸς ἡδονὰς ἄχρηστον ἡγησαμένη τὴν πολυτέλειαν ἐν τοῖς σκυθρωποῖς διεφύλαξας τὸ ἀφελὲς καὶ λιτόν· οὐ γάρ 'ἐν βακχεύμασι (Eur. Bacch. 317)' δεῖ μόνον τὴν σώφρονα μένειν ἀδιάφθορον, ἀλλὰ μηδὲν ἧττον οἴεσθαι τὸν ἐν πένθεσι σάλον καὶ τὸ κίνημα τοῦ πάθους ἐγκρατείας δεῖσθαι διαμαχομένης οὐ πρὸς τὸ φιλόστοργον, ὡς οἱ πολλοὶ νομίζουσιν, ἀλλὰ πρὸς τὸ ἀκόλαστον τῆς ψυχῆς. τῷ μὲν γὰρ φιλοστόργῳ χαριζόμεθα τὸ ποθεῖν καὶ τὸ τιμᾶν [b] καὶ τὸ μεμνῆσθαι τῶν ἀπογενομένων, ἡ δὲ θρήνων ἄπληστος ἐπιθυμία καὶ πρὸς ὀλοφύρσεις ἐξάγουσα καὶ κοπετοὺς αἰσχρὰ μὲν οὐχ ἧττον τῆς περὶ τὰς ἡδονὰς ἀκρασίας, λόγῳ δὲ συγγνώμης ἔτυχεν, ὅτι τὸ λυπηρὸν αὐτῆς καὶ πικρὸν ἀντὶ τοῦ τερπνοῦ τῷ αἰσχρῷ πρόσεστι. τί γὰρ ἀλογώτερον ἢ τὸ γέλωτος μὲν ὑπερβολὰς καὶ περιχαρείας ἀφαιρεῖν, τοῖς δὲ κλαυθμῶν καὶ ὀδυρμῶν ῥεύμασιν ἐκ μιᾶς πηγῆς φερομένων εἰς ἅπαν ἐφιέναι; καὶ περὶ μύρου μὲν ἐνίους καὶ πορφύρας διαμάχεσθαι ταῖς γυναιξί, κουρὰς δὲ συγχωρεῖν πενθίμους καὶ βαφὰς ἐσθῆτος μελαίνας καὶ [c] καθίσεις ἀμόρφους καὶ κατακλίσεις ἐπιπόνους; καί, ὃ δὴ πάντων ἐστὶ χαλεπώτατον, ἂν οἰκέτας ἢ θεραπαινίδας κολάζωσιν ἀμέτρως καὶ ἀδίκως, ἐνίστασθαι καὶ κωλύειν αὐτάς, ὑφ' ἑαυτῶν δ' ὠμῶς κολαζομένας καὶ πικρῶς περιορᾶν ἐν πάθεσι καὶ τύχαις ῥᾳστώνης καὶ φιλανθρωπίας δεομέναις; ἀλλ' ἡμῖν γε, γύναι, πρὸς ἀλλήλους οὔτ' ἐκείνης ἐδέησε τῆς μάχης οὔτε ταύτης οἶμαι δεήσειν. εὐτελείᾳ μὲν γὰρ τῇ περὶ τὸ σῶμα καὶ ἀθρυψίᾳ τῇ περὶ δίαιταν οὐδείς ἐστι τῶν φιλοσόφων, ὃν οὐκ ἐξέπληξας ἐν ὁμιλίᾳ καὶ συνηθείᾳ γενόμενον ἡμῖν, οὐδὲ τῶν πολιτῶν, [d] ᾧ μὴ θέαμα παρέχεις ἐν ἱεροῖς καὶ θυσίαις καὶ θεάτροις τὴν σεαυτῆς ἀφέλειαν. ἤδη δὲ καὶ περὶ τὰ τοιαῦτα πολλὴν εὐστάθειαν ἐπεδείξω τὸ πρεσβύτατον τῶν τέκνων ἀποβαλοῦσα καὶ πάλιν ἐκείνου τοῦ καλοῦ Χαίρωνος ἡμᾶς προλιπόντος. μέμνημαι γὰρ ἀπὸ θαλάσσης ξένους μοι συνοδεύσαντας ἀπηγγελμένης τῆς τοῦ παιδίου τελευτῆς καὶ συνελθόντας ἅμα τοῖς ἄλλοις ἐς τὴν οἰκίαν· ἐπεὶ δὲ πολλὴν κατάστασιν ἑώρων καὶ ἡσυχίαν, ὡς ὕστερον διηγοῦντο καὶ πρὸς ἑτέρους, ᾤοντο μηδὲν εἶναι δεινὸν ἀλλὰ [e] κενὸν ἄλλως ἐξενηνέχθαι λόγον· οὕτω σωφρόνως κατεκόσμησας τὸν οἶκον

ἐν καιρῷ πολλὴν ἀκοσμίας ἐξουσίαν διδόντι, καίτοι τῷ σεαυτῆς ἐκεῖνον ἐξέθρεψας μαστῷ καὶ τομῆς ἠνέσχου τῆς θηλῆς περίθλασιν λαβούσης· γενναῖα [γὰρ] ταῦτα καὶ φιλόστοργα. τὰς δὲ πολλὰς ὁρῶμεν μητέρας, ὅταν ὑπ' ἄλλων τὰ παιδία καθαρθῇ καὶ γανωθῇ, καθάπερ παίγνια λαμβανούσας εἰς χεῖρας, εἶτ' ἀποθανόντων ἐκχεομένας εἰς κενὸν καὶ ἀχάριστον πένθος, οὐχ ὑπ' εὐνοίας (εὐλόγιστον γὰρ εὔνοια καὶ καλόν), ἀλλὰ μικρῷ τῷ φυσικῷ πάθει πολὺ συγκεραννύμενον τὸ πρὸς [f] κενὴν δόξαν ἄγρια ποιεῖ καὶ μανικὰ καὶ δυσεξίλαστα ‹τὰ› πένθη. καὶ τοῦτο φαίνεται μὴ λαθεῖν Αἴσωπον· ἔφη γὰρ οὗτος ὅτι τοῦ Διὸς τὰς τιμὰς διανέμοντος τοῖς θεοῖς ᾔτει καὶ τὸ Πένθος. ἔδωκεν οὖν αὐτῷ, παρὰ τοῖς αἱρουμένοις δὲ μόνοις καὶ θέλουσιν. ἐν ἀρχῇ μὲν οὖν οὕτω τοῦτο γινόμενόν ἐστιν· αὐτὸς γὰρ ἕκαστος εἰσάγει τὸ πένθος ἐφ' ἑαυτόν. ὅταν δ' ἱδρυθῇ χρόνῳ καὶ γένηται σύντροφον καὶ σύνοικον, οὐδὲ πάνυ βουλομένων ἀπαλλάττεται. διὸ δεῖ μάχεσθαι περὶ θύρας αὐτῷ καὶ μὴ προίεσθαι φρουρὰν δι' [610] [a] ἐσθῆτος ἢ κουρᾶς ἤ τινος ἄλλου τῶν τοιούτων, ἃ καθ' ἡμέραν ἀπαντῶντα καὶ δυσωποῦντα μικρὰν καὶ στενὴν καὶ ἀνέξοδον καὶ ἀμείλικτον καὶ ψοφοδεῆ ποιεῖ τὴν διάνοιαν, ὡς οὔτε γέλωτος αὐτῇ μετὸν οὔτε φωτὸς οὔτε φιλανθρώπου τραπέζης τοιαῦτα περικειμένῃ καὶ μεταχειριζομένῃ διὰ τὸ πένθος. ἀμέλειαι δὲ σώματος ἕπονται τῷ κακῷ τούτῳ καὶ διαβολαὶ πρὸς ἄλειμμα καὶ λουτρὸν καὶ τὴν ἄλλην δίαιταν· ὧν πᾶν τοὐναντίον ἔδει τὴν ψυχὴν πονοῦσαν αὐτὴν βοηθεῖσθαι διὰ τοῦ σώματος ἐρρωμένου. πολὺ γὰρ ἀμβλύνεται καὶ χαλᾶται τοῦ λυποῦντος, ὥσπερ [b] [ἐν] εὐδίᾳ κῦμα, τῇ γαλήνῃ τοῦ σώματος διαχεόμενον, ἐὰν δ' αὐχμὸς ἐγγένηται καὶ τραχύτης ἐκ φαύλης διαίτης καὶ μηδὲν εὐμενὲς μηδὲ χρηστὸν ἀναπέμπῃ τὸ σῶμα τῇ ψυχῇ πλὴν ὀδύνας καὶ λύπας ὥσπερ τινὰς πικρὰς καὶ δυσχερεῖς ἀναθυμιάσεις, οὐδὲ βουλομένοις ἔτι ῥᾳδίως ἀναλαβεῖν ἔστι. τοιαῦτα λαμβάνει πάθη τὴν ψυχὴν οὕτω κακωθεῖσαν. καὶ μήν, ὅ γε μέγιστον ἐν τούτῳ καὶ φοβερώτατόν ἐστιν, οὐκ ἂν φοβηθείην 'κακῶν γυναικῶν εἰσόδους' (Eur. Andr. 930) καὶ φωνὰς καὶ συνεπιθρηνήσεις, αἷς ἐκτρίβουσι καὶ παραθήγουσι τὴν λύπην, οὔθ' ὑπ' ἄλλων [c] οὔτ' αὐτὴν ἐφ' ἑαυτῆς ἐῶσαι μαρανθῆναι. γινώσκω γὰρ ποίους ἔναγχος ἀγῶνας ἠγωνίσω τῇ Θέωνος ἀδελφῇ βοηθοῦσα καὶ μαχομένη ταῖς μετ' ὀλοφυρμῶν καὶ ἀλαλαγμῶν ἔξωθεν ἐπιούσαις, ὥσπερ ἀτεχνῶς πῦρ ἐπὶ πῦρ φερούσαις. τὰς μὲν γὰρ οἰκίας τῶν φίλων ὅταν καιομένας ἴδωσι, σβεννύουσιν ὡς ἔχει τάχους ἕκαστος ἢ δυνάμεως, ταῖς δὲ ψυχαῖς φλεγομέναις αὐτοὶ προσφέρουσιν ὑπεκκαύματα. καὶ τῷ μὲν ὀφθαλμιῶντι τὰς χεῖρας οὐκ ἐῶσι προσάγειν τὸν βουλόμενον οὐδ' ἅπτονται τοῦ φλεγμαίνοντος, ὁ δὲ πενθῶν κάθηται παντὶ τῷ προστυχόντι παρέχων [d] ὥσπερ ῥεῦμα κινεῖν καὶ διαγριαίνειν τὸ πάθος ἐκ μικροῦ τοῦ γαργαλίζοντος

καὶ κινοῦντος εἰς πολλὴν καὶ δυσχερῆ κάκωσιν ἀναξαινόμενον. ταῦτα μὲν οὖν οἶδ’ ὅτι φυλάξῃ· πειρῶ δὲ τῇ ἐπινοίᾳ μεταφέρουσα σεαυτὴν ἀποκαθιστάναι πολλάκις εἰς ἐκεῖνον τὸν χρόνον, ἐν ᾧ μηδέπω τοῦ παιδίου τούτου γεγονότος μηδὲν ἔγκλημα πρὸς τὴν τύχην εἴχομεν, εἶτα τὸν νῦν καιρὸν τοῦτον ἐκείνῳ συνάπτειν, ὡς ὁμοίων πάλιν τῶν περὶ ἡμᾶς γεγονότων. ἐπεὶ τὴν γένεσιν, ὦ γύναι, τοῦ τέκνου δυσχεραίνειν δόξομεν ἀμεμπτότερα ποιοῦντες αὐτοῖς τὰ πρὶν ἐκείνην γενέσθαι [e] πράγματα. τὴν δ’ ἐν μέσῳ διετίαν ἐξαιρεῖν μὲν οὐ δεῖ τῆς μνήμης, ὡς δὲ χάριν καὶ ἀπόλαυσιν παρασχοῦσαν ἐν ἡδονῇ τίθεσθαι καὶ μὴ τὸ μικρὸν ἀγαθὸν μέγα νομίζειν κακόν, μηδ’ ὅτι τὸ ἐλπιζόμενον οὐ προσέθηκεν ἡ τύχη, καὶ περὶ τοῦ δοθέντος ἀχαριστεῖν. ἀεὶ μὲν γὰρ ἡ περὶ τὸ θεῖον εὐφημία καὶ τὸ πρὸς τὴν τύχην ἵλεων καὶ ἀμεμφὲς καλὸν καὶ ἡδὺν ἀποδίδωσι καρπόν, ἐν δὲ τοῖς τοιούτοις ὁ μάλιστα τῇ μνήμῃ τῶν ἀγαθῶν ἀπαρυτόμενος καὶ τοῦ βίου πρὸς τὰ φωτεινὰ καὶ λαμπρὰ μεταστρέφων καὶ μεταφέρων ἐκ τῶν σκοτεινῶν καὶ ταρακτικῶν τὴν διάνοιαν ἢ [f] παντάπασιν ἔσβεσε τὸ λυποῦν ἢ τῇ πρὸς τοὐναντίον μίξει μικρὸν καὶ ἀμαυρὸν ἐποίησεν. ὥσπερ γὰρ τὸ μύρον ἀεὶ μὲν εὐφραίνει τὴν ὄσφρησιν πρὸς δὲ τὰ δυσώδη φάρμακόν ἐστιν, οὕτως ἡ ἐπίνοια τῶν ἀγαθῶν ἐν τοῖς κακοῖς καὶ βοηθήματος ἀναγκαίου παρέχεται χρείαν τοῖς μὴ φεύγουσι τὸ μεμνῆσθαι τῶν χρηστῶν μηδὲ πάντα καὶ πάντως μεμφομένοις τὴν τύχην. ὅπερ ἡμῖν παθεῖν οὐ προσήκει συκοφαντοῦσι τὸν ἑαυτῶν βίον, [611] [a] εἰ μίαν ἔσχηκεν ὥσπερ βιβλίον ἀλοιφὴν ἐν πᾶσι καθαροῖς καὶ ἀκεραίοις τοῖς ἄλλοις.

Καὶ μὴν ἃ τῶν ἄλλων ἀκούεις, οἳ πείθουσι πολλοὺς λέγοντες ὡς οὐδὲν οὐδαμῇ τῷ διαλυθέντι κακὸν οὐδὲ λυπηρόν ἐστιν, οἶδ' ὅτι κωλύει σε πιστεύειν ὁ πάτριος λόγος καὶ τὰ μυστικὰ σύμβολα τῶν περὶ τὸν Διόνυσον ὀργιασμῶν, ἃ σύνισμεν ἀλλήλοις οἱ κοινωνοῦντες. ὡς οὖν ἄφθαρτον οὖσαν τὴν ψυχὴν διανοοῦ ταὐτὸ ταῖς [e] ἁλισκομέναις ὄρνισι πάσχειν· ἂν μὲν γὰρ πολὺν ἐντραφῇ τῷ σώματι χρόνον καὶ γένηται τῷ βίῳ τούτῳ τιθασὸς ὑπὸ πραγμάτων πολλῶν καὶ μακρᾶς συνηθείας, αὖθις καταίρουσα πάλιν ἐνδύεται καὶ οὐκ ἀνίησιν οὐδὲ λήγει τοῖς ἐνταῦθα συμπλεκομένη πάθεσι καὶ τύχαις διὰ τῶν γενέσεων. μὴ γὰρ οἴου λοιδορεῖσθαι καὶ κακῶς ἀκούειν τὸ γῆρας διὰ τὴν ῥυσότητα καὶ τὴν πολιὰν καὶ τὴν ἀσθένειαν τοῦ σώματος· ἀλλὰ τοῦτ' αὐτοῦ τὸ χαλεπώτατόν ἐστιν, ὅτι τὴν ψυχὴν ἕωλόν τε ποιεῖ ταῖς μνήμαις τῶν ἐκεῖ καὶ [f] λιπαρῆ περὶ ταῦτα καὶ κάμπτει καὶ πιέζει, τὸν σχηματισμόν, ὃν ἔσχεν ὑπὸ τοῦ σώματος ἐν τῷ ‹προς›πεπονθέναι, διαφυλάττουσαν. ἡ δὲ ληφθεῖσα μὲν .... ὑπὸ κρειττόνων ἔχεται, καθάπερ ἐκ καμπῆς ὑγρᾶς καὶ μαλθακῆς ἀναχαιτίσασα πρὸς ὃ πέφυκεν. ὥσπερ γὰρ τὸ πῦρ, ἄν τις ἀποσβέσας εὐθὺς ἐξάπτῃ, πάλιν ἀναρριπίζεται καὶ ἀναλαμβάνει ταχέως ....
